

Progressive Voter League To Endorse Runoff Candidates

TALLAHASSEE, May 12, (AP)—The head of the Progressive Voters' League said today his organization is going to endorse Florida Democratic runoff primary election candidates and make a "determined effort" to line up a solid negro support for them.

Harry T. Moore, executive secretary of the statewide negro organization, said the league "is now making contact with each candidate in an effort to determine his attitude with regard to the many problems that confront negro citizens."

"The Progressive Voters' League is interested in honest and efficient government. It seeks no special favors for the privileged few, but it is concerned about the general welfare of the masses of our people. The league stands for justice and equal opportunities for all citizens, without regard to race, color or creed," Moore said.

"As soon as the league has reached a decision as to the better candidate in each race, this information will be released to our voters throughout the state. A determined effort will be made to get unanimous support for the candidates that seem more inclined to give our people fair consideration."

About 70,000 of Florida's 890,000 registered Democrats are negroes. It still is an open question among political leaders whether a negro organization's endorsement would be an asset or a liability to a candidate.

U. of Michigan Pupils To Have Trust Fund

ANN ARBOR, Mich., May 12 (AP)—University of Michigan students—present and future—are the recipients of more than \$1,000,000 left them by a modest 79-year-old bachelor.

They have seen him strolling around the campus for 11 years. Most of them knew only that his name was Mr. Smith and that he lived in a small room in the Michigan union, center of campus activities.

The donor was C. C. Smith, once a prominent Detroit attorney, who died Mar. 4, leaving more than \$1,000,000 in cash and securities.

University President Alexander Ruthven and the Ann Arbor Trust Co. were named co-administrators of the estate under terms of the will revealed yesterday.

THE OLD HOME TOWN By STANLEY

LES DODGE FINDS AN EASY OUT—

Heavy Liquor, Beer Sales Send April's Tax Receipts Up

TALLAHASSEE, May 12, (AP)—Heavy sales of beer and liquor during April sent Florida's revenue from cigarette and beverage taxes soaring above 1947 receipts for the first time this fiscal year.

Beverage director James T. Vocolle reported April's receipts of \$1,903,942 on beverages was 37.31 percent above the \$1,386,558 collected last April.

The 10-month total of \$18,380,402 was still 1.92 percent below the 1947 total for the same period, but the steady gain in cigarette taxes made up the deficit.

Vocolle said \$1,074,859 was collected from the four cents a package tax on cigarettes during April, compared to \$992,528 last April.

Collections for the first 10

REPLANTING NECESSARY

MONTICELLO—Many Jefferson County negro farmers have found it necessary to replant watermelons, corn, and cotton because their first plantings were destroyed by excess water in the fields, M. E. Groover, negro farm agent, reports. Several hundred acres have not been replanted because of wet soil, and the farm outlook is not very encouraging for farmers owning such land.

months of the fiscal year on cigarettes total \$10,218,086, an increase of 6.66 percent above the \$9,573,312 for the same period last year.

Vocolle said receipts from beer and liquor taxes both showed a decided increase during April. He added that more stamps were sold for halfpints of liquor than all other sizes combined.

At the beginning of the fiscal year, Beverage Department officials estimated revenue for the year would be three percent below that for 1947.

NEW CLUB FORMED

DADE CITY—A new home demonstration club has been organized in the Denham-Drexel community, according to Miss Ruby Brant, Pasco County home demonstration agent. It has taken as its principal project the equipping and starting of a school lunchroom. The members plan to can as many foods as possible for the lunchroom during the summer.

EARLY MELON SEASON

TAVARES—Lake County's 1948 watermelon season opened 30 days earlier than usual, with prospects of reduced yields due to anthracnose in fields. Market prospects were good, however, because of lateness and reduced acreage of crops in competitive areas, according to County Agent R. E. Norris.

Idaho's first official highway took three years to build and was 624 miles long.

Rise To Fame Told Of National Figure In Daily Life—The Fuller Brush Man

By HAL BOYLE

NEW YORK (AP)—If you push enough doorbells, you'll sell enough brushes.

That is the simple sales formula on which Alfred C. Fuller, the original Fuller brush man, has built a gigantic house-to-house business.

Fuller, now 63, started in the basement of his sister-in-law's house in 1905. He made the brushes on a \$15 second-hand machine in the afternoon and evening, peddled them the next morning.

He doesn't have to push doorbells himself anymore. He's so wealthy he doesn't even have to answer the door himself when a Fuller brush man rings his doorbell to try to sell him a brush.

But this year some 7,000 Fuller brush men across the nation will push approximately 43,750,000 doorbells to sell housewives nearly \$50,000,000 worth of brushes.

Today the Fuller brush man has become a familiar figure on the American doorstep. Red Skelton has just made a movie about him and the Saturday Evening Post featured him this week in one of its "men at work" series.

What's he like—this door-to-door salesman who has taken the place of the oldtime itinerant peddler and knocks more often than the postman?

The brush company recently polled some of its 7,000 dealers and came up with this picture:

The average Fuller brush man is 40 years old, has a high school education, sets his own hours, earns \$70 a week. He has been married 12½ years, has a boy and a girl, owns a 5½-room house and a low-priced car 7½ years old with 52,000 miles on the speedometer.

He owns two radios, has been selling brushes for four years. His favorite hobbies are fishing, gardening and hunting, but he may collect seashells or pictures of steamships. This probably reflects a get-away-from-it-all feeling.

Some 35 percent saw military service, 36 percent belong to a fraternal lodge, one out of five has held a public office. Three have been mayors, three were ministers and one was a Royal Canadian Mounted Policeman who wearied of the horse.

The Fuller brush man works five days a week, pushes 25 doorbells a day, gives free to every prospect a vegetable scrubbing brush that costs him three cents. He has at least 2,000 families in

his district, calls on them three or more times a year, sells to one out of every two housewives who come to the door.

The door is his big problem. He isn't allowed to put his foot in it, but once he gets past it he generally figures he's in—physically and in a sales sense, too. He then has 135 items to sell—from nail brushes to furniture polish.

In one out of 25 cases the Fuller brush man isn't a man at all. He's a Fuller brush lady. The percentage of women salesmen rose during the war.

Strange things happen to the Fuller brush man. He has helped deliver babies, rushed stricken people to hospitals. One saved a child strangling on a coin by upending the baby and slapping her bottom until the coin dropped out. One was picked up by a policeman looking for a robbery suspect. The Fuller brush man sold the cop a clothesbrush.

The Fuller brush man can't bristle when a door slams in his face, has to try again.

"One superintendent told me I could never get into this building while he was alive," a Fuller brush man wrote cheerfully. "But he dropped dead, so now I can go into the building."

Many Fuller brush men go on to bigger things. One the company doesn't mention much is Landon C. Kellogg of Westfield, Mass. He began pushing doorbells for Fuller in 1922. Two years later, he began manufacturing brushes himself, built the business to a \$3,000,000 annual volume by 1946.

Kellogg sold out three months ago and retired at 48. He has a private plane and an estate in Florida.

Now he's like Fuller—doesn't even have to answer his own doorbell.

Can Black-Draught Help Sleeplessness?

Yes, Black-Draught may help sleeplessness if the only reason you can't sleep is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental distress, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you. Get a package today.

