

Seminole Take Second Win From Saints 10 To 5

Triples By McRaney And Hardman Account For Winning Runs In Contest

Leesburg Slated For Game Tonight

Booth Gets Two Hits And Three Runs In Two Times At Bat

Extra base hits in the right places netted Sanford a 10-5 win over the league-leading Saints last night for the fourth victory in the last five starts; two of them over St. Augustine.

Climbing closer to the nearest rival, Ocala, the Seminoles will take on the Angiers tonight at the local ballpark and the new pitcher, Harrison Teitz, newly acquired from Ocala, will probably get the opening assignment on the mound.

After taking an early lead away from St. Augustine and tying the game in the third inning, three to three, the locals

went to work on Pitcher Wall and reached him for 13 hits, including four triples and one double. From the third inning on the boys put the game on ice by piling up two in the fourth, one in the fifth, three in the sixth and one each in the eighth and ninth. After the Saints had made their two runs in the second frame they scored one run in the sixth, eighth and last but never threatened to take the lead.

Pete McRaney shared the hero role with Sam Hardyman as each of them drove in three runs, McRaney piled out two triples for his hits of the game while Hardyman hit a triple and single for four times at bat. Both of the two run makers were left on bases and never crossed the plate.

Jim Booth did the unusual by hitting a pair of singles in two times up to score three runs, getting on base three times through walks handed out by Wall. He got on base every time he faced the pitcher.

Ernie LaValley, greased lightning runner, got one hit in the ball game but could credit that to his legs as he scampered to first base for a safety on a

bunt to the pitcher. Getting on base through two walks, he stole home in the ninth during the contest and one of them was a trip to home plate as he and Joe Justice worked a double steal off first and third.

The fourth inning set the game in the win column for the Seminoles when Girk hit a double, went to third on Gillespie's single and both players loped home on Hardyman's triple. After that Sanford scored runs in ever inning through McRaney's two hits, Hardyman's single, and flyball thrown on Gillespie's drive to left field.

Picking All-Stars Is Not Too Easy, Says Scribe

DAYTONA BEACH, June 12.—(Special)—While there's a stand-out or two, the task of selecting

Florida State League All-Star team for 1941 is anything but easy in the opinion of John Strothard, sports editor of the Daytona Beach News-Journal.

Casting around for a team strong enough to whip the St. Augustine Saints who, he thinks will be leading the league as of the morning of July 4, Strothard turns up as the first State League scribe publicly to announce his selections.

The All-Star, remember will be picked by the vote of fans attending games June 21 and 22, and the All-Stars will meet the league-leader in the league's fourth annual All-Star game at Daytona Beach Saturday night, July 5 at 9 o'clock.

Starting behind the plate with Gainesville's Jimmy Pruitt, the

right-hander and two left-handers as fans will be called upon to do when they mark their printed ballot.

Instead he claimed that you'll have to pick your four hurlers from the following list:

At Our Package Store You'll Find The Best In

1940 team utility man, Strothard opines that you can't overlook Freddie Leonhardt of Ocala as the first baseman, Leesburg's Mike Conroy at second, Leesburg's Bill Good at short, Daytona's Ed Juszczyk at third.

For outfielders, Strothard would rely on Jud Holing of DeLand in left, Walt Harrington of the same team in center, and Erby Carroll of Daytona in right field.

Strothard didn't select two right-handers and two left-handers as fans will be called upon to do when they mark their printed ballot.

In stead he claimed that you'll have to pick your four hurlers from the following list:

SEE ALL THE BEAUTIFUL PIECES NOW ON DISPLAY

Floyd Talaroff and Earl Gray of Daytona, Joe Cleary and Fred Swindells of Orlando, Lefty Harper and Orville Kirchner of DeLand, Will Eckenroth and Johnny Rowland of Ocala, Danny Blose and Cecil McCann of Gainesville.

Strothard admits difficulty in selections at second base where fans have a fat field to pick from, including Larry Womack of Orlando, Bill Costa of Daytona, Russ Schon of DeLand, and Danny Seller of St. Augustine.

DeLand's Johnny Danyo was selected for the utility role because of his all-around ability and because he was hitting in the upper 300's at last writing.

The beach scribe failed to pick a manager and bat-boy.

