JULIUS BOROS, TO PLAY IN PGA HERE

Boros: Man With A Picture Swing

Jolting Julius Boros, a man with a picture swing and a relaxed, pleasant personality, ended a 33-month victory drought when he won the 1958 Arlington Hotel Open at Hot Springs, Ark.

The \$2,800 first place check was the smallest the easy-going Fairfield, Conn. native ever got for winning a tournament, and he has won six since he started on the PGA tour in 1950.

The victory at Hot Springs did a lot for the "Moose" besides fattening his already robust bank account. In his next 13 tournaments he tied for second three times at Dallas, Chicago and St. Paul, tied for third in the Western Open, placed third in the U. S. G. A. Open and tied for fifth in the PGA Championship.

In all, Jay played 28 tournaments during the first 10 months of 1958 and was in the top five in eight of them as he won \$27,114.27.

Some of his associates feel Boros played better in 1958 than ever before. The record supports this belief.

Besides Dick Mayer, who turned the trick in 1957, Julius, 38, is the only man who has ever won both the "World Championship of Golf" and the U. S. G. A. Open in the same year.

Julius did this in 1952 and he again won the "World" in 1955, his last win prior to the triumph at Hot Springs.

Golf's leading money winner in 1952 with \$37,032 and of 1955 with \$63,125, doesn't blame his last "World" victory for the fact that he failed to win a tournament in the next 33 months.

Thanks to a well-rounded game that features excellent wood, trap and long iron play, 5-11½, 200-pound Julius plays his best golf on the better courses. This probably explains his excellent record in the U. S. G. A. Open, a tournament in which he has missed the top 10 only twice from 1950 to 1958.

In addition to winning this event at Dallas in 1952, Boros tied for second in 1956, was third in 1958, tied for fourth in 1951 and 1957, for fifth in 1955 and placed ninth in 1950.

In his only "bad" Open performance, he tied for 17th in 1953 and for 23rd in 1954.

Bull shouldered Julius as casual on the links as Perry Como on your TV screen, is the ninth highest money winner of all time in official PGA events with a total take of \$168,509 through Nov. 3, 1958.

About 90 per cent of all forest fires in the U. S. are caused by people, says the National Geographic Society, and nearly a third are started deliberately.

Opportunist Jay's victory checks alone account for \$84,000 of this total. Broken down, his first place checks were: U. S. Open (1952) \$4,000, World (1952) \$25,000, Ardmore Open (1951) \$7,200, Carling Open (1951) \$5,000 and World (1955) \$50,000.

Not included in this tabulation is the \$1,000 per exhibition contract Julius signed with George S. May in 1955.

Because of this exhibition contract, Julius played only a handful of tournaments in 1956, placed 44th on the official money list with \$5,358.75.

The one-time Bridgeport, Conn., accountant played mediocre golf for him in 1957, winning a total of about \$12,000, only \$9,321.19 of which was official money as far as the PGA was concerned.

Jay's best 1957 performances were a tie for third at the Greenboro Open and Caracas Inv., third in the Kentucky Derby Open, a tie for fourth in the West Palm Beach Open and a tie for fifth at the Texas and Thunderbird Inv. Opens.

His best competitive rounds in 1957 were 65 at Greenboro and Louisville.

Julius, born March 3, 1920, first hit the limelight in 1944 when as an amateur he was runnerup in the North and South Open. He gained the quarterfinals of the National Amateur the same year.

A professional since Dec. 15, 1949, Jay played only a few events in 1950, winning about \$2,000. He won the modest \$5,000 in 1951 and then hit the jackpot in 1952.

Julius makes little effort to project his friendly personality, doesn't say much but, surprisingly

perhaps, is a good after-dinner speaker. He practices economy in speech but his remarks are pithy.

On the course, Julius doesn't wear a hat, ambles along with an unconcerned air, sometimes with a piece of grass jutting from his mouth.

Jay, of Hungarian extraction, has had his share of misfortune. His first wife died in childbirth in 1951. He later remarried, now

has three children, two boys and a girl, and lives in Ft. Lauderdale, Fla.

Boros operates the golf shop at a resort course owned by his former in-laws at Mid Pine, N. C. Actually, Julius spends only 20 to 30 days a year there.

His brother, Ernie, 30, runs the shop for him, then joins Julius on the summer tour after the course closes.

Eisenhower Plans Georgia Vacation

WASHINGTON (UPI) — The White House said today President Eisenhower would like to go to Augusta, Ga., for a fall vacation soon but that nothing definite has been decided.

The President and Mrs. Eisenhower have vacationed at the Augusta National Golf Club in November every year since he became chief executive except 1955 when he suffered a heart attack. Indications were that if the President and the first lady went to Augusta next week they would stay for Thanksgiving.

The White House said that the President and Mrs. Eisenhower would spend this weekend here.

About 90 per cent of all forest fires in the U. S. are caused by people, says the National Geographic Society, and nearly a third are started deliberately.

DeNucci To Meet Vejar Tonight

BOSTON (UPI) — Undefeated middleweight Joe DeNucci lays a string of 16 straight wins, 14 via the knockout route, on the line tonight when he meets veteran Chico Valdez in a nine-round bout at the Garden.

DeNucci, only 19 and a student at Boston University, has been brought up the flaic ladder slowly by manager Rip Valenti. Tonight's fight being his first against a "name" boxer.

Orange Orange, Green? Court Eyes Color Added

WASHINGTON (UPI)—The Supreme Court today weighed the question whether citrus growers must sell their oranges green. The government contends a dye used by Texas and Florida growers to color the orange skins orange is poisonous. But attorneys for Florida citrus growers told the court Monday that their industry will face "economic disaster" if barred from using a limited amount of the dye. They said the public just won't buy oranges with greenish skin, the natural color of many ripe oranges.

Von Braun Favors Platform In Space

WASHINGTON (UPI)—Army missile expert Dr. Werner von Braun has suggested using a low-level space platform as a springboard for a dash through the deadly band of radiation ringing the earth. He told the 60th annual convention of military scientists this week that the most promising way for future space travelers to avoid dangerous doses of gamma rays.

Octane Is Blamed, Judge Unimpressed

SALISBURY, England (UPI)—The Rev. John Wansley was fined \$40 for speeding today despite his plea that high test gasoline made him drive faster than the 30 mile per hour limit. "A premium motor fuel had been put into the tank, not by me, and I was unaccustomed to its unique powers," he said in a letter to the court. "It made me travel at a higher speed when the accelerator pedal was in the normal position for 20 mph."

