Local Group Supporting Cross State Canal Drive

The Sanford-Titusville Canal will not be emphasized this week when the Florida Waterways Committee meets with Florida's congressional delegation in Washington.

Instead, the Committee, which met Friday in Ocala, will push for the allocation of funds for the actual start of the Cross State Canal. It will urge the delegation to secure an appropriation for the project.

In the prospectus prepared for the U. S. Corps of Engineers, the Cross State Canal was approved for construction. Since 25-30 percent of the tonnage used in the report would pass through the Johns River and the Sanford-

Officers Stumped By Mayor Slashing

GREENSBURG, Ind. (UPI)—Police today said they were at a loss for clues to the identity of three men who lured Mayor Sheldon Smith to his office and slashed him about the face, neck and arms with a razor blade.

Smith, 39, who also served as city court judge, told police he believed the Saturday night assault was a grudge attack.

Attendants at Memorial Hospital said Smith was in fair condition. He was unconscious for nearly two hours after the attack. Smith said he received an anonymous telephone call from a man seeking help in filling out his income tax. Smith arranged to meet the man at his downtown office, where he conducts an accounting business.

Smith said three men were waiting at his office and one began slashing at him with the razor blade while the other two held him. The bandits took money from Smith's billfold, police said, and rifled the cash box in his office.

Smith, the father of three children, is concerned mostly with misdemeanors and traffic cases in his capacity as city judge. However, he occasionally sentences violators to short terms on state penal farms.

Hoffa Interested In Higher Wages

MIAMI BEACH (UPI)—Teamsters President James Hoffa says he is more interested in higher wages than in a shorter work week.

"We're not going to worry about a few hours off until we've raised living standards first," Hoffa said at a news conference Sunday.

"Who wants to stand still with the same wages for two or three years? Just to have the extra time?" he asked.

Hoffa convened his board of directors here today. He said the union will discuss plans for several announced teamsters organizational drives.

Hoffa said a shorter work week would not improve the unemployment situation.

"If a man only had to work four eight-hour days at one job, he'd just have to take another part-time job—probably for less pay," he said.

Negroes Arrested In Moonshine Case

Viola Brown and Rosalie Faulkner were arrested for selling moonshine in Midway Saturday night.

The two Negro women were put in the county jail.

Other weekend reports included routine drunkenness and traffic offenders. Sheriff J. L. Hobby said that telephones stolen from public booths were becoming of great concern, both to his department and the telephone company.

"We are watching as many booths as possible, and trying to get the phone company to move them to well-lighted or occupied areas," he said.

Joseph Gibbs Jr. Dies In Hospital

Joseph Gibbs Jr., of Lake Monroe, died at 1:50 a. m. today in Orange Memorial Hospital. Gibbs was hurt seriously, Feb. 12, when his bicycle was hit by a truck on State Road 46.

Gibbs had a paper route from Paola to the Lake Monroe Bridge, and was delivering papers when the accident occurred. He was 31.

The body is at Brissan Funeral Home. Funeral services will be announced.

Official Wounded In Starting Race

LONDON (UPI)—An Air Ministry spokesman said today that Air Marshal William MacLennan, commander-in-chief of the Royal Air Force in the Middle East, wounded himself in the leg while acting as starter at a cross-country race on Cyprus.

"The air marshal suffered a grazed leg from the black wadding," the spokesman said.

Macmillan, Nikita Open Formal Talks

MOSCOW (UPI)—British Prime Minister Harold Macmillan opened formal talks on East-West issues with Soviet Premier Nikita S. Khrushchev in a 2 1/2 hour meeting at the Kremlin today.

A British spokesman said the two premiers "discussed world affairs in general." He said they "have not gotten down to Anglo-Russian relations."

The London Daily Mail said Macmillan told Khrushchev in informal talks over the weekend that Britain is ready to sign a non-aggression treaty with Russia if he finds it would help ease East-West tensions.

An official Soviet news agency report on the opening session said "a review was continued of questions of mutual interest."

Macmillan showed up for his meeting with Khrushchev wearing the foot-high white fur hat he wore on his arrival in Moscow and which delighted Muscovites. He also wore a borrowed fur coat.

A British spokesman said Macmillan "gave a full explanation of Western thinking on the Soviet Union and its policy." To Khrushchev at their informal talks outside of Moscow Sunday.

"Khrushchev spoke extensively on what the Soviet government thinks of the West and Western policy," he added.

Five Persons Dead In Flaming Crash

CALLAHAN, Fla. (UPI)—Five persons were killed in a flaming truck crash on U.S. 1 just south of here early today.

Highway patrolmen said only one of the victims could be immediately identified. He was John A. Barlow, 22, a Marine stationed at Camp Lejeune, N.C.

Trooper R. S. Akers said the other victims were a woman, age uncertain; a woman between 14 and 25; a man about 45; and a boy about 10.

Akers said the victims were in a car headed north which was on the wrong side of the highway when it smashed head-on into a tractor-trailer truck.

Driver of the truck was Howard Lewis East of Cedarburg, Ga., who was admitted to St. Luke's Hospital at Jacksonville.

Akers said the car was driven by one of the women who apparently fell asleep. It took workers more than an hour to remove the burned bodies from the wreckage.

Akers said the bodies were badly burned but probably would be after more identification of all the victims could be completed.

Marshall Suffers Another Setback

FT. BRAGG, N. C. (UPI)—Army doctors reported today treatment of Gen. George C. Marshall, 78-year-old World War chief of staff, has been complicated more than at hours to remove the burned bodies from the wreckage.

Akers said the bodies were badly burned but probably would be after more identification of all the victims could be completed.

Col. G. M. Powell, chief of medicine at Womack General Hospital here, where Marshall is being treated for a second stroke suffered last week said the general "shows an indication of an involvement of pituitary and this involvement has complicated his treatment."

However, Powell said Marshall "is not as ill as he was reported to be." He said the general's pneumonia remained under control.

Marshall's condition was listed as "serious" and the prognosis was still guarded.

A Sunday medical bulletin reported that Marshall was "holding his own" as he apparently seemed to be improving slightly during the past three days.

Negro Is Charged In 3-Car Accident

A three-car accident Saturday night lived things up at the corner of 28th St. and Sanford Ave.

Jimmie Lee Cleveland, Sanford Negro, was arrested on three counts when he was unable to prevent his car from plowing into the rear of another, causing a chain reaction.

Occupants of the other two cars were Mrs. Sadie Jones, Truett, Longwood, and Almas Eugene Klidger, Miami. They had stopped for the traffic light.

Cleveland was charged with driving while intoxicated, improper license tags and careless and negligent driving.

Local Rugby Team Unique In South

Under the leadership of VAIL-1, a rugby team has been formed at the Sanford Naval Air Station.

Known as the Navy Sanfys, the team has formed a schedule. Its first game will be played March 7 at Pensacola against the Royal Canadian of Sault Ste. Marie.

The Sanford team is unique in the Navy, and will attend traditional Rugby Week in Bermuda during April. There the Navy Sanfys will compete against the British Army, the Bermuda Athletic Association, Canadian Wanderers, the New York Rugby Club and a stream of Ivy League teams.

At Least 120 Dead In Tribal Rioting

BRAZZAVILLE, Congo (UPI)—The savage intertribal rioting that led to at least 120 Negro deaths here last week was reported today to have spread to the jungle town of Pt. Rousset, 250 miles north of Brazzaville.

There was no immediate report of casualties from Pt. Rousset, but it was known that a number of native huts there had been set on fire.

A detachment of state police was sent north from Brazzaville late Sunday in anticipation of trouble at Pt. Rousset.

A tense calm reigned in Brazzaville today with several thousand French-offered Negro troops patrolling the streets ready to clamp down on any new rioting.

Wailing African women, carrying their household belongings on their heads, were streaming back into the devastated rows of shacks in Poto-Poto and Cocopou, at opposite ends of this bustling city.

Brazzaville remained under virtual martial law, enforced by French High Commissioner Georges Guy with the consent of Premier Fulbert Youlou, head of this infant African republic.

X-Ray Units Here Starting Tuesday

Two mobile X-ray units from the State Board of Health will arrive in Sanford tomorrow.

The local health unit and the Seminole County Tuberculosis and Health Association are arranging a schedule so everyone in the county will have an opportunity to get a free X-ray.

One mobile unit will be in downtown Sanford, tomorrow through March 7, in front of Yowell's. Hours for X-rays will be 10 a. m. to 1 p. m. and 2 p. m. to 4 p. m.

The other unit will be at the Glass Fountain in Fern Park from 14 p. m. tomorrow, and at the Food Center in Altamonte Springs from 8 p. m.

Mrs. Lorraine Graham, executive secretary of the TB Association, has urged everyone to take advantage of the service. "It is only by finding hidden cases in time to effect a cure and by preventing the unwitting spread of this disease that we will ever be able to eradicate tuberculosis," she said.

Car, Heater Blaze

Two calls were answered by the Sanford Fire Department over the weekend.

Firemen put out a car fire Saturday at 5:30 p. m. at 906 East Eighth St., and squelched an overheated kerosene heater at 2407 Adams Court last night.

Segregation End Not In Sight For State Schools, Odum Says

News Briefs

Picks Italy Vacation
BONN, Germany (UPI)—West German Chancellor Konrad Adenauer plans to vacation in Italy for the second straight year.

Ceremonies Delayed
WASHINGTON (UPI)—Rainy weather forced postponement of groundbreaking ceremonies today for the new east front of the U.S. Capitol.

White House Hits Demos On Dulles

WASHINGTON (UPI)—The White House said today that Democrats demanding the replacement of acting Secretary of State John Foster Dulles are just trying "to get their names in the newspapers."

Sens. Stuart Symington (D-Mo.) and Hubert H. Humphrey (D-Minn.) called on President Eisenhower to name a successor to Dulles at once.

White House Press Secretary James C. Hagerty dismissed the statements as so much publicity seeking. He said in answer to questions that "it is remarkable what people will say to get their names in the newspapers."

Hagerty said this was his own reaction to the Symington and Humphrey statements but that the President was aware of them.

"He is also aware of the many other members of the Senate from both parties who say we should avail ourselves of Dulles' services," Hagerty said.

Sens. John F. Kennedy (D-Mass.), John J. Sparkman (D-Ala.) and Richard L. Neuberger (D-Ore.) differed with Symington and Humphrey. They said Eisenhower should wait to name a successor to the cancer-stricken Dulles.

Eisenhower, meanwhile, spent more than an hour with Acting Secretary of State Christian A. Herter. Hagerty said the meeting dealt with a broad range of State Department matters.

Pioneers Assemble For Annual 'Night'

Lake Mary's 8th annual Pioneer Night will begin at 7 o'clock tonight.

Site of the celebration will be the Lake Mary Chamber of Commerce building.

In the annual observance, the Lake Mary Chamber has good reason for honoring Florida's residents who have passed their 60th birthday. The Chamber is the oldest in the state, and only recently observed its 30th anniversary.

