

Commission votes 'no' on waiver request

By Michelle Jeria
Managing Editor

LAKE MARY — City Commissioners Monday agreed to move forward with all three steps in a mediation process to try to resolve a dispute between the city and the Seminole County School Board.

Commission made the decision during a special called meeting to consider a request from Superintendent Paul Hagerty to waive the first two steps in the "Interlocal Agreement on Mediation and Intergovernmental Coordination."

City rejects School Board's suggestion to skip steps in mediation process

Following advice from City Attorney Clay Simmons, however, commissioners agreed unanimously to deny the waiver. "I think we ought to go with the whole 9 yards," Commissioner George Duryea said. "The city signed this agreement, and we will abide by it and make every good faith effort to comply with it." The dispute between the School Board

and City Commission is over the relocation of Excel Alternatives Inc., a learning facility for expelled students. The school is currently located in Sanford's Reflections shopping plaza on Lake Mary Boulevard.

Last month, City Commission denied the Board's request to amend the city's land use designation for property in

Technology Park, located off Lake Emma Road. Board members and its staff contend the building in the complex is the best site for the alternative school's new location and that the school is allowed under the city's comprehensive plan.

For two years, School Board staff has been searching for a new location for the school in order to purchase a building rather than continue leasing the current facility for \$350,000 per year. The purchase would eventually save the school

Zoological park hosts holiday celebration

By Nick Pfeiffert
Staff Writer

SANFORD — The holidays put everyone in the giving mood, including the folks at the Central Florida Zoological Park.

One day a year, the zoo celebrates the holidays with a gift to the community — \$1 admission for everyone. It's all part of the sixth annual Dollar Day at the Zoo, which will be held this year on Saturday, Dec. 14, from 9 a.m. until 5 p.m.

Guests are asked to bring contributions for the Pets and People Food Drive. Canned or dried dog and cat food items will be donated to the Seminole County Humane Society. Non-perishable food donations will benefit the Rescue Outreach Mission of Sanford and the Salvation Army. Visitors may also give the gift of life by donating blood at the Central Florida Blood Bank's bloodmobile from 10 a.m. until 4 p.m.

Dollar Day at the Zoo isn't the only special event going on at the park. Each Friday night until Christmas — Dec. 6, 13 and 20 — the zoo will host Holiday Nights at the Zoo from 5 to 8 p.m.

White lights will line zoo walkways for a festive evening of shopping and entertainment. Carolers will be singing holiday favorites. Zoo volunteers will present animal encounters, and holiday snacks and cider will be available. Children may create animal ornaments, listen to holiday story tellers, visit with Santa and do a little shopping at the kids-only holiday gift table.

Need to take care of last minute holiday gifts? No problem since patrons can stop by the ZOOFARI Outpost gift store with hundreds of wildlife items including T-shirts, toys, jewelry, wall art and plush animals. Other holiday gift ideas include annual membership passes and the Adopt and Animal program. Proceeds from these programs benefit the wildlife education and conservation programs at the Zoo. Gift-wrapping is complimentary.

Admission to Holiday Nights is \$6 for adults, \$4 for seniors 60 and over, and \$3.50 for children 3 to 12. Zoo members receive discounted rates.

Admission during Dollar Day is \$1 for guests three years and over, free for children under 3.

Homes for the holiday

Annual Tour of Homes begins this weekend

By Dan Ping

Traditions are a hallmark of the holidays, whether it's a fragile ornament from Christmas past or a special meal on Christmas eve.

The Sanford Historic Trust will conduct a tradition of its own this weekend when it hosts the 14th annual Holiday Tour of Homes. The tour has become one of the top cultural events in Sanford and showcases the historic homes in the community, some dating back to the late 1800s.

This year's tour takes on added significance as the city celebrates its 125 anniversary. "This is an important milestone in the history of Sanford," said Linda Kuhn, president of the Historic Trust.

"The tour has always been about highlighting the city's history and so this year's tour is extra special." Because of the anniversary, the tour will feature some of the city's older homes — many of which have never been shown during previous Home Tours — as well as of the city's oldest landmarks, the Sanford Grammar School, now known as the Seminole County Student Museum.

Student artists asked to help preserve history

From Staff Reports

Seminole County school and college art students can develop their skills and earn cash prizes in the process by helping Sanford preserve its historic past.

As part of its 14th annual Holiday Tour of Homes, the Sanford Historic Trust is inviting county art students to create portraits or mood scenes of yesterday, using Sanford's historic buildings as a focal point or backdrop.

"We're encouraging them to develop sketches during this year's Holiday Tour of Homes, Friday Dec. 6 through Sunday Dec. 8, to get a better feel for Sanford's restoration and preservation movement in a holiday setting," said Tony Daniels, spokesman for the Sanford Historic Trust.

Winners will share \$400 in cash prizes provided by competition sponsor Wharton-Smith Construction Co. First-place prize is \$200. The second-place winner takes home \$125, and third-place is worth \$75.

Competition continues through January, and prizes will be awarded during the Trust's annual preservation awards ceremony in May.

"We are all winners because the competition gives participating students an opportunity to develop their talents while helping the Sanford community build an art archive depicting its rich history," Daniels said.

Artists can submit a maximum of two entries using any medium, including oils, pastels, watercolor, charcoal or photography. Prize-winning entries will become property of the Sanford Historic Trust to build an art collection for use in conjunction with the Holiday Tour of Homes, annual preservation awards and other activities.

All other entries will be exhibited and returned to the artist after one year.

Wharton-Smith Inc., a local construction company, which is under contract to build Sanford's Riverwalk project on Lake Monroe, is underwriting the competition for three years.

"It is a perfect match for two organizations that have a keen interest in preserving the genteel historic atmosphere of the city for future generations to come," Daniels said.

