## SCC president named to national board

SANFORD — Members of the Council for Advancement and Support of Education recently elected two officers and 12 additional representatives, including Seminole Community College President Dr. E. Ann McGee, to serve on its 30-member Board of Trustees, SCC announced Monday.

McGee, the Board's only community college president, will serve as one of 18 trustees-at-large representing the council's districts within North America. The Board sets policy for the council, establishes the budget, and oversees organizational assets. "I am proud and honored to have been elected to contribute to this prestigious organization," McGee said.

## Teachers praise new salary structure

By Liane Edixon  
Herald Staff

SANFORD — Representatives from the Seminole Educators Association and the Seminole County School Board say they are pleased after an agreement was reached Saturday ending months of teacher salary negotiations.

The new contract for teacher salaries creates a salary structure that places a majority of teachers on a step that equates to their actual years of teaching experience. Under the old structure, it

was not unusual for two teachers with the same amount of experience to have different salaries.

In addition to converting the salary schedule, the school district has also given an average 6 to 8 percent increase in salaries.

Seminole County teachers picketed in front of the education center building in protest of the school board's latest proposal in August.

Superintendent Bill Vogel said he was willing to work with the SEA to reconfigure the salary schedule and

noted that both groups had uncovered some situations where the system was not equitable.

The agreement is the largest salary package awarded to teachers in Seminole County in 15 years, Vogel said Monday.

"We're very pleased," he commented.

The settlement consists of the salary schedule change, the improved salaries for teachers, and reducing the number of steps in the salary schedule from 36 to 28.

The teachers wanted a decrease in the number of steps so the salary schedule was more aligned with a teacher's career span. With 36 steps, teachers would have to work 41 years to get to the top of the schedule.

Both the school board and the association acknowledged, in a joint statement, that the agreement would require a multi-year process to fully achieve the goal.

"It's very similar to the proposal that

SANFORD — Most people would give just about anything to be Oren Smith.

Smith reached 94 years old Sept. 17. He works every day from 8 a.m. to noon. His mind is sharp. He says he's healthy, has thousands of friends and has no regrets.

His wife, Minnie, passed away four years ago, but now he has a lady friend, Anna Herbst, who he can take to dinner. How has he reached this wonderful plateau

in life?

"It's the man upstairs, that's the only thing I can tell you," he said, adding that he doesn't drink and he doesn't smoke.

His first name is Oren, but no one calls him that. Oren is better known as Shorty, and he has worked at Brisson Funeral Home in Sanford for almost 65 years.

"This has been my life since 1940," Shorty says, knocking on the dark wood table inside the funeral home. He remembers the exact day he left his job with the city of Sanford to work for Gordon Brisson at the funeral

home.

"Gordon was a good man to work with and for," Shorty says. He started on Oct. 15, and says he has done a little of everything at the funeral home over the years.

"I do a little bit of whatever I can," he says.

Shorty's brother lived in Sanford and was the reason he moved here from Waycross, Ga., in 1927. At first Shorty worked as a diesel engineer for the city, but after becoming familiar with Mr. Brisson and others at the funeral

SANFORD — Major growth in Sanford in the last several years has brought forward an unlikely candidate for the recently vacant seat of District 4 city commissioner.

The seat is open after former commissioner Kevin Hipes unexpectedly stepped down for medical reasons Aug. 24. Qualifying for the Nov. 8 special election continues through Friday, Sept. 23 at 5 p.m.

Local attorney Jack Bridges has announced his candidacy, and upon being asked why, he said he honestly does-

## Local firefighters remembered at national memorial ceremony

By Staff Reports

COLORADO SPRINGS, Colo. — The International Association of Fire Fighters honored Lt. Frank J. Kucera of Seminole County Local 3254 and Fire Fighter William Shapiro of Orange County Local 2057 among the 86 fallen members of the union from the United States and Canada that were remembered September 17.

Hundreds of firefighters and family members gathered in Colorado Springs for the 19th annual IAFF Fallen Fire Fighter Memorial Ceremony. Kucera died due to a job-related heart attack on May 27, at the age of 43 and Shapiro died due to a job-related heart attack on Aug. 14,

Kucera

2004, at the age of 46.

"This ceremony is a fitting and respectful tribute to Lieutenant Kucera, Fire F i g h t e r Shapiro and the other brave souls

who gave their lives in the name of public service over the past year," says Harold Schaitberger, general president of the 270,000-member IAFF. "It offers families, friends and colleagues of Brothers Kucera and Shapiro an opportunity to remember and honor their sacrifice and service

to humanity."

The ceremony featured fire fighter pipes and drums, honor guards, music, and celebratory comments, and was designed to be an uplifting event. This year's ceremony honored fire fighters killed or reported as deaths in the line of duty between June 2004 and June 2005.

The mission of the IAFF Fallen Fire Fighter Memorial, which is located in the shadow of Pike's Peak, is to honor the sacrifice made by professional fire fighters and paramedics who have given their lives so others might live. Since its creation in 1976, the names of the 1,775 fallen fire fighters have been engraved into the Wall of Honor as part of the memorial.

A GLANCE AROUND OUR COUNTY

## Dr. Johnson to sign copies of latest book

By Marva Hawkins  
Herald Correspondent

ORLANDO — You can get your autographed copy of the latest book of Dr. Cheryl Johnson, "Help! I'm Raising My Parents". This is a Bible-based guide for caring for the elderly.

You are invited to a book signing to celebrate the sophomore release by Dr. Johnson, Saturday, Sept. 24, at the Long's Christian Book and Music Store, 1610 Edgewater Drive, Orlando.

Dr. Johnson knows very well what taking care of the elderly is all about. They can present some challenges and can be time consuming, not to mention stressful. This book will serve as a primer to help you through similar experiences. It will serve as a source of information as well as comfort.

The book is dedicated to the aging in Dr. Johnson's life, her mother, Mae Fisher, stepdad Joe Fisher and mother-in-law Tiny Johnson, her aging sibling Agnes Leonard, aging friends Fannie Johnson, Vera King, Gladys Moseley and Gloria Ware.

This book contains Biblical references as well as resources regarding the care of the elderly, especially one's parents.

Jesus himself was concerned about the care of his mother. When he was dying on the cross, he told John, "Behold thy mother". If Jesus made arrangements for his mother's care, we should mimic his actions.

To contact Dr. Cheryl Johnson, the author, or schedule interviews or speaking engagements, her web page is [www.legacy-publishing-services.com](http://www.legacy-publishing-services.com). Call 407-294-4867 or [cjohnson39@efl.rr.com](mailto:cjohnson39@efl.rr.com).

## Dancers perform to benefit fight against diabetes

SANFORD — When Elizabeth Stein was 10 years old, she was diagnosed with diabetes.

A student at Millennium Middle School at the time, and a dancer, she worked with dance instructor Holley Ricker to put together a show that would help raise awareness and money for the American Diabetes Association.

The Dancing for Diabetes show grew to include the Seminole High School Dazzlers and Miriam and Valerie's School of Dance Arts' SODA Pops.

On Saturday, Sept. 24 at 7 p.m., the dancers will take to the stage again. Stein is now a student at Seminole High School. She and her friends will dance and sing in the show.

The performers will include the Dance IV students from Millennium Middle School, the Millennium Boys, the Seminole High School Dazzlers, the SHS Gospel Choir, Destiny, and the a capella group Eclectic. There will also be dancers from the SODA Pops and Focus Performing Arts Studio. Tickets are \$8 each.

