

Sanford Wins Twin Bill 4-1 And 4-1 Against Leesburg

Williams Hits Homer With Two Aboard To Score 3 Winning Runs In 7th

Seminoles Play G-Men Tonight

LaValley Drives In 2nd Game Winners With Double In 3rd

Sanford won both ends of a twin bill yesterday beating Leesburg in the nightcap.

Bill Williams won the game home run with two aboard and Ray Ashton kept the runners from getting but one in the opener Leesburg won in the sixth frame when

Voshell hit a single and scored on a double by White. Sanford came back in the same inning to went to third on a single by McRaney and came home on the throwing of a fly ball.

In the game winning inning Ashton lead off with a single and Hardman got to second on a fielding error of his sacrifice hit. Williams stepped into the ball and sailed it over the fence by the club house. Every member of the team met him at home plate to shake his hand and Charlie Morrison took up a collection in the stands that netted Williams \$24.45.

In the second game Leesburg again took an early lead by scoring in the second frame through two errors. At the beginning of Sanford's bat in the third inning Girk, Kettles and Hardman got a single with Girk scoring on the last single to tie up the score. Ernie LaValley walked up to wing a double to center field and score Kettles and Hardman for the winning runs. LaValley scored himself on a double by McRaney.

Catcher Miller for Leesburg was chased from the second game in the third inning as he disputed a play at home plate and struck Umpire Lee. As Hardman was rounding third on LaValley's double the ball came in to Miller from center field and Miller reached to touch Hardman. As the two came together a cloud of dust arose and the umpire called the runner safe. Miller jumped up infuriated and pushed into the umpire, pushing him around for a second and was ordered off the field.

Bean Ball Aids Jurges' Batting

NTW YORK, May 26.—(Special)—Outstanding sensation of the spring batting statistics of the National League is Big Jurges, GGIant's shortstop. Big question mark in Giantland during training season was whether Bill would do any good ball-playing at all this year and if so whether his head injury of 1934 would make him plate shy.

So what happens. After 10 seasons in the league in which his top batting average was his 1934 in 1937, Jurges was hitting a .378 clip when Terry's New Yorkers embarked on their first western trip. He had played in every game, and was tie for the league lead in hitting two baggers, as well as second only to Eno Slaughter in the batting averages.

Maybe that wallop on the thick sock last June turned Bill's clothing clock to 1933, when he hit .364 in the world series, even though his club, the Chicago Cubs, finished second to the Yankees in the series itself.

Sporting Events Accompanying Sugar Bowl Classic Announced

NEW ORLEANS, May 26.—(Special)—Headlined by the eighth annual sugar bowl football classic on New Years day, the 1941-42 calendar of sports sponsored by the New Orleans Mid-Winter Sports Association will begin on Saturday, Dec. 27 with a paughting and rowing regatta.

President A. N. Goldenberg made this announcement today in listing the events on the program and the dates approved by the Executive Committee.

The events and dates follow: Regatta—Saturday, Dec. 27, 28, 30.

Football, Thursday, Jan. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31.

Long Island University of New York, unbeaten champion and the University of Tennessee, Southeastern Conference champion will engage in the college football classic.

St. Aloysius, Louisiana high school champion and Holy Cross New Orleans city high school champion, will play in the preliminary.

The meeting of Long Island and Tennessee in the first North South basketball game on the Sugar Bowl program since Pittsburg played Louisiana State several years ago.

In between the North-South games, fans have seen a succession of champions from the Big Ten section, including Purdue, Indiana and Ohio State.

Long Island has never played in the Deep South and the acceptance of the invitation by Athletic Director, Clair Bee, who is also coach of the Blackbirds, is a special holiday treat.

Tennessee proved its right to rank with the better teams of the nation by sweeping through the SEC competition and clinching the season with a victory over the Kentucky Wildcats, perennial champions.

Committees at work on the other events on the program all promise to offer attractions to compare with the basketball classic.

Requests for the Sugar Bowl football classic have already been received in unprecedented number.

Bradenton Shipments Of Tomatoes Are 1100

BRADENTON, May 26.—(Special)—Approximately 275 cars of tomatoes were shipped from this section last week to bring the total shipments for the season to 1100 carloads.

Tomatoes sold at auction at the farmers' market in Palmerton brought as high as \$3 a lug, prices continuing unusually high for this late in the season.

The cucumber season, also drawing to a close, has been good, the price going as high as \$3.25 a lug.

It is expected that 250 more cars of tomatoes will be shipped from the section by the end of the season.

CANADIAN FLIERS KILLED

WINNIPEG, May 26.—(P)—L. H. Bolton of Toronto and H. J. Howe, of Victoria, were killed in flying accidents in Manitoba and Saskatchewan during the weekend of the No. 2 command of the Royal Canadian Air Force announced here Sunday night.

record the high esteem which we held for him.

1st. He was a sincere friend of the hospital, and notwithstanding its many ups and downs he never wavered in his loyal support, but ever detached and fair.

2nd. He took great delight in assisting and advising with the hospital authorities, and by his winsome and kindly manner caused them all to look upon him as one of his own.

3rd. Not only with his own patients, but to all who entered its fold, he ministered by every word and buoyant spirit until it always became a joy to any who were confined there to hear his voice within the building and note his lively, though unobtrusive, step about its corridors.

4th. We could but observe his loving and kindly ministry to the poor and unfortunate, those from whom he could not hope for any material reward for his services, yet he never spared himself in his effort to render the very highest type of professional skill.

5th. We all loved him and looked upon him as one of our own, and we could well pattern our own lives.

Nazis Lose 18,000 In Their Attempt To Capture Crete

Total Includes 5,000 Believed Lost In Invasion Try By Boats, Greeks Say

Germans Launch Another Attack

British Planes Shoot Down Five Enemy Craft With Troops

CAIRO, Egypt, May 27 (AP)—Greek sources said today the Nazis thus far have lost at least 18,000 lives in their attempt to take Crete. This figure includes 5,000 thought to have been lost at sea while trying to invade the island by boats.

German troops launched a new attack west of Crete and cleared their penetration into the British defenses, forcing the defenders to fall back to positions in the rear, the British announced.

British fighter planes were reported to have shot down five troop-laden German planes at the Malemi airbase near Crete yesterday and destroyed several other Nazi planes.

The Germans, said by unofficial British sources, have been taking on Crete from the air, shipping troops through the air, and sending in planes from the island.

It is reported that the Junker 89, the type of plane presumably used, could handle a load of a vehicle larger than a seven-tonner and these were "extremely small machines."

The possibility was acknowledged, however, that 14-ton tanks might have been knocked down to be transported in different planes and be assembled upon landing.

The successful German assault in the west just west of Crete was met, said British Middle East headquarters, with an immediate counter-attack by the Zambardois, backbone of Crete's defenses.

The latest word, with the outcome of the German thrust still in the balance, was that fierce, hand-to-hand fighting was continuing in the area about the Nasib-held Malemi airbase.

Police To Patrol Houses In Summer

Residents of Sanford who plan to be out of town all or part of the summer were asked today to leave their homes in blood-rose at the Police Station for a closer watch of their homes in their absence.

This is an annual service of the Police Department, Chief Ray Williams said, to reduce the number of summer robberies.

If these going on vacations give the keys to any one piece of a yard man or Sanit Police Williams asked that the Police Department be advised so it will know who is authorized to enter the premises.

Poultry Exhibition Is Planned Friday

Poultry raisers in Seminole County are invited to attend a county fair on Friday afternoon at 2:00 o'clock at the Seminole High School farm, Alex Johnson, who will give the demonstration, said today.

Exhibitors who have birds they wish to exhibit may bring them to the demonstration, Mr. Johnson said, but he asked that they not be in touch with the price.

