

Indictments Found Against Five And Two Are Sentenced

White Man To Serve Two And Negro To Serve Three Years In The State Prison

Two Indicted On Murder Charges

Court Advises Negro To Get Good Lawyer To Fight His Case

Five indictments and five "no bills" were returned by the grand jury shortly before noon today. Two of the five persons indicted entered pleas of guilty and were promptly sentenced to terms in the State penitentiary, two pleaded "not guilty," and one was allowed until next Friday to enter his plea.

The two who pleaded guilty were Dan Beatty, white, and Joe Jones, colored. Both gave their ages as 19 years. Two indictments were found against each.

Beatty was indicted for stealing George McHenry's car last Feb. 7, and of breaking and entering the L. F. Johnson dwelling the day before. He pleaded guilty to each charge. Jones, Edward B. Smith and another were indicted for the same crime.

The indictments returned against Joe Jones were for breaking and entering the residence of E. J. Cowan on Apr. 27 and the residence of R. F. Cowan on May 2. The sheriff advised the grand jury that the latter was the residence of the man who was shot.

Fun Enjoyed By Those Attending Long's Barbecue

Members of the Long family gathered in the town yesterday for the annual picnic and barbecue. The picnic was held at the Long farm and was a most enjoyable affair. The barbecue was held in the town and was attended by a large number of people.

Compensation For Victims Of Storm Favored By House

WASHINGTON, May 28.—(AP)—A bill by Chairman Rankin of the House Committee on Education and Labor, providing for compensation for victims of the recent storm in the South, was passed by the House today.

Nine Doctors Cases

The State Board of Health today announced that it had received reports from nine doctors in the State who had been practicing medicine without a license.

Funeral Services

Funeral services for the late Mrs. J. W. Smith were held in the Methodist church today. The services were conducted by the Rev. J. W. Smith.

Airport Lease By City Held Not Advisable

Aviators Are Given Report From Group Commission Asked To Recommend Plan

Report of the special "airport committee," named by Mayor E. O. Bhalholzer to advise the City Commission in airport matters, was forwarded to Marvin Smith and associates with the request that they carefully consider the recommendations as made by the committee. Smith and two associates are located in Kissimmee. The three are youthful aviators, who asked for a five-year lease of the Sanford Municipal Airport, but such a lease is advised against by the committee.

Instead of leasing the airport, the committee suggests the granting of the following concessions: Sale of gasoline and oil; storage in the municipal hangar; airplanes and engine repairs; parking of aircraft; student training and non-exclusive charter and passenger flying. The committee is composed of E. B. Wight, chairman, F. W. Deitch, Volie Williams and R. J. Reed.

In return for the exclusive concessions to Smith, or some other aviator who might wish to operate the airport, the committee makes the following recommendations:

"The operator shall have available on the field at all times a licensed transport pilot or air-plane, and engine mechanic licensed by the Department of Commerce.

"The operator shall keep the field in clean and orderly manner at all times except for moving, landing and repair of aircraft, and keep maintenance bills levied and other construction removed.

"Rates for student work shall not exceed those charged at Orlando Municipal Airport.

"The operator shall be responsible for the service lighting system and other equipment that may be installed at the airport.

"The operator shall keep on hand at the airport at all times an adequate supply of gasoline and oil.

"The owners of aircraft located on the field may furnish their own supply of fuel and oil and where qualified shall be allowed to do their own mechanical work.

"The operator shall keep on the field at all times at least one licensed airplane in good air-worthy condition, and this ship shall be available for student instruction, charter and passenger hopping.

"The operator shall comply and require all pilots using the airport to comply with air commerce regulations.

"The operator shall not collect landing fees from visiting aircraft.

"It is further suggested that a corporation be organized in the town, the capital of which may be controlled for non-performance. Also that the operator be commissioned a police officer empowered to make arrests for violations of ordinances governing the airport.

"It is further suggested that a corporation be organized in the town, the capital of which may be controlled for non-performance. Also that the operator be commissioned a police officer empowered to make arrests for violations of ordinances governing the airport.

THOMAS SEEKS PRESIDENCY AGAIN

For the third successive time, Norman Thomas was nominated for President of the United States by the Socialist party at its national convention in Cleveland. The white-haired leader is seen working with the New York state delegation shortly before the convention elected him. He was its presidential candidate in 1928 and 1932. (Associated Press Photo)

Night Riders Are Burning Regalia, Prosecutor Says

Believes That "Back Of Organization" Has Been Broken

DETROIT, May 28.—(AP)—Reports that fear-stricken members of the Black Legion are burning their hoods and robes were received today as authorities snapped plans for a finish fight on the night riding terrorists.

"The back of the organization has been broken," said Prosecutor Dudley Owen of Jackson county, the Black Legion stronghold. "Some members are burning their robes and I don't think the remainder have nerve enough left to commit further violence."

The John Doe inquiry into reported flings and abductions in Jackson county where five men are held on charges of beating a reluctant member adjourned indefinitely as plans for calling a metropolitan area grand jury are going forward in Detroit. Michigan's criminal syndicalism law enacted to combat communism was invoked against the legion whose members contend its night-riding and intimidation was inspired by zeal to defend the country from communists.

Members and members of their families in the Sanford district are asked to reserve the afternoon of Thursday, July 16, for a banquet picnic at DeLeon Springs. There will be dancing, swimming and other entertainment, also games for the children. The committee in charge of the affair is already making plans for an enjoyable celebration.

A "Caldwell for Governor Club," sponsored by local independent merchants, has opened headquarters in the store room formerly occupied by the Union Pharmacy where a force of three stenographers has begun work under the direction of Paul Johnson, acting secretary. A bulletin board, telephone and lights have been installed, and a banner is to be stretched across the street.

Another threat toward food has been presented to the Municipal Board by the Wight Grocery Company. It has been placed in the case with the food and meat market and which has given the board the hopped toads are distributed to the animals, but are not to be eaten. Park Superintendent James Moughton stated.

Members of the World Camp of the World are to be held in the W. O. W. Hall on Saturday, June 1, at 8 o'clock. The purpose of the camp is to go to the funeral of the late Mrs. J. W. Smith.

The funeral of the late Mrs. J. W. Smith will be held in the Methodist church on Saturday, June 1, at 10 o'clock. The services will be conducted by the Rev. J. W. Smith.

Full Payment To Schools Is Sholtz Promise

\$10,500,000 Will Be Paid Before End Of The Fiscal Year, June 30, He Says

TALLAHASSEE, May 28.—(AP)—Governor Sholtz today promised the public schools their full legislative appropriation of \$10,500,000 would be paid "before the end of the fiscal year" June 30. Whatever amount is necessary to supplement the designated school revenue sources will be taken from the state's general revenue fund, he said.