Invited are all pioneers, new and old. They will be greeted with prizes, refreshments and entertainment. Speakers will include Mack Cleveland Jr., R. T. Milwee,

Option, Scholastic Averages To Help, Official Declares

TAMPA (UPI)—Most public schools in Florida can continue to operate on a segregated basis for years, Assistant Atty. Gen. Ralph Odum said today.

Odum, state segregation expert, said the parent option plan of private schools would be needed only in scattered spots. He urged that the Legislature adopt this plan so that parents can withdraw their children from integrated schools and educate them privately with state financial assistance.

"The courts have not ruled that racial integration must be carried out just for the sake of integrating, regardless of normal geographic districting," Odum told the Independent Bankers of Florida at a luncheon meeting.

The Orchard Villa School in Miami, an all-white school which the Dade County School Board ordered integrated next fall, is located in a predominantly Negro section.

"Where residential areas by race are not so well defined, the criteria provided by the school placement law, such as scholastic levels, will result in a high degree of natural segregation," Odum declared.

He said there should be a law to define the reasons and conditions which justify a child's withdrawal from an integrated public school and his receiving a grant-in-aid with which to attend a private school.

Odum said this law should be passed with the idea that the Supreme Court had ruled that the act of segregation by races in schools is harmful.

"We think it necessarily follows that the act of forcing a child to attend an integrated school, regardless of his deep-seated training and convictions would, because of the same intangible, psychological factors, result in harm to the child, and unequal educational opportunities," he said.

This inequality should justify a legal method by which a parent could make a choice as to whether his child will attend an integrated school.

Iran Won't Scare

TEHRAN, Iran (UPI)—Iranian officials refused today to be intimidated by Soviet threats of retaliation if Iran signs a military agreement with the U. S.

Iran Won't Scare

TEHRAN, Iran (UPI)—Iranian officials refused today to be intimidated by Soviet threats of retaliation if Iran signs a military agreement with the U. S.

Road Repairs Slated

TOKYO (UPI)—The city government voted a special \$55,800 appropriation during the weekend to fix the roads which Crown Prince Akihito and his commoner fiance will travel on their wedding day, April 10.

Injunction Scheduled

MONTGOMERY, Ala. (UPI)—The U. S. Justice Department goes into federal court here today to seek a permanent injunction against two racialist voting registrars and to halt alleged discrimination against Negroes.

Strike Violence Hits

PITTSBURGH (UPI)—Police were rushed to a plant of the strike-bound Allis-Chalmers Co. today when pickets tried to halt a flat-car by forming a human barricade. Police termed it a riot and arrested more than 15 persons.

Syrians On Parade

SIAMASOUB (UPI)—Several thousand troops and huge Soviet-made tanks paraded through the streets of the Syrian capital today in tribute to United Arab Republic President Gamal Abdel Nasser and Yugoslav President Tito.

Case Isn't Closed On Air Space Here

The air rights case is not closed yet.

The case, tried last week in the U. S. District Court, Orlando, involved 21 parcels of land around the Sanford Naval Air Station.

The government sued property owners for settlement for compensation of taking in 1952. The declaration gives the government perpetual rights to the air space over the lands in the approach pattern.

The case had been reported as closed. A spokesman for Kenneth Spaulding, attorney for the defendants, said this morning that negotiations are still in process.

All but six parcels were settled out of court last week. The disputed property lies on the west side of the field bounded by Sanford Ave., Mattie St., the Atlantic Coast Line tracks and Geneva Ave.

Industry Seeking To Buy City Land

The Sanford Manufacturing Co. will ask for the right to purchase additional city land to the north of its present location tonight at the City Commission meeting.

Also on the agenda is the report of David Gatchel for funds for the "Highway 17 Association" for tourist advertising.

Commissioners will hear a recommendation from the Zoning and Planning Commission about mechanical garages in the retail-commercial areas; and a consideration of utilities agreements with the Sanford Housing Authority.

Pro-Am At Mayfair

Mayfair Inn guests joined 16 local professional golfers for the third pro-am tournament of the season, today.

The tournaments have become a feature of Monday golf at the Mayfair Country Club.

Weather

Fair with high 74 to 79 this afternoon. Partly cloudy tonight and Tuesday. Warmer tonight with low 60 to 65. Variable winds 3 to 15 miles per hour.

Retain Public Schools, Jaycee Resolution Asks

TALLAHASSEE (UPI)—The state Junior Chamber of Commerce has passed a resolution opposing any move to abolish Florida's free public school system.

The resolution does not mention the race issue, but in it the Jaycees support the school system as guaranteed by the Florida Constitution.

Copies of it will be sent to all members of the Legislature which convenes here April 7. Some legislative leaders have angrily denounced the scheduling of local school integration in Dade County and have called for strong legislation to head off the action.

The resolution passed here Sunday said:

"The Jaycees believe the public schools must be preserved and that it is the responsibility that preservation and control of the public school system rest in the hands of the citizens of Florida."

The resolution said it is the "inherent duty" of civic organizations to involve themselves in issues which affect the life of the community they serve and "the Jaycees are deeply concerned with the invaluable role which public education plays in the continued growth of Florida."

In other resolutions, the Jaycees expressed full confidence in the public school system as it exists in Florida and urged adequate financing of the Minimum Foundation Program for public schools.

The Jaycees named a National League baseball pitcher, a county judge, a state attorney, a builder and a physician as Florida's five most outstanding young men of 1958.

The honors went to Lew Burdette, Sarasota Springs, Milwaukee Braves pitcher; Martin County Judge Evans Gray Jr.; State Attorney Gordon Oldham Jr.; Leesburg; Ralph P. Farrell Jr., Sarasota builder and developer; and Dr. Hyman J. Roberts, West Palm Beach.

Thieves Pay Visit To Johnson Plant

The industrial plant of Johnson Electronics in Casselberry was entered by thieves over the weekend.

An official told Sheriff's deputies that apparently nothing was missing, but they could not be sure until everyone came to work.

Deputy Vern Brewster is investigating.

Bill Reedy Talks To Local Rotary

A plan for the "Voice of the Southern States" was outlined to Rotary Club members today by W. H. (Bill) Reedy, state representative from Lake County.

Reedy's address, entitled "The Key to Peace in America," asked for support of the public relations plan, which would tell the northern states the truth about Negro conditions in the South.

'Mute' Uses Card, Woman Uses Phone

Police said a suspicious Sanford resident uncovered a phony deaf mute Friday afternoon.

When the man handed her a card that asked for bus fare for Jacksonville, she called the police.

Josh Tucker Hutton was found to be "just pretending." He talked a lot after he was arrested for vagrancy.

New Homes Slated Near High School

Twenty new homes have been started in a new subdivision near Seminole High School on 20th St.

San Sem Knolls will contain three bedroom, two bath homes, ranging from \$13,250 to \$14,250.

Philip J. Zeuli, formerly of Hackensack, N.J., has developed 2,300 home subdivisions around Houbrauch Height, N. J., where Arthur Godfrey, Frank Sinatra and Barney Ross make their homes. The houses were priced from \$15,000 to \$20,000.

Zeuli is now residing in Sanford, and plans to build several homes with distinctive designs in this area. "I feel that Sanford is one of the fastest growing cities in Florida," he said.

Sales and promotion for San Sem Knolls will be handled through the office of Stempier Agency, Realtors.

Cancer Group Sets Planning Session

The Seminole Chapter of the American Cancer Society will hold an organizational meeting at the Civic Center, Wednesday, at 7:30 p.m.

Gene Hawsatt, executive director of Orange County and field representative for five counties, including Seminole, will discuss in detail the past performance and the future plans of the local chapter.

During the past year, the local chapter has shown educational films to various civic organizations, service clubs, Navy personnel and dependents and social groups.

The chapter also has operated a loan closet to supply cancer patients with various dressings and sickroom supplies. A large number of women's clubs of Seminole County have supported this program by preparing the dressings from discarded bed linens.

All clubs and organizations are invited to send representatives to this meeting. An invitation is extended to any resident of the county who is interested in the work of cancer control and who is interested in maintaining an active county chapter.

Police Jail Negro In Shooting Case

A Sanford Negro is in jail under a total bond of \$100 after shooting twice at Stephen E. Boston at Cypress St.

Albert Calloway was arrested when police arrived on the scene at 2:57 a. m. Saturday.

He missed both times.

Thieves Take Tools

Thieves stole wrenches and screwdrivers from the Stafford Boat Works Friday night, after entering the building through a window. Nothing else was disturbed, according to police reports.

Wallet Returned, He Likes Sanford

A Charlotte, N. C., visitor left Sanford with a warm spot in his heart for its honest residents.

When J. Norman Frase came to police to report the loss of his wallet, it was already there. Mrs. E. C. Hayman had found it in a telephone booth. The wallet contained \$100 and identification cards.

Frase was staying around the houseboat, "Noah's Ark" at the municipal dock.

Frase's statement: "I know silly to report my wallet missing—but I can tell by your face that it's already here." The beam on policeman Estelle Jennings' face was a dead giveaway.

The grateful sailor left \$10 for Mrs. Hayman, who was unaware that she would be rewarded.

Wallet Returned, He Likes Sanford

A Charlotte, N. C., visitor left Sanford with a warm spot in his heart for its honest residents.

When J. Norman Frase came to police to report the loss of his wallet, it was already there. Mrs. E. C. Hayman had found it in a telephone booth. The wallet contained \$100 and identification cards.

Frase was staying around the houseboat, "Noah's Ark" at the municipal dock.

Frase's statement: "I know silly to report my wallet missing—but I can tell by your face that it's already here." The beam on policeman Estelle Jennings' face was a dead giveaway.

The grateful sailor left \$10 for Mrs. Hayman, who was unaware that she would be rewarded.

Thieves Take Tools

Thieves stole wrenches and screwdrivers from the Stafford Boat Works Friday night, after entering the building through a window. Nothing else was disturbed, according to police reports.

Wallet Returned, He Likes Sanford

Quotable Quotes

United Press International MIAMI BEACH — Teamsters President James Hoffa, asserting his union is more interested in higher wages than a shorter work week: "If a man only had to work four eight-hour days at one job, he'd just have to take another part-time job — probably for less pay."

WASHINGTON — Harvard economist Sumner Slichter, on economic growth: "It is impossible to achieve the maximum growth of which we are capable without having some inflation."

SAN FRANCISCO — Dr. Felix O. Koll, a University of California specialist in bone disease, on milk drinking: "Milk is a fairly good source of calcium and protein for human children. It is probably no good for grown humans at all."

CHICAGO — Sen. Hugh Scott (R-Pa.), urging a stronger emphasis on patriotism in the schools: "I would like our schools to stir our students to love of country, to prepare them to counter the washers of brains. If this be 'propaganda,' I would like our armed forces to employ much more of it."

TOKYO — Chinese botanist Chiang Shoufang, on producing a "new" type of bird: "By taking the white from a goose egg and injecting it into a hen's egg, I succeeded in producing a large bird of great stamina with very fine grade meat."

