REPUBLICANS CELEBRATE IN DE BARY yesterday with a Victory Coffee. Shown following the meeting, enjoying coffee and doughnuts are: (left to right) Noel Brown, Ralph Witherell, Carl Lind, George Piercy, Anthony Grezik, Kenneth Zeh, Howard Sharp, and Arthur Power. (Staff Photo)

Seminole County CofC Delegation Visits Top Naval Officials

3 Keynote Talks Are Heard At GOP Victory Coffee

By MARY FOWLER
DeBary — Three distinguished visitors gave keynote talks at the well attended GOP Victory Coffee at the firehouse yesterday in DeBary: Noel Brown, leader of Republican organizations in the Daytona area, Anthony J. Grezik, successful candidate for Justice of the Peace in Daytona Beach and Kenneth Zeh, candidate for representative and now president of the Young Men's Republican club of Daytona.

Noel Brown congratulated the DeBary club on its amazing activities which the Daytona Beach group had not foreseen when they first were interested in the organization of this unit. "When a showing of such strength is made at election that the National organization sends a letter of citation and other clubs write to DeBary asking how they managed to arouse such enthusiasm and perfect such a smooth working group in so short a time (compared with the slower efforts in other newly formed clubs) you must realize that here in DeBary you are to be highly congratulated," remarked Brown.

Grezik, attorney, spoke of the potent factor the GOP has developed in forming political programs throughout the state and disclosed that many who formerly registered as Democrats are happy to "come home" now that they at the November polls, Grezik introduced Zeh, well known among DeBary friends, who gave an interesting account of the Young Peoples' group, from High School age on, who are being inducted into the Young Men's club at Daytona, these younger members to be active in detail work of the future organizational programs.

President Ralph Witherell beamingly remarked that the day itself was a true GOP day, bright and shiny with hope. He thanked William Watson for his musical group who enlivened the rallies. He complimented George Percy and his campaign committee who, as he said, richly deserved praise from all. Witherell appointed a nominating committee of Arthur Power, Thomas Leavitt, Harry Hunter, Morris Shawkey and William MacKenzie who are to present names of future candidates for officers at the next meeting, with any nominations from the floor to be given consideration and with elections to follow in January.

The club will have a "bang up" Christmas party on December 12 in the Community Center, with Mrs. Harry Seller heading the entertainment. At the popular refreshment tables yesterday Mrs. Morris Shawkey and Mrs. James Livingston presided over coffee and crullers.

NAS Move To Osceola Looks Good

The Seminole County Chamber of Commerce delegation, along with Congressman A. S. "Syd" Herlong Jr., which included Representative Mack N. Cleveland Jr., J. Bralley Odham, Andrew Carraway, and Chamber of Commerce Manager John Krider, conferred this morning with top Naval officials regarding the move of the Sanford Naval Air Station from its present site to Osceola.

The delegation was in conference this morning with Vice Admiral W. B. Davis, Deputy Chief of Naval Operations for Air. Present at the conference were Rear Admiral Benjamin E. Moore and Captain Kenneth J. Sanger.

The conference, said Chamber of Commerce Manager John Krider, in a telephone interview with The Sanford Herald this morning, was for the purpose of discussing and studying the possibility of moving the Sanford Naval Air Station to Osceola.

Congressman Herlong stated "provided the move could be worked out, it would take approximately four years for the operation to be transferred."

Krider commented in the interview "The prospects look very good." However, he further stated "There is still a great deal of work which needs to be done and additional funds are required to keep abreast of the situation."

Congressman Herlong, in the conversation this morning, stated that of the seven million dollars already appropriated, one million dollars would be let out in contracts in the next six months for temporary work on the present station. The runways will be extended, a block house for testing would be built, and additional temporary barracks for more personnel coming into the base would be erected.

"Due to the type of operation at the Sanford Naval Air Station, the station would eventually have to be moved and again, the Osceola prospects are very good," said Congressman Herlong.

The Congressman stated, late this morning that "It was a very favorable conference."

"The Navy told us that the Sanford Naval Air Station is one of the best bases in the United States and the relationships with the people of Sanford are completely satisfactory," Krider stated.

Krider added, "Next year, preliminary work will be started at Osceola." However, he said, "a lot of work must still be done. The air traffic problem is still something that must be worked out among other things."

"Conferences such as the one we had this morning with top officials are important for the future development of Sanford," Krider stated from Washington.

"We sincerely hope that the people of Sanford will recognize the importance of becoming members of the Seminole County Chamber of Commerce during the current membership campaign, for it is through this cooperation that funds for carrying out such work for the economic advancement of Sanford are made available."

City Planning To Be Topic Of Discussion At Joint Session

A joint meeting of the Board of Sanford City Commission and the Zoning and Planning Commission has been set for Thursday evening, Nov. 29 for the purpose of discussing city planning.

Already a number of professional city planners have been interviewed by the Zoning and Planning Commission leading up to the possibilities of a recommendation of that board to the Board of Sanford City Commissioners relative to the employing of a professional planner.

Purpose of a professional city planner is to prepare long range plans for city annexation, street systems, parking, zoning, location of business and industrial sites, water and sewer extension, as well as store front changes, traffic patterns and systems, and park locations for recreational purposes.

Earlier in the year, the Zoning and Planning Commission had requested the appropriation of \$5,000 for a limited study and to further look into the possibilities of employing a professional city planning engineer.

It is entirely possible that the two groups in a joint meeting could come to some decision as to the probable recommendations of the Zoning and Planning Commission relative to the contract with one of the firms of engineers interviewed for the long range study.

The growth of the City of Sanford has pressed forward at such a rapid rate that the orderly growth of the city has become a problem because of the lack of planning.

The turning down of the Zoning and Planning Commission's request for a \$5,000 appropriation in this year's budget for a limited study leads to the possibility that the Board of Sanford City Commissioners more than likely will favor the long range planning program on a wider scale than just mere zoning.

The two boards will meet in the City Commission room of the City Hall beginning at 8 o'clock.

AGENT SURRENDERS ON INDICTMENT

MIAMI (AP)—Bernard Rubin, 34, business agent of Construction Workers and General Laborers Union Local 1940, surrendered yesterday on a federal indictment charging use of interstate telephone calls to defraud.

Stenstrom Lauds DAV For Loyalty

"We plan to receive national publicity when this area is completed," Senator Douglas Stenstrom told members of the Disabled American Veterans at their meeting last night to honor all who had helped make the new DAV building possible.

Seminole County is unique in that it is probably the only place in the United States where all veterans organizations are located in one place on property that has been given by a city, Senator Stenstrom said. "It is entirely possible that we can attract veterans from all over the country to our city and county," he said, "and we are proud that the DAV led the way."

Located in the same area on a plot of property with a 150 foot highway frontage, with a depth of approximately 700 feet are the three veterans organization, Disabled American Veterans, Veterans of Foreign Wars, and the American Legion. The DAV building has been completed, the VFW building is now under construction, and plans have been completed for the American Legion building.

"Some organizations are big, some are powerful, and some are wealthy," pointed out Senator Stenstrom. "However," he said, the Seminole County Chapter DAV is none of the three. "But we are proud of our chapter because of the loyalty of its members, he said. It is the spirit of cooperation that has made this building possible.

"With the help of a lot of firms and people's dreams, of our chapter has been realized," Senator Stenstrom commented as he paid tribute to the people and firms who helped in the building of the DAV home.

He read the list of organizations which included: the Board of Sanford City Commissioners, O. P. Herndon, Warren E. Knowles, Florida State Bank, Sanford Atlantic National Bank, Kader Jewelry Store, Sanford Herald, Britt Tractor Co., American Legion and its members, W. A. Stansel, Senkarik Glass and Paint Co., Harvey Plumbing Co., Roy Wall Plumber, Gale Howe contractor, Hill Lumber & Supply Yard, United Lumber Co., Archie Harriett plumbing, Paul Campbell contractor, Police Chief Roy G. Williams, Sheriff J. L. Hobby, Smith Brothers Lumber Co., George Hale, Holloway Concrete Block Co., Bralley Odham of Odham & Tudor, Phillips Industries, Ellis Lloyd, Constable J. Q. "Slim" Galloway, W. M. Wright, Gus Schmah, Lee Plumbing & Heating, Ernest Lavey, Shecman Concrete Pipe Co., Chase & Co., M. A. Yelvington, M. L. Raborn, A. D. Rosier, Charles Gatlin, and others Stanley Rogers Hardware.

"We want to say Thank You to all who have helped make this building possible," Stenstrom said. We have something here to attract veterans from all over the country for conferences and meetings, he added.

Dinner was served to DAV members and their guests preceding the meeting which was held at 7 o'clock.

8 Arab Countries Warn Troops To Leave Egypt

BEIRUT, Lebanon (AP)—Eight Arab countries threatened today to use force if Britain, France and Israel refuse to withdraw their troops from Egyptian territory.

An Arab summit conference of leaders of Iraq, Jordan, Syria, Lebanon, Saudi Arabia, Yemen, Egypt and Libya has been in session here since Tuesday.

The heads-of-representatives of national leaders—of those Middle East countries wound up their parley with a stern ultimatum, calling Britain, France and Israel "aggressors."

Three kings, one crown prince, two presidents and an assortment of prime ministers, foreign ministers and other cabinet officers met at the call of President Camille Chamoun of Lebanon following the British, French and Israeli attack against Egypt.

In a communique, the heads of state said: "It is unanimously agreed that if Britain and France refuse to comply with United Nations resolutions to withdraw their troops from Egyptian territory immediately and unconditionally, and if Israel refuses also to comply and to withdraw her troops behind the armistice lines immediately and unconditionally, or if the attitude of Britain, France and Israel leads to new tension which would result in a resumption of military operations, then Britain, France and Israel would be held jointly responsible for the continuation of aggression and at that time every state represented in this conference will start immediately, according to the legitimate right of self defense, putting into effect Article 1 of the United Nations charter and taking effective measures in compliance with her obligations under Article 2 of the Arab Collective Security Pact."

The findings of the study groups were discussed in an open meeting of the various chapters representing the home service workers representing: Ligenia Culbreath and Mrs. A. H. Nelson, Bushnell; Mrs. Mary A. Bockles, Palatka; Harriet Thompson and Linda Weidner, Cocoa; Mrs. R. M. Hayes and Mrs. John Hayes, Webster; Francis M. James, Lillian C. Ives, Louise Kriz, and Gladys B. Park, Orlando; Marion Clarkholm, Daytona Beach; Helen Huntington, Leesville; Elizabeth Thompson and Mrs. T. R. Lewis, St. Augustine; Elizabeth Pierce and Barbara Ferguson, Jacksonville; Maj. Joseph Caccavalo, DeLand; Henry H. Myers, DeBary. Also William Smith, Cecil L. Oswalt, Mary Little, Jessie B. Cameron Ruth C. Morse, Alleen Van Lengen, and Sara M. Bowen.

