

Killer finally confesses to murder

Seven years after being convicted of murder, Anton Meyers finally confesses and points police to body

By Michelle Jeris
Managing Editor

LAKE MARY — It appeared a week ago Anton Daryl Meyers was going to renege on a deal he made to get off death row. On Monday, however, the convicted killer finally gave the confession authorities have waited 14 years to hear.

Chief Richard Beary, Lt. David Guildford and Assistant State Attorney Chris White, Meyers confessed to raping and killing 14-year-old Kathy Engels in 1987. The statement is part of a deal Meyers made almost two weeks ago with state prosecutors to reduce his first-degree murder conviction and death sentence to second-degree murder, with a chance of parole after 25 years.

Engels disappeared on May 25, 1987. Witnesses told authorities the girl was spending the night with a friend and was last seen in a vehicle with Meyers.

At the time, Meyers told investigators he had offered Engels a ride home and dropped her off at a 7-Eleven on Lake

Mary Boulevard. Although police suspected Meyers in the disappearance, he was not immediately arrested since a body was never found.

Investigators finally gathered enough evidence to take the case to court in 1994. According to testimony, while in prison for unrelated rape charges, Meyers confessed to cellmates that he took Engels into a field late at night and tried to rape her. When the girl fought back, he slashed her throat and watched her die. The evidence was enough for a jury to find Meyers guilty of first-degree murder and to sentence him to death.

Investigators have found more than 90 percent of the skeletal remains of a body they believe DNA testing will prove is Kathy Engels.

Neighbors up in arms over new apartments

Flooding, no buffer zone and poorly constructed wall top complaints

By Christopher Patton
Staff Writer

SANFORD — A county neighborhood more than five decades old never realized how much trouble new development could be until the city of Sanford approved the construction of three-story apartments in their backyards.

Sunland Estates on U.S. Highway 17/92 was the site of some of the first homes built for military personnel who served at Sanford Naval Air Station. For many years the county neighborhood enjoyed relative anonymity, but slowly new city development moved closer to their homes.

On Dec. 18, 2000, Sanford City Commission approved the site plan for the 260-unit Wyndham Place Apartments just north of the neighborhood. Residents claim they were not adequately notified of the hearing, as they had successfully fought a similar apartment complex plan years before and a storage unit complex a decade before that.

"It's not everyday I get a certified letter," said resident Laura Fernandez. "I would remember having to sign out on that."

Nonetheless, the Wyndham Place Apartments was unanimously approved, but not without heated discussion from Commissioner Randy Jones. According to the minutes, Jones immediately tried for a vote to deny approval because "he reported he drove to this site yesterday and it is right in someone's backyard."

Greene promotes stars and stripes

By Michelle Jeris
Managing Editor

LAKE MARY — In a move acknowledging the patriotic mood of most Americans, Mayor Thom Greene issued a proclamation Thursday allowing all city employees to display or wear the U.S. flag.

The proclamation stems from recent reports from around Florida indicating some individuals have been prohibited from flying or wearing the national flag. Greene said he has heard of no similar reports in Lake Mary, and Thursday's proclamation was made to assure city employees they are encouraged to display the flag.

"The events of the last week are bad enough, but for some reason, some people in the U.S. think wearing or displaying the U.S. flag is wrong," Greene said. "I want to make sure every employee of Lake Mary knows it is OK to wear or display the American flag."

Earlier this week, there were reports of several Miami-Dade County firefighters refusing to ride on a fire engine carrying the American flag. According to a Miami-Dade Fire-Rescue spokesman, the firefighters saw the flag on the truck and refused to ride, telling other crew member the flag represented oppression. However, the

Thom Greene
Lake Mary Mayor

"The events of (two weeks ago) are bad enough, but for some reason some people in the U.S. think wearing or displaying the U.S. flag is wrong."

firefighters later said the flag was removed because it was in the way, and they never refused to get on the fire truck.

Residents in other areas of the state have complained home owner associations also prohibit displaying the American flag in front of residences. Gov. Jeb Bush recently said such restrictions would not be tolerated during this time of tragedy.

Greene said Thursday no American should be denied the right to show their support for the

Sanford freezes all city hiring activities

Mayor expected to produce more cuts in operating budget

By Dan Ping
Editor

SANFORD — The city of Sanford has suspended all hiring, expect for positions in the police and fire departments, and Mayor Brady Lessard, along with city staff, is expected to unveil more cuts at a City Commission work session in October.

Though the fiscal belt tightening comes two weeks after terrorists attacks in New York and Washington, D.C. increased the likelihood of an economic slow down, Lessard said he has been researching a host of cost-cutting measures since he took office in April.

"This is not something that we've come up with overnight," Lessard said. "I've been talking with (City Manager) Tony (VanDerworp) and (Finance Director) Donna (Watt) for several weeks before the terrorist attacks occurred."

"However, in light of those events two weeks ago and the slow down in the economy, I think we must be more efficient in our operations."

At the top of Lessard's list is an evaluation of all the city's positions to determine if there is redundancy.

"The city has between 16 and 26 vacancies at any time," Lessard said. "I've kept an eye on this for the past year, and the vacancy level stays about the same."

Another 15 to 25 employees are absent daily for illness, vacation or other reasons, Lessard said. Combine the vacancies with absences, and 30 to 50 positions are vacant every day.

Chalking up Wins

So far the rebuilding has gone quite well. In a season where there were a lot more questions than answers for Seminole Athletic Conference football teams, the first half of the season has been quite a surprise.

Page 1B

Burglars use torch in bank heist attempt

On Monday, Sept. 24, at approximately 2:59 a.m. the Regions bank, located at 505 Wekiva Springs Rd., had an attempted burglary to the drive thru ATM.

The perpetrator(s) used welding/steel cutting equipment to cut the rear door to the ATM building. They appeared to have been interrupted, because no entry was made to the building and they left all of the equipment behind.

The rear door was also manually pried, unsuccessfully. Because of the close proximity of the building to Wekiva Springs Rd., the perpetrator(s) may have been highly visible to passing traffic on the corner of Wekiva Springs and E. Lake Bentley Rd.

If you have information, or may have seen the suspect(s), contact Investigator Nate Wilkerson, Seminole County Sheriff's Office, 407-665-6600.

County ponders Lynx changes

By Christopher Patton
Staff Writer

SANFORD — A Lynx transportation study revealed to county commissioners Tuesday left several asking questions about how they can improve the bus system for county residents and businesses.

While the study revealed the majority of the riders used the bus to travel to Orange and Osceola counties, commissioners looked for more ways to serve the county internally.

Currently, Lynx provides the county with seven bus routes that serve about a million passengers annually. However, the majority of the routes run north and south, ignoring growing communities in Oviedo, Lake Mary and Winter Springs.

"The service provided on 17/92 and State Road 436 serves primarily the people who live in Seminole County and have jobs in Orange County," said county planner Tim Jackson of Lynx's two main Seminole County routes.

"Are we just giving this service for employers in Orange County? It sure sounds like it," Commissioner Randy Morris said.

Commissioners Carlton Henley and Daryl McLain wanted to know what kind of jobs are these people leaving the county for and argued that similar jobs are probably available here in Seminole County.

"Most of the routes go north and south to Orlando. Is that still pertinent today since we've become such an employment

center ourselves?" said County Manager Kevin Grace before the meeting.

According to the study, interviews with key Seminole County leaders also revealed similar sentiments as they wanted more routes near business centers like Lake Mary Boulevard and the Interstate 4 corridor.

McLain encouraged county staff to "recreate our bus system" and "to think out of the box." He directed staff to find out if the people who are riding the bus an hour and half could have the same employment opportunities only a half hour away.

The Seminole County Lynx service is in bad shape as the county staff scrambled to make

As part of Seminole High School's Homecoming festivities, Justin McKinney and Jolene Gurtis were crowned king and queen during halftime of the Seminole's game against Sandlewood.

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

Late card makes birthday unhappy for mother

DEAR ABBY: I'm going to be 65 soon. Yesterday I got a call from my daughter telling me: "Sorry, I'm going to be late with your birthday card again this year. I don't have time to get one. I'm really busy. We're working on the house, and I got a new job. I'll send you one in a few weeks." My daughter knows how much I love getting cards and being remembered. However, she thinks it's funny when she says, "I got your card, but I can't find a stamp. Maybe you'll receive it sometime next year."

