Vitamin-C Is Active Against Colds

By HOWARD W. BLAKESLEE Associated Press Science Editor PHILADELPHIA, May 14 (AP)—Vitamin C acts like Popeye's spinach when the vitamin gets into the blood. The white blood cells take a bite of the C and then grab and literally squeeze the life out of disease germs by engulfing them, a natural process known as phagocytosis.

Guerrillas Suffer In Greek Offensive

ATHENS, May 14 (AP)—The Greek press said today that guerrillas had suffered 248 casualties in a new large-scale army offensive now underway in northern Greece, mainly in the triangle formed by the cities of Elasson, Grevena and Metsovon.

11 Nation Palestine Inquiry Commission Established By UN

Final Session Reaches Decision Despite Last Minute Protest From Arabs

By MAX HARRISON
NEW YORK, May 15, (AP)—The United Nations Assembly formally created a "neutral" 11-nation Palestine Inquiry Commission today and then finally adjourned its 18-day extraordinary session at 1:57 P. M.

The deliberations wound up in a series of rapid developments. These included last-minute Arab protests against the assembly's action and refusal of the five Arab states to agree to an interim truce in the Holy Land while the inquiry commission studies the problems on the spot this summer.

A last Soviet-Slav effort to include the five big powers in the commission's membership failed to upset the decision of the assembly's 55-nation political committee to bar the major powers.

In its final form, the assembly's resolution gave the commission a free hand to consider independence of Palestine on the same basis as all other possible solutions. It left the way open, however, for recommendations on independence if the commission decided this was best.

The vote on the whole Palestine resolution was 46 to 7, with one abstention and one absent. Voting against the measure were the Arab countries, Syria, Egypt, Lebanon, Iraq and Saudi Arabia, and Turkey and Afghanistan. Siam abstained.

The commission will be free to make an on-the-spot investigation in Palestine and go anywhere else it deems necessary. It will report back to the regular September meeting of the assembly with its recommendations.

The assembly voted 40 to 9 to confine the membership to small "neutral" countries after opposition led by Poland and Russia collapsed. The Slav bloc and the Arab states abstained.

The delegates then quickly approved proposed instructions to the inquiry commission by a vote of 48 to 7, with one abstention and two absent. The Arab states voted against the proposals.

The woman, who spent the war years in France while her husband was a German prisoner, apparently had been strangled by a rope, though none was found at the scene, and her shoes had been bound together by her shoe laces, the police captain said.

The original investigating officer, Lt. Col. Cates, said there were signs of a struggle in the soft sand around the historic creek where the diminutive, 110-pound victim was found and that her grass had been raised around her shoulders. Her underclothes were missing and her left arm, which was doubled beneath her body, was blackened by blood.

Capt. Bradford said early today that a preliminary report by a county physician was unable to say whether she had been raped.

Members of the family were quoted by Capt. Bradford as saying the suburban-haired Mrs. Rofoule was in the habit of picking (Continued on Page Four)

WASHINGTON, May 15 (AP)—American Legion posts began nominating candidates for West Point and Annapolis today among young men whose fathers were killed in battle or died as a result of war injuries.

Through congressional action, the U. S. Military and Naval Academies will have 25 openings next year for sons of deceased war veterans. They will be filled by presidential appointment.

May Trial Witness

LATEST WITNESS to testify before the jury in the May-Garrison fraud trial in Washington is Undersecretary of War Kenneth C. Royall. He told the jurors that former Rep. Andrew J. May of Kentucky phoned him three times in Sept. 1945, protesting the War Department's withholding of \$800,000 from the Eric Basin Metal Products Company pending reorganization of the metal concern's profits. (International Soundphoto)

Statements Of Defendants Read At Lynching Trial

Thirty-one defendants are on trial for their lives, charged with murder and conspiracy to murder in the mob-killing of negro Willie Earle last Feb. 17. Twenty-eight defendants are tax-drovers.

In a statement made after arrest and introduced in evidence today, Duran Garry Keenan, 24, said the mob took Earle from Pickett county jail before dawn. At first, the negro denied stabbing T. W. Brown, a Greenville taxi driver, but finally admitted it.

Keenan, told arresting officers last February that he did not see anyone "cut" the negro, and did not know about it until he heard (Continued on Page Three)

Importance Of ACL Stressed By Biting

W. V. Biting, President of the Seminole County Chamber of Commerce, commenting on a report by F. F. Bolls at a recent meeting of the Directors of the Seminole County Chamber, today emphasized the importance of the Atlantic Coast Line Railroad operation here.

The Atlantic Coast Line Railroad Company is the only railroad serving Sanford, and it has been a factor in the upbuilding of the agriculture industry in this county, Mr. Biting pointed out. It handles enormous volumes of perishable vegetables and fruit under refrigeration, and the service has been excellent, he continued, and has cooperated in every way with the development of the community.

The railroad now has 735 employees here, Mr. Biting said. These, together with their families, make up a large percentage of our population. The approximate monthly payroll is about \$180,000 or \$2,160,000 annually. The County and City taxes amount to \$51,125 yearly.

Mr. Biting emphasized that this is a very important industry in the community and suggested that the Seminole County Chamber of Commerce in future advertising stress this fact and the excellent services the ACL is giving this community.

Co-Education Bill Is Signed By Governor

House Passes Measure Raising Pay Of State Attorneys And Assistants

TALLAHASSEE, May 15 (AP)—The Legislature today created a State Athletic Commission which would regulate professional boxing and wrestling in the state. The bill was introduced by House members and has the support of the State Junior Chamber of Commerce.

TALLAHASSEE, May 15, (AP)—Co-education came to the University of Florida and Florida State College for Women today. The women's college now has the name of Florida State University.

Those were changes made at the two state schools when Governor Caldwell signed into law the legislative act providing that men and women could attend school together.

The State Board of Control will have the say-so when the two schools will begin admitting boys and girls. Under provisions of the law, which says the board shall determine the number and classification of both sexes which must attend the two universities.

Meanwhile, the House passed, 68-3, a bill raising the salaries of most state attorneys and assistant state attorneys. It would increase the salaries of state attorneys to \$6,000 annually in cases where their compensation does not already exceed that sum. Assistants would receive \$4,500 annually. Salaries at present vary according to the judicial circuit served, the number of counties in it and the population.

A bill sponsored by the Associated Dairies of Florida designed to permit free comment on judicial orders without risk of punishment for contempt of court was introduced in the legislature today by (Continued on Page Three)

House Defeats Measure Curbing Wire Gambling

TALLAHASSEE, May 15 (AP)—The House yesterday defeated 91-37 the measure to prohibit use of telephones and teletype writers for distribution of gambling information.

Discussion of the bill was highlighted by a flat declaration from Rep. Otham of Seminole County that he had been offered money to vote against the measure. He did not name the persons who offered the alleged bribe.

Otham said the bill presented a "grave issue" and that "unscrupulous racketeers are using money to control every aspect of public office in the United States. They're in this legislature today. Their's money on the line," he declared. The Seminole representative said he had taken little interest in the measure during inconclusive debate on it yesterday but "I was approached, and now, I'm hot on it."

Rep. Morrow of Palm Beach suggested "if any member has been offered money or a bribe, Supporters of the bill said it would divert money from off-road book-making and channel it through pari-mutuel machines where it would be taxed by the State.

Rep. Jenkins of Alachua County, opposing the measure, said he was "not defending illegality," but "I submit the complicated verbiage of this bill will not produce any inhibition on gambling." He declared if a halt to off-track gambling were desired the only means to stop it would be to prohibit radio broadcasts of race results.

B. B. Crumley Buys Silver Lake Property

B. B. Crumley yesterday purchased from Roy C. Howard a six-room house on a five-acre tract on Silver Lake, and 80 acres to the rear of this tract.

Mr. Crumley, who is associated with Howard Monthly in the insurance business, and who lives with his family at 120 West Birch Street, intends to move to the Silver Lake home as soon as repairs are made, he declared. The property has a 300-foot frontage on the lake. Purchase price was \$7,500.

T. Moriwether yesterday purchased 110 acres on Sanford Avenue north of the old airport. Purchase price was \$9,500 as indicated by the revenue stamps.

Congress Sends President Greek-Turkish Aid Bill

President Makes New Appeal For Bill To Aid 6 War Torn Foreign Countries

WASHINGTON, May 15, (AP)—Congress today handed President Truman the authority for his \$400,000,000 program to bolster Greece and Turkey against Communism, just about as he asked for it.

The House and the Senate quickly approved a compromise adjusting minor differences and sent the bill to the White House. The next steps will be for the President to sign it into law and appoint the administrator for the program. A vanguard of the official messengers by on its way to Athens by plane this weekend.

The House today agreed to minor changes in the administration's \$400,000,000 Greek-Turkish aid bill and sent it to the Senate for final congressional approval.

The action was taken without debate on record vote as the House accepted the report of a joint congressional conference committee which worked out a compromise on minor differences in the measure to provide economic and military aid to the two countries.

As the Greek-Turkish bill moved closer to the White House, Senate and House conferees undertook to resolve differences in another administration measure, to provide funds for feeding six countries in Europe and Asia.