The Seminole County Chapter was represented by Mrs. C. R. Brown and Mrs. Jay Beck, members of the Executive Committee, Mrs. F. D. Scott, Chairman of the Life Saving and Water Safety Committee, and Mrs. Mary D. Knox, Executive Secretary.

The Orlando Air Force Base was represented by William E. Martin, Asst. Field Director, and Patrick Air Force Base by Jack Stinson.

The handling of veterans' claims was first reviewed and discussed following which the representatives were organized into several study groups to consider problems in handling specific problems of servicemen and their families.

The findings of the study groups were discussed in an open meeting of the various chapters representing the home service workers representing: Ligenia Culbreath and Mrs. A. H. Nelson, Bushnell; Mrs. Mary A. Bockles, Palatka; Harriet Thompson and Linda Weidner, Cocoa; Mrs. R. M. Hayes and Mrs. John Hayes, Webster; Francis M. James, Lillian C. Ives, Louise Kriz, and Gladys B. Park, Orlando; Marion Clarkholm, Daytona Beach; Helen Huntington, Leesville; Elizabeth Thompson and Mrs. T. R. Lewis, St. Augustine; Elizabeth Pierce and Barbara Ferguson, Jacksonville; Maj. Joseph Caccavalo, DeLand; Henry H. Myers, DeBary. Also William Smith, Cecil L. Oswalt, Mary Little, Jessie B. Cameron Ruth C. Morse, Alleen Van Lengen, and Sara M. Bowen.

The Seminole County Chapter was represented by Mrs. C. R. Brown and Mrs. Jay Beck, members of the Executive Committee, Mrs. F. D. Scott, Chairman of the Life Saving and Water Safety Committee, and Mrs. Mary D. Knox, Executive Secretary.

The Seminole County Chapter was represented by Mrs. C. R. Brown and Mrs. Jay Beck, members of the Executive Committee, Mrs. F. D. Scott, Chairman of the Life Saving and Water Safety Committee, and Mrs. Mary D. Knox, Executive Secretary.

Pilot Club Slates Hospital Benefit Card Party Jan. 15

Plans were made for the annual Hospital Benefit Card party by members of the Pilot Club at their meeting held in the Yacht Club Tuesday evening with Mrs. Sue S. Stevenson presiding.

The party, proceeds of which will be used toward maintenance of the club's room in the Seminole Memorial Hospital, will be held at the Yacht Club on the Mayfair Inn at 8 p.m. Bridge, Canasta and Samba will be played.

General chairman of the party will be Mrs. Esther Ridge. She appointed the following chairmen to serve with her: Mrs. David Gatchel, posters; Mrs. Al F. Hunt, prizes; Mrs. I. A. Swanson, tickets and tables; Mrs. R. M. Ball, decorations; Mrs. Esther Rive, refreshments; Mrs. Walter L. Carter, serving; Miss Elsie Farley, hospitality; Mrs. Vola Lambertson, music; and door hostesses, Mrs. E. B. Randall Jr. and Mrs. Rive.

Members voted to man the Salvation Army kettles again this year as they have for many years. Pilot Club day has been set for Saturday, Dec. 1 from 9 a.m. until 5 p.m. Mrs. Stevenson assigned members to stations at Mc. Crory's and in front of the Post Office for that day.

Mrs. Gatchel was appointed chairman of the Anchor Club committee. Composed of representative high school girls, Anchor Clubs are sponsored by Pilot Clubs and function under their direct supervision.

It was announced that the club's annual Christmas party to which friends and families of the members are invited, will be held at the Yacht Club on Dec. 11. The Thanksgiving party will be held on the evening of Nov. 21 with Mrs. Nancy Brock in charge of the program.

Members were reminded to bring toys, gift wrapped, to the Christmas party to be turned over to the Salvation Army.

Auto Backs Into DeBary Newcomer

DeBary—Arthur Brown, a newcomer to DeBary, was injured yesterday when an automobile backed into him as he walked behind cars at the DeBary Post Office.

Reports from the scene of the accident stated that Brown was struck by a car owned by Mr. and Mrs. Charles Blackshaw.

Brown suffered injured ribs, according to early morning reports from the Seminole Memorial Hospital where he was taken about mid-afternoon yesterday following the accident.

Brown has been a resident of DeBary for about two weeks, reports stated this morning.

Continued Growth Of City Indicated In Water Report

A continued growth of the city was indicated in a report to the Board of Sanford City Commissioners this week showing the activities of the Water Division of the City of Sanford's Utility Department for the 1955-56 year.

The report, from the office of the City Manager, Warren E. Knowles, pointed specifically to the estimate that approximately a 1,100 population increase was experienced within the past 12-month period in the area served by the City's water system.

The comparative report with 1954-55 shows the increase of total services from 3,663 to 4,269 in the past year with metered services increasing from 3,993 to 4,368.

There was no increase, according to the report in flat rate services.

Extensions in the 1955-56 year were 6,063 feet of 1 1/2 inch pipe, 408 feet of 1 1/2 inch, 474 feet of 1 1/2 inch, 600 feet of 1 inch, and 4,368 feet of 3/4 inch pipe.

Fire hydrants increased 6 from 273 to 279 within the city limits but remained at 18 outside the city limits.

The Water Division of the Utility Department answered 98 complaint calls in the one year period, made 115 leak repairs and installed 384 services.

Nearly two hundred million gallons more water was pumped from the wells by the city of Sanford's water pumps in the 1955-56 year over the previous year. Total gallons of water pumped from the fields in 1954-55 was 431,631,000 compared to the 552,490,000 pumped last year. The same increase was shown in the number of gallons of water pumped from the reservoir.

However to show the economical operation of the department, there was a decrease in the number of gallons of fuel oil used last year. 23,096 gallons of fuel oil were consumed in the 1954-55 year as compared to the 22,565 gallons used in 1955-56 year. There was a corresponding decrease in the use of lubricating oils. The Water Department used 206 gallons of lubricating oil last year as compared to the 279 gallons used in the previous year.

According to the report, and in comparison to the number of gallons of water pumped by the city there was an increase in nearly 6 thousand pounds of chlorine and a nearly 10 thousand KWII increase in the use of electricity.

Legal Notice

In the County of the County Judge, Seminole County, Florida, in Probate.

In re: Estate of LILLIE HENDERSON ROBINSON, known as LILLIE HENDERSON ALBERT.

To All Creditors and Persons Having Claims or Demands Against said Estate:

You and each of you are hereby notified and required to present any claim and demands which you, or either of you, may have against the estate of LILLIE HENDERSON ROBINSON, also known as LILLIE HENDERSON ALBERT, deceased, late of said County, to the County Judge of Seminole County, Florida, at his office in the Court House of said County at Sanford, Florida, within six calendar months from the date of the first publication of this notice. Each claim or demand shall be in writing, and shall state the place of residence and post office address of the claimant, and shall be sworn to by the claimant, agent, attorney, and any such claimant, demand, or creditor, and shall be filed with the Clerk of said County.

And, I, Lee Thornton, Administrator of the Estate of LILLIE HENDERSON ROBINSON, also known as LILLIE HENDERSON ALBERT, deceased, do hereby certify that the above is a true and correct copy of the notice as filed with me.

LEE THORNTON, Administrator.

State of Florida, in Probate. Attest: My office and I, Clerk of the County, do hereby certify that the above is a true and correct copy of the notice as filed with me.

