

# Handicapped Oviedo Quintet Defeats Boone JVs, 38-35

### Limping Duda Paces Lion Attack With 13 Points; McCall, Wheaton Both Ill

By KENT CHITLAIN  
 ORLANDO (Special)—Oviedo's injury and illness riddled varsity cagers staged a brilliant 15-point comeback in the final period to topple the highly-touted Boone High School junior varsity quintet, 38-35, here last night.

The thrilling cage struggle was climaxed in the final minutes when Oviedo's giant 6-foot-4 Junior forward Harvey Joe Blayton fouled out only to give way to Bobby Shafer, who made a crucial free throw putting the Lions ahead.

Big Walter Duda, returning to the lineup after nearly a month's rest caused by an ankle injury, led the Lion triumph with a big 13-point splurge.

Johnny Jones, Oviedo's highly regarded sophomore forward and leading scorer, was second high for the Lions with 10 points despite a badly scalped arm, which had to be bandaged, impairing the left one-handed shooting hand.

Playing without the services of two other stars, Freddie Wheaton and Warren "Mac" McCall, ex-Seminole High School star last year, the Lions opened the game slowly, falling three points behind at the end of the initial period and nine points in the rest at the half-time interval.

Sparked by the rebounding of Blayton and Duda, Oviedo scored 11 markers in the third stanza while holding the high scoring Boone JVs to seven to narrow the Orlando lead to a 28-23 margin.

Despite the burned arm, Jones began hitting with Duda and Billy Mack before Shafer put the Lions ahead with his timely free throw.

McCracken paced the Boone scorers with 15 tallies, high for both teams.

Norman Faye, flashy senior guard for the Lions, played with a heavy cold and was limited to one point.

	FG	FT	Pct.
Oviedo	10	11	70.0
Boone JV	10	11	70.0
Duda	6	7	85.7
Blayton	4	7	57.1

### Local Photo Squad Takes 4-2 Record Into SHS Contest Against Chevron

The VJ-62 Photographic Squadron of the Sanford Naval Auxiliary Air Station will play the highly-touted Chevron quintet of the Boone High School in Key West at the Seminole High School gymnasium tomorrow night in a free-will benefit game for the March of Dimes point drive at 7:30 p.m.

The VJ-62 team is currently leading the Orlando commercial cage loop with a scintillating 4-2 record. The photographers play under this evening in Orlando.

The high flying Chevrons of Key West will bring to the SHS encounter an impressive first place record in the service from the South Florida. The Chevrons' leadership is particularly outstanding since it leads the league made of over 30 teams.

VJ-62 has swept through the Orlando league undefeated by scoring triumphs over Bonanza, 67-57; Sanford NAAS, 61-29; and the Winter Park Aces, 41-32. The latter victory was scored only last Monday evening.

The two lone defeats for the local photographers have been at the hands of collegial quintets. The mighty Johnson JV heavily nosed out VJ-62 24-17 in the final minutes of the clash in DeLand last month.

Playing their first game in the SHS gym, VJ-62 almost upset the strong Tallies variety, 69-67. Only a one-handed switcher on the part of Connie Mark Butler in the final 10 seconds saved the Tars from a tie and possible loss.

This thrilling game is the only contest VJ-62 has played in Sanford.

There will be no admission charge to tomorrow evening's game but a free will offering will be taken by the workers of the Seminole County chapter of the National Foundation for Infantile Paralysis.

All money collected will go to the County's March of Dimes drive, to reach 14. Hayes Woods of VJ-62 has extended a cordial welcome to all local fans for this clash.

The other co-coach, Enn. James Olson, predicted a good game for tomorrow night. "Our boys are in good shape and we know this court," he commented. "Chevron has a good team from all the resorts we have, and it really should be an interesting game, just as our clash with Rollins was."

### Charlie Shaw Paces Lyman High Quintet With 28 Total Points

LONGWOOD (Special)—Lyman High School's basketball championship aspirations in the Central Florida Conference depend on the scoring ability of Charlie Shaw and Bobby Driskill.

Official scoring averages for two of the first three Greyhound drills show Shaw is setting a torrid 11-point game average, second best in Seminole County, with 28 markers in two contests to pace Coach Jim Payne's Lyman cagers.

While having played only one game, Bobby Driskill is the Greyhound's second best performer on the basis of average points per game with 12 points for his lone encounter. Actually, Jimmy Newman is the second high scorer on the Longwood quintet with 15 points, but this total was amassed in the course of two games with St. James.

The Sanford Herald's compilation of Lyman cage records does not include the first game with Apopka which the Greyhounds lost, 45-28.

Payne's Hounds bounced back after the defeat to Apopka to drub St. James of Orlando by a decisive 42-32 margin. However, after the holidays, St. James took revenge by narrowly edging

Warren "Mac" McCall, former star Seminole High School forward now playing with Oviedo, was fouled last night because of a bad cold. McCall, who played regular forward for last year's SHS cage team, moved to Oviedo this summer and has been working into Lion coach Paul Miller's plans.

### Edgewater Swamps Seabreeze, 78-48; Joyner Scores 29

ORLANDO (Special)—The once mighty Seabreeze High School quintet of Daytona Beach fell for the second straight time to the Edgewater Eagles, 78-48, here last night.

Don Joyner, star Eagle forward who was held to only 13 points by the Seminole last month, went on a scoring spurge spearheading Edgewater with 29 points. Pete Hurt, meantime contributed 20 more markers to combine with Joyner to score 49 points for the victors, or one more than the entire Sand Crab output of 48 tallies.

Hurt was stymied by the Celery Feds last month for only nine points. Bob Richards was the high point man for Seabreeze with 19. The 500 fans were literally amazed with the red-hot Joyner, who established the credit for 13 points in the final stanza.

It's part of a campaign to make a "clean sweep" at Augusta, following the disastrous 1952 season when the cellar-dwelling club won only 38 games and lost 110 to set a new league record for 66th place.

The Augusta club was known as the Tourists when the South Atlantic league was organized and later changed to Tigers in honor of Ty Cobb, who started his professional baseball career as a member of that team. The more orthodox spelling has been used since 1936.

### Augusta Club Will Hold Name Contest

AUGUSTA, Ga. (S)—Here's a chance to help name a baseball team.

President Jack Cannon of Augusta said yesterday the Sall League club here will no longer be called the "Tigers," and that a fan contest, to end Jan. 15, would help select a new moniker.

It's part of a campaign to make a "clean sweep" at Augusta, following the disastrous 1952 season when the cellar-dwelling club won only 38 games and lost 110 to set a new league record for 66th place.

The Augusta club was known as the Tourists when the South Atlantic league was organized and later changed to Tigers in honor of Ty Cobb, who started his professional baseball career as a member of that team. The more orthodox spelling has been used since 1936.

### Mulloy To Play In Dixie Tennis Meet

TAMPA (Special)—Gardner Mulloy, the No. 1 U. S. tennis player, makes his first appearance in the 26th annual Dixie Tournament today but spectators won't see too much. His opponent, Nelson Mason, a fair Tampa natter, isn't expected to force the Miami veteran to open up at all.

All other seeded players have been in action in the first two days of the meet without being extended.

Tuesday results included: Hal Burrows, Charlotte, Va. topped Jerry Bryant, St. Petersburg, 6-1, 6-2.

Bill Davis, Knoxville, Tenn., defeated Wayne Van Voorbees, Palm Beach, 6-1, 6-1.

Dan Sullivan, St. Petersburg won from Him Berry, Bradenton, 6-4, 6-2.

Only seeded women who played Tuesday were Thelma Long, Australia, and Laura Lou Kinnen, Clearwater.

### DeLand Cagers Fall To Mainland, 64-31

DELAND (Special)—The classy Mainland Mainlanders, who defeated Seminole High School last month by a 57-21 margin, came here last night and administered a brutal 64-31 shellacking to the hometown DeLand Bulldogs.

Bill Brown and Bob Davis were the individual scoring guns for the winners scoring 16 and 14 points, respectively. Bob Taylor and Joe Hill paced the feeble DeLand attack, with just eight markers apiece.

## new '53 Plymouth

Have you tried the first truly balanced car in the low-priced field?

- Balanced Vision** With 16% more glass area, you get all-around, close-in vision. New one piece windshield is more uniformly curved so you get an undistorted view of the road. Constant-action electric windshield wipers.
- Balanced Ride** New truly balanced suspension controls roll, pitch, and bounce... thus levels the road three ways... and gives you the softest, steadiest, most restful ride you've ever experienced!
- Balanced Styling** Here's a new way of balancing smart exterior styling with more space inside! The new '53 Plymouth is sleeker, yet offers more head room. In sedans there's 8 inches more leg room for rear seat passengers.
- Balanced Braking** Where other low-priced cars have but one hydraulic cylinder in each front brake, Plymouth has two—to give you balanced control, the exact amount of stopping power you want and expect.

