Big Four May Hold Meeting In February

Western Powers Demand That Agenda Include All Areas Of Disagreement

PARIS, Dec. 22—(AP)—The Western powers agreed today to a Big Four meeting proposed by Russia, if the Kremlin will agree to broaden the agenda to include outstanding world problems in addition to Germany. Foreign Office sources said notes delivered in Moscow tonight suggested that the four powers' U. N. delegates work out the agenda, time and place for the meeting.

There have been reports that the four foreign ministers would be invited to meet in February in New York City. This was neither confirmed nor denied in French official circles tonight.

The notes were drafted in answer to Russia's No. 3 invitation to the Western powers for a four-power session on Germany's future. They were approved by the Big Three foreign ministers in Brussels Tuesday night. The notes, which are identical in viewpoint but different in wording, were delivered to the Kremlin through the three embassies. Moscow dispatches said representatives of the three embassies called on Deputy Foreign Minister Andrei A. Gromyko this afternoon.

The acceptance of the meeting was conditional on the Russians' willingness to discuss a wide range of world problems. The Russians had suggested talks on Germany only.

The last previous Big Four session—on the subject of Germany and Austria—was held in Paris from May 23 to June 20, 1949, just after the Russian blockade of Berlin was lifted.

It ended in deadlock on the German question, with France, Britain, the United States and Russia unable to agree on unification of Germany and Berlin. The only agreement was that neither the Russian blockade nor the Allied counterblockade of Berlin would be reimposed, and that

Farmers Market Gets Fat Sand Land Celery

The Sanford State Farmers Market received the first local shipment of fat sand land celery of the season yesterday, said Manager Sandy Anderson.

It was grown in the west section of Lake Monroe by Herbert Behrens, its quality was very good, and it sold at market prices, said Mr. Anderson.

Prices on celery varied from \$2.50 and \$3.75 for 3-4 doz. in season, and \$1.25 to \$1.50 for Golden variety.

Supplies were fairly plentiful in citrus and demand was active on oranges, grapefruit and tangerines. Florida tomatoes hit the market with crates selling at \$1.50.

Tender vegetables were out of the deal due to fatal weather conditions. These included squash, peppers, eggplant, cucumbers and peas.

At the Pompano Market where buyers are thronging hopefully in search of vegetables, squash is selling at \$10.50 a hamper, said Mr. Anderson.

RYTHM INTERIEN

Three Rythm University students will assume practical teaching posts early in the winter quarter in Sanford for an eight week internship in elementary and high schools covering a variety of subjects. They are among 35 students who will receive this training in cities throughout the State.

Of the three, Lowell Dicks will assist and teach under B. E. Black, SHS band leader. Roy Roney will work with Joe McCaslin, sociology teacher at the high school. John Root, son of the Rev. J. R. Root will assist Mrs. Ola Cochran, teacher of English at the Junior High School.

SHOPPING DAY

The Sanford Herald will not be published on Christmas or New Years Day. However, there will be a special Christmas Edition published at noon tomorrow. A paper will also be published Saturday, Dec. 30, preceding New Year's day.

Santa Is 'Bad News' To This Boy

SANTA CLAUS MAY BE THE CRANDIEST person in the world to most youngsters, but this boy in Naples, Italy, wants no part of him and tells it in loud and plaintive notes. He is hiding behind a little girl, who doesn't share his sentiments. Santa is played by Anthony Pellicci, chief pipe fitter on the U.S.S. Shenandoah, whose crew gave the Christmas party for the otherwise grateful kids of Naples. (International Soundphotos)

Dark Threat Of War Is Dispelled By Bright Christmas Decorations

By WILLARD CONNOLLY

The spirit of Christmas is overshadowing the dark threat of total war and is manifest in Sanford by hurrying shoppers, gaily decorated windows and stores, lighted trees in the parks and many Christmas parties enjoyed by churches, clubs and business organizations.

At night the downtown section presents an interesting pattern of colored lights over the streets. In Fort Mellon Park is a large, lighted Christmas Tree and a smaller tree is similarly decorated in the Fifth Street Park. A thatched hut depicting the Nativity scene has been erected in the park by the Seminole County Tuberculosis and Health Association. The figures in the manger scene are life sized, and are illuminated at night.

With the spirit of worship stronger than ever during the present war crisis, a large attendance is expected at the special Sunday and Monday evening programs which will be presented in Sanford Churches.

Sanford and Seminole County are not forgetting the underprivileged children. At 8:00 o'clock Saturday afternoon more than 200 children who have received post cards from the Elks will gather in front of the Christmas tree on the Elks lawn East Second Street to receive presents from Santa Claus, including toys, candy, fruit, and clothing.

R. P. Sharrow, chairman in charge of the program, today expressed thanks to the American Legion, Scouts and Shrine Club for helping to make the Christmas of these children a merry one.

More than 75 children will receive an assortment of gifts on Christmas Eve from the Lions Club. A committee, headed by Jack Morrison and William Folds, will direct the delivery of the gifts to underprivileged children. The Salvation Army is also preparing many gifts for adults and children.

Many parties have been held lately. At the recreation room of the Florida Power and Light Co. Wednesday night, more than 200 employees and children were present to receive gifts from Santa Claus. Phil Goodspeed and Mrs. Gollin Whit, home service representative of the company, assisted in the program, and children received many fine toys including dolls, footballs and toy furniture. Refreshments were served.

Last night at the Lake Mary Community House which was decorated with a big Christmas tree, the Sanford Business and Professional Women's Club members and guests enjoyed a program of music and entertainment and a supper. Marion Harman was master of ceremonies and the entertainers included Stanley Brumley, tenor; Norma Paves Harvey, singer and dancer; six year old Susan French of the Duxbury School of Dancing, singer and dancer, and Ellen Driggers, soloist. COURT HOUSE

The Seminole County Court House will be closed from tonight until Tuesday morning. The City Hall will be open for a short time tomorrow and employees will have their annual Christmas party.

City employees who have been employed for more than a year will receive bonuses of \$25 said City Clerk H. N. Sayer. Those with six months to a year of service will receive \$15 and those with less service \$10. Most law offices will be closed Saturday.

RIT AND RUN

COBBURN, Va., Dec. 22—(AP)—Six-year-old Richard Hawkins was walking along the highway yesterday headed for church to take part in a Christmas program.

A big truck whizzed by, struck the youngster, knocking him down. Richard died. The truck kept going.

