

# Sanford Loses To Islanders By 6-1 In Colorful Tilt

## Justice And Juszyk Trade Blows In Argument Over Break Up Of Double Play

## Leesburg Meets Seminoles Here

## Seminole Bested In Quarrel With Ump On Disputed Play

Sanford lost the game, an argument with the umpire and a draw in a fight at Daytona Beach last night when the Island hurler, Floyd Thierolf, hit Seminoles bats to five hits while striking out 15 men to win the game, 6-1.

Tonight the Seminoles face the Leesburg Anglers on the home field at 8:00 o'clock and all school children are admitted free.

Whitlock hit a triple in the sixth inning to drive Booth from first base, gained through a walk in the home plate for the lone score of the locals. Only batter to get more than one hit was catcher Charlie Girk, who drove out a pair of singles in three times at bat.

The argument with the umpire came in the eighth inning when a ball hit by Coats, Islander left fielder, went through Mutt Williams for an error. Coats continued to second and Clarence "Pop" Pflid relayed the ball back to second. As Coats came in to second the ball went through Joe Justice for an error and rolled over to the Islander's dugout.

The runner made third on the overthrow and stopped when the ball was recovered by Ernie LaValley. Then the plate umpire, Morgan, waved the runner in to second base. The argument was whether the man had reached second before the ball, since he is allowed the base he is trying for and an extra base when the ball overruns the dugout.

The Sanford players maintained the man was on that base since the play was on that base but the umpire said the man was trying for third since he slid into second ahead of the ball. The umpire won the decision.

Justice and Edmond Juszyk got into an argument in the second inning when the Daytona runner came together with Justice off second base in the first play as an attempted double play to first base. Joe's throw to first was held up and the runner made it safe. Juszyk and Justice had words and then blows for a minute but the base umpire and players grabbed the two. As soon as it looked clear more words passed and Justice dove at Juszyk's again. Neither player suffered any damage in the tilt and both were allowed to remain in the game.

Sanford batters looked like wildcats against Thierolf who struck out 15 of them and walked on. Daugherty struck out twice and gave two bases on balls, while Justice struck out six of them.

Seminole in a row during the sixth, seventh and eighth inning. Ernie LaValley continued his smooth play at first, accounting for 13 putouts, one unassisted. Both Daugherty and Girk accounted for three assists. Charlie made a quick throw to second to catch Costa trying a steal in the fifth, retiring the side.

**MEDICAL BILL PASSED**  
TALLAHASSEE, May 13.—(Special.) The House yesterday passed, 82 to 0, a Senate-approved bill requiring doctors and mid-wives to apply silver-nitrate solution to babies' eyes within one hour after birth. Representative McLane of Escambia, chairman of the public welfare committee, said the application would reduce blindness.

# Brother Team As Batter Due To Teacher's Idea

## A prim Missouri schoolmarm at the other end of the state was chalked up with an assist for the St. Louis Cardinals setting out as league leaders on their first Eastern trip of the year.

"St. Louis, W.S. L.S. PC-737" is how it read at the top of the National League percentage table the day the Red Birds soared toward the Atlantic slope. In the leading averages "W. Cooper, A.B. 23, H.H. BA-337" tells a large part of the Southwestern's success story.

"He's my natcher," Manager Billy Southworth told them at Spring training camp. "He's big and he's the fastest catcher in the league. I don't know any one on my club who can outrun him and we've got some tall hitters. He's got a grand arm and he knows how to catch." The school had no baseball team, but when Miss Montgomery went to work, a team promptly came to life with Miss Montgomery as coach.

The strong-arm youngster, whose name was Morton Cooper, needed his little brother, Walker Cooper, as catcher, or else the games would be just an exhibition of passed balls. Little Walker preferred playing centerfield and passing the pill, but a school-teacher's word is law. Walker dutifully donned the board of education's mask and windcap.

He did it for good old Atherton Grade. So here he is today, not only renowned with Mort as big league baseball's top-flight brother or battery, but likewise snark-plugging the entire Cardinals pitching staff so that the Red Bird flag floated from the first place mast-head again, just as in the lustrous prime of O'Farrell and Jimmy Wilson, great Card catchers ahead of him.

or \$4.07 a common share, compared with \$765.213, or 92 cents a share, in the March quarter of 1940.

**NOTICE**  
The Board of County Commissioners of Seminole County, Florida, will receive bids at the Clerk's Office in Sanford on June 9th on the following:  
Two (2) 12 inch wheel base dump trucks with cab, 92 H. P. Motor-Heavy duty engine 100 X 20 front tires and 138 X 20 dual rear 2 speed axle (Eaton or Ruston) Woods dump body with hydraulic lift installed-overload or helper spring installed.  
The Board reserves the right to reject any or all offers or accept the bid they deem to be for the best interest of the County. Alternate bids must be submitted separately. Price guaranteed for 18 days. Immediate delivery. The successful bidder to accept in trade one Mack Jr. and one GMC Truck.  
O. P. Herndon, Clerk

**IN THE CIRCUIT COURT NINTH JUDICIAL CIRCUIT OF FLORIDA, DISTRICT OF SEMINOLE COUNTY IN CHANCERY**  
W.D. 628  
CITY OF SANFORD, a municipal corporation, Petitioner,  
vs.  
THE STATE OF FLORIDA, Defendant.  
**NOTICE**  
TO THE TAXPAYERS AND CITIZENS OF THE CITY OF SANFORD, IN SEMINOLE COUNTY, FLORIDA, AND ALL OTHERS IT MAY CONCERN:  
Please take notice that a petition has been filed in the Circuit Court of Florida, in and for Seminole County, for the purpose of obtaining a decree of said Court

validating and confirming City of Sanford, Florida, defending Bonds issue of 1941, to be dated March 1, 1941, in the sum of \$112,000.00, subdivided into three (3) series as follows, to-wit: Series D, \$112,000.00; Series E, \$112,000.00; and Series F, \$112,000.00, as fully described in said petition for validation and that the Honorable J. H. Smith, one of the Judges of said Court, has issued an order requiring that same be shown, if any there be, at the Court-house in Tallahassee, Florida, at ten o'clock A. M. on the 23rd day of May, A. D. 1941, why said bonds shall not be validated and confirmed, and you are hereby notified to show cause, if any you have, at the time and place specified in said order, why said bonds should not be validated and confirmed.