How Held

Henry Nickle, related that that seasonal weather has boosted crop prices this year, but this factor could not be counted upon next year.

Only one policy to give several different crops.

Dismissing the question of crop prices in the event of a general increase in the price of commodities, Mr. J. S. Jones said it should be left to the

Roosevelt Asks Three Billion For Airplanes

U. S. Policy Will Be Definitely Known After President's Talk, Press Told

WASHINGTON, May 27 (AP)—In the midst of preparing a momentous pronouncement on governmental policy, President Roosevelt asked Congress today for \$3,319,000,000 in appropriations for more airplanes.

Of the total, \$2,790,000,000 would be for the Army and \$529,000,000 for the Navy.

Stephen Early, presidential secretary, meanwhile told reporters that the Chief Executive would extend his "fireside chat" tonight an extra 15 minutes and added:

"I think you can say that Wednesday morning there can no longer be any doubt as to what the national policy of this government is."

The German grand admiral's warnings to the United States accused bitter defiance in Washington yesterday and highly placed authorities expressed belief that President Roosevelt would demand more active aid for Britain in a major "fireside chat" he is to deliver tonight.

The White House itself permitted the impression to grow that the speech the President is to deliver to the nation and the world by radio at 9:30 P. M. EST, would be one of the most important he has ever delivered.

"Rapidly changing conditions abroad" have prompted Roosevelt to revise the address completely, it was disclosed at the White House.

Presumably those conditions included the sternly worded admonition to the United States from Grand Admiral Erich Raeder, commander of the German navy, that American convoying would constitute an open act of war and that the American naval vessels were "aggressive."

Secretary Hull said the Roosevelt pronouncement appeared to be some sort of a threat to induce this country and probably other American nations to refrain from real efforts at self defense until Hitler gets control of the other four continents.

He added it was a favorite Nazi method, either by threats or persuasion to induce European countries to refrain from self defense until Hitler was ready to seize them. It is an integral part of the Hitler program of world conquest by force.

French Reassure U. S. They Won't Surrender Fleet

WASHINGTON, May 27.—(AP)—The French government gave renewed assurance in writing today to the United States that the French fleet and colonies would not be surrendered to Germany or to any other power.

Claude-Henry Hays, French ambassador, said the note was intended to remove misgivings here on the scope of the French-German collaboration.

Of possible significance was the fact that the note was delivered only a few hours before President Roosevelt's "fireside chat" tonight.

In Tokyo, in a statement on the eve of President Roosevelt's broadcast tonight, Captain Hideo Hirota, navy ministry spokesman, asserted "the imperial navy is always prepared to meet any eventuality."

He asserted "The United States is now preparing to send warships to convey merchant ships, or, naturally, the risks of entering the war with action by Japan should this occur is clearly defined in the tripartite (Berlin-Rome-Tokyo) pact."

British Cadets To Train At Lakeland

LAKELAND, May 27.—(Special)—Nearly 100 British flying cadets will arrive in Lakeland about June 5 to begin a 16-week training course in preparation for service in the Royal Air Force.

The cadets will be enrolled at the Lakeland School of Aeronautics which since September has been giving military training to U. S. Army Air Corps cadets.

The British cadets, who will be accompanied by British officers, will receive the same course.

Only one policy to give several different crops.

Bismarck Sunk By British

ENGLAND'S H. M. S. HOOD DESTROYED BY GERMANS

In revenge for the sinking Saturday of the giant British battleship, H. M. S. Hood, above, the royal navy has sunk the new 35,000-ton Nazi battleship Bismarck in a fight near the Arctic Circle, it was learned today. The Bismarck was credited with destruction of the Hood. In the battle Saturday another British battleship was so badly damaged, the Germans claim, it was forced out of the naval battle—greatest of the war. The Hood, fully loaded, displaced 46,300 tons and was 860-foot long. She was armed with eight 15-inch guns.

Four Marksmen Go To Meet In St. Petersburg

Sanford Men Receive Medals Won Last Month In Matches

Four members of the Seminole Gun Club—Roy Williams, Charles Shaffer and Byrd Goode of Sanford and Jasper Wolfe of Howey—have returned from St. Petersburg where they took in the regular monthly shoot of the Florida West Coast Pistol League, held at the St. Petersburg pistol range Sunday.

Mr. Goode, president of the Seminole Gun Club and a director of the league, presented medals won by Sanford men at the shoot held last month in Ocala.

Awards were to Roy Williams, expert, gold medal; James W. Williams, sharpshooter, silver medal; Al Lee, sharpshooter, silver medal; and J. A. Howard, marksman, bronze medal.

The June match of the league will be held at Jacksonville on June 15, Mr. Goode reported, and added it is the earnest desire of the Sanford club to have a large turnout for the occasion.

League officers, he said, have promised that it will be possible for all the matches to be held in five hours or less, leaving plenty of time for contestants and their families and friends to return home before dark if they wish.

Scores at the meet in St. Petersburg were:

Match I, Class AA, 50 yards: R. L. Standley, 181x200; C. A. Brown, 177x200; C. V. Klintworth, 170x200; Match II, Class A; Thomas Peres, 171x200; C. R. Lee, 173x200, and D. Sinclair, 169x200.

Class B, 25 yards, slow fire: F. R. Smith, 188x200; C. G. Robinson, 185x200; Jasper Wolfe, 183x200; Class C; Bill Park, 181x200; Doug Eubanks, 173x200; and O. Gay, 174x200.

Match I, Class D, 25 yards slow fire: Roy Williams, 185x200; Cliff Praxler, 183x200; E. Goodrich, 180x200, and C. H. Shaffer, 174x200.

Match II, Class D, timed fire: L. E. Goodrich, 191x200; R. L. Hutchinson, 189x200; Roy Williams, 187x200, and C. H. Shaffer, 182x200.

Match III, Class D, rapid fire: L. E. Goodrich, 191x200; R. L. Hutchinson, 187x200; Roy Williams, 179x200, and C. H. Shaffer, 188x200.

Match IV, Class D, full police course, 30 shots of slow, timed and rapid: Bobby Newbury, 282; R. L. Hutchinson, 278; C. H. Shaffer, 268; Roy Williams, 256. Aggregate scores were: Roy Williams, 598, and C. H. Shaffer, 788.

Health, Housing Committee Named

Members of the Health and Housing Committee of the Seminole County Deacons Council have been appointed to serve with Chairman Charles L. Park, James G. Sharon, Jr., secretary of the council, reported last night.

Those appointed to the committee are as follows: Miss Lucille Forman, hospital administrator; F. E. Roussell, Ph. D., dentist and supplier; R. W. Rusk, D. O., veterinarian; and J. H. Colquhoun, business manager of the council.

Dr. Park is chairman and has charge of medical affairs, Mr. Sharon is

Kire Last Night Partly Destroys Colored Dwelling

Fire last night partly destroyed a negro dwelling at Seventh Street and Hickory Avenue and nearly caused the destruction of two adjoining houses, as the flames licked into the air, R. T. Thomas, assistant fire chief, said this morning.

The loss was estimated at about half the value of the house and furnishings, but the owner, Charles Kanner, was in Orlando this morning and could not be reached to give a valuation on the property. It was determined that the building was not covered by insurance.

The call to the fire department came in at 1:09 A. M. and when the department reached the scene the rear of the house was a fire and two two-story houses adjoining were beginning to catch on fire. Quick action saved the two nearby houses but the center house was too far gone.

Cause of the fire was determined as the wood stove in the kitchen. Apparently hot coals dropped out of the stove to the floor and lit something for some time before the fire started, Mr. Thomas said.

Library Receives Two New Sets Of Reference Books

Two outstanding sets of reference books, the Dictionary of American Biography and the Dictionary of American History, have been obtained by the Sanford Public Library, Mrs. J. J. Moughton, librarian, announced today.