Dear Abby

Are there other daughters like mine, or is she the only one? I'd like other daughters and sons to know that when your mother is gone, she's not coming back. Take a little time now, while she's alive, to show her you love her. Thanks, Abby.

SAD MOTHER IN TEXAS

DEAR SAD MOTHER: Yes, there are other daughters and sons like yours. And you're right, life isn't a dress rehearsal. Every moment is precious.

Knowing how you feel, your daughter appears to have a warped sense of humor and to enjoy withholding what makes you happy. You have described a person who thinks the world revolves around her.

DEAR ABBY: My husband and I have a 15-year-old daughter I'll call Anna. She's a good girl and has a very casual boyfriend, who is also 15. Occasionally they get together at our house to talk.

Anna and her dad think she should be able to visit with her boyfriend upstairs in her bedroom. I feel that even though their relationship is innocent, eventually Anna will become more interested in boys. Therefore, it's a good idea that all visitors of the opposite sex be entertained in a common living area — like the living room, family room or kitchen. Then these kids can occasionally be checked on.

Abby, please let me know your opinion.
NOT UPSET YET

DEAR NOT UPSET YET: I agree with you. There is less temptation when everything is out in the open.

DEAR ABBY: With regard to the column you printed about the woman who wore a tongue stud while being interviewed for a job: As a teacher, I talk to classrooms of students about how they dress and what their attire conveys to the people who see them.

I ask these students: "When you see someone dressed like a policeman, what do you think that person does? When you see someone dressed like a nurse or a doctor, what do you think that person does? If you saw someone walk into a bank with a stocking pulled over his head, what would you think? How about when you see someone wearing a business suit?" etc. Finally, I ask, "What are you trying to say to people when you dress?"

What we wear is a statement to the people around us. How we dress, tattoo, pierce, style our hair and present ourselves is an expression of who we are, and a message to the people we encounter. Do not be defensive if they react to the message you are sending.

LEA IN MINNESOTA

DEAR LEA: You make your point very well.

Dear Abby is written by Pauline Phillips and daughter Jeanne Phillips.

What teens need to know about sex, drugs, AIDS and getting along with peers and parents is in "What Every Teen Should Know." To order, send a business-sized, self-addressed envelope, plus check or money order for \$5 (U.S. funds) to: Dear Abby — Teen Booklet, P.O. Box 447, Mount Morris, IL 61054-0447. Firefighters in training

Firefighters from the Longwood Fire Department recently visited Genesis Pre-School in Longwood. The firefighters discussed fire safety and presented various demonstrations to the students.

Herald photo by Tommy Vincent

DUI

• Donald Kolinsky, 39, of Sanford was arrested by Sanford police Monday for driving under the influence and reckless driving.

Police responded to the intersection of State Road 46 and Central Park Drive in reference to a traffic crash. Kolinsky was one of the parties involved in the crash and officer smelled alcohol coming from his breath. He failed all field sobriety tests, but wasn't given a breath test until three hours after the crash. Blood alcohol content tests revealed a reading of .045.

• Melanie Wood, 40, of Sanford was arrested by deputies Saturday for driving under the influence and possession of marijuana.

• Adam McDonnough, 25, of Sanford was arrested by Sanford police Saturday for driving under the influence, reckless driving, marijuana possession, drug paraphernalia, driving on the wrong side of the road and failure to obey a stop sign.

• Jay Howard, 25, of Lake Mary was arrested by deputies for driving under the influence after he was witnessed driving erratically.

• James Wilhite, 37, of Lake Mary was arrested by deputies for driving under the influence after a deputy noticed the man stopped in the right hand lane of French Avenue with his eyes closed.

• Jimmy Vigil, 41, of Geneva was arrested by Sanford police for driving under the influence and reckless driving after officers observed oncoming traffic swerving to avoid Vigil's tan pick-up.

• James Hall, 34, of Sanford was arrested by deputies for driving under the influence after deputies witnessed him cross the center line with both driver side tires.

• Dennis Harvey, 43, of Sanford was arrested by Sanford police for driving under the influence, reckless driving, driving without

insurance, driving on a suspended license and marijuana possession.

• Lake Mary police arrested Kathleen Shaw, 24, of DeLand for driving under the influence.

• Daniel Gebon, 18, of Lake Mary was arrested by Longwood police for driving under the influence and possessing alcohol under the age of 21.

• Patrick Murphy, 34, of Sanford was arrested by deputies for driving under the influence. Murphy was actually stopped by an off duty Orange County deputy that was traveling home. The deputy stated he witnesses Murphy cross lanes on Interstate 4 six times within one mile. When asked for a driver's license Murphy gave deputies a credit card.

• Jeff Curtis, 36, of Sanford was arrested by Sanford police for driving under the influence after officers noticed him sleeping in his vehicle at the Toys R Us parking lot. Curtis was sleeping in the driver's seat with the engine off, but the keys in the ignition.

Larceny
Freddy Rivera, 27, of Sanford was arrested by deputies Monday after witness statements established probable cause that he stole an inflatable shark from the front of Albertson's grocery store.

Robbery
Pecell Wise, 35, of Sanford was arrested by Sanford police Monday night for robbing the Handy Way located at 303 E. 25th St. According to several witnesses, Wise entered the store removed a one quart bottle of Budweiser

beer from the cooler and then proceeded to the counter. He then struck the cashier over the head with the bottle and demanded her open the cash register.

Wise escaped, but several witnesses gave detailed information about what he was wearing and the vehicle he was driving. Less than three hours later a county deputy spotted Wise's vehicle on the description given by the witnesses. Wise led deputies on a short high-speed chase until he ran his vehicle into a power pole at the corner of 20th Street and Airport Boulevard. He then tried to outrun the deputies.

According to the report, Wise admitted to the crime and said he was under the influence of crack cocaine at the time. He was charged with robbery with a weapon and aggravated battery by Sanford police. Deputies charged Wise with fleeing police in a high-speed chase, resisting an officer and reckless driving.

Possession

• Leroy Cody, 38, of Sanford was arrested by county deputies Sunday after they witnessed him near a beer can that was cold to the touch and a marijuana blunt that was still warm to the touch. He was charged with marijuana possession and open container violation.

• Courtney Smith, 21, was arrested by Sanford police Saturday night. While being strip searched at the jail, staff found a plastic bag sticking out of his behind. The bag contained 22 cocaine rocks. He was charged with cocaine possession with intent to sell and smuggling contraband into the jail.

• Deandre Smith, 24, of Sanford was arrested by Sanford police after officer noticed several white pills in her hand during a routine traffic stop. She was charged with possession of a controlled substance without prescription.

• Leroy Walker, 42, of Sanford was arrested by deputies for possession of marijuana.

OUT & ABOUT

WED 26

Seminole Towne Center is hosting Kid's Night 5 to 8 p.m. Wednesday, Sept. 26, for children 12 and under, in the mall's Food Court.

The Central Florida YMCA will be registering children for its Safe Start Survival Swim program. Kid's Night is sponsored by Seminole Towne Center food retailers, who will give special discounts to kids every last Wednesday of the month, beginning Feb. 28, excluding December. Entertainment will also be provided and kids will receive free gifts from participating stores.

SAT 29

The Sanford Lakeside Lions Club will host its annual spaghetti dinner and Bingo 4 to 8 p.m. Saturday, Sept. 29, in the Sanford Civic Center.

Cost is \$5 and will benefit the Lion's Sight Program. Children under 5 are free. Tickets are available from any Lion member or call 407-330-5238.

MON 1

The third annual Femmes de Coeur fashion show and luncheon featuring The Best of Jacobson's Fall 2001, will be held 10 a.m. Monday, Oct. 1, in the Renaissance Resort at Seaworld.

Proceeds from the event benefit Arnold Palmer Children's Cardiac Care Center and The New Hope Center for Grieving Children. For ticket information, call Meredith McWalters at 407-774-9671, Jo Leet at 407-865-5960, Jackie Littleford at 407-644-0358 or Sheila Brown at 407-862-6575. Tickets are \$65, \$100 and \$150.

TUES 2

A Conventional Spanish Class, offered by Daytona Beach Community College's Center For Business and Industry, will begin Tuesday, Oct. 2.

