Murray Says Four Issues Extend Strike

Company Report That Union Shop Alone Holds Up Settlement Called A Lie

By WILLIAM G. SMOCK
PITTSBURGH (AP)—President Philip Murray of the striking CIO United Steelworkers said his policy-making sides today that the union shop issues is only one of four obstacles holding up settlement of the 12-day-old steel strike.

Murray, who heads the union's parent CIO, declared the steel wage-price dispute has become a political football.

The silver-haired labor leader told a joint strategy session of the USW Executive Board and Wage-Policy Committee:

"I do not profess to know how long the struggle (strike) will last."

He was given a rising ovation when he said it is his purpose to "carry out your mandate and the mandate of the last convention."

He referred to a resolution adopted at the union's convention last May which stipulated that settlement based on recommendations of the Wage Stabilization Board.

The WSB recommended a 26 cent hourly raise for the 650,000 CIO steelworkers, a 30 cent raise for an average of between \$1.90 and \$2 an hour and also called for a union shop.

In addition to the union shop, Murray listed three other issues as blocking a final settlement:

1. The steel industry's insistence on a management clause in any new contract. Murray said such a clause, defining management's rights, would allow companies to launch speedups.
2. The question of seniority. Murray said U. S. Steel Corp. wanted all seniority questions resolved to its satisfaction.
3. Incentive pay. The labor chief declared U. S. Steel Corp. also insisted on its version of incentive.
4. The union shop. Murray said the industry falsely gave out the impression that the union shop is the only issue. He called it "a plain unadorned lie."

When Murray mentioned Sen. Robert A. Taft (R.-Ohio) and Gen. Dwight D. Eisenhower as candidates for the Republican presidential nomination, his audience boomed loudly.

Murray said Taft should have more sense than to press for a court injunction under the Taft-Hartley Act. Various members of the audience yelled:

"What sense?" "Ho ain't got no sense at all."

Murray called Eisenhower a "millionaire" because Eisenhower supported Taft's declaration that the Taft-Hartley Act should be invoked by President Truman to get the steel mills back in production.

New Smyrna Beauties Visit Sanford

A bevy of New Smyrna Beach bathing beauties, accompanied by Mayor Bruce B. Sweatt, visited Sanford Tuesday morning. The beauties, who are members of the "Seaside Fleets" being held at the beach this week, they were greeted in front of the Chamber of Commerce by Mayor W. H. Stempier, Chamber of Commerce Manager Forrest Breckenridge, and other officials. The motorcade then toured the business district with much fanfare before leaving the city.

Telephone Manager

Al Mooneyham of Orlando, district manager of the Southern Bell Telephone Co., has been transferred to Jacksonville where he will be a responsible executive in that office.

Al Mooneyham Is Given Assignment In Jacksonville

J. A. Mooneyham of Orlando, district manager for the Southern Bell Telephone Co., has been transferred to Jacksonville where he will be a responsible executive in that office.

Mr. Mooneyham, who leaves Orlando after 21 years of service here, was active in civic affairs. He began his long telephone career in Wilmington, N. C. After two years in Raleigh, N. C., he went to Miami in 1925 where he was appointed assistant manager the same year. He became assistant district manager in 1926.

Mr. Moore's entire telephone career has been spent in Florida. He joined Southern Bell in Jacksonville in 1929 and later served as office manager for Southern Bell in 1945. He was appointed manager in 1947.

Florida Economy Makes Big Strides In Past 10 Years

Bank Deposits Jump 400 Percent While Retail Sales Rise

JACKSONVILLE (AP)—Florida economy has rocketed in 10 years, the U. S. Department of Commerce reported today.

William A. Dombp, district manager, reported a survey which showed sharp gains in financial, agricultural and industrial lines.

The report gave these figures with 1951 figures last:

Bank deposits \$544,300,000 to \$2,072,418,000

Employees in manufacture 31,149 to 47,478; their wages \$35,355,000 to \$216,228,000

Retail sales \$614,464,000 to \$2,928,490,000

Wholesale sales \$325,609,000 to \$2,093,064,000

Number of business firms 18,200 to 91,200

Life insurance in force \$983,172,000 to \$3,084,081,000

New construction \$290,200,000 to \$608,700,000

Effective buying power \$1,019,999,000 to \$3,426,321,000

Value of farm products sold \$80,430,700 to \$328,810,000

Value of livestock and its products sold \$18,066,000 to \$85,729,000

Trade with foreign countries \$31,861,000 to \$281,609,000

Internal revenue collections (big recent jump of all—800 per cent) \$57,073,000 to \$314,008,900; and state revenue collections: \$28,518,000 to \$274,651,000.

Canadian Air Cadets To Visit Florida

Representatives of the Civil Air Patrol from Miami, West Palm Beach, Tampa, Jacksonville, and Central Florida will meet at the wing headquarters at the Orlando Air Base tonight to make plans for the entertainment of 27 Canadian Air Force Auxiliary cadets who will visit Florida in early August. Lt. Col. Forest Breckenridge of the Air Patrol announced today.

The Canadians will be entertained in Sanford, among other points of interest in Florida, said Col. Breckenridge, who has been named Project Officer for the entertainment. The arrangement is part of the Civil Air Patrol cadet exchange program.

Last year a number of Portuguese cadets were entertained in Florida, and at this time three cadets from Florida are visiting foreign countries in connection with the program.

Fishing Licenses To Go On Sale

With fishing licenses expiring on June 30, devotees of rod and reel were today reminded by Judge Douglas Stinson that new licenses will be on sale at his office on Monday, for the 1952 season.

Mrs. S. P. Fowler, clerk, announced that resident fishing licenses will remain at \$2.00. Non-resident, 14-day licenses will be \$2.25 and non-resident season licenses, \$10.50.

Residents fishing with cracker poles in their home county are not required to have a license.

Youths under 16, whether residents or non-residents, are not required to purchase a license. Non-residents of the state for more than six months who are 16 years of age or over are not required to have a fishing license, but are required to secure permits at the County Judge's office in order to fish in fresh water areas.

Non-residents of 16 or older, are required to purchase non-resident fishing licenses in order to fish in Florida, said Mrs. Fowler.

Convention Alternate

JACKSONVILLE (AP)—Henry Price, former congressman, will be alternate for Mrs. A. G. Campbell, Jacksonville Beach, as delegate to the Democratic National Convention. Mrs. Campbell was one of five Kefauver-backed delegates named.

Named Convention Chairman

IN WASHINGTON, House Minority Leader Joseph Martin, of Maryland, warmly urged today that he be named permanent chairman of the Republican National Convention.

Five Local Youths Herman Morris Is Leave Sunday For Legion Boys State

Herman E. Morris, principal of Seminole High School, who is not only the father of Robert and Ernie Morris, but who has served as a sort of parental adviser and counselor for hundreds of youthful youths in this area, was reported today by Mayor W. H. Stempier, chairman of the Post Office Boys State committee, announced this morning.

Backed by local civic organizations, the following boys will represent this section at Boys State: Tommy Spier, Henry Wesley, Hamel Lyons, Sammy Jacobson, Elks, Joe Hutchison, Jaycees and Terry Cardell, Kiwanis.

Judge Stinson's Legion committee includes John Kader, Mac Cleveland, Jr. and Joel Field.

Approximately 350 boys from throughout Florida will attend Boys State. They will be informed of the operation of the state government by Governor Warren.

Members of his Cabinet and heads of various State agencies, will hold elections, and will enjoy a recreation program and the facilities of the university.

Boys state in Tallahassee is a portion of the nation-wide program carried out by the American Legion in its effort to inculcate in the youth of his country a spirit of responsibility in taking part in the operation of state and national governments.

Trustees Of Fish Estate To Meet

The trustees of the Bert Fish estate will meet in Deland at 2:30 p. m. tomorrow, Fred R. Wilson, Sanford trustee, announced today.

The proposed Sanford hospital may come up for discussion, Mr. Wilson said, but he doubted if any significant action could be taken at this time.

Action on the hospital, which is provided for in Mr. Fish's will, is at present held up by the necessity to convert the grove land owned by the estate into cash, Mr. Wilson explained.

There will be a reception following the trustee's meeting on Monday at 8:00 a. m. for pupils between 5:00 and 6:00 p. m. at the Putnam Inn.

Shrine Convention

R. E. True principal of the Junior High School, announced today that summer school will open on Monday at 8:00 a. m. for pupils who have missed work. The school will continue through July 25.

PORTSMOUTH (AP)—President Truman today nominated Lloyd A. Riden to be postmaster at St. Petersburg, Fla.

Pennsylvania Delegates Eye Taft And Ike

General Entertains 70 On Gettysburg Farm While Taft To Greet Them Later

By The Associated Press
Pennsylvania's 70 Republican convention votes, a keystone in the party's selection of a presidential nominee, had a home date today with one top contender and a tentative appointment with the other.

Gen. Dwight Eisenhower plays host to the Pennsylvania delegates at his Gettysburg farm today, July 12. The general's chief rival for the GOP prize, Sen. Robert Taft of Ohio, will confer with them later, time and place yet unannounced.

Eisenhower's shirt-sleeved outing, his first since he left office in January, will be a social gathering with most of the Pennsylvania delegates. It follows a pattern he set in New York weeks ago, this week offering himself for question-and-answer sessions in hopes replies would cement pro-Eisenhower alignments and win over the others.

Taft was turning his full attention today to Delaware's 12-member delegation at a farm near Gettysburg.

He plans call for a pre-convention swing through the Middle Atlantic States, with delegations in Virginia and Maryland as well as Pennsylvania.

The report gave these figures with 1951 figures last:

Bank deposits \$544,300,000 to \$2,072,418,000

Employees in manufacture 31,149 to 47,478; their wages \$35,355,000 to \$216,228,000

Retail sales \$614,464,000 to \$2,928,490,000

Wholesale sales \$325,609,000 to \$2,093,064,000

Number of business firms 18,200 to 91,200

Life insurance in force \$983,172,000 to \$3,084,081,000

New construction \$290,200,000 to \$608,700,000

Effective buying power \$1,019,999,000 to \$3,426,321,000

Value of farm products sold \$80,430,700 to \$328,810,000

Value of livestock and its products sold \$18,066,000 to \$85,729,000

Trade with foreign countries \$31,861,000 to \$281,609,000

Internal revenue collections (big recent jump of all—800 per cent) \$57,073,000 to \$314,008,900; and state revenue collections: \$28,518,000 to \$274,651,000.

Flag Day Will Be Observed Saturday

Final plans for the observance of Flag Day tomorrow were made at the Sanford Elk Club last night according to Earl Higginbotham, chairman of the program.

The program will be presented under Mr. Higginbotham's direction, in cooperation with Howard McGough, chairman of the Memorial Service committee of 7:00 o'clock tomorrow night at the Memorial Hill Park.

The American Legion will provide Elk honor guards, and Troops No. 44 and 415, Boy Scouts of America, will have stunts carrying the nine flags used by the nation prior to the present one.

The Elk Club extends a cordial invitation to patriotic citizens to attend the program just before the game at 8:00 o'clock with Palatka.

Commissions Won By Sanford Group

Four Sanford boys took the oath of office in the United States Army as second lieutenants upon their graduation from the University of Florida this week. The boys, William B. Brinson, Jr., Ellisworth C. Harper, Jr., Alonzo Shoemaker, Jr. and Glenn McCall, has just completed the advanced ROTC course. Mr. Call's commission is in the Transportation Corps and the other three are in the infantry.