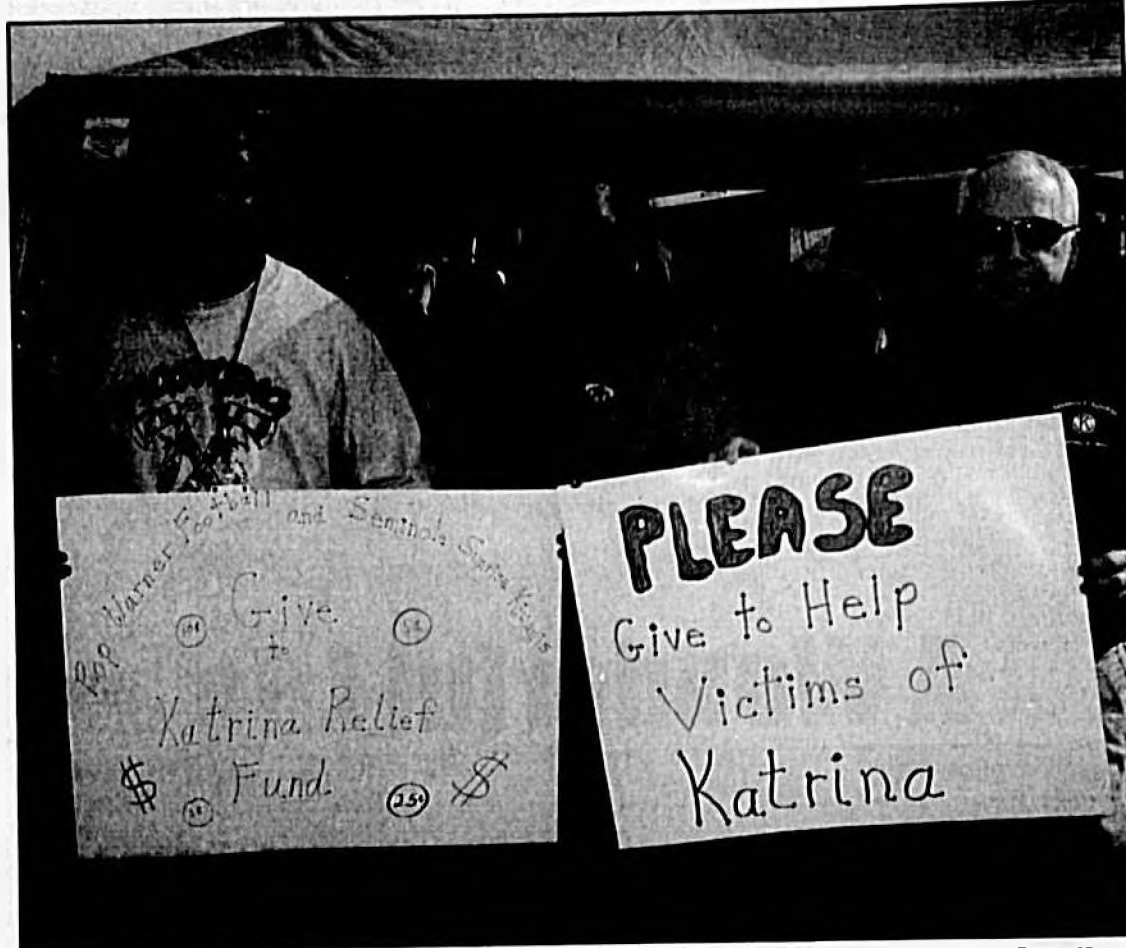

## Morning Star hosts fundraiser

ORLANDO — The Morning Star School Auxiliary, is hosting their fourth annual Fall Benefit and Auction, Blues, Bets and Bluffs on Saturday, September 24, 2005 at the Ivanhoe Plaza Hotel, 60 South Ivanhoe, Orlando at 7 p.m.

A Casino Night and Texas Hold Em' Tournament is scheduled. Tournament Grade Prize is a Super Mega Satellite Seat for the 2006 World Series of Poker.

The Auxiliary of Morning Star School is dedicated to help these special children challenged by Down Syndrome, Spina Bifida, Cerebral Palsy, Autism and other special learning disabilities realize their own greatest potential. The student body continues to grow, and includes students from Seminole County.

Andre Bell, left, a Sanford Youth Football Association board member, stands works with Misty Beasley, scholastic coordinator for the association, and Tony Dumum of the Sunrise Kwanis Club Sept. 17. Both organizations are collecting money at the youth association home dates on Oct. 8 and 22. The two groups were looking for ways to get involved to help victims of Hurricane Katrina recover. Both groups ask people to stop by the games at Seminole High School to help this worthy cause.

### Assault - Battery

• Calvin Jerome Sims, 29, of Pine Avenue, was arrested by Sanford police Saturday at his residence as the result of an altercation with a female. He reportedly damaged her vehicle as well. He was charged with battery — causing bodily harm (domestic violence), property damage over \$200, and resisting an officer without violence.

• Phillip Wayne Miller Jr., 20, of Driftwood Lane, was arrested by Sanford police Saturday at his residence. Officers said he had been involved in a family dispute. He was charged with simple assault (domestic violence).

• George Walter Jolicoeur, 33, of Bradshaw Drive, was arrested by Sanford police Friday at his residence. Officers said he prevented a female from calling 911 to make a complaint against him. When officers attempted to arrest him, he reportedly fled from them and ran through the house causing property damage. He was charged with bribery — for testifying/hindering use of 911 (domestic violence), two counts of resisting an officer with violence, and property damage of \$1000 or more.

### Disorderly Conduct

• Rebecca Nicole Ashley, 25, of Oak Avenue, Sanford, and Tabatha Anne Getchell, 23, of Geneva, were arrested by Sanford police Sunday at a business in the 2600 block of Orlando drive. Each was charged with disorderly conduct on the premises of an establishment. Getchell was also charged with resisting

an officer without violence.

### Thefts

• Ancizar DeJesus Perez, 52, of Park Drive, Sanford, was arrested by Sanford police Thursday at a store in Seminole Towne Center. He reportedly took \$125 in items from a store without paying. He was charged with first degree petty larceny.

### Traffic Stops

• Richard James Thompkins, 46, of Center Street, was stopped by Sanford police Monday on Highway 17-92 at Lake Mary Boulevard. He was charged with driving with a suspended license and load not secured (in a pickup truck).

• Kenneth Michael Beauchesne, 21, of Myrtle Avenue, was stopped by Sanford police on Sept. 14, at Highway 17-92 and West 15th Street. He was charged with driving with a suspended license, unlawful speed in a school zone, and driver not wearing a seatbelt.

• David Sanchez Rodriguez, 24, of West Bend, Wisconsin was arrested by Sanford police Saturday as the result of a hit and run accident at Highway 17-92 and Lake Mary Blvd. He was located on West 27th Street. He was charged with resisting an

officer without violence, refusing to accept/sign a citation and operating a motor vehicle without a valid license.

• Derek Michael Alford, 24, of West 25th Street, was stopped on his bicycle by Sanford police Friday in the 400 block of West 27th Street. He was charged with having improper lights on his bike, and possession of over 20 grams of marijuana.

### Other charges

• Tony Warren Smith, 38, listed as homeless, was arrested by Sanford police Saturday in the 100 block of North French Avenue, where officers reported seeing him with a can of beer. He was charged with trespassing on property after warning, and violation of the city ordinance on having an open container of alcohol.

