

Dewey's Order
 (Continued From Page 1 Sec. 2)
 gram of public works."
 "Our public works program," Dewey said, "is the first line in our attack against recession. . . . We have a reserve of public

construction ready to go and I am happy to report, have the money in the bank to pay for it."
 The committee said the state had \$575,000,000 available on Apr. 1 for public works construction. About \$191,000,000 is under contract, the report said, and \$381,000,000 is to go under contract this year.

Beaches Of France

(Continued From Page 1, Sec. Two)
 the water is blue and refreshing. From Cannes to Nice the distance is about 25 miles. The weather is thickly settled. The weather is quite warm during the day, but the nights are cool.
 The trees, shrubbery and flowers are about the same we have in Florida. There are some citrus trees but I saw only one kind of palm tree.
 Back of both Cannes and Nice are high hills sloping toward the coast. The elite live in the hills. Their houses are attractive and big. I saw no new houses being erected. This part of France was untouched by the war. Only a few bombs fell in Nice.
 As far as one can see on the surface the people of France are so happy, at least as happy, as most people are in this rapidly changing world. We don't happen to live in a day where happiness is easily received. Happiness is the result of the whole self being united.
 There are too many disrupting forces in our modern world for our lives to be united as they should be.
 Anyway the French are not hungry. They have houses to live in, though most of them are old, and those who want to wear clothes have plenty to keep them comfortable.
 France's problem is that there are two distinct Frances. This distinction runs back to the revolution and farther. The few determine how the life of France is to be administered.
 The masses have never shared equally in the on-going of the republic. This is the basis for Communism in France. Those in authority are now seeking to remedy this long injustice and as they do Communism subsides.
 If France can find a way to adjust her economic life in a way that more of the common people can have in the good things I mean by good things, more bread, more conveniences and more security Communism will die. Otherwise, nothing can prevent it from spreading.
 Communism feeds upon unmet, unmet desires.
 I find myself not desiring to linger here. It's too much like where I came from to get a rest. If one trying to find a way to get to Budapest, Hungary. But so far I have failed. I may have better luck in Paris. I want to get a little rest behind the Iron Curtain.
 The state name of Colorado is a Spanish word for red.
 Cuba is the largest of the islands between North and South America.

"GROWERS' GUARANTY"
 VACUUM FOODS' REVOLUTIONARY CROP PURCHASE PLAN

"I congratulate Vacuum Foods for starting such a worthwhile program for the citrus growers of the state"
 says NATHAN MAYO, Florida Commissioner of Agriculture

- A GUARANTEED MONTHLY INCOME—all year round —TO COVER ALL YOUR PRODUCTION COSTS!
- A GUARANTEED MINIMUM PRICE for your entire crop—NOT LESS THAN \$1.00 PER BOX DELIVERED!
- A GUARANTEED MARKET for your entire crop—AT MARKET PRICE WHEN MORE THAN \$1.00!

Industry holds first real price protection

The announcement of Vacuum Foods' revolutionary Growers' Guaranty plan has met with unprecedented acclaim throughout the citrus industry.

Nathan Mayo, Florida Commissioner of Agriculture, says: "This is a big undertaking for an individual company and I congratulate Vacuum Foods for starting such a worthwhile program for the citrus growers of the state."

"The most favorable thing we've had... it is gratifying to know we've got a floor," says H. C. Brown, Clermont, Grower.

"The fact that even one firm has a floor under the price is bound to have its psychological effect," says M. C. Peters, Florida-gold Citrus Corp., Lake Alfred.

"One of the most helpful and stabilizing things ever done for the industry," says Henry L. Fringle, Leesburg, Grower.

To selected growers of quality oranges, Vacuum Foods now offers the opportunity of enrolling in the Growers' Guaranty plan.

If you qualify, you benefit from the first genuine price support plan in the citrus industry.

Growers' Guaranty not only provides a guaranteed minimum price for your orange crop, but gives you additional advantages never before offered to orange growers by any agency, public or private.