The set of biographies contains 20 volumes of figures in American history including all of those who have lived since the territory of the United States was begun.

The co-authors of the work only omitted the British officers in this country who figured in early American history. The set of books is put out under the auspices of the American Council of Learned Societies.

The dictionary of history is another of James Tuglow Adams' momentous works and published in six volumes, including an index volume, Mrs. Moughton said. It is a complete collection of outstanding events of the history of the United States.

Both of the sets of books are excellent for reference work and it is unusual for a small library to be able to have them, Mrs. Moughton declared. Such works are usually found in a large research library or a college library.

City News Briefs

A regional meeting of the Baptist Training Union will be held tonight at 7:30 o'clock at the First Baptist Church to select the winner of the better speakers contest. The public is invited.

Willard Connolly, who was expected to speak over the "We the People" radio program tonight, will not be on the show until July 4, according to a telegram received here today.

The Lions Club will meet at 7:00 o'clock Wednesday night at the Valdes Hotel for the election of officers. James Burgess, district governor of Orlando, will speak.

Judge R. W. Ware will have charge of the variety program at the Kiwanis luncheon tomorrow and a quiz will be featured, with Charles Morrison leading the group in song.

R. A. Williams was issued a Continued On Page Two

Little Damage Is Believed Done By Period Of Drought

Crops in this section have not been seriously damaged by the drought, though growth has been held back because of the dry weather, H. J. Lehman, manager of the Sanford State Farmers Market, said today.

He added that if rain falls in a week or so, vegetables will be all right. Some celery fields have suffered, the market manager stated, but other acreages have not been hurt.

Most of the damage that has been reported has been to crops in high ground areas, Mr. Lehman said, while those on the low ground fields are withstanding the dry spell. The lowlands and Georgia have suffered more because they have gone longer without rainfall than this section.

Conditions in the southeast are steadily growing worse as the drought enters its second month, according to reports of the Associated Press.

Not since Apr. 25 has there been a general, moderately heavy rain in the southeast and the clear skies which prevailed yesterday through the night in Alabama and Texas to the Atlantic coast are expected to continue.

Unless rain comes quickly and abundantly to Georgia, State Entomologist Girardeau said, the peach crop in the southern section of the state would be of poor quality. Fifty percent of the crop is endangered, he said.

In Alabama, county agents in the north and conditions already were as serious as in 1930.

Considerable damage has been done to pastures, gardens and field crops throughout the region and field crops are beginning to feel the effects of the prolonged dry period.

Some rain fell in Alabama but E. D. Engh, meteorologist, said the amount was too light to have much beneficial effect.

British Oust French Consuls In Palestine

BERN, May 27.—(AP)—The British government has asked French consular officers in Jerusalem, Jaffa and Haifa, to leave Palestine within four days, the French news agency, Havas, reported last night in a dispatch from Beirut, Lebanon.

The French personnel will go to Syria.

1941 Salmagundi Is Distributed To Seminole High School Pupils

With a dedication to Miss Phyllis Smith, the 1941 Salmagundi, Seminole High School yearbook, was issued last week to eager students, who found in it a complete record of what they regard as their best year in school, the senior year.

Most interesting and designed principally to appeal to its student readers, the yearbook is a credit to its staff, headed by John Dunn as editor and Mary Lou, book manager.

The Hall of Fame contains these students who "because of their own outstanding characteristics, have been elected by a majority of the student body to represent the class of '41. Planned in it are the following: Ideal couple, Jessie Durdan and John Dunn; most attractive

Erma Doudney and Giles Chapman; most popular, Mary Martha Emrick and Dickie Brown; most friendly, Betty West and Bob Hickson; most athletic, Dot Kader and Joe Davis; most scholarly, Olive Crapman and Harold Madden.

The theme of the Salmagundi is "High school and American patriotism," which is carried out in the color scheme and incidental decorations. All phases of school life, including clubs, social activities, sports and classes are discussed and pictured in the annual.

Again this year, the yearbook will be entered for judging by the National Scholastic Press Association, which in 1939 awarded the Salmagundi second place in its division.

New German Battleship Is Torpedoed In Furious Fight Near Arctic Circle

Sinking Of Hood Quickly Revenged

Nazi Boat Probably Had 1300 To 1500 Officers And Men

WASHINGTON, May 27.—(AP)—The Coast Guard announced today the cutter General Green had picked up 39 survivors of a torpedoed ship somewhere in the Atlantic early today.

Caught after a three-day hunt, Germany's new 35,000-ton battleship Bismarck was sunk today by British naval forces in a thunderous sea fight near the Arctic Circle.

This swift revenge came to the British for the sinking of the 42,000-ton battleship Hood, which was blown to pieces by a single 15-inch powder magazine which fell with the Bismarck's shells on May 24.

Presumably, the Bismarck had a complement of 1,300 to 1,500 officers and men aboard, about the same number carried by the Hood.

At London, A. V. Alexander, first lord of the Admiralty, announced the Bismarck had been sunk by three British warplanes from the carrier H. M. S. Ark Royal at 11:00 o'clock (1:00 A. M. EST).

London's "Daily Express" announced the Bismarck had sunk the British battleship Hood, which was carrying 3,500 men and 100 guns.

The new board will consist of 14 practical engineers and 27 civil engineers, and will be in operation for one year and the rest for two years. After the first appointments, all the commissions will be for two years.

The new board will consist of 14 practical engineers and 27 civil engineers, and will be in operation for one year and the rest for two years. After the first appointments, all the commissions will be for two years.

Governor Signs Bill To Provide New Citrus Body

ALABAMA, May 27.—(AP)—Gov. Eugene B. Eicher today signed a bill to provide for the reorganization of the Citrus Commission.

The bill will provide for the reorganization of the Citrus Commission.

2 Negroes Needed In Latest Draft Quota

Two negroes are needed for the June 9th draft call and volunteers are advised to register immediately and take their physical examination, E. B. Carter, draft board secretary, said at noon today.

A number of colored men have indicated they would like to volunteer but were not registered by the office since no opening existed at that time, Mr. Carter explained. If those men wish to volunteer now they may do so by contacting the draft board.

Winter Visitor Is Florida Saleswoman

One winter visitor went back to her home to sing the praises of Florida and Sanford. Mrs. Tude V. Prude, 74 years old, has been spending the winter with her niece, Mrs. John Brady at 419 Palmetto Avenue and has enjoyed her stay here so much she made up a large scrap book on Florida to take back and show to her friends in Houston, Texas.

So active is she and so friendly, that she has won a great number of friends in Sanford, who are hoping she will return next winter, Mrs. Brady said.

WILLS VERSE FOR TODAY

TEST YOURSELF: Unto the
very all things are pure; but un-
to them that are defiled and un-
believing is nothing pure; but
even their mind and conscience
are defiled.—Titus 1:15.

HOLD TO THIS HOUR
(From The Lantern)

How incalculable depths of won-
der break to bloom with silent
thunder.

Let the perfidious heart remem-
ber
How once we touched pure flame
And liveliness was flickering em-
ber.

We shall not know familiar ways
Too long; hold this hour
As fillamen for all our days.

When earth is black with death
And doom
How once we watched
The dogwood break to whitest
bloom.

BOTH BRANDES DE BEDTS.

About the only thing we can
say for the present drouth is
that it's good tank weater.

What President Roosevelt will
say tonight is open to wide con-
jecture, but the topic of his sub-
ject can be pretty well guessed by
anyone.

The way people knock each
other off the road to Orlando,
we can't understand why the
highway isn't deemed a mili-
tary highway.

German Admiral Raeder has
warned the United States that
our convoys will meet guns. But
let the guns of the Bismarck
speak.