This notice shall be published in The Sanford Herald, a newspaper published in said City of Sanford, Florida, once each week for three (3) consecutive weeks prior to said hearing, the first publication thereof to be at least eighteen (18) days prior to the date of said hearing.  
WITNESS my hand and the official seal of said Court, at Sanford, Florida, this 23rd day of May, A. D. 1941.

O. P. HERNDON,  
Clerk of the Circuit Court Ninth Judicial Circuit in and for Seminole County, Florida.

**NOTICE OF INTENTION TO ADOPT INFANT CHILD**  
Notice is hereby given that the undersigned J. M. GRADICK and wife MYRTLE C. GRADICK of Sanford, Seminole County, Florida will on Friday, the 26th day of May, A. D. 1941, at 10 o'clock A. M. apply to the Judge of the Circuit Court in Chambers at Sanford, Seminole County, Florida, for authority to adopt an infant female child eight years of age named BEVERLY CAMERON, of said County, Florida, who is now in the custody of MYRTLE C. GRADICK, GARLAND W. SPENCER, Attorney for Petitioner.

# AMOCO

## does it again!

### The Company that gave America its FIRST special motor fuel is now FIRST AGAIN...with new, mightier HYDRO-FORMED AMOCO!

Over twenty-five years ago, the American Oil Company gave Amoco-Gas to the public. It was the first special motor fuel—making possible the high compression automobile motor.

At first people smiled—wondered why a special fuel was necessary. Then they tried Amoco-Gas, and discovered that they obtained performance and economy absolutely impossible for any ordinary gasoline to deliver.

#### Steadily Improved, Year by Year

As motors became more powerful, as compression increased, as operating temperatures moved up, Amoco-Gas kept pace, stepping up quality and efficiency with each motor improvement.

#### Amoco Does It Again!

For years chemists and engineers have striven to improve gasoline efficiency even more, by regulating its combustion in the cylinders. They knew that if a way could be found to cut down violent, explosive shock, much power-waste could be eliminated—transformed into useful energy.

#### Hydro-forming Solves The Problem!

Now the problem has been solved by the revolutionary new Hydro-forming Process of refining gasoline, pioneered by the American Oil Company, and used to make Hydro-formed Amoco-Gas.

Hydro-forming imparts new and even mightier qualities to Amoco. Most important of all, it permits combustion control—Flame Control!

#### Flame Control Gives Cushioned Power!

Hydro-formed Amoco-Gas burns in a different way. Flame Control reduces violent, explosive shock, cuts down waste, and produces more useful energy. Cushioned Power now replaces severe detonation—delivers a satin-soft, s-m-o-o-t-h surge of energy—a flow of driving power that follows the pistons through their entire course. Vibration is hushed—destructive pounding on bearings and moving parts is reduced.

#### Better Road Octane!

Official results of road tests by Industry Committees show that conventional gasolines, on the average, lose octanes on the road. Hydro-formed Amoco-Gas actually gains them—surpassing laboratory figures because its knock-arresting constituents become vaporized, distributed more evenly and impartially to all cylinders alike.

#### An All-time High in Quality!

Good as Amoco-Gas has always been, it is now mightier than ever—reaching an all-time high in quality and efficiency. Everything that makes for outstanding performance moves to new levels. Point for point, it is the finest motor fuel we have ever produced.

Test Hydro-formed Amoco-Gas yourself! Compare it feature for feature, with any other gas you have ever used. See how it outdates your old conception of quick starting, of getaway and pickup, of pulling power and mileage.

Never before have we made such a mighty motor fuel!

Always the best—now better than ever!

Governor Calls For Broad Revision In Florida's Tax Laws

Higher Auto Licenses And New Levy On Stocks In Stores Asked In Message

Finance Problem Is Said Critical

More Money Needed To Replace Loss, Holland Announces

TALLAHASSEE, May 14.—(AP)—Governor Holland proposed today that the Florida Legislature increase the cost of automobile license tags on 300,000 cars, levy a new tax on the stocks in retail stores and put "teeth" in tax collection laws in order to meet "the critical problem" of State finances.

In his second address to the Legislature, devoted exclusively to money matters, the Governor urged Senators and representatives to meet the situation by levying a new tax on stocks in retail stores and put "teeth" in tax collection laws in order to meet "the critical problem" of State finances.

Rescued At Sea

Pictured aboard a British warship this English mother and child were rescued from an open boat after spending 22 hours on the stormy Atlantic when the vessel was torpedoed by a German submarine.

Barnes Suggests Educating Child For Citizenship

Kiwians Hear Discussion Of Welfare Work For Children

Educating children to become better men and women is the way to redeem tomorrow, America, the Rev. Harold R. Barnes, superintendent of the Methodist Children's Home at Enterprise, told the Kiwanis Club at its weekly luncheon at the Valdes Hotel today, adding that an understanding of childhood is a requisite in dealing with them.

"Making laws to protect children and care for them is fine," Rev. Barnes declared, "but this is only part of the job."

Training in religion is essential to producing good citizens, the speaker declared, and "teaching the child how to live will help produce men and women of the kind we want to live in tomorrow's America," he said.

A. P. Connelly, first president of the Kiwanis Club, was a guest at the luncheon and was introduced by Jno. D. Jenkins, Sidney J. Nix, secretary, announced that the Centric Division Rally will be held Thursday in Clermont. Dr. L. T. Doss and County Judge R. W. Wray were honored on their birthdays.

The Rev. Barnes, who was introduced by the Rev. W. P. Buhman, pointed out that "it costs less to care for a child than it does for a criminal, though America and the world has not yet been awakened to this fact."

Several years ago a youth committed a murder in the Loop district of Chicago, Rev. Barnes said, and the trial cost Cook county \$100,000.

"You're right there in the Poop district was a minister who maintained a home for underprivileged children, and not once had any of his minister's charges been arrested for a crime," Rev. Barnes declared. "That \$20,000 would have gone a long way in the operating expenses of the institution."

The Methodist Children's Home, of which Rev. Barnes has been superintendent since Feb. 1, recently was asked to take in three children but was forced to turn down the children because it was crowded.

