HAPPENINGS DURING THE WEEK

Here the Readers Will Find a Brief Historical Spring Flowing For Hurred Readers

A rich find of gold is reported from Oaxaca, Mexico, along the line of the Vera Cruz & Pacific railroad.

The new railroad terminal station at Birmingham, Ala., which cost \$2,000,000, was dedicated last week.

By the explosion of 100 quarts of nitroglycerine at Blue Sulphur, W. Va., last week, several workmen were killed and many more injured.

Between fifty and sixty buildings were burned at Manchester, N. H., last week. Loss \$150,000.

Madame Modjecka, the noted Polish tragedienne, died in Los Angeles, Cal., April 8, aged 64 years. She began her theatrical career when only 17 years old, and became one of the leaders in the profession.

In Chicago last week, wheat reached \$1.25 1/4 per bushel, the highest price for May wheat, with one exception, in twenty years.

By voting dry, nineteen counties in Michigan last week put over 600 saloons and breweries out of business.

Mrs. Nancy M. Johnson of Washington was the patentee of the ice cream freezer, taking out her patent in 1843, and selling the rights for it for \$41,500.

Gen. Wm. Booth, founder of the Salvation army, celebrated his eightieth birthday in London, April 10. Over 20,000 people participated in an ovation to the honored leader.

In the greatest race between dog teams ever known, the distance of 412 miles between Nome and Candle was run in 82 hours, part of the way in a blizzard. The race took place last week, and was Alaska's Derby. Large sums of money changed hands on the result, the winning team getting for their owner a purse of \$11,000 besides a goodly sum in bets.

By an explosion at the Dupont powder mill in Wayne, N. J., last week, ten buildings were demolished. Only one person was killed. Glass was broken in buildings ten miles away.

The Binghamton, N. Y., Trust Co., capitalized at \$300,000, has suspended.

A union depot is to be built in Memphis, Tenn., at a cost of \$6,500,000. All the railroads running into Memphis, except the Southern, will use the new depot, and pay pro rata for the construction.

An attempt to Black-Hand \$25,000 from Asa G. Candler of Atlanta caused the arrest of Daniel W. Johnson, Jr., 18 years old. He says reading dime novels was the cause of his committing the attempt.

The United States army is now recruited to its full strength, and further recruiting has been stopped.

Extensive forest fires have been raging throughout the mountain section of the Blue Ridge during the past week. The entire northern part of Massachusetts mountains was in flames. It is the worst fire Virginia has had in many years.

Four business blocks in the heart of the business section of Lenox, Mass., were destroyed by fire April 11, causing six deaths and a property loss of about \$300,000. Two dwellings and two other structures were also burned.

For the second time within the memory of man the roar of Niagara Falls was not to be heard on Wednesday of last week. The Niagara river was frozen solid from bank to bank. The immense ice fields of Lake Erie piled up in a huge mass at the lower end of the lake, causing the river to rise until it was forty feet above normal.

Near Denmark, S. C., last week, a negro robbed a satchel containing \$8,000 belonging to N. G. Evans of Edgely, S. C.; jumped from a moving train and escaped.

Rev. Wm. Decker Johnson, colored, who Hon. Henry W. Grady used to point to as a most worthy specimen of colored manhood, died in Athens, Ga., last Saturday.

During the past week a storm of unusual severity has prevailed throughout the Northern states and southern part of Canada. Buildings were blown down

wrecked, houses unroofed, people killed, telegraph and telephone service demoralized, and railroad traffic impeded. In some places the wind attained a velocity of 80 to 90 miles an hour, and cloud bursts caused destructive floods.

In the annual typewriting contest for the world's championship, at Providence, R. I., Miss Rosa L. Fritz of New York was the successful competitor. Her average was 80 27-30 words a minute.

F. Marion Crawford, the novelist, died in Sorrento, Italy, April 10.

Ethan Allen Hitchcock, secretary of the interior during the administrations of Presidents McKinley and Roosevelt, died in Washington last Friday.