How Growers' Guaranty works

1. A limited number of quality growers will be enrolled immediately in Growers' Guaranty, for a one, two, or three-year period at the growers' option.
2. If you qualify, you agree to deliver to Vacuum Foods at picking time a certain number of boxes of oranges—the quantity to be based upon an estimate of your crop yield for the coming season.
3. Vacuum Foods guarantees to purchase your crop at the full average market price paid by Vacuum Foods for all oranges purchased from all sources during the month or seasonal period when your crop is picked.
4. Vacuum Foods guarantees to pay you a minimum contract price of not less than \$1.00 per box delivered, regardless of market conditions.
5. When the agreement goes into effect, you immediately begin to earn a guaranteed monthly income that is enough to more than cover all normal production costs at Vacuum Foods' risk! This cash income is paid to you each month throughout the whole year, at the rate of 5¢ per box per month on your entire estimated orange crop plus an extra amount at picking time. For example, if your agreement covers 4000 boxes, your monthly cash income under Growers' Guaranty is \$200.00!
6. If the average market price at the time of delivery is less than \$1.00, under Growers' Guaranty you still receive the full \$1.00, less the amounts already paid to you. And if the average market price is more than \$1.00, Vacuum Foods guarantees you the difference, whatever it is! Growers' Guaranty gives you double protection—protection against losses in low markets, protected profits in high markets!

What Growers' Guaranty offers you

- A guaranteed minimum price for your orange crop
- A guaranteed monthly income all year round
- A guaranteed market for your crop at full market price
- Priority in handling your fruit in the event of crop damage
- A permanent "home" for your fruit in the expanding segment of the citrus industry
- Secured income without assessments, regardless of general market conditions, for the life of your agreement.

How to find out more about Growers' Guaranty

Your regular dealer can give you full information about the revolutionary Vacuum Foods' Growers' Guaranty plan.

Discuss it with him. Let him explain the details, answer your questions, estimate your own monthly income and minimum yearly income based on the estimated yield of your own grove.

Or, if you prefer, write direct to Vacuum Foods for information on Growers' Guaranty. Address your request to the personal attention of Mr. R. A. (Bob) Funder, Manager Fruit Procurement Department, Vacuum Foods Corporation, Plymouth, Florida.

Remember, only a limited number of growers can be enrolled in Growers' Guaranty. Therefore, it is to your advantage to obtain complete information without delay.

Congress Receives Trimmed Version Of Arms-For-Europe Bill

President Calls In Demo Leader To Map Plans To Get School Plan Passed

WASHINGTON, Aug. 5.—(AP)—The Administration sent to Congress today a new arms-for-Europe bill, trimmed of provisions giving President Truman power to decide when and where aid should be given.

The new measure, submitted to the House and the Senate, named specifically the countries to be aided under the \$1,450,000,000 program.

It made no change however, in cost of the proposed program. The proposed outlay has been criticized sharply by both Republicans and Democrats in Congress.

The rewritten measure was submitted to the Senate by Chairman Connally (D-Tex.) of the Foreign Relations Committee and to the House by Chairman Kee (D-W.Va.) of the Foreign Affairs Committee.

Connally told reporters the new bill was drafted by Secretary of State Acheson and has the approval of the Senate Armed Services Committee.

Connally disclosed the changes after members of his committee and the Senate Armed Services Committee had met with Acheson and Johnson.

The rewritten bill spells out that rearmament assistance should be given to the nations which have signed the North Atlantic Pact, to Greece and Turkey, Iran, Korea, and the Philippines.

There was no provision left, as in the original bill, to permit the President to extend aid to any other nation he believed required help in the interest of United States security.

Democratic congressional leaders to the White House in an effort to get passage of a controversial federal aid to education bill.

The controversy over whether public funds should be made available to parochial and other private schools for auxiliary services has continued for two weeks.

Gurney Resigns As Chairman Of State Board Of Control

TALLAHASSEE, Aug. 5.—(AP)—Governor Warren again today requested Thomas Gurney of Orlando to continue to serve as chairman of the state board of control until the end of the special session of Legislature.

Gurney said the request had nothing to do with the recent disagreement between the board, the Governor and the Cabinet over pay raises at the universities.

The board authorized the increases and declined to withdraw them. The controversy was settled by a Cabinet order fully barring all raises for all State employees unless specifically authorized by law.

Gurney said "four years of gratuitous service in this position has taken a tremendous toll of my financial resources and has not helped my physical resources." Members of the board, which supervises affairs of state colleges, serve without pay.