The largest difference in the relief bill is a matter of \$150,000,000 between House and Senate authorizations.

The Senate approved yesterday, 79 to 1, a bill to provide general relief to Austria, Greece, Hungary, Italy, Poland, the free zone of Trieste and China. This version, however, does not specifically (Continued on Page Three)

Member Drive Of Jaycees Will End Wednesday

The current membership drive of the Seminole County Junior Chamber of Commerce was extended to 6:00 P. M. next Wednesday at the first noon meeting of the organization at the Mayfair Inn today.

All memberships must be turned in to Alvin Odham by the scheduled time in order that they may be counted for the selection of the membership for prizes that are offered by the person who turns in the largest number of memberships.

It was announced that the Sanford Jaycee station will be on the next Thursday and the noon meeting of the Jaycees will be broadcast over WTRR. A special program is being prepared by Capt. Byrd Hudson of the Salvation Army, Darrell Swann and Arthur Beckwith, Jr.

The Jaycees approved the proposal that they sponsor a "Knot Hole Gang" for local youngsters. Edward Kiercher, William Davidson and Warren Phelps were introduced to the group as new members. Harris Powell and John Sheppard were guests at the meeting.

Cates Found Without Fault In Damage Suit

By directed verdict of the Judge of the Orange County Circuit Court, J. J. Cates, local citizen, was recently held to be without fault in a damage suit brought by James L. Howland, of Boston, Mass., the husband of one of two ladies killed a year ago in an automobile accident at the Killarney corner intersection in Winter Park.

Ernest F. Housholder, local attorney who represented Mr. Cates as personal counsel, reported that testimony in the case, independent of that of Mr. Cates and his brother who was in the car, showed conclusively that the women involved were crossing the highway in the middle of the block and did not use ordinary care to protect themselves from approaching vehicles. Instead, when they reached the middle of the highway, they joined arms and began to run, and came directly in front of the car when struck.

Farmers Blame Food Crisis On German Officials

Herbert Hoover Declares Shortage Is Only Temporary

BERLIN, May 15 (AP)—British officials said today that a fleet of almost 50 ships will be pressed into service from now until the end of the month to speed 392,000 tons of foodstuffs from America to Germany's hungry millions.

The jury reached its verdict in one hour and 50 minutes but announcement of the decision was delayed for more than an hour by a court recess for lunch.

Sentence was not immediately imposed by Federal Judge Alexander Holtzoff. The maximum penalty upon conviction is 30 years imprisonment and \$30,000 fine. Romney was convicted on all three counts of the indictment against him.

William H. Collins, Romney's attorney, told reporters he intended to file notice of intent to ask for a new trial and that this possibly would delay Romney's sentence until next week.

Romney former House sergeant-at-arms, is charged with concealing for two decades a \$143,863 shortage in his accounts. The jury of seven men and five women heard a 25-minute charge from Federal Judge Alexander Holtzoff before they began their deliberations at 9:45 A. M.

Romney, 45, was indicted on charges of making false reports to the general accounting office on the amount of cash he had on hand at the sergeant-at-arms bank, where members of the House of Representatives keep their salary funds. The maximum penalty for the charge is 30 years imprisonment and \$30,000 fine. Judge Holtzoff told the jury (Continued on Page Three)

Robert Stewart Dies In Colorado Army Hospital

Mr. and Mrs. W. H. Stewart were notified Tuesday of the death of their son, Master Sergeant Robert A. Stewart at Camp Lowry, Colo., where he was hospitalized following his return from Germany where he had been injured in a jeep accident. The body is expected to arrive here Saturday and funeral arrangements will be announced later.

After entering the service in November, 1941, he served for 14 months as a lieutenant. He was promoted to sergeant at his discharge as a Master Sergeant in the Army Air Force and has been under observation in the hospital at Camp Lowry.

Stewart was born at Savannah, Ga., Aug. 4, 1916, and was 10 years old when the family moved to Sanford. He is survived by the widow, Mrs. W. H. Stewart, three children, Bobby, 6, Monnie, 4, and Martha, 2; the parents, Mr. and Mrs. R. W. Williams, and Mrs. L. R. Johnson, and the grandmother, Mrs. Ella Stewart of Sylva, Ga.

3 Killed, 4 Hurt As Building Collapses

ELKO, Nev., May 15, (AP)—Three persons were killed and four injured early today when a two-story brick apartment business building collapsed and crashed into an adjoining excavation in the city.

Elko's business district. Sheriff C. L. Smith of Elko testified identified as Ralph Nielsen, Beatrice Nielsen, believed to be Nielsen's mother and Mrs. Robert Norris.

A. Sperry and their daughter, Mrs. Robert Norris, Mr. and Mrs. W. Vernal Jones, suffered shock and bruises.

"I heard what sounded like a terrible hailstorm outside," said Mrs. Sperry. "It kept getting worse. I kind of woke up and saw the walls collapsing in on me. The next sensation I had I was suffocating from dust."

Her husband said he was in a part of the building which remained upright. Awakened by his wife's screams, he leaped to her aid and fell 15 feet into the excavation.

Congress Is Told To Look To South For Newsprint Supplies

WASHINGTON, May 15, (AP)—E. A. Charlton of New York advised Congress today to look to the deep South, rather than to Alaska, for newsprint and paper supplies.

Charlton told a special House committee headed by Rep. Clarence J. Brown (R-Ohio) that the experience of the United States Forest Service in wood plantations in the South indicates the advisability of further studies in that area.

Speaking for the Leesville-Vernon parish chamber of commerce, Leesville, La., Charlton said: "If half the forest lands of Texas alone followed the planting practices of the United States Forest Service, enough pulpwood could be produced to service the entire 1947 needs of the entire South."

He referred to current suggestions that Alaskan forests be developed to produce paper and pulpwood and said surveys show there would be a production cost differential of "conservatively \$10 per ton in favor of the South."

Charlton continued: "Let us dispel once and for all the question of the ability of the South to manufacture standard quality newsprint. We still hear the doubt manifested up north that southern newsprint is inferior to the standard northern sheet. Our answer to this has always been 'Ask the publisher who uses southern newsprint.'"

"Regarding the future of newsprint in the South, and particularly the immediate tonnage possibilities, permit us to state that we know where there are 1,200,000 acres, untouched by pulpwood operations, west of the Mississippi and outside of our Leesville-contemplated project, high, with the surrounding landowners, could support an additional 1,000,000 tons of newsprint per year.

It is not difficult to visualize a production of 2,000,000 tons of newsprint in the South. What is more all of this production will be low cost production paper, competitive with not the average but the best northern mills."

Bowles Proposes Industry Wide Price Cuts And Bargaining Policy Wage Increases Dropped By Lewis

WASHINGTON, May 15, (AP)—John L. Lewis agreed today to try to negotiate a wage contract with the operators representing about 75 percent of the nation's soft coal production.

The mine union leader's agreement, reversing a previous stand, raised the possibility of avoiding a crippling strike in coal industry when the government relinquishes control of the pits this summer.

The United Mine Workers traditionally have refused to work without a contract.

The Southern Coal Producers Association, which refused to go along on industry-wide bargaining with Lewis' United Mine Workers, asked to separate negotiations. Lewis replied that he wanted a chance to discuss the southerners' request with his policy committee before giving an answer.

Those major developments in the long-troubled coal industry (Continued on Page Four)

Lower U.S. Tariffs Urged By Britisher

LONDON, May 15 (AP)—The world trade outlook will be "bleak" unless America lowers her tariffs, allowing her creditors to pay in goods and services, Viscount Leverhulme, head of the Lever Brothers and Unilever, Ltd., combined declared today.

Freedom of movement is essential for world trade expansion, Lord Leverhulme declared in a speech prepared for delivery at a businessmen's conference sponsored by the Liberal Party.

The industrialist joined with half a dozen British business leaders and economists in a sharp attack on government trading and warned the government that its current drive to boost exports to 75 percent above the 1938 level could be accomplished "only if world trade as a whole is expanded."

WTRR Opening

Opening of Radio Station WTRR at the Mayfair Inn has been delayed pending its inspection and approval by a representative of the Federal Communications Commission who arrived here this morning. Station officials said today they hoped to start operations either Friday or Saturday morning. Broadcast testing has taken place during the early morning periods of 1:00 to 5:00 o'clock.

SCOUT MEET

Boy Scout Troop No. 34 will meet Monday evening at 7:30 o'clock in the Methodist Church Annex. All boys 12 years of age or over who are interested in scouting are invited to attend.

British King Pleased With African Tour

LONDON, May 15, (AP)—King George VI asserted today that his South African tour had strengthened his conviction that the British Commonwealth partnership is of priceless value not only to the nations themselves but to the cause of united international effort for the better ordering of a distracted world.

The sovereign, in a speech prepared for delivery to a royal luncheon welcoming the royal family home, summed up his impressions of the trip in moving, honest phrases. It was one of the longest speeches he has ever made, filling the larger part of an hour.

"The experience of war has bravely waged together and realization of the common need for peace and reconstruction," he said, "have given to the nations of the commonwealth a sense of spiritual, no less than material, partnership—an intangible bond of union."

