The name selected is The DeBary Democratic Club. The following officers were elected: Edward Steiner, president; Kay Henninger, vice-president; Gustave King, secretary-treasurer.

The following are on the Board of Directors: David MacFarlane, Alice E. Elliott, Mildred Schmierer, Charles Youman, Joseph Gibbs and Aaron Dungan. Sergeants-at-arms: Fred Boneker and Charles Youman.

Members were reminded to file for Homestead Exemption by Apr. 1 and to register for the purpose of voting by Apr. 6.

On Mar. 25, all residents of DeBary who have not yet registered and who wish to do so, may meet at the Post Office at 10:00 a.m. Transportation to DeLand will be furnished at that time for those who wish to register.

All DeBaryites are invited to join the new group. Watch this column for news of future meetings.

It is with sorrow that we announce that Mr. and Mrs. George Skinner were summoned to Cleveland week ago last Saturday because of the illness of their daughter. On Mar. 19, Miss Georgianna Skinner died. She was a teacher in the schools of Cleveland, Ohio. At Christmas time she visited her parents here in DeBary and was apparently in the best of health.

Mr. and Mrs. George Skinner were offered our condolences and neighborly sympathy. It was a double party on Saturday when William Langbehn attained the age of 75 and he and Mrs. Langbehn celebrated their thirtieth wedding anniversary. Eighteen people attended the party and seven more surprised them with another party on Sunday evening.

Speaking of birthdays, Joe Brenner will have one on Tuesday.

Mr. and Mrs. Charles A. Manhardt were the guests of Mr. and Mrs. Ray E. Peck on Friday evening. They are spending a few weeks in DeBary.

The DeBary Civic Association held its regular business meeting on Friday evening at the Dickinson Memorial Library in Orange City. An American flag and the standard to hold it were presented to the association by Mr. and Mrs. Archie Rounds. There will be a card party called "Touring Florida", planned and run by Jules Voigt, on Mar. 28. All revenue will go to the building fund for the DeBary Civic Center. It was also announced that on Apr. 11, there will be a talent scout program. Have you discovered any talent that should be given an audition on that evening? If you know of anyone, consult Kay Henninger for an appointment with Axel Gaddy who will be glad to give them a hearing. Save the evening of Apr. 11 and join us for some fun.

On Thursday evening at 8:00 o'clock there will be a special meeting of the De Bary Democratic Club at the Joseph Christberger garage. The guest speaker will be the Hon. James Eweeney, state representative. Everybody is welcome.

Jack Grant Named Editor Of Florida Wildlife Magazine

LEESBURG (Special)—Ben L. McLaughlin, director of the Game and Fresh Water Fish Commission in Tallahassee today announced that Jack Grant, publisher of the Wildlife magazine of

Jack Grant

er of the Perry publications in Lake county and a former resident of Sanford, has been given a contract as managing editor of Florida Wildlife magazine of the Fish Commission.

Grant will assume his new duties on or about Apr. 15, remaining in his present position until that time.

Married to a Sanford girl, the former Miss Mary Wathen, Grant has four children, Don 8, Randy 4, Carol 2, and Steven 3 months.

He was winner of the Jaycee award as Leesburg's outstanding citizen for 1951, and is a member of the Kiwanis Club, Elks Club, vice-president of the Junior Chamber of Commerce, and is a member of St. Paul's Catholic Church.

Grant is a member of the Florida Press Association, the Florida Public Relations Association, and the National Editorial Association.

the St. Patrick's Night Supper and Bazaar held in St. Peter's Parish Hall in DeLand.

The Post Office has acquired a new flag which looks very fine flying from the corner of the building. Inside the building there is a brand new bulletin board which will carry the news of the Association. Get the habit of looking for the news.

Mrs. Joseph Meyer had a birthday on Friday. Her husband and son took her on a three day trip to Tampa and St. Petersburg in celebration.

Cap't. E. N. Groves left on Monday for New York where he will board his ship for another six week trip. We know he is going to miss the fishing he has been enjoying here during his two month sojourn.

Mr. and Mrs. Joseph Udoljack and Frank Udoljack of New Jersey spent last week-end visiting Mr. and Mrs. William Stripp. They stopped on their way home from Miami and left Monday morning.

Mr. and Mrs. Nicholas Borrelli entertained Frank Young of Norfolk, Va., Mr. and Mrs. James P. Young, Mr. and Mrs. Edward Simpson and Henry Nickel of Sanford at Canasta recently.

Mr. and Mrs. Charles A. Manhardt of Buffalo, N. Y., spent a week here in De Bary before going on a trip to other parts of Florida.

While passing through De Bary on a tour of Florida, Mr. and Mrs. Howard Allen and Dr. Ruster, N. Y. called on Mr. and Mrs. John W. Rice. The Warrens are related by marriage to Mrs. Rice's brother.

The Entertainment Committee of the Property Owner's Association of Plantation Estates sponsored an outing on Mar. 15 to Sanlando Springs. The weather was perfect and the large group of about ninety who were there, enjoyed the picnic and the swimming.

Mr. and Mrs. William Kedney of Hastings-on-Hudson, Westchester, stopped to visit Mr. and Mrs. Robert Brown for a few days. The Browns also have with them their daughter Mrs. C. H. McGill and her two children of West Haven, Conn. who will probably be here a couple of months. Mrs. McGill's husband is on a Government assignment to Labrador.

Busy Day will be the last Sunday in May. The new committee has started planning. The Chairman this year is Jo Peck; Chairman of Boosters Committee is Joe Gibbs; Chairman of Entertainment Committee, Jim Scott; Chairman of Refreshment Committee, Gus King; Chairman of Games Committee, Fog Nolte; Committee on Arrangements, Bill Pece and Joe Brenner. The committee that arranged for De Bary Day last year, spent for the same wholehearted cooperation they received.

American Fire And Casuaty To Observe Birthday

ORLANDO, (FNS)—Like the man they laughed at when he sat down to the piano but applauded when they heard him play, Walter L. Hays, president of the American Fire and Casualty Company of Orlando, entered the insurance business in Florida during the height of the depression, facing obstacles and handicaps that a man of lesser stature would never dared tackle.

On Monday, March 24, 1953, the American Fire and Casualty Company will celebrate its 25th anniversary.

The amazing story of this institution's growth and development from a tiny, struggling infant to a great and successful organization with assets of over four million dollars, serving the entire South, is almost unbelievable.

The company began operations in 1927 under the name of the American Automobile Underwriters Association as a reciprocal company, assuming the name of the American Fire and Casualty Company in 1933 when it took its place among the old line stock companies.

The organization has a lot of rugged experience behind it. This experience may be described as a blend of expediency, vigilance and sheer pioneering. The first two elements it shares with the insurance business as a whole, in more or less normal ratio; the

third, pioneering, puts it in more exclusive company among institutions that have secured whatever place they have in the sun. Pioneering includes the qualities of courage and optimism, a willingness to entrust fortunes to the balance and a desire to defend them whatever the odds.

The very name "American" is singularly fitting, for as an institution it stands today as a monument to the courage, faith and enterprise so typical of the "American Way."

It is fitting that the American Fire and Casualty Company should pause briefly in its progress to celebrate its first 25 years of achievement. It has earned this place, which it holds, as a leader in the insurance world.

Stockholders and directors will hold a meeting in the offices of the company, American Building, Orlando, during the day and a reception and open house will be staged that evening, Monday, March 24, 1953 at 7:00 p.m. The public is invited to attend these ceremonies and many state and local dignitaries are expected to participate.

The term "leatherneck" for U. S. Marines dates from the time that its men wore leather collars for protection when storming enemy ships.

Perjury Case Threatened In Tax Hearing

New York Attorney, William Maloney, Is Grilled Over Deals With H. Grunewald

WASHINGTON (AP)—House tax investigators today raised a threat of perjury charges against William Power Maloney, New York attorney, after a stormy session of questioning about his relations with Henry (Tab) Duthman, a convicted Sen. Styles bridge (R-N. H.) and a multi-million dollar tax case.