Strothard preceded his selections by stating: "The customers have alwa yea been a bit obtuse about accepting this corner's recommendations for All-Star performers, which is probably right, and this writer gets a chance to be impartial all year long, and the fans have only one opportunity per annum."

The first 400 people buying tickets to parks around the league Sunday and Monday June 22 and 23 will be handed balloons.

German Authorities Not Ready To Discuss Sinking Of Ship

Official Depreciates
Robin Moor Incident As One Among
Many Ship Sinkings

American Protest
Is Being Prepared

Nazis Declare They
Will Not Be "Buffaloed" by U. S.

WASHINGTON June 13—(AP)—Summer Welles, under secretary of state, today asserted facts in the sinking of the Robin Moor were beyond dispute and indirectly accused Germany of violating the international treaty on submarine warfare. He said he would withhold full depositions of the 11 survivors until a statement from the German submarine sent to the bottom.

The narrator who remained anonymous said there was no trace of panic in the passengers and crew took to lifeboats.

"The first seven days we kept sight of the other boats. We rowed and rowed. Heavy waves and the swelling sea seemed so fiercely. I think the seabat the captain was

the one who remained

and who said there was no

water day and night."

The man is one of the

survivors who spent 18 days in

an open boat and was picked

up by the Brazilian rescue

ship Osaria. There is no trace

of the other boats.

By Associated Press
German authorities today declared bluntly they would not be "buffaloed" by the United States' reaction to the sinking of the S. S. Robin Moor—America's first torpedo victim of war—even as Washington prepared a vigorous protest based on evidence the ship was deliberately sunk by a Nazi submarine.

A German spokesman said many ships bound for England had already been sunk and Germany was in no hurry about participating in a discussion of the Robin Moor incident.

A dramatic account of how a German submarine gave the 46 passengers and crew of the American merchant ship Robin Moor 30 minutes to abandon the vessel before it was torpedoed was given to the Senate Select Committee on War Emergency by Senator Housholder yesterday.

The department released without comment a second and more comprehensive report from Walter J. Lathem, American consul at Fernando Po, on the basis of his interview with the 11 survivors landed there.

Lathem had reported earlier that the 5,000-ton cargo ship was "deliberately sunk" by a German submarine and that the submarine was probably aware that the American vessel was unarmed.

His report said the American was the most powerful diplomatic protest ever made by such a strong nation against Germany.

It was indicated that American action in the case would be limited to a formal protest to the German Foreign Office.

Men, Ills and Enemies Add to Simple Remedies

Sanford's medicine chest is a simple compared with those of human remedies. Sanitizers who are confused by sprays and dusts may survey a few minutes the whole subject and suddenly have made him to meet every problem which may meet it, that is, as well as can. Sprays and dusts may be divided into three classes:

Fungicides, which may be used to kill insects, but destroy mildews and similar conditions of which are usually responsible for plant diseases.

Insect poisons, which kill insects when they come in contact dusted or sprayed on leaves and stems.

Stomach poisons, which remain on leaves and poison insects that eat the leaves.

Fungicides are used against various fungi and mildews which attack trees, shrubs and plants. Bordeaux mixture is the most widely used in the world. It is composed of quick lime and copper sulphate.

Sulphur, similar to flower sulphur but more finely ground, has come into favor for fungicides.

The newest fungicide is an old one, corrosive sublimate or mercury chloride. It is one of most preparations used to burn patch on bent greens.

The old-fashioned house remedy, which is a mercury and sometimes similar compound, is still popular and sold under various trade names. Lime-sulfur is used as a fungicide on trees and does double duty as an insecticide to kill scale and in dilute form to kill caterpillars in the summer.

Most insecticides are usually used from sprays or pyrethrum.

A small amount of pyrethrum will dissolve in water.

Sulphur and lime sulphur are used against scale insects and red spider mites.

Nicotin is a deadly poison and is most effective against aphids (plant lice).

Newest contact materials in dusts and dusts are merely new.

Test Pipeline Building Planned

W. YORK, June 12.—(UPI)—For the greatest pipeline project in history were laid yesterday by authoritatively at the government's an-

Helping hand

One reason you see so much advertising is this:

It helps people with something to sell to find customers.

It helps those folks called "consumers" to find out about things they want to buy.

All of which is another way of saying, advertising saves a lot of time for everyone.