Member of Clique, Bulgainin Is Fired

MOSCOW (UPI)—Diplomatic sources reported today that former Premier Nikolai Bulgainin, linked last week for the first time with the so-called "anti-party clique," has been removed from his post as chairman of the State Council in faraway Stavropol. Bulgainin was dispatched to the Caucasus city last summer after his quiet demotion from ministerial rank as chairman of the state bank, the post he had been given after giving up the premiership to Nikita Khrushchev. The ex-leader had been privately criticized for failing to support Khrushchev in the latter's showdown with the anti-party group of former Premier Georgi Malenkov, former Foreign Minister V. M. Molotov, former Deputy Premier Lazar Kaganovich and former Foreign Minister D. T. Shepilov. For the first time, Bulgainin was publicly labelled a member of the deposed clique last Wednesday.

Weather

Generally fair and warm through Wednesday. High today 89 to 90, low tonight 61 to 65. Southwesterly winds 5 to 15 miles per hour today and tonight.

THEY CAME FROM TEXAS—Mr. and Mrs. A. C. Ballard of Temple, Tex., were on the runway Sunday to meet their son, Third Crewman A. C. Ballard Jr., a member of VAH-7's Det. 45. Ballard was one of many who returned to S.N.A.S. after an 11-month cruise on the USS Essex. (Official U. S. Navy Photo)

Long Cruise Ends, Families Reunite

Tender reunions were plentiful last night when the last of VAH-7's Det. 45 arrived at the Sanford Naval Air Station. Eighty-five officers and enlisted men rode to Sanford on two buses, decorated with gay banners. The men docked with the USS Essex in Mayport yesterday morning. Impatience ran rampant as they unloaded their gear before the journey home could begin. On Sunday afternoon, the flight crews of Det. 45 arrived in the last three AJ Savages attached to Heavy Attack Wing One.

4 Officers Killed, 8 Hurt By Gunners

HAVANA (UPI)—Rebel tommycannons killed four and wounded eight policemen here Monday night in a gang-style massacre apparently inspired by the police slaying of four insurgents 10 days ago. It was reported today. Gunmen in a black Cadillac and a grey Chevrolet poured a murderous crossfire into the ranks of police going off duty at the 15th Precinct in suburban Marianao. Four were killed and seven wounded.

Coffee Club Plans Thursday Meeting

The monthly meeting of the Coffee Club of the Seminole County Chamber of Commerce, usually held on the last Thursday of each month at Mrs. Appleby's Valdes Restaurant, will take place Thursday morning according to Charlie Morrison, club chairman.

County Approves Varied Requests

Seminole County Commissioners met this morning in the absence of Chairman John Krider and Fred Dyon. A request by Dol-Ray Manor for county road maintenance through the development was approved. The road was built by the developer and meets all county qualifications. During zoning board hearings, commissioners approved the limited commercial rezoning of land adjacent to the golf course on Wekiwa Springs Road. The board was informed that Charles Bloom, owner, has made plans to build a "rather spectacular" hotel and restaurant in the area.

Students To Speak

Three University of Florida students, including a Seminole High School senior, will be the speakers tomorrow at noon when the Kiwanis Club meets for lunch at the Sanford Civic Center. The program is under the direction of Sanford Doudney.

County Dairy Sales Total \$874,526

The dairy industry is growing in Seminole County, producing some 1,027,248 gallons of milk during the calendar year 1957. This is some 182,248 gallons more than the reported 1,360,000 gallons produced in 1956. Cecil Tucker, County agent, said today. The wholesale value, (the total sales by the dairy producers) for this 1 1/2 million gallons totaled \$874,526. This is using an average whole sale blend price of 59 cents per gallon. The actual price received varies according to the amount of base and surplus milk produced. The retail value of this whole milk—say in the pasteurized form at 27 cents per quart—would amount to some \$1,600,828.

About \$828,574 of the \$874,526 received from farm milk sales was spent by the dairymen as production costs (using average costs per gallon data compiled from 20 Central Florida dairies). Over one-half of these production costs were for feed, which cost some \$414,733. Another \$25,316 was spent on seed, fertilizer and planting, some \$131,588 for hired labor (doesn't include any family labor), and \$23,271 for transportation and hauling of milk. The power and light bill totaled \$11,794, the repair and maintenance bill, \$24,954, the fuel bill, \$7,411; the machine hire bill, \$2,372; and the bill for veterinary services, \$6,818. Taxes and licenses totaled some \$14,370; insurance, \$5,484; and legal and auditing fees, \$2,668. Other miscellaneous costs in the dairying operation totaled \$149,537—of which \$13,415 was for inter-

Officials Believe Charges Preview Of Things To Come

BERLIN (UPI)—The Soviets today accused the United States of violating the four-power status of Berlin by using it as a base for agitation against the Communist world.

At a rare press conference held in East Berlin, the Soviets said that U.S. cold war activity in the city is a damage to peace and to all humanity "and must be stopped."

A Soviet embassy spokesman demanded that the United States halt its "insidious activity."

Two Russians who defected to the West and then returned to the East testified they had been victims of American-backed anti-Soviet organizations.

A former deserted identified as Lt. S. W. Oshinkov, in a statement obviously prepared for him, said American-financed underground organizations in West Berlin violated the Potsdam agreement and the city's four-power status.

Buildup for Action Items developed at the news conference brought no direct threats against the Western position in the city nor did they refer to Soviet Premier Nikita Khrushchev's demand that the four-power occupation of Berlin be ended.

But the press conference seemed to be part of the Soviet buildup for some sort of action against the city.

Soviet embassy press attache M. V. Beburov said the conference had been called to tell the world public about the cold war tactics used by the Soviet Union by the "imperialists."

Belief that a major development was in the works followed a statement today by Johannes Dieckmann, president of the Communist East German Parliament, who said the question of a blockade was up to Khrushchev. The Russian ambassador had been expected to give this view.

Stubbings Becomes Building Inspector

George A. Stubbings, Lake Mary, was hired this morning as Seminole County building inspector by the County Commission.

The board approved Stubbings on a three-month probation, and entered the clause that he will serve at the pleasure of the County Commission.

Stubbings has been a resident of Lake Mary for eight years, and is a well-known builder. He was one of six who passed the City of Detroit Civil Service examination for building inspectors, out of a field of 300.

The new inspector will serve with Chief Building Inspector Don Barnes. The action was taken by commissioners at a public zoning board hearing. John Krider and Fred Dyon were absent.

Seminole County Zoning Board Director, Robert S. Brown, told commissioners this morning that more than 1,600 building permits had been issued since the first of the year.

'Rest In Peace' Is Pious Prayer

LONDON (UPI)—An Anglican church tribunal ruled Monday that the words "rest in peace" constitute a pious prayer and not a command.

The decision overruled the Rev. Raymond Heath, who had refused Mrs. Lillian Cox permission to inscribe the words on her sister's tombstone in his churchyard.

TO GET AWARD—Sanford Air Force Capt. Paul F. Hodgins, at the controls of a troop carrier plane in France, this week will get a "Well Done" award from the Air Force for action that saved the lives of six others and a \$2 million plane.

