## Gossip Clouds

Hi "gossip lovers" First let's begin with the "couple of the week." This week our couple is Pat Harrington and Teddy Walker. Pat is a major and an outstanding member of the Triple Trio. Teddy is a Jr. and this year is his first in the Double Quartet. He is outstanding in football and enjoys the game very much. Words of luck, you two!

Hey, Senior girls, what's the matter with you? There's a good looking boy running around loose—somebody latch on fast! Jim Warner, we're talking about you! Phillip Byrd has been in bed all week with tonsillitis. Hurry and get well, Tiger, we're a missing you.

Seen floating about the halls of SHS most frequently have been a new twosome—Fenny M. and Richard P. We're talking about you—is something up? Brantley Schirard has a "trolley horse" on his knee with the most wonderful smelling ointment on it—what is it, "Choo-Choo"? "Porkey" Scott has really been keeping late hours. He comes to school and you hear coming from end of the hall a yowl yell of "I'm sleepy!"

Jeanette Price loves to flirt with Billy Bishop while Billy tries to show movies last period to American History and it seems Mrs. Wray tries to get them together because she's always saying, "Can't you tend to love affairs at night?"

Gas, but that was a great play Thursday night. By the way Al C. how did you shrivel your pants so short ???

Valerie K. seems to like tall, dark, and handsome creatures—What's his name, Valerie? Marcia Lochelt seems to love to watch the submariners come and go with Gene Krutzger. By the way Marcia didn't Mr. Harris warn you about that???

Mary Jean King holds on to that ring hanging around his neck Mary Jean, Dave, don't take it back.

Well, what's this we hear about Richard P. Hey Richard who's that cute gal with the pony tail you're scurrying around the hall? Hey gas who's going to be first lucky one to get a date with "short pants" (Angelo C.)

Johnnie seems to be real gone on Dottie. The last time I heard, a girl named Ann V. was giving him the eye. Dottie what gives. How's the magic touch work!!! Ann Turner seems to love riding! Hey Ann, who do you go with? Jo Ann Hurley had a birthday the other day, and guess what Janice L. gave her??? Elvis Presley's recording of "Love Me Tender".

Dolores Bailey seems to enjoy David Brown carrying her books around all day. Linda Anderson seems to love to type—Hey Linda, what's that typewriter's name— Shirley Morgan loves to write letters. Who to, Shirley ??? EDWARD???

Pat Lightfoot went nuts when she found that O.B. was home. Beverly Evans seems to be wearing a big ring around her neck. Heverly is he as big as I picture???

Helen Adams was wonderful in the Jr. play. I hear Pat like to have went beserk watching her.

Brenda Elliott finally answered her letter from Herman after two weeks—What took you so long, Brenda???

I wonder why Marty Stemper didn't want any of the high school group to go and see the fashion show Tuesday night. What's the matter Marty don't you like for people to see you model???

I wonder how Mr. Fleming is able to keep calm all day with his classes of Driver's Training students. It's a wonder he isn't a nervous wreck at the end of the week.

Judy Herron what was the matter with you at first period lunch Thursday???

Is it true Karen Miller likes

Jimmy Cohen. Well get with it Jimmy, she's a cute gal. Well, Diana Haynes has a real crush on David Brown. I think they would make a cute couple. It seems like a few of our freshman girls got in trouble on end had to go to you know where???

Jody Herron, Karen Miller, Rickie Cox, Rose Marie Rusk, Betty Ann Long, what about it? Was it bad???

Who is that cute Sophomore girl that sits next to Jimmy Peterson in second period. Jimmy really has his eyes on, could it be Cindy Roumillat???

We, Freshman have a new girl in our class, she is real cute and her name is Mary Helen Ent.

## Who's New

By MARY JANE FLYNT We have a new "actress" in our school. She is Linda Cannon, who is a Junior. Linda moved to Sanford from Orlando where she attended Edgewater High School. She was a member of the Drama Club at Edgewater so naturally she joined our Drama Club. As most of us know, she gave a splendid performance last Thursday night in our annual Junior class play.

Another new Junior hails from Port Lyautey, Morocco. His name is Bob Perry. He lived in Port Lyautey for about a year and a half. Before living there he lived in Maryland.

## Lunch Periods Are Extended 5 Minutes

ATTENTION all students! This is the greatest news yet! The lunch periods have been extended five minutes. This is what the whole school has been wanting.

Since the very first of the year everyone has been saying, "The lunch periods are too short; we don't have enough time to eat and relax."

Many students have talked to Student Council members about this matter so the council decided to do something about it.

At one of the meetings the council presented this problem to Mr. Bracken and he took it up with the faculty. It was then voted by Mr. Bracken and the faculty that five minutes should be added to each lunch period. This will begin tomorrow.

Thanks a million Student Council! This extra five minutes sure will help.

## FFA Crop Fails Because Of Rain

By A. J. CLEMENTS The three acres of beans that were being raised by the members of our chapter was a complete loss. This winter crop was a failure because of the extreme amount of rainfall and the weather conditions.

The boys regret their loss because of the time, money, and labor they put into raising the beans. The land is being prepared to plant another winter crop. The beans will be replaced by oats. The boys are planning to use these oats to feed their prize winning cattle through the winter season.

Mr. Laver was unwrapping a parcel before his class which, he explained to his pupils, was a fine specimen of a dissected frog. Upon disclosing two sandwiches, a hard-boiled egg, and a banana, he was very surprised and exclaimed, "But surely I ate my lunch! I!"

Henry Cason was puzzled over girls and was talking to Vergil Spivey. He said, "I've brought her to school three times, I've carried her books, and twice I've bought her sodas. Now do you think I ought to kiss her?" Vergil thought a moment and said, "Now, you've done enough for her already."

## Question Of Week

By DALE LEWIS This is the first of a new feature which will appear in the "Smoke Signals" each week. You, the students, will be asked to answer the sometime serious, most-of-the-time funny Question of the Week.

Suppose you received an invitation to Elvis Presley's birthday party, what would you take him for a present???

Treasure Young—A tombstone, 'cause he's gone—real gone!!!

Pat Harrington—I wouldn't be able to go 'cause Teddy wouldn't let me!

Carol Nutt—A big fat kiss!!! Bobby Little—A bound dog! Ann Davis—A teddy bear 'cause he collects them!

Mr. Ray—ten free grammar lessons. Kaye Jenkins—A razor. Bobbie Crutchfield—Miss Whittle!!!

Edna Cowan—Blue suede shoes. Edna Polsh!!! Penny Marion—"ME!"

Mary Grace Hobby—I'd take some scissors to cut his hair with!!! Miss Whittle—I'd give him the \$20,000 so he wouldn't have to appear on Ed Sullivan's show the next time!

Nancy Cash—A suede brush with blue suede shoes. Juanita Wynne—I'd take him a can of blue paint to paint his pink Cadillac.

Teddy Walker—Clippers to cut his hair. Johnny Williams—I'd take him a T-shirt instead of a turned-up collar!

Charles Pence—I'd take him his "Woman way cross town". Al Stanley—I'd take him Marilyn Monroe on a leash, and watch him howl.

Henry Cason—scissors to cut his hair. Billy Bishop—a sack to cover his head!!!!

That's all—

Undecided ACV

Dear A C V— You certainly have a problem, but it is not insolvable. I suggest you forget all three and wait until one comes along that you can dance with, joke with, and watch football with.

Dear Ann Crisholder— I hope you don't think I am joking as this is serious with me. I am a senior in High

## Advice For Lovelorn

Dear Miss Crisholder— I like a boy very much, and he knows it, altho' we're good friends, he won't take me seriously. What can I do???

Disturbed.

Dear M G H— Never let a boy know that you like him a lot. He should be kept guessing. It is the competitive spirit of boys that make them continue to look for new fields to conquer. Let it be known that you do not like him—and then take it from there.

Ann Crisholder

Dear Miss Crisholder— This may sound silly to you, but to me it is very serious. The other day I cut my leg, and it just looks terrible. Two nights from now, I'm going to this dance, and it will show. Should I wear a patch over it, which will look even worse or not???

Worried.