Payments already made to the schools total \$9,468,000. Eight hundred and seven thousand dollars are now available, and estimates say \$225,000 more will come from school source taxes. Comptroller J. M. Lee announced last night that his office has \$207,000 available for the public schools. It probably will be apportioned to the schools and will bring the total this year to \$10,473,000.

So far, the state has paid \$9,468,000 to the schools. This includes only \$220,000 from the much-litigated chain store tax law which the Legislature predicted would produce \$4,000,000 to \$4,500,000 for schools.

The general revenue fund today had a balance of \$1,891,000. It pays operating expenses of the state government. It was swelled recently by payment of \$2,000,000 of taxes on the estate of Alfred J. duPont.

Three big counties, Duval, Duval and Hillsborough, received nearly one-third of it. Figures compiled by State Treasurer W. V. Knott showed Hillsborough led with \$583,352.98. Duval was second with \$250,930.16, and Duval was third with \$250,580.52.

Seminole County has received \$180,033.16.

'One-Eyed' Cars Are To Be Ruled Off The Highway

Deputy Sheriff M. C. Gordon, the "motorcycle cop," serves notice that he is going to begin to "bear down" on motorists whose cars have only one headlight or no tail light. The drivers of such cars are to be ticketed and advised "to tell it to the judge."

The deputy sheriff said he did not know which was the worse, a one-eyed car or one with no tail light, but that both are dangerous, and both are being operated illegally.

Mr. Gordon covers more than 3,000 miles of County highways each month.

Action On Canal Is Postponed By Senate For Day

WASHINGTON, May 28.—(AP)—Action on the Florida Canal and the Panama-Colombia canal power project was delayed today as the Senate dropped consideration of the efficiency appropriation measure.

Administration leaders looked to the efficiency bill as a possible means of getting the two projects.

Jackie and the Police Shoot and Kill Girl As Companions Flee

JACKSONVILLE, May 28.—(AP)—Police today shot and killed a young woman who was with a young man who was shot and killed by Jackie and the Police as companions fled.

The young woman was shot and killed by Jackie and the Police as companions fled.

Ritter Brings Suit For Pay, Charging Ouster Was Illegal

Ousted Judge Sues

Fla. J. Ritter, former federal judge in Miami, brought suit against the government today to collect salary since he was ousted by the Senate sitting as a court of impeachment.

Ritter, former federal judge in Miami, brought suit against the government today to collect salary since he was ousted by the Senate sitting as a court of impeachment.

Ritter did not appear before the court, his attorney, Carl Hoffman of Miami, filing the proceedings soon after the opening of the day's session.

Shortly after Ritter's petition was filed the Senate Judiciary Committee approved the nomination of John W. Holland as judge for the Southern District of Florida, succeeding Ritter.

Ritter surrendered chambers in Miami, May 28.—(AP)—Miami district judge has surrendered his chambers in Miami's Federal Building, but declares he had not given up his "right to function as a judge." Soon after he moved out, Ritter's Miami attorney, Carl Hoffman left by passenger plane for Washington to file a suit questioning the legality of the former judge's Senate conviction on House impeachment charges of misconduct.

The former federal judge admitted he had vacated his offices after Postmaster William C. Hill of Miami announced Ritter had surrendered the keys to the room without an explanation. Ritter gave up the keys because of insistence by the Postoffice Department that I must, Ritter declared. "But I did not surrender my right to function as a judge, and I will be in court on the day that I attack the legality of my removal by the Senate."

The Postoffice Department announced two days ago that Postmaster Hill had notified Ritter of his vacating his offices. At that time Ritter denied the report, declaring he would continue to occupy the judicial chambers "whenever I want to."

Postmaster Hill explained the situation as a misunderstanding during the conversation, he said with the former judge. Only yesterday he said Ritter had turned over the keys to him earlier in the week, and that afternoon he occupied Ritter's vacating chambers in the federal building.

Ritter said the nomination of John W. Holland as judge for the Southern District of Florida, succeeding Ritter, was nothing to do with his resignation, quit occupying the offices.

"I can still go to the office and use the law books," Ritter said. "I would not think of giving up the use of the law books, which I wish to use in my private life from the chambers."

Chinese reports accused the Japanese army command of threatening to use its troops to disperse the demonstrators and take over control of the city. The Japanese would not comment on these reports.

Army Dismisses Colonel McMullen

WASHINGTON, May 28.—(AP)—Colonel Joseph I. McMullen of the Army judge advocate general's office was summarily dismissed from the Army today following his conviction in the District of Columbia Supreme Court for receiving compensation for services to private individuals outside his official duties. He previously was charged and convicted of accepting a reward for services rendered as outside in another case.

Unprecedented Action Taken By Ex-Judge Of U. S. Court For Southern Florida

Vacates Office In Miami Court

Holland Appointment As Ritter Successor Is Confirmed

WASHINGTON, May 28.—(AP)—Halsted L. Ritter, Miami ousted Federal Judge attacked in the Court of Claims today the constitutionality of his conviction by the Senate on House impeachment charges.

In an unprecedented action, Ritter filed a claim for salary since Apr. 1, contending that the Senate's verdict against him was "illegal, arbitrary, unjust, unconstitutional and void."

Ritter filed a 66-page petition with the Court. The former judge contended he was acquitted of all specific charges brought by the House articles of impeachment and that on the seventh, an omnibus charge, he was convicted. He insisted a specific charge was made by the final article which accused him of such conduct as "to bring the court into scandal and derision."

Ritter did not appear before the court, his attorney, Carl Hoffman of Miami, filing the proceedings soon after the opening of the day's session.

Shortly after Ritter's petition was filed the Senate Judiciary Committee approved the nomination of John W. Holland as judge for the Southern District of Florida, succeeding Ritter.

Headed For War

Having suffered a severe diplomatic reverse in the Italo-Ethiopian crisis, confronted with serious uprisings in Palestine and unrest in Egypt, fomented presumably by Italian agents, menaced in the Mediterranean by Russian bombers and high-powered, and deadly sea-craft, England faces the future not optimistically but with resolute British resoluteness. His Majesty's government is spending no effort to prepare itself for what everybody believes is inevitable war.

True to English tradition, the Navy comes first in any consideration for preparedness. England being an island and dependent upon the free passage of commerce for its very existence, the Admiralty is planning to spend over \$50 million dollars to build two battleships, five cruisers, nine destroyers, one aircraft carrier, four submarines and an assortment of minor craft. It also seeks to retain a large number of war boats which would be retired shortly under provisions of existing treaties with other powers. All Britishers breathe easier when they believe their Navy is invincible and it is with this thought that the Baldwin government is attempting to make it so.