Sanford Pilot To Get Award

A Sanford Air Force captain this week will receive a "Well Done" award from the USAF in Europe. Capt. Paul F. Hodgins, son of Mr. and Mrs. L. B. Hodgins Sr., 2018 Palmetto Ave., has been approved for the award, a trophy, scroll and other honors. Capt. Hodgins will receive these honors for quick action last July 7, which was credited with saving the lives of five air crew members and a \$2 million airplane.

Florida State May Land Bid To Gator

JACKSONVILLE (UPI)—Two new faces, both formerly regarded as small independents, stepped into the Gator Bowl picture today. Chairman Sam Wolfson of the Gator Bowl Selection Committee, told United Press International his group was now considering Mississippi Southern and Florida State as possible contenders in the Dec. 27 post-season classic here.

"We've checked over Mississippi Southern's record and their last two games warrants putting them on the list," Wolfson said. Mississippi Southern is undefeated in eight games, having beaten North Carolina State 26-14 and Virginia Tech 41-0 the past two weekends.

"FSU definitely is in the picture if they can come up and beat Florida this Saturday," the association committee chairman said. Florida State has been beaten twice while winning seven, including decisive victories over Tennessee and Miami.

Florida State and Mississippi Southern replace Rice and South Carolina in the list. Rice was topped by Texas A & M 28-21, and Southern Methodist squeaked past Arkansas 13-6 Saturday.

3 From Hospital Attend Meeting

Harry Wier, administrator of the Seminole Memorial Hospital, left today for West Palm Beach to attend the Florida Hospital Association state meeting. Wier is secretary-treasurer of the Association.

Mrs. C. E. Butler, president of the Hospital Auxiliary, and Mrs. Frank Woodruff, first vice-president, are also in West Palm Beach for the State Auxiliary meeting, held in conjunction with the Association confab, Nov. 19-21.

Two Cars Collide, First Aid Given

Mrs. Martha Kennedy Yetter gave herself first aid yesterday when she was slightly injured following an accident at the intersection of Warren and Wilma Sts. on Sandalwood Springs Road.

Mrs. Theoline Francis, driver of the other car, was charged with failure to yield right of way by Deputy Sheriff Eubanks, who said she came out of a side street and ran into the side of Mrs. Yetter's auto.

Boosters To Meet; Barbecue Planned

The Seminole High Boosters Club will meet Thursday night in the music room at the school to make final plans for a barbecue Dec. 1 for the A and B football teams. Pete Schirard, club president, said today.

Schirard urged all officers and members to attend. Plans also will be discussed for attendance at the final two local games this year, Schirard said.

John David Todd, Ex-Resident, Dies

John David Todd, former manager of the Pines restaurant (now the Pinescrest Inn), died Monday morning after a lengthy illness. Mr. Todd, whose home address was listed as 1613 Washington St., Henderson, Ky., managed the restaurant for three years. Survivors include his wife, Mrs. Pauline Todd, three sons, John, serving with the U. S. Army, Obby Henderson, Ky., and Carlton, Sanford, and six grandchildren.

AT RECREATION MEETING—Attending the District Two recreation meeting in the Sanford Civic Center were those officials. Left to right, seated, Ralph Van Fleet, field representative for the National Recreation Association; Howard Rohrbacher, District Two vice president. Standing, from left, the Rev. Harold Goers, Mayor Merle Warner, Roy Leitch, head of the University of Florida recreation department, and Ronald Perry, Sanford recreation director. (Bernstein Photo)

Problems Too Many?

'He Had No Feet...'

Often we become so involved in our own problems that we forget that others have greater and more pressing problems.

According to an old story, a man was bemoaning the fact that he had no shoes, until he met a man who had no feet.

This story well could be applied to Seminole County's attitude toward the United Fund, now bogged down and such a long way from its \$36,000 goal.

Persons contributing \$1 to the UF apparently are feeling sorry for themselves because they believe themselves to be less fortunate than others with whom they are acquainted. Some contributors have given 25 cents to help finance the activities of the seven agencies which make up the UF.

A person financially able to contribute only \$1 or 25 cents is to be commended for his contribution. If the giver is financially able to donate \$25 or \$50, and gives only \$1, then he should consider the story of the man with no feet.

Failure of Seminole County to achieve its UF goal is a reflection on the county and all of its people—those who gave generously, little or not at all. It is an admission to the rest of the world that Seminole County is unwilling to take care of its Boy and Girl Scouts, the Salvation Army, USO, Mental Health, Red Cross and the Florida Children's Home Society.

What are senior citizens and others asked to come to Seminole County going to think when they are made aware of this? Are they going to decide this is a good atmosphere in which to live? If Seminole County is not willing to take care of its own, would it be willing to help them if they should call for help? We think these questions need no answers.

It isn't easy to generate enthusiasm for such drives. It is easy to give \$1, \$5, or ask the solicitor to call back. It is easy to give the volunteer worker a "hard luck story" about business. It is easy not to give.

When contributors weigh their gifts against the fine accomplishments of the seven agencies, which tips the scales? We believe there is a deep moral responsibility involved. Nobody really can escape this responsibility, even though he might "brush off" UF solicitors. He must live with the knowledge that he is helping, actively, to deny these agencies the funds they need.

"I was sorry for myself because I had no shoes, until I met a man who had no feet."

Some Positive Proof

A great many wacky items are included in the average day's news. Which shows—there still is humor in the world, although sometimes you have to seek it.

In Hollywood, Jayne Mansfield has threatened to sue a lingerie maker for using her picture to advertise padded undergarments. Says her padding is natural, doesn't need undergarments. Which shows—one way to get publicity is to object to it.

In New York, a man got drunk, stole an airplane and landed it safely on a street, after dark. He had done the same thing two years ago. Which shows—the law of averages isn't what it's cracked up to be.

In Los Angeles, a self-educated inventor who has a device to prevent plane collisions finally was found in a hotel camp where he had fled because he couldn't sell his idea. Now the government will spend \$5 million developing the invention. Which shows—patience always pays, even if you don't have it.

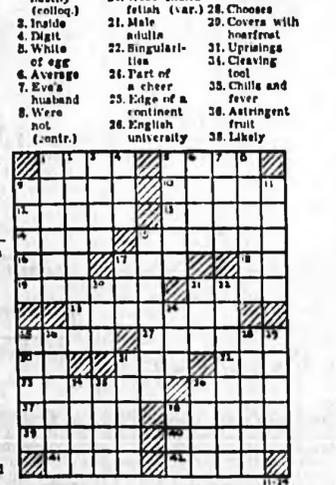

Harry S. Truman and Richard M. Nixon, two politicians of note, have agreed to say nice things about each other. Which shows—politics does make strange bedfellows.

