NO VOTES FOR FLORIDA WOMEN

EQUAL SUFFRAGE RESOLUTION FAILS IN HOUSE BY FOUR VOTES

Tallahassee, April 23.—(Special)—Lacking five votes less than the necessary three-fifths, the resolution providing for submission of a constitutional amendment to give the franchise to the women of this state was defeated in the house this morning. The vote was 41 for to 32 against, but Mr. Waybright of Duval, who had voted against the resolution changed his vote to "No" so that he could call up the resolution again for reconsideration. This probably will be done tomorrow, and equal suffrage advocates are hopeful of converting a sufficient number of the anti's to get the house to pass the resolution. It passed the senate last week.

There was more interest displayed in the vote this morning on the suffrage submission resolution than any thing else that has come up before the house at this session. During the delivery of the speeches for and against the submission speaker, it was necessary for the speaker several times to call for order in the house so the speaker could be heard.

But nothing like that was necessary when the roll call was started. Absolute quiet reigned everywhere in the hall, only the droning of the clerks as the names were called off and the brief announcements "aye" or "no" being heard.

The debate had been spirited on both sides and it was apparent that neither side was sure no changes had been made thereby. The conclusion of the roll call showed 41 in favor of submission and 32 against it. Before the announcement was made of the result Mr. Waybright of Duval county changed his vote to "No," for the purpose of making a motion for reconsideration. This made the official record show the vote to be 10 to 33.

The Vote

The vote in detail was as follows: For submission suffrage amendment: Bryan, Bunker, Carr, Chavous, Dawson, DeGrove, Dillard, Edge, Folks, Fort, Futch of Alachua, Futch of Lake, Glazier, Green, Humblin, Hardin, Harris, Jarmon, Keen, Kite, Lewis, Marlow, Marshall, Miller, Moore, McKenzie, McLaren, Perry, Parrish, Roebuck, Scruggs, Stokes, Tighman, Wade, Watson, Weaver, Whyte, Williams of Polk, Wilson of Pasco, Woodruff of Orange. Total 40.

Nays: Wilder, Brooks, Barber, Busto, Campbell, Carroll, Coates, Cochran, Corbett, Crews, Deas, Epperson, Ernest, Fowler, Gates, Hincley, Jones, Mathis, Mays, Merchant, McCreary, McRae, Ray, Sams, Small, Strom, Surrency, Tillis, Waybright, Wicker, Williams of Leon, Wilson of Gadsden, Woodruff of Seminole. Total 33.

Not voting—Gillis, Hart, Phillips, Hagan.

In Memoriam

Died at Callahan, Florida, April 17th, 1919, Mrs. C. C. Beasley of this city.

For the Sabbaths of earth she now enjoys the never ending Sabbath of heaven. She waits your coming and watches near the gate. And remember that morning is not far off when the love of Christ shall bid thee enter in and to share with her unending, unalloyed joy.

Her sweet face made sunshine in a shady place. In her heart she still waters it was deep. In her heart of hearts she carried those she loved, and her hand was never weary, her step never failed in ministering unto, caring for, waiting

upon those who were in any way dependent upon her.

Vainly groping after the infinite meanings we cry: Why, should so precious, so necessary a life be taken? The old, old question which will never be answered till the veil of our mortal vision be rent by immortality, and we see, not as now, darkly, but face to face. Then also, may we behold the heavenly mansion which perhaps she was called thither to help prepare for her loved ones.

"For none return from those Spirit shores,
Who cross with the boatman cold and pale.
We hear the dip of the golden oars,
And catch a gleam of the snowy sail.
We only know that their barques no more
Shall sail with us o'er life's stormy sea."

Wilson Bulkheads Lake

J. S. Wilson has workmen busy bulkheading the lake front on his beautiful property on Union avenue. The bulkheading work on the John Russell place next to the Wilson property is about completed. The sea wall was built out a considerable distance from the natural water line of the lake and this has been filled in and will make a valuable addition to the Russell farm. The Wilson bulkhead will be an extension of the work already done by Mr. Russell.

A boat house will be built and a basin for storm protection will also be provided.

The seawall on both bulkhead projects is made of logs, securely anchored and cemented and will last for many years to come.

Mr. Wilson is now in Pittsburg looking after the interests of his firm in the vegetable line and will be away several months, but Mrs. Wilson will stay "on the job" during the summer and will look after the farm and bulk heading operations.

The Royal Neighbors of America

An invitation was extended to the Royal Neighbors of Sanford by the Royal Neighbors of Orlando to attend a social and entertainment Thursday evening, April 17th. We went in a body, being seven cars filled to overflowing. Tampa Deputy Mrs. Overhart of District Department R. N. A. of Orlando to be with us. We extended an invitation to R. N. A. of Orlando to be with us at our Class Adoption of 25 new members. All returned home more than pleased with the evening's entertainment.

SCHOOLS OF CITY CLOSE ON MAY 9TH

ONLY ONE MORE WEEK OF ACTUAL WORK BEFORE COMMENCEMENT. BIG GRADUATING CLASS

The Sanford schools will close on Friday, May 9th, after a very successful year.

Notwithstanding the inroads made upon our schools this year by the "flu" which closed the schools for several weeks, the work has been made up and the classes will be able to graduate as usual.

The graduating class from the High School this year numbers twenty-two. This is said to be the largest class of High School graduates in the history of Sanford.