Without an adequate supply of munitions no army and no navy can be of much avail, therefore the Minister of Defense has just completed a survey of 900 private plants and reports that in a few days many of them will receive contracts for making machine tools and gauges, necessary for any large-scale munitions program. Within short notice factories which had been turning out plows and other farm equipment would become the spawning grounds of death-dealing devices.

In the air England resolves not to be caught napping for she realizes that the strides of aviation in recent years have made that military arm one of great potentialities, one that might easily spell disaster and defeat in a few brief minutes of fighting. Already it has been pointed out that it is feasible to transport troops through the air and landed or dropped by parachute in sparsely settled country where the heavily armed soldiers could wreak untold havoc before sufficient soldiers could be mustered against them. Britain has enlisted and is training hundreds of new pilots to fly the output of countless factories which are working overtime building airplanes.

As to the ground forces are the plans to provide abundant food supplies to improve harbors and their defenses, and to build up stocks of materials needed in the prosecution of a first class war. The world can count on Britain not to do the spectacular but to be eminently more prepared than expected when the time comes. Somehow, the English always seem to "muddle through" and for the sake of civilization, we hope their present predicament will be no exception.

Fruits Of Exploration

An interesting as well as useful discovery has been made at the entrance of New York harbor which it is believed will make navigation of the mouth of this important port possible, even in the heaviest fog. "A majestic submarine gorge, forty-five miles in length, marking the course of the Hudson River in some prehistoric age, has been charted accurately for the first time by the United States Coast and Geodetic Survey ship Oceanographer, which returned yesterday to the New York Navy Yard in Brooklyn, after ten days of hydrographic surveying to the southeast of Sandy Hook," says the New York Herald-Tribune.

"Offshore soundings by comparatively primitive methods made in the area more than fifty years ago had indicated the presence of an underwater valley, but its great extent and contours had not been known.

"The presence of such a prominent bottom feature at New York's doorstep is of considerable importance to navigation and constitutes still another characteristic to make the harbor here one of the finest in the world. Charts based on this survey, to be issued from Washington, will enable vessels approaching from the eastward to locate their positions with echo sounding machines even while proceeding through a dense fog. With such a chart, a ship may keep a proper course to the harbor entrance by feeling her way along the bottom with the automatic depth recorder.

"Modern hydrographic methods and sounding machines, many of which were developed by the Coast and Geodetic Survey and used aboard the Oceanographer under the direction of Commander E. A. Roman, show that the forty-five-mile gorge has an extreme depth of 3,000 feet below the surrounding ocean floor. In places, the bed of the gorge is more than a mile below the surface of the Atlantic.

"If this ancient valley could again be raised above the water it would rank among the greatest water wonders in this country. Although not so pronounced, it is far deeper than the famous Yellowstone Canyon, which is no more than 1,000 feet deep, and the Royal Gorge, in Colorado, which is 2,500.

"The gorge is so vast that if the Palisades of the Hudson could be placed within its bounds they would constitute a range that probably would not be surpassed by anyone viewing the gorge from the rim.

Chairman Of Federal Home Loan Board Makes Reply To Republican Party Chairman

WASHINGTON, May 28.—Replying to a public statement issued by Charles C. Whittier, chairman of the Republican National Committee, John H. Faber, chairman of the Federal Home Loan Board, issued the following letter to the press:

"It is gratifying that the statement of Mr. Whittier is in substance correct. The Federal Home Loan Board has been organized within the last few days and is now in the process of carrying out its duties. The Board is composed of representatives of the various branches of the home loan industry and is charged with the responsibility of supervising the operations of the Federal Home Loan Bank Board and the Federal Home Loan Insurance Corporation.

"The Board is now in the process of carrying out its duties and is expected to report to the President and the Congress in the near future. The Board is confident that it will be able to carry out its duties in a manner that will be satisfactory to all concerned.

"The Board is also confident that it will be able to carry out its duties in a manner that will be satisfactory to all concerned.

"The Board is also confident that it will be able to carry out its duties in a manner that will be satisfactory to all concerned.

"The Board is also confident that it will be able to carry out its duties in a manner that will be satisfactory to all concerned.

"The Board is also confident that it will be able to carry out its duties in a manner that will be satisfactory to all concerned.

Home Owners' Loan Act their purposes are spread over a period of fifteen years and at an interest rate of 5 percent. This is the most liberal loan of which homes ever made by any institution in the history of the country.

"Your press release further says that you view the mortgage as a 'ball and chain' on every family of the land and that these tax-exempt bonds which are each American household a contingent debt that is variously estimated at figures from \$120 to \$400. The fact is, first, that in refinancing these loans the corporation obtained reductions of the claims amounting to over two hundred million dollars and that while when the act was passed it was anticipated that the government might suffer some loss through the operation of this relief measure, the prospect is that no losses will ensue.

"Might I also point out that if these loans had not been made, real estate values would have continued to decline and the remaining mortgages in the part of our lending institutions, representing the savings of millions of our people, would have declined further in value with most serious consequences. May I also remind you that the corporation took hundreds of millions of defaulted mortgages out of the 2,000 banks of the country and aided in the distribution of cash to some millions of depositors who were in grave financial difficulties.

"You suggest that the corporation misrepresents the facts in reporting collections on its mortgages. You state that it reports payments of principal and interest for the month of January, 1936, as 90.1 percent of the total amount due and later admits that as of Feb. 29 that the total payments of principal and interest received by the corporation from its borrowers amounted to \$248,735,297, or approximately 72.4 percent of the \$335,659,010 total due. The report to which you refer for the month of January, 1936, was issued on Feb. 26, 1936, is stated 'Total receipts of the corporation

WHY ORANGE?

Under the administration of State Comptroller J. M. Lee, Florida has gone places and done things in a financial way.

Florida has gone to the corporate, industrial and concentration of wealth and by enforcing rigidly (yet fairly, and impartially) utility taxes, motor transportation taxes, intangible taxes, documentary stamp taxes and other revenue laws, we have collected millions of dollars rightly and properly due the state—and on the same basis as paid by the income and inheritance of moderate means.

Personals

Mr. and Mrs. James Lanier have moved to Beardsall Avenue.

Miss Ira Jane Ford of Little Rock, Ark. is the guest of her sister, Mrs. C. L. Walker.

Dr. E. D. Brownlee is in Atlanta attending a board meeting of Agnes Scott College.

J. W. Childs left the first of the week for Butler, Ga to spend a short time.

Mrs. J. O. Andes will leave tomorrow morning by motor for Albuquerque, N. Mex. to spend the summer.

Mrs. John L. Galloway and daughter, Mary Ann, are visiting friends in Jacksonville for a short time.

Mr. and Mrs. Fred L. Farley and daughter, Ruth, of Alderson, W. Va. are visiting Mr. and Mrs. F. L. Hite, 210 Laurel Avenue.