C U N— Perhaps you can wear low-heeled shoes which will make your legs shorter, and your dress will cover the confusion. If not, by all means wear one of the new "Natural Color" adhesive bandages. If this type bandage is too small, stay home—you shouldn't dance if you have such a wound.

Ann Crisholder

Dear Miss Crisholder— I have quite a problem. First of all I have three boyfriends and I really like to do something with each one—For instance the cutest I like to dance with the ugliest I like to joke with, the medium I like to watch play football. Each one tells me I must decide within the next two weeks which one I like best—since I don't want to hurt any feelings and I really want the three—will you please help me???

I really need it badly. Don't you think? What can I do???

## Co-Ed Mystery

By PENNY MARION This week we are starting something new and we hope it will become quite popular. Every two weeks we will enter a description of some girl or boy attending SHS for you to guess and win a free pass to the Ritz Theatre.

The mystery co-ed for this week is a cute brunette, a senior, and a darling girl. She hails from North Carolina, but has lived in Sanford about five years. Gracing the halls with the height of five feet and four inches and weighing 125 pounds, she is very active in the Journalism Club, the Majorville Corps, and the Glee Club.

Everyone knows this popular girl so lets hear the answer. The first person to guess the mystery co-ed before midnight Friday after the Monday this appears in the paper will be the winner.

Write the person you think it is on a piece of paper with your name, the date, and the time of day. Place this in the box outside Miss Stevens room upstairs and the winner's name will appear in next week's paper. This contest is not open to members of the Journalism Club.

## Sanford Ave. To NAS Dangerous; Widening Of This Road Is Must!

One of Sanford's narrowest streets and Seminole County's narrowest roads brings the biggest payroll into the Sanford and Seminole County shopping area.

Yet, the narrow street and road is allowed to remain dangerous and sometimes impassable.

Sanford Avenue to the Naval Air Station is so narrow that the load in automobile and truck traffic is completely unsafe.

The road itself—that is the pavement—what there is of it—is of fine quality, smooth, and enjoyable to ride on as long as there are just a few cars moving back and forth.

The Sanford Herald, in this column, mentioned weeks and weeks ago the dangers that existed on Sanford Ave.

One life lost, or even one person injured because of the narrow road and street, would cost many, many times more than the widening and improving of the thoroughfare. Hundreds of people—Sanford Naval Air

Station employees and Navy men attached to the Sanford Air Station—could be turned into the shopping areas of our city with the proper road attractively landscaped and beautified.

The matter has been discussed by both the City Commissioners and the County Commissioners—but the improvements have yet to be made.

This might be called a "matter of life and death," certainly it is one of immense importance since the announcement has already been made that additional personnel would be added to the already large group of men stationed there.

A million dollars is yet to be spent on improvements to the Sanford Naval Air Station—adding buildings for housing new and larger groups of Navy people, plus other improvements which were not summarized.

The widening and improving of street and road would be a minute part of this million dollars—and we're sure that the expense of this improvement is not a Navy burden—but a MUST item in the shortest possible time.

Let's not cut off the hand that feeds the face. Widen the street and widen the road so that our Navy people will have ample room to go back and forth safely.

### Freedom Ike's Philosophy

In his telegram of congratulation to President Eisenhower, Governor Stevenson said truly: "You have won not only the election, but also an expression of the great confidence of the American people."

The President's victory, of avalanche proportions, amounted to an almost unprecedented tribute. There can be no doubt that he is the most popular figure of his time, and that tens of millions of Americans, all partisan considerations to one side, look to him with the utmost trust and with that rarer feeling, affection.

But there is infinitely more to the Eisenhower victory than a personal achievement. What is of enduring importance is the attitude of mind and heart that the President has brought to the most demanding and exalted position on earth.

Mr. Eisenhower's over-riding interest is in people—not just people in the mass, but people as individuals. His speeches, formal and informal, almost invariably stress the theme of individual freedom, and urge the kind of government in which that freedom may flower. He finds the super, centralized state dangerous and distasteful, and believes profoundly that government should not do for us what we can do for ourselves.

A great many supporters of the President, of course, have disagreed and will again disagree with him on many issues. Such disagreement is the essence of the democratic process. But his basic philosophy is solidly in the old, free American tradition.

Finally, another thing said by Governor Stevenson in his election-night telegram should be remembered in the unpredictable days that lie ahead. "Tonight we are not Republicans and Democrats, but Americans."

## ALL QUIET ON THE BLUE DANUBE

## Good Credit Risk Boost Foreseen

NEW YORK (AP)—Skill costlier borrowing and another boost in the standards for good credit risks are foreseen today by some observers of the financial market.

If so, it means that more persons will be turned down when they seek to buy goods on time, that some will find it still harder to finance a house purchase, that some stores will find it tougher to carry their Christmas stocks and some getting less credit from the bank may have to pare their ideas about how much stock to carry.

Some bankers see the renewed tightening of money as due in part to the international crisis, which is bringing a greater demand for American dollars in Europe — although not in Canada, where the reverse is true.

But most bankers think the demand of American business for funds for expansion is still the chief factor and will remain so.

The first major change in the money market since early October came this week when dealers

in bankers' acceptances raised their rate — the seventh increase this year. They blamed tightening money conditions for the hike of one eighth percentage point. Bankers' acceptances are used for financing exports and imports and domestic shipments of goods.

The last previous hike in interest rates was about five weeks ago when the sales finance companies and dealers in commercial paper boosted their rates by one eighth percentage point. Interest rates generally had risen in a series of hikes last summer.

The tightening of the money supply is also shown this week by the report of J. Stanley Baughman, head of the Federal National Mortgage Assn., that this agency has been buying government-backed mortgages at record rates in the recent market. He blames "steadily dwindling supply of mort-

gage funds normally available from private sources." And he thinks the residential mortgage market will continue tight.

## News Of Men In Service

BERLIN (AHTNC)—Army Pfc. Sammie Myles Jr., son of Mrs. John Turner, 1633 South West Rd., recently qualified as expert in firing the automatic rifle in Berlin.

Myles, a driver in Company C of the 8th Infantry Regiment, entered the Army last January and received basic training at Fort Jackson, S. C. He has been in Europe since June.

Myles attended Crooms Academy and was formerly employed by the Sanford Fruit Company.

## Columnist Learns Much At Parties

By HAL BOYLE  
NEW YORK (AP)—Some things a columnist might never know if he didn't open his mail—or listen at cocktail parties:

That most pawnbrokers have charged the same interest rate on loans—17 per cent—since the 17th Century.

That scientists have found they can make a normal cell cancerous by cutting down on its oxygen supply.

That the "realistic effects" in movies run up their budgets. It costs \$5 in Hollywood to create an icicle, \$50 for a shell hole, \$50 for a rain-splashed window, and \$24,000 for a 24-foot model of the Mayflower.

That of the 2,200 accidental deaths by firearms in the United States last year the largest victim group consisted of children between 2 and 14 years old.

That fires killed 8,500 Americans in 1955, and a lot of them were smokers who lit a last cigarette in bed just before dozing off. That a carpet sweeper manufacturer has started a national campaign to get an 8-hour work day for housewives. The reaction of the average husband: "What wife will stand for working that long?"

That DuPont company engineers asked to name the six inventions most important in forging our civilization, chose: movable printing type, clocks with interchangeable parts, the telephone, the automobile and the airplane.

That words, in their lifetime, often change as much as people do. "Villain" originally meant merely "a farm laborer." "Hussy" at one time meant, not a jade, but an ordinary housewife.

That laboratory dogs, subjected to periods of alternate over-eating and reducing, developed high blood pressure. Human hypertension, doctors feel, may result from these same dietary errors.

That many devout people do not know that the word with which they end their prayers—"Amen"—has a literal meaning, which is "So shall it be."

That it was George Wilhelm Friedrich Hegel, the philosopher,

who said "We learn from history that we do not learn from history."

## Shop Early; Avoid Rush

Each year about this time merchants begin to advise us to "Buy early—and avoid the Christmas rush."

That is always good advice. And this year, it would seem, is better than ever.

For, according to the Chamber of Commerce of the United States, Christmas sales, auto sales excluded, will total more than seven per cent above those of the 1955 season, for a new all-time record.