The following general program has been announced:

Sunday Evening, May 4th, 8:30 o'clock, Commencement Sermon, Rev. Dr. E. D. Brownlee.

Tuesday Evening, May 6th, Recital by Mrs. Munson's Music Pupils.

Wednesday Evening, May 7th, Graduating Exercises Eighth Grade.

Thursday Evening, May 8th, Junior-Senior Reception.

Friday Afternoon, May 9th, 5 o'clock, Class Day Exercises.

Friday Evening, May 9th, Graduating Exercises Senior Class.

All evening exercises will begin at 8:30 o'clock.

Mr. and Mrs. D. Leach, Mr. and Mrs. Frank Lewis and Mr. and Mrs. Chas. Tyler spent a pleasant day at Palm Springs this week.

TANK WILL VISIT CITY WEDNESDAY

FAMOUS TANK THAT WENT THROUGH ST. MIHIEL DRIVE WILL BE HERE NEXT WEEK

Sanford will have a chance to see the famous tank which is touring the state in the interests of the Victory Loan.

Chairman Lake of the Seminole County Committee has received advice that the tank will arrive in Sanford on Wednesday at 5 p. m. via auto on trailer and truck and will leave on Thursday at 8 a. m. During this time the tank will be exhibited on First street in Sanford.

This particular tank played an important part in the St. Mihiel drive just before the signing of the armistice in November. Sergt. Dickinson and Corp. Elliott, two men who drove the tank in that famous battle are with it still and will demonstrate it in Sanford during its stay with us.

Chairman Lake stated yesterday that the work of raising Seminole County's quota is progressing nicely and that there is already subscribed and in sight about \$100,000, or a little more than half of our quota.

This does not mean, however, that the pace should be slackened for the best prospects have already bought and the hardest part is to come. It will be necessary for each and every one to do his best on this loan in order to keep Seminole in the class in which she has always been "over the top every time."

M. E. Easter Service

One of the prettiest Easter services ever held in Sanford was that of the Methodist Sunday school which was given on Sunday night at the church, before an audience that taxed both the auditorium and the gallery and which is said to be the largest congregation ever assembled in the present church building.

Under the direction of Mrs. D. A. Kelly, superintendent of special services for the Sunday school a most beautiful program was carried out. Both the church choir and the Sunday school choir took part in the musical numbers and the music was of a quality seldom surpassed in entertainments of this character.

Interspersed among the musical numbers were recitations and readings which carried out the Easter story. Special mention is due little Margaret Cowan who had a very prominent part in the program and caused much favorable comment by the manner in which she carried her part.

Commencement Recital

The annual Commencement week piano recital will be given in High School auditorium Tuesday evening, May 6th at 8:30.

The assistant talent on this program will be:

Mrs. A. M. Phillips soprano, Mr. Mallory Horne tenor. There will also be a ladies' quartet.

The small admission of 10 cents is charged for programme expenses.

Seats may be reserved in rows at the same price.

For reserves phone No. 262.

The Godward Side of Life

Amid the rush of business and taken up with the affairs which demand so much thought and effort during the six days of the week, the value of the First Day as one for rest and adjustment of life to the realities of God is apparent to every thoughtful, intelligent person. But there must be a Godward side for the every day of life, or—but this is the subject of the Congregational church Sunday morning. President Ward, who has just taken charge again of Rollins College, recently told a story about a most remarkable providence in the history of the institution. It will be used as an illustration in the message mentioned. Eleven o'clock.

The Odd Fellows are to attend the evening service in a body, it being their annual local Sunday convocation. Special seats will be reserved for them and their friends. The sermon will be given by Mr. Brower. Eight o'clock. You are invited.

200,000 ITALIANS TO ADRIATIC

FOLLOW DECISION OF PREMIER ORLANDO TO LEAVE PARIS CONFERENCE

Paris, April 24.—Italian military forces will occupy that part of Dalmatia and other Adriatic territory named in the pact of London with about 100,000 men, it was stated today by Capt. Pozzi of Premier Orlando's staff. A similar force, the captain added, would be sent to the northern region and around Fiume.

Separate Peace Suggested

Paris, April 24.—Should the situation become serious it is rumored, Italy might be approached with a view to a separate peace.

At Italian headquarters the announcement was made the parliament of Italy would meet immediately upon Premier Orlando's return, probably in a day or two. Primary instructions already have been telegraphed to Rome.

It was reported at Orlando headquarters that Premier Orlando and Gen. Armando would leave Paris this evening. Baron Sonnino, the foreign minister and the others following tomorrow.

King Wire to Stand Victor

Paris, April 24.—King Victor Emmanuel has telegraphed Premier Orlando commending his action and insisting that there be no recession from the position Italy has taken.

Mr. Lloyd George, who had a long conference with Premier Orlando during the forenoon went to President Wilson's residence directly afterward. As he reached the "White House" he made the remark: "The Italians will not leave today."

There was no explanation of how the situation stood beyond the brief remark quoted. Whether the British premier meant that the entire Italian delegation would not go or whether he had succeeded in inducing Premier Orlando to remain was not developed.

Mr. Lloyd George's declaration, however, was construed as indicating at any rate a slight improvement in the situation.

Places Blame on Wilson

Paris, April 24.—Vittorio Orlando, the Italian premier issued a lengthy statement today replying to President Wilson in which the premier states in so many words that he is compelled to withdraw from the peace conference after President Wilson's action, which is regarded as a departure from diplomatic custom and leaves the Italians no other course.