Mrs. Alex Vaughan, Mrs. W. C. Hutchison, and Penrose Hutchison will leave tomorrow for Coronado Beach to spend a month at the Fitts cottage.

Mr. and Mrs. T. C. Pope and son, Teddy, are spending the week-end in Jacksonville. On their return they will live on Cameron Avenue.

George Thurston is improving at the Fernald-Laughton Memorial Hospital where he underwent an operation for appendicitis Wednesday morning.

Mrs. Deane Turner and Deane Turner, Jr. have arrived from Fort Myers to spend a few days with the former's sister, Mrs. Ernest Krupp, Park Avenue.

Mrs. B. C. Pickron and small daughter were moved from the Fernald-Laughton Memorial Hospital yesterday afternoon to the home of her mother, Mrs. J. H. Wynn, on the Old Orlando Road.

Mr. and Mrs. J. Howell Fish are planning to leave the first of the week for Middletown, N. Y. to spend the summer. Their children are already in Middletown.

William True, the father of Robert True of Lake Mary, has been ill and yesterday was placed on the train at Lake Mary to go to Amesbury, Mass. He was accompanied by Mrs. Robert True.

Miss Evalene Oust is leaving tomorrow for Chicago to spend a short time. She will be accompanied by Mrs. Hugh Wheelchel who will visit her sister, Miss Beatrice Howard, and Miss Katharine Symes, for a short time.

Miss Thurston Gives Party At Her Home

Mrs. Emmeline Thurston entertained a group of her friends at a birthday party Monday evening at the home of her parents, Mrs. and Mr. Henry Thurston, 215 S. S. A. avenue. The party was very enjoyable and refreshments were served by Mrs. Thurston.

At a late hour refreshments were served by Mrs. Thurston. Those present were: Miss Emmeline Thurston, honor guest, Misses Esther Strang, Emma Hale, Inez Williams, Mary Green Brown, Gertrude Hunter, Margaret Corvold, Mildred Class, Rose Harvey, Muriel Knox, and William Horne, Lance Hayes, Joe Douglas, Webber Wulborn, Myrl Higgs, A. W. Epps, Jr., Joe Johnson, Jr., Wesley Cunningham, Oren Adams, Herbert Thurston, Charles Thurston, Mrs. H. J. Cause, and Mrs. H. J. Thurston.

Mrs. Perkins Honors Her Luncheon Club

The members of the Thursday Morning Luncheon Club were entertained with a bridge party and luncheon given yesterday morning by Mrs. B. L. Perkins at 547 home on Magnolia Avenue. Venues and bowls of roses, sinners, and other garden flowers were used as decorations.

At the conclusion of the bridge games high score prize, silk hose, was awarded to Mrs. R. A. Newman while cut prizes, playing cards, was given to Mrs. M. S. Wiggins. Luncheon was served informally by the hostess, assisted by Mrs. Perkins.

Those present were: Mrs. Norman S. DeForest, Mrs. M. S. Wiggins, Mrs. C. E. Kirtley, Mrs. Ralph B. Wight, Mrs. R. H. Doss, Mrs. R. A. Newman, Mrs. D. E. Thrasher, and Mrs. G. D. Bishop.

Senior Class Picnic Is Held At San Lando

Nearly 100 persons attended the annual picnic of the Senior Class of Seminole High School held Tuesday afternoon at San Lando Springs. Senior class sponsors, Mrs. R. C. Maxwell, and the Misses Margaret Long, Lillian Dunlap, and Ruth Hand, served as chaperones.

Bathing, dancing and games were enjoyed until late in the evening when a picnic supper was served. The lunches were prepared by Mrs. W. C. Hill, Mrs. St. Clair White, Mrs. R. L. Cornell, and Mrs. F. E. Roumillat, a committee from the P. T. A.

Other parts were taken by the following: John Morgan, Herald; Doris Jackson, Jeeter; Marjorie Cogburn, witch; Brantley Adams, Barnacle Bill; LeRoy Cooper, detective; Cecilia Truluck, singer; and Mildred Hodges and Daphne Takach, musicians.

The "Dance of the Seasons" number was presented by Elizabeth Leffer, Marion Estridge, Virginia McFory, Lenora Whiddon, Carlin Palmer, Audrey Nese, Marguerite Ingley, Hazel Whitehurst, Lois Chapman, Dorothy Stewart, Joyce Hunt, and Margaret Tenhet. Lillian Adams, Jacqueline Campbell, and Alice Johnson presented the "strawfoot" number; Lucille Slaughter, Virginia Pesold, and Helen Palmer presented the "pirate dance"; and Joanne Asarello, Evelyn Cates, Kathryn Thigpen, and Dorothy Wiggins took part in the Spanish dance.

Edward G. Robinson was headed for the ministry until he took part in amateur theatricals in school.

Two thousand pairs of army trousers and many khaki shirts were sent to Edwin Hahn agency at Amsterdam, Ohio, by the war department to be remade into children's clothes.

'Miss Dixie'

Annual piano recital by the pupils of Miss Margaret L. Davis was given last night at the Woman's Club on Oak Avenue before a large gathering of interested friends. Assistant talent on the program was Mrs. A. M. Phillips, who rendered several soprano solos.

The large club auditorium was overflowed for the occasion with tall baskets of gladiol and potted plants. Refreshments were served at the conclusion of the musical numbers by Mrs. F. P. Doss, Mrs. Sarah Steele, Mrs. Arthur Brantley, and the Miss Dorothy Wiggins, Joyce Hunt, Jacqueline Campbell, Lenora Whiddon, Minnie Harvey, Hazel Whitehurst, Alice Harvey, and Bertie Hughes.

Programs were distributed at the door by Margaret Langley and Vivian Meisch and Mrs. Ross Adams had charge of the flower room. Mrs. Adams was assisted by Margaret Tenhet, Louise Johnson, Bill Branan, Joe Douglas, Joe Stewart and Robert Johnson.

The entire program was given as follows: F. P. Doss, 40 No. 1, Chopin-Lillian Adams.

March in G Major; Beethoven—Clara Schumann, Martha Wight, Summer Evening, Corne—Louise Wight.

March, Jessie Jaynor—Kirby Fite, Valse in D Major, Ketterer—Mary Thelma Tew.

March, Brilliant, Foerster—Lucille Hall.

Holiday, Koelling—Evelyn Rabun, Joyce Steele.

Saltarelle Caprice, Lack—Helen Hutchison.

March, Schumann—Elizabeth and John Wigham.

Climbing the Hill, Mallard—Carol Ann Reeder.

Impassioned, Mana Zucca—Gwynne Burdick.

Flying Doves, Holms—Angela Meisch, Elizabeth Fite.