SANFORD BALL CLUB MEETS

Will Perfect an Organization and Get Buggy for Season of 1909

A quorum being present, meeting was called to order by Geo. A. DeCottes, chairman last Friday night.

General discussion followed reference to baseball outlook for the season of 1909.

A. T. Rosseter was present and presented a plan for a permanent organization of the driving park association. After discussing this project, it was decided that as it was impossible to complete this park before the beginning of the baseball season of 1909, that the baseball club organize to perfect a temporary organization for this year, and join the driving park association next season, if it is completed at that time.

The following officers were then elected to serve until the first regular meeting after the organization has been incorporated:

Geo. A. DeCottes, president; D. G. Wagner, vice-president; J. D. Davison, secretary and treasurer; H. R. Stevens, manager.

Board of directors were chosen as follows:

T. A. Newlan, B. W. Herndon, Geo. A. DeCottes, D. G. Wagner, H. R. Stevens.

After discussion, it was decided that the Sanford Baseball Club be incorporated to the amount of \$10,000, stock to be sold at \$10 a share, subscription list to be passed among the citizens of Sanford by the following committee:

D. G. Wagner, H. R. Stevens, O. W. King, A. T. Rosseter, Ralph Stevens, Geo. A. DeCottes, Geo. Fox.

One thousand dollars of the amount is to be expended on a grandstand, fence, and in preparing ball grounds for the coming season. If any further amount is needed, further stock is to be sold. Committee on selection of grounds was appointed by the chair as follows:

H. R. Stevens, O. W. King.

Said committee to have entire charge of selection of grounds, and report its action at the next meeting.

It was the sense of the meeting that the manager appoint the field captain, instead of this officer being elected by members of the club.

There being no further business, meeting adjourned.

A Fox Drive With a Barbecue

Last Friday night a dozen of our local sportsmen enjoyed a fox drive east of town—that is, they went out to "drive", but Sir Reynard did not materialize. But for a that, the night was filled with pleasure for the huntmen, the crowning feature of which was a barbecued pig, to which all did full justice, particularly Messrs. Derry and Biggers. The latter it is said deserted the whole "bunch" when half way home to go back and "finish the pig." Those who composed the party were: Dr. Puleston, G. S. Derry, Paul Biggers, D. L. Thrasher, Dr. Neal, Henry Lee, Louis James, John Thompson, W. Nelson, Frank Hand and A. Westerdick.

At the Pastime

Manager DeCottes continues to make improvements at the Pastime theatre, all of which goes to make the place more popular than ever. Within the past few days two large electric fans have been placed, and these keep the audience cool and comfortable, and enables the patrons to enjoy an hour of refined amusement with the greatest degree of pleasure. The class of pictures now being shown are much better than those formerly used. Instead of getting them from Jacksonville, Mr. DeCottes now receives his reels direct from the manufacturers at Chicago. The Pastime is deservedly popular.

New Mill at Cameron City

Avant & Hayes have installed a saw mill at Cameron City, and are now prepared to furnish lumber cut to order. All kinds of framing material and rough lumber. Their advertisement appears in this issue.

FROM MACARONI DELTA

From The Herald's Special Correspondent By Wireless Telephone

Two more of Steve Gullion's hens commenced laying last Sunday. Steve is naturally much pleased.

St. Blizard's five-year-old twins looked quite manly last Sunday at Easter service in their long pants and derby hats.

Barnabas Stubbs has taken a position as buggy washer and stall cleaner in Dan Smoot's two buggy livery stable.

Bill Korpeter says he may expect rain in the near future. Bill is quite a weather prophet as he's always having squally weather in his house with his mean dispositioned kids and stormy times with his red-headed wife.

The new janitor of the Newlight church has had his salary raised to \$3 a week and gets at the gun the time sticking under the seats. It is said he gets enough gum for his entire family and has had some made over to sell to the boys.