Newsprint Reserve Reported Dwindling

NEW YORK, May 15, (AP)—The American Newspaper Publishers Association reported today that the nation's newspapers had a 23-day supply of newsprint on hand or in transit at the end of April, compared with a 30-day supply a year ago.

Newspapers reporting to ANPA consumed 297,461 tons of newsprint in April, an increase of 14.9 percent over the amount used in the same month in 1946. Total estimated newsprint consumption in the United States in April was 407,481 tons, which included all types of newsprint, the ANPA said.

Shipments of Canadian newsprint in April amounted to 370,308 tons, an increase of 3.1 percent from the same month last year, the United States Paper Association announced.

Shipments to the United States were 12.8 percent higher than in April last year, while shipments overseas were 21.8 percent lower. These shipments represented 102.8 percent of capacity, compared with 108.1 percent in March and 96.7 percent in April, 1946. Shipments exceeded production by 6,818 tons.

Dad Should Help

"Dad should start being a father the day his baby is born. In such a home, divorce rarely occurs," says Mrs. Sidonie M. Gruenberg, Director of the Child Study Association of America, in True Confessions.

"Today there are countless fathers' clinics set up throughout the country to teach men how to diaper, bathe babies and learn to help their wives bring up the children. The days when the children were Mother's department are gone. After all, a home shouldn't be run on a department basis. A mother is running a home, not a department store!

"All a harassed young mother needs to finish her off is a husband who is simply a wonderful pal to the children and who leaves all unpleasant matters to her. Of course, it's just as bad to have discipline be Daddy's department as the other way around.

"In many families, Daddy's home-coming in the evening is the occasion for going over the day's misdeeds. Wait till your father hears about this!" is a common threat. And it certainly doesn't make a boy or girl look forward to seeing him. On the other hand, a father who simply plays with his children, who leaves it to Mother to remind Jane about her homework or to remind Johnny to wash his hands before supper, as well as to feed the baby while she is getting supper ready, is not quite fair to Mother. But neither is it fair to the children. Children need a real father as well as a real mother.

"Time and again, a child is heard to say, 'But Mother said I could!' or 'Daddy said I could!' If the mother is always the one to make the rules and decisions, Dad is left saying, 'Ask Mother if you can do it. She's the one to decide.' Again, that's not fair to Mother for it implies, 'I'd let you do it but you know how Mother is, always making rules. And again, it's not fair to Father either. It makes him unimportant in the family with no real authority or responsibility that children can understand. It makes him feel that his judgment and wisdom aren't needed."

Less Smoke For Britain

Hard-headed Hugh Dalton, chancellor of the British exchequer, who knows what is going on in the financial world at home and abroad, says that import duties on tobacco will be raised 50 per cent, in an effort to cut down expenditures on American tobacco and thereby slow the drain on the American loan to Britain, to the extent of \$30,000,000 a year.

There were cries of "Shame, shame" when the announcement was made, but it was no joke. The Chancellor says flatly that the British people are smoking much more than they can afford, conditions being as they are, and he hopes to cut tobacco use 25 per cent.

"Imagine the indignant 'holler' that would be raised in this country over such a deprivation. We Americans have gone through a good deal, but British hardships of almost every kind have been far greater.

Lines To A Daughter—Any Daughter

One of the things that you really should know is when to say "yes," and when to say "no." There aren't any textbooks, there aren't many rules. The subject's neglected in orthodox schools. You can't be consistent; there's often a reason for changing your mind with a change in the season. You may be quite right in accepting at seven suggestions you'd better refuse at eleven. Perhaps you'll consider these tentative hints: "No" to a dirndl of highly glazed chintz. "Yes" to the bashful young man at the dance. "No" to the man who's been living in France. "Yes" to a walk in the park in the rain. "Yes" if he asks for a chance to explain. "No" to all slacks unless you're too thin. "No" to that impulse to telephone him. "Yes" to a baby, and "no" to a bore. "No" if you're asked if you've heard it before. "Yes" to a Saturday, "no" to a Monday. "Yes" to a salad and "no" to a sundae. "Yes" to a stranger (but use some discretion!). "No" to three cocktails in rapid succession. "No" if he's misunderstood by his wife. "Yes" if you want it the rest of your life. Remember, my darling, careers and caresses depend on our choices of "noes" and of "yesses." Condensed from Harper's Magazine. Agnes Rogers

Lewis Negotiations

(Continued from Page One) were announced by Navy Capt. N. H. Collison, federal coal mines administrator.

Lewis' agreement to negotiate with a part of the industry represented an about face on his previous insistence on industry-wide bargaining, in line with a policy adopted at the UMW convention last year.

Most of the nation's soft coal mines are under government operation, but must be restored to private ownership by July 1. Collison called the UMW chief and the operators together several weeks ago in the hope that would produce a contract that would avert a major strike when the private owners resume control.

The owners who will start wage talks immediately with Lewis include operators of northern and western pits and of "captive" mines in the south, that is mines controlled by such companies as

Rohney Conviction

(Continued from Page One) Romney and Smithwick lost large amounts in joint real estate deals in Florida in the 20's. Judge Holtzoff asked the jury to reach its verdict "without anger on the one hand, or any sympathy on the other."

Both counsel for the government and for Romney waived final arguments to the jury. Judge Holtzoff had overruled yesterday a defense motion for a directed verdict of acquittal.

U. S. Steel. Charles O'Neill, representing those operators, agreed with Lewis to set up a joint conference at once.

This conference, which will include about seven from each side, will be headed, as in past years, by Ezra Van Horn as chairman. He is representative of Ohio coal producers.

Atlanta Murder

(Continued from Page One) wild flowers along the creek in the rear of her home, an old water mill dating from the War Between the States which the couple was converting into a studio.

Capt. Bradford said Refoule, an art instructor at Oglethorpe University and the high museum of art here, reported his wife's disappearance shortly after he arrived home early last night.

Cates said he found an iron still hot upon his arrival at the Refoule home and that all the doors except the kitchen door were locked.

Refoule was quoted by Capt. Bradford as saying he had not seen his wife since he left home about 2:00 P. M. after a luncheon party yesterday.

Cates said that since the area in the rear of the home was sparsely settled and heavily matted with tangled undergrowth he summoned the bloodhounds who picked the scent immediately.

A member of the family, Charles Currie, a cousin, said Mrs. Refoule met her while she was studying at the Sorbonne in Paris and that they married here in a fashionable wedding in 1938.

Shortly after the marriage, Currie said, the Refoules returned to France. Refoule was captured in the German breakthrough of 1940. Mrs. Refoule and their son, the year-old Jon Paul remained with his family in a small town south of Paris until the liberation. Currie said the couple returned to the United States about 18 months ago.

Bowles' Report

(Continued from Page One) \$3,000 instead of only half as under the congressional proposal.

2. Reduction of minimum wage of excise taxes on such things as freight, electric power, admissions, gasoline and cigarettes.

3. A "prompt cut of at least 20 per cent" in federal construction costs, to be achieved by cancellation of federal agencies with industry and labor groups; also, "revival" of the factory-built homes program.

4. An increase in, and extension of, unemployment compensation; minimum wages raised from 40 to 65 cents an hour and wage-hour law protection extended to farm hands and others not now covered.

5. Extension of rent control to June 30, 1948; federal underwriting of 1,500,000 housing units a year, of which one third would be public housing for low income families.

6. Larger federal outlays for housing and foreign loans; full price support for farm products; and extension of crop insurance.

Bowles declared that "the heart of our present danger lies in the lack of balance between wages, prices and profits, and the resulting maldistribution of the national income."

German Crisis

(Continued from Page One) killed here in the past year have been breeding sows. That is a crime.

"My village of 700 souls has turned over 2,000 head of cattle since the war to government collectors," said a dairyman. "Many a good milk cow has been slaughtered just because the collectors were too lazy, or stubborn, to select cattle usable only for beef. How could we keep up milk production under such conditions?"

"Forty percent of the people in our community are Sudeten refugees," said a farmer's wife. "They don't work as hard as we do and there's no way to make them. Some are hired temporarily by the American Army. Others help the farmers. But not enthusiastically. We don't see any real organized effort yet to fit these people into a new existence. They go on dreaming of another war, between the Americans and the Russians, when they go home. We feed and house them now at a continual loss."

"Our farming folk are not senseless machines," said a village mayor, "and neither are the Ruhr miners. The allies have given the miners various incentives to produce. They have given none to the farmer. Farmers work twice as many hours in a week as miners. What can they buy with the sweat of their brow in a German shop today? Almost nothing."

Yet, to the foreign observer, the farmers appear to be only a visible class in Western Germany today. They have no reason to fear impending currency fluctuations because their property is real, not paper. Even with the refugees crowded in on them, they have sound, warm housing, far from the rubble of the cities. They shall eat well despite increasingly heavy quotas collected by the government.

But still, the average farmer, while vastly better off than his city brother, does not appear to be getting rich overnight out of the general misery of Germany.

NEW YORK, May 15, (AP)—Herbert Hoover said today, "The German food crisis is very bad but added he believed the situation to be temporary."