Dismissing Maloney from the witness chair, members of the House ways and means subcommittee voted to send a transcript of his testimony to the Justice Department for consideration of whether a charge of perjury—lying when under oath—was justified.

Maloney is a former special assistant to the attorney general. He left the government post in 1946 and has since been in private practice. At the present tax scandal hearings he has been acting as counsel for Grunewald.

In the committee hearing, Rep. Kean (R-N. J.) accused Maloney of making perjurious statements at a closed meeting of the committee. He said he referred to Maloney's denials that he ever borrowed any money from Grunewald.

In public testimony, Maloney said he had been a friend of Grunewald, mysterious figure in Washington officialdom, for many years. He said, however, that he had "absolutely no recollection" of ever receiving \$100,000 in loans from Grunewald between 1944 and 1948.

The committee produced a letter, addressed to Grunewald's tax adviser, constant agent, signed by Maloney, which said that \$50,000 of Grunewald's 1948 income represented repayment of a loan to Maloney.

Maloney also made a "recognition" of representing Grunewald while he (Maloney) was in the Justice Department.

The committee then produced a letter, addressed to Grunewald's tax adviser, constant agent, signed by Maloney, which said that \$50,000 of Grunewald's 1948 income represented repayment of a loan to Maloney.

Dan McCarty Brings Drive For Governor To Sanford Tomorrow

Dan McCarty, candidate for governor, will bring his campaign into Sanford and Seminole County tomorrow night when he will deliver a speech at the corner of First Street and Magnolia Avenue at 8:00 p. m.

McCarty will be introduced by General J. C. Hutchison, president of the J. C. Hutchison produce company. Hutchison is the vice-chairman of the Seminole County Dan McCarty Club.

Gen. Hutchison openly declared at an organizational meeting last night, "I was for McCarty in 1948 and his campaign manager in Seminole County. McCarty has done nothing to make me change my mind since then so I am still for Dan McCarty for the governor of Florida in this race."

Pointing out his reasons for supporting McCarty, Gen. Hutchison stated, "I first became associated with him when he was on General Patches' staff during World War II. McCarty was a colonel at the time. He did an outstanding job then. His record in both the business and legislative field during civilian life is just as outstanding. I sincerely feel he is the best qualified man in the race to be our next governor."

Proceeding the McCarty rally in Sanford, the Port Perry committee, who lost to Governor Fuller Warren in the run-off primary in 1948, will speak briefly at the Dan McCarty Democratic Club at Christenberger Manor at 6:30 p. m.

The "Dan McCarty for Governor" Club in Seminole County was organized last night at the City Hall, by what Mr. Sauls termed, "an enthusiastic crowd of over 30 Seminole County men, women."

At least 20 different people rose to express their faith in Mr. McCarty's honesty, integrity and general qualifications for governor.

At the meeting Mr. Sauls was elected chairman of the club and Gen. Hutchison vice-chairman. Hutchison was chairman of the McCarty club in Seminole County in 1948.

Brotherhood of Locomotive Firemen and Engineers, Rudy L. Sloane, was elected vice-chairman in charge of labor.

H. Wright received the recording secretary's post of the club while Robert Blihmmer was named his assistant. Mrs. Fred Ginas was appointed to manage the office. McCarty Club headquarters is in the Gates Building on West First Street west was officially opened today.

TALLAHASSEE (AP)—Dan McCarty carried his campaign for governor into Northeast Florida today after having the tie at Briley Oubam charge that apparently was based on an oversight by a clerk in the secretary of state's office.

McCarty had campaign speeches scheduled at Moultrie, Greenville, Madison, Jasper, Live Oak, Lake City, Marianna, Baldwin and Jacksonville.

In an address here Thursday night he labeled a "willful and malicious falsehood" statements made by Oubam at Miami Tuesday that two 1941 veto messages were missing from the files of the secretary of state and "those vetoes are skeletons, which would be more embarrassing to McCarty."

Senate Action Is Expected On African Bases

Pentagon Is Warned Only Total House-Cleaning Can Stop Congressional Plan

WASHINGTON (AP)—Sen. Lyndon B. Johnson (D-Texas) today altered his preparatory subcommittee for a possible hurry-up meeting with top Pentagon officials to back up congressional demands that the huge "North Africa airbase program be halted pending a thorough housecleaning."

Johnson was reported in communication with Air Force officials, assuring them he was not "foolish" when he took a "hurry-up" meeting with top Pentagon officials to back up congressional demands that the huge "North Africa airbase program be halted pending a thorough housecleaning."

Defense Secretary Reveals Chinese Are Getting Ready To Battle French

WASHINGTON (AP)—Secretary of Defense Lovett said today the U. S. has seen evidence that Chinese forces have crossed the borders of Indochina to join Communist-led natives fighting the French.

It is "always possible," Lovett said, that the Chinese are preparing to enter the Korean War. He said that the development could lead to the same type of Chinese buildup that preceded their entry into the Korean War.

Acid Budget Test Is Expected On VA Cut

Slash Of Over \$242 Million In Veterans' Funds Asked By House Committee

WASHINGTON (AP)—A budget cutting drive in the House faced its acid test today on a recommended cut of \$242,640,370 in the Veterans Administration's funds.

That's the amount the House Appropriations Committee said should be trimmed from the \$4,064,675,500 President Truman requested for the VA for the year starting July 1.

Friends of the VA claim the cut would have a disastrous effect. Rep. Thomas (D-Tex.), chairman of the subcommittee that wrote the bill, says it wouldn't.

Efforts to restore all or part of the committee reduction will be made today when the House resumes consideration of a \$6,271,138,318 bill financing the VA and a score of other federal agencies.

It chopped the bill substantially Thursday, cutting the public housing program to 3,000 new units and refusing to restore any of the \$74 million dollar committee slash in the Atomic Energy Commission budget.

But funds for veterans pose a political problem to House members in an election year in which 43 states are at stake.

Members seeking restoration of part of the VA cut claim to have a letter from Carl Gray, VA administrator, saying the committee action would mean a reduction of 8,000 personnel, including about 6,000 in the department of medicine and surgery.

Unless more money is provided, they say, the VA will have to close some of its hospitals or delay the opening of new ones, besides almost every state.

Not an essential activity directly affecting a veteran will be affected by our reduction," Thomas told newsmen. "None of the actual benefits have been reduced. We were aiming at the excessive overhead."

Established in June, 1951, to meet the growing need for officers within the Navy's expanding fleet, the Officer Candidate School is currently graduating more new officers annually than the Naval Academy and all the other NROTC's combined. And it's still expanding. The present enrollment of 1950 will swell to 2100 by October of this year.

Among members of the recent class, 28 degrees were represented. New sea were going to the University of California with 20 alumni, followed by the University of California with 17, Boston College, 16, Dartmouth, 16, Emory, 15, and Princeton, 15.

The most frequent degree was commerce, held by 51 graduates. Next was English with 31, business administration, 27, and history, 25.

Forty-one of the 14 later and officer candidates in the recent class, New York leading with 20, followed by Texas, Pennsylvania, Massachusetts, California and New Jersey, 15.

The four month course is designed to produce graduates capable of filling billets in many of the departments aboard combat ships, including training in all the major areas of shipboard duty: gunnery, engineering, navigation, damage control and communications. In sixteen weeks at the Newport school, the new officers report they have received a broad and varied education. They are now every other month to some 200 candidates for the Supply Corps, Civil Engineer Corps, and various specialist branches. These graduates, after completing the 1028 course, undergo further training in their specialties.

Officer candidates, all of whom must be college graduates meeting right physical, mental and moral requirements, must be between the ages of 19 and 27. Candidates for specialist commissions, however, may be 32.

Lt. Nicholson Is Transferred From Sanford Navy Base

Lt. Oscar F. Nicholson, present public works officer at the Auxiliary Air Station here, has received orders to proceed to Washington, D. C. for service in the Bureau of Ordnance.

Lt. Nicholson was the first naval man at the station, reporting to NAAS on Feb. 16, 1951 as resident officer in charge of construction.