• Sherman Ware, 19, of West 9th Street, was arrested by Sanford police Sunday in the 1200 block of West 13th Street. He was charged with trespassing in a structure.

• Neville Davon Fuller, 30, of Ellen Place, was arrested by Sanford police Monday in Edward Higgins Terrace. He was charged with trespassing — failing to leave property on order of the owner.

• Sharon Evette Teague, 36, of Seminole Gardens, was arrested by Sanford police Monday at 13th Street and Olive Avenue. She was charged with giving a false ID to a law enforcement officer.

## Business breakfast benefits school foundation

ALTAMONTE SPRINGS — The annual Seminole County Public Schools' Partners in Excellence kickoff breakfast is scheduled for Friday, Sept. 23, 8 a.m. at The Hilton Orlando/Altamonte Springs.

The Foundation for Seminole County Public Schools sponsors the event. The 752 business partners from the 2004-05 school year will be recognized. These partnerships have involved volunteer

projects, student and teacher incentives, job shadowing, classroom speakers, field trips, student artwork displays, and student choral and band performances at the businesses.

Since 1985 businesses and organizations have been partnering with Seminole County Public Schools, enhancing the quality of education and enriching the lives of students and teachers. Partners in Excellence is an exchange of

human resources between a business/organization and a school. An annual agreement monitors the partnership activities.

For more information on how an organization can become a Partner in Excellence, visit the school district Web page: [www.scps.k12.fl.us](http://www.scps.k12.fl.us) or call 407-320-0178.

home, he joined them. "This is my life," he says now. "I don't know anything else."

What he knows is how to treat people and that begins with honesty.

"I like the people," he says. "I have thousands of friends. They all know me. I don't lie to any of them. If I have I have never heard anything about it."

Constant honesty is how Shorty can walk down the street and look people in the eye, he explains. He says he has worked on thousands of funerals over the years. Brisson once had a contract with the Sanford Naval Base.

"I did the embalming and made arrangements," he recalls. "I've done it all except one thing. I've never dug a grave." He recently had surgery on his knees, but his health is good.

"I'm going to stay with it as long as they want me," Shorty says. When they want him to go, he says, he will leave with no hard feelings or regrets.

"The reason I'm still here is I love people," Shorty says. One part of the business still

"I'm going to stay with it as long as they want me."

Shorty Smith, Brisson Funeral Home

bothers him and that is children's funerals and especially embalming young people.

"Really, I just like working at the funeral home and meeting all my friends," he says. "They are always hugging and kissing me, but that doesn't worry me," he adds with a hardy laugh.

Shorty still thinks a lot about his wife who died in 2001. The couple was married for 69 years.

"Me and my wife, I love my wife," he says looking away

as if recalling her image in his mind. "I think about her all the time. You never get over that. I had a beautiful wife, and she gave me two beautiful children."

Their daughter, Patricia Epps, lives with her husband Wayne in New Smyrna Beach. Shorty's son, O.R. Smith Jr., is a doctor in Fort Worth, Texas. Shorty notes that his son retired from the military as a full colonel.

Shorty admits he wishes his son lived closer, but he does get to the Lone Star State often to visit. He also has three grandchildren and five great-grandchildren.

He says he traveled quite a bit with his wife, including New York and Washington, D.C., and he has some advice for a long happy marriage.

"Me and my wife, we were just one," he says. "We never went to bed mad at each other, and we never lied to each other."

He recalls shopping at McCrory's Department Store on First Street when he first saw her.

"I pretended that I wanted to buy something," he says.

"We met in October and were married in February."

When did people start calling him Shorty?

"All my life, even in school," he recalls. "If you asked anyone where Oren Smith lives, they couldn't tell you. Ask them where Shorty Smith lives, they know that."

After a bit of a pause, Shorty says he wouldn't change anything about his life.

"I don't think so. I've had a beautiful life. I enjoy life, and I don't know a think I would change," he says. He is a member of the First Presbyterian Church.

His family is the most important thing in his life, followed by unfailing honesty.

"If you have lived in a place since 1927, with the friends I have had, that's the only way to live."

Shorty says he doesn't have any hobbies other than fishing.

"I love fishing, but I don't get a chance to go much," he admits. "This is my life right here, and I wouldn't trade it for anything in the world. I really wouldn't."

## Sheriff's Office will help with background checks after storm

SANFORD — As a result of Hurricane Katrina, thousands of people are relocating across the United States, including Florida.

The Federal Bureau of Investigation has received numerous requests to use its databanks to conduct criminal history checks for relief workers, volunteers, and evacuees that might come in contact with children.

The inquiry may only be performed on a person related to Hurricane Katrina for the purpose of protecting a child, according to the Seminole County Sheriff's Office.

Under the "volunteer" clause, the FBI is allowing arrest record checks of people opening their homes to displaced individuals and families as well as the displaced individuals/families.

The Florida Department of Law Enforcement has allowed Florida Sheriff's Offices to conduct these criminal history

checks. This is a voluntary program, effective immediately.

Employee Relations will field all telephone calls and/or personal inquiries regarding this process. Employee Relations will also be responsible for conducting criminal history checks and arrange for fingerprinting.

Contact Employee Relations by calling 407-665-6729. Persons requesting criminal history checks must provide the full name, social security number, race/sex, and date of birth. This information is necessary to ensure the accuracy of the criminal history checks.

Release of information obtained through the criminal history checks will be strictly controlled and a database will be maintained.

The authorized criminal history checks will end Nov. 7. However, all fingerprints must be submitted to FDLE by Oct. 31, to meet the established FBI deadline.

## Girard lands Polk contract

SANFORD — Girard Environmental Services, Inc., a full-service landscaping company based in Sanford, was recently awarded a landscaping/irrigation construction contract from ABD Development

worth more than \$1.3 million for the Providence Golf and Country Club Community in Polk County. The 2,200-acre property, which is currently under construction, will provide space for more than 4,000 single-family lots and 2,000 multi-family lots.

The contract involves landscaping and irrigation construction for a two-mile boulevard including a main entry, gatehouse, park areas and separate neighborhood entrances. Once the initial construction phase is complete, GES will provide landscape and irrigation management services for ABD Development for a three year contract worth more \$500,000.

In addition to the building lots, the Providence Golf and Country Club will be home to an 18-hole championship golf course designed by Michael

Dasher and a clubhouse which will include a golf pro shop, banquet area and an aquatic center.

Homebuilders in the community include ABD Development, Greater Homes, Lennar Homes, Inland Homes, Contempo Signature Homes and US homes.

The first phase of irrigation and landscaping construction is scheduled to begin in September 2005, and the final phases are slated to be completed by January 2006.

Established in 1998, Girard Environmental Services provides construction services, management services and residential services for the "green" industry and generates more than \$15 million dollars in annual revenue. Serving all Central Florida Counties as well as the Tampa Bay and Northeast Florida regions, Girard Environmental Services operates a fleet of 80 vehicles and employs 200 full-time employees.

n't know.

"I've never had political aspirations," he said.

Bridges said if his dream had been to serve a political office, he would have done it years ago. His former partner, Mack Cleveland, was a former state senator, and the firm he worked for had the background to mold a political career for him, if he wanted.

But, Bridges said he read with interest the articles on the open commissioner seat. "When Hipes resigned, I thought, that's a shame, because that's my district commissioner," Bridges said in an interview Tuesday.

He said his main reason for running for District 4 is his love of Sanford.