CATFISH FISHING TALLAHASSEE May 11 (AP)—Taking of catfish from Lake Okechobee and the St. Johns River with pound nets and baited traps was authorized yesterday by the Game and Fresh Water Fish Commission.

All nets and traps will be subject to inspection by commission agents and biologists.

Let's Elect FULLER WARREN ALL FLORIDA'S NEXT GOVERNOR

Red Party

(Continued from Page One) times do I have to say yes?

His views on the Communist Party, on which Republican presidential candidates have differed, were given when asked to state his views on the Mundt bill. That measure would require, among other things, registration of Communist Party members.

Mr. Truman said outlawing the party would be against our principles. He said splinter parties do no harm, and if there is any conspiracy to overthrow our form of government there are other ways of dealing with this.

He said he expects to send to Congress tomorrow a message on the farm problem, but has no message in mind on U. S. aid to rearm Western Europe.

To a question whether the U. S. would recognize a Jewish state in Palestine, he said he would create that bridge when he came to it. The President said he will not release a report on the loyalty investigation of Dr. Edward U. Condon, director of the Bureau of Standards. A House committee has demanded the report.

Congress, Mr. Truman said, has no power to compel confidential information from the executive branch. The courts have so ruled many times. The President repeated today

that it is still difficult to get men to take important federal positions.

He said he had his own reasons for delaying the promised appointment of Starriner Eccles as vice chairman of the Federal Reserve Board.

Jaycee Election

(Continued from Page One) week, and give their views on the gambling question.

Lee Samuel volunteered to direct the "Knot Hole Gang" to be sponsored by the Jaycees at the Municipal Park for the coming year. Plans for the "Gang" are being completed, and application forms for the organization are being printed. The club will be formed immediately after school is out for the present term, it was indicated by Samuel.

One of the by laws of the organization was amended during the business session. Frank Saunders and Julian Stenstrom were introduced to the group as visitors.

In 1858, Queen Victoria chose Ottawa, then a city of 20,000, as the seat of government of Upper and Lower Canada. It became capital of the New Dominion in 1867.

Flood Bill

(Continued from Page One) the State Cattlemen's Association and a state legislator, said every member of the legislature from the affected area approves the plan.

Bronson said he had heard no opposition and that both organizations he heads favor it. R. Y. Patterson of Clewiston, an executive of the U. S. Sugar Corp., said the program would permit approximately 300,000 additional acres of rich Everglades land to be farmed.

George R. Slaton, chairman of the Broward drainage district, told the subcommittee he was forced out of his Fort Lauderdale home three times by floods last year.

J. O. Brenda, Broward county drainage engineer, said he viewed the plan of the Army engineers as "the only answer to our problem."

Jim Beardsley, vice chairman of the Everglades drainage district, said winds of gale force at the height of the 1947 flood would have caused water to top all levees now protecting the Everglades area.

W. Dewey Hillsbeck of Miami, chairman of the Everglades drainage district, said that if something isn't done to protect against floods and burning of peat lands during droughts "the state of Florida and the United States are going to lose one of their great assets," the rich Everglades farm lands.

J. O. Pearce of Okeechobee said cattlemen generally favor the plan. New studies reveal that the probable cause of aurora borealis, known as "northern lights", is streams of hydrogen ions or particles, swarming into the earth's atmosphere from the outside. Modern rope makers use fibers from 15 to 20 different countries to produce their various types of cordage. The life span of an ant frequently reaches 15 years, unusually long for an insect.

To The Voters Of Seminole County

Again I express my gratitude for your splendid vote accorded me on May 4th. By so doing, you have made it possible, for me to solicit your continued support, on May 25th and welcome the help, of those un-able to vote for me, in the first primary.

In asking for your support, I pledge continuance of a clean campaign, based on qualifications, record and experience gained, while serving as your deputy for eighteen years.

If given the chance, it will be my earnest desire, to bring Seminole County a sound, progressive and honest administration.

Should any voter, or citizen, be in doubt, as to how I stand on any given issue, if approached, I welcome the opportunity to commit my self.

Twenty Years Ago Today

Merlin C. Barnes, graduate of Seminole High School last spring, has been awarded a scholarship at Rollins College in Winter Park for the coming year, according to a report received here today from the school. Barnes is a freshman at Rollins this year. He has been manager of the varsity football and basketball teams, member of the varsity crew, class president, and a worker in the school Y. M. C. A. The scholarship was awarded on high scholastic standing, outside of all-round ability.

Preparation for the sale of \$414,000 in municipal refunding bonds under the refinancing plan worked out last Fall was ordered by the City Commission at its regular meeting yesterday afternoon. Between \$30,000 and \$40,000 of the authorized \$155,000 paying bond issue will also be offered for sale by the commission to finance the work of finishing paving of a number of streets now only partly completed.

Approximately 1,500 more citizens have registered for the approaching primary election than were listed two years ago when the last Democratic primary was held, a preliminary survey of the registration books for Seminole County yesterday revealed. Total registration to date is 3,801. Of that number, 2,400 have paid their 1927 poll taxes.

A big jump in the number of poll taxes paid and a slight in-

crease in registration is expected between now and Saturday, the last day on which voters can pay the tax. Those who have neither paid poll taxes nor registered can do both until that time at the office of John D. Jenkins, county tax collector.

Sanford's two precincts this year have 2,710 voters registered. Precinct No. 1, covering the West Side of the city has 1,232 voters, and Precinct No. 2, on the East Side of the city has 1,378 registered.

Fear that the large number of voters will close the polling places has been expressed by a number of candidates. The ballot is 32 inches long and will require between two and three minutes at the least to work. Tabulation of the vote will not be completed until the morning after election, in the opinion of men who have served at polling in former elections.

Almost every precinct in the county shows an increase in registration this year. The number of names listed in other precincts follows: Lake Monroe, 121; Paola, 55; Okechobee, 189; Geneva, 156; Chulucua, 61; Gabriella, 49; Longwood, 144; Lake Mary, 140; Altamonte, 84; Forest City, 81; and Ocoola, 66.

(Editor's Note: In the past twenty years the number of registered voters in Seminole County has more than doubled, in 1928 there were 3,801 and in 1948, 9,213.)

Palestine Fight

(Continued from page two) planned to take over all Arab Jaffa, which adjains Tel Aviv. Jaffa's Arab Emergency Committee, set up when the city's municipal government collapsed last week following Jewish attacks, surrendered Jaffa at 11 A. M. in Tel Aviv, accepting all Jewish terms.

In Cairo, Egypt's cabinet members approved a draft of a royal decree proclaiming martial law for Egypt as a means of supporting possible Egyptian military moves in support of the Palestine Arabs. The decree provides for appointment of Premier Mahmoud Fahmy Nokrashi Pasha as military governor. The interior ministry said the king would sign it in a matter of hours.

A five-man committee in Tel Aviv prepared a draft of the declaration proclaiming the Jewish state, a number of the provisional government said. "For the first time in almost 2,000 years this Sabbath Friday, empires of the Holy Land Jewish will burn on the soil of a Jewish state," a number of the provisional government said.

U. S. Leaders Hit

(Continued from page two) matters of aggression.

2. Halting of "the atomic and permanent race." 3. Establishment of a powerful international police force. The House group is trying to find a peace formula that will work with or without Russia.

On the Senate side, the Foreign Relations Committee split over how far this country should go in pleading military backing for non-Communist Europe.

that when Gordian made his statement in jail, Ware had advised Gordian that any statements made by him at the time might be used against him in court, also said that Gordian's statements were made voluntarily.

