# Sold!: County purchases Katie's Landing

By Christopher Patton Staff Writer

SANFORD — With tears running down her face, Katle Moncrief bid farewell to Katie's Wekiva River Landing as county commissioners Tuesday unani-mously approved a joint acquisition of the property.

The board approved the final purchase price of \$665,000 as well as agreed to an intergovernmental agreement with its purchasing partner. The county will con-tribute \$119,700 for the land and an additional \$8,500 for surveying while the State Department of Environment Years of negotiations between Moncriefs and state and local officials finally conclude

Protection will supply the remainder. "It's been a long road," said Chairman

Dick Van Der Weide. The county has looked at purchasing the property and returning it to the public for more than two years. The DEP and county will work toward that goal with the intergovernmental agreement allowing for both parties to participate in the plan development.

"We were ready to sell and we wanted It to remain in a natural setting," Katle said. "We've been dealing with the county and state over six years for this. We definitely had some champs and foes along the way."

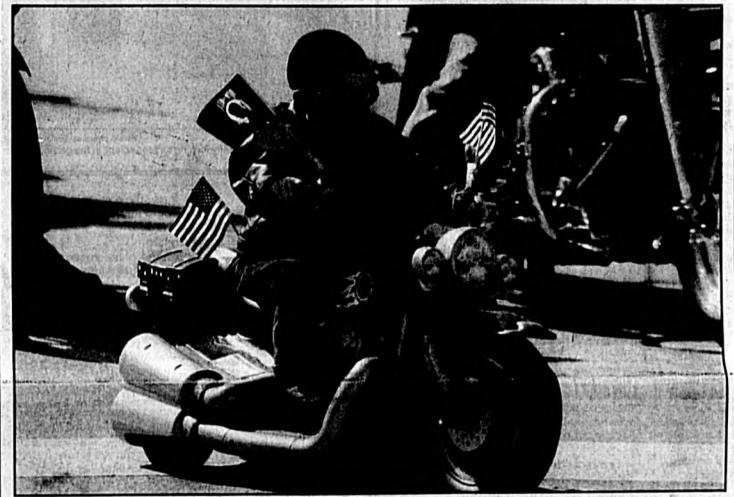

For 27 years, Katie and husband Russ have managed the campground that has direct access to the county's most coveted environmental jewel, the Wekiva River.

"Some of those people have been out there a long time," Russ said about the Landing's campers. "We are very grateful for their cooperation."

While some of the long-time tenants have moved out knowing the deal was near, the rest of the campground will have until Dec. 1 to clear out. Unfortunately, business this year has been the best he can remember, said Russ: The nearby power plant work by Florida Light and Power has brought an unusually large influx of tenants to the campground.

Commissioners direct mental health agency to follow the process

By Dan Ping

"They're in violation," said Jay Marder, director of planning and engineering for the city of Sanford. "They don't have the proper permits, and the don't

have the proper zoning."

The crux of the controversy is whether SCMHC is operating a Community Resource Facility (CRF) at its 2nd Street location. Marder contends the agency is operating a CRF and denied the occupational license transfer because Ordinance 3502 requires CRFs to be at least 1,500 feet apart. The agency operates two facilities on Bay Avenue, adjacent to the 2nd Street property, which marder says triggers

### Sisters' contrasting lives testament to smoking's effect

DEAR ABBY: I will soon be 81. My daughters are nurses. They would like to create an anti-smoking poster to hang in every junior and senior high school in the country.

Dear Abby

In the center would be a photo of our middle sister sitting in a wheelchair in her nursing home, hooked up to her 24-nour oxygen supply, having returned from yet another visit to the hospital

GLAD I DIDN'T IN MASSACHUSETTS

DEAR GLAD: I can think of no more powerful anti-smoking message. Read on:

DEAR ABBY: I began smoking when I joined the military at 17. It was the cool thing to do. Movie stars, athletes and even doctors endorsed smoking in advertisements. Over the next 25 years, I tried to stop but didn't have the will power.