Excess Profits Levy Approved In Conference

President's Request For Emergency Reorganization Powers Sidetracked

WASHINGTON, Dec. 22—(AP)—A House-Senate conference committee today approved unanimously a \$3,300,000,000 boost in corporation taxes, including a 77 per cent levy on excess profits.

The legislation would increase America's tax load to the highest level in history—\$45,000,000,000 a year.

The previous record of federal tax collection was set in wartime 1945 when the government took in \$45,900,000,000.

Following closely on the heels of last September's bill boosting both individual and corporation taxes, the new measure is intended to provide more billions for defense and curb profiteering, and check inflation.

While the committee-approved measure comprises separate bills passed by the Senate and House, final congressional action has been delayed until Jan. 1. That's because the House, for all practical purposes, has quit work until after the Christmas holidays.

President Truman's request for emergency power to reshuffle federal agencies appeared to be shelved until the new Congress meets next month.

Chairman McClellan (D-Ark.) of the Senate expenditures group told a reporter the group agreed informally to defer action pending further study.

He made the statement after the committee had conferred behind closed doors with Charles E. Wilson, the new defense mobilizer.

Wilson told reporters when he left the meeting that he had urged approval of the bill. He also said in reply to a question that it is too early to tell how much consumer goods production may be cut as a result of the stepped up munitions program.

"We are still in the analyzing stage," he said. "We are analyzing the bill."

Senator McClellan said government reorganization powers bill probably will be referred to post-objections from some that it would give blank check authority to the President.

Committee members feel that neither Mr. Truman nor Wilson would abuse the reorganization powers the President is seeking. (Continued On Page Three)

Duxbury School Gives Christmas Program

The Duxbury School of Dance yesterday presented a Christmas program of dancing and singing at the weekly Jaycee meeting in the Yacht Club yesterday.

President Bill Stemper introduced Mrs. Allen Duxbury who acted as mistress of ceremonies during the entertainment.

Mrs. Duxbury introduced Miss Donna Lou Harper who sang a medley of Christmas songs accompanied by John Fite, David Hester sang "White Christmas".

The Jaycees joined Miss Harper and Mr. Hester in singing "Hark the Herald Angels Sing", "Little Town of Bethlehem", "The First Noel" and "Silent Night".

Miss Ann Whitaker opened the program with a ballet interpretation of "White Christmas".

Six-year-old Susan French sang and danced the Cincinnati dance. In one of the big numbers of the show.

Miss Norma Fay Harvey sang and did a mambo finale dance to the tune of "Winter Wonderland". Guests at the meeting Malvin Odham, Reggie Moffet and Karlyle Housholder.

Artillery Is Queen Of Beachhead As Reds Are Mowed Down Nightly

By NEAN SWINTON

HUNGNAM BEACHHEAD, Korea, Dec. 21—(Delayed)—(AP)—Artillery is queen of the beachhead here. The Army and Navy big guns reach out to rip the enemy when he still is well back from American infantry lines. That's why so few U. S. soldiers have been killed or wounded here.

Carrier-based planes keep the Communists pinned down during the day. At dusk the artillery begins to lay its well-exploited death around the front; it throws out up to 10,000 shells before dawn.

It is the first time in the Korean war that the artillery has come fully into its own. By World War II standards there are not a lot of guns. But, says Brig. General Roland P. Shuger, the beachhead's top artilleryman, "American artillery technique is abreast or ahead of

Chinese Assault On Beachhead Beaten Back By Infantry In Sharp Battle

TOKYO, Dec. 22—(AP)—Red troops were reported south of Korea's 38th Parallel tonight and preparing a new offensive as the Chinese Communist regime rejected—except on its own tough terms—the latest United Nations effort to arrange a cease-fire.

The Peiping radio broadcast a statement by Red Premier Chou En-lai that retirement of all foreign troops from Korea, America's withdrawal from Formosa, and Chinese Red admission to the U. N. were the only conditions on which he would talk of a cease-fire.

HUNGNAM BEACHHEAD, Korea, Dec. 22—(AP)—American troops early today beat back a small persistent North Korean attempt to penetrate the northern front of the Hungnam beachhead.

The brief but limited engagement and two brief small arms exchanges were the only actions reported in the beachhead, 10th Corps briefing officer said.

The Reds still were trying to reorganize their First, Third and 4th Divisions for a crack at the beachhead.

"The enemy is continuing effort to build up assault forces but they are dispersed by our firepower," the briefing officer said.

The Red strike at the northern end of the beachhead started at 12:55 A. M. Friday when a Red patrol probed into American positions. Third Division infantrymen drove it back. Two hours later the Reds hit again in larger force. The sharp local clash continued until 6:10 A. M. when the Reds gave up their attack.

Long range small arms and mortar fire still were coming into the perimeter from the attack zone even after the Communist infantry pulled back.

However, small arms fire from the village of Yong, four miles northwest of Hungnam, and from a point three miles east of Hungnam also were reported.

Field officers credited decisive firepower and the tremendous wall of fire thrown up by Army and Navy big guns during the night for (Continued On Page Three)

Mrs. Iona Shepley Dies Suddenly Today

Mrs. Iona I. Shepley died suddenly at 7:30 A. M. today at her home at 1609 Laurel Avenue.

Born in Oley, Indiana, Canada, Mrs. Shepley had made her home in Sanford for the past 15 months. She was a member of the Sanford Tourist Club and attended the First Methodist Church.

She is survived by two sons, Clark and Howard, of Detroit, and the former lived before coming to Sanford; and one daughter, Oscar Lombardy of Havana, Canada.

The remains will be sent to Windsor, Ontario, Canada for funeral services and interment.

Oviedo High School Robbed Of Equipment

Fourteen typewriters, an adding machine and other equipment to a total value of more than \$1,500 were stolen from the Oviedo High School early yesterday morning.

The theft was discovered by Peter Cobb, janitor, who he reported for work yesterday. George Kelley, Oviedo school principal, investigated the theft was off duty on the night it occurred.

Walter Teague, principal of the school, stated that the lock of the safe had been broken, but the door had not been opened by the thieves as it had jammed. There was no money in the safe as it had been deposited the previous day. Deeked and filing cabinets were rifled.