The percentage figure of increased sales during the Yule shopping season is bound to be higher than the national average because of increased population figures.

On the national average the dollar total for November and December is forecast at \$1.1 billion. The Chamber also observed that the 1956 retail boom is healthier than last year's, reflecting a more normal expansion in population and income.

This season the millions of people who flock through America's retail stores, in search of either holiday or the routine things we buy at all seasons, will be offered an almost bewildering assortment of wares from which to choose. They will see the best and most attractive standards of display, sanitation, advertising and promotion. They will, with few exceptions, be met by friendly, courteous and helpful sales people. They will—unless their wants are unusual indeed—find exactly what they're looking for. And they would do well to consider what has made all this abundance possible.

The most important force in that has been the competitive, free enterprise system, in which no one has the monopoly on anything, and in which the rewards go to those who please the public the most, and who offer the best value for the dollar.

## Veterans Corner

Here are authoritative answers from the Veterans Administration to four questions of interest to former servicemen and their families:

Q. I intend to go to college under the Korean GI Bill, but not for a degree. What should I put down in my application as my training program?

A. You should list the subjects that make up your program education.

Q. I have just received a GI insurance dividend that I would like to apply to my GI home loan. Is there any minimum amount that I am supposed to pay?

A. Yes. You must at least pay the amount of one monthly installment. If your installments are over \$100 a month, you may pay \$100 instead.

Q. May a young man or woman attend school less than half time under the War Orphans Education program?

A. No. Schooling at less than half time is prohibited under the program by law.

Q. I have just been discharged from military service. Will I have 120 days from my discharge to obtain Korean GI term insurance?

A. No. Under a new law you must obtain Korean GI term insurance by December 31, 1956.

Ever thought about

Christmas

without Dad?

What a gay season Christmas brings to the family each year!

But—Christmas without Dad? Without his share in the fun—without some special remembrance from him? That's something no Dad likes to think about. Every Dad would like his wife and children to get a very special "Merry Christmas" from him—always.

It can be done through a brand new Gulf Life Christmas insurance plan. Your Gulf Life representative will be glad to explain this plan at your convenience. Call him. He'll be able to show how precious your present insurance is—how your Christmas insurance will round it out.

## Newest Buick Yet

We've introduced a lot of new Buicks to the local scene—but never before one as new as this.

Inside and outside, top to toe, end to end—this is the newest Buick yet.

And it's not just new for newness itself—but new in ways that make driving more comfortable, safer and more fun.

You'll see what we mean when you study these gorgeous new Buicks close up.

They're inches lower and stunningly styled from stem to stern—yet each is wondrously roomy inside.

They bring a wide-eyed new visibility of the road ahead with a rakish windshield that adds hundreds more square inches of glass area.

They're new in ride, with a new contour frame chassis that "ness" your going—giving new roadability with a lower center of gravity—yet road clearance is unchanged.

They're new in handling with a new Buick-developed ball-joint suspension that makes steering and cornering easier while it levelizes braking.

But above and beyond all else—these 1957 Buicks are brand new in performance:

—with a V8 engine that's new from the crankshaft up, to give you the highest power and compression in all Buick annals.

—with an advanced new Variable Pitch Dynaflo\* that brings you such instant response, such smoothness, such a full range of fluid motion in "Drive" that the need for "Low" is all but eliminated.

All this covers only the big advances in the 1957 Buick.

There are other wonderful new things—the new safety instrument panel—the new color-mate interiors—the new counterbalanced brake pedals—well over a hundred and fifty new features in all.

As your Buick dealer, we're ready to show you these newest Buicks yet—and how easy you'll find it to call one your own. Stop in and see us this week.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

MODEL'S SMILE AND STANCE are practiced prior to the fashion show at the BOQ Friday, night by Mrs. W. J. Thomas, who really needs no practice at all. (Staff Photo)

## Elegant Styles For Any, All Occasions Shown At BOQ Friday

The N. A. S. Officer's Wives Club presented an informal fashion show Friday evening at the B.O.Q. Clothes and accessories were from the Mary-Eather shop. The models, were members of the Wives Club under the supervision of Mrs. R. S. Stone, and as there was no commentary they described the features of their own creations. A tomato colored invisible plaid cotton sheath by Julie Clark was modeled by Mrs. Louise Parker. The sleeveless sheath had an overjacket which buttoned at the back, and featured a black velvet bow at the neck.

Mrs. Parker's second costume was a Pat Hartley dachon and cotton sheath with a sailor collar and large organly bow at the neck. Large bone buttons added interest to this lovely dress. Her third dress was for the cocktail hour, by Junior Theme; silver lame top, full net skirt shot with silver, white over a white infers under skirt. This featured the Dior line, which is a modified long torso.

Mrs. Millie Thomas wore first a white linen shirt by Glen of Michigan with light weight khaki slacks by the same maker. Her earrings were large gold filigree by Vogue Jewelry. A black basic crepe sheath by Mancani of California was her second costume. Notable were the empire waistline and push up sleeves. This was worn with a black diamond pin. Lanz created Mrs. Thomas' third selection. It was a black velvet sheath dress with a white linen vestee enhanced by lace and small pearl buttons.

Mrs. Muriel Gildewell drew admiring glances as she modeled a dyed to match gold sweater and skirt by Ernest Donath. The sweater was trimmed in white angora and the doeskin skirt had a kick pleat and side pocket. Another skirt and sweater set was modeled by Mrs. Gildewell — this time the flared skirt was of brown tweed, and the jersey blouse was trimmed with bands of coffee color, with bone buttons and a shawl collar. A cocktail dress by Junior Theme was the next selection. It was a truly breathtaking garment of white net shot with silver over a white

## Mrs. P. H. Wyatt Honored By O.E.S. Members At Meet

Thursday night the Seminole Chapter No. 2 OES held its regular meeting at the Masonic Temple. Mrs. P. H. Wyatt, worthy matron presided in the East, assisted by P. H. Wyatt worthy patron.

The Chapter room was beautifully decorated with a Fall theme. Baskets of brightly colored green and red foliage and white mums were used in profusion.

A lovely surprise courtesy was presented by the officers honoring Mrs. Wyatt on her birthday. The Worthy Matron was conducted back of the Altar and other officers formed a triangle around her. A gift was presented and Happy Birthday was sung.

Greetings and a Fraternal welcome were extended to two guests. One distinguished guest Mrs. Ruth Garrett, past Grand Organist of Ya. was introduced and welcomed to the Chapter.

A very impressive Memorial Service was held for the Deceased members. The secretary read the roll of names while a star was placed on the Altar, the officers gathered around. The Worthy Matron with appropriate words filled the center of the Star with blue flowers, the worthy patron then placed a sprig of white on the blue. Each Star Point officer placed an arrangement of flowers the color appropriate to her Station on the point of the star. The Chaplain offered a prayer and everybody sang "God be with us till we meet again."

After the Meeting the members and visitors were invited into the dining room. A Thanksgiving scene was used on the serving table where a basket spilling over with Autumn fruits, luscious and candies were on display. Brightly colored foliage finished the decorations. Lovely refreshments of sandwiches, coffee and cookies were served to 66 members by Leslie Sheppard and his committee.

## Shower Honors Miss Cullen

Miss Yvonne Cullen, popular bride elec of Dec. 1, was honored by Mrs. J. N. Azarelio and Mrs. Wendell Hirt with a miscellaneous shower Wednesday evening at the home of Mrs. Azarelio.

The hall and living room were decorated with yellow chrysanthemums and yellow candles. Cakes with yellow icing were served with coffee and nuts.

Several bridal games were played and prizes were won by Mrs. J. P. Cullen, Mrs. J. M. Moye and Mrs. George W. Hirt.

Miss Cullen then opened her many lovely gifts.

Miss Carolyn Hirt and Mrs. C. L. Wynn assisted in serving.

Those invited were: Mrs. J. P. Cullen, Mrs. C. J. Wilkinson, Mrs. Jim Lumberason, Mrs. J. M. Moye, Miss Diane Moye, Mrs. Charles Harvey, Mrs. Jim Jenkins, Mrs. J. W. Brown, Mrs. Ed Cowan, Miss Edna Cowan, Mrs. Calvin Wright, Mrs. George W. Hirt, Miss Carolyn Hirt, Mrs. Clarence Wynn, Mrs. J. A. Wright, Miss Joan Wright, Mrs. W. S. Brumley, Mrs. W. P. Brooks Jr., Mrs. Robert Steele, and the honor guest.

