

*If it weren't for brand names*  
**You'd have to be a home economist  
 to choose the food you want**

You do 70% of your grocery shopping "sight unseen." The products you buy are in packages, with only the label outside to guide you.

How is it that you don't have to look inside each package? What makes you so sure you're getting the quality and flavor you pay for? In fact, what makes you sure about *anything* you buy?

Isn't the answer simply that

you've learned the basic rule of safe and sound buying:

**A good brand  
 is your best guarantee**

No matter what you want to buy, you know manufacturers stand back of good brands because they have so much at stake. You know you can depend on a good brand. And so, when you pick one you know you're right.

The more good brands you

know, the surer you are. Get to know them in the pages of this magazine. They can help you cut down on buying mistakes, get more for your shopping money.

# The Sanford Herald

AN INDEPENDENT DAILY NEWSPAPER

SANFORD, FLORIDA, MONDAY, AUGUST 29, 1955

Associated Press-United Wire

NO. 263

## Weather

Fair Monday and Tuesday except very widely scattered afternoon showers, mostly in south portion.

MEMBERS OF THE Sanford National Guard Unit, Company "T", 124th Infantry Regiment, file into the local armory on East First Street on their returned home yesterday morning from their 2-week training session at Fort McClellan, Ala. (Photo by Jameson Studio)

## School Registration Beckons To Students

### Buses To Run On Regular Schedule For Children Throughout County

## 3-Car Smashup

### Damage Is High; No Injuries Told

A three-car smashup at the intersection of Park Ave. and Ninth St. resulted in nearly a \$1000 property damage, but no injuries were reported.

Shortly before 4 o'clock yesterday, a 1953 Buick sedan, traveling south on Park Avenue and driven by Walter Ray Wilson, a 30-year-old truck driver of Orlando, stopped at the traffic light waiting for the green "go" signal. In front of him, a 1947 Pontiac sedan traveling south on Park Avenue and driven by Tom Brock, 22-year-old truck driver of Orlando, had also pulled up to a stop.

According to the accident report at the Sanford Police Department, a 1952 Ford station wagon traveling on Park Avenue and driven by Thomas Benjamin Baden, a 30-year-old realtor of Miami, failed to stop.

The Ford rammed into the rear of the Buick showing that car into the rear of the Pontiac. Damage estimated to the Buick sedan was \$650, to the Pontiac at \$300, and to the Ford station wagon at \$200.

Investigating officers Joe Hickson and C. C. Dodson charged Baden with "careless and negligent driving."

## Vocational School Registration Set

Registration for day classes at Seminole County Vocational School will start tomorrow from 9 a. m. until 5 p. m.

Evening classes registration starts Sept. 6 from 7-9 p. m., however applications will also be accepted during the day.

Children from all over Seminole County will trek to their respective schools tomorrow morning to register for the 1955-56 school year which begins on Tuesday, Sept. 6.

School buses will operate throughout the county on regular schedules tomorrow, picking children up on the morning run, and will make the return trip at noon.

Fifth and sixth grade pupils in the Sanford area will report to Sanford Grammar School for registration unless they are within walking distance of Pinecrest School.

Seminole County Superintendent of Public Instruction, R. T. Milwee today, urged parents to register their children for school tomorrow. "Through this registration," Milwee said, "we are able to determine our crowded areas." "Until a complete registration is made," he pointed out, "we are unable to equally balance the load of children assigned to each school."

Important to the registration of first graders, said Superintendent Milwee, is the fact that they must have a birth certificate or evidence of date of birth before they are registered.

New facilities are awaiting many school children in various schools and in others, repainting, repairing and renovation has been underway summer-long to put classrooms and schools in perfect condition for the school year ahead.

An increase of 100 pupils is expected at Lyman School this year. This increase has been on an annual basis with the enrollment at Lyman nearing the 800 mark.

The registration from 9 to 12 tomorrow at Seminole County schools, both white and colored, is the preliminary reporting prior to the actual start of school on Tuesday Sept. 6 when regular sessions and work will begin.

**SMALLEST TV CAMERA**  
FUERTY, Germany (U. S. A.) — A fourth company has announced development of a television camera only 3.2 inches long, and 2.6 inches wide. It was described as "the world's smallest TV camera."

## Fishing Rodeo Ready To Start

The Seminole County Junior Chamber of Commerce annual "Fishing Rodeo" for children 11 years old and younger, will get underway Wednesday afternoon at Trout Pond, with the arrival of buses at 1 o'clock.

Cracker poles have been put in readiness, more than 600 of them, for the greatest crowd taking part in Jaycee Fishing Rodeo history.

## Veteran Showmen Give Amusing Skit At Rotary Luncheon

A short but amusing skit reminiscent of the old time minstrel shows with which the older members of the club were familiar, featured the weekly meeting of the Sanford Rotary Club at the Yacht Club this noon.

Harking back to the good old days when minstrelsy was made popular by "Lasses White, Honey Boy Evans, Al G. Fields, James A. Coburn, Lew Dockstader, McIntyre and Heath, George Timmons, H. Henry and many others, Edward F. Lane, well known in Kiwanis circles throughout Florida and locally as "The Man Who Knows Sanford," enhanced his reputation as a premier and man engaging in spirited dialogue with Rotarian Charlie Morrison acting as the interlocutor, of sorts.

Beginning with, "Hello, Ed! I haven't seen you for about 30 days; what have you been doing?" and with Ed's reply, "30 days!" and ending with Lane's "flower effusion in which he mentions about every flower known to the horticultural world, it was one laugh after another as the two men with over 80 years of amateur minstrelsy between them took several prominent Rotarians over the hurdles.

High finance was well exemplified in Lane's exposition of the disposition of the funds in the treasury of his defunct lodge wherein he assured Morrison that the \$28 in the lodge coffers was divided among the seven members with each one receiving his share, the amount of \$13. Much to the amusement and amazement of the Rotary Club members, Lane proved it by addition, multiplication and division.

Questions on marriage, alimony and the "Sunken Gardens" of our city shared interest with Ed's explanation of the meaning of R. S. V. P. and his trying to convince Charlie that he knew the names of his baseball team. City Commissioner Jack Raligan will probably find it necessary to explain many times why he will not permit the moving of Monkey Island into the City Hall. H. H. "Cooley" Coleman, local district manager for the Florida Power and Light Company will also find it rather embarrassing to explain why he has a man whose eyesight is so bad that "whatever he looks at, he sees double" reading meters for his company.

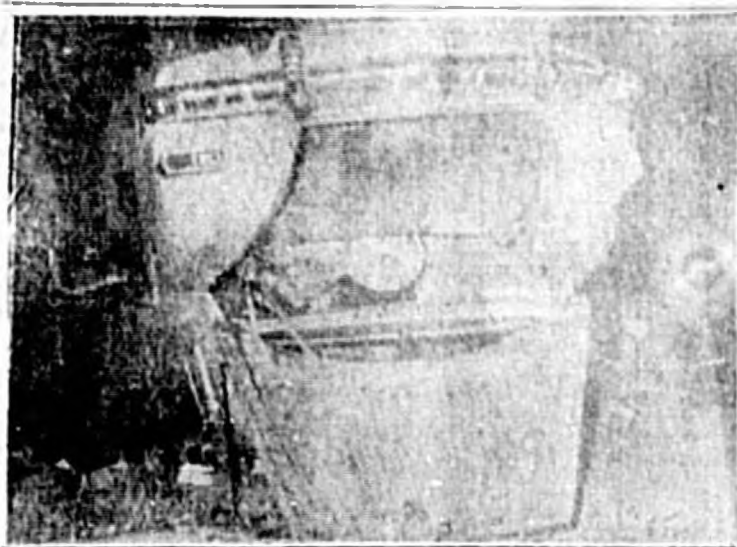

A. L. Wilson, president-elect of the Sanford Kiwanis Club was introduced by Morrison, program chairman for the day, who also offered the invocation and led the club singing. Two visitors, Rotarian Ed Huff, of Leesburg and James B. Jackson of the Public Housing Administration of Atlanta, the guest of Gordon Bradley, were introduced by Sgt.-at-Arms M. L. Raborn. The meeting was called to order by President Bill Bush who announced the cancellation of the meeting on Labor Day.