When Lt. Nicholson arrived in Sanford the Air Station was completely operated by civilian personnel and he found that, in order to produce the station for its actual reactivation in May, every building had to be altered. Although the entire rehabilitation is not quite finished, the hardest part of the job has been completed.

Lt. Nicholson graduated from the U. S. Naval Academy at Annapolis in 1943 and received his postgraduate degree in Civil Engineering from Kansasian Polytechnic Institute in New York.

During World War II, he spent two years aboard the destroyer USS Lamson (DD-388) and was stationed at Pearl Harbor for 18 months. Before coming to Sanford, he served in the Public Works Department at the Naval Air Station, Jacksonville, for two years.

He began duties as Public Works Officer of NAAS after the official recommissioning services here on May 1, 1951 and now has over 100 civilians working for him along with 4 officers and 14 enlisted men.

The new Public Works Office at the Sanford station will be headed by Lt. Nicholson, who will be in charge of the station's reconstruction and maintenance.

Lt. Nicholson is married and has a one year old daughter, Dawn. His wife is originally from Lake City.

It is not sure he will be in Sanford for long, but he is looking forward to the station's reconstruction and maintenance.

Revision Of State Government Seen As Big '53 Issue

Three leading candidates for governor have plans for revision in varying degrees, and the Legislature's own reference bureau and fact-finding council is quietly working on the problem.

Dan McCarty released Thursday a platform pledging "modernization of Florida's governmental system will be a major objective of my administration."

He expanded a little on the point in a speech Thursday night, and suggested it might be best to take a crack at it before the year is over from the State Cabinet.

He also proposed consolidation of state tax-collecting services, placing the state auditor under the legislature instead of the governor, and "supervising" purchasing of supplies.

Alto Adams, who announced his platform earlier, proposed a much broader revision of the state's administrative setup, with more appointive and supervisory power for the Cabinet.

Brady Oubam, who also released his platform earlier, has proposed several consolidations and revisions.

McCarty pledged in his platform to do everything within the governor's power, if he is elected, to avoid increasing the tax burden.

Other plans in his 65-point program included promising to prevent "payroll padding and gray train riding, political party favoritism and other forms of waste and extravagance."

Navy Veteran Is Constable Candidate

Charles L. Bridges, a candidate for justice of the peace in District No. 4, is a veteran of World War II and served in the Navy for three years. He was stationed at the Sanford Naval Air Station, coming here in 1948 and served as a chief petty officer, second class.

He is a member of the Sanford Home Demonstration group and the Future Farmer Veterans-on-the-Farm and Boy Scout organizations, another for the livestock show, the first of its kind here, and a 60 by 100 foot tent for commercial exhibits, the largest ever used here, for such displays.

An outstanding display of canned goods, jellies, baked foods and handicrafts on which women of Home Demonstration groups throughout the county have been working for months, will be shown under the direction of Miss Lila Woodard, county home demonstration agent.

Freil's Broadway Shows will have the midway set up which includes many new rides for the kiddies. Schools will be closed Friday afternoon in order that they may attend the fair and take advantage of reduced prices for rides from 1:00 to 6:00 p. m. Saturday afternoon also the ride rates will be lowered for the kiddies.

Kenneth M. Leffler, left, and Francis Lorne Wilson, right, are among the 620 men who were commissioned today as ensigns in the Naval Reserve at the Navy's officer candidate school at Newport, R. I.

Red Negotiators Softer Attitude On POW Exchange

Reds Seen Wanting Compromise But Not Ready To Admit It

MUNSAN, Korea (AP)—Communist truce negotiators indicated today they may be ready to compromise on the deadlocked issue of exchanging prisoners of war.

The Reds submitted a formal 10-point plan for trading prisoners. It made no mention of voluntary repatriation, the only important issue blocking agreement.

There is "a solely nothing new in the Communist proposal," said Brig. Gen. William P. Suckow, U. S. spokesman.

On the surface, he said, it does nothing to break the deadlock over whether prisoners should have the right to choose whether they are to be repatriated.

However, other observers interpreted what the Communist proposal did not say as significant. They said the Reds may want to compromise, but are not ready to say how.

The Reds suggested that negotiations proceed on the basis of prisoner rosters exchanged five to 10 days after the Communist plan is accepted. Under the Communist plan the U. S. Command would return 312,172, and the Communists 11,559.

Neither side suggested secret talks to speed agreement. The U. S. Command indicated Thursday it would agree to all of the recent negotiations if the Reds wanted to abandon daily progress reports, working on truce supervision and changed maps of 10 ports of entry through which troops and supplies will move into Korea during an armistice.

The Communist maps failed to show exact areas in which neutral inspection teams would be allowed to operate. But the Reds promised to ink in the necessary details overnight.

An Allied staff officer said he expects "no trouble" in reaching agreement on areas to be inspected. He indicated final details may be worked out Saturday.

A compromise on prisoner exchange could pave the way to speedy agreement on an armistice. Aside from the issue of voluntary repatriation, only two major problems remain unsolved. They are Communist nomination of Soviet

Small Fire Damages Negro Housing Project

A reported palm tree fire call for the City's Firemen ended in a small house fire causing an estimated \$450 damage in the new William Clark Court Negro housing subdivision last Wednesday afternoon, Fire Chief M. N. Cleveland reported today.

Firemen went to Tenth Street and Mulberry Avenue at 4:10 p. m. to extinguish a flaming palm tree near the colored housing project and while they were working on the tree a blaze broke out among a nearby pile of bags that were laying against one of the new housing units.

Before the firemen could subdue the fire, window frames and the overhanging eaves of the roof were burned, and the attic and ceilings scorched, Chief Cleveland said.

The estimated damage at about \$450. Yesterday two grass fires were put out, one directly to the east of the Memorial Stadium at Mallory Avenue and the other in the Highland Park area.

Seminole Blues Play First Game Sunday Against Missions

Local Club To Use Tryouts In First Game Test During Spring Training

By KENT CHETLAIN

Commencing a baseball training camp, "Baseball Day" and an "Operation Bright Lights" the Seminole Blues of 1952 will play their first game, an exhibition tilt, with the San Antonio Missions in the new Memorial Stadium at 2:00 p.m. Sunday afternoon.

The new locally owned and operated Blues will be led by the ex-major league third baseman, playing-manager Chuck Aleno. The game will inaugurate a new chapter in the Sanford baseball history.

The game itself will be only a preview of what the Blues will have for the local fans during the 1952 season. The 1952 season begins on April 15, with general manager John Krider put in. "We are not going out Sunday with the idea that we can win against a double A club," Krider pointed out that some players who are now on the roster may not be there at the beginning of the 1952 season, since Miami Beach and St. Petersburg has many players slated to come here to play.

As for the game Sunday, Aleno said he would start Nathan Habes in centerfield, as his lead-off man. In the second batting slot John Imbra the hard hitting shortstop, will be used. Last year's league leader in walks Joe Patisse will go at first for the Blues. Aleno will see action as the clean up hitter playing third base.

The manager of the Blues said he would use Gene Powell, a Birmingham catcher-outfielder, as a Birmingham recruit. Dickenson in the garden in right. Zack Taylor's highly recommended receiver, Bernie Carr, will get the call behind the plate with Horace Burns, a Mountain States league transfer player, starting at second.

Sanford's Lloyd Swain is slated to start on the hill for the Seminoles with two Brownie farm hands, who may be signed by the Blues, scheduled for three-inning sprints on the rubber. The two Brownie flingers are Mulholland and Loomis.

Krider didn't report any further signing of players today. However, he stated that next week he expected a last minute

Marty Marion May Be Key Factor In Brownies' Drive For Pennant

By ED CORRIGAN

Associated Press Sports Writer

Marty Marion, deposed manager of the St. Louis Cardinals and current shortstop of the St. Louis Browns, could be a big help to Rogers Hornsby's gang of young stars.

Not that any one is taking the Browns seriously this year. But with a fellow like Marion around to direct the infield and pitchers like Ned Garver, Bob Cain, Tom Byrne and Gene Beardon, they could finish out of the American League cellar.