The Italian claim, successful
naval action against the British
in the Mediterranean. It's funny how
the Italian navy fights when
it has the German dive bombers
in front of it.

Weygand says he will back
Hitler in collaboration with Ger-
many, which is like a participant
in a shotgun wedding saying, he
will go through with the cere-
mony.

Both Bryan Rhode compares
Hitler to a "frontier bully," but
Rhode is taking a rather charitable
view of him. Some frontier
bullies were, at least at some
times, men of honor.

British flyers are to be trained
at Langhams, and it wouldn't sur-
prise us to see the broad "A"
emblazoned into the public schools
there soon after the first
bombing arrives.

Hitler may not officially own
all of Europe, but when you con-
sider all the countries he actu-
ally controls, plus those which he
controls with his thumb, plus the
countries that are scared to death
to be said to be in the chief
Hitler's hands.

With the sinking of the Bis-
marck, the English have certainly
gotten on the long end of the
spectacular naval battle.

Hitler's English prestige,
compared to the Bismarck,
was an out-dated ship
which was the British war-
ship more than offset by the
German's newest battle-
ship which carried great poten-
tial to North Atlantic

Use Of The Normandie

While England is locked in the "battle of the Atlantic" and having a difficult time to keep her whole military effort going, the United States has in its possession a French ship, the Normandie, which could be of tremendous help in keeping the sea lanes open to Great Britain. The Normandie, which is one of the largest vessels afloat, was originally built with the idea, so it has been claimed, for rapid conversion into an aircraft carrier. By moving its smoke stacks to one side, and by re-constructing the top deck, the ship would have a landing and take-off area surpassing any carrier afloat.

It is known that it has many unusually large highspeed elevators running from the lowest to the highest deck, and these conveyances, without much change, could be used to carry planes to and from the flight deck. Because of its unusual size the Normandie could handle nearly twice as many planes as the ordinary carrier, and because of its super speed, it could outrun anything on the sea, except the fastest destroyers and cruisers. Of course, it would lack armament and would be vulnerable to any kind of shell fire, torpedo, or bombs, but with its speed and with its vast array of planes, and a proper escort, the ship should be fairly safe from attack.

If it were employed in patrol or convoy work, the Normandie could cover long stretches of the sea, stretches, which if ships alone were used, would require the service of a score of war vessels.

It is because of the ranging ability of a carrier and its planes that it is so valuable on patrol and escort duty. Operating in the western half of the North Atlantic, outside of the range of German bombers, the Normandie could almost single-handed take over the entire job of giving protection to convoys.

Birds Of A Feather

Income tax dodging doesn't pay, as witness the government's case against Joseph M. Schenck, motion picture magnate, but it is interesting to note that in its investigation of Schenck, the government agents ran across a couple of other evil doers in the persons of two labor leaders.

According to the Tampa Times, "Federal agents say evidence uncovered in the Schenck case led to the filing of charges against Willie Bluff and George E. Browne, of the stage employes union, accused of extorting \$550,000 from four movie producers and distributors through threats to call out 35,000 employes on a strike. It had nothing to do with getting better wages and hours for the employes, but was simply the old 'protection racket,' federal attorneys say.

"Bluff and Browne are familiar names in the news recently as their association with gangsters has been repeatedly revealed, yet William Green, president of the A. F. of L., who insists that the bad spots in labor union leadership are all in the C. I. O., has done nothing that could be interpreted as even a frown against union racketeering.

"No matter what the degree of gangster penetration in union leadership, the rank and file of the unions for their own sake should clean it out entirely, because it is doing their just causes more harm than anti-union employers or anybody else could ever do.

"It looks as if the Federal Government will help them clean up two spots."

No Peace With A Liar

TAMPA TRIBUNE
THE TRUSTFUL appears continue to insist on a negotiated peace. That would be a peace with Hitler. It would necessitate accepting his obligation to perform his part of whatever terms might be agreed upon. In order that there might be any confidence of security in a peace so reached, Great Britain—and the rest of the world—would have to take Hitler's word for it, to believe implicitly that he would do what he promised.

It's just there that the plan of the would-be peacemakers falls flat—because it has been repeatedly and consecutively demonstrated that Hitler can't be believed—that the truth is not in him.

All the testimony we need on that point is brief summary of recent events. In May, 1935, Hitler said: "Germany neither intends nor wishes to interfere in the internal affairs of Austria." In February, 1938, Nazi troops marched into Austria and on March 11, Austria was annexed to the Reich.

In September, 1938, Hitler said: "The cessation of the Sudetan area of Czechoslovakia was the last territorial demand I have to make in Europe." In March, 1939, Bohemia and Moravia were seized by armed force. So was Memel.

In January, 1934, Hitler said: "We succeeded in arriving at an agreement which for 10 years basically removes the danger of any clash." In September, 1939, Nazi troops annihilated the Polish state.

In October, 1939, Hitler said: "Germany has never had any conflicting interests with the Nordic states, nor has she today." In April, 1940, his forces dashed into Denmark and Norway, leaving Sweden surrounded and entrapped.

In October, 1939, Hitler said: "The German government is ready to recognize and guarantee these states as neutral regions in perpetuity." On May 10, 1940, the German Army swept swiftly into Holland, Belgium and Luxembourg.

In April, 1939, Hitler said: "Return of the Saar territory has done away with all territorial problems in Europe between France and Germany." In June, 1940, the German Army moved in and France surrendered.

In March, 1939, Hitler authorized the Hungarian Foreign Minister to make this statement: "I have every guarantee that there is not the slightest intention in any quarter of Germany to bring military pressure to bear on Rumania." Hitler annexed Rumania.

In September, 1939, after the Reich had absorbed Austria, Hitler said: "We have guaranteed to all contiguous neighbors the inviolability of their territory." Hungary was annexed into the Axis Camp last year. Bulgaria to the South was opened to German troops.

Before this war started, Hitler repeatedly said that Germany had no further territorial desires or demands. Not only has he overpowered all the countries named above, but he has now overwhelmed Yugoslavia and Greece. So, a peace treaty with Hitler wouldn't be worth the ink used in writing it. He is the biggest liar in history. No one can believe what he says. He doesn't believe it himself.

Bismarck Is Sunk By British Navy In Furious Fight

Continued From Page One
and four destroyers and German to two battleships and several other cruisers in the week-long battle of Crete.

The High Command announced early today that the battleship Bismarck, which sank the British battle cruiser Hood last Saturday again was engaged in a "severe battle."

A special communique said the sea battle had been going on since 9:30 o'clock P. M. Monday. The adversary was described as "superior enemy forces."

The attack upon the Bismarck raised British hopes that the royal navy had control of the coming battle and thus would be able both to attack aerially and to keep the Germans under constant surveillance.

(The Oslo, Norway, radio reported the Bismarck and other German units were fighting a superior British naval squadron in the Denmark strait between Iceland and Greenland. It was somewhere in this area that the Hood, the biggest ship in the British fleet, had gone down with an "unlucky" hit as the British put it, in a magazine.)

Word that the fleet had the Germans under fire ended a period of concern as to whether the Bismarck would be able to get away wholly undamaged.

This was based upon speculation that the Tipits, a sister ship to the Bismarck, might be with her, and also lack of information as to who had aerial mastery in the area.

Presumably the only British ships able approximately to match the Bismarck and Tirpitz both fire power and speed are the New King George and Prince of Wales and the battle cruisers Renown and Repulse. Possibly some of these are now in the Mediterranean.

An announcement that British naval planes had scored a hit Saturday night on a vessel in the Nazi squadron and on the Bismarck yesterday was cheering to the people in London, however, for it suggested the pursuing British ships might be able to insure British mastery of the air.