Bridges, 58, moved to Sanford in 1951 with his family. He has lived in Sanford ever since, leaving briefly to attend college at the University of Florida where he earned a BSBA in 1969 and a JD in 1972, and to serve briefly in the Army during the Vietnam War, until he was honorably discharged.

Bridges has been a general practice attorney in Sanford since 1973.

Bridges discussed how Sanford is on the cusp of breaking out of its shell. With property values going up, and developers knocking on the

"I'd like the opportunity to be part of it."

Jack Bridges, candidate for District 4 seat

door, Bridges said the management of the city is well beyond five people sitting around the table after dinner.

According to Bridges, one example of Sanford's growth is the proposed 24-story condominiums that would face Lake Monroe. Bridges said that project would involve a lot of money and a lot of growth in Sanford, whether people were for it or against it.

"I'd like the opportunity to be a part of it," Bridges said of Sanford's growth.

This wouldn't be Bridges first stint with what he called public service, as opposed to politics. He served on the city's planning and zoning commission for a few years, back in the late seventies or early eighties. He couldn't

remember the exact dates. But, what Bridges did remember was that he liked serving on that board, even though he said if you make 10 people happy, you make another 10 mad.

"I enjoyed it. Even though it was frustrating," he said.

Bridges said that sometimes it's not who's right and who's wrong, it's who's more right. "Both sides can't win," he said.

The candidate said that when he started thinking about the changes occurring in Sanford, and after a few suggestions from unnamed people that he run, he discussed the move with his wife, Elizabeth, a financial analyst for the Seminole County Sheriff's Office.

Instead of talking about campaign issues and priorities during an interview with The Herald, the long-time Sanford resident reminisced about Sanford in his younger days. Bridges, who graduated from Seminole High School, was an usher for the Ritz Theatre, now the Helen Stairs Theatre, before he left for college.

"I worked my way up to head usher for 50 cents an hour in 1964," Bridges said.

In 1964, the Civil Rights Act went into effect and Bridges, as head usher, admitted the first black couple into the

downstairs theatre.

The downstairs had previously been designated for white people, as well as the north side of the balcony seating. The south side had been reserved for black people.

"We had no idea what to anticipate that night," Bridges said.

Bridges said that was because of the stories of the riots up north and all the people who had gotten hurt.

"We in Sanford weren't used to that," Bridges said.

Now, Sanford is seeing a new set of issues for all citizens — growth. With Sanford's new RiverWalk, and developers lining up to build expensive condominiums, Bridges, who has never thought twice about being a politician, is stepping up to the plate to try and take part in Sanford's future.

## Habitat

The Debose family is one of 60 for whom Habitat for Humanity in Seminole County has helped build houses. The organization will intensify its mission with a building blitz and other projects in the works on the way to building up to a dozen new homes in the coming year.

The goal continues to be granting the homeowner's wishes of people like Debose.

"Owning a home is a dream that I thought would never come true," Debose said.

Before having her own house, Debose ran errands such as grocery shopping on Saturdays. Not anymore. She does all of her errands during the week so that on Saturdays she can spend it in her new home.

"I love my home," Debose said recently. "I changed my routine just because I enjoy being home."

Habitat for Humanity homes take an average of 16 to 20 weeks to build, and cost an average of \$60,000 using locally contributed materials and more than 2,000 hours of volunteer labor. The future homeowners must contribute at least 300 hours of "sweat equity".

Debose remembers the Saturday mornings with all the volunteers with enthusiastic gratefulness.

"Different crews worked every Saturday since the groundbreaking occurred," Debose said. "They prepared lunches for all of us and kept working even when it was cold."

Stephen Craig is marketing and development director for Habitat for Humanity in Seminole County. Families in need of affordable housing apply directly through the administration office, he said. The Family Selection Committee reviews applicants and chooses homeowners based on their level of need, willingness to become partners, and ability to repay the no-interest loan.

"Habitat for Humanity's goal is to set families up for success," Craig said.

Since its inception in 1991, Habitat for Humanity in Seminole County has built homes for more than 200 people, helping them relocate from poverty housing into their own homes.

The organization's goal for 2005-2006 is to build 10 to 12 homes.

According to Craig, they just completed one home, have three under construction and have four scheduled to break ground.

"We are currently working with 20 homeowner families with a total of 35 children to make their dream come true of owning a home," Craig said.

Current projects near completion include Morrison Homes second annual Hard Hat Open Golf Tournament Home, and the House that Faith Built.

Last year's golf tournament enabled Wil and Tasha Abraham, along with their five children: Erik, 2, Aaron, 3, Dimitri, 5, Courtney, 9, and Brittney, 11, to build their home in Oviedo, which

is near completion.

"To own your own home, well, that is the American dream," Wil said. "All I can say is that it's just a wonderful feeling. We're looking forward to moving into the house. That's all the kids talk about, having a home with their own backyard."

This year's fundraising golf tournament at Alauqua Lakes on Monday, Sep. 26 will bring about 200 golfers with hopes of raising \$60,000 to \$65,000 for another home.

The House That Faith Built is currently under construction in Altamonte Springs.

"As a caring church community, we are challenged to be a catalyst — looking beyond our own need to give our time, talent and resources for the benefit of someone else," Craig said. "The goal of the House That Faith Built is to make our community a better place and to be in service to others."

More than half of the houses built for 2005-2006 will be faith built, according to Craig.

Upcoming projects consist of "Case Habitat Home" where they will partner with local churches in a two-week builder blitz; "The Seminole Community College School of Construction, Engineering and Design Build," where students will design and build the schools and "2006 Builder Blitz" which they are still looking for two Seminole County builders with which to partner.

# Longwood honors fallen heroes

Monument dedicated to those who protect others

By Joe Hendricks  
Herald Correspondent

LONGWOOD — What began with the donation of a six-inch piece of steel girder taken from the remains of the World Trade Center, culminated Saturday, Sept. 10, with the dedication and unveiling of the Longwood Heroes' Day Monument — a 20-ton granite tribute to freedom and the enduring spirit of the American people.

The solid granite monument honors the memory of the citizens, soldiers and civil servants who lost their lives in service to their country. The monument also honors those currently serving in the five branches of the U.S. military as well as the active police officers and firemen who risk their lives serving the American people.

The Saturday morning dedication ceremony was coordinated by Longwood Police Chief Thomas Jackson.

Before the ceremony began, a procession of military, police and fire honor guards marched from the Longwood City Administration Building to the rear of the Heroes' Day Monument, where they stood at attention for the duration of the 45-minute event.

As the color guard teams took their places, the nearly 200 people attending heard performances of patriotic music sung by members of the Lake Mary High School Choir and played by members of the Lyman High School Marching Band.

The Longwood City Commission poses in front of the new 20-ton monument to the enduring spirit of freedom. The monument is not completed, but does feature a small metal piece of the World Trade Center that terrorists destroyed Sept. 11, 2001.

H.G. "Butch" Bundy said in his dedication speech: "Today is not a time for sorrow, it is a time to savor America's enduring spirit of freedom." Bundy also referred to the small, weathered American flag flying at half-mast that previously flew at the Marine base in Tikrit, Iraq, where six American Marines were killed by insurgent attackers.

Trained pigeons, posing as white doves, took flight as the curtain was pulled back revealing the striking black and bronze monument. Lake Mary High School band members Sharron Jennings and Michael Schreffler were positioned on opposite ends of the ceremonial site and alternated haunting refrains of Taps while members of the Longwood Police force simulated a 21-gun salute with three thunderous rounds of shotgun blasts. Lyman High School Junior ROTC cadets performed the MIA/POW funeral march to the strains of Amazing Grace being played on bagpipes. Longwood Deputy Mayor

John Maingot concluded the ceremony with an impassioned speech, recalling the heroic events of the September morning that changed the course of American history.