OLD KREMLIN SKIN GAME

Too Late To Classify

By RUSSELL KAY
London is a busy, bustling city today and most of the destruction which occurred during the war is no longer in evidence. Buildings have been restored or replaced by new modern structures. The economic situation is steadily improving.

When we recall the dark days of the war and remember the terrific pounding these Britishers took in their stride we must admire them as a people for their faith, courage and bulldog tenacity.

It was thrilling for us, visiting for the first time such historic spots as Westminster Abbey, the Tower of London, the Parliament Buildings, Buckingham Palace, Piccadilly Circus, Trafalgar Square, St. Paul's Cathedral and many others.

Unique Collection Planned In Areas

Collections for the Lake Mary Volunteer Fire Department building fund will be made on a neighborhood-by-neighborhood basis in the Little Venice and Loch Arbor areas, according to Mrs. Alban Boutwell, captain of the section.

Our editorial group was warmly received by outstanding business and government leaders. A highlight of our visit was a yacht trip down the Thames as guests of the Port of London Authority which gave us an opportunity to see this tremendous and active port.

The Port of London comprises the 43 miles of the River Thames from the Estuary to Teddington and has five great dock systems which have been built up over the past 150 years.

Reputation Saved; Celery Plants Off

Sanford's reputation as "The Celery City" has been saved. The St. Petersburg man got his celery plants, thanks to Cecil Tucker, county agricultural agent.

J. A. Rankin is happy. He has his \$1.50 worth of celery plants. And they didn't cost him a penny. His check was returned.

Proud of his heritage, the average Briton enjoys the pomp and circumstance that attends such events as the Changing of the Guard, installation of the Lord Mayor, the Sixteenth Century uniforms of the Tower of London which dates back to Edward the Sixth (1547-1553), Official opening of Parliament by the Queen and review of the Horse Guards, in full dress, colorful ceremonies that have come down through the years.

Odham May Run, Won't Say Now

J. Bralley Odham, Sanford builder and chairman of the Florida Milk Commission, did not deny that he might run for governor again when questioned on the TV program "Central Florida Showcase", Saturday night.

Odham was interviewed by three representatives from Orlando city clubs. While the schedule called for discussion of the Milk Commission, politics took over.

Immediately after the program, Odham left for DeLand and Stetson University, where he received a distinguished service award during the Diamond Jubilee convocation and homecoming.

School Officials Attend Meeting

Attending the state conference for superintendents and supervisors of County Schools was R. T. Milwee, superintendent; Mrs. W. H. Whitmore, county lunchroom supervisor; Mrs. Margaret Golt, elementary supervisor, and Stewart Gatchel, secondary supervisor.

The conference is being held in Clearwater, today through Wednesday.

He Kept Cool Head

MOUNT CARMEL, Ill.—(UPI)—Farmer Gilbert Wirth kept a cool head when a flash fire broke out in his corn-picking machine. By the time firemen arrived, Wirth had already beaten out the flames with his cap.

Fred Othman Says

By FREDERICK C. OTHMAN
VEGA BAJA, Puerto Rico.—Theodore C. V'Soske, the international rug maker here in the jungle 40 miles from San Juan, told my bride his 400 artisans couldn't very well weave a carpet for her until she decided what color she wanted. This, he said was fundamental.

My bride said she'd take a white the way it came off the sheep, without dye. V'Soske, a patient man, said sheep came in various shades, too, and they went into the wool room where he and his single-eyed customer began sampling wools. Hilda chose a blend, finally of about 40 percent Turkish wool, 40 percent from India, and 20 percent from New Zealand. The latter was to give her carpet a gliten.

By now it was dark and the tropical toads in the jaracanda trees outside the factory were singing like birds. V'Soske took us home to dinner; he lives in a ranch house about 10 miles from the job and someday, when his men get the time, he said he'd order some wall-to-wall carpeting like ours for himself.

True Thanksgiving

(Editor's Note: This is another in a series of articles on Thanksgiving, written by pastors of local churches.)
By THE REV. W. P. BROOKS JR., First Baptist Church

What shall I render unto the Lord for all that he has done for me? Here in these words of Scripture is the consciousness of God's love and kindness and goodness. Here is the response of the grateful heart seeking to give something back to God as a token of our gratitude. What shall it be? Well, there are many things we can do in the line of Christian service and Godly endeavor. But the first and most important is that we shall give ourselves wholeheartedly and without reservations. Some one has said that our greatest contribution is ourself at our best. "My sun-give me thine heart"—is still the plea that comes—and still it is true that to obey is better than sacrifice—During this Thanksgiving season—let's rededicate our best to the Lord of all giving.

He's living now in Florida... V'Soske isn't so much concerned about the well-being of the pudgy one as he is about that rug; he's fearful the solidos have been tramping mud into it.

Income Has Effect On Size Of Family

By LOUIS CASSELL
 WASHINGTON (UPI)—"Big families—the kind they had in grandmothers' day—have come back in style."
 "It's the poor families who have the most children."
 The next time these venerable chestnuts are passed to you in a conversation, you can smile at the speaker and say, "baloney."
 Research by the Population Reference Bureau shows there is no basis for either widely-held belief. Using census bureau reports as raw material, the Bureau made a comparative study of the size of U. S. families in 1910 (grandmothers' day, 1910 before the war), and 1957 (the last year for which figures are available).
 Here's what the study showed:
 The percentage of American families with five or more children declined from 32.1 per cent in 1910 to 15.3 per cent in 1940 to 12.7 per cent last year.
 If you define a big family as one with seven or more children, the decline is even sharper. In 1910, 15.4 per cent of the families were of that size. By 1940, the percentage was down to 6.3, and last year it was only 4.1.
 On the other hand, if you're willing to settle for four children as a "big" family, you can say that 1957 is on a par with 1910. The figures are 11.5 per cent and 11.1 per cent, respectively.
 The really big jump since World War II has been in families with two and three children. In 1910, 55.8 per cent of America's families were in that category. Now nearly half of them—46.0 per cent—are that size.
 There has been a corresponding decrease in the number of families with one child or none. In 1910, one-child households constituted 20.5 per cent of the total. Last year, 15.8 per cent. The percentage of childless marriages dropped from 20 per cent to 12 per cent over the same period.
 As for the notion that poor families tend to be more offspring than the well-to-do, this no longer

Lake Monroe HDC Meets

Plans for the county-wide Christmas party were related by Mrs. J. E. Andrews at the Friday meeting of the Lake Monroe Home Demonstration Club. The group met at the home of Mrs. Clover Marz with Mrs. Andrews as hostess.
 Mrs. Andrews told the group that the party, planned by the council board, will take place on Dec. 5. In other reports, Mrs. J. H. Tindell gave a resume of the October County Council meeting. Mrs. Clover Marz and Mrs. Jack Stanifer Sr. reported that over \$100 has been raised by the club for the United Fund Drive.
 A report on the food meeting and demonstration of salads was given by Mrs. Andrews. She later served delicious refreshments of fruit salad to the group.