Produce Dealers To Be Requested To Set Maximum

Continued From Page One
the shipper to let the grower know what he wants.

"The market must have quantity, variety and quality," Dr. Jamison pointed out.

Declaring that all the costs of production must be leveraged, Dr. Jamison stated that when large buyers come to the market they will be willing to pay premium prices for good quality.

CHIMNEY ROCK CAMP FOR BOYS
In the Land of the Sky
Near Asheville, North Carolina
24th SEASON JULY 1st to AUGUST 25th

After a winter in school your boy should be given the opportunity to get away from the artificiality of man-made surroundings. Camp today offers a safe and wholesome freedom from the smoke and grime, brick and mortar of the city. It solves the problem of the parent whose son faces a long, tedious and aimless vacation and the mischief that idleness provokes.

In camp the boy learns how to get along with other people and to make friends by being a friend. This is a value that cannot be over estimated in later years of life.

Parents choose Chimney Rock because of the definite and direct results in character development that has been produced in the lives of the boys whose privilege it has been to attend. The distinct aim is to prepare youth for a richer living. Ideals of self-control, unselfishness, loyalty, self-reliance, and social adjustment are stressed.

The spirit of achievement is an inner force in every boy. Chimney Rock seeks to promote this force. Campers are taught how to achieve by doing things with their own hands, thus awakening new sources of joy by actual accomplishment.

At Chimney Rock your boy will find plenty of adventure without danger, romance without artificiality and thrills with freedom from restraint of ordinary living.

Thoughtful parents will consider the cost of their boys' summer at camp as an investment in his future and not an expense.

For Illustrated Catalogue or Reservations address Reese Combs, Director, P. O. Box 1186, Miami, Florida.

Switch to Switches
... and stay "cucumber" cool this summer! Modern attic fans, window fans or air conditioning equipment give you cool comfort at only a few pennies-an-hour cost, thanks to cheap electricity!

Napoli Well Received At Recital Of Music

Delighting his audience with his singing, Chris Napoli, a dramatic tenor and student at Stetson University in Deland, was presented on the program as guest artist at the music recital which was given last evening in the Woman's Club by the piano pupils of Miss Margaret L. Davis.

In addition to the numbers on the program, Mr. Napoli entertained the audience with several encores including "Miserable," "Come to the Fair," and "A Sweet Mystery of Life," by Victor Herbert, which was sung with the piano by Miss Barbra Peden, of the Stetson School of Music.

Tall baskets holding pastel colored gladioli decorated the stage and auditorium for the occasion. Groupings of potted palms and baskets of gladioli were placed on each side of the two pianos.

Following the recital refreshments of ice cream and cake were served by Mrs. A. M. Phillips, Mrs. W. G. Fleming, Mrs. Andrew Carraway, Mrs. Dorothy Lamb, Mrs. Walter L. Cooper, Mrs. Arthur Brannan, Mrs. Foad Hunsell, Miss Clara Hawkins, Miss Violet Wells, Miss Lenora Whiddon, Miss Virginia Kelly, Miss Beryle Stevens, Miss Ruth Jegan Wright, Miss Louise Moughton, Miss Wilma Leslie, Miss Elizabeth Franklin, Miss Martha Wright, Miss Louise Moughton, Miss Carolyn Boyd, Miss Dorothy Sanford, Miss Rebecca Stevens, Miss Mary Wyatt Ratliff and Miss Lillian Thornley.

Programs were distributed by Carolyn Lee and Patty Anderson, and Kenneth Lettler had charge of the stage appointments. The flower room was presided over by Mrs. Allen Jones, assisted by Malcolm MacNeill, Clarence Courier and Joe Baker.

The program which was presented last night follows: Etude in G Minor, Czerny—Plano I, Elizabeth Fite; Piano II, Mary Helen Matthews; Song of Romance, Gorman—Harriet Matthews; The Elf's Story, Armstrong—Nancy Jean Appleby; Singing and Swinging, Gorman—piano I—Penrose Hutchins; piano II—John Fite; Valse Triste, Sibelius—Thompson—Nixie Kirchhoff; Lily Pads, Locke—Phyllis Allen, Odham; Valse, Bachmann—Phyllis Allen; Gavotte, Hildebrandt—Phyllis Allen; The Bird, "The Musical Lamb"—Silver Clonias, Rolfe—Mary Louise Smith—Marion Herbat; Song of the Clock, Holst—Lila Moore Lettler; Glimpses, Masurka, Bohm—Elizabeth Fite; Sweet Briar, Mallard—Mary Joyce Stevens; Sunbeam Dance, Woodbridge—Kitty Oldham, Harriet Matthews; The North Wind, Kern—Cauton Hutchins; Concerto No. 25 in G Minor, 1st Movement, Molto Allegro Con Fuoco, Franz Liszt—piano I—Zona Matthews; piano II—Helen Hutchins; Romance, Sibelius—Florence Wells; Invenuta Brillante, Sartorio—Lucille Hall; Mazurka, Anthony—Barbara Edenfield; Tam O'Shanter, Warren—Stella May Toucher; Rimpants, Toselli; A Spirit Flower, Campbell-Tipton—Chris Napoli; Grande Valse de Concert, Holst—piano I—Betty Matthews; piano II—Evelyn Matthews; Prelude Dramatique, Kotelby—Helen Hutchins; Tappompla in D-flat Major, Strickland—Mary Helen Tor; Prelude in G Minor, Bachmannoff—Zona Matthews; Libestrain No. 5, Op. 62, Last—John L. Hamrick, Jr.; Marche in F Minor, Leachotky—Dorothy Marshall.

Personals

Mrs. Roy Lievers is ill at her home on 418 Palmetto Avenue.
Fred Miller returned Sunday evening to Tampa after spending the day in Sanford.
Miss Catherine Carter of Tampa visited with friends here Sunday.
Mrs. A. L. Stacy spent last weekend in Orlando and Winter Park with friends and relatives.
Mrs. Arthur Williams and Mrs. W. F. Rungis visited over the weekend at the 81st Division hostess house in Camp Blanding.

Mr. and Mrs. C. B. Tyler have left for Fort Huron, Mich., where they plan to spend the summer months.
Friends of Mrs. C. T. Eates will regret to learn that she has been very ill at her home on Maple Avenue for the past two weeks.

Mr. and Mrs. E. G. Hayes left last night for Duhan, Ala., where they will attend the funeral of Mr. Hayes' brother-in-law, J. D. Merritt.
Miss Virginia Ford has returned to Tallahassee after spending the weekend with her parents, Mr. and Mrs. C. P. Ford, on Lake Avenue.

Mrs. Bennett Land, Jr., and Miss Velma Kesler of Apopka were the guests Sunday of Mr. and Mrs. C. A. Haines at their home on Park Avenue.
Mrs. Helen Melanson, a sister of Mrs. O. P. Herndon, is ill in the Fernald-Laughton Memorial Hospital where she underwent an operation on Saturday. She is reported as resting nicely.

Forming a party going to Daytona Beach Sunday were Mr. and Mrs. James Steakley of Sarasota, Mrs. E. S. Steakley, Mr. and Mrs. J. S. Webb, Miss Edith Steakley and Hugh Boyd.
Mrs. Cassandra Schultz has gone to Tallahassee to spend a few days with her son-in-law and daughter, Senator and Mrs. E. F. Householder. She was accompanied by her grandson, Keith Householder, who spent the weekend here.

Louis Bills has arrived from Gunter Field in Montgomery, Ala., to visit with his parents, Mr. and Mrs. J. C. Bills of Oviedo, until Friday, when he will leave for Shreveport, La., to receive training in the bomber division.
Miss Elizabeth Barclay of Knoxville, Tenn., was the guest of Mr. and Mrs. C. A. Haines last evening. This morning, Mrs. Haines and Miss Barclay returned to Orlando to be with Mrs. Haines' sister, Mrs. W. E. Richardson for a few days.