Bellflower Case

(Continued from page two) and County Judge R. W. Ware, who revealed statements which he said were made voluntarily by Gordian in his presence.

Two .22 rifles, one of which was said to be connected with the shooting, were identified by Deputy Beck, one of which, a single action gun said Beck, was later recovered from the river.

Chief Williams revealed that while motoring in the vicinity of Ocoola with Deputy Beck, following the notification of the shooting, they met coming toward them an automobile in which Gordian had secured a ride. With the officers was Sam Dunn whom they picked up near the Ocoola

Saw Mill, and on the basis of whose statements, said Chief Williams, Gordian was arrested. Dunn was not arrested but was notified to appear in court during trial of the case.

The body of Mitchell was located near the river bank. On the ride back with Gordian, said Chief Williams, Gordian said that he was sorry it happened, declared that he had been trying to keep order in the camp where he played and explained that he had been in a fight with James Mitchell and Sam Dunn.

In a statement before Judge Ware, Deputies Beck and Whitten and County Jailer Ralph Gelger, Gordian stated that he was fighting for his life at the time. Judge Ware on the stand said

THURSDAY, MAY 13, 1948
BIBLE VERSE TODAY

THAT IS A MAGNIFICENT
BOAST, BEFORE VERY LONG
EVERY ONE OF US WILL FIN-
ISH HIS COURSE. WHAT
THEN? WILL WE BE PROUD
OR ASHAMED?—2 Tim. 4:7: I
have fought the good fight, I
have finished the course, I have
kept the faith.

A strike of 75,000 Chrysler
employees began yesterday. So
that car you have been waiting
for may be held up a while
longer.

Fuller Warren is really getting
desperate. Now he compares the
Caldwell administration in Florida
with the Pendergast machine of
Kansas City.

Norman Thomas has been nomi-
nated for President by the So-
cialists. However, this is the sixth
consecutive time, so we look for
no major changes in our way of
life.

Senator Morse of Oregon propos-
es an amendment which would
prohibit segregation in the re-
gional schools of the South. Com-
ing from Oregon, he would know
a lot about the trouble that would
cause.

That middle sheet we have been
using in our paper lately is not
red, it is pink. Someone said the
other day "We see where The
Herald has turned red again."
We are not red, we are in the
pink.

The Associated Press writes in
Rome reached the height of some-
thing or other when he wrote in
a story about the election as
president of Italy of Luigi Einaudi,
a banker, that "He is opposed to
Communism."

Henry Wallace is trying to out-
Chamberlain "Peace For Our
Times" Chamberlain. He proposes
that Russia and the United States
take the lead in general disarm-
ament, and outlaw all methods of
mass destruction. That, he says,
would bring peace for a century.

The count for delegates to the
Democratic National Convention
has been so slow in Florida that
anything could have happened
since election day. Here it is over
a week after the primary and
only a little more than half the
precincts in the state have been
counted.

Harold Stassen and Governor
Dewey are planning to debate
their conflicting views on outlaw-
ing Communism in the United
States. Governor Dewey does not
want to outlaw Communism be-
cause he says "that would only
drive them underground." Isn't
that exactly where they belong...
about six feet under?

While Fuller Warren devotes
his campaign speeches to his
fight against Governor Caldwell,
Dan McCarthy tells his supporters
in Sanford to wage a strong hard
campaign but to keep it clean.
Meanwhile, the object of Mr.
Warren's animosity, Governor
Caldwell, is in Washington, fight-
ing for flood control for Florida.

Senator Taylor, Henry Wallace's
running mate, who supports Joe
Stalin against President Truman,
is roundly denounced by Senator
Knowland, a Republican from
California. Accusing Senator Tay-
lor of giving "aid and comfort to
the Kremlin," Senator Know-
land said, "As long as Truman
sits in the White House, he is
my President."

Down in Key West the other
day five former law enforcement
officers were convicted of the
theft of six slot machines which
were being operated at the Elks
club. The life of a law enforce-
ment officer is not easy. Inciden-
tally, Key West is the home town
of Bruce Perry, the legislator who
figured in the bookmaking bribery
scandal last year. And the people
of Key West re-elected him in the
May 4th primary.

Ballot In Korea

The Korean election ordered by the United States has
been carried out according to schedule in the American
zone, but it will have a strange aftermath. It is the announ-
ced intention of the United States to withdraw its troops
from Korea at the end of this year. The election has been
held; the election representatives will have had an opportu-
nity by that time to set up a Korean government; the task
of the American occupation force will be ended.

But there is little doubt in anyone's mind as to what
will happen after the American troops leave. North Korea,
now occupied by Russia, did not participate in the election,
for Russia would have nothing to do with it. Leftists in
South Korea stayed away from the polls, do not recognize
the election. There is a strong Soviet-trained army of
Korean Communists in the north, against which the new
government of South Korea will be defenseless once the
Americans leave.

United States officials know these things, but they
say there is no choice. American military strength is spread
too thinly, and must be consolidated where possible. The
military value of Korea is not worth the investment of
troops there. Europe, they say in effect, is more important.

What will be the political effect of this withdrawal in the
Orient? All through the war years Orientals and their
friends pleaded for more help, and always were told that
European needs were more urgent. Where will they turn now
when told once again that, in peace as in war, Europe
comes first?

Father Of Glacier Park

"A colonizer of empire" was the name given to the
late Louis W. Hill, son of the "empire builder", James J.
Hill, the president of the Great Northern Railroad, who
built and developed this great road thus made possible
the growth of the Pacific Northwest. Louis Hill started
railroading at the bottom, and worked up to the top, carrying
on his father's work.

He will be longest remembered, however, for Glacier
National Park. He built the first road there, decided on the
Swiss chalet of architecture which has done so much to
make the park attractive, gave liberally to the park and
persuaded others to do likewise. His influence was great
also in having this made a national park in 1910.

Few achievements of any man have given so much
pleasure to others, and will continue to do so throughout the
years.

People Can Be Kind

Human nature, which can countenance mass killing of
its own kind in war, can take heed of a dying child's entera-
tainment. In Cleveland, O., a little girl, doomed by an
incurable blood deficiency, enjoyed more than anything
else receiving greeting cards in the mail. Her story ap-
peared in the newspapers. Cards poured in.

The child died recently. Her parents said that some
days as many as 20 sacks of cards were delivered. They came
from all parts of the country.

Word of her illness got about. Human hearts, that
could plot war against millions, were touched by the plight
of one sick child.

Rail Strike

(Continued from Page One)
ria and Western Railroad.

The operating brotherhoods called
a strike in December, 1947,
against what they called "sub-
standard" wage and working
conditions on the T. P. & W. the gov-
ernment took over the railroad
and appointed a federal manager
from the Office of Defense Trans-
portation. The workers returned.

The federal manager, after
three months of operation, reach-
ed an agreement on wages and
working conditions with the unions.
But management did not accept
the terms.

After the war, the government
released control, and the unions,
still having failed to reach an
agreement with management, called
another strike in October 1948.

A period of violence followed.
At least two strikers were killed
by armed guards attempting to
operate trains. But no agreement
was reached with the unions until
Apr. 1947, after President George
P. McNair of the T. P. & W. was
mysteriously shot to death near
his home in Peoria, Ill.