Blind Evangelist Conducts Revival. The Rev. H. A. Booker, blind evangelist, is conducting services this week at the Revival Tabernacle, 24th St. and Chase Ave. He is a graduate of International Asbury College, Wilmore, Ky. Mrs. Booker is also a minister and musician.

Mid-Florida Picks Dunn As Manager

Longwood's Mid-Florida Golf Club today announced employment of Vernon J. Dunn, Seminole County Commissioner, as manager of the club. The addition to the club staff of pro Arthur Milles also was announced. Milles will serve as course superintendent and be in charge of course development and care. He has been active in Florida golf activities for a number of years, and most recently has been club professional at Pine Hills Country Club.

Deaths

MELEAN, Va. (UPI) — Helen T. Gardner, 81, divorced wife of former Assistant Air Force Secretary Truman Gardner, was found shot to death Sunday at her estate here. Police said she committed suicide. MOSCOW (UPI) — Dmitri Z. Manuilsky, 75, former Ukrainian foreign minister, died Sunday in Kiev, Russia, according to Pravda, the official Communist Party newspaper.

DeBary Man Dies; Funeral Tuesday

Emanuel Emrich, 66, of N. W. 1st St., DeBary, died Saturday in Casselberry. He was born in Denver, Colo., and had been a resident of Sanford for the past six years. He was a member of the Sanford Presbyterian Church, and the Pythagoras Masonic Lodge, 602, Cleveland O. Survivors include his wife, Elizabeth; three sons, Frederick Emrich, Garfield Heigle, and Walter Emrich, Battle Creek, Mich.; and Emanuel Emrich Jr., Bay Village, O.; one brother, Theodore Emrich, Detroit, Mich.; one sister, Mrs. W. Johnson, Waukegan, O.; and three grandchildren. Funeral services will be held at 2 p. m. tomorrow at Brison Funeral Home. The Rev. A. G. McInnis will officiate, assisted by the Sanford Masonic Lodge No. 1. All past Masons will meet at the Masonic Hall at 1:30 p. m. to attend the services in a body.

Pilat - Maffett Nuptials Held

In a beautiful double ring ceremony at the Apopka Presbyterian Church Friday evening at 8 o'clock Miss Nancy Irene Pilat, became the bride of George Allen Maffett, Jr.

The bride's mother wore a pink crystalline gown with matching accessories and wore a lavender orchid. The groom's mother wore an aqua lace and nylon tulle gown with white accessories and a lavender orchid pinned to her shoulder.

Following the ceremony the guests were invited to the Apopka Civic Center for a reception. The reception hall was beautifully decorated with palms, candles and an abundance of pink and white flowers. The bride's table was covered with a white satin and net cloth and held a four-tiered wedding cake flanked by silver vases of flowers.

Assisting with the reception were Mrs. Edward Miller, Mrs. Helen Smith, Mrs. William Davis, Mrs. Kenneth Gerber of Tampa, Mrs. William Evans, Mrs. Lynn Henry, Mrs. Edward Parrott, Mrs. John Duce and Mrs. Kirby Kite, Jr., Miss Linda Langford, Miss Ann Hess, Miss Joyce and Linda Parrott and Miss Mary Lee Welch.

Out of town guests were Mr. and Mrs. W. Y. Hazebush and Mrs. Valery and daughter, Elizabeth, of Columbia, South Carolina; Mr. and Mrs. Marion Wallace and sons, Richard, Russell and Danny; and Mr. Morrison of Bradenton, Mr. and Mrs. Jim Stevenson, Mrs. C. W. Hamill Jr. of Clearwater, Florida.

Mrs. Maffett chose for her gown a long-sleeved, floor-length, full skirt with a train, a full length veil of illusion was attached to an ornate pillbox of matching lace, re-embroidered with pearls and paillettes. She carried a cascade bouquet of white orchids and lily-of-the-valley.

Miss Elizabeth Hazebush, cousin of the bride, was maid of honor and was crowned in a sage-green taffeta with matching headpiece and she carried a heart-shaped bouquet of better Times carnations. The bridemaids, the Misses Gayle Parrell and Johnnie Wiggins, of Apopka, Helen Traylor of Orlando, Gwen Terrier of Tampa and Carolyn Mayer of Memphis wore gowns like the maid of honor's and also carried bouquets of pink carnations. Junior bridesmaids were Pamela and Patricia Evans of Apopka. All of the bride's attendants wore a single strand of pearls and diamond pearl earrings which were gifts from the bride.

Edward McCall served as best man and ushers were Donald Howard Bates, Robert Gomb...

MRS. GEORGE ALLEN MAFFETT JR.

Levys Entertain Visitor

Mr. and Mrs. Sam L. Levy surprised his mother, Sarah Levy, with a surprise birthday party last week at their home in Loch Arbor. Mrs. Levy, who is spending the winter here from Chicago, Ill., was celebrating her 75th birthday.

A large birthday cake decorated with yellow roses was placed on the dining room table and yellow and white napkins were used in the floral arrangement of snappers and mums. An other pretty arrangement was used on the buffet table.

The host and hostess started the party off by serving pink and white champagne to their guests and then drinking a toast to the guest of honor. A buffet, consisting of shrimp, roast beef, hering and many other delicious dishes, was served to the following guests: Mr. and Mrs. Herman Jacobson, Mr. and Mrs. Ben Katz, Mr. and Mrs. Marvin Melzer, Mr. and Mrs. Lee Samuel, Mr. and Mrs. Morris Evans, Mr. and Mrs. Max Zuckerman, Mr. and Mrs. Charles Teitelbaum and Mr. and Mrs. Joel Altherbach.

Church Calendar

MONDAY
Fidelis Class of the First Baptist Church will meet at 8 o'clock at the home of Mrs. H. W. Little on French Ave.

W.S.C.S. evening circle of the Grace Methodist Church will meet Monday at 8 p. m. in the home of Mrs. Emory Speir.

The Truthseekers of First Methodist Church will meet in McKinley Hall at 3:00 p. m.

Egg Hunt Planned

The Westside P. T. A. met recently at the school with Miss Jessie Carter presiding over the meeting.

The devotional was read by the Rev. Robert Spear and Mrs. Margaret Goni, superintendent of Elementary Schools, was the guest speaker.

Mrs. M. Doudney gave a report of the State P. T. A. Convention and a nominating committee was chosen for next year. The committee consists of Mrs. Jim Lee, Mrs. Jessie Carter, Mrs. W. E. Hetha. During the business meeting it was also agreed that there would be an Easter Egg Hunt on March 20th.

Second town hostesses served refreshments following the meeting.

MRS. I. E. BATTEN, shown here with the flower arrangement that won her first award at the annual luncheon of the Sanford Garden Club Thursday at the Mayfair Inn Hotel.

Supper Party Is Given

A supper party following the rehearsal of the Pilat-Maffett wedding was given Thursday night at the home of Mrs. Victor Green with Mrs. C. W. Hamill, aunt of the groom, as co-hostess.

The dining room table was covered with a white Irish linen cloth and was enchanting with its all white drape. The low centerpiece was of white tulips, snow drops and white grapes and snow-white bone china added to the beauty of the table. Other tables held a single white candle entwined with tiny Magnolia leaves and each place was marked with a name card placed by a crystal vase holder that held lily-of-the-valley.

Throughout the house were beautiful flower arrangements and the most distinctive was a white urn holding white gladioli, hyacinths and clusters of white grapes.

Guests were Mr. and Mrs. Hugo Pilat, parents of the bride-elect, Mr. and Mrs. George A. Maffett, the groom-elect's parents, Miss Elizabeth Hazebush, Miss Johnnie Wiggins, Miss Glen Geiger, Miss Carolyn Mayer, Miss Gale Parrott, Miss Helen Taylor, Edward McCall, Donald Howard, Larry Bates, Robert Gonzalez, James McKee, Eugene Davis III, Richard and Russell Wallace, Mr. and Mrs. William Hazebush, Mrs. and Mrs. Martin Wallace, Yates Hazebush, Rev. and Mrs. Arthur Hanson, Rev. and Mrs. Fred Herlong, Mr. and Mrs. William Evans, Mr. and Mrs. Herold Smith, Gary Lane and Miss Barbara Stewart.

The hostesses were assisted by Mrs. Wilson Newman who also was in charge of the many pretty party decorations.

Wives Plan At Coffee

The wives of V.A.H.7 will gather old clothing to send to Korean orphans it was decided Thursday at a coffee at the home of Mrs. Howard Weigle with Mrs. M. D. Melpherson as co-hostess.

While enjoying coffee refreshments the group also talked of the coming Luau and Mrs. R. L. Rowell instructed them in the making of Hawaiian leis.

Special guest was Mrs. Clyde Houk, of Elland City, Tenn., and she is visiting her niece, Mrs. Weigle. Others attending were Mrs. Harold Lang, Mrs. Rowell, Mrs. H. F. Brazel, Mrs. T. J. Demboak, Mrs. R. M. Donaldson, Mrs. K. E. Hodger, Mrs. E. J. Jablonski, Mrs. A. H. Jennings, Mrs. M. L. Lilleboe, Mrs. R. A. Mergle, Mrs. G. M. Roberts, Mrs. W. J. Wormell, Mrs. G. J. Youngblade, and Mrs. R. H. Rosa.

Some of the guests stayed on for a luncheon snack and formed two tables of bridge.

Odeal Crosby Feted

At a recent meeting of the Seminole Chapter, number 2, of the Order of Eastern Star, Mrs. Odeal Crosby, the oldest living member of the chapter was honored.

The officers presented a Valentine courtesy showing Mrs. Crosby, a past Matron, at their Valentine. Mrs. Crosby celebrated her 80th birthday on February 15.

February birthdays were observed and gifts presented to Mrs. Ethel Carter, Mrs. Marjorie Shepherd and Mrs. Stella Pryor and Mrs. Crosby.

Mrs. Augusta Hickey was hostess and served delicious refreshments to the members and guests. Six of the visitors never attending the Sanford chapter before, were Mrs. Lester Hanson of Jacksonville, Mrs. Elsie W. Latham, Bellaire, Ohio, Mrs. Sarah Epstein of Centerville, Maryland, Mrs. Charles Steffen, Mrs. Gloria Scheerer and Mrs. Hannah Steffen, of Hills-Lane Island.

White Elephant Sale

The Welcome Wagon Club will have a meeting Wednesday night, 7:30, at the Woman's Club.

There will be a "White Elephant Sale" and each member is requested to bring some wrapped item.

Camellia Circle Meet

The Camellia Circle of the Sanford Garden Club met recently at the home of Mrs. E. W. Peterson with Mrs. J. L. Horton Jr., and Mrs. Don Hamner as co-hostesses.

Mrs. Alfred Green, chairman welcomed Mrs. Frank Woodruff III into the circle and gave the book meeting report.

Election for the coming year nominated Mrs. Kay Shoemaker president, Mrs. Horton, vice-president, Mrs. Bill Gramkow, treasurer and Mrs. Alfred Chiles, secretary.

Speaker was Mrs. S. C. Dicker, son of the Gray Shadows Nursery who gave an interesting talk on Landscaping.

