Thomas McCarty III, son of a former Florida governor, have indicated they will cité self-defense in his seconddegree murder trial.

McCarty, 32, is under indictment in the shooting death of his friend, Benjamin Soloway, 34, last Jan. 24. Defense lawyers Monday asked prospective jurors in St. Lucie County Circuit Court, "Is there such a thing as justifiable homicide-killing a man in self defense?" All six chosen to hear the case answered "yes." Prospective jurors also were asked for their views on

Circuit Judge Royce Lewis said he would hold court day and night to finish the trial this week. He said jurors would visit McCarty's apartment, where Soloway was found dead, after opening arguments Tuesday. McCarty's father, Daniel Thomas McCarty II, took office in January, 1953.

JACKSONVILLE, Fla. (AP) - A federal court jury has convicted three persons charged with running an illegal football gambling operation here, but asked for more to reach a verdict on businessman Arvin K. Rothschild. U.S. District Judge John Reed Jr. told the jury to return today to resume deliberations on Rothschild, 56, the president of Universal Marion Corp., owned by multimillionaire financier Louis Wolfson.

Convicted Monday were Michael Bateli, 39, his wife Bonnie, and Kenneth A. Ewer, all of Jacksonville. Reed let all the defendants remain free on bail pending a pre-sentence investigation.

Of the 16 indicted on federal gambling charges in this case, nine pleaded guilty before the trial. Reed directed acquittal of two defendants Friday.

Rabin Trying To Pull Israel Together

TEL AVIV, Israel (AP) -Yitzhak Rabin, chosen to succeed Golda Meir as Israel's premier, today faced long, hard bargaining with prospective coalition partners in an attempt

to form a new government. The ruling Labor party's central committee elected Rabin premier-designate Monday by a vote of 298 to 254 for Information Minister Shimon Peres. Rabin's name was to be submitted today to President Ephraim Katzir.

He has three weeks to put to-

ity in the Knesset, Israel's parliament, and could get a threeweek extension if necessary. But both of Labor's partners in previous governments - the National Religious party and the Liberals - have made clear that Rabin will have a tough job getting them to join his team.

Many Liberals want a new election rather than just new faces in the cabinet. And leaders of the Religious party are under fire from their militant youth division for not extracessions from Labor when they joined Mrs. Meir's last government on March 6. The selection of Rabin was

in his acceptance speech.

Americans Flee Argentina

BUENOS AIRES, Argentina (AP) - American business executives are still leaving Argentina to escape guerrilla kidnapers, and no one has any idea when the exodus will stop.

Spokesmen for various American companies say they have no intention of quitting the country permanently. But many firms are shifting their foreign executives elsewhere, at least temporarily.

The American community represents some \$1.4 billion in investments in Argentina, and since last fall it has been the target of leftist guerrillas whose kidnapings the government has been unable to stop.

Floridian Killed In Korea SEOUL, South Korea (AP) - A Miami businessman

was killed and another American was injured in a traffic accident Monday in the South Korean capital, the U.S. Embassy announced.

The embassy said Selvin Aberle of Miami was killed when a taxi cab he was riding in overturned while trying to avoid an oncoming oil truck.

A companion, Harold Robert Eddington, director of the Eagle Rubber Co. of Ashland, Ohio, was injured but was reported in satisfactory condition in a Scoul hospital. Aberle, 54, and Eddington, 56, were on their way to the airport to fly home after a business visit to South Korea.

Murder Trial Postponed

NASSAU, Bahamas (AP) - The murder trial of Michiah Shobek of Milwaukee, Wis., has been postported until the youth completes psychiatric tests. Bahamian Supreme Court Chief Justice Leonard Knowles ordered the delay Monday and said the trial would resume May 6 at the earliest. Shobek, 19, has been charged with three murders in this

He was to stand trial in the knife slaying of Irvin Bernstein, 44, an Ocean City, N.J., accountant whose body was found on an beach near Nassau in January. Shobek also faces murder charges in the deaths of Katie Smith, 17, a Detroit high school student, and Paul V. Howell, 50, a lawyer from Massillon, Ohio.

Mrs. Allende On Campaign NEW DELHI, India (AP) - Salvador Allende's widow

is campaigning around the world against the military junta that toppled her husband's leftist government and took over Chile last September.

She has visited a dozen countries in Latin America, Europe and Asia to speak before all kinds of audiences in a lonely effort to preserve the memory of her Marxist husband and his attempt to lead Chile into socialism

"The battle is against fascists ... We have to defeat the military junta that is now governing in Chile," she said in an interview in New Delhi. "We can't rest until the military junta is defeated."

Solzhenitsyn To U.S.?

