The length of a man's legs need not frustrate the spiritual fulfillment of your existence. fhe strength of his purpose. By crawling one day, we are able to climb another. The Church holds before our eyes the goals of Christ. And though for a month of Sundays There may have been spiritual giants like we may seem to crawl . . . one Sunday we Saul of Tarsus who, in one overpowering discover, as millions of disciples before us, experience, turned from violent resistance to fruitful service for Christ. that we have begun to climb. But there have been Doubting Thomases also . . . men and women who gradually, and only with the patience and help of God, found themselves in THE CHURCH FOR ALL ... ALL FOR THE CHURCH The Church is the greatest factor on earth for the building Don't he surprised, then, if an essessional wisit to church has of character and good citizen-ship. It is a storehouse of spiritual values. Without a strong Church, neither democ-racy nor civilization can sur-vive. There are four sound brought no remarkable change in But decide now to seek . . . reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself material support. Plan to go to church regularly and read your Bible daily.

### Colonial Dame's Beauty Recipes There is really nothing like a

Colonial dame! Harsh though her life often was and endless her work-she still made the time to care for her looks. How do we know? Here are some beauty formulas from a recipe book written in 1756 by Eliza Lucas Pinckney, who lived on a plantation outside Charleston. For hand care: "Boil four eggs hard. Take out the yolks

and beat them. Blanch a quarter of a pound of bitter almonds and beat them in brandy. Put to them a half penny loaf grated, as much honey as you like. It will keep seven years to-And here's a recipe alleged to make the hair grow: "Take

rosemary maiden hair, Southernwood, hasel bark, of each 2 ounces. Burn those to ashes on a clean hearth. Put those ashes in white wine to make a strong lye and wash the hair daily at the root. Keep it cut short. This is better than bears' oil or pomatum," Mrs. Pinck-Her manuscript also included nostrums for the relief of hiccough and gout, and recipes for