Royal Arch Degree

A special convocation of Monroe Chapter No. 15, R. A. M., will be held on Tuesday, April 29.

In the afternoon commencing at 3 o'clock the Past Master and the Most Excellent Degree will be conferred. The Royal Arch Degree will commence at 7:30.

The Companions of Monroe Chapter and all visiting Royal Arch Masons are earnestly and cordially invited to attend.

At the last convocation the Grand King W. V. Carter surprised the Companions with an official visit and was so impressed by the splendid work of Monroe Chapter that another visit will be made during the summer, when the Grand King will be accompanied by representatives of other Chapters.

The Grand King gave a splendid talk, teaching that the fundamental principle underlying the Masonic Fraternity is a belief in the existence of God, the brotherhood of man, and the immortality of the human soul. It is upon this broad and universal basis that the great Masonic edifice has laid its foundations and upon its altars burn the lights of liberty, equality, justice and truth.

Celebrate Wedding Anniversary

Mrs. Mrs. Schelle Mainers celebrated their fifth wedding anniversary on Monday evening by entertaining a few intimate friends at their home on Magnolia avenue. The affair, which was in the na-

ture of a surprise, was arranged by Miss Nettie Maines, the color scheme of pink and white being carried out in the decorations, flowers and in the delicious ice cream and cake which was served as a part of the refreshments.

The evening was pleasantly spent in contests, games and music. It being the fifth wedding anniversary, or what is sometimes known as the "tin wedding anniversary" the guests presented Mr. and Mrs. Maines with several appropriate gifts of tin and aluminum.

The guests departed at a late hour wishing their host and hostess many happy returns of the day. They were Messrs. and Mesdames Wheelless, Hurley and Haynes, Miss Macey, Mrs. Phillips and Messrs. Harley Maines and Frank Roper.

Cecilian Programme

An interesting piano recital is planned for Cecilian tomorrow (Saturday) afternoon at 3:30.

The first part of programme will be selections by Max. Thrasher, Helen Peck, May Holly.

The second part will be given by Izzetta Stone and include following numbers:

Polonaise	Schubert
Gigue Bretonne	Bachmann
Minuet	Schubert
Tarantelle	Holler
Norwegian Dance	Grieg

Mrs. Richard Maxwell will give a group of readings.

At Baptist Temple

The subject for the morning service at the Baptist Temple on Sunday will be "World Consciousness."

Evening subject "The Cry for Bread."

Preaching at 11:45 and 8:30. Sunday school 10:30.

Everybody invited to these services.

Card of Thanks

We wish to give thanks through your paper, to our many friends and neighbors of Sanford for the beautiful floral offering and messages of sympathy received during the illness and death of our dear wife and mother.

C. C. Beasley,
Clifford Beasley.

Mrs. W. S. Thornton's mother, Mrs. Hunter of Winter Park and sister, Mrs. B. E. Haley of North Carolina are spending a few days in Sanford.

BOND ELECTION WILL BE MAY 13TH

ELECTION ON \$300,000 BOND ISSUE FOR MORE GOOD ROADS WILL SOON BE AT HAND

The bond election for \$300,000 worth of bonds for more hard surface roads will be held on May 13th. Up to this week there has apparently been very little interest in this matter, but now the Board of Trade has taken it up and expects to make an active campaign throughout the county in favor of the issue.

On page 12 of this issue will be found the first advertisement of the Board of Trade in regard to the proposed issue of bonds. They will follow this with other pointed statements from time to time and expect to conduct public meetings in different places throughout the county in behalf of the issue, announcement of which will be made later.

The general sentiment throughout the county seems to be strongly in favor of issuing the bonds and it is believed by those who are in position to know that the election will carry by a very large majority. However, as is well known, bonds sell to much better advantage if the election by a good big majority and this is one of the reasons for the Board of Trade taking an active part in the matter.

The issue, if voted will amount to \$300,000 and will build several stretches of road, the plans of the new roads are to be found in the regular legal notice in this issue of the Herald.

NATIONAL GUARDS IS AUTHORIZED

LONG EXPECTED REORGANIZATION OF FORMER DEFENSE BODIES IS NOW UNDER WAY

Washington, April 24.—Reconstruction of the national guard was actually started today when the war department, through the Bureau of Militia affairs, authorized the organization of seven regiments and one extra battalion of infantry, one squad of cavalry and 18 companies of coast artillery.

The state of New York was authorized to raise four regiments of infantry, one squad of cavalry and 12 companies of coast artillery. New Jersey was authorized to organize one regiment of infantry and two companies of coast artillery; Ohio two regiments of infantry and Oregon one battalion of infantry and four companies of coast artillery.

These new units are intended to replace state troops, which under section 61 of the national defense act cannot be legally maintained by the states in times of peace. That section prohibits the maintenance of any troops except those prescribed in the act—regulars and national guard.

Others to Follow

Other authorizations for units are expected to follow soon. The states first considered were those in which conditions were such that their governors considered armed forces might be necessary under certain contingencies. The state of Pennsylvania, for instance, reported to the war department that it possesses at this time a very efficient state constabulary and 3,000 state troops, sufficient to handle any emergency which could be foreseen at this time.

The units authorized today must be in such a state of organization before June 30 as to be eligible for recognition if the war department is to extend financial aid. The organization will all be based on a peace status, a company consisting of 65 men as a minimum.