## 'Christian Ideals' Modern Home, Topic At Meeting

Circle No. 5 of the Presbyterian Church held their November meeting with Mrs. H. L. Moore and her mother Mrs. A. P. Kyle as co-hostesses.

Mrs. Clarence Snyder, chairman, gave a report of the Board meeting, and announced the meeting for Officer Training at the home of Mrs. H. H. McCaslin on Nov. 26.

The Circle voted to pay postage for another box of clothing to Korea. Mrs. Nichols told of 34 boxes sent to Korea and 4 to Stuart-Robinson School in Kentucky this year.

Mrs. H. C. Hetsel read an interesting article on Stewardship from Presbyterian Women.

After a prayer by Mrs. J. E. Nichols, the Bible teacher, the lesson on "The Christian Ideals and The Modern Home" followed. Reasons recognized by the Presbyterian for divorce, the training of children in the home, and the treatment of servants in the home were discussed.

After prayer, the hostesses served coffee and pie to the following: Mrs. H. C. Hetsel, Mrs. Clarence Snyder, Mrs. J. R. Robinson, Mrs. K. W. Fife, Mrs. F. H. Hill, Mrs. R. C. Long, Mrs. Richard Ten Eyck, Mrs. Fred Williams, Mrs. J. E. Nichols, Mrs. H. L. Moore, and Mrs. A. P. Kyle.

## Leesburg Nursery Visited Thursday By Garden Club

By MARIAN JONES

OVIEDO — Laden with luscious covered dishes for their lunch, the members of the Oviedo Garden Club, took off early Thursday morning for Leesburg to visit the Florida Nursery and Landscape Company.

Those making the trip report that they had a very interesting and educational day, plus a delicious luncheon served on the patio. The Nursery furnished the coffee to supplement the luncheon.

Those making the trip included: Mrs. Lynn A. Mosier, Mrs. W. E. Ward, Mrs. George C. Means, Mrs. Mae E. King, Mrs. Roy Weisenbarger, Mrs. Sparks Lee Clontz, Mrs. Olive Tietema, Mrs. C. L. West, Mrs. A. A. Meyer, and the president of the Garden Club, Mrs. Charles T. Niblack.

## Christmas Dinner Planned By Women

At the home of its secretary, Mrs. Mae Sheaffer, the Col. Theodore Roosevelt Auxiliary No. 2, United Spanish War Veterans met in regular session Sunday, with a good attendance.

Mrs. Frank Evans, president, presided over the meeting, at which routine business was taken care of and committee reports heard.

The Christmas turkey dinner, an annual event, was decided to be held on Dec. 16 on which date the next auxiliary meeting will be held also.

Officers: The Spanish War Veterans Camp No. 13 will be invited to the covered dish dinner on that date.

## Personals

Mrs. Gustave Bamberger and Mrs. C. H. Robertson have returned from St. Petersburg where they represented Southside School at a State P-TA meeting.

Mrs. Mae Sheaffer had as guests: Sunday Mr. and Mrs. E. Dunning, of Wildwood; Robert M. Sheaffer, of Miami; Mr. and Mrs. C. E. Johnson, of Tacoma, Wash.; Mr. and Mrs. R. V. Sheaffer and sons Terry and Stanley, Miss Margaret Sheaffer, Miss Barbara Cook and Hilmer Lundquist, all of Lakeland.

Mr. and Mrs. C. E. Johnson, of Tacoma, Wash., returned home by car after a ten-day visit with Mrs. Johnson's mother, Mrs. Mae Sheaffer.

## Conning The News

By VIRGINIA CONN

Polly Brubaker entertained a few friends Thursday night in honor of her hostess guest Rosemary Burbank. Gathering for cocktails were Walt and Beryl Swinson, Spook and John Hook, Katy and Hersh Cummins, and Tom Blackburn.

Betty and John McCracken have had a guest for about a month. Her name is Mrs. Imogene Bendler from Gary, Indiana. Now she has very kindly offered to care for the children while the McCrackens go to Jacksonville for the weekend.

Now is the time for all units to select their new representatives to the board of the Officer's Wives Club. If you have not already done it, think it over, as they will be installed at the luncheon in December. It seems like a very short six months, but I'm glad it's almost over. Then

perhaps I'll have a little more time for the things in which I've involved myself since becoming president of the O. W. C. There is never a dull minute in Sanford. If anyone in the Navy here is bored give me a call and I'll use a few thousand words on how to fill up your time so your house looks like mine. (Which is not desirable, but I'm NEVER bored.)

HATTU had their luncheon at Chimney Corners in DeLand. The table was decorated with yellow gladioli, using the Army-Navy football theme. Hostesses Ida Radtke and Mary Schwartz also had arranged a white elephant sale, where everyone exchanged their old junk for that of another. A business meeting followed the luncheon. Plans were discussed for the coffee next Tuesday honoring four girls who are leaving. Attending were: Claire Lynch, Sally Weigle, Polly Savage, Diana Miller, Mae Edwards, Lil Gray, Helen Griffin, Virginia Johnston, Marty Millspa, Betty Mountcastle, Ruth Norvelle, Pat Ruhl and Anita Hadden.

Rosemary Duncan reports that the bazaar at the First Methodist Church was a big success. Thursday a number of our Navy girl worked down here.

One thing I will say for my present seclusion, I do have a lot of company. Today, Betty McCracken, Jane Miller (and Mr. Smith), Beryl Swinson, Harriet Williams, Dodie King and Louise Parker dropped by to pass the time of day.

## Training Union Members Treated To Picnic Saturday

By MARIAN JONES

OVIEDO — Mr. and Mrs. Charles O. Dishman, leaders of the Intermediate Training Union of the Oviedo Baptist Church, treated the members to a lovely picnic Saturday afternoon, said party being held on the first gap of the creek.

The fishing skill of the youngsters was tried but ended in a great disappointment. They were cheered though when fried chicken, french fries and other goodies appeared, served by Mr. and Mrs. Dishman.

Those enjoying this festivity were: John David Beasley, Douglas Day, Albert Myers, Billy Robbins, Jackie Penlandis, Julie Gore, June and Bessie Fleming, Carol Parker, Marilyn Mathers, Gladys Alford, Nellie Ruth Beasley, and Mr. and Mrs. Dishman and little son, David.

School meeting will be held in De Land at the First Baptist Church, at 8 p. m. The First Baptist Church bus of Sanford will leave the church at 7:15 p. m.

FURNISH

The Sanford Tourist and Shuffeboard Club will have covered dish supper at 6 p. m.

# Lyman Loses To Mt. Dora

The Lyman Greyhounds hope for a variety victory this season with another setback Friday night in Leesburg as the Greyhounds succumbed to a 15-7 defeat at the hands of Mt. Dora.

The Greyhounds again broke with their Lyman tradition by showing their weaknesses in the first half and roaring back in the second half to dominate the game with an almost fantastic show of power. An impressive aerial display was a prominent feature for the Greyhounds as David Stevens completed six out of seven passes, one of them for the Greyhound tally.

Ronald Gardner sparked the first Golden Hurricane scoring drive, climaxing the 55 yard drive with a 26 yard sprint in the second stanza. Then the Mt. Dorans scored again in the same period as Bobby Bowie ripped through the line for 15.

The second quarter was the only good showing for the Golden Hurricanes as the Greyhounds came out on top in everything but the score.

The game was a defensive battle that took place mostly around the mid-field stripe, and it wasn't until the final stanza that the Greyhounds could muster a score. With only minutes remaining in the game, Stevens hit 47 m. Miller with his fifth straight pass on a breathtaking 68 yard pass-run play that accounted for the lone Greyhound score. In the fading seconds of the game the Greyhounds went on the march again, but the final whistle chilled the drive and the hopes for a Lyman homecoming upset.

