Wisdom: By Russell

Can recorded history be summed up in a single sentence? Without apparently trying to do so, Bertrand Russell, the English philosopher, has come near it in his newly published "Unpopular Essays." He says this: "Most of the greatest evils that man has inflicted upon man have come through people feeling quite certain about something which in fact was false."

Goodman Moves To Florida State League Clubs Battle Fiercely Against Traditional Rivals

SILVER SPRINGS, Apr. 3-(Special)-That the words "traditional rivals" really means toe-to-toe slugging matches that sirtually end in stale-mates was never better proved than in official Class D Florida State League figures released at league headquarters here today by Secretary Peter Schaal.

For, after 11 years of competition, the league's "traditional rivals"

For, after II years of competition are just about even in victories and defeats.

Take the Orlando Senators, 1950 champions, who open the 1951 season at Sanford Friday night April 13. These long-time voseball foes have battled each other 188 times, Orlando winning 96 while losing 92.

Take the DeLand Red Hats who open the season at Daytona 18 Beach against equally as bitter opposition. In 214 meetings over

manager and shortstop, would would play first.

Boudreau presently is listed to play short with Vern Stephens shifting over to third and Bob Doerr holding down second base and Johnny Pesky going to the bench as the club's ranking utility infielder.

Dropo, who had just returned to the Sox lineup after recovering from a pulled muscle, was struck by a Ray Herbert pitch Sunday as the Bostons whipped Detroit, 8-1.

Have you ever wondered how it would feel to go the limit on power and comfort and quality in an automobile?

Or how it would feel to be lord and master of a car that can take its place with the finest in the "fine-car field"?

Then, sir, this is a call to action.

The first action is yours-the simple action of getting in touch with a Buick dealer and planting yourself behind the wheel of a ROADMASTER.

Then let this great-powered and dazzling performer take over.

There's action in every one of the 152 horsepower in its Fireball engine-more action than most proud owners of this eager beauty will ever use.

There's counter-action in its gentle and suregripping brakes, the finest that Buick has ever engineered.

But there's also luxury-the luxury of double-depth Foamtex cushions and custom upholstery-and of ample roadweight magnificently poised on coil springs which individually cushion every wheel.

There's a spacious feeling of room, above and around you-room that is unsurpassed anywhere in the fine-car field. And to make every mile effortless and

relaxed, there's the very exclusive advantage

of Dynaflow Drive-not as an "extra," but as a standard ROADMASTER feature. So why not drop in and satisfy yourself, as our guest, that here indeed is a fine car that

goes the limit-in everything but price! Check for yourself what others ask-and what others offer-and you'll discover ROADMASTER prices a call to action that a wise man can't ignore.

Porrowing is. The average business office, for example. Aren't there at least twice as many eager borrowers as there are eager baseball fans? Actually, borrowing is today per-o haps Amercia's biggest indoor view and is dying out.

Some people still frown on hor-rowing as if it were something immoral or showed a lack of forethought and characters that forethought is an old-fashioned balf, So that doesn't leave any-one who can point the first one who can point the finger of scorn, Who wants to be an ant anyway in a neighborhoost of grasshoppers?