"It should be clearly understood," the message sent to the state governors said, "that the war department does not call for the organization of the national guard at the present time but leaves initiation of its organization with the state authorities, and it is not desired to anticipate the action of congress in the formulation of the national military policy, nor is it believed to be desirable to undertake the general reorganization of the national prior to the demobilization of the former national guard units of the United States army."

Presbyterian Church

Last Sunday was a great day for the Presbyterian church. With the exception of the time the Home Guards were with us, the largest congregation that had yet assembled in the auditorium was present in the morning. There was also a fine congregation present at night to hear the choir render "The Triumph" by Alfred Judson. This was the most ambitious musical attempted so far by the Presbyterian choir and the congregation was of one accord in its praise.

There were 209 at Sunday school when the record was made and more present too late to be included in the records. Four people joined the church on profession of faith, making 13 in the past two weeks, and others have already expressed their purpose of coming next Sunday.

The contract for finishing the Sunday school building has been let to Mr. S. O. Shiholzer and Mr. Jack Collins. And work will begin in a few days.

Sunday school 10:30 a. m.
Preaching 11:45 a. m.
Prayer Endeavor 7:30 p. m.
Preaching 8:30 p. m.

The season meets at close of each service for the reception of members.

—and you won't mistake a peacock for a nightingale or an ordinary talking machine for a jeweled Pathe. Listen to the Pathe with the Sapphire Ball and all-wood violin tone chamber. You hear every note—every word clearly, distinctly, no scratching metallic sounds. You cannot help being impressed with the Pathe superiority in tone when you buy with your ears. Your eyes will see the tiny (hand-polished) Sapphire Ball gliding smoothly round and round without wearing or cutting the groove. See it rubbed across the record—children often do this—without hurting it. And remember no needles to change. Even if you buy with your eyes you will see many advantages in the Pathe Instrument not found in the ordinary talking machine. Come to our store and hear the tone of an instrument as clear as the song of a nightingale, in a cabinet as big and beautiful as a peacock.

WE HAVE JUST ONE PRICE

We realize that to secure the steady and profitable patronage of the best dressed men of this locality, we must conduct a store with ONE price. It makes no difference to us what your walk in life may be, whether you are a Banker, Farmer, Clerk, Rail Road Man, Salesman, Merchant, or Doctor, we have that same price for all, and that price is a REASONABLE one. Furthermore; if you ask us to accommodate you with credit and we agree to carry your account for you, we give you that same price and WE DON'T CHARGE YOU ONE CENT EXTRA FOR THE ACCOMMODATION

BOYS CLOTHING
We are receiving shipments right along of boys clothing. We now have in stock, neat little suits for the boys in woollens and serges at very attractive prices. We also carry furnishings for the boy. Ask to see them.

HOISERY—Our hoisery department is complete. We carry, in addition to the men's hoisery, Ladies and Misses Hose, Boys stockings and we have a nice line of socks for the little ones. Come in and see them.

We are becoming more prepared each day to render a service and supply a quality that will be in keeping with the most up-to-date men and boys apparel shop.

Mrs. H. H. Pattishall and her Sunday school class attended service at the Methodist church in Sanford last Sunday.

J. M. Chaffer and R. Franklin are the latest owners of new cars in Geneva.

Mrs. Bessie Hart, Mrs. Foster, Miss Elizabeth Stones and Mr. Franklin were visitors to Oviedo Tuesday evening.

Dr. C. J. Marshall of Sanford made a professional call in Geneva last Tuesday.

Mrs. J. A. Worthy left for Americus, Ga., last Tuesday after spending the past winter here with her daughter, Mrs. V. T. Peters who accompanied her as far as Sanford.

Mrs. Grant of Georgia is visiting her brother, E. N. Sutton.

Miss Olive Dinkel, Miss Gladys Craig and J. E. Phipps.

Mr. Williams, the Jacksonville agent for the four wheel drive truck was in town on Saturday.

Mrs. Galloway of Sanford was in town Thursday to appoint a committee to solicit for the Liberty Loan.

Rev. Milton held service in the Baptist church Sunday.

Ed. Halley of Tampa spent Sunday with his sisters, Mrs. W. S. Entzinger and Miss Halley.

WEST GENEVA AVENUE
We are having fine weather now. Everything in the field is looking fine.

Mr. and Mrs. Will Robinson's little grandson has been very sick this week but is now on the mend again.

Mrs. Jim Abbott and little children are spending a few days with their brother, Mr. Will Robinson.

Mrs. J. E. Vaughn is on the sick list this week.

The cattle dipping is going on and it is the best thing that was ever invented for cattle. Ponds were afraid it would kill the cattle but it is the saving of them. It sure kills the ticks.

Mr. and Mrs. Nicola made a pop call on Mrs. Vaughn Sunday afternoon.

OVIEDO
John Sullivan of Ft. Dade spent a few days this week with his mother and sister, Mrs. Joe Leinhardt and Miss Gladys Leinhardt.

Dr. and Mrs. Hopkins of Arkansas are visiting their parents, Mr. and Mrs. J. A. Clark.

Mrs. G. W. Barwick spent Saturday at Apopka. She was accompanied home by her sister, Miss Lola Mae Moore, who spent Sunday in Oviedo.

Mrs. L. R. Mitchell left for Mobile, Ala., Saturday, being summoned by the illness of her sister.

Mrs. Simmie Harrison is visiting Mrs. Gene Jones.