TRAPPED BEHIND his own goal line Jim Warner struggles desperately to shake loose tackling Jim Johnson. The upset minded Seminoles were unable to overcome the safety deficit and lost to Leesburg 14-15 in a heart-breaking thriller. It was the best team effort of the season for the Seminoles.

# Warner Takes Opening Kickoff 89 Yards; Team Loses Hard Fought Battle

From the opening kickoff when Jim Warner raced 89 yards behind brilliant blocking to put the Seminoles into an early lead to the final play of the game a thrilling home crowd watched in admiration as the Sanford Seminoles sparked their most brilliant of the season and made a desperate attempt to score their second win of the season only to lose to the Leesburg Yellow Jackets by a heart-breaking 14-15 score last Friday night in Memorial Stadium. The heart-breaking loss spelled trouble for DeLand this Wednesday night when the Seminoles host them in a Thanksgiving eve game.

## Barbecue Enjoyed Saturday Night By SHS Gridsters

Buckhead Ranch, near the Wekiva River, was the scene of a barbecue for the Sanford Seminoles gridsters Saturday night as the parents of the football players satiated the Seminoles upset over New Smyrna Beach. A huge beef was donated to the cause and the boys, their dates, and the players' parents enjoyed a regal feast under the moonlight. The huge turnout ambled around the campfire, danced in the patio of the club house, and listened to the melodic verbirosities of Elvis Presley and other popular tunes. Johnson, next in behalf of the parents, had made more than ample provisions for the group, and the lighting set off the country splendor and a most successful outing.

In the third stanza, a Seminoles fumble on the warrior 70 gave the Yellow Jackets the ball after their third period score, but the Seminoles held for downs at the 23, where quarterback Bob Johnson fired to Warner. Warner gathered in the pass over his shoulder and raced 75 yards before he was finally pulled down on the Leesburg two yard line. Two plays later Terry Goebel powered over for the Seminoles. This, the best showing of the season for the Seminoles, was again a team effort. The defense was outstanding. They chilled Roberts and dropped Parker for several losses.

The Seminoles meet DeLand Wednesday night in Memorial Stadium in a loss-up till that will probably feature them on the warpath, redeeming Friday night's loss.

# My New York

**By MEL HEIMER**

PARIS, France—The last time you were here, you had had it. It was dreary and wet, the sidewalks were gray and deserted in the early winter days, the people were sullen and without charm, and the plumbing didn't work. They could have given Paris back to the Romans and you wouldn't have turned your head to look.

This time it is different, all of which just goes to show that it just had turned dark when the plane set you down at the Fima Le Bourget airstrip where Lindbergh had landed 25 years ago, and when you had taxied into the city and fetched your luggage into the California on the Rue de Berr, just opposite the Paris Trib, the desk clerk had laughed merrily. "Room?" he had echoed hollowly. "Hah. There was an auto show in Paris—and no hotel accommodations. You had quitted your teeth. This miserable city—again, you had muttered.

However, a half hour and three hotels later, a woman had mangled out of thin air at the Grand, near l'Opera, you had swooped in and slept a luxurious sleep in a lavish suite with a balcony, and now it was morning and Paris was drenched with sunlight.

Can it be the first time, in eight years of coming here, that you have seen the sun shine? No matter. You have breakfast on the balcony and now you stroll out on the balcony and look below at the city going to work.

When it rains, which it always does here, you are apt to overlook the beauty of Paris—but when the morning sun is out, as it is now, you look at the graceful, dusty old buildings and the trees that have not yet turned, and the smoky, gray-sulfur rooftops of the city's houses in the distance, and you can see what the song-writers mean.

# Girls Don't Have To Go To Big City To Seek Fortunes

**By DOROTHY ROE**  
Associated Press Women's Editor

Girls who live in small towns don't have to go to the big city to seek their fortunes, says Dorothy D. Houghton. On the contrary, a small town is a fine starting point for world travel and high recreation, she believes.

Mrs. Houghton, a dynamic grandmother, has lived some three score years in the little town of Red Oak, Iowa, whence she has crossed the Atlantic 22 times and has garnered these positions: President and only woman officer of the U. S. Electoral College; recent national co-chairman of the Citizens for Eisenhower-Nixon Committee; former national and international president of the General Federation of Women's Clubs; current delegate to the Intergovernmental Commission for European Migration and member of three United Nations committees; former assistant director of the Foreign Operations Administration, in charge of the U. S. escape program for Europe.

"If I ever write a book," says the beaming, auburn-haired Mrs. Houghton, "it will be just to encourage girls who think they haven't a chance for exciting careers just because they are stuck in small towns."

Mrs. Houghton was interviewed in the dismantled headquarters of the Eisenhower committee in New York just before catching a plane back to Red Oak. She is due to return to Washington Nov. 30 to receive a decoration from the German government for her refugee work.

Speaking of her presidency of the Electoral College, she says: "Lots of people don't know much about the Electoral College and its function. Actually when you vote in a presidential election you're voting for electors instead of candidates, and these electors don't actually cast their votes until the following Dec. 17, when they meet in the various state capitals. Then they all go to Washington in January for the inauguration."

# Only Costs \$65 To Shoot Rhino

**By DION HENDERSON**  
Associated Press Staff Writer

If pursuit of the wily rabbit has begun to pall on you, bear this in mind: you can shoot a rhino for only \$56 in British East Africa.

This though in itself may be enough to restore your faith in rabbit hunting.

Anyway, the \$56 doesn't buy you a rhino. It just buys you a license to shoot one. Another \$210 will buy you a license to shoot one elephant. If you have a taste for two elephants, the license on the second is \$280.

And while big game hunting in Africa never may be advanced as a substitute for the man who can't afford squirrel hunting, at least on a cents-per-pound basis it can be compared favorably with potting a bunny or two on a \$2 license statewide.

Actually, many a slightly startled American sportsman who wasn't sure he could afford a new car has found himself after a few apparently innocent questions—heading up a safari into Kenya a few weeks later.

In other words, Africa isn't any more the land about which you dream in the same night-sleeping as you dreamed of a castle in Spain or an oil well in Texas.

It's a good deal simpler than most hunters realize. Their main problem is getting themselves, their weapons—and their money—to Nairobi or thereabouts.

For those weapons, by the way, you probably can utilize at least some of your favorite ironies. Even a pet 22 is handy for the varieties of antelope that make camp meat, a shotgun provides good sport on Kenya's unlimited duck, partridge and guinea fowl shooting, and a 30-06 with heavy loads is adequate for game up to lions.

The challenging task of getting aircraft off and on carriers is the special mission of the Naval Air Engineering Facility, at Philadelphia, Pa. The first launching of an F7U-3 at the steam catapult test site resulted in the 32,000 pound plane being airborne at a speed of over 100 miles in 200 feet.

### Helm Is Awarded Certificate At Law Enforcement School

Governor LeRoy Collins awarded attendance certificates to 99 law enforcement officers including Deputy Sheriff Milton R. Helms of Longwood, a member of Sheriff J. L. Hobby's staff, at graduation exercises Friday at the Florida Sheriff's Bureau's first General Law Enforcement School.

The school, with classes conducted by Sheriff's Bureau Investigators, FBI Agents and representatives of state and local enforcement agencies, had been running a full week in the House Chamber at the Capitol.

Bureau Director Don McLeod described the school as primarily designed to give new sheriffs and deputies a concentrated course in investigative procedures before they take office in January.

Many other sheriffs, however, took advantage of the school and either attended or sent deputies or other enforcement representatives. Final attendance figures showed 37 Florida counties represented.

Subjects covered ranged from autopsies to report writing, and map making. Several night sessions were held to accommodate the overflow attendance.

Practically all of the school was closed to the public, McLeod explained that "otherwise we would possibly be conducting a school for successful criminals by giving them access to highly confidential information concerning the techniques of criminal investigation."

The Director said that additional schools will be conducted as often as personnel limitations of his new crime-fighting agency would allow.

### 'County Fairs' Seek To Improve Meals For Navy

As U. S. Navy men here at the Sanford Naval Air Station and around the world sit down to their Thanksgiving dinners, they will have cause to thank "County Fairs" for the excellent flavor of their turkey.