Jet Plane

(Continued from Page One)
table from fighters.

The XF-55 was built at the Mc
Donnell plant in St. Louis, Mo.,
but will make its first flight
above Murco, Calif., air base, fly-
ing from the belly of a specially
equipped B-52.

While capable of very high
speeds and a tremendous rate of
climb, the range of the "parasite"
is relatively short. In combat it
would make quick sorties against
attacking planes, returning for
fuel and ammunition after each
interception.

The idea is comparable to that
of an aircraft carrier escorting
other surface ships.

THE WORLD TODAY

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

Argument and speculation over
the conversation between Soviet
Foreign Minister Molotov and
American Ambassador Walter
Bedell Smith continue to snow-
ball without much indication of
where the end may be.

What is said to have started
out as an informal and private
chat between the two diplomats
has both hemispheres by the
ears—a development which many
observers attribute to smart
manipulation by Molotov. It now
appears that he acted without
consulting Washington in giving
to the press a statement which
conveyed the idea that the United
States had invited Russia to a
conference to discuss relations
between the two countries—an in-
vitation which the Soviet Union
regarded with favor.

Naturally the announcement
created a world wide sensation,
especially since it placed the
United States in the doubtful
position of initiating what might
be seized on by critics as ap-
peasement. Indeed one Communist
newspaper in Germany did de-
clare that this showed America
was fed up with the cold-war.

Moreover, Britain and France
gave indications of being con-
siderably miffed at not having
been informed by the United
States about this important move-
ment.

Washington promptly denied
that any invitation had been ex-
tended, although it reiterated
that the door always was open
for conversations if Moscow
wanted them. Even President Tru-
man took a hand in clarifying
the situation, declaring that there
had been no change whatever in
American policy.

Their yesterday Secretary of
State Marshall amplified and em-
phasized America's position. He
stated emphatically that "this
government had no intention of
entering into bilateral negotia-
tions with the Soviet government
on matters relating to the inter-
ests of other governments." He
said such discussions "must, as
a matter of course, be conducted
in the body charged with re-
sponsibility for these questions,"
an obvious reference to the Uni-
ted Nations.

Gradually these statements
seem to have had their effect in
getting the facts before a much
excited Europe. The idea grew
among observers that Mr. Mol-
otov slipped across a very hot
opie, which might easily have pu-
lled the United States in the position

of appearing as an appeaser, but
which has been largely countered
by quick action.

One of the most extraordinary
aspects of the situation is that
British Foreign Secretary Bevin
came to the aid of the United
Parliament. Bevin reportedly was
annoyed at the outset because he
hadn't been informed in advance
about the Molotov-Smith ex-
change. However, when he learn-
ed the facts he swung into action.
Without mincing words he gave
Moscow a dressing-down for pub-
licizing the Russian and American
statements. Said he:

"If the ambassador of a nation
cannot discuss quite frankly with
the foreign minister of another
country without publication; if he
cannot do that in order to bring
the parties together, then the
situation is not only intolerable,
but peace is impossible."

Bevin declared he is "anxious
for peace, anxious for a settle-
ment with Russia." But he added
that there can be no settlement
until the ground has been cleared.
Only the Communists, he said,
are standing in the way of world
peace.

FRIDAY
Circles of the Sanford Garden Club will meet as follows: Azalea Circle with Mrs. June Roumillat for a boat trip; Oriole Circle for a covered dish luncheon at San Lando Springs; Central Circle with Mrs. J. C. Davis, 511 Magnolia Avenue; Dirt Gardeners Circle with Mrs. Charles Ginn for covered dish luncheon at 10:30 A. M.; Hibiscus Circle with Mrs. Seth Woodruff for a picnic; Ixora Circle at 2:30 P. M. with Mrs. Wallace Phillips; Jacaranda Circle with Mrs. S. C. Graham for picnic; Magnolia Circle with Mrs. Dan Wright for a picnic; Mimosa Circle with Mrs. C. P. Harkey at 11:00 A. M. for a picnic; Palm Circle at 10:00 A. M. for a picnic; Rose Circle at the home of Mrs. Endor Carlett in Geneva at 11:00 A. M. for a covered dish luncheon.

Sallie Harrison Chapter, Daughters of the American Revolution, will meet at 3:00 P. M. with Mrs. L. P. Hagan, 1702 Park Avenue. All visiting Daughters are cordially invited to attend.

Junior Judges Given Picnic At Blue Lake

Members of the junior judges of radio station WTRR were entertained yesterday afternoon with a swimming party and picnic at Blue Lake given by Charles F. Wert. Following an afternoon of swimming and games a western roast was enjoyed by the guests.

Those of the young group enjoying the event were Peggy Lundquist, Robert Borsdorff, Kenneth Ramsey, Ann Dunn, Louise Benton and Philip Hudson. Others present were Mr. and Mrs. Clyde Ramsey, Mr. and Mrs. Raymond Lundquist, Mrs. Hudson, Robert Thompson, manager of the radio station, and Mr. Wert.

BAPTIST MEN'S MEET

The Men's Bible Class of the First Baptist Church will meet each Sunday at 10:00 A. M. at the Tourist Center until further notice.

IN MEMORIAM

Be It Resolved: That we, the Official Board of the First Christian Church of Sanford, Florida, express our deeply felt loss in the departure of our Friend, Pastor, and Leader.

Be It Further Resolved: That this testimony be made in appreciation of our departed Minister and Friend who sacrificed his life to the work of the Church and who died while actively engaged in making plans for the forwarding of the work of the Church.

Be It Also Resolved: That copies of the resolutions be spread on the Church records and a copy be given to his beloved wife, Mollie Emilee Yesley. Signed and adopted in regular meeting of Official Board of First Christian Church, Sanford, Fla.

YOU'RE IN A WHIRL
... and who wouldn't be with the kind of dress you've dreamed about... cartwheel-skirted, cape-collared and sweet as a bluish with its snowy white scalloped border, black streamer ribbon belt, appliqued bouquets.

Yours in cool, crisp Carnac waffle pique—in luscious shades of pink, light blue, aqua or maize. Sizes 9 to 15.

Personals

Raymond Kader left yesterday for Chicago, Ill., where he has enrolled in the Jewelry Training Service School to take up the study of jewelry manufacturing, stone setting and engraving. He expects to be gone for six months and will be joined soon by his wife and infant son.

Mrs. Dickerson Gives Play At Circle Meet

A play was presented under the direction of Mrs. S. C. Dickerson at the regular meeting of the Woman's Bible Class of the First Baptist Church held on Tuesday evening at the home of Mrs. B. R. Heck. The rooms of the Heck home were decorated with roses and daisies.

"The Old Rugged Cross" was sung prior to the meeting which was presided over by Mrs. Fred Myers. The play presented by Mrs. Dickerson showed the various stages of life from babyhood to old age. Those participating were Mrs. Dickerson, Mrs. R. R. Pippin at the piano, Mrs. E. F. Cooper, solos, Mrs. John Lee and her daughter, portayed the mother and her child and Billy Park took the part of the son.

West Side PTA Has Last Yearly Meeting

The last meeting of the year was held on Thursday afternoon by the West Side Parent Teachers Association. The group met in the school auditorium and Mrs. John Ludwig presided over the meeting with Mrs. L. R. Rushton leading the devotional. Following a short business meeting Mrs. Marion St. John spoke on "Evaluation of Accomplishment."