On Tuesday night the people of Oviedo were given the opportunity of enjoying a most delightful concert by Mrs. Takach and Mrs. Frye of Sanford at the club house and under the auspices of the Woman's Club. Mrs. Takach has a splendid voice and her well selected program was delightfully rendered. Mrs. Frye's readings were also very much enjoyed. At the close of the program refreshments of chicken salad, olives, crackers and iced tea were served by the club women and a social half hour was enjoyed. Few towns the size of Oviedo can boast of a Woman's Club that is more active or does more for the community, than the Oviedo Woman's Club and to say any undertaking is under the management of this organization is equivalent to saying it will be a success.

Mrs. C. B. Jones of Orlando spent Sunday in Oviedo.

W. L. Luther spent Friday in Oviedo.

Mrs. H. B. McCall left Wednesday for Lakeland on a short visit to her sister.

Mrs. L. O. White spent Saturday in Orlando and Sanford.

The base ball games on Thursday afternoons are becoming more popular every week. Oviedo has some very good ball players and we hope there will be some good match games here before the summer is over. There being no war, we must have some excitement.

Mrs. J. A. Reed spent Thursday in Orlando.

T. C. Brannon has purchased a new Yelle car.

LETTER FROM R. J. HOLLY

Charleston, April 16th.
It was with a feeling of delight that the wire calling me to Charleston was received at Sanford even while I was making preparation to go to Hoboken to take ship. Old Charleston, the city rich in traditions and the lore and the lure of the old south held much for me and the realization has been more than the anticipation for nothing had been moved at my coming—in fact nothing has been moved here since the Revolutionary War and yet I would not have had it otherwise for the world. But I would like to warn my friends who have never seen Charleston that they had better see it soon. For Charleston is feeling the impetus of the post war activities and with her natural harbor safe inland as it is and already recognized by the government as one of the finest on the eastern seaboard and with the wonderful improvements being made here by the government in the way of piers and transportation facilities the old Charleston will soon give way to the new and many of the old landmarks will give way

to the skyscrapers and modern buildings. Sitting at my window as I write this letter I can see the old buildings rich in southern romance, the steeple of St. Michael's, the old Charleston Hotel with its beautiful Ionic columns and many other buildings of ancient and yet patrician lineage. Buildings with cracks in them that probably bespeak the earthquake and one of them that housed what was probably the first department store in America doing business upon a large scale as early as 1830.

Charleston was a great city in antebellum days and Charleston is destined to be a great city in the next ten years and bringing the transports here is doing much for the city at the present time, giving thousands of soldiers and sailors the opportunity of seeing the natural advantages of this great port and a chance to get in the game early and grow up with the town as it were. And with the true southern hospitality the people of Charleston are treating the soldiers and sailors and the transport men to all that heart could wish for and for one time the Y. M. C. A. transport secretary is recognized as one who is entitled to some consideration and comes in for his share of praise for work well done. As the transport secretary of the Martha Washington I had the privilege of attending two dances and entertainments arranged for the crew of this ship and they were some affairs, one of them at the fine new Y. M. C. A. quarters at the pier and one of them at the Red Circle or Community Club in the city and while we do not know whether we shall land here again or not it would suit me all right giving me a chance to get home for a few days and also the privilege of bringing home the southern boys, many of them from Florida. At the present time I am only temporarily on this ship as the regular secretary wanted a thirty day leave to visit his home in California and as we are under orders we never know whether we shall sail from Hoboken, Newport News, Boston, Philadelphia, Charleston or some other seaport and our port of taking troops is not known until we sail, so this game is problematical.

Met my old friend J. E. V. Jervey today and he will take me riding and as this will be interesting to home folks will try and tell about Charleston trucking in another letter. Mr. Jervey lives here and spends about five months of the year in the commission business of shipping vegetables coming here every year after the Sanford season is over.

I would like to tell about many other places of interest here, among them the beautiful Magnolia Gardens where there is a riot of roses and southern flowers and plants and trees but I have not the time and the Herald has not the space but will write something later if I do not have to go on board the ship in the meantime. The Martha Washington will sail with a Red Cross man, K. of C., Jewish Welfare and myself, and we are a happy family all working for the boys and trying to make them comfortable. In conjunction with us is Chaplain Woodward, a North Carolina man who is one of the finest I have ever met and it is a safe bet that the sailors on the ship and the soldiers coming home will get everything possible in the way of attention and amusement and I am glad indeed to be in this great work of service to the boys of the army and navy. My thoughts are ever with Sanford and her people and I expect to be home in the early fall to take part in the work of making a greater and better Sanford.

ACT QUICKLY

Do the right thing at the right time. Act quickly in time of danger. In time of Kidney's danger, Doan's Kidney Pills are most effective. Plenty of Sanford evidence of their worth.

Mrs. G. H. Tomlinson, 206 Palmetto Ave., Sanford, says: "I was in bad shape from kidney complaint some few years ago. When I swept the floor sharp pains caught me across my kidneys and nearly drove me wild. I was so nervous I couldn't stand still any length of time and my kidneys didn't act as they should. Specks floated before my eyes and blurred my sight. Hearing of Doan's Kidney Pills I got a box and they brought speedy relief. Three boxes rid me of this trouble and I recommend them at every opportunity."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Tomlinson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SPRAY FOR ANTHRACNOSE

Give First Spray When Vines Begin to Run

As a result of a conference of pathologists of the Bureau of Plant Industry, Department of Agriculture and of the Florida Experiment Station, the following recommendations are given for control of watermelon anthracnose:

Thorough application of bordeaux mixture will prevent the spread of anthracnose, downy mildew, and may to a certain extent control Mycosphaerella Blight. The control of these diseases means an increased yield and a better quality of fruit. The following schedules are advised:

1. Spray for the first time when the vines begin to run.
2. The second spraying should be given when the plants have developed a good system of runners.
3. The third spraying should be given about three weeks before maturity.
4. The fourth spraying should be given about one week before maturity.