The oath was administered by Col. George H. Price, professor of military science and tactics, who charged the cadets to look to the responsibility of their commissions rather than to accept them "as some sort of special privilege."

"Your happiness and whatever satisfaction you may derive from the service will come from what you do for those in your charge," Col. Price said.

Those receiving commissions numbered 48 in infantry, 59 in artillery and 87 in the Transportation Corps. Earlier, last week, 107 cadets were sworn into the Air Force as second lieutenants.

President Truman Calls For All Out Civil Rights Plan

Fierce Red Attack Is Driven Back By U.S. 45th Division

Gen. Nam Il Says UN Is Not In Position To Dictate Terms

By ED CREAGH
WASHINGTON (AP)—President Truman called today for swift adoption of an all-out civil rights program backed up by "the full force and power of the federal government."

In probably the strongest statement on race relations he has ever made, Mr. Truman took sharp issue with those who favor the approach taken by some leading presidential candidates in both major parties.

He declared in a speech prepared for commencement exercises at Howard University, a Negro institution:

"I am not one of those who feel that we can leave these matters up to the states alone or that we can rely solely on the efforts of men of good will."

"The federal government must live up to the ideals professed in our Declaration of Independence and the duties imposed upon it by our Constitution."

"The full force and power of the federal government must stand behind the protection of rights."

Public Health Group Meets In First Conference

A conference of the health of Florida, nurses, sanitarians, and health of the newly formed District of Public Health Association of the State of Florida met at the Seminoles Hotel School yesterday. Dr. Fred G. Williams, county health officer, presided.

Approximately 75 people from the 13 counties of District 1 attended the meeting. They represented the time health units of the counties.

The subject for discussion of the conference was "The Health Program" Plan in the School Health Program. The Association was addressed by Dr. G. Williams, county health officer, and Dr. J. H. Moore, state health officer.

The health of the program was the responsibility of the parent, for the child and of the health department for the health education of the parent and the child. Dr. Williams said it is important to have health education as the theme of the meeting.

Mr. Williams stressed the fact that the health unit does not have sufficient personnel to do the job. It is the responsibility of the health department to provide the necessary personnel.

The health officers of the Association were addressed separately by James J. Wood, Jr., state health officer, and Mr. R. B. Moore, state health officer, and Dr. J. H. Moore, state health officer.

Flag Day Will Be Observed Saturday

Final plans for the observance of Flag Day tomorrow were made at the Sanford Elk Club last night according to Earl Higginbotham, chairman of the program.

The program will be presented under Mr. Higginbotham's direction, in cooperation with Howard McGough, chairman of the Memorial Service committee of 7:00 o'clock tomorrow night at the Memorial Hill Park.

The American Legion will provide Elk honor guards, and Troops No. 44 and 415, Boy Scouts of America, will have stunts carrying the nine flags used by the nation prior to the present one.

The Elk Club extends a cordial invitation to patriotic citizens to attend the program just before the game at 8:00 o'clock with Palatka.

Alexander Smith Invents Cultivar

Alexander Smith of Sanford has recently invented a citrus cultivar which is the only kind of its kind thus far. F. E. Breckenridge, manager of the Chamber of Commerce, announced today.

The cultivar is scheduled to go into production for general public use shortly.

Mr. Smith, an inventor of note, is the owner and operator of Smith's Garage on the Orlando Highway. He has previously invented the "Snapping Turtle" self-propelled rotary lawn mower which is manufactured in Atlanta.

W. A. Bailey Died In Palatka Wednesday

W. A. Bailey, 82, died at 10:50 p. m. Wednesday at the Glendale Hospital in Palatka. He was 60 years old. He was a retired building contractor. He is survived by his widow, Mrs. Carrie E. Bailey of Palatka; his daughter and son, Mrs. Richard and Mr. Bailey; a stepson, Linton L. Howell of Palatka; a step daughter, Mrs. Freeman Smith of Jacksonville; four grandchildren and three great grandchildren.

Funeral services will be held on Saturday at 4:00 p. m. at Pentecostal Church with Rev. Hugh High officiating, assisted by Rev. C. Faulk. Interment will be in Central Cemetery in Palatka.

Sanford Herald Vacation-Pack

No matter how far away from home you may go on your vacation you can readily catch up on the home town news by reading the Sanford Herald when you return. You can arrange with your carrier boy, or through Charlie Morrison, circulation manager, by telephoning 146, to have your regular issue of the Herald saved for you while you are away. To be delivered to your home in one week there is no extra charge. The paper's weekly subscription price will include all regular subscribers to this additional service. Send for your free order card today or telephone the Herald circulation department.

Room.