Navy Food Service Teams have been touring the world since 1953, bent on improving the meals served aboard ships and at shore stations.

When the teams first started their two-week visits to Navy galleys, resistance to their kitchen and dining hall tips developed from some of the old timers. They didn't like "outsiders" in their galleys, and the idea lingered that the poor service team experts were holding an inspection.

The "County Fair" is the plan that the teams have adopted to counter this unfounded idea. At the "Fairs", cooks from the galleys in the area where the "Fair" is being held are invited to attend. They sit in to watch and judge the results of the visiting cooks and bakers.

As the pies, cakes, salads, meats and other dishes are turned out by the team of experts, local cooks judge and score them. While nobody gets a blue ribbon for "best in the show," this scoring leads to lively informal discussions of the right and wrong methods of food preparation. To get the feminine viewpoint, wives of the cooks are also invited.

Over 600 commands have been visited—and improved—by the eight teams stationed throughout the world. The idea for teaching teams was worked out by the Navy in cooperation with the Food Service Advisory Committee of the National Security Industrial Association, a group which has been helping the Navy since 1956 to plan better use of excellent food—at less expense to taxpayers.

Black Dog is a mascot that is unusual in more than one respect. He's a veteran of Navy flying, chalking up many hours of air time on Navy blimps at the Lakehurst, N. J., Naval Air Station. At present, he is in honorable retirement at GLYNO, but he won't be there long. Computed on a human basis, he is now more than 100 years old.

Gaye Stewart is the first former National Hockey League player to referee in the league since King Clancy.

Claude Gilbert, San Jose State fullback, played center field on the Spartan baseball team last spring.

### OHS Safe Broken Into Over Weekend; Little Money Taken

The safe at the Oviedo High School was broken into over the weekend according to a report from Constable George Kelsey and Paul Miller, a member of the teaching staff at the school.

Constable Kelsey said this morning that the safe "More than likely was broken into last night." The burglars went into the building through a window on the west side of the school building, said Kelsey.

"Very little money was taken," said the Constable, "but the safe was completely demolished."

Tools to pry open the safe were taken from the utility room at the school said Kelsey. The dial was twisted off with a pipe wrench, he said, and they beat their way into the door with hammers and a crowbar.

"It looks as if there were more than one person," Constable Kelsey reported.

"Why it was done I do not know," the constable said, as he reported that two doors of the school, one upstairs and one downstairs were pried open.

"Other than the safe damage and the prying open of the two doors, that was all of the damage done to the school."

Miller said that approximately \$100 was taken from the safe by the marauders.

The suit contends that establishment of a harness racing track within three miles of the dog track will result in failure of one or both of the tracks since there are not enough people in the area to support two racing operations. As a result the suit said, the state will suffer a revenue loss.

### Woman Shoots Husband In Family Row; Held In Jail

A 40-year-old Negro woman shot her husband during a family row at their home in Midway yesterday morning at about 9:30.

Florine Banks, in a statement to Deputy Sheriff A. E. Evans who investigated the shooting, said "He was coming at me with an ice pick."

Archie Banks, her husband, was shot from the back in the left shoulder with the pistol bullet penetrating his body. Deputy Sheriff Evans said that the weapon with which Banks was shot has not been found but the pellet seems to be "a 30 cal. special."

Dr. G. H. Starke reported to the Deputy Sheriff that "The man is in no danger at present."

The Negro woman was held in the Seminole County jail from about 10 a. m. yesterday until about 4:30 p. m. Sunday afternoon when she was released under a \$2,500 bond.

### Oviedo Officials Battling Mosquito

OVIDEO—The officials of Oviedo are having a battle—yes, a real one—with the Mosquito.

These pesky insects are almost taking the town alive. Everyone is complaining of them. You even have to fight for your life to hang out the family wash.

Men installing, or rather repairing a floor furnace at our house the other day, complained of the insects—saying they could hardly work for them.

Outdoor festivities are hampered by the appearance of these "bugaboo."

The city officials are doing all in their power to wage war on them. That spraying machine is running constantly, fogging all over town, in an effort to demulish them.

We fear the cold weather is going to have to be a contributing factor in this effort though. We hope someone besides the mosquito will be the victor.

### CofC Directors Convene Tomorrow

A meeting of the Board of Directors of the Seminole County Chamber of Commerce will be held tomorrow night in the board room of the Educational Building on Commercial Ave.

The meeting announced by John Krider, Seminole County Chamber of Commerce Manager, is the regular monthly meeting of the group.

### High Fever Follies Auxiliary's Big Project For Year

The Seminole Memorial Hospital Auxiliary named its "Big Project of the Year" the High Fever Follies which is to be presented at the Seminole High School Auditorium on Feb. 8-9 next year.

Mrs. A. W. Epps Sr., president of the Auxiliary urged "the planning and ultimate success" of the forthcoming stage presentation.

The Auxiliary president stated that the Jerome H. Caragli Organization, leading producers of Smart Amateur Review, will come to Sanford from New York to direct and produce "High Fever Follies."

Mrs. George C. Harden was named chairman of the program advertising committee, who will be assisted by Mrs. Robert Blackwood, co-chairman, Mrs. A. B. Peterson Jr., Mrs. Harry Woodruff, Mrs. Robert Feyl, Dr. Doris Eline, Mrs. Betty Young, Mrs. A. W. Epps Sr., Mrs. M. L. Babson, Mrs. Kessler, Mrs. Charles Votopich, and Mrs. G. S. Michael.

A letter has been written by Mrs. A. W. Epps Sr., President of the Women's Auxiliary of Seminole Memorial Hospital, addressed to Sanford Businessmen requesting their support in staging the forthcoming review.

### Letters Take So Little Time Mean So Much

OVIDEO—Have you ever stopped to think of that unwritten letter you planned to write? No, it is not National Letter Week—to my knowledge.

The fact struck me like a bolt the other day when a boy, about 18 years of age, was handed a letter by a friend in the Oviedo Drug Store.

Watching him closely, I saw the sparks that came to his eyes, the broad grin spread across his face. "That's from Mom," he said proudly.

I thought of my 19 year old son. It hurt, and it should have, for I have been guilty of negligence myself as well as many others. We sometimes do not stop to think of that absent son or daughter who look forward so eagerly to that mail.

My boy told me once, "It helps so much, just a note like Jim (his little brother) can write—just hearing from those loved ones and friends."

I looked at the boy and said: "I wonder if my boy feels like that when he gets a letter from me."

He looked at me and inquired, "Where is he, Mam, and how old is he?"

The reply, "He is a sophomore at college and about your age—19."

He thought a minute, giving me long and searching look, "Yes, Mam, he does. You bet he does. Write to him, mam, please—at least once a week."

Investigation proved the young man to be a student at the New Tribes Mission, not too far out of town.

Talking to Mr. W. B. Young, who is one of the head men out there, we found the boy expects that letter once a week but hopes for more. We bet he does.

After this we have promised ourselves that we will be more thoughtful, too.

### 25 SNAS Men Are Invited To Attend Speed Week Classic

Twenty-five men from Sanford Naval Air Station, and Fleet Units based aboard the NAS, stand a chance to attend the forthcoming Daytona Beach Speed Week classic as guests of the National Association for Stock Car Automobile Racing (NASCAR), if they show good driving sense, the NAS Services Information Office announced today.

The invitation was extended by NASCAR President Bill France, in a telephone call to Commander Henry C. Cole, USN, NAS Executive Officer, late Wednesday, in conjunction with the NAS Safe Driving program.

The Commanding Officer of the Unit, compiling the lowest vehicle accident and traffic violation rate per capita during the period from November 1, 1956 through February 1, 1957, will be allowed to select 25 men from his command to attend the famous racing event.

Seven Units will be competing throughout the drive. Box lunches and transportation to the track will be provided by the Station.

In addition to the NASCAR offer, a separate monthly award of a \$50.00 chit for a party fund, will be presented to the top Unit of the month. The name of each month's traffic winner will also be engraved on a bronze plaque which will be held by the top unit for the month following their win.

### Open Meeting Set By Theatre Guild

There will be an open meeting of the Sanford Theatre Guild, Tuesday at 8 p.m. at the City Hall Auditorium.