W. C. HUTCHINGS, Jr., Clerk of the County.

This notice is published in a newspaper of general circulation in this State, to-wit: The Sanford Herald, on the 15th day of November, 1956, for the first time, and on each of the 15th days of the months of December, 1956, and January, 1957, for the second time, and on each of the 15th days of the months of February, 1957, and March, 1957, for the third time, and on each of the 15th days of the months of April, 1957, and May, 1957, for the fourth time, and on each of the 15th days of the months of June, 1957, and July, 1957, for the fifth time, and on each of the 15th days of the months of August, 1957, and September, 1957, for the sixth time, and on each of the 15th days of the months of October, 1957, and November, 1957, for the seventh time, and on each of the 15th days of the months of December, 1957, and January, 1958, for the eighth time, and on each of the 15th days of the months of February, 1958, and March, 1958, for the ninth time, and on each of the 15th days of the months of April, 1958, and May, 1958, for the tenth time, and on each of the 15th days of the months of June, 1958, and July, 1958, for the eleventh time, and on each of the 15th days of the months of August, 1958, and September, 1958, for the twelfth time, and on each of the 15th days of the months of October, 1958, and November, 1958, for the thirteenth time, and on each of the 15th days of the months of December, 1958, and January, 1959, for the fourteenth time, and on each of the 15th days of the months of February, 1959, and March, 1959, for the fifteenth time, and on each of the 15th days of the months of April, 1959, and May, 1959, for the sixteenth time, and on each of the 15th days of the months of June, 1959, and July, 1959, for the seventeenth time, and on each of the 15th days of the months of August, 1959, and September, 1959, for the eighteenth time, and on each of the 15th days of the months of October, 1959, and November, 1959, for the nineteenth time, and on each of the 15th days of the months of December, 1959, and January, 1960, for the twentieth time, and on each of the 15th days of the months of February, 1960, and March, 1960, for the twenty-first time, and on each of the 15th days of the months of April, 1960, and May, 1960, for the twenty-second time, and on each of the 15th days of the months of June, 1960, and July, 1960, for the twenty-third time, and on each of the 15th days of the months of August, 1960, and September, 1960, for the twenty-fourth time, and on each of the 15th days of the months of October, 1960, and November, 1960, for the twenty-fifth time, and on each of the 15th days of the months of December, 1960, and January, 1961, for the twenty-sixth time, and on each of the 15th days of the months of February, 1961, and March, 1961, for the twenty-seventh time, and on each of the 15th days of the months of April, 1961, and May, 1961, for the twenty-eighth time, and on each of the 15th days of the months of June, 1961, and July, 1961, for the twenty-ninth time, and on each of the 15th days of the months of August, 1961, and September, 1961, for the thirtieth time, and on each of the 15th days of the months of October, 1961, and November, 1961, for the thirty-first time, and on each of the 15th days of the months of December, 1961, and January, 1962, for the thirty-second time, and on each of the 15th days of the months of February, 1962, and March, 1962, for the thirty-third time, and on each of the 15th days of the months of April, 1962, and May, 1962, for the thirty-fourth time, and on each of the 15th days of the months of June, 1962, and July, 1962, for the thirty-fifth time, and on each of the 15th days of the months of August, 1962, and September, 1962, for the thirty-sixth time, and on each of the 15th days of the months of October, 1962, and November, 1962, for the thirty-seventh time, and on each of the 15th days of the months of December, 1962, and January, 1963, for the thirty-eighth time, and on each of the 15th days of the months of February, 1963, and March, 1963, for the thirty-ninth time, and on each of the 15th days of the months of April, 1963, and May, 1963, for the fortieth time, and on each of the 15th days of the months of June, 1963, and July, 1963, for the forty-first time, and on each of the 15th days of the months of August, 1963, and September, 1963, for the forty-second time, and on each of the 15th days of the months of October, 1963, and November, 1963, for the forty-third time, and on each of the 15th days of the months of December, 1963, and January, 1964, for the forty-fourth time, and on each of the 15th days of the months of February, 1964, and March, 1964, for the forty-fifth time, and on each of the 15th days of the months of April, 1964, and May, 1964, for the forty-sixth time, and on each of the 15th days of the months of June, 1964, and July, 1964, for the forty-seventh time, and on each of the 15th days of the months of August, 1964, and September, 1964, for the forty-eighth time, and on each of the 15th days of the months of October, 1964, and November, 1964, for the forty-ninth time, and on each of the 15th days of the months of December, 1964, and January, 1965, for the fiftieth time, and on each of the 15th days of the months of February, 1965, and March, 1965, for the fifty-first time, and on each of the 15th days of the months of April, 1965, and May, 1965, for the fifty-second time, and on each of the 15th days of the months of June, 1965, and July, 1965, for the fifty-third time, and on each of the 15th days of the months of August, 1965, and September, 1965, for the fifty-fourth time, and on each of the 15th days of the months of October, 1965, and November, 1965, for the fifty-fifth time, and on each of the 15th days of the months of December, 1965, and January, 1966, for the fifty-sixth time, and on each of the 15th days of the months of February, 1966, and March, 1966, for the fifty-seventh time, and on each of the 15th days of the months of April, 1966, and May, 1966, for the fifty-eighth time, and on each of the 15th days of the months of June, 1966, and July, 1966, for the fifty-ninth time, and on each of the 15th days of the months of August, 1966, and September, 1966, for the sixtieth time, and on each of the 15th days of the months of October, 1966, and November, 1966, for the sixty-first time, and on each of the 15th days of the months of December, 1966, and January, 1967, for the sixty-second time, and on each of the 15th days of the months of February, 1967, and March, 1967, for the sixty-third time, and on each of the 15th days of the months of April, 1967, and May, 1967, for the sixty-fourth time, and on each of the 15th days of the months of June, 1967, and July, 1967, for the sixty-fifth time, and on each of the 15th days of the months of August, 1967, and September, 1967, for the sixty-sixth time, and on each of the 15th days of the months of October, 1967, and November, 1967, for the sixty-seventh time, and on each of the 15th days of the months of December, 1967, and January, 1968, for the sixty-eighth time, and on each of the 15th days of the months of February, 1968, and March, 1968, for the sixty-ninth time, and on each of the 15th days of the months of April, 1968, and May, 1968, for the seventieth time, and on each of the 15th days of the months of June, 1968, and July, 1968, for the seventy-first time, and on each of the 15th days of the months of August, 1968, and September, 1968, for the seventy-second time, and on each of the 15th days of the months of October, 1968, and November, 1968, for the seventy-third time, and on each of the 15th days of the months of December, 1968, and January, 1969, for the seventy-fourth time, and on each of the 15th days of the months of February, 1969, and March, 1969, for the seventy-fifth time, and on each of the 15th days of the months of April, 1969, and May, 1969, for the seventy-sixth time, and on each of the 15th days of the months of June, 1969, and July, 1969, for the seventy-seventh time, and on each of the 15th days of the months of August, 1969, and September, 1969, for the seventy-eighth time, and on each of the 15th days of the months of October, 1969, and November, 1969, for the seventy-ninth time, and on each of the 15th days of the months of December, 1969, and January, 1970, for the eightieth time, and on each of the 15th days of the months of February, 1970, and March, 1970, for the eighty-first time, and on each of the 15th days of the months of April, 1970, and May, 1970, for the eighty-second time, and on each of the 15th days of the months of June, 1970, and July, 1970, for the eighty-third time, and on each of the 15th days of the months of August, 1970, and September, 1970, for the eighty-fourth time, and on each of the 15th days of the months of October, 1970, and November, 1970, for the eighty-fifth time, and on each of the 15th days of the months of December, 1970, and January, 1971, for the eighty-sixth time, and on each of the 15th days of the months of February, 1971, and March, 1971, for the eighty-seventh time, and on each of the 15th days of the months of April, 1971, and May, 1971, for the eighty-eighth time, and on each of the 15th days of the months of June, 1971, and July, 1971, for the eighty-ninth time, and on each of the 15th days of the months of August, 1971, and September, 1971, for the ninetieth time, and on each of the 15th days of the months of October, 1971, and November, 1971, for the hundredth time, and on each of the 15th days of the months of December, 1971, and January, 1972, for the hundred and first time, and on each of the 15th days of the UCLA Scientists Propose Building Electronic Brain

LOS ANGELES—A team of UCLA scientists has proposed building an electronic brain in the hope of finding the true fourth dimension that may exist all around man.

Dr. Robert Tschirgi, a physiologist at the university's medical school, believes that man, handicapped by a limited ability to perceive dimensions, may actually be unaware of the true shape of things.

He has advanced the concept that by studying the limitations of his brain, man may be able to build a computer that can peer around "the fourth dimensional corner" and translate what it finds there into a language he can understand.

If that occurs, says Dr. Tschirgi, "events which seem now to be unpredictable, and therefore unavoidable, might be foreseeable, and the future would seem less mysterious."

Dr. Tschirgi and his associates, Dr. R. Dekan and Dr. U. L. Taylor, have been engaged in a theoretical study of dimensional perception during the past year. A report on their theories has been leased.

Time is frequently considered to be the fourth dimension. But Dr. Tschirgi proposes the idea that time is essentially a biological factor and is primarily related to a "clock" in man's brain.

"In the world outside of us," he says, "motion may occur in directions which we cannot see, and which we must therefore interpret only as a change in time."

Why A Refrigerator?

Safeguarding the potency of certain biologicals, antibiotics, insulin, and other drugs requires that they be kept under correct temperature control. To provide the safeguard, a glistening electric refrigerator is part of our prescription room equipment. In it, correct temperatures are maintained to protect the potency of these drugs at all times thereby assuring you of the maximum benefits from them when they are prescribed for you.

DIVISION REQUESTING FUNDS

TALLAHASSEE (AP)—The Salt Water Fisheries Division of the State Conservation Department is requesting \$1,931,048 from the general revenue fund for 1957-59 operations, an increase of \$333,468 over the current appropriation.

Conservation Director Ernest Mitts said he wanted "a raise" in salaries in line with Men's System recommendations, all nine conservation agents, a director of a proposed new science services division, a biologist, an educational and information director and six replacement patrol boats and an airboat and a seaplane for aerial patrols.

Lions Club Always Helping Others Through Eye Conservation Program

Many children going to school today are thinking of what they'll get for Christmas. All 12-year-old Joey Fillar wants is to be able to see like other kids.

Now this story could well apply to Sanford and Seminole County for it is through the efforts of the Lions Club and their sight conservation program that Joey may be able to see by Christmas of 1957.

Joey lives at Wilmerding, Pennsylvania with his widowed mother, a brother and two sisters. Each morning before attending classes at St. Leocadia's Roman Catholic school, he goes to Mass and says a prayer that his operation will "come out okay."

The 12-year-old youngster is a sort of a shy boy and a bit shy. But he's not nearly so shy as he was a year ago when a Lions Club in his community became interested in him, saw to it that he had the finest pair of glasses obtainable and then arranged special eye treatment.

Mrs. Mary Fillar, Joey's mother, said the outlook wasn't good for Joey until the Lions Club came to the family's aid. Her husband died last February after being bedridden five years by arthritis.

Leading up to the boy's pathetic case—Joey's right eye was injured at birth. His eyelids sagged pathetically and for years, after starting to school, he endured the stares of the curious.

"I took him to the doctor to see if there wasn't something we could do," his mother said.

The Lions Club paid for his glasses and for a whole year now he's been receiving treatment at the Pennsylvania Vision Institute in Pittsburgh.

That treatment has so encouraged surgeons that in about a month they'll operate on Joey. He has double vision and is unable to coordinate his right eye with his good left eye, but eye training exercises have helped him considerably.

We've found out that the surgeons have determined that there will be an operation. Then too, muscles will alternately be strengthened then weakened. Joey, will of course, receive eye exercises.

Well—the entire process will probably take a year and it may not be until Christmas 1957 that Joey can see as well as most boys.

The Lions Club has pledged itself to raise more than \$300 for the operation.

Of course, the moral to this story is the

Try and Stop Me

By BENNETT CERF

SEEKING TO AVOID publicity, Marlon Brando registered at a motel recently as "Herman Melville." The clerk was a college grad, however, and countered, "Well, well, Herman, don't you remember me? I'm Moby the whale!" Brando blew him to a steak dinner.

Say, we haven't had one like this in some time: Call Benham insists that we tell you about a leopard who visited his optometrist to complain, "Every time I look at my wife, I see spots before my eyes."

"What do you expect?" scoffed the optometrist. "You're a leopard, aren't you?"

"Sure," conceded the leopard, "but my wife is a zebra."

YOU'RE TELLING ME!

By WILLIAM RITT
Central Press Writer

THE CITY of New York has just paid the last installment of its debt incurred with the building of the Brooklyn bridge, which was opened in 1883. That's quite a span—of time.

N. Y. has also just finished paying for the Williamsburg and Queensboro bridges. Getting rid of a lot of overhead expense?

Last listing in Oetman's phone book is the Zesty Zamp Studios. Puts us to sleep, just reading it!

The Equator, a study by American scientists has revealed, is out of line as much as three degrees, both north and south. Good grief, Christmas.

does this mean there "are" two Equators?
In Antarctica it is impossible to catch a cold—Factographs. Well, you're certainly not going down there to try to drop the.

A Trenton, N. J., burglar congratulated two policemen for their alertness, after they caught him breaking into a factory. No kidding?

Somebody's always trying to take the joy out of life, like the man at the next desk, who up and reminds us that there now are less than 40 shopping days until Christmas.