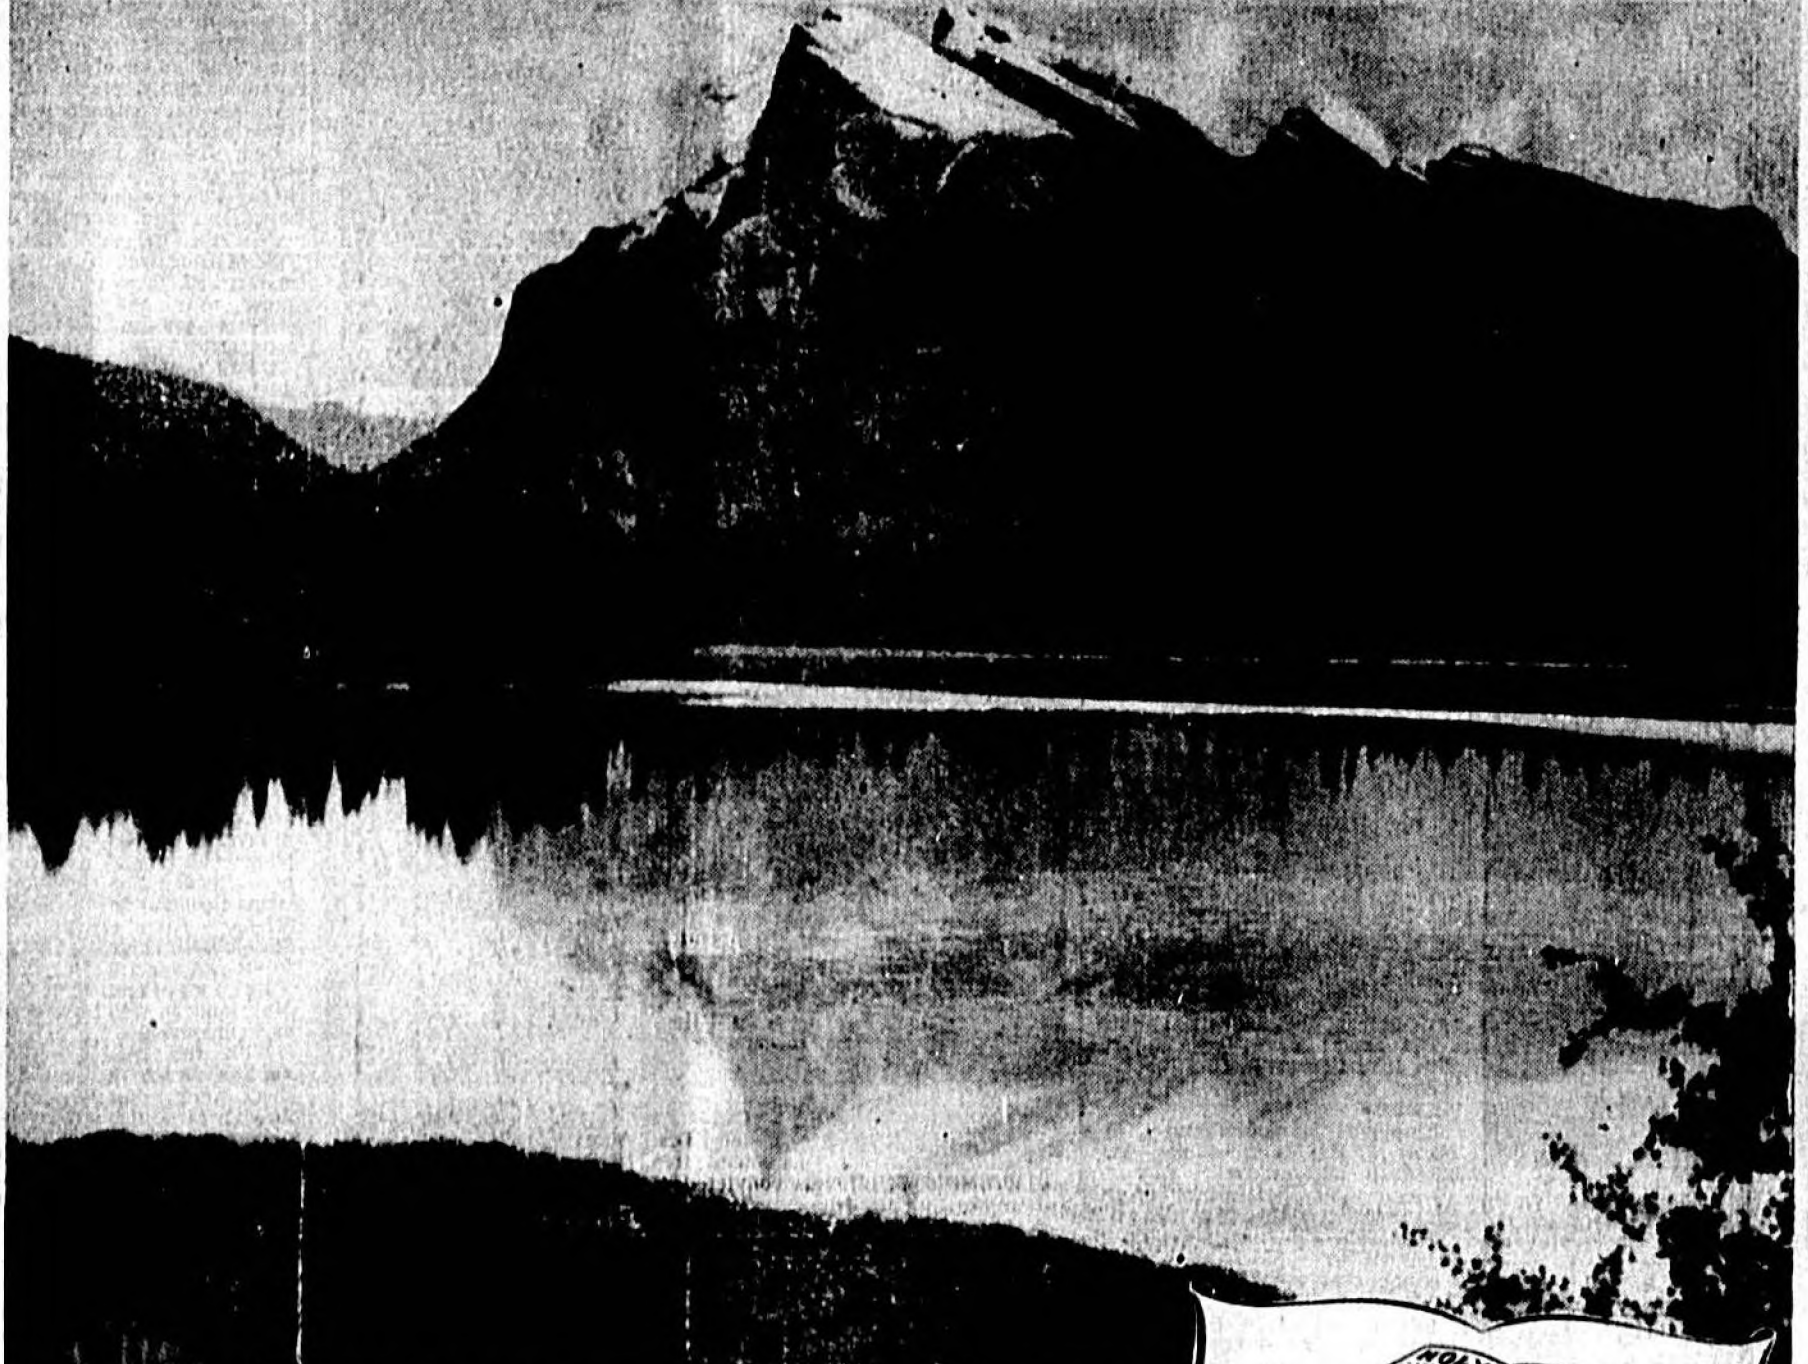

The ever availability of God's
protecting and saving power is
the keynote of Christian Science
services next Sunday. Subject
of the Lesson-Sermon is: "God
The Preserver of Man".
The Golden Text is from the
91st Psalm (1): "He that dwell-
eth in the secret place of the most
High shall abide under the shadow
of the Almighty."
Citations from the Bible in-
clude: "The patriarchs, moved
with envy, sold Joseph into Egypt;
but God was with him. And de-
livered him out of all his afflic-
tions, and gave him favour and
wisdom in the sight of Pharaoh
king of Egypt" (Acts 7:9, 10).
Circulative selections: "From
"Science and Health with Key to
the Scriptures" by Mary Baker
Eddy include: "All things work
together for good to them that
love God, is the dictum of Scrip-
ture. Step by step will those
who trust Him find that God is
our refuge and strength, a very
present help in trouble" (p. 444).

BEEFECTIONS

Strange how a landscape sets the imagination to work. Right now, looking at this scene, I can imagine all sorts of things.

Winged steeds riding to heavy music . . . pioneers in the wilderness . . . castles on the cliffs . . . boating at high speeds.

Look at the magic that enables the lake to mirror the rocky mountain peak and the heavens! The vastness and stillness of the scene sets my mind to wondering about time and space and things I will never understand.

But in standing here and wondering so, I feel like I've been near God.

There is a place where I can find Him always—in Church. Will you come with me?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his children's sake. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Blues In The News

Joseph P. Chaldain, AT 2, formerly of Attack Squadron 35, has been honorably discharged from the U. S. Navy, completing four years of outstanding service to his country. Joe plans to make his home here in Florida. Joe saw action in Korea as a member of Attack Squadron 35 aboard the USS Leyte in 1951. He plans to spend a few weeks with his folks in Pennsylvania, then return to this city. Joe does future plans for a radio-television business, which he hopes to start in the very near future.

Miss Mildred Williams of this city was a recent hostess at a party given in honor of several short liners at the Navy Air Station. A winner's toast with refreshments, and an evening of dancing at her home in the country proved to be an enjoyable evening for the potential civil-ians. Among those invited were Don Flamm, Bob Landreth, Jack Perry, Tom McDonough, Joe Chablain, "Corky" Hawkins, and Jim Meyers. Most of these boys are soon to be honorably released from the Navy.

Five former Ensigns of Attack Squadron 35 were advanced to the rank of Lieutenant (Junior Grade). The advancement in rank occurred while the squadron was at sea aboard the USS Leyte. Those receiving the silver bars were R. W. Everts, P. E. Clements, R. O. Blackington, R. O. Haines, J. A. Huber, and Kenneth Beckman. Each of these pilots are well seasoned combat veterans of the Korean Campaign.

The successful Patton Soft Ball Team, in continuing their winning streak in the City of Orlando Recreation League, came from behind to defeat a determined Modern Welding Team. By winning their 12th consecutive game without a loss, the Patton nine moves another step closer to the league championship.

The Naval Air Station Baseball Team will journey to Eustis, this coming Sunday, where they will engage the Eustis Nine in what should prove to be a hotly contested game. As yet, the starting pitcher of this coming game is unknown, but one Pat Lyons appears to be the likely prospect.

Lt. (jg) Roy W. Everts has announced his engagement and approaching marriage to Miss Claire Marie Dezerable of Orlando. A graduate of the St. James High School in Orlando, Miss Dezerable is the daughter of Mr. and Mrs. Dezerable of 1100 Guernsey Avenue in that city. Lt. Everts, of Attack Squadron 35, holds a commission in the U. S. Navy and is a graduate of the Admiral Farragut Academy of Toms River, N. J. The wedding will take place at the St. James Church in Orlando on June 19.

Donald B. Hurt, Radioman Third Class, is the proud father of a brand new baby girl. After a short visit to his home in Long Island, N. Y., Don tells us that both mother and daughter are fine, and plan to join him here in Sanford within the next few weeks. Christine Hurt, the new arrival, weighed very close to ten pounds at birth. His pretty young wife, Diane, recently visited Don in South America, while he was stationed in Guantanamo Bay, Cuba.

FOUND GUILTY — A Circuit Court jury deliberated 2½ hours Thursday night, then found James Norman, Tallahassee dance hall operator, guilty of first-degree murder. But the jury recommended mercy, making a life sentence mandatory.

Judge W. May Walker deferred sentence pending a hearing June 18 on a defense motion for a new trial.

Norman, 42, was accused of shooting to death his employer, Mrs. Evelyn Cux Bryant, 37-year-old divorcee, in front of the dance hall March 1. He claimed the shot fired accidentally. A witness testified the two had argued about money just before the shooting.

Lake Monroe

Circle No. 1 of the Lake Monroe W.M.B. met Monday evening at 8:00 o'clock at the home of Mrs. Frank Farmer, Circle No. 11 met at the church Tuesday evening at 8:00 p.m. The subject of its program was "Jesus Calls The Young Folks."

Rev. Bob Smith was honored with a surprise birthday party Wednesday evening after prayer meeting. The party was given by The Woman's Missionary Society and The Young Peoples Classes. Refreshments were served by Mrs. Ed Oglesby, Mrs. Frank Farmer, and Mrs. H. H. Martin.

Sergeant Harold Lankford was a recent guest of his grandparents, Mr. and Mrs. H. Z. Dunn in Texas, where he has been attending college to spend the summer with his parents, Mr. and Mrs. H. D. Bass.

Mr. and Mrs. Fred Priester, who have been visiting Mrs. Laura Priester and other relatives, left Monday to return to their home in Albemarle, N. C.

Ann Priester, daughter of Mr. and Mrs. W. W. Priester of Daytona Beach, is visiting Rev. and Mrs. H. H. Martin and Mrs. Laura Priester.

GENEVA NEWS

By MISS ADDIE PREVATT

Mr. and Mrs. Paul Maxwell and family left Sunday for Ohio where they will stay a while with friends and relatives.

Mrs. George Lindsey returned home Friday after spending two weeks with her son and daughter-in-law, Mr. and Mrs. H. L. Lindsey, and their daughter in Gainesville.

Mr. and Mrs. Phillip Bauer had as their guests Sunday Mr. and Mrs. Fred Ballard of Maitland and Mr. and Mrs. Hubert Kirkland of Orlando.

Mr. and Mrs. Robert Cole had as their guests last week Mr. Redpath of Ft. Lauderdale.

Mr. and Mrs. Roland Weaver and daughter Cindy and Mr. and Mrs. E. H. Grant spent Sunday with Mrs. Joe Douglas in Morrison.

Mr. and Mrs. Walter Yarborough have as their guests for a while their daughter Betty and Pat, Kansas of Chevy Chase, Md.

The Geneva school held its annual picnic Friday at Horse Pond with about one hundred enjoying the picnic and swimming.

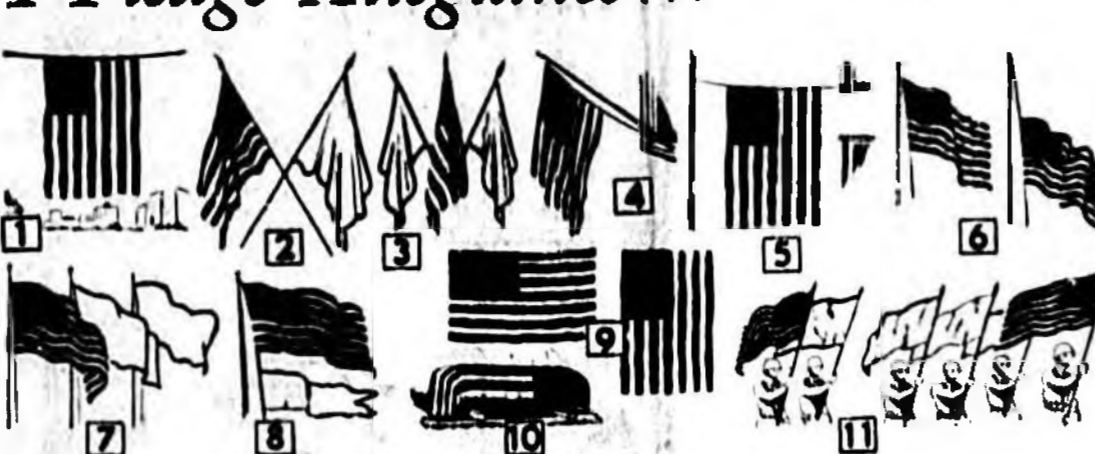

Mr. and Mrs. E. W. Prevatt spent Saturday in Zellwood.

Mr. and Mrs. Frank Pitts of Mims called on friends here Sunday.

The Girls Intermediate Sunday School Class held its monthly meeting at the home of Harriett Geiger Tuesday night with seven present. After the meeting refreshments were served by the hostess.

Edith Blake, rookie pitcher for the Cincinnati Reds, is studying law during the off-season at St. Louis University.

I Pledge Allegiance...

By Central Press

KNOWLEDGE OF THE CORRECT DISPLAY OF OUR FLAG IS ONE MARK OF A GOOD AMERICAN.

To help spread this knowledge the United States Marine Corps has issued a booklet for the public entitled "How to Respect and Display Our Flag." Among the rules to be followed are these:

1.—When displayed over the middle of the street, the flag should be suspended vertically with the union to the north in an east and west street, or to the east in a north and south street.

2.—When displayed with another flag from crossed staffs, the flag of the United States of America should be on the right (the flag's own right) and its staff should be in front of the staff of the other flag.

3.—When a number of flags of states or cities or pennants of societies are grouped and displayed from staffs with our national flag, the latter should be at the center or at the highest point of the group.

4.—When the flag is displayed from a staff projecting horizontally or at any angle from the window sill, balcony, or front of a building, the union of the flag should go clear to the peak of the staff unless the flag is to be displayed at half-mast.

5.—When the flag is suspended over a sidewalk from a rope extending from house to pole at the edge of the sidewalk, the flag should be hoisted out from the building toward the pole, union first.

6.—When it is to be flown at half-mast, the flag should be hoisted to the peak for an instant and then lowered to the half-mast position; before lowering the flag for the day, it should be raised again to the peak. By half-mast is meant hauling down the flag to one-half the distance between the top and bottom of the staff. On Memorial Day display at half-mast until noon only then hoist to top of staff.

7.—When the flags of two or more nations are displayed, they should be flown from separate staffs of the same height and the flags should be of approximately equal size.

8.—When the flag is displayed in a procession with another flag or flags, the Stars and Stripes either should be on the marching right, or when there is a line of other flags, our national flag may be in front of the center of that line.