All-around balance is only part of the '53 Plymouth story. You'll want to see the smart, gleaming new colors and color harmonies—the luxurious new interiors—the rich, refined appointments—that make this the most beautiful low-priced car you've ever seen. Your Plymouth dealer is eager to arrange your demonstration drive now.

PLYMOUTH Division of CHRYSLER CORPORATION, Detroit 21, Michigan

- Balanced Power** The stopped-up 100-horsepower Plymouth engine—with new, higher compression ratio of 7.5 to 1—results in bottom-end cushions of five rubber... to give you smooth, quiet operation and long car life.
- Balanced Steering** Plymouth's shock-proof steering is better than ever because of the new suspension system and true balance of the car. You drive relaxed with your car under perfect control.
- Balanced Budget, Too** Your pocketbook benefits from the greater quality engineered into the Plymouth. You get longer, trouble-free service, day-after-day dependability with lower maintenance cost.

There's more quality in it—you get more value out of it

## Tornadoes In Dixie Damage Many Houses

### Alabama, Arkansas Visited By Wind As Freezing Rain Ties Up Midwest Traffic

By The Associated Press  
Small tornadoes dipped into Alabama and Arkansas today, damaging more than a score of homes. Only two persons were reported killed in the first twisters of the season.

Two tornadoes hit in Alabama. One dipped into the outskirts of Talladega and another in Dallas County about 10 miles southeast of Talladega. The first struck in a small Dallas community about 12 miles north of Selma around 6:30 a. m. and cut a block wide swath.

The Talladega storm struck about an hour later, sweeping through a Negro section on the south side of unincorporated houses and damaged about 20 in all.

Four houses were blown down and two persons hurt about 2 a. m. when a tornado struck the community of Macedonia, 12 miles north of Warren, Ark., in the south central part of the state. Names of the victims were not available immediately.

Freezing rain formed a treacherous sheet of ice over a wide section of the Midwest and East, straggling planes being up to traffic and snapping power lines.

Plane traffic at Chicago's Midway airport and at some other Midwest airports came to a virtual standstill. Officials said planes were unable to apply brakes on the mirror-like runways.

Since midnight the freezing rain area spread westward from southwest Missouri to parts of South Dakota, Iowa, Minnesota, Wisconsin, Illinois, Indiana, southern Michigan, Ohio and the mountains in Pennsylvania.

Snow and freezing rain also created hazardous driving conditions in parts of the Northeast. The speed limit on the New Jersey turnpike was reduced from 55 to 40 miles per hour.

## 1,364 Automobile License Tags Have Already Been Sold

A total of 1,364 automobile license tags had been sold last evening since they went on sale Monday in the county. County Tax Collector reported today, 601 more than the number sold during the same period last year.

Regular, unlettered plates had a parade in sales with a total of 717, 269 more than were sold at the same time in 1952.

"A" license plates were next with a total of 213, 82 more than last year, while other license sales for both years were as follows: "D," 30 this year, 18 in 1952; "WV," 1 this year, 2 in 1952; "G," 13, 8; "H," 7, 3; "CW," 2, "G," 1, 1; "GI," 68, 33; "OK," 84, 60; "GL," 98, 20; "HF," 2, 0; "V," 44, 20; "H," 7, 5; "B," 5, 0; "L," 8, 3; "IT," 10, 13; "O," 3, 0; "P," 5, 0; "A," 8, 1; "M," 15, 7; "P," 19, 2; and "Q," 5, 2.

Mr. Galloway emphasized again that tags are being sold in sequence unless previous reservations were made.

"Owners of automobiles are urged to get their tags now," he pointed out, "while it is comparatively quiet, and not wait until the last few days before the deadline when they will have to wait in lines."

The deadline for purchasing tags is Feb. 20.

"Out-of-state motorists should produce title certificates or registration cards in getting tags," he explained, "and people who have Florida tags from other counties need only to present their registration cards. Those who have Seminole County license tags need only to give their present license numbers in securing new tags."

## Hutchison Named Small Claims Judge

Attorney William Hutchison Jr. yesterday received notification by mail from the office of the Florida secretary of state, R. A. Gray, that he had been appointed as judge of the Small Claims Court, which office had been vacated through the resignation of D. K. Wrentham.

Following the return to the secretary of the oath of office, which was enclosed with the notification, Mr. Hutchison will receive his commission.

He plans to conduct the court in room 210 of the Meisch Building.

## Moonshine Goes Down Sewer

Twenty-five gallons of confiscated illegal liquor (moonshine) recently was disposed of by the Sheriff's office down a sewer in front of the County Jail. The entire batch was taken in a palmetto thicket on County Club Road and the distributor was arrested on the spot after he had placed one of the jugs in his car. Watching the operation left to right are Constable J. Q. Child, Railway Assistant State's Attorney Hubert Griggs, Sheriff J. L. Holt, and Enforcer P. A. Metz.

## Fred W. Bender, Prominent Real Estate Man, Dies

### Illness Is Fatal To Former Secretary Of County C Of C

Fred W. Bender, resident of Seminole County for about 20 years, died at 10:50 p.m. yesterday at his home in Indian Mound Village, following a lingering illness.

He had been in the real estate business since 1946 and previously had been engaged for 10 years in the boot growing business. At one time, he served without compensation as secretary of the Seminole County Chamber of Commerce. He had lived in Indian Mound Village nine years and was a member of the First Presbyterian Church of Sanford.

Born in Marshall, Mich., Nov. 23, 1878, he moved to Bloomingdale, N. Y., where he was a 32nd degree Mason and had the honor of being speaker of his class at the Consistory there.

Funeral services will be conducted at 11:00 o'clock tomorrow morning at the Henson Funeral Home with the Rev. A. G. McInnis, pastor of the First Presbyterian Church, officiating. Burial will be at a later date.

Survivors include his widow, a daughter, Mrs. A. K. Powers of Columbus, Ga.; a son, Fred W. Bender Jr. of Gainesville; two grandchildren, Nancy Anne and Alex Powers Jr. of Columbus, and a sister, Mrs. C. M. Parks of Battle Creek, Mich.

## 3 Persons Killed In Duval Road Mishaps

JACKSONVILLE — Three persons died in two traffic accidents near here just before midnight. William J. Knott, 71, Durham, N. C., retired Southern Railway employee, was fatally injured when a hit run driver struck him as he walked along Atlantic Boulevard near the beach. Arlie F. Davis, 44, Lake Wales, and Everett J. Bush, 49, Dunmore, Fla., Air Force man who came here four months ago from Orlando Air Force Base, were the other two Road Patrolmen. W. H. McFarland and C. S. McClure said a cattle truck was turning off the highway and that Bushweiler crashed into a tractor trailer which stopped for it.

## Prizes Are Given To Mrs. Lane For 'Lighting Contest'

Oviedo-Lyman Girls Are Given Jaycee Prizes For Essays

Mrs. E. F. Lane was presented with a \$25 War Bond and the first annual Florida Power and Light "Traveling" Trophy for winning the Junior Chamber of Commerce Christmas lighting contest at the Jaycee meeting in the Yacht Club.

Two other awards were presented to the winners of the Jaycee "Voice of Democracy" Contest. Mary Carmichael of Lyman School and Ann Lehnhart, of the Oviedo High School.

Former Mayor of Sanford, William H. Stemper, thanked the Junior Chamber for its cooperation during his administration last year.

Lighting Contest Chairman John Williams, after presenting Mrs. Lane with the bond, added that the Florida Power and Light Company was instituting a "Traveling" Trophy to the winner of the lighting contest each year starting with mounting alarm to the department's condition, also ordered the board and urged contractors now at work on projects.

The Road Board, listening with mounting alarm to the department's condition, also ordered the board and urged contractors now at work on projects.

The board's new chairman, Richard H. Simpson, said the Road Department is in the poorest financial shape in its history with a cash deficit and a carryover in projects under way.

The department has a million dollars in cash on hand but has five million worth of outstanding bills and soon will owe three million more to contractors now at work on projects.

The Road Board, listening with mounting alarm to the department's condition, also ordered the board and urged contractors now at work on projects.

The board's new chairman, Richard H. Simpson, said the Road Department is in the poorest financial shape in its history with a cash deficit and a carryover in projects under way.