Marion, though, is the key man. He didn't play a game last year, but he thinks he'll be able to go about 100 this time if his injured leg holds up.

Marion went two for three in Thursday's game which the National League Champion New York Giants won, 4-3, in 10 innings. Tommie Gilbert was the star for the Giants; he hit a double in the 10th and finally scored on a fly, after taking third on a single.

The Browns' neighbors, the St. Louis Cardinals played their fifth extra-inning game of the spring, bowing to the New York Yankees, 5-2, in 16 innings. The Red Birds now have played 11, 12, 13, 14 and 15-inning contests.

The big news of the day was that the Browns' southpaw, who went all the way against the Cincinnati Reds and shut them out, 4-0.

Andy Patko made things easy for Van Cuyk by crashing a home run with one on in the second.

The Dodgers' "B" squad dropped a 4-3 decision to Mobile of the Southern Association. The farmhands borrowed the Browns' Regular Carl Erskine for the mound chores.

The Boston Red Sox let loose with a burst of their famous power to down the Washington Senators, 14-5.

Russ Meyer went six innings and faced only 19 batters as the Philadelphia Phillies nipped the Detroit Tigers, 2-0, and the Chicago Cubs ousted the Chicago White Sox, 7-1. The Philadelphia 8's and the Boston Braves each won a game at the expense of American Association teams. The Mackmen stopped Minneapolis, 4-3, in 10 innings and the Braves polished off Milwaukee, 14-12, on six runs in the eighth.

The Cleveland Indians defeated the Pittsburgh Pirates, 2-0, in a night game, with Bob Lemon and Mike Garcia holding the losers to two hits—both singles by Rookie Clem Koroshek.

flurry of signatures and players in camp. The Blues have actually seven players officially listed on their roster, though nearly a dozen more tryouts from various farm chains have been working out with Aleno's squad.

The Missions may start an entire rookie line up against the Blues Sunday in an effort to equalize the game. Manager Jo Jo White has volunteered to lend pitcher to players to the Blues, should the need arise.

Local baseball officials expect the game will draw more fans than have ever witnessed a game since the Stadium was opened early this month.

Missions To Play In DeLand Against Colonels Saturday

Chattanooga Defeats Padres 13-10 To End San Antonio 4-Tilt Win Skein

The San Antonio Missions will hit the road for the first time tomorrow when they journey to DeLand to play Louisville Colonels at 2:00 p.m. The Padres tangled with the Colonels here this afternoon at 2:00 p.m.

Amid a barrage of 33 hits by both clubs, the Missions lost their first exhibition game in six hits, this far, as the Chattanooga Lookouts won their fourth straight contest, 13-10 in the new Memorial Stadium yesterday.

Jo Jo White's Texas League favorites for 1952 outbit the visitors 17 to 16 but 11 bases on balls by Padre flingers Jack Bruner and Don Robertson proved to be Missions' downfall.

The Lookouts capitalized on the tiring Robertson in the eighth inning as they erupted for seven runs on five hits, one a three-run home run by center-fielder Dick Sinovic. The visitors first sacker, Jack Jones, a San Antonio product, lifted a towering drive over the right field barrier in the second frame for a four master with none on.

Three Padre homers made a total of five for the entire game, a record in the young Memorial Stadium. Steve Molinari and Juan Perez each hit one-run circuit drives while Jim Burns connected for a three-marker in the big five-run fifth inning.

Paid attendance for the first five Mission hits reached 262. Manager Jo Jo White has not announced his starting pitchers for tomorrow's game in DeLand against Louisville.

The early training sensational hitting rookie, Russ Rosburg, reports he is still aggravated by a wrenched back. Manager White hinted he would use an all-rookie line-up against the Seminoles Blues on Sunday afternoon.

White said he would lend the Blues a pitcher or two if Manager Chuck Aleno wanted mound help. St. Louis farm director Jim McLaughlin announced that he had sent the Blues three hurlers on a look-see basis from the Browns' Thomasville tryout camp. Yesterday's game

PLAY RESUMED
 SEBRING (AP)—Play resumed today in the National Senior Amateur Match Play Golf Tournament after a day of rest for the 50-year old golfers.

Thomas Robbins, Larchmont, N. Y., plays John E. McChesney, Washington, in the feature match of the quarter-final round. Robbins, 1951 champion of the U. S. Senior Golf Association, took over the favorite's role with a decisive 4 and 3 defeat of the defending match play champion, M. E. Stephens, Sebring, Wednesday.

Other matches pit Allen Rankin, Columbus, Ohio, a two-time winner here, against R. Scribner, Wash. N. Y.; Eugene Pittman, Washington, against Harvey R. Olson, Detroit; and Paul Hyde, Buffalo, N. Y., against R. A. Holden, Winter Park.

WINTER GOLF — Clearwater had three players in the top five for the final day of the South Florida Conference Golf Championship here today.

In Thursday's 18-hole round Loye Ebberts, Clearwater, tied Nick Turner, Manatee, for the lead at 77. Behind them came Dave Smith, Clearwater, and Tommy Higgins, Tarpon Springs, each with 80.

Next in line was Clearwater's Neil Alexander, who shot 82.

Other leaders included Joe Schroeder, Winter Haven, 85; B. J. Shoemaker, Sarasota, 85; Ted Nicholas, Tarpon Springs, 87; Ted Berriman, Jesuit of Tampa, 89; and Phil Young, Sarasota, 90.

FSC LOSERS
 LAKELAND (AP)—Boston University beat Florida Southern College by a scant three feet in a crew race here Thursday. Boston covered the nine-tenths of a mile of Lake Hollingsworth in 4:34.2. It was the second victory over Florida competition for the Northerners, who defeated Tampa Wednesday.

The city of Gollingswood, N. J., has erected a monument to the late "Betsy" Irving, former University of New Hampshire and who coached there for more than 20 years.

Training Camp Notes

By Associated Press

TAMPA (AP)—Gil Hodges, the home run slugging first baseman of the Brooklyn Dodgers, is going to find himself catching sometime this week. Manager Charlie Dressen said today. Hodges came up to the Brooks as a catcher, but has been on first base since 1948. Since the Dodgers will carry only two catchers, Roy Campanella and Al Walker, Dressen wants to have insurance in case of injuries.

ST. PETERSBURG — Phil Rizzuto, New York Yankees' shortstop, who now is known as Little Ty, since Ty Cobb called him one of the great ball players of all time, is worried about his weight. "I'd like to go on an Italian diet with plenty of spaghetti to gain some weight," Phil said today. "But I can't get the right ingredients. I haven't played much, and has taken a minimum of exercise, but his weight still is on the downgrade."

LAKELAND — The Detroit Tigers' experiment putting Right-fielder Vic Wertz at first looks more serious every day.

Observers here are figuring Wertz is a near sure bet to be job and Vic himself thinks he will prefer it to his old position. He goes back on the first base sack today against the New York Yankees after a 2-game rest from the pressure of learning the new job.

ST. PETERSBURG — Eddie Stanky, the St. Louis Cardinals manager, may know his plans for the infield this season, but he still keeps a guessing game going.

Stanky has played only one game at second so far and won't try it again until a stubborn cold leaves him.

Mick Schoendienst, who had a brief try at shortstop, holds down second along with Earl Weaver. Solly Hemus is back at shortstop. Red will probably shift toward first if Stanky holds to his announcement that Schoendienst will be in the infield. Schoendienst hasn't been tried at third where Billy Johnson has been routing.

WEST PALM BEACH — Venezuela's Connie Mack is being honored today at West Palm Beach changes the name of its municipal ball park from Wright Field to Connie Mack Field.

Mayor H. V. McLaughlin presided at a luncheon at the Philadelphia Athletic and Boston Red Sox meet.

Mack was also honored Thursday when Melbourne had a Connie Mack Day. The A. A. Club had a 4-3 victory over the Minnesota Millers of the American Association in 10 innings.

According to a leading authority, "each dollar you invest today in HOME MODERNIZING will increase the value of your property three times this amount." No better investment than this... anywhere.