Beauty Contests Terrible Evil

By HAL DOTY
NEW YORK (AP)—"Beauty contests," said Anita Ekberg, "are a terrible evil."
"I don't like them. I never have."
This sounded almost as heretical as if the late J. P. Morgan were to denounce gold. After all, Miss Ekberg's own stepping-stone to Hollywood stardom had been the winning of a contest to pick a "Miss Sweden."
"Yes," she admitted, "but it was the only one I ever entered, and I did so only because my mother urged me to. I already was a top model."
What's so evil about beauty contests?
"Everything," said Miss Ekberg. "Many of them are such nonsense. They pick a 'Miss Fender of 1956' or a 'Miss Washing Machine of 1956.' But what does it mean?"
"Usually they always look for the wrong kind of girl in beauty contests. They want the—how do you say it—pretty next-door girl, rather than confidence, he would make as good a president as he did a general."
He doesn't have to worry about that now. Last Tuesday's vote was an outpouring of approval for his first four years' performance. He owes far less to the Republican party than the party owes him. The voters supported him overwhelmingly while not even entrusting his party with control of Congress. He has said he wants to shape a new Republican party. He couldn't do it in his first four years. He has only four more left, since the Constitution limits him to two terms.
He was mild, friendly and un-critical with everyone in the party in his first term even though there were many in it who disagreed with him and even voted against him.
He can hardly hope to change the party by the same tactics between now and 1960. For that reason—and since he owes his reelection far more to himself than to the party—he may decide to be tough where he was lenient with Republicans who go contrary to him and his programs.
So long as it was possible Eisenhower might run and win in 1960, carrying them back into their jobs on his coattails, those Republicans who disagreed with him had a good, self-interested reason to soft-pedal their opposition.
They have no such incentive now. Further, there are would-be presidents among the Republicans. To be considered for the White House, they will somehow have to build themselves up into national stature.
They won't make headlines by being yes-men, either. Yet, they have a dilemma: If they oppose Eisenhower too much they may antagonize, instead of attracting, public support which has been so favorable to Eisenhower's viewpoint.
The traditional politician—for

the sweet, innocent, nothing-at-all girls.
"This kind of a girl is ruined by winning a beauty contest. She doesn't have the drive, ambition, talent or courage to make a career."
"But her head has been turned. She is afraid she will drop out of notice, so she is willing to do anything rather than go back home and live as she did before."
"She listens to men who tell her they can help her get ahead in show business. Often these men have no connection with show business at all. You know what they really want?"
"No, tell me," I said, cupping both hands to my ears to hear her next words better.
"They simply want a date with a pretty girl so they can show their friends what a bigshot they are," said Miss Ekberg. "I dropped my hands."
Anita said even beauty contest winners who land starlet contracts are little better off.
"A starlet gets walk-on parts to save the studio the cost of hiring another extra," she remarked. "But she is also expected to help entertain distinguished visitors."
She is like a hostess in a restaurant where the girls have to drink with the customers. She is afraid not to do everything the studio asks her to, because she is afraid of losing that \$230 a week. But usually she does anyway, and then what is left for her?" Miss Ekberg, who is known as "The Blonde Iceberg" and has a bigger silhouette than Marilyn Monroe, is a graduate of the starlet system herself.
Her seventh and latest film, "Zarak," produced for Columbia Pictures and co-starring Victor Mature and Michael Wildgen, mer President Truman and the late Sen. Robert A. Taft of Ohio are recent examples—is a man who makes plenty of enemies, even within his own party, by vigorous attacking those he are trying to undercut him.
If Eisenhower is to achieve his goals in the next four years, he may feel it necessary to become more like the traditional politician.

Ike's Political Self May Change

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—The political personality of President Eisenhower may undergo a change as he tries these next four years to get things done.
If a politician can be judged on his ability to stay in office by satisfying a majority of the people, Eisenhower must be considered one of the best after the enormous endorsement he got Nov. 23.
Since he also won by a landslide in 1952, it may be assumed he would just go on being his same self. That doesn't follow, for he's in a different position now from 1952, politically and personally.
He was a political amateur in 1952. He isn't now. His knowledge of government and of how to get his programs through Congress was meager in 1952. It isn't now.
Between 1952 and 1954 he could always think that perhaps the huge vote in 1952 was due partly to public desire for a change after 20 years of the Democrats and partly to public hope,

Small Business Man

Preoccupation with events in Europe and the Middle East cannot be allowed to divert all attention from some of the difficulties here at home. One of the most troublesome of these is the situation of the small business man.
One phase of this problem is the inescapable fact that there is a trend in this country toward what economists call business giantism. Very big business is on the increase.
Small businesses are being formed at a rapid rate. General prosperity has encouraged and will undoubtedly continue to encourage many individuals to take a fling at running their own business. But the unfortunate corollary to all this is that small business firms are also falling at the high rate of more than 250 a week.
The administration is by no means unaware of this. President Eisenhower has promised to do more for the small businessman, and Congress will certainly want to go ahead with plans for tax relief and other assistance.
No time should be lost. The nation's small businessmen need help. It should be forthcoming promptly when Congress convenes.

Safer Cars Important

This is the season when, across all the broad land of America, there is excitement about the new model cars. And this year, the public is assured by various manufacturers, the new models are newer than ever.
Even the most bored person, even the individual who has firmly made up his mind not to consider buying a new car now, must experience a stirring of the blood as he sees the sleek 1957 models gliding along the streets. It is impossible not to be conscious that they are long and low, and powered by veritable herds of horses.
One thing is missing this year, however. That is the emphasis on safety devices that characterized the new car ads a year ago. It is an emphasis still badly needed. Sleek power is important, but a good argument could be made that safety is even more so.
The push toward safer cars should not be abandoned.

As the ex-GIs depart from our colleges we will miss one of the most touching sights of an era, the children being bundled out to the football field to watch Daddy play.

Don't Take Mineral Oil Over Prolonged Period

By HERMAN N. BUNDISEN, M.D.
IT'S never good to overdo anything. You never can tell what effect it might have.
Taking mineral oil for a prolonged period is a good example of how unexpected things can happen.
You don't inhale mineral oil; you simply swallow it. So you would hardly expect to find this oil in the lungs. Yet this is what sometimes happens with rather serious results.
Back of Throat
Some droplets may stick to the back of the throat as the oil is swallowed. A short while later, these droplets may trickle down into the trachea.
Gradually, this oil may accumulate in the air spaces of the lungs and cause a condition which we call lipoid pneumonia. Mineral oil is not absorbed by the body, but remains as a foreign substance in the lungs.
Generally, scar tissue begins forming around the oil, weakening the lung tissue and making it more susceptible to an infection.

Such a condition usually is difficult to diagnose. Since mineral oil is a bland substance, it doesn't cause coughing. You might not even be aware of its presence in the lungs. Even X-ray studies are likely to be inconclusive.
About the only sure way to diagnose the trouble accurately is by an operation. By cutting away the affected lung tissue doctors can usually provide relief.
But as in most other ailments, prevention is much easier than cure. It's best to avoid prolonged use of mineral oil.
QUESTION AND ANSWER
Q. H.: I have been giving cod liver oil to my children. Recently, I have been informed that cod liver oil causes an enlargement of the liver and is injurious to one's health. Is this true?
A.: Answer: Cod liver oil, in the normal dosage, is not at all dangerous and is extremely helpful in supplying the vitamins necessary to children and in preventing disease. The information you have is false.

Dazzling Holiday Fashions Previewed At Woman's Club

Mrs. Tom Bolt and Mrs. Paul Brown, of Yowell's, really outdid themselves in selecting the lovely fashions shown Tuesday night at the Woman's Club. Space does not permit a description of all these styles, but a few of the highlights were a sheath dress, worn by Mrs. Bill Kirk, of cotton in black and brown tones, with a velvet collar and rhinestone buttons; a gay red jersey dress, with white collar and cuffs, modeled by Mrs. Colin Hires; an all-weather coat, shown by Mrs. John Carlton, that is water repellent, wrinkle proof, and stain resistant, with a convertible collar that can also be worn as a hood; A Gay Gibson black pima cotton and silk featuring empire waistline and bateau neckline modeled by Mrs. Bill Stemper; and an after-five dress of pseudo-wool with a lace bodice and a bustle effect in the back, worn by Mrs. George Stine. Yowell's also contributed the striking accessories and jewelry worn with the clothes.

The ladies, however, in all their glory could not outshine the youngsters in the show, who were—well, there's just no other word for it—adorable. Ed Van Fleet demonstrated what the well-dressed young man is wearing to Sunday School these days with a striped corduroy jacket and gray trousers, also of corduroy. With these was worn a black snap-brim felt hat complete with feather.

pink and pale mauve trousers. And to complete the picture of youthful modishness Miss Elizabeth Ann Sweeney, looking very pert and collegiate, modeled a red blazer and red and navy plaid skirt, with a red hat to add the crowning touch to her outfit.

There was a feeling of Christmas in the air, a result—no doubt—of the beautiful and unusual Christmas decorations used on the stage and throughout the building. Of course the frosty pink Christmas tree dominated the stage setting, with its lights, tinsel and angel on top, not to mention the gaily gift-wrapped packages and stuffed animals underneath. Carrying out the Christmas theme on stage was a cornucopia of Christmas balls on the coffee table and Santa on a bicycle on the mantle. And, needless to say, "The stockings were hung by the chimney with care."

Most unusual was the arrangement used on the refreshment table consisting of the top part of a Spanish bayonet plant, with Turk's Cap (Sleepy Hibiscus) stuck onto the points. This was complimented with huge red candles surrounded with greenery and Turk's Cap, on either side. In the entrance hall was a similar arrangement, with artificial reflections for added interest and beauty.

Mrs. Bill Kirk was chairman of the fashion show with various committees as follows: Tickets and Door, Mrs. Al Hunt and Mrs. Julian Wilson; Food, Mrs. Earl Van Fleet, chairman, and Mrs. B. Ellerbe, Decorations, Mrs. David Lerner, Chairman, Mrs. W. Colin Hires, Mrs. W. H. Stemper; and Mrs. John Kader; and tickets, Mrs. Douglas Stinson and Mrs. B. R. Mahan; Mrs. Julian Wilson is chairman of the American Home Department, which sponsored the show.

Modeling for the show were Mrs. W. H. Stemper, Mrs. W. Colin Hires, Mrs. J. D. Carlton, Mrs. George A. Stine, Mrs. G. W. Wells, Mrs. W. L. Kirk and Miss Martha Stemper.

Models for children's clothes were Ben Breckenridge, Ed Van Fleet, Diane Roberts and Elizabeth Ann Sweeney.

Commentator was Mrs. Gordon Sweeney and announcer and mistress of ceremony was Mrs. Roger Harris.

Entertainment was provided by Tommy Brown, doing a marvelous imitation of Elvis Presley singing "Don't Be Cruel" and "Love Me Tender"; Stephen Harris singing "I Saw Mommie Kissing Santa Claus"; with "Mommie" and "Santa Claus" portrayed by Mr. and Mrs. A. O. Roberts; Mrs. Forrest Breckenridge reading "A Visit From St. Nicholas" to the children; and Miss Suzanne Jones singing "Winter Wonderland" and

"One Kiss". Miss Allyson Lee accompanied the soloists and also played appropriate Christmas music throughout the style showing.

Ten door prizes were given out, with the winners being Mrs. Jimmy Wright, Mrs. Marian Louise Beasley, Mrs. J. W. Hall, Mrs. Bradley, Mrs. Charles Bowers, Mrs. Jimmy Singletary, Mrs. Lynch, Mrs. James Ebern, Mrs. Carolyn Byrd and Mrs. Jean Judy.

Following the fashion show, refreshments of punch, mints and homemade cookies were served.

All of the styles for the show were contributed by Yowell's as were the accessories, jewelry, and stuffed toys, of which about the cutest was the red and striped horse, which doubles as a TV Pillow Stool and the "Crazy" pillow, which was a clown's head in many gay colors.

Large Turn-Out For Fathers' Night At Junior High

It was Father's Night Tuesday at the Junior High School when the PTA met there, and the fathers were well-represented at the gathering. The meeting was in charge of George Pittard, and Roy Mann acted as secretary. Mrs. Michael Thomas, president, and Mrs. Clifford Ables, secretary are attending a P-TA meeting in St. Petersburg.