Refreshments were served to the 24 members and one guest.

Kay Donaldson Feted

Miss Kay Donaldson celebrated her 11th birthday with a spaghetti supper Friday evening at the home of her parents, The R. M. Donaldson's.

Party guests were the Misses Diane Beasley, Linda Williams, Pam Jones, and Jean Donaldson, Jack Levy, Harry Colbert, and Jim Touhy.

Mrs. Fahy Speaks

The Dirt Gardeners Circle of the Sanford Garden Club met Friday at the home of Mrs. E. D. Rinehart near Paula.

Mrs. J. H. Fahy was guest speaker and gave a most interesting talk on legends and history of Bermuda. She exhibited many examples of daffodil plants and explained the methods used in growing and caring for them.

After the program Mrs. Rinehart conducted the group through her ceramic work shop where much of her beautiful handwork was displayed to the twenty-five members of the circle and two guests, Mrs. E. L. Fawcett and Mrs. T. S. Daigle.

Assisting the hostess were Mrs. I. E. Batten, Mrs. W. G. Fleming, and Mrs. W. A. Kraetzert.

BIRTHS

Mr. and Mrs. James Wilson announce the birth of an eight lb. and 12 1/2 oz. daughter born February 20th, she has been given the name of Lisa Adrienne.

Mr. and Mrs. James Heagerty of Tallahassee are the parents of a daughter, Katherine Elizabeth born February 19th. Mrs. Heagerty is the former Peggy Wright, daughter of Mr. and Mrs. J. A. Wright, of Sanford.

Judge and Mrs. Volie A. Williams Jr. announce the birth of a son, Donald Neal, born Friday the 13th. Donald weighed 10 lbs. and 14 ounces at birth. The Williams have three other children, Jimmy, Pattie and Penny.

Alumni Meet

The Annual banquet of Stetson University local alumni will take place Friday night, the 20th at the King and Prince restaurant and cocktail lounge of the Seminole Raceways.

Other parties booked at the restaurant include the Cassville Luncheon Club banquet to be given on the 19th.

One Dish Dinner

NEW YORK (UPI)—For a nourishing, tasty one-dish dinner, try asparagus pie.

Cook 2 packages frozen jumbo asparagus according to package directions. Drain, reserving 1/2 cup liquid. Melt 2 tablespoons butter over low heat and add 2 tablespoons flour and blend thoroughly for 10 minutes.

Add 1 cup light cream and reserved asparagus liquid. Cook and stir until sauce is smooth and boiling. Add 1/2 teaspoon salt and pepper to taste.

Beat a little of sauce with 2 egg yolks, then combine with remainder of sauce. Add 1/2 cup grated Parmesan cheese and cook over low heat until cheese melts but do not boil.

Arrange half the asparagus on 1 pre-baked single pie crust like wheel spokes. Pour on half the sauce and repeat procedure, using remainder of asparagus and sauce. Sprinkle with grated cheese and place under broiler until pie bubbles and is slightly browned. Serve hot to 6.

Appointed Organist

NEW HAVEN, Conn. (UPI)—Internationally known Danish organist Finn Videto has been appointed Acting Organist at Yale for the 1959-1960 academic year.

UF To Be Retained But Changes Planned

Seminole County will retain its United Fund. This decision was made last week by the UF Board of Directors after considerable soul-searching.

Drive leaders worked hard in the campaign which ended last month. Despite the time and effort put forth, the drive fell some \$14,000 short of its goal. That brought UF directors face-to-face with a decision: whether to disband the all-for-one drive, or try to continue, at least for one more year.

In the interest of the county, directors decided to try it again. However, some changes will be made. A planning committee has been appointed to decide on the broad framework under which the UF will be conducted next fall.

Although the total was about \$14,000 short of the goal sought by the UF, it still represented more than the seven participating agencies had been able to raise in separate drives three years ago. This was the determining factor in favor of retaining the UF.

It is too early to ask what changes the committee will recommend. If the UF is to survive, and Seminole County needs it, changes must be made.

One change, suggested by The Herald about a month ago, should be to force the hands of all charity and welfare drives. Each should be given the opportunity to get in the UF. Refusal to do so would give UF leaders a perfect right to decline to work, contribute, endorse or otherwise help the non-participating agencies.

This might be viewed as a harsh stand. But such is needed if drives for local agencies, such as Boy and Girl Scouts, the USO, Salvation Army, Children's Home Society and others, are to survive.

It has been said by several agencies that they are not permitted to participate in a United Fund. If that be true, why do all these share in the only drive, the annual joint crusade, on military bases?

Now under way at Sanford Naval Air Station is the joint crusade. Agencies participating are the Cancer Society, Heart Association, Arthritis and Rheumatism Foundation, National Society for Crippled Children and Adults, National Society for the Prevention of Blindness, United Cerebral Palsy Association, National Cerebral Palsy Association, National Multiple Sclerosis Society, Muscular Dystrophy Association, National Association for Mental Health, National Tuberculosis Association, Care, Crusade for Freedom and the American-Korean Foundation.

This is the only charity solicitation permitted at the base, excepting Seminole's United Fund.

If this can be done at NAS, and in communities across America, it can be done here. If Seminole residents were assured that the UF would be the only charity drive, we believe support would be greater.

Elbow Room Needed

The Sanford post office will get a new roof. The General Services Administration (U. S.) announced Friday that a contract for \$2,882 had been awarded for the project.

It should be comforting to postal workers to know that they have a new roof over their heads, as elbows dig into ribs of fellow workers who take turns standing against the wall to allow each other passage around furniture and equipment.

What Sanford needs is a new and larger post office, not a new roof on the outdated, overcrowded structure now standing on the corner of First and Palmetto.

Might Sell Auto, 'Root' Of Trouble

KNOXVILLE, Tenn. (UPI) — "I'm into trouble." Convicted of drunken driving, "Why not quit drinking in Mark A. Kulluck told Judge H. P. Pollard he was going to sell his car because "it always gets Kulluck reprimanded."

Assignment Washington

By Ed Kuterba

WASHINGTON — The hoodlums who swagger up to the witness chair are soon condemned men — bruised by a weapon that comes snarling from beyond the mahogany desk in front of them.

They hide behind the Fifth Amendment, but they can't duck the knife that starts deep in the soundbox of Senator John McClellan, chairman of the Senate tactics committee.

The Senator, undisputed king of the caucus room, swallows just so much of the "I decline to answer" stuff, and then a law growl begins honing that verbal scalpel. I'd say it can reach under the thickest skin.

McClellan's first victim on this day was John Stagle of St. Louis, bald, belligerent. He hunched forward in the hot seat, hands clenched on hips, feet apart and solid on the red carpet.

He sang-songed the "I decline" bit across the expanse of a dozen questions put forth by chief counsel Robert Kennedy. "What is your occupation?" "You are an operator in coin machines?"

You were arrested 13 times between 1935 and 1938?"

The Senator from Arkansas broke in. "Have you," he said with the sound of stones scraping against cold steel, "done a decent thing in your life that you think would not tend to incriminate you?"

The man's feet came abruptly together. He rubbed sweaty hands on his blue gabardine trousers. And he declined to say whether there was a decent thing on the grounds it may tend to incriminate him.

The operator, jammed in the rear, cheered McClellan with digitified letters. "Are you proud to be the type of fellow you are?" said McClellan. You could feel the knife break off.

The man, committed to take the Fifth, bit his lip and looked foolish under the bright chandeliers.

McClellan told him to step aside. When he got up, he looked at his watch with a sense of relief. But I thought the long expensive cigar in the coat pocket was drooping a little.

Then Frank Zito of Springfield, Ill., a little Italian in gray hair, gray suit, bounced up. He did acknowledge that his occupation was "retired."

Then came the usual mobster questions: "You operated 14 stills in the Springfield area during Prohibition?" By 1937 you controlled all the dice, punchboards and poker games in Springfield? You were convicted of violating the Prohibition Act in 1931?"

"I refuse to," he started. "Just a minute," McClellan growled. "You'd better say 'decline.' It sounds more respectful."

Well, the poor ex-con got so ruffled that he blurted, "I decline to answer." "What was that?" cried the Senator.

"I can't say it. . . I decline to decline." Then he begged that he couldn't express himself too well.

"Did you speak English at the meeting at Appalachian?" said Kennedy. This was the famous

Homework' Lands Employes In Jail

WARSAW (UPI) — Authorities have caught up with some railroad workers who have been taking home their work.

They arrested 11 railroad employes who allegedly carried off three miles of the trackage, which they sold to the local state-owned scrap enterprise.

Dr. Leroy Burney, head of the Public Health Service, sounded a note of caution in commenting on the papers. He reminded that heart and blood vessel diseases kill "more people than all other causes of death combined and disabled countless others."

Washington Calling

By Marquis Childs

WASHINGTON — So grave is the illness of Secretary of State Dulles that no matter how many White House denials are issued the speculation about his successor will continue. This is a situation made to order for uncertainty both at home and abroad.

But no matter what the ultimate decision, the fact should not be overlooked that at the head of the State Department in Dulles' absence is a loyal two-man team. Undersecretary Christian Herter and Deputy Undersecretary C. Douglas Dillon have both followed at first hand the steps leading up to the current approach toward negotiation over Berlin and Germany.

Because of their intimate knowledge, the view is growing here that if Dulles must be replaced the logic of the choice is for Herter to become Secretary and Dillon his Undersecretary. This

It is being argued, is the only way to insure continuity of policy. In any event, time is running out on the Eisenhower Administration and a new man brought in from the outside would require weeks if not months to catch up on the background papers that spell out policy with America's allies and with the Russians.

Much has been written of Herter's crippling arthritis. Certainly as Secretary he would not be as mobile as Dulles, who has clocked more than a half million miles of air travel. But Dillon, who is 49, while Herter will soon be 64, could be the roving agent with the Secretary of State given time to ponder and reflect on the course of foreign policy. Herter could and would attend the major conferences, such as that presumably to be held in the spring on the German issue.

Because he felt he was not being used, he seriously considered a year ago resigning as Undersecretary. His loyalty to the Administration would not permit that and he stayed on. In recent months Dulles has given him somewhat more of a role. While it continued to be largely a one-man department, Herter's views were listened to seriously.

The Administration often seems unaware of how fast the time is running out with less than two years to go. Someone presumably on the inside chose the occasion of Dulles' grave illness to leak word that Secretary of Defense Neil McElroy would get out by the end of the summer, in accord with an understanding that he would stay only two years. This was denied, but nevertheless the impression is left of an Administration going to pieces like the one-horse shay.

It takes a year for a man to muster a job as complicated and difficult as that of Secretary of State or Defense. The assumption is that he begins to be useful and effective in his second year. If he departs at the end of this time, the government has lost the investment in his education and experience. James H. Smith Jr. stayed less than two years as head of the International Cooperation Administration, and now the White House must stir around to try to find a suitable successor.