Modernize — At Low Cost

It's easy to budget the cost of home repairs, improvements and additions on the **UNITED LUMBER CO.** budget plan. You can budget both labor and materials.

Read About Attractive features of the **UNITED LUMBER CO.** plan.

1. You repay later, in monthly payments, for the cost of both labor and materials for home repairs and improvements.
2. You can budget up to \$2500.00. This amount can be spent totally for materials, if you do the work yourself — or may be used to cover both materials and hired labor. In case of hired labor, you may select your own workmen as United will assist you.
3. You have up to 3 years to repay.
4. You pay only \$30 per year for carrying charges. There are no hidden fees, charges, or costs.
5. You get an additional information booklet by calling the United Lumber Co. Central Department and a representative will call at your home.

Check this chart, it gives you simple, definite amounts and your monthly payments.

If your job costs: \$2500.00, \$5000.00, \$10000.00

36 Monthly Payments are: \$130.00, \$260.00, \$520.00

Humphrey Bogart Wins Oscar For "African Queen"

By JAMES BACON

HOLLYWOOD — A sentimental and happy Hollywood rejoiced today with Oscar winner Humphrey Bogart, the people's choice, but the town was still muddled over "American in Paris" copping the best picture award.

Of the top three awards, Vivien Leigh was the only favorite to come through. Her performance as the tarnished Southern belle in "A Streetcar Named Desire" won her the best actress award. It was her second victory. Her first was as Scarlett O'Hara in 1939.

"It was a sentimental year and Bogie summed it up best himself: 'I have been around a long time. Maybe the people like me.'

Bogie's performance in the unshaven boatkipper in "The African Queen" was the popular choice. It brought down the house—a fancy ermine and white-tied couple of the Montreal elite.

Karl Malden, the disillusioned lover of "Streetcar," won the award for the best supporting actor and Kim Hunter, the wife in "Streetcar," won the best supporting actress plum. They were favorites.

The biggest upset of the night, if not in years, was the victory for "American in Paris." It was the first out and out musical ever to win the grand prize. Most experts figured it last in their selections. A good musical, it was not classed in the same breath with "Streetcar" and "A Place in the Sun." But it won, nevertheless, to open-mouthed applause.

The musical also won Oscars in these categories:

Costume design, art direction, set decoration, cinematography (all these in color films), musical scoring, story and screenplay.

In addition to these, Gene Kelly, the picture's star, won an honorary award for his "brilliant achievements in the art of choreography on film."

Bogart's win was partly due to sentiment and partly due to old-fashioned campaigning. While favored Marlon Brando favored around Europe, Bogie put on a whirlwind campaign. He hired a national press agent and sold the 1,700 Academy members on Bogart.

The 31-year-old Bogart once called Academy awards "filly" but not this one. He said he was going to take it home and put it on a table. However, he added, "I still hold to my original thinking—that it's not a matter of the best actor, it's who gets the best part."

Miss Leigh, appearing in "A Streetcar Named Desire" with her husband, Sir Laurence Olivier, was not present. Greer Garson accepted in her behalf.

Miss Leigh heard her selection by portable radio in her dressing room in New York. She lifted her face to her husband and commanded: "Give me a nice big hug." Olivier did, with a kiss.

"I'm thrilled," she said, "and I'm honored." It was just as thrilling, she added, as her first Oscar.

SPRING RIOTS
ANN ARBOR, Mich. — Spring came bustin' out all over the usually staid University of Michigan campus Thursday night.

It took a near-riotous fury. Bands of youths raided women's dormitories and the women raided back.

Assessing the damages today, university authorities found some broken windows and smashed doors. They blamed a spontaneous outbreak of spring fever. At its peak an estimated 2,300 students were involved.

ITALIAN RIOT
TRIESTE — A pro-Italian demonstration Thursday night turned into a battle with police resulting in injuries to 30 persons and arrest of 61.

The demonstration marked the fourth anniversary of a Western Big Three declaration for restoring Trieste to its prewar Italian status. The city is now "free territory," ruled by an Allied military government and claimed by both Italy and Yugoslavia.

SON SHOTS FATHER
MIAMI — William George Mooty, 23, was held for investigation today in the shooting of his father, William F. Mooty, 64, banker and owner of the Franklin Press. Detective Karl Owens reported.

Young Mooty, a Navy veteran, surrendered to police Thursday night after his father was shot through the chest in his printing plant. Witnesses told police the father and son engaged in a lengthy argument in the elder Mooty's private office prior to the shooting.

Walkout Looms In Steel Industry If Raise Is Rejected

NEW YORK (AP)—Steel industry leaders met today with Hoover Pitsman, federal economic stabilizer, to discuss the Wage Stabilization Board's recommendations for settling the industry wage dispute.

By NORMAN WALKER
WASHINGTON — Elated CIO Steelworkers early today accepted a government pay boost proposal and cancelled a week-end strike threat, but a new walkout danger loomed on April 8 if the steel industry turns down the recommendations.

Philip Murray's union jubilantly approved a Wage Stabilization Board (WSB) plan for settling the steel labor dispute which has been going on since last November.

Voted by public and labor members over stiff industry objections, it calls for a 3-installment pay boost that will eventually total 17 cents an hour, plus other concessions including the union shop.

The union had asked for 15-cent hourly pay boosts with other concessions estimated to bring the overall increased costs to around 35 cents an hour.

Steel companies gave no immediate reaction to the WSB plan. But WSB's industry members earlier denounced the proposal in a blistering statement as unfair and inflationary.

Murray, announcing his fourth delay in strike plans, called for renewed negotiations starting Monday with steel companies here and at Pittsburgh.

The chief of both the CIO and the million-member Steelworkers Union said if no settlement with steel firms is reached by April 4, the unions will give 90 hours notice and strike April 5.

Thus if the industry refuses to go along with the WSB recommendations an eventual strike appears inevitable. The steel firms have claimed all along they could grant no wage boosts unless they were accompanied by compensating price increases.

Steelmakers have said an expected \$2-a-ton additional price allowance is too little to cover anticipated extra labor costs.

The statement of WSB industry members said the proposals are "union appeasement" and estimated they would cost the steel industry 30 cents an hour direct added labor costs immediately and eventually 60 cents.

These figures were disputed by WSB Chairman Nathan P. Feinsinger who estimated the WSB's public labor majority recommendations would cost only about five cents hourly added labor cost, in addition to the 17-cent pay boost.

Lake Monroe

By SADIE SODERBLOM

The Lake Monroe Home Demonstration Club met Friday, Mar. 14, at the school lunch room.

Plans were made for the scene of the County Fair exhibit to be put on display Mar. 24.

Election of officers was held at this meeting, and the new officers are: Mrs. Annie McArthur, president; Mrs. J. E. J. draws, vice-president; Mrs. Paul Harris, secretary; Mrs. Paul Harris, treasurer; and Mrs. R. E. Hamilton, county council delegate.

The hostesses were Mr. J. E. Andrews and Mrs. Arthur Harris. Mr. Minor J. Knight from Columbus, S. C., who is visiting friends in Miami, was the guest of Mr. and Mrs. Rodney Harris, Sunday.

Mr. and Mrs. Jimmy Muse and family are visiting Mrs. Muse's parents, Mr. and Mrs. C. E. Burnside. Mr. Muse is a Master Sergeant at Eglin Air Force Base No. 2 in Florida.

Blues In The News

By BOB ANTHONY

Tonight is the big night for the group known as the "Vagabonds" here aboard the station. The Sanford Yacht Club will be the scene of their second dance since the organization of the club. According to the club, tonight's affair will follow the same pattern as last month's dance. Lots of candlelight, lots of good music, and some of the best entertainment to come to Sanford in quite awhile. I missed their dance last month because "duty comes first" but I'm making it a point to be there tonight and I'm hoping I'll see everyone of you there, too.