## Survey Requested By School Board To Set Priority

Action was taken today by the County Board of Public Instruction in requesting a survey team from the State Department of Education to work with local school personnel in re-evaluating County school facilities so that advantage may be taken of funds available through the recent amendment No. 1 to the State Constitution, Rayburn Milwore, superintendent, said this afternoon.

"Funds which may be obtained from the passage of amendment No. 1 last November cannot be used for construction purposes until such a survey is made and priority is established for work to be done."

## Swedish Tanker Splits In Half In Stormy Pacific

### Three Other Vessels Are In Distress As Winds Lash Ocean

SAN FRANCISCO — A Swedish tanker with a crew of 40 broke in half today and three cargo vessels were in distress as 50 to 70 mile an hour winds whipped the normally calm Pacific into fury.

The Swedish tanker, S. S. Avanti, sent an SOS reporting eleven men on back part saved. Eight men from front part and 21 men on life boat still drifting. If any ships nearby please give help.

The British freighter King Edgar and the Panamanian freighter Santafes both were reported out of control and drifting helplessly in the north central Pacific.

A coastal lumber schooner, Cynthia Olson, jettisoned her deck cargo of Oregon and slowly made for San Francisco after earlier asking assistance.

The Avanti's SOS was picked up here by Glisla Wireless. There was no quick report whether other ships were in her area of the West Pacific.

The Avanti gave her position as 28 1/2 north and 132 1/2 east. That would place her about 240 miles northeast of Okinawa and about 180 miles south of Kyushu, southernmost Japanese main island.

## Road Department Employees Start Hunting New Jobs

TALLAHASSEE — Some 400 Road Department employees today started looking about for new jobs most of them will be needing seven days from now.

For an undetermined number the job hunt started today. The new Road Board which came in with case Dan McFarland yesterday ordered immediate dismissal of workers who have been taking on the job.

The rest of the 400 were ordered removed from the payroll as an economy measure. Those who have been doing a good job were given until Jan. 15 before being dismissed and will be given two weeks salary when they leave.

Cuts in proposed road construction also were ordered by the board and urged contractors now at work on projects.

The board's new chairman, Richard H. Simpson, said the Road Department is in the poorest financial shape in its history with a cash deficit and a carryover in projects under way.

The department has a million dollars in cash on hand but has five million worth of outstanding bills and soon will owe three million more to contractors now at work on projects.

## Nathan Leopold, 1924 Thrill Killer Pleads His Case With Pardon Board

### Aerial Search Is Concentrated In 3-State Section

#### Leopold Unable To Reach Spot Where Light Was Reported

MONTPELIER, Idaho — The aerial search by a fleet of private and Air Force planes for a missing C-40 transport with 40 aboard was concentrated today in the area where Idaho, Utah and Wyoming join.

A jeep posse was unable to reach the spot on the east side of Bear Lake where a farmer reported he saw three fares last night. Sheriff Gilbert Arnell said planes were checking the area today. If the pilots find nothing, Arnell said, the two-engineered craft last reported by radio while over Malad City, Utah, about 50 miles west of where Air Force officials, Civil Air Patrol leaders and the aeronautics director of three states have pooled their ships into a well organized aerial hunt.

Although broken clouds were reported by the area today, the Bear Lake region, below that the visibility was excellent.

While most of the planes circled over the Bear Lake region some drifted eastward to check the possibility that the missing C-40 traveled farther than officials first thought.

## Services Held For Visitor To Sanford

Funeral services were held at 11:00 a.m. yesterday at Henson Funeral Home for Dr. Jan A. F. Raitzinger, M. D. of Panamint, Calif., who died in a plane crash on his way to Sanford, Fla., on his way to visit his wife and children.

Dr. Raitzinger was visiting with Miss Jane Harris, a classmate of the Columbia University School of Public Health, who the New Year holidays when he was struck. He died Friday morning, Jan. 2.

He was acting director of the Department of Public Health and Communicable Diseases Control of San Francisco. He had spent the past two years studying in Holland and France. Since September, 1952, he had been studying for his Master of Public Health degree at Columbia University, as a representative of the Netherlands government.

Funeral services were delayed by a week because of the Netherlands Embassy of next of kin Miss Harris is returning to New York on Saturday, Jan. 10.

## Aspirants Must Show They Are Free Of Any Improper Outside Compensation

TALLAHASSEE — Employees of the State Beverage Department are going to have to file copies of their annual income tax returns with their boss to show they haven't been getting any improper cooperation from outside sources.

Beverage Director Sam F. Davis disclosed he is requiring every applicant for a job in his department to fill out a bi-page questionnaire that searches into his present financial condition, background, friends and family connections.

The form also is being filled out by employees retained by the commission.

The beverage department supervises the liquor industry, hunts down moonshiners and collects liquor and cigarette taxes.

"A person who is sincere and honest won't mind filling it out," he said. "I've never complained about the length of the form but they're hunting the job. I'm not trying to get them," he said.

He said a few have declined to fill it out. One woman walked out when she got to a question about whether she had ever been convicted of a crime. "We found out she's only been out of Sanford a year," Davis said.

The form was prepared for Davis by Ralph Mills, former FBI man who is director of the Hillsborough County Crime Commission which Davis helped establish and served as its first president.

As the biggest wave of employment fillers in many years hit state workers after the road department disclosed it was laying off 400 workers, Davis said today he also has cut the Beverage Department staff down to a skeleton force from what it was under the Warren administration.

"We tried to keep a sufficient skeleton to perform it's way under what it was. It may be enough," Davis said.

"We've had to check up on the calls from legislators and other political sponsors of old employees every criterion."

## Convenient Ticket For Paying Parking Fines Is Received

The first ticket of the new type being used by the Sanford Police Department for parking violations was received in the mail today, Chief Roy Williams said.

The ticket, which is in the form of a small brown envelope, may be brought into the Police Department for payment of the fine. The chief explained, so the fine may be enclosed in the envelope and mailed to the department for the department. All the money needed to be enclosing the envelope is to enclose the fine and drop the envelope into a convenient mail box.

Fines are listed on the envelope as follows: Meter violation, 25c; parking overtime, \$2; and parking improperly, \$2. Since it provided for violation of other laws by motorists, the ticket is the officer who writes the ticket and the offender's name and address.

The ticket claims that 23 tickets are allowed for payment of the fine. The fine for parking meter violation is limited to \$2 after 24 hours.

The first ticket to be mailed was from an Orlando offender. He wrote "Thank" on the envelope.

## Family Poisoned

HELVETHE, Ill. — Five members of a voluntary farm family were found dead Wednesday night in a four room frame house five miles north of here.

Deputy coroner A. E. Schreiber said they were apparently killed by gas escaping from a coal stove.

He said they had been dead about a week.

The victims were Melvin Behrke, 35, his 33-year-old wife, Beulah, and their children, Dennis, 7, Dale, 5, and Dixie, 3 months.

## Mrs. Vanderbilt, Social Arbiter For 50 Years, Dies At 5th Avenue Home

NEW YORK — Mrs. Cornelius Vanderbilt, recognized leader of New York and Newport, R. I., society for half a century, died of pneumonia at her Fifth Avenue home last night after a long illness.

Mrs. Vanderbilt, who was in her 80s, had been inactive in recent years but never lost her top social standing.

She was the widow of Brig. Gen. Cornelius Vanderbilt, great-grandson of Commodore Cornelius Vanderbilt, founder of one of America's greatest railroad empires with the New York Central as the key stone.

Gen. Vanderbilt, who did not share his wife's fondness for society in his later years, died aboard his yacht in Biscayne Bay, Fla., in 1942.

Mrs. Vanderbilt entertained and was entertained by more members of European royal houses than any other woman in America. She was considered one of the last remaining links between the regal pre-World War I American

society and the larier and more democratic post-World War II society.

The famed hostess and beauty entertained in a conventional manner, and remained aloof from the merrier elements of cafe society. She seldom dined in public, and attended the theater infrequently. However, she was a regular attendant at the opening night of the Metropolitan Opera. Her box was social headquarters for the Diamond Horseshoe set during intermissions.

Mrs. Vanderbilt was the former Grace Wilson, youngest daughter of Richard Thompson Wilson, who came to New York from Nashville, Tenn., shortly after the end of the Civil War with a fortune he had built up as an English agent for the South.

Mrs. Vanderbilt made her debut in 1865, at a time when Cornelius Vanderbilt, son of Cornelius Vanderbilt, then head of the family, was starting to learn the railroad business. The two young people

### Course Offered On How To Get Along In Capital Circles

WASHINGTON (AP) — Leaders of the Eisenhower administration — and any other "P. N. P.'s" — got an invitation today to study up on how to get along in Washington. The fee: \$500.