9.—When the flag is used to cover a casket, it should be so placed that the union is at the head and over the left shoulder. The flag should not be lowered into the grave or allowed to touch the ground.

10.—When carried in a procession with another flag or flags, the Stars and Stripes either should be on the marching right, or when there is a line of other flags, our national flag may be in front of the center of that line.

11.—When the flag is used to cover a casket, it should be so placed that the union is at the head and over the left shoulder. The flag should not be lowered into the grave or allowed to touch the ground or floor or be allowed to brush objects.

WAR POWERS

WASHINGTON — The Senate today adopted a House-passed resolution extending the President's war powers until June 30.

Without this action, the presidential emergency powers would have expired Sunday. Senate and House negotiators are working on a bill for a one-year extension of a limited number of the powers.

BANKERS SENTENCED — Federal District Court today sentenced five former bank officials convicted of embezzling to prison terms ranging from 15 months to 10 years.

The court met out the stiffest penalty to William Paul Smeltzer, 57, assistant cashier at the New Huntington Pa., First National Bank Smeltzer, who admitted taking \$630,000 out of 10 years in prison.

A spokesman for the FBI told the court Smeltzer had made retribution of \$32,000 but that the government had been unable to learn what Smeltzer did with the rest of the money.

TODAY'S BIBLE VERSE

A firm faith makes us steady,
fast, and dispels tormenting fear.
Thou shalt be steadfast, and shalt
not fear.—Jb. 11:16.

The problem with the usual
"fisherman's paradise" spot is that
the fish are not always sure it is
such a heavenly place.

Juan Peron, the South American
dictator, has taken the oath of
office for another six-year term as
president of Argentina. Undoubtedly
he promised to protect his own
job against any dissenters no mat-
ter what the cost in blood to his
fellow citizens.

The Communist line in the Kojie
prison incident in which the Reds
transpose truth with fact reminds
us of the man who sets fire to his
house and then accuses his neighbor
who comes to help put it out.

President Truman declares the
administration of justice is entirely
safe in the hand of federal pro-
secuting attorneys. In other words
fellows like J. Howard McGrath,
Lamar Caudle and a host of others
were just looking after the people's
interests when all the shenanigans
took place.

Some 10,000 Floridians received
\$446,000 from the taxpayers for not
working during the month of May.
This represented an increase of 25
percent in payments and a 31 per-
cent increase in non-workers over
the previous month, the Florida
Industrial Commission points out.
The State of Florida now has in its
reserve fund the sum of \$81,-
000,000 with which to pay people
not to work during the years that
lie immediately ahead.

It is hard to imagine how a man
can be so invertebrate in his political
partnership as Harry S. Truman.
He apparently would rather mangle
our entire steel production effort
than to test the effectiveness of the
Taft-Hartley Act. Fortunately, how-
ever, it does not appear that Con-
gress is going to let him get away
with it, and in the next months we
may be able to see, in a crucial
case, just whose version of the
capabilities of the Act is the correct
one.

Congress has completed action
and sent to the President his for-
eign aid bill calling for expendi-
tures of nearly six and one-half
billion dollars for financial aid to
European countries. This is nearly
a billion and a half less than the
President asked for, but it is prob-
ably as much as he expected to get.
The custom nowadays is to ask
for about twice as much as you
expect to get and then when they
cut you down you are still ahead of
the game. But think of what we could
do with all that money if we spent
it in this country building hospitals
and highways.

We hear it often suggested that
a maximum speed for cars, decided
upon by a group of safety experts,
should be established and incor-
porated into the mechanical operation
of future automobile engines for
the purpose of eliminating the large
number of fatal accidents which
are attributed each year to exces-
sive speed. On first consideration
the sound like a mighty fine idea,
but we can remember the day when
a mile an hour was considered a
dash and almost fantastic speed,
and any law seeking to put a ceil-
ing on speeds then would certainly
have put the maximum con-
siderably lower than 40, a speed
which is now looked upon as a
hazard because it is so slow.
I don't believe there is an abso-
lute speed which can be called
safe under all conditions, for what
is safe and comfortable at one mo-
ment may change in a flash in a
different situation.

Holiday Drownings

Vacationers who plan to spend their holiday near lakes, streams or seashore are warned by the Metropolitan Life Insurance Company that small boats can be dangerous unless safety rules are observed. About 1,200 people a year are drowned in the United States in accidents involving small motor-driven boats, rowboats, canoes and similar craft.

A study of the death claim records of Industrial policyholders of the Metropolitan Life Insurance Company who were drowned in small-boat accidents during 1950 and 1951 shows that such accidents result from a variety of causes.

Sudden storms, high winds, and dangerous water conditions play an important role. Nearly one-fifth of the victims lost their lives when boats were swamped, capsized, or their occupants were swept overboard. In a number of cases people courted disaster by starting out when weather conditions were extremely unfavorable.

Approximately 10 percent of the drownings were caused by boats being defective or motors stopping. Carelessness and recklessness accounted for many deaths—including such things as occupants standing up or changing places in boats; overcrowding or overloading boats; speeding, riding waves, sharp turning, and similar practices; and boats going too near dams and being caught and swept over by the current.

Lack of swimming ability contributed to a number of drownings. Many lives would have been saved if the victims had hung to their capsize boats until help arrived. In some instances, boats and heavy clothing proved handicaps in swimming to safety.

Further emphasizing the danger to vacationists, the Metropolitan points out that about half the drownings take place in the three months June through August, that males account for more than 90 percent of the deaths, and that about one-fourth of the victims were between the ages of 15 and 24.

In about three-fifths of the cases the drowned person had been fishing; cruising or rowing for pleasure took one-fifth of the lives; and other activities such as duck hunting, transporting people or heavy materials, and testing boats accounted for the other deaths.

"There is need for a coordinated educational program stressing the safety precautions that should be taken," the Metropolitan notes. "These precautions include checking the condition of boats, heeding weather warnings, learning how to handle boats safely, not overloading boats or participating in horseplay, and staying out of small craft if one is unable to swim. No one except an expert boatman should go out alone in craft of any kind, particularly in dangerous waters."

"Much credit is due the Coast Guard for its life-saving activities in small-boat mishaps and to the work already accomplished in the field of boat safety education by the National Safety Council, the Boy Scouts, the Girl Scouts, and other organizations."

Internal Squabble

South Korean President Syngman Rhee is in a position where his actions could prove embarrassing to the United Nations. It is reported that he has imprisoned twelve members of the National Assembly for plotting against his government. His opponents say that his action was political and that the arrests were to prevent the Assembly from ending his power next month.

The United Nations decided to make the struggle between totalitarianism and democracy the issue in the fighting in Korea. If the charges against President Rhee are true he will be providing the Communists with material for their propaganda. President Truman has sent a note to Rhee in which he expressed shock at the feud between the head of the Korean government and the National Assembly.

Internal trouble in the Republic of South Korea could be the last straw in the effort to gain a truce in the fighting there. The Communists might refuse to enter a truce agreement with a nation whose nominal head is in violent controversy with the legislative body.

South Korea has an adequate constitution providing for election policies and procedures. Unless President Rhee abides by that constitution and devotes his best efforts to fulfilling it, he will be remiss in the obligation which he and his country owe to the United Nations.

Shrine Convention Opens In Miami

MIAMI (AP)—National executives of the 325,000 member Shrine organization open business sessions today prior to their annual 6-day convention which gets under way Sunday.

The pre-convention gatherings of imperial officers, past imperial officers and committees will continue through Sunday and will formulate recommendations to be passed on at Imperial Council sessions beginning Wednesday.

Matters to be decided include recommendations of Imperial Pontentate Robert Gardner Wilson Jr. for revision of the Shrine's investment of its 17 hospitals for crippled children, and applications for three new temples.

Allentown, Pa., St. Petersburg, Fla., and Wilmington, Del., have asked to be added to the 164 active temples of the Shrine.

ROAD DEPARTMENT
DAYTONA BEACH (AP)—The State Road Department was criticized Thursday for what the Daytona Beach Builders Exchange called obstructing competitive bidding on construction of the new \$900,000 Ormond Beach Bridge.

The SRD withheld the names of prime contractors until too late for five Daytona Beach firms to offer bids on subcontract work, said Fred Fortes, secretary of the Builders Exchange. He said the Exchange Board protested and received a reply in which R. M. Hartfield, Road Board secretary, said the names of bidders were withheld "to insure keenest competition in bid estimates."

Fortes said it was the first time in the exchange's seven years of operation that such procedure was followed by SRD on a public project.

June Heat Wave In Areas Of Midwest Is Setting Records

By The Associated Press

An early June heat wave in Midwest areas showed no signs of breaking today and share-the-water programs were started in some cities.

The heat was on full force in the country's Midlands Thursday with record temperatures for the date in many communities from the Rockies to the Mississippi Valley.

Readings of 100 or higher were reported at 10 of 12 Nebraska weather Bureau stations. The state's top mark was 103 at Imperial.

St. Louis sweltered in 97-degree heat, the eighth straight day above 90 and the highest mark for the date in the records. Another hot spot in the heat belt was Hill City, Kan., where thermometers soared to 104 while at Dickinson, N. D., they bubbled up to 97.

Water reserves at Lincoln, Neb., a city of 100,000, were at the lowest in years. Water consumption in Omaha (population 251,000) Thursday hit 3,600,000 gallons an hour, the highest in history. Both cities started share-the-water programs. St. Louis also reported a near record consumption of water.

Cooler weather extended over the Northeast and the Great Lakes region and in the Northwest and Pacific Coast areas.

Thunderstorms were reported early today in the Upper Mississippi Valley southward into parts of Illinois, Indiana, Kentucky and Tennessee. Generally fair weather prevailed in other parts of the country.

ROAD DEPARTMENT

TALLAHASSEE (AP)—The State Road Department today called for bids July 2 on road and bridge work in 14 counties.

The projects include: Grading, paving and grading State Road 1A, in Brevard County between Sebastian Inlet and a point about 5.7 miles north; Grading, paving and retaining Road 8-676 in Polk County from the Hillsborough County line to State Road 90, via Nichols; Clearing, grading and paving Road 40 in Volusia County between Riverside Avenue, in New Smyrna Beach to Coronado Beach; Grading and paving Road 1A in Brevard County from the Long Range Proving Grounds north to the U. S. Coast Guard Station.

Florida's Future Farmers Conclude Daytona Meeting

DAYTONA BEACH (AP)—There were many extra-happy faces among the Future Farmers of America who concluded their state convention here today.

A round of awards Thursday night, which brought on the proud smiles, included eight trips to the national FFA convention at Kansas City in October, five scholarships to the University of Florida and dozens of cash prizes totaling \$3,967.

Among the final order of business today was installation of Jackson Browne, Trenton, as president and these six vice presidents: Eugene Griffin, Bartow; Charles Salmon, LaBelle; Terry Johnson, Quincy; and Billy Fish, Taylor.

Scholarships worth \$100 went to E. J. Gibbs, Gonzalez; Wesley Dean, Greensboro; M. A. Tidwell, Branford; Joseph McRee, Euclid; and William Miller, Plant City. Quincy was judged the best chapter.

Earlier in the day Quincy's William Timmons was named the Florida Star Farmer.

CROPS GOOD

ORLANDO (AP)—Scattered showers in May kept most Florida crops growing satisfactorily, the U. S. Department of Agriculture said today.