It may be idle now to recall that when George M. Humphrey resigned as Secretary of the Treasury in mid-1957 he tried to persuade others, including Dulles, that the time had come to make way for younger men. His argument was that if the Eisenhower Administration went on to the end with the same team, it would look as though not the Administration alone but the Republican party was trailing off to a feeble end with ailing, old men. With three and a half years to office a new team could present a new and positive front.

No one can but admire the stamina of Dulles in staying on after his major operation for cancer nearly two and a half years ago. It was in the midst of the Suez crisis, when the flames of that brief, little war threatened to spread to the whole world.

At that time Dulles took decision calling for great courage and resolution. He decided to forego the long weeks of radiation therapy to try to insure that the cancer did not spread to other parts of his body, as it now seems to have done. To have undergone therapy would have kept him away from his office for many weeks after his immediate convalescence.

So much was left unfinished in the wake of the Suez crisis, and Dulles had had the overriding conviction that it was his destiny to get a triumphal course when others before him failed. Having schooled himself throughout his life to be Secretary of State, he could acknowledge nothing less than the perfection of his own concept of how American policy should be conducted.

In view of the concentration on one individual, for the obvious reason of his great capacities, we are more fortunate than we know in having in office two men such as Herter and Dillon. They now deserve a full and free opportunity.

Victory Forecast By Heart Experts

WASHINGTON (UPI) — Experts yesterday forecast a major breakthrough against heart and blood vessel diseases in the next 10 years which "will save thousands of lives."

They said "extraordinary advances" in the past decade forecast shadow even greater progress in the next.

The prediction was made in a "report to the nation," first of its kind, by the American Heart Association and the National Heart Institute, both just 10 years old.

Six specialists presented papers on a decade of progress against cardiovascular disease" at an hour-and-a-half meeting attended by congressmen, government officials, physicians and health authorities.

Dr. Leroy Burney, head of the Public Health Service, sounded a note of caution in commenting on the papers. He reminded that heart and blood vessel diseases kill "more people than all other causes of death combined and disabled countless others."

'Homework' Lands Employes In Jail

WARSAW (UPI) — Authorities have caught up with some railroad workers who have been taking home their work.

They arrested 11 railroad employes who allegedly carried off three miles of the trackage, which they sold to the local state-owned scrap enterprise.

FLORIDA'S FASTEST GROWING FOOD CHAIN!

Dandridge, Stanley Named To All-Star

By JERRY COVINGTON

Quarterback Cecil Dandridge and Guard David Stanley have been named by Florida coaches to the North team in the high school all-star game to be played in August at the University of Florida.

The announcement came after North All-Star Coach Jim Pigott, Sanford, met with North Florida coaches in Ocala to select this "dream team."

Co-captains Dandridge and Stanley paced the Seminoles for two years under coach Pigott while piling up 17 wins, three losses and two ties, which include a Brahma Bowl victory and a Celery Bowl victory over Bishop Moore and A. J. Galt.

Coach Pigott and Don Brown of Lake City were unanimous selections for the coaching spots of the month. They have decided to run the single wing with their deadly lineup against Coach Otto Mooney and Glenn Odham of the south.

Sanford can claim a great deal of the honor from the coaching staff of both teams. While Pigott is the current head coach at S.H.S., Mooney, from Miami Senior High, was assistant coach under Carl Kettler at Seminole in 1950-51. Coach Odham, now in the head coach at Sebring, is a

Sanford product and spent his playing days at Seminole. All four coaches are graduates of Florida, where Pigott, Mooney, and Odham played together.

The complete rosters of these two teams will not be released until next week, but there are several who were selected to the high school all-America squad and will be playing in the All-America tilt in Philadelphia in July.

Dandridge will be the smallest player on either squad. Although weighing only 133 pounds, he is regarded by Florida coaches as one of the finest passers and punters in the state. In the past season, Dandridge was the leading ground-gainer, had a 60.0 average in passing, and punted the ball barefoot for a 40-yard average.

He will be used mostly on passing and punting. The North backfield averages well over 173, with several 10-second men. So, the "Little General" probably will not get much of a shot at the running. He should be rated as the top passer on the North squad.

Stanley, while playing for Seminole, was chosen for 140 years to the All-OBG squad and was named to the All-State squad by Florida sports writers. His great defensive plays were the best in central Florida last season and

his offensive blocking was better than any in the area. Stanley was one of the top choices of the North coaches and probably will play a big role in the contest this fall. He probably will get the nod to play the pulling guard on the potent Tennessee single wing attack. He now sports a mitty 190 pounds and is scheduled to travel to FSU immediately after the all-star game this fall with a four year scholarship. He was one of the most sought seniors in the state this winter.

The Seminole cheerleaders will also get into the act. They were chosen as the North "noise makers" for the tilt.

Seminoles Bow, Close With Deland Tuesday

By JERRY COVINGTON

The short Sanford Seminoles managed to control the boards in New Smyrna Friday night only to see a five-point lead in the final three minutes turn into defeat.

Coach Bud Lauer's side played one of their better games of the season and showed sharp passing and rebounding all evening only to see pointed officiating cost them a sure victory.

With only three minutes remaining guard Cecil Dandridge was bringing the ball down court and lost it to the "Cudas by double dribbling. On two occasions with

less than two minutes left the speedy senior captain drove to the basket for crisp shots only to be hit by two "Cudas.

Both times charging was called and that was it. The "Cudas dumped in the foul shots and pulled the game out, 52-49. It was a heart breaker and was one of the best games witnessed all season.

High-scoring Jimmy Gracey continued his drive to hit the 400 mark in scoring with 23 points. It was his best defensive game this season and the 310 had also played his best on the boards. He now has a total of 310 points

with two or more games remaining on the schedule, depending on how the squad makes out in the district playoffs next week.

Gracey has set two records this season by dropping in 31 points in a single game and breaking the old season scoring record of 313.

Ray Lunquist, the Seminoles' only OBG selection this year, was second in scoring with 14 points. He was all over the court and his playmaking and fast-breaking were big reasons for the "near miss."

Alex McKibbin hit the starting lineup against the "Cudas for the first time in the past few contests and was the big gun in the rebounding department. He virtually took the ball from the towering "Cudas and made his best effort on the defensive boards. Junior Terry Christenson also continued his fine showing on the boards and should reach his peak by the district playoffs next week in Cocoa.

Coach Dick Silvers' JV squad also lost a heart breaker, 33-32. Like the varsity, the JV's held a five-point lead until the final two minutes only to see it slip away. They played a fine ball game all the way with Little George Perdes leading the scoring and John Taylor and Mike Roberts doing most of the work on the boards. They now have a fine 136 record for the season with their final game coming up tomorrow against the Bulldogs from Deland.

Winner Uncertain In Daytona Stakes

DAYTONA BEACH, Fla. (UPI)—NASCAR officials announced Johnny Beauchamp winner of the 500-mile international sweepstakes race Sunday but later said the race was unofficial because there were no photos of a photo finish.

Officials at first ruled that Beauchamp, of Harlan, Iowa, nosed out Lee Petty of Randle-

man, N. C., by a bumper.

But Petty, who was fender fender with Beauchamp as they roared across the finish line complained of the ruling. NASCAR President Bill France said six hours later declared the results ruling could be made.

The new Daytona international speedway has no photo-finish camera at the finish line. So France sent out a public appeal for any movie film of the finish.

He examined several photos and some movie film Sunday night but the results were inconclusive.

At stake was more than \$12,500 in the first prize money and endorsements.

Beauchamp drove a 1958 Thunderbird and Petty a 1959 Oldsmobile. Second place prize money was \$7,000.

In third place was Charles Griffith of Chattanooga, Tenn., driving a 1951 Pontiac, but fourth and fifth places also were contested.

Cotton Owens of Spartanburg, S.C., had been ruled fourth in a 1958 Pontiac and Joe Weatherly of Norfolk, Va., fifth in a 1959 Chevrolet. These results, too, were declared unofficial.

NASCAR officials at first announced Beauchamp's winning time as 137.75 miles per hour. This was withdrawn and officials said there would be no announcement of the time until the winner was settled.

Beauchamp had started in the 21st position and never was in front until the 110th lap. The Petty-Beauchamp duel began in earnest on the 140th lap. Beauchamp hung on Petty's rear bumper until the 183rd lap when he took a short-lived lead. The two then swapped the lead five times before Beauchamp came roaring down the final stretch of the inside and was named the winner.

MacDuff Favorite In Track Feature

Crowd-pleasing Rocky MacDuff is favored in the Grade A feature tonight at Sanford-Orlando Kennel Club as the 11th week of scamping gets started.

Action on tonight's 10 event schedule begins at 8:10.

Rucky has won three of his last six starts and seeks his sixth season triumph from the eighth box. He's down across the five-sixteenths mile distance in 31:13 seconds.

Tonight's racing will be launched with another Grade A event. Early odds favor Pin Check in the first race, an event which should launch the big 10 race program with unusual speed.

Also in the initial contest are Rocky MacDuff, Jill Buck, Fable Skirts, Lumber Timber, Pete Lear, Song Time and Gay Raven.

Another outstanding bound in the featured ninth event is Diane Kay, in the seventh box. She rates second best early odds of four-to-one, compared to Rocky MacDuff's leading morning line figure of three-to-one.

The final event will be a marathon three-eighths mile affair.

Track officials announced an "Early Ladies Night" on tap for Thursday night. All women will be admitted to the oval without any charges.

MacDuff Favorite In Track Feature

Settle Standings

While awaiting that decision, SEC teams will spend this final week jockeying for positions on the league ladder.

Auburn, its 20-3 game winning streak discarded at Lexington, Ky. will start afresh against Tennessee at Knoxville tonight if the Vols are as tough as they usually are at home. The Tigers could well have a two-game losing streak going.

There's a full slate tonight. Kentucky will be host to Alabama, Florida will be at Georgia Tech, Georgia at Vanderbilt, Mississippi at Louisiana State, and Mississippi State at Tulane.

The favorites all won Saturday night. In addition to Kentucky's jump over Auburn, Mississippi State topped Louisiana State 25-7 and now has the nation's best mark, 22-1. Georgia Tech beat Georgia for the third time this season, 22-0. Tennessee routed Alabama 31-0. Vanderbilt beat Florida 27-0 and Tulane beat Mississippi 41-6.

Wildcat Runaway

Kentucky, now 21-2 for the season, made a shambles of Auburn. The Wildcats, led by veteran Johnny Cox and sophomore Bill Lackert, were ahead by 20 points before halftime and never threatened thereafter.

Bailey Howell, whose 28.3 average leads the South in scoring, was held to 17 points by LSU. Howell had only three points in the second half and fouled out of the game. The Hens' drive by 17 points at halftime, made a belated effort to catch up but couldn't quite pull it off.

Saturday's heroes included Gene Tomohlen of Tennessee who scored 25 points and was a demon, as usual, on the boards. Sophomore Roger Knicker of Georgia Tech who scored 23, senior Jim Henry of Vanderbilt hit 21, and Little Dickie O'Brien of Tulane with 22.

Case 'Shocking,' Jockey Suspended

MIAMI (UPI)—Hulrah stewards have suspended jockey Charles E. Richmond 60 days for possessing a battery-powered horse-boosting device.