Governor Warren reported he had not seen Gurney's request for permission to retire from the board and had no comment.

The four-year terms of Gurney, Thomas W. Bryant of Lakeland and J. Hanson Markham of Jacksonville expired June 30, but Warren said he had asked them to continue acting until after the special legislative session so they can draw on their intimate knowledge of the college system to present needs of the universities.

"WASN'T ANYTHING"
BALTIMORE, Aug. 5.—(AP)—"It wasn't anything," said Louis J. Orloff last night after he delivered remarks before a group of men alive in an oxygen tent fashioned from a suitcase.

The ambulance attendant arrived at the home of Mrs. Ethel Lorraine Lopez, 6, a few seconds before she gave birth to the first child.

"And then," said Orloff, "the first thing I knew there was another one."
Both were girls.

WTRR Broadcasting Equipment To Be Moved To New Building Tuesday

Work of transferring broadcasting equipment from the Mayfair Inn to Radio Station WTRR's new building east of the hotel is proceeding, and it is expected that most of the equipment will be re-installed Tuesday night following the broadcast of the baseball game.

Work on the building is expected to be completed next week, when a state will be announced for open house for visitors.

Personnel of the station includes Myron Reck, owner and manager; Milton Harmon, program director; Dick Aiken, sales manager; E. J. Johnson, chief engineer; Jim Williamson, assistant to the chief engineer; Walter Collier and C. Carlson, engineer announcers; Julian Steinström, sports director; Mrs. Edith Padgett, secretary-treasurer and Miss Fay Sanford in the program department.

The one story concrete block building faces 62 feet on First

l. wing in the rear. It is located about 10 feet from the rear of the tower. D. L. Brainerd and V. Nelson were the contractors.

Offices are located in the front of the building and in the rear is the 9 by 18 foot control room on each side of which are the two studios which can be viewed from the control rooms through double plate windows. The larger studio is 10 by 18 feet in size, the smaller, nine by 10 feet.

The 10 foot addition in the rear houses the Servel air-conditioning and heating unit, which was installed by the Green Fuel Co. A steel well to supply water for conditioning was dug by W. G. Hodges, who also installed plumbing. Due to lack of a sewage outlet, a septic tank has been installed near the building by T. G. Brown.

Studios and the control room have walls faced with rubberized tile, ceilings of special material and flooring of asphalt tile, all designed to prevent proper acoustical effects and to minimize sound reflection or echo. These materials and other lumber were provided by United Lumber Co., and by Hill Lumber Co.

On the left side of the front entrance are the rest rooms. A hallway running the width of the building gives access to these and to the offices. Another hallway leads to the control room, studios and sound room and will contain the record racks.

A concrete walk, 42 inches wide, will be laid along the front side of the building, and the space between this and the street will be surfaced to permit parking.

F. D. English supplied the roofing, Phillips Industries of Orlando provided windows and doors. Glass was installed by the Ace Glass Co. and Sanford Paint and Glass Co. The Benkerik Glass and Paint Co. supplied the paint, which was applied by J. Russel.

Jaycees Will Honor Sanford Ball Club

The Seminole County Junior Chamber of Commerce voted at their noon meeting at the Tourist Center last night to hold an appreciation night for the members of the Sanford Giants baseball team, but referred the decision as to the type of activity back to the board of directors for a decision.

W. G. Fleming, Jr., who is conducting a water safety program at the Mayfair Inn pool for the American Red Cross, told the organization of his activities and outlined an advanced course to be conducted here next week.

First-President John Sheppard presided at the meeting in the absence of President John Senkarik, Jr., who is attending the state Jaycee convention in Key West.

Arnall In "Ring"

ATLANTA, Aug. 5.—(AP)—Governor Herman Talmadge brought the name of former Governor Eli H. Arnall into the investigation of an alleged state-protected boot liquor ring today.

Arnall promptly replied he knew nothing of any illegal liquor ring and called the charges "a complete fabrication." Talmadge's two year term as governor expires next year.

"I'm too busy to become engaged in a political campaign this year," Arnall said, "but next year I'll be another story."