The class, which will be taught by Magda Gomez, is for the beginning student who wants to learn the fundamentals of spoken Spanish. Learn to greet people, ask directions, and other points of being able to communicate when in a Latin country or speaking with a Latin neighbor.

The class will be held 6:30 to 8 p.m. Tuesdays from Oct. 2, through Dec. 11, at DBCC, Four Townes Campus, Room 109, 336 East Highbanks Road, DelBary (just off Enterprise Road). The cost of the class is \$63.75. For further information or to pre-pay and reserve a spot in the class, call Mary Capelotti at 386-228-3090, ext. 2015.

WED 3

The Over-50 Dances will restart on Wednesday, Oct. 3. The dances are from 2 to 4 p.m. in the Sanford Civic Center, located at the corner of Sanford Avenue and East Seminole Boulevard. The cost is \$3, which includes refreshments. Music is provided by the Dellonans 12-piece band and is sponsored by the Over-50 Club of Sanford.

Obituaries

WILLIE J. ALLOWAY

Willie J. Alloway, 77, of West 23rd Street, Sanford, died Saturday, Sept. 22, 2001, in his residence.

Born May 20, 1924, in Goshen, Ala., he was a retired custodian for Florida Manor. He was a member of New Bethel M.B. Church, where he served as deacon. He was also a U.S. Army veteran.

Survivors include a son, Calvin Alloway of Chlin, Belgium; three daughters, Alberta Rivers of Cairo, Ga., Selena Alloway of Sanford, and Jacqueline D. White of Beaumont, Texas; four sisters, Ivey Penerton of Mansfield, Ohio, Selena Herndon of Glennwood, Ala., Lubertha Debose of Sanford, and Verba Mae Brundidge of Goshen, Ala.; eight grandchildren; and seven great grandchildren.

Wilson-Eichelberger Mortuary Inc., of Sanford is in charge of arrangements.

ROBERT "BOBBY" LEE ASHCRAFT JR.

Robert "Bobby" Lee Ashcraft Jr., 19, of Dirksen Drive, DeBary, died Sunday, Sept. 23, 2001, in Deltona.

Born in Sanford, he was a lifelong resident of Central Florida. He was of the Protestant faith and a college student. He was a member of Boy Scout Troop No. 560 of DeBary and enjoyed computer art and cars.

Survivors include his parents, Robert and Teresa Ashcraft of DeBary; two brothers, Jason Lee Ashcraft of Deltona and Eric Charles Ashcraft of DeBary; and grandparents Robert H.

Ashcraft of Sanford, Ella Marie Ashcraft of Chester, W. Va., and Charles and Marilyn Getgen of Sanford.

Memorial donations may be made to Boy Scout Troop No. 560, c/o Emmaus Lutheran Church, 2500 S. Volusia Ave., Orange City, FL, 32763.

Altman-Long Funeral Homes of DeBary is in charge of arrangements.

DONALD EUGENE BROWN

Donald Eugene Brown, 69, of Old Geneva Road, Geneva, died Monday, Sept. 24, 2001, in Life Care Center, Altamonte Springs.

Born July 14, 1932, in Akron, Ohio, he resided in Central Florida for 39 years. He was a retired painter in texture coating and was of the Baptist faith.

Survivors include his wife, Lorine Brown of Geneva; two daughters, Marcy Ann Gay of Sanford and Donna Sue Fitzgerald of Winter Springs; three brothers, Robert Brown of Winter Springs, William Brown of Daytona Beach and Dennis Brown of Sorrento; two sisters, Norma Jean Gross and Nancy Atcher, both of Winter Springs; four grandchildren; and two great grandchildren.

Banfield Funeral Home of Winter Springs is in charge of arrangements.

HENRY LEE COLEMAN

Henry Lee Coleman, 52, of Callahan Street, Winter Park, died Sunday, Sept. 23, 2001.

Born in Winter Park, he was a landscaper and of the Protestant faith.

Survivors include two sons, Stacey Coleman of Orlando and Henry Coleman Jr., of Winter

Park; three daughters, Le'Andra, Triana and Cassie, all of Sanford; a brother, Frank W. Coleman Sr., of Winter Park; three sisters, Rosella Jones of Hollywood, Liz Montgomery of Williamsburg, Va., and Clara Singleton of Winter Park; two sisters-in-law, Marian Allen of Bronx, N.Y., and Janice Coleman of New Jersey; an uncle, Willie J. Allen of Winter Park; two aunts, Mary L. Allen of Winter Park and Mazzola Allen of Altamonte Springs; and six grandchildren.

Golden's Funeral Home Inc., of Winter Park is in charge of arrangements.

VIVIAN S. DARE

Vivian S. Dare, 87, of Paddock Court, DeBary, died Friday, Sept. 21, 2001, in Florida Hospital Fish Memorial.

Born in New York City, she moved to DeBary in 1991. She was a member of St. Ann's Catholic Church in DeBary.

Survivors include three daughters, Virginia Paul of DeBary, Angela Gardner of Jacksonville, Ala., and Barbara Rogers of Jacksonville, Fla.; a brother, Patrick Scancarella of Fort Lauderdale; a sister, Mary Saccucci of DeBary; 11 grandchildren; and two great grandchildren.

Memorial donations may be made to the American Lung Association, 1740 Broadway, New York City, N.Y., 10019. Baldauff Family Funeral Home of Orange City is in charge of arrangements.

GRACE MAE HIERS

Grace Mae Hiers, 90, of Blairsville, Ga., died Saturday,

Sept., 2001, in Hiawassee, Ga. Born in Marion, Ohio, she lived in Sanford from 1928 to 1942, and Enterprise from 1942 to 1991. She was a homemaker and a member of Barnett Memorial United Methodist Church in Enterprise. She was a member of the Enterprise Elementary School ETA in the 1940s and past officer of Enterprise Cemetery Association. She was a former member of the Volusia County Elections Board and taught Sunday School at Barnett in the 1940s.

Survivors include two daughters, Audrey Hiers of Blairsville, Ga., and Susan Wyatt of Lakeland; and two grandchildren.

Baldauff Family Funeral Home of Orange City is in charge of arrangements.

GEORGE HENRY HOMAN

George Henry Homan, 83, of Don Carlos Trail, Deltona, died Saturday, Sept. 22, 2001, in Florida Hospital Fish Memorial.

Born in Wheaton, Ill., he moved to Central Florida in 1952. He was a World War II U.S. Army veteran, and a retired cemetery sales manager for Deltona Memorial Gardens. He was a member of Deltona Golf and Country Club and loved to play golf.

Survivors include his wife,

Eleanor Homan; a son, George H. Homan Jr., of Palm Beach Gardens; a daughter, Sharon Burns of Vidalia, Ga.; two grandchildren; and four great grandchildren.

Memorial donations may be

made to a charity of donor's choice.

Baldauff Family Funeral Home of Orange City is in charge of arrangements.

Obituaries

DIAN P. JONES
Dian P. Jones, 52, of East 20th Street, Sanford, died Saturday, Sept. 22, 2001, in Orlando Regional South Seminole Hospital.
Born Nov. 11, 1948, in Sanford, she was a public assistant specialist for the state of Florida. She was a member of Spirit of Truth Church.

Survivors include two sons, Samuel L. Jones Jr. and Jermaine Jones, both of Sanford; three daughters Yekertina Williams, Chakenna Jones and Shantora Wright, all of Sanford; seven brothers, Clifford Pringle of Glendale, Ariz., Ronnie Pringle of Long Island, N.Y., Marvin, Frederick and Eric Pringle, all of Sanford, Henry Pringle of Junction City, Kan., and

Gregory Pringle of North Brunswick, N.Y.; four sisters, Carolyn Troutman of Lake Monroe, and Deborah Dorsey, Victoria Ilugbusi and Tammy Griffin all of Sanford; and five grandchildren.
Wilson-Eichelberger Mortuary Inc., of Sanford is in charge of arrangements.

EDWIN G. NICHOLS
Edwin G. Nichols, 76, of Grassy Point Drive, Lake Mary, died Friday, Sept. 21, 2001.
Born in Middletown, N.Y., he moved to Central Florida in 1979. He was a retired businessman in retail sales, a World War II Navy veteran and a member of the Masonic Lodge in Butler, N.J.
Survivors include his wife, Dorothy Nichols of Lake Mary; a son, Thomas E. Nichols of New Port Richey; a daughter, Ginnie Cortroneo of Lake Mary; a sister, Lillian Bott of Kinnelon, N.J.; and four grandchildren.