Supt. T. W. Lawton, a resident of Oviedo, stated today that the board will ask for bids for typewriters to replace stolen ones, but not for as many as were stolen. Entry into the school building was made by smashing the glass in the outer door, he said, and turning the knob, he said. The door to the school office had been pried open.

AUTO ACCIDENT

Mrs. W. A. Fitts, Celery Avenue, and Miss Sophie McDougall, nurse at Fernald Laughton Memorial Hospital, received bruises and minor injuries last night at 6:30 o'clock when their automobiles collided when Mrs. Fitts attempted to turn into the drive of her home.

Damage to each of the automobiles was estimated by Deputy Sheriff Bobo Huro at about \$350. Miss McDougall's injuries included a bruise over the left eye and a bruised left knee.

FLORIDA FASHIONS

Florida Fashion designers in both the mail order and manufacturing divisions which have been with the organization for six months in many ways given long work this week. M. Givens, general manager, announced today.

Because of the exceptional response to the firm's catalogues and advertising, this year's volume of business exceeded that of the previous 12 months, said the firm's executive, and the bonuses were given in appreciation of those who assisted in handling the major portion of this increase in business.

REGISTRATION

Less than 500 out of 2,000 Sanford citizens formerly on the city registration list have re-registered as requested by the City, H. N. Sayer, city clerk said this morning. All persons previously registered are requested to do so at once at the City Hall. The deadline is Dec. 30 and the books will not be reopened until 30 days prior to the next election, he added.

PLACE FOR ACHESON

WASHINGTON, Dec. 22—(AP)—This story was getting chuckles around the State Department today.

During the Atlantic Council meeting at Brussels early this week, British Foreign Minister Ernest Bevin called Secretary of State Acheson to one side.

"If they sack you, laddie," Bevin is reported to have said, "I've got a place for you."

Peace Plan Is Called American Trick To Enable MacArthur To Regroup Forces

TOKYO, Dec. 22—(AP)—Communist China tonight rejected the latest United Nations effort to negotiate a cease-fire in Korea except upon condition that all foreign troops quit Korea, Americans "withdraw from Formosa" and the Chinese Red regime be admitted to the U. N.

A six-point statement by Red Premier Chou En-lai was broadcast from Peiping in Chinese and French and translated in Tokyo.

The statement asked angrily why the U. N. "Arab Asian" nations who proposed the cease-fire order did not "see through the American trick" of wanting a cease-fire first and peace negotiations afterward.

Under Red China's demands are met "it will be impossible to achieve the Arab Asian proposal for peace in Korea," Chou's statement said.

The committee at Lake Success, New York, sent the Peiping government three direct requests to negotiate for a cease-fire.

Red China had a delegation on hand during the U. N. debate on Korea but it left for home earlier this week.

The Reds were not permitted to participate in U. N. discussions because they are not members of the U. N.

China's big power seat in the U. N. was obtained by Chiang Kai-shek's Nationalist delegation which the Reds have repeatedly tried to oust.

The Peiping broadcast was made in the Chinese language and read by Japanese monitors in Tokyo.

Lake Alfred Bank Cashier Commits Suicide In Vault

LAKE ALFRED, Dec. 22—(AP)—John Patterson, cashier of the American National Bank, shot and killed himself inside a bank vault today.

Identified Hagan Perry and Patterson shot himself in the head with a .45 caliber pistol.

The shooting came at 1:45 P. M. just after the bank had closed for the day.

Bank officials, a bank examiner, said he could only one shot. He ran into the vault to find Patterson slumped on the floor. The man was lying on a shelf inside the vault.

Patterson's wife, a bookkeeper at the bank, and two examiners were at the bank at the time.

A bank official, who declined use of his name, said Patterson had been working extremely hard lately. He said the bank's books were in good condition.

Patterson was a hero in several bank robbery actions at the bank. Several years ago he was kidnaped by bandits who held him hostage for a short while.

Last year Patterson thwarted a hold-up attempt by a Negro. He and another employee helped run down the Negro and catch him. After that incident, Patterson equipped.

"Wasn't anything to it."

CAR PRICE ROLLED BACK

WASHINGTON, Dec. 22—(AP)—Price Stabilizer Michael V. DiSalvo announced today the Chrysler Company has cancelled a price increase on its 1951 model cars, restoring prices to Dec. 1 levels.

The Economic Stabilization Agency official said he was "gratified" at receiving word from E. L. Colbert, Chrysler president, that the firm had accepted EG's new car price freeze issued last week.

Moscow Pre's Plays Up Hoover Address

MOSCOW, Dec. 22—(AP)—The Moscow press gave prominent play today to a speech by former U. S. President Herbert Hoover criticizing the U. S. government's current foreign policy. Long excerpts from the speech were carried in a Tass dispatch which said it "abounded in hostile slanderous accusations against Communism."

The article said Hoover warned American politicians "on the occasion of attempts of the United States to establish its domination in Europe and Asia."

This is another in a series of articles the Soviet press has been publishing lately devoted to criticizing the "President Truman's foreign policy by leading Americans."

Colored News

Funeral services were held Tuesday in the Oxford A. M. E. Church for a more than 90 year old Negro, Julia Matthis Knight, who was born at Quincy and spent her early years in Tallahassee.

After her husband died and her last child moved north, about 25 years ago, she made her home with "Old Missus," the late Mrs. J. H. Lee Sr., and lived with the Lees ever since.

Mrs. Robert E. Lea, 1208 Enid Street, Houston, Texas, is not only a housewife, but a business woman. She has the energy to fulfill all these duties. Mrs. Lea was suffering a deficiency of Vitamins B1, B2, Nicotin and Iron which HADACOL contains.

Here is what Mrs. Lea says: "I was weak, tired and run-down. I'd felt that way for quite some time. I had no energy or energy. I heard about HADACOL and took 3 large bottles. Now I feel just wonderful. I have plenty of energy and strength and never get tired any more. I think HADACOL is wonderful."

Folks All Over The Country whose systems were deficient in Vitamins B1, B2, Nicotin and Iron, have been helped by HADACOL and HADACOL can help you, too, if you suffer from stomach distress, certain nervous disturbances, insomnia caused by upset stomach, vague aches and pains, or a general run-down condition, if they are caused by deficiencies of Vitamins B1, B2, Nicotin and Iron.

Voters In Russia Reject Only 65 Of 806,744 Nominees

MOSCOW, Dec. 22—(AP)—Official returns from last Sunday's local elections throughout the Soviet Union disclosed today that in 65 electoral districts—in all cases rural—candidates of the Communist and non-party bloc failed to be elected to Soviets.