In 1977, my town sponsored a health fair. I went and took a breathing acreening. I was told to blow into a tube. The attendant asked me to please blow harder because I was barely able to move the needie. Then she said, "I notice you have a pack of cig-arettes in your shirt pocket." I was offended. That night, I threw the rest of my digarettes away — and I haven't smoked since. Quitting cold turkey was the hardest thing I ever did, Abby. This year I'm proud to say I have enjoyed 25 years of smoke-free living.
ENJOYING A HEALTHY
RETUREMENT IN FLORIDA

DEAR ENJOYING: Thank you for your timely letter. Tomorrow, Nov. 15, the American Cancer Society's Great American Smokeout will mark its 25th year. It grew out of a 1971 event in Randolph, Mass, in which Arthur P. Mullaney asked people to give up cigarettes for just one day and donate the money they saved to a high school scholarship fund.

In 1974, Lynn R. Smith, editor of the Monticello Times in Minnesota, spearheaded the state's first D-Day, or Don't Smoke Day. The idea caught on. On Nov. 18, 1976, the California Division of the American Cancer Society succeeded in getting nearly 1 million smokers to quit for the day.

Over the past 25 years, there have been dramatic changes in the way society views tobacco promotion and tobacco use. Smoking is now forbid-den in airplanes, most public buildings and restaurants. Unfortunately, an estimated 47 million adults in the United States currently smoke, and because of it, approximately half of them will die prematurely.

Lung cancer is the leading cause of cancer death, and this year alone, there will be approximately 169,500 new cases diagnosed. More than 80 percent of lung cancers are thought to result from smoking.

So, Dear Readers, if you're hooked on tobacco and have been saying, "One of these days I've got to quit," take my advice - join the Great American Smokeout and quit today!

For more information about the Great American Smokeout, call your local office of the American Cancer Society or (800) 227-2345, or visit the Web site: www.cancer org.

understandings today. My information comes from ny own memory plus research

in the files of the Sanford Museum.

The Municipal Ballpark was built on the corner of Mellonville and Celery Avenue, facing Mellonville, in 1926. It had a wooden grandstand.

It was in this Municipal Stadium that Early Wynn and major leaguer Ellis Clary got their start in professional baseball, playing for Sanford's Florida State League team in

Stan Musial played against Sanford there in several games during 1940. Also in 1940, SM Hudson played so spectacularly for Sanford's FSL team that he was promoted to the Washington Senators, becoming the first player to go directly from Class D team to the major leagues.

In 1946, Jackie Robinson reported for spring training

here and on April 8 he played two innings at the Sanford Municipal Stadium. This was the second integrated game in minor league baseball. (Some In

League after the War. The
Sanford Giants team was
formed in 1946 with Krider as
general manager. He was field
manager in 1947.

In 1948, the New York Giants brought together 700 players for spring training at the facilities of the deactivated Sanford Naval Air Station. They took over ownership of the FSL Sanford team that year.

In 1950, Willie Mays trained in Sanford with the Minneapolis Millers.

All of the above events occurred at the Municipal Stadium on the corner of Mellonville and Celery, not the present Memorial Stadium as has been inferred in some articles.

The new Memorial Stadium was under construction by My, 1951, next to the old Municipal Stadium. This was a new stadium on a different site, designed by Sanford architect Elton J. Moughton and constructed by Jarco Construction Company. It was dedicated "To the memory of the men and women of Seminole County who served their country in World War I and World War II." It was completed in May, 1952 at a cost of over \$180,000. It seated 2,362. It is this stadium that has been restored and rededicated.

I have detailed diaries from 1949-54, my junior high and high school days. I knew that I had attended Sanford baseball games quite often during those years and my diaries back me up. From 1949-53 I was there several times each summer. I always recorded Sanford's opponent, who won, who I sat with, and sometimes made comments about the game.

I remember going either with friends or with my dad, and then usually sitting with friends. We each had favorite players who we rooted for and of course, we always sat in the bleachers.

Some of these baseball fan friends mentioned in my diary were Nancy Roundtree, Patricia Tooke, Rosemary Garner, Beverly Cooper, Carol Loechelt, Polly Graham, Ellen Lyon, Peggy Wright, Jeanette Cleveland, Martha Owen, Paulette Cason, Rodman Brumley, Randall Ferrell, Junior Metts, Lynwood and Jimmy Whatley and Leonard Jones

Whatley and Leonard Jones.
On May 2, 1950, I have recorded in my diary that Buddy Lake and Ed Levy spoke during assembly at Sanford Junior High and then we students asked questions about baseball.