"We are left speechless by the recorded deeds of heroism by members of the New York Fire Department, the New York Police Department, the Port Authority Police and by those people who were caught in a life and death struggle in-between collapsing floors in that towering inferno, while offering to help their fellow workers in the face of imminent death. We have recorded testimony about the passengers and crew on board United Flight 93, who fought in mid-air with the terrorist hijackers all the way to the ground in Pennsylvania, and no doubt saved the lives of many more who were in the crosshairs of those killers."

U.S. Rep. John Mica, state Sen. Lee Constantine, state Reps. David Meador and

Sandra Adams, Seminole County Commissioner Carlton Henley, Winter Springs Mayor John Bush, Lake Mary Mayor Thomas Greene, Longwood City Commissioners, Lake Mary City Commissioners, various local officials and a large

gathering of patriotic citizens were on hand for the dedication ceremony.

"It's a great way to see the community come together four years after the tragedy," Mica said after the event. "I lost many friends in the World Trade Center. ... I lost

friends in the Pentagon, both on the plane and on the ground and I was with the Secretary the morning of September 11th, in the Pentagon, just moments before the plane hit, so it has very special meaning to me personally."

## YMCA names operations head

ORLANDO — Betsy Jacobs has joined the Central Florida YMCA as executive vice president of operations, the organization announced Monday.

In this capacity, Jacobs is responsible for several district operations and Family Centers. She will oversee district vice presidents, district executive directors and executive directors for those Family Centers.

Jacobs has fiscal management responsibility and participates in formulating corporate goals, objectives and philosophy with the CEO and COO. She also will provide direction and leadership for the achievement of association and family center goals in accordance with the policies, procedures and standards established by the Metropolitan and Family Center board of directors.

"With Betsy joining our team, it will enable us to better serve our membership and the community," stated Central Florida YMCA President and CEO, James W. Feyber.

"Her previous experience with YMCA operations and programming will play a key role in this endeavor."

Jacobs has more than 18

years of experience at YMCAs across the nation. Her previous experience with larger YMCAs includes senior vice president — operations for the YMCA of Greater New York, executive director for the Central YMCA of Philadelphia, and executive director, Bethesda-Chevy Chase YMCA for the National Capital YMCA in Washington, D.C.

She has published numerous articles in YMCA publications and has completed the

Career Development Program at the YMCA of the USA.

Established in 1942, the Central Florida YMCA is one of the largest nonprofit community organizations in Central Florida.

With 24 Family Centers in Seminole, Orange, Osceola, Lake, Brevard and Marion counties, the YMCA gave more than \$8.2 million in financial assistance, membership, and program subsidies to 200,000 kids, teens, adults, and seniors in 2004.

# County deals with safety issues

By Neal Fisher  
Herald Correspondent

SANFORD — Safety issues highlighted the Sept. 13 meeting of the Seminole County Board of Commissioners, including honoring the county's retiring fire chief.

The meeting opened with a resolution recognizing county Fire Chief Terry L. Schenk, who will retire Sept. 30 after 30 dedicated years. Leeanna Raw will take over as fire chief the next day, Oct. 1.

Sept. 13 was proclaimed Terry L. Schenk Day throughout Seminole county.

"It was an honor to be recognized for years of service to this county," Schenk said. "But it was also an opportunity for me to thank the board and citizens of the county for promoting me to chief."

He said he has felt fortunate for people's faith in him.

"I am most proud of hiring good people who bought into the team concept," he said. "My job as the chief was to orchestrate a team effort by putting each person in a position that allows them to do what they do best. With the people I hired I was always able to do that."

"It created a positive atmosphere and made promotions easy. If that is happening the organization can provide good service to the citizens."

Commissioner Dick Van Der Weide noted that the chief has been a lot more than simply the guy who directs people who put out fires. During his career Schenk has enhanced the quality of life in Seminole County with his expertise in meteorology, and

Tuesday Sept. 13 was proclaimed by the Seminole Board of County Commissioners as Terry L. Schenk Day.

as a spokesman and safety officer. The chief has been viewed as a gentleman and professional who used his career to protect the citizens of the county, Van Der Weide said.

The commission continued to pursue a uniform county wide ordinance dealing with sexual offenders and predators.

The proposed ordinance will be presented to the county commission in the near future. They will determine through the voice of the citizens whether the county should vote on it, according to Commissioner Bob Dallari.

The ordinance, the facts and other related issues have been presented to the Joint City/County Advisory Committee at its regular meeting as well as the monthly Mayors and Managers meet-

ing. Both groups favored its implementation.

"This is a serious problem and we need to protect our children, but everybody has the right to live their life in a safe environment," Dallari said.

He noted that the city of Oviedo started the process of passing its own sex offender ordinance. Other cities have drawn up their own ordinances.

"While it is inexcusable behavior that needs to be controlled, it was becoming a nightmare to enforce," Dallari said. "Every city had their own way of dealing with it and that means there is the problem of simply moving the issue from one city to another. It doesn't resolve the issue. We need a holistic approach, not a piecemeal way of dealing with the issue."

Officials also hope the ordinance will serve as a model for other counties.

The board also approved a grant for \$25,000 for the Safe Kids Seminole County program, and hurricanes also entered the agenda.

In the wake of Hurricane Katrina the issue of hurricane safety was discussed.

Earlier this year, the board established a fund that would grant one-time allocations for housing for hurricane victims. The board finalized how to spend the money. The inception of this grant was originally a result of the hurricanes that hit Florida last season, but with Hurricane Katrina's recent destruction of the Gulf Coast the issue has revisited.

"The concern should be to learn," Van Der Weide said. "Katrina taught us some more lessons after we had learned about hurricanes last season."

There were problems in the communications during and after Katrina, he pointed out.

"We re-evaluate our communications on a regular basis. But we have a stable foundation to work from. We have contracted with a radio station that broadcasts specific Seminole County information and we have a Web site and information is put on places like utility bills. Issues like the grant give us the ability to re-evaluate and continue to give our citizens the security they deserve."

The commissioners also decided to adopt a county lit by Katrina. They are considering Harris County in Mississippi because the Sheriff's Office has already sent them supplies and food.

County tourism is currently celebrating the highest occupancy rates since 2000. Compared to the same period one year ago, the countywide occupancy rate is 26 percent higher this year.

## Tourism development tax increases take in July, this year

SANFORD — The Seminole County Tourist Development Council has announced that Tourist Development Tax numbers for July have increased once again, as have the year-to-date

figures.

For July, \$208,503 was taken in, a 35 percent increase over July of last year. For the October-September fiscal year-to-date, the TDC took in \$2,236,538, an

increase of 44 percent.

The Tourist Development Tax, also known as "bed tax" is a 3 percent charge collected on stays at each of Seminole County's short-term accommodations facilities.

we wanted," Hillman said Tuesday.

Both parties said once they got together and reconciled some of the data, they realized that the monetary differences were closer than what they originally thought. That led to an agreement.

"We're very happy that we were able to come to an agreement in a timely manner so that the teacher's would receive an increase in pay. We believe it's a good settlement for teachers," Hillman said.

Vogel agreed. He said a priority of the school board was to improve salaries for teachers.

"We have been able to make considerable progress through negotiations," Vogel said.