Caprice, Anthony—Ralph Wight, Masurka, Groton—Mildred Walls, Valse Caprice, Stathou—Elice Hutchison.

Gloop de Concert, Jackson Peabody—John Hamrick.

(a) Sunlight, Harriet Ware; (b) Only a Rose, Friml—Mrs. A. M. Phillips.

Valse Brillante, Engelmann—Mary Wight, Jeanette Potter.

The Rosary, Nevin—Whelpley—Frances Johnson.

Valse Triste, Stibelius—Louise Peckard.

The Harp, Sam—Eleanor Dooley, Gavotte, Morrison—Miriam Methvin.

Graceland Dance, Engelmann—Sue Harrison.

Tango, Josef Reuben—Harold Haskins.

Caprice, Wilson Smith—Anna-Bell Brown.

Revolutionary Rude, Chopin—Mildred Hodges.

Staccato Etude, Anton Rubenstein—Dorothy Marshall.

Margaret Lindsay enjoys "doing" the amusement plays at the beach—she always wins prizes at the games. She's particularly good at knocking the milk bottles.

Edward G. Robinson was headed for the ministry until he took part in amateur theatricals in school.

Two thousand pairs of army trousers and many khaki shirts were sent to Edwin Hahn agency at Amsterdam, Ohio, by the war department to be remade into children's clothes.

May Day Festival Is Staged By Students

Before a large gathering of students and interested friends, the Sophomore Class of Seminole High School entertained with a May Day festival recently on the school lawn in honor of the Senior Class of the school. Miss Martha McDonald and Robert Quantock reigned as queen and king and were selected for the honor by popular vote of the student body.

The pageant was directed by Miss Nellie Williams and Miss Lady Jane Louder. Sophomore sponsors, Ladies of the court were: portrayed by the Misses Lothe Purdon, Sybil Boyd, Margaret Reits, Elizabeth Brigham, Eunice Tyler, and Caroline Hill. Gentlemen of the court were: Charles Robinson, St. Clair White, Jr., Roy Wright, Carl Feeler, Francis Roumillat, and Edwin Bonks.

Other parts were taken by the following: John Morgan, Herald; Doris Jackson, Jeeter; Marjorie Cogburn, witch; Brantley Adams, Barnacle Bill; LeRoy Cooper, detective; Cecilia Truluck, singer; and Mildred Hodges and Daphne Takach, musicians.

The "Dance of the Seasons" number was presented by Elizabeth Leffer, Marion Estridge, Virginia McFory, Lenora Whiddon, Carlin Palmer, Audrey Nese, Marguerite Ingley, Hazel Whitehurst, Lois Chapman, Dorothy Stewart, Joyce Hunt, and Margaret Tenhet. Dance Sensation To Be Seen At Miami

Charles Collins, currently appearing in Pioneer Pictures' new full-color feature, "Dancing Pirate," is being hailed as the screen's new dancing star.

In this Pioneer Picture the young actor goes through the entire gamut of entertainment with apparent nonchalance, ease and youthful charm. Playing the title role, opposite Steffi Duns and Frank Morgan, young Collins does everything but fly by his own power.

He step-dances upon galleons and ketches; he performs a brilliant Spanish rope-walking number, a sensational moonlight walk and seven other varieties of early California rhythm. He is knocked about and fought with by pirates and other villains in a series of thrilling stunts calling for the finest of acrobatic skill.

In between he makes love to Miss Duns in the sweet, tender and colorful fashion of the good old days.

Those who find scant satisfaction in viewing that opportunity are a thing of the past in America can look to the career of this young man, who by grit, determination and hard work has soared from plow field to fame in an amazingly short time.

He left his birthplace, a small farm near Fredrick, Oklahoma, when 16 years of age. In Fred-

rick he became, in turn, a real estate salesman, a saxophone player, orchestra leader and a dancer in the local vaudeville house.

That was his start. Since then he has scored an enviable succession of stage triumphs: "Lone Domino," "Coo-EE," "Three Four Chaps," and "Co-optimists," all record-breaking hits in London. On Broadway he scored in "Hip-Hip" and "Smiling Faces" with Fred Stone, in "As Thousands Cheer," replacing Clifton Webb, and in Harry Richman's "Say When."

"Dancing Pirate," the first feature-length romance with music and dancing ever filmed in the new Technicolor, is a lively, comical tale of adventure with songs and lyrics by Richard Rodgers and Lorenz Hart and with superb ensemble by scores of solo artists.

It was directed by Lloyd Corrigan, designed in color by Robert Edmond Jones. The cast includes featured players like Luis Alberni, Victor Varconi, Jack Farrel, the loyal Canino family, and a host of former supporting players.

Henry Otto, long-time motion picture character actor, has participated in 37 stage-coach hold-ups. They were all synthetic, of course, and Otto always has been on the wrong side of the law.

Statue Of Monks Returned To Alamo

SAN ANTONIO, Tex., May 23.—A four and one-half foot statue of a monk, dated 1500, found in a niche in the Alamo after being treasured in a household here for 150 years.

The 500-pound statue was rediscovered by William F. Freeman, who says it had been in his family for generations. An ancestor, he says, found the statue on his property after it had been taken from the mission by Mexicans.

Ernie Hickson, art director, has a collection of 38 old-fashioned monk boxes.

Nelson Eddy, singing star, has been telephone operator, artist, reporter and advertising man.

How's Your Health?

VITAMIN E

Vitamin E is also known as the sterility vitamin. The warrant for this designation arises out of the finding that experimental animals fed on a diet deficient in this vitamin are unable to carry to term and give birth to healthy young.

Vitamin E deficiency does not, however, appear to play an important role in human sterility. Obstetricians claim that not more than 5 to 8 percent of sterility can be accounted for by disease conditions in either father or mother.

Yet, the diet of many people in this country is derived mainly from cereals from which vitamin E has been removed in the milling process. Furthermore, eggs and vegetables which are a rich source of the vitamin are not included in sufficient quantities in the

Kentuckian Admits Part in Death Plot

It remains, therefore, to be further demonstrated to what extent human sterility is in fact due to a lack of, and how effectively it may be remedied by, vitamin E. In Europe several clinicians report having successfully cured a few cases of habitual abortion in women by feeding them during pregnancy foods rich in vitamin E.

Vitamin E is abundantly distributed in nature. It is found in egg yolk, lettuce, spinach and water cress. Muscle tissues also contain abundant amounts. Among the oils, vitamin E is found in cotton seed, corn and palm. The richest source of the vitamin is wheat germ oil, and in this form it is administered medicinally and for preventive purposes.

The effects of vitamin E deficiency are constitutional rather than confined to the reproductive system. Animals reared on diets free of vitamin E show signs of nutritional disturbance, evidenced by loss of hair and wasting of muscles. They also do not grow as well, nor attain the size of their normally fed litter mates.