Soderblom Pictured In Legion's Paper

Carl A. Soderblom, former Sanford resident who is now in the United States Navy, is pictured in the current issue of the Florida Legionnaire in the column, "Sons of Legionnaires."

Under a picture of young Soderblom in his Navy uniform is the following sketch: Born April 6, 1917, at Fairfax, E. C. Graduated from Seminole High School and made good in two studies in business administration, also in music, guitar, violin and piano accordion. He is a charter member of Sons of American Legion Post No. 82, Sanford, Florida. Served in the U. S. Navy from 1937, for four years.

Hull Confers With Envoy From Russia

Showdown In Relation Between U. S. And Soviet Is Believed To Be Near

WASHINGTON, May 14.—(AP)—A showdown in the uncertain relations between the United States and Soviet Russia was believed imminent today as an afternoon conference was arranged for Secretary of State Hull and Soviet Ambassador Constantine Durnansky.

No details of the conversations were made public. They were held after cancellation of the third White House press conference in eight days to allow the President to recuperate completely from an intestinal ailment.

He met first with Brig. Gen. Thomas M. Robins, assistant chief of Army engineers, who has charge of all military engineering construction including that done on the newly-acquired bases in the Atlantic. Later, he presumably discussed with Rear Admiral King, commander-in-chief of the Atlantic fleet, conditions growing out of extension of patrol activities to safeguard shipments of war materials to Great Britain.

British Officials Question Hess, Escaped Nazi Leader

Oil Tanker Comes To Grief In Storm

Driven onto a mud bank by high winds, the 870-ton tanker, Paul Dana, is pictured listing heavily and dry in East Rockaway Strait.

British officials today questioned Rudolf Hess, escaped Nazi deputy fuhrer, as he talked and wrote "words which will make the German High Command sweat"—the first semi-official intimation that he may already have divulged vital German military secrets.

British military intelligence officers were reported questioning the Nazi closely. Simultaneously, the government-controlled BBC began a barrage of broadcasts daily to Germany on the Hess affair. The London Daily Mail said in preliminary conversations Hess "indicated his personal disgust with the Nazi party," and told of a mounting tension among Adolf Hitler's party chieftains. Hess indicated he planned to visit the Duke of Hamilton in Glasgow in an effort to bring about peace.

The Germans received an obliging warning against listening to foreign broadcasts on the strange case. Even as the British radio flooded the air-waves with Hess stories in Czech, Spanish, Norwegian, French, German and other languages, the official German news agency DNB published a list of seven recent cases in which persons were sentenced to four to six years terms for turning on radios of foreign broadcasts.

In the aerial war, Britain reported the second consecutive night of small-scale raids, but casualties were few. Rudolf Hess shortly will be faced by Prime Minister Churchill himself in a private interview affording him the chance to tell the story of his aerial runaway from Germany and to give up vital secrets that might conceivably affect the future course of the war.

Whether Hitler's long-time friend and turncoat deputy will describe the real inside story of Germany to the veteran journalist Churchill, was a matter of high speculation today. The highly placed Britons already were declaring that the battle would be a German's almost inevitable flight to Britain had given this country more military advantage "than a major victory on the battlefield."

The effect on German morale in the flight alone was worth that much, they said, and Churchill himself was quick to seize upon this point when he declared on learning of Hess' arrival: "The maggot is in the apple."

When and where the prime minister and the surrendered prisoner of war will meet was not disclosed, but the London Daily Mail said Hess already had moved from a Glasgow hotel to a place nearer London.

And already, it said, while Hess recovers from a broken ankle bone suffered in his parachute descent to a Scottish moor, British officials are talking to him.

Hess has described to these questioners real conditions in Germany and amid the Nazi hierarchy, the paper said, adding: "He spoke freely and frankly and it is said to have incited his personal disgust with the Nazi Party and its policy. The tension between party leaders appears to have reached a state of considerable acuteness in recent weeks."

The German High Command yesterday proclaimed extension (Continued on Page Two)

Plattsburg Woman To Head Baptists

BIRMINGHAM, May 14.—(AP)—Mrs. F. W. Armstrong of Plattsburg, Md., was re-elected president of the Women's Missionary Union today as that Auxiliary to the Southern Baptist Convention ended a three-day session.

Miss Kathleen Mallory, Birmingham, was re-elected executive secretary and Miss Juliette Mathe, Birmingham, was again chosen young people's secretary.

Fire Destroys Skating Rink In Old Armory

Loss Estimated At \$23,000 In Equipment And Building

Fire of an undetermined origin last night destroyed the skating rink, housed in the old armory building, causing a loss of about \$23,000 to all involved including the owner of the building, Mr. Edward Lane, the owners of the floor, heirs of a Mr. Patterson of Lakeland, who recently died, and the owner of the equipment, Mark B. Parr of Cincinnati.

Flames had spread through the whole building before the firemen were called and on their arrival the entire floor was ablaze and the roof beginning to catch.

Fire Chief Mack Cleveland said today: "Greatest individual loss was to the owner of the building, Mrs. Lane, who set a value of \$20,000 on it. She had insurance on the structure amounting to about one-fifth of the value, her husband carried. Several weeks ago she had gone to the City Hall to pay up the taxes."

The floor of the building had been installed for Mr. Patterson at a cost of about \$2,000, one of the heirs, W. C. Reed of Lakeland, estimated. No insurance was held on the expensive floor, made of hickory to give a hard surface.

Equipment in the building was valued at between \$700 and \$1,000, according to one report. Most of the loss was in the skates used by the patrons.

The call to the station came at 2:28 o'clock this morning. As soon as the firemen arrived they set up two hoses, as many as could be handled by the number of men on duty, Chief Cleveland said. The floor was a solid sheet of flame and the fire had started coming out of the windows at the ends of the building, catching the roof.

Several firemen had their faces and backs blistered by the heat from the fire while trying to get close enough to the building to save it. It was impossible to enter the building from any direction when the firemen arrived, the chief explained.

A bell boy at the Hotel Mayfair first discovered the fire and turned in the alarm. Cracking of the hardwood floors was heard all the way to Twentieth Street and French Avenue one bystander said.

It is the first serious fire Sanford has had in about a year and a half, Chief Cleveland stated. The last big fire was at the plant of the United Lumber Company.