All persons who are interested in amateur theatricals are urged to attend this meeting.

Plans for this season's production will be discussed.

If further information is desired, it may be obtained by contacting Don Fletcher at 1537-W.

North Carolina State has 20 lettermen on its 1956 football team.

### A3D Mobile Trainer At NAS Sanford

By Raymond J. Kennedy, Ensign, USNR

A striking example of the Navy's continuous search for new methods of preparing their personnel for the highly technical operational equipment with which they presently work is the A3D Mobile Trainer. The Heavy Attack Training Unit is presently utilizing this trainer prior to delivery of the aircraft. It simulates in operational training. It is the only one of its kind on the East Coast.

The cost of the Mobile Trainer approximates the cost of the A3D aircraft itself. It contains within a framework of 40 feet long, eight feet wide, and 12 feet high, every piece of equipment necessary for crew training. It is completely air conditioned.

The A3D Skywarrior, is today one of the Navy's "hottest" planes. It is considered the Navy's fastest and most powerful twin jet aircraft. This aircraft is a 35-ton high winged, swept back, heavy attack jet capable of supersonic speed. The plane carries a crew of three including the pilot, bombardier and third crewman who has various duties.

The tremendous utility of this Mobile Trainer lies in its capability of acquainting the prospective A3D crew with almost every conceivable attitude in which this new aircraft may be operated.

This truly amazing product of engineering genius simulates with surprising authenticity the audible sounds caused by the plane's power plant, take offs, emergencies while in flight, landings with such detail that the student can hear the wheels "screech" as they touch and other effects such as passing clouds and lightning.

Members of the A3D Mobile Trainer crew include D. Colman, Chief Petty Officer in Charge; F. E. Miller, TDC; W. Kalb, TD2; D. D. Thomas, TD3; W. Wilmers, TD3; and D. H. Puaris, TD3.

Clem Labine set a Brooklyn Dodger pitching record in 1936 by appearing in 62 games. He relieved 39 times and started games.

### Kathryn Partin Is Praised For Lovely Floral Decorations

By Marian Jones

OVIDEO—I will have to pay tribute to Kathryn Partin and her capable hands, remarkable ingenuity, and so adept at remarkable ideas.

The floral decorations for the R. W. Estes funeral ran into several hundred pieces. Kathryn did many of these herself.

Tip, her husband, said he had not been to bed for three nights and that they had all the help that they could beg, borrow or steal. They had had two large funeral orders hand-drawn—Maurice Jacobs and Ted Estes.

I did not get to the funeral, but I did go to the church beforehand and out to the cemetery to see the flowers afterward. J. R. went, however, as he was a Mason and participated with them. (It had to hold the fort down.)

Kay, Ted's daughter, is captain of the basketball team. The floral decorations from the basketball team was a basketful of flowers. That is just a small sample of Kathryn's work. She is so full of ideas like this.

When I was sick and in the hospital a little over a year ago, you should have seen all the cuts flower decorations she fixed for my friends—using things I have now and can keep and use because of her unusual ideas.

Kathryn told me: "I try to give satisfaction in my work, the customer's satisfaction being my main idea."

We wonder when she is going to run out of ideas. She must be a genius.

### Kiwanis Club Speaker Told

Dr. Paul C. Carpenter, T.D. of the Central Christian Church, in Orlando will be the principal speaker at the noon luncheon meeting of the Sanford Kiwanis Club Wednesday.

## Mail Carrier Upsetting Dog

DALLAS (AP)—Postal authorities said a Dallas woman complained the substitute mail carrier on her route was upsetting her dog.

"The regular carrier gets along with the dog," she explained angrily, "but every time the substitute makes the route it upsets my dog."

"Where is the dog now?" a postal authority asked her.

"Oh, he's under the mimosa tree in my yard," she replied.

"And where's the mail carrier?"

"He's up in the tree. It's upsetting my dog and making him bark."

## Thanksgiving—With Movies at Home

Thanksgiving time is here again, and families all over the country will be observing the holiday in traditional style. And to most of us, "traditional style" means "family style" on this favorite of holidays.

Remember the poem about Thanksgiving Day we used to recite as youngsters? It went something like this: "Over the river and through the wood To Grandfather's house we'll go... Well, maybe you won't be going to Grandfather's house. Grandfather may be coming to your house—or you all may be gathering at Aunt Mary's or Cousin Bill's home this year. But the chances are the family will observe Thanksgiving by coming together to spend the day and share the feast that symbolizes a rich harvest.

At any holiday gathering, home movies usually make a hit—and Thanksgiving is no exception. Pleasantly relaxed after dinner—even if everybody's a bit too full of bird and branched mince pie—relatives are anxious to get caught up on the family's activities since their last big get-together. A perfect way to accom-

plish this so that all may see some of the things you've been doing is to show a few reels of the movies you made while on vacation or at other times during the year.

Project a reel or two of a birthday party—a graduation or wedding—the youngsters' introduction to a new pet—a backyard barbecue that earned Dad his high honor. For this is the stuff of which happy memories and successful movies are made—the kind that every member of the family will enjoy seeing "in action"—as fresh and colorful as the day it all happened.

Besides bringing your relatives up to date on "family affairs," there's another way in which a movie camera can help you celebrate the Thanksgiving holiday. We're sure you've already guessed what we have in mind! That's right—we think it would be a fine idea to record just how you spend Thanksgiving Day this year at your house. A film of the highlights of this favorite home holiday will give permanent life to a happily shared occasion.

## Forecasts Of Great Industrial Empire Voiced At Event

APALACHICOLA (AP)—Forecasts of a great industrial empire developing in the valley of the Apalachicola, Chattahoochee and Flint rivers were voiced here at the 9th annual Harbor Day celebration.

Harbor Day marks the start on the vast project of the U. S. Corps of Engineers which when completed will provide a 9-foot deep navigation channel from the mouth of the Apalachicola River to Atlanta. Dams in the system will generate enough hydroelectric power to serve more than a million persons.

Col. Harold E. Blabot, district engineer, reported that two of the principal structures in the project are virtually complete. The Jim Woodruff Dam at Chattahoochee where the Chattahoochee and Flint rivers merge to form the Apalachicola is 96 per cent complete, he said; the Buford Dam on the upper Chattahoochee, north of Atlanta, 85 per cent complete.

He said the Columbia and Fort Gaines dams will be finished in 1967.

Col. Blabot said the dredging of the 9-foot deep, 100-foot wide channel in the Apalachicola will be completed by Jan. 1.

He said completion of the project will provide the two essentials for industrial development—cheap transportation and low cost power. He said the valley has an industrial potential second to none in the South.

Gen. Henry J. Boeffler, division engineer for the Southeastern Division of the Corps of Engineers, said that in a few months the channel will be connected with the Intercoastal Waterway to provide means for barges to travel from the Great Lakes to communities along the river.

The development will insure flood control and water supplies and provide power to meet the industries which will establish themselves in the area, he said.

Rep. Bob Sikes, master of ceremonies for the festivities, called upon the Legislature to set up a fund to aid in bringing industry into the Apalachicola Valley. He said the state should provide money to permit the buying up now of land that will be needed for industrial sites when the navigation system is completed.

## A Special Pie For Special Days

"It's one of the best pumpkin pies I ever tasted," that's the comment made by most of those who were in on a special sampling of Orange Nut Pumpkin Pie.

The good old-fashioned creamy pumpkin custard has a delightful tang of orange and the crunchiness of nuts as an addition. It wears a festive topping of whipped cream and quartered orange slices. Canned fruits, such as peaches, apricots, apples, or canned mandarin oranges will also help make pie-making easy and successful for family meals or for special occasions.

### ORANGE NUT PUMPKIN PIE

- 2 eggs
- 1/2 cup sugar
- 1 teaspoon cinnamon
- 1 teaspoon ginger
- 1/2 teaspoon salt
- 1 1/2 cups canned pumpkin, or squash
- 1 tablespoon grated orange rind
- 1 egg light cream, or evaporated milk
- 1/2 cup orange juice
- 1/2 cup coarsely chopped nuts
- Pastry

Combine beaten eggs, sugar, cinnamon, ginger, salt and pumpkin. Add orange rind and juice, and cream; stir in nuts. Pour into pastry lined 9-inch pie pan. Bake in a very hot oven (450 degrees) 10 minutes. Reduce heat to moderate (350 degrees) and continue to bake about 45 minutes, or until mixture is firm and crust is well browned. May be garnished with whipped cream and quartered orange slices. One 9-inch pie.