In a statement issued after he had received a message from Dr. Rudolf Amelunxen, minister president of the state of North Rhine-westphalia, Hoover said the crisis was "in large degree due to the failure of the Germans in both the British and American zones to produce their anticipated collections of indigenous food from their own farmers upon which all calculations have been based."

"There were considerable losses of indigenous food from the severest season in their history, from undue feeding of livestock and from sales in the black market."

"The inability to maintain the portion of the full ration from German sources was only developed with the passing of the winter."

The former President, after a three weeks survey of food conditions in Germany, recommended to President Truman last February that the United States spend \$475,000,000 in 1947 and the first half of 1948 for food and allied products for its zone in the Reich.

In his statement, Hoover said, "We had originally established a program of shipments to Germany which, as in other cases, met only the barest import necessities" and thus there were no margins to meet the losses which developed in recent weeks.

"By the energetic action of the war and agricultural departments," he added, "enlarged supplies, over and above the otherwise anticipated program of shipments, have been obtained and are being put en route, and will, I hope, remedy the deficit in a very few weeks."

"I understand the special feeding of children has been uninterrupted. However, the whole incident points to the need for the Germans themselves to control their own supplies properly, for America and Britain cannot again be called upon to make good such failures."

Social Department Has Bridge Breakfast

The annual May Day bridge breakfast was held by the Social Department of the Sanford Women's Club on Wednesday morning at 9 o'clock in the final meeting of the year. Hostesses were Mrs. E. C. Harper, Miss Elaine Kirchhoff, Mrs. George E. Wells and Mrs. E. A. Monforton. They were assisted in serving by Miss Jean Harper.

Decorations of the club consisted of May flowers, Brown-Eyed Susans, Shrimp plant and plumage. Palm-leaf plumes interspersed with red hibiscus were used as table decorations.

Following a short business session presided over by Mrs. S. D. Higleyman, president of the department, bridges and Chinese checkers were enjoyed. High score in bridge was awarded to Mrs. E. A. Londenberg and screen prizes by Mrs. W. A. Leavitt and Mrs. R. M. Burns. Mrs. E. E. Bolz was the recipient of the Chinese checker prize.

Those attending were Mrs. O. P. Nernlund, club president, Mrs. Higleyman, Mrs. Londenberg, Mrs. B. B. Crumley, Mrs. George Stine, Mrs. J. E. Courier, Sr., Mrs. J. B. Williams, Mrs. H. Wayne Rucker, Mrs. J. H. Menick, Mrs. George McCall, Mrs. Bolz, Mrs. Ralph Austin Smith and guests from Winter Park, Miss Loretta Salmon, Mrs. W. W. Wolff and Mrs. Charles H. MacDowell, Mrs. H. J. Lehman, Mrs. J. T. Newby, Mrs. C. L. Redding and Mrs. K. W. Fite.

Also Mrs. J. O. Huff, Mrs. B. C. Moore and guest Mrs. Martha Kivlen, Mrs. C. F. Proctor, Mrs. Burns, Mrs. William Schnabel, Mrs. J. W. Hall, Mrs. L. E. Spencer, Mrs. Francis Meriwether, Mrs. C. G. Earle, Mrs. W. D. Hoffmann, Mrs. Fred Williams, Mrs. H. M. Papworth, Mrs. John Eick, Mrs. Roy Tillis, Mrs. James Moughton, Mrs. H. A. Monteith, Mrs. W. B. Ellerbe and Mrs. John Lee.

Also Mrs. Mayme Hodgin, Mrs. W. R. Brunson, Mrs. Wade Ramsey, Mrs. H. C. Wiley, Mrs. Fletcher Bolla, Mrs. Donald Hollis, Mrs. Richard Elsbury, Mrs. Robert Cobb, Mrs. Preston Stevenson, Mrs. W. A. Vossler, Mrs. John Meisch, Sr., Mrs. W. P. Fields, Mrs. E. B. Clements, Mrs. Nettie Epperson and Mrs. J. N. Gillon.

Birthdays Celebrated At Party Wednesday

Mrs. Harold Kastner and Charles Potter, Jr., celebrated their birthdays at the regular Wednesday night party held at the Seminole County Club last night at 8:00 P. M. Among those present were Mr. and Mrs. Kastner, Mr. and Mrs. Andrew Carraway, Mr. and Mrs. David Smith, Mr. and Mrs. W. P. Hester and guest Mrs. Cecile Leach of New Orleans, Mr. and Mrs. Walter High, Mr. and Mrs. Charles Potter, Sr., Hugh Whelchel and James Ridge.

Mr. Potter, club manager, announced that the regular a la carte dinner will be served on Sunday night and that no reservations are needed for members to attend. He repeated that dinner will be served every night except Monday and Tuesday from 6:00 until 9:00 P. M.

Wesleyan Class Has Picnic Supper

A picnic supper was enjoyed by the Young Wesleyan Class of the First Methodist Church at its monthly meeting on Tuesday night at the home of Mr. and Mrs. Orville Touchton. Following the supper a business meeting was held with Roderick Adams, presiding.

Those attending were Mr. and Mrs. Edward Kircher, Mr. and Mrs. Adams, Mr. and Mrs. Vernon Aikens, Mr. and Mrs. R. P. Payne, Mr. and Mrs. Ernest Southward, Mr. and Mrs. Otis Jones, Mr. and Mrs. Boyd Coleman, Mr. and Mrs. Arnold Tindall, Mr. and Mrs. Touchton, Mrs. Ernest Campbell, Mrs. Ralph Dean, Mrs. Dorothy McDaniel, Miss Betty Thurnmond, James Pearson and Marvin Dial.

Most diabetic patients were overweight before contracting the disease.

Personals

Mr. and Mrs. George R. McCall have as their guests Mrs. McCall's brother-in-law and sister, Mr. and Mrs. John E. Parker and son, Kenneth, of Fort Lauderdale.

Ens. J. H. Cooper is the guest of his parents, Mr. and Mrs. R. F. Cooper, on Cameron Avenue. He is soon to be released from naval duty.

Mr. and Mrs. W. O. Bergh and daughter Margery have returned from Miami where they were called because of the illness of Mr. Bergh's mother.

Mr. and Mrs. Robert Dennis of South Sanford Avenue left on Wednesday for Indianapolis, Ind., to accompany the body of Mr. Dennis' father, Joseph N. Dennis, who died at Bay Pines after a lingering illness.

Festival Program Is Announced For May 15

An interesting and varied program of music has been arranged for Friday night at the Seminole High School. This will be part of the Music and Art festival which will begin at 8:00 P. M. Mrs. Es-car Price, county music teacher, arranged the program and Mrs. W. G. Fleming and Mrs. Bertha Haughton, music director of Junior High School of Paola collaborated with her on the musical arrangements.

First on the program is a group of songs by the sixth, seventh and eighth grade pupils. Chopin's Polonaise Op. 40 No. 1 will then be played by John Fite. There will be a violin solo, Sibelius' "Finlandia" by Billy Park and "The Glow Worm" by Marjorie Sheppard.

The Lyman school trio, Estelle's double quartet, LaJun Estes of Oviedo and Lyman school girls will all be heard, each of them singing several selections. "Shad-rock" will be sung by Harold Kastner and "Tico-Tico" by Richard Hall.

"I'm Gwine To Sing In De Heavenly Choir" will be sung by the Seminole girls' quartet and Miss Lillian Moran will play "Warsaw Concerto" on the piano after which the Seminole boys' glee club will render a collection of songs.

"The Road is Calling," "Way Over Jordan" and "One World" will all be sung by Seminole, Lyman and Oviedo High Schools to complete the program. They will be directed by Miss Ollie Reese White and accompanists will be Mrs. Edgar Mitchell, Mrs. Price, Mrs. Moran, Mrs. Martha Staley and Jeanne Chance.

Prior to the musical program pictures will be viewed from 7:00 until 8:00 P. M. in the corridors of the school. Mrs. Mildred Hancock is the general supervisor of art and her assistants are Mrs. Carrie Schley of the Wilson School in Paola and Mrs. Irene Watt of the Westside School.

Exhibits will be shown in the classroom art work and prizes will be awarded for school art projects.

CORRECTION
The Herald regrets the omission of the name of the United Daughters of the Confederacy which will also sponsor Miss Mary Anna Springer, and alternate Miss Ruth Mills, at Girl's State in Tallahassee with the Daughters of the American Revolution in the story of the meeting of that group in Tuesday's paper.

PHILIPPINE DRAFT

MANILA, May 15, (AP)—High school girls helped the Philippine army draft get started today. They conducted a lottery to pick the names of the first 500 youths from among 20-year-old registrants.

Navajo Indian hogans in Arizona are always built with the entrance facing the east.

Seaweed off the coast of Chile sometimes grows longer than 240 feet and has fronds 60 feet across.

P. T. A. School Of Instruction To Be Held Tuesday A. M.

A school of instruction for parents and teachers will be held next Tuesday beginning at 10:00 A. M. in the Community Building. It was announced this morning by Mrs. John Rogers, County Council president.