In these 65 country districts the candidates failed to receive the votes of a majority of the voters, required under the electoral law. New candidates now must be nominated and then new elections will be held in these areas.

In eight other electoral districts, the announcement said, there were violations of election statutes and in six others, for one reason or another, elections have not yet been held.

In all, 806,744 persons were elected to local Soviets throughout the U. S. S. R. Sunday. Of the total vote cast, 99 per cent was for candidates of the Communist and non-party bloc. Percentages of votes for the bloc candidates ranged from 99 to 99.74.

Flush Deck Carrier Planned By Navy

WASHINGTON, Dec. 22—(AP)—The Navy is planning another jumbo like aircraft carrier. But it will not be quite as large as the huge flush-deck carrier "United States" which was abandoned in the keel-laying stage by order of former Secretary of Defense Johnson.

Vice Admiral Leode McCormick, vice chief of Naval Operations, said plans for the big new flattop should reach Congress before long. His recent testimony at closed-door sessions of the Senate Appropriations Committee was made public today. It was given during hearings on the \$20,000,000 emergency defense bill which has been approved by both chambers and now is being smoothed out by House-Senate conferees.

School Budget

 Supt. Thomas Bailey, answering questions from Attorney General Richard Ervin and State Rep. Roy Surles of Polk County, Bailey declared the appropriation could not be appreciably reduced "without cutting teachers' salaries."

He said the money to finance the program "is here in the state. It's only a question of getting it." E. B. Henderson, executive director of the Florida Education Association, told the cabinet the "entire education program was breaking down" when the minimum foundation law was passed.

"Now Florida has an education program we can be proud of," Members of the cabinet turned their attention to their own fund requests as they concluded a week of hearings.

They will study financial demands for the next two years from the offices of Governor Warren, Comptroller C. M. Gay, treasurer Ed Larson, Attorney General Richard Ervin, Secretary of State R. A. Gray, Commissioner of Agriculture covering the State Supreme Court, the rest of the Florida judicial system and operation of the Governor's mansion.

Many children of the First Methodist Church attended the party at McKinley Hall Wednesday night and received wrapped gifts and candy and viewed the Christmas tree.

Young people of the first Baptist Church sang Christmas carols about town on Monday night and then enjoyed a party at the home of Mrs. H. M. Pearce, 609 East Second Street. Teachers in the beginners department enjoyed a yuletide party at the home of Mr. and Mrs. J. F. Harrison, 819 Palmetto Avenue. Boys and girls of the beginners department held a party at the home of Mrs. E. W. Carroll, 1601 French Avenue.

Special Christmas Eve service

scheduled to start at 10:40 P. M. The All Souls Club of All Souls Catholic Church will hold a Christmas party for children Sunday afternoon at 3:00 o'clock at the Yacht Club. There will be a decorated tree and Santa Claus will be present. Mrs. Bart Galletta has charge of the program.

Christmas events were started last Sunday at the First Presbyterian Church with a choir program. Wednesday night a Sunday School party was held in the new educational building. On Christmas Eve the Youth Choir will sing carols in the lobby of the Matfair Inn, and a Sunday night while gift service will be held at the Church.

Florida Fashions will hold an annual Christmas party for its more than 400 employees tonight at 8:00 o'clock at the Sanford Armory.

Tonight at 7:30 o'clock at the City Hall the Sanford Townsland Club No. 1 will hold its Christmas party.

If your druggist does not have HADACOL, order it direct from The Labbiac Corporation, Lafayette, Louisiana. © 1950 The Labbiac Corporation

Mrs. Robert E. Lea, 1208 Enid Street, Houston, Texas, is not only a housewife, but a business woman. She has the energy to fulfill all these duties. Mrs. Lea was suffering a deficiency of Vitamins B1, B2, Nicotin and Iron which HADACOL contains.

Here is what Mrs. Lea says: "I was weak, tired and run-down. I'd felt that way for quite some time. I had no energy or energy. I heard about HADACOL and took 3 large bottles. Now I feel just wonderful. I have plenty of energy and strength and never get tired any more. I think HADACOL is wonderful."

Folks All Over The Country whose systems were deficient in Vitamins B1, B2, Nicotin and Iron, have been helped by HADACOL and HADACOL can help you, too, if you suffer from stomach distress, certain nervous disturbances, insomnia caused by upset stomach, vague aches and pains, or a general run-down condition, if they are caused by deficiencies of Vitamins B1, B2, Nicotin and Iron.

YOUR CARRIER BOY IS LEARNING THROUGH YOU-- THE SUBSCRIBERS OF The SANFORD HERALD

He's learning the fundamentals of sound business, how to keep track of his earnings—new subscribers—a collection system. Day after day, he is the one who brings your paper to you.

Christmas, the season of good will and merriment is here once again and finds most Americans enjoying the fruits of a free country. And that carrier boy, who brings your Sanford Herald to you each evening, Monday through Friday, is an integral part of our free system of Government. The initiative he demonstrates means that he wants to learn, that he wants to know you and serve you well.

Think of him at Christmas time.

Xmas Party Given By Home Department

The American Home Department of the Woman's Club had its annual children's Christmas party Tuesday afternoon at the Woman's Club building.

John Kader showed two entertaining films to the group. Santa Claus then appeared and distributed presents and candy among the children from a large Christmas tree standing in the middle of the auditorium floor.

Refreshments of orange juice and cookies were served afterwards to approximately 85 mothers and children.

W.M.C. BIRTHDAY

The W.M.C. celebrated its tenth birthday at the Methodist Church in Titusville Tuesday.

Ladies of the Titusville Church served a delightful lunch to the visiting ladies of the Sanford Methodist Church, after which a birthday cake, brought by the visitors, was presented as part of the celebration. A grand time was had for each soul that Titusville had accomplished for the year.

High Mass Planned At Catholic Church

Mass will be celebrated on Christmas Eve at midnight at All Souls Catholic Church, commemorating the Nativity of the Infant Jesus. The Rev. Father McGowan, pastor, will officiate.

The High Mass will be sung by the parish choir, M. Loesch, Jr., Gloria, Credo, and Domi Mobis, and the Sanctus Benedictus and Agnus Dei will be sung from W. A. Leonard's Mass in E Flat.