There will be transportation going out 25th St. (Geneva Ave.) East arriving in Geneva at Post Office at 12 noon. From there on Highway No. 438 to Oviedo. Oviedo leave 12:30 and Highway 419 to Five Points. Arrive Trout Pond 1 p.m.

**Lions Will Discuss Plans For Minstrel**  
Plans for a minstrel this fall will possibly be formulated tomorrow at the noon luncheon meeting of the Sanford Lions Club. Harry L. Miller, Irish humor and comedian, will furnish the program at the Lion's meeting. Miller, it is said, will possibly lead the minstrel now being considered by the civic club.

W. Hugh Duncan, secretary of the Sanford Lion's organization, urged every member of the club to be present at tomorrow's meeting when the minstrel is to be considered.

## Hi-way Group Meets Tonight

SHOWN ABOVE is the Studebaker automobile, resting on its top after being thrown around and over in a collision on Celery Avenue at Summerlin. A mother and her three small children crawled out of the wreckage alive. Below is the completely demolished Chevrolet driven by Theron Thomas of Vero Beach after it had smashed into the Studebaker, sailed through the air and landed on a power pole. (Staff Photos)

## Car Is Destroyed; Injuries Are Slight

A 24-year-old Navy wife holding a six-week-old baby in her lap while driving her car narrowly escaped death early Saturday night as she attempted a left turn into Summerlin Ave. off of Celery.

Accompanied by the infant, her two-year-old son Joseph Hugh and her four-year-old son Dennis, Mrs. Maxine O'Donnell, 1901 Summerlin Ave., had left her mother's home just minutes before her car was literally destroyed.

Mrs. O'Donnell was traveling west on Celery Ave. when she left the home of her mother, Mrs. Duke Stafford, who lives at the Cullum Farm.

Her car was thrown completely around and over on its top before stopping. Neither of the children received a scratch from the smashup but the mother received possible minor injuries.

The accident occurred when a car, driven by Theron Thomas, a 31-year-old septic tank worker of Vero Beach, crashed into the car driven by Mrs. O'Donnell.

According to Theron Thomas, 24-year-old wife of the driver of the car, they had been visiting in Sanford and were on the way back to Vero Beach. She said, "he was angry at me and we were arguing," and she added, "Slim" Galloway.

WALTER TEAGUE, TRANSPORTATION Supervisor for Seminole County School System, meets with school bus drivers and law enforcement officials. (Photo by Jameson Studio)

## Odham Session Leader

The Citizens Committee of the Seminole County Chamber of Commerce Long Range Highway Planning Committee, headed by Bradley Odham, will meet tonight at 7:30 at the Orange Lake American Legion Hall.

Odham, Friday, issued an invitation to all Seminole County citizens interested in assisting in the project to secure 17.92 right-of-way on a "civic pride" basis, to meet with him and the committee to lay plans for the immediate acquisition of the necessary right-of-way to insure the four-laning, paving and widening of the Sanford-Orlando Highway.

A full time secretary was employed Friday to coordinate the Chamber of Commerce and Citizens Committee activities and to provide an opportunity for property owners along 17.92 to walk in themselves to contribute right-of-way property as well as to secure information relative to the progress of the project.

Mrs. J. K. Tolle, the new secretary, will make her headquarters at the Chamber of Commerce office.

Bradley Odham made public his acceptance in heading the Citizens Committee and at the same time appealed to citizens and property owners for assistance in putting the project over the top.

Odham also said that it was, in his opinion, a project that had at stake, "the future progress and growth of Seminole County." Cognizant of the fact that the Road Board has provided the money for the four-laning of the highway, he said, "I expect to do the job in 60 days or less if the Road Board that it cannot be done."