Julian Adams, who has finished his last training at Gunter Field at Montgomery, Ala., is visiting with his parents, Mr. and Mrs. J. Ross Adams. He will leave Friday for Maxwell Field in Montgomery where he will receive advanced training in the pursuit division.
Mr. and Mrs. C. G. Priest returned home yesterday from a weekend spent in Tallahassee and Pensacola. On Friday they visited the House of Representatives and on Sunday they attended a special memorial service at the Presbyterian Church in Pensacola, where they were the guests of their son-in-law and daughter, Mr. and Mrs. Clyde Brockman. Yesterday they were luncheon guests of Mr. and Mrs. Van Priest in Madison.

Piano And Clarinet Recital Is Offered

The Woman's Club on Oak Avenue was the scene on Friday evening at 8:00 o'clock of the piano and clarinet recital by the pupils of Miss Madeline Mallem. Assistant talent on the program included Miss Evelyn Ratliff and Laurence Horton, expression pupils of Mrs. George A. Maffett.

Pedestal baskets and vases of varicolored gladioli with statz and fern decorated the platform and auditorium for the affair. Programs were distributed by Miss Betty King and Miss Shirley Cameron. The Misses Mary Ann Wheelch and Audrey Each were placed in charge of the flower room.

The program which was presented is as follows:
1. Dance of the Wood Nymphs, Forest Schumaker—Martha Page
2. Playground March, Herbert Le Grand—Edward Senkarik
3. A Little Waltz, Hazel Raines
4. (a) Yankee Doodle (b) The Jack Amers from "Music Play"—Maxine Thomas, Miss Mallem
5. Song of the Evening Star, Wagner—Audrey Toll
6. Little Journey, from "Music Play"—Marie Nix, Hazel Raines
7. The Wee of An Unwilling Orator, Edgar A. Guest—Laurence Horton
Encore: "A Boy's Pockets"

(a) Happy Farmer, Schumann
(b) The Duke's Song, Verdi—Kathleen Babcock, Cherry Singletary
9. Going Skating, from "Music Play"—Maxine Thomas
10. The Two Flyers, E. M. Endresen—Lois Meriwether, Ann Stine, Martha Page, piano
11. (a) Songs My Mother Taught Me, Anton Dvorak; (b) By the Bend of the River, Clara Edwards—Nolley Trawick
12. Two Little Shoes, Stracabog—Marie Nix
13. Little Waltz, Johannes Brahms—Marie Nix, Hazel Raines
14. (a) My Old Kentucky Home, Foster; (b) Marching With the Big Bands Band, Carl Kerner—Henry Richter
15. Sunset Waltz, Streabog—Hazel Raines
16. La Grace op. 302 no. 5, Charles Bohm—Mrs. W. M. Nixon, Miss Mallem
17. Listen to the Mocking Bird, Winner-Sawyer—Edward Senkarik
18. The Virtuoso, Theme and Variations, E. M. Endresen—Hugh Wheelch, Jr.
19. (a) Andante, Franz Haydn; (b) Cinderella Waltz, Herbert Le Grand—Mary Gray Michael
20. Waltz in Bb, Johann Strauss—Kathleen Babcock, Hazel Raines
21. Up With the Flag, C. W. Benson—John Akers
22. (a) Early-Spring Waltz, May Browne; (b) Minuet in G, Beethoven—Cherry Singletary
23. Humoreske, Anton Dvorak—Audrey Toll, Miss Mallem
24. Birds of Spring, L. Brownfield—Kathleen Babcock
25. Fraquinia Serenade, Franz Lehar—Lois Meriwether
26. "Curiosity," Fred Lawrence Dunbar—Evelyn Ratliff, encore
27. March from "Aida," Verdi—Hugh Wheelch, Jr.
28. The Glow Worm, Paul Lueck
29. Community Grand March, Op.

seven of Mrs. Fleming's pupils. Miss Helen Hutchins and John Hamrick, pupils of Miss Margaret L. Davis, will give piano solos as closing numbers on the program.

School Of Childhood To Close On Friday

After a year which has been termed "successful" by the instructor, The School of Childhood, operated by Mrs. Ruth Gordon Wright will close on Friday. Mrs. Wright has operated a Kindergarten and grade school for years in connection with her dancing classes, and this year she opened an exclusive kindergarten in Sanford.

Mrs. Wright's method of teaching is by using her own literature which is in printed form, thereby giving the child a knowledge of reading, writing, English, phonics and spelling, as well as being taught lessons in etiquette and initiative. She states that a child who has finished the School of Childhood work is ready to enter first grade and is able to pass the intelligence test that is required of the children in Washington D. C. before entering first grade of school.

Mrs. Wright is a graduate of Tennessee College in Murfreesboro and holds a Bachelor of Arts Degree. She has studied dramatics under Marie Adams of New York and an instructor under the efficient dancing master, Ned Wayburn of Chicago.

608 Cal W. Keith, Lois May, Webster, Hugh Wheelch, Jr., Ann Stine, Nolley Trawick.

Phi Alpha Kappa Group Has Dance

Red and white flowers were used to decorate the Woman's Club on Saturday evening when the Phi Alpha Kappa society entertained with a dance for members of the Junior High School. Each guest was presented at the door with a red badge, with S. J. H. on it.

Sponsors for the evening from the eighth grade were Camille Horton and Joe Baker, Mavis Ruth Odham and Charles Sparkman. From the seventh grade were Nancy Jo Gonzalez and Glenn Lingle, Jr., and Betty Jo Brock and Kelly Smith. The girls were presented with colored bouquets in red and white and the boys with red boutonnières.

Following the announcement of the sponsors and the presentations they led the dancers in a grand march.

Chaperones for the evening were Mr. Vall Lovell, Mrs. R. E. Pippin, Mrs. L. Hawkins, Connelly and Mrs. Batten.

Those dancing were: Mavis Smith, Shirley Ebbels, Sylvia Mersch, Audrey Bach, Dorothy Crumley, Betty Corradi, Catherine Clark, Minnie Ruth Odham, Martha Page, Betty Jo Brock, Nancy Jo Gonzalez, Camille Horton, Rosemary Burdick, Eugene McCallahan, Ann Weigand, Sally Kate Williams, Betty Matthews, Lucy Ward, Betty Smith.

You can live comfortably in Sanfords, Fla. for as little as \$1.75 a day.

Also, Shirley Cameron, Connie McCall, Marty Pickens, Winifred Lovell, Ann Lovell, Evelyn Matthews, Daphne Connolly, Mary E. Lack, Nancy Collins, Mary Ann Wheelch, Mildred Windham, Betty Wilkinson, Lucille Hall, Florence Wells, Violet Wells, Luella G. Gandy, Margaret Spencer, Katherine Spencer, and Mary Louise Gilbert, of Dayton Beach.
Also, Glenn Lingle, Joe Jack, Mavis Horton, Joe Baker, Al Doudney, Bill Fleming, Sam Taylor, Al Brock, Pete Brock, Bobb Merz, Willie Kirkley, Billy Mose, Betty Hensley, Clarence Keane, Randall Collins, Paul Hudson, Philo Keaton, Ray F. S. Jr., Leroy Hensley, Wayne Ebbels, Kelly South, Wilford, Mrs. Nellie Joe Wotton, James Diamond, Tommie Cobb, Billy Gray, Charles Spackman, Earl Peter, Sam Thurmond, Leroy Tolbert, Jimmy Gandy, Carl Charpentier, Jr., Paul Brock and Sunny Smith.

Music Department's Last Program Slated

The last program meeting of the year of the music department of the Woman's Club will be presented this evening in the club house at 8:00 o'clock. All club members have been urged to attend and it was announced that the program will be short so that persons wishing to hear the President's speech at 9:30 o'clock may do so.