For more information about the contest, teachers and students should contact the Sanford Historic Trust at 407-263-4488 or visit the Web site at www.sanfordhistorictrust.org

The Black Pearl opens in downtown Sanford

By Michelle Jeria
Managing Editor

SANFORD — Black pearls are considered an uncommon gem. The rarity of the jewel is one reason why Carrie Rowland-Nason decided to call her new downtown business by the same name.

"I wanted a name that was pretty but also something that was different than other bead stores," Rowland-Nason said. "Coming up with a name isn't easy, and I worked on a list for about a week trying to come up with something different. When I came up with the

name Black Pearl, I called my family to see if they liked it, and they did. So, the store became The Black Pearl."

Rowland-Nason's store, which opened Saturday, specializes in beads of all colors, shapes and sizes. To complete the jewelry-making process, she also stocked her business with findings, fasteners and pendants that can be used in creating necklaces, bracelets, earrings and other baubles.

The Black Pearl is the result of a hobby Rowland-Nason began more than a year ago after she became stranded in Colorado. She

was visiting the state when terrorists attacked the United States on Sept. 11.

"Our flight, like all of the others, was cancelled, so we were stranded," she said. "While we were waiting to get home, I decided to visit a few bead stores and started to make a few things. As it turned out, we ended up driving home, so we stopped at a few more bead stores on the way. It turned out to be something I really enjoy doing."

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

Hostess steamed by waffling response to RSVP request

DEAR ABBY: Throughout the year, my husband and I host parties in our home for his office staff. Invariably, we get several "maybes" in response to the RSVP on our invitations. To prepare for these parties, I must shop for food and beverages, spend time in the kitchen cooking, clean my home from top to bottom and arrange for a baby sitter.

Dear Abby

"Maybe" is not a suitable answer! When an RSVP is requested, invitees should respond promptly, arrive on time, leave at a decent hour and follow up with a thank-you note — or at least call their hosts. Abby, are you with me on this, or am I expecting too much? The inconsideration of some people baffles me.

TICKED OFF IN MICHIGAN

DEAR TICKED OFF: I'm with you. To respond to an invitation with "maybe" is extremely rude. It translates as, "I'll come if I have nothing better to do."

The next time you receive a "maybe" in response to an invitation, reply, "I'll take that as a 'no' — unless I hear otherwise 48 hours before the event."

DEAR ABBY: This is in response to "At the End of My Rope," whose 76-year-old grandmother ignores advice about her health.

First, I would recommend that she call Grandma's primary care physician to make sure he or she is aware of the family's concerns and of all her medications. Second, one of the children should go with her on the next medical visit to hear what the doctor has to say. (Having another set of ears at a doctor's visit is a real benefit.)

Third, is there a specialist in geriatrics in the area? Perhaps Grandma needs an evaluation to see if there is something else wrong or if the medicines are interacting in a negative way. Fourth, there are medication boxes available to help people manage their dosage. Fifth, all of her medications should be written down and posted on the refrigerator with the times they are to be taken.

Changing a person's eating habits may be difficult, but medicine is a different story. Many people go to a number of doctors and do not tell each doctor what they are taking. Drug interaction can be a real problem. Also, the grandchild should talk to a counselor to reduce her feelings of guilt.

BEEN THERE AND DONE THAT IN ILLINOIS

DEAR BEEN THERE: Thank you for your informative letter. I'm sure it will be helpful to many readers who find themselves in similar circumstances.

DEAR ABBY: I am a 12-year-old girl with a big problem. There's a popular girl in my class who tells me that everything I like is evil, and that I shouldn't like this or that because when I die I will go to hell.

She thinks liking rock stars, reading fantasy books and watching "The Osbournes" on MTV is sinful.

She goes on and on about what the Bible says, and that the music, books and people I like are all evil. I respect what she likes, and I think she should respect what I like, too. What do you think, Abby?

"PUT DOWN" IN OREGON

DEAR "PUT DOWN": I agree with you. You may be only 12, but there's wisdom between your ears.

Dear Abby is written by Abigail Van Buren, also known as Jeanne Phillips, and was founded by her mother, Pauline Phillips. Write Dear Abby at www.DearAbby.com or P.O. Box 69440, Los Angeles, CA 90069.

Good advice for everyone — teens to seniors — is in "The Anger in All of Us and How to Deal With It." altered. Clark was arrested on charges of grand theft auto, and unlawful use of a temporary plate.

Harassment

An Oviedo area man was arrested last week after he allegedly pushed a child to ground, and reportedly harassed others near Chiles Middle School.

According to the arrest report, the man, identified as 37-year-old James Bundy, was on his bike and came upon a group of students who were walking to school on the sidewalk. He allegedly yelled at the students to get out of the way and pushed one of them to the ground. One student then asked, "What's your problem?" Bundy then allegedly turned around, came back and confronted the students; allegedly threatening to "bash" one child's skull into the sidewalk, cursed at the students and, according to the students, made them fear for their lives.

The students notified a School Resource Deputy, who is assigned to Chiles Middle School, and who was directing traffic at the time. The deputy followed Bundy, who was riding away on his bike. When the deputy began asking questions, Bundy allegedly became belligerent, throw his bike to the ground, swore at the deputy and reportedly told the deputy to shoot him. He then allegedly tried to ride away. The deputy then arrested him.

Bundy is accused of battery /cruelty toward a child, and resisting / fleeing from a law enforcement officer. He has since banded out of jail.

Law Enforcement Memorial Park Golf Tourney planned for Dec. 9

On Monday, Dec. 9, beginning at 8:30 a.m., golfers will tee off at the Sabal Point Country Club in Longwood for the second Law Enforcement Memorial Park Golf Tourney.