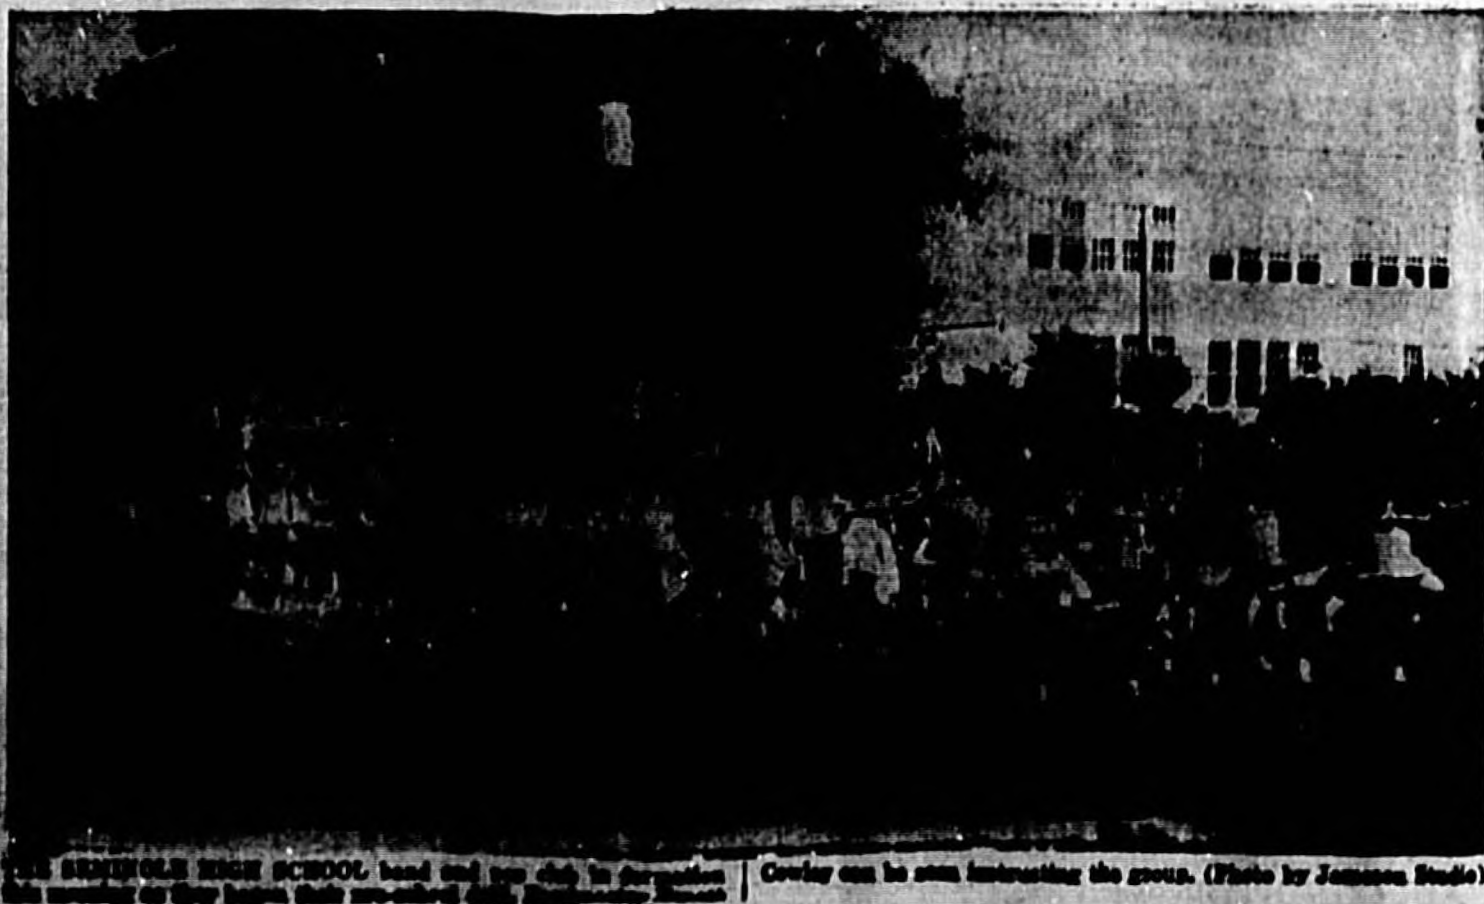

Odham told The Sanford Herald, "We have an assurance of what the future holds since the end of next year no one knows who will be Governor or who'll be the Road Board member." He added, "The job can be done with the cooperation of the property owners in 60 days."

The Citizens Committee chairman said "tonight's meeting at the Orange Lake American Legion Hall will be primarily to organize workers from the list of names submitted by various people," Bradley Odham said. "In addition to these people I want to issue an invitation to every person who is a property owner along the highway or citizens who would like to help the project to be present at tonight's meeting."

## Hurricane Story Is Here Tomorrow

The full story of the hurricane damage in the eastern locations will be shown tomorrow and Wednesday at the Ritz Theatre, according to manager Herb Roller.

During the emergency disaster relief fund drive, conducted by the American Red Cross, and in this area by the Seminole County Chapter of the Red Cross, the pictures, showing dramatically the millions of dollars in damage left in the wake of two hurricanes, will serve as a graphic guide for the sufferers in the damaged area.

## James A. Kirby, 28, Dies Unexpectedly At Shreveport, La.

James A. Kirby, 28, died suddenly at his home in Shreveport, La., Saturday, at 231 Jordan St. Born in Miami on Sept. 24, 1926, he spent his early youth in Sanford, attending Southside Primary School. He later moved to Jacksonville where he graduated from Robert E. Lee High School. An electrical engineer, he graduated from Alabama Polytechnic Institute in 1947 where he was a member of SAE Fraternity.

He also held membership in the Methodist Church and the Optimist and Petroleum Clubs in Shreveport. Mr. Kirby was employed by the Bethlehem Supply Co., of Shreveport. He is a Navy veteran of World War II.

Survivors include the widow, Mrs. Emily Kirby; a daughter, Caroline Lee Kirby, Shreveport; his parents, Mr. and Mrs. William B. Kirby, Sanford; a sister, Mrs. Shelley Boone, Haines City; his grandmother, Mrs. Martha Holmes, Cookeville, Tenn.; two aunts, Mrs. Zeb Ratliff, Sanford; Mrs. Frank MacNeill, Miami; and an uncle, R. G. Kirby of Cookeville.

Funeral services will be conducted Wednesday at 2:30 p. m. at the First Methodist Church with the Rev. Milton Wyatt and the Rev. J. E. McKinley officiating. Burial will be in Evergreen Cemetery here.

By MRS. BEVERLY EATON  
Beginning October 1 Rural

**MR. BEVERLY FATON**  
Beginning October 1 Rural  
Route No. 1 will again be op-  
erating directly from the Longwood  
Post Office. This route was es-  
tablished in 1937 and after two  
years of operation from Long-  
wood it was consolidated with  
route No. 2 from Sanford. This  
route then became both routes  
No. 1 and No. 2 and could easily be  
handled by one carrier.

However, new conditions have  
arisen and it is necessary to  
again separate these routes. The  
Longwood route is revived and  
will extend out through the San-  
dwich Gulf subdivision, Sandale  
Springs and Lake Brantly section.  
"Longwoods" will be very glad  
to have their mail again addressed  
their own Post Office.

Were you one of those attend-  
ing the Fireman's Old-Fashioned  
last night? If so, you certainly missed a  
not, you certainly missed a  
and time. There were approxi-  
mately 175 dancers and spectators  
Sunnyhaze Park participating  
the fun.

"C. A. Farina and his Group" again furnished the music and the dancing was taken care of by Ollis Burdette of Longwood and James Tate of Grande. Mr. Farina had a new member in his group, Mr. O. H. Snodgrass, who played a unique stringed instrument that sounded like a bass tuba. This instrument was furnished through the courtesy of the United Brotherhood of Carpenters and Joiners of America. Mr. Snodgrass took over the duties of the orchestra and really brought forth a harmoniously effective sound.

The Firemen will again hold their Old-Fashioned Dance for their pleasure on Sept. 13. Remember — the firemen make no charge for these dances.

For a puller whole for our community! "Come in and join in the dance—Sept. 13; the Sunday-Sunnyshade Park, Longwood, at 8 p.m.

Mr. and Mrs. Ross Mobley and Mrs. Roger and Bobby, returned from their home on Wednesday after spending a two months vacation in the west coast. Their itinerary included stops in Texas, New Mexico, California, Utah, Wisconsin,

## What Can Residents Expect From Hi-Way 17-92 Planning?

Tonight, at 7:30, a Citizens Committee will be formed, to spearhead a drive for right-of-ways along the proposed 17-92 widening and paving project from French Avenue to the Orange County line.

All of Seminole County, and certainly Sanford, is dependent upon its only arterial highway bringing visitors, tourists, trucks, travelers, salesmen, through its center.

The very life blood of the Seminole County community is the 17-92 highway. Compared with traveling on other highways around the State, 17-92 travel is the heaviest on record. State Road Department travel maps and figures prove this point, and members of the State Road Board have admitted that such travel exists.

Yet, we are faced with the problem of having the highway literally jerked out from under us because right-of-ways must be secured on a civic-pride basis.

Brailley Odham, who accepted the chairmanship of the Citizens Committee, at the request, unanimously of the entire membership of the Seminole County Chamber of Commerce' Long Range Highway Planning Committee at a recent meeting, has admitted that the tremendous responsibility and the heavy weight of committee activities means that he cannot do the job alone.

Odham stated just the other day, that it will take the efforts of every civic minded man and woman in Seminole County to put the project over the top.

Knowing that funds for the project have been appropriated by the State Road Board for 1955, and that should they not be used this year they will be charged against the State Road Department budget next year, Odham has set a 60 day deadline for securing of necessary right-of-ways on a civic pride basis.

### TODAY'S BIBLE VERSE

And Jacob served seven years for Rachel, and they seemed but a few days, for the love he had to her.—Genesis 29:20.—  
The Hindus have a saying that when one man loves one woman and one woman loves one man, the very angels in heaven look down in envy. That is the Christian ideal.

## Today's Teenagers Are Busy Lot

NEW YORK (U.S. The Oddity Almanac):

If you think today's teenagers do nothing but hang around street corners, you've got the younger generation all wrong.  
A survey by Lester Rand, head of the Youth Research Institute, showed 7 out of 10 American teenagers hold down part-time jobs or earn money on the side. Their chief sources of income: Working in drug or grocery stores, typing at home, baby sitting, ushering in movie houses.