W. W. Tyre was principle speaker and talked to those present about the Seminole Chiefs Club plan for an athletic program starting in Junior High.

Mr. Tyre also, on behalf of the Chiefs Club, presented Hugh Carlton, principal, with a check for \$300, to be applied as partial payment for the 30 new football uniforms given to the school by Bobby Newman, of Hill Impement Co.

Girl Scouts Will Present Two Floats In Parade Nov. 28

There was a meeting recently for Girl Scout leaders at the Episcopal Church.

It was decided that the Girl Scouts would present two floats in the Christmas Parade, which will be held on Nov. 28 this year.

Mrs. Jim Buckler, Mrs. D. W. Linker, Mrs. C. R. Jones, Mrs. Fred Robb, Miss Dorothy Teske and Mrs. Fred McMurray attended an Arts and Crafts Workshop last week at the Girl Scout House in Orlando, and they brought back samples of what they learned and descriptions on how to make them and presented them to the meeting.

There were about 14 present at the meeting.

Officers Elected At 4-H Club Meet

Officers were elected by the Fifth Grade 4-H Club of Sanford Grammar School when it met Wednesday in the auditorium.

New officers are: president, Nancy Perkins; vice-president, Marilyn Hunt; secretary, Kevin McBradley; songleaders, Myra Meeks and Beth Buck; devotional leader, Carol Samuel; and reporter, Margaret Anne Wilburn.

After the group sang several songs, led by Myra Meeks and Beth Buck, Miss Myrtle Wilson gave them some recipes for their 4-H notebook.

Mrs. F. E. Bolz Presents Program At Class Meeting

A most interesting program on "The importance of being on the alert for Un-American activities in our midst" was given at the meeting Tuesday of the Woman's Bible Class, which was held at 7:30 p. m. at the home of Mrs. Volle Williams Sr., 600 Magnolia Ave., with Group 2 as hostesses.

Mrs. B. F. McWhorter, president presided over the business meeting, opening with a scripture reading.

Letters of thanks were read from members of the class who had received flowers and cards during the month, after which the Group Captains gave their monthly reports, followed by a prayer for world peace.

Mrs. F. E. Bolz presented the enlightening program, and in conjunction with this, an article was read from the "Winter Park Sun" of Nov. 8, which had as its title "The J.C.'s Reveal Inquiry Report."

Mrs. Williams gave an interesting talk on the "Teaching of God's Word," after which the meeting was closed by a prayer offered by Mrs. Wade.

Those present were Mrs. B. F. McWhorter, Mrs. Essie Wilson,

Miss Myrtle Wilson Has Demonstration At Monroe Club

Mrs. J. C. Sapp was hostess to the Lake Monroe Home Demonstration Club when it met Friday evening at her home.

The meeting was opened by the president Mrs. Paul Marra, with a short business meeting following.

Mrs. J. E. Andrews gave a report on the County Council Meeting, after which Miss Myrtle Wilson talked on "The preparation of Foods for the Home Freezer."

Members present were Mrs. F. A. Tindel, Mrs. J. H. Tindel, Mrs. J. E. Andrews, Mrs. Paul Marra, Mrs. Annie McArthur, Mrs. J. C. Sapp, Mrs. John H. Griffith, and Mrs. G. E. Fuhrmann Jr.

Also a new member, Mrs. E. A. Myers and a guest, Miss Hattie Kirk.

Refreshments were served by the hostess, Mrs. J. C. Sapp, assisted by Mrs. J. E. Andrews.

Social Events

'Living Pictures' At Pinecrest P-TA Meet Judged 'Most Beautiful Program'

"One of the most beautiful and interesting programs I have ever seen" This was the consensus of all who saw the "Living Pictures," presented by the children of Pinecrest School Tuesday night. The program was under the direction of art teacher, Mrs. Maida Anstey and chorus director, Mrs. Dorothy Hauser. Thechoirs, composed of fifth and sixth grade girls and boys first sang, "The Synopated Clock," a song with tricky timing, which they executed in perfect precision and harmony.

Then followed the first "Living Picture," "The Helping Hand," from a painting by Renouf, posed by Bobbie Gaines and Evelyn Moore. As an illustration the chorus sang "The Fisher Maiden." The setting for this picture was prepared by Miss Benegene Nunnally.

"Mother's Helper," a painting by Rivera was the inspiration for the next picture, posed by Diana Kinard and Sharon Walters. The accompanying song by the chorus was, "In the Plaza," a Mexican folk song. Mrs. Polly Daniels was responsible for the setting of this picture.

Next, the audience was put in a reverent mood by the scene of the children posing in the beautiful and famous "Angelus," by Millet, portrayed by Kenneth Forrest and Bonnie Caola. Sweetly the chorus sang "Thanks be to God," with Patty Glen Johnson taking the solo part of this hymn. Mrs. D. M. Paul was the teacher who prepared the setting.

In keeping with the approaching Thanksgiving time the last picture depicted, "Pilgrims Going to Church," a painting by Boughten, quaintly characterized by Tommy Dohme, Kristi Gonzales, Carol Tanner, George Shaeffer, Jane Emanaki, and Leroy Griggs, with the setting arranged by Mrs. Beverly Allison. The whole audience joined in the accompaniment of this "Living Picture," by singing "Prayer of Thanksgiving."

Mrs. Nunnally, who led the audience participation asked for a second chorus with all considering how blessed we are to be living in America.

The devotional, brought by Mrs. D. M. Paul, featured Psalm Of Thanksgiving, Psalms 95, followed by the Lord's Prayer.

Following the program the regular monthly business meeting of the Pinecrest PTA was held, with Mrs. R. M. McKnight, vice-president, presiding in the absence of the president, Mrs. Richard Elam, who is attending PTA State Convention, in St. Petersburg. Mrs. John Burton, brought the secretary's report and the treasurer's report. Other committee reports were given by Mrs. Wynelle Lanier, Health Chairman, and Mrs. John Travosis, Safety Chairman. Miss Anne Whitaker announced the Square Dance (for adults only.) to be held December 1st, in the school cafeteria.

Mrs. Micheal Coala, chairman of the Ways and Means committee, enlarged upon plans for the dance and asked for volunteers for various helping committees.

John Angel, Junior High Advisor told parents about the Junior High football teams and presided over the room count, which was won by Mrs. Beverly Allison's fifth grade with 90.7 per cent of the parents present, which is probably a record for attendance.

Before and after the meeting,

4-H Group Learns Essentials Of Diet

The fifth grade 4-H Club of Sanford Grammar School learned about the foods they should eat every day, at their meeting Wednesday morning.

They learned that the daily diet should include green and yellow vegetables, fruit, milk, cheese, ice cream, bread and butter.

The girls are going to have a radio program over WTRR on Saturday, Dec. 1, at 11 a. m.

pictures for the school. Refreshments were served to a capacity crowd by the room mothers of the fifth and sixth grades.

MUSHROOM TIPS

Broil liver, bacon, tomato halves and mushrooms for a quick and fine supper.

If you have too many doors in your house and they're blocking traffic, solve the dilemma by substituting quiet folding doors made of washable vinyl-coated nylon. They fit any standard door opening and are easy to install. Fingermarks can be rubbed off the doors with a soapy sponge. For a thorough cleaning, spread the accordion out flat and wash it with a well-soaped sponge, working from the bottom upwards. Rinse well and keep the doors closed until dry.

JVs Defeated 18-6 By Baby Parkers In Team's Last Game

The Winter Park JVs capitalized on Seminole JV mistakes yesterday afternoon in Winter Park's Harper-Shepherd Field and tossed the junior warriors for an 18-6 defeat in the last game of the season for the Seminoles.

The scrappy JV line held the Baby Parkers throughout the game and chilled their running attack. The thing that beat the junior warriors were blocked punts. Two of three Seminole punts were blocked by the Seminole defenders backing into Cecil Dandridge as he attempted to punt. On another occasion Dandridge quick-kicked from his own line and

the ball went out of bounds on the 15.

The Seminole JV line was outstanding.

The Baby Parkers jumped to an early lead in the first stanza when the junior warriors blocked their own punt on their own 30, where the Baby Parkers recovered. It took Winter Park eight plays to go the rest of the way. Larker fullback Phil Jacobs made the tally from 10 yards out.

In the second quarter Tom Davis slipped behind George Houston and Johnny Yeackle, Seminole defensive men, and Parker quarterback Jim Haldemmen fired and aerial to Davis. Davis received the pass behind Houston and Yeackle and rambled for 55 yards untouched for the second Winter Park score.

The Seminoles fought back in the second stanza, firing a drive on the return kickoff that carried for 75 yards and the lone Seminole tally. The drive was culminated as Dandridge, on a roll-out quarterback keep around right end, dashed 30 yards for paydirt.

The first half ended with Winter Park on the long end of a 12-6 score.

The second half was a brilliant defensive stand for the line, sparked by David Stanley, Jim Peterson, and Jim Butler. Early in the third quarter the Seminoles found themselves unable to move the ball out of their own back yard, and Dandridge attempted a quick-kick from his own 10 yard line. The kick was off the side of his foot and rolled out of bounds just five yards from the line of scrimmage.

Winter Park took possession of the ball on the JV 15 yard line, and the fired up line held the aggressors for eight plays and look over on downs at their own one yard line. The Seminoles moved the ball out to their own 40 before they were forced to kick.

From that time until the last two minutes of the game the Seminole line halted the Winter Park offense. Then, with less than two minutes remaining in the game Dandridge again had one of his punts blocked by a Seminole defender. This time at the Seminole 20.

The sparking junior warrior line again went into action and in three plays had dropped Winter Park for losses back to the 35 yard line. On fourth down Haldemmen again tossed to Davis who

had slipped behind Houston and Yeackle. The pass went for 35 yards to Davis waiting in the end zone.

For the first time this season the junior warriors were unable to match the offensive drive of a JV team. They met the best in their class and made a credible showing.

Today is a sad day for the JVs. The boys are turning in their uniforms after the most successful season Seminole High has boasted for the JVs in more than a decade. This afternoon the uniforms will be taken to the junior high football team for use for the rest of the season.

Basketball Gets Underway At SHS Next Monday Nite

"This season has been one of the rare experiences and thrills of my life," Dick Silvers said this morning of his just past JV coaching duties at Seminole High.

After leading his junior warrior charges to the most successful season in many years, the young fireballing coach put away his mapping of Split-T razzle-dazzle and shine to look toward basketball.

Basketball gets underway at Seminole High next Monday night, and coach Bud Laver says things look dim at the present. Silvers will be assisting Laver during the coming cage season.

Silvers, serving his first year at Seminole High, has already carved a niche for himself in Sanford's athletic circles.

Said Laver, "What we need generally this season is a fireball, and that's what we've got in the person of Dick Silvers. He is well versed in cage competition and will repeat the fine job he has done with B team football."