Corn, cotton and tobacco prospects are good, it said, with peanuts showing fairly good prospects after some replanting.

Citrus conditions are good but dropping of new fruit continues to be excessive, it went on.

Convention went to Leonard Stafford, Chumuckla; William Timmons, Quincy; Billy Gunter, Suwanee; Freddie Conner, Tavares; Eugene Griffin, Bartow; Charles Salmon, LaBelle; Terry Johnson, Quincy; and Billy Fish, Taylor.

Scholarships worth \$100 went to E. J. Gibbs, Gonzalez; Wesley Dean, Greensboro; M. A. Tidwell, Branford; Joseph McRee, Euclid; and William Miller, Plant City. Quincy was judged the best chapter.

Earlier in the day Quincy's William Timmons was named the Florida Star Farmer.

Alcohol In Mice Is Found To Be Aid In Fight Against Ray

By ROBERT E. GEIGER

WASHINGTON (AP)—Don't run for the nearest saloon until you've read the last word of this, but—Navy scientists have discovered that alcohol—like in bourbon—has a mysterious power to lessen the likelihood of death from radiation similar to that of atom bomb rays.

These scientists, however, were working with mice in the Naval Radiological Defense Laboratory at San Francisco—which makes a difference.

Eighty-four per cent of mice that got a heavy injection of alcohol survived after they later were exposed to medium doses of rays. Another group of mice got no alcohol but the same amount of ray exposure—and every one of them died.

The Navy scientists, after other experiments which turned out about the same way, said there seems to be some definite relationship between the amount of alcohol and the survival rate of mice. But there's a catch. A Navy officer says mice handle their liquor, or rather alcohol, differently than man. They can survive a phenomenal dose of alcohol, size considered.

If a man drank as much alcohol as the mice received, in proportion to size, the man would have to take around three-fifths of a gallon of average whisky, the officer estimated.

Some scientists have estimated a man's liquor capacity—154-pound man, at sea level, on a cool summer day—is around one quart a day.

If that's true, three-fifths of liquor would kill a man before the rays got him.

POLISH ARMY

BONN, Germany (AP)—The Russians have grabbed complete control of Poland's armed forces by placing their own men in all important positions, the West German government said today in its official bulletin.

The bulletin said the Russians had greatly enlarged and modernized Poland's army. It has become "the strongest of all the Soviet satellite forces in Europe and Russia's most important military partner."

U. OF F. GROWING

GAINESVILLE (AP)—If President J. Hillis Miller's prediction comes true, the University of Florida will almost double its size during the next 10 years.

Dr. Adler told a group of 170 new students Thursday that enrollment would reach 15,000 by 1962. At present, the university's regular session enrollment runs between 8,000 and 9,000.

FLORIDA SOUTHERN

LAKELAND (AP)—A \$2,770 grant is to be given Florida Southern College for research in cancer by the Damon Runyon Memorial Fund. The money will be spent on a study of leukemia.

Upon her graduation from Seminole High School she received the Mobley award for making the highest grade for the senior class.
Mr. Whitner returned on Tuesday and Mrs. Whitner is visiting for a short time in Tallahassee. Miss Whitner is expected to arrive in Sanford on June 17.

Bowen-Evans Plans Told For Wedding
The marriage of Miss Nellie Bowen, daughter of Mrs. Mattie Bowen, to Richard Evans, son of Mr. and Mrs. Grover Evans of New Orleans, La., will take place on Sunday evening at 8 o'clock in the home of the bride-elect's mother. Rev. W. B. Kaiser will officiate.
Miss Bowen will be given in marriage by her brother, Jim Bowen, who has been chosen as her best man. Miss Mary Jean Bowen, daughter of Mr. and Mrs. B. F. Whitner will serve as best man for Mr. Evans.

Mrs. J. C. Mitchell, principal of the South Side Primary School, announced today that the school has had a very successful year with a peak enrollment of 558 students. Members of the faculty are shown with smiles on their faces following graduation exercises for fourth grade pupils, in which 94 children were graduated. Front row, reading from left to right: Mrs. Nancy Bruce, Miss Margie War-muth, Miss Peggy Fraser, Mrs. Mitchell, Mrs. Dan J. Gilliam, Miss Ann French, and Miss Rebecca Mering; second row, Miss Jean Sawyer, Mrs. Walter Morgan, Mrs. R. S. Brown, Miss Sara Ginn, Mrs. Margaret Reynolds, Miss Zillah Welsh; third row: Mrs. H. J. Titshaw, Mrs. Cecil Carlton, Mrs. G. H. Davis, Mrs. Jean Huffer, Mrs. Lottie Nix and Miss Ernestine Westfall.

Miss Jane Ford Is Honored With Shower

Miss Marijane Eubanks entertained on Wednesday at her home in Lake Mary honoring Miss Jane Ford, whose marriage to John Keel will take place June 24. The party was in the form of a kitchen shower and Miss Ford received many attractive and useful gifts from her friends who gathered at the Eubanks home at 8:00 o'clock.

Lovely arrangements of carnations were used in decorating. The refreshment table was overlaid with a lace cloth and centered with a bridal scene, including a miniature bride and groom, and grand-union white table. During the evening games were played with prizes being won by Mrs. M. J. Lodge and Mrs. Alvin Kilpatrick. Refreshments were served at the conclusion of the games by the hostess assisted by Miss Peggy Howell.

Those present included: Miss Ford and the Misses Shirley Moreland, Ernestine Humphrey, Evelyn Rochelle, Yvonne Yonke, Yvonne Eubanks, Irma Jean Eubanks, Theda Petras, Peggy Howell, Denise Stevens, Ethel Williams, Mrs. M. J. Lodge Jr., Mrs. Kilpatrick, Mrs. L. E. Eubanks, Mrs. H. E. Eubank, Mrs. Kenneth Hickman, Mrs. Vernon Hardin, Mrs. R. Reeves, Mrs. C. Symes, Mrs. C. P. Ford, Mrs. Fred Ford and Mrs. Hyrd Gould.

Baptist Sunbeams Have Alaska Program

The Sunbeams of the First Baptist Church met recently at the church with the theme for the program being "Alaska". The mission study was based on a children's home in Alaska and other Baptist missionary work there.

A covered dish luncheon was served at 12:00 o'clock and from 1:00 until 2:00 p.m. handicraft and a play period was enjoyed. Those attending were Tommy Wyatt, Linda Wyatt, Elaine Hunter, Art Kader, Clarence Johnson and Ronnie Kader.

Mallem Pupils Are Presented In Recital

The music pupils of Miss Madeline Mallem were presented in their annual recital on Tuesday evening at 7:30 p.m. at the Woman's Club in a capacity audience.

Guest artist for the occasion was C. B. Schirrad who assisted on the program with several ultra-rare selections which were received with much applause. The arrangements for the program were by Harry Wester. Mr. Schirrad was accompanied by Miss Mallem at the piano, and for an encore he rendered a beautiful arrangement of the beautiful gypsy melody "Two Guitars".

The platform and auditorium were decorated with palms and tall baskets holding gladioli and crocuses.

The following program was presented: "Moonlight Serenade", Hingham, Emily Spaver; "My Treasure Waltz", Beuced, Sarah Dunn; "Anitra's Dream", Fritz, Aris Stames; "Wooden Soldier March", Klum, Randall Priest; "Melody Waltz", Mack, Faye Garner; "Blower Of Roses", Streabing, Rose Marie Skully; "Purple Lilia Waltz", Woodward, Linda Silbey; "The Clown", Keats, Wallace Pope; "Rose-Bud Waltz", Browning, Patricia Smith; "Red Bird Waltz", Hoffmann, Rosemary Southward; "A Spanish Fiesta", (Old English Song), Thompson, Sarah Priest; "Erasquita Serenade", Lehni, Peter Hankin; "The Butterfly Waltz", Cochran, Betty Lou English; "Off We Go", De Loney, Harry Sibly; "The Lawn Party Waltz", Mar Tin, Patricia Rodebaugh; "Fanny Waltz", Orr, Sandra McKinney; "Dancing Willow", Her-man, Marchetta Campbell; "Morning Star Waltz", La Rue, Pearl Bowen; "Floating Clouds", Herman, Michael Pope; "Trailing Arbutus", Sawyer, Margaret Jones; "In The Silver Moonlight", Kim

Joint Meet Of Pilot Clubs Held In DeLand

The Lake Bessford Yacht Club in DeLand was the scene last evening of a joint meeting of the DeLand Pilot Clubs with Sanford, Orlando and the Daytona Beach Pilot Clubs in celebration of the DeLand Club's tenth birthday anniversary.

A buffet-style chicken dinner was served on the large enclosed porch of the Yacht Club which was decorated in the Pilot colors of green and gold. Centering one of the tables was a large, beautifully decorated birthday cake balanced by green and gold candles in crystal holders. The cake was baked by one of the DeLand Pilots, Mary Leamy, who later in the evening served it to the guests.

Mrs. Sara Griffin Hughes, a past president of the Orlando club, organizer of the DeLand Club, and a past district governor, read the "Chronicle of Events" which called the birthday cake. A history of the club was read by Ethel Erickson, a charter member and a past president of the DeLand Club. Group singing was enjoyed by the piano accompaniment of Johnnie McIntyre, noted musician of Orlando.

Lake Mary To Have Church Talent Show

The Friendship Class of the Lake Mary Community Church will sponsor a talent show and ice cream social on Saturday at 8:00 p.m. at the Community Hall in Lake Mary. No admission will be charged but a free will offering will be taken during the event.

Home made ice cream and cake will be sold during the event. The show will include the following performers: Jean Ann Nelson, Carol Taylor, Dorothy Lee, Mary Virginia Robinson, Mary Grace Holby, John Peckham, Mrs. Walter Weidendorf, George Peterson, Edward Friend, Al Case, Mrs. Hugh Grier, Bonnie Anderson, Mrs. W. L. Perkins and Mrs. George Stubbs and Mrs. Ed Brooklyn.

Atlantic City Bans French Bathing Suits

ATLANTIC CITY, N. J. (AP) - Sorry, gals, or rather, sorry, guys. There'll be no French bathing suits allowed on this resort's crowded beaches this season. Officials who make the rules for beachers here banned the ultra scanty swim suit Thursday and required life guards to see that bathers wear "decent attire."

"The French bathing suit is definitely out," said Beach Patrol Superintendent Richard Hughes. "Each year there are requests for a ruling on how low, how high and how brief 'decent attire' should be.

Because the job of keeping laws in step with ever-shrinking styles in women's beach wear became increasingly difficult the matter was put on a 'decent attire' basis. So this year, no French bathing suits.

Held By RWA Circle

A picnic supper was enjoyed on Wednesday night by the R.W.A. Circle of the First Christian Church at the home of Mrs. O. T. Pearson. During a short business session the circle voted to give \$40 toward sending intermediates to Chi Ro Camps.

Maj. Walter Turner Speaks At WSCS Meet

Maj. Walter Turner, who has recently returned from Korea, was the guest speaker at the regular meeting of the Woman's Society of Christian Service of the First Methodist Church on Monday in McKinley Hall. The meeting was preceded with a bond meeting at 2:30 p.m.

Maj. Turner told of wartime conditions in Korea, told of war-time events and scenes witnessed while there. Healing the war closer to the group, he said, was like having one enemy in DeLand and the other in Orlando. Sanford having already been bombed and practically destroyed before the population of old men and women and small children were ordered to evacuate.

He stated that the war-time conditions were severe. He stated that the war-time conditions were severe. He stated that the war-time conditions were severe.