The proceeds from this tournament will go toward the construction of the Eugene Gregory Law Enforcement Memorial Park, which will be located on 20 acres on the western shore of Lake Harney, near Geneva. It is being named in memory of Seminole

County Deputy Eugene Gregory, who was killed July 8, 1998, while on duty in the Geneva area. The park is intended to honor all Seminole County Law Enforcement Officers and to give the youth of Geneva much-needed recreational space.

In August, the park project took a major step forward when the Seminole County Board of Commissioners voted to support, and assist with some funding. Most of project is being funded by donations

of cash, supplies and labor by the public. Construction could begin within a year. Donations to the project are still welcome.

The registration deadline for the golf tourney is Dec. 4. An individual sponsorship costs \$45. A team of four costs \$260.

For more information about the park, and the golf tourney, contact Deputy Todd Moderson at 407-328-3761, or Sharon Bryan, donations coordinator, at 407-328-3955.

Sheriff, UCF police receive award from GMAC Real Estate

The Seminole County Sheriff's Department and the University of Central Florida Police Department were on the receiving end of a citation for a change.

The two departments were co-honorees of the second Premier Service Community Award sponsored by the Oviedo/UCF Sales Branch of Signature GMAC Real Estate — a monthly award that recognizes deserving businesses, vendors and other service providers operating in the Oviedo and surrounding UCF areas along the Alafaya Trail corridor.

Signature GMAC Real Estate launched the program this past October in an effort to build a sense of community pride. BP Connect, a convenience shopping mart/self-service gas station on Alafaya Trail just south of McCulloch, received the first award.

Both recipients were selected by Signature GMAC Real Estate's Advisory Board for their "unwavering commitment to safety, safety education and crime prevention" for merchants and shoppers in the area, says Signature GMAC Real Estate Branch Manager Mark Eller.

"Our hats go off to these fine people who do so much to make our community a safer place to work and live," Eller adds. "I know I'm not alone when I say how much we appreciate what they mean to our community. This is a small token but it's our way of saying thanks for being here."

Eller and Signature GMAC Real Estate's Advisory Board presented the award in a special ceremony at the company's Oviedo/UCF office to Lieutenant Pete Kelting, Margaret Levins, Anthony Lafferman and Randy Garrett of the Seminole County Sheriff's Department (District 4) and to UCF Police Officer Lt. Randy

Mingo. Representing Signature GMAC Real Estate were Eller, Cheryl Woods, Bruce Tannenbaum and Ana Maria Bosque.

The monthly award is being sponsored by the Oviedo/East Orlando Sales Branch of Signature GMAC Real Estate, Central Florida's largest locally owned and operated real estate company with seven offices and more than 175 agents.

Eller says the third award will be presented sometime early next month. Signature GMAC Real Estate's Advisory Board is serving as the primary eyes and ears for the program, although outside nominations are also being considered. To make a nomination, call Signature GMAC Real Estate at (407) 365-3634.

"This is a community award and we welcome community input," says Eller.

Local pool designer uses software to show 'everything but the wet bathing suit'

Southern Pool Designs, which specializes in the design and construction of upscale swimming pools, has a big advantage over most pool design companies — special virtual reality software that can show a pool owner everything but the wet bathing suit.

Kayne Marzetti, director of the design staff at the Longwood based company, said he meets with owners to discuss a wide range of design themes before he begins working.

"Using blueprints and a two

dimensional design program, we can create the base design with two screens," Marzetti said.

"I work at one and the customer views on the other. When we convert the design to a three dimensional picture, the pool owner gets a universal view. They can walk in and around the pool, even dive and swim in the pool before they buy it."

Marzetti said the design software is a valuable tool that customers love.

"I think our virtual reality

capabilities have been a major factor in five sales so far," Marzetti said. "And that says a lot the firm is currently building four swimming pools that cost more than \$100,000 each."

Southern Pool Designs, located off C.R. 427 in Longwood, specializes in the design and construction of luxury swimming pools throughout Central Florida.

The firm was recently named, one of the top swimming pool design firms in the U.S. by Pool & Spa magazine.

Regional business broker earns MMAI designation

Longtime Central Florida business broker Cress Diglio, CBI, CBB, who has helped Corporate Investment International (CII) become the leading business brokerage in Florida, has earned the prestigious Master Merger & Acquisition Intermediary (MMAI) designation — one of only a few professionals in Florida to hold that distinction.

Diglio, president and co-owner of the 16-year-old company that brokered nearly \$61 million in business sales last year, many of them located in Seminole County, received the rare designation from the M&A Source during its Educational Conference and Mid Market Buyer Expo last month in Los Angeles.

The MMAI designation is awarded to business brokerage intermediaries who have proven professional excellence through verified transaction experience, education, earned certification as a business intermediary (CBI), and peer review.

In earning the special designation, Diglio has "demonstrated exemplary commitment and experience as a professional M&A intermediary," says the Chicago-based M&A Source.

Last year CII Chairman and

founder Richard E. Read earned his MMAI designation at the association's conference in New Orleans.

The MMAI designation was not the only news coming Diglio's way. Diglio also was appointed Chairman of the Affiliates Committee of the International Business Brokers Association (IBBA) and also was elected to the IBBA Board of Directors.

The M&A Source is the world's largest international organization of experienced, dedicated merger and acquisition intermediaries representing the middle market. Since 1991, the M&A Source has addressed professional issues of merger and acquisition specialists. The organization, a specialists' division of the International Business Brokers Association (IBBA), has over 200 cooperating intermediaries active in middle-market transactions across the U.S., Mexico, Europe and other European locations. It was established to provide education, networking, conferences, member tools, peer-to-peer roundtables, deal making expos and other support functions, all specific to M&A specialists.