Woodlawn Carey Hand Longwood Chapel is in charge of arrangements.

JANICE IDABELLE POWELL-CASTO
Janice Idabelle Powell-Casto, 72, of West French Avenue, Orange City, died Friday, Sept. 21, 2001, in Florida Hospital Fish Memorial.
Born April 11, 1929, in Canton, Ohio, she moved to Orange City in 1985. She was a homemaker and did volunteer work at Florida Hospital Fish Memorial. She also enjoyed interior decorating and was the original owner of Orange Isle Camp Grounds in Port Orange.
Survivors include her husband of 15 years, Butch, of Orange City; a son, Troy Casto of Orlando; a daughter, Jayne Reece of Daytona Beach; two brothers, James Bracken of Carrollton, Ohio, and Jack Bracken of East Canton, Ohio; three sisters, Norma Karcher of Orange City, Shirley Pritchard of Canton,

Ohio; and Joanne Lindimore of Orange City; and several grandchildren.
Baldauff Family Funeral Home and Crematory of Orange City is in charge of arrangements.

MILTON S. SAMEC
Milton S. Samec, 65, of Deltona Boulevard, Deltona, died Thursday, Sept. 20, 2001.
Born in Chicago, Ill., he moved to Central Florida in 1989. He was a retired custodian for Walt Disney World and a member of Stetson Baptist Church in DeLand. He was a Cub Scout leader.
Survivors include two sons, Kenneth Samec of Deltona and Michael Samec of Fox Lake, Ill.; three daughters, Denise Ortiz of Bowling Green, Ky., Cindy Pudlik of Carl Stream, Ill., and Trish Atkinson of Middletown, Calif.; 13 grandchildren; and two great grandchildren.
Tri-County Cremation Service of

Longwood is in charge of arrangements.

LAWRENCE PHILLIP STARR
Lawrence Phillip Starr, 73, of Gerona Avenue, Deltona, died Friday, Sept. 21, 2001, in his residence.
Born in Miami, he moved to Central Florida three years ago from Hollywood Beach. He was a U.S. Navy World War II veteran, a professional truck driver for 50 years and a block and brick mason for 50 years. He was a member of Our Lady of the Lakes Catholic Church, the VFW in Hollywood, the American Legion in Hollywood, and the Lake Forest Fire Department, where he volunteered for 40 years. He was a Miami Dolphins and Florida Marlins fan.
Survivors include two daughters, Debbie Starr and Teresa Starr Blundell, both of Deltona; two brothers, Jack Starr of Celebration

and Patrick Starr of Labelle; a sister, Elizabeth Stans of Dothan, Ala.; and two grandchildren.
Four Towns Cremation Inc., of Orange City is in charge of arrangements.

WILLIAM L. THOMPSON
William L. Thompson, 80, of Elkcam Boulevard, Deltona, died Saturday, Sept. 22, 2001, in Florida Hospital Fish Memorial.
Born in Grand Rapids, Minn., he moved to Central Florida in 1976. He was a lieutenant in the U.S. Navy during World War II, and a retired salesman-pharmacist.
Survivors include his wife of 30 years, Ladonna Thompson; a son, William L. Thompson of Aurora, Ohio; a daughter, Elizabeth Ann Ficher of Santa Barbara, Calif.; a stepdaughter, Robin Schoen of Pierson; and six grandchildren.
Baldauff Family Funeral Home of Orange City is in charge of arrangements.

County prepares for flooding

By Christopher Patton
Staff Writer

SANFORD — In a matter of a couple months Seminole County has gone from drought conditions to taking flooding precautions.

The county commission with direction from Sheriff Don Eslinger passed an emergency ordinance Tuesday to establish a no wake zone on the St. Johns River between Lake Jesup and Lake Harney.

With a possible front stalling over Florida over the next week the flooding conditions might get worse before they get better. The expected front may stall south of Seminole, but since the St. Johns flows from south to north, the rain will still affect Central Florida's waterways.

The National Weather Service

began a new program Sept. 19 when they routinely monitor the levels of the St. Johns River. To check on the river conditions residents can listen to NOAA weather radio or in the near future the conditions will be posted on the Internet at www.srh.noaa.gov/mlb.

"We know there is some minor flooding occurring on the west side of Lake Monroe and also around Lake Harney closer to Geneva," said National Weather Service meteorologist Peggy Glitto after surveying the area Monday and last week.

There is also flooding of several docks near DeLand, said Glitto. "We started off with a very wet summer and there's not much rain seeping into the ground right now," Glitto said. "Certainly if the river would go up another foot we would see a more severe

impact."

According to Glitto, Central Florida is considered out of the extended drought with the rain tables back to normal and "we're not out of the rainy season yet."

"We're looking for the normal rain fall for next three months," Glitto said.

Two things that can cause more than normal rainfall are stalled cold fronts and tropical systems. The storm season doesn't end until the end of November and Glitto reminds residents in November 1994 tropical storm Gordon caused significant flooding along the St. Johns River.

"That affected the area in mid-November and we already had a wet year that year," Glitto said.

Christopher Patton can be reached at cpatton@seminoleherald.com or 407-322-2811.

Herald photo by Tommy Vincent

Seminole County Juvenile Judges Donna McIntosh, center and Nancy Alley, right, look to Guardian Ad Litem volunteers like Clyde Beal, left, to keep the court focused on the welfare of children.

Volunteers make sure children's needs are met in court process

By Christopher Patton
Staff Writer

SANFORD — Rarely do judges look to a third party for direction, but Donna McIntosh and Nancy Alley consider Guardian Ad Litem volunteers as the "eyes and ears of the court."

"They provide valuable assistance to the court that helps us stay focused on the child's welfare," Seminole County Juvenile Judge McIntosh said.

Fellow juvenile Judge Alley added, "We use them mostly in 100 percent dependency cases to go out in the field to interview people connected with the child — to be our eyes and ears of factual data we can not go out and check on."

For more than two decades, Florida juvenile courts have utilized community volunteers to advocate the best interest of abused and neglected children in dependency cases. The Seminole County Guardian Ad Litem program is currently seeking new volunteers for the ever-growing number of abuse, neglect and custody dispute cases.

While there are many reasons for becoming a volunteer, they all say they do it first and foremost for the children. Other benefits include sharpening courtroom skills. McIntosh was a volunteer in the 1980s while she studied law at the University of Florida. Others volunteer for spiritual fulfillment, like current Seminole volunteer Clyde Beal of Lake Mary who is a retired engineer.

Few requirements make the program easy for any member of the community to get involved. To be eligible applicants must be: 21 years old; possess good judgment

and common sense; present favorable references; consent to a record check; and have a sense of caring and commitment to children.

"Unfortunately we have many more children that are brought before the court that are victims of abuse and neglect that don't have a voice in the courtroom because we're it," said circuit director Nancy Armstrong. "We're the only people that provide a voice to them in the courtroom. So if we don't have enough volunteers then some children go without having someone speaking for them."

Twenty-four hours of training classes over a two-week period helps prepare volunteers while a constant hand from a full-time case manager oversees and guides them through the process.

Some cases can last for years, but according to Beal, much of the guardian's time is consumed during court sessions. There is much time leading up to the court proceeding and that is when volunteers are interviewing anyone who has an impact in

the child's life such as parents, teachers and doctors. They also regularly visit the child.

According to McIntosh, there is a fear that the recommendations of the volunteers is what the judges follow, but they are only piece of the hearing.

"The department or the parents' attorneys have other agendas that are different from the child's because the parent's attorney are protecting their clients' rights and the department is after the whole family not just the child," explained Armstrong how the child advocate is a third party representing the child's interest. "They have as much standing in the courtroom as anyone else including the parents and the department."

Guardian Ad Litem training will be held at the Juvenile Justice Center, 190 Bush Boulevard, on Nov. 9, 10 and 16. Any interested parties can contact Myrna at 407-665-5370.

Christopher Patton can be reached at cpatton@seminoleherald.com or 407-322-2811.