Fleming said, "From a spectators point of view, I think the combination of Laver and Silvers will make the most of our basketball potential. I think they should be in at least the .400 bracket this year."

had slipped behind Houston and Yeackle. The pass went for 35 yards to Davis waiting in the end zone.

For the first time this season the junior warriors were unable to match the offensive drive of a JV team. They met the best in their class and made a credible showing.

Today is a sad day for the JVs. The boys are turning in their uniforms after the most successful season Seminole High has boasted for the JVs in more than a decade. This afternoon the uniforms will be taken to the junior high football team for use for the rest of the season.

Jr. High Football Monday Night

Tonight Is Big Night For Crooms; To Battle Daytona

Homecoming Win In Sight Tomorrow For Lymann Eleven

Tonight will be the big game for Crooms Academy's Panthers. They have had two weeks to prepare for this game, and they're up for it. Daytona, the third ranked team of the Big 9 Conference, will host the Panthers tonight in a game that will be the indicator of things to come for Crooms Academy.

The Panthers have faced the two teams that tower over Daytona and they did a wonderful job. They battled gamely before being edged by Jacksonville 9-0, and they scored a shocking upset when they held powerful Miami to a 6-6 deadlock in Memorial Stadium. With a week extra in which to re-shuffle and re-direct the Panthers attack, the team could well register an upset that could place them as one of the fastest rising teams in the state.

So far the Panthers have been temperamental—a surprising powerhouse, as indicated by their rout over Melbourne in the season opener and their displays against Jacksonville, Ocala, and Miami—or a weak sister, as indicated by the unimpressive 6-6 deadlock with Hungerford of Winter Park and the one-sided loss to Palatka—but if the Panthers should score over Daytona tonight, there would be no reason why they couldn't go on for the rest of the season. If they go on for the rest of the

Junior high football competition is very much in the air these days, and with the coming debut of the teams next Monday night under the lights of Memorial Stadium, Sanford reaches another landmark in educational building.

Football fundamentals are being stressed as the gridiron begins warming to hot competition out Pinecrest way with 125 boys, representing both Junior High and Flacrest vying for the 50 uniforms.

The teen process of stimulation has brought out the finest potential in the youngsters and has instilled the rewards of ultimate effort.

Faced with the problem originally of finding the 50 boys that most wanted to participate in the rigorous game of football, Hugh Carlson, John Angel, Howard Gordie, and Dick Richards came up with the idea of elimination.

The boys faced each other and tackled, ran the ball, blocked, passed, and kicked for the uniforms. Amid the aggregate of bruises arose a spirited competition that can be found only among the younger. Every boy tried to the utmost of his ability, and the only criticism voiced by the coaches was that they had only the 50 uniforms to give out.

Then Seminole High came to their rescue with the offer of 30 uniforms from the JVs, who wound up their season yesterday.

Monday night the public of Sanford will have the opportunity of saying hello to the completion of an extensive program that reaches from the 6th grade through the high school.

Some of the faces have been seen before playing football in Memorial Stadium under the lights. Last year's Peanut Bowl is well represented on the junior high team.

Next Monday night the fans will see the future Seminole stars for the years from 1958-60. And out of that bunch of grappling youngsters that are being so well versed in football fundamentals at this early age, there is a strong probability that the fans will see a 1951 All-American from Florida, F.S.U., or Miami.

It all sums up as one of the "firsts" in a progressive athletic-educational program to do Sanford proud.

If you were a member of that tremendous record-breaking crowd that turned out to hail the San-

SHS, Leesburg To Battle Here

The Sanford Seminoles return to their own playing field tomorrow night at 8 p. m. in Memorial Stadium in a game that could well be an upset.

A confident Leesburg Yellow Jacket team will invade Sanford tomorrow night bringing with them two of the finest speed and power merchants in the Orange Belt Conference. But the Yellow Jackets will face a Seminole line that was hitting harder yesterday than at anytime this season.

Bill Fleming, Dave Laude, and Bud Laver have all been concentrating their efforts on arousing the Seminole line to a pitch that will carry over to the game and will be able to stop Eddie Parker and Ivan Roberts. The Seminoles have faced both boys in previous years.

Murray Nance is the only starting Seminole that will be definitely out for the game. On the doubtful list is Phil Byrd, starting halfback. Byrd has been fighting an attack of influenza for several days and has not been in school this week. Brantley Schirrad will be back in the starting lineup this week, and is presently trying to shake off a bad charley-horse that has been slowing him down.

On the other side of the ledger Jim Warner and Terry Goemmel have been showing well. Warner was the leading ground-gainer last week, and Goemmel broke loose for some good runs. Both have been outstanding backfieldmen this week.

The Seminoles will go into the game a one touchdown underdog, but if the Seminole defense materializes and Goemmel and Warner play the game they played this week, the Leesburg Yellow Jackets will get their season surprise.

CAMPUS CHESTS
 Campus Chests at Stetson, FSU and Uoff, all devised along the Community Chest program, began their active drives on the various campuses on Monday. Each has a different line of attack but the results will all be the same—the money raised will be divided among the various charities.

Beards and green feathers are all the rage on Stetson's campus this week. No, the students aren't really crazy—it's just Sadie Hawkins Week! This season of merry-making has its serious side, too, as all proceeds from the various activities will go into the Green Feather Campaign Fund. This drive is Stetson's own community chest and the goal this year is \$2500.

Activities scheduled for this purpose of fund raising are a student-faculty basketball game on Friday night, and a dance Saturday night at the Airport Gymnasium for which the girls have to foot the bill, buying "marriage licenses" for the event. The intermission entertainment will consist of awards for the best costumes, crazies, hairdo, and best beard. Other plans call for quartette singing, a hog calling contest, and other hilarious activities.

Saturday has been designated as Sadie Hawkins Day and all sorts of contests will be held in the field behind North Hall. Some of the contests will be a turkey shoot, woodchopping, wrestling, tug of war between the classes and the traditional race.

Throughout the week there has been the exact reverse of dating procedure to the delight of both sexes—this has given the girls a chance to be dazed up all week and the boys a chance to save a little money. Fines have been enacted for those not sticking to these Sadie Hawkins rules. Also "bedside poems" must be bought by persons not growing beards! These fines all go into the Green Feather Chest Fund.

Another incentive to donate money to this drive is the extra late permission being given to the girls in the dormitory contributing the most money per capita. Also the Greek fraternity or sorority donating the highest per capita amount will be given free of charge a quarter of a page in the "Reporter."

Sports Highlights

FSU celebrated its annual Dad's Day last Saturday with festivities centering around the Furman University—FSU football game.

All dads of student body members were urged to attend the game with their sons or daughters—dads of the football players were given numbers to wear matching those of their sons and were invited to sit on an adjoining bench.

Certainly making his dad proud of him was Junior Metts, son of Mr. and Mrs. T. V. Metts of Lake Monroe. Junior was captain of the FSU team for this game and also played outstanding ball throughout the afternoon.

Other events in connection with Dad's Day, were a picnic at noon in the practice field adjoining the stadium, open house at all fraternities, sororities, and dormitories after the game, and a campus variety show that evening in Opperman Music Hall.

Stetson University had tough luck Saturday night in their game against Newberry College— they happened to be on the losing end of a 13-12 score. One bright spot though was the fact that Jim Hawkins of Sanford made one of the Stetson touchdowns. That boy is really playing good ball for a freshman.

Betsy Coed and Jo College were sorry to hear that Marianne Strickland has been quite ill in the infirmary at FSU for the past week. I know she would appreciate receiving get well cards from you, her friends.

Betsy Anne Carter, daughter of Mr. and Mrs. Walter Carter and a senior at Florida Southern, has been highly honored by being nominated for listing in "Who's Who in American Colleges and Universities." This recognition is based upon outstanding scholarship and leadership throughout four years of college work.

Betsy Anne is a member of the honorary teacher's sorority, Kappa Delta Pi, of which she is now serving as president. Last March she was a delegate from her chapter at Florida Southern to the National Convention held at Oklahoma State in Stillwater, Okla. Sigma Tau Delta, honorary English society, also claims Betsy Anne as a member and officer.

She also holds offices in the National Cap and Gown Society and the local chapter of F.T.A. Sigma Sigma Sigma is her social sorority in which she is very active. Along with all of these activities she manages to maintain a high scholastic average.

All of these achievements are certainly worthy of praise and the high honor of being nominated to "Who's Who." We sincerely congratulate you, Betsy Anne! Marilyn Calhoun, sophomore at Florida Southern called her parents, Mr. and Mrs. J. C. Calhoun, the other night with wonderful news that she had been chosen to represent her sorority, Sigma Sigma, Sigma as a Shiloh Bowl Queen Candidate. That's great news, Marilyn, and we wish you the best of luck!

Marilyn will be home for the Thanksgiving holiday so you can congratulate her then. Coming with her as a guest will be Miss Sandra Firth, one of her sorority sisters.

Another Florida Southern student, Sida Chase, visited his parents Mr. and Mrs. S. O. Chase at their home on Crystal Lake this past weekend. Sida is majoring in Citrus and Agriculture at Florida Southern after transferring there from Cornell University last year.

In addition to being active in many campus organizations, Sida is also a member of the Rowing Crew. This crew, which is in the same circuit as Rollins College, will make a tour in the spring to Boston, Philadelphia, and other northern cities in order to compete with the northern colleges.

Conning The News

By VIRGINIA CONN

There's great rejoicing in the Batty household these days. After four girls Jane has produced a boy. Mother and son are going well, and eating in Seminole Memorial, with the usual comforts supplied by our wonderful new hospital.

Doe and Betts Linker spent the weekend in Miami. They planned to stop sooner, but the highway just opened up before them, and first thing they knew, they had spent most of the time driving. This is like so many of our trips where there is always a nicer motel down the road and usually we either end up driving all the way through, or stopping at a real shack with none of the comforts of home. However, Betts reported that they had a grand time, and enjoyed the ride.

Judy and Jack Smith had guests from New Jersey over the weekend. The Donaldsons used to live across the street from July in the Garden state, so it was a

pleasant reunion. Brownie Troop 233, under the leadership of Betts Linker and Sally Weigle, toured the Seminole Memorial Hospital Tuesday afternoon. Katie Cummins and Mrs. Allen assisted with the 15 little girls. Elly Morrow acted as guide. The Brownies were very impressed with all that goes on to make a hospital an independent city. As their contribution they had made little tray favors to put on patient trays at Thanksgiving. Isn't it satisfying to know that these Brownies are being taught to make the lives of others more pleasant, and then to see the very place where their efforts will be so appreciated.

Most of the girls in the beginner's class in golf have completed their course, and are taking playing lessons with pro Mario Carfagno and his able assistant Gary. Anyone interested in a refresher course should sign up in the pro shop immediately, as Mario can not start one without some people to refresh, if you get the message. At the risk of being called a whiner, I must admit that I miss the golf course terribly, and also trading wise cracks with my friend, Helen Andrews.

Elaine Bass' aunt and uncle from Newport, R. I. spent the weekend with Elaine and Mary. Mr. and Mrs. Ira Mason are on their way to Miami Also spending the weekend was Mary's room-mate from the University of Massachusetts, Mary Rosen. I am not at liberty to say what these two Marvys call each other, but there is a solution to the possible mistaken identity.