James Fagan Culver (above) slender youth from Kentucky, told a Los Angeles coroner's jury that Samuel L. Whittaker, retired organ salesman, persuaded him to stage a fake hold-up in which Whittaker's wife was shot to death. Culver pleaded guilty to second degree murder and Whittaker is on trial for his life. (Associated Press Photo)

TIN HEIR TO WED PHONE GIRL

Six years after he rescued her from drowning at Atlantic City, William B. Leeds (right), sportman and son of the late "tin plate king," has announced his plans to marry Olive Hamilton (left), former telephone operator. At present they and a party of friends are enjoying a West Indies cruise on his yacht. (Associated Press Photo)

NOTICE OF APPLICATION FOR TAX DEEDS

Revenue Bill No. 1005

Notice is hereby given, That LEVA FARRAR, holder of Tax Certificate No. 64, issued the 2nd day of August, A. D. 1935, has filed same in my office and has made application for a tax deed to be issued thereon. Said certificate embraces the following described property in the County of Seminole, State of Florida, to-wit: 1/2 of 1/2 of Lot 19 of 1/2 of Smith's 2nd Subdivision.

The assessment of the said property under the said certificate issued was in the name of D. T. RICHARDSON.

Unless said certificate shall be redeemed according to law, the property described therein will be sold to the highest bidder at the court-house door on the first Monday in the month of June, 1936, which is the 1st day of June, 1936.

Dated this 17th day of May, 1936.

O. P. HERNON, Clerk of Circuit Court of Seminole County, Florida.

LEVA FARRAR holder of Tax Certificate No. 64, issued the 2nd day of August, A. D. 1935, has filed same in my office and has made application for a tax deed to be issued thereon. Said certificate embraces the following described property in the County of Seminole, State of Florida, to-wit: 1/2 of 1/2 of Lot 19 of 1/2 of Smith's 2nd Subdivision.

The assessment of the said property under the said certificate issued was in the name of D. T. RICHARDSON.

Unless said certificate shall be redeemed according to law, the property described therein will be sold to the highest bidder at the court-house door on the first Monday in the month of June, 1936, which is the 1st day of June, 1936.

Dated this 17th day of May, 1936.

O. P. HERNON, Clerk of Circuit Court of Seminole County, Florida.

RIVALS IN AUSTRIAN CRISIS

Austria was faced with a threatening political crisis after Chancellor Kurt Schuschnigg (left) ousted his "co-dictator," Prime Engelbert Dollfuss (right), the militant Fascist from the post of vice-chancellor. The latter immediately rallied his private army and proclaimed "the real contest is just starting." (Associated Press Photo)

Bilious Spells

In bilious spells, one of the first things to do is to take a dose of Black-Draught to relieve the attending constipation. You can rely on Black-Draught whenever a laxative is needed.

Mr. T. L. Austin, of McDeville, N. C., tells of having used Black-Draught for a long time. "There is a box full on my mantle, now," he writes. "I take it for biliousness. If I did not take it, the galliness and headache would put me out of business. It is the quickest medicine to relieve me."

Black-Draught is purely vegetable. It is one of the most economical laxatives. Sold in 25-cent packages, containing 35 doses.

SUMMER DO'S AND DON'TS

Nature's way of dealing with sprains is to immobilize the part affected by making movement painful. The doctor, after examining the extent of the damage, may indeed order massage and passive or active motion. But until he advises, inactivity is the safe rule.

What appears to be a sprain may indeed be a bone fracture. This is particularly apt to be the case in injuries suffered about the foot, ankle, wrist and elbow.

Burns are common out-of-door accidents. Even small burns may prove dangerous and destructive. They may, for example, become infected and thus give rise to serious toxidity. They may produce disfiguring and embarrassing scars. The wisest procedure is to obtain expert medical help promptly.

Emergency treatment may be given by the application to the burned area of a solution of 5 percent tannic acid. This may be applied by spraying, or clean cloths may be saturated with the solution and applied over the burned part. Care should be taken not to blister further the burned skin by rough or careless handling. The overlying skin, even if a blister has formed and has broken, should not be torn away or removed. Such treatment should be left up to the doctor.

Attention should be paid to the water hazards. Do not drink or even use for washing purposes water drawn from sources of unknown purity. A clear stream is not necessarily a safe stream. Avoid bathing in such waters. Many gastrointestinal infections, as well as infections of the eyes, ears, nose, throat and head sinuses, are contracted this way.

If drinking water cannot be procured from any other source, boil it and be safe.

Beware of raw milk, unless you know the herd from which it is drawn to be certified. Even then it is better to boil the milk, for it may have become polluted in handling.

Home Owners Rally To Nominate Hodges In First Primary

Strength of 100,000 Florida Home Owners to Play Important Role

HOMESTEAD BILL HODGES
THE HOME OWNERS' CHAMPION

One hundred thousand Home Owners, whose homes became tax free largely through the intensive efforts and campaign on the part of Wm. C. Hodges in the referendum election of November, 1934, are again rallying to the banner of their champion, "Homestead Bill," in an effort to nominate him Governor in the first primary and thereby insure their "tax free" homes against the big interests who desire to shift the tax burden back to the home owner.

The Home Owners, whose chief interest is the preservation of the homestead exemption, also point to their champion, "Homestead Bill," as the bulwark of protection against sales and nuisance axes and as an open advocate of old age and mother's pension. "Nominate Hodges in the first primary," has become the battle cry of these one hundred thousand Florida home owners, together with the slogan, "It is a past performer and not a liberal promoter!"

Double Header To Be Played On Sanford Field Saturday

Tie Game Between Lookouts, G-Men To Be Played Off No Extra Charge For Admission To Ball Park Will Be Made

The first double-header of the season in the Florida State League will be played on Sanford Field tomorrow afternoon when the Sanford Lookouts and the Gainesville G-Men will play off the tie game of Thursday of last week. That game was called because of rain in the ninth inning with the score 2 and 2.

The first game will be called at 3 o'clock and the other game immediately afterwards. There will be no extra charge of admission. The usual price of 40 cents for adults, 15 cents for children and 25 cents for negroes will be charged.

Stuffy McCrone said today he expected to pitch Bob Overstreet and Red Sweeney. Joe Histrup will probably catch both games. Stuffy will play first base, Maltby and Cates will be in their places at second and third base, respectively, and Clary will be at short.

The outfield will be played by Dave Swindell, Gardner Barnes and Frank Boris.

Another double-header later in the season will have to be scheduled because rain interfered with the Sanford-Palatin game yesterday. This will also be played on Sanford Field.