The program to be presented is as follows:
A trio, composed of Mrs. F. Brummett, Mrs. H. Roy, and Mrs. L. L. Linnick, will sing and Mrs. Brummett's own compositions of "Ave Maria."

A solo, "Serenade," with the piano, Mrs. H. Roy will sing. Mrs. L. L. Linnick, accompanied at the piano by Mrs. Brummett.

Two dance numbers will be presented by pupils of Miss Madeline Mallem. Miss Madeline Mallem will sing and Mrs. Brummett will dance. Mrs. Brummett will dance a ballad with Miss Mary Schell at the piano.

Readings will be given by Mrs. Ruth Odham and Beryle Stevens. The program will be presented by Mrs. Brummett.

SEMINOLE HIGH SCHOOL GRADUATES

Graduates of Seminole High School are shown in the caps and gowns they will wear at the commencement exercises Monday night at 8:00 o'clock at the high school auditorium, when they will receive their diplomas evidencing the completion of four years work.

British Fight On Against Mounting Attacks In Crete

Critical Stage Said Reached In Battle; Situation Termed Serious By London

Parachute Troops Continue To Drop Italian Division Of 15,000 Men Taken On Ethiopian Front

BERLIN, May 28.—(A.P.) Formal charges of terrorizing German paratroopers in Crete were made by a military spokesman at a press conference today. He said the High Command soon would make a public announcement.

British Prime Minister Churchill, flanked by British soldiers in the uniforms of New Zealand and British soldiers, the Nazis denied.

A critical stage in the nine-day-old battle of Crete was reached today as British troops, now outnumbered and frayed by an incessant aerial assault, struggled against mounting odds in four sectors of the 160-mile-long island.

Health asserted that Adolf Hitler's aerial invaders had broken German resistance and had captured Crete, Crete.

British forces had captured important positions from the British in the Salom sector on the Libyan-Egyptian frontier.

On the Ethiopian front, however, the British reported the capture of an entire Italian division—normally about 15,000 men.

World attention centered meanwhile on President Roosevelt's pledge of active American resistance against all Nazi attempts to win control of the seas.

British defenders in western Crete gave ground foot by foot in vicious combat yesterday as German reinforcements arriving by air widened a breakthrough in the section between Maleme and Canes, official sources said.

Prime Minister Churchill told the House of Commons that "the issue of magnificent resistance hangs in the balance."

Imperial reinforcements are pouring into Crete to bolster the resistance against the eight-day-old Nazi invasion. It was announced officially, and all Axis air-borne landings were reported to be stopped by the royal navy with ease.

Class members who are expected to attend include Gordon B. Knowles, Bradenton; Engram Pruitt Barlow, Wauchula; Judge M. C. Seaford, Inverness; Horace E. Olliphant, C. J. Hollingsworth, Bartow; Arthur Pinkerton, Tarpon Springs; Aron Jackson Peacock, Plant City; Judge Barker, J. Rex Farrier, Paul W. Wood, Tampa.

House Passes 3 Local Bills At Night Session

Passage Expected In Upper House Without Any Determent

Three bills pertaining to Sanford and Seminole County, introduced by Representatives John Leonard and E. E. Brady, were passed last night by the Florida House in local session, it was learned today from an Associated Press report.

House Bill 1648 would authorize Leonard to borrow up to \$40,000 for municipal purposes; House Bill 1649 would create a Sanford port district, and House Bill 1655 would authorize a five mill welfare tax for Seminole County.

Presumably the bills were sent to the Senate, where passage is expected to be assured. They will become law when signed by Governor Holland.

Action on the bills had been delayed because Representative Brady felt a referendum should be attached to the bill permitting the City to borrow \$40,000 from its operating fund. It was pointed out, however, that the City had no need for the money and that the referendum would only delay the bill's passage.

No referendum is attached to the bill, it is understood. The bill authorizing Seminole County to levy and assess taxes not exceeding five mills for a County welfare fund is designed principally to be used in paying interest and operating expenses of the hospital.

Assistance is received from the government to build the hospital, a levy of two mills will probably be made to pay interest on the hospital bonds and operating costs of the hospital. A slightly higher levy may be made necessary in case the County is authorized and decides to build the hospital itself.

Under the terms of the bill, a maximum of five mills could be levied for a fund to be used for general welfare purposes. Under HB 1649, establishment of the port district is authorized.

Class of '16 Will Have 25th Reunion

The class of '16 at the University of Florida, which numbers among its members S. A. B. Wilkinson of Sanford, will meet at Gainesville Sunday night for its 25th reunion dinner.

Others who are members of the class are Governor Holland, Federal Judge William J. Barker and Congressman E. A. Green. In the past, 105 young people's meetings have been conducted with a total attendance set at over 4,000. At the meetings, 1,050 pieces of Sunday School literature has been given out.

Capt. Rose has conducted meetings at six local institutions. He also reported the activities of the Salvation Army in the United States, organization of six charitable institutions. Three members were appointed to represent the local Salvation Army group and Salvation Army members are H. three from other organizations.

J. Lehman, Mrs. J. B. Colclough and Fred E. Wilson, while Frank Shamer will represent the Jewish organization, and Ralph Lubinski and Mrs. J. L. Harris, the Catholic organization.

Quiz Program Presented At Kiwanis Lunch

Judge Ware Conducts Question Game At Meeting Of Group

Under the direction of Judge R. W. Ware, who asked the questions, a quiz program was presented at the regular luncheon meeting of the Kiwanis Club at the Valder Hotel today.

In a short business session before the entertainment program, it was voted to appropriate \$100 to the hospital fund. Mr. O. P. Herndon, president, made the motion to get the bank, and it was adopted unanimously.

Calling attention to civilian registration day, which will be held here next week, Mr. Herndon asked all Kiwanis members to cooperate and register on the day that shortly will be set.

P. P. Campbell was honored on his birthday. G. D. Workman announced that negotiations were under way to have a boat trip, and that it probably will be held next Thursday. B. C. Moore led the group singing. Charles Morrison sang a solo new song, "Let's Get Together."

There was some discussion of changing the meeting date of the club if the merchants close on Wednesday, but definite action was postponed until it could be determined when the stores will close during the summer.

Questions asked on the quiz program are listed below, with the answers following.

1. Who was the only man to hold the two highest offices in the United States government?

2. Who was the last native ruler of the Hawaiian Islands?

3. Locate the island of Martinique—French possession vital to American defense.

Commencement Programs To Be Held By Three Sanford Schools

Visitor Declares Postal Colony Is Still Considered

F. G. Loderus of Bradock, Pa., a member of the Retired Postal Employees Association, was in Sanford yesterday looking over the advantages of this section for a postal colony and declared that he was "very much pleased with the city."

"Don't give up hope," Mr. Loderus declared to those interested in seeing a group of retired postal workers move here and build homes. "We are still working on the project and it is going ahead."

Mr. Loderus, who was returning home with his wife after a tour of Florida, stopped overnight at the Armitage Club on the Sanford-Orlando Highway. There he discussed the postal colony project with E. M. Armitage, proprietor, who was encouraged with the prospect.

In Leesburg, Mr. Loderus had a conference with W. G. West, chairman of the home retirement committee, who declared that even if no more members are secured by the association, there are enough now to carry out the program.

Mr. Loderus will make a report to officials of the organization upon his return North. He told Mr. Armitage last night.

Officers Are Named By F. F. A. Chapter

Charles Thurston was installed as president of the Seminole County chapter of the Future Farmers of America at a meeting held last night at the Seminole High School, Alex Johnson, instructor, announced today.