Diglio joined CII in 1994 and became a partner three years later.

Together Diglio and Read have built CII into a business brokerage powerhouse with five Florida locations and more than 40 associates dedicated to assisting buyers and sellers of businesses. Over the years Diglio has been recognized as one of the industry's leading producers, responsible for brokering better than \$50 million in closed transactions, with a number of those businesses located in Seminole County.

"The MMAI is a true mark of distinction that helps business owners in selecting advisors for their M&A transactions," says Diglio. "I have put the education to use for my clients and have seen the payoff. Through the M&A Source, the MMAI sets the standard for professional intermediaries. It's a designation I carry with tremendous professional pride."

Last year CII's Mergers & Acquisitions and Main Street divisions brokered a record 54 business sales worth \$60.5 million a more than doubling 2000 sales volume. CII, which specializes in businesses ranging from small stores to multi-million dollar manufacturing companies, has locations in downtown Orlando, Clearwater, Jacksonville, Cocoa Beach and Boca Raton.

Dave Brewer Homes starts work on five model homes worth more than \$6 million

Dave Brewer Homes, one of the most active builders of luxury custom homes in Central Florida, has started construction of five luxury model homes at Alauqua Lakes on Markham Woods Road in North Seminole County.

Dave Brewer, founder and president of the luxury home building company, said all five new homes will be completed by spring of next year.

All five of the homes were designed by Bernie Johnson of

Johnson Estate Designs.

"Each of the five new homes at Alauqua Lakes was designed to derive maximum benefit from their unique settings, with one-of-a-kind golf, water or conservation views," Brewer said. "The architecture takes a very indoor-outdoor approach to nature and the luxury living environment."

The luxury model homes are The Cambria, with 6,100 square feet of living space; the Muirfield, with 5,340 square feet; the Sonata, with 4,780 square feet; the Normandy III, with 5,700 square feet; and the Napoli II, with 5,750

square feet.

Stirling International Realty to open Home Expo Idea Center at Seminole Town Center Mall

Stirling International Realty will open its Home Expo Idea Center in the Seminole Towne Center Mall in late December.

Roger Soderstrom, founder and owner of Stirling, said the Home Expo Idea Center offers home buyers as well as existing home owners a state-of-the-art resource center to augment the purchase or sale of their homes. Visitors will find information on

upgrading, remodeling, redecoration, furnishing and decor trends, from kitchen cabinetry and fixtures to outdoor lighting and landscaping.

Stirling is partnering with local and nationally recognized industry specialists, Soderstrom added.

Our partners in the Home Expo Idea Center include some of the most sophisticated interior decor and design professionals in the country, Soderstrom said. There's even a children's learning center.

Soderstrom said he plans to

name a design coordinator who will join the staff of sales professionals at the mall facility in December.

Santa Throughout The World

To millions of children all over the world who celebrate Christmas, no other symbol of the holiday fills them with such joy as Santa Claus. This legendary figure, who supposedly flies the world in his sleigh filled with toys and drops down the chimney delivering gifts to good girls and boys, is a favorite of children, no matter what country they live in. Santa Claus, a jolly, stout man with a twinkle in his eye, rosy-red cheeks and a cheerful laugh, is the American adaptation of the European legend of Saint Nicholas. He wears a bright red suit trimmed with white fur, a long red cap and shiny black boots. In England, he wears the very same outfit, but there he's called Father Christmas. In France, children refer to him as Père

Noël, which means Father Christmas. He wears a long red robe and white fur hat with wooden shoes. In Switzerland we see another variation on Santa. His name is Saint Nicholas, and he wears a long white robe and a tall pointed hat called a miter. There are numerous other counterparts of Santa Claus across the globe, including the German Kris Kringle, the Italian Befana, the Swedish Jultomten and Russia's Babouschka. Though he may look a bit different and be called many names, to children of all countries his message is the same. They peek out the windows and hope to catch a glimpse of this special man as he flies through the sky, delivering gifts for boys and girls to enjoy on Christmas Day.

Beads

hobby continued to grow, and she began attending bead conventions and shows. She realized there were thousands of people who shared the same passion for beads.

"One day, my husband told me I should make a business out of beads," she said. "So, I decided to open the store."

The Enterprise resident has always had a talent for art, which she shares with her sister and mother. She has a background in stained glass and mosaics, which helps her in jewelry design.

"It all goes together," she said. People who visit The Black Pearl, however, don't have to be expert jewelry makers to create their own pieces of wearable art. Rowland-Nason has numerous necklaces, earrings and bracelets on display so people can get ideas for their own creations.

Bead prices range from 10 cents to a few dollars, depending on the type. Along with glass beads from the Czech Republic and India, the store offers precious crystal beads in all shapes and sizes.

For people who want their own unique piece of jewelry but don't want to spend the time making it, Rowland-Nason will take orders using the types of beads and colors requested.

"Give me a color scheme and what you would like, and I'll make it," she said.

Next year, Rowland-Nason wants to offer various classes in jewelry making.

"I'm going to have a lot of different teachers come in and teach," she said. "I'm going to try to put a lot of mixture into the group."

Although The Black Pearl specializes in beads, it also offers an array of other artwork,

Carrie Rowland-Nason shows off some of the crystal beads available at her store, The Black Pearl, which is located in downtown Sanford.

including handmade tiles, quilts, candles and pillows, which are made by her sister.

As for beads, Rowland-Nason said she will continue to expand her inventory. If the store doesn't have something a customer wants, she'll try to get it.

The Black Pearl is located at

110 South Park Ave., in downtown Sanford. Hours are Tuesday through Friday from 10:30 a.m. to 6 p.m., Saturday from 10 a.m. to 5 p.m. and Sunday noon to 5 p.m. and closed on Monday.