Newsom One Up In Feud With Former Manager

WASHINGTON, May 29.—(AP)—Buck Newsom, the gangling, talkative Washington pitcher, is enjoying hearty guffaws at the expense of his old manager, Rogers Hornsby.

As 'a' well known around the American league, there's no love lost between the pair.

Hornsby has said Newsom was the dumbest pitcher he'd ever seen and couldn't carry an idea across the road. Newsom has been just as complimentary in his retorts.

Hornsby sold Newsom to the Senators last year for around \$40,000 and soon thereafter began laughing at the deal he'd pulled over Clark Griffith, the old fox.

But in their first meeting in St. Louis a few days ago, Buck stood the Browns on their heads. He won his game handily—his sixth of the year—and turned in the best strikeout performance of the season, fanning 11.

It may be Hornsby's turn to chuckle before long, but right now Buck is in the pitcher's seat, and is making the most of it.

Coaches Are Rivals On Gridiron, Fairway

RALEIGH, N. C., May 29.—(AP)—Football coaches in the Carolinas are rivals on the fairway as well as the gridiron.

Hunk Anderson, at North Carolina State college, matched strokes with Wallace Wade, of Duke, in the Carolinas' golf tourney at Winston-Salem.

Anderson's score was low enough to win a first flight berth, but Wade ran into trouble in bunkers and rough, falling short. His game is considered much better than average, however.

At Columbia, S. C. Don McCallister, University of South Carolina grid mentor, is a linkman of no ordinary ability.

SATURDAY
Gainesville at Sanford.
St. Augustine at DeLand.
Daytona Beach at Palatka.

16,000 Fingerlings Are Sent By Fish Hatchery To Lake Mary

Who's Who Among The LOOKOUTS

Bob Overstreet, who will probably pitch in one of the double-header games between the Lookouts and the G-Men from Gainesville on Sanford Field tomorrow, has been on the line-up of the Sanford Club only a few weeks. He started the 1933 season with the DeLand Reds, but was released when all the clubs had to reduce their teams to 14 men after the first 20 days of play. He was then promptly signed by the Lookouts. While with the Reds he pitched 17 innings and allowed only one scored run. He has pitched only five games for the Lookouts, two of which he won for the home team.

This is Overstreet's fourth year in organized baseball, starting with Fort Lauderdale in the Florida East Coast League in 1933 following his graduation from Mulberry High School. His home is in Plant City. He played on the Fort Lauderdale club two years, batting better than .300 each year. He played with the Ohio State League, on the Canton Club, last year, both as a pitcher and an outfielder. In the six games he pitched for Canton he lost only one.

It was Overstreet who brought in the two runs that won for the Lookouts the thrilling 17-inning game on Sanford Field from the League-leading Daytona Beach Islanders last Sunday. In both cases (the seventh and the seventeenth innings) he came to bat last and each time hit long drives that enabled Gardner Barnes to score.

Bob played baseball, football and basketball while attending Mulberry High and won 14 letters.

Overstreet is 22 years of age, is six feet tall and weighs 160 pounds.

Sportsman's Club President Says State Stands To Profit From Tarpon Tourney

VENICE, May 29.—All of Florida stands to reap great benefits from the current tarpon fishing season along the Florida west coast, it was declared here today by M. T. L. Evans, president of the Venice-Nokomis Sportsman's Club, sponsoring the Venice-Nokomis Tarpon Derby now underway here.

Mr. Evans pointed to the increase in inquiries from prospective tarpon anglers and said that he presumed that the same situation existed at other points along the coast. As matters now stand, local fishing guides report the best business since the boom with indications, such as advance reservations, pointing to a greater boost.

The tarpon derby, with upwards of \$500 in fishing tackle and trophies as prizes, will continue through July 31, and the month of June is expected to far surpass any like period in the history of tarpon fishing.

Tarpon fishing, Mr. Evans pointed out, has now been put on what he termed a "scientific basis of cost" allowing almost any sportsman to indulge in one or more days of the thrilling sport.

Mr. Evans pointed out that arrangements had been concluded by the club to provide tarpon fishing, including boat, bait, tackle, guide, hotel, three square meals and the like for a flat price starting at \$9 per day and scaling upwards to \$12—figuring two anglers to the boat.

To date more than 100 tarpon have been entered at the weighing station of the club and the daily number is increasing.

Nebraska Track Star Wins Discus Throw, But It Was Accident

LINCOLN, May 29.—(AP)—Sam Francis, University of Nebraska front-sided weight tosser and football star, unwound a winning discus throw of 149 feet 9.1 inches at the Drake relays, but it all was all an accident.

Francis, better known as a shotputter than as a discus thrower, attempted to show a teammate, Fred Shirey, what was wrong with his discus form. Both were entered in the event, and Francis' effort, which served the dual purpose of a lesson and an official trial, exceeded even his fondest hopes.

HURLING-HOMER HERO

DENVER, May 29.—(AP)—Terry Cerrone, pitcher for a jewelry store term, owns a special niche in the sandlot's hall of fame. He hurled a no-hitter, no-run game against a dairy nine—and won the contest himself, 1-0, with a homer in the 12th. He fanned 14 and gave no pages.

Wardens Remind Anglers Of Some Sections Of Law

Fishermen who go over to New Smyrna, Titusville or other places on the East Coast, or who choose the Gulf Coast for their fishing grounds are not to be harassed by wardens, but those who fish in fresh water streams are reminded now and then of some of the following provisions in state law:

"First Minnow Law." From end of year to the first of each year in each month of the year; Speckled Perch, 7 in. to 12 in.; Bluegill, 4 in. to 6 in.; Yellow Perch, 4 in. to 6 in.; Rock Bass, 4 in. to 6 in.; Warmouth, 4 in. to 6 in.; Redbreast, 3 in. to 5 in.; Pike, 3 in. to 5 in.; Mixed String, 4 in.

Statutes Set Forth What Kind Of Bait Fishermen Can Use

Wardens Remind Anglers Of Some Sections Of Law

Fishermen who go over to New Smyrna, Titusville or other places on the East Coast, or who choose the Gulf Coast for their fishing grounds are not to be harassed by wardens, but those who fish in fresh water streams are reminded now and then of some of the following provisions in state law:

"First Minnow Law." From end of year to the first of each year in each month of the year; Speckled Perch, 7 in. to 12 in.; Bluegill, 4 in. to 6 in.; Yellow Perch, 4 in. to 6 in.; Rock Bass, 4 in. to 6 in.; Warmouth, 4 in. to 6 in.; Redbreast, 3 in. to 5 in.; Pike, 3 in. to 5 in.; Mixed String, 4 in.

As to the bait, no person may catch or keep in a day's fishing the live bait:

"Bag Limit"—Bluegill, 12; Speckled Perch, 10; Yellow Perch, 20; Warmouth, 20; Redbreast, 30; Jack, 15; Pike, 30; Mixed String, 40.