Commiss Hold Paris Meet To Protest Pact

6,000 Troops Cool Ardor Of Marchers; Staff Chiefs Gather To Discuss Alliance

PARIS, Aug. 5.—(AP)—Communists massed 1,500 singing marchers today in protest against Atlantic Pact talks here, but the presence of 6,000 troops and police in the Place De La Concorde cooled the demonstrators' ardor. The marchers sang the Communist anthem.

They made an attempt to break through lines of police, bolstered by soldiers in battle equipment. They had intended to march on the U. S. embassy in the square and protest against the presence in France of the American joint chief of staff who are discussing Atlantic Alliance strategy.

The staff chiefs already had gone to Fontainebleau, 40 miles outside Paris, for talks with western European chiefs.

Brig. General Joseph O'Hare of the embassy received a delegation of four Communist representatives in the afternoon. He wanted a third meeting tonight, but O'Hare put them off until tomorrow.

The Communists said they had a petition to present protesting that the Atlantic Alliance pact was a "peace-keeping pact" and that it "would mean the end of the world."

In Washington, D. C., Consul Walter Lohrner received a delegation of the Communist Party and the National Student League. The delegation expressed indignity to the Atlantic Pact and told Lohrner that French soldiers will not let the pact become a new war.

Many American tourists had gathered in the Place De La Concorde in Paris in anticipation of trouble with the Communist marchers, but there was none. The first group of Communist marchers gathered quietly, apparently impressed by the presence of the troops and unwilling to make their attempt to march on the embassy look silly.

The address and police rolled up in 10 trucks several hours before the time of the march, which had been announced for 6:30 P. M.

The forces spread out in the area of the U. S. embassy, to prevent Communist from entering the area. Communist marchers were kept out of the area by their own demonstrators.

Radio cars, motorcycles and several ambulances stood in the area. American and French military chiefs held what was described as a satisfactory talk with the Communist demonstrators.

The American chiefs—Army General Omar B. Braden, Chief of Staff, and Admiral Louis Denfield of the Navy—left Paris on schedule for the hour for the dinner at the Hotel.

The party was given a warm informal welcome by the commander in chief, British Lt. General Lord Montgomery, and Vice Admiral Robert J. J. B. Bag officer for the night.

Recreation Group To Hold Fish Rodeo

The City Recreation Department in cooperation with the Seminole Sportsman Association and the Jaycees is planning a "Fish Rodeo" for children at Lark Chalm in Oviedo, Aug. 30. City Manager Clifford McKelbin announced this morning.

B. F. Ganes is serving as chairman of the committee representing the three organizations in the project, and a session will be held at the project will be held at 7:30 o'clock Tuesday night at the City Hall.

Carl Rabun Elected Dusty Boots Head

Carl Rabun was elected president of the Dusty Boots Riding Association at a meeting last night at the club house at the Municipal Airport. He succeeds P. A. Mero, and assumes his new duties Saturday.

Sam Cochran was elected vice president; Mrs. D. I. Hendrick, treasurer; J. W. Williams, secretary. Plans were made for a picnic to celebrate the second anniversary of the club.

Overrule Motion CEDAR RIDGE, Aug. 5.—(AP)—District Judge J. E. Hoberman today overruled a motion for a new trial for Dr. Robert C. Sledge, Jr. St. Louis pediatrician convicted of second degree murder in the slaying of his wife's alleged seducer.

Nationalist China Written Off As Failure In U.S. White Paper; Wedemeyer Plan Disclosed

General Urged Truman To Adopt Five Year China Aid Program Two Years Ago

WASHINGTON, Aug. 5.—(AP)—General Albert C. Wedemeyer urged President Truman in 1947 to adopt a new five-year aid program for Nationalist China of Generalissimo Chiang Kai-shek would cease to depend on the government and army.

Wedemeyer told the President this action was necessary to defeat the Chinese Communist and Red Russia's "Anglo-Soviet" plan for a partition in the Far East.

He made the recommendation in the White House Sept. 12, 1947, after conferring in the past year as head of a Commission on the Far East.

The Army general denounced Red Russia's plan to divide China into a Communist zone and a Nationalist zone.

Wedemeyer said the Communist plan would mean the end of the Nationalist government and the establishment of a Communist government in China.

McKilbin Outlines Sanford National Sanitary Guards Complete Department Work Summer Training

Sanford, Fla., Aug. 5.—(AP)—The Sanford National Sanitary Guards completed their summer training today at the Sanford Municipal Building.