That's why advertising pays—on both sides of the counter.

STRANGE SOUNDS FROM STRIKING BEASTS—
ALTHOUGH SEA LIONS ARE NO RELATION TO DOGS, THEY BARK NOISILY—GRUFF BARKS MEAN ONE THING TO THEIR CHILDREN; SHRILL BARKS SOMETHING ELSE

This map shows latest war developments in the Middle East. Arrows (A) continuously bombed. (B) indicates sites where British fleet is reported missing. The RAF bombed Haifa port, near Damascus (C). Vicks says British troops advancing along the Euphrates River from Iraq toward (D) Deir-Ez-Zor and Aleppo. Heavy arrows show pioneer movement of British troops into Syria, one through Transjordan into the Jabel Druze district where they captured the key railroad terminus of Beaufort; and the other up through Palestine into Lebanon, driving between Beirut and Damascus.

Women Blamed For Lack Of Cigarettes

LONDON, June 12.—(UPI)—Sex has reared its head in Britain's cigarette crisis.

Grumbling London men blamed the lack of smokes yesterday on purchases by women.

Some of them asserted a desire "to get away from men" by buying all the cigarettes they do, while men are working.

Other dealers reported half bath no "fury" like a woman spurned on a cigarette hunt.

"They accuse me of hiding them under the counter," said a harassed retailer.

Conn. And Louis Match Expected To Draw Crowd

NEW YORK, June 12—(UPI)—Perry's big annual on the corner of 42nd and Broadway these days. Promoter Mike Jacobs is wearing it and it looks like the outfit coming out.

It's all because Wednesday night's pole grounds tussle between Billy Conn and Joe Louis is going to be the biggest fight financially since the Bomber and Max Schmeling helped Uncle Mike cash up \$1,015,012 three years ago in their second get-together.

"There's no way of telling yet how far we'll go with this thing next week," Mike said.

Officially, Mike's box office man figures the fight is a cinch to his \$300,000, and can very likely top half a million.

The pull under baselines is most surprising. Bills for duels have come from 11 States as far away as Illinois, Kentucky, Louisiana, Florida and Vermont.

Unless everyone is kidding, Billy boy and the Bomber will cut into one of the top heavy-weight gates of all time. And just a couple of months ago there was a boxer who couldn't see a fight between a light-heavy-weight and a 200-pounder as a box office attraction; who contended they could hold this waltz in a phone booth in Grand Central station.

Strikes Legislation Passed By Senate

WASHINGTON, June 12—(UPI)—

The Senate yesterday passed, 62 to 7, and amendment to the reconscription act vesting the President with power, after mediation attempts have failed, to condemn factories where defense production is delayed or threatened by strikes, lockouts or other action.

The measure, first concrete congressional action to curb

strikes such as that hatched by the army in the North American (Continued on page 2)

U. S. Action Is Hinted By Hull As He Blasts Vichy

French Government
Accused Of Carrying Fight For
Nazis In Levant

French Assets
May Be Frozen

Welles Answers German Attitude Toward Ship Sinking

WASHINGTON, June 14—(A.P.) President Roosevelt today ordered the immediate freezing of all German and Italian assets in the United States. At the same time he ordered the freezing of the assets of all invaded or occupied European countries not previously covered in freezing orders. An executive order said the action was taken in view of the unlimited emergency declared recently.

United States Secretary of State Hull caustically accused Vichy of doing Germany's fighting for her in Levant; by the acerbity of his words he raised the possibility that the United States might act soon to back up the warnings against Vichy's collaboration with Berlin.

Among the possibilities were: the return of further funds to the Vichy government from the \$100,000,000 French assets frozen in the United States; a break of diplomatic relations, opening the way for recognition of General Charles De Gaulle's Free French committee.

State Secretary, who yesterday declared today in discussion of Berlin statements that Americans "have never been impressed by what they regard as Hitler's threats."

He made that statement in reply to a newspaperman's question concerning the attitude of the United States on the German spokesman's threat that any U.S. carrying contraband to England would be sunk.

The United States last night formally told the British in Syria and charged that Germany had denied the Vichy Government to be the Nazi fighting there.