Some 81 per cent of the teenagers receive a regular weekly spending allowance from their parents, but three per cent earn their full support themselves.  
Being a teenager today, like everything else, costs more than formerly—and it costs more to be a girl than a boy. The survey showed that girls in the 13 to 15 age bracket outspend boys \$2.72 a week to \$3.11. The weekly spending of girls 16 to 18 years old averaged \$7.04, that of boys \$5.95.

Teen-agers who date regularly spend an average of \$4.33 a week on social activity.

When you get a new dog, do you get a great deal of thought into the selection of his name? Remember, the wrong name may give your pooch a lifelong inferiority complex.

There are changes in fashion in dog names as well as human

names. Who today would have the nerve to name his dog Fido or Rover?

A poll by a kennel ration firm showed the most popular canine names now are Blackie, Smokey, Shippy, Pal, King, Spot and Tuffy. Such once-popular names as Towser and Prince were far down the list.

And whatever happened to dear old Fido?

Oldtime restaurateurs, depressed by the finicky eating habits of today's calorie-conscious patrons, get misty-eyed when they recall the knife and fork feast of "Diamond Jim" Brady, the legendary man-about-town a generation ago.

Frank Bachel, retired maître d'hôtel at the Manger-Vanderbilt, gives this picture of "Diamond Jim" in action:

"First he'd have a couple of glasses of orange juice at the bar—he never drank liquor. Then he'd begin a meal with two dozen big oysters trimmed with crab.

And he'd enjoy the aroma of cooking while a whole chicken was being broiled over charcoal for him on the chef's wagon beside his table. With the chicken he'd have Virginia ham and mushrooms. He didn't talk much while he ate. He always wore those diamond studs in his shirtfront and diamond buttons on his cuffs and vests.  
"Nobody would believe how big

the diamonds really were."

**Oddities in the mailbag:** Champagne is regarded by many as an ancient beverage. . . . Actually it was invented by a French monk named Dom Perignon in the 17th Century. . . . It isn't true—the old legend that the grapes for the finest wines are pressed by bare feet. . . . Emperor Charlemagne banned the custom as unsanitary in the year 800. . . . Comic Phil Harris says he's read so much about the bad effect of drinking that he's considering giving up reading.

**SWING IT**

A new hammer with a handle of Fiberglas reinforced plastic is said to be stronger than steel, having the shape and feel of shock absorbing hickory. It is said to be

unbreakable, will not rust, rot or deteriorate and is weather-resistant.

State Nurserymen Study Short Course

GAINESVILLE (U.S. Florida nurserymen attending the Florida Extension Service's nurserymen's short course at the University of Florida yesterday got in four hours of practical work.

Specialists in insects and plant diseases demonstrated types of diseases that hit ornamental plants; the insects that cause trouble; diseases of seedlings; how to control insects and diseases by spraying; and how to control weeds and diseases by soil fumigation.

**SWING IT**

## Aiding Allergy Victim In The Ragweed Season

By HERMAN H. BUNDENSON, M.D.

If you lived in an area that is relatively free of pollen, your hay fever or asthma might not be troubling you now. But even if you found such a place, it might have other inhalants which would irritate you.

Since most of you allergy victims can't spend the time or money to get away from the ragweed menace, and since you must also avoid so many other irritants, you might as well make the best of it right here at home. Actually, there's a lot you can do to protect yourself from pollens and other allergens.

### Need Fresh Air

Asthmatics especially must have fresh air constantly. So, if you possibly can, an air conditioner—at least for your bedroom—probably would be a good investment. Or you might get an electrostatic air-cleaner, a portable device which removes better than 99 per cent of allergenic particles and dust from the air.

As for a heating system, steam or hot water is preferable to an open heating device. If you have a hot air furnace, make sure it has a filter. Make sure, also, that furnace pipes and vents are cleaned frequently.

### Vacuum Frequently

All cleaning and dusting operations should be performed while the patient is not present. Vacuum frequently and dust with damp or oiled cloths. Even the walls and ceiling should be gone over with a damp or oiled cloth from time to time.

Keep the patient away from basements, cupboards, closets,

shelves and other spots likely to accumulate dust.

Substitute foam rubber or kapok pillows or mattresses for your feather-stuffed bedding, or at least cover your pillow with a sealed plastic cover and your mattress with rubber sheeting. Use cotton blankets instead of wool, or place the wool blankets between sheets made of cotton.

You can also use cotton sheeting to drape over upholstered furniture. Get rid of your rugs or treat them with a commercial dust-sealer.

### Floral Arrangements

Don't keep any plants or flowers—living, cut or artificial—in the house. Don't use insecticides or substances with strong odors like wet paint, moth balls, camphor or perfume.

Other members of the household should not use face, foot, dental and body powders containingorris root, karaya gum and rice powder.

And, sad as it may be, if your allergy can be traced to them, you'll have to get rid of any offending household pets.

With the aid of modern medicine, and a little thought on your part, your hay fever or asthma shouldn't give you much trouble, even during this ragweed season.

### QUESTION AND ANSWER

**Q. T.:** Are stomach ulcers caused from nerves or what a person eats?

**A.:** The exact cause for ulcers of the stomach is not known. It is thought by many that nervous or emotional disturbances may be responsible in some cases.

W. C. CLAUSE JR.

## News Of Men In Service

Navy Ensign William C. Clause Jr., graduated from the U. S. Naval Pre-Flight School at Pensacola on Aug. 5. The new Ensign is the son of Mr. and Mrs. W. C. Clause of Route No. 1, Box 34-A, Sanford.

Clause attended the University of North Carolina before entering the service.

He is now assigned to the Whiting Field U. S. Naval Auxiliary Air Station, Milton, Fla., for primary flight training.

Aubrey L. Whitten, ship's serviceman second class, USN, son

of 606 Elm Ave., is enroute to Europe on the summer's second Midshipman training cruise aboard the heavy cruiser USS Albany.

Fourteen ships of the Atlantic Fleet left Norfolk, Va., July 11 with more than 1,700 Naval ROTC Midshipmen aboard. The ships' crews supervise the midships training during the two-month cruise.

The ships will visit Edinburgh, Scotland; Copenhagen, Denmark; Oslo and Bergen, Norway; and Stockholm, Sweden.

Gunnery practice at Guantanamo Bay, Cuba, will climax the cruise before the midshipmen disembark at Norfolk Sept. 2.

## Bebe Bisbee, Dawn Bishop, FSU Seniors, Ready For Band Work

Play a drum, clarinet, saxophone, trumpet or any band instrument?

Manley Whitcomb, director of bands at Florida State University, is calling all students with band experience, entering the university this fall, for pre-school try-outs.

Among those returning to be in the famous Marching Chief Band from Sanford are two FSU seniors, Miss "Bebe" Bisbee and Miss Dawn Bishop.

Dawn is planning to teach band and instrument instruction after graduation and she will intern this spring. She plays the trombone in the band and is a member of the Tau Beta Sigma, a band sorority which is national. She is also a drill leader and will assist Mr. Whitcomb in "what ever comes up". She will also teach the freshmen the fundamentals of marching and will act as hostess at band parties.

"Bebe", who will intern this year at Sarasota, will make Elementary education her choice vocation. She plays the tenor drum and saxophone in the band. Besides being a Tau Beta Sigma member and a drill leader, she is active in the Kappa Alpha Theta sorority, the Garnet Key, the Motar Board and a Senior Woman Senator.

Both students will join the freshmen on the pre-school program on Sept. 8. Organization of the Marching Chiefs will be completed Sept. 12 and they will make their first fall appearance at the FSU-North Carolina State football game Sept. 17 in Campbell Stadium.