For more information about the store, call Rowland-Nason at 407-302-5041.

A single story block home at 1414 West 19th Street in Sanford, burned Friday, Nov. 29. The Sanford Fire Department responded to the call at 12:55 p.m., and discovered the home ablaze. Tour

ving tour.

Another highlight of this year's tour is the wide variety of architectural styles.

"We really have a wide diversity in the style of homes," Shreve said. "We have bungalows, frame vernaculars, Colonial Revivals and a Victorian."

And while there will be plenty of finely finished homes on the tour, some will be in the middle of renovations. Shreve said. Tour visitors not only don't mind the works in progress, Shreve said they are often intrigued about the work being done.

"I was on the tour last year and was in the middle of a stripping project," Shreve said. "People had a lot of questions and wanted to know how they could do similar things to their homes."

The tour is a three-day event with two parts. Friday beginning at 6:30 p.m., visitors will

be able to experience "Sanford by Candlelight," a self-guided tour of five homes on Myrtle Avenue and the Student Museum.

The museum, located at the corner of Myrtle Avenue and 7th Street, will serve as the headquarters for the evening's events, where tickets can be purchased for \$25. Touhy Park, directly across from the museum will be lit with decorative lighting. Musicians, including Victorian Carollers, will perform in the park and antique cars will line the perimeter.

Myrtle Avenue will be closed to vehicular traffic and tour participants will have their way lit by luminaries lining the street.

The second part of the event is a 14-stop tour on Saturday and Sunday from noon to 5 p.m. Dubbed "Fourteen Ways to Relive History," will feature stops at 11 homes, one church at two porch stops, which will offer place to rest and enjoy

refreshments before continuing the tour. Local historian Charlie Carlson will alternate between the porch stops and regale visitors with stories from Sanford's past.

Park on Park, located between 8th and 9th streets on Park Avenue, will serve as tour headquarters Saturday and Sunday. Tickets the day of the event are \$15.

Featured on the tour is the Spanish style Holy Cross Episcopal church built in 1924. The interior reflects classic lines of churches during the 1920's including a hand carved altar; a true pipe organ and an original oil painting donated to the church by Gen. Henry Sanford, who lead the city into incorporation on Sept. 29, 1877.

Shreve noted that the tour not only draws visitors to the city, it can attract future residents. Three years ago Shreve was living in downtown Orlando when she visited the Sanford Historic Trust Holiday Tour of Homes.

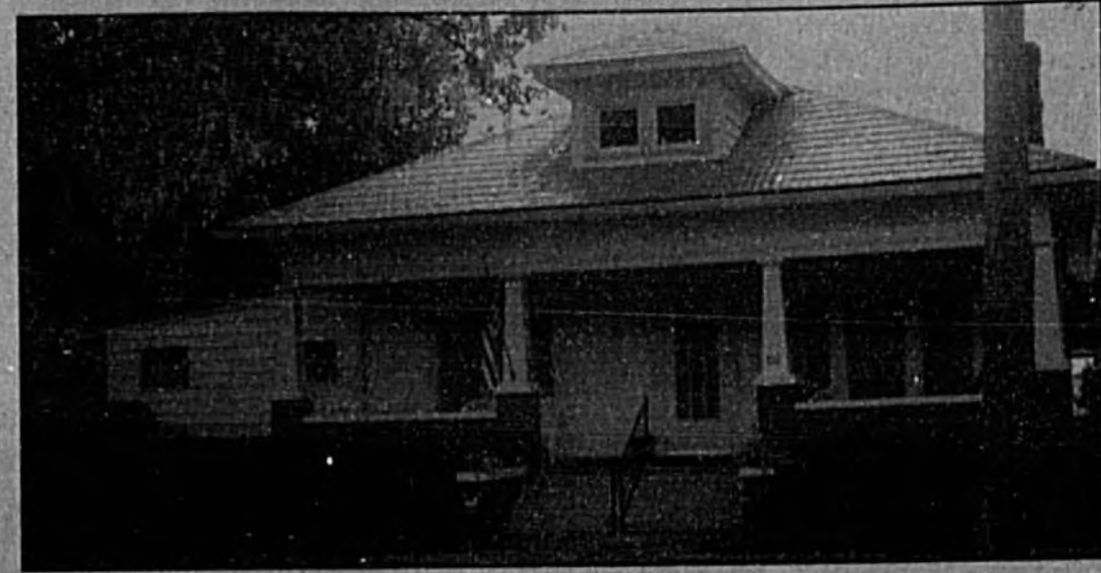

"Three months later I had bought a home in Sanford and had begun renovating it," Shreve said.

In addition to visitors, the tour also benefits the Sanford Historic District. All proceeds from both events will go toward decorative historic lighting fixtures to be placed throughout the District.

"The Trust made a commitment for the next five years to spend the money we raise on lighting," Kuhn said.

system money.

Lake Mary officials, however, believe the school will pose traffic and safety problems if it relocates to Technology Park. They also argue the school would be inconsistent with the surrounding industrial environment and that denying the land use change is appropriate under the city's comprehensive plan.

Last week, the School Board voted to move forward with the purchase contract for the Technology Park building. A decision was needed before it expired on Nov. 30. Several Board members also said litigation might follow Lake Mary's decision to deny the land use amendment.

Under the 1995 Interlocal Agreement, however, the School Board and Seminole County's seven municipalities are asked to participate in a mediation process before turning to the court system to settle a dispute. The three-step mediation process includes an executive settlement conference (ESC), mediation, and an elected officials settlement conference.

The ESC includes the chief administrators from both parties. If the dispute is not settled during the ESC, the involved parties select a mediator for the second phase of the process.