Attention was called by Mrs. Ludwig to the new stage scenery purchased by the P. T. A. Announcement was made of the Tom Thumb wedding to be held in the near future. Officers for the new year were installed by Mrs. Edith Rogers and Mrs. Selma Williams presented the outgoing officers with a gift. The room count was won by Mrs. Forbes and Mrs. St. Johns' rooms. In closing delicious refreshments were served and a social hour held.

Sanfordites Will Graduate At U of F

Several Sanford students are listed among those who will receive degrees on June 7 from the University of Florida in Gainesville. The graduation ceremonies will take place on the night of June 7 in Florida Field.

Those from Sanford graduating and the degrees they will receive are: Warren E. Harrison, BSBA; Harold C. Haskins, Jr., BSBA; Henry E. Kilpatrick, BSBA; M. Glenn Odham, BAE; Donald K. Pearson, BSBA; James M. Shoemaker, BME; Walter B. Stovall, Jr., MA.

Richard H. Russell To Wed In Gary, Ind.

Mr. and Mrs. J. F. Everett of Gary, Ind. announced recently the engagement of their daughter, Fern, to Richard H. Russell, son of Mr. and Mrs. Herbert Russell of Crown Point, Ind.

Mrs. Everett, a graduate of Horace Mann High School in Gary, is a teller in Gary National Bank and a member of "Bank Notes" a chorus associated with the bank.

Mr. Russell was born and reared in Sanford and during World War II he served with the United States Marine Corps. He is at present employed in the steel mills at Gary. He is the grandson of Mr. and Mrs. H. J. Lehman of Sanford of H. J. Russell of Lake Mary.

Social Department Has Final Party

The Social Department of the Sanford Woman's Club held its final party of the year yesterday morning at the club house in the form of a May-Day bridge-breakfast. The party began at 9:00 o'clock and hostesses were Mrs. S. F. Doudney, Mrs. Frank S. Lattson, Mrs. J. H. Crawford, Mrs. S. C. Graham, Mrs. Frank Shames, Mrs. C. H. Winn and Mrs. John L. Lee. Mrs. S. D. Highleyman is the chairman of the department.

Mrs. Epps Entertains With Garden Luncheon

Mrs. A. W. Epps, president of the Sanford Garden Club entertained yesterday with a luncheon following the dedication of a Fernald Loughton Memorial Hospital. The luncheon was held at the Epps home on Lake Minnie at 1:00 o'clock and was preceded with a brief board meeting.

Mrs. Epps met her guests at the gate and served cold drinks from a small wheelbarrow after which a short business meeting was held. Rooms of the attractive home were decorated with gardenias and roses. The luncheon was served buffet style and eaten on the terrace and in the garden overlooking the lake. An unusual centerpiece was formed on the luncheon table with a garden scene in the form of a dish garden and tiny ducks.

Those invited to enjoy the meeting and luncheon were Mrs. Hendon, Mrs. Curlett, Mrs. W. E. Watson, Mrs. R. J. Holly, Mrs. H. M. Papworth, Mrs. Fred R. Wilson, Mrs. O. P. Herndon, Mrs. H. H. McCaslin, Mrs. J. Dingfelder, Mrs. Z. B. Ratliff, Mrs. John Rogers, Mrs. W. A. Fitts, Mrs. W. Morrison, Mrs. L. E. Spencer, Mrs. E. C. Harper, Mrs. Augusta D. Covington, Mrs. George McCall, Mrs. Charles Ginn and Mrs. James Gut.

Also Mrs. Robert Reely, Mrs. C. H. Cogburn, Mrs. Floyd A. Palmer, Mrs. L. Munson, Mrs. B. B. Crumley, Mrs. Philip Bach, Mrs. E. F. Lane, Miss Ellaloe Kirchhoff, Mrs. S. C. Dickerson, Mrs. John Schirard, Mrs. James Moughton, Mrs. E. G. Kilpatrick, Jr., Mrs. James Terwilliger, Mrs. L. I. Frazier, Mrs. S. C. Graham, Mrs. Robert Williams, Mrs. B. L. Perkins, Jr., Mrs. C. L. Powell, Mrs. Mayme Hodgkin and Mrs. Carlin Ray.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Rudolph Ehrhridge announced today the birth of a daughter, Linda Gail, on May 9 at the Fernald Loughton Memorial Hospital.

Mr. and Mrs. Edward Cameron, Jr. announced today the birth of a daughter, Evelyn Brown after May 4 at the Fernald Loughton Memorial Hospital. Mrs. Cameron is the former Miss Mary Rivers.

Mrs. M. A. Callaway

Mrs. M. A. Callaway served as hostess for the monthly meeting of Circle No. 3 of the W. M. U. of the First Baptist Church held on Monday afternoon at Mrs. Callaway's residence, 1516 East Second Street. The rooms were attractively decorated with arrangements of gladioluses and spring flowers. Following the devotional given by Mrs. Lulu Miller, the short business meeting was presided over by Mrs. H. E. Turner, chairman.

Sewing for the Fernald Loughton Memorial Hospital was distributed among the members and visitors. Mrs. T. H. Groves, president of the Missionary Society, Mrs. W. P. Brooks, Jr., vice president, and Mrs. W. M. Scott, were welcomed to the meeting as visitors.

At the conclusion of the business a sweet course was served by the hostess assisted by Mrs. H. D. Smith and Mrs. Scott. Those attending were Mrs. A. C. Benson, Mrs. Scott, Mrs. Turner, Mrs. Groves, Mrs. Turner Lodge, Mrs. Brooks, Mrs. R. W. Ware, Mrs. G. S. Selman, Mrs. Hess Stephens, Mrs. E. S. Rockey, Mrs. Mary Hall, Mrs. Joe Barnes, Mrs. J. E. Ashley, Mrs. C. A. Anderson, Jr., Mrs. H. M. Pearce, Mrs. Miller, Mrs. B. C. Moore, Mrs. Smith and Mrs. Callaway.

Circle 3 Meets With Mrs. M. A. Callaway

It is often economical to use a half turkey for a family. It may be stuffed in the usual way, using heavy paper to hold the stuffing in place. Roast at 300° F., allowing 35 to 50 minutes a pound for a half that weighs from seven to nine pounds.

Use meringue with which to frost cupcakes. Just beat an egg white with one-eighth teaspoon salt until stiff but not dry, and add one-quarter cup brown sugar very gradually. Continue beating until mixture is stiff and glossy. Spread on cup cake batter in muffin pans and bake as usual.

PTA Pleased With Results Of Project

Mrs. Seth Woodruff of the Seminole High School Parent Teachers Association announced that the Sanford Post Office was to be commended for having five employes including the postmaster, Joel Field, who donated blood to the Blood Bank sponsored by the P. T. A. yesterday at the Seminole County Red Cross building on Oak Avenue.

Mrs. Woodruff stated that the P. T. A. is well pleased with the response of the people in the blood bank project and said that a full report of the success of the affair will be given at a later date.

Mc Carty Speech

(Continued from Page One) a citrus and cattle grower and is familiar with the economic problems of this county. He quoted J. C. Hutchison's reference to McCarty as an "able statesman."

Dan McCarty then faced the microphone and declared: "It is folks like you who put Dan McCarty in the second primary and who will elect him as governor."