The stewards also recommended to the Florida Racing Commission that Richmond's license be revoked and that he be barred from Florida tracks.

Richmond said he had been "fooling" with the device used to make horses run faster but insisted he had never used it in a race.

Giles' Mother Dies

MOBILE, Ill. (UPI)—Mrs. Isabelle Giles, mother of National League President Warren Giles, suffered a fatal heart attack in her home Saturday night. She was 81.

Miss. State Holds Key To Wildcat Tourney Bid

ATLANTA (UPI)—Will the defending champion Kentucky Wildcats return to the NCAA tournament next month or, despite being one of the best teams in the nation, be forced to sit this one out?

That's the question plaguing the Southeastern Conference today following Kentucky's 25-36 victory over previously unbeaten Auburn and now the answer lies squarely within the segregation thoughts of the governing body at Mississippi State.

This is the last week of the season. Barring major upsets, Auburn and Mississippi State apparently will share the Southeastern conference crown and Kentucky will finish third.

Auburn is out of the NCAA tournament. A post-season play plan for recruiting violations took care of the Tigers. Mississippi State thus becomes the eligible conference member — but Mississippi has an unwritten ban on its

teams playing in racially-mixed events.

Settle Standings

While awaiting that decision, SEC teams will spend this final week jockeying for positions on the league ladder.

Auburn, its 20-3 game winning streak discarded at Lexington, Ky. will start afresh against Tennessee at Knoxville tonight if the Vols are as tough as they usually are at home. The Tigers could well have a two-game losing streak going.

There's a full slate tonight. Kentucky will be host to Alabama, Florida will be at Georgia Tech, Georgia at Vanderbilt, Mississippi at Louisiana State, and Mississippi State at Tulane.

Moss Hires Shipp As Seminole Coach

TALLAHASSEE (UPI)—New Florida State Head Football Coach Perry Moss has hired Kenneth Shipp of Trinity University in San Antonio, Tex., as an assistant coach.

Shipp, 30, was backfield coach at Trinity, where he had been for two years. He is a graduate from Middle Tennessee State College and holds a masters degree from Peabody College.

'Decision' Awaited

SYRACUSE (UPI)—Maurice Podoloff, president of the National Basketball Association, expects to make a decision regarding referee Sid Borgia's fight with a fan last Thursday "some time next week."

Podoloff conferred with the fan, Eli Ross, and his attorney Saturday.

Ford Signs, Yanks After Mantle Now

By TIM MORRIS

United Press International

Now that they have finally recalled their best sniper—Whitey Ford—the New York Yankees today turned their attention to their big siege gun—Mickey Mantle.

Earlier at certain clauses in his new pact, one of which reportedly was aimed at governing his actions off the field. However, the Yankees insisted only that Ford make an honest effort this year to adhere to a strict diet, which is supposed to prevent a recurrence of the arm injuries that have bothered him in the past.

Ford, threatened earlier with a pay cut, was given a \$3,000 raise when he signed his 1959 contract for an estimated \$23,000 Sunday and immediately joined the world champions in a workout at their St. Petersburg, Fla., camp.

Alcoholic Beverage Out

The diet, prescribed by doctors at the Mayo Clinic, prohibits the use of protein meat or alcoholic beverages. Ford is permitted only broiled chicken, fish and lamb.

"I should finish the season at a rugged 130 pounds," quipped Ford, who reported at 182.

Despite assorted ailments, Ford has a fifteen career average of 2.59 for seven seasons with the Yankees. He has won 103 games and lost 40 (including a 127 mark last year), giving him a winning percentage of .724—the highest career mark in baseball history.

Mantle is due in camp Thursday when the Yankees will launch full-scale drills. However, he has indicated he won't leave for Florida until he is offered a "fair" contract.

"Once you show up in camp, you're dead," declared Mickey, who received an estimated \$15,000 last year and wants at least a \$2,000 raise.

Nolan Holds Out

The Detroit Tigers also were dealing with a potential holdout—Harvey Kuenn—who opened a bargaining session with General Manager Rick Ferrell Sunday at Lakeland, Fla., but refused to come to terms. Kuenn, who led the Tigers with a .319 batting average last season, has been offered a raise. He thinks it isn't big enough.

McCullough Picked Asheville Manager In South Atlantic

ASHEVILLE (UPI)—Clyde McCullough, former major league catcher, will assume his duties March 1 as manager of Asheville's entry in the Sally League.

McCullough was named manager Thursday after being interviewed by the board of directors of Community Baseball, Asheville's club, as yet unnamed, will train at Dothan, Ala. The club does not have a major league affiliation.

McCullough, 41, lives in Norfolk, Va. Last year he managed Reading, Pa., of the Eastern League and before that he was a player-coach for the Miami Marlins in the International League.

He was a player for the Cubs in 1935 when they won the National League pennant. At one stage of his career, he caught 145 games without missing an inning, a record which still stands.

Gridders Honored

CHAPEL HILL, N. C. (UPI)—Tackle Don Redding, end Al Goldstein and center Ronnie Koss were honored Saturday night as outstanding North Carolina football players at the Tar Heels' annual awards banquet.

Sox Get Brochure

CHICAGO (UPI)—The Chicago White Sox have prepared a 18-page pictorial review of past and present White Sox teams and have placed it on sale for 60 cents. The brochure also will be on sale at all the White Sox's home games at Comiskey Park this year.

Golf Site Chosen

CHICAGO (UPI)—The 1961 Women's Western Golf Association open tournament will be staged at the Belle Meade Country Club, Nashville, Tenn. Dates for the tournament have not yet been determined.

Professor Favors 'Disposable' Cities

THE HAGUE, Holland (UPI)—An American professor started a lively argument at the First International Seminar on Urban Renewal by going on record in favor of "disposable cities"—made of structures built for short-term use.

Dr. J. Marshall Miller of Columbia University told town planning experts from 22 countries:

"Too many people try to build buildings for all eternity. We should design structures, perhaps whole cities, to be written off more quickly.

"Since peoples' needs for housing change from generation to generation, we ought to plan a disposable city rather than attempt to make our cities into monuments."

Dr. Miller urged the building of schools of a simple and temporary structure.

"I am appalled," he said, "at the monument-building going on in new schools, when we know that school needs will change within a generation."

But many of Prof. Miller's fellow planners objected vigorously. Gabriel Andrade, City Planning Director of Bogota, Colombia, said studies made in his country had shown that housing built to last only 10 years cost three-quarters as much as a house built to last 50 years.

Claude H. Bolander, Inspector of Planning and Housing for the French Ministry of Reconstruction and Housing, declared that so-called temporary housing soon often turns into permanent housing, as has been the case with temporary housing built in France after World War I in war-damaged areas and still in use today.

Cage Leadership 5-Team Scramble

United Press International Kansas State and Texas Christian hold "locks" on automatic bids to the NCAA basketball tournament today but the race for the national championship is once again a wide-open affair involving at least five teams.

Kansas State clinched the Big Eight's invitation and Texas Christian won the right to represent the Southwest Conference Saturday night while the race for national honors was intensified by Kentucky's easy 75-56 victory over Auburn and Maryland's upset of first-ranked North Carolina.

With about two weeks of the regular season left, that means a battle among Kansas State, Kentucky, North Carolina and Cincinnati plus possibly Michigan State and North Carolina State. Cincinnati is closing in on the Missouri Valley title and has an 18-2 overall record while Michigan State clinched a tie for the Big Ten tie with its 24-7 Saturday night win over Purdue.

Kentucky, Cincinnati, Auburn, eighth-ranked St. Louis, ninth-ranked California, 10th-ranked Mississippi State and 12th-ranked Bradley all see action tonight so the national picture may be even further scrambled.

Kentucky plays Alabama, Cincinnati meets Tulsa, Auburn tries to bounce back against Tennessee, St. Louis opposes North Texas State, California plays Oregon State, Mississippi State takes on Tulane and Bradley plays Wichita.

Celler Schedules 'Rights' Hearing

WASHINGTON (UPI)—Northern liberals were assured today that the first congressional civil rights hearings will concentrate on the strong proposals they support rather than more moderate measures.

Chairman Emanuel Celler (D-N.Y.), one of the liberals, stole the initiative from the Senate by scheduling a House Judiciary Subcommittee hearing March 4 on civil rights legislation.

The Senate subcommittee on constitutional rights had planned to open civil rights hearings March 16. Some lawmakers believed the inquiry would center on the moderate proposals of Senate Democratic Leader Lyndon B. Johnson, President Eisenhower also has recommended a similar approach.

Some groups supporting tougher measures had been prodding Celler to get House hearings started first. A number of members said they had heard rumors that Johnson tried to persuade Celler to wait for the Senate hearings to start.

Celler's move apparently caught his committee members by surprise. He canceled other hearings scheduled for March 4 to clear the way for the civil rights string.

Betsy Rawls Cops Lake Worth Golf

LAKE WORTH, Fla. (UPI)—Betsy Rawls of Spartanburg, S.C. was \$1,347 richer today because she won the Lake Worth women's open golf tournament despite a wind which sent all scores soaring.

Miss Rawls scrambled to a four over women's par 74 for a winning four-day score of 285 Sunday. She won only because Louise Suga of Sea Island, Ga., tied with her when the final round started, was bothered even more by the gusty wind and shot a 76.

Patty Berg of St. Andrews, Ill. shot more consistently than either for a 78 but her total score of 291 left her far back in third place. The best round of the day was a 71 by Mary Ann Reynolds of Albany, Ga., but she finished out of the money. Joanne Goodwin of Haverhill, Mass., was low amateur with 200.

Miss Rawls had second and third round scores of 68 and 69 which pulled her through. She got an indication of what was to come though, when she bogeyed the first two holes of the final round. She got only two birdies—with sterling iron shots which left her short putts on two par three holes.

Miss Suga got only one birdie with a 40-foot putt on the 14th hole. She had taken a double bogey when she three-putted the first hole.

Revival Under Way At Free Methodist

The Free Methodist Church is sponsoring a revival crusade through March 1.

Speaking will be the Rev. Clyde VanValin, director of Free Methodist Youth in the eastern U. S.