"Orientation Course for P.N.P.'s," those initials, a footnote explained, stand for: "Powerful New People."

The school, under the direction of Agnes McCall Parker, lists itself as "the oldest established institution of personality development and speech in Washington."

Scholarship Mrs. Parker's school will be taught, among other things: "The creation and maintenance of a social position in Washington"; "Personality evaluation and development"; "Becoming part of the Capital's cultural picture"; "Speech improvement"; "Fashion coordination."

The course will begin Feb. 2 and last six weeks. Classes will be held four afternoons a week.

To plug her school, Mrs. Parker is inserting advertisements in newspapers and diplomatic journals. She also got out a press release and spoke with reporters.

In the last 10 years, all during General Eisenhower's term, more than 15,000 persons have studied at her school, including hundreds of high office holders and diplomats, Mrs. Parker said.

But she remained, her school is strictly bipartisan. Those Democrats still in town may, if they wish, go on with their class work side by side with Republicans.

### Caldwell To Give Lecture At U Of F

GAINESVILLE, (Special) — Millard Caldwell, former Governor of Florida, Congressman, and recent Civilian Defense Administrator, will deliver the annual David Yulee Lecture, set for Jan. 12 at 8:00 p.m. in the University of Florida Auditorium.

Caldwell was asked to deliver the address by a special committee which each year selects a leading political figure, who in their opinion fits the "ideal of honor and service in politics."

The lecture is sponsored by members of the Yulee family in honor of Florida's first U. S. Senator, David Levy Yulee.

As the guest speaker, Caldwell follows Senator Paul H. Douglas, who delivered the address last year.

### Mrs. Vanderbilt

(Continued From Page One)

ple became attached despite opposition from Vanderbilt's parents. They were married in 1898 with-out the knowledge of his parents.

The marriage estranged the bridegroom from his parents for time and brought a substantial reduction in his inheritance.

The general's father, who died in 1899, left him \$500,000 and the income for life from a one million dollar trust fund. Each of the other children received 75 million dollars, and the bulk of the fortune — set at 37 million dollars — went to Cornelius Vanderbilt, late Alfred Gwynne Vanderbilt. Later, Alfred gave Cornelius six million dollars.

Almost from the time of the young people's marriage, social rivalry developed between the bride and her mother-in-law and the two had rival salons at Saratoga, N. Y., for a time.

The younger Mrs. Vanderbilt plunged into European real estate circles in 1902 when she and her husband entertained Kaiser Wilhelm II aboard their yacht at Kiel. They later were his dinner guests.

A 58-room mansion on Fifth Avenue was the scene of many of Mrs. Vanderbilt's social triumphs. Others were at her Newport Villa, Beaulieu. The mansion here has been torn down and an office building erected on the site.

She leaves a daughter, Mrs. Robert Livingston Stevens, the former Grace Vanderbilt, of Manhattan and Water Mill, N. Y., who was with her when she died; a son, Cornelius Vanderbilt Jr., writer, publisher and traveler; two grandchildren and two great grandchildren.

### Lake Wales Passion Play Opens Friday

LAKE WALES, (Special) — Patrons of Passion Play Amphitheater here are advised to dress warmly and to bring extra wraps for full comfort while viewing two-hour long Black Hills Passion Play.

The Passion Play opens here Friday evening Jan. 9 at 8:00 p.m. with a special benefit for Pioneer Club members and their invited guests, playing thereafter through March 5 on Sunday, Tuesday and Thursday evenings.

Seat reservations may be made by mail at Box 71, Lake Wales, or by telephone at 24341. Arrangements may be arranged at Lake Wales Chamber of Commerce, Telephone 23451.

Evening temperatures in Passion Play Amphitheater are higher in January than in the Amphitheater at Spearfish, South Dakota, in July and August, and about the same as in Mountaineer Theatre at Cherokee, North Carolina.

### Jaycees

(Continued From Page One)

Jaycees on the piano. The lyrics were taken from the song, "Four Leaf Clover," with words entirely written by Mrs. Lane, fitting into a smooth melodic rhythm.

William Hutchinson, Jr., chairman of the Voice of Democracy Essay Contest, explained that the competition was limited to 11th and 12th grade students and the winning entries clearly displayed the time and thorough study.

He thanked Rayburn T. Mitter, Lynn School principal and newly inaugurated Supervisor of Public Instruction, and Mrs. J. N. Thompson, principal of the Okech High School, who were present at the meeting, for their assistance.

Both girls as the winners from each school received a handsome pen and pencil set.

Chiff Alden, second vice president who presided in the absence of both President Douglas Stenstrom and First Vice President Carl Prisco, made several routine assignments for the forthcoming Jaycee Open which will be held here on Jan. 29.

Leon Handell, Okech Jaycee, was introduced as a guest of Mark Cleveland, Jr.

### Adolph Zukor, Film Notable, Honored On 80th Birthday

HOLLYWOOD (AP) — A wispy little man celebrated his 80th birthday last night with a production which rivaled those of his 50 years as a leader in the movie industry.

Adolph Zukor, founder of Paramount Pictures and still active as board chairman, was the honored guest at a film town frolic which hosted most of Hollywood's top officialdom and many stars of today and yesterday. Those appearing on the program ranged from Wray Pickford, top star of the silent era, to Dean Martin and Jerry Lewis, the foremost box office attractions of today. All three have been Zukor stars.

The celebration was held at the Palladium Dance Palace, which was the site of Zukor's first Hollywood studio. Speakers included his former partners, Cecil B. DeMille and Jesse L. Lasky.

Film clips of past Zukor productions were unrolled. One scene showed Mrs. Murray dancing the famous waltz from "The Merry Widow." The house lights then went on and showed Miss Murray doing the dance in person.

Another film shot showed William Hand as the star of "The Volea Boatman" in 1906. The auditorium was lighted and David...

### Tornadoes

(Continued From Page One)

so to 35 miles an hour. Sanding crews worked throughout the night in the New York metropolitan area to keep highways passable.

Temperatures generally were on the rise in the Midwest after the most severe cold snap of the winter. A temperature of 22 below was reported at Ovid Head, in northern New York. Other low temperatures in upstate New York were Duane and Mountain View, 20 below; Lake Titus, 18 below; and Malone, 10 below.

The cold moved into northern New England and temperatures dipped to below zero in some areas. For the first time in several days no sub-zero readings were reported in the mid-continent. But it continued on the cold side from the western plains states through the Great Lakes region into New England.

It was warm in the Southeast section of the country and mild for the season from the Rockies westward to the Pacific coast.

Driving was hazardous in many areas hit by sleet and freezing rain and snow. The snow areas extended over southeastern New York state and eastern Pennsylvania. Another rain belt covered parts of the lower Mississippi Valley.

The U. S. Weather Bureau reported that snow covered the ground over most of the northern half of the country. The largest amount reported measured more than four feet at Mullin Pass in the northern Rockies.

Dr. H. H. Hensley, better known as Hopalong Cassidy, made an appearance on his famous horse, Topper.

### 'Death Dust' Bomb Seen As Next Step In Atomic Program

By FRANK CAREY

WASHINGTON (AP) — Could it be that the atomic scientists will turn next to a "death dust" bomb, now that work on the hydrogen bomb appears to be in the home stretch?

President Truman, in his State of the Union message, yesterday made clear the H bomb effort is at least well in hand and he said: "We have no reason to think that the stage we have now reached in the release of atomic energy will be the last."

"We are being hurried forward from one discovery to another," he said.

The "death dust" bomb is a fear some device, which scientists say is theoretically possible, in which the tremendous explosion of a hydrogen bomb would also be used for this purpose.

Converting a material wrapped around the bomb itself into a radioactive poison that would then be carried by the wind over an extensive area of the bombed country. Ordinary rainfall has been mentioned as a possibility for such a wrapper material.

Truman made no reference to such a weapon in his message. But some worry about the H bomb because of speculation that scientists may even now be thinking of bizarre variations of the awesome weapon.

The poison dust from a hydrogen bomb would be deadly to those who inhaled or swallowed enough of it. And many among the living might suffer genetic effects.

### Spiritual Revolution Asked Of Methodists

CHATTANOOGA (AP) — South-eastern Methodist leaders planning a gigantic evangelistic campaign today heard a plea for a "spiritual revolution" to accompany the South's industrial rise.

Addressing the closing luncheon of a Southwide conference to plan the campaign, Dr. Harry Denman of Nashville, executive secretary of the church's general Board of Evangelism, said:

"Let us determine that the industrial revolution which is now in the South will also see a spiritual revolution. The new South needs to become new in Christ."