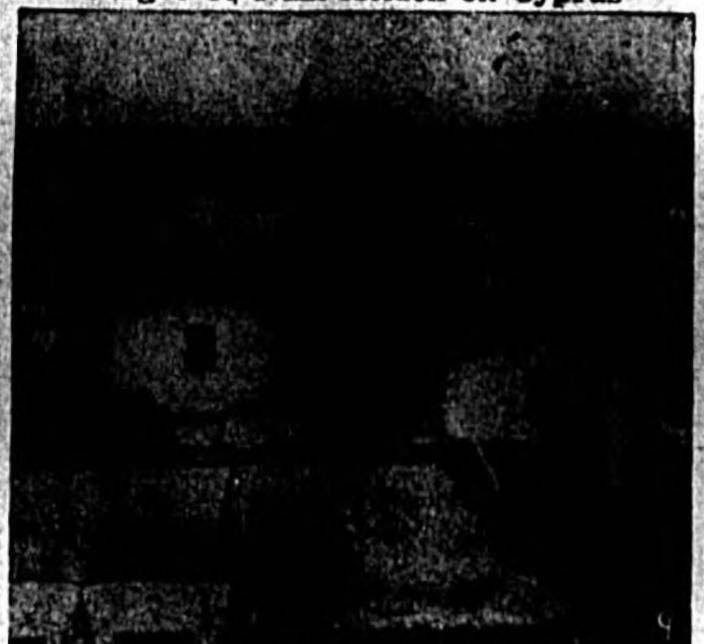

In a statement sharply attacking the so-called "Berlin-Levant group" in France, Secretary of State Hull declared that "the attitude of the present government of Vichy is a matter of the deepest disappointment and sorrow." He recently assumed Vice Premier Jean Darlan, and former Vice Premier Pierre Laval, of "fascist" tendencies socially and militarily to Adolf Hitler and said this "original scheme" had now been brought into the open.

It was the most caustic government declaration yet issued by the Vichy regime, and it indicated a decided change in attitude toward the United States which has gone out of relations with the French Government.

Roosevelt Remains At Home In Illinois

WASHINGTON, June 14—(A.P.) President Roosevelt returned to his summer home at Hyde Park, Ill., yesterday after a two-week vacation in Europe.

Target Of Nazi Attack on Cyprus

The naval base at Famagusta (above) is listed as the object of a bitter Nazi aerial attack on Cyprus. Famagusta is the only harbor on the island where larger ships can dock at the quay. Capture of Cyprus would put German forces in a strong position to attack the Free French and British in Syria.

Fans Toss Fate Of Ball Club Back
Info Laps Of Directors At Meeting

24 Boys Sign
Roll Of Legion
Baseball Team

Sanford's baseball future was tossed back into the lap of local directors last night by the fans held at the City Hall.

Only nine of the 25 men invited to the meeting were present and a few other interested fans. After two hours of deliberation and suggestions the group had reached no decision and a motion was made that the final decision be left to the Sanford directors.

Considerable outside interest has been shown in the crisis of ball club financing. The Orlando Recorder, Star, Daytona Beach News Journal, Daytona Beach Sun-Record and the Associated Press office of Jacksonville have called The Herald to verify the story that appeared in the Orlando Sentinel this morning.

No action was taken by the directors last night or this morning in regard to the franchise of the club, directors said. Officials of the association this morning were puzzled by the story in the Sentinel and stated they were attempting to discover its source.

All boys who are interested in playing on the team and are not registered already are invited to attend the practice to be held Monday and sign up with Bert Chapman and Emil Aman, who are organizing and coaching the team.

American Legion Junior Baseball has been played in this country for 15 years and a world series playoff had been held every year since 1928 with the exception of the year 1927, Mr. Field related. In that time many boys have moved up from the junior teams to top positions in the major and minor leagues.

All boys who were born since Jan. 1, 1924 are eligible for the team if they obtain the permission of their parents to play ball and have been residents of the county for six months or more.

Boys who registered yesterday: Kenneth Burdin, Daniel Crammer, Eugene Pennington, Billy Porter, Albert McMillan, Frank Johnson, Eugene Singletary, Jack Ray, Edward Smith, Edward Crosby, Albert Raburn and Robert Callahan.

Also: Raymond Jackson, Richard Singletary, William H. Herndon, Jerry Jackson, George Kennedy, Nick Kenda, Paul Moore, Eddie Manning, Frank Griffin, George Nader, William R. Richardson and Charles Morris.