Britain To Continue Restrictions On Japs

LONDON, May 14.—(AP)—Foreign Secretary Eden bluntly warned Japan today that British economic restrictions against her would not be eased unless Japan recognizes British rights in China.

He said instructions to this effect had been sent to the British ambassador at Tokyo.

Seminole Excluded From Dry Cleaning Measure By House

Measure Excludes Seminole County Dry Cleaners

Seminole County dry cleaners and those in Putnam and St. Johns counties would be excluded from the Florida dry cleaning law by a bill which has been passed by the House of Representatives.

The law, which was passed at the legislative session four years ago, would have been applied to all dry cleaning establishments in the state in an effort to eliminate price cutting.

Dry cleaners in Seminole County felt that the law was unfair to them, and kept a Dry Cleaning Co. explained and sought its repeal at the session two years ago.

Mr. Laney declared that the law was a burden upon the small establishments since they had to pay the same fee as the larger businesses.

Repeal of the law was voted down by the House two years ago, but Seminole County dry cleaners asked the current session of the Legislature to kill the law. The repealing bill was killed in committee, but later brought up in the House, where it failed to receive the necessary two-thirds majority for passage, Mr. Laney said.

Exclusion of the three counties which fall in the 20,000 population bracket, would be a big help to the dry cleaners, Mr. Laney believes.

French Government Okeys Nazi Terms

VICHY, France, May 14.—(AP)—The French government today unanimously approved the terms negotiated between Adolf Hitler and French Vice Premier Jean Darlan, presenting the United States with what diplomatic circles called an accomplished fact of European co-operation designed to halt American entry into the war.

There was still no official indication of what terms were involved, but diplomatic circles agreed generally the terms included not only economic but political collaboration between the French and their German conquerors.

\$5,043.75 Worth Of Defense Bonds Sold

Postmaster R. J. Holly said today that \$5,043.75 worth of defense bonds and \$44.40 in defense stamps had been sold at the Post Office since the issues went on sale May 1.

Three \$100 bonds and one \$200 have been sold, and the balance was in \$25 and \$50 denominations, Mr. Holly said.

"Several people are buying books of 25 cent defense stamps, and will turn them in for a bond when the amount reaches \$18.75," Mr. Holly stated. This bond will be worth \$25 in 10 years, the postmaster added.

Mystery Clouds Disposition Of DuBary Estate

32 Heirs Estimated With 13 Of Them Now In Germany

Mystery surrounds the disposition of the estate of Mrs. Benjamin Brewster, whose body was found in the wreckage of an airplane which crashed in the mountains of Pennsylvania Monday night.

According to the will of Adolph DuBary, who owned the property near Enterprise, and kept it for a winter home, Mrs. Brewster was to be the last sole owner of the estate and at her death it was to be divided among the members of the family.

There is a large number of heirs to the estate. One estimate is given as 32, with 13 of these residing in Germany, further complicating the disposition.

Superintendent of the division, James Padgett, today said he was not sure of that number, but he estimated a large number of heirs and many of them in Germany.

Mrs. Brewster and her husband were just in the process of a restoration of the property, Mr. Padgett said. They were stacking the woods with quail and had just filled their kennels with hunting dogs. Usually the owners spend only January and February on the estate but last year Mrs. Brewster came down several times during the year and was planning four trips this year.

The property consists of about 5,000 acres of land, originally planted as orange and pecan groves, Count Frederick DuBary bought the property in 1865 or '70, Mr. Padgett said, and started building the main hall of residence during the year and was planning four trips this year.

Besides the main building a number of smaller buildings are grouped around at a distance. There is a two-story frame house for the superintendent of the property and a barn and a wagon shed for farm implements and a huge hay barn that was converted into an airplane hanger six years ago. On the grounds are two runways for planes big enough to accommodate a three-place Waco, Mr. Padgett said. Other buildings are a laundry, a house for the colored help on the estate, several kennels for the bird dogs and fox dogs, and a private swimming pool.

ALEXANDRIA BOMBED

NEW YORK, May 14.—(AP)—The British radio, heard last night by CBS, asserted that it was officially announced in Cairo that "bombs were dropped on Alexandria this morning" but that neither damage nor casualties resulted.

LOCAL WEATHER

Fair tonight and Thursday; not much change in temperature.

# Social And Personal Activities

MRS. LAURINE BEAL, Society Editor

## Social Calendar

**WEDNESDAY**  
The Junior Auxiliary of the American Legion will present a special Mother's Day program at the Legion Hall at 1:30 P. M. All mothers of the auxiliary members are invited to attend.  
Sewing sessions will continue for the Red Cross at the Woman's Club from 9:30 A. M. until 11:30 A. M. with the American Legion Auxiliary sponsors.  
The Literature department of the Women's Club will have a meeting at the club home at 8:00 P. M. with the theme, "Contributions of the Far West to American Literature." Mrs. W. L. Cooper is the sponsor.

## THURSDAY

The Future Farmers Chapter of Seminole High School will sponsor a benefit bridge party at the Seminole High School Park Building at 8:00 P. M. Everyone arriving on time will receive 500 extra points for contest bridge.  
Sewing sessions will continue for the Red Cross at the Woman's Club from 2:30 P. M. until 5:30 P. M. with Mrs. J. St. Clair White, sponsor.  
Seminole Chapter Two, O. E. S., will hold its regular meeting at the Masonic Hall at 7:30 P. M. Prior to the regular meeting there will be a program honoring all members who are mothers.

## FRIDAY

The Azalea Circle will meet at the home of Mrs. L. E. Spencer at 10:30 A. M. From there they will motor to the home of Mrs. Otto Schmalz in Daytona Beach for luncheon. All members are urged to attend this meeting of the year.  
The 50-50 Bible Class of the Methodist Church will have its regular business and social meeting at the home of Mr. and Mrs. George Sims on South Sanford Avenue at 7:30 P. M. Central Circle of the Sanford Garden Club will have an all-day sewing session at the Woman's Club at 10:30 A. M. A covered dish luncheon will be served at noon and all members are urged to attend.

## MONDAY

Cecilian Music Club will have its regular meeting in the Fanfare Room at 8:00 P. M. Myrtle Avenue at 3:15 P. M.  
Sewing sessions will continue in the Woman's Club for the Red Cross from 9:30 A. M. until 11:30 A. M. with Mrs. Jack Hall as sponsor.