Mr. and Mrs. Harvey S. Williams of Los Angeles, Calif. are visiting their daughter Audrey Brownlee at her home or Grandview. The children were especially glad to see their grandparents, and we are so pleased to have them here in Sanford.

My neighbor, Olivia Simmons, came by to sell some Christmas cards, which reminds me that the time is growing near, already the decorations are going up downtown and soon we will all be jostling each other on the streets of Sanford in a rush of Christmas shopping. Right now I must pile the kids in the car and go see Dottie for a cup of coffee. Today the coffee club at my house consisted of (at different times), Harriet Williams, Dedic King, Jean Dooley, Bery Swinson, and Olivia Simmons. So I'm not entirely alone.

TALKING OVER THE POINTS STRESSED by Mrs. J. M. Moye at a recent meeting of the Mimosa Garden Circle are, left to right, Mrs. W. H. Leffers, secretary, Miss C. L. Wallis, chairman, Mrs. J. M. Moye, speaker, and Mrs. H. Behrens, treasurer. (Photo by Jameson).

Calendar

THURSDAY
 The Intermediate Choir of the First Baptist Church will rehearse at 7:00 p.m. and the Adult Choir at 8:00 p.m.
 The Junior Choir will have their rehearsal and fellowship at the First Presbyterian Church at 3:45 p.m.
 The Youth Choir of the First Presbyterian Church will practice at the Church at 7:30 p.m.
 There will be an annual dinner for District Boy Scouts at the First Presbyterian Church at 7 p.m.
 The Lake Mary Home Demonstration Club will hold its regular meeting at 10:30 a.m. at the Chamber of Commerce building in Lake Mary. Miss Myrtle Wilson will give a demonstration of Preparation of Food for Home

Freezers. A sack lunch will be enjoyed at noon. Mrs. Inman will be guest speaker. All ladies who are interested in the demonstration and who would like to attend this meeting, call 479 for information.
 "A Good Classroom for Every Child" will be the subject of a talk by Mrs. W. W. Tyre, vice-president of the Seminole County P-TA Council, over WTRR at 8:45 p.m., in cooperation with American Education Week.
 Seminole Chapter No. 2 O.E.S. will hold its regular meeting at Masonic Temple at 8 p.m. Memorial services will be held at this time for the deceased members.
 From 2 p.m. until 9 p.m. will be held the WSCS Bazaar in McKinley Hall, with Turkey Supper, at \$1.25 per plate for adults and 75c for children, to be served from 3:30-8:30.
 Seminole County Federation of Women's Clubs will hold their meeting at 10:30 a. m. at the Woman's Club in Oviedo.
 There will be a board meeting of the Women's Auxiliary of the Seminole Memorial Hospital at 10 a. m. in the conference room.

FRIDAY
 "National Teacher's Day" will be the subject of a program over WTRR at 8:45 p.m. This will be put on by the Seminole County Future Teachers' Club, with J. D. Stone, senior and vice president and Ellen Vihlen, junior and vice president. Announcer will be Sue Ann Toney, freshman. The program will be sponsored by Mrs. Kent Hateman and Miss Cherry Singletary. Also on the program will be the Seminole High School Dance Band, sponsored by Ernest Cowley, Band Director, and led by Leslie Smith. This program is in cooperation with American Education Week.
 "Living Pictures" of famous students of the first and fourth grades of Southside School at 1 p. m.
 The Rev. Milton Wyatt will conduct the morning devotions over WTRR, Sanford, at 8:30 a.m.
SATURDAY
 The final program for American Education Week will be by

MY DOESN'T EVERYTHING LOOK NICE was the typical comment of these ladies of the Palm Garden Circle as they enjoyed the hospitality of Mrs. George Rounds, who was hostess at their recent meeting. Left to right are Mrs. Arne Erickson, chairman, Mrs. Rounds, Mrs. Wallace Gabler, vice-chairman, and Mrs. Wade Garner, assisting with the serving. (Photo by Jameson)

Times Have Changed

By WANDA GILBERT

"Maw, let's go to town. It's Saturday again."
"Just as soon as I get Bennie's shirt buttoned, Paw."
Once, this was a weekly routine. After the long ride by horse and buggy, everyone enjoyed getting the latest gossip at the General Store. The children could all have a pink soda pop, and if the crops had been exceptionally good maybe sister Sue could have a "store bought" dress.

The men talked over what politics there were to discuss and look at the new farm implements. The women folk would gather around the yard goods department and exchange recipes. Maybe they'd plan a party for one of the couples at church or maybe an ice cream party.

Now days we pick up our little pink telephones and call a friend. You pick them up in your very comfortable car and maybe stop at a drive-in restaurant where someone else fixes your food. After you reach town there are so many stores you argue over which one you go to. If you don't feel like going at all after the argument you call the grocer and have him get your items for you.

Then people enjoyed get together—

Today if some one comes over you say "hello" and then "please be seated." Even then you did that; but now days, if you have a TV you tell your guests the first of the story and say no more until your guests says "We really must be going." Then someone states that you've just gotten there. Sure they have. They're going because they could have watched TV at home.

The children then led a quite pleasant life. They got up very early and either walked or rode a horse to school. They came home at the same time every day. Changed clothes and helped their

father's in the field around the barn.

Now days we still go to school. But, we get on a nice comfortable bus and are whisked away to a modern school. We still haven't found a way to get out of home work but this is a different kind.

Yes, times have changed. Peoples' feelings haven't though, no matter how we may try. So be careful and don't step on someone's feelings. Weight still weighs. Then, schools were heated with a "pot belly" stove. Most people or children now don't know what that is.

Dress has changed also. The girls wore long full dresses with dozens of petticoats, high buttoned shoes and long sleeves at all times. Then it was simply awful if their ankles showed. Their bathing suits looked like a dress with out petticoats.

Today we wear as little as possible. It may cost just as much or more though.

Especially do we notice the difference in bathing suits. That is if we can find them.

Yes, times have changed and they'll keep changing as long as man gets weaker and wiser.

Everything is "instant" now days

Who's in a hurry.

Pretty soon we'll be going to the moon for vacations and Jr. will be driving Jr. Jet mobile down the street.

Oh well, it's just our lives.

HEINRICH PROBES FOR CONERLY

NEW YORK (AP)—The New York Giants have been successful with their football setup which has Don Heinrich starting as quarterback to probe enemy defenses. Heinrich directs the running attack and then Charley Conerly takes over when an aerial attack is needed.

Most Lung Cancers Are Not Caused By Cigarettes

ATLANTIC CITY, N. J. (AP)—Most lung cancers are not caused by cigarettes, but instead apparently by fumes and chemicals from our industrial, motorized age, a cancer expert said.

Dr. W. C. Hueper of the National Cancer Institute said he bases his opinion on worldwide studies by many scientists.

He said this "evidence indicates the alarming increase in lung cancers, he said. He said the total fumes, dust, gases and various chemicals in the air we breathe, or to which people are exposed on some jobs.

Smoking seems to play "a definite, while lesser, direct or indirect role," in producing lung cancers, he said. He said the total evidence doesn't support the concept that the great majority of lung cancers, especially in men, are due to excessive cigarette smoking.

Some of the chemicals released into the air by engines and smokestacks, or produced in certain industrial operations, are known to be able to produce cancers in animals, he said.

He said there isn't enough data to estimate the relative role they may have played in the rise in lung cancer.

The jump in lung cancer began before cigarette smoking became commonplace, Hueper, head of the Environmental Cancer Section of the NCI told the American Public Health Assn.

Guenther Will Become Red Cross President Jan. 1

WASHINGTON (AP)—Gen. Alfred M. Guenther, retiring commander of North Atlantic Treaty forces in Europe, will become president of the American Red Cross Jan. 1.

The White House announced the appointment of Guenther, a close friend of President Eisenhower, to succeed Ellsworth Bunker.

Bunker, 62, said in a statement through the Red Cross that he wanted to turn the post over "to capable and competent hands" before he reaches retirement age.

Responsible officials said, however, that Bunker, a Democrat, is being given serious consideration for the position of U. S. ambassador to India, vacated when John Sherman Cooper resigned to run for the Senate in Kentucky.

Seven of the eight members of Michigan's football coaching staff attended the university.

NASHUA'S BIGGEST PURSE

MIAMI (AP)—Nashua now retired as the world's leading money winning horse with \$1,289,585, made the biggest haul of his career when he won the 1955 Flamingo at Hialeah. It was worth \$104,800 to the colt who was unbeaten at Hialeah.

Cadillac

1957

Brilliantly new in Beauty... Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present to the motoring public.

This is Cadillac for 1957—entirely new in design and engineering . . . and bringing to the world's highways a wholly new standard of motor car quality and excellence.

Cadillac's renowned stylists have created a new Cadillac beauty . . . majestically graceful of line . . . wonderfully exciting in spirit . . . and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors . . . with gorgeous new fabrics and leathers . . . with new colors and patterns . . . and with marvelous new appointments on every hand.

And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance . . . with two great new engines . . . with an even smoother, more responsive Hydra-Matic Drive . . . with greatly improved power steering and power braking . . . with a revolutionary new frame design . . . and with a host of other vital engineering advancements.

These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breath-taking Eldorado series. Each is a Cadillac masterpiece . . . a brilliant tribute to the men who design and build the Standard of the World.

We invite you to see . . . to inspect . . . and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.

MISS KATHLEEN BAUMAN, daughter of Mr. and Mrs. R. G. Bauman, was "Homecoming Queen" at Bishop-Moore High School in Orlando last night. Miss Bauman was attended by a group of eight maids of honor during half-time ceremonies between Bishop-Moore and Clermont High School football teams. (Staff Photo)

4 Jr. High Teams To Make Football Debut Monday

By B. Hush Anley
Four junior high football teams, representing the seventh and eighth grades of Sanford Junior High and Pinecrest, will make their debut before the public Monday night in Memorial Stadium at 7:30.
A. O. Roberts, Chiefs Club delegate handling the promotion of the games, said that the Chiefs Club has agreed to back the outing financially and guarantee the city of Sanford the \$50 for the use of the stadium.
For the first time in Sanford's history there will be a unified program that will closely tie the schools of the city with each other in an athletic program.
For years the Seminole High School football teams have been meeting rivals that had such a program, and the opposing schools have gradually outgrown Sanford.
Paul Brown, perhaps the nation's most successful football coach, has attributed his success to a program such as Sanford is on the threshold of seeing instigated. It is here, in the lower grades, that winning attitudes and competitive spirits are best fostered.
For years educational institutions have frowned on such a program, but as junior high competition in rigorous sports gained popularity it was discovered that such an institution was an actual (Continued on Page Four)

Mrs. G. B. Elliott Dies At Hospital

Mrs. G. B. Elliott, 69, passed away at a local hospital after a lingering illness.
She was born in Enon, Ohio on March 3, 1867.
Mrs. Elliott has lived in Sanford for the past 38 years, making her home at 616 East 3rd St.
She is a member of the Presbyterian Church, the Order of the Eastern Star in which she is a past Matron, also of the Rebekah Lodge.
Survivors include one son, George E. Elliott, Sanford; and two brothers, Charles Krouse, Springfield, Ohio and Chester Krouse of Fairborn, Ohio.
Funeral services will be held Sunday at 2:30 p.m. at Brison Funeral Home with the Rev. A. G. McInnis officiating. The Order of the Eastern Star will conduct graveside services.
Burial will be in Oaklawn Memorial Park.

