

**Military Budget**

(Continued From Page One)

Here's how the money would be allotted, by service:  
Army: \$20,125,574,000, a cut of \$200,221,500 from what it wanted.  
Navy: \$15,552,143,225, a cut of \$194,372,000.  
Air Force: \$19,854,128,000, a cut of \$647,015,000.  
National Security Council: \$100,000, no cut.  
National Security Resources Board: \$1,600,000, no cut.  
Secretary of Defense: \$528,800,000, a cut of \$100,000,000; out of this allotment comes retirement pay of \$35,000,000.  
Deep cuts were made in funds requested for civilian personnel and military procurement. The aggregate \$145,100,000 chopped off civilian personnel funds is designed to cut planned white-collar and blue-collar working forces by close to \$40,000,000. This still would leave the military forces ten per cent of those they had during the last fiscal year.

The committee said procurement fund cuts would not interfere with the military build-up but were made because of changes in production schedules and material deliveries.  
The committee's criticism was not reserved for the Defense Department alone. It noted that the President didn't submit the budget until late in April, more than three months later than the legally-prescribed time, and said it wants the budget sent to Congress "on time" hereafter. That is during the first 15 days of the session.  
The group also complained of

**Flood Blame**

(Continued From Page One)

Mr. Truman said that when he was a senator and joined in suggesting a Missouri Valley Authority, "most of the governors and senators in the Missouri basin opposed it bitterly, and it was clear it could not be passed at that time."  
Later, he said, proponents of a flood control - navigation - irrigation-power plan for the Missouri basin worked on the Pick-Stan Plan, which he said was incomplete and would have to be improved later. That was in 1944.  
Mr. Truman said there was opposition even to this from people who called it "socialism" for the government to build multiple-purpose dams but that "we did manage to get a number of important projects authorized by the Congress."  
He said the Pick-Stan Plan has been helpful in getting projects started and added:  
"I am thoroughly aware of the inadequacies of the present situation."

## 90 Cadets Given Chance To Resign With Clean Record

### Parents In Cheating Scandal Appeal To President Truman To Reduce Penalty

WASHINGTON, Aug. 7.—(AP)—Senator Sparkman (R-Ala.) and Fulbright (D-Ark.) proposed today that Congress study the possibility of converting West Point and Annapolis into purely military graduate schools. Senator Byrd (D-Va.), acting chairman of the Senate Armed Services Committee, said he would oppose any move to abolish the schools as a result of the military academy cheating scandal.

WEST POINT, N. Y., Aug. 7.—(AP)—The Superintendent of West Point today said that any of the 90 accused cadets who admit classroom cheating will be given a chance to resign with a clean record.

"This was always contemplated," Maj. General Frederick A. Irving told the first news conference he has called since the scandal broke last Friday. "The 90 cadets are facing auster for exchanging information on classroom examinations. Their case is presently before a screening board here at West Point.

Parents of some of the youths sent a telegram to President Truman appealing to him to restore the accused cadets to duty. The White House acknowledged receipt of the wire, but had no comment.

General Irving said: "Those cadets who have admitted guilt under oath will be given the opportunity to resign.

"Those cadets who have admitted guilt under oath, but who refuse to resign, will be discharged administratively, or, in some cases, may be tried by court-martial, depending on the evidence."

"In cases where insufficient evidence exists to support the charges of guilt, the charges will be dropped."

**Ralph Tolar Opens  
Own Apothecary Shop**

Friends here of Ralph C. Tolar will be interested to learn that he has recently opened the Medical Center Apothecary Shop in Richmond, Va. where he has been associated with the Medical College of Virginia as an assistant chief pharmacist for the past five years.

Mr. Tolar, the son of Dr. and Mrs. J. N. Tolar, attended the Sanford schools and was graduated from York Union Military Academy in York Union, Va. He later attended pre-medical school at the University of North Carolina. He transferred to the Medical College of Virginia in Richmond from which he was graduated in 1945. He is married and has one son, Gregory, two years old. Dr. Tolar flew to Richmond for the formal opening of the apothecary shop last Wednesday.

## County Board To Vote On Budget For Coming Year

### Tentative Figure For 1951-52 Amounts To Over \$580 Thousand

The Seminole County Commission today considered the 1951-52 budget totalling \$582,083.55. Included in this figure are \$275,390.75 for the General Fund, \$245,957 for the Road Department and \$64,736 for the County law enforcement agencies. Largest appropriation in the General Fund provides for \$10,000 for additions to the Court House. Another \$7,000 is budgeted for repairs for the building.