LOCAL WEATHER

Florida Party Sunday Night
and Sunday, with scattered showers.

Bible School
To Open On Monday

Arriving in Jacksonville yesterday with the Future Farmers group taking a cruise on his boat, Al Johnson notified Mrs. Johnson today that they expect to meet Daytona Beach sometime next week.

The boat of the Legion Drama and Art and Majorettes will be in the water Saturday afternoon. The drama will present "The Wizard of Oz" and the majorettes will perform.

British, French Close
On Damascus

London Claims Vichy
Defenders Abandon
Kissoue, 10 Miles
From Beseiged City

By Associated Press
British imperial and Free French forces closed in on 4,000-year-old Damascus today at the end of the first week of their campaign to take Syria and Lebanon out of Vichy's control and nullify them as assets to the Nazi war plans.

London asserted the Vichy defenders of the Syrian capital had abandoned the town of Kissoue, 10 miles away, and were falling back close to the walls of the unfortified city.

The fall of Damascus is expected within a few hours. The battle of Levant had disengaged across thousands of miles distant in a heightening clash of views between Washington and Vichy.

Free French forces invading Syria with the British were reported last night to have surrounded Damascus in an effort to force surrender of the ancient capital without a fight.

Although the French defenders were believed to be still in possession of ring of fortresses around the Free French forces apparently were waiting the outcome of parleys for a peaceful end.

An Associated Press dispatch direct from Damascus said the capital apparently would be declared an open city and thus not be defended. In this dispute the Free French forces were ordered to be held at Kissoue, 10 miles south of Damascus.

Informants here emphasized that a peaceful occupation of Damascus would be preferred by the Allies, and it was said that in at least one instance already in the Syrian campaign a post held by the French had been surrendered.

British reported further progress Friday along the coastal road to Beirut, where Australian troops were operating with the support of the R.A.F. and the British Mediterranean Fleet.

Resistance continues. A communiqué mentioned that motor transports and gun positions had been bombed and machine-gunned by British aircraft in this sector, indicating a continued resistance.

Pitman Named Coach Of Bradenton School

R. G. Pitman, Jr., son-in-law of Mr. and Mrs. John Schirard, Sr., 107 West Tenth Street, has been appointed coach of Bradenton High School for the coming year.

The original law provided for payments on one-month business as a privilege license to do business the succeeding month. Collections averaged about \$175,000 monthly.

TAX ASSESSORS ARE ASKED TO STOP WORK

TALLAHASSEE, June 14—(A.P.)—When they make their payments on June 16, Florida retailers will be able to close their books on the one-half percent gross receipts tax which they have paid for six years.

The 1941 legislature repealed it effective July 1, and Comptroller Lee said payments would not be required on business during June.

The original law provided for payments on one-month business as a privilege license to do business the succeeding month. Collections averaged about \$175,000 monthly.

NO LONDON ON LEAVE

LONDON, June 14—(U.P.)—An order which was in effect during the intensive German air raids on London last Autumn, banning London to all army men on leave unless their homes were there, was released Friday.

Summer Camp At Winona Slated To Open June 30, Says Morris

The Summer camp for boys at Camp Winona will open its fifteenth session on June 30 to run a program of boating, shooting, hiking, nature study and camp fire stories will keep the boys busy during the day and evenings.

The camp is located about five miles east of Deltona Springs in Volusia county on Lake Winona. Mr. Morris, director, a straight wall equipped cabin and a large recreation hall and craft room as well as a large dining room extending over the lake, will accommodate 100 boys.

Supervision of the camp is well handled as each eight boys

has a cabin leader to look out for him and a balanced life.

Entertainment all over activities will be provided.

Boating, swimming, tennis,

baseball, basketball, football, golf, tennis, badminton, ping pong, etc.

Activities will be conducted by

the boys are in camp. Such ac-

tivities as swimming, boating,

athletics of all kinds, scouting,

hiking, nature study and camp

fire stories will keep the boys

busy during the day and even-

ings.

The men in charge of the ac-

tivities of the camp have been

making plans for some time and

are looking for a successful

program during the two weeks,

Mr. Morris said. Parents who

are interested in sending their

boys to the camp are urged to

call the camp office.

Information on the county over-

all is available through the

camp office.