The theme of the meeting "The Beat We Can Do" will be presented by Mrs. J. Floyd Griffin, president of the Florida Congress of Parents and Teachers. Mrs. T. E. Cleary, sixth vice president, will lecture on parliamentary procedure.

The P. T. A. publications and their use will be discussed by Mrs. George Hanford state publications chairman from Leesburg. Local units and blue ribbon reports will be given by the state secretary, Mrs. A. G. Wagner of Chuluota.

Mrs. Earl Williams of Miami will speak on hospitality, membership and room mothers. At the conclusion of the afternoon session a question box will be conducted by Mrs. Griffin. All members and friends are invited to attend the school. Mrs. Rogers stated. Luncheon will be served at the Palms and Pines at 12:10 P. M. and the meeting will adjourn at 3:00 P. M.

Ladies' Tournament Will Be Held At Club

A blind bogey tournament for ladies will be held at the Seminole Country Club on Sunday at 3:00 P. M. It was revealed today by Clyde Terwilliger, club pro. All ladies are urged to participate as this will be a handicap event and everyone has an equal chance to win.

Players who have entered the competition until today are Mrs. Andrew Carraway, Mrs. E. B. Smith, Mrs. George Thurston, Mrs. Joe Simms, Jr., Mrs. J. A. Tonder, Mrs. Arthur Williams, Mrs. G. E. McCall, Miss Dorothy Powell and Miss Frances Mahoney.

Following the tournament plans will be made to organize a women's golf committee. All women who are interested are urged to be present to help in making plans for future events for ladies. Mr. Terwilliger also announced that a tournament for the women's club championship will be played in the near future.

Ixora Circle Has Monthly Meeting

Mrs. C. R. Kirtley's offer to make corsages for members of the Ixora Circle of the Sanford Garden Club when needed with money to go to the club building fund was heartily endorsed by members of that group at their monthly meeting held last Friday at the home of Mrs. George Thurston in her home in Mayfield subdivision. Mrs. Edward Higgins, president, presided over the meeting.

Mrs. Kirtley spoke to members on the various duties of the committee. Improvement for the Big Tree was agreed upon by the group and it was decided that a fine of 25 cents would be imposed upon members for unexcused absences.

Those present were Mrs. Higgins, Mrs. R. B. Brown, Mrs. Malcolm Higgins, Mrs. H. B. Odham, Mrs. B. E. Perkins, Mrs. Dale Scott, Mrs. E. B. Smith, Mrs. C. E. Spencer, Mrs. Clyde Terwilliger, Mrs. Charles Vodopich, Mrs. James Terwilliger, Mrs. Thurston and Mrs. Kirtley.

NOTICE

The Woodmen of the World will hold a dance Friday evening at 8:30 o'clock at the Woodman Hall.

"Tacky" Party Held By Baptist Circle

The Women's Bible class of the First Baptist Church held its last meeting of the year in the form of a "Tacky" party on Tuesday night at the home of Mrs. J. W. Hall, with Mrs. R. L. Hunt, Mrs. Robert Puerifoy, Mrs. S. C. Dickerson and Mrs. F. E. Bolz assisting her as hostesses.

Mrs. V. G. Hasty presided over the short business session. At the conclusion of the business Mrs. A. C. Madden received the prize for being the "tackiest." Gifts of hose were presented to the teacher, Mrs. Volle Williams, and Mrs. Hasty from the class.

Late in the evening refreshments were served to Mrs. Callaway, Mrs. Hess Stephens, Mrs. Martha Kivlen, Mrs. H. C. Echola, Mrs. Clyde Dickerson, Mrs. A. L. Stacy, Mrs. Will Whitmore, Miss Minnie Stewart, Mrs. J. F. Lewis, Mrs. A. C. Madden, Mrs. R. R. Pippen, Mrs. R. C. Wiley, Mrs. O. G. Rolley, Mrs. H. B. Odham, Mrs. H. Wayne Rucker, Mrs. O. C. Gibbs, Mrs. Joder Cameron, Mrs. W. A. Cagle, Mrs. J. M. Wilson, Mrs. Bolz and Mrs. A. J. Peterson.

Also Mrs. M. N. Cleveland, Mrs. J. T. Newby, Mrs. W. P. Brooks, Jr., Mrs. A. K. Rosetter, Mrs. Theo Stiles, Mrs. W. C. Rumbley, Mrs. Basil C. Moore, Mrs. B. R. Beck, Mrs. Williams, Mrs. Hasty, Mrs. C. A. Anderson, Mrs. A. L. Barineau, Mrs. Maudie Jenkins, Mrs. Puerifoy, Mrs. Hunt, Mrs. J. A. Strange and Mrs. Hall.

Mrs. S. J. Davis Has Baptist Circle Meet

Mrs. J. S. Davis entertained members of Circle No. 5 of the First Baptist Church on Monday with Mrs. Raymond Kader as co-hostess. Mrs. J. P. Holtzclaw presided over the business meeting. The Bible study was taught by Mrs. J. E. Courier, Jr., and Stewardship by Mrs. C. S. Sheppard.

Refreshments were served by the hostesses in Mrs. Shepherd, Mrs. Julian Stenstrom, Mrs. W. L. Stoulenmire, Mrs. R. K. Harlow, Mrs. Courier, Mrs. John Lee, Mrs. L. E. Garner, Mrs. Holtzclaw, Mrs. Charles Anderson, Mrs. W. L. Vance, Mrs. John Rogers, Mrs. W. F. Lodge, Mrs. E. Puerifoy, Mrs. J. Jackson, Mrs. Frederick Cooper and Mrs. M. T. Haynes, Jr.

Mrs. A. Hawkins Has Open-House On May 6

Open-house was held on May 6 in honor of Mrs. Annabel Hawkins who celebrated her sixty-ninth birthday on that day at her home in Lake Monroe. Guests called between the hours of 1:00 and 9:00 o'clock. Decorations in the Hawkins home were carried out in the colors of pink and blue.

Among those attending were Mrs. Roy Callman of Jacksonville, Mr. and Mrs. Claude Hawkins, Mrs. Charles Carlson, William Hawkins, Albert Hawkins and grandchildren, Claudette, Bobby and Emory Hawkins and Charles Carlson.

REWARD!

FOR THE OLDEST CHEVROLET TRUCK In Service Today!

GENEVA NEWS

By Mrs. A. E. Moran

Mr. and Mrs. O. E. Poland of Sanford were guests of Mr. and Mrs. Henry Kretzer Sunday.

Friends of Miss Betty Summerville will be glad to learn she is improving from her illness.

Mr. and Mrs. Bernard LeFils and family formerly of Green Bay, Wis., and Geneva have moved into Sanford into one of the Tack apartment.

Mrs. R. R. Murphy of Orlando, Mrs. B. F. Wheeler, Jr. of Oviedo and Mrs. Samuel McBride of Wilmington, Del. were visitors of Mrs. A. E. Moran on Friday.

Sgt. and Mrs. William Torres of Jacksonville are spending a few days with Mr. Torres' parents, Mr. and Mrs. C. F. Harrison.

A group of young people gathered at Lake Mullet Park Thursday to celebrate the birthday of Miss Betty Faye Yarborough with a chicken pilau supper.

Those present were Betty Faye Yarborough, Lillian Moran, Mary Louise and Frances LeFils, Laverne Dunkel, Mildred Mathieux, Lee Combs and Edward and N. J. Yarborough.

The Geneva Garden Club held its regular monthly meeting at the home of Mrs. J. C. Hills, Jr., on Lake Geneva Wednesday.

Chief and Mrs. John Thomas and son Frank left Wednesday for the Hawaiian Islands. They expect to be there for at least two years.

Lalue Alderman entered the Fernald Loughlin Memorial Hospital for treatment for a few days.

Mary Jones of Daytona Beach is the guest of Mrs. Lalue Alderman.

Mrs. Joe Mathieux is improving after a serious attack of ptomaine poisoning.

Mr. and Mrs. J. V. Toole of Ft. Lauderdale, Mr. and Mrs. R. B. Murphy and son Charles of Orlando, Mr. and Mrs. B. F. Wheeler, Jr. of Oviedo and Mr. and Mrs. A. E. Moran and family enjoyed a fish fry at Ft. Lane on Lake Harney Saturday night.

Mrs. Lalue Alderman arrived home Friday after spending several days in Jacksonville visiting her daughters Helen and Emma.

A farewell picnic supper was given in honor of Mr. and Mrs. John Thomas at Mullet Lake Park Monday night. Mr. Thomas is a chief in the U. S. Navy and will be stationed in the Hawaiian Islands. His family will accompany him as far as San Francisco, Cal. and stay there until arrangements can be made for them on the island.

Those who enjoyed the party with them were Mr. and Mrs. Wilfrey, Evelyn Daniels, Mr. and Mrs. W. G. Kilbee, Mr. and Mrs. J. T. McLain, Mr. and Mrs. W. L. Sieg, Mr. and Mrs. A. E. Moran, Mr. and Mrs. Edson Gott and Mrs. Homer Ballard, Mrs. Henry Harrison, Mr. and Mrs. Raymond McGill, Mr. and Mrs. W. G. Anders, Mr. and Mrs. O.