The budget substantially as submitted was expected to be approved later today.

A reserve cash balance in the General Fund of \$75,000 was reported by County Clerk O. P. Herring. A contingencies fund of \$10,920.75 is included in this section of the budget.

In the Road Department section of the budget almost one-third of the 1951-52 appropriation, \$86,000, is budgeted for labor costs with the second largest amount, \$23,000, scheduled for equipment and tools. Road materials are listed at \$20,000.

In the third section of the budget, providing for the operation of County law enforcement agencies, the Sheriff's office appropriation of \$10,000 tops the list followed by \$13,000 for the feeding and care of prisoners.

Other relatively large expenditures included in the budget are \$20,591.87 for payment to the City of Sanford for taxes, \$5,000 for publicity, \$17,000 for Court (Continued on Page Two)

## Red Truce Violations That Halted Peace Talks

The presence of Red troops near the Allied staff house in the town of Kaesong has caused Gen. Matthew B. Ridgway, United Nations Commander, to break off the cease-fire negotiations. Communists troops (top) are shown as they marched single file near the conference house. Below, Allied troops pass a United Nations command vehicle near the town of Kaesong.

## Lions Club Told Of Supervisory System By Witte

### Zone Director Gives Report On Activities Of Local Clubs

Zone Chairman Henry Witte, recently awarded the Lion's Club five year perfect attendance pin, today described the supervisory system of the Lion's International to the regular weekly meeting of the group held at the Yacht Club.

Mr. Witte, who heads Zone 3 of the Florida District, described the overall activities of eight clubs located in Du-Land, New Smyrna Beach, Pierson, Titusville, Daytona Beach and Sanford.

The zone director, Mr. Witte, continued, reports on the activities of the clubs under his supervision to the District Director and his deputy who is in charge of statewide activities of the organization.

There are five districts in Florida, each distinguished by a letter in the name "Lions". Sanford is in Northern District.

(Continued on Page Six)

## Farm Income Is Up 17 Percent Over 1950

WASHINGTON, Aug. 7.—(AP)—The Agriculture Department reported today that farm income totaled \$15,400,000,000 during the first seven months of this year. This was 17 per cent more than in the same period last year.

The department said this increase was not entirely a net gain for farmers because farm cost rates rose an average of 12 per cent during the 1951 period.

Income from livestock and livestock products was reported at \$4,700,000,000 or about the same as last year. Higher average crop prices were offset by smaller production.

Farm income in July this year was reported at \$2,600,000,000. This was 20 per cent more than in June because of larger marketings, and 11 per cent above July last year, mostly because of higher prices.

**RED CROSS DRIVE**

The National Disaster Committee of the American Red Cross has notified the Seminole County Chapter that all quotas for flood relief in the disaster regions of the Midwest have been met.

In a letter to the Rev. H. L. Zimmerman, chairman, it was stated that the damage in excess of \$100 million in value has been sustained. In order to give every person an opportunity to contribute, the present drive, originally scheduled through Aug. 8 has been extended to Aug. 15.

## U.S. Rejects Soviet 5-Power Peace Pact As Propaganda Trap

### State Department In- sists Russia Must Respect Existing Obligations First

WASHINGTON, Aug. 7.—(AP)—The United States today rejected Russia's proposal for a five-power peace pact as a propaganda trap.

The State Department said: "The Kremlin has violated obligations to such an extent that the world has lost confidence in the Soviet's respect for treaties."

Russia's President, Nikita Khrushchev, renewed Russia's offer to sign a five-power pact in a letter to President Truman last night. Its rejection had been expected since U. S. officials described it even then as "a snare old chestnut tied with a new ribbon."

The proposal was that the United States, Britain and France joined Russia and Communist China in a permanent program aimed at "guaranteeing" world peace.

In the first formal American reaction a State Department official today challenged Russia to live up to existing obligations before taking on new promises.