The 35+ employees of RACK ROOM SHOES send our sympathy and prayers to the families devastated by the horrific terrorist attacks on September 11th. We deplore the cowardly acts that led to so much tragedy.

Americans have shown that we are a strong and determined people. We have reached to the aid of other countries in their times of need throughout our history. America can and will pull together to heal. We stand strong against anyone who attacks our way of life.

RACK ROOM SHOES salutes the heroic men and women of the medical, police and fire forces whose incredible bravery has made us proud to be Americans.

RACK ROOM SHOES will contribute a portion of every sale in our 35+ stores on Saturday, September 29th to the American Red Cross to help the injured in New York, Washington DC and Pennsylvania during this difficult time.

God Bless America

ATTENTION ALL PERSONS OR ENTITIES WHO PURCHASED CERTAIN "INDIRECT VITAMIN PRODUCTS" (as defined below) BETWEEN JANUARY 1, 1990 AND DECEMBER 31, 1999

PLEASE READ THIS SUMMARY NOTICE CAREFULLY AND IN ITS ENTIRETY

WHY SHOULD I READ THIS SUMMARY NOTICE?

Your rights may be affected by class action lawsuits and/or lawsuits filed by the State Attorneys General pending in the District of Columbia, Arizona, Florida, Hawaii, Idaho, Illinois, Kansas, Maine, Michigan, Minnesota, Nevada, New Mexico, New York, North Carolina, North Dakota, Puerto Rico, Rhode Island, South Dakota, Tennessee, Vermont, Washington, West Virginia, and Wisconsin (the "Settling States"). Courts in the Settling States have preliminarily approved a settlement agreement (the "Settlement Agreement") providing for partial settlements of these lawsuits, appointed counsel for the Settlement Classes ("Class Counsel"), and scheduled hearings to consider the fairness, adequacy, and reasonableness of the proposed settlements.

WHAT ARE THE LAWSUITS ABOUT?

Plaintiffs, on behalf of themselves and all other similarly situated persons and entities, together with the attorneys general of each of the Settling States (the "State Attorneys General"), allege that defendants BASP Corporation, Daiichi Pharmaceutical Co., Ltd., Eisai Co. Ltd., Aventis Animal Nutrition S.A. (formerly known as Rhone-Poulenc Animal Nutrition S.A.), Hoffmann-La Roche Inc., Roche Vitamins Inc., and Takada Chemical Industries Ltd. (the "Settling Defendants") and certain related entities have, among other things, unlawfully conspired to fix, raise, maintain, or stabilize the prices of, and allocate volumes, markets or customers for, certain vitamin products, and that such conduct violated the antitrust and/or consumer protection laws of the Settling States and injured the Settlement Classes. The Settling Defendants deny any liability.

WHAT ARE INDIRECT VITAMIN PRODUCTS?

Indirect Vitamin Products include (a) vitamin A, astaxanthin, vitamin B1 (thiamin), vitamin B2 (riboflavin), vitamin B4 (choline chloride), vitamin B5 (calcium), vitamin B6, vitamin B9 (folic acid), vitamin B12 (cyanocobalamin), beta-carotene, carotenoids, vitamin C, canthaxanthin, vitamin E, and vitamin H (biotin); (b) products containing, or constituted of (in whole or in part), any of the foregoing, including blends and pre-mixes; and (c) products derived from animals that consumed any of the foregoing. Indirect Vitamin Products do not include bulk vitamins or pre-mixes purchased directly from certain manufacturers.

WHO IS IN THE SETTLEMENT CLASSES?

The Settlement Classes include a Consumer Settlement Class defined as all natural persons (excluding the Released Parties) who purchased Indirect Vitamin Products for use or consumption by themselves and/or others and not for resale in any form, and who: (i) were residents of one or more of the Settling States as of October 10, 2000; and (ii) purchased Indirect Vitamin Products from within one or more of the Settling States at any time during the Relevant Period.

You need not take any action to remain in the Consumer Settlement Class and you will be represented by Class Counsel and the State Attorneys General. The Consumer Settlement Fund will be distributed by trust to charitable organizations and other eligible entities.

The Settlement Classes also include a Commercial Settlement Class for each Settling State except Hawaii. The Commercial Settlement Class includes all persons or entities (excluding government entities and the Settling

Defendants) who, during the Relevant Period, made any purchase of Indirect Vitamin Products for resale, for incorporation into another product for resale, or for use in the manufacture, processing, or development of another product (including the feeding of an animal) for resale, where such purchase was (a) made by a buyer in one or more of the Settling States; (b) made from a seller in one or more of the Settling States; or (c) delivered by or on behalf of the seller to the buyer in one or more of the Settling States if the buyer's principal place of business was in one of the Settling States; provided that the purchase did not include bulk vitamins or pre-mixes purchased directly from certain manufacturers; and further provided that such purchase was not a "California Purchase" as that term is defined in the Settlement Agreement. Such California Purchases are the subject of similar class action litigation in California. You may obtain information relating to the California litigation by calling 415-956-1253.

You need not take any action to remain in the Commercial Settlement Class and your rights under the Settlement Agreement will be represented by Class Counsel. If you wish to file a claim against the Commercial Settlement Fund, you must submit a claim form so that it is received by the Settlement Administrator on or before January 7, 2002.

If you wish to exclude yourself from the Consumer and/or Commercial Settlement Classes, you must submit a request for exclusion so that it is received by the Settlement Administrator on or before December 7, 2001, even if you have filed your own lawsuit.

WHAT ARE THE PROPOSED SETTLEMENT TERMS?

In exchange for the release of the claims of the Settlement Classes, the Settling Defendants have agreed to pay up to \$225,250,000.00 (the "Settlement Amount") for the benefit of consumers and businesses in the Settling States.

If you choose to remain in either or both of the Settlement Classes you may, but are not required to, appear in person at the settlement fairness hearings and/or submit comments regarding the fairness, adequacy, and reasonableness of the proposed settlements.

If the settlements are finally approved by the courts, the judgments entered will bind all persons and/or entities in the Settlement Classes who do not timely and properly exclude themselves, and their claims against the Settling Defendants and related entities shall be forever released and dismissed. You are urged to obtain more information as described below in order to preserve your rights.

HOW CAN I OBTAIN ADDITIONAL INFORMATION?

You may obtain additional information concerning the proposed settlements (including hearing dates, claim forms, and requests for exclusion) by (a) writing to the Settlement Administrator: Indirect Vitamin Antitrust Litigation, P.O. Box 8909, Melville, NY 11747-8909; (b) by calling 1-800-424-6662; or (c) visiting the internet web site located at www.vitaminlitigation.com.

You may direct any other questions you may have concerning the Settlement Agreement or this Summary Notice to either Plaintiff's Lead Counsel: David Boles III, Straus & Boles, LLP, 10513 Braddock Road, Fairfax, Virginia 22032 or Liaison Counsel for the State Attorneys General: Kathleen Harris, Deputy Chief, Antitrust Bureau, Office of the Attorney General of the State of New York, 120 Broadway, New York, NY 10271.

The Barn raises \$2,300

Herald photo by Michelle Jerta

A local night spot raffle to help raise money for the Red Cross did twice as much than expected. The Barn manager Kella Taylor announced that the weekend raffle and bumper sticker sale raised \$2,300. Taylor said she would be happy to raise \$1,000, but with the help of many Sanford businesses and the Barn's customers she was able to shatter her predictions. "We did a lot better than I anticipated," Taylor said. "I was really excited." According to Taylor a regular customer donated several NASCAR paraphernalia pieces which helped motivate raffle ticket buyers a little more.

Freeze

Continued from Page 1A

"I would argue that anytime you routinely operate without 10 percent of your workforce, you've got too many positions," Lessard said.

As of Monday, the city has 14 positions, excluding police and fire, that have not been filled. Two of the positions have been vacant since June 18, and eight have gone unfilled for at least six weeks.

In a memo to the City Commission, VanDerworp said Lessard had directed the city's management team to create a list of precautionary measures to take if there is a recession, as well as long-term budget cuts to improve the fiscal status of the city. Among the recommendations were:

- Freeze all hiring for newly created positions and those posi-

tions that are currently vacant. VanDerworp could ask for a lifting of the freeze for certain vacancies which create unique hardships for the department.