The guards, which were organized last year, completed a six-week training course under the supervision of the Sanford Health Department.

The training course included instruction in the use of disinfectants, the handling of infectious materials, and the operation of the city's sewage treatment plant.

The guards will be available for duty at any time during the summer months.

Foreign Policy Must Be Re-Examined To Encourage End Overthrow

WASHINGTON, Aug. 5.—(AP)—The State Department today announced a report in which it urged a re-examination of the United States' foreign policy to encourage the overthrow of the Communist government in China.

The report, which was prepared by a group of State Department officials, said that the United States' foreign policy should be re-examined to encourage the overthrow of the Communist government in China.

Mrs. Perkins Honors New Sanfordites

Mrs. Charles Persons, recent bride, and Mrs. Fred Murray who has recently moved to Sanford from Pecos, Tex. with her husband and family to make her home, were honored yesterday morning during the hours of 11:00 and 12:30 o'clock with a Coca Cola party given by Mrs. B. L. Perkins, Jr. at her home in the Leffer Apartments.

Forming an attractive setting for the occasion were the arrangements of bright zinnias and day lilies used on the porch and in the living room. On the refreshment table was an artistic arrangement of Spanish bayonet and soft pink hibiscus. Mrs. Perkins was assisted in serving by Miss Elizabeth Whigham.

Those invited to be with Mrs. Persons and Mrs. Murray were Mrs. Jack Bolt, Mrs. Edward Higgins, Mrs. Edward McKeever of New Jersey, Mrs. Donald Jones, Mrs. Herbert Hill of Milton, Fla., Mrs. George Dangleman, Mrs. Malcolm Higgins, Mrs. James G. Higgins, Mrs. Frank Woodruff, III, Mrs. F. D. Scott, Mrs. William Leffer, Jr., Mrs. W. E. Doudson, Mrs. C. E. Spencer, Mrs. Dale Scott, Jr., Mrs. Corrin Ray, Mrs. Murray's sister, Miss Carol Conklin of Texas and Miss Whigham.

Mrs. Durden Hostess For Circle Meeting

The R. W. A. Circle of the First Christian Church met on Monday night at the home of Mrs. J. S. Durden with Mrs. James Horton, chairman, presiding. Mrs. Horton conducted the devotional and a talk on missions was given by Mrs. J. W. Knight. "Evangelism" was the subject of a talk given by Mrs. O. T. Pearson.

Several plans for increasing membership and money making projects were submitted during the evening. The hostess served delicious refreshments at the conclusion of business to Mrs. Knight, Mrs. Lester Tharp, Mrs. R. G. Fox, Mrs. Horton, Mrs. James G. Landress, Mrs. Pearson, Miss Sylvia Pearson and Miss Maggie Hanson, a guest.

Mrs. Shadoin, Stovall Hostesses For Meet

Mrs. Ellen Shadoin and Mrs. W. B. Stovall were co-hostesses for a meeting of the T. E. L. Class of the First Methodist Church held on Thursday night at the home of the former. Mrs. E. M. Carroll presided over the meeting and the devotional was given by Mrs. J. C. Culbourn.

Several readings were given by Mrs. H. W. Tench following reports from various officers and group captains. Mrs. R. L. Garrison gave an interesting account of a recent trip.

Refreshments consisting of ice cream and cake were served to the following: Mrs. Carroll, Mrs. F. P. Rimes, Mrs. J. C. Culbourn, Mrs. E. M. Henderson, Mrs. J. A. Cunningham, Mrs. M. Cunningham, Mrs. H. N. Lumley, Mrs. A. K. Rossetter, Mrs. Hoston Strick, Mrs. Garrison, Mrs. C. E. Denton, Mrs. M. A. Callaway, Mrs. William Vickery, Mrs. Stovall, Mrs. Shadoin and visitors, Mrs. Barnd Gillispie of West Palm Beach, Mrs. Harry Throp of Enterprise and Mrs. Tench.

Daughters Of Wesley Meet At Laney Home

The home of Mrs. E. H. Laney was the scene on Tuesday evening of the regular meeting of Daughters of Wesley Class of the First Methodist Church. The business meeting was presided over by Mrs. J. Brodie Williams and the devotional based on the 21st Psalm, was read by Mrs. Helen Schultz.