For aphids, add to bordeaux mixture Black Leaf 40 at the rate of 1/2 pint to 100 gallons to the first application.

In case the disease appears in the field, and the regular schedule has not been used, the following emergency measures are recommended:

If an infected plant is found, the field should be sprayed immediately. This spraying should be repeated about ten days later. If weather conditions are still favorable for development of the disease, a third spraying two weeks later may be necessary.

G. D. Tucker and M. L. Bean of the Bureau of Plant Industry, Wash-

ington, are in the state directing control operations of this and other diseases, and interested growers may secure the services of these men by addressing them, Agricultural Experiment Station, Gainesville, Fla.

COUNTY SOLONS GATH- ED ON APRIL 8TH

(Continued from Last Issue)

Be it Enacted by the Legislature of the State of Florida:

Section 1. That the board of county commissioners of Seminole county, Florida, be and it is hereby authorized and empowered to issue from time to time county script or time warrants in such denominations as the board may deem advisable not to exceed the sum of Ten Thousand Dollars, and to bear interest at a rate not to exceed six per centum per annum, maturing in such amounts and at such times, not to exceed five years, as the board of county commissioners may determine.

Sec. 2. That the moneys derived from the issue and sale of said script or time warrants shall be used exclusively for the purpose of and in connection with the purchase and construction of a county court house in said county.

Sec. 3. That all laws and parts of law in conflict with the provisions of this act be and the same are hereby repealed.

Sec. 4. That this act shall take effect immediately upon its passage and approval by the governor, or upon its becoming a law without such approval.

Motion of L. P. Hagan, seconded by O. P. Swope and carried, the matter of irregularities in the report of R. R. Roberts, Mark & Brand Inspector be referred to Attorney Schelle Maines for investigation and report.

Motion of E. H. Kilbee, seconded by L. P. Hagan and carried, the resignation of E. A. Farnell, as Mark & Brand Inspector is hereby accepted.

Motion of C. W. Entzinger, seconded by E. H. Kilbee and carried, O. P. Swope and L. P. Hagan are requested to try to have the road from Sanford to New Smyrna, designated as a state road by the state road department.

Motion of L. P. Hagan, seconded by E. H. Kilbee and carried, clerk is instructed to draw warrant on the bond fund, payable to J. J. Dickinson, in the sum of \$1,500.00 same to be applied as a retainer fee in the road bond suit.

E. A. Douglass appeared before the board in reference to redemption of taxes by E. N. Sutton, and on motion of E. H. Kilbee, seconded by C. W. Entzinger and carried, it is recommended to the state comptroller that he allow redemption of 18 acres off the south side of NE 1/4 of NE 1/4 of Section 18, Tp. 20 S., R. 32 E., at the flat sum of \$100 per acre, plus clerk's fees.

E. A. Douglass appeared before the board in reference to redemption of taxes of A. E. Sjoblom, and on

motion of L. P. Hagan, seconded by E. H. Kilbee and carried, it is recommended to the state comptroller that he allow the redemption of certain lands in Section 8, Tp. 20 S., R. 30 E., also certain property in Longwood, at the face value of the certificates, plus clerk's fees.

Committee of O. P. Swope, and C. W. Entzinger here reported of a tractor by the county, and on motion of L. P. Hagan, seconded by E. H. Kilbee, and carried, the above report is accepted and committee discharged.

Motion of O. P. Swope, seconded by E. H. Kilbee and carried, the following men are hereby appointed county live stock inspectors for Seminole county: D. H. Hooker, D. E. Hart and A. A. Moran.

Motion of C. W. Entzinger, seconded by L. P. Hagan and carried the county convict guard's salary is hereby raised to \$50.00 per month.

Motion of C. W. Entzinger, seconded by L. P. Hagan and carried, clerk is instructed to notify A. C. L. R. R. Co. to put in crossing for new road opened in Longwood.

The following resolution was offered by L. P. Hagan and seconded by O. P. Swope and adopted:

Whereas, Seminole county has bonded in the past for the sum of \$450,000.00, for the purpose of constructing good brick highways, and

Whereas, Seminole county is now calling an election for another bond issue of \$300,000.00 to further extend the brick highways in said county, and

Whereas, That part of the brick highway which has been designated as state road No. 3, from Volusia county line at Maitland drawbridge to Robinson Springs, a distance of 1 mile is in bad condition,

Be it resolved that we, the county commissioners of Seminole county, in session held this 8th day of April, A. D. 1919, do petition the state highway commission to appropriate the sum necessary to make a good brick highway connecting the link between Volusia and Orange counties.

Reports of the several county officials road, approved and ordered filed.

Warrants paid during the month of March were ordered cancelled.

KIDNEYS WEAKENING?

LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but surely, undermining health with a certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haaren Oil Capsules now. Take three or four every day until you are entirely free from pain.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haaren Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haaren Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

Velvet THE SMOOTHEST SMOKING TOBACCO

"WHEN I go fishin' I want fish that bite, and tobacco that don't."