If an agreement is still not met, the parties then meet in an elected officials settlement conference, which includes all elected officials from both parties.

In Hagerty's request to Commission, he asked the city to waive the first two steps. The Board feels they are redundant, unless the city is prepared to reconsider its decision.

Nevertheless, Simmons said Commission shouldn't waive the first two steps in case a resolution can be found between the two parties.

"Mediation has a wonderful way of working," Simmons said.

According to the Interlocal Agreement, the ESC must be scheduled before Dec. 7, unless the two parties agree on an extension. The Commission and School Board must also select and agree upon a neutral facilitator for the meeting.

During Monday's meeting, Commission suggested three individuals to facilitate the meeting, including Orlando Mayor Glenda Hood, former U.S. Rep. Bill McCullom and former Seminole County Commissioner Sandra Glenn. If an agreement cannot be made on who will facilitate the conference, members of CALNO (the Council of Local Governments) will select one.

Thankful weekend

SCC women even season record with home sweep

By Craig Johnson
Herald Correspondent

SANFORD — This holiday weekend the Seminole Community College women's basketball team was thankful for one thing, to be at home.

After going 3-4 on a seven-game road trip to open the season and then dropping their home opener last week, the Raiders finally made the home court pay off, posting a pair of impressive victories over out of state opponents to even their record at 5-5.

SCC will be looking to get back over the .500 mark this evening (Wednesday) when it hosts Hillsborough Community College from Tampa at the SCC Health and Physical Education Center starting at 6 p.m. Admission is free.

The Raiders will be going for the season sweep against HCC, having beaten the Hawks, 63-52, in Tampa two weeks ago.

Friday night SCC hosted Skagit Valley College from the state of Washington.

The Raiders jumped out to an early lead when sophomore guard Ditte Jakobsen found Danielle Richardson down low for an easy lay up and Jakobsen then picked Holly Thornton's pocket and converted it into another easy basket and a 4-0 lead.

But this would be a night of cold shooting for both teams as points came few and far between until right before halftime, when SCC sophomore Lauren Boyd keyed a late rush by the Raiders with two straight layups as the hosts went to the lockerroom with a 36-24 halftime lead.

The second half started with SCC scoring on its first

Danielle Richardson (No. 44, above) and Kishoon McCollum (No. 42, left) dominated the inside as the Seminole Community College women's basketball team swept a pair of games from out of state squads over the weekend. Richardson, a 6-foot-3 sophomore from Orange Park, scored 10 in a 82-53 victory over Skagit Valley College from Washington and 18 points in an 89-51 blowout of Atlanta Metro Community College. McCollum, a 5-11 freshman from Fayetteville, North Carolina who has emerged as a star player in the early season, scored 18 points in the two wins, but controlled the paint with her rebounding and blocked shots as the Raiders evened their season record at 5-5. SCC will be at home tonight to host Hillsborough Community College starting at 6 p.m.

No road woes for Raiders

ST. PETERSBURG — The rest of the state can step up and take notice now.

The Seminole Community College men's basketball team answered another big question over the weekend, sweeping a pair of games in the St. Petersburg College Classic.

Despite opening the season 6-3, the Raiders, ranked No. 8 in last week's state poll, still had something to prove because they had not yet played, let alone won, on the road this season.

But led by the sophomore quartet of DeBracy, Daniel Jackson, Josh Houston and Kitus Witherspoon, SCC quickly dispelled any negative thoughts, roaring to a 39-31 halftime lead and then going on to easily handle IMG Basketball Academy from Bradenton, 90-69, on Friday.

Let anyone get the idea that the Panthers were a pushover, think again.

IMG is like Oak Hill Academy in Virginia, the top-ranked high school team in the country, in that it takes players who are trying to improve their grades, or game, to get into an NCAA Division I program, and includes players from Florida to California, including 6-foot-11 junior Jermaine Bell from Rochester, New York and 6-foot-7 Renaldo Balkman from Temple Terrace near Tampa.

Bracy scored 14 points and Jackson 13 points in the first half the Raiders built their first half lead.

SCC then went inside in the second half, despite IMG's size, with Witherspoon scoring 13 points and pulling down 12 rebounds Jackson scoring seven more points.

Bracy hit three three-pointers and finished with 20 points, nine rebounds and five steals and Witherspoon with 15

UCF defeats Ohio in final game

ORLANDO — Doug Gabriel tied a school-record with four touchdown catches to lead the UCF Golden Knights (7-5, 6-2) to a 42-32 win over the visiting Ohio Bobcats (4-8, 4-4) in Mid American Conference action at the Florida Citrus Bowl.

Gabriel, a senior, finished the game with seven catches for 179 yards and four scores. His counterpart, Ryan Schneider, finished the game 17-28 for 325 yards, four touchdowns and one interception. Running back Alex Haynes carried the ball 27 times for a game-high 151 yards and a touchdown.

Ohio got on the board first, after punting twice in the first quarter. UCF, which punted on its first possession, turned the ball over with an interception by Ryan Schneider. Ohio's Chip Cox picked off Schneider at the 40-yard line. The interception made today's outing Cox's second consecutive game with an interception and the Bobcats capitalized on the Golden Knight miscue. Ohio scored

five plays later when quarterback Fred Ray connected on a four-yard pass to Ray Husted. It was Ray's fifth touchdown pass on the year.

At the end of the first quarter, UCF was in its fourth offensive set and moved the ball down the field on five carries by Alex Haynes. The first play of the second quarter tied the game at seven, when Schneider hit Doug Gabriel with a 24-yard touchdown strike. The touchdown pass extended Schneider's streak of consecutive games with a touchdown pass to 21.