The law in regard to live bait is as follows:

"None of the following minnows shall be used for bait: Bream, Crappie, Bass, Trout, Jack, Pike, Perch. If caught in nets, they shall be returned immediately to the water."

The license fee for fresh-water fishing in Florida is: Series A—Resident State, \$2.25. Series B—Non-Resident State, \$3.50. Series C—Non-Resident 3-Day continuous, \$1.75.

"Hook and Line, Rod and Reel, Bob, Spinner and Trawl" are lawful for use. Unlawful to use nets, baskets, traps, gigs, dynamite or other deleterious substances in streams and lakes of Florida.

Catholic Schoolboy Meet In June Draws Record Entry List

SOUTH BEND, Ind., May 29.—(AP)—The third annual running of the Notre Dame National Catholic Interscholastic track and field meet, June 6-8, promises to attract a record-breaking entry list.

Thirty schools and over 300 athletes are expected to compete. This will represent an increase of 50 percent in individuals and 25 percent in schools entered over the 1934 inaugural.

West Catholic high of Philadelphia is expected to defend the championship. It has won both in 1934 and '35.

California's motor code has been adopted by the northern district of Baja California, Mexico.

Good Fishing At Lake Mary Promised In One Year's Time

Big Mouth Bass Will Weigh Pound, Be Foot Long In Year

Sixteen thousand big mouth black bass fingerlings were received at Lake Mary this week, sent there by R. G. Garrett, supervisor of the Winter Haven hatcheries, and in about a year Seminoles County anglers will have some "mighty good fishing" at the lake, in the opinion of Frank Evans, president of the Chamber of Commerce. The fingerlings were obtained by the fish and game committee of the trade body of which Raymond Ball is chairman.

When dumped in Lake Mary the fingerlings were from two to four inches long, but John Dobos of the Winter Haven hatcheries advised the Chamber of Commerce men that in about a year they will be a foot long and that each should weigh a pound. Disciples of Ike Walton can go after them.

This is the twentieth load of fingerlings sent into this district in the last two weeks, the shipments being divided between Lake Mary, Lake Emma and Crystal Lake. The state is divided into four districts, with Seminole County in the district extending from Orlando to Lake Mary.

Black bass fingerlings were placed in Lake Mary some years ago and they provided excellent sport for many months. They live on mosquito larvae and bugs.

Gertrude Michael was a concert pianist at the age of 12. She is still practicing almost daily.

Red Sox Assault Turned Back By New York Yankees

BOSTON, May 29.—(AP)—The New York Yankees piled nine runs across the plate in two wild innings yesterday to turn back the Red Sox' assault on their American League lead with a 10 to 6 victory.

With the flashy rookie, Joe Di Maggio, leading the batting parade, and the veteran Pat Malone managing to stay the distance, although hit freely, the Yankees stretched their first-place edge to two and a half games by the win, which gave them a 2-1 margin for the three-game series.

National League Leaders Lose 2 But Keep Lead

ST. LOUIS, May 29.—(AP)—Big Jim Weaver held the St. Louis Cardinals to four hits yesterday and the Pittsburgh Pirates tied up their series by making it two straight over the league leaders, 7 to 2.

The Cardinals regained their half game lead over New York, however, as the Giants dropped both ends of a twin bill with Boston.

Giants Kick Away Chance NEW YORK, May 29.—(AP)—

The Giants yesterday kicked away their best chance to take a clear lead in the National League by dropping both ends of a double-header to the Boston Bees, 4 to 3 and 5 to 4, through failure in both hitting and pitching departments.

The double win for the Bees snapped the Giants five-game winning streak and jolted the New Yorkers out of their first place tie, back into second place.

Good Fishing At Lake Mary Promised In One Year's Time

Sixteen thousand big mouth black bass fingerlings were received at Lake Mary this week, sent there by R. G. Garrett, supervisor of the Winter Haven hatcheries, and in about a year Seminoles County anglers will have some "mighty good fishing" at the lake, in the opinion of Frank Evans, president of the Chamber of Commerce. The fingerlings were obtained by the fish and game committee of the trade body of which Raymond Ball is chairman.

When dumped in Lake Mary the fingerlings were from two to four inches long, but John Dobos of the Winter Haven hatcheries advised the Chamber of Commerce men that in about a year they will be a foot long and that each should weigh a pound. Disciples of Ike Walton can go after them.

This is the twentieth load of fingerlings sent into this district in the last two weeks, the shipments being divided between Lake Mary, Lake Emma and Crystal Lake. The state is divided into four districts, with Seminole County in the district extending from Orlando to Lake Mary.

Black bass fingerlings were placed in Lake Mary some years ago and they provided excellent sport for many months. They live on mosquito larvae and bugs.

Red Sox Assault Turned Back By New York Yankees

BOSTON, May 29.—(AP)—The New York Yankees piled nine runs across the plate in two wild innings yesterday to turn back the Red Sox' assault on their American League lead with a 10 to 6 victory.

With the flashy rookie, Joe Di Maggio, leading the batting parade, and the veteran Pat Malone managing to stay the distance, although hit freely, the Yankees stretched their first-place edge to two and a half games by the win, which gave them a 2-1 margin for the three-game series.

National League Leaders Lose 2 But Keep Lead

ST. LOUIS, May 29.—(AP)—Big Jim Weaver held the St. Louis Cardinals to four hits yesterday and the Pittsburgh Pirates tied up their series by making it two straight over the league leaders, 7 to 2.

The Cardinals regained their half game lead over New York, however, as the Giants dropped both ends of a twin bill with Boston.

Giants Kick Away Chance NEW YORK, May 29.—(AP)—

The Giants yesterday kicked away their best chance to take a clear lead in the National League by dropping both ends of a double-header to the Boston Bees, 4 to 3 and 5 to 4, through failure in both hitting and pitching departments.

SOME OF YOUR CLEANING RAGS SHOULD STILL BE CLOTHES!

THE CONSTANT waste of life out of the wash, and ironing with temperatures that weaken fabrics, will shorten the life of any clothes. Right now, you may have cleaning rags that should still be serviceable clothes.

An electric washing machine will wash your clothes gently... soapy water cleanses every fiber, and the soft, rhythmic action of the washer gives added months of wear that is ordinarily rubbed out by harsh hand washing methods. You'll be delighted with the clean, snowy white appearance of the finished wash.

Ironing with an electric ironer is easier on your clothes and easier on you. You'll be pleased to find that the ironing can be done in one-third the time and with one-tenth the effort that is used to take. You merely sit down, and let it literally take the work right out of your hands.

Insure longer life for your clothes, and do away with dreary "wash days" forever.