A first-year teacher will now earn a base of \$32,012 under the new agreement. And, a teacher with 28 years of experience will make a base of \$57,189.

In addition to the accomplishment of those three goals, Hillman said they have also increased the payout for terminal pay for retiring teachers cashing in unused sick days.

Details regarding the actual settlement will go out to teachers next week for their approval through the SEA.

Upon approval, the school board will vote on the final agreement.

## Sheriff's Office warns against jury duty scam

SANFORD — There's a new scheme scammers are using to commit identity theft; the jury duty scam, according to the Seminole County Sheriff's Office. Here's how it works:

The scammer calls claiming to work for the local court and claims you've failed to report for jury duty. He tells you that a warrant has been issued for your arrest.

The victim will often rightly claim they never received the jury duty notification. The scammer then asks the victim for confidential information for "verification" purposes.

Specifically, the scammer asks for the victim's Social Security number, birth date, and sometimes even for credit card numbers and other private information — exactly what the scammer needs to commit identity theft.

So far, this jury duty scam has been reported in Michigan, Ohio, Texas, Arizona, Illinois,

Pennsylvania, Minnesota, Oregon and Washington State.

The victim is clearly caught off guard, and is understandably upset at the prospect of a warrant being issued for his or her arrest. The victim is much less likely to be vigilant about protecting their confidential information. In reality, court workers will never call to ask for social security numbers and other private information. In fact, most courts follow up via regular mail and rarely, if ever, call prospective jurors.

This jury duty scam is the latest in a series of identity theft scams where scammers use the phone to try to get people to reveal their Social Security number, credit card numbers or other personal confidential information.

Protecting yourself is simple; never give out your Social Security number, credit card numbers or other personal confidential information when you receive a telephone call.

## Charles' running carries Dolphins

Special to the Herald

For the second straight week it was the youngest division in the Sanford Recreation Department Youth Flag Football League that came up with the highest scoring game during Week 2 action Saturday at Ft. Mellon Park.

Daniel Charles scored three touchdowns as the Dolphins outscored the Giants, 35-21, to even their record at 1-1. The other 5-6 year-old game saw the unbeaten Buccaneers also hit the 30-point mark in a 30-7 victory over the Raiders.

The Buccaneers and Giants are headed for a showdown this week in the 7-9 year olds after posting impressive victories, 14-0 and 20-12, respectively, over the Raiders and Dolphins. The Buccaneers have not allowed a point so far this season.

The Raiders in the 10-12 division also 'hurled' their second straight shutout,

## Quartet still unbeaten in Sanford Youth Flag Football

blanking the Giants, 13-0, while the Buccaneers bounced back from last week's shutout to thump the Dolphins, 26-6.

This Saturday (September 24th), in the 5-6 year olds, the Raiders (1-1) face the Giants (0-2) at 8:30 a.m. and the Dolphins (1-1) challenge the Buccaneers (2-0) at 9:30 a.m.; in the 7-9 year olds, the Raiders (0-2) tackle the Dolphins (0-2) at 8:30 a.m. and the Giants (2-0) battle the Buccaneers (2-0) at 9:30 a.m.; and in the 10-12 year olds, the Giants (1-1) take on the Buccaneers (1-1) at 10:30 a.m. and the Raiders (2-0) look to remain undefeated against the Dolphins (0-2) at 11:30 a.m.

### 5 & 6 YEAR OLDS

#### DOLPHINS 35, GIANTS 21

This game was close until Dolphins running back Daniel Charles scored his third touchdown of the game in the second half. Henry Sigura scored the other two touchdowns for the winner's, while quarterback Phil Davis did an excellent job of running the offense.

The Giants made a late run at getting back in the game behind Casey Lessard and Charles Jackson, but they came up short as time ran out.

Players of the Game: Dolphins - running back Daniel Charles, three touchdowns runs in the game and seven for the season; Giants - Charles Jackson.

### BUCCANEERS 30, RAIDERS 7

The Buccaneers defense again came up big, scoring the game's first points with a safety on the Raiders' first offensive series. Then Alexandra Frazier took over for the Bucs, scoring two touchdowns before the halftime break on runs of 40 and 10 yards. Ahmad Grooms then put the game out of reach with a 40-yard touchdown run. Camero Bacu had a 30-yard run for the Raiders' score.

### 'Hounds hold off Patriots

By Dean Smith  
Herald Staff

The opening of district play for most county teams on Friday wasn't what was hoped for, but a couple of teams did pick up important wins.

Lyman continues to impress as the Greyhounds not only ran their record to 2-1, but also picked up their first win in 22 meetings with Lake Brantley, holding off the Patriots, 13-10.

The hosts had not beaten their West Seminole rivals since 1982 and the win could give coach Bill Caughell's charges added confidence as they go after their third straight postseason berth.

Lake Brantley (2-2) got off to a good start as Lance Ault barreled in from the three to give the Patriots an early 7-0 lead.

Lyman battled back to take the lead, 10-7, at halftime on a 28-yard first quarter field goal by Nick Basquill-White and a one-yard dive from Jeremy Drayton.

After a scoreless third period, the Patriots tied the game on a 20-yard field goal by Bill Pigozzi with 8:58 left

The Winter Springs defense closes in on Lake Mary's Kashif Valot during the Bears' 18-9 Class 6A-District 2 and Seminole Athletic Conference victory Friday night at the A.W. Epps Sports Complex. Winter Springs held the powerful Rams' running attack to 139 yards and forced four turnovers as the Bears defeated Lake Mary for the fifth time in the last six meetings.

## USF bests UCF

Special to the Herald

Andre Hall ran for 155 yards and scored two touchdowns Saturday night to help South Florida beat UCF 31-14.

A crowd of 45,139, second-largest in South Florida's relatively brief football history, watched the Bulls (2-1) build a 21-0 halftime lead on the strength of a relentless running attack that finished with 326 yards.

UCF (0-2) was held to 45 yards rushing and was shut out until Joe Burnett returned a third-quarter punt 60 yards to the South Florida 4, setting up Steven Moffett's touchdown run on the next play.

Moffett also threw a 9-yard TD pass to Lake Howell's Brandon Marshall late in the fourth quarter.

One play after Hall nearly scored on a 17-yard run, Pat Julmiste added South Florida's last TD on 1-yard quarterback sneak late in the third quarter. Kyle Bronson added a fourth-quarter field goal to make it 31-7.

Moffett threw for 208 yards and Mike Walker hauled in a game-high 70 yards receiving in the loss. Travonti Johnson posted a career-high 12 tackles.

UCF makes its home debut next Saturday, hosting Marshall at Citrus Bowl. Kickoff is slated 6 p.m.

## AM/Las Vegas wins ASA Men's Major title

All-American Zach Turissini of the Armed Forces launches a long one toward leftfield fence during the final game of the ASA Men's Major Slow Pitch National Championship this past weekend at Historic Sanford Memorial Stadium.

Special to the Herald

**SANFORD** — The chase is over for the AM/Las Vegas/Benfield men's slow pitch softball team.

After finishing runner-up in the ASA Men's Major Slow Pitch National Championship three times, it finally won its first ASA Major national title this weekend at Historic Sanford Memorial Stadium with a four-inning run-rule, 27-5 win over the Armed Forces.

This was the ninth time AM/Las Vegas/Benfield played in the ASA Men's Major National Championship and it left no doubt it was the best of a three-team field winning four consecutive games, 2-0 in Pool Play and 2-0 in Eliminations, en route to the national title.