On Ohio's next drive, UCF's Stanford Rhule recovered his second fumble of the year and UCF regained control offensively at the 46-yard line. A 14-yard pass to Gabriel and a 5-yard run by Haynes set up a 35-yard touchdown pass from Schneider to Gabriel that put the Golden Knights up, 14-7. The touchdown loss allowed Schneider to break the school record for touchdown passes in a season with 29.

After the UCF touchdown, Ohio maintained possession for 5:10 and Kevin Kerr kicked a 36-

Houston, the shooting guard from Lyman, hit a pair of 'threes' and was also in double figures with 12 points.

Bell led the Panthers with 22 points and blocked an amazing 12 shots, while Darryl Murphy from Staatsburg, New York, added 11 points.

The Raiders then came out of

the lockerroom on fire on Saturday, jumping to 17-2 lead with Bracy, Houston and Witherspoon scoring five points each.

The host Trojans, the defending state champions, finally settled down and got as close as four points before SCC pushed the lead back to 11 points, 41-30, at intermission.

The Raiders looked like they might let the game slip away when they opened the second

half with three straight turnovers, allowing St. Pete to close to within four points again.

SCC rebounded and maintained the lead until the Trojans took the lead midway through the second half on an old-fashioned three-point play by 6-foot-8 freshman center John Haynesworth.

The game was nip-and-tuck the rest of the way with the Raiders being able to hang on

for a 67-66 victory despite turning the ball over twice and missing the front end of three one-and-one free throw opportunities.

Witherspoon finished with 19 points and 10 rebounds, while Bracy had 15 points and six rebounds and Jackson 10 points and nine rebounds.

Freshman center Terrell Morris also had a big game with six points and nine rebounds for SCC.

For the Trojans, who were ranked No. 9 in the state but fell to 5-5 with the loss, Carl Jenkins (18 points), Haynesworth (14) and Djerabe Mbaizeur (10) scored in double figures.

The victory raised the Raiders'

record to 8-3 and avenged an overtime loss to St. Pete earlier this season. SCC will continue a long road trip with a game against Polk Community College in Winter Haven tonight (12/4 at 7:30 p.m.) and then go to Cocoa to play Brevard Community College on Saturday at 7:30 p.m.

Running back Alex Haynes (No. 4) carried the ball 27 times for 151 yards and scored a touchdown as UCF closed out its regular season with a 43-32 victory over Ohio University Saturday at the Florida Citrus Bowl.

UCF

Continued from page 11A and field goal to bring the score to 14-10. On their next possession, the Bobcats chewed off 3:12 from the clock and Kerr connected on a 31-yard field goal to bring Ohio within a point at 14-13.

However, the Schneider to Gabriel touchdown pass combination was not finished for the first half. With 16 seconds left on the clock, Schneider hit Gabriel for the third time on a 34-yard bullet that put the Golden Knights up 21-13 at the half.

UCF started the second half with the ball but a sack by Eli Kiener on Ryan Schneider caused a fumble that Ohio's Andre Parker recovered for a touchdown in the end zone, making the score 21-20.

On UCF's next possession Schneider and Gabriel connected for a fourth time, putting the senior receiver into the UCF record books for touchdown catches in a game. Gabriel's fourth touchdown reception was a 50-yard catch and capped off a seven play, 75-yard drive that took 2:51. Gabriel tied Bernard Ford and David Rhodes, who hold the record of four touchdown receptions in a game. Ford had four against Northwest Missouri State in 1987 and Rhodes against Liberty in 1993. The score put UCF ahead, 28-20.

The Bobcats continued the high-scoring contest as quarterback Fred Ray scored a one-yard touchdown. Ohio attempted a two-point conversion to tie the game but was stopped short and the Golden Knights held a 28-26 advantage.

Schneider connected with Jimmy Fryzel on the next drive, moving the Golden Knights 58 yards and setting up the fifth touchdown of the game. A 3-yard carry by Haynes put the ball on the one-yard line and Schneider extended the ball past the line of the scrimmage on the next play, putting the Golden Knights up, 35-26.

Ohio marched down the field and reached the UCF 31-yard line. On a third-and-12, Ray attempted to hit Chad Brinker in the end zone but the ball went through his hands. With Ray shook up on the play, backup QB Dontrell Jackson entered the game and could not complete the fourth and 12 needed for a first down. UCF took over on downs and moved down the field. Freshman Matt Prater attempted a 46-yard field goal, but missed wide right.

UCF went up 42-26 when Alex Haynes, who eclipsed the 1,000 yard rushing mark for a season, scored on a 9-yard touchdown run. Haynes finished off the 84-yard drive that included 11 rushing plays.

Ohio added a late touchdown on the scoreboard after a six play, 80-yard drive that took 1:20 and was capped off by a two-yard Stafford Owens run. The two-point conversion failed leaving the final to read 42-32.

UCF WINS UNIVERSITY HOOPS CLASSIC
NEW ORLEANS — Marius Boyd's put-back with one second remaining lifted UCF to a 50-49 win over Indiana State University in the championship game of the University Hoops Classic at Fogelman Arena on the campus of Tulane University Sunday afternoon. UCF made its run to the championship by winning games on three consecutive days.

Boyd, who finished the game with four points, made his way through traffic in the lane getting in position to grab a rebound and bank the ball in following a miss by Roberto Morentin. Morentin made a move to the hoop putting up a shot with approximately three seconds remaining. Boyd was able to grab the carom and put the ball through the hoop as time expired.

ISU made a second-half run to cut into a 10-point UCF (4-1) lead. The Sycamores, behind con-

secutive three-point shots from David Moss and Marcus Howard, closed the gap to four at 40-36. After a lay-up by Dexter Lyons, ISU (2-2) answered back with its third consecutive 3-pointer, this time by Jake Sams to come within three at 42-39. The Sycamores then put together a 6-0 run to assume its first and largest lead of the game, 47-42, with 10:29 remaining.