Reports were heard from standing committees and a market basket sale was held for the benefit of the building fund. Mrs. Roy Tilla, Mrs. J. C. Davis assisted Mrs. M. L. Wright were appointed as a nominating committee to secure officers for the coming year.

Cowan's Features Back-To-School Styles in Fashion Show Presented At Opening

Amidst beautiful bouquets of summer blossoms and greenery with a host of other guests, a fashion show was presented at the opening of the new Cowan store on First Street. During the evening the elegant models wore the latest in back-to-school fashion.

One of the largest crowds ever to gather in Sanford for a formal opening night, gathered at the store Saturday afternoon. The show was presented by R. T. Cowan, then son R. T. Cowan, Jr. and other models of the store.

Each model showed a variety of styles which included a variety of back-to-school styles, including a variety of blouses, dresses, and accessories.

The show was presented by R. T. Cowan, Jr. and other models of the store. The show was a success and the store is expected to be a big success.

The group voted to hold a market basket sale at each meeting and the study entitled "The Bible and Human Rights" was taught by Mrs. E. C. Williams.

Refreshments were served at the conclusion of the meeting to Mrs. Williams, Mrs. W. A. Hunter, Mrs. Williams, Mrs. Daniels, Mrs. W. H. Kirby, Mrs. M. L. Wright, Mrs. J. J. Carter, Mrs. Z. B. Raffel, Mrs. J. N. Azzavella, Mrs. J. P. Thummond, a visitor, Mrs. R. A. Brantley and the hostess.

MENU

By CECILY BROWNSTONE Associated Press Food Editor

EAS VLUNCHEON Tomato and Beef Bouillon, Crispy Crackers, Chef's Salad, Hot Rolls, Fire Cream Cake, Beverage (Recipe for Stuffed Dish Follows)

CHEF'S SALAD Ingredients: 1 peeled clove garlic, 1 small head lettuce, 1 bunch watercress, 1 small cucumber, 1 bunch radishes (sliced), 1 cup diced celery, 4 hard-cooked eggs (chopped), 1 cup thin strips of chicken, tongue and Swiss cheese, salt and freshly ground pepper, French dressing.

Method: Cut the garlic clove into 1/2 inch slices and rub the inside of a salad bowl with the pieces; discard garlic. Toss the lettuce leaves, watercress, cucumber, radishes, celery, eggs, chicken, tongue, and Swiss cheese. Sprinkle with salt and pepper and French dressing. Mix by tossing lightly with a wooden fork and spoon; taste and rectify seasoning if necessary. 6 servings.

An easy way to serve fresh shrimp for a supper dish is to cook, shell, and clean them, then toss them in butter or margarine just until they are hot. Serve them immediately with a wedge of lemon, a baked potato, and a green salad. Flavor the dressing for the salad with garlic for a zesty touch.

Slice a banana lengthwise and then arrange the flat thin slices innards over salad greens for an attractive salad. Add almost any other fresh fruit in season—melon, berries, peaches—and serve with sour cream dressing.

The all-time record steel production in the United States was 59,641,000 tons in 1944, a war year.

Eggs are one of the oldest and most widely used foods for man. Practically unknown to farmers of the United States two decades ago, rotenone is now among the most widely used insecticides of plant origin.

Lake Superior with an area of 31,820 square miles is believed to be the largest body of fresh water in the world.

PURSE SNATCHER

There were some things he wanted—and he needed money to buy them. What's wrong with that?

Nothing wrong with that. We all want many things that cost money. But most of us learned long ago the difference between earning and stealing. . . this boy hasn't! Oh, he may understand that difference in terms of *method*. But he doesn't understand it in terms of *moral principle*.

And even a prison sentence will probably not teach him the truth he could have learned as a child in the Church.

Wise parents, begin immediately to give your children the priceless gift of religious training in the Church!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday	Matthew 6:10-14
Monday	John 12:1-8
Tuesday	Proverbs 11:1-5
Wednesday	Matthew 13:1-17
Thursday	Proverbs 1:1-7
Friday	Matthew 6:25-34
Saturday	Proverbs 1:18-33

If you desire a schedule of readings for the year, write to American Bible Society, Dept. U, 150 Park Ave., N. Y. 22, N. Y.