The traditional "Adeste Fideles" will be used for the offertory, and the recessional will be "Angels We Have Heard On High."

The following program of Christmas Carols will precede the High Mass: "What Lovely Infant Can This Be," "The First Noel," and "Silent Night."

Hollywood

By BOB THOMAS

HOLLYWOOD, Dec. 22 (AP)—Every year a lot of wind blows in Hollywood and some of it is worth remembering.

I have collected some of the 1950 quotes that are remarkable for one reason or another. Here they are: "Tallish Bandhead" answers to reports that Betty Davis imitated her in a picture: "Hain't she no ways?"

Betty Hutton, announcing that she was giving up night life after a reconciliation with her husband, Fred Bruklyn: "Contented people don't go to night clubs."

Fred Allen: "Television is based on the belief that there are a lot of people with nothing to do, willing to watch their time, watching people who can do nothing."

Betty Davis asked after her wedding to Cary Grant about possible plans for children: "I think it would be very depressing for me to know that he was a planned baby. That's so cold and unromantic."

Hedy Lamarr, explaining why she couldn't see the police for two days after losing \$250,000 worth of jewels: "You know what it's like to come home late after a party and be wakened from a sound sleep."

Director Elia Kazan: "Actors should stay hungry."

Vivien Leigh, asked if her husband, Laurence Olivier, had plans to film more Shakespeare: "I don't think he'd say if he did, Oscar Welles might start filming the same thing immediately."

Dorothy Parker, explaining why she didn't take a honeymoon after her marriage to Alan Campbell: "We're going nowhere. We've been everywhere."

Red Skelton, laughing about a fire at the preview of one of his pictures: "You can't blame it on the picture because it's not so hot."

Jean Simmons, commenting on well leaders after seeing her first American football game: "I don't like those people waving their arms to get people to sell. Goodness knows, we scream our guts out at soccer matches, but not at somebody else's direction."

Huliner a true Martin. Betty, arguing against divorce: "I'm not all right, so why throw me away and get another just like him? It is better to keep the one you have and profit from the time and trouble you have spent on him."

Maria Toron, on U. S. nuclear: "The American wolf is really shy and uncertain. He is abrupt in or-

HOLLYWOOD, Dec. 22 (AP)—Every year a lot of wind blows in Hollywood and some of it is worth remembering.

I have collected some of the 1950 quotes that are remarkable for one reason or another. Here they are: "Tallish Bandhead" answers to reports that Betty Davis imitated her in a picture: "Hain't she no ways?"

Betty Hutton, announcing that she was giving up night life after a reconciliation with her husband, Fred Bruklyn: "Contented people don't go to night clubs."

Charlene Caldwell, W. O. Newman Wed

The marriage of Miss Charlene Caldwell, daughter of Mr. and Mrs. L. Caldwell of Orlando, formerly of Sanford, to Bennett William O. Newman, son of Mr. and Mrs. Harold Newman of Orlando, will take place Saturday at the Orange Park Methodist Church in Orlando at 4 P.M. The Rev. H. M. Johnson will officiate.

Miss Charlene Caldwell will be matron of honor, and bridesmaids will be Miss Frieda Slaymaker and Miss George Hollbrook. Mr. George Newman of Ravenna, N. Y., best man of the groom, will act as best man. Serving as groomsmen will be Ray Hendrix and George Hollbrook. Ushers will be Henry Galt and Sanford, Bill Abbott, and Ralph C. Wornner.

All friends of the couple are invited to attend the wedding.

Mr. and Mrs. Newman will be home on Sunday evening at a reception party given by Mr. and Mrs. L. Caldwell.

Baptist Children Have Xmas Party

The members of the Beginner Department of the First Baptist Church had their annual Christmas party Tuesday night at the home of Mrs. J. E. Batten.

Each child brought two gifts, a Christmas card and a holiday gift, and upon entering the door, a number was given to the gifts and to the room.

A delicious turkey dinner was served and the group assembled in the living room to the gifts.

Those attending the party were Mrs. J. E. Batten, Mrs. W. G. Hasty, Mrs. Don Raymond, Mrs. J. E. Jones, Mrs. S. J. Davis, Mrs. John L. Lee, Mrs. J. E. Reed, Mrs. R. F. Bewildered Bradley Beaten Again; Crusaders Eke Out Win Over Vandy

By MILO FARNETTI
NEW YORK, Dec. 22—(AP)—Vernatile Sherman White needs only a little help, and when his Long Island University mates cooperate the Blackbirds don't lose.

The polished, 6-foot 8-inch scoring ace got plenty of support last night as LIU played its best game of the season to defeat UCLA, 90-71.

White teamed with Ray Felix, a 6-11 sophomore, to control the backboards in a wild, running game. Felix also helped out with 14 points. As usual, White topped the scoring with 26 points. LIU (6-0) ranks No. 7 nationally in this week's Associated Press poll.

For the second straight night, Oklahoma A&M (7-0) staved off a rally to win. The No. 5 Aggies defeated Southern California, 50-42. The night before, A&M squeezed past California, 36-35.

Bradley, which meets A&M next month in a battle of Missouri Valley Titans, kept pace with an easy 92-64 drubbing of Centenary. Gene (Midget Mikan) Melchiorre scored eight points in the first 45 seconds to start the Braves off. The Bradley regulars sat down early and Harold Moody scored 31 points in Centenary's losing struggle. Bradley (8-0), NCAA finalist last March, ranks No. 2 behind Kentucky this week.

They did it last December and they did it again last night. Oklahoma (4-1) again befuddled National Champion CCNY (4-2) with a revolving offense off the post to win, 48-43. Marcus Fryer used his 6 feet 11 inches well for rebounding and point-making. 16. Charles Puglsley helped out with 15 and a fine floor game. Missouri, also of the possession-minded Big Seven Conference, handed the NCAA and NIT champions their first loss this season.

Larry Imburgia slumped a bit last night. Cincinnati (4-0) defeated William and Mary anyway, 89-69. The Bearcat forward averaged 29.3 points a game up to last night to lead the nation, but scored only 23 against the Southerners.

Murray State, a contender in the backyard of No. 1 Kentucky, won its ninth straight, 66-62, over Texas Tech.

Center Mel Payton dropped in 20 points in Tulane's upset of Northwestern, 67-49. The Greenies (4-3) had lost two straight to Columbia the preceding nights.