Officers Wives Club Sponsors Luncheon At Chimney Corner

Approximately 30 officers wives and their guests attended the Officers Wives Club luncheon held last Thursday at the Chimney Corner Restaurant in DeLand. The tables were attractively decorated with an assortment of brightly colored scarfcrows, turkeys made from pine cones, Indian corn, pumpkins, brown and gold leaves.
 After the luncheon, Mrs. Joe Tully introduced the guest speaker, Mrs. Fred Ganas. Mrs. Ganas instructed the women on the use of native materials in flower arrangements. She assembled several striking Christmas arrangements while answering questions from the wives.
 Door prizes donated by the Greenbrier Rooms of Rutledge of Orlando and the Winstling Oyster, Orlando, were won by Mrs. Don Runyon, Mrs. David Cummins, and Mrs. Katherine Hoiler.
 Hostesses for the November function of the OWV were the officers wives of VAHS Mrs. J. W. Taff and Mrs. Jack Langford were co-chairmen.

Garden Club Circles

MINNOSA CIRCLE
 Plans for the Flower Show were discussed when the Minnosa Circle met at the home of Mrs. W. S. Willis Friday. Mrs. W. B. Meyer was co-hostess.
 Mrs. Ray Peck, chairman, opened the meeting with the members reciting the Garden Collect.
 Mrs. Gerald Hebrons was welcomed as a new member.
 The circle's project is to learn and use the botanical names of trees and flowers. Members described plants, and flowers were identified.
 Plans were also discussed for the therapy project.
 Refreshments were served to the fifteen members present.

JACARANDA CIRCLE
 The Jacaranda Circle met Friday at the Home Demonstration Building.
 Mrs. Fred Ganas conducted a workshop on Christmas arrangements and decorations, creating several attractive and unusual arrangements. She assisted each member in creating her own arrangement.
 A Christmas dinner will be held Dec. 12, at 7 p. m., at the Imperial House. Each member is to bring a gift not to exceed fifty cents in price and to make and wrap a message which will be judged.
 Two guests were present for the meeting.

CENTRAL CIRCLE
 The Central Circle met at the home of Mrs. J. D. Mitchell, Sunland Estates, last Thursday at 9:45 a. m. with Mrs. George McCall as hostess.
 Mrs. Volie Williams Sr., co-hostess.
 Mrs. J. D. Woodruff, introduced by Mrs. McCall, program chairman, presented an interesting talk on exotic plants—exhibiting many beautiful specimens she has grown.
 She also gave the following recipe for plant soil: four parts loam, two parts builder's sand, one-and-one-half parts dairy or sheep fertilizer; two parts peat and one-half cup bone meal. This mixture is especially suited for starting plants and for potted plants.
 Refreshments of sandwiches, coffee and doughnuts were served to the 11 members present.

HIBISCUS CIRCLE
 The Hibiscus Circle of the Garden Club met at the home of Mrs. H. James Gut on Alafetta Ave. Mrs. Gut was assisted by Mrs. Charles Morrison and Mrs. H. A. Moreland.
 Following an interesting talk on organic gardening by W. B. Sims, all refreshments were served.
 American sportsmen bought 34,195 hunting and fishing licenses during 1957, a new high.

 Mrs. John Schirard Jr., Mrs. Harry Lee Jr., and her mother Mrs. Thomas Gallagher, were voted into the chapter as new members.
 Mrs. C. E. Butler addressed the chapter concerning the position of the United States in the United Nations. Mrs. A. R. Key told the history of the chapter from its founding on Nov. 11, forty years ago.
 Mrs. Roumillat gave a report on the District Meeting in New Smyrna. Mrs. Lawrence Tinsley spoke on the Continental Congress which is held annually in April and is attended by thousands of women from all parts of the United States. The Congress meets in Washington, D. C.
 A birthday cake, dainty sandwiches, and coffee were served to approximately 35 present.

Skin Care Tips Given

An occasional touch of pale lipstick and other cosmetics can brighten a very young teenager's life and do her complexion no great harm—that is, if she is taught how to wash her face properly and often.
 This includes learning how to work soap and water into a thick lather between the palms of her hands, and how to massage it into the skin—cleansing neck and ears along with her face. She should learn to rinse her skin thoroughly with warm water, then to repeat the rinsing and warm rinse, followed by a dash of cool or cold water. Last come thorough drying with a Turkish towel to prevent chapping.
 If she sticks to this formula every day in the year, she'll be a prettier girl and will have a minimum of worries about teenage skin eruptions. What's more, she'll begin the sort of sun-and-water complexion care that will keep her skin at its glowing best from sixteen to sixty.

Career Corner

CHICAGO (UPI)—The hand that rocks the cradle also can shoot a .38, says a leading policeman.
 "I believe women can be better utilized to fight and prevent crime."
 "Policewomen fill a more protective than a detective need. Their intuitive and maternal instincts, their natural curiosity and attention to detail make them invaluable in the fields of crime prevention and delinquency," said Dr. Lois Higgins, president of the International Policewomen and chief of the Crime Prevention Bureau in Chicago.
 "Intuition comes in especially handy when they're dealing with women criminals," she added.
 Policing also is a career for ladies who like to live dangerously. Women often are used as decoys. For example, one woman posed as a countess to nab an extortionist, and another as a dope peddler to smash a narcotics ring. But these heroines remain unused. They would lose their value if their identities were revealed.
 Women who are interested in working with young people might well consider this career. All over the world, policewomen rate youth as their first interest. Dr. Higgins reported. The women also become crack shots and expert interrogators. One policewoman, Mamie Lam of Hawaii, recently solved a murder 20 years after the crime.
 "A woman's femininity should be her most powerful and useful weapon in police work. Men are the mind, women should be the heart," said Dr. Higgins.
 "Everyone is amazed to find that the lady is a cop. But what pleases us most is when they find that the cop is a lady," she said.

Autumn Menu Presents Liver

What a great dinner idea for a fall menu—Liver-German Style. The liver in this recipe is pan-fried. An onion gravy and crumbled bacon gives this highly nutritious variety meat a flavor appeal which wins many friends.
Liver—German Style
 6 slices bacon
 1 pound liver, sliced 1/4 inch thick
 1/2 cup flour
 1 teaspoon salt
 1/8 teaspoon pepper
 2 tablespoons vinegar
 1 teaspoon sugar
 Cook bacon until crisp. Remove from frying pan and crumble into pieces. Mix together flour, salt and pepper. Dredge liver in seasoned flour. Brown slowly on both sides in bacon drippings. Remove liver to a hot platter. Add onion, vinegar and sugar in drippings. Bring to boil and cook about 1 minute. Pour evenly over liver. Sprinkle crumbled bacon on top. Yield: 6 servings.