While the region booms in new industry, he said, the churches are falling behind in supplying needs of the people.

The three-day conference was held in formulate plans designed to enroll 500,000 new church members. Set for April 17-20 and May 1-8, the campaign, Dr. Denman said, will be the "largest single evangelistic effort to date in the history of the Methodist church."

More than 5,000 ministers in eight states will take active part in the mission. The states are Tennessee, Florida, Georgia, North Carolina, South Carolina, Virginia, Mississippi and Alabama.

### CALENDAR OF WEEKLY SOCIAL ACTIVITIES

**THURSDAY**  
The regular meeting of Seminola Rebekah Lodge No. 43 will meet at the L. O. O. F. Hall at 8:00 p. m. All members are urged to be present.  
The Palm Circle of the Garden Club will meet at 7:30 p. m. with Mrs. H. C. Oakes, 422 Scott Avenue. Mrs. B. E. Hatfield will serve as co-hostess.  
**FRIDAY**  
Rose Circle of the Sanford Garden Club will meet at 9:45 a. m. with Mrs. B. H. Crumley.  
The Flora Circle of the Garden Club will meet at 2:30 p. m. at the home of Mrs. Roy Green, 704 Palmetto Avenue. Each member is asked to bring evergreen specimen for identification.  
The Jacaranda Circle of the Sanford Garden Club will meet at 2:30 p. m. at the home of Mrs. R. E. Peurifoy, 1104 Elm Avenue.  
The Hibiscus Circle of the Garden Club will meet at 2:30 p. m. at the home of Mrs. Michael Ginn, 121 Scott Avenue. Co-hostesses will be Mrs. H. L. Dann and Mrs. H. C. DuBois.  
The Mimosa Circle of the Sanford Garden Club will meet at 10:00 a. m. at the home of Mrs. J. M. Cameron on Celery Avenue.  
The Bird Gardeners Circle of the Garden Club will meet at 10:00 a. m. at the home of Mrs. R. F. Robinson, 1407 East Second Street.  
The Azalea Circle of the Sanford Garden Club will meet at 8:00 p. m. with Mrs. Fred Pope.  
Nalle Harrison Chapter, Daughters of the American Revolution, will meet at the home of Mrs. H. Wayne Rucker, 610 Valencia Drive, with Mrs. Rucker, Mrs. W. B. Bulard, Mrs. R. W. Ruprecht and Miss Barbara Ruprecht as hostesses. Mrs. Davis M. Wright of Eagle Lake, Fla. will be the guest speaker and all members are urged to be present.  
Townsend Club No. 1 will meet at 7:30 p. m. at the City Hall. All senior citizens are invited to attend.  
The Hellenic Circle of the Garden Club will meet at 7:30 p. m. with Mrs. M. B. Smith and Miss Elizabeth. The program will be on horticulture.

### MONDAY

Circles of the Woman's Missionary Society of the First Baptist  
**Mrs. Lee Hostess To St. Mark's Chapter**  
St. Mark's Chapter of Holy Cross Episcopal Church met on Monday night with Mrs. A. W. Lee at her home on Laurel Avenue. The business meeting was conducted by Mrs. Roy Holler and the study course was led by Mrs. Amelia Noble.  
Later in the evening light refreshments were served to Mrs. Holler, Mrs. Ruth Scott, Mrs. R. L. Cornell, Mrs. Joseph Saunders, Mrs. Margaret Bower, Mrs. Edmund Meisch, Mrs. Noble and Mrs. Lee.

### Program Outlined At Rollins College

**WINTER PARK (Special)**—Rollins College opened its winter term this week and prepared for three of the outstanding events of the school year.  
Classes began at 8:30 a. m. Tuesday morning, and will continue through Mar. 20. During the period of the annual programs of Founders' Week, with the Animated Magazine, the Kentucky Conference and the Dach Festival will be held in addition to other college-sponsored activities.  
The first college event will be Thursday night at 8:15, when two outstanding educational films will be shown in the Annie Russell theatre. They are God of Creation and Birth of the Soil, and showings will be for the benefit of the Casa Iberia endowment fund.  
Beginning next Wednesday evening at 8 o'clock, the weekly Organ Vespers will be heard in Knoxville Memorial chapel. Dr. Herman F. Siewert, who will play at the vespers, announced this week that two new stops had been added to the chapel organ, which is the largest church organ in central Florida.  
On Jan. 27 a five day run of "Spring For Sure" will be given by the Rollins Players and the Student Music Guild. Sally Monson will direct the music, and Wilbur Dorsett the stage.  
The Economic conference, centered about the Florida cattle industry and to which have been invited state and nationally prominent cattlemen, will be held Feb. 8-10.  
The Animated Magazine is scheduled for Feb. 22, next to the last day of Founders' Week, which begins Feb. 16. The General Reeve Dramatic contest will be given Feb. 16.  
The annual Dach Festival will be given Mar. 6-7. This year's festival will be directed by Robert H. Federer of the Julliard School of Music, New York, assisted by Peter Gram Swing, of the college faculty. Soloists include opera star Rose Hampton, Lydia Summers Harold Hough, Rose Rossana and Norman Farrow.  
President Hugh P. McKean and Dean Edwin R. Walker of Rollins are in Los Angeles, Calif., this week attending the annual meeting of the Association of American colleges. Dean Walker is also attending a meeting of academic leaders in conjunction with the conference. They will return to their college duties about Jan. 18.

Stretch leftover creamed chicken or turkey with canned green peas and serve over a puffly omelet for a luncheon dish.

### Nine New Members Enter Women's Club

Nine new members were welcomed into the Sanford Women's Club at their monthly luncheon, yesterday at 12:30 o'clock. The new members are Mrs. L. E. Thompson, Mrs. Sidney Ives III, Mrs. Walter Morgan, Mrs. D. P. Lanier, Mrs. Jack Stempier, Mrs. Lowell Frigg, Mrs. Huelon Frigg, Mr. A. B. Fisher and Miss Lois Campbell. They were introduced by Mrs. L. E. Spencer.  
Hostesses for the luncheon included Mrs. W. B. Nicholson, Mrs. Hugh Nicholson, Mrs. Alfred Stanley, Mrs. Eugene Williams, Mrs. P. T. Meriwether and Mrs. B. H. Crumley.

At this meeting each year past presidents of the club are honored. They were seated at a large T-shaped table and were as follows: Mrs. B. H. Crumley, Mrs. H. Wayne Rucker, Mrs. Ralph Austin Smith, Mrs. R. E. Talar, Mrs. George Swartz, Mrs. O. P. Herndon and Mrs. R. L. Holly. Another past president, Mrs. James Bloughton, was unable to be present and a note of regret was read from her.  
During the program a skit was presented under the direction of Mrs. Charles MacDowell of Winter Park. Mrs. MacDowell is the state director of economic security for the Florida Federation of Women's Clubs and the skit was based on the subject of federal aid for local projects. Those taking part were Mrs. Roy Willis, Mrs. J. D. Curdell, Mr. Wallace Phillips, and Mrs. John L. Ives.  
The humorous skit depicted the problems and involvements arising when a small community seeks federal aid. In the skit it became apparent that every dollar spent by the government comes from the local pocketbooks in one way or another.  
Mrs. Smith introduced Mrs. MacDowell as a personal friend and stated that she had served in the state federation in many of these and as president of her local club.  
Mrs. Talar, president of the local club, conducted the business meeting during which time Mrs. Spencer announced that the birthday clubbers were now ready for distribution. Mrs. Rucker, chairman of the Civic Department, stated that a museum display and tea would be held on Jan. 21 to be preceded with election of officers for the Civic Department at 2:00 p. m. Mrs. Miriam Russell will serve as chairman of the antique display and anyone wishing to display articles is requested to contact her.  
Mrs. C. M. Flowers stated that the social department will hold a bridge and canasta party on Jan. 11 at 1:30 p. m. at upon recommendation of the executive board of the club the group voted to change the annual hospital benefit party to a club benefit party, scheduled for April 16.  
The meeting was opened with the pledge to the flag and the singing of the Star Spangled Banner. The invocation was given by Mrs. W. P. Yesley.

### TUESDAY

The United "Truth" Class will meet at the Valdez Hotel at 7:45 p. m. The public is cordially invited to attend.