The record shows that the Municipal Stadium was condemned in 1950. Well, I know there were ballgames there in 1951 because I was there. The present stadium had not been completed.

The Giants announced in November, 1951 that they would not continue to operate a Sanford baseball Club. John Krider proposed local operation and it was organized by early 1952. The Giants donated a bus and uniforms.

There was a baseball team in Sanford at least through 1957. According to Julian Stenstrom in a "Way Back When" column, television stole the spotlight and minor league teams as we knew them faded away.

Hall of Famers who did play in the present Memorial Stadium were Willie McCovey, Juan Maricel and Orlando Cepeda while at spring training with the Giants farm system. Ken Harrellson played with Sanford's team and later became a major leaguer.

Tim Raines played at the Memorial Stadium with the

Beverly Cooper, Carol Loechelt, Seminole High baseball team Polly Graham, Ellen Lyon, Peggy Wright, Jeanette 53 team. This was in 1974-76.

In 1952, Seminole High began playing football in the stadium. I was a junior at the time and marched on the field with the band for two years.

The 1953 Salmagundi is dedicated to the 1952 football team, coaches and managers, because of their sportsmanship and efforts as winners of the southern district of the East Florida Conference.

The next year, SHS defeated Edgewater, the first time we had beaten an Orlando team in 21 years. Previous to this we had played the huge Orlando High School team and several Celery Feds would be injured each year.

SHS played football there until a stadium was built behind the school in 1973. I recall attending most of the varsity games and several JV games in Memorial Stadium during the 1960's to cheer on my students.

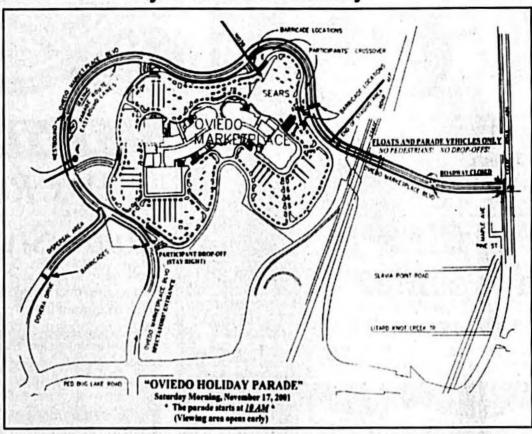

On the site of the old Municipal Stadium, the Giants built a dormitory for their farm team players as the navy base had been reactivated in 1951. They had previously been housed in the barracks.

The Sanford Naval Academy later used this building and its most recent use was for the Seminole County School Board office.

There is much more to the story about the New York Giants presence in Sanford but this article was about the two

# J. D.'s Restaurant -Home Style Cooking

Just as the American economy has been changing, so has the restaurant industry. Customers still demand good service, a clean environment, and high quality food. However, we feel they are demanding more variety of choices. People are becoming tired of eating everything between two slices of bread or buns with a similar

This is the direction and concept of the new J.D.'s Restaurant. Our goal is to serve a more home style type of food along with sandwiches for those customers desiring it. Our hot plates are slow cooked with old time recipes. The service goal is quick food, not fast food. We retain our great breakfast biscuits.

We have a well balanced menu from expanded breakfast, to salads and cold plates. We serve home style fresh desserts. J.D.'s also has new kids meals that cater to childrens taste like mac-cheese and beenie wienies.

We have an experienced group of owners, managers and employees. Previously, we owned the Hardees Restaurant here in Sanford for 20 years. We both have extensive food management experience prior to purchasing and owning the Hardee's Restaurant.

We invite ALL of Sanford to our new restaurant to experience a new concept in the restaurant industry.

"What Seminole Community Mental Health Center is doing today is blessed by the ordinance, and there is nothing in 3502 that can take that away," Linscott said.