Others installed were Ralph Wolff, vice president; Alden Taylor, secretary; Ellsworth Hoover, treasurer; and Billy Stapler, reporter.

A 400-mile cruise to Daytona Beach aboard Mr. Johnson's motor cruiser, "Prudy," was planned by members of the chapter. The cruise will be held June 8 and will take four days. The group will go down the St. Johns River to Jacksonville and down the coast to Daytona.

A judging team will be sent to Columbia College, and named acting editor of the magazine.

Farms In County Decline, Census Bulletin States

Agriculture In Seminole County is on the decline, judging from a bulletin issued today by the Census Bureau giving the results of an agriculture census in Florida.

The bulletin, the first of a series giving detailed information obtained in the 1940 census, reports on the uses of land, principal crops and classes of livestock with statistics for each county.

Farms in this county dropped from 989 in 1935 to 740 in 1940; the bulletin shows. The approximate land area of the county is given as 208,440 acres, of which 52 percent is in farms.

In addition to the slump in the number of farms, products of the farm also showed general declines in the five-year period from 1935 to 1940, in addition to declines in the period 1930-40.

Land in farms in 1940 was 75,744 acres, while in 1935 it was 72,438 acres.

Two items that did show increases are cattle and chickens. Cows kept for milk production were 470 in 1940, an increase over the 430 in 1935. Beef cattle totaled 1,336 in 1940, as contrasted with 938 in 1935. Chickens raised were 74,411 in 1940 and 55,012 in 1935.

Other bulletins will be issued later by the Census Bureau giving further information about Florida farms. Other facts about Seminole County farming reported by the first bulletin are as follows:

Sanford boys may take flying course

Sanford boys who are interested in learning to fly are eligible to enroll in a summer CAA ground school beginners class at Stetson University, R. E. Kipp, principal of the Grammar School, said today.

Prof. Robert Allen, physics instructor at Stetson, will have charge of the classes and boys over 18 and under 26 may enter.

Two or three boys may enroll from Sanford in the course, Prof. Allen told Mr. Kipp. There will be 72 hours of ground work instruction offered and 35 hours of flying. Further details may be secured from either Mr. Kipp or Prof. Allen.

Axis Press Views Roosevelt's Speech As War Invitation

Bradshaw Named County United Service Head

Plans Taking Shape For \$2,000 Drive Starting June 3

Charles E. Bradshaw of Altamonte Springs has been named chairman of the United Service Organization in Seminole County, it was announced today, and plans are taking shape to raise \$2,000 as this section's contribution to a giant recreation program for the nation's soldiers and sailors.

Mr. Bradshaw, whose appointment was made by Governor Holland, said the drive for funds probably would be held about June 3.

The United Service Organization is a non-profit corporation approved by President Roosevelt which brings together various national agencies in a common program of service to the nation's defenders.

The agencies are: Young Men's Christian Association, National Catholic Community Service, Salvation Army, Young Women's Christian Association, Jewish Welfare Board and National Traveler's Aid Association.

The new organization, part of the national body recently organized by the six groups for planning and coordinating the volunteers and resources, will serve soldiers, sailors, nurses, defense workers and young men in camps, bases, and manufacturing areas.

The national organization has a quota of more than \$10,000,000 to raise starting June 3 and to last two weeks. From this fund, the county will be providing sites and buildings, it will establish more than 300 service clubs outside of air bases, camps, naval stations and defense production centers.

The county program of the USO will be to serve the religious and social needs in the armed forces and defense industries of the nation and to contribute to the morale of the defense forces and the communities in which they are based.

Seminole County May Get Separate Senator

Seminole County would have its own senator and separate senatorial district under the terms of a House committee proposal made yesterday to redivide the six senatorial districts to give five South Florida counties individual senatorships.

Seminole County and Brevard County form one senatorial district at present. The plan would divide them into two districts.

Palm Beach county and Broward (Fort Lauderdale), which now are together in the 35th district, each would elect separate senators.

Monroe county (Key West), which is coupled with Lee county more than 300 road miles away, would have its own senator.

Manatee county (Bradenton) also would have a separate senator who at now is in a district with other counties.

Authoritative Fascist Editor Claims This Nation Is Preparing For Aggression

America Is Said Virtually In War

WASHINGTON, May 28.—President Roosevelt will hold special press conference late today at which he is expected to clear up the question of convays, Stephen Early, presidential secretary announced today.

To the question of whether the President's plea in the "fireside chat" last night that all citizens put defense first meant that the time for debate was over, Early replied that certain free speech would continue.

Both Axis nations were grimly silent today—officially—on President Roosevelt's speech, but irraganda sources which do their bidding were allowed to hint that it may be regarded as an invitation of war.

Virginia Gayda, Fascist editor who often reflects Premier Mussolini's views, said Italy Roosevelt is "preparing for aggression" against Italy.

Other Fascist circles in Rome said the "fireside chat" virtually put the United States in war with the Axis.

By a late afternoon the German press had not disclosed its public view of the President's speech.

The twenty Aus Deutschland news commentary, which has close foreign office connections and is not for home consumption, asserted the address undoubtedly would result in "decisive reaction" from the Axis.

President Roosevelt, proclaiming an unlimited national emergency, put the U. S. last night on wartime footing, and on a world-wide broadcast warned the United States will fight, if need be, to maintain freedom of the seas.

And the United States, he added in a serious tone, will do what ever may be necessary to assure safe delivery of war supplies to England.

Delivery of this aid, he said, "can be done, must be done; will be done."

There was no answer from the President to the question often asked whether convays would be used to make aid delivery certain. But he pointed out that extended operations of the neutrality patrol were helping to move war supplies safely.

Bluntly, he accused Hitler and the Axis nations of an intent to conquer the world and "strangle the United States of America."

Previously he ran over the "ancient doctrine of freedom of the seas," were included in his long awaited address delivered from the east room of the White House, before the entire diplomatic corps of the Western Hemisphere.

Florida Senate Agrees To Debate General Appropriations Measure

TALLAHASSEE, May 28.—(A.P.)—The Senate agreed today to debate late today the general appropriations bill to which the House had added an \$8,771,000 old age pension and welfare rider.

A sharp skirmish preceded the vote, delaying final action until this afternoon. During the debate, Senators Rose of Orlando and Whitaker of Tampa argued sharply over Rose's charge that an attempt was being made to "rail-road" the legislation through the Senate.

The Senate passed a general appropriations bill providing less than \$12,000,000 for operations of the State, courts and public institutions. The House passed its own bill which, with a pension rider, aggregated more than \$21,000,000.

Senator Wilson of Quincy, chairman of the appropriations committee, planned to offer the entire Senate bill as an amendment to the House bill. The result would have been that the two Houses would name a conference committee to work out the vast differences.

New revenue bills appeared in the Legislature yesterday while the Senate awaited receipt of the House-approved general appropriations bill totaling \$21,337,889 annually.

City News Briefs

The Board of Deacons of the First Baptist Church will meet at the church at 8:00 P. M. tonight.

Capt. Ralph R. Rose gave his quarterly report to the board of directors of the Salvation Army yesterday and announced he is to be transferred to a new post.

The medical care has been administered in co-operation with the county nurse and the school nurse. Capt. Rose reported that 105 young people's meetings have been conducted with a total attendance set at over 4,000. At the meetings, 1,050 pieces of Sunday School literature has been given out.

Capt. Rose has conducted meetings at six local institutions. He also reported the activities of the Salvation Army in the United States, organization of six charitable institutions. Three members were appointed to represent the local Salvation Army group and Salvation Army members are H. three from other organizations.

J. Lehman, Mrs. J. B. Colclough and Fred E. Wilson, while Frank Shamer will represent the Jewish organization, and Ralph Lubinski and Mrs. J. L. Harris, the Catholic organization.