Mrs. Philips Honors Miss Nancy Williams

Honoring Miss Nancy Williams, bride-elect of July, Mrs. Wallace M. Philips entertained last evening with a bridge party at her home on Valencia Drive in San Lantz. The party rooms were attractively decorated and arrangements of varicolored gladioli, asters and roses.

The guests enjoyed several progressions of bridge and after the scores were added prizes were awarded to Miss Helen Baker, Miss Margaret Dingfelder and Miss Lila Leffer. Miss Williams was presented with a gift of china from the hostess.

Later in the evening a delicious sweet course was served by Mrs. Philips assisted by Mrs. Gordon Sweeney and Mrs. George Elek. Those enjoying the occasion with Miss Williams were Mrs. George Andrew Siver, Mrs. Gerald Leasing, Mrs. Wight Kirtley, Mrs. Sweeney, Mrs. Elek, and the Misses Margaret Dingfelder, Jo Ann Williams, Helen Baker, Lila Leffer, Dorothy Morrison, Shirley Moreland and the hostess.

Seminole Blues Will Finish Season, Officials Announce

Bucks For Baseball Drive Nets Total Of \$5,916.67 To Assure Team Here

KENT CHELTAIN
Baseball officials announced today that the Seminole Blues will finish the season in Sanford as assured by yesterday's meeting of the club's stockholders in Senator Lloyd F. Boyl's office.

Judge Douglas Stenstrom, co-chairman of the "Bucks for Baseball" drive, revealed that over \$1,000 had been collected during the two-day campaign with approximately \$4,000 more pledged for a grand total of \$5,916.67.

Stenstrom brief discussion of the club's financial status which he said was sufficient to assure the club's ability to finish the season.

President Joe Field called a meeting to iron out the final details for Tuesday morning in the City Commissioner's room at the City Hall.

A presentation of the financial status of the club was made by J. M. Walter, club accountant and bookkeeper. From the funds available it was decided that the club's financial plight could be straightened out.

Though no resignations were handed in it was hinted that the club might reorganize in the future. The addition of new stockholders and a board of directors will come under discussion soon, Field stated.

Some of the almost \$4,000 in pledges will be collected over the weekend and will be reported at next Tuesday's meeting.

Thus it seems all the records that the Seminole Blues are well on their way to breaking will be given a chance to be established since the Blues will complete their 135-game schedule.

President Field said after the meeting, "We want to assure the baseball fans of Sanford and Seminole County that our Seminole Blues will complete the season thanks to their unselfish support. When it looked the worst for the Blues, such men as Judge Stenstrom and Brailley Odham led us to our assistance and saved baseball for Sanford."

Blues Try To End 5-Game Losing Skein In Twin Bill At DeLand

The Sports Register

By **KENT CHELTAIN**
Sports Editor

Despite the present slump of the Seminole Blues, the record books may contain quite a few new additions from the 1952 Sanford club by the end of the year.

Chuck Aleno may personally have a hand in chalking up two new ones. He is, at this writing, just 66 "hits" behind the FSL mark of 140 set in 1940 by Bernard "Buddy" Lake while playing with Sanford.

Aleno could conceivably crack Ed Levy's 33 hit two-run record for Sanford in the State Loop. At present the giant Blue manager has 33, which places him in a tie for the league lead with Levy. Both have 20 more four-masters to go in order to equal the record. Aleno has played in 58 games, while Levy has 68.

Buddy Lake of 135 games and has a homer average of one every 1.4 games played.

At the present projected rate Aleno should hit about 30 home runs, but as in the case of most home run hitters this average doesn't mean much. Circuit drive clouters tend to hit round trippers in streaks. Take as an example Aleno and Joe Parise this year. Joe had five homers before Aleno had one. Parise led the league with six for the first three weeks of the season and has hit just two since then to fall off the pace.

Aleno had but one circuit drive home run since then and has hit just two since then to fall off the pace.

Aleno had but one circuit drive home run since then and has hit just two since then to fall off the pace.

Tomorrow's Palatka Game Here To Be Preceded By Flag Day Ceremonies

Weather permitting, the Seminole Blues will invade DeLand and attempt to re-enact the famous David and Goliath story tonight in a twin bill with the league leading Red Hats at Conrad Field.

Last night the Blues lost their fifth game in succession to the Cocoa Indians in Pruvost Park, 5-2, before 229 fans. Non-English speaking Tony Torres made his first start on the hill for Sanford and went the route racking five and walking but no Indian.

However, Torres' performance was matched by Virgil Frazier's 7-hit two-run effort. Frazier's home run, which club pounced out 10-hits in support of their five runs and win the game.

Joe Parise and Paul Eskew rapped out two hits each in the top of the first. Godwin and Rhodes contributed one run. Three Cocoa double plays stifled a trio of Sanford rallies before they got started.

Tomorrow night the Blues will return home to play four consecutive games during the next four days. Tomorrow night's game with Palatka will be preceded by the Elks sponsored "Flag Day" ceremony.

Sunday afternoon will find Jax Beach invading the confines of Memorial Stadium again. While on Monday night Leesburg will oppose the Blues and on Tuesday evening Orlando will play here to conclude the first half of the season.

Two Lakeland Pilot pitchers are due in today to help bolster the sagging Seminoles. They will be joined by the slugger Hiltie "Buddy" Grant, tomorrow night. Grant, a consistent .300 hitter will sign with Sanford as a free agent after drawing his release from the class A Augusta, Ga., of the Sally League.

Several other deals are now in the discussion stage. Sanford General Manager, John Krider, admitted today but he refused to mention names.

Judge D. Stenstrom Thanks Fans For Aid

Judge Douglas Stenstrom, co-chairman of the "Bucks for Baseball" drive, announced today, "We wish to thank the people of Sanford and Seminole County for the splendid spirit of co-operation shown by them in this drive to keep the State League franchise. In particular we would like to thank the Tuesday night's contributors and buy tickets. The \$215 raised spontaneously by passing the hat shows clearly that the fans want baseball in Sanford. We also want to thank the more than 700 who have worked in one way or another and especially radio station WTRR for devoting 15 hours free radio time to bring the drive to the people."

Mills Wins No. 14 For Second Place Jax Beach Birds

By F. T. MacFEELEY
Associated Press Staff Writer

A couple more pitchers like Tom Mills and the Jacksonville Beach Sea-Birds would be way out from in the Florida State League instead of just climbing into second place. Mills pitched his 14th victory against one loss Thursday night, giving the Sea-Birds an 8-1 win over Palatka in the second half of a double header. Palatka won the opener, 9-5.

The split headed move Jacksonville Beach ahead of Orlando's Senators, who lost to Leesburg, 5-2, and within 3½ games of the leading Orlando Red Hatters, who blew a double header to Daytona Beach, 6-5 and 9-3.

In the other game, Cocoa beat Sanford, 5-2. Even the good news that directors and stockholders had decided to keep the Sanford Blues in the league failed to break them out of a slump. A 2-day "bucks for baseball" drive, spearheaded by Brailley Odham, produced \$5,916.67 in pledges, tickets and donations at Sanford. Though it was short of the \$10,000 they asked, stockholders and directors voted Thursday afternoon to continue operation.

Mills' 14th pitching win for Jacksonville Beach was not the rookie right-hander's best of the season. He allowed Palatka nine hits, but he tightened up with men on base and his control was so good he gave only one walk.

Eddie Gasque pitched his seventh straight victory for Daytona Beach in the first game of the twin bill over DeLand. Gasque, who was hit by what saved him. DeLand got 10 hits against seven for Daytona Beach. General Stenstrom stopped the Red Hats in the second game with seven hits while his mates collected nine.

Leesburg collected its fifth straight victory when John Pawlick, Chico Fumora and Fred Brady put together hits in the eighth inning to break a 2-2 tie.

Another 7-hit pitching job for a victory was turned in by Cocoa's Virgil Frazier. Three double plays helped cut off Sanford rallies in the batting department for Cocoa Manager Pep Rambert was the star with two runs batted in on a double and single.

Drive

It Yourself!

It's a Spectacular **Dual-Range** Performer!

**ONLY PONTIAC
GIVES YOU THIS DUAL-RANGE
COMBINATION!**

- New, More Powerful High-Compression Engine
- New Dual-Range Hydra-Matic Drive* Gives You the Right Power at the Right Time!
- New High Performance Economy Axle—Fewer Engine Revolutions per Mile!

We have in our showrooms the greatest Pontiac salesman in America—the great new Pontiac itself, waiting for you to take the wheel and drive it yourself!

We want you to put this car through its paces—stepping along nimbly in Traffic Range or gliding over the miles in Cruising Range. You'll find this Dual-Range performer gives you wonderful new fun in every mile and wonderful new mileage from every gallon of gasoline.

We feel sure you'll find that Pontiac gives you everything you want most in a car—distinctive beauty; Body by Fisher; easy-going big-car ride; wonderful dependability.

And remember, Pontiac is a great value—one of the lowest priced cars you can buy. Come in and get the facts and figures.

*Optional extra cost. Equipment, accessories and trim illustrated are subject to change without notice.

**Dollar for Dollar
you can't beat a Pontiac**

Collins Ducks On Power Of Truman On Overseas Army

WASHINGTON (AP) — Gen. J. Lawton Collins told the Senate today he doesn't know whether two new pacts with West Germany would give President Truman the right to order American troops into an international army.

"That's out of my field," said the Army chief of staff.

He was testifying before the Senate Foreign Relations Committee, which is holding hearings on the agreements that would let West Germany into the free world defense setup.

One committee member, Sen. Hickenlooper (R-Ia.), served notice earlier today that he would make a strong move to tack onto the agreements a provision denying the President the right to assign American troops without the consent of the Senate.

Collins told the committee there are no plans "under present conditions" of sending more American troops to Europe.

He was not asked whether those plans would be changed if world conditions worsened.

Another witness, Frank Nash, an assistant secretary of defense, told the two treaties "make no change in the status quo" on the controversial troops-for-Europe issue, the issue that set off "the great debate" last year.

Thus, Nash seemed to line up with Secretary of State Acheson who told the committee earlier he believes the President has the power to send American troops wherever necessary to protect the nation's security.

Both Collins and Nash urged swift enactment of the two pacts, one a peace contract with West Germany, the other an amendment to the North Atlantic Treaty that would give West Germany security guarantees along with the other allies.

Hickenlooper, who questioned Collins on the troops-for-Europe matter, told a reporter he believed the treaties could be interpreted as giving the President the power to send more soldiers abroad at his will.

flamethrowers, then closed in for hand-to-hand combat. Night raiding parties attacked Chinese positions before dawn Friday around Panmunjom. Just before Chief Fred Negotiator Nam II told U. N. truce negotiators that they are "in no position to dictate anything, either on the battlefield or in this conference."

One raider unit broke through barbed wire defenses and killed 25 Chinese.

By GEORGE McARTHUR
MUNSAN, Korea (AP) — The chief Communist negotiator in the stalled Korean truce talks today said the United Nations "is in no position to dictate anything either on the battlefield or in this conference."

The blast by North Korean Gen. Nam II came at a 16-minute no-progress session at Panmunjom, one of the shortest in weeks. Otherwise, Nam used softer words for the second straight day but remained unyielding on the final issue blocking an armistice-prisoner exchange.

Mal Gen. William K. Harrison, chief Allied negotiator, agreed to another session Saturday. But he hinted to newsmen afterward that the U. N. may impose another session if the Reds continue their propaganda blasts.

