The diller, the dollar, the ten o'clock scholar. Remember how the rhyme ended? Tardiness leads from bad to worse. The boy ended by sleeping until noon. Often parents ask, "WHEN IS IT TIME TO BEGIN THE RELIGIOUS TRAINING O OUR CHILD?" Here's a straight-forward answer: "THE MOMENT YOU BEGIN TO LOVE HIM!"

You see, God is love. And, in a home where God is loved, a child quickly begins to associate the love of his parents for him with this Other Love which is felt by those he loves. Then come Bible stories and pictures and a simple prayer to help him experience and express his growing faith. Soon he'll be starting Sunday School - but his religious training has already begun. Our churches are helping tomorrow's parents equip themselves spiritually today. The couple planning marriage needs a mature religious faith. For when God has given us a little

TALLAHASSEE, FIA. (AP) -The killer of a Florida Department of Education official and his 12-year-old daughter in their fashionable home left no clues. and Sheriff William Joyce said today no motive had been found. Killed Saturday night were Robert W. Sims, 42, director of data processing, and his daughter. Joy Lynn. Each had been bound, gagged and shot once in the head. The daughter had seven stab wounds in the chest and

Sims' wife, Helen, was bound, gagged and shot twice in the head and once in the leg. She was in "very critical" condition at Tallahassee Memorial Hospi-

All three were blindfolded and their hands tied behind their backs before being shot with what was believed to be a .38 caliber pistol.

"At this point we can find no motive," Sheriff Joyce said "There was no sign of disorder in the house and the money and valuables were intact."

Another daughter, Norma Jeannette, 17, discovered the two bodies and her wounded mother when she returned home from a football game about 11:15 p.m. Saturday. The ranchstyle house is in the \$25,000

Sims was lying on the bed in the master bedroom and his wife and child on the floor. They had been gagged and bound with ties and socks.

A neighbor reported that she heard high-pitched screams about 10:45 p.m. but thought they came from children. Other Chairmen Richard residents of the area said they heard nothing.

"The players were kidding me about it last week," Graves

said. "They wanted to know when I'd admit they are a great team. I told them when they beat Louisiana State in Tiger Stadium I'd say they were a great team." The Gators convinced Graves

and others with the way they whipped LSU 28-7 at Baton Rouge Saturday night and went 6-0 for the season. Florida was in command from

the start and never allowed the LSU Tigers a serious threat until the score was 28-0 and second stringers were getting experience.

Graves, however, doesn't look upon next Saturday's homecoming game against Auburn (3-3) as a breather and doesn't want his players to think of it that way.

"Auburn is another Tiger." the coach said, "and form goes out the window when these two teams meet."

UNUSUAL demonstration was given by Danny Collins, of Forest City, South Seminole ninth grader, before his English class taught by Mrs. Linda Sawyer. As his "how to" talk, Denny made a soft drink in his homemade automatic blender made from an old fan motor. Magnetism from the motor moves the paper clips placed in the liquid, thus stirring it. He first got the idea from a seventh grade science project. (Herald Photo)