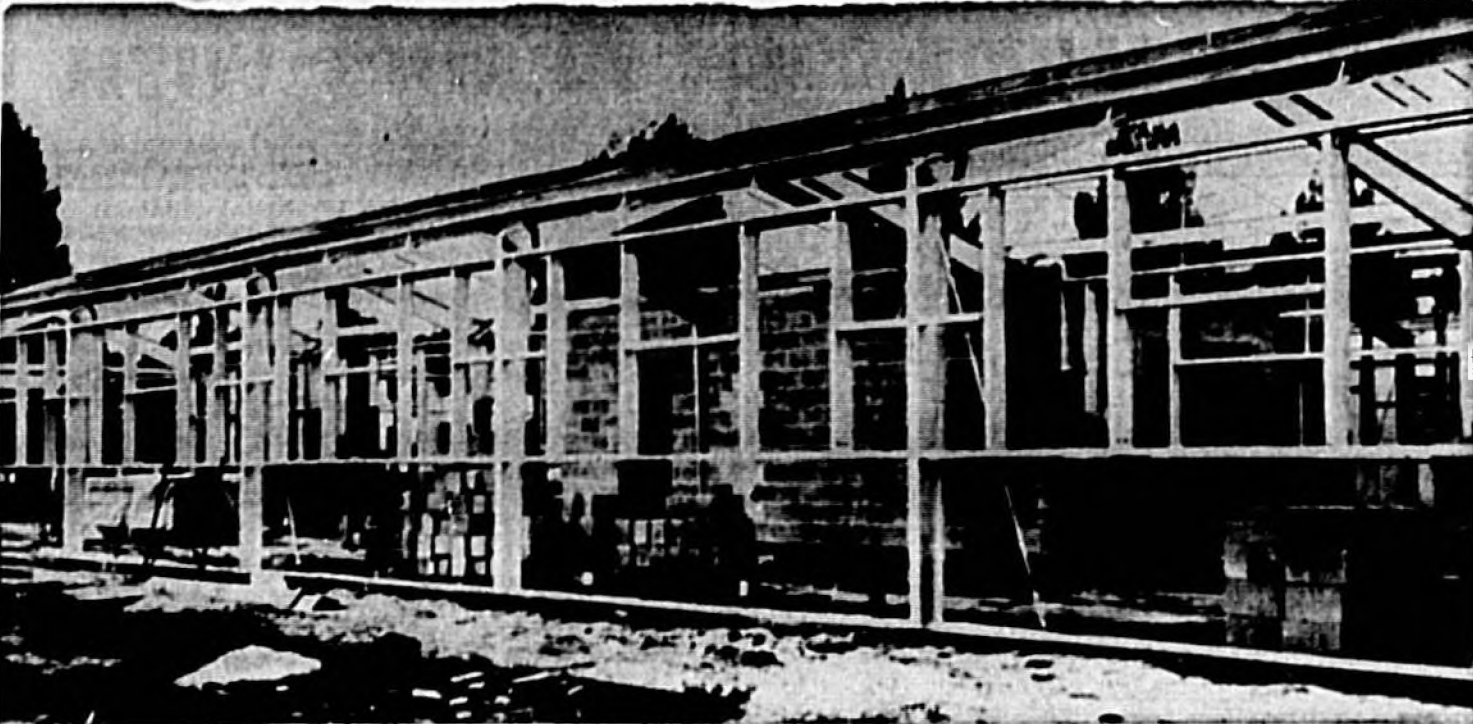

A varied musical program will be featured nightly. The public is invited. Services begin at 7:30 p.m.

NEW NAS BARRACKS—Now under construction at the Sanford Naval Air Station are new barracks of a uniform rigid frame design, developed by Mitchell Engineering Co., Columbus, Miss. The barracks are being constructed under the direction of the District Public Works Office, Sixth Naval District, for the Bureau of Yards and Docks, Navy Department. Already completed in the improvement program at the station are three hangars and a large warehouse.

Governors Talk 'Mix,' Trip To Russia

By FRED T. FERGUSON

BILOXI, Miss. (UPI)—Racial integration and a proposed trip to Russia will be discussed at a national governors conference executive committee meeting which opens here today.

Gov. LeRoy Collins of Florida, conference chairman, has said he favors accepting an invitation from the Soviet Union for committee members to visit Russia in June.

But at least one of the other eight governors on the committee has said privately he will oppose the trip during the two-day meeting on grounds such visits should be made by representatives of the federal government, rather than state governments.

Finances No Problem

Collins said finances for the trip present no problem. Several foundations and schools have expressed interest in footing the bill.

Gov. William Stratton of Illinois said he thought the trip was basically a good idea but that he will have to know more about it.

"They see our diplomats in Russia but it isn't often they have a chance to look at those who take

care of affairs at home," he said. Collins said the committee also would discuss his proposal for calling a conference with representatives of the administration and Congress to work out a plan that would lead to compliance with the Supreme Court integration decision. He said the plan would call for legislation that could prevent further integration violence and unrest.

His plan was presented at the last executive session in Chicago several months ago and was turned down. Only four of the governors attended that meeting and four of the present committee members were not members at that time.

Expected Tuesday

Collins said the plan would come up here, probably Tuesday, but that he does "not intend to press for it."

Gov. Robert Meyner of New Jersey said he felt no Northern Democratic governor would accept a civil rights plank in 1960 if it did not uphold the Supreme Court integration decision. He emphasized he was "not seeing a breach in the party."

Mississippi Gov. J. P. Coleman was on hand to greet the other eight governors who arrived Sunday. Other members of the committee are William F. Quinn of Hawaii, George Clyde of Utah, Cecil Underwood of West Virginia, Stephen McNichols of Colorado, and John E. Davis of North Dakota.

Wes Ellis Takes Texas Open Title

SAN ANTONIO, Tex. (UPI)—Wesley Ellis Jr., 27, shot a four-under-par 67 to win the \$20,000 Texas Open golf tournament Sunday, but he fought a neck-and-neck battle with defending champion Bill Johnston that was undecided until the final hole.

The four-day tournament was plagued until Sunday by cold and rain, and it affected the scores. The winning total of 276 was the highest winning score since 1934.

Johnston, of Provo, Utah, and Ellis came up to the final hole all even. The 19th hole at the Brackenridge Park course is a par three 165-yard hole.

Ellis banged his four-iron too shot to the back of the green, which enabled him to get a par three and a four-round total of 276. But Johnston pulled his four-iron too shot and the ball fell into a creek guarding the green. It cost him a double-bogey five and he finished two strokes behind Ellis with 278.

Johnston's lapse enabled Tom Nieporte of Bronxville, N. Y., to slip in and tie him, also at 278. Both runners-up collected \$1,650 while Ellis got \$2,800.

Doug Ford, of Paradise, Fla., and Tommy Jacobs of Whittier, Calif., each had a total of 280 and a tie for fourth place. They were paid \$1,150 apiece. Big Mike Souchois of Grossinger, N. Y., was sixth with a 281 and he collected \$1,000.

News Of Men In Service

Robert M. Dooley, machinist's mate fireman, USN, son of Mr. and Mrs. James R. Ellis of Fourth Street, Lake Mary, answered the call for blood donors, issued by the American Red Cross in the New York area Jan. 23 aboard the Navy's newest attack aircraft carrier USS Independence at the Brooklyn Navy Yard.

Two blood mobile units were hoisted aboard the newly commissioned carrier and the banar deck was turned into a hospital ward as more than 60 crew members donated their blood. Captain Rhobam Y. McKirry, Jr., Commanding Officer of the Independence, kicked off the drive by donating the first pint of blood.

The huge carrier is presently preparing for sea trials and a shakedown cruise in the early spring.

Porter H. Lansing, III, fireman, USN, son of Mr. and Mrs. Porter H. Lansing Jr., 2542 Sanford Ave., aboard the minesweeper USS Venture, is on a six-month cruise with Mine Division 81 in the Mediterranean.

The Division left Charleston, S. C., Jan. 9 and while in the Middle East will operate as a unit of the U. S. Sixth Fleet.

William Hathaway, Ex-Resident, Dies

William E. Hathaway, former Sanford resident, died Feb. 8 in Swampscott, Mass.

He was born Oct. 22, 1863, and resided in Sanford for 30 years. For the past three years, he lived with his daughter, Mrs. Clyde Witham, in Swampscott.

Mr. Hathaway was among the original members of the "Fit City Association" and presided over their barbeques for more than 50 years.

CIVIL SERVICE BOARD
CITY OF SANFORD
FLORIDA

The Civil Service Board of the City of Sanford desires young lady applicants for the position of **BOOKKEEPER** in the Finance Office.

PERSONAL CHARACTERISTICS

- Good Character
- Dependability
- Honesty
- Proper Conduct
- Courtesy to the public

QUALIFICATIONS

- Well experienced in general bookkeeping.
- Knowledge of modern office practices and procedures.
- Skill in operation of general office equipment.
- Ability to follow written and oral instructions.
- Ability to establish and maintain good relations with the public and other employees.
- High school education preferred.

Russians Used Short Cut To Jet Age; Plane Poor

WASHINGTON (UPI)—Russia beat the United States to the commercial jet age by a full two years.

But the Reds achieved their victory with an easy shortcut: they merely modified a medium jet bomber, revamped its nose, stretched the fuselage and put in seats.

The result was the TU-104, a plane that Russia's state airline, Aeroflot, has been flying all over Europe for two years. The TU-104 (Aeroflot has an estimated 40 in service) also has made three trips to the United States.

But American aviation experts who have closely examined and flown in the TU-104 reported it would never be accepted by U. S. airlines or even U. S. passengers.

It is underpowered, short-ranged and gorges fuel in such mammoth amounts that it would bankrupt an American carrier. Swiss airlines, or even U. S. passengers, TU-104, with a view of buying a few, said even if the Russians gave the plane away free, no private airline could afford to operate it.

The TU-104 also jabs at 150 miles an hour, too fast for American safety standards. Its brakes also are reported to be inadequate, causing several TU-104s to overshoot runways. Its pressurization system is weak; fountain pen leaks.

Baltusor Picked

NEW YORK (UPI)—The U. S. Golf Association has announced that the Baltusor Club, Springfield, N.J., will be the site of the 1961 Women's National open championship. Tournament dates will be fixed later.

Housing Bill Grows
WASHINGTON (UPI)—Rep. Albert Rains (D-Ala.) said today he expected Congress to send to the White House a housing bill bigger than President Eisenhower proposed.

Wage Boost Sought
CLEVELAND, Ohio (UPI)—The Brotherhood of Locomotive Engineers served notice today that it will seek a 12 per cent wage boost for its 50,000 members, employed by 110 railroads.

Rate Hike Requested
TALLAHASSEE (UPI)—Railway Express asked the Public Utilities Commission today for authority to increase its rates on shipments within Florida by 15 per cent.

Ike Alone To Decide
WASHINGTON (UPI)—President Eisenhower made it clear to Republican congressional leaders today that he alone will decide whether firing John Foster Dulles will remain an act of state.

Rulings Questioned
CHICAGO (UPI)—Resolutions questioning Supreme Court rulings on accused Communists and recommending remedial legislation by Congress were passed overwhelmingly today by the House of Delegates of the American Bar Assn.

County Will Share Feeder Road Costs
The construction of feeder roads into incorporated areas now will be shared by the cities and county.

X-Rays Available At Three Places
The mobile X-ray unit will give free X-rays to county and city residents tomorrow at three locations.

Merit Meeting
TALLAHASSEE (UPI)—The Florida Merit System Council will hold its next regular meeting here Feb. 27 at 9:30 a. m. in the Davis E. Carlton Building.

ORCHIDS FOR MRS. HOWARD — Sheriff J. L. Hobby presents Mrs. Charles Howard with an orchid at Pioneer Night in Lake Mary. Mrs. Howard, 89, was the oldest woman present last night. In background is Frank Evans, chairman of the event.