We learn that a Sanford dentist is going to start a misfit dentist office here soon. He has had a good many upper and lower sets that haven't been used but little and are as good as new. St. Holcom's wife got a set for \$3 that cost \$10 and you couldn't tell 'em from a brand new set.

Cascaretta Snodgrass is studying French and can speak it quite fluently already.

Ellis Peabody, who is now juggling spittoons in the legislature, expects to read law in Squire Gullett's office next summer.

The Stork is said to be hovering over the home of Rev. Deuteronomy Jones, our preacher. One more little mouth to feed probably.

Skinny June Slocum had her ears pierced for earbobs last week and Punk Jones is going to blow himself a pair. Punk seems much devoted to Skinny June.

Bijah Hoplight's cow dog had his tail bit off by a Sanford dog the other day and the poor stumptail animal seems much chagrined and stays under the barn most of the time since.

Seth Jenks' bull, which has been quite ill with holler horn for some time, had to be killed to save its life and Seth gave the liver to his hired man. Seth has got a heart in him as big as an ox, and the world would be better, with more Seth Jenkses.

Melindy Cheezum, Gil Spooner's hired girl, is going on the stage to sing opera songs and do contortion acts in Asa Willett's one-ring circus. Her sister is a tight-rope walker and snake charmer, and show-acting seems to run in the Cheezum family.

How Much Land Was Bought?

The Ocala Star is authority for the statement that the National Tribune Company, Washington, D. C., has purchased 35,000 acres of land six miles southeast of Kissimmee and formed the Seminole Land and Investment Company. This company, according to the Star, sold 1,000 lots in the city they have founded with five-acre plots outside the city for \$50 each in three weeks after advertising the lands. Now they are offering 1,200 lots in the proposed city and 1,200 five-acre lots for \$100. According to the usual ratio, this would mean when all the property is sold an addition of several thousands to the population of Ocala county, supposing that each city lot is bought by a family intending to settle. At all events, it means a large increase in the population within a short time. Last Friday's Valley Gazette speaks of the sale to an Illinois colonizer of 3,500 acres of land just north of Kissimmee—a similarity of figures which awakens suspicion of error in one or the other story. Real estate, however, is very active in and about Kissimmee just now, for which credit is due to the judicious and extensive advertising done by the Kissimmee Gazette and the Kissimmee Board of Trade—an enterprising newspaper and an energetic commercial body.—Times Union.

Kansas Residents in Sanford

O. E. Walker of Topeka and J. B. Taylor of Kansas City, two prominent Kansans, are in the city this week. Mr. Walker claims Sanford for his winter home and owns "Topeka place," ten acres of fine land on Beardall avenue. Mr. Taylor is also greatly interested in Sanford land, and these gentlemen will both invest in the Celery delta. Mr. Walker is also looking after his fine crop of Irish potatoes which he disposed of at a good profit.

Miss Rose Clayton

Miss Clayton was the guest of her sister, Mrs. R. H. Marks, this season and returned to her home in Atlanta last week. Miss Clayton during her sojourn in Sanford was a social favorite and her host of friends in this city hope to have her with them again early next fall.

At Bridge Luncheon

Mrs. R. S. Keelor and Miss Keelor gave a bridge luncheon at their beautiful home on Lake Onoro last Monday. The luncheon served in courses was thoroughly enjoyed after which the guests indulged in five hundred. Mrs. Chase made the high-

est score and was awarded first prize, a lovely hand-painted china plate. Mrs. Barnes, the next highest received a silver bonbon dish. Mrs. Derry and Mrs. McCoinaha assisted Mrs. Keelor and Miss Keelor and the afternoon was pleasantly spent by all present.