Mountbatten Slated For British Meeting

LONDON, May 15, (AP)—The British government is recalling Viscount Mountbatten, Viceroy of India, for consultations on the transfer of power to the Indian people.

An official announcement today said Mountbatten would return on a short visit as soon as possible, to enable him to go back to New Delhi by June 2. This date has been set for his conference with Indian political leaders to discuss the procedure by which power is to be transferred.

Each day about 5,000 long-distance trucks enter New York City.

Sanford To Entertain Orlando In Twin Bill Tonight

Celery Feds Lose 9 To 8 Contest To DeLand Last Night; Stewart, Green Hurl

The Orlando Senators will appear tonight in a twin bill. Manager Buddy Lake announced this morning that Glenn Garrett and Charlie Bissen will likely ascend the hill for the Feds. It is possible that Joe Jones and either Jim Payne or Ed Fragle will handle the mound assignments for the Senators.

DELAND, May 15 (Special)—The Sanford Celery Feds fell apart at the seams and blew a seven-run lead here last night as the DeLand Red Hats took a 9 to 8 decision from the visitors. Diminutive Juan Perez was the outstanding player of the evening. Perez entered the game as a pinch hitter in the fateful eighth and lifted a smashing triple into the right center field with the winning runs on the sacks. Sanford tallied seven markers in the first and added one more in the fourth. DeLand peeked away at the offerings of Hal Stewart for two runs in the first, one in the fifth and six in the eighth. Stewart was relieved in the eighth by George Green. Stewart received credit for the defeat.

Sanford is slated to meet the Orlando Senators at the Municipal Park in a twin bill tonight as announced yesterday.

Park. Stenciled athletic shirts will be presented to active members of the four teams by King Lion Henry Witte.

The All-Star team lineup will include Hugh Crawley and Mike Wheelchel, pitchers; Edwin Tison and Billy Frank, catchers; George Herndon, first base; Eugene Lom-inack, second base; Robert Beckwith and Terry Cordell, shortstop; Jack Schirard and George Hardin, third base; Bob Kilpatrick, left field; James Davis, center field; and Walter Routh, right field. The managers of the All-Stars will be H. J. Bisbee, Fred Ganas and Harry Robson.

The Cubs will be composed of Frank Stenstrom, pitcher; Jimmie Pennington, catcher; Gerald Covington, first base; Jimmie Krier, second base; Kenneth Gano, shortstop; Richard Butler, third base; James Wade, left field; Hamilton Bisbee, centerfield and Robert Borsdorf, right field. Substitutes for the Cubs include John Carter, Jimmie Butler and John E. Jones. Jack Morrison will manage the Cubs.

The boys in the Lions League will also be given a picnic at Sanlando Springs Saturday. The youngsters have been asked to meet at the Lake Front Park at 9 o'clock Saturday morning in order that they may be taken to the Springs for the day, where Jack Morrison, Henry Witte and H. J. Bisbee will have plenty of food awaiting the healthy appetites.

Fred Ganas will be in charge of transportation for the youngsters. A bus will take them to the springs. John Schirard and A. L. Skinner are preparing a program of games for the picnic. Umpires for tomorrow night's game will be R. R. Deas, John Meisch and R. E. Elsberry.

FEDS ANNOUNCE SUSPENSION OF FOWLER, CHIROS

By ARTHUR BECKWITH, JR. Herald Sports Editor

Tonight the Orlando Senators come to the Municipal Ball Park to tangle with the Celeryfeds in a two game set to which will get under way at 6:45. The first game will be a seven inning affair to make up for the one that was rained out on opening night here. The keen rivalry that has always

characterized the Sanford-Orlando contests will very much in evidence tonight because each club will be playing with the revised roster made necessary by the league ruling limiting the list to 15 men that became effective today.

The Celery Fed manager has elected to suspend Al Fowler, a left-hander from Miami Beach, and Frank Chiros, a third baseman. These suspensions will reduce the Sanford roster to the required 15 men.

So far this week the two clubs have been playing about the same brand of ball. The Senators on Sunday started the week with 11 wins and 10 losses, a percentage

of .583 that rated them second in the league. The locals were struggling in a tie for fifth place with a .480 percentage that came from 12 wins and 13 defeats.

During the week Lou Bevil and crew split with the Leesburg Pirates in the two game series, while Mgr. Buddy Lake's lads were playing even-Steven with the Gainesville nine.

Tuesday the Feds continued and neither team gained when Orlando and Daytona Beach ran the bases for 17 and 10 runs respectively and the Feds were rapping out a 10 to 7 victory over the Red Hats from DeLand, but earlier had lost to DeLand, but losing last night by a 9 to 8 margin.

JIM & BETTY'S FISHING CAMP
Reducing Prices

.25%

IN RESPONSE TO PRESIDENT TRUMAN'S REQUEST TO REDUCE PRICES. WE HAVE NEW PLAN ON HOURLY RATE ON MOTORS FOR TRIPS AFTER BUSINESS HOURS.

Let's Talk Sense About Food Prices

In all the talk about lower prices, don't forget this:

Day in and day out, no retailer does a better job of keeping prices down than your food merchant. No food merchant does a better job than A&P.

We would like you to understand two important things about A&P's price situation:

Our net profit during the past five years has averaged only about 1 cent on each dollar of sales. If we were to operate our business without any profit at all, this 1 cent would amount to a saving of less than 4 cents a day on the entire food bill of the average American family.

We sincerely believe that A&P has the lowest cost of distribution of any retail business in the world. When you spend \$1.00 in an A&P store, you get 86 cents worth of food and only about 14 cents goes to meet all expenses — wages, taxes, rent, light, heat and the hundreds of other expenses incidental to the stocking and operating of a modern food store — including our very small profit.

Obviously there is little "fat" in such a price structure. Our operating costs and profits are already cut close to the bone.

Merchants generally have reduced prices on many items on which they were overstocked. In recent weeks we have reduced prices on hundreds of such items. That is common merchandising practice and has no relation to a general or permanent price reduction.

While many food prices have already been lowered we must recognize that no substantial general reduction in retail food prices is possible until the cost of food to the retailer is reduced.

As any housewife knows, A&P's business has been built on the policy of selling quality food at the lowest practical price every day.

We pledge to our customers strict adherence to that policy. We will continue to lower our prices as fast as reductions in costs to us and economies in our operations permit.

Faultless Proves Value Of Training In Florida Sun

MIAMI, May 15 (Special)—Still another testimonial to the magic of wintering race horses in the Florida sunshine at Hialeah was supplied in the Preakness at Pimlico when Calumet Farm's Faultless flashed to victory.

It was the 12th Triple Crown "level" won by a Hialeah-prepped entry in recent years, and the fourth time since 1941 a colt has come out of winter racing here to take the Pimlico three-year-old feature.

during the recent Hialeah meeting. The most important victory was in the \$50,000 added Flamingo Hialeah's big three-year-old race...

The new Preakness champion was wintered at Hialeah, at a 2-year-old in 1946, and taught by racing ABS here by the horse training Jones boys, Father A. B. (Plain Boy) and Son H. P. (Jimmy). Both his sire and dam raced at Hialeah.

Other triple crown "jewels" won by Hialeah-prepped entries included the 1938 Kentucky Derby by Lawrin, the 1941 Derby and Belmont Stakes by Whirlaway...

U.S. Aims Are Said Twisted By Marshall

Secretary Urges Congress To Support American Foreign Radio Broadcasts

WASHINGTON, May 16, (AP)—Secretary of State Marshall told Congress members today that American aims are misrepresented to a "tremendous degree" in some foreign countries and this nation must devise "some method of spreading the truth."

He asked that Congress "get on with the business" of providing the ways and means by authorizing the State Department to go on with its foreign language broadcasts and circulation abroad of printed information about the United States.

Marshall appeared before the House Foreign Affairs committee which is considering legislation to authorize the program.

"No nation," he told it, "has been more generous than the United States, and yet I rather believe that no nation has received less credit for that generosity."

"So long as propaganda is engaged in, by other countries, we must take some action," Marshall told the committee. But he said that he was "unalterably opposed" to having that action take the form of propaganda.

Assistant Secretary of State William Benton, who directs the program, told the committee the department aims to "mirror" American life to the world, rather than present a "showcase" "Mirrored," he explained, "is presenting an actual picture of life in this country while 'show case' is turning out one-sided and strictly favorable types of information. Rep. Lodge (R-Conn.) inquired "Would you mean that the Russian operated the showcase type?"

Benton replied affirmatively. "But he added that the 'mirror' operation in the long run will win more world understanding."

He quoted Paul Hoffman, president of the Studebaker Corporation, as advising him that he should be asking for \$300,000,000 for the program rather than \$100,000,000.

Hits Gamblers

Seminole County Rep. Bradley Odham, who charged in the House of Representatives this week, that gamblers were offering bribes in the Legislature to influence legislation.

2 Killed, 3 Hurt In Running Gun Fight At Court House

Rejected Bar Applicant Shoots Law Official, Policeman

WASHINGTON, May 16, (AP)—A patrolman and a law association official were killed and three others wounded today in a gun fight started at the Municipal Court House by a disgruntled bar applicant.