### Evans Family Has Reunion In Lynn

**LYNN, Mass. (AP)**—Four generations of males all with the same name is the distinction enjoyed by the Evans family of Saugus, which is currently enjoying a winter reunion.  
Great-grandfather is Frank Evans, 73, who lives at Lake Mary, Florida, having partially retired from business for several years. He still maintains a place of business in Boston, where he owns the Plymouth Chemical Co. and has happy memories of his days as the champion tight-wire and slack-wire performer in the world.  
Second in line is the grandfather, Frank Evans Jr., 60, who owns the Alwin Color and Chemical Co., an off-shoot and affiliate of his father's business. His concern is located in East Boston and recently Mr. Evans developed a new industry in Saugus, the manufacture of Alwinol, a liquid detergent soap.  
Third in the generations is Frank Evans 3rd, 29, who works as a textile technician and salesman covering Maine, New Hampshire and Vermont for his father.  
The baby, Frank Evans 4th, is five months old and is a native of Atlanta, Ga. Completing the family is the baby's mother, the former Myrtle Furbush. The couple now resides at 110 Lincoln Avenue, Saugus, while the Frank Evans 3rd, lives at 305 Lincoln Avenue.

### RAINBOW ASSEMBLY

Mrs. Joe Corley, advisor, announced today that the regular meeting of Rainbow Girls scheduled for Monday night has been cancelled because of the public installation being held by the Masons on that night.

### PERSONALS

Joe McCaslin has left for Chicago, Ill. to spend some time.  
Dr. and Mrs. H. H. McCaslin will have as their guest for the week end Mrs. James B. Dodge of Jacksonville.  
Dr. and Mrs. W. Vincent Roberts have left for Pensacola where Dr. Roberts will enter the Naval Air Corps.  
Mr. and Mrs. John E. Bridgers have moved to Sanford from Morehead City, N. C. and are residing at the Carolina Guest Home.  
Mrs. S. M. Van Hook and sons, Van and Dick, are expected to arrive back in Sanford tomorrow after visiting for the holiday season with her parents, in Babson Park.  
Friends will be interested to learn that Willard Connolly has been transferred from the Florida Sanitarium in Orlando to Veterans Hospital at Bay Pines. He was accompanied by the Rev. and Mrs. Kenneth Mensing.

### Ionian Singers Will Give Program Friday

The Ionian Singers, male vocal ensemble, will present their program in four parts Friday night at 8:00 o'clock in the auditorium of the Southside Primary School. The group is being sponsored by the Municipal Concerts of Sanford.  
The first portion of the program is entitled "Concert Hall Favorites" and is composed of "On Great Lone Hills" (Chorale from "Finnlandia", by Sibelius; "An Evening of Favorites" by W. Shaw; "Drinking Boat" (4-word round), by Mozart; "Irish Cradle Song" or "Think to Me Only", by Robertson; and "Barn Song" (Humorous), by Grigg.  
Part two is made up of "College and Glee Club Reminiscences" and entails the following numbers: "Torch-singers" (Indian Ghost Dance) (Pomona College), by Hilsell-Lyman; "Secrets" (Wesleyan), by C. R. Smith; "A-tovin'" (sea chantey), by Hawley; and "The Long Day Closes," by Sullivan.  
Intermission follows this portion of the program.  
The third part is entitled "From Backwoods to Nursery and Drawing Room" and entails "My Robin, My Robin," by G. Shaw; "Song of Sleep," by Mendelssohn; "Dr. Foster," by Hughes; and "Swing More River," by Warwick.  
Part four is entitled "Birth and Pathos in the Grass-roots of the South" and is composed of "Were You There" (spiritual), by Hilsell-Lyman; "Cindy" (Kentucky mountain ballad), by Mallin; "I Dream of Jeanie," by Foster; "Sour Wood Mountain" (Kentucky ballad), by Mallin; and "Good Night Waltz," by Vogel.

### These Women

By CYNTHIA LOWRY  
AP News-features Writer  
It's been a long time since I've heard anyone say flatly and simply, "I can't afford it." And perhaps it would be a good idea to restore those long uncomplimented words to a popular spot in our vocabularies.  
Recently a federal survey showed that most families in the country were spending a few hundred more dollars a year than they were earning. Loaning money has become an enormous business as it has become easier to borrow money. Installment play having put almost anything our hearts desire in our paths.  
Everything, from diamond-studded bedside radios, are available today on the dollar-down and a little-every-month basis, which is fine and wonderful. Where most of us Americans fall down, apparently, is in the department of decision, determining what we really are justified in going in the hole for.  
Actually, the onus on borrowing money has been removed for a comparatively few years. Not too long ago, individual borrowing was not only frowned upon, but arranging a loan without security was practically impossible. People who wanted to buy something usually set their sights upon the object, saved their money until they had enough to cover the purchase price and then went out and bought it. These were tougher customers, and the very process of saving to buy eliminated whimsy and fancies.  
Buying has become infinitely easier for the present generation, both by sellers who use slick arts

### These Women

in presenting their merchandise, and by the banks themselves who today eagerly shout to the world how easy it is to pick up a personal loan. All this puts more and more responsibility on the purchaser in separating the wheat of necessary purchases from the chaff of unnecessary ones.  
The ease with which persons with steady jobs and modest incomes can acquire necessary things today has made life considerably more pleasant. It is wise borrowing, for instance, for a salesman to acquire an automobile on credit, and pay for it while he is using it. It is a good investment for the head of a family to buy a washing machine largely on credit, and to have the use of the machine through the period when it is being paid for.  
Trouble comes, as it must, when the family over-extends itself with the pay-as-you-go-system. It might swing payments on the car, or the washing machine, or both. But when it is also paying on new wall-to-wall carpeting, a new TV set, and a fur coat, trouble is likely to break out in the budget.  
Credit, for most of us, is so easily come by today, it's hard to believe that there's anything we really can't afford. But these rather small payments here, larger payments there, and those down payments have a way of piling up on the unwary householder until comes a day when he's not only broke but worried sick too. It takes a stern, realistic mind to sit down with pencil and paper to figure out in cold numbers just what we can and cannot afford. And change are, if we set about doing and figure it out, we can't afford it, and we can do without it for the present anyway.  
Okay, okay. So I've had my lesson. So I can't afford to have a thing — until spring

Mrs. Chase Hostess

### Mrs. Chase Hostess To St. Catherine's

St. Catherine's Chapter of Holy Cross Episcopal Church met on Monday afternoon at the home of Mrs. Chase at 3:00 o'clock.  
At the conclusion of the meeting refreshments were served to Mrs. W. A. Lettler, Mrs. Richard Ivin, Mrs. Henry McLaughlin Jr., Mrs. W. J. Morrison, Mrs. Earl Burdick, Mrs. Eleanor Pluse, secretary, Mrs. Whitner Jr., Mrs. Harold Warren, Mrs. Edward C. Kuhn and Mrs. Chase.  
The world's most mysterious instrument, the "VICTOR THERE-MIN," will be featured in a concert to be given by the nationally known Mason Swiss Bell Ringers at the First Baptist Church tonight at 7:30 p. m. This mysterious instrument has no keyboards, strings, reeds or pipes and responds to the motion of the performer's hands waving over it in space without being touched.  
A bowl of fresh fruit makes a fine dessert for a holiday meal when it's served with fresh dates, clusters of raisins, and roasted walnuts. To roast the walnuts put a pound of them in their shells in a porch built on my house this year. Anyway, the trim and the kitchen are painted, the car is pretty new, the TV set is all right and the man is coming next week to measure for the carpeting. And the bank isn't writing me nasty notes. I shall now look in a movie oven for about half an hour. They are to be served.

### Catholic Women Have Officer Election

The Catholic Women's Club of Sanford elected new officers at a meeting held in the annex Monday.  
Miss Mary McManis, president; Mrs. Robert Bauman, vice president; Mrs. Eleanor Pluse, secretary; and Mrs. Nell Taxenator, treasurer.  
Father Richard Lyons acted chairman of the election. After the meeting refreshments were served by Mrs. Lettler and her assistants. There were 45 members present.  
A shallow bowl of fruit in a movie oven for about half an hour. They are to be served.