"I am going to continue to run the same kind of race in the second primary as in the first, make it tough for my opponent, but keep it clean. I run on the basis of my platform, not on the shortcomings of other candidates," he asserted, and declared that he had made no trades with anyone and had but one thing to offer, progressive, businesslike administration. He also declared that he is free from political promises and

power politics. He expressed interest in solving the problems of agriculture and citrus in the state as affecting not only the prosperity of growers but also that of merchants and thousands of Florida families. Pointing out that he did not have all the answers to the problems of citrus, he stated that as a citrus grower he looked to the industry to solve its problems and said that he would offer material co-operation to them in doing this.

As the parent of two sons, an eye daughter born on the morning of the May 4th primary, he said that he was interested in the problems of schools, and wanted to see that Florida children are given the finest educational opportunities in the United States. He advocated more pay for teachers and new school buildings.

Mr. McCarty termed both a sales tax and state income tax unnecessary, and cited his 10 years of opposition to it. He stocked of game and fish, reforestation, soil conservation, flood and erosion control were advocated. He revealed that he came from a pioneer family and said that the pioneers now growing old, who gave us an up-to-date state, should be assured of aid that would enable them to spend their declining years in dignity. Reverting to problems of veterans, he pointed that his four and half year war record was not enough alone to qualify him as governor, but said he believed that it is "part of the picture."

Truman Seeks Farm Bill To Cope With Increased Output

Says Program Should Have Price Support Plan To Guide Pro- duce To Markets

WASHINGTON, May 14. (AP)—President Truman asked Congress today to pass long range farm legislation geared to the greatly increased productive capacity of American farms.

Such a program, he said in a special message to the legislators, should have a price support system designed to guide farm production to the farmers' market.

He said the "fundamental national policy" of farm legislation should aim for — organized, sustained, realistic abundance.

Mr. Truman added: "A policy of abundance includes some factors that lie outside the field of agriculture. The maintenance of high levels of employment and the maintenance of export outlets are prime essentials."

The government now has a war-time farm program. The major price supporting phases of it will expire Dec. 31 unless Congress acts at this session.

The President gave only a general outline of what he thought the long-range legislation should be.

These general proposals were closely in line with provisions of a long-range program approved Thursday by the Republican-dominated Senate Agriculture Committee, and urged last fall by the Agriculture Department.

Mr. Truman did not recommend, as Agriculture Department officials had expected, a boost of \$75,000,000 in the \$225,000,000 soil conservation program.

Senator Overton Dies In Hospital After Operation

WASHINGTON, May 14. (AP)—Senator John H. Overton of Louisiana, 72, died early today at Bethesda Naval Hospital. He underwent a serious abdominal operation May 8.

Once a center of political controversy in his long career since 1931, he was elected to the House of Representatives that year to finish an unexpired term.

The following year he was elected to the Senate with the support of the late Owen D. Young, P. Long, after a rough political fight against the incumbent, Senator Edwin S. Brownard.

A bitter foe of daylight saving time, Overton in 1947 and again this year fought against bills to set the clocks ahead one hour in the District of Columbia. When he lost, he kept his own Senate office on standard time.

He ran for his final term in 1944 at the urging of 46 senators who asked him in a letter to reconsider his decision to retire because of ill health.

Navy officials said the senator died at 5 A. M. this morning. At the time of his death, Overton was ranking Democratic member of the Senate Public Works Committee and one of the Senate's leading champions of river and navigation projects, especially in the Mississippi River Valley. He also was a member of the Appropriations Committee.

Elizabeth, Phillip Arrive On Paris Stay

PARIS, May 14. (AP)—Princess Elizabeth and Prince Phillip arrived in Paris today for a four-day visit. They were greeted at the north station by French Foreign Minister Georges Bidault.

Outside the station some 4,000 people had waited for hours to catch a glimpse of the royal couple. It is the first time Elizabeth has visited a country outside the British Isles.

Anti-Truman Vote Of Florida Demos Holds Majority

Solid South Bloc Has 11 1/2 Votes Opposed To Civil Rights

TALLAHASSEE, May 14. (AP)—The most rebellious anti-Truman faction of the Florida Democratic Party will hold a voting majority in the state's delegation to the National Convention.

The "solid South" bloc, pledged to Mississippi Governor Fielding L. Wright and his movement to bolt the party if necessary to stop the Truman Civil Rights Program, elected 17 delegates with 11 1/2 votes among them.

The other 9 1/2 convention votes will be held by delegates who also are opposed to President Truman and his Civil Rights Program, but prefer to settle the states' rights issue within the party. Delegates with seven votes have said they prefer Dwight D. Eisenhower for President.

Only one of the 112 candidates for 28 delegate positions listed himself as favoring a new term for President Truman. He finished 48th among 54 candidates for delegate at large.

Delegates elected from the state at large will have half a vote each in convention. Congressional district delegates will have full votes.

Governor Millard Caldwell led the ticket with 93,409 votes. He headed the Dixie Democrat slate.

North Korean Reds Shut Off Power To South Korean Zone

SEOUL, May 14. (AP)—Power from North Korea was abruptly shut off today after an American Army sergeant was wounded superficially near the dividing line between the Russian and U. S. zones.

The sergeant was hit twice in the face, presumed by grenade splinters while riding in a jeep. A pre-dawn patrol did not find his assailants. His name was withheld.

There was no apparent connection between the two incidents. The North Korean zone was cut off tonight. Auxiliary power units were supplying enough power to keep all but a few non-essential lights burning. Trolleys continued to operate.

All police were on the alert for any new disorders. The American Military Governor said North Korean Communists may have hoped to throw South Korea into darkness and thus cloak acts of violence such as have killed 500 Koreans since February.

He said cessation in the use of power would continue "until the high handed action of the Soviet masters of North Korea is rectified."

Florida Fashions Welcomes Many Visitors At Open House Celebration

Florida Fashions Manufacturing Co. which is giving employment to more than 75 women and which is allied with the Florida Fashions Inc. mail order firm, held open house last evening at its First Street location, and welcomed many visitors.

Altogether, the Florida Fashions enterprises are employing about 200 local people and adding considerably to the prosperity of Sanford and Seminole County. The mail order section is located at the Municipal Airport.

The cutting bench downstairs, was decorated with large bouquets and baskets of flowers presented by the Sanford Atlantic National Bank, Florida State Bank, Sam Marina, A. K. Robertson, Homer and Edith Robinson, United Lumber Co., and Crumley and Montiel.

Visitors were welcomed by Mr. and Mrs. Frank Shames who started the Hollywood Shops here 12 years ago, and through whose initiative and enterprise the creation of Florida Fashions may be largely credited. Miss Louise Levy was also one of the hostesses.

A number of employees modeled the latest Florida Fashion dress creations. Mrs. Ellen Stock wore "Eyetlet Sparkle" with large dots, buttons across the front and sides, lace sleeves at the shoulders.

Mob Attacks Cudahy Plant In Meat Strike

Raiders Take 30 Men As Hostage After Damaging Interior And Releasing Hogs

ST. PAUL, Minn., May 14. (AP)—Five Minnesota National Guardsmen were being called out today for duty at strikebound packing plants in Newport and South St. Paul, scene of strike violence.

NEWPORT, Minn., May 14. (AP)—A mob estimated at 260 men forced its way into the strike-bound Cudahy & Co. packing plant at midnight, heavily damaged the interior, set free several thousand dollars worth of hogs and carried away 30 plant workers as hostages.

