Streak At Eight

By KENT CHETLAIN Playing fever-pitch baseball, the red-hot Sanford Cardinals thrived under vesterday's 00 degree tem perature by edging out the mighty Daytona Beach Islanders, 11-10, in the bottom of the 12th at the Me-morial Stadium last night. The advent of unsensumably hot weather has ushered in the longest Sanford winning streak this year. By winning last night's three-hour and 34-minute marathon, the Cardinnly ren their winning skeln to

four straight.
It was the heroic single by tiny Roman—Tony Barone—that pro-vided the straw which broke Day-tona's back in the bottom of the fourth extra stanza.

hour, 52 minute game between the Yankees and the Red Sox wear people out," said baseball's head man resignedly. "They are bad enough in the daytime, but even worse at night. How is a man who's got to get up and go to work going to sit a game out until 12:30 in the morning? I know I wouldn't. "But what can we do about it? We can't tell managers how to run their teams. We can suggest, but as long as they stay within the rules there's nothing else we can do One thing I wish they would do is move all the bullpens in closer. Those slow walks in cat up a lot of time when there are eight

or ten pitchers in a game."

How did he like the idea of bringing the relief pitcher in by car, as they do in Cleveland?
"That's just for show," Frick sald. "It doesn't save a bit of time. I've clocked it. I only wish the solution were that simple. "What's happened is that prac-tically every player today takes

himself a full swing, trying to knock the ball out of the lot, It's got all the pitchers scared, not just of being hit, but of being badly hurt every time they turned the ball loose. The result is that they pileb with such caution the count goes to three-two a big part of the time. There's nothing we can do about that."

Commenting that the weather appeared to be brightening somewhat, the commissioner turned to a more cheerful topic—Milwaukee
"What's happening out there is
the answer to those who oppose the the answer to those who oppose the transfer of franchises from one city to another," he declared. "They said Milwaukee was too small to support a big league Club, pointing out that it drew under 200,000 as a minor league city last year What they overlooked was that it's a vastly different thing when you offer people a chance to see the best.

We would like to make a public acknowledgement of a letter we received from junior Representative Mack Cleveland Jr. It was written in response to a letter sent to him by local sportsmen and constitutents urging his support against a bill which would permit shad seining in fresh waters about to be introduced in the Legislature.

It was signed by many people. We signed this letter simply because of our conviction that Florida's fresh water lakes, rivers and streams should be preserved for our sportsmen and tourists . . . Why should we kill a booming tourist trade for concessions to commercial fishermen who strip the lakes and streams of fish depriving us of the sport.

President And Taft Split On Major Policy

Eisenhower Believes Friends Are Needed

By JOHN M. Hightower WASHINGTON On — President Eisenhower and Sen. Taft split today on a major issue of U. S.

foreign policy.
The President committed his administratio to collaboration and compromise with friendly nations in Kores and over the world. He said no single free nation can live sione and that the United States has go to have friends. Elsenhower spoke out at his news conference two days after Taft, the Senate Republican leader, had said the United States might as well forget the United Nations so far east the Korean War

is concerned.
Allied diplomats here, aware that the Korean truce negotiations are now in the showdown stage and may even collapse next week, have been deeply werried by the speech read for Taft in Cincinnati Tues-

The alling senator proposed that the United States reserve for it-self a free hand in the Far East-in effect cutting its ties with its allied and preparing to go it slone. Britain and other European countries assisting in the Korean War have expressed fear the United Sales might take action which would spread the conflict behond the borders of Korea.

Eisenhower, talking of the general principle sathers than of ports.

eral principle rather than of parti-cular problems, said the United States cannol go it alone in one place without going it alone everywhere if this nation is going to hold jointly with other nations to the common concepts of free men, then it is going to have to make comprumises between local

The new telephone directory contains many new and changed latings and other helpful telephone infromation and is easily distinguishable from the old gray-covered telephone book by its green cover. A sufficient quantity of the new directories has been printed new directories has been printed to supply every telephone subscriber and to allow for future telephone expansion.
The classified section—yellow

pages—contains listings for business telephone subscribers under headings alphabetised according to their businesses or professions.

"The variety of classifications describing products, services, professions and businesses provides a convenient ready reference guide when you want to locate a firm or individual," Mr. Evans pointed out.

We requests that the old directory he discarded and that the new directory be referred to when telephone numbers are desired. Looking up the desired numbers helps to avoid the possibility of getting wrong numbers and saves time for both the calling and called parties. "Information" should be called only when seeking a number not listed in the directory.

self-government is a part of the American way of life, and that equa: rights are due all citizens, regardless of where they live. But the step of creating states

out of territories far removed from our shores populated by people with different national backgrounds, with characteristics and traditions dissimilar to ours,

For these, and many other reasons, I am greatly encouraged by our decision in the Interior and hearings on the Hawaii and Alaska statehood bills. It could be that, after all the facts are developed, the Congress will decide that it will be better to make Hawaii a county of California, Alaska a county of Washington state.

Sports Roundup By GAYLE TALBOT

NEW YORK IN - Husa Meyer

The Mad Monk, as he is known determin ve Vel-1 game at Orlando May 24.

