The memoranda comprised an exchange of notes between H. C. Hopson, vice president of associated, and J. I. Mange, president, in which Hopson asked for advice as

This legislative committee in cluded in its membership Senator Thayer, but his name was not mentioned in the memoranda.

Mange replied to Hopson suggesting that Hopeon refer the investigating committee to experts. Mange said:

"I would limit, however, the number of references so that the people called upon will be as few as possible and for God's sake leave me out." Norris said the opposition to

the Johnson bill to prevent power companies from taking appeals rom state commission decisions to federal courts, was wrong.

He said the bill, already passed by the Senate, was meeting strong opposition in the House and was ir danger of defeat.

The Nebraska senator charged the power interests were "manipulating elections not only in New York, but in Tennessee and have

been for years." He cited the purchase of the city power plant at Paris, Tenn., and a court decision that fraud was involved. Then, asserting that the contract was validated by the state legislature, Norris sald "I wonder if attorneys were planted in the Tennessee legislature?"

Citrus Control Body Allots Shipments For Present Week

ORLANDO, April 3. (P) Florida's supply of oranges and grapefruit will be exhausted in four weeks, L. C. Edwards, Tampa, told members of the Florida Citrus Control Committee here yesterday afternoon during discussion on proposed allotments for the 10 leading auction mar kets for the week of Apr. 5-11. Mr. Kilwards declared he was

in favor of considerably smaller shipments of fruit than have been authorized recently. He advised sending out "the four weeks' supply" over as long a period as pos sible in order to realize the best nosable prices. The committee, however, did

not reduce allotments below the figure proposed by Secretary () G Stranss for the week

These were as follows: New York, 275 cars of oranges, 120 of grapefruit; Philadelphia, 100 ranges and 36 grapefruit; Balti ore, 35 oranges and 8 grapefruit Teston Th oranges and 35 grape fruit; Pittsburgh, 35 oranges and 15 grapefruit; Cleveland, 30 oranges and 15 grapefruit; De-30 otanger and IN grape fruit; Chicago, 30 oranges and 18 grapefruit; counges and 35 grapefruit, and

Ministers expressed their joy and pleasure at the hearty re-ponse made by the laity at all Easter services in Sanford Sunday held last night. At the meeting the secretary was instructed to write and express the appreciation of in the Holy Week and Easter day

In reporting on the Union Chor-I Service Sunday night at Holy Martin J. Bram, rector of the SUDGE, SECTION OF THE COURT OF THE COURT OF THE STATE OF STATE copal Church last Easter Sunday evening was a testimony to the splendid co-operation between the churches of Sanford. The church was filled to overflowing; eves the side chapel did not take care of the large number who came to hear the combined choirs sing, and many were forced to stand outside on the lawn, and many others left in disappointment.

The offering at the Union Service amounted to \$28.73 and it was unanimously voted to instruct the treasurer to me and to the sunday of the sunday

the treasurer to use those funds to assist the Welfare Board and the

assist the Welfare Board and the School Nurse.

Among those whom the ministers are thanking for assisting in Holy Week and Easter Day activities are: the laymen who conducted the noon-day services down town, the City Union of Young People and those, who worked with them to produce the splendid pageant at the Sunrise service Easter morning at 6:30 o'clock, which was well attended, to the director, organist, and choir who gave unselfishly of their time and talent to give the city the beautiful musical service Easter Sunday night.