Several people spoke in favor of allowing SCMHC to operate at the 2nd Street facility, including Mary Zdanowicz of Richmond, Va., who was in town with the National Sheriff's Association to recognize Seminole County for its efforts in

issues in the criminal justice sys-

"I find it ironic that something could impede this wonderful work, especially when the community is being recognized on the national level for this work," Zdanowicz said.

However, District Commissioner Art Woodruff said the question before the commission wasn't whether the agency should continue to operate at 2nd Street, but if the operation met the definition of a CRF. He noted the city could grant a wavier of the distance requirement, but SCMHC failed to follow the city's process.

"That's not our choice (to

Along with messages of appreciation and support, several symbols of freedom were created on the banner, including a picture of a man standing by a U.S. flag. Next to the picture are the words, "We will win."

Before the last name was signed on the banner, Lineberger and other realtors at Watson were trying to figure out how to get the banner sent to the troops. # Runner-up medals okay with Lions

By Dean Smith Sports Editor

LAKE BUENA VISTA — Considering

almost no one gave them a chance to get this far, second place is not too bad.

Except for head coach Allan
Rubenstein, who listed the Final 4 as one of his team's goals, most people figured the Oviedo Lions girls team would have a good volleyball season, but the State a good volleyball season, but the State Runners-up???

But that's exactly what Oviedo got Saturday night, putting a scare into pow-erful Olympic Heights from Boca Raton in the Championship Match of the FHSAA Class 6A State Finals at Disney's Wide World of Sports complex before falling 15-8 and 15-5. Appearance in Championship match is icing on the cake for Oviedo girls

Led by tournament Most Valuable Player Julia Caner (eight kills, eight digs, two aces), Paige Goss (19 assists, seven digs, one kill) and Amanda Sterner (six digs, four kills, two aces) Olympic Heights finished the season with a 31-1 record and won its fifth straight Class 6A State Championship and sixth state crown overall since the school opened in 1991. The Lions also have two runner-up finishes and three third place finishes in 11 years. Only in 1995 did the powerhouse not reach the Final Four.

Olympic Heights looked like it would end the match quickly, taking a 13-3 lead in the first game. But the Oviedo squad bowed its collective backs and scored five straight points before going down to

Olympic Heights then scored six straight points to begin the second game and led 7-0 before Oviedo rallied to within 7-4 behind the serving of Rachel Bellamy, but that was as close as the Lions would get.

As a team Oviedo had 19 digs, 12 kills,

10 assists, four aces and three blocks.

Doing the damage were Bellamy (one kill, two aces, five digs, one block), Brittany Kauss (six kills, two aces, six digs), Katie McCosh (one dig, 10 assists), Nellie Liljenquist (three kills, six digs, one block), Jen Holser (one kill, one dig, one block), and Julie Darty (one kill).

Also on the Oviedo roster were Molly Cline, Stephanie Pratt, Justine Efrink, Julie Guariello, Emily Rickerson, and

Kauss and McCosh were named to the Florida Sports Writers Association Class 6A All-Tournament Team along with Caner, Kimberly Harper and Summer Weissing from Olympic Heights; Erica Oliveira, Miami Sunset; and Kerry Krey, Davie-Western.

# **Football** playoffs over for county

By Dean Smith Sports Editor

SANFORD -- While it is doubtful any of the four Seminole Athletic Conference football teams actually thought they had a legitimate chance to win a state title this year, it was still shocking to see all four teams eliminated in the first round of the playoffs Friday

- And what may hurt even more is the fact that with a couple of bounces here and there, all four teams could be playing against each other this week, assuring two teams of advancing to the regional finals.

Lake Mary very nearly pulled off the biggest upset of the playoffs, holding a late lead until the No. 1 ranked Class 5A **Buchholz Bobcats put together** a 75-yard drive to edge the Rams 24-21.

For the first time this season Buchholz (11-0) was trailing entering the fourth quarter.

Trailing 21-16 with 5:23 to play, seniors Justin Rascati and James Brown proceeded to put together the eight-play drive that put the Bobcats ahead for

A University runner looks to break a bear hug by an Oviedo tackler as two more Lions close in during the Cougars' 21-13 victory in the Class 8A-Region 1 Football Quarterlinals at John Courier Field Friday night.