The dead were identified by police as: Hubert Estes, a patrolman, and Ray Devendorf, 65-year-old clerk for the District of Columbia Bar Association's committee on admissions and grievances.

The wounded reported by police are: Attorney George W. Dalzell, of Chevy Chase, Md., 69, executive secretary of the grievance committee, Cecil Craig, a guard on duty at one of the doors of the court house building about five blocks from the Capitol and an unidentified negro, whom police described as the unsuccessful applicant for admission to law practice.

The first shots were fired in Devendorf's office on the third floor of the building which houses municipal courts. Persons in the building at the time said the negro returned to the office and demanded return of the fee he had paid when he sought admission to the bar. An (Continued on Page 12)

House Asks Inquiry Into Odham Charge

Senators Question Who Offered Bribe; Huge Building Program Is Approved

TALLAHASSEE, May 16, (AP)—Reps. Smith and Odham introduced H.R. 848 relating to definition and enlargement and preventing city from a property for unpaid taxes and special assessments.

TALLAHASSEE, May 16, (AP)—Legislative moves were started today which may lead to investigation of charges made on the House floor that bribes were offered for votes against a bill to curb race bookmaking in Florida.

The Senate and House independently took under consideration a statement made by Rep. Bradley Odham of Seminole County during debate on the bill that he had been approached to vote against it and that "money was on the line" to defeat the measure. The bill, which had overwhelmingly passed the Senate, was defeated in the House by four votes.

Members of the Senate voted 19-16 to call for appointment of joint committees from both branches to investigate the charges.

Meeting independently later, the House Rules Committee adopted a motion notifying Rep. Odham "as anyone else" that it would hear any statement he would like to make at a session immediately after adjournment of the House Monday afternoon.

Rules Chairman Collins of Sarasota brought the matter up by asking whether the group wanted to do anything about Odham's statement. At the same time, it named a three-man committee of lawyers to see what could be done legally if the House were to undertake an investigation. It was composed of Reps. Luckie of Duval, Johnson of Gadsden and Bryant of Marion.

Rep. Clement of Pinellas, sponsor of the House bookie bill, asked, "What can this committee do?" (Continued on Page 12)

138 Superforts Simulate Bomb Attack Over New York City

Harriman States U.S. Is Unsolicited World Leader

NEW YORK, May 16, (AP)—An armada of more than 100 B-29s, the most powerful bombing formation ever assembled in the United States, streaked over the skyscrapers of New York at 12:30 P. M. today.

A total of 138 superfortresses took off from dispersed and distant bases for the target run over New York and subsequent strikes over Newark and Trenton, N. J., Philadelphia, Wilmington, Baltimore and Washington, D. C.

A communication plane reported, however, that 130 of the big four-engine planes rendezvoused with split second timing over Cape May, N. J., at 11:36 A. M. then laid a straight course of 130 miles to New York for the full dress training review of the nation's heavy bomber strength. The Army did not announce immediately whether all the planes which momentarily under the command of Gen. George C. Kenney, commander of the Army Air Forces strategic air command led the formation which he designated "The B-29s" roared overhead in "stacked" formation, stepped from about 3,500 to 4,500 feet altitude and spanning a sky area about two miles long and one and one-half miles wide.

General George C. Kenney, commander of the Army Air Forces strategic air command led the formation which he designated "The B-29s" roared overhead in "stacked" formation, stepped from about 3,500 to 4,500 feet altitude and spanning a sky area about two miles long and one and one-half miles wide.

Harriman appealed for a full understanding of America's new role and said that in giving spirit and leadership, "we must hold firmly to our principles."

In the field of reconstruction, the former Ambassador to Mexico said, the United States must show the way in the expansion and development of production and change of goods among nations, "the ultimate hope for economic and political stability."

Bevin Declares Britain Remains Important Power

Nation Does Not Intend Withdrawal From Middle East

LONDON, May 16, (AP)—Ernest Bevin served notice today that Britain still regards herself a great power, declaring "I have never intended to the British people to apply for a reversion to a bankrupt state."

In a speech closing a two-day foreign affairs debate in the House of Commons, the British foreign secretary also declared Britain has no intention of withdrawing from the strategic Middle East.

He also accused the world press, particularly that of the United States, of hampering a settlement of the big four peace problems by reporting events so closely that "one cannot even think about without its getting headlines."

"I wish to say," Bevin declared, "that His Majesty's government does not accept the view that we have ceased to be a great power or the contention that we have ceased to play that role."

"We regard ourselves as one of the powers most vital to the peace of the world and we still have our historic role to play. I am not aware that by a sudden stroke of fate we have ceased to be a great power overnight. We have nothing to apologize for."

Group Recommends 11 Per Cent Cut In Navy's Budget

Germans Warned Of Penalties If Rioting Continues

By DONALD DOANE
WIESBADEN, Germany, May 16, (AP)—Dr. James R. Newman, American military governor of Hesse, warned in a radio address tonight that American military power and the death penalty would be employed if necessary to curb German "disobedience" over their food shortage.

In his sternest language to date, Newman declared: "There will be no strikes in Hesse nor will there be any tolerance of any other agitation against the policies of the military government, whether the purpose of such is political or otherwise, which in any way impede or tend to impede the occupational requirements or programs."

"Any person or group of persons acting or doing will be punished, and remember that, under the laws relating to occupation armies and military government, the supreme penalty can be imposed against the offenders."

Brig. Gen. Walter J. Miller, military governor of Bavaria, urged German union leaders in Munich to prevent strikes which "will not bring you more food."

Brig. Gen. Louis H. Jones, military governor of the United States zone, showed that the United States and Britain in the first three and a half months of this year supplied (Continued on Page 12)

Group Recommends 11 Per Cent Cut In Navy's Budget

Reduction In Civilian And Military Personnel Suggested By House Committee

By WILLIAM F. ARBOGAST
WASHINGTON, May 16, (AP)—An 11 per cent cut in the Navy's 1948 budget which may necessitate reducing the planned strength of the Navy and Marine Corps by 40,000 officers and men was recommended by the House Appropriations Committee today.

The committee chopped \$377,519,200 from the \$3,513,000,300 in new appropriations requested by President Truman, but it said it believes the lesser amount will be adequate "without requiring any of the efficiency of the fleet" or reducing "essential naval activities."

Union Leader States Confidence In Victors Is Sinking

It Called upon the Navy to Reduce its Personnel, Both Military and Civilian, and to Close some of its Shore Establishments. The Committee Approved in Full the \$34,400,000 Asked for Research and the \$170,000,000 in Contract Authority to Buy new airplanes and equipment, plus \$90,000,000 in cash for new planes.

The total new appropriations amounting to \$313,481,100 compared with \$433,781,951 this year.

While the committee did not expressly order a reduction of 40,000 in Navy and Marine Corps strength, members interested in the action as likely to have that result, Chairman Taber told reporters (Continued on Page 12)

Club Completes Plans For Tennis Matches Sunday

Final arrangements for the series of exhibition matches sponsored by the Sanford Bath and Tennis Club on the courts at the Mayfair Inn have been completed, according to an announcement by Lind Weber, Manager of the Mayfair Inn.

A group of topflight Rollins College letters who have won all their matches played with school teams throughout the state with the exception of the University of Miami, to whom they lost twice this Spring, will take to the courts at 8:00 P. M. Sunday when Betty Rosenquist, former Eastern Inter-Collegiate women's singles champion, will meet Jean Clark, popular young stylist who is ranked number six in Southern Tennis.

Enrique Buse, Peru's National Singles champion, will take on Rollins Tennis Coach, Eddie Cope and who has recently been ranked number 14 among the nation's tennis professionals.

A mixed double match will feature Betty and Gus Peoples, recent finalist in the Florida State Public Courts Championships, against Jean and Enrique. The matches will be free to the public and will find Charis Harrison in the Umpire's Chair with a group of local tennis fans officiating as line-men.

Jewish Underground Continues Violence

JERUSALEM, May 15 (AP)—The Jewish underground concealed a mine in a parked automobile on Mount Carmel in Haifa today, detonated it electrically as a police car passed by and killed a British policeman and wounded three other officers, an official announcement said.

One of the three injured men was described as a Jewish police inspector. Investigators found a wire leading from the parked car to a point 90 feet away. The machine in which the police were riding was smashed and burned by the blast.

The left wing Hashmair Hatzair party, whose Jewish members operate some 300 communal farm settlements in Palestine, called, meanwhile, for "equality for Jews and Arabs under international trusteeship as preparation for a bi-national state."

Nitti Requested To Form Italian Cabinet

ROME, May 16, (AP)—President Enrico De Nicola today assigned Francesco Saverio Nititi, 70-year-old pre-fascist premier and financial expert the task of forming a new Italian cabinet.

Emerging from De Nicola's office after a one-hour conference, Enrico De Nicola today assigned has invited me to form a new government."

He indicated that he would undertake the task but he would "reserve decision" on accepting the premiership until he had ascertained whether he could assemble a cabinet, the usual parliamentary procedure.

Nititi is an independent, and it was assumed he would attempt to form a broadly-based government of "national unity" to succeed the three-party coalition headed by Christian Democrat Alcide De Gasperi, who resigned on Tuesday.