Holy Cross (4-1) proved again it can nurse a scant lead in defeating Vanderbilt, 64-62. Tuesday night the Crusaders whipped Oklahoma, 53-50. After Earle Markey scored a two-pointer with four minutes left, Holy Cross stood off Vanderbilt to freeze the ball.

Dayton (6-3) knocked Tennessee out of the unbeaten class, 76-61. The Volunteers had won their

Prep Player Rule Will Be Softened By Athletic Board

CHICAGO, Dec. 22—(AP)—Undismayed by professional baseball's rejection of the hands-off prep-player rule, the National Federation of State High School Athletic Associations plans to soften the rule for a possible compromise.

The rule which expires after 1951 was disapproved at the recent minor-major meetings in St. Petersburg.

If strictly followed, it forbids a scout from even tipping his hat to a talented high school baseball until he graduates.

The National Federation, at its annual meeting in Mobile, Ala., Dec. 27-30, may modify the agreement to permit negotiations with a prep star at any time with the stipulation he doesn't join professional ranks before he graduates.

As the rule now stands, an enterprising scout who may be the first to spot the possibilities of a prep star has to wait before signing him until the boy has a diploma clutched in his hand. By that time, the world usually has gotten around and the line of scouts forms to the right at the boy's doorstep.

Other discussion topics at the Federation's mobile meeting include television of prep contests, especially state tournaments, possible new eligibility requirements in the face of the year situation and basketball and football rules policy.

Grid Stars Practice Fore Shrine Bowl Tilt

SAN FRANCISCO, Dec. 22—(AP)—Grid stars from the east and the west buckle down to rigorous training today—just eight days from their class in the 26th annual shrine charity game here Dec. 30.

While coaches Bernie Bierman, ex-Minnesota, Tuss McLaughy of Dartmouth and Bob Voigts of Northwestern looked on, the Easterners romped through a spirited drill yesterday all the time talking it up: "Beat the west."

Highlights of the workout was the passing combination of Dartmouth's quarterback duo, Johnny Clayton and Bob McLaughy to Bert Curtis, 283-pound Vanderbilt end.

West coaches Narchie Schwartz of Stanford, Howie Odell of Washington and Jess Neely of Rice put their charges through an afternoon drill at Stanford yesterday.

Three gridlers attended to punting—Kyle Rote, SMU, Bill Jessup of USC and Brad Rowland, Little All-America back from McMurtry teachers.

The West is expected to rely heavily on the running of Wilford "Whizzer" White, setback from Arizona State of Tempe, and full-back Rote.

BLUE-GRAY TILT

MONTGOMERY, Ala., Dec. 22—(AP)—Players and coaches were arriving here today for the annual Blue-Gray football contest at Cramton Bowl Dec. 30.

Two members of the northern coaching staff—Ray Eliot of Illinois and Rip Engel of Penn State—are already here.

They expect the third Yankee coach, George Minger of Pennsylvania, today.

All Gray coaches are due in town during the day. They are Virginia's Art Gause, Georgia's Wally Butts and Dutch Meyer of Texas Christian.

Stan Musial Sets New League Record During 1950 Season

NEW YORK, Dec. 22—(AP)—The St. Louis Cardinals failed to finish in the first division for the first time in 12 years last season but through no fault of Stanley Musial. The great Redbird outfielder, generally rated the National League's No. 1 performer, not only paced all players in slugging statistics last season, but set a new league record with his performance.

The four-time batting champion pulverized opposing pitchers for a .596 slugging mark to boost his nine-year major league figure to a mighty .580. This bettered the previous lifetime record of .577 held jointly by Rogers Hornsby and Johnny Mize.

Musial pounded out 331 total bases in 146 games, including 41 doubles, seven triples and 28 home runs. He scored 105 runs and batted in 109. Stan also drew 87 bases on balls and struck out only 96 times.

The official statistical figures, released yesterday, also showed why Eddie Stanky of the New York Giants ranked second in the most valuable player poll last month.

The fiery little second baseman reached base more often than any other national leaguer last season. In addition to his 158 hits, Stanky coaxed 142 walks and was hit by a pitched ball 12 times and was safe on errors four times. That put him on base 318 in 152 games. Stanky wound up with a batting average of .300.

WILDCAT HOLIDAY

MOBILE, Ala., Dec. 22—(AP)—Kentucky's Sugar Bowl bound crew flies back to Lexington for Christmas today after a grueling training grid for its Jan. 1 date with Oklahoma.

One more workout was scheduled for the Wildcats before they board a chartered plane for a brief holiday.

Hugh Casey Denies He Fathered Child

NEW YORK, Dec. 22—(AP)—Charges that former Brooklyn Dodger pitcher Hugh Casey is the father of an unwed girl's year-old son are "preposterous," says Casey's wife, Kathleen.

Mrs. Casey flew from Atlanta to stand by her husband at the trial of a paternity complaint brought by brunette Hilda Weiss-

man. She expressed complete confidence in him.

Miss Weissman testified in sessions court yesterday that Casey is the father, despite her listing "Robert Abrams" on the birth certificate.

She asserted the name on the certificate was fictitious and a boxer named Abrams she once met in a restaurant had nothing to do with it.

The girl said that starting with a speaking acquaintance, she came

Double Proof
 that Dollar for Dollar you can't beat a Pontiac!

① A look at the Car proves its Quality
 ② A look at the Price proves its Value!

In the short time since it was presented, thousands of people have flocked to see the great new Silver Anniversary Pontiac—few cars have ever had a reception to equal this. Most people came to admire, which is natural enough. But a great many people do more than admire, they start *figuring*—they begin to compare this wonderful, beautiful and desirable car with the modest price tag it bears. The conclusion is obvious—no car at any price offers more for every new car dollar you invest than a great new Pontiac! Drop in any time and look at the car—then look at the price—you'll be doubly sure that dollar for dollar you can't beat a Pontiac!

Sermon, "The Christmas Story".
We Must Go To Bethlehem
"We know nothing of these visitors to Bethlehem except that they filled the inn. The glory of God passed by, and they knew nothing of it. The star rained its fire and the beautiful song for the mother of Bethlehem cradled its King— but if they did know there is no record that they pass any word."
"If we should go to Bethlehem, would we go as the humble poor, would we go as the Wise Men who came from lands afar, or as the soldiers marching under orders?"
"We are glad to sing the story of Christmas, who give the most, who want to exalt the Christ the most?"
"The Christmas that we would be the seekers of comfort, the product and the careful who would fill the inn to overflowing while the glory of God passes us by."