Press Officer Michael J. Mc Dermott told a news conference: "There is no sense in the Soviet government's assuming new treaty obligations until they have restored the confidence of the world by honoring existing obligations." (Continued on Page Four)

## Ex-U. S. Official Ridgway Insists Identified As 1 Of Red Friends Of Kaesong Neutral

### Communist Keep Kaesong Neutral

Professor Declares  
Red Apology Is Not  
Enough, Assurances  
Must Be Provided

WASHINGTON, Aug. 7.—(AP)—A university professor, who identified himself as a former German Communist, told Senator today he and Michael Greenberg, a former government official known as "Communist friends" and had assumed Greenberg was one of the ex-U. S. officials from the East, August 7th, told the Senate Internal Security Subcommittee put into its record an Aug. 4, 1951 letter on White House stationery with the typed signature of Michael Greenberg.

Also put into the record were documents listing Greenberg as a former employee of the Board of Economic Warfare. The Board of Economic Warfare was the State Department.

One of these documents was a letter from Robert Ramspeck, chairman of the Civil Service Commission, saying that on May 7, 1942, Greenberg was barred from competing in Civil Service examinations "because of questionable loyalty."

Washington, whose residence is New York, was directed by the committee as director of a Clinton University project sponsored by the University of Washington and Columbia University.

He testified at the committee's monthly public hearing on subversive influences have affected U. S. Eastern policies.

Washington said he was a Communist in Germany, but took refuge in the U. S. in 1940.

He told the committee he met Greenberg in England in 1941 among my English Communist friends.

He said he had not seen Greenberg since 1945, but that he met him under circumstances that indicated he was a Communist.

## 8 Persons Hurt When Train Runs Into Stalled Car

### Diesel Engine Tears Up 1/2 Mile Of Track And Then Overturns

MALVERN, Ark., Aug. 7.—(AP)—At least eight persons were hurt early today when a Missouri Pacific steam engine plowed into a stalled automobile at a crossing on the outskirts of Malvern about 1:30 A. M.

The two-wheel diesel engine overturned after reversing a short distance and tearing up about a quarter mile of track. At least five cars were derailed, but none overturned. The last ten cars, most of them pullmans, remained on the tracks.

The railroad's district engineer at the Malvern, Dr. Peter Thomas, said nobody was injured critically and nobody was missing.

Two trainmen, Eugene L. F. Fix of North Little Rock and Freeman G. Fisher of Little Rock, suffered lacerations and bruises. Four women passengers were treated here and then taken to Little Rock for further observation. Dr. Thomas said he expected them to be released later in the day.

Two other passengers were hurt.

Malvern is 45 miles south of Little Rock.

The train, the first section of the "Texas Eagle," was bound for San Antonio from St. Louis. It carried several pullmans. (Continued on Page Six)

## Kansas City Thugs Slain In Gangland War In Hollywood

### Roy Holler Given Nylle Top Award

HOLLYWOOD, Aug. 7.—(AP)—Roy Holler, a Kansas City thug, was shot today in a Hollywood gangland war.

One of the men had just graduated from the FBI's school for law enforcement officers.

Tony Lombardo and Tony Bracco were shot to death in a car parked next to the block off Hollywood Boulevard.

The bullets entered the car from the back and they died in the front seat of the car. Police to be sure the shots were fired by someone concealed in the back and waiting for the men to enter the automobile. A witness said he saw a man run across the street after the shots and speed away in a waiting car.

The windshield was shattered by five bullet hits.

Detective Chief Paul Brown said the men had floated for the past five years between the underworlds of Kansas City and Los Angeles.

The car carried a Missouri license.

Brancato, 36, and Lombardo, 34, both were questioned about the BHR slugging murder of Harry Brancato in Mickey Cohen's Hollywood. Police talked to them again after Cohen was nabbed a year later. This blast killed one of Cohen's henchmen, Neddie Herber.

Cohen is in the county jail still upholding his recent conviction on federal income tax evasion charges.

Brancato also was questioned after the slaying of Benjamin (Hugsy) Siegel in 1947.

Lombardo, in the driver's seat, wore an expensive grey suit. His eyeglasses hung from one ear. Brancato wore a flashy sports coat.

Brancato, an ex-convict, was placed on the FBI's most-wanted list last June 27. He was later arrested in San Francisco and released Aug. 3 on \$10,000 bail pending an extradition hearing Aug. 20. He was wanted in Las Vegas, Nev., in connection with the holdup of a resort hotel.