## TUESDAY

Sewing sessions will continue for the Red Cross at the Woman's Club from 2:30 P. M. until 5:30 P. M. with Mrs. J. H. Newby as sponsor.

## CHILDREN'S LITTLE THEATRE PRESENTS "HANEL AND GRETEL" and "PANDORA" SOUTH SIDE PRIMARY SCHOOL THURSDAY, MAY 16, 8:00 P. M. SPONSORED BY R. T. A.

Today and Thursday

Children's Little Theatre presents "Hanel and Gretel" and "Pandora" at the South Side Primary School on Thursday, May 16, at 8:00 P. M. Sponsored by R. T. A.

## Azarian Class Meets In Regular Session

Mrs. W. A. Cagle presided over the regular business meeting of the Azarian Class which was held in the annex of the First Baptist Church last evening. The opening prayer was offered by Mrs. A. J. Peterson and the devotionals conducted by Mrs. J. T. Hardy, who talked on the "Importance of choosing our vocation in life at an early age."

## Personal

Mrs. James Boyd of Leesburg is visiting her mother, Mrs. W. T. Wheeler, at her home on Oak Avenue.  
Friends of Mr. Leo Echols will be best to learn she is ill at her home on Palmetto Avenue.  
Mrs. W. L. Morgan has returned from Atlanta where she visited with her son, John, who is a student at Emory University.

## Little Theater Cast Named For 2 Plays

Mrs. Boyd Coleman, director of the Little Theater, this morning announced the cast of characters for the two plays which will be presented Thursday evening at 8:00 o'clock at the South Side Primary School auditorium, sponsored by the Parent-Teacher Association.  
The cast of characters for "Hanel and Gretel" include: Peter, a broommaker, John Fox Gertrude, his wife, Connie Smith Hanel, Jane Ford.  
The cast for "Pandora" includes: Pandora, Maxine Thomas Epimetheus, John Fox Hope, Martha English Demolition bombs range in weight from 50 to 1,000 pounds.

## New P. T. A. Head Is Installed At Meeting

Mrs. H. B. Cumley was installed as president of the Junior High School Parent-Teacher Association at a meeting which was held yesterday afternoon at the school. Following her installation she was presented with a P. T. A. pin.  
Other officers who were installed included Mrs. Beatrice Barnes, vice president; Mrs. E. E. Spencer, secretary; Mrs. H. B. McArthur, treasurer; Mrs. A. Lee, historian; Mrs. E. D. Kooz as the installing officer.  
The devotionals were conducted by Mrs. A. E. Shoemaker and piano selections were played by Miss Olive Chapman, who has been presented with a gold medal by David Rubinoff for being the best musical student in Seminole County. A xylphone selection was also given by Marjorie Jun and Rosemary Burdick, accompanied at the piano by their mother, Mrs. E. L. Burdick.

## Happy Birthday

Happy Birthday to Mrs. E. L. Radford on Wednesday with Mrs. Ellen Meierweather.

## Devotional Is Given At Meeting Of Circle

"Following in his footsteps" was the subject of the devotional which was given by Mrs. Myron Smith at the meeting of Circle One of the First Baptist Church on Monday afternoon at the home of Mrs. A. J. Peterson on West First Street. Mrs. George McCall was in-house with Mrs. Peterson.  
The Bible lesson was taught by Mrs. Fred Myers and Mrs. A. M. Gordiner, Mission Study chairman, gave a talk on "Young People."

## Mrs. Henley Elected D.A.R. Group Regent

Mrs. W. L. Henley was elected as regent of the D.A.R. Chapter of the First Baptist Church of Sanford. Mrs. Henley was elected at a meeting of the chapter held at the home of Mrs. J. E. Cull on Monday evening, May 11. Mrs. Henley is the daughter of Mr. and Mrs. J. E. Cull and is a member of the chapter since its organization in 1928.

## Mrs. Page Hostess To Church Circle

Mrs. J. E. Page was hostess Monday afternoon to members of Circle Two of the First Baptist Church at her home on Magnolia Avenue, and presided over the regular business meeting.  
Mrs. R. A. Williams conducted the devotionals and the general W. M. C. Stewardship Chairman, Mrs. A. K. Rosseter, gave a talk on Stewardship. The mite boxes were distributed by Mrs. M. C. Cumming for the special offering. Following the reports of the various officers, plans were made for the program meeting which will be held at the church next Monday afternoon.

## Former Sanfordite Is Made School Trustee

Wood has been re-elected that Mr. Herbert Russell former trustee of Sanford and a teacher in the primary schools has been elected to serve a three year term as school trustee in Hartwood, N. Y. in present home.  
Mr. Russell's daughter, Mr. and Mrs. H. E. Lehman served as president of the Parent-Teacher Association in the South Side Primary School in this city before moving with Mr. Russell and their children to New York.

## Revisions Needed In Homestead Act, Holland Declares

Continued from Page One  
defining homesteads "is designed to avoid continued abuses which have become prevalent in some counties where such buildings as apartment houses, hotels and business establishments are now enjoying homestead exemption privileges.  
This bill would limit exemptions on such properties to the value represented by that portion of the building occupied and used for homestead purposes. This step would do much to increase placement in the active and contributing tax rolls of a class of property which chooses not to be taxed by enjoying the exemption. It would also re-establish an important source of revenue in many of the counties where school terms have been shortened largely because of such abuses.

## White Elephant Sale To Be Held By Class

The Daughters of Wesley Class of the Methodist Church will have a White Elephant sale on Monday afternoon at the home of Mrs. J. E. Cull on West First Street. The sale will be held from 2:30 P. M. until 5:30 P. M. and will feature a variety of household goods, furniture and other items. The proceeds from the sale will be used for the purchase of a new piano for the church.

## Mrs. Henley Elected D.A.R. Group Regent

Mrs. W. L. Henley was elected as regent of the D.A.R. Chapter of the First Baptist Church of Sanford. Mrs. Henley was elected at a meeting of the chapter held at the home of Mrs. J. E. Cull on Monday evening, May 11. Mrs. Henley is the daughter of Mr. and Mrs. J. E. Cull and is a member of the chapter since its organization in 1928.