A Red charge that three civilians inside the neutral zone were wounded by Allied artillery last week backfired on the Communists at meetings of truce officers before and after the main truce sessions. Marine Col. James C. Murray told the Reds they had been keeping combat troops within the zone. Another meeting of truce officers was set on his question, which was not discussed by the senior delegates.

During the junior delegate sessions, Murray warned the Reds: "The conference area was not established to protect your front-line troops."

He told newsmen the injured civilians were close to Red troops during a shelling June 3 and apparently drifted over into the neutral zone to avoid the barrage.

"Some of the fragments were very near the edge. Whether they were in or not, we still don't know," he added.

Col. Chang Chun San, Communist liaison officer, denied knowledge of combat troops within the conference area.

Murray said the Allies surveyed the zone after the Red protest. This apparently showed that three Red outposts on its northern perimeter actually were inside.

By ROBERT B. TUCKMAN
KOJE ISLAND, Korea (AP) — Brig. Gen. Haydon L. Boatner said today he has cracked the resistance of Koje Island's 80,000 once-defiant Red war prisoners.

Communist POWs knuckled under four times today to United Nations authority. Boatner, the tough prison camp commander, then suspended for two or three days operations to break up the large groups of prisoners. This was to permit construction of new enclosures.

Boatner would not go so far as to say that all resistance is ended. But it is "definitely on the ebb, and I believe the worst is over," he told a newsmen.

It takes about 1,000 full-sized coconuts to produce 25 gallons of oil.

Hartsfield Backs Road Department Policy On Bidding

TALLAHASSEE (AP) — State Road Board Secretary Ralph Hartsfield said today the Road Department policy of withholding names of prime bidders on contracts until 24 hours before bids are opened is a long standing one and is in the public interest.

The Daytona Beach Builders Exchange Thursday criticized the department for declining to release the names of bidders and said it was a departure from the agency's usual practice.

Fred Fortes, secretary of the exchange, said the withholding made it too late for five Daytona Beach firms to bid on subcontracts on construction of the new \$900,000 Ormond Beach Bridge. Subcontracts must be handled through the prime bidders.

Hartsfield said the question of earlier releasing names of prime bidders was taken up at a Road Board meeting May 22 and engineers then recommended continuation of the policy of withholding them until 24 hours before bid openings.

Quoting from the minutes of the meeting, Hartsfield said the policy "is in the public interest if contractors knew only one or two persons were interested in or prepared to bid on a job it would give an opportunity of collusion or some working agreement which could result in increased bid prices."

The board secretary said the policy had been in effect for as long as oldtimers in the Road Department could remember. He added it never before has appeared to hamper sub-contractors in filling their bids.

Steel Strike

named General Electric Corp. He said it professes impartiality in the fight between his union and the rival union for collective bargaining rights in the company's plants but actually follows a "divide-and-rule" policy.

Carey is president of the International Union of Electrical, Radio and Machine Workers (IURM).

The other union is the United Electrical, Radio and Machine Workers (UE) which was in the CIO for many years but was expelled in 1950 on grounds it was following the Red line. It has been described as Communist-dominated by various congressional committees. Carey called it the "Communist Party's pride and joy."

The Senate subcommittee is studying the question of whether legislation is needed to restrict functioning of Communist-dominated unions in plants having secret defense work.

Carey said he supported a statement by CIO President Philip Murray that legislation "is both unnecessary and unwise."

Instead of legislation, Carey suggested the Defense Department set up a committee composed of representatives of industry, labor and government agencies to determine whether a union representing employees of a contractor or a prospective contractor is a security risk.

If this committee found a union to be Communist-dominated, it would have authority to refuse or cancel a contract.

"Because of its size and re-

Penn Delegation

Gen. Douglas MacArthur's delivering the keynote speech at the GOP convention.

He said he regards the role as political but has not discussed it with the Pentagon which also has said it plans no action. Pressed about Army regulations banning political activities for its personnel, Mr. Truman said he would "call down Army officials if he thought ... out of line. We'll see, he said.

The President was asked about speculation that Illinois Gov. Adlai Stevenson might submit in a campaign to draft him for Democratic nomination. Scott Lucas, former Illinois senator, predicted after a White House call earlier that Stevenson would accept.

Mr. Truman said he just didn't know, that Lucas as an Illinoisan is in a better position to judge.

Stevenson, who checked in at a Springfield hospital for a physical examination this week, has said repeatedly he is not seeking the Democratic presidential plum. He has not said, however, that he would spurn a draft.

Three Democrats who definitely are out for the nomination were making speeches today. Mutual Security Administrator W. Averell Harriman was at Ogden and Provo in Utah. Sen. Robert Kerr of Oklahoma was at Clarkburg, W. Va., and Sen. Estes Kefauver of Tennessee at Chattanooga and Knoxville in his home state.

A fourth, Sen. Richard Russell of Georgia, his road Saturday on a 15-state zipping tour.

Kefauver is ahead of the pack in pre-convention delegate strength. The Associated Press scoreboard credits him with 246, followed by Russell's 204 and Harriman's 254. It takes 316 to win Democratic nomination.

Children found in England indicate that the Romans used coal at the time they occupied the country.

"It is by far the most-used English letter, one count showing the proportion of 120 'E's' to 90 'T's', the next most-used letter."

sources the UE has been both a source of funds and an ideological rallying point for other Communist groups," Carey said.

He declared: "UE offered the Kremlin's espionage and sabotage agencies a potential access to classified and secret weapon production up to and including atomic developments."

"The stark fact is: Without the deliberate active assistance and encouragement of big business in our industry, UE could not have survived."

"In encouraging and assisting the survival of UE, the multimillion-dollar corporations in our industry have committed something very close to treason."

Civil Rights

(Continued From Page One)

guaranteed by our Federal Constitution."

Specifically, Mr. Truman called for adoption of the full civil rights program he laid before Congress in 1948 — including a Fair Employment Practices Commission (FEPC) with power to enforce its decrees against job discrimination based on race, creed or color.

"This is the issue that brought the Southern revolt against the Democrats in the 1948 National Convention and election."

Gen. Dwight D. Eisenhower, seeking the Republican presidential nomination, at Abilene, Kan., last week stated his "unwavering support of fairness and equality among all types of American citizens" and added: "I really believe we can do more by leadership in getting the states to do it than to make it a federal compulsory thing."

Sen. Robert A. Taft of Ohio, now leading the delegate race for the GOP nomination, is on record as favoring a voluntary FEPC rather than a compulsory one.

"Of the candidates, Mr. Truman is the only one who is not a member of the party," Sen. Richard B. Russell of Georgia is against a federal compulsory FEPC while Sen. Estes Kefauver of Tennessee favors state action although he has said he would go along with whatever stand the National Convention takes.

Gov. Adlai Stevenson of Illinois, often mentioned as a possible Democratic candidate, has indicated he prefers state handling of the problem as a primary thing, before the federal government should step in.

W. Averell Harriman and Sen. Brien McMahon of Connecticut, on the other hand, have spoken out along the same lines as Mr. Truman did today.

In discussing steps to integrate white and Negro troops in the armed forces, Mr. Truman commented that "some of our great generals have said that our forces had in have segregated units. But our experience has proved that this was nonsense."

Mr. Truman named no names in this connection, but on April 3, 1948, testifying to a Senate committee on universal military training, Eisenhower said "I personally have always stood since that time along the same lines as Mr. Truman did today."

"If you make a complete amalgamation," Eisenhower went on, "that you are going to have it, in every company, the Negro is going to be relegated to the minor jobs, and he is never going to get his promotion to such grades as technical sergeant, master ser-

Spencer Tracy gives a gift to Katharine Hepburn, in a scene from MGM's comedy-hit, "Pat and Mike," showing on the Itta Theater screen Sunday and Monday.

gent, and so on because the competition is too tough. . . I believe he is entitled to the chance to show his wares."

Eisenhower also said he believed that in time there will be no problem, that "it will disappear through education, through mutual respect, and so on."

The President recalled in his speech that after World War I, "a wave of violence and Ku Kluxism swept over the country." Since then, he said, there has been great progress toward equal opportunity for minority groups.

He said this has been achieved without any of the disorder or disruption predicted by "the prophets of doom."

"Our country," Mr. Truman said, "is founded on the proposition that all men are created equal. This means that they should be equal before the law. They should enjoy political rights. And they should have equal opportunities for education, employment and decent living conditions."

He referred to his civil rights proposals as "the trumpet blast outside the walls of Jericho—the crumbling walls of prejudice."

STATE PAY HIKES
TALLAHASSEE (AP) — Pay raises have been given more than 700 Florida Industrial Commission employees.

Commission Chairman Raymond Barnes announced the raises Thursday and said they were voted to bring employees' wages in line with increased living costs.

Lowest grade of employees will have a starting wage of \$180 a month and a maximum of \$220. Previously pay was \$160 and \$200. The ninth grade, highest to which the increase applies, will have a starting pay of \$450 and a maximum of \$575. They were formerly \$430 and \$525.

Large coal resources are found in 28 of the United States.

Farm Editors Breakfast At Eisenhower's

General Promises To Use Finest Brains On Farm Problem; 19 Papers For Him

BY DON WHITEHEAD
DENVER (AP) — Dwight D. Eisenhower promised the nation's farm journal editors today that if elected President he would seek the "finest brains" in the country to help solve the problems of agriculture.

At an early morning breakfast meeting, Eisenhower said that he did not intend to have specific plans to solve the problems that face America today.

Then he added: "The most I have is a determination, if people want me for higher duty, to approach the problems with the help of the finest brains in the country."

Then the general asked the editors to sit down with him sometime, and help him to understand all the problems that face the nation's farmers today.

He disclosed that he himself is a Hereford raiser—and expected to double his herd today.

"A partner and I have one very nice Hereford," the general said, "and today we expect an increase that will give us two."

The breakfast meeting was Eisenhower's first public appearance since he arrived in Denver Sunday afternoon for his final drive for the Republican Presidential nomination.

The editors are members of the American Agricultural Editor's Association. They represent farm magazines and journals with a combined circulation of about 20 million. They are members of an annual tour of rural areas.

The general cancelled all other appearances for the day to devote some time to relaxing his golf game, a steak dinner with his men and a quiet evening with his family.

Whitehair Foresees Possibility DeLand May Get Air Base

DELAND (AP) Undersecretary of the Navy Francis Whitehair said today that he foresees the possibility of a major air base to be built in DeLand.

Whitehair, who is visiting in DeLand, said that the base would be built on the former naval air station site.

He said that the base would be built on a 2,000-acre site near the intersection of U.S. 1 and U.S. 92.

Whitehair said that the base would be built on a 2,000-acre site near the intersection of U.S. 1 and U.S. 92.

He said that the base would be built on a 2,000-acre site near the intersection of U.S. 1 and U.S. 92.

Bert Fish Estate Re-affirms Pledge

The board of trustees of the Bert Fish estate reaffirmed its pledge of \$500,000 toward the construction of a hospital in Sanford at their annual meeting in DeLand Saturday, Sanford trustee Fred Wilson said today.

The board assured the trustees of Sanford that it would do everything in its power to get something done at the hospital and authorized certain parcels of land for sale. A more definite statement in regard to the Sanford hospital would be forthcoming following the annual meeting of the board to take place in DeLand on Aug. 1, Mr. Wilson added.