Dawn explained that the Chiefs do all the half time shows at the football games and also a short pre-game show before every game. She added that these are varied in themes from novelty stunts to precision drills. Properties including lights and sound systems are also used to bring out the themes to the fullest effect.

Bebe said that there are "always 120 marching members." Alternates are "ready at any time" to fill in for a "drop-out".

Both girls were thrilled in telling of the trip to El Paso, Tex., on New Year's Day for the Sun Bowl Football classic and the added that they visited in Mexico while there. A film, by the

way, was made of the FSU band and is planned to be shown to the high schools throughout the state of Florida this year. They have also been on a television show.

All the students are proud of the fact that a professional band arranger does all of their music. His name is Charlie Carter.

Tony Swain, a junior from Sarasota, is the new drum major, and Sanfordites will be proud to learn that a local boy, sophomore Ronnie Anderson, is assistant drum major. Ronnie is also planning to make music a vocation. Others from Sanford in the band are Miss Rosemary Garner and Miss Nancy Rountree who are sophomores.

Miss Janet Graff of Punta Gorda will be head majorette for the second year and Dick Mayo of Miami, former drum major, will be back at FSU as a band graduate assistant.

This year's trips are planned to the Miami game, Tampa game and to Georgia Tech in Atlanta, Ga.

Both girls agreed that it will be a "busy two weeks before school".

## BIRTHS

Mr. and Mrs. R. W. Wright of Savannah, N. Y., announce the birth of a daughter, Rebecca, Friday, Aug. 26 weighing 7 lbs., 3 oz. Mrs. Wright is the former Miss Jean Sayer of Sanford, the daughter of Mr. and Mrs. H. N. Sayer.

Mr. and Mrs. James W. Tolar, announce the birth of a daughter, Myra Pamela on Aug. 22 in the DeLand Hospital. The young miss weighed six pounds, six oz.

## Meeting Scheduled

The regular meeting of the American Legion Auxiliary will be held on Sept. 2 at 6:30 p.m. in the Legion Hut.

Reports will be given from the Girl State Delegates and a covered dish supper will be served to all members, their husbands and guests.

MacKENZIE TARTAN COAT by Davidow, is patterned in light and bright blue with navy, red and white. Full sleeves contrast with the slender body of the coat.

## Mrs. L. Barley Feted Thursday At Stork Shower

A Stork Shower was given Thursday night at 8 o'clock honoring Mrs. Louis Barley, the former Betty Doris Williams, at the home of Mrs. J. W. Brown with hostesses being Miss Bobbie Morton, Mrs. Brown, Mrs. Mildred Landreath and Mrs. J. P. Chaldin.

The honoree was presented with a corsage of a baby rattle and a tiny stork in a pink robe. Carrying out a pink theme, cut flowers were used throughout both living and dining rooms. Over the coffee table in the living room was a large stork holding a watering can decorated in pink showering a baby in an arrangement of pink roses interspersed with natural greenery. Roses and other flowers were used on surrounding tables.

In the dining room the table was covered with a white linen cloth. Pink tapen, hung in crystal holders while in the center of the table a tiny cradle held sweetheart roses. Pink streamers showered from over the table and were tied with pink rosebuds.

Games were played during the evening with Mrs. Holly Piercy and Mrs. Ben Bullard winning prizes.

Those invited to be with Mrs. Barley were Mrs. W. O. Stansell, Mrs. M. P. Matheson, Mrs. C. E. Milled, Mrs. J. R. Williams, Mrs. R. L. Morton, Mrs. Cyril Butler, Mrs. A. K. Rosetter, Mrs. Donald Knight, Mrs. Fred Myers, Mrs. Holly Piercy, Mrs. Fred Harrison, Mrs. Roy Britt, Mrs. T. W. Mero, Mrs. F. McWhorter, Mrs. J. V. Jones, Mrs. J. A. Strange, Mrs. O. C. McBride, Mrs. E. H. Callum, Mrs. S. C. Graham, Mrs. Donald Plamm, Mrs. Mason Williams, Mrs. Ed Kirchhoff, Mrs. Mamie Grogan, Miss Martha Grogan, Miss Betty

## Dorcas Class Has New Smyrna Meet In J. Cates Home

The Dorcas Sunday School class of the First Baptist Church held its August meeting with Mrs. J. J. Cates in New Smyrna Beach.

Mrs. A. L. Thomas took "Count Your Blessings" by Dale Carnegie for her devotion.

The president Mrs. J. J. Cates appointed the following to serve on the nominating committee for the coming year: Mrs. Lewis Dinslin, chairman, Mrs. H. E. Weekley, and Mrs. F. O. Lamb. Mrs. Irving Pryor brought the last chapters of the book "The Power of Positive Thinking" by Dr. Norman Vincent Peale.

The class presented a gift to Mrs. Cates, the retiring president, who has moved to New Smyrna. The meeting closed with sentence prayers after which a delicious picnic supper was served.

Mrs. Cates was assisted serving by her mother, Mrs. Bea Newsome to Mrs. A. L. Thomas, Mrs. H. E. Weekley, Mrs. G. H. Sykes, Mrs. J. P. Cullen, Mrs. F. Lamb, Mrs. H. H. Grier, Mrs. H. E. Spears, Mrs. Carter Warren, Irving Pryor, Mrs. W. D. Gardner.

Jean Sheppard, Miss Mildred Turner, Miss Dot Tesio, Mrs. W. M. Muschwhite, Mrs. W. P. Brooks, Mrs. Estella Glissen, Mrs. Frank Allie, Miss Peggy Best, Miss Mildred Awall, Miss Ruby Knight, Mrs. Fred Myers, Mrs. Muntion Stenstrom, Miss Dot Carter, Mrs. J. E. Hemmerle, Mrs. Frank Minshaw, Miss Delores Milled, Miss Wanda Bridges, Mrs. Frank Donoforo, Mrs. Chris Woodruff, Mrs. A. J. Peterson, Mrs. Ben Bullard, Mrs. Georgia Booth, Mrs. Archie Thomas, Mrs. Frank Noel, Mrs. Bea Anderson, Mrs. P. W. Wheatland, and Mrs. Murchhead.

## Bethlehem Drama Can Be Seen In Fragrant Cereus Blossom

There's sometimes a story in a flower. One flower might reflect a part of the celestial symbols, especially stars. However, the family of cereus and many of the cacti blooms seem to tell the entire story of the Bethlehem drama.

A night blooming cereus at Mrs. Esther Trued's has produced blossoms in three successive months. And each bloom seems to cast an electrifying odor of loveliness throughout the area where it is growing.

The Bethlehem drama can be seen, if one has faith, in the night blooming cereus. The star, for instance, is suspended over the manger which is a dainty cup-shaped nest in the stamens, along with all of the bright hosts of angels surrounding the crib.

To watch the unfolding of the night blooming cereus is to watch an unfolding drama of the Christmas scene. It is a blossom that will leave its story of faith indelibly impressed in your remembrance of flowers and their meanings.

ONE OF THE MOST beautiful of flowers, denoting a scene of Christmas, this night blooming cereus is at the home of Mrs. Esther Trued, 470 Rosalia Drive. (Staff Photo)

## Personals

### Past Noble Grands Accept By-Laws; Have Routine Meet

The Past Noble Grands Club of the Seminole Rebekah Lodge met with Mrs. Mary Jameson recently with Mrs. J. Brodie Williams presiding.

Various committee made routine reports and the revised by-laws were read and accepted. Several district meetings were announced and all members were urged to attend.