President Taft and His Family in Their White Steamer

When the announcement was made several months ago that Mr. Taft would use an automobile, instead of carriages, during his term as President, much rivalry developed among the leading manufacturers for the honor of selling him a car, and the public watched with interest to see what Mr. Taft's choice would be. The knowing ones predicted that the White Steamer would be selected, and they pointed out that President Roosevelt had used White Steamers for two years at his summer home at Oyster Bay, and had recommended this make to Mr. Taft as the most desirable.

This prediction proved correct, although Mr. Taft did not rely solely on Mr. Roosevelt's recommendation, but with his usual thoroughness, determined to have an investigation made of all the principal makes. Accordingly, he asked several officers of the War Department to look into the matter for him, and they tested many makes of cars, visited a number of factories, so that they might see what materials were used, and, finally, they investigated the records of the different types of cars in public contests and in private service.

The new car was delivered to Mr. Taft in Washington a few days before his inauguration, and since that time it has been in almost constant use. There has not been a day when the President or some of his family have not been seen riding around the National Capital in the new car. It is hinted that Mr. Taft likes fast traveling, and that when he rides out into the open country, he does not always insist that the speed of car be kept within the legal limits.

E. W. Gans, manager of the southern branch of the White Company, 126 Marietta street, Atlanta, Ga., said recently to a correspondent of this paper: "We are receiving many inquiries each day asking for full details regarding the construction of Mr. Taft's car, and in reply we are sending copies of our catalog. Mr. Taft's car is exactly like any other Model 'M' 40 horse-power White Steamer except that his car has the United States coat-of-arms painted on either door. In other words, when we make a car for the President of the United States there is no way in which we can make it any better than the car which you, or anybody else, can purchase from us."

"Some of those writing to me about Mr. Taft's car say that, although they are very desirous of having a car like Mr. Taft's, they are afraid that such a car is somewhat larger and more expensive than they desire. In reply to these letters I point out that our Model 'O' 20-horse-power model, except as regards the size of the different parts. The principle of construction is exactly the same and the smaller car possesses all the desirable qualities of our larger model. In other words I point out that they can secure an exact duplicate of Mr. Taft's car for \$4000, or a car of the same qualities, but of smaller dimensions, for only \$2000. Judging by the demand for White cars, a good proportion of those desiring to purchase automobiles are quite content to trust President Taft's judgment as to the best and most desirable make."

EVEN SANFORD IS MENTIONED

Drainage Committee for Sanford District Makes Report—Board Adverts for Bids

Board met Tuesday, April 6th, at 10 a. m. Present: Chairman Lee, Commissioners Tilden, Overstreet, Merrill and Vaughan.

The minutes of the last regular and special meetings were read.

The petition of J. W. Diffsenderfer, M. A. Henkel, et al, received. Letter of J. B. LaMontague road. Upon motion it was ordered that the road from Henkel's corner to the railroad crossing be repaired.

J. N. Whitner requested that persons building the extension of Sanford avenue in the direction of Lake Jessup have the use of the road scraper, roller and other tools; the request was granted. The question of using the clay was referred to Commissioner Vaughan and Supt. Branham.

J. N. Whitner in behalf of the property owners adjacent to Geneva and Beardall avenues requested that the county furnish the material for hard surfacing said avenues upon condition that the material be applied without cost to the county. No action taken.

The committee composed of Messrs. Overstreet and Beggs to whom the report of the Drainage Committee of the Sanford District was referred, made this their report:

ORLANDO, FLA., May 24, 1909.

To the Board of County Commissioners of Orange County, Florida:

Your committee to whom was referred the Sanford drain and ditch petition beg leave to report that they have made a cursory examination of the same and do recommend that the Board of County Commissioners advertise for bids for the work according to the plans and specifications and estimates on file in the Clerk's office, and that the bids be received up to the night of Monday, May 3, 1909, said bids to be sealed; and that they do further recommend that in said notice should be incorporated that the County of Orange reserves the right to reject any and all bids, and that it does not assume nor become liable for any expenses or expenditures in and about the making of said ditch, ditches or drains other than for any such sum as it may be able to raise by assessment upon the property to be benefited by said drain.

