"Most Diseases Enter the Body Through the Mouth"

Says DR. H. C. WHITE Health Director, Kenton County Health Department, Covington, Kentucky

Every smoker, every wife whose husband smokes cigars, should read Dr. White's letter.

"Who are the friends of 'Spit'?"

YOU MAY WELL ASK THIS QUESTION WHEN 56 IMPORTANT HEALTH OFFICIALS HAVE WRITTEN SO STRONGLY AGAINST THE EVILS OF SPIT OR SPIT-TIPPING.

Dr. White writes: "Most diseases enter the body through the mouth."

The war against spit is crusade of decency... Crone's crusade against spit or spit-tipping.

OVER LONG TIME Singers Have Been Appearing Before Public Over 75 Years

Anything that can stand the test of public approval for over 75 years, is surely worth while, and that is exactly the situation with Princess Alexandra Slaviansky's Royal Russian Choir, which comes here next Saturday at the City Hall for the concert, under the local management of the Sanford Lions Club and the South Florida P. T. A. Association.

This famous group of singers and dancers was organized in Russia in 1845 and has carried on almost unintermittently ever since. They have visited almost every country in the world and have the distinction of probably having received more medals and honors than any other group.

They are enrolled as honorary members in over 100 musical societies in all parts of the world and possess over 50 medals that were bestowed upon them by rulers and potentates from many lands.

One of the most interesting members is Ivan Butenoff, the celebrated basso, who has sung with the choir for over 30 years. His melodious basso-profundo voice, blending with and forming a foundation for the other voices of the choir, is one of the great trends of the performance. The great Metropolitan Opera basso Chaliapin, who has delighted Americans with his glorious voice and rare artistry, is a very dear friend of Butenoff. In fact, many years ago when Chaliapin was a member of the Slaviansky Choir, they were room mates. Butenoff has the distinction of being able to reach clearly, four notes lower than Chaliapin; a feat in the old days that Chaliapin seemed to be very jealous of. Butenoff is said to possess one of the greatest basso voices in the world today.

Although the group is known as a "choir" their work is not confined to singing. Quaint Russian folk songs, popular ballads and musical numbers, of great variety, but typical of Russia and other European countries are included in the glorious program that is to be given here. In addition to several songs in English and Italian, also Russian, Hungarian, Gypsy and English dances, with orchestral accompaniment, are given by six of the group, on the delightful "balalaika" instruments.

The concert will be heard at the City Hall on Saturday night at 8:00 o'clock, and popular priced tickets, are now on sale at Joe's Smoke House, Milady's Shoppes. Judging by the advance sale, a large audience of local musicians and dance lovers will be on hand to hear and see this celebrated company in their first concert here.

Newly Constructed Road From North To Florida Is Now Open

With the opening of the road on Feb. 23 of the newly built pavement between Gainesville, and Baldwin, Ga., the last link of the peach blossom and scenic highway from Florida to Canada has been completed. Now the motorist can travel from Florida to the East, through the beautiful peach blossom country of South Georgia and the majestic mountain scenery of North Georgia, and North Carolina, without leaving hard surface roads. This newly completed route is north of Atlanta, on Georgia state route No. 13. The paving was in progress during the winter months. In fact, its completion had been scheduled for Dec. 1st by the Georgia Highway Department, but untoward rains delayed the work for more than sixty days.

The newly built stretch of road is said to be the best road in road building. It is of concrete, protected at all turns with scientific grading so that although the road winds through beautiful mountainous country, there is never a moment of uneasiness in driving through the hills.

PROSPECTS DULL FOR PRIMO AND MALONEY BATTLE

By ALAN GOULD
MIAMI, Mar. 5.—(AP)—Chilly weather, a law suit for damages and a substantial rush for "Annie Oakley" at fistic headquarters, yesterday were the only noteworthy developments leading up to the 10-round heavyweight match between Primo Carnera and Maloney, scheduled tonight.

Much after the manner of moaners, hoping for the best but dreading the worst, the boys accustomed to appear at all big heavyweight affairs, no matter where the location, began trooping in yesterday to make themselves comfortable "on the house" and partly as a consequence, the market for "Annie" or complimentary tickets, was much heavier than the activity on the part of cash customers.

Freezing Weather And Law Suit Precede Fistic Fray Tonight

Although weather prospects, for this evening were good, the unseasonable chill yesterday that sent the mercury down to 48 and threatened a frost in the Everglades, was not calculated to stimulate the advance sale.

Promoter Frank J. Bruen estimated to make any further estimates as to what the show would draw, or whether there was a chance to save it from going heavily "into the red." The unofficial guess was that the "gate" would be lucky to pass \$50,000 on which basis the loss might be considerable.

NEW JERSEY PRO WINS GOLF MEET HELD IN ORLANDO

ORLANDO, Mar. 5.—Clarence E. Clark, of the Forrest Hills country club, Bloomfield, N. J., won the \$1500 second annual Central Florida open golf tournament at the Orlando country club yesterday with a card of 67-76—143 for the 96 holes of play. It was the Bloomfield pro's first exhibition on a Florida golf course.

Shooting in unerring fashion Clark finished the morning round with a scintillating 67, smashing the course record by two strokes and vanquishing Old Man Par by four shots. He continued this amazing performance in the afternoon being one over par on the first nine, the strain began to tell on the homeward journey and although weakening somewhat he was able to finish 5 strokes ahead of his nearest competitor to enter the \$250 first prize.

Clarence Clark Finishes 5 Strokes Ahead Nearest Contender

Showing signs of regaining his wits, Clark in the links Walter Hansen with 75-76—148 was tied with John O'Connor, Lake Geneva, N. Y., whose card read 75-73—148 for second place. "The Hawk" carrying the largest gallery unreckoned some brilliant golf in the morning and if his usually reliable form had not failed in the closing round he might have caught the leader. The pair divided the \$500 pot for second and third place awards.

Whitby Cox, Brooklyn, N. Y., who recently won the Jacksonville open, shot two consistent rounds 73-76—149 to cop the fourth prize of \$150.

INDIA AWAKES TO FIND ITSELF ONCE AGAIN AT PEACE

(Continued From Page One)
never return thence until India gained self-government. He can return to his quiet life of meditation, study and prayer.

When Gandhi set out for the victor's palace yesterday to sign the historic accord, his agonized journey from the old Delhi to the new was compared by bystanders to his historic salt march which began last Mar. 12. There was this difference—the former occasion it was to declare war; yesterday it was to make peace.

India Awakes To Find Itself Once Again At Peace

He strode through the morning mists, followed by hundreds of workmen who dropped their tools at the sight of him; and it was exactly noon when he reached the viceregal palace. Five minutes later his signature had put into effect an armistice. He shook hands with Lord Irwin, and the broken friendship between Great Britain and India was reunited.

Shortly afterward the bells of the Hindu temples, by a striking coincidence, were heralding the Hindu festival—the advent of Spring and peace, when the entire Hindu world proclaims itself to be in peace and harmony with all mankind.

News of the truce flew all over India as if on wings, causing the natives to observe this day as a double holiday. Their rejoicing took the form of coveting themselves with the seven colors of spring, which is one of the greatest Hindu ceremonial rites.

The year's first application will give you a skin that is healthy and clear. You are going to give your skin a good start for the year. You probably feel that the weather is just what you need. The only thing to use was an ointment or salve (some of them are very good) but in the big majority of cases these sticky salves simply clog the pores and the condition primarily remains the same.