Mrs. Ethel Moore gave a very interesting reading entitled "A Penny's Worth of Character", by Jess Stewart.

The meeting was then adjourned.

### Mrs. P. Ehrmann Outlines Program

A group of enthusiastic women listened Thursday afternoon to Mrs. Peggy Ehrmann of Gainesville outline the "Teas for TV" program at the home of Mrs. Ralph Austin Smith, Seminole County Democratic Committee Woman.

Mrs. Ehrmann is North East Florida, Chairman of the "Teas for TV" and Mrs. Julia Maines, Lake Butler is treasurer.

Mrs. Roy Tillis, Sanford, was elected Seminole County Chairman for "Teas for TV" and Mrs. John Fox, Paola, treasurer.

The first project will be a covered dish supper to be held at the Yacht Club on Sept. 8 at 6:30 p.m.

Mrs. Smith served an ice course to her guests at the conclusion of the business session.

In addition to those mentioned above, the following women members of the Seminole County Democratic Committee were invited to this planning conference: Mrs. R. A. Goodspeed, Lake Monroe; Mrs. Maud Coates and Mrs. John Duda, Ovidio; Mrs. W. L. Sieg, Geneva; Mrs. E. T. Hamill, Chuluota; Mrs. George O'Bo, Longwood; Mrs. R. L. Howell, Lake Mary; Mrs. J. C. Howell, Altamonte Springs; Mrs. W. A. Forward, Forrest City; Mrs. C. R. Parker, Goldenrod; Mrs. Nance Russell, Fern Park; Mrs. Ava Wright Davis, Sanford and Mrs. W. H. Stemper, Sanford.

Monday

Community Missions study course at the First Baptist Church beginning at 10 a.m.

The WMU of the First Baptist Church will hold a study course taught by Mrs. Carlyle Brooks at 10 a.m. It will be based on the book, "Community Mission Guide". A covered dish luncheon will be held at 12 noon.

Tuesday

Intermediate R.A.'s meet at the First Baptist Church at 7 p.m.

Wednesday

The OES will hold its annual Robert Morris Picnic at Rock Springs at 5 p.m. There will be a covered dish meal.

Training Union Workers Council meets at the First Baptist Church at 7 p.m. for covered dish supper. Prayer meeting at the First Baptist Church at 7:30 p.m.

Thursday

Junior G.A.'s meet at the First Baptist Church at 3:30 p.m.

Intermediate G.A.'s meet at the First Baptist Church at 4 p.m.

Junior R.A.'s meet at the church at 7 p.m.

The annual picnic of the Training Union of the First Baptist Church will be held at Rock Springs. The bus will leave the church at 4 p.m. Supper will be

Mr. and Mrs. D. B. Watkins returned to their home in Pahokee yesterday after visiting in Sanford for several days with friends and relatives.

Sherry Sands of Orlando and formerly of Sanford will leave soon for Grady Hospital in Atlanta, Ga., where she will enter nurses' training. She is the granddaughter of Mr. and Mrs. W. M. Haynes.

David Watkins returned to Pahokee yesterday after spending a week in this City with friends.

Friends of Mrs. Virginia Powell will be sorry to learn that she is confined to the Florida Sanitarium in Orlando. Her address is 2-A, Room 278.

Mr. and Mrs. Harry Lee Sr. had as their weekend guests, Mr. and Mrs. Lee Draper and sons, Mike and Andy of Lake Wales. The party spent the weekend on a yacht at Blue Springs.

Miss Fay Garner, daughter of Mr. and Mrs. L. F. Garner, has recently returned home after spending five weeks at Crestridge Baptist Camp for girls. While there Miss Garner won second place in the camp Horse Show.

"Bubba" Bisbee and Junior Metts will leave tomorrow morning for pre-football practice at Florida State University. Both boys are on "first string" this year with the first game to be on Sept. 17 between FSU and North Carolina State.

Mr. and Mrs. Carl R. Overstreet and son, Eddie, have returned home after a two weeks trip to Lexington, Ky. and Pleasantville, Pa.

## Gators Get Set For Fall

GAINESVILLE.—Tom Lasseter and Howell Boney, a pair of sophomore guards for the University of Florida, definitely have their work cut out for them in making a place for themselves on the Gators' varsity eleven this year.

This past spring in 20 days of football drills they proved themselves eager for the job when lesser men would have long ago become discouraged.

The truth is that both right and left guards are among the better fortified positions on the Florida team.

As a left guard candidate, Boney has the task of routing his way onto the varsity squad, where Hubert Martin, three-letter senior, and Bob Voshell, rugged junior letterman, have a firm hold on that position.

Lasseter, meanwhile, has no lesser task in trying to encroach on the positions at right guard held down capably by John Barrow and Kay Green, another pair of lettermen.

The line coaches on the Florida staff have been impressed with the serious manner in which Lasseter and Boney have tackled their jobs. While Lasseter was already on a football scholarship, Boney this past spring was awarded a scholarship after proving he deserved one.

Boney was an All-State guard for Andrew Jackson in Jacksonville, winning five football and two track letters. Lasseter, a product of Lake Wales, earned five football, five basketball, three track and three baseball letters. Boney, who stands 6 feet 8 and weighs 185 pounds, is the son of Mr. and Mrs. C. H. Boney of Jacksonville.

Lasseter, standing 6 feet 11 and weighing 202 pounds, is the son of Mr. L. I. Lasseter of Lake Wales.

Backfield First-Yearman Also getting their first chance at a varsity role are Freshman Ed Sears, a fullback, and Junior John Symank, a halfback.

Symank transferred to the University of Florida this spring after spending two seasons at Arlington Junior College in Texas, where he was voted on the All-America Junior College team.

Despite a fine reputation before entering Florida, he still must become familiar with the Gators' system. He also has three experienced Florida lettermen to battle for the left halfback job—

By ORLO ROBERTSON

The Associated Press

You can't blame the Cleveland Indians for being puzzled today.

They would like to know why the Washington Senators are anchored in seventh place in the American League.

Nothing that the Senators showed yesterday and, for that matter the entire season when playing Cleveland, indicated that they belong nearly 30 games back of the league-leading New York Yankees.

The Indians were all set to move into first place yesterday if the Yankees and Chicago White Sox should split, which they did. Then Cleveland ran smack into the red-hot Senators, who had just finished polishing off the White Sox in two out of three games. When the twin bill was over, the Tribe found themselves on the short end of 8-2 and 13-4 scores and in third place, a game back of the Yankees with whom they were tied when the day started.

It's been like that most of the season with the Senators. They hold a 12-7 edge over Cleveland.

The Yankees beat Chicago 6-1 in the opener on the strength of home runs by Mickey Mantle and Yogi Berra but the White Sox came back to take the second 3-2. Bob Kennedy drove in all of their runs with a first-inning homer. The split moved the Sox into second place, half a game back.

Meantime, the Boston Red Sox edged back into the pennant picture with a 14-2 decision over Kansas City. They're now 3½ games off the top.

The Orioles and Tigers game was rained out.

In the National League, the cellar-dwelling Pittsburgh Pirates won a double-header from the Milwaukee Braves 5-3 and 2-0 while the Brooklyn Dodgers were downing St. Louis 6-1 to increase their margin to 11½ games.

The surging Philadelphia Phillies made it nine victories in their last 10 outings with 7-6 and 8-2 victories over the Cincinnati Reds. Chicago shut out New York 3-0.

Nine hits, six of them for extra bases, in the middle innings plus the sharp relief pitching of Chuck Stobbs carried the Senators to their first-game victory over the Indians. Stobbs gave up only one hit over the last 6½ innings.

