Ninety boys turned out for the opening day drills at Seminole High School Monday Coach Jim Pigott given some good and

bad news within a matter of minutes.

On the bad aide, Pigott learned that PeeWee Knight, stand-out guard from last year
has moved to Bunnell but that John Boniface, hard hitting linebacker injured last year will be ready for action.

The first game of the season for the Seminoles will be here Sept. 15 against Titusville.
Pigott called this year's team "weak" and

## **Navy Launches** Intensive Program Aimed At Colleges

seniors and college graduates to publicize commissioned programs in the Navy has been launched by the Officer Programs Division of the Main Navy Recruiting Station in Jacksonville, it was announced

oday. The U. S. Navy's Officer Candidate School is the commissioned program in point. A rough and tumble school which passed its 10year tryout last March supplies the Navy annually with more than 50 percent of its Junior Officers and boasts an "alumni" of more than 34,000 since its inception in

OCS draws the bulk of its students from colleges and universities throughout the nation, a four year degree being a requisite and uses a 640 hour course crammed into 16 weeks to place its graduating officers on a par with their counterparts from Annapolis and Naval ROTC units.

However, OCS graduates serve on active duty only for three years out may apply for regular Navy if qualified.

Lt. Fred Eckart, who is responsible for OCS procurament throughout the state of Florida, states his current campaign is intended to afford senior students returning to college this fall and graduates, facility in planning their military obligations as commissioned officers in the Navy.

Applications for the Navy's OCS program are customarily accepted during the academic year at colleges and universities by visiting Navy procurement teams.

However, seniors returning to school this fall may initiate applications prior to commencement of the school year for OCS classes in the spring and summer of next year.

College graduates with baccalaureate degrees may apply for earlier OCS classes commencing in November and January. Lt. Eckart further states that applications may be initiated through any of the Navy's recruiting stations throughout the state.

\$70,000 per year. Friday said he was "flabbergasted" at being named general manager, and field manager Hank Bauer said the move was

"a mighty big thock" to him. Friday, 37, admittedly a novice to baseball, has been Finley's agsociate in the insurance business for eight years. He retained the title of vice president in charge of Charles O. Finley Inc. Insurance, Chicago, when Finley named him vice president and treasurer of the Athletics.

Friday's first announcement as general manager was that numerous trades, a trademark of Lage's' administration, would be sacrificed in favor of developing major league players in the A's farm system. He said he and Finley also were satisfied with Bauer, although Finley stated he should have fired Lane instead of Joe Gordon - the man Bauer replaced last June.

Sponsored by Church of the Nativity

# Supper Enjoyed By Enterprise Group By Catholic Womens' Club

AT THE REQUEST OF THE CATHOLIC WOMEN'S Club, Mrs. Marguerite Pope did an oil painting of Rev. Richard Lyons for the Social Hall of the Church. She used as her model, a picture of the priest taken when he was assigned to All Souls Church, several years ago. She is shown formally presenting the portrait to Father Lyons at a recent social meeting.

The Catholic Women's Club All Souls Church were the sponsors of an ice cream social recently, at which over 400 members of the All Souls Parish, the

Lake Mary Church of the Nativity Parish, and the new St. Anne's

Parish in DeBary attended be-

tween the hours of 5 p.m. and 7 The Club also took this oppo tunity to present an oil painti of Rev. Richard Lyons to the parish, which will be hung in the

Church Social Hall. Mrs. Marguerite Pope, a member of the parish, and an artist in her own right, did the portrait in vivid lifelike oils, and had it framed in a beautiful antique while frame. Mrs. Pope worked from a picture of Father Lyon, and produced a lovely portrait. Mrs. John Kolarik, vice president of the club was chairman in charge of the affair, and was assisted by Mrs. Jo Milliken, Miss Edith Krygier, Mrs. Carolyn Pierro, Mrs. Harry Daehm, and other members of the club.

# Dear

DEAR ABBY: How do you go about telling an intelligent young woman that, if she doesn't keep her house cleaner, she is going to lose her husband? I do not refer to the ordinary daily accumulation of dust, but I have seen a collection of odd shoes under the bed, and soiled laundry stuffed into every dresser drawer. Her pots and pans are stored (dirty) in her oven until she "gets around" to them.

Her husband holds a responsible position with a first-rate firm, but if it became known that he lives in a dirty home it would discredit him with his associates. DEAR FRIEND

DEAR FRIEND: If you are indeed a "dear friend"—tip her off. If you aren't that friendly, let it go at that. By the way, how did you happen to look under beds, in dresser drawers and in the oven while visiting a Michai 7

DEAR ABBY: When a couple gets married, and they want to have a doublering ceremony, is the girl supposed to buy her fiance's wedding band? Or should he buy hers and his? WONDERING

### By Abigail Van Buren

DEAR WONDERING: The girl usually buys her fiance's wedding band. . . .

DEAR ABBY: Good for you! I was glad to see you stick up for younger babysitters. I have three children under ten and, when I need a baby-sitter for a few hours, I always ask a little girl in the neighborhood who is only 13. I find her far more reliable than the "sitters" between 15 and 18. She doesn't have boys on the brain yet. Sincerely.

# More And More Merchants Staying Open Friday

Every week more and more local merchants join the ranks of those who one month ago began the new open evening hours in Sanford, with Friday nights becoming the prime shopping hours for thousands of Sanford people as well as many from the out-lying areas around the county.

A run-down of the roster of local merchants who have decided to take advantage of the tremendous influx of Friday night shoppers, shows that ten stores have now joined the original 40 in proclaiming that they will be open until 9 p. m. and offering special bargains for the hours from 5:30 to 9 p. m.

And every week, more and more working people flock into town to take advantage of the bargains and specials and find that they enjoy shopping at home, instead of in nearby cities.

A check of families seen in town on Friday night, their arms loaded with packages and their minds full of plans for future purchases, showed that many people were from Chuluota, Oviedo, Geneva, Bear Lake, Forest City, Altamonte, Casselberry, Longwood, North Orlando, Sanlando, Lake Mary, Lake Monroe, Osteen and DeBary.

Shoppers are urged to take advantage of their

open new accounts in the local stores. These charge accounts offer the easy, convenient way to do business and most 30 day accounts have no carrying charges.

One of the biggest areas of sales remains that of school needs in all lines including clothing for boys and girls. men and women of all ages from grade school to college, shoes, socks and stockings, lingerie, luggage, school supplies and many other items,

But attractive displays of fall and winter clothing, new styles, new shades and new shapes in shoes, coats, auits and all kinds of accessories are interesting many

Furniture specials have proved to be very attractive to buyers as well as all lines of household goods, electrical appliances, jewelry, garden needs, drugstore items, music and records, automotive and boat supplies. Clearance sales of summer clothes and household

needs continue to offer excellent bargains to the thriftminded shoppers. This week the Down Town Merchants Assn. is giv-

ing away \$5 gift certificates that are good in any store belonging to the association.

The first prize will be \$40 worth, second prize, \$30 worth, third prize, \$20 worth and fourth prize, \$10 worth of the gift certificates.

# **Threatened On**

The County School board today threatened legal action against the bonding companies of an Orlando Contractor for not living up to its contract agreement regarding repairs to five Seminole Schools.

At the same time, school board architect John Burton said that an inspection will be made next month of Seminule High School of needed repairs by contractors.

Regarding the five schools, Burton said that there has been "vari-ous and sundry deficiencies which SC1001 BOGIC have occurred at the Lake Mary, Longwood, South Seminole, Rosen-"These plants were constructed ACCUSED OF wald and Midway Schools.