Respectfully submitted,

M. O. OVERSTREET,
J. D. BEGGS.

It was ordered that the Board of County Commissioners advertise for bids for work to be done. W. A. Ginn, civil engineer, was requested to prepare the notice of advertisement, the same to be submitted to the committee before advertised.

The burying of paupers in and near Sanford was referred to Commissioner Vaughan with power to act. Board adjourned to 2 p. m.

Two o'clock Board met. All present. B. F. Lake appeared before the Board and requested that the road known as Boggy Creek settlement road be repaired. Said road leads from the Orlando and Kissimmee road to the Boggy Creek settlement. Repairs to be made as soon as possible.

The following persons presented their bonds as notaries public:

S. Y. Way, sureties, J. L. Ottes and J. L. Guernsey. Arthur T. Walton, sureties, H. A. Grant and S. Y. Way.

Following persons presented bonds to bear firearms:

Deane, revolver, sureties, J. E. Pace and Chas. H. Evanc. Louis B. Rapp, revolver, sureties, C. M. Hand and Cecil Gabbett.

The following applications for pensions were examined, found correct and ordered to be forwarded to State Board of Pensions: Mrs. Sallie C. Yancey and Mrs. Susan N. Yowell.

The applications of the "Sanford Herald, Reporter-Star and the South Florida Sentinel" to publish the delinquent tax list of 1909 were read. The result of the ballot showed the Reporter-Star elected to publish said list.

The report of the Supt. of Roads and Bridges was read. It was ordered that the Supt. of Roads and Bridges rebuild the Howell Creek, the Soldiers Creek and

the Geo Creek bridges with the road gang that is now near Sanford.

The rebuilding of the Hodge Ford bridge referred to Commissioner Lee and Supt. Branham with power to act.

The painting of the steel bridge east of Oviedo referred to Mr. Lee.

In the matter of the ditch recently dug on the Orlando and Sanford road referred to Commissioner Vaughan.

It was ordered that the Supt. of Roads and Bridges purchase three beech steel drags, the necessary tents and handcuffs to be used for road purposes.

The clearing and deepening of the canal at the Lake Jessup Ferry referred to Commissioner Vaughan with power to act.

It was ordered that the road at Vick's branch near Fuller's place be corduroyed.

The subject matter of the road near Dream Lake referred to Commissioner Merrill and Supt. Branham with power to act.

The Clerk instructed to notify Col. Geo. T. Gaines that he must obtain a petition and secure the right of way of the road from Bean's corner via Gates grove over route contemplated before the Board will take any action.

In the matter of the petition of Carl Müller, Floyd Smith et al, for a road, which was referred to Commissioner Tilden and Supt. Branham, it was ordered that the matter be referred to the petitioners and they to secure a new petition for a different route. The Supt. of Roads and Bridges and the County Surveyor to survey and lay out the said route.

Following accounts were examined and warrants ordered drawn in payment therefor.

Look For **E. A. HEFFFIELD CO.** Sanford, Fla.

NOTICE:--Highest Bid Takes Sewing Machine.

During this Six-Day Sale we will accept bids on one of our "Will C. Free" Sewing Machines. This machine is a \$55.00 high-grade, standard make, is the lightest running machine made, has all the latest improvements and is up-to-date in every particular. On the last day of our six-day sale April 24th at five o'clock p. m., these bids will be opened and the fortunate bidder notified. Should two or more bids be alike in such case, parties bidding so will be furnished with new blanks and their bids accepted again. Remember it does not cost you one cent to bid and no matter how small the bid, it will be recognized. The name of fortunate bidder will not be published nor mentioned, but the amount of the highest bid will be found in the following issue of the "Sanford Herald" after last day of sale and on card in our window. Cut out blank form below, fill in and mail or bring to our store. No bids will be accepted that are not in a sealed envelope. No bids will be accepted after five o'clock Saturday April 24th. See machine on display in our show window.