Lewis And Operators Begin Contract Talks

WASHINGTON, May 16 (AP)—John L. Lewis and operators who produce three-fourths of the nation's soft coal began contract negotiations today that may determine whether there will be a nationwide mine strike this summer.

Six-man committee representing Lewis' United Mine Workers and the operators conferred for two hours, then recessed until Tuesday without any report on their talks.

Lewis, head of the union delegation, brushed aside the reporters' questions as the initial meeting broke up, telling them the conference chairman, Ezra Van Horn of Cleveland, would make all announcements. Van Horn said he had no statement whatever to make.

Korean Government Negotiations Renewed

SEOUL, May 16, (AP)—American headquarters announced today that a Soviet delegation from north Korea and a secretariat of 25 persons will arrive in Seoul Sunday to renew negotiations for formation of a provisional government for jointly occupied Korea.

Conferences are scheduled to start Tuesday on a basis of consultation of all Korean political elements. Previous negotiations broke down on the issue of what groups would be consulted. The Russians, in effect, would agree to confer only with Korean Communists. The situation remained stalemated until after an exchange of notes in Moscow recently between Secretary of State Marshall and Soviet Foreign Minister Molotov.

May And Garsons Described As Patriots

WASHINGTON, May 16 (AP)—Defense Counsel at the May-Garson war fraud trial today pictured the three defendants as patriots and men of them, mentioning that they had saved the government \$200,000 in war expenditures.

Charles J. Margiotti, attorney for the Garsons, produced in an opening defense statement to the jury that former Kentucky congressman Andrew J. May and army manufacturers Henry and Murray Garson are innocent of any wrongdoing.

The attorney and the Garson brothers made a war production record "unequaled by any other war manufacturer in the country," including Henry Kniser, and that May helped them with their problem "only out of a sense of duty and in the interest of winning the war."

Margiotti said Henry Garson devised a number of munition-making techniques that resulted in saving the government \$200,000,000 in war expenses. The Garson firms received \$78,000,000 in war contracts.

"We'll prove to you that Congressman May was justified in every action he took," Margiotti insisted.

The defense planned to call the 72-year-old May to the stand during the afternoon as one of its first witnesses.

Knot Hole Club Is Organized For Young Ball Fans

Sanford is to have a Knot Hole Club, George Touhy, business manager of the Celeryfeds announced today. Mr. Touhy also said that the Jaycees under the chairmanship of H. L. Perkins, Jr., will undertake to see that the youngsters are properly looked after while they are at the Municipal ball park.

Ordinarily a charge is made for membership in clubs of this kind, but in order to get it started here and make it interesting to every young baseball fan, Mr. Touhy said the Baseball Association is giving the season passes and membership cards to those who agree to abide by the simple rules.

To occupy a seat in the section of the stands provided for the Knot Hole club.

2. Remain seated during the game.

3. Conduct himself as a true sportsman and gentleman.

4. To occupy a seat in the Knot Hole club you do so by calling at the business office at the ball park where the season passes will be issued tomorrow between 9:30 and 12:00 o'clock.

Perkins and his Jaycees committee will have two men to look after the boys who will occupy the north end of the bleachers. The sponsors have indicated that they have other plans in the making that will add interest to Knot Hole club membership.

News Syndicate Head Leaves \$10,923,366

WHITE PLAINS, N. Y., May 16, (AP)—First intermediate accounting of the estate of Joseph Madell Patterson, president of the News Syndicate Co., Inc., who died last May 26 at the age of 67, lists a gross estate of \$10,923,366.53, exclusive of real estate.

The company publishes the New York Daily News. Listed as the principal asset was Patterson's estimated \$4,860,000 interest in the McGraw-Hill-Patterson trust, holding concern for shares of stock in the Chicago Tribune which owns the News Syndicate Co.

Yugoslavia To Begin Lend Lease Discussion

WASHINGTON, May 16 (AP)—Yugoslavia has agreed to begin negotiations Monday seeking to settle its \$32,000,000 lend-lease account with the United States, the State Department said today.

The announcement, released simultaneously by the Yugoslav Embassy, said an attempt will be made also to reach an understanding on Yugoslav assets frozen in the United States and American property in Yugoslavia.

WAR LOOT
Tokyo, May 16, (AP)—Allied headquarters' civil property custodian expressed belief today that only a negligible amount of war booty and looted property will remain to be uncovered in Japan. Brig. Gen. Patrick H. Tansy, the custodian, added in a statement that "any idea that fabulous amounts of this property are yet to be reported is entirely fallacious."

Babe Ruth Has No Luck Tarpon Fishing

MIAMI BEACH, May 16 (AP)—A dozen tarpon virtually leaped over the boat when Babe Ruth was fishing, but baseball's bamba was back home empty-handed today from a two-day fishing trip in the Florida Keys.

"They were playing all around us, leaping and splashing, but not one took our line," said Raymond Kilhau, Ruth's host on a Florida vacation.

They next tried bone fishing, but these wily gamblers also avoided the lures.

Ruth and Kilhau spent today walking a couple of dogs at the end of leases.

8th Lynching Witness Names Hurd Killer

GREENVILLE, S. C., May 16, (AP)—The prosecution told a Greenville county jury today how lynchers beat a dying negro with gun butts, and then blasted his head into a pulp with a 12-gauge shotgun as he lay on a frozen road last Feb. 17.

Prosecutor Robert T. Ashmore read to the jury a statement by Johnnie Williamson, 27-year-old taxidriver, made shortly after his arrest. Williamson, who acknowledged a third-grade education, said he saw negro Willie Earl shot three times by a hairy cab dispatcher Roosevelt Carlos Hurd, Sr.

Williamson thus became the eighth of 31 defendants in the mass-murder trial to name Hurd as the one who executed the doomed negro.

800,000 Vote In Dominican Election

CIUDAD TRUJILLO, Dominican Republic, May 16, (AP)—Nearly 800,000 voters of this tiny Caribbean republic turned out to elect a president today amid virtual certainty that Rafael L. Trujillo would be chosen to succeed himself for a fourth term.

His two opponents, Rafael A. Espallart, nominee of the National Democratic Party, and Francisco Prats-Ramirez, candidate of the National Labor Party, stated yesterday that they expected to lose because their parties did not have sufficient numerical strength. The election has generated little public enthusiasm, since 80 per cent of the voters are members of Trujillo's Dominican party.

Police Hunt Clues To Atlanta Killer

ATLANTA, May 16, (AP)—Police studied the findings of a laboratory examination today for some clue that might lead them to the sex slayer of Mrs. Paul Refoule, a complexly burn-haired society matron who was raped and strangled at her home Wednesday afternoon. Although it was undetermined at the time her bruised body was found in historic Peachtree Creek, the sex motive was established late yesterday by Dr. Herman Jones of the Fulton county crime laboratory.

Local Hen Should Be In 'The Egg And I'

An egg weighing one-fourth of a pound and eight inches in circumference was recently laid by a New Hampshire Red hen in the chicken coop of Mrs. E. D. Hart of Geneva. In another nest Mrs. Hart found a tiny egg no bigger than a marble.

The Jay birds invariably warn Mrs. Hart when there are chicken snakes around, and that has been quite often of late, she said. As a result of the warning of the birds she recently pulled a huge chicken snake with a rake from the mulberry tree and killed it. Another time she shot at a snake and missed and a colored man came over and killed the snake. One evening she found a large chicken snake in the coop in the act of swallowing one of the biddies.

Stewart Funeral To Be Held Monday

Funeral services for Master Sergeant Robert A. Stewart, son of Mr. and Mrs. W. H. Stewart, who died Tuesday at the hospital at Camp Lowry, Colo., will be held Monday morning at Holy Cross Episcopal Church with the Rev. Mark Carpenter officiating. Interment will be in Evergreen Cemetery.

The remains are expected to arrive at 12:50 P. M. Saturday, according to the Erickson Funeral Home.

The following pallbearers will serve: Theodore Williams, B. L. Perkins, Jr., Cecil Carlton, John D. Carlton, John Carver and J. M. Moys.

Public Is Invited To Inspect Station

The public is invited by James H. Rivers to inspect Radio Station WTRR which will go on the air within the next few days, pending approval to broadcast from the Federal Communications Commission in Washington, D. C., he announced this morning. Mr. Rivers is owner of the station.

The studio, located in the east wing of the Mayfair Inn, has its own private entrance and will be open for inspection at 9:00 o'clock Saturday morning. Its broadcasting facilities were again tested early this morning between the hours of 1:00 and 5:00.

DEGREE NEEDED

TALLAHASSEE, May 16 (AP)—The State Board of Control informed the Florida Senate today it is opposed to passage of a House bill which would permit high school graduates to enter the University of Florida law school.

ROTARIANS

The Rotary Club will not hold its regular luncheon Monday on account of the boat ride which will be held Wednesday afternoon.

LOCAL OPTION

TALLAHASSEE, May 16 (AP)—The Senate passed a House bill permitting voters in local option elections be permitted to vote whether liquor will be sold in the drink or in package stores only.