League President Juck Dempsey, St. Augustine, levied the senience and said it was the stiffest suspension in the 12-years bitter. somebody, even if it's only him-self. He throws things and kicks pitcher Ken McClamrock \$10 for cursing Williamson and pitcher Leonard Liverman \$10 for throwing his glove, cursing and being ejected by Williamson.

The providest said winds up in trouble.

The sort of pitcher we've never been able to fathom is the big, imperturbable galoot whom nothing seems to ruffle. Managers like him, but we find him only dull.

Oviedo's High School Athletes Are Honored At Annual Banques Opening Evening | Wilson-Maier To

By MARIAN R. JONES

OVIEDO — (Special) — The event looked forward to each year by the members of the athletic twams of the Oviedo School is the annual athletic supper sponsored by the parents and the teachers. This affair took place last Friday evening at Sweetwater Park. It was a chicken supper, fried, with all the trimmings and was enjoyed by all. Following the eats, Coach Miller introduced Ed Taylor, Sentinel-Har sports writer, who presented a beautiful trophy from the newspaper to our team as recognition of the team's first victory as winners of the Central Florida Conference tournament at Mt. Dora.

Mills Lord, Orlando, a former athletic coach at the Oviedo school (during the year our present coach as a senior in school), was introduced as the guest speaker. He told unusual incidents during the days he was coach here in comparison to the events of today's team. He introduced Mrs. Lord, who was with him, had talked about their daughter, Fat, born while they were in Oviedo. She is now a Sophomore at

Edgewater. They also have a son now who will enter school next year.

Mrs. Ruth Metcalf then made a speech, as the girls' coach, and praised the team, saying they had the best average in games won and lost this year even though they were eliminaed in the preliminaries. Letters went to Georgene Parker, Joan Brown, Cornella Weitmon, IoAnn Floming, Shirley Jones, Ann Leinhart, Ann Pierson, Pat Walker and Nadine Bostick.

County Miking then made a speech of praise for his tournament.

Coach Miller then made a speech of praise for his tournament winning basketball team. He told of their season record. He said that the most spectacular game during the year was the Titusville game during the tournament. Those of us who saw it thoroughly agree with him—even to the point of admitting we may have lost 10 years of our lives that night, especially when we were so far behind at the half.

Johnnie Jones was high point man for the team, having made 399 points for the season—one short of his 400. He was also the only member of the team who made the first team of the Central Florida Conference team. Harvey Joe Slayton, Warren McCall and Freddie Wheaton and Billy Meek received honorable mention. All of the hour mentioned above also Norman Fore and mention. All of the boys mentioned above, plus Norman Fore and Walt Duda made the Sanford Herald first or second team. Johnnie and a Mt. Dora boy were the only two unanimously elected to the Central Florida Conference team.

Central Florida Conference team.

Letters went to Walter Duda, captain; Johnnie Jones, Norman Fore, Richard Llewellyn, Warren McCail, Harvey Jue Slayton, Billy Meek, Richard Wrye and Bobby Shaffer. Numerals went to Ray Fore, Freddie Wheaton and Lorne Mathers.

Walt Duda, the ace pitcher of the team, was cited for his 600 batting average for the season. The coach said the team made a remarkable record, considering that three of their games were with the powerful Titusville team. Even so, Titusville only defeated us by one run in two of these meetings. Johnnie Jones, catcher, was second in batting average, 360 and Kelth Malcolm third with 333,

Warren McCail received praise for being at the top in runs battled in. Coach Mikler also praised his work with the basketball

batted in. Coach Mikler also praised his work with the basketball team this year. He came to Oviedo from Seminole High, and was a grand guard. Hoy Beistel, another transfer student—coming

from Pennaylvania — was praised for his work in baseball.
Letters in baseball went to Walter Duda, Warren McCall, Roy
Beistel, Charles Mentzer, Harvey Joe Slayton, Billy Meek, captain;
and Kenneth Malcolm and Johnnie Jones, Numerals went to Freddie
Wheston, Ray Fore, Lorne Mathers and Keith Malcolm. Harvey Joe Slayton, the six-foot-three center who will be a senior next year, was elected captain with Johnnie Jones as alternate. Lorne Mathers was elected captain of the baseball team with Johnnie

Mrs. John Duda said a few words of thanks following Mr. atts. John Dank said a few words of themas following att, allikler's appreciation to everyone for their co-operation and Harvey's account of the Gainesville trip the basketball team made. Mrs. J. H. Jones Jr. announced that a date will be announced soon for the party she promised the baskethall team for winning all of their conference wames, plus the tournament. She also announced that she has as co-hostesses with her Mrs. John Duda, Mrs. R. F. King, Mrs. George C.

Reshuffle Of Staff Is Seen As No Threat

President Allays Any "Prussianism" Fear

WASHINGTON In President Eisenhower says his proposed re-organization of the Defense De-partment would not result in a "single military commander with super staff."

The reorganization would, among other things, strengthen the control of the chairman of the Joint Chiefs of Staff over military per-sonnel assigned to the staff. The President's explanation of the plan was in a letter written last Monday to Rop. Leslia Arends (II III), a top member of the House