"Bite" in tobacco comes either from poor leaf or wrong "ripening."

We use for VELVET only the finest Kentucky Burley. But we don't stop there.

We put millions of pounds of this tobacco away every year, in wooden hogsheds, for Nature to patiently ripen and mellow.

There are quicker ways, but they leave some teeth in.

The VELVET way makes the friendlier kind of tobacco. You can always go to it for comfort without a "come-back."

Get chummy with VELVET today.

the President upon his excellent eye-
sight.

"Out of the mud" would be a
good motto for the new federal

especially appreciated by all soldiers
who recall the muddy mud of
France.

RAILWAYS AND BANKRUPTCY

Their debts grow like rolling snow-
balls. Ever since they got out of
the hands of private owners they
have been as profitable as a soda
fountain at the North Pole.

The private owners were so
greedy. Their motive was not public
utility. They wanted to get rich
to make money for themselves, not
to help the public. But if they did not
give some kind of service in exchange
for it they could not raise any.

They could not fall back upon
taxation. The government perhaps
feels that it can, but since filing
their income tax declarations the
people begin to think that there
must be some limit to taxation.

The answer seems to be a special
session of congress to deal with the
problem. Without funds for exten-
sion, improvements and repairs the
condition of the railroads when sum-

mer trade activities are times to be-
gin will put the country face to face
with a situation comparable only to
a total crop failure or a devastating
earthquake. The railroads cannot
be thrown back at their owners in
their present shape, and only con-
gress can formulate a plan for pre-
paring them for this consumption.

SANFORD'S OPPORTUNITY

Sanford has at least three big and
important projects under way at
this time, the outcome of which will
determine whether we are to remain
a big country town or get into the
city class.

We refer to the hotel project, the
new city charter with the commis-
sion form of government and the
new issue of road bonds. Never be-
fore in our history perhaps have we
had the opportunity to turn the key
that will open the door to bigger
and better things than we have to-
day.

Elsewhere in this issue will be
found an advertisement signed by
the Sanford Board of Trade relative
to the matter of bonds for road
roads. The Board of Trade stands
squarely behind this bond issue and
will use their every effort to put over
the issue at the coming election.

The charter committee expects to
have a completed draft of the pro-
posed charter within a week. The
hotel company are asking for bids
for the reconstruction of the build-
ing. A neat sum already paid, in on stock
with which to begin the work.

The Herald has faith in the people
of Sanford and Seminole county.
We know that they are ever ready
to do their duty as they see it in all
matters that affect the city, county,
state and nation. We believe they
will carry the bond election, build
the hotel and adopt the new city
charter. We know they will do these
things if they are brought to see
these matters in the proper light.

The time is now at hand for every
progressive man of the community
to take an active interest in these
three matters and see that they are
carried out.

OWN YOUR OWN HOME!

is the slogan nowadays and a good
one too. Why don't you do it?
Don't think that you require a
very large bank account to do it. If
you have enough to make a reason-
able first payment on a suitable
small place, and cannot make satis-
factory arrangements with the pres-
ent owner, go and have a heart to
heart talk with your banker or secre-
tary of the Building & Loan Asso-
ciation about it. Even if he can't
do it himself, he probably knows of
somebody who would be glad to in-
vest in a little place and sell it on
the easy payment plan. Such an
investment, with the certainty of
getting his principal gradually back
with interest, would appeal to many
a man. We are taking it for granted
that your credit is good, if it is you
are the man we are talking to.

Now we will suppose that the pre-
liminaries are over and that you
are settled in your own home. You
are a householder now, with a feeling
of pride and responsibility. You
plant ornamental shrubbery where
and when you wish it. You make
your little garden. You putter
about in your spare hours, and im-
prove or repair your home. What
ever you do enhances value or at
least keeps it up.

There is no necessity of asking
any one whether you may or may
not do this or that. You have the
independent and contented feeling of
a man who has really a stake on the
face of the earth.

And your children—they will have
something more than a temporary
abode—a real home. It will be a
home that they can look back to
with remembered happiness. Mov-
ing from one place to another does
not tend to build up character. A
settled home with all its accessories
does.

Convinced? Then go and look up
your home.

Will Polk's Damaged Roads

Lakeland, April 24.—The county
commissioners met in regular session
Tuesday at Barrow and one of their
chief transactions was to be able to
announce that the portable asphalt
mixer had arrived, was set up and
would start repairing the asphalt
roads by Wednesday. This plant
was ordered last November by the
old board and because of delays in
shipment did not arrive until a
short time ago. The commissioners
realize that the asphalt roads are in
exceptionally bad condition in many
places and have been that way for
six months, some showing weakness
soon after being laid. The rains and
weather have had something to do
with the wasting away of the should-
ers of the roads, but the greatest
damage had resulted in the apparent
decaying or softness of the asphalt
causing it to crumble in many places
and in others to cut through. The
road, especially between Brewster
and Fort Meade was relaid once
soon after being built because of
faulty work and the same road is

seemingly rotting away again. The
road between Mulberry and the
Hillsborough county line is not in
first class condition and the road
between Lakeland and Mulberry, is
breaking away in many places and
bad in the stretch two miles this
side to Mulberry; from Mulberry to
Pierce there is a considerable loss in
the faulty condition of the road; in
one special road district near Winter
Haven, and the whole road is prac-
tically ruined and another stretch in
the same district near Lake Howard
is in bad shape. Different state-
ments are made for this condition.
The commissioners claim that it is
due to poor construction either in the
laying of the base, the engineering or
the asphalt mixture. They absolutely
deny any statement that
through their neglect in just three
months could these roads become so
defective because of weather condi-
tions because most of them were
showing the decay before the first of
the year and before the rainy weather
started. The commissioners are
doing everything possible to protect
these roads and have purchased an-
other truck to help take care of them
and it is very apparent that the
main road leading through the county
are generally in good condition
and it is fortunate that on these
main roads that only a few rotten
places appear. These will be fixed
up first say the commissioners.