Stretch butter when making sandwiches by whipping in evaporated milk. It won't alter the flavor and makes the butter easier to spread.

LSU First, Auburn Is Third

NEW YORK (UPI)—The Louisiana State Tigers, a band of night stalkers who make their first 1958 daylight appearance next Saturday, remained No. 1 today in the United Press International major college football ratings with two weeks left to decide the mythical national champion.

The undefeated-titled Tigers, who have swept nine night

games, received 23 first-place votes and a total of 308 points from the 35 coaches who rate the nation's teams for UPI. The Tigers meet Tulane in an afternoon game Saturday—probably to accustom their eyes to sunshine for a New Year's Day Sugar Bowl date in New Orleans.

The Air Force Academy, surprise team of 1958, made its first appearance in the top 10. Texas Christian landed in the select group for the first time since the first week of the season and Ohio State moved back into the top 10 after knocking Iowa out of the unbeaten ranks in a Big Ten winging.

Ohio State's triumph caused a shuffle among the powers grouped behind LSU. Army, third last week, replaced Iowa in second place while Auburn advanced from fourth to third. Oklahoma moved from sixth to fourth.

The Big Ten's "Big 4" teams—Wisconsin, Iowa and Purdue—

Mayfair Men Will Have Eight Tourneys In Year

Eight tournaments, including the annual battle for the club championship, are scheduled for members of the Mayfair Men's Golf Association in the coming months.

Kicking off the November-through-June schedule is the tournament next Sunday. The club's year will end on June 7 with the mixed two-ball tourney.

The Nov. 23 turkey tourney will be under the handicap point system with two-man teams. Players will tee off in foursomes. The club's year will end on June 7 with the mixed two-ball tourney.

Perfection Leads, But Sandspur Title Now Up For Grabs

The teams on alyes one and two called it a draw as Roundhill & Anderson won the first game and total pins and Wilson-Maier took the second and third games.

Roundhill's put together games of 194, 141, and 174 for a total of 2,201 pins, which was the high handicap series of the evening in the Sandspurs League. Wilson-Maier's rolled a 739, 752, and 802 for a total of 2,293, missing total pins by only eight points.

The furniture team did have high scratch series of the league with 1,947.

On the middle lanes A. B. C. Garbage Service took all four points from Robson Sporting with 798, 743, 745, to give them a total of 2,286, against Robson's 708, 699, 707 games, 2,114 total pins.

Down on the end, on alyes five and six, a surprised Perfection Dairies lost three points to Wade's Market. With games of 699, 828, and 720 for a 2,247 series, Perfection just couldn't hold down Wade's, who put together games of 713, 744, 799 for their 2,256 series.

Lady Golfers Open Winter Tour Here

The 1958 Ladies PGA winter tour will begin with the Mayfair Inn in Sanford.

Marilynn Smith, president of the Ladies Professional Golf Association has announced that the Sanford tournament, Jan. 9-11, will open a tour offering more than \$50,000 in prize money for the women stars.

Each of the 72-hole tours will be worth \$1,500 in prize money. The Sanford tournament is one of several 54-hole tournaments netting winners \$5,000. One of the features of the winter circuit will be the 72-hole Tiltchulder tournament at Augusta, Ga., March 12-15.

In announcing the Mayfair Inn Ladies PGA tournament, Frank Mebane, manager of the Giant's hotel, said that a clinic will be held at the Mayfair Inn on Jan. 8. Participating will be Patty Berg, Louise Suggs, Mickey Wright and Marilyn Smith.

The Ladies PGA Open follows close on the heels of the annual Mayfair Inn \$15,000 PGA Open, scheduled here Dec. 11-14.

Mort Cooper Dies Of Lung Condition

LITTLE ROCK, Ark. (UPI)—Mort Cooper, the team's most valuable player in 1952, died of a lung condition in St. Vincent's Infirmary, where he was admitted Oct. 31. The body was shipped to Independence, Mo., but funeral arrangements are incomplete.

The Cooper brothers were acquired by the Cardinals' late Sam Breadon for a mere \$10 in 1937 and went on to lead the Redbirds to National League pennants in 1942, 1943 and 1944. Mort, two years older than Walker, was named the league's most valuable player in 1942 after a season in which he had a .227 record, 10 shutouts and a 1.17 earned run average.

Burnett Extends Lead In Bowling

Burnett Painters last week gained another game lead in Sanford City Bowling League.

They took three games from Gene's Seminole Dry Cleaners, while second place New York Life Insurance could only take two games from Mathers of Sanford. In other league action, Celery City continued its rise by taking three games from the Bukur Music Shop.

Celery City Printing has continued to rise over the past few weeks after a very slow start and have come from last place to a solid fourth place, and only one game away from third place. After 26 games they have collected the standings show that Burnett Painters have won 24, New York Life has won 22, Bukur Music 18, Celery City Printing has won 15, and Gene's Seminole Dry Cleaners has 12 games to its credit.

Buddy Proctor led the Celery City Printers with a 541 series, while Paul Perold tried to stem the tide with his 516 for Bukur's Musicians. New York Life Insurance followed Jim Maloney's 303-332 lead in taking two from Mathers, who were led by Ed Callan's 504. Burnett's were led to their sweep by Dick Richards 484, with Gene Estridge helping the Cleaning men with his 487.

Giles Is Opposed To Third League

MILWAUKEE (UPI)—Warren Giles, president of the National League, indicated Monday night he is opposed to a third major league, and took a stand in favor of subsidization of minor leagues and against lavish bonuses for big league prospects.

Giles spoke at a testimonial dinner for John Quinn, vice president and general manager of the Milwaukee Braves, who was presented a color television set by approximately 500 persons who paid \$10 a plate to attend.

The National League president did not mention specifically proposals for a third major league in his talk. But he said "we must keep a small structure rather than enlarge the one by diluting it."

Giles said there were too few good players in the major leagues and that he was opposed to expanding the majors at the cost of lowering the caliber of play. His remarks indicated he would only support expansion of the minors if the quality of play could be maintained.

In this respect, Giles said the "greatest job of the majors is to attract more young men to baseball." The senior circuit leader said the minors are the source of this material and then stated, "we must, when necessary, subsidize the minor leagues."

One Gator Player On Doubtful List

GAINESVILLE (UPI)—Florida Coach Bob Woodruff said today the Gators would be at nearly full strength Saturday when they play Florida State University for the state grid title.

Woodruff said only tackle Dick Brantley is on the doubtful list for the game. He said he expected starting end Dan Edgington would recover from injuries before Saturday.

The Gators ran through a light workout in sweat clothes Monday and were expected to devote considerable time today to running defensive plays against the tricky FSU running attack.

"We have a lot of respect for the ability of FSU," said Woodruff. He particularly praised the Seminoles' team speed and backfield.