At Pioneer Night, Tall Tales And True

Tales tall and true were told last night at Lake Mary's annual Pioneer Night.

From every part of the state came the Pioneers, 210 strong all over 60 years of age.

Frank Evans, Lake Mary pioneer and chairman of the celebration, introduced the "oldtimers" with amusing anecdotes and historical data.

Entertainment included selections by the Triple Trio and the Double Quartet from Seminole High School and dances by the Duenna School of Dance.

Twenty-year-old Dottie Jardine and her doll, Ollie, went through a routine created for Pioneer Night. Ollie saved the day when Dottie forgot her script and was forced to improvise; he conveniently confused the "over 60" requirement with Florida traffic laws.

As the older generation munched on refreshments, guest speakers addressed them briefly. County Commissioners, Mrs. Mary Earle Walker, Sheriff J. L. Hobby, Jr. and J. Bernard Hood, R. T. Milne and others were on hand to take a bow and say a few words.

William E. Gray, president of the Chamber of Commerce, presented Evans with a gavel made of wood from the original White House.

Two oldtimers introduced from the floor were Barney and Jay Beck, whose father was killed saving the life of the Sanford postmaster during the gold rush in the Klondike.

Another tale was told about Mr. and Mrs. William Ferguson, who each had children when they were married. They produced several of their own. One day Mrs. Ferguson called her husband to the door to see his and her children beating up their children. (True story)

Azalea plants in bloom were given to each pioneer, courtesy of the Sanford Atlantic Bank. Other gifts were donated by florists and merchants.

Evans said, "None of the gifts was solicited. These people just wanted to do something nice for the old folks."

Recipients of gifts were O. B. Mervay, 91, oldest man; Mrs. Charles Howard, 89, oldest woman; Mr. and Mrs. Tom Tyler (married 66 years); Mrs. Hattie Atkinson (birthdays closest to Pioneer Night, Feb. 22).

Mr. and Mrs. J. A. Peckham who have attended 31 of 34 Pioneer Nights were given a lamp from Mather Furniture. Others also received gifts during the evening.

All pioneers wearing badges will be guests of manager Milton Houghley of the Ritz Theater tonight for "Rally Round the Flag, Boys."

Flowers and gifts came from the Ritz Theatre, A. K. Rosetter, William E. Kirchhoff and J. L. Hobby.

Just Can't Quit, McKibbin Is Told
The resignation of the chairman of the Sanford Planning and Zoning Commission was refused last night by City Commissioners.

Clifford McKibbin Jr., said in a letter of resignation that, due to "personal considerations," he felt it was time for another to take his place.

The Commission's answer? "No logical reasons were given for his resignation, and the ones given were not acceptable."

Just couldn't find another man as good, Commissioners felt.

Zoo To Be Closed Nights In Future
The Sanford Zoo will be closed to the public from dusk to dawn. Vandals and vagrants have been abusing and killing animals in several instances, valuable birds have been stolen.

The Sanford Police will apprehend anyone within the zoo boundaries, under an ordinance prohibiting loitering.

Derby On Comeback
CHICAGO (UPI)—The derby is making a double-barreled comeback.

Bernard L. Salsbery, president of a hat firm, said Monday his company is developing a "he she" derby for the ladies.

Khrushchev Rejects West Plea

Commission Nixes Highway Fund Plea

The Highway 17 Association was turned down last night by the City Commission.

A request for \$500 was made by David Gatchel, representing the Association. Funds would be used for publicity purposes on the highway.

Commissioners told Gatchel they already had appropriated \$10,000 to the Chamber of Commerce, and felt that publicity for Highway 17 belonged to that group.

County commissioners last week approved \$500 for the Association, which has a budget of \$2,000. Volusia County has given \$1,500.

Gatchel said that the method of approaching cities and counties had been patterned after the Orange Blossom Trail Association.

If the city does not see fit to go along, I'm not going before the chamber, because I'm following the plan suggested," he said.

Earl Higginbotham spoke for the Commission when he answered. "We have contributed liberally for advertising if the chamber doesn't spend it for that, the money will be channeled into other projects attractive to the man in charge. I don't believe in taxation to support the Chamber of Commerce."

Box Seats On Sale Thursday; 18 Sign Sanford Contracts

Box seats for the upcoming baseball season in Sanford will go on sale Thursday.

Ward Goodrich, business manager, said the tickets, good for 64 playing dates at home, will be sold for \$40. A limited number will be offered to the public. Interested persons may call the baseball office, FA 2-1940.

Goodrich said that solicitation soon would begin for fence signs and the season's program.

At the same time, he announced that Sanford has 18 players, including Manager Mack Rogers, already under contract. Among the players named is a \$4,000 bonus youngster who performed for the Class C Elmira (N. Y.) team last year.

Sanford's Greyhounds will report for spring training at Fernandina Beach about April 1. Goodrich said this announcement came from Sherry Robertson, director of Washington's minor league system, with which Sanford is associated.

Original plans called for the Greyhounds to report about March 9. However, the date will be later than expected. This probably is due to the "cut off" plans of teams in the Washington system which have a higher league classification.

Goodrich said some 150 rookies will be working out at Fernandina Beach during spring training. The season opens here April 22 against Orlando.

Two Cars Collide, Woman Is Injured

Two housewives collided at French Ave. and 25th St. yesterday afternoon. The accident caused combined damages of \$750 to their automobiles.

Mrs. Ginevra S. Hardister, Atlantic Springs, complained of pains in her right arm and was taken to her family doctor for examination. Thirteen-month-old Nellie Mae Hardister was arrested out of her car seat into the air, but was uninjured.

Mrs. Laura Myers Miller was charged with failure to avoid the accident occurred when Mrs. Miller attempted to make a left turn into the Winn-Dixie parking lot, and pulled into the path of Mrs. Hardister's car, police said.

South Can 'Walk,' He'll Pack Lunch

CHICAGO (UPI)—Sen. Paul H. Douglas (D-Ill.) has invited southern Democrats to walk out of the party's 1960 convention if they cannot accept the convention's plan on racial issues.

"The Democratic Party does not want or need racial or religious bigotry," Douglas said.

"I would even be willing to pack a box lunch for them as they go out into the wilderness," the Illinois Democrat said.

Weather
Partly cloudy, through Wednesday. Temperatures about the same. High today upper 70s, low tonight 58 to 62. Southwest to west winds in 15 to 25 miles per hour.

FLOWERS FOR THE LIVING — The over-60 "youngsters" who attended Pioneer Night in Lake Mary last night were presented with azaleas, courtesy of the Sanford Atlantic National Bank. Here, some of the "pioneers" leave the Lake Mary Chamber of Commerce. (Herald Staff Photo)

Mack Cleveland Lashes Development Commission

The Legislative Auditing Committee, headed by Mack Cleveland Jr., Sanford, yesterday suggested doing away with the Florida Development Commission.

The suggestion followed a blast at spending practices of the agency, some of which Cleveland labeled as an "obvious disregard for the law."

Cleveland said activities of the Commission should be curtailed severely. He added, "I'm not sure that it should not be abolished altogether."

The Seminole legislator said the big promotion agency may serve some "small" function, but nothing like six million dollars worth every two years.

To comply with the Auditing Committee's wishes, the Commission should demonstrate that it has taken steps to correct complaints of State Auditor Bryan Willis.

Legislators today hinted they would take punitive action against the Commission's appropriations if action is not taken to correct such things as improper use of telephone and gasoline credit cards by employees, use of personal automobiles when state-owned cars are available and per diem claims for trips of less than a day's duration.

Cleveland said a full report on "lightening" measures had been demanded of the Commission.

Cleveland said action of the Cabinet in permitting the Development Commission to divert \$90,000 in advertising money to salaries was an "obvious disregard for the law."

He criticized the Commission for advertising the sale of some county bonds on one day in Tallahassee, and then being unable to sell them because only one member of the Commission showed up.

Cleveland said action of the Cabinet in permitting the Development Commission to divert \$90,000 in advertising money to salaries was an "obvious disregard for the law."

Says Soviet Union Won't Ban Bomb, Or Discuss Berlin

MOSCOW (UPI)—Soviet Premier Nikita S. Khrushchev turned down today the West's proposals on Berlin and nuclear test suspension.

Speaking at an election rally, Khrushchev flatly rejected last week's Western call for a Big Four foreign ministers conference on Berlin and Germany. He said it would be "unbusinesslike" and "unacceptable."

He called anew for full and formal summit talks to decide the German question, nuclear test bans and the whole field of East-West dispute.

The speech appeared to blast hopes of a new approach to the German stalemate just when Khrushchev's "little summit" talks with Prime Minister Harold Macmillan of Britain had created fresh hopes.

Khrushchev scored the Western stand at the Geneva nuclear conference.

"To accept the Western proposals (on inspection and control) would mean full capitulation," he said. "We regret it but we shall have to continue with our tests too."

Khrushchev said a conference of foreign ministers as suggested by the West to threaten out the problems of Berlin, Germany and overall European security could last for many months or years.

"It would be more expedient if the Western Powers agreed on a conference of heads of government which make decisions," he said.

Khrushchev objected to the exclusion of Poland and Czechoslovakia, which he described as "the first victims of German invasion" in World War II and Germany's neighbors from any talks on Germany.

The speech was delivered during a one-day recess in his talks with Macmillan.

Oviedo Expected To Cut PTA Ties

The withdrawal of the Oviedo PTA from the state and national bodies today appeared certain.

At a meeting last night, officials said "momentum for withdrawal is gaining." The Oviedo group was scheduled to vote on the question, but members were told that the vote could not be taken until the state and national organizations had been notified of the proposed action.

Speaking at the session was D. M. Ladd, brother of movie actor Alan Ladd and a former PTA agent. Ladd's talk concerned "Full Infiltration of the PTA."

Attending the meeting were many non-PTA members, some of whom urged the PTA to withdraw its affiliation from the state and national groups.

Last week, the Seminole PTA Council adopted a resolution which criticized the aad taken by the Florida congress of Parents and Teachers at its annual convention in Sarasota.

The resolution did not mention integration, but left little doubt that this is what PTA members had in mind.

Mother, 14, Gives Birth To Twins; Family Tradition

BALTIMORE, Md. (UPI)—Fourteen-year-old Mrs. Catherine W. Gordon gave birth to twins Monday and the boys were reported "doing just fine" today.

The father, Richard W. Gordon, 17, is unemployed but "willing to do any kind of work." The Gordons live with Mrs. Gordon's parents, Mr. and Mrs. Clarence Coakley.

The first twin weighed 3 pounds, 9 ounces at birth and the second 3 pounds, 2 ounces.

The infants inherit a tradition of having a young mother. Mrs. Caskey was 17 when Catherine was born. Caskey's mother was 16 when she was born and Richard's mother was 16 when he was born.

Thieves Make Haul At Grocery Store

Thieves stole clothing, cigarettes and \$8 in pennies from the Penley Grocery Store, 604 West 11th St., last night.

Entry was gained by slipping the screen on a Caskey's mother was 16 when he was born and Richard's mother was 16 when he was born.