Rooster Day May 1, 1919

Rooster Day is a patriotic endeavor
to save for food thousands of dol-
lars worth of Florida eggs which are
annually an absolute loss. It is a
campaign having the backing and
cooperation of the United States
Department of Agriculture, the Ex-
tension Division of the State Uni-
versity, the State College for Women,
and the leading poultry interests
of the state, including poultry busi-
nesses as well as country buyers.

Florida's poultry production is
largely the farmers' surplus of the
state, and under normal conditions
they will market annually around
18,200,000 dozen eggs. Under the
conditions of scarcity and high
prices of food, every one of these
\$6,864,045 worth of eggs should be
good, but they are not. Govern-
ment estimates say that 17 per cent
out of every 100 are unfit for food
by the time they reach the consumer,
an annual state loss of over \$1,100,000. This loss is pure patriot-
ism if it can be prevented.

Laying the Blame on the Rooster
Five eggs out of every hundred
(average for the year) are spoiled by
the rooster. He fertilizes the eggs,
and a fertile egg spoils very quickly
in hot weather. It takes a tempera-
ture of around 103 degrees to hatch
a chick from a fertile egg, but a
summer temperature of only 70 to
90 degrees may start enough life in
a fertile egg to spoil it for food.

Shall the rooster be allowed to
spoil \$1,100,000 worth of Florida
eggs this year, this year when the
farmers of the state are making every
effort for maximum production—
when the housewives are making a
gigantic effort to save and help feed
the civilized world? Especially when
this loss can be largely prevented by
merely separating the roosters from
the laying hens during the summer
months.

Poultry producers, think it over.

George Washington
a Man of Thrift:
George Washington was a wise man. He saw the nec-
essity for practicing thrift. Here's some of his admonitions:
"I am no more disposed to squander than to stint.
"Economy makes happy homes and sound nations.
Instill it deep.
"It is not the lowest priced goods that are always
the cheapest.
"I cannot enjoin too strongly upon you a due ob-
servance of economy and frugality.
"Keep an account book and enter therein every far-
thing of your receipts and expenditures.
"Promote frugality and industry by example,
encourage manufactures and avoid dissipation.
"Reason, too late perhaps, may convince you of the
folly of mispending time.
"There is no proverb in the whole catalogue of them
more true than a penny saved is a penny got."
Spend wisely, save intelligently, avoid waste and invest safely:
buy War Savings Stamps and Thrift Stamps.

Good Roads for South Florida
Lakeland, Fla., April 23.—By a light vote of 177 to 72, road bonds to the amount of \$400,000 were voted for in Tuesday's election. Lakeland's vote was 3 to 1 in favor of bonds. Roads provided for will be paved with asphalt and the legislature will be at once asked to validate the issue. Paving work begins immediately after the bonds are validated.

Bradentown, Fla., April 23.—By a majority of 23 votes, the Bradentown special road and bridge district voted yesterday to bond for \$175,000 with which to pave additional roads and build a bridge connecting the mainland with Anna Maria Key. A total of 1 1/2 miles of roads will be paved.

St. Petersburg, Fla., April 23.—The Sunshine City yesterday voted for bonds to the amount of \$75,000 with which to furnish the new high school building. The vote was 165 to 20.

Christian Science services will be held at the Woman's Club, Oak avenue, between Third and Fourth streets, on Sunday, morning at 11 o'clock. 48-1f

Gentlemen:
Please allow me to state that I have sold your hog cholera remedy for one season and have ordered more for this season. Last year I sold it to 12 or 15 men who raise hogs. I told each of them to take the remedy, feed it to their hogs and if they lost a single hog from disease of any kind not to pay me a cent for the remedy, but when they began to sell cotton every man came in and paid me for the medicine and every one of them told me

The military back

YOU see it here; it goes with the new waist-seam suits: snug, body-tracing, emphasizing the shoulders and making the waist look narrower.

You'll find it here in all the very best styles; made by Hart Schaffner & Marx. You'll get more for your money here than any other place; more style, more wear, more all-around satisfaction. If you don't, you get your money back.

GETTING DOWN TO CASES
Did you ever stop to figure out how much money you have put into new auto tires and tubes that you might have saved by having the old ones vulcanized (that means, saturated) by us? Besides the actual savings in dollars and cents, which are considerable, think of the continual annoyance, etc. Often our vulcanizing improves tires and tubes a great deal.

MONEY IS THE FIRST ESSENTIAL IN PEACE AS IN WAR

MONEY HOARDED IS IDLE AND USELESS, Money deposited in the bank becomes the basis for credits of several times its own amount.

These credits help the Government to carry on Reconstruction Plans, the Farmer to grow Food, the Manufacturer and Merchant to carry on Essential Business.

Besides being always ready to your call, your funds are safer and patriotically employed if deposited with us.