# Kettles Hurls 6 - Hit, No-Run Game Against Stymied Angler Bats

### Sanford Pitcher Allows Only One Man To Third Base And Three To Second

### LaValley Makes 12 More Putouts

### Williams, Kettles Make Hits Count To Drive In Runs

"Good" Kettles limited Leesburg to six hits last night in a snappy game on two tallies. Only one angler got beyond second base and he was thrown out in an attempt to come home on an infield groundball.

It was Sanford's ball game all the way as only three men were even able to reach second base during the nine innings. Fielding of the Seminoles was airtight and again Ernie LaValley rang up an impressive number of putouts, total of 12 for the game and one assist.

Sanford was held to 9 hits in the game but the batters made the hits count. In the fourth inning after both teams had been held scoreless, Jim Booth opened up with a single to right field. Williams stepped into a hard ball and drove it to left field for a double, bringing in Booth. The next three men up went out leaving Williams on third base.

# Padgett Signed For Tryout With Pitching Staff

### Former G-Man Holds League Record For Wins, Earned Runs

Elbert Padgett, holder of the record for the most games won and pitcher with the fewest earned runs against him in the Florida State League, was signed by the Sanford Seminoles last night for a tryout, taking the place of Jim Mobley, released yesterday.

Padgett played for the Gainesville G-Men in 1927 and '28 and during that time he faced Sanford 14 times without a single defeat. While in the league he accomplished the same feat against Palatka.

During the 1927 season Padgett set a record of 22 wins and only six losses that has not been equaled since. In the same year he held his opponents to an average of 1.48 earned runs for 43 games, another unequalled record.

Pittsburg picked up Padgett's contract from Gainesville and he went to Knoxville for a short while. Moving south and west he played for Jackson, Miss., and Gadsden, Ala. during the '30 season.

Last year while playing for Meridian, Miss. he stepped in a hole fielding a bunt in a practice game and broke his leg. It was in the start of the season and he was out of baseball for the remainder of the year.

At the start of this season Padgett came back with the G-men again. He tried his arm for the first time this year against St. Augustine last week.

While talking baseball in the lobby of the Valdez Hotel, Padgett was asked whether he was going to try for any more league records. He answered: "Records are all right but what I want to do is to win some ball games for Sanford this season."

# Baseball Wizard Signed For Game Against Orlando

### Sanford's new baseball coach has been signed by the association but at the present time he is being kept under wraps.

That he may be scouted by other teams in the league before he can open with his ideas.

Plans for the present are to place him in the coaching box in the game against Orlando tomorrow night. Some rivalry exists between the Sanford mastermind and John Gansel, brain of the Orlando outfit, as the local group is taking no chances.

The new wizard has been practicing throwing his voice to second base, over the heads of all of the players, to instruct runners on a steal to third. In fact he throws his voice all around the ball park to confuse opposing players.

Another scheme used by the mastermind is the use of bird calls for signals to the pitcher from the catcher. All infielders whistle and the call of the catcher to his mate cannot be detected by the batter or bench coaches.

Years ago the new Sanford coach evolved the idea of aiding outfielders to catch high fly balls by calling over their heads—his plan was simple—he furnished them bicycles.

Fans are asked to maintain a deathly hush while the mastermind is at work. So deep is his concentration and so vague is his plans that he must not be disturbed.

# Kissimmee Livestock Mart Opens Thursday

KISSIMMEE, May 14.—(Special)—The Kissimmee Valley's biggest annual cattle roundup was in full swing yesterday, in preparation for the opening Thursday of the Kissimmee livestock market.

Officials said they expected offerings of 1000 cattle, a carload of hogs and possibly two carloads of saddle horses.

During the 1937 season Padgett set a record of 22 wins and only six losses that has not been equaled since. In the same year he held his opponents to an average of 1.48 earned runs for 43 games, another unequalled record.

Pittsburg picked up Padgett's contract from Gainesville and he went to Knoxville for a short while. Moving south and west he played for Jackson, Miss., and Gadsden, Ala. during the '30 season.

Last year while playing for Meridian, Miss. he stepped in a hole fielding a bunt in a practice game and broke his leg. It was in the start of the season and he was out of baseball for the remainder of the year.

## Threatened Strike At General Motors Plant Is Postponed

Walkout At 60 Factories In 26 Cities Delayed 24 Hours, Labor Board Says

### Munitions Plant Dispute Settled

Knudsen, OPM Chief, Declares That Situation Is Serious

A 24-hour postponement in the threatened strike against the General Motors Corporation was announced today by the National Defense Mediation Board only a few hours before a walkout was scheduled to begin at 60 factories in 26 cities.

This development, in a situation which OPM Chief William Knudsen had termed "damning" was made public shortly after the settlement of a strike at Colt's Patent Firearms Manufacturing Company at Hartford, Conn., important munitions plant.

The General Motors strike affecting 10,000 men is scheduled to begin at 7:00 a. m. Thursday. While representatives of the company, union and the defense mediation board went into their eleventh day of negotiations, yesterday, a chartered plane waited at a Washington airport to carry union officials to Detroit in case the negotiations collapsed.

The dispute centers around a union demand for general wage increases of 10 cents an hour and a closed shop. The company estimates the average hourly pay in car and body shops at \$1.10.

General Motors paid \$200,000 in settlement of the strike. The company insists, however, that defense and non-defense work cannot be separated. An agreement was reached, however, that defense work should be done in a separate plant. The company insists, however, that defense and non-defense work cannot be separated. An agreement was reached, however, that defense work should be done in a separate plant.

A settlement was reached ending a Boston strike which had held up a \$30,000,000 naval dry dock construction project. Ernest Johnson, secretary treasurer of the A. F. of M. building union, said in Boston that differences had been "ironed out successfully."

## 90 Million Worth Of Farm Products Shipped To Britain

WASHINGTON, May 15.—(AP)—Farm supplies worth \$9 million already have been sent to Britain, Carl Robert, president of the American Overseas Credits Corporation, said today. He made the statement during a House Banking Committee discussion of the program to purchase farm supplies for the British government through government agencies paying the price of cotton, wheat and corn.

The legislation, covering government purchase of farm supplies, now goes to President Roosevelt and some congressional leaders speculated on a possible veto.