Ray Farris received a release from active duty today and will soon be heading toward his home in Fort Lauderdale. Ray is a member of the naval reserve and had been called to active duty in November of 1950. He had quite a hard time deciding whether he should volunteer to remain on active duty or accept his release when George Powell and Fred Wood gave him a very good "shipin' over" duty center this week. Civilian life was out for the second class teleman, however I think George and Fred deserve a lot of credit for their excellent try. Good luck to you, Ray. Certainly hope your choice has been a wise one.

Wot's happen'd to our baseball team? That seems to be the question of the week around the station. The Stetson Hatter nine came here Tuesday and went back to Deland with an 11-6 victory over our navy club. Yesterday our men went to Deland to try to even the series but they failed to make the grade again as they went down to defeat to the tune of 11-4. Who was it that once said, "You can't win them all"?

Most recent arrival to NAAS is Warren Cadoret. Warren completed aboard yesterday after completing a course of instructions at the navy's class "A" Air Controlman school at the Naval Technical Training Center in Olathe, Kan. where he graduated sixth out of a class of 28 naval students. Warren's home is in Manchester, Vt. George Powell and his wife Lorraine have been entertaining Lorraine's parents, Mr. and Mrs. John Shanahan, who arrived recently from their home in Chicago, Ill. George and his family took the visitors to see Silver Springs yesterday. It was a nice day for a ride and Silver Springs was more beautiful than ever according to George, who is a native Miami.

Roduto Rapado reported back aboard NAAS last night after having completed a tour of temporary additional duty in Key West and states that, although it was warmer down there, he's much happier to be back to good ol' NAAS.

Farm Loan Members To Meet Tuesday

Members of the Sanford National Farm Loan Association will hold their annual meeting at the City Hall in Sanford next Tuesday, at 8:00 p.m. H. D. Freeman, secretary-treasurer, announced today.

At this meeting regular association business will be handled, including the election of directors and the re-organizing of financial and other reports on the 1951 period by the President N. W. Bryan of Titusville, and H. D. Freeman.

A representative of the Federal Land Bank of Columbia will be the principal speaker. "All citrus growers, farmers and others interested in cooperative agricultural credit are cordially invited to attend this meeting," Mr. Freeman said.

The association's office is located in Room 7, Church and Main Building, Orlando, and handles Federal Land Bank loans in Seminole, Volusia and Brevard counties. The association directors are N. W. Bryan, Titusville, president; Leo Butner, Sanford, vice-president; Roy Parlin, Sanford, W. H. McBride, Seville, and Gus Scamh, Sanford.

FARM VOTE
WINTER PARK, (Special)—A state-wide "Get-out-the-vote" campaign has been inaugurated by the Florida Farm Bureau. It was announced here today.

E. H. Finlayson, Greenville, president of Florida's biggest farm group, has called upon leaders in 52 County Farm Bureaus to work for a big vote in the upcoming primaries.

Last year, throughout the nation, the Farm Bureau invited its members to participate in a slogan contest, to stimulate voting. It selected the slogan: "Your Vote is your Voice—let it be heard."

will not be meeting for the next two weeks. The professor of the class, Mrs. Roland Dean, will be on a speaking tour through the state of Mississippi, which will include stops at the University of Mississippi in Oxford and at the Mississippi State College for Women in Columbus. Columbus is the professor's hometown, so I'm sure she's looking forward to the trip.

Dot Von Herbilis is going to learn to drive this weekend and this writer is going to be the teacher so—God be willing—I'll be back Monday to bring you more about the "Blues in the News".

Freedom of Religion is not only a right—it's a privilege. Attend New Year's Day concerts in the White House since 1801.

Brailey Odham Is Still Going Strong On Radio Marathon

MIAMI — (Governatorial Candidate Brailey Odham was still answering questions at 8 a. m. today—the half-way point in his 24-hour radio marathon—and was demanding more.

"How do you feel?" he was asked. "I feel better than when I started."

"Have you got your second wind yet?"

"Heck, no, I'm still operating on my first wind."

Odham is slated to address a rally in Bayfront Park tonight an hour after he concludes his "talkathon," and apparently will have enough left for the scheduled appearance.

Odham took to the airwaves at 8 a. m. Thursday over radio stations WIOD and WQAM and before he was in over will have used 11 stations in this area. He is broadcast from a cafeteria, which Odham estimated last he had been asked approximately 600 questions in the first 12 hours of his "talkathon" and had answered most of them. He acknowledged that many of the questions, from listeners who had phoned in and from visitors at the cafeteria, had been duplicated.

Recovering from a deep cold, Odham frequently had to resort to treatment during the night. He rested between turns at the mike in a chair a listener had sent in. He subsisted mostly on hamburgers and cola drinks since he does not drink coffee.

In birds the chest is not separated from the abdomen and breathing is carried on by the abdominal muscles.

Drake Attacks Highway Men On Road Deal

Warren Accused of Political Pressure For Private Roads

OCALA, Fla.—Trustee P. Drake Jr., Ocala member of the State Road Board, charged today that Governor Warren, State Supreme Court Justice E. C. Roberts, and Edward Ball of the Du Pont interests had exerted "political pressure" to have private roads for profit built in Central and West Florida.

Drake said the pressure had been put on him and Marion G. Nelson, Panama City member of the board, to secure construction of roads including a stretch of State Road 40 that would bypass Silver Springs, and a highway at Port St. Joe that would be beneficial to the St. Joe Paper Co., a Du Pont enterprise.

Drake said in a public statement that re-routing Road 40 would put it through Du Pont property on the south side of Silver Springs.

He said the cost would be over one million dollars to straighten the road between Lynde and the junction near Ocala of Road 40 and the Sharpe's Ferry road and build a necessary new bridge about three-quarters of a mile north of the present Sharpe's Ferry bridge.

Drake said all this would shorten Road 40 only about a mile.

Drake said pressure had first been put on him and Nelson in 1948 soon after they became members of the board.

He said Warren had sent two memoranda to Alfred McKethan, board chairman, in efforts to have the board eliminate from the 1952 road budget the item calling for construction of State Road 19 from Road 40 to Salt Springs in Ocala National Forest.

Drake said Warren in the first memorandum said that he felt Road 19 wasn't in the public interest, that it was "too narrow" and that "due to the extraordinarily large amount that Marion County had already received in roads and other public improvements, the amount of State Road 19 to be constructed should be let during the current year for the County."

Drake said that any disproportionate amount of money had been spent or budgeted for Marion roads.

Drake said no action was taken on the second memorandum, that the 1952 road budget was adopted.

Drake said that Warren had put on him in Tallahassee in Roberts' home, Roberts at that time had not been appointed to the bench.

He said Warren, Roberts, Nelson and himself were present and that it was Roberts specifically who said he was interested in several roads, some in West Florida and one south of Silver Springs.

Drake said he told Warren in a subsequent meeting that relocation of Road 40 would cost about a million dollars and Warren said that was "too much money," that the new stretch of highway sought for the south side of Silver Springs was just a farm-to-market road.

Drake quoted Roberts as agreeing with this idea.

"Then afterwards I began hearing indirectly that a lot of heat was being put on me about the road," Drake said.

Drake said that Warren asked him to call to the road Feb. 23 this year and that they did.

"I looked at some maps, then went to look at the road," Drake said. "That's all that happened then."

But on Feb. 25, he added, he met with the governor and McKethan in the Governor's Mansion and Warren asked him to put the road in the budget.

"I told him I couldn't see my way clear to put it in the budget, that I didn't feel the road was justified, that it hadn't been re-routed no more."

McCarthy Speaks In Sanford On Governor's Race

Tells Big Audience He's Not Running On Others' Demerits

Sanford, Fla.—Senator Joseph P. McCarthy, candidate for governor, told a Sanford audience Saturday night that he is running on his own platform and his own qualifications and not on the demerits of others.

McCarthy, who is running as an independent candidate, but he added that if any other candidate comes into this race with false charges or misleading statements in an effort to gain the vote, then he is prepared to defend himself, call a spade a spade and let the chips fall where they will.

"The people are tired," he said, "of hearing candidates talk about others and not about what they propose to do."