Sanford Herald Vacation-Pack

No matter how far away from home you may go on your vacation you can readily catch up on the home town news by reading the Sanford Herald when you return. You can arrange with your carrier boy, or through Charlie Morrison, circulation manager, by telephoning 1444 to have your regular issue of the Herald saved for you while you are away, to be delivered to your home in one package upon your return. There is no extra charge. The regular weekly subscription rate will apply to regular subscriptions to this additional service. Before leaving on your vacation simply notify your carrier boy or telephone the Herald circulation department.

Candidates Find It's A Small World After All

NEW YORK CITY YOUNGSTERS have a political field day with the top brass in the GOP race for the Presidential nomination Gen. Dwight D. Eisenhower (left) and Robert A. Taft (right) were seen in conversation with other delegates at the Rhode Island Republican convention, here, when they were seen apart in both domestic and foreign press.

Henry Simpson Talks To Rotary On Convention

Ladies Night Scheduled At Sanford Wednesday, June 25

Henry Simpson, alternate for the Sanford Rotary Club, today addressed local Rotarians on the recent Rotary International convention held in Mexico City, Ed Stowe, official delegate for the club, has not yet returned. Mr. Simpson was introduced by President Jack Rutledge.

Following a vote by the club members, President Rutledge announced that a Ladies Night supper will be given at the El Comodoro on the evening of Wednesday, June 25, and urged everyone to be present.

Pointing out that there were 1,500 guests at the convention in Mexico City, representing 64 different nationalities, Mr. Simpson said it was the finest convention he had ever attended, and that the guests were treated with every courtesy and hospitality by the Mexican people.

A wonderful program of entertainment for the delegates was arranged. Mr. Simpson said, ranging from musical program and ball dances to rodeos, horse races, jai al ai games and bull fights. Each of these was described as a brilliant spectacle of color.

Illustrating the hospitality of the Mexicans, Mr. Simpson said that on one evening all 7,400 delegates and alternates to the convention were entertained in the home of some Mexican family, about 20 to the home, and were given a grand dinner.

(Continued on Page Six)

Long Island Road Engineers Strike, 150,000 Stranded

NEW YORK (AP) — An engineers' strike shut down the Long Island Rail Road today, stranding 150,000 commuters who were scattered over a wide area of Long Island.

"Traffic was jammed bumper to bumper on the big parkways leading into the city after members of the Brotherhood of Locomotive Engineers (BLE) struck the nation's biggest commuter railroad."

The motormen and engineers began leaving their jobs shortly after 3 a. m. In a short time later the railroads announced that "all train service is suspended until further notice."

All available buses were pressed into service. All were crowded to the doors. One commuter described passengers as "hanging from the rafters."

Many commuters, taking a look at the crowded highways, simply turned around and went home without trying to get to their jobs in New York City.

The road carries a two-way total of about 300,000 daily riders, the vast majority of whom are those who live on Long Island and work in New York City.

The New York City Board of Transportation had every available piece of equipment "standing by" to take commuters to work. The board had been unable to discover any gambling houses in the city since the strike.

Although the strike had been rumored for the last few weeks, it caught many commuters by surprise. It stems from the expiration of the National Railroad Agreement of last May 23 to the Long Island.

A union official said about 360 engineers and motormen were involved. He said the strike action was based on "a disagreement over operating rules, seniority and distinctions between freight and passenger duty."

In Washington, a spokesman for the Brotherhood of Locomotive Engineers said that the Long Island was one of 64 railroads not included in the settlement reached last May.

At the brotherhood's headquarters in Cleveland, Grand Chief Engineer James F. Shields confirmed the strike.

Sheriff Sawyer Of Monroe County Is Exonerated

Gov. Warren Holds Hearings On Charges About Gambling

TALLAHASSEE (AP) — Monroe County Sheriff Bern A. Sawyer today was given a clean bill of health in enforcement of gambling laws at a brief hearing before Gov. Fuller Warren here.

No one appeared against Sawyer at the hearing to determine whether the sheriff had neglected his duty to enforce the gambling laws. Warren called the hearing after an article appeared in the Miami Herald under the by-line of a "portable news" columnist naming Sawyer as a gambler.

Many commuters, taking a look at the crowded highways, simply turned around and went home without trying to get to their jobs in New York City.

The road carries a two-way total of about 300,000 daily riders, the vast majority of whom are those who live on Long Island and work in New York City.

The New York City Board of Transportation had every available piece of equipment "standing by" to take commuters to work. The board had been unable to discover any gambling houses in the city since the strike.

Although the strike had been rumored for the last few weeks, it caught many commuters by surprise. It stems from the expiration of the National Railroad Agreement of last May 23 to the Long Island.

A union official said about 360 engineers and motormen were involved. He said the strike action was based on "a disagreement over operating rules, seniority and distinctions between freight and passenger duty."

In Washington, a spokesman for the Brotherhood of Locomotive Engineers said that the Long Island was one of 64 railroads not included in the settlement reached last May.

At the brotherhood's headquarters in Cleveland, Grand Chief Engineer James F. Shields confirmed the strike.

Two Are Arrested On Lottery Charges

A bond of \$3,000 has been posted for Florence M. Dustin, arrested Saturday on a charge of selling Cuba tickets, Chief Roy G. Williams said today. Bail has been set at \$1,000 for William Dustin, her husband, on a charge of the possession of Cuba tickets.

The arrest of Mrs. Dustin took place during a raid Saturday morning on Bill Dustin's Trading Post on Sanford Avenue. An envelope of 19 tickets were found concealed under a pile of ladies' underwear on a counter of the Trading Post, a general store.

A book of Cuba tickets and \$47.45 found in a cash register at the store were also seized by Chief Williams. Police Officers Joe Hickson and B. B. Suenes and Deputy Sheriff Buford Brown. A warrant against the Bill Dustin Trading Post had been issued previously to the raid by County Judge Douglas Rasmussen. The sale of the tickets had been conducted by means of marked currency, Chief Williams said.

Infant Daughter Of W. T. Kelleys Dies

Services will be held at 8:30 p. m. tomorrow at the graveside in Evergreen Cemetery for Carol Cecilia Kelley, infant daughter of Mr. and Mrs. W. T. Kelley of 2588 South Sanford Avenue, who died in Halifax Hospital in Daytona Beach last night. The Rev. W. P. Brooks Jr. will officiate.

The seven-day-old child was born June 8 in the Halifax Hospital. She is survived by two brothers, Donald and Wayne Kelley; her grandparents, Mr. and Mrs. W. E. Norford of Daytona Beach; and the parents.

FIRE DAMAGE

A slight amount of damage was caused yesterday afternoon by fire caused by a gas stove in the kitchen of E. M. Carrol, 1601 French Avenue, Vice Chief M. N. Cleveland stated today. Firemen answered the call at 8:10 p. m.

Kefauver And Taft's Views Vary Widely

Leading Contestants Agree On Only One Issue During Clash On Television Show

By The Associated Press

The two candidates leading the delegate races for the Presidential nomination, Gen. Dwight D. Eisenhower and Robert A. Taft, clashed on a television program on the subject of foreign policy.

Sen. Estes Kefauver of Tennessee and Robert A. Taft of Ohio voiced agreement on only one issue: that out fighting in any government will be a major campaign issue.

Swedish Plane Is Shot Down By 2 Russian MIG's

STOCKHOLM, Sweden (AP) — An unarmed Swedish military plane was shot down today by two Russian MIG fighters, but the seven-man crew was rescued later at sea by a German merchant ship, the Swedish air force command announced.

Two of the crew were reported wounded. The men said they had been attacked seven times by the Russians.

The plane, a show flying unarmed Cessna type, had been making a show flight over the Baltic when it was shot down by two Russian MIG fighters. The plane was carrying a Swedish pilot and five crew members.

Sweden made a protest, protesting to Russia over the shooting down of the plane in the Baltic and in the Gulf of Bothnia.

The Swedish Foreign Office said the plane was shot down by two Russian MIG fighters. The plane was carrying a Swedish pilot and five crew members.

Sweden delivered a second report to the Russians that they had further espionage activity by their diplomats in Sweden. This time referred specifically to the trial which opened here today of seven Swedish charged with selling out this nation's system with north German defense system to the Russians.

Extensive Building Program Voted For Seminole Schools

The County School Board, authorized an extensive program of building and improvement of school buildings and voted unanimously to increase the salaries of all teachers approximately \$100 a year, at its meeting in the Court House Thursday.

Salaries of school bus drivers were raised \$10 a month. Plans of projects were submitted by Elton J. Moughton, architect.

Among the projects considered was the altering of the floor of the Westside Primary School and painting of the exterior of the building. Installation of a tubular fire escape at the Junior High School, walls to be repaired to the parapel walls at Seminole High School, and waterproofing of the Lake Monroe School.

It was decided that a one room addition be built at the Lake Monroe colored school and new sanitary facilities be provided. Plans were made for a room addition to the Croona Academy Home Economics Building, and for drainage of the school grounds. The Hill Lumber Co. bid of \$1,150 for the addition was accepted.

Burr E. W. Lawson was instructed to have this work done to such an extent as the finances will justify. The greater part of (Continued on Page Two)

Social Security Is Increased By House

Herman Morris's Ranch-Camp For Girls Opens Near Osteen

WASHINGTON (AP) — The House today passed a bill that would increase the amount of social security benefits for dependent children and old age funds by \$300 million.

More than 300 members of the House voted in favor of the measure, which was introduced by Rep. Herman Morris (D-Mich.) on a vote of 309-101.

Speaker Carl Albert (D-Okla.) said that a roll call vote on the measure will be taken Tuesday. He said that he had no objection to the measure, but that he had no objection to the roll call vote.

5 Negroes Renew Effort To Enter State University

TALLAHASSEE (AP) — Five Negro students, renewing their three-year-old suit for admission to the University of Florida, today filed suit in the state supreme court to enter the state university.

The students, who are members of the State supported Negro institution.

H. H. Day, Florida Beach, Fla., attorney for the five, asked the Supreme Court to enter a final order compelling their admission to the state university on the basis of pleadings filed in the Supreme Court in 1949.

He argued the court re-evaluated contains no mention of established last year of schools of law, pharmacy, agriculture and other social work at Florida A and M College for Negroes here.

He maintained the question of whether the new Florida A and M schools satisfy the federal constitutional requirement of equal opportunities for all races is not at issue in the case and argued that any form of professional school segregation at the universities would be unconstitutional.

Hill asked the court to give him any kind of order, even adverse ruling, that will let him appeal to the Supreme Court of the United States.

J. Frank Heintz, assistant Florida attorney general, said he had no objection to entry of a final order in the case. He contended it could only be dismissal of the Negroes' suits.

He said the five Negroes never completed their applications for admission to the university in compliance with normal regulations and a plan for Negro education approved by the Supreme Court.

O. K. Goff Named To County Rent Board

O. K. Goff, local Atlantic Coast Line Railroad inspector, was recently appointed as the fifth member of the Seminole County Rent Advisory Board, W. R. Williams, area rent director, announced this morning.

The appointment came from Tighe Woods, national rent director, Washington, D. C.

Raymond M. Hall, local realtor, is chairman of the board which includes Arthur Moore, Lea L. Leisher and Frank Ambrose.

This group serves as a board of directors of rent stabilization, landlords and tenants can have hearings before this board, which will determine the policies to be used according to law.

"We feel that Mr. Goff will make an excellent member of the advisory board," Mr. Williams declared. Mr. Goff is an active Kiwanis member of the Brotherhood of Railway Clubs and a member of the First Methodist Church.