It is expected that the price of farm supplies will increase as a result of the new program. The program is expected to increase the price of farm supplies by 10 to 15 percent. The program is expected to increase the price of farm supplies by 10 to 15 percent.

### Speaks May 25

Brig. Gen. Joseph C. Hutchison of Sanford will deliver the memorial address in honor of all war dead at the annual service May 25 at the First Baptist Church.

## Hutchison Will Talk May 25 At Memorial Event

### Legion Post And War Veterans Sponsor Service At Church

In order to permit veterans to attend their own churches in the morning, the memorial service of the United States War Veterans and Campbell-Losing Post of the American Legion.

W. E. Jameson is commander of the Theodore Roosevelt Camp No. 13 of the American Legion. He will be in charge of the service.

## Badminton Awards Displayed At Speers

Trophies and awards for the badminton championships, to start tomorrow afternoon at the high school gym, are displayed in the window of Speers and Sons, Miss Eleanor Morrison said today.

## Music Scholarship Audition Scheduled

Miss Margaret Davis of Sanford has been appointed chairman for Seminole County in the 1941 National University School of Music scholarship awards. It was announced today by Dr. W. E. Duckwitz, director of the School of Music and administrator of the awards.

## Retailers And Chain Stores Agree On Tax

### House Votes To Kill Sales Levy, 47-15; Appropriation Bill Studied By Senate

TALLAHASSEE, May 15.—(AP)—Independent merchants and chain store operators, whose differences about tax legislation have produced spectacular debates in the Florida Legislature for many years, finally have agreed upon a tax law applying to both classes.

In return for repeal of the one-half percent gross receipts tax, retailers have endorsed Governor Sponard L. Holland's recommendation for a stock inventory tax of \$10 on each \$1,000, with the first \$1,000 of stock exempted.

Rep. H. E. Quisenberry of Miami, legislative spokesman for the independent merchants, reported the agreement today. He predicted the Legislature will pass the tax law.

A sales tax was swept out of the picture when the House voted 47 to 15 to sustain the finance and taxation committee's unfavorable report on a 2 percent general levy proposed by Rep. Commander of Holmes.

The Senate began the study of a \$11,500,000 appropriations bill which provided increases totaling \$1,200,000 for the general operating cost of the State government.

After two days of almost continuous debate, the Senate yesterday killed 93 to 12 a bill to set up under the State Supreme Court a new system of regulating, suspending and disbaring Florida attorneys.

To make certain that it would not come up again, opponents immediately reconsidered their vote and killed it again, thus shutting off the bill's sponsors who had hoped to have the bill reconsidered at a later date but who are prevented by the rules from bringing it up again.

The bill, which passed the House easily, was designed to require that every lawyer be a member of the Florida State Bar and that he pay an annual fee up to \$5, thus raising funds to be spent under direction of the Supreme Court in policing the members of the bar.

The real fight came on an amendment by Senator Beall, Pensacola, to remove from the bill all provision that a fee be charged. It was successful, 22 to 18, in this fight and then led in keeping the Senate in session until the final death blow had been dealt.

Senator Whitaker, Tampa, said the bill would have been a bad one for Florida, its provisions could be so strictly applied, and would have kept from the Florida Supreme Court the late Fred H. Davis, who asked judge who ever presided over any court.

Answering an assertion that the State Bar Association had Mr. Shames also planning to attend, Senator Dye, Bradenton, read a letter from Ed E. Bentley, of Lakeland, executive secretary of the association, saying he had accepted temporary employment by the bar to help with the bill.

Trophies and awards for the badminton championships, to start tomorrow afternoon at the high school gym, are displayed in the window of Speers and Sons, Miss Eleanor Morrison said today.

# Statement On Hess Is Delayed

GIRLS FIND LION T RIPLETS PLAYFUL

For lively playmates, these two Seminole High School students suggest lion cubs, who are contentedly reclining to pose for their picture. On the left is Miss Mary Martha Emerick, daughter of Mr. and Mrs. Joe Emerick, and right is Miss Muriel Knox, daughter of Mrs. A. W. Knox and the late Dr. Knox. The cubs, born Apr. 17, are easy to handle now but are fast outgrowing the "playful" stage. The cub in the center grows fiercely for the benefit of the cameraman.

## Sanford Kiwanis Members Will Go To Atlanta Meet

### Tour Of Florida Is Planned Following Convention In June

Four Sanford Kiwanians and possibly others are planning to attend the international convention in Atlanta, Ga., which will open on Sunday, June 15 and continue through June 19, Frank Shames, chairman of the convention committee here, said today.

Delegates from Sanford to the convention are O. P. Herndon, president, and George D. Workman, while E. C. Harper and Mr. Shames are also planning to attend.

Members of Kiwanis clubs in the Central Division will form a motorcade to go to Atlanta in a body, Mr. Shames said. Karl Lehmann of Tavares, lieutenant of the club, is also planning to attend.

Information Booth Remains At Top Of Jaycee Projects For Next Year

By HAROLD POWERS  
In reply to our question, "What is the Jaycee program for the fiscal year?" Richard Deas, newly-elected president, said "the information booth; definitely."

Realizing the incompleteness of his reply, Mr. Deas hurriedly added that the usual work carried on by standing committees, of which there are 18, would be continued. Usually several new projects were considered during the year, but no new projects had been decided upon at present.

Asked if results during the 20 weeks period of operation last season justify the projected interest, the Jaycee president quoted the following figures: More than \$4,000 in revenue directly attributable to the booth was directed to health, social, educational, restaurant, apartment owners and merchants at a net cost to the Sanford Jaycee of less than 1 percent of that amount. This record is very good because it was the reason for the intense interest in furthering the project.

## Lion Cubs Are Sanford's Most Popular Models For Pictures

### Howling Dogs Warn Doudney Of Garage Fire

Howling of his dogs awakened S. P. Doudney, who lives on Melrose Avenue outside the city, last night to find his garage on fire. Giving him time to save the two cars in the building, he said this morning was a large building used as a barn at one time but remodeled as a three-car garage and workshop. The fire started in one corner and spread so rapidly the cars were not in time to save.