- Review and suggest cuts in each department's operating budget for computer purchases, travel, operating supplies, contract labor, vehicle purchases and equipment purchases.

- Analyze the financial status of the city's revenues, contingencies and reserves to determine what affects an economic slow down would have on operations.

- Propose long-term programs in case of an extended recession.

Lessard told commissioners Monday night that his cutbacks are aimed at preventing mass layoffs in the future.

"Understand that I'm talking about positions, not people,"

Lessard said. "I'm not suggesting we lay a bunch of people off. Rather, we need to take a hard look at all of our positions and determine whether that position is necessary. If it isn't, then when the position becomes vacant, we eliminate it."

"We're charged with making sure we never face a situation — during a time of recession or no recession — where we have to tell some of our employees they don't have a job," Lessard added. "I also want to make sure the people who work for us are well compensated and have good health insurance. I've always said I'd rather pay a few people a lot of money than a lot of people a little money."

Dan Ping can be reached at dping@seminoleherald.com or 407-322-2611.

Briefs

Upcoming reunion
Although a Seminole High School Class Reunion for the class of 1981 won't be held until sometime in October, efforts are underway to locate as many old classmates as possible in advance. A definite date remains to be set, possibly based on the SHS Homecoming Game. For information, phone Ginny Bishop Lyden at 407-678-3942 or visit the class website at www.SHSClassof81.com

Volunteers needed
The Salvation Army of Seminole County needs volunteers for court ordered supervised visits and monitored exchanges. This amazing group of volunteers make it possible for children and parents to have a fun, safe place to visit and maintain a positive relationship. For information phone 407-322-2642, ext. 233.

This Week's Feature

Tammy's Custom Bakery

The sweet smells of bread and pastries are wafting through downtown Sanford. Almost one year ago, Tammy Coleman and her husband, Jeff, opened Tammy's Custom Bakery at the corner of Sanford Avenue and 2nd Street. For Tammy, it's the culmination of 20 years of hard work. "I've been in this business a long time," Tammy said. "Opening this bakery is something I wanted to do because I believe the old style bakeries can do a better job than grocery store bakeries."

Tammy got her training at the DeLand Bakery, which provided outside services to a local grocery store chain. The chain eventually began its own in-house bakery, where Tammy worked for several years. "The thing I didn't like is that I couldn't be creative," Tammy said. "If a customer wanted a special cake, we couldn't make it unless it was in the book. There was no custom work."

Tammy said she likes doing the custom work because it's a challenge to meet the customer's expectations. She said wedding cakes are her special, but she will do just about any type of cake. "I've made cakes in the shape of fire trucks, baby diapers, erupting volcanos — pretty much anything you can think of," she said. "If you give me a day's notice, I can cus-

Tammy Coleman (pictured) and husband Jeff opened their bakery at the corner of Sanford Ave. and 2nd St.

tomize a cake for you." A resident of Volusia County, Tammy said Sanford is an ideal place for her business. "I chose Sanford because I thought Sanford needed a little bakery," Tammy said. "I had looked at Mt. Dora, but it was too far to drive. Plus, they already have three bakeries, and Sanford didn't have any." For more information about the bakery, call 407-302-4110.

Apartments

Continued from Page 1A
His motion died for lack of a second.

To alleviate some of the concerns of having three-story apartment buildings looking into the residents' backyards, commission required the developer to construct a masonry wall with stucco finish and a double row of canopy trees along the southern and eastern borders of the complex.

Nearly a year later the apartment complex is coming along nicely, but absent from the development is a masonry wall and canopy trees. What is there is a Styrofoam and stucco wall and what appears to be no room for any trees. Neighbors say they are upset that the construction has altered their way of life.

Fernandez helped organize a meeting of the neighborhood last Saturday to compile a list of concerns to bring before their county commissioner Daryl McLain and the city of Sanford.

"There's been lots and lots of complaints," Fernandez said. "I wonder how many of the [city] commissioners actually went out and looked at the property before they approved it. We don't vote for them — they could care less for us."

According to residents, the construction has brought increased flooding in the neighborhood and construction workers are using their streets to park trucks, which all may be causing a reported sink hole at the back of the neighborhood.

Recently, Jones said he took a

chunk of the Styrofoam wall down to city wall and "asked if this qualifies as masonry."

"According to the developer they submitted plans for that wall," Jones said. "I don't know if they were trying to sneak one by or if it was a lack oversight of the city. It doesn't matter — I said no Styrofoam."

As for the double row of canopy trees Jones admits there is little room to plant them between the 125 parking spaces planned to be along the wall more than four feet over the neighborhood.

Large trees and their root systems will eventually ruin the masonry wall that will replace the Styrofoam one.

"All you have to do is look at the sidewalks around town to see that," said Jones.

Hedges may provide better visibility protection for the nearby residents, Jones said.

Owen Reagan, principal engineer of the county's stormwater division, is looking at the drainage problem with the developer this week. According to Owen, much of the flooding problems may not be a direct result of the apartments, but rather all the developments that have come since Sunland was built.

"I'm pretty confident we'll work out everything to everybody's satisfaction," he said. "A possible solution is taking some drainage from Sunland to new systems outside of the neighborhood."

Christopher Patton can be reached at cpatton@seminole-herald.com or 407-322-2611.

County

Continued from Page 1A
up for a \$600,000 shortfall in the county's 2001/2002 transportation budget. The county is paying about \$2 for each trip while the fare box is paying only ninety cents. Several commissioners agreed more of the burden has to be taken up by the customer.

"I agree with Commissioner McLain that the rider has not made a great commitment to this system," Henley said. "I for one believe the rider should be asked

to contribute more as the cost goes up."

Several ways were discussed on how to fund new bus lines including selling advertising on bus shelters and asking for more money from the county's cities.

"We need to move forward on the shelters," Commissioner Grant Maloy said. "We've been talking about this for two or three years now. This isn't rocket science here."

Chairman Dick Van Der

Weide and Grace met with the county's seven cities mayors and city managers Sept. 20 to discuss how to overcome the transit funding shortfalls. Grace said the cities "seemed receptive to the idea" to helping make public transportation better in the county.

Currently only Sanford, Altamonte Springs and Oviedo contribute to the county's transit funding, but their combined \$265,000 is only about 10 percent

of the overall cost. The majority of the revenues that fund the transit budget come from the 1/9-cent gas tax.

In October, commissioners will begin to take action toward reworking the transit system and finding new ways to fund it including the potential of bus shelter advertising.

Christopher Patton can be reached at cpatton@seminole-herald.com or 407-322-2611.

Confession

Continued from Page 1A

Earlier this month, Meyers made a deal to spare his life, telling authorities he would show them where he buried Engels' body. Prosecutors agreed when the body was found and Meyers confessed to the murder, his sentence would be reduced.

Meyers drew a map and led investigators last Wednesday to the site where he buried Engels; and on Friday, remains were discovered at the location. However, Meyers apparently had second thoughts about the deal, telling prosecutors someone else had killed Engels.

On Monday, investigators and forensic experts completed their work recovering Engels' remains. Meyers, who once again changed his story, confessed to raping and murdering the 14-year-old not far from where bones and clothing were unearthed.

In his most recent confession, Meyers told authorities, that under the guise of taking Engels home, he stopped in the wooded lot on Lake Mary Boulevard near Longwood/Lake Mary Road and tried to have sex with the teen-ager. When she fought back, he raped and killed her and then buried her body in the wooded lot.

In late 1991 or early 1992, Meyers returned to the area after he discovered the property was up for sale, Chief Beary said. He planned on removing the remains so they would not be found.

Meyers changed his plans, however, when vines and roots made it difficult to remove the bones. Instead, he smashed the skull and scattered the pieces so the remains could not be identified.

Monday's confession and recovery of the remains does not mean Meyers is off death row. The remains will be submitted for DNA testing, and Meyers must still confess to his crimes in front of Circuit Court Judge Allen Dickey before he is re-sentenced.

A date has not yet been scheduled for Meyers to appear before the judge, and DNA testing will take several weeks.

If, in the end, authorities are not satisfied with what Meyers says, he will still face execution. If the sentence is reduced, Beary said he does not believe the convicted killer will be granted parole.

"I find it very difficult to believe that a parole commission will release a convicted rapist who also confessed to another rape and the murder of a 14-year-old," Beary said.