"Christ Jesus" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, December 24.
The Golden Text is: "Unto us a child is born, unto us a son is given; and the government shall be upon his shoulder." (Isa. 9:6).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the child grew, and waxed strong in spirit, filled with wisdom; and the grace of God was upon him" (Luke 2:40).
The Lesson-Sermon also includes the following passage from the Christian Science text: "Believe and Health with Key to the Scriptures" by Mary Baker Eddy: "It is not a matter of inability to believe that so great a work as the Messiah's was done for himself or for God who needs no help from Jesus' example to preserve the eternal harmony of the universe; did need this help, and Jesus pointed the way for them" (1913:59).

center are concerned in event of war, but moving people around may present quite a problem, he declared.
He stressed the part of the American Legion in fighting Communism on the home front, and told of the more than 8000 contacts with the FBI made by Legionnaires in home defense work in World War II.
In regard to the atom bomb he said that he believed it to be primarily a military target weapon, whereas it has been made "a morale weapon."
"It is a black picture, but I think the American public would like to see both sides of the situation," he stated.
General MacArthur is doing a good job, he said, and added that there are enough Higgins boats to collect all evacuating troops. He termed American casualties "terrible" and declared the 33,000 figure listed was that of eight weeks ago.

Excess Profits

(Continued From Page One)
McClellan noted.
He added, however, that the "pressure groups" might be successful in effecting a reorganization which Congress might not approve.
The House has agreed to take up a reorganization bill on a new year's day.
Before putting today until next Tuesday, the House passed and sent to the Senate an immediate start on to allow an immediate start on necessary defense spending without waiting on the \$20 billion money bill to clear Congress.
This is not uncommon on non-controversial appropriations which have been delayed.
Meanwhile Mr. Truman took off in white Christmas weather today to spend the Yuletide at home in Independence, Mo.
A thick snowfall in the President's four-engine plane Independence lifted from the runway at Washington National Airport at 1:00 P.M.
The President's departure for Kansas City was delayed over a half hour by the weather. Despite the snowstorm, however, visibility was reported fairly good.
Mr. Truman plans to return to Washington, and the anxieties of a war-threatened world, on Dec. 27.
Before leaving, the chief executive reviewed two Christmas messages—one to the American people, another to the people of the rest of the world—for broadcasting on Christmas eve.

Rocket Ships

(Continued From Page One)
keeping the enemy from mounting an assault.
Correspondents here were justified today in the new war news service procedure set up Wednesday by General MacArthur's headquarters. It became effective with this dispatch.
The Reds tried light probing thrusts Thursday night along the northern and eastern sectors of the United Nations perimeter.
The spokesman said they did not mount any major thrust or attempt to break through the defense lines.
Any Communist ardor for attack undoubtedly was dampened by a rain of artillery and Naval gunfire, AP correspondent Tom Lambert reported.
The guns thundered throughout Thursday night, dropping shells between opposing frontlines and into Red areas and suspected enemy concentrations.
Air and intelligence reports indicated a continuing Red buildup on the hilly eastern flank of the Hungnam perimeter. Elements of at least two Red Korean divisions (First and 41st) are on the east flank.
One military spokesman described the western sector as "disturbingly quiet."
Carrier pilots reported good enemy targets were "harder to find."
American rapid-fire rocket ships moved about in the sea, and joined other warships, planes and field artillery in laying a fiery shield from close range around the beachhead.
Use of the rocket ships in defense of the Hungnam perimeter for the first time indicated that the Reds are closing in.
The flat trajectory and comparatively short range of the rocket ships indicated the Reds were being held at bay closer to the beachhead.
No description of the vessels was given, but rocket-firing craft were used to support the Allied landings at Inchon on the west coast in September. They were used also late in World War II.
AP correspondent Rian Swinton reported small but persistent Red efforts to penetrate the northern flank of the perimeter were beaten off by American doughboys early Friday. Intense Allied firepower still thwarted Red attempts to build up sizable assault forces.
Chinese appeared to have been replaced by North Koreans in the Hungnam sector.
MacArthur's late Friday war summary said it was possible that the Chinese had moved southwest across the peninsula and into action near the 38th Parallel above Seoul.
The summary said the use of pack horses and camels northeast of Hungnam "suggests that the attackers were Chinese Communist forces."

Trainmen Killed

(Continued From Page One)
Dead air J. M. Westbrook, 65, an engineer, and W. P. Jeffrey, 57, a brakeman. Both were residents of High Springs.
Injured were Luder Whitlock, 32, engineer; R. V. O'Steen, 25, foreman; and Sam Bryant, 50, a Negro freeman, all of High Springs. All three were reported moved to a Leesburg hospital where the condition of Whitlock and O'Steen was described as "critical."
The crash occurred on the main ACL line between east Lake Weir and Weirsdale about 7:40 A.M. Trains involved were No. 481, moving from High Springs to Leesburg, and No. 180, moving from Leesburg to High Springs. Division officials of the ACL here said full details of the crash were not immediately available.
Westbrook is survived by his widow, a son and three daughters. Jeffrey is survived by his wife, a daughter and a son.
The crash was the second in two days involving ACL freight trains. Yesterday two diesel locomotives turned over at Fort White, Fla., but no one was injured. The track was cleared today.
With the main line of this division blocked here, the ACL champion, crack steam locomotive No. 2000, routed through here north-southbound via Dunellon and the Juliet branch.
ACL headquarters in Wilmington, N. C., said the trains involved were extra 400, southbound, and northbound 600.
General Manager E. T. Andrews attributed the cause of the accident to "man failure."
Andrews said that in addition to the two fatally injured crewmen, four other crew members were injured, including freeman S. Bryant. None of the four was believed to have been seriously hurt.

Daytona Beach Mayor To Be City's Youngest

DAYTONA BEACH, Dec. 22—(AP)—On Jan. 2, this city is slated to get its youngest mayor in history, 32-year-old Ollie Lancaster, Jr.
A recently elected city commission is to take office on the second day in the new year. After a conference of its members last night, Lancaster said he was assured of selection as mayor. The board picks one of its members as mayor.
Lancaster, a Justice of the Peace and a former city judge here, is a veteran of the death march from Hattam, having been held a prisoner by the Japs for four years.
As Mayor, Lancaster will succeed Ernest L. Padgett, who was defeated for election by Dr. J. Hart Long in a write-in campaign earlier this month.
The new board is looking for a new city manager to succeed James L. Titus. Four of the five members of the new board had pledged to replace Titus.