As soon as the fire was discovered the fire department was notified and a truck arrived shortly, but the firemen were unable to put out the blaze as there were no fire hydrants available. Fire Chief Mack Cleveland said. Besides the car, the garage contained a number of tools, band saws, fishing tackle, driver model airplanes and some stored furniture. All were lost in the fire and the cars were barely gotten out in time, Mr. Doudney stated.

The structure had a replacement value of about \$1,500, Mr. Doudney declared, as it had been remodelled at considerable expense. Downstairs space was provided for three cars and off to the side was a workshop. Upstairs there were several rooms used as storage space and play room for the children.

## City News Briefs

The Brotherhood of the First Baptist Church will meet for supper tonight at 7:00 P. M.

The class in "Advanced Salesmanship" will be held at the Recreation Building on the lakefront tonight at 8:00 o'clock.

## Woodmen Return From Pensacola; Collins Honored

### 16 Members Of Sanford Camp Attend Two-Day Meeting

Sixteen members of the Sanford camp of the Woodmen of the World returned last night from a two-day session in Pensacola at which C. C. Collins was elected chairman and auditor and his son, J. L. Collins, was appointed a member of the uniform rank committee.

Invitations from Mayor W. C. Hill and Edward Higgins, secretary of the Seminole County Chamber of Commerce, were extended to the Sanford representatives by the organization to hold its first meeting in Sanford.

Though no definite action was taken at the convention, it was concluded by most delegates that the institution would be accepted. Those who attended from here were: C. C. Collins, past head camp; H. Rood, chairman of the law committee; C. L. Collins, member of the uniform rank committee; W. P. Fields and A. L. Thous, delegates; other members represented in the degree teams were B. F. Swagerty, Bernard Collins, Randall Collins, Ben Crawford, C. K. Houghton, L. A. Brown, Jr., David Green, T. F. Smith, K. N. Allan, Eugene St. John and H. L. Worthen.

Others who attended from Sanford were Mrs. C. C. Collins, juvenile director; Mrs. C. B. Rudd, secretary of the juvenile lodge; and L. P. Thomas.

Officers elected to serve for the next two years were: R. W. Ervin of Tallahassee, head consul; A. C. Beers, St. Petersburg, head adviser; K. D. (Continued on Page Two)

## Salvation Army's Building Bombed

German bombs have totally destroyed the international headquarters of the Salvation Army in London, England, Captain R. E. Rose, head of the Sanford branch, was advised today by Brig. C. J. Hickey, divisional commander of the South Atlantic Division with headquarters in Jacksonville.

The British territory headquarters were in the same building, Captain Rose said.

Captain Rose added that though the Salvation Army headquarters had been destroyed, the welfare work of the service organization is still being carried on.

## Prime Minister Will Speak At First Opportunity, House Of Commons Hears

### German Planes Land In Syria

### Nazi Aircraft Speeding To Help Iraq, British Announce

LONDON, May 15.—(AP)—Britain lost a total of 54,200 men in the campaigns in France and Norway last year the House of Commons was told today by Richard K. Law, financial secretary of the war office. Forty thousand were taken prisoner and the rest presumably were casualties.

A violent two-day assault on the Isle of Crete, seat of King George's second Greek government, was reported today as Britons learned that Churchill had decided to postpone the statement he had planned to make today on Hess' flight from Germany.

Authoritative quarters in London spiced the Hess riddle by declining to confirm unofficial but news-passed reports that Hess, in defiance of Hitler's orders, flew to Britain as a self-constituted apostle of peace.

Churchill told the House of Commons he would report at the first opportunity on the Hess incident but that he would be guided in the selection of that opportunity by the public interest.

Labor Minister Ernest Bevin said he believed Hess flew to Scotland with the full knowledge of Hitler but doubted that Hess came "out of mad sympathy for the British people."

The British announced that German planes had landed in Syria, while other reports said units of the Luftwaffe were enroute to aid Iraq. A German U-boat was credited with sinking a British auxiliary cruiser in the battle of the Atlantic.

Rudolf Hess broke away from Germany as a hopeful dove of peace, it became known today with the British disclosure that his unauthorized flight from Germany was aimed at a rendezvous in Scotland with his old English sports acquaintance, the Duke of Hamilton.

## Mrs. Mary E. Harper, 93, Dies At Her Home

Mrs. Mary Elizabeth Harper, 93, resident of Sanford for the past 14 years, died this morning at 7:25 o'clock at her home, 102 1/2 South Palmetto Avenue, after an illness of seven months.

She was born at Titusville on May 17, 1911. Funeral services will be held Sunday afternoon at 3:00 o'clock at the Erickson Funeral Home with the Rev. J. B. Root and Captain R. B. Rose officiating.

Survivors include her husband, W. H. Harper; three children, Juanita Harper, Raymond Arber Harper and Myrtle Myrtle Harper; all of Sanford; her father and mother, Mr. and Mrs. George L. Napp of Kissimmee; seven sisters, Mrs. W. H. Leroux, Ponce Park; Mrs. N. B. Moe, Daytona Beach; Mrs. Alice Graycraft, of Daytona Beach; Mrs. D. W. Carter, Lakeland; Mrs. R. S. Hamilton, Miami; Mrs. R. I. Feigan, of Miami; and Mrs. J. E. Stone of Tampa, and a brother, George H. Napp, Paris Island, S. C.

## Lane Is Speaker At Rally Of Kiwanians

Edward F. Lane, past president of the Sanford Kiwanis Club, was one of the speakers today at the Central Florida Division Rally of Kiwanis clubs held at Clermont. The rally opened at 4:00 o'clock at the Hancock Memorial Building.

Lieut. Gov. Karl Lehmann of Tavares presided over the rally. Other speakers included: Jerry Egan, president of the Clermont club; J. Edwin Baber of Umattilla; immediate past district governor; A. F. Crosby, Kissimmee; Herb Barnum, Winter Park; Melvin Boyer, Winter; John Conn, Deland.

Warren Roberts, Orlando; E. C. Huey, Leesburg; D. L. Smith, Leesburg; Dr. W. F. Bryson, Umattilla; Dr. H. H. Hurlbert, Mount Dora; Hanes Leavengood, Ocala; Lieut. Gov. Paul Raymond, Deland; Lieut. Gov. Lynn Moore, Lakeland.