In four games AM/Las Vegas/Benfield outscored its opponents 84-25 runs, collected 33 homers among its 80 hits and was led by tourney home run leader Brett Helmer (seven), who finished with a .692 batting average (9-for-13).

AM/Las Vegas/Benfield won twice in pool play, beating Aubrey's/Resmondo 21-6 and the Armed Forces, 13-11, before winning another pair of games in the double-elimination portion of the tournament, putting Aubrey's/Resmondo, which went 0-2 in Pool Play and 1-2 in Eliminations, in the loser's bracket 23-3 in three innings to advance to the

championship round.

Aubrey's, which beat the Armed Forces on Friday night, 6-2, was eliminated by the Armed Forces, 12-9, in a game that was won with eight runs in the sixth inning. The Armed Forces trailed 8-4 entering the bottom of the sixth inning, then exploded for eight runs on seven hits to take the lead for good. Aubrey's batted in the top of the seventh but scored only once and finished third, which was worth \$1,500, with an overall 1-4 record.

After scoring six runs in the first inning of the championship game, AM/Las Vegas/Benfield opened up the throttle on offense in the second inning by scoring 15 runs on nine hits. Helmer, who was added to the AM/Las Vegas roster for this event, highlighted the inning with a grand slam. Billy Joe Fulk, tourney Most Valuable Player Danny Crine, Brian Justice and Kris O'Hara each hit homers in the inning. AM/Las Vegas outthrew the Armed Forces, 20-7.

The scrappy Armed Forces squad, which was a collection of the best players from the Army, Navy, Marines and Air Force and was put together less than two weeks ago following the Armed Services Championship, scored twice in the second, went scoreless in the third inning and managed

 Raishawn Ranson, but each time Coach Pyron's Raiders came up with the big stop.  
**Players of the Game:** Buccaneers \_ running back Cody Almond, two touchdowns; Raiders \_ quarterback Chris Stewart.  
**GIANTS 20, DOLPHINS 12**  
 This game was a see-saw battle the whole way. The Giants got on the board first when Calvin Mills caught a 46-yard touchdown pass from Antonio Jackson Jr., but the Dolphins came right back to tie the score at 6-6 when Ryan Tankley hit Alex Figueroa with a five-yard touchdown pass.

But it was the Giants taking the lead for good when Jackson ran the ball in from 27-yards out. The Dolphins got back within a point early in the second half on touchdown run by Joe Young, but the Giants answered with Jackson scoring his third touchdown of the game on a 51-yard gallop with three minutes left in the game. Jackson then made his presence felt on defense, coming out of nowhere to run down Young at the 10-yard line after a 60 yard scamper by the Dolphins star. The Giants' defense then came up big, keeping the Dolphins out of the end zone as time expired.  
**Players of the Game:** Buccaneers \_ running back Jeff McBryde; Dolphins \_ running back Joe Young.

**10-TO-12 YEAR OLDS**  
**BUCANEERS 26, DOLPHINS 6**  
 Rudy Williams opened the game for the Bucs by throwing a 10-yard touchdown pass to D'Andre Brown and the mut was on. Jeff McBride returned from an injury to score two touchdowns for the Buccaneers on runs of 46 and 5-yards and Javante Davis added a touchdown for the winner's.  
 Xavier Robinson and Charlie Bieber had outstanding games for the Dolphins, but Fins didn't have enough fire power to rally back.  
**Players of the Game:** Buccaneers \_ running back Jeff McBryde; Dolphins \_ running back Xavier Robinson.

**RAIDERS 13, GIANTS 0**  
 Michael Radzak had a huge game for the Raiders on both sides of the ball, coming up with an interception on the opening series to stop a Giants drive and later scoring an insurance touchdown on a 60-yard pass from Donte Lett. Croix Trosper scored what proved to be the winning touchdown on a two-yard run following Radzak's interception.  
 Carl Fraizer Jr. of the Giants ran for a pair of touchdowns, but both were called back on penalties, a problem that plagued the Giants the whole game.  
**Players of the Game:** Raiders \_ wide receiver Michael Radzak; Giants \_ quarterback Nick Spangler.

## AJAX AMERICA DEVELOPMENTAL SOCCER CLINIC FOR SEMINOLE COUNTY RESIDENTS

Ajax America is offering a special developmental soccer clinic for all residents of Seminole County.  
 Ajax's Developmental Training Camp enhances individual development by building on two basic fundamental skills: passing and receiving. At both locations, players train with the elite soccer coaches and professionals from Orlando-based Ajax America.  
 This camp is designed to develop players mentally, physically, and culturally in the famed and successful Dutch style of play. The curriculum includes small sided games, team tactics, maximizing scoring potential, having fun and making new friends.  
 The Ajax America's Exclusive Fall Training Camp will be held October 3rd-through-7th at Sylvania Lake Park in Sanford and Trotwood Park.  
 To register please call 407-839-1982 or visit us online at www.AjaxAmerica.com  
 The Ajax Developmental Training Camp is led by elite members of Ajax America's Technical Staff. Coaches include former World Cup Player, Barry Hulshoff; member of the European Premier Team Queens Park Rangers Hall of Fame, David Bardsley; Trinidad and Tobago National pool of Youth World Cup players, Curt Hernandez; and Haitian National Team player and Haitian 'Athlete of the Century,' Emmanuel 'Mano' Sanon.  
 At the end of each school, players receive a one-on-one evaluation using the Ajax T.I.P.S (Technique, Insight, Personality, and Speed) Model. The elite are invited to continue their training the following summer at Ajax's Orlando-based Recruitment and Training Combine. The primary goal of Ajax is to locate and develop the world's best young soccer players, the cream of which will move on to one day play in front of 60,000 fans in the Amsterdam Arena, as a member of the best of the best, the AFC Ajax First Team!

## SANFORD YOUTH BASKETBALL

Registration begins Monday for the 2005-2006 Sanford Recreation Department Youth Recreation Basketball League.  
 The League is for players from 5-to-13 years old and will play at two sites beginning November 12th.  
 The Biddy Ball Divisions (5 & 6 year olds, players born in the years 2000 and 1999) and Prep Divisions (7, 8 & 9 year olds, for players born in the years 1998, 1997 and 1996) will be playing their games at Seminole Trinity Christian.  
 The Junior Division (10 & 11 year olds for players born in the years 1995 and 1994) and the Senior Division (12 & 13 year olds for players born in the years 1993 and 1992) will be playing at Millennium Middle School.  
 The fee is \$50 per player for Sanford residents and \$60 for non-residents.  
 Coaches are also still needed.

Registration will be taken at the Downtown Recreation Center, lower level of Sanford City Hall, Monday through Friday from 9 a.m. to 5 p.m.  
 For more information call the Sanford Recreation Department at 407-330-5697.

## KIDS NIGHT OUT

Are babysitters becoming more expensive and harder to find?  
 Parents, if you are looking for an opportunity to spend a quiet evening together and for your kids to be entertained, look no further! The City of Casselberry's Kids Night Out is here for you!  
 Elementary school aged children will have fun spending time with their friends at a night designed especially for them. Children will play games, make a craft, watch a movie and enjoy a special activity. You can rest assured that your children are having fun in a safe, supervised environment while you enjoy a night to yourselves.  
 Kids Night Out will be offered on October 7th, November 11th and December 9th from 6 p.m.-to-10 p.m. at the Casselberry Recreation Center, located at 200 North Triplet Lake Drive.  
 The cost is \$10 for Casselberry residents, \$15 for Non-residents, and \$20 for everyone day of the program. Children must wear tennis shoes. Dinner is not provided, but a snack and drink will be provided.