R. J. Swenson, general manager of the plant, gave this account of the incident: "About 11:15 P. M. an estimated 200 men — some of them Cudahy workers on strike — entered the plant."

"First the main power switch was pulled, plunging the plant into darkness. Then a room where some of our men were sleeping was entered. Cots on which they rested were broken up and some windows smashed."

"Locks on some of the stock pens were broken and 110 hogs, valued at about \$6,000 were set free."

"A new car belonging to one of the plant engineers was tipped over and the windows of one side and the windshield were broken."

"The plant boilers were turned off but apparently there was no serious damage done to them."

"About 30 of the 50 to 60 men who were on duty in the plant were herded into cars and taken away. (At 4 A. M., Swenson said all but 11 or 12 of the missing men had been accounted for.)"

"These men were apparently taken out into the hills. A number of men were hurt in the plant and several have been treated for cuts and bruises."

"The entry into the plant appeared well planned. We found a round, heavy club that one of the men who came into the plant probably used."

Swenson entered the plant early this morning.

Sanford Skeet Club Holds Regular Meet

The Sanford Skeet Club held its regular weekly shoot at the Municipal Airport range yesterday afternoon with Frank Woodruff, III scoring top honors with 63 of a possible 65.

The Pistol Club held a shoot at the pistol range and James Webb carried 292 x 300 to win honors.

The following skeet cards were posted:

Frank Woodruff, III	73 x 75
C. K. Ellis	59 x 75
Andrew Carraway	58 x 75
Frank Woodruff, Jr.	54 x 75
George Maffett	52 x 75
R. G. Williams	47 x 75

Pistol scores were: James S. Webb 292 x 300; R. G. Williams 291 x 300; Frank Rockett 287 x 300; J. A. Howard 279 x 300; W. S. Hargraves 185 x 200.

3 Miners Entombed By Mine Flood Are Frantically Sought

SHAMOKIN, Pa., May 14. (AP)—Weary, grim-faced rescue crews clung today to the belief that three men entombed in a flooded mine 175 feet underground are still alive.

Hearthened by this hope, the rescuers—some of whom have gone without sleep for nearly 36 hours—manned pumps and reported they thought they were winning their battle against the water.

Frank Arrison, who kept an all-night vigil at the water's edge deep down in the hole, came up at daybreak to report it had receded about eight inches.

20 To 55 Die In 6 Plane Mishaps

BY ASSOCIATED PRESS
Six plane mishaps on four continents killed at least 20 and perhaps 55 persons. They are as follows: Brussels-Sabena airlines reports DC-4 airliner missing over Belgian Congo with 31 persons aboard, Frankfurt-U. S. airforce reports B-29 crashed in Saudi Arabia, with 13 believed dead, one survivor, Privas, France. Privately chartered plane crashed in Rhone valley killing four, London office of Skyways Limited announced dead included the Marchioness of Hartington, daughter of Joseph P. Kennedy, former U. Andrew Gordian Is Acquitted Of Murder Charge

McMillan Gets Life For Sutton Murder In Second Degree

Andrew Gordian, former soldier and veteran, was acquitted by a jury in Circuit Court at 2:15 o'clock this afternoon of a charge of murder in the second degree in connection with the fatal shooting of James B. Mitchell, young fisherman near Ocala on the St. Johns River on Mar. 31.

Stolid during the trial, Gordian wept silently with relief after hearing the verdict. The jury included Chester Daniels, foreman, J. P. Cox, Andrew Duda, Jr., C. K. Carter, and Earl Younger. E. F. Household conducted the defense and was assisted by W. R. Smith, Orlando attorney, George A. D. Coates represented the State.

John McMillan, negro, who had been charged with murder in the first degree on Mar. 23.

Sanford Skeet Club Holds Regular Meet

The Sanford Skeet Club held its regular weekly shoot at the Municipal Airport range yesterday afternoon with Frank Woodruff, III scoring top honors with 63 of a possible 65.

The Pistol Club held a shoot at the pistol range and James Webb carried 292 x 300 to win honors.

The following skeet cards were posted:

Frank Woodruff, III	73 x 75
C. K. Ellis	59 x 75
Andrew Carraway	58 x 75
Frank Woodruff, Jr.	54 x 75
George Maffett	52 x 75
R. G. Williams	47 x 75

Pistol scores were: James S. Webb 292 x 300; R. G. Williams 291 x 300; Frank Rockett 287 x 300; J. A. Howard 279 x 300; W. S. Hargraves 185 x 200.

Scientist Reports Development Of Successful Vaccine For Mumps

MINNEAPOLIS, May 14. (AP)—Concentration of mumps virus—described as opening up the possibility of producing a more potent vaccine than one recently announced in Australia—was reported today by an Illinois scientist.

Dr. George F. Forster of the Illinois Department of Health made the report to the Society of American Bacteriologists which closes its 48th meeting today.

Mumps, one of the banes of childhood — but also occurring among adults — is listed as a sticky in the medical record, because there is no known drug to combat it.

The only treatment to date consists of injecting blood serum taken from a person who has had the disease and recovered.

So, efforts have been directed toward growing the virus in quantities — and in high concentration — so that a protective vaccine might be developed.

Red Curb Bill Is Condemned At House Meet

Allen Says Bill Will Be Fought By All Who Advocate Over- throw Of U.S. Nation

WASHINGTON, May 14. (AP)—A bill to curb Communism was condemned in the House today as a thrust at organized labor and was defended as a weapon against "the domestic agents of our foreign foe."

The measure won't outlaw the Communist Party. It would curtail the party's operations and expose its members and activities. It faces hours of House debate before expected passage and then must be considered by the Senate.

Opponents said privately the debate only is postponing certain passage by the House next week. An indication of comparative strength of its supporters and foes was the 296 to 40 rollcall vote that brought the bill up for House consideration.

Chairman Allen (R-Ill.) of the Rules Committee told the House "this bill will be opposed by all of those who advocate the overthrow of this government."

Its major purpose, Allen said, is to expose Communism and Communists in the same manner that manufacturers of poison are required to label their products.

Rep. Cox (D-Ga.) said it seeks to drive into the open "the domestic agents of our foreign foe and to unmask the traitor who conceal his disloyalty."

Rep. Smith (D-Ill.) called the bill an invasion of "the historic American tradition of individual liberty." He said it is "aimed at organized labor more than at Communists."

Rep. Rankin (D-Miss.) said the bill will help instead of harm Communism.

Lions Convention Is Reported On At Regular Luncheon

Sanford Lions and routers, attending the Lions Club's Convention in St. Augustine last Tuesday night, made so much fuss over the winning Sanford team at the ball game that they were nearly thrown out of the park, commented King Lion W. O. Livingston to a smiling group of Lions at their luncheon today at the Tourist Center.

J. E. Rowland, a delegate, reported, however, that St. Augustine and Mayor Herbert E. Wolfe gave a fine welcome to the visiting Lions. George Cooper of the Redlands District Lions Club, making the response with typical lion humor. He also reported attending the dedication Sunday at Holly Hill of the project for the blind. C. H. McNulty gave the address.