Michelle Jeria can be reached at mjjeria@seminoleherald.com or 407-322-2611.

What did we do to tick off Mother Nature?

Do remember just a few months ago when we were all wondering if it was ever going to rain?

Well sometimes you get more than you asked for, and I think we are getting too much rain, especially when a sporting event is planned.

It was a beautiful and sunny morning and afternoon this past Friday and it appeared like it was going to be a near-perfect evening as well, what with the weather people only predicting a 20-percent chance for the overnight hours.

But around 6 p.m. you could start to hear the faint rumblings of thunder off in the distance and by 6:30 p.m. the storm was heard and making an awful racket.

Just before 7 p.m. Sanford was hit with a full-blown gully-washer and Homecoming activities, not to mention my deadline, was in jeopardy.

For a half-hour or so it rained about as hard as anyone has seen in a while, and even though there was not much lightning, there was still enough water standing on the field and seating areas to delay the start of a game for the third time in four weeks.

Fortunately, the rain stopped and did not linger into the game, but I still felt sorry for the young men and women of the Homecoming Court, not to mention their parents who were to take part in the festivities, because they had to endure uncomfortable conditions in their finest clothes, and most with new hair-dos and hair cuts.

I remember the same thing happening back in 1974 during my senior year and seeing the young ladies' new looks get ruined by the rain. It was not the kind of experience you are supposed to get from Homecoming.

But we should have expected a heavy rain because over the past four months every time a big event has been planned for Sanford, or Seminole County for that matter, rain has been a major problem.

It all started back in June with the City of Sanford Recreation and Parks Department Babe Ruth Baseball Cal Ripken League City Championship Series.

With the All-Star Tournaments on the horizon and school graduation programs being held, league director Tom Kelly did a masterful job of scheduling around the rain to get the tournaments in. A couple of players did miss a game here and there because of school obligations, but the absences did not hurt the teams.

Sanford then had the opportunity to show off its new Chase Park Youth Sports Complex to the rest of the area as it won the right to host three Cal Ripken District Tournaments.

But once again, things did not come off as hoped. See Rain, Page 2B

Weekend sweep for Lake Mary girls

By Dean Smith
Sports Editor

LAKE MARY — Who needs rest? The Lake Mary High School girls cross country team proved this weekend that its members are in terrific shape as the Rams claimed team victories in both the Winter Springs Invitational and their own rescheduled Lake Mary Classic.

The Rams dominated both events, placing four runners in the top 10 in both meets.

In the Winter Springs Invitational on Friday at Central Winds, Lake Mary bested the host Bears, 32-63, behind junior Jessica Zabel who won the overall title, finishing 19 seconds ahead of runner-up

Cross country team wins at both Winter Springs and Lake Mary

Richardson from First Academy. Lake Howell's Abbie Day was third, followed by the Rams duo of Megan Williams and Astrid Claessens. Julie Halsey was seventh for Lake Mary.

On Saturday back on their home course, the hosts again won handily, 52-71 over Dr. Phillips. Zabel finished second to Oak Ridge's Lavesa Morris by just under three seconds, with Oviedo's Jenny Barringer finishing a distant third. Williams was fourth for the Rams with

Claessens sixth and Halsey ninth.

In the boys' races, Edgewater and Oviedo picked up the team victories at Winter Springs and Lake Mary, respectively.

The Eagles nipped Winter Park by one point, 48-49, at Central Winds Park, but it was Seminole High School's Grant Baker who claimed the individual gold, finishing a whopping 28 second ahead of Jimmy Kirsch from Winter Springs. At Lake Mary the Lions topped Lake

Howell, 58-74, with Dr. Phillips, the host Rams and University rounding out the Top 5.

But it was junior Omar Morales of the Silver Hawks winning the individual title by over 11 seconds over Dr. Phillips' Kenneth Jesensky.

Mike Guider was the top runner for Oviedo, finishing third. Jason McClung was 10th for the Lions.

Ben Siress and Clay Eubanks were also in the Top 10 for Lake Howell, running fourth and fifth, respectively.

This week will find Lake Brantley hosting the Freshman and Sophomore Seminole Athletic Conference Championships at Tom Storey Field on See Cross Country, Page 2B

Winning football

Brantley unbeaten, four more over .500

By Dean Smith
Sports Editor

TITUSVILLE — So far the rebuilding has gone quite well.

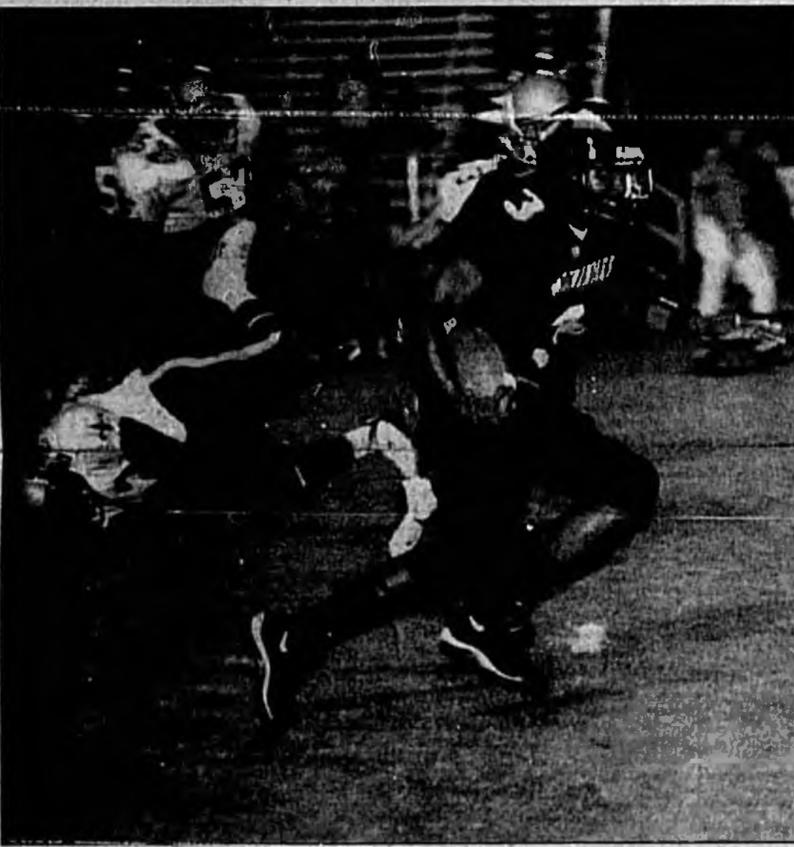

In a season where there were a lot more questions than answers for Seminole Athletic Conference football teams, the first half of the season has been quite a surprise.

Lake Brantley (4-0) remained the only undefeated team in the SAC on Friday as the Patriots picked up their second last-second win over a Jacksonville squad in five days on Friday with a 35-32 overtime victory over Mandarin at Tom Storey Field.

But three other teams, Seminole, Oviedo and Lake Howell (see story below) all improved to 3-1 on the season and Winter Springs raised its mark to 2-1 with a make-up game remaining with Mainland.

Lake Mary (2-2) got back to .500 when it upset previously unbeaten Titusville, 18-10, on the road.

The only team that is struggling is Lyman (0-4), but the Greyhounds have been improving steadily behind the outstanding play of junior quarterback Victor Johnson and are on the verge of going on a

Herald photo by Tommy Vincent

running back Tim Hampton (No. 3, black uniform) returned from a two-game absence because of injury to catch a 26-yard touchdown pass to help Seminole win its Homecoming game, 17-14, over Sandalwood.

This will probably be the biggest week of the season so far for the SAC teams as for the first time all seven teams will be playing district games outside of the county and most will be on the road.

In Class 6A-District 1 games,

Lake Brantley (2-0) will be at DeLand, Seminole (1-0) will be at Jacksonville-Ed White and Oviedo (2-0) will be at Jacksonville-Mandarin.

In Class 5A-District 3, Lake Mary (2-0) will host powerful Mainland in its Homecoming game at Don T. Reynolds

Stadium, Lyman (0-1) will be in Deltona to take on Pine Ridge, and Winter Springs (1-0) will be at home, hosting winless Spruce Creek at the A. Wayne Epps Sports Complex.