Register at the Parks and Recreation Administrative Office located at 125 E. Melody Lane, Monday-through-Friday, 8 a.m.-to-5 p.m.

## SPECIAL-OPPORTUNITY TURKEY HUNT PERMITS NOW AVAILABLE

Special-Opportunity Turkey Hunt Permits now are available from the Florida Fish and Wildlife Conservation Commission (FWC).  
 Special-Opportunity Spring Turkey Hunts are custom-made for sportsmen yearning for an Osceola turkey. All hunt areas are in the Osceola turkey's range. They are a highly prized subspecies of turkey, which occur only in peninsular Florida. These hunts pair up large areas of land loaded with turkeys with a low number of hunters.  
 Hunters interested in going on one of these hunts can apply now. Applications are on the FWC's special-opportunity hunt Web site at [MyFWC.com/soh](http://MyFWC.com/soh) (click on "2004-2005 Spring Turkey Application") and at FWC regional offices. A random drawing will determine who will receive the limited number of permits.  
 Demand for the hunts is usually greater than the number of available permits. Hunters can submit as many applications as they want to increase their odds; however, each application requires a \$5 nonrefundable application fee for each person named on the application. Applications must arrive at FWC's Tallahassee office by U.S. mail or a licensed delivery service by 4:30 p.m. Oct. 15 to be included in the random drawing. Faxes and hand-deliveries are not accepted.  
 If selected, hunters will pay an additional \$50 - \$175, depending on the special-opportunity hunt area selected.

## DOVE CLUB PERMITS STILL AVAILABLE

The Florida Fish and Wildlife Conservation Commission (FWC) still has Dove Club Permits remaining for some of their special-opportunity dove fields throughout the state.  
 For info, check online at [MyFWC.com/dove](http://MyFWC.com/dove) or by calling 1-888-HUNT-FLORIDA (486-8356), toll-free from anywhere in the United States or Canada.  
 Permits are available on a first-come, first-served basis and allow one adult and one youth (under age 16) to participate.

# Grand Opening at Central Winds

City of Winter Springs officials proudly cut the ribbon during Grand Opening Ceremonies last week of the 28-acre expansion and addition to Central Winds Park. The area, located East of the current complex, consists of several practice fields for football, softball, baseball, track, lacrosse, soccer and much more.

 in the game.

The Greyhounds responded to the challenge with a 65-yard drive one eight plays that used up over five minutes.

Basquill-White then booted through a long 41-yard field goal to give the hosts a 13-10 lead with 3:49 remaining.  
 Lake Brantley looked like they might run the streak to 23 as the Patriots marched down the field behind quarterback Bryan Bearden, but on a fourth-and-three from the 32, Lyman's David Muniz, who was the offensive star the past two weeks, came up with a huge sack from his linebacker's position to end the threat and the Greyhounds were able to run out the final 1:14.

The other big win was Lake Howell's 31-12 road victory over Poinciana in Kissimmee. Junior quarterback Taylor Beasley was again the star for the Silverhawks as they evened their record at 2-2 and also going undefeated (2-0) against Osceola County squads.  
 Beasley completed 19-of-26 passes for 249 yards and three touchdowns in the first half as they visitors rolled to a 31-0 halftime lead.  
 Bobby Ralph caught two of

the scoring tosses and standout D.J. Hopson caught the other.  
 The other Lake Howell scores came on a 38-yard touchdown run by Sterling McCall and place-kicker Andrew Calise knocked through a 27-yard field goal and also tacked on four extra points.

The Silver Hawks defense wasn't bad either, holding Poinciana without a first down until 2:06 before halftime and forcing four turnovers.  
 Orangewood Christian (1-3) got its first win of the season, and a Class 1B-District 4 victory to boot, as the Rams coasted past fellow second-year program, Lake Mary Prep, 53-0.  
 Eighth-grader Christian Jones ran for three touchdowns and a two-point conversion for Orangewood and standout sophomore kicker Alan Gendreau hit a 41-yard field goal and four extra points.  
 The Griffins, meanwhile, have not scored a point this season as they continue to struggle with a lack of any depth.  
 One of the biggest disappointments on the evening was Trinity Prep seeing its perfect record, and perfect scoring defense, both get wasted on Friday.  
 After posting shutouts in

their first two games, the Saints' defense was runover by The Villages (3-1), allowing 45 points to the Buffaloes in a 45-14 defeat in the Class 2B-District 5 opener for both squads.

County teams step away from district play this week, with at least three teams holding their Homecoming games.  
 The Master's Academy opens the week's action by traveling to St. Augustine to take on the Florida School For The Deaf on Thursday at 7 p.m.  
 Lake Brantley welcomes Centennial to Tom Storey Field, Lake Howell plays host to Seminole at Richard L. Evans Field and Hernando Christian pays a visit to Lake Mary Prep for Homecoming for each squad.  
 Lake Mary has a tough home

game at St. Augustine High, which is unbeaten and unscored upon this season, comes to Don T. Reynolds Stadium.  
 Lyman will be at the A.W. Epps Sports Complex for a big Seminole Athletic Conference game with Winter Springs.  
 Oviedo also has a big home game, playing cross-county rival, and unbeaten, Winter Park at John Courier Field.  
 Orangewood Christian is back at home, welcoming Temple Christian to Maitland.  
 Trinity Prep has a tough task in trying to get back on the winning track, hosting Pine Castle Christian at Hubbard Field.  
 All of the games will be played on Friday and start at 7 p.m. except for the TMA game on Thursday.

AM/Las Vegas/Benfield poses with its banner and trophies after winning the ASA Men's Major Slow Pitch National Championship this past weekend at Historic Sanford Memorial Stadium with a four inning run-rule, 27-5 win over the Armed Forces in the final.

only one run in the bottom of the fourth. They had come close earlier, but there was no denying AM/Las Vegas/Benfield was the class of this championship and certainly among the top three teams in the United States.

Besides winning its first ASA national Major title, AM/Las Vegas/Benfield received \$3,000 in prize money while the Armed Forces, which went 1-1 in Pool Play and 1-2 in Eliminations, received \$2,000 for finishing runner-up after finishing tied for fifth in this championship last year. The Men's Major Slow Pitch National returns to Sanford in 2006.

"This is the one we've been chasing (to win)," said Mike Reece, one of the team's sponsors. "But we finally got it in our ninth attempt. Three times we finished runner-up."

Three of Helmer's homers, worth eight RBI, came in the championship game and he finished the game 3-for-3. Justice plated five runs with a pair of homers and a single, Lavorico smashed three homers in four at-bats to drive in four runs and Fulk had a three-run homer in the 15-run second.

In addition to dominating the double-elimination event, AM/Las Vegas/Benfield had nine

players named as first-team ASA All-Americans. They included:

1B - Kris O'Hara; 2B - Brett Helmer; 3B - Denny Crine; SS - Brian Justice, who led the tour-

ney in batting (.833); OF - Brian Wegman and Wayne Habermehl; Utility - Billy Joe Fulk; Catcher - Alex Lavorico and pitcher - Mark Webber. Other members of the All-

American team were: Outfield - Keith Martin and Kyle Cowart, Aubrey's; Utility - Brian Arnold, Aubrey's; Tony Patrick, Josh Wiggs and Zach Turissini, Armed Forces.