Seminole Taper Heavy Workouts

TALLAHASSEE (UPI)—The Florida State Seminoles, hoping to saw up the state college football championship tapered off Buddy Proctor led the Celery City Printers with a 541 series, while Paul Perold tried to stem the tide with his 516 for Bukur's Musicians. New York Life Insurance followed Jim Maloney's 303-332 lead in taking two from Mathers, who were led by Ed Callan's 504. Burnett's were led to their sweep by Dick Richards 484, with Gene Estridge helping the Cleaning men with his 487.

Doubtful Starters

NEW YORK (UPI)—Hallmark Alex Webster and tackle Roosevelt Brown are listed today as "doubtful performers" for the New York Giants' next game against the Washington Redskins Sunday.

"I just checked with my tracking system—deary said he just passed her house—headed this way—"

"WOW! THERE HE GOES PAST THE HOUSE AND AROUND OUR BLOCK AGAIN—"

"—HE'S IN ORBIT!"

Lake Mary

By **ETTIE JANE KEOGH**
Members of the Community Presbyterian Church of Lake Mary are conducting a series of Stewardship meetings during the Every Member Campaign.
The budget, duties and activities of the coming year were discussed at the first meeting last Tuesday evening in the Educational Building.
At the close of the meeting, officers and their wives were congratulated by Mrs. J. N. Thompson.
Rev. and Mrs. John Pillely were hosts at the second meeting last Thursday in the Manse with Mrs. Thompson leading the discussion.
R. W. Keogh led discussion at the third meeting held at the H. M. Cochran home, Monday, Nov. 17.
The fourth and final meeting of the series will be held Wednesday night at the Lake Emma home of Mr. and Mrs. Joe Smathers with Mr. M. Gleason leading discussion of the budget.
Members and friends wishing to attend, in need of a baby-sitter, are requested to contact Mr. Gleason or Rev. Pillely.

NOW IN BUSINESS—Larry Johnson, left, and Jack Taylor help unload the first truckload of vegetables received by the newly-organized firm. Johnson is president of the company, Taylor is secretary-treasurer. On the first truck were beans, corn and radishes. (Herald Staff Photo)

New Produce Company Organized Here

With the unveiling of the new sign on stall 20 at the Sanford State Farmer's Market, the American Produce Exchange, Inc., was in business today.

Distributors of fresh fruits and vegetables, the new firm is headed by Larry Johnson, president, and Jack Taylor, secretary-treasurer. Johnson is president of the company, Taylor is secretary-treasurer. On the first truck were beans, corn and radishes. (Herald Staff Photo)

Belle Glade Branch. Jack Taylor is secretary-treasurer of the firm. Johnson is a graduate of the University of Florida with a degree in agricultural economics. He came to Sanford Naval Air Station as an aviator, and married the former Nell Stewart of Sanford. They have four girls. Johnson was with Chase and Co. for 12 years.

A native of Newark, N. J., DeBruyne has had 30 years experience in produce buying. DeBruyne is well-known by local farmers and shippers, and is a former Chase and Co., and J. C. Hutchison employe. He lives with his wife and family in Belle Glade.

Jack Taylor is a graduate of the University of Florida with a degree in business administration. Taylor majored in marketing. A native of Florida, he has spent seven years in Sanford in fruit and vegetable sales. He served in the Army for four years during World War II. The Taylors have 3 children.

Sanford was chosen by the new firm as the most centrally located spot in the state for distribution. Its location and facilities, according to Johnson, provide both the farmer and broker with the quickest route from farm to retail outlet.

"We've had a very favorable reception," the president told a Herald reporter. "We feel that our past experience well equips us to be of service to Seminole County growers and others in Central Florida."

NORFOLK, Va. (UPI)—Norfolk voters turned out today to say whether they prefer integrated public schools or closed schools.

Neither side would predict the outcome of the referendum in which some observers saw a narrow margin of defeat in store for the proposition.

Half of the city's 49,000 eligible voters were expected to ballot in the straw vote called by City Council to sample public sentiment.

Backers of the proposal made a last minute appeal to servicemen to vote, on the theory that the city's huge military population would favor reopening Norfolk's six integration closed junior and senior high schools, even if racially mixed.

Forecast Rainy Weather Segregationists, against a "four" vote, said rainy weather might cut into the vote against the proposal.

The Weather Bureau called for drizzle and fog with some sunshine in the afternoon.

Falls were opened from 6 a.m. to 7 p.m. e.s.t.

No Tax Next Year BARBIT, Minn.—(UPI)—Residents of this northeastern Minnesota community won't have to pay property taxes next year.

The revenue will come instead from the Reserve Mining Co. in the form of tonnage and railroad taxes — about \$80,000 worth, enough to take care of the village's needs in 1959.

Prosecution Prods Caril's Memory In Mass Slaying Case

LINCOLN, Neb. (UPI)—The prosecution made another try today at prodding 15-year-old Caril Ann Fugate's memory about details concerning the slaying of 10 persons last winter.

Caril contends her boy friend, Charles Starkweather, 19, forced her to accompany her on his orgy of crime last January. She did so only because he said this would save her life and the lives of her family, who he said were being held "hostage," she said.

She testified in detail Monday about threats she said Starkweather made, and of her helplessness.

The state accuses her of being Starkweather's ready and willing helpmate. In more than two hours of cross examination Caril, a calm and deliberate witness, said she could not remember some of the details County Atty. Elmer Scheele asked her to confirm or deny.

Specifically, Caril is accused of aiding and abetting in the murder of Robert Jensen, 17, last Jan. 27 and if convicted faces the same death penalty that was imposed on Starkweather for the killing.

She remembered that when Starkweather took her from home Jan. 27 he stopped to have his auto serviced at a filling station. But her memory was hazy about whether he took his shotgun with him when he left her alone in the car.

Caril recalled seeing Starkweather shoot and kill August Meyer a short time later, but she was not clear in other events that day when the state claims she had ample opportunity to escape.

She told of how Starkweather bullied Jensen and Miss King after hauling a ride with the couple at night and denied that she told Jensen "if there was any trouble, the girl would get it first." Their bodies were found the next day in an abandoned storm cellar near Meyer's farm.

Cons Stage Strike Over Prison 'Pay'

JACKSON, Mich. (UPI)—A group of rebellious inmates at Southern Michigan Prison were given one last chance to return to work today or face disciplinary action.

Warden William Bannan acted swiftly Monday when some 300 convicts staged a sit-down strike at Southern Michigan, the world's largest walled prison with 3,000 inmates and scene of a bloody riot six years ago.

Bannan ordered all prisoners back to their cells and addressed them over the prison loudspeaker system. There was no violence.

Afterwards, the 300 strikers were told to return to work but refused to comply and stayed in their cells. Bannan said if the restive inmates did not begin work today he would send them to a prison disciplinary court.

The warden blamed the strike on the late distribution of prison "scrip" this month, complaints about food and other matters.