WASHINGTON (AP) - Alexander Solzhenitsyn has expressed a keen interest in visiting the United States, says Sen. Jesse Helms. The North Carolina Republican has been corresponding with the exiled Soviet novelist and recently sent an aide to Switzerland to talk with him. Heims said in an interview that he has offered the author use of a friend's villa in the North Carolina

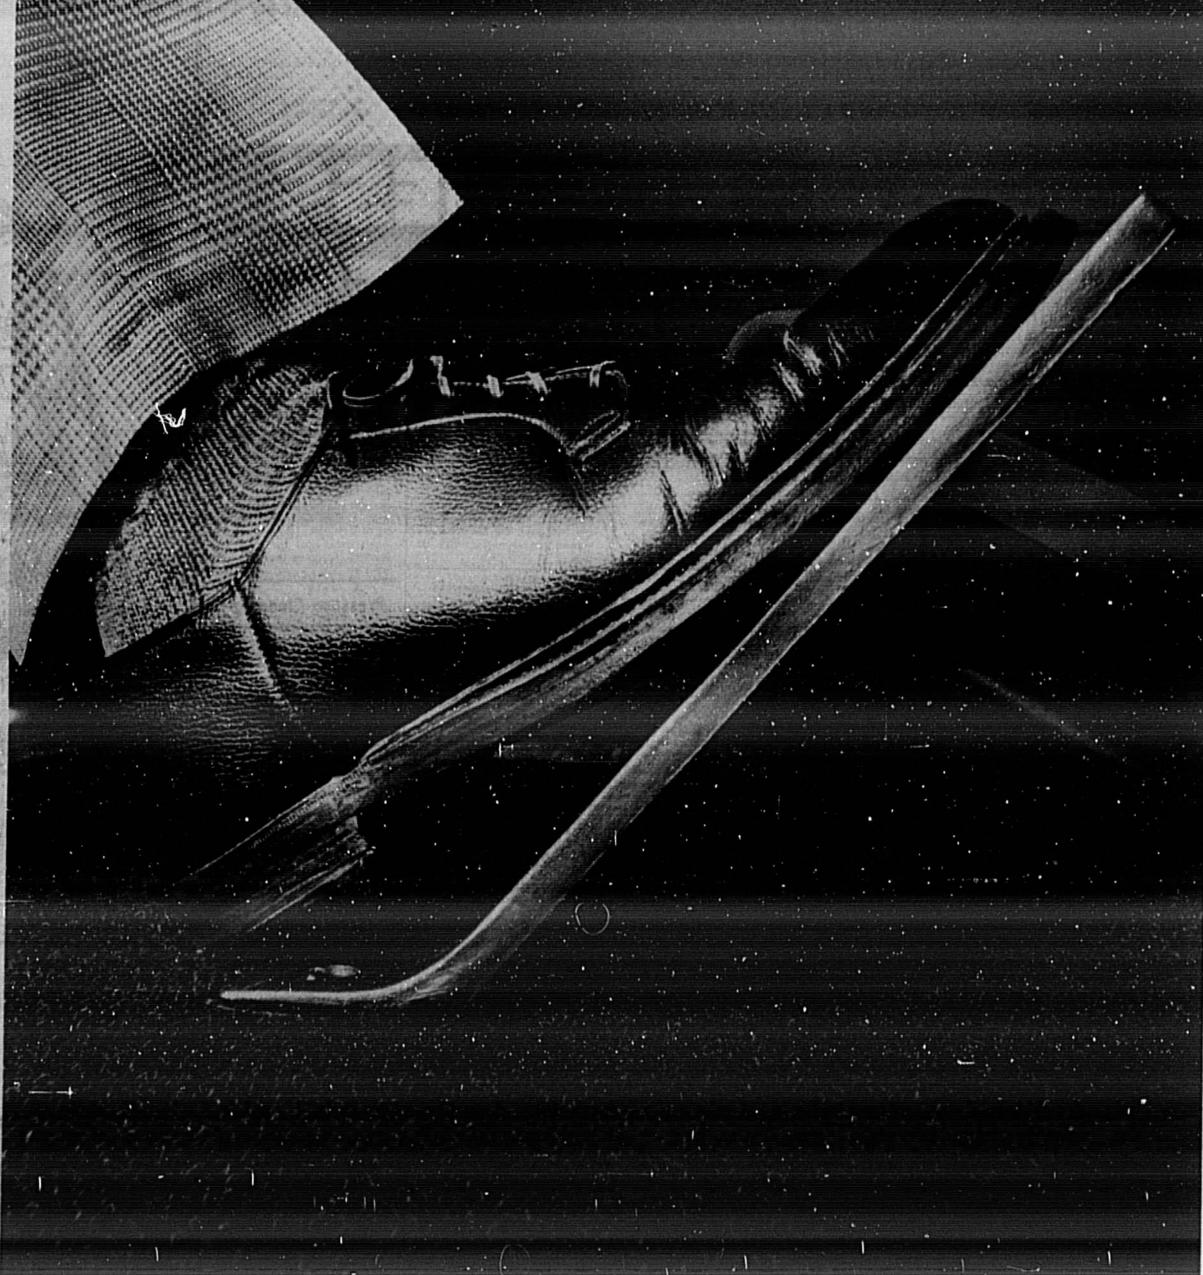

mountains "to relax, write or do anything he pleases." He said Solzhenitsyn seemed pleased with the offer, although he claimed he could not make such a trip now because it would take time away from his writing. But Helms said he left clear impression that he might consider such a trip in the future.

U.S. Arms To Egypt?

WASHINGTON (AP) — Secretary of Defense James R. Schlesinger says the United States should carefully consider the possibility of selling arms to Egypt.

The defense secretary's remark came during a news conference after he returned from a week-long trip to

West Germany, Schlesinger said he was not aware of any formal request for military assistance by Egypt, which plans to end nearly 20 years of exclusive reliance on Soviet