ONE OF THE JUNIOR HIGH TEAMS that will participate in a double-header Monday night in Memorial Stadium. Shown above are the Hounds as they donned their new uniforms and began readying for the big event. The Hounds have a slight weight advantage and are dubiously favored over the Great Danes. Bulldogs are slight favorites over Boxers. (Staff Photo)

U.S. Asked To Disown Knowland's Statement Criticizing India

Auxiliary Serves 6,157 Volunteer Hours At Hospital

Members of the Seminole Memorial Hospital Auxiliary served a total of 6,157 volunteer hours during the first 10 months of this year, according to a report made yesterday at a meeting of the executive board held at the local hospital.
Mrs. R. N. Blackwelder, reporting at the board meeting, said that volunteers had served at the Reception and Information Desk 715 hours during the month of October, 1936.

A plea was made for volunteers to serve at the desks from 5 to 6:30 p.m. on Thanksgiving Day.
Mrs. M. L. Raborn, chairman of the Hospital Shop, stated that she needed workers from 5 to 7 p.m. on many days and also odd hours on Saturdays and Sundays.
Those able to serve were asked to call either Mrs. Blackwelder or Mrs. Raborn.

Mrs. A. W. Epps Sr., president of the Auxiliary announced that the Seminole Memorial Hospital Auxiliary is now a member of both the state and National Associations of Hospital Auxiliaries.
Mrs. Zeb Raliff was appointed treasurer to fill out an unexpired term.
Gifts were acknowledged from Powell's Office Supply of a flower container; W. E. Kader, Jeweler for a bon bon dish to be used in the Hospitality Shop; the Catholic nurses of the hospital for a red leather bound Bible to be used in the Family Room. Father or Loret of All Souls Catholic Church also gave seven Image Books for the pleasure of the patients. Marcel Fialle also painted signs for the Hospitality Shop.

Mrs. George Harden reported to the board that preparation for the High Fever Folies is progressing on schedule.
The Hospital Auxiliary announced today that the annual conference of the Association of Florida Auxiliaries will be held in Jacksonville Nov. 29-30 at the George Washington Hotel.
Auxiliary members may call the Hospitality Shop for information about reservation rates.
Registration will be opened at the George Washington Hotel on Wed. Nov. 28 from 3 to 8 p.m. and on Thurs. Nov. 29 from 8 to 6 p.m.

Morgan To Attend Confab Nov. 19-20

In Jacksonville Nov. 19 and 20 will be G. W. Morgan, manager of the local Sherwin-Williams branch at 117 S. Magnolia Avenue. He will join some 200 other representatives from the paint firm's Southeastern region for a conference conducted by executives from the company's Cleveland headquarters.
The meeting, headed by A. H. Burt, vice president and director of sales, is being held to acquaint regional personnel with several new products soon to be marketed, and to bring them up to date on recent technical developments.

Menon Makes Plea

UNITED NATIONS, N. Y.—India's V. K. Krishna Menon today called on the United States delegation to disown a statement by Sen. William S. Knowland R-Calif. criticizing India's role in the move to seat Red China in the United Nations.
He called Knowland's statement "a disservice to the cause of international friendship."

Menon referred to a declaration issued by Knowland to the press last night in his personal capacity as Republican minority leader in the Senate. The senator said he was shocked that Menon had apparently become the floor leader for the Communists in the campaign to seat the Chinese Reds.
Menon told the 79-nation General Assembly that it was his duty to protest to the U. S. delegation and to ask U. S. Delegate Henry Cabot Lodge Jr. to say whether Knowland's views were those of the U. S. government.

"It is up to the United States delegation either to own or disown this statement," Menon declared.
Then referring to Knowland's statement that he was "shocked" by the role being played by India and its delegate, Menon said "being shocked is a state of mind and the thing to do about it is to go to a doctor."
"No delegation," he said, "has the right to question the integrity of another, and he who says that the delegation of India is here as the mouthpiece of any government or people, except the government and people of India, is guilty not only of a misstatement of fact but of a disservice to the cause of international friendship."

Menon spoke as the Assembly neared a vote on a U. S. resolution calling for postponement of all debate on the question of seating Red China.

Saratoga Goes Out In Ocean Monday

WASHINGTON (AP)—The Navy's newest and mightiest aircraft carrier, the Saratoga, will put out into the Atlantic Monday with the second task force sent to sea this month in an extension of the nation's readiness operations.
The Saratoga recently completed her shakedown trials and will leave the Hampton Roads, Va., base for a rendezvous at sea with the carrier Lake Champlain and a number of destroyers. The Navy officially designates it as "another carrier task force training operation."
The first of the new giant carriers, Forrestal, went to sea Nov. 7 along with the 45,000-ton carrier Roosevelt. This force, which includes 15 ships, has been exercising in the Western Atlantic.
The Navy said that the Saratoga force will also train off the Atlantic Coast in latitudes ranging from Florida to the Virginia Capes. This second force will be commanded by Adm. Robert B. Pirie, commander of Carrier Division 6.

Buddy Poppy Day Sale To Be Staged Tomorrow By VFW

The Veterans of Foreign Wars, Seminole County Post 3282 will hold a Buddy Poppy Day sale on Saturday Nov. 17, throughout Seminole County.

The purpose of this yearly sale of Buddy Poppies is to raise money used for Veteran relief and rehabilitation as well as provide means of contributing toward the Veterans of Foreign Wars National Home at Easton Rapids, Michigan. The National VFW house is used to provide homes for children of deceased veterans. The children are provided a home and an education through High School years without a burden to the government or to the deceased veteran's family.

The past year Seminole County Post 3282 has provided transportation to the Veteran's Hospital at Passaic, N. J. on numerous occasions to veterans without cost; it provided phone calls, paid for gasoline to needy veterans to help them on their way, it helped to buy food for needy veterans, as well as many other things in line of veteran needs and rehabilitations. There are many veterans who are less fortunate than others, and it is not necessarily through their own efforts or misconduct.

The Seminole County Post 3282 Veterans of Foreign Wars is always willing to tackle any veteran's problem. The Post has been instrumental in obtaining pensions for some of those unfortunate veterans, but all of this takes money; and it is only through your purchase of these Buddy Poppies that it can carry out this great task of Veteran Relief and Rehabilitation.

W. W. Brown, chairman of the VFW's Poppy Day Sale, said today, "Please contribute generously and willfully when one of our Ladies of the Auxiliary or a member of the Post or the many volunteers call upon you this Saturday, Nov. 17, Remember Saturday Nov. 17, is Buddy Poppy Day in Seminole County."

JOINT CONVERSATION ENDS DAYTONA BEACH (AP)—At final sessions of a joint convention yesterday the Florida Section of the American Waterworks Association elected Stanley Sweeney of Pensacola chairman and the Florida Sewage and Industrial Waste Association elected Dr. David Smith of Gainesville president.

THE FIRST POPPY DAY "Buddy Poppy" was bought by Senator Douglas Stenstrom. Mrs. Ruth Smith, president of the VFW Auxiliary pins the Buddy Poppy on the Senator's lapel while W. W. Brown, chairman of the Poppy Day Sale looks on. (Photo By Raymond Studio)

Herlong:

No Statement Made About Lund, Campaign

"I haven't made any statement relative to Arnold Lund and his campaign," Congressman A. S. "Syd" Herlong said this morning.
Reached in St. Augustine where Congressman Herlong is spending the week-end, he was asked to comment on statements made by Anthony S. Battaglia in Tallahassee yesterday.

"They're just trying to put words into my mouth," said the Congressman as he heard details of the article released this morning read to him. "I haven't made any comments at all concerning the race except to thank those who were good to me and re-elected me as their Congressman," Herlong said.

"The statements they are using is the statement made by a Central Florida newspaper regarding the defeated candidate's possibilities of running again in the next election," he said.
"These tactics are not unusual," Herlong added. "I've come to see that more and more during the last campaign."

"I've never made any remark about Lund running again," commented the 5th District Congressman.
Battaglia is reported this morning as having said "I don't know where Herlong gets the idea Lund isn't going to run again. He not only is going to run but he's going to win."
The early move by Republicans came on the heels of Battaglia's appointment as Florida's new Republican national committeeman. Apparently, Battaglia's strategy is to open the 1938 Congressional seat campaign early as he said his "main objective is to see that Syd Herlong does not return to Congress in 1938."

Weather

Clear to partly cloudy through Saturday, continued warm today; low tonight about 60.

National Education Week Will Climax In Sanford Friday

National Education Week is climaxed in Sanford and Seminole County tomorrow, the last day of the nationwide observance. Throughout the week, the schools have been thrown open to parents and visitors so that they might see a "classroom in action."

Special programs have been staged, a series of radio broadcasts are in progress, bulletin boards have been filled with material, and special attention called to every phase of the school.
Mrs. Ellen Tracy, president of the Seminole County Education Association, along with chairmen of special committees appointed to bring National Education Week to the forefront, have made possible a complete program of today's schools.

Today is "National Teachers' Day" with special emphasis placed on the securing of more able young people to go into the teaching profession.
"A teacher is a person with a touch of immortality," said Samuel B. Gould, president of Antioch College. "I'm convinced that nothing is more important to the future of our children and our nation than that we encourage more able young people to go into teaching," he said.

Tonight, a National Teachers' Day program will be broadcast over Radio Station WTRR with J. D. Stone, president of the Seminole County Future Teachers Club, Ellen Vihlen, vice president, and Sue Ann Toney, emcee. Tomorrow night, Kariya Haushalter, service officer for the American Legion will speak on "Schools for a United America." Both programs will be heard at 6:45 p.m.

Band, Pep Club To Give Hawaiian Half-Time Show

Forming into the shape of a boat the Seminole High School Band will set sail for Honolulu on the gridiron tonight as they present a Hawaiian half-time show. The field will be set as a tropical beach when the band forms a coconut tree and the Pep Club with palm fronds will wave the fronds to achieve the effect of rolling waves as the majorette corps, in hula skirts presents a Hawaiian dance. The show will end with the traditional letter "S". Promising another spectacular extravaganza with plenty of movement and exciting music, Bandmaster Cowley stated, "The band and pep club is excited over the show and they are expecting to thrill the football fans with all of the gaiety of Hawaii."

New Course Given

A new adult education course called "Conversational Spanish" will be offered at Seminole High School on Monday and Tuesday night from 8 to 9 p.m. beginning Nov. 26, according to Fred C. Murray, Director of Adult and Vocational Education.