The scrip is the prison money used by convicts to buy goods from the prison commissary. It is paid according to earnings from work in prison industries.

Tower, Film Idol, On Final Journey MADRID (UPI)—The body of Tyrone Power, accompanied by his widow, left here by plane today for California where the film star will be buried Thursday in the Hollywood Memorial Park Cemetery.

The TWA Super Constellation carrying Power's casket, his widow Debbie and longtime friend Bill Gallagher took off from Madrid's Barajas Airport en route to the Arizona and Boston.

The embalmed body was enclosed in a special casket covered in grey canvas and was placed in a compartment aboard the plane.

Power died of a heart attack Saturday while making a picture here.

Building Planned WASHINGTON (UPI)—The National Coal Association, which represents the nation's bituminous coal owners, announced today that it will build a nine-story, one million dollar headquarters office building here, to be completed in 1960.

ALLEN LORMANN

Deaths

NEW YORK (UPI)—James J. Devine, 68, a newspaper publisher's representative in New York and several other cities, died Monday of a heart attack.

COLUMBIA, S.C. (UPI)—Robert V. Ackerman, 42, a reporter on the Columbia State, died Monday of uremic poisoning.

HEWLETT HARBOR, N. Y. (UPI)—Television actress Sherry Rubin, 19, died Sunday from an internal perforation that, her doctors said, caused peritonitis.

SAN DIEGO, Calif. (UPI)—Funeral services were pending today for Edwin M. Martin, 38, drama editor of the San Diego Union and motion picture editor of Copley News Service. Martin, author of the daily column "Songs of a City," died of stomach cancer Sunday.

Lormann Qualifies For Mayor's Post

LONGWOOD — Allen R. Lormann, local businessman, has announced his candidacy for the office of Mayor. The election will be held Dec. 2.

Lormann, 37, is married and has two daughters and a son attending Lyman School. He has been a resident of Florida for 1 year and holds a Bachelor of Business Science degree from Miami University.

The former Naval aviator still holds his rank of Lieutenant Commander in the Naval Air Reserve. He served in the Pacific during World War II.

Lormann is the founder and general manager of Lormann Food Service Consultants; a partner in the Lormann Construction Co., and owner of the Fire King wholesale and retail tire distributors. He is a member of the Longwood area Chamber of Commerce and the Sanford Elks.

In stating his platform, Lormann said: "It is my desire to give Longwood forceful leadership and a position of respect and dignity within our county; to attract industry which will offer employment to our semi-retired and pensioned citizens; to promote a youth activities program; improve our water system and create a reserve fund for expansion and replacements."

The largest gem diamond ever found was the 3.16-carat Cullinan.

Prisoner Is Killed In Gun Battle At Police Station

HOMESTEAD, Fla. (UPI)—A prisoner with a wounded hostage held the Homestead police station for 90 minutes Monday before police flushed him with tear gas and shot him to death.

The hostage, Ted Beam, a policeman and father of two boys, was shot three times and given only a 50-50 chance to live.

Police Chief F. R. Dewitt broke a bone in his left hand drying the wild melee, a jailer was slugged and two women clerks trapped in the jail with the gunman were treated for shock.

The hour and a half ordeal for Beam started when Robert Shaffer, 26, a Negro jailed Sunday for disorderly conduct, called out from his cell: "I'm sick." Jailer Frank Welch opened the cell door and Shaffer jumped him.

The prisoner wrestled away Welch's club, struck him down with it, and ran toward the front of the building where Beam was sitting at the duty desk.

Shaffer hit Beam from behind and opened a gash in his head.

Singer Gets Divorce HOLLYWOOD (UPI)—Singer Trudy Stable, 23, Thursday was granted a divorce from handleader Dick Stable, 49, when she claimed the marriage caused her to develop ulcers.

Thief Confused? MEMPHIS, Tenn. (UPI)—The person who swiped the basketball shoes of Tim Buff, Memphis State cage star, is a mighty confused thief. Buff wears a size 10 on his right foot and an 8 1/2 on his left.

Quotable Quotes

PHILADELPHIA — John Cardinal O'Hara, on being named a cardinal by Pope John XXIII: "The funny part about being a cardinal is that soon after they fire a man in this country for old age, the church puts him to work."

NEW YORK — Gen. Albert C. Wedemeyer in renewing his call for breaking relations with the Soviet Union and eliminating it from the United Nations: "We must indicate clearly to the Kremlin that we are not going to yield, or bend a knee, to their aggressions."

CHICAGO — Confessed killer Charles Melquist, 23, when asked by police why he smothered pretty Bonnie Leigh Scott, 15, and left her body in a forest preserve: "I just don't know."

NEW YORK — Bernard Baruch in warning that inflation must be denounced regularly like sin or it will destroy a nation: "But unfortunately, like sin, it is tolerated, encouraged, and indeed enjoyed by many."

TORREJON AIR FORCE BASE, Spain—Former Broadway producer Richard Aldrich, about the late actor Tyrone Power, who died Saturday: "He was the first gentleman of the stage and screen. His death is a great loss to a profession to which I used to belong."

HOLLYWOOD — Edward Small, producer of "Solomon and Sheba," the movie Power was making at the time of his death, on the agreement by actor Yul Brynner to replace Power: "It is a time like this when the true spirit of show business shines through."

ST. JOHNS, Mich.—Patrolman Lyle French, on the death of six persons when their speeding car blew a tire in a police chase: "I was doing 105 miles an hour and they were pulling away from me."

NEW YORK — White House Press Secretary James C. Hagerty, on information "leaks" and "background stories": "You haven't heard me kick about it other than to say that sometimes it does cause me some trouble and some embarrassment."

Oil Strike Made ALGIERS, Algeria (UPI)—A French company drilling for oil in the Sahara desert reported during the weekend it had made a strike in Ouan Tassout, about 50 miles from the Edjele oil field, one of the two biggest fields discovered so far in the African territory.

More than five billion dollars will be spent for oil, gas, coal and electricity to heat more than 46,000,000 American homes this winter, according to the National Fuel Council.

ALWAYS YEARS AHEAD IN PERFORMANCE

Outperforms premium gasolines costing more!

Crown Extra gasoline, the South's most popular premium gasoline—now at a new high in performance—actually outperforms other premium fuels costing more! An advanced refining procedure makes this improved Crown Extra the cleanest premium you can buy. It actually reduces deposits left in your engine, gives more mileage per dollar, and better performance over the whole wide range of gasoline values.

This same advanced refining technique has made Crown and Super Crown Extra finer gasolines, too. One or two tankfuls of either of the three popular Standard Oil gasolines will show you that your best gasoline buy is at the familiar Standard Oil sign. Standard Oil gasolines are refined in the South, to suit Southern driving conditions, and are constantly improved to meet the changing requirements of modern automobile engines.