## Tornado Cuts Path Of Destruction In Downtown Sarasota

### Clermont Is Also Hit By Tornado Winds; New England Gets Year's Worst Snow

By The Associated Press  
The worst storm of the season buffeted the Northeastern states today and a twister cut a mile wide path of destruction through downtown Sarasota, Fla., causing between \$500,000 and a million dollars damage.  
Another twister accompanied by heavy rains damaged a number of houses in Clermont, Fla.  
There was no report of any casualties.  
Freezing drizzle and rain slicked streets and highways in southern Michigan, northern Indiana, and Ohio and along the Mississippi River from southern Missouri to southern Wisconsin.  
The storm in the Northeast had several paths of destruction. It laid houses, schools closed in Troy, N. Y. At mid-morning, there was up to 15 inches of snow in the Adirondacks and a foot in Albany and it was still snowing. The Weather Bureau said the storm would continue through tomorrow.  
The deepest snows of the winter piled up in New England. Massachusetts had seven to 12 inches by mid-morning. From 12 to 18 inches were forecast before the storm peters out tomorrow.  
Snow was general throughout the Northeast except for sleet and rain in Rhode Island and Connecticut. At least three persons were killed in the storm and the Coast Guard was seeking two fishing boats off the New England coast.  
The Weather Bureau in Washington in a special advisory ordered northeast storm warnings for the Delaware Breakwater to Block Island and said strong winds would pound the middle Atlantic coast for the next 24 to 36 hours.  
The sudden wind storm that slammed into Sarasota from the Gulf of Mexico sank several boats moored at Municipal Pier, overturned trailers and knocked down 15 to 20 feet of wall in the Sarasota Chamber of Commerce building.  
Residents fled the storm in some downtown sections, damaged roofs and cut some telephone lines out of service.

## McClelland Is Named Chairman Of County Board

### Legality Of Special Meeting Questioned By Mrs. Meredith

The County Commission is expected to meet at 10:00 a.m. Monday morning with the County Board to discuss the road program for Seminole County. Forrest Breckenridge, manager, announced this afternoon.  
J. F. McClelland was elected chairman and O. E. Fouraker as vice-chairman this morning at the reorganizational meeting of the Board of County Commissioners, in which two new commissioners, John M. Meech and W. B. (Brown) Miller, took seats vacated by W. G. Kilbee and H. B. Pope.  
Mr. McClelland's election as chairman of the County Commission makes it the third time he has served in that capacity since 1950. The 73-year-old commissioner was first elected to the County Commission in 1943 and has been on the board ever since. He is now serving the last two years of his third term as a commissioner. The native Sanforidian previously held public office when he was elected Sheriff of the county in 1928 holding the post until 1933. Mr. McClelland is a citrus grower and retired farmer residing at 309 French Avenue.  
The elections took place in short order after the meeting opened at 10:00 o'clock and Mr. McClelland immediately exchanged seats with H. C. Dodd, chairman during the past year.  
During other proceedings at the meeting, the Commission passed a resolution to hold two regular meetings a month instead of just one, after the legality of a special meeting was questioned.  
W. E. White was promoted to district manager.

## Churchill Holds An Informal Talk In New York

Secretary of State-designate John Foster Dulles holds the floor for the moment at an informal discussion held by British Prime Minister Winston Churchill at the home of his host, Bernard M. Baruch, in New York City. In the group (l to r) are Dulles, Mr. Churchill, Mr. Baruch, and W. W. Rostow, Ambassador-designate to London. Meeting followed a luncheon with F. Schuman, International

## 4,518 Telephones Reported Now In Use In Sanford

### Increase Of 345 Is Noted In Number In Use One Year Ago

Expanded telephone service was part of substantial progress reported in Sanford in 1952, according to E. V. Turner, Sanford Bell manager here. During 1952 the number of telephones in service here increased by 345, or eight per cent.  
As the year ended, 4,518 telephones were in service, as against 4,173 at the first of the year. "The number of people with telephone service is regarded as a good barometer of economic health, and the number in service at Sanford continues to increase. We continue to receive a heavy volume of new applications," Mr. Turner said.  
He stated that the total number of telephones now serving Sanford is more than one time, or 117 per cent greater than it was at the end of World War II.  
The expansion of Sanford's telephone system was a part of a Florida-wide telephone growth which in 1952 added almost 100,000 to the total telephones in the State. Florida now has about 561,000 telephones in service, which is more than double the number in service in the State at the end of World War II.  
Southern Bell in 1952 provided 22 million dollars worth of additional facilities in Florida, making a total of over 162 million dollars spent in the State since World War II.  
In addition to providing telephones to residents of 73 Florida cities and towns, Southern Bell has installed many rural telephones throughout the State. (Continued On Page Three)

## Bradley Says He's In Dark On How To Settle Korean War

WASHINGTON, P. Gen Omar Bradley was quoted today as saying he does not know how to settle the Korean War and "hasn't met anybody who does know." Rep. Short (R-Mo.) said the chairman of the Joint Chiefs of Staff made the statement during a three-hour top-secret review of the world situation before the House Armed Services Committee, Short, who is to be chairman of the committee when it organizes, told reporters there was an extensive discussion of the Korean conflict. He said this included a "little" discussion of the possible use of atomic weapons there but that Bradley gave no indication whether this might be done.

## Early Validation Of Hospital Bonds Urged By Tucker

### Recommendations Made To County By Hospital Trustees

Recommendations were made by the Board of County Commissioners this afternoon by E. E. Tucker, chairman of the Seminole County Board of Hospital Trustees, that the County Commission proceed at once toward the validation of County bonds for the construction of a Seminole County Hospital as authorized by freeholders in the November election.  
In introducing this along with three other recommendations, Mr. Tucker explained that the trustees had held four meetings in the past month and had also met with the trustees of the Fish Creek and had come to the conclusion that the best interests of the county would be served by the immediate validation of the bonds.  
In recommending the validation of the full amount of \$500,000 authorized in the November election, Tucker suggested that the bonds be issued in two tranches, with the idea of actually issuing only such an amount as may be necessary with such and as may be received from the Park estate and the federal government under the Hill Burton Act.  
Other recommendations of the hospital trustees, as presented by Mr. Tucker, were:  
1. That the County Commission authorize a local bond to assist in the number of validation and sale of such amount of bond bonds as may be deemed necessary and further recommendations the validity of the form of Lewis Wheeler and Altemus Inc. of Orlando as such agent.  
2. That the County Attorney in connection with the hospital trust may be necessary to secure a grant from the federal government under the terms of the Hill Burton Act.  
Mr. Tucker said he would like to find any occupation in your town. At the beginning I make out great pretensions, but I would be glad at an appointment, which is improvable in the future. Perhaps there is any immigrant German in your town, who wants a countryman? Or do you know some addresses, at which I could write with prospect in success?  
"Moreover I know enough about driving in motor-car, something about the photography, a little about playing piano and about the breeding of tropical fishes."  
"At all events I thank you very cordially for your kind efforts!" He enclosed a picture with the letter, which is in the hands of the City Manager.

## Truman's Last Budget Calls For 78 Billion Dollar Expenditures

### Draft Official Sees Tightening Of Deferments

### College Students Are Seen As Being Affected By Policy

WASHINGTON, P. Draft officials soon may be looking at college students as a possible source of more than an appreciable number of men to be drafted and tightening up on other deferments as well, the director of Selective Service says.  
Mr. Gen Lewis H. Howe, the director, said in a statement that the college students, while indicating that they will not be drafted, are being asked to make a choice between military and civilian careers. He said that the college students are being asked to make a choice between military and civilian careers. He said that the college students are being asked to make a choice between military and civilian careers.

### Truman Budget Called Fanciful By Republicans

### Some Fiscal Experts Promise Cuts By At Least 10 Billions

WASHINGTON, P. Some congressional fiscal specialists shot a "fantastic" and "fantastic" Truman budget today at President Truman's news conference. Some of them promised Congress indicated they would ignore Truman's proposal for spending \$78,000,000,000 in the fiscal year starting July 1 and wait and see what President-elect Eisenhower would do.  
Republicans who will control the federal purse strings in the present Congress indicated they would ignore Truman's proposal for spending \$78,000,000,000 in the fiscal year starting July 1 and wait and see what President-elect Eisenhower would do.  
The increases were almost entirely for national security programs and pointed, Truman said, toward a 10 billion dollar deficit in months from now.  
Truman called for a big increase in foreign aid, mostly for military help to the nation's European allies. But he also included two billion for economic rather than military help. Some members of Congress have been urging that all purely economic aid to foreign countries be halted.  
The whole foreign aid section promised to be a controversial one. A recent survey by the Associated Press, is far reduced spending abroad.  
Truman said there is no way, in his opinion, to explain the budget. He said the foundation and the office of defense mobilization has asked the Red Cross to assume responsibility for collecting the necessary blood plasma for use against polio next summer.  
Truman said government authorities are to name a central authority to make sure that all gamma globulin is effectively used.