Mr. McCarthy was introduced by General J. C. Hutchinson who recalled that he had supported McCarthy when he ran against Fuller Warren in 1948 and added that nothing had happened since then to change his mind.

He said he had known Mr. McCarthy while they were both members of the Governor's committee for streamlining the state government and he had become much impressed with McCarthy's approach to vital problems and his knowledge of state government.

He recalled that McCarthy had served in the 1937, 1939 and 1941 sessions of the State Legislature and had been speaker of the House in the 1941 session. He added that as a Reserve officer McCarthy had gone immediately into active service with the outbreak of the war and had served with General Patch in the invasion of Southern France and the occupation of Germany.

General Hutchinson said that he supported McCarthy in 1948 because he believed he was the best man for the job. He was convinced that McCarthy was against graft and dishonesty in government, and crime and corruption in general, and he still is.

Mr. McCarthy said that as administrator who can handle state affairs as they ought to be handled, he said, "and he is the kind of a man we need in Tallahassee."

Mr. McCarthy said that he had always been opposed to the sales tax but admitted that now that it is a part of the state financial structure, it probably can not be changed, but he added that he is opposed to any further increase in it. He said that he thought taxes are as high as they ought to go and that the state can operate on such revenues as it already has if a real effort is made to give the people better service for every tax dollar.

Speaking of the welfare rolls, he said that of course if there are more on the rolls, there should be more money to take care of them. However, he added that he would insist that the dignity of those on the welfare rolls as human beings must be maintained and that they be treated with all the kindness, courtesy and consideration due them as elder citizens of this state.

Mr. McCarthy said he is "convinced" the problems of seriously depressed Florida's citrus industry can be solved and he proposes to work actively toward that end as governor. He said he is interested in the problems of the farmers on an industry-wide basis, without preference for any group or section, he declared. "I am convinced we can solve the problems of marketing and distribution so that the growers will receive the fair and proper return for their crops."

McCarthy, an agricultural college graduate from the University of Florida, and himself a citrus grower and settler, explained that while he will be "the governor" for all the people of Florida, he is particularly interested in agriculture and citrus. He said he is also aware of the value of the state's growing tourist industry and stands for increased advertising to attract new visitors, permanent citizens and business.

But he said his interest in all Florida is not confined to their

Home Shattered By Tornado In Tennessee

At least 200 persons were killed and more than 1,000 persons were injured as a result of a series of tornadoes which swept with destructive fury through four southern states. The above scattered wreckage is all that remains of J. W. Stafford and his family in Moscow, Tenn. The staffords took refuge in a cellar as a tornado struck Moscow. Homes were ripped from their foundations in Arkansas, West Tennessee, Missouri and north Mississippi. (International Soundphoto)

233 Killed, 1,100 Hurt In Tornadoes

Funeral Rites Held In Dozens Of Devastated Cities, Towns Thruout The South

LITTLE ROCK, Ark.—The living worked grimly at burying and rebuilding today in six tornado-ravaged states in which 233 died and 1,100 were hurt.

In small, partly wrecked churches throughout the region Sunday half-dazed people clustered for funeral services—sometimes for whole families.

The normal Sabbath still of small towns was broken often by the raucous chugging of bulldozers in clearing the debris, the rattle of trucks and the clumping of boards being piled.

Survivors of the disastrous week-end picked at what was left of their homes searching for something salvagable often under the glare of hundreds of neighbors who jammed the stricken areas.

At last count, and it was at best incomplete and often times inaccurate, the death toll stood at Arkansas 131, Tennessee 84, Mississippi 11, Kentucky 8, Missouri 16 and Alabama 5.

Arkansas alone reported 71 injuries and 1,452 families, thousands homeless, affected by the terrible winds.

In basements of churches, schools and armories Salvation Army and Red Cross workers struggled manfully to feed, house and clothe those left destitute.

An accurate estimate of damage was impossible but it was expected to reach into the tens of millions of dollars.

In hospitals doctors and nurses, eyes red-rimmed from lack of sleep, worked to near exhaustion to aid the injured. Hospital capacities were strained to the breaking point.

Arkansas Gov. Sid McMath appealed directly to President Truman for funds to help the state rehabilitate itself.

It was the night of the President's address that the President's War Relocation Authority, Federal agencies to make a quick check of the damage in all the stricken areas to ascertain the need.

There was an ironic story from Hartselle, Ala., where one of the critically injured was little Brenda Kay Jones, 5. As the storm approached her grandmother picked up Brenda and fled to a neighbor's house.

The neighbor's house was destroyed. The one from which they fled was unharmed.

Judsonia, Ark., probably was the hardest hit. The business district was all but gone. Perhaps 75 per cent of all the buildings in the town of 200 were damaged.

Here Mrs. E. C. Meacham, wife of a store owner, told of looting and her husband worked at the job of rescue and first aid.

It was the most disastrous week-end of tornadoic terror since March 18, 1925, when 680 people died in Illinois, Missouri and Indiana.

Earl Kipp Tells Rotary Of School To Aid Children

Zimmerman Explains Mission Of Christian Religion

Earl Kipp, supervisor of schools in Orlando, and former principal of the Sanford Grammar School in Sanford, today explained the work of the Forest Park School for crippled children in Orlando and urged support of the Easter Seal campaign which helps to finance this project, in a talk at the regular meeting of the Rotary Club today.

The Rev. H. L. Zimmerman explained the mission of the Christian religion to a group of about 200 people who met at the Forest Park School for crippled children in Orlando.

Zimmerman, who is a member of the Sanford Rotary Club, said that the Christian religion is a religion of love and that it is the duty of every Christian to help those who are in need.

He said that the Christian religion is a religion of service and that it is the duty of every Christian to serve those who are in need.

He said that the Christian religion is a religion of hope and that it is the duty of every Christian to have hope for the future.

25th Street Traffic Lights Are Shot Out

Vandalism in the recent shooting out of traffic lights on Twenty-fifth Street and the Sanford and Mellonville Avenue intersections will be severely punished, Police Capt. Roy Tillis, acting chief of police, announced this morning.

"We expect to make an arrest soon," he declared. The first damage was reported last Monday night when the light directing traffic at Sanford Avenue and Twenty-fifth Street was shot out, resulting in damage estimated at \$225. The next night the light was again shot out and damage was put at \$50. Later in the week a lens was shot out on the Mellonville Avenue-Twenty-fifth Street traffic light.

Tillis indicated that a .38 caliber pistol was used in the shooting, said Capt. Tillis.

City Zoning Board Considers Petitions

Petitions from 80 residents in the vicinity of Park Avenue and Eleventh Street, objecting to the proposal of R. J. Melton to locate a used car lot at that location, were considered at the meeting of the City Zoning Board of Adjustment at its meeting Friday night.

Mr. Melton's proposal was denied temporarily by the board which indicated an intention of referring the matter to the City Commission tonight with the recommendation that the application be denied by the City.

Oil Stove Explodes Causing Small Fire

An oil stove exploded in the apartment occupied by Louise Rivoton on the corner of Eleventh Street and Holly Avenue late yesterday afternoon causing only slight damage. Assistant Fire Chief R. T. Thomas reported today.

The alarm was turned in at 6:48 p.m.

Two fire trucks were used to extinguish the oil blaze. No one was injured. Chief Thomas said.

Plane Crash

ALGIERS, French North Africa (AP)—Sixteen persons, one a baby, were killed today in the crash of a Lockheed plane as it was taking off from a desert field in Gao, French West Africa.

Three passengers escaped with injuries. All three crewmen were among the dead. Most of the passengers were French officials and government employees returning on visits to their homeland. The plane belonged to an Afghan airline.

FINNEGAN SENTENCED

ST. LOUIS (AP)—James P. Finnegan, personal friend of President Truman, today was sentenced to two years in prison and fined \$10,000 for misdeeds as internal revenue collector here.

He was convicted on two misdeemeanor charges by a federal court jury March 15.

CHULIOTA RALLY

The site of the Democratic rally scheduled for Friday night, April 4, at the Chulivota Baptist Church has been moved to the Chulivota school, it was announced today by Andrew Garraway, secretary of the County Democratic committee.