In a Class 4A-District 5 contest, Lake Howell (1-0) will See Football, Page 2B

Seminole victorious in boys volleyball

By Dean Smith
Sports Editor

WINTER SPRINGS — Coach Jon Brown's Seminole High School boys volleyball team continued its outstanding season Monday night, rolling to a straight-game road victory over Winter Springs.

Kolby Norris had eight kills and three blocks and setter Shane Larson had 21 assists as the Fighting Seminoles won 15-2 and 15-11 to improve to 12-4 in the Seminole Athletic Conference battle.

Lake Howell also picked up a huge victory, upsetting Lake Brantley, 15-11 and 15-8 in a Seminole Athletic Conference match on the Silver Hawks' home court.

Joey Forrester recorded five kills and Stephen Brace added four kills as Lake Howell improved to 3-5, while the Patriots fell to 5-3.

In games on Wednesday, Lake Brantley will host Oviedo, Winter Springs will be at Lake Mary, and Seminole hosts Lyman. The junior varsity matches begin at 6 p.m., with the varsity set to start at 7 p.m.

This Saturday will find the Pop Warner Football League playing another round of Mid-Florida Conference games.

Apopka will take on Lyman at the Carlton Henley Sports Complex; Oviedo will be at Daytona; Kissimmee faces Lake Mary at Don T. Reynolds Stadium; Dr. Phillips will tackle Lake Brantley at Tom Storey Field, Pine Hills (Evans) battles Sanford at Seminole High School's Thomas E. Whigham Stadium; and Lake Howell squares off with Winter Springs at the A. Wayne Epps Sports Complex.

Lake Howell wins third straight 37-0

By Dean Smith
Sports Editor

DAYTONA BEACH — The comeback is complete.

For the second time in as many games the Lake Howell defense held its opponent without a touchdown as the Silver Hawks improved to 3-1 with a 37-0 victory over Port Orange-Atlantic in a non-district encounter at Daytona Beach Municipal Stadium.

The victory was the third straight for Lake Howell, which was coming off three sub-par seasons for coach Mike Bisceglia's Silver Hawks program.

Lake Howell will be looking for its fourth straight win this Friday when the Silver Hawks

host Class 4A-District 5 for Satellite starting at 7:30 p.m. at Richard L. Evans Field.

A roughing the kicker call allowed Lake Howell to take a 3-0 lead on Jason McNeerney's field goal midway through the first quarter, and the visitors upped the lead to 9-0 when Chris Narsesian hauled in a 31-yard touchdown pass from quarterback Joe Furjanic with three minutes to play in the opening period.

Narsesian and Furjanic hooked up again moments later on a 72-yard touchdown to make the score 17-0.

Things then really got out of hands a minute later when Patrick Rhiner picked off his second pass of the week, snag-

Herald photo by Tommy Vincent

Chris Narsesian (No. 10, blue uniform) caught touchdown passes of 31- and 72-yards from Joe Furjanic as Lake Howell won its third straight game, 37-0, over Port Orange-Atlantic at Daytona Beach Municipal Stadium Saturday.

Football

Continued from page 1B

look to stretch its winning streak to four games when it hosts Satellite at Richard L. Evans Field.

All of the games are set to begin at 7:30 p.m. Things did not look good for the Rams on Friday at Draa Field in Titusville as, trailing 10-6, they drove deep into Terrier territory three times only to fail on fourth down each time.

But the Lake Mary defense held each time and with slightly more than three minutes remaining, the Rams found themselves facing a fourth-and-two.

This time, Titusville could not stop tailback Will Allison, as he burst up the middle for a 51-yard score.

Less than a minute later Terriers quarterback Michael Bernard's desperation pass was picked off by Lake Mary's Keith Rivers and returned 35 yards to close the scoring.

The Rams defense was in a turnover state of mind as it recovered two fumbles and picked off two passes as Titusville fell to 3-1 overall and 1-1 in Class 5A-District 3.

For the second straight game Lake Mary was forced to play in less than perfect conditions as the contest was played in a steady drizzle and was halted for 30 minutes in the third quarter because of lightning.

Winter Springs and Lyman did not suffer from problems with the weather at the Carlton Henley Sports Complex and it showed as the first half saw the Bears take a 21-15 lead in a game that more resembled a track meet than a football game.

But the Bears' defense stepped up in the second half, holding the Greyhounds to 48 rushing yards and only six points, with only 44 seconds left on the clock, while first-year head coach Steve Katz saw his offense continued to click, scoring 21 second-half points, 15 in the third quarter, on the way to a 42-21 triumph.

Running back Chauncey Hampton and wide receiver Kyle Hill had big offensive games for Winter Springs, Hampton rushing for two touchdowns and 205 yards on just 15 carries and also catching a 44-yard touchdown pass from Jimmy Lanier, and Hill scoring twice on a 40-yard pass from Lanier and a 40-yard punt return.

Johnson again was marvelous for Lyman, rushing for 87 yards on 21 carries, including a 14-yard touchdown run and two-point conversion, and also throwing for 87 more yards, including a 30-yard touchdown pass to Cormart Franklin.

Hawks

Continued from page 1B
ging a deflected pass and crossing the field on his way to the end zone to make it 24-0 at halftime.

All told, the Silver Hawks forced three turnovers in the first half despite having to play without star all-around player Brandon Marshall, who was ejected after an illegal hit in last Monday's victory over Palm Beach-Bayside.

The Sharks held the ball for seven minutes on their opening drive of the second half, but came up empty again as Rhiner recorded his second interception.

John Williams, who led Lake Howell with 121 yards rushing, had a 49-yard burst for a fourth-quarter score, and Aaron Spies concluded the scoring on a three-yard run with 3:33 remaining.

Individual Statistics for Silver Hawks 37 vs Sharks 0: Rushing, Receiving, Passing, Punting

Cross Country

Continued from page 1B

Rain

Continued from page 1B

While Kelly was able to get the tournaments in on time, rain forced schedule juggling and the wet conditions kept an expected larger turnout of fans down and made things very uncomfortable for the fans that did attend.

Sanford was not the only ones suffering at that time with rain problems as the Oviedo Sports Complex and the West Seminole PONY Baseball facility also had to reschedule several of their tournament games which hurt attendance.

The next weekend, it was Oviedo and DeLand that were saddled with weather problems.

Oviedo was hosting the Babe Ruth District Tournament and lost a whole day to rain, while DeLand was hosting the popular Firecracker American Legion Tournament and ended up having to move games to four other facilities, including Seminole High School, to get all of the games in.

Sanford Campbell-Lossing American Legion Post 53 head coach Rod Ferguson was the next to suffer the wrath of the weather gods as the Fourth of July/Johnny Jones Memorial

Tournament at Seminole High School's Alumni Field, the District Tournament at Lake Brantley High School and the Area Tournament in Ft. Pierce all had major problems with rain.

But those problems were just a glimpse at what was to come.

For over a year, Ferguson, his committee and Post 53 had been making big plans to host the American Legion State Tournament and several improvements and renovations had been made at Alumni Field to show the state just how good Sanford is at hosting tournaments.

Then Tropical Storm Barry decided to pay the area a visit that weekend and very nearly ruined everything.

This time DeLand got to return the earlier favor and hosted several games at Conrad Park and the tournament was wrapped up, on schedule, on Sunday, but heavy rains had the schedule all messed up and several planned activities had to be either rescheduled, or canceled all together.

And while the turnout was good, the attendance was nowhere near as large as it was expected to be.

And last, but certainly not least, was the scheduled reopening of Historic Sanford Memorial Stadium and the ASA Super Slow Pitch Softball Championships set for two weeks ago.

The events were already in doubt because of the terrorist attacks in New York and Washington, D.C., then Tropical Storm Gabrielle came through and washed out everything, denying Sanford another chance to put its best foot forward.

But that rainout may have been a blessing in disguise, because with all of the festivities being canceled, the ASA and City of Sanford were able to reschedule the whole thing from the beginning.

And with the Grand Reopening Ceremonies and the tournament being re-set for the weekend of October 18th, the event may even be better than it would have been in September.

While it is always good to be in Florida, October is normally when we get our mildest and most fall-like weather of the year, temperatures in the upper-70's and low 80's and much less humidity, with bright blue skies and very little rain. At least, let's hope so.