### Republicans Promptly Holler 'Fantastic' And Promise To Cut Estimate Severely

WASHINGTON, P. — President Truman today laid a \$78,000,000,000 calendar budget before Congress, where Republicans promptly hollered "fantastic" and promised to cut it sharply.  
But that was the customary reaction of Democratic congressmen, and they frequently fell short of January pledges to trim away billions of dollars. Only time could tell whether under the GOP, things would be different.  
Truman's estimate of government spending was for the fiscal year 1954, which begins July 1. The total was four billion dollars higher than spending projected by the President for the current fiscal year and 12 1/2 billion more than in fiscal 1952, which ended last June 30.  
The increases were almost entirely for national security programs and pointed, Truman said, toward a 10 billion dollar deficit in months from now.  
Truman called for a big increase in foreign aid, mostly for military help to the nation's European allies. But he also included two billion for economic rather than military help. Some members of Congress have been urging that all purely economic aid to foreign countries be halted.

## Four Persons Hurt In Auto Accidents In Sanford Area

Four persons were injured in two automobile accidents on Highway 17-92 yesterday, one of which involved four vehicles.  
A 1950 Buick sedan, driven by Harry C. Ent Jr., 30, Orlando, Highway Patrolman R. D. Chevrolet said, sidetracked a 1940 Chevrolet truck, owned by James S. Dasher, Savannah, Ga., then sidetracked a 1941 Oldsmobile driven by Raymond Bass, Lake Monroe, sidetracked another car, a 1950 Chevrolet sedan driven by Ned M. Simons, Roanoke, Ind.  
Afterwards, the Ent car continued on its way, narrowly missed a culvert and struck a telephone pole, breaking it off at the ground. The accident happened about 10:00 p.m., 10 miles south of Sanford.  
Mr. Ent had minor lacerations of the forehead; Grady J. Parker, 16, Pinecastle, accompanying Mr. Ent, lacerations of the forehead, and Mr. Bass suffered injuries to the left chest.  
Mr. Ent was arrested and taken to the County Jail, charged with driving while intoxicated and reckless driving, willful and wanton.  
Damage to Mr. Ent's car was placed at \$1,000; the Buick, \$1,100; to the Simons vehicle, \$1,000; about \$100 to the truck, and \$100 to the telephone pole and wires.  
Mr. Harrison was assisted in the investigation by Deputy Sheriff R. L. Eubanks.  
Charles A. Ponder, 76, Sanford, was hospitalized here with cuts and bruises of the head after the car he was driving collided with one driven by David Kohler, 45, Atlanta, Ga. H. P. Harrison was a passenger of the motor vehicle when the accident occurred yesterday afternoon north of the Lake Monroe bridge.  
Mr. Harrison also investigated this accident.

## W.E. White Promoted To District Manager

W. E. White has been promoted to district manager of the Interstate Life and Accident Insurance Company, according to an announcement made today by the company which has headquarters in Chattanooga, Tenn. Mr. White has been serving as staff manager of the local office in the Sanford Atlantic National Bank Building.  
His new duties will encompass supervision of seven Central Florida counties including Volusia, Brevard, Seminole, Lake, Polk, Orange and Osceola. Herbert C. Prevatt has been appointed to succeed Mr. White as staff manager.  
Mr. White moved to Sanford in January of 1949 from Nashville, Tenn. where he was associated with Interstate. He and his wife reside at 2105 Amelia Drive in Highland Park.

## 5 Jacksonville Policemen Jailed On Breaking And Entering Charge

JACKSONVILLE, Fla.—Five policemen from the Riverside precinct were jailed today on charges of breaking and entering.  
They are Edwin Boyer, 37, Gerald Robert Carter, 28, John Calvin Cray, 36, and Wendell Edward Vincent, 38.  
Sheriff Sherman Cannon said investigators cleared up a string of 10 burglaries in the Riverside section and arrested five men and two women.  
The burglars admitted they were in league with the officers, Cannon said.  
First break in the case was early Thursday when Detectives J. W. Greene Jr. and T. S. Beardrott nabbed three men they identified as Danny C. Conway, 19; Joe Tolat, 22, and a 16-year-old.  
Detective Sgt. J. E. Hall and Mr. R. Shank took over the investigation and two more men were picked up and charged with breaking and entering and grand larceny. James Warren Griffin, 18, and Wilson B. Kimrey, 46, who was described by Cannon as an "old timer."  
"He's been given 125 years in the past, and he's on parole," Cannon said.  
Two women were arrested and booked for receiving stolen goods as Evelyn Owens, 31, and Jesse Marie Tolat, 18.  
As the prisoners talked, the mayor and county solicitor Harry Arrin were called in.  
Today about 3:30 p.m. today the five accused patrolmen were brought to Chief Cannon's office, told they were suspended, and were jailed without bond.  
"They all made flat denials," Mayor Hayden Burns reported.

## German Youth Is Seeking Work In The United States

The City recently received a letter from a German youth who wishes to secure employment in the United States.  
Unable to provide the young German with City employment, the City Manager, Tom Lennon, turned the letter over to the Hill Burton Act.  
Other recommendations of the hospital trustees, as presented by Mr. Tucker, were:  
1. That the County Commission authorize a local bond to assist in the number of validation and sale of such amount of bond bonds as may be deemed necessary and further recommendations the validity of the form of Lewis Wheeler and Altemus Inc. of Orlando as such agent.  
2. That the County Attorney in connection with the hospital trust may be necessary to secure a grant from the federal government under the terms of the Hill Burton Act.  
Mr. Tucker said he would like to find any occupation in your town. At the beginning I make out great pretensions, but I would be glad at an appointment, which is improvable in the future. Perhaps there is any immigrant German in your town, who wants a countryman? Or do you know some addresses, at which I could write with prospect in success?  
"Moreover I know enough about driving in motor-car, something about the photography, a little about playing piano and about the breeding of tropical fishes."  
"At all events I thank you very cordially for your kind efforts!" He enclosed a picture with the letter, which is in the hands of the City Manager.

## C of C Meeting

Directors of the Seminole County Chamber of Commerce will meet at the City Hall Tuesday at 8:00 p.m. to discuss road needs of the county for the coming year, Forrest Breckenridge, manager, announced today.  
"We hope to draw up a program which will be unopposed to by the board and the Commission," he said. John Melch and O. E. Fouraker, both County Commissioners, are co-chairmen of the C of C highways, roads and bridges committee.  
Mr. Breckenridge said the C of C. possibly will have a delegation accompanying County Commissioners to the district meeting of the State Road Department at Deland Jan. 16.

## Missions To Train In Dunedin This Year

The San Antonio Missions club, a Texas League team, will train in Dunedin this year. The club is owned by the City of San Antonio, Texas, and is managed by the City of San Antonio, Texas. The club is owned by the City of San Antonio, Texas, and is managed by the City of San Antonio, Texas.

## Winning Entry In Lighting Contest

Mrs. Ed Lane, wife of the local realtor and long time resident of the city, yesterday was awarded a traveling trophy and a \$25 U. S. Defense bond by the Junior Chamber of Commerce for the winning entry (shown in the Joyce outdoor Christmas lighting contest. The display appeared at the residence of Mr. and Mrs. Lane, 510 Park Avenue, during the Yule season.

## Polio Foundation Seeking To Buy All Available Globulin

NEW YORK, P. The National Polio Foundation for Infants and Children, Inc., has offered to buy all commercial gamma globulin now on hand or to be produced on or before June 30 for a national pool to be used in combating these three major diseases.  
The diseases were listed as poliomyelitis and infectious mononucleosis in Ontario, Canada. A representative of the foundation said the purchase would require two to five million dollars in March of 1953.  
"This major concern," O'Connor said, "is to have the largest stock of gamma globulin available placed in a national pool to insure the most effective use of this substance during the 1953 polio season."  
The foundation said gamma globulin has been in short supply for about five weeks in manufacturing children. It said gamma globulin is a protein which is made up of 500,000 to 1,000,000 molecules of a million dollars in March of 1953.  
O'Connor said the commercial product to be purchased from pharmaceutical houses this year has not been tested valuable in fighting polio, since it is not fractionated from blood collected from large numbers of people in widely scattered areas.  
He said only gamma globulin made from blood collected in such large pools has been shown to carry antibodies against all three of the known polio viruses.  
"However," O'Connor said, "if commercial gamma globulin is placed in a national pool, it will alleviate the necessity for using the gamma globulin, which is effective in polio for measles and infectious mononucleosis (jaundice), the two other diseases for which this substance is used and for which the commercial product is available."  
**Movie Time Table**  
RITZ  
Friday - "Assignment Paris" 1:45 - 3:45 - 5:30 - 7:30 - 9:34  
Sat. "Sun Valley Cyclone" and "Arabian Nights"