## Cheating Regarded As Cause For Dismissal At U. S. Naval Academy

ANNAPOLIS, Md., Aug. 7.—(AP)—Though the United States Naval Academy has no "formalized honor system," cheating is as much a cause for dismissal as it is at West Point, according to Academy regulations.

Article 2202 gives this warning: "Any midshipman guilty of offenses of a dishonest nature, such as including answering for another at muster or any form of cheating or x x x becomes immediately subject to a recommendation for dismissal from the naval service."

"Our code has been highly successful," commandant of midshipmen Capt. Robert B. Pirlo said yesterday.

Pirlo said one middle, not an athlete, was discharged last spring for violating the regulation on personal integrity.

"But Pirlo added that the percentage has been "very small" over the years.

The Naval Academy has a less formal organization to unearth cheating that may escape the vigilance of officers. It includes elected class officers. Within each company in the brigade framework.

Meanwhile at West Point (rate Pirlo) students pleaded that President Truman restores to duty their accused classmates, whose pending dismissals from the military academy.

(Continued on Page Six)

## Sanford Men Win \$85,500.00 In Suits

JACKSONVILLE, Aug. 7.—(AP)—Damages of \$85,500 were awarded Saturday against the Atlantic Coast Line Railroad in a federal court case resulting from a locomotive boiler explosion at Beville, Mar. 14, 1950.

The plaintiffs were Max W. Boyd, locomotive fireman; Benjamin D. Soderblom, engineer, and Wayman A. Tucker, Negro brakeman, all of Sanford.

Boyd was awarded \$85,000 damages by the jury for suffering severe burns and permanent injury to his right leg.

The engineer, Soderblom, who was also burned, was awarded \$12,500. Tucker was given \$20,000 for burns and a spine fracture.

**Ever buy a car from this angle?**

Sure, a trim new Buick makes a mighty pretty picture when you see it in your driveway, or watch it wheel by.

But if you could get a mechanic's-eye view of this big, broad beauty as it sits on a lift, you'd see an impressive picture of rugged brawn that makes good-looking Buicks give such a good account of themselves on the road.

You'd see the full-length torque-tube drive that firms the whole power relay system, and steadies your going like a giant hand beneath you.

You'd see big sturdy wheels with really wide rims that provide surer footing, give better control, make tires last longer.

You'd see all four wheels cushioned by stout coil springs that are completely service-free, practically breakproof, and a principal reason for the ever-level Buick ride.

But mainly, you'd see the massive foundation that backbones every Buick—

the deep, wide, X-member frame that's rugged as a rock, and a brute for strength.

So when you look at the beauty of a Buick—the big mileage power of its valve-in-head Fireball Engine—and the money-saving ability of its Dynalloy Drive—don't overlook the tough stamina that goes with it all.

And don't overlook the fact that a new '51 Buick, with all its left, costs less per pound than any other car of comparable size, structure and weight.

Better come see us first chance you get—and find out what a smart buy this is—from every angle.

No other car provides all this!

ZIP IT! PENNANT'S CURSE! WE BEAT THEM SWANN'S TODAY!

BUT SEEN CLEAR OF GUS GAMBLER, OZARK!

HE'S BEEN LATE FOR YOU EVER SINCE HE MADE YOU ALMOST TANGLED WITH HIM AFTER HE TRIED TO SING ME!

AW, MAY I ERE? HE SAYS HE'S IN A TIGHT SQUEEZE!

JUST WATCH ME WORK ON THAT TOWEL! I'VE GOT THIS TODAY, AND IF I DON'T GET HIM WITH MY SPINER, I GOT OTHER WAYS!

NO SUCH LUCK OZARK!

ISN'T IT A DORAMY NIGHT FOR THE DANCERS?

TEEN—PHIL! PHIL! SMOKES HAPPEN TO ASK YOU TO HARRY HIM—WANT YOU TO HARRY HIM TODAY?

MAYBE YES! MAYBE NO!

BUT IF PHIL HAD KISSING HIM ALONG I MEAN?—WHEN YOU ACTUALLY LOVE THEM?

AND YOU LOVE PHIL? WHAT A MARRY GO-ROUND!

YES I ADORE PHIL!—AND I DON'T LIKE TO SEE HIM TAKEN FOR A RIDE!—LIKE A SPARE TIRE!

SORRY DARLING!—I'M NOT READY TO GIVE HIM UP!—BE SURE THE FIRST HAVING TWO BOYS IN LOVE WITH ME!