Women Drivers Crash Together During Test

REDWOOD CITY, Calif., Dec. 22—(AP)—There's an old gag about two women drivers being the only thing worse than one woman driver.
Don't tell it to Bert Miles or Harold Adams, drivers license examiners.
Two women came to take a road test for licenses yesterday.
Away they went, in different directions—Miles with Mrs. Lette Smith, 25, and Adams with Mrs. Anna B. Moss, 59.
But they met at an intersection.
Wham-Bam-Adams!
Results: Nobody hurt, two cars badly damaged. Two applications for drivers licenses rejected.
Miles and Adams agreed that the scene of the accident was placed about 20 miles south of Ocala.

Chinese Communists

(Continued From Page One)
cast being monitored by the Associated Press in San Francisco had not yet mentioned Chou's objection.
(It may have been building up to it, however, by repeating an English translation of the statement Red delegate General Wu Hsi-Chuan made to the U. N. in New York before he returned to China. In that statement, Wu claimed he had come to Suppressing war" but that it had been "rejected.")
The gist of Chou's six points, as translated in Tokyo:
1. The three-man cease-fire committee is unlawful because the Chinese Communist government did not consent to participate in the United Nations vote calling for its formation. Nor was the Chinese delegation prepared to negotiate in this unlawful action.
2. The Communist Chinese government repeatedly has suggested that the only way to end the Korean war is to withdraw all foreign troops from Korea and let the Koreans settle their own problem. But the American government refused our peaceful suggestions and in early October U. S. troops crossed the 38th Parallel thus ending this political deadlock.
3. Again at the end of November the Chinese Reds suggested to the U. N. Security Council that foreign troops leave Korea but that they be dominated by the U. S., refused to accept the suggestion. Thus the government has no sincere desire for peace, Chou's statement said.
4. The Communist Chinese government again emphasized that all foreign troops must be withdrawn from Korea and the Koreans be left alone to settle their own problem. The Americans also must withdraw from Formosa and Communist China be permitted to take their lawful place in the United Nations.
5. Unless these points are carried out it will be impossible to achieve the Arab Asiatic proposal for peace in Korea, Chou concluded.

Little Girl Dying Of Lukemia Misses Christmas Pageant

ESTHERVILLE, Ia., Dec. 22—(AP)—A little girl who was to play an angel in a Christmas pageant won't get to do so because the doctors say she is dying of leukemia.
Just three weeks ago, blonde-haired, blue-eyed Margaret Ruth Holmgren, 3 1/2, was a happy-go-lucky youngster who liked to get all dressed up and surprise her pool as it is impossible to use it again at the U. N. Chou said.
The issues at stake at present do not only concern Korea. The U. S. government not only has committed aggression in Korea but has sent the 7th Fleet to Formosa and also has bombed Manchurian territory. Communist China on the other hand has acted lawfully by sending volunteers to help North Korea which is fighting for its existence. The Chinese Communist government also is undertaking efforts to fight for peace in Asia which means world peace.
6. Communist China realizes that the 13 Arab Asiatic countries really desire peace, but why cannot these delegates see through the American trick—that the Americans want a cease-fire first and then negotiate peace? If the Arab Asiatic nations really want peace they should abandon the unlawful cease-fire proposal and get away from American domination.
7. The Communist Chinese government again emphasized that all foreign troops must be withdrawn from Korea and the Koreans be left alone to settle their own problem. The Americans also must withdraw from Formosa and Communist China be permitted to take their lawful place in the United Nations.
8. Unless these points are carried out it will be impossible to achieve the Arab Asiatic proposal for peace in Korea, Chou concluded.

father, Albert Holmgren, by saying "How do I look, daddy?"
Although Margaret had not been well, nothing of consequence was suspected until a few days ago. She was taken to Rochester, Minn., and early this week doctors gave her parents the sad word.
Margaret, they said, has acute leukemia and nothing can be done for her. This cancer of the blood in its acute form, usually brings death in a relatively short time.
As soon as Margaret returned from Rochester the Holmgrens held a preview of Christmas beside the twinkling lights of their tree, just in case.
Her parents said Margaret will open her additional gifts as they arrive or whenever she is in the mood.
"We are trying to keep everything as normal as possible around the house," her mother said.
Margaret still was able to walk while she was in Rochester but she is too weak to do so now.
Margaret's father spent hours rocking her while they were in Rochester but he has gone back to his job in a packing plant as part of the effort to keep things as normal as possible.
Margaret has no brothers or sisters, but the Holmgrens are expecting another child in February. They haven't given up hope for Margaret, and aren't going to give up hope until there is none.
"We have a lot of people praying for her," her mother said.
And children of the Gospel Mission Church are going to sing Christmas carols for her—the same carols that Margaret would have sung if she could have been in the Christmas program and played her part of an angel.
Sprinkle deviled eggs with paprika before serving and garnish with a wisp of parsley. These are good served on salad greens with Russian dressing, as a first course for a company dinner. Or serve them as a luncheon salad for the family.

You bet there's a Santa Claus!

You may not see any fluffy white beards or gay red jackets in our showrooms—but we're playing Santa nevertheless.

We're playing Santa when we offer these gay and gorgeous Buicks at the prices featured here.

Where else can you find so much power and comfort and style and size and fun at comparable figures?

Where else can you find high-compression Fireball power—Dynaflow Drive—and the ever-level ride that you get in a Buick?

What you pay for a SPECIAL buys an eight—not a six—but the price tags are less than many a six will cost.

What you pay for a ROADMASTER buys the standout performer in the fine-car field—at

the lowest price per pound of any car near its size—and at hundreds of dollars less than you'll pay for others which match ROADMASTER's reputation.

These are facts you can check in any Buick dealer's showroom—but the thrill of getting a bargain is nothing compared to the thrill you'll get out on the road.

You have to feel for yourself the eager take-off—the willing rush of power on the straightaway.

You have to feel the supreme command that is yours with Dynaflow Drive—and the level-gaited stride of this Bonnie beauty.

So come in—and take out one of these star performers.

Just a few miles with a Buick and we know what you'll say:

"Christmas! What a marvel!"