The drive was highlighted by a 38-yard pass from Rascati to Brown, setting up a one-yard dive by Rascati. Rascati then hit Ryan Norris for the twopoint conversion and a 24-21 lead. Donnell Sheridan sealed the win with a leaping interception in the flat.

Trailing 7-0, Lake Mary tied the game on the second play of the second quarter when junior Reggie Campbell took a quick trap 46 yards.

Campbell rushed for 110

yards on 22 carries - the most allowed by Buchholz's defense all year. The Rams added another score on its next drive, a 29-yard strike from Mike Muzeka to Kenny Britt.

Eric Nappy connected on a 27-yard field goal for the Bobcats to cut the lead to 14-10 at halftime.

Buchholz regained the lead in the third quarter on a 24-yard run by Brown, but the extra point was blocked.

Derrick Grayson then gave

the Rams hope when he scored on a 16-yard run late in the third period.

The SAC's other entry in Class 5A, Winter Springs, also came within a whisker of pulling off a road upset.

Kirk Young's 30-yard field goal with 27 seconds left was the difference as Escambia withstood the Bears' 20-point fourth quarter to win 23-20.

### Sweep in **swimming** for Lake **Brantley**

By Dean Smith Sports Editor

**ALTAMONTE SPRINGS** — The scores were a little different, but the alignment was the same as Lake Brantley, Lake Mary and Spruce Creek finished 1-2-3 in both the boys and girls team standings of the Class 3A-District 2 Swimming Meet at the Lake Brantley

Aquatic Center Saturday.
The Patriots girls won 10 of It events, 11 of 12 if you include the diving which was contested on Friday, as they wracked up 545 points to top the Rams (324) and the Hawks

The same did not happen in the boys' half of the event as defending State Champion Spruce Creek won nine of the 11 individual races, but finished a third behind Lake Brantley (432) and Lake Mary (334) with 331 points.

The top three finishers in each event, plus 10 At-Large places determined by the fastest times from the fourth, fifth and sixth place finishers at all district meets, will advance to the State

The top four divers from each district earn spots in state, If they score at least 280 points. If any of 40 available spots are still open, they can be filled by the fifth and sixth place district finishers, if they score at least 280 points.

The FHSAA Finals will be held at the International Swimming Hall of Fame Aquatic Complex in Ft. See Swimming, Page 2B

### **Cross Country teams head to state**

By Dean Smith **Sports Editor** 

DeLAND — While the results may not have been as good overall as they have been in the past, the Seminole Athletic Conference will still be well represented when the Cross Country State Meet is held this Saturday (Nov. 17). Led the by the dominant Lake Mary's girls team

and defending State Champion Jessica Zabel, six SAC schools have qualified for the State Meet at the Ed Radice Sports Complex.
The Class 3A Girls will run at 10:10 a.m., with

the 3A boys to follow at 10:45. The Class 4A girls take off at 11:15 a.m. and the 4A boys close the meet at 11:50 a.m.

The Rams scored 59 points to outdistance Gainesville-Buchholz (71) and Winter Springs (98) in the Class 4A-Region 1 Meet at the Sperling Sports Complex in DeLand. Oviedo finished a strong sixth to also earn a trip to state.

The biggest surprise came in the 4A-1 boys, where only the Seminole team qualified.

The Tribe, which was only fifth in the conference meet and sixth at district, finished sixth to earn the final team spot, finishing just ahead of Oviedo and Lake Brantley.

The Lions and Patriots, as well as Winter Springs, will have a runner in the state meet as Mike Guider of Oviedo was third, Andrew Prouse of Lake Brantley was 10th and James Kirsch from the Bears was 11th. The Top 15 individuals earn spots even if their teams do not make it.

In the Class 4A-Region 2 Meet at Central High

School in Brooksville, the Lake Howell girls finished fifth to earn a spot at state, while the Lyman boys made by only four points, finishing sixth ahead of Sickles. The Silver Hawks finished eighth and did not qualify.

Individually, Lake Howell's Omar Morales finished eighth and Ben Siress 11th to earn the right to run in Tampa.

### UCF women's hoops defeats NWBL Elite

Special to the Herald

ORLANDO - Senior guard Lanetra Cooks (Monticello/Tallahassee CC) hit a three-pointer with 10 seconds remaining in the game to give the University of Central Florida women's basketball team a 101-62 victory over the NWBL USA Elite in exhibition play on Saturday afternoon at the UCF Arena.