Lion districts in Florida were increased from two to five, he revealed, and a project to support blood banks adopted. St. Petersburg "offered everything in the book" and was adopted as the next convention site, he declared. Delegate Henry White reported that between 700 and 800 Lions attended the convention, and told of enjoying the balls given for delegates and governors.

Both delegates, White and Rowland, wear good 19 cents a pair sporty, huge cigars they had brought from the convention. The report of the nominating committee for new officers was accepted.

6 Perish In Trailer Destroyed By Flames

HUNTINGTON, W. Va., May 14. (AP)—Six persons burned to death here last night when flames destroyed a wooden trailer and a home-made addition.

Detective Chief Hershel Gartin said the fire was fanned by a brisk wind, and that the occupants had apparently been asleep and had tried to escape through the single door of the home. Cause of the blaze was not determined.

Coroner F. X. Schuller identified the dead as Ernest Henson, 44; his wife Beatrice, 41; their daughter Ernestine, 14; a son, Thomas, 9; and two men who were visiting the Hensons, Pearl Dillon, 50; and "Duke" Easter, 29. A son and daughter-in-law of the Hensons were away on a visit.

State Of Israel Is Born In Palestine; 1st In 2000 Years

Defenders Of Flood Control Money Bill Fight \$2,000,000 Slash

WASHINGTON, May 14. (AP)—Defenders of a record \$640,253,000 money bill for flood control and navigation projects told the Senate today it would be false economy to cut off \$200,000,000.

A minority group on the Senate Appropriations Committee, asserting that the measure is "extravagance on a large scale," proposes the total be trimmed by that amount.

One of the minority, Senator Reed (R-Kan.), said the bill is the "biggest pork barrel" he has seen in the Senate.

The amount in the bill as it now stands is more than double any previous waterways appropriation.

Leading off today in favor of the \$640,253,000 Senator Vannoy (R-S.D.) said "in a sense" he agrees the bill is a "pendulous pork barrel."

But, he added, "it is a pork barrel which will put pork chops and bacon and roast pork on millions of dinner tables."

He said the program of 373 projects for which the bill provides funds in the year starting July 1 will provide direct aid to agriculture and increase production of food.

Gundry listed these four benefits to agriculture which stem from the waterways program:

1. Prevention of loss of crops and livestock as a result of flood-preventing work.

2. Addition of millions of acres of rich bottomlands, otherwise unavailable to farming because of flood threats, to the area available for growing purposes.

3. Provision of adequate drainage to make successful other large-scale waterways projects.

School Board OKs Playground's Use Of Church Group For Summertime

The County School Board yesterday granted the use of the Sanford Grammar School grounds and facilities for the City recreation program during the summer, following a request by Jack Rattan for such facilities, it was announced by Supt. T. W. Lawton.

Fred Ganas, Seminole High School instructor, has agreed to serve as director of the program for youth. He will be assisted by A. Clayton DeLand, and by Mrs. P. M. Jingle and Mrs. Barbara Dampier of Sanford.

Sanitary facilities of the Grammar School may be used and on many days part of the building may be occupied under careful supervision, said Mr. Lawton.

The Board also agreed to permit the use of two school buses for summer parties. White students will be taken to Lake Mary, and negro children to the negro boy scout camp at Paola. This was allowed, said Mr. Lawton, under condition that the Recreation Committee find qualified drivers and secure the required property and liability insurance.

R. F. Cooper, chairman of the County Board of Trustees, reported at the meeting that he had inspected the proposed site of a new school building in Goldenrod and had approved the location.

Declaration Is Effective 1 Minute After Midnight As Brit- ish Mandate Ends

TEL AVIV, Palestine, May 14. (AP)—The State of Israel, first Hebrew nation in 2,000 years, was born today in a Jewish declaration of independence asserting the "historic right" of the Jews of Palestine to reconstitute their national home.

The proclamation by the National Council is effective at one minute after midnight, when the British 39-year rule of the Holy Land ends. The British high commissioner already has left Palestine soil for a British cruiser, and the British mandate government has left the Holy City of Jerusalem.

While Jewish forces and soldiers of the surrounding Arab countries prepared for war, the Jews proclaimed their "right to a life of dignity, freedom and labor." The declaration said this right was recognized by the United Nations.

The Arab League, meanwhile, planned to set up an administration — not a state — of their own in Palestine to function with occupying Arab forces if and when Palestine is invaded.

In London the Arab office declared the termination of the British mandate had created a

ACL To Take Over FEC Railroad At \$49 Million Cost

RICHMOND, Va., May 14. (AP)—Stockholders of the Atlantic Coast Line Railroad Company voted almost unanimously today to take over the Florida East Coast Railway Company at a cost of \$49,500,000.

The vote in favor of ACL's acquisition of the Atlantic Coast main trunk of the Florida road represented 99.88 percent of the stock represented at the meeting. The vote was 689,976 shares in favor of the proposal to 768 against.

The negative vote represented less than one-tenth of the stock represented at the meeting. About 83 percent of the shares outstanding were represented.

The stockholders of the ACL by the same vote accepted a plan of reorganization which approved by the federal court and issue such securities and make such payments as might be required to

Sanford Ministers Ask Questions Of Sheriff Candidates

Capt. Byrd Hudson of the Salvation Army was elected president of the Sanford Ministerial Association at a meeting held at the Seminole High School yesterday afternoon. He was elected to fill the unexpired term of the Rev. W. P. Yelky who died recently.

A committee composed of Dr. W. P. Brooks, Jr. and the Rev. Mark Carpenter was appointed to draft a set of questions dealing with law enforcement which will be presented to the two candidates for sheriff. The report of the committee was unanimously approved by the Association.

The questionnaire approved by the ministers is as follows: "We the members of the Sanford Ministerial Association, at a regular meeting held at the high school on Thursday, May 13th, in the interest of good government and the preservation of law and order, within the county have unanimously voted to send the following open questionnaire to the two candidates for County Sheriff in the May 25th run-off primary; and have further voted that a copy of this questionnaire be published in The Sanford Herald and the replies from the two candidates be published in the same paper upon their receipt."

"Question 1: Will you enforce the law regarding gambling devices, such as slot machines, etc.?"

Growers To Plan Labor Camp Here

Growers are requested by County Agent C. R. Dawson to attend a short meeting of the Seminole County Farm Labor Association Tuesday afternoon at 4:00 o'clock at his office in order to discuss plans for the local labor camps, also future labor prospects.

More than 700 growers, throughout the county have been informed by letters from Mr. Dawson of the voting which will take place Monday at 9:00 A. M. to 4:00 P. M. for selection of five supervisors for the Seminole County Soil Conservation District.

Voting will take place at the County Agent's office in the Court House, the Chuluota Grocery, Longwood and Oviedo city halls, and the Geneva Community House.

2 Georgia Youths Held As Escaped Convicts

CHICAGO, May 14. (AP)—Two Georgia youths were held by police today after Detective Joseph Gordon said they told him they had escaped from a prison road gang in Decatur county, Ga., on May 5.

Gordon identified the youths as Joseph Malden, 21, of Atlanta, and James Pyles, also 21. He said they told him they fled from the road gang of the Reidsville penitentiary which had been working in Decatur county.

Police said Malden related he had escaped from the prison twice previously since he was sentenced to a term of five to six years for stealing an automobile. Pyles was sentenced for burglary. Gordon said they were seized near the west side home of a woman who had befriended them. She said she had given the youths some money but when they returned last night she called the police.