The second game was a pitchers' duel between Mike Garcia and Mickey McDermott until the seventh when the Senators went wild and racked up eight runs at the expense of Don Mossi and Ray Narleski. McDermott allowed only six hits, including homers by Ralph Kiner and Al Smith.

Mickey Mantle's three-run homer, his 11th, in the third inning gave Whitey Ford a comfortable margin to work on as he chalked up his 15th victory in the opener against the White Sox. Then Yogi Berra connected with his 23rd with one aboard in the fifth to make it still easier.

Bob Kennedy settled the nightcap in the first inning when he homered off Bob Turley with two mates aboard. Billy Pierce held the Yanks to two runs through 6½ innings and Dixie Howell blanked them the remainder of the way.

Home runs were the story of the Red Sox triumph. They smashed four of them. Eddie Joost hit a pair of three-run homers, Grady Hatton got a grand slammer in the first and Ted Williams connected with No. 25.

Karl Spooner hurled a six-hitter for the Dodgers and was supported by an 11-hit attack, including homers by Gil Hodges and Roy Campanella.

Bob Hall and Vernon Law were the flies in the Braves' ointment. Hall pitched seven hit ball and Law tossed a four-hitter at them.

Del Ennis, Jimmy Greengrass and Stan Lopata hit homers as the Phillies eked out their one-run first-game decision over the Redlegs. And then in the nightcap Ennis hit another, his 27th, as the surging Phils pounded Jackie Coleman and Rudy Minarcin for 11 hits.

The Giants were shut out for the third time this season by Bob Rush. Ernie Banks connected with a pair of triples for the Cubs.

## Pat Is All Smiles After Realizing She's New Champ

CHARLOTTE, N. C. (P)—"Pearl Harbor was exciting to me but this is a different kind of excitement."

The comparison was made by Patricia Ann (Pat) Lesser, the new women's national amateur golf champion, radiant as she realized she'd reached her goal of several years less than two hours earlier.

The 22-year-old bespectacled Seattle girl with the deep tan and friendly smile described Saturday's 7 and 6 final round of Jane Nelson, the 27-year-old Indianapolis grammar school history teacher, as "the greatest thing that has ever happened to me."

Pat was at Pearl Harbor Dec. 7, 1941, the day the Japanese attacked. Her father, now a retired Army colonel, was stationed there. She recalls that enemy planes "flew right over us; we didn't know what to do except what Daddy told us. That was exciting, but winning this championship is also exciting, in a different way."

"Daddy told me three years ago if I won the National he'd buy me a new car," she said. "I'm not holding him to that promise. My 1939 model gets me around and besides, he's spent a lot on my golf as it is."

"Daddy also told me that if I won the title I wouldn't have to finish school (Seattle University) if I didn't care to. But I certainly will finish. I'll start my senior year next month. It will mean no winter golf in Florida where I made the circuit the last two winters, but I do want to graduate."

"No pro golf for me."

She became serious about golf at the age of 13 at the urging of her father. She justified his faith by winning the national intercollegiate and junior titles. Last month she won the Western Amateur.

## Weather

Partly cloudy through Wednesday with scattered afternoon showers.

THE NATIONAL GUARD boys are back home. And before they can lay their rifles down they begin a brand new campaign to strengthen the local unit under a new program. "Go Army" is the slogan the group brought back with them from their two-week training session at Fort McClellan, Ala. In the picture is shown members of the local company "H", 124th Infantry Regiment, gathered about its campaign banner to recruit new members for its defense company. (Photo by Jameson Studio)

## Sodero Seeks Go Sign

Richard Sodero, of Winter Park, a partner in the operation of the Seminole Park and Fair Ground at the former Astor Park, appeared before the Sanford Board of City Commissioners last night to request a franchise for the operation of an excursion and sight-seeing boat on the "Nile of the Americas" beginning with the coming season.

A prepared franchise had been prepared for Sodero and W. R. Kemp, for the use of the Sanford pier on an exclusive franchise basis. However, Sodero told the commissioners that "the original plan" was to operate the sight-seeing boat and a restaurant from the pier on an exclusive basis. Pictures of the two boats now under consideration for use on the St. John's River were shown the commissioners. It was explained that one of the boats proposed would carry 250 passengers and was equipped with dance pavilion, snack bar, speaker system and all conveniences. The other boat under consideration would carry 350 passengers with the added facilities of snack bar, cocktail bar, restaurant, dance pavilion and other conveniences. The boats considered were 75 and 100 feet in length.

The income on the boat, Sodero explained, is expected to gross around \$35,000 with the charter price to the promoters set at \$10. (Continued On Page Seven)

## Deeds Are Given For Highway 17-92

THE FIRST DAY out for the new Seminole High School Majorette Corps. Under the direction of Head Majorette Carol Nutt, the baton twirlers began their pre-school drill yesterday getting in readiness for the first football game of the season on Sept. 21. ## Interested Citizens Turn Out

Burris Is First To Give Property

More than 200 interested citizens turned out last night at a meeting of the Citizens Committee headed by Evelyn Olham and held at the Pacific Lake American Legion Hall. John Fox, county right-of-way official, carried more than 40 deeds to the meeting for presentation to property owners. Answering questions posed by property owners and business owners along 17-92, Olham said, "We can't back the State Road Department. County Commission Chairman John Meish and I tried to get the 40-foot center strip eliminated from the plans." And he emphasized, "You just don't back the State Road Department." Speaking for the financing, widening, and paving of the proposed 17-92 from Sanford to Orlando, Olham said, "There is no limit to our opportunities here in our county. We are growing and (Continued On Page Seven)

## Youngsters All Ready For Fishing Jamboree

Over 600 Cracker Poles Prepared For Eager Hands Of Young Anglers

The Seminole County Jaycees' Sixth Annual Fishing Rodeo is all in readiness for the youngsters of this area 14 years old and younger. Bob Kilpatrick, chairman of the Jaycees Fishing Rodeo Committee, said this morning that more than 600 cracker poles, completely equipped to catch the big ones are in readiness to be passed out to the largest group in fishing rodeo history.

Competition is slated to get underway tomorrow afternoon shortly after 1 o'clock when buses from every direction will converge on Trout Pond bringing the youngsters to the big event.

Porter Lansing, local sportsman, said yesterday that Trout Pond has been stocked by the Game and Fresh Water Fish Commission with well over 200 large bream. These fish should provide some excellent competition for the young anglers, Lansing pointed out.

There will be ice cream and cold drinks for the youngsters participating. Kilpatrick commented.

Every detail has been attended to by the Jaycees, in order that the huge crowd of youngsters will have every opportunity to catch (Continued On Page Seven)

## 29 Bus Drivers Get Instructions For Coming Year

The Transportation Supervisor for the Seminole County Board of Education met with 29 bus drivers yesterday in outlining their duties, issue buses, and to have law enforcement officials stress the importance of their work.

Walter Teague, Transportation Supervisor, issued the transportation report books to the drivers of 26 county owned school buses and three privately owned buses.

Teague reminded the drivers that "Your job is an important one and one that must be done well." Florida Highway Patrol Trooper T. Mark Mack told the drivers, "You will be expected to obey rules and regulations as well as any motorist, if not better." Mack added, "You will be expected to conduct yourselves not only as bus drivers but as teachers as well. Children will be observing the drivers and will pay attention to the rules you observe and disregard," he said.