It was the first time since 1998 that a UCF women's team has eclipsed the 100point mark in a game.

The Golden Knights trailed 19-10 with 10:58 left in the half before going on a 39-14 run to take a 49-33 advantage at intermission thanks in part to shooting 50-percent from the

UCF continued to gradually build its lead in the second half before going on a 24-2 run over the final 6:46. The Elite would go scoreless for nearly four minutes before

Kim Land nailed a jumper at the 3:05 mark.

Land poured in a game-high 17 points, while freshman Ali Roberts (Pensacola Catholic HS), one of three Golden Knights in double figures, scored a team-high 16 points. Junior Erin Paige (West Palm Beach/The Benjamin School) and sophomore Marvelous Washington (Palm Beach Lakes HS) would also finish in double figures, netting 14 and 11 points, respectively.

UCF shot 54.5-percent from the floor compared to the Elite's 36.8-percent.

Junior Kristy Colligan (Durant, Okla./Frank Phillips JC) led all players with 10 rebounds.

The Golden Knights, which finished last season at 10-18 overall, opens the regular season on Friday (Nov. 16) against the University of Texas-Arlington in the first round of the UCF Golden Knights Classic at 5 p.m.

"This feels good," Root said. "I really wanted to win and my team has worked hard. I want to thank them and all of the fans that are here tonight.

"This is a tough car," Parks said. "I didn't think I hit that hard, but there is some damage on the front of the car.'

Parks was followed by the 100 of Mac MacArthur, and the number 5 of Charlie Pitts.

Also on the schedule was an event featuring the cars of 911 Racing. This group of dedicated racers come from several branches of law enforcement, and all entries race for charity.

Phil Riles, a member of the St. Pete Beach Police Department, brought home the victory and immediately told the crowd he was racing for a children's hospital. Bob Hart, from the Pinellas County Sheriff's Office, finished second, and Wade Hatcher, from the St. Lucie County Sheriff's Office, rounded

out the top three. This Friday (Nov. 16) at Speedworld, the Turkey Scramble 35 for the Pro Modified Tour, a \$1,000 to win 35-lap race, will be held as well as features in all of the regular See Racing, Page 3B

the next play, running back John Adams ran 38 yards for a touch-down with 10:05 left in the

Winter Springs finally got on the board with 7:13 left when quarterback Jimmy Lanier hit Kyle Hill for a touchdown on fourth and 6 from the Escambia

The onside kick succeeded on the ensuing kicking, as the Bears recovered at the 47. Lanler completed 5-of-7 passes on the drive, the last a 6-yard scoring

A key play in the drive was Chauncey Hampton's 3-yard run on fourth down and 3 from

and drove for the field goal.

Winter Springs still had time for one more drive and Lanier hit Hill for a 22- yard pass before a personal foul gave Lanier a chance to find Hill for a 32-yard touchdown as time expired.

Lanier finished 14-of-29 passing for 165 yards and three touchdown passes to Hill, who caught 11 passes for 130 yards in the game.

The 6A teams also had a good shot to win.

Despite the lopsided score, Lake Brantley and Edgewater were tied at 28-28 with almost eight minutes left in the third quarter before a muffed punt started the downward spiral for the Patriots.

But even that would not have mattered if Lake Brantley's receivers would have held onto a few passes.

Junior quarterback Johnny Venters made his first appearance since breaking a collar bone against DeLand early in the season and looked outstand-

Unfortunately for the southpaw, several of his pass

attempts, which were right in the hands of the receivers, were dropped, killing any hopes of

staying in the game. Oviedo also nad its chances, falling behind 21-7 with 3:08 to go in the third quarter, the Lions went looking for another miracle finish like the one they pulled off against University three weeks earlier, scoring three touchdowns in the final 80-seconds to win 36-29.

An interception led to a touchdown, cutting the lead to 21-13 and Oviedo appeared to have recovered an on-side kick, but It was ruled that the ball did not travel the required 10 yards and the Cougars were able to withstand a final Lion attempt.