The Knights continued to chip away as Josh Bodden scored his only bucket of the game to bridge the gap to three at 47-44. With 4:28 remaining Ray Abellard hit the equalizer from 30 feet as the time on the shot clock hit zero, knotting the game at 47 all.

Ed Dotson hit one of two free throws with just over two minutes remaining to give UCF a 48-47 lead. The lead was short lived as Sams answered back with a lay-up to give the lead back to ISU at 49-48.

UCF, which had fouls to give before sending ISU to the bonus, preserved time on the clock with quick fouls. When the Sycamores finally reached the bonus, the Knights sent Howard to the line. He missed the front end of a one-and-one with 11 seconds remaining to set up the Knights' final possession.

UCF started the game with a 9-0 run, until ISU put together six straight points to trail 9-6. The two teams were tied at 14 after Howard hit a three with 11:04 remaining in the first half. UCF went on a 7-0 run behind two free throws and a three from Lyons for a 21-14 lead. The Knights were able to extend their lead to 10 as they led 33-23 at the half.

UCF finished the game hitting 39 percent from the floor and 5-of-11 three-point shots. Abellard paced the Knights with 13 points, while Dotson and Boyd each pulled down eight boards. UCF also collected nine shots at the charity stripe.

The Sycamores were led by Moss with 14. Brian Giesen had seven rebounds. They shot 35 percent from the field and hit six treys, but only connected on 3-of-8 free throws.

Abellard was named to the all-tournament team as well as tournament MVP. He finished the tournament averaging 20.3 points a game, with 11 three's and also hit 14-of-15 from the line. UCF returns to action against Florida A & M on Saturday, Dec. 7 on the road in Tallahassee. Tip off is slated for 7:30.

UCF TO FACE FLORIDA IN THE NCAA VOLLEYBALL CHAMPIONSHIPS

The UCF volleyball team will play Florida in the opening round of the 2002 NCAA Volleyball Championships, as announced by the NCAA Selection Committee Sunday night. The Golden Knights will be making their sixth appearance in the NCAA Championships and the second straight under head coach Meg Colado.

The Golden Knights will face the fifth-seeded Gators Friday night at 7 p.m. in the Stephen C. O'Connell Center. The match will also mark the first time that Colado has coached versus her alma mater as well as her former collegiate coach. Colado was a four-year standout at Florida from 1992-95 under head coach Mary Wise.

"It will be very exciting for our players and a great experience for them to play at Florida," stated Colado. "With such a young team, its an excellent opportunity for our team to reach the NCAA Championships and play in one of the top venues in the country."

The Golden Knights (22-12) earned the automatic bid from the Atlantic Sun Conference after defeating Georgia State to clinch the conference crown.

In the opening match of the Gainesville regional, South Florida will face Florida State at 5 p.m.

Women

Continued from page 11A three possessions to take a 14-point advantage, 42-28, but the visiting Cougars would not go away.

Skagit Valley went on a run led by the floor play of Ashley Burlingame and Raiders fouls to bring the Cougars to within four points.

The Raiders did not score for over four minutes until Boyd found a wide open Natalie Emmanuelli with a beautiful pass for a layup.

Emmanuelli, a freshman from Lake Highland Prep, then buried a long three-pointer and the Skagit Valley rally was over.

The visitors were still in the game until Boyd hit two free throws with a minute to play to ice the victory, 62-53.

Freshman Rosanna Davis came off the bench to score eight of her game-high 12 points in the second half and also pulled down nine rebounds for SCC.

Emmanuelli and Richardson were also in double figures with 11 and 10 points respectively. Jakobsen added nine points and Boyd chipped in with eight points.

Saturday the Raiders played host to Atlanta Metro and probably played their best game of the season, rolling over the Panthers, 89-51.

Coach Lisa Nuxol's charges opened the game with a bang as Richardson poured in six points to give the hosts a 6-2 lead.

Atlanta Metro would cut the lead to 6-4, but with Richardson dominating the offensive glass and freshman Kishaon McCollum owning the defensive paint, SCC started to pull away.

The Raiders got fancy when Emmanuelli penetrated and hit Boyd on a no-look pass under the basket. Two possessions later Emmanuelli pulled another no-look pass out of her pocket, this time to a wide open Jakobsen who hit the layup and had a chance for a three-point play.

Jakobsen missed on the free throw but Davis was there to clean it up to cap a 22-2 run to give the hosts a 28-6 lead.

The SCC defense was also outstanding, holding the Panthers without a point for nearly five minutes.

The excellent first half performance ended on yet another

fastbreak no-look pass from Emmanuelli to Davis to put the Raiders up 44-13 at intermission.

SCC outscored Atlanta Metro 38-7 over the last 16 minutes of the first half.

The Panthers played much better in the second half, only being outscored 45-38, with Kim Battles scoring 13 of her team-high 16 points, but this one was all SCC.

With 3:17 to play, Emmanuelli scored the final of her 17 points on a beautiful layup and the Raiders appeared to have a golden opportunity to break the clock as they had 89 points on the board.

Richardson even returned to the game to try and get her 20th point, but SCC could get nothing to fall the rest of the game as the Panthers cut the margin from near 50 to 'only' 38 points at the final horn.

Richardson led all scorers with 18 points as all nine SCC players that dressed scored.

Davis joined Emmanuelli with 17 points, hitting 7-of-8 from the floor, while McCollum was also in double figures with 12 points.

Jakobsen and Boyd only totaled 11 points between them, but the sophomores both played beautiful floor games with Jakobsen handing out 12 assists and Boyd eight.