The Trooper concluded, "The safety of the children in your buses is in your hands." Deputy Sheriff O. G. Owens, representing the Seminole County Sheriff at the transportation meeting, offered a suggestion that the area around the new Pinecrest school be placed in a 15-mile-per-hour zone with a "no passing" (Continued On Page Seven)

## Drivers Licenses On Sale Thursday At Court House

The new 1933-34 Driver's Licenses will go on sale in the lobby of the Court House at 9 a. m. Thursday, Sept. 1, 1933. Each person must present the entire 1933 license in order to renew a Florida license. The cost of each license has been increased 25 cents making renewal of Operators' licenses \$1.25 and chauffeur licenses \$2.25. It will expedite the issuance of licenses if each applicant will have the 1933 license and the exact amount of money ready for the typist when he or she is next in line. This is especially true this year since the amount of the license was increased by the Legislature 25 cents.

Beginning Sept. 1, the examiners for the Florida Highway Patrol will give examinations at the American Legion Hut on the lake front on Tuesdays from 2:30 and on Fridays from 9:15 each week. These examinations are necessary for those first applying for a license, for all persons who do not hold a valid license from Florida or some other state at the time of application and for those persons whose licenses have been revoked and are now eligible to apply for licenses.

Following the custom of the past several years, Judge Ernest Housh and some of his staff will appear in the County on the following dates listed below to write licenses:

Oviedo: Friday, Sept. 9, 9:30-11:30  
Realt Lake: Tuesday, Sept. 12, 9:30-11:30  
Geneva: Wednesday, Sept. 14, 10:10-12:30  
Longwood: Thursday, Sept. 15, 2:30-5:30  
Lake Monroe: Friday, Sept. 16, 2:30-5:30  
Fern Park and Casselberry: Tuesday, Sept. 20, 2:30-5:30  
Altamonte: Wednesday, Sept. 21, 2:30-5:30  
Lake Mary: Thursday, Sept. 22, 2:30-5:30  
Oviedo: Friday, Sept. 24, 2:30-5:30

Water Main Split Cause Of Shut-Off

A 30-inch split in the water main this morning, shortly after 9 o'clock, forced the shut-off of water in the downtown area and at noon the mains had been put back into use.

The split, caused by sewer construction equipment, was located in an alleyway just off Magnolia Avenue between First and Second Streets.

City Manager Warren F. Knowles was at the scene to supervise the restoring of water service to the downtown area.

## School Offices Closed Tomorrow

Superintendent of Public Instruction R. T. Milwee announced this morning that his office will not be open tomorrow.

He explained that they will be in the process of moving into the former bus station on Commercial Ave.

## Vocational School Is Looking Forward To Successful Year

The commercial department of the Seminole County Vocational School has completed its first day of registration. According to the interest shown, the school should have an outstanding year. Any resident of Seminole County wishing to prepare for office work is urged to register as soon as possible. Numerous calls for secretaries, bookkeepers, and typists have already been received by the school from business men in this area. The demand for office workers is great.

According to its program of expansion, the school has been acquiring some new business machines. The latest addition is an electric calculator for the bookkeeping department. The school now has a fine variety of machines.

The complete business course is offered by the school, both day and evening. In the day classes, Miss Gladys S. Hall, principal and teacher, teaches shorthand, dictation and transcription, business English and spelling, and typing. Mrs. Lydia Watt teaches bookkeeping, I and II, business machines, and office practice.

Evening classes are held Mondays through Thursdays, 7 to 9 p. m. Mrs. Watt teaches the bookkeeping classes and machines. Miss Mary George teaches the typing classes, and Miss Martha Simpson teaches the shorthand and dictation classes. Miss Simpson joined the faculty of the Vocational School this year. She is formerly from Kentucky. Because of steadily increasing enrollment it was necessary to add another teacher at this time.

The school is in the process of having an attractive folder printed giving detailed information about the school, courses offered, standards of certification, a complete schedule, and list of faculty members. Anyone desiring one of these folders may come to the school in person or may write or phone for one to be mailed.

Fred C. Murray is the director of the school.

## Elks To Initiate Four Men Thursday

A regular meeting of the Sanford Lodge, Benevolent and Protective Order of the Elks, will be held Thursday evening, Sept. 1.

A roast beef supper will be served at 6:30 prepared by Homer Little and Johnny Cameron.

Four candidates will be initiated into the lodge following the supper. The new prospective members are M. S. Lodge Jr., John A. Barton Jr., Robert C. Andrews, and George J. Hoffman.

Lodge Secretary Bill Livingston reminded members that 1933-34 membership cards are needed now to attend meetings or club activities.

## City Budget Gets Careful Going Over

Facing the possibilities of having to add millage to the present taxes, the providing of services as outlined in the proposed budget, and new and needed capital improvements, the Board of Sanford City Commissioners, last night, resumed the scrutinizing of the proposed budget department by department and item by item.

With only 40 per cent of the scanning behind them at prior meetings, the commissioners completed their brief consideration of each individual item.

Only a limited amount of money, suggested by the City Manager in the proposed budget, was eliminated, with minor additions made to better utilize the services of several departments.

Tentatively approved, and in the proposed budget, were items that (Continued On Page Seven)

## Fines Over \$800 In Court Yesterday

More than \$400 in fines were collected yesterday afternoon at Sanford City Court where the predominance of cases heard before Judge John Leonard were on traffic charges.

Only three cases involving misdemeanors were brought before the judge while 25 cases were traffic and parking meter violations.

Charges of drunkenness, vagrancy and resisting arrest were again carried over to Friday's court against Willie Irick. Also held over until released from the hospital, were charges against Theron Thomas of Vero Beach, involved in the Saturday evening automobile accident on Calvary Avenue at Sumner.

Unit and squadron commanders based at NAAS were also requested by the Captain to designate representatives for the drive.

According to Chaplain F. W. Kempton, USN, coordinate of the fund raising campaign at the Station, the Special Disaster Drive will come to a close on Sept. 2.

## Elaborate Shows Are Being Readied By Band, Pep Club

Preparing for the 1933 football season, the Seminole High School Band and Pep Club began their pre-school drill yesterday under the leadership of Bandmaster Ernest Cowley and the Pep Club Director Miss Barbara Rubin.

Student drillmasters assisting in the instruction are Captain Joe Fisher, Leslie Smith, George Anderson, J. D. Stone, Bill Hexamer, Drill Captain Nancy Cash, Mary Virginia Robinson, President of the Pep Club Edna Cowan and Head Majorette Carol Nutt.

The Band and Pep Club will combine as one group to present the halftime shows of all home games and some of the out-of-town football clashes. Each group will march 14 members with the newly organized Majorette Corps of 12 girls not in front.

"Most of the shows planned for the coming season," said Bandmaster Ernest Cowley, "will be precision drills using the 80 x 5 system whereby members take 8 steps in 3 yards."

The system to be used, said the bandmaster, is new to all members, however, it will enable the Band and Pep Club to present snappy and precise formations.

The Winter Park show, according to present plans, will contain Halloween formations and a pageant is planned with the Seabreeze High School Band for the Homecoming game show.

The entire group of Band and Pep Club members, along with the new Majorette Corps used the paved street alongside the school for drills this morning.

THREE GAMES were started in every school in Seminole County today as children registered for the 1933-34 school year. Children of every age every class, and every school traveled to their respective schools. Shown at Southside School (left to right) Sharon Jackson, Robert Jackson, Mrs. Volma Mitchell, principal of the school, Scott Stone and Pat Stone. (standing) are: Charles Robert W. Jordan, Chairman of the Sanford Naval Auxiliary Air Station, Mrs. Robert Stone and Mrs. Volma Stone. (Photo by Emily of Jameson Studio)