Truman Demands Bars Be Lowered For 300 Thousand Europeans

President Asks Aid For Victims Of Oppression Escaping Thru Iron Curtain

By ERNEST B. ACCARD

KEY WEST, Fla.—President Truman today asked Congress to open immigration gates to admit 300,000 additional Europeans during the next three years. Many are escaped victims of Communist tyranny, he said.

This request highlighted a 4,000-word, three-point program drafted at the Little White House asking Congress to:

"(1) Provide aid for the unfortunate victims of oppression who are escaping from Communist tyranny behind the Iron Curtain.

"(2) Continue our participation in the international effort now being made to assist in the migration and resettlement throughout the world of a substantial number of persons from the overpopulated areas of Western Europe.

"(3) Authorize additional immigration into this country, on a limited basis, to aid in alleviating the problems created by Communist tyranny and overpopulation in Western Europe."

No estimate of the cost of the three-year "emergency period" immigration was contained in the message. It suggested immigrants be brought in at the rate of 100,000 a year.

The message followed up a presidential directive Sunday allocating \$4,000,000 of Mutual Security funds or immediate use to form a billboards and specialists escaping from behind the "Iron Curtain" into elements of the Eisenhower military forces supporting the North Atlantic Treaty Organization.

"Communist tyranny has taken up where Hitler's brutality left off," the President said.

He said as a result of repressive measures, "some 15,000 to 20,000 Germans are slipping over the border from the Soviet Zone of Germany and crossing into Western Germany every month."

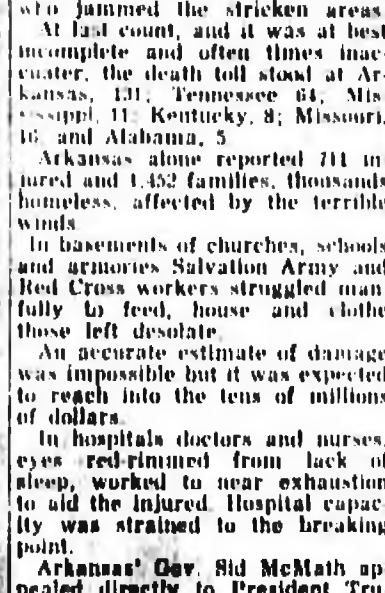

"From the communist countries to the south and east the movement to free Europe is smaller, but still they come, at the risk of their lives, past border guards and through mine fields," he continued.

"There are about 100,000 of these people already west of the Iron Curtain, and they are coming in at the rate of about 1,000 a month."

Reds Ask For Supreme Court Secret Talks On Exchange Of POW On Extorted Cash

WASHINGTON (AP)—The Supreme Court ruled today that federal income tax must be paid on money even if it was obtained by extortion.

The 4-3 decision upheld the conviction of James Burton in Newark, N. J., on a charge that he willfully evaded payment of income tax on \$250,000. The government claimed the money was extorted from Joseph Rutkin, a business associate of Burton.

Justice Burton delivered the majority ruling.

Justice Black wrote a sharp dissenting opinion in which Justices Reed, Frankfurter, and Douglas joined.

Rutkin, Rutkin and several others operated a bootleg liquor business in Newark during the prohibition. Later Rutkin and others organized the Brownie Amateurs Co., a wholesale liquor firm in New York City. In 1930 the company was sold to new owners.

The Justice Department said Rutkin obtained the \$250,000 from the extortion of James Burton.

Orlando Man Shoots Down One Of 12 Russian-Made Jets

MUNSAN, Korea (AP)—The U. N. Command, in a move to speed agreement on a Korean armistice, has lowered a curtain of secrecy around the stalemate negotiations on how to exchange prisoners of war.

U. N. negotiators asked the Communists to join today in secret talks which might break the long deadlock.

An official Allied spokesman said U. N. negotiators felt preliminary discussions concerning off the record sessions should be considered for the time being at least in a confidential status.

He declined to tell newsmen what the U. N. proposed.

The prisoners exchange talks were postponed for three hours Monday at the request of the U. N. Command. There was no explanation. The session adjourned at 5:10 p. m. (3:10 a. m. EST).

Both sides have indicated unofficially that off the record negotiations might lead to a compromise agreement on the thorny issue of whether prisoners should be given the right to return to their homes.

The U. N. Command said last week negotiators would be able to discuss the issue.

MRS. CHAPMAN HONORED

Mrs. B. E. Chapman, secretary-treasurer of the First Federal Savings and Loan Association of Seminole County, was recently appointed a member of the Accounting Committee of the United States Savings and Loan League.

The appointment came from Len H. Hazen, Portland, Oregon, president of the League, which is a 60 year old nationwide trade organization of the savings association business. Standardizing accounting practices of savings associations, requirements of the federal income tax law and labor saving devices in bookkeeping will be on the long range program of the committee this year.

Kiwanis Club To Stage Minstrel Show

A Kiwanis minstrel show, which it is predicted, will be bigger and better than that staged here last year, will be presented Saturday, April 5 at 8:00 p. m. at the Seminole High School Auditorium, it was announced today by Joel Fisher.

The Kissimmee Kiwanians, who are noted for their minstrel acts, will bring their entire cast, which will be supplemented by local talent.

In the minstrel chorus will be 17 girls and 18 men, and 10 performers will move about in special acts, including four bathing beauties.

State Attorney Murray Overstreet, a local entertainer, will provide the music.

A new king and queen will be crowned, an elite contest in which various organizations will select candidates, will be started Wednesday or soon thereafter. Last year the king was the Rev. J. E. McKinley and the queen was Mrs. R. W. Trench. The crowning ceremony will take place at intermission.

Bloodhounds, Men And Planes Hunt For Missing Trio

LAKEWOOD, Wis.—Two five-year old youngsters, perished in the water-borne wilderness of the Second National Forest after being coming lost in a storm but a third child was found alive today but died with her best dog companions in an abandoned outhouse.

Little Mary Ann Church, 3, was found alive at 11 a. m. today by two searchers snowed through the heavy new snow, and rushed to Dr. J. F. Dougherty at Sterling by Sheriff's officers.

Dr. Dougherty said she recovered consciousness, drank a little milk and greeted her mother when she was sent to Oconto Memorial hospital where her condition is fair.

Sheriff Joseph Foral said that searchers at first thought "a spark of life" was left in the other two children, but they were pronounced dead by Dr. Dougherty. Mrs. Church, 3, and Steven Kennedy, 5, their cousin.

The dead were Mary Ann's sister Cathy and their cousin, Steven Kennedy, both five.

LAKEWOOD, Wis.—Men and bloodhounds, assisted by a plane, combed a vast forest wilderness in Northwestern Wisconsin for three children who vanished in a snow-storm Saturday afternoon.

The search by nearly 800 volunteers has turned up only part of a red tassel from the cap of one of the youngsters. It was found on a bridge over a small stream nearly a mile from their homes.

Oconto County Sheriff Joseph Foral directed the hunt for Cathy Church, 3, her sister, Mary Ann, 3, and Steven Kennedy, 5, their cousin.

Formal Opening Of Tourist Center Is Delayed Few Days

Formal opening of the new Tourist Center, scheduled for tonight at Ft. Mellon Park has been postponed until a later date due to unforeseen difficulties which have arisen in completing the building and installations. Everett Brezbridge, manager of the Seminole County Chamber of Commerce, announced this morning.

John Ivey, assisted by 18 other Chamber of Commerce members, will be in charge of the fish fry to be held tonight at 6:30 o'clock, for the San Antonio Mission. The fish fry will be held at the Sanford Semipala Country Club.

A meeting of the Chamber of Commerce was scheduled to take place at 1:00 o'clock this afternoon to set a day for DeLaney's program here to welcome the residents of Sanford's new and progressive neighbor, DeLaney in Florida county.

The program will be sponsored by the Chamber of Commerce in conjunction with the Sanford Chamber of Commerce and will feature a fish fry at the DeLaney Hotel in Sanford.