## California Foreseen As Hot Battleground In Next Four Years

LOS ANGELES (AP)—California's Democratic Council president says this state will be one of the hottest battlegrounds in the next four years for the 1968 Republican presidential nomination.

Alan Cranston told the Democratic Luncheon Club: "Vice President Nixon will agree with everything President Eisenhower says and does because this is his best chance of getting the nomination. U. S. Sen. William F. Knowland will seek to build his candidacy by disagreeing with the President whenever and wherever and as violently as he can."

"And Gov. Goodwin J. Knight, forced by the exigencies of his position, in regard to his candidacy, will be completely unfeasible and unpredictable."

## Rep. Beasley Claim 58 Written Pledges Of Support In '59

TALLAHASSEE (AP)—Rep. Thomas D. Beasley of Walton County is claiming 58 written pledges of support in his campaign to become speaker of the 1959 House.

The 1959 speaker will be designated early in the 1957 session

DR. JONAS SALK, of the University of Pittsburgh, Pa., is shown in New York after he received the 1956 Albert Lasker Award. He was honored "for distinguished achievement in developing a safe and effective protection against poliomyelitis." Shown with Dr. Salk are Mayor Robert F. Wagner (left) of New York and Mrs. Mary Lasker, president of the Albert and Mary Lasker Foundation.

which starts in April. Beasley's claimed strength would assure his election.

He did not make public the list of pledges. Rep. Sam Gibbons of Hillsborough County also is seeking the speakership. Gibbons has made no claims of specific pledges. His friends, however, claim he has 40 sure votes.

There are 86 members in the House.

Beasley has been mentioned as a possible candidate for governor in 1960. It is rumored he will be named chairman of the powerful Rules Committee for the 1957 session by speaker designate Doyle E. Conner of Bradford County.

Conte May Be Most Popular Matinee Idol Of All Time

HOLLYWOOD - To John Conte goes the distinction of being perhaps the most popular matinee idol of all time. He also could be the hardest working.

Conte, handsome veteran of radio, movie, and play, is host, salesman and occasionally the star of NBC-TV's Matinee Theatre. This is the network's ambitious project to present an hour of adult drama in color every weekday.

"Of all the fields of show business I have been in," said Conte, "I think this has given me the most satisfaction. The mail response has been tremendous."

Conte's daily audience is estimated at five million. This dwarfs the audiences of John Barrymore, Lou Tellegen and other matinee idols of yore. Those fellows could have played on the stage all their lives and not reached Conte's daily audience.

What is his appeal? For the benefit of those who cannot get to a TV set during the day, I can report that Conte generates a warmth that is communicated to his audience. He has the polish of an accomplished actor such as he is, yet there is an intimate, sincere quality as well.

This quality brings him a large quantity of mail, some of it akin to the gush of Liberace fans. "But it doesn't get out of hand," he reported. "Usually after about four exchanges of correspondence, I can establish a normal relationship with the gusher fans. I do this by the subtle introduction of my wife into the letters."

Enthusiastic females aren't his only correspondents. He also hears from a remarkable number of clergymen, many retired people and shut-ins. He maintains a staff to answer every piece of mail.

SCIENCE IN YOUR LIFE

Compounding Good Health No one does more to educate Americans on everyday health matters than the local pharmacist. As a key member of the nation's health team, he is the one to whom people turn for information on the latest drugs, sickroom supplies, disease prevention, local health facilities, and all kinds of health questions.

He is also the man to whom many physicians look for data on new drugs.

Twenty years ago the drug carried fewer than 1500 items in his prescription department. Today the number exceeds 2300. In fact, 90 per cent of the prescriptions written by doctors today could not have been filled in 1926 because one or more of the prescribed drugs were then unknown.

Effective against scores of diseases that menaced life since prehistoric times, antibiotics and other "wonder drugs" have helped doctors create a "golden era of medicine."

Now also at the corner pharmacy are a variety of drugs effective against once-crippling or distressing ailments - drugs to reduce high blood pressure, relieve the pain of arthritis, treat troublesome glandular disturbances and prevent motion sickness. Anti-tension drugs, newcomers to the pharmacist's shelf, help normally-active persons to work and live free of anxiety. Vitamin preparations safeguard the general health of expectant mothers and their children.

Today, pharmacists are at work in more than 60,000 drug stores across the country dispensing drugs that have helped extend life expectancy to 70 years. Others are members of laboratory teams now developing drugs which promise even longer life and better health in the years ahead.

### Yul Brynner Happy With Bald Head

NEW YORK — Ever been told a bald man is a sign of wisdom? Well, meet Yul Brynner, the actor.

For five years he has shaved his head, and he has no regrets. He has become a shining symbol of wisdom to millions of men who'd like to believe they can still say hello to romance even though they're balding.

Brynner has cut his hair with a razor so long he now takes his baldness for granted.

"It's become a prop," he said. "I find it quite comfortable."

Many bald men have to fight down a suppressed desire to grow a beard or mustache. Not Yul.

"I've never had a suppressed desire," he said.

Brynner, whose hobby is the study of philosophy—he is studying for a doctorate degree in it—doesn't believe in being frustrated.

He is a son of a gun mother and a father who was a doctor. He has a wife, a daughter, and a son. He has the traits of both East and West in his temperamental, quiet, and enthusiastic, a grave stoicism.

Heard in Paris and London, he became a sensation. He is the star of a Broadway play, "The Cenci," and a Hollywood picture, "The Sandlot."

He still regards himself as a doctor first, an actor second.

"Most people don't seem to know that I've directed more than 1,000 TV programs," he said, "and I've produced more than 100 feature films."

He feels he has won one distinction during his brief career in Hollywood.

"I think I'm probably the only actor who in his first starring role appeared within a year of his first starring role."

The films are "The King and I," in which he played the role of the King of Siam, and "The Sandlot," in which he played the role of the King of Siam.

Neither of the roles, he feels, expressed his personality. He doesn't know whether he could play himself, he said, "I never express my personality on screen."

"One of the things wrong with Hollywood is that it offends the

Friday and now hopes to be able to stay.

Word has been received from William McLamb, son of Mrs. James McGrath, who recently joined the Air Force. William is stationed at Lackland Air Force Base in San Antonio, Texas and is very much.

Local Knolls entertained the Saturday Evening Pinch-hold Club the past week. Among those playing were, Mr. and Mrs. Charles Wain, Fern Park, Mr. and Mrs. Norman Godfrey, Pearl Lake Heights, Mrs. Maude Dupper and J. Hollister, of Longwood, and Mr. Lynn Smith of Tennessee.

Mr. and Mrs. George Jacob have as their guest for a few days their son George of Texas who is stationed with the U. S. Air Force.

The Rev. and Mrs. Jack Weaver and family of Tampa, Fla. have moved into the Baptist parsonage. The Rev. Weaver is the new minister for the First Baptist Church. A covered dish dinner was held Sunday at the church in his honor.

A Big Ten record set in 1952 still holds. It was a football score: Michigan 197, Iowa 0.

FOR INVESTIGATION

MIAMI (AP)—The 700 word machine of Dade County have been locked up for an investigation of charges that some voters were tampered in casting ballots.

On the basis of almost complete returns, Prob's opponent, Circuit Judge John W. Ermy, was ahead 662 to 607.

Henry E. Bunting, election supervisor, said Prob's slot on the voting machines had been some cases been jammed with pencils or chewing gum.

## Polish Paper Says Riots Start While Red Party Chief in Moscow

VIENNA, Austria (AP)—A Polish newspaper says demonstrations and riots erupted in Poland while the Polish Communist party chief was in Moscow negotiating on future Polish-Soviet relations.

The newspaper, Express, Warsaw, reported that students at the Sanatorium Club at its regular weekly meeting Sunday afternoon broke out in a riot. The rioting was said to have been instigated by a young worker set fire to the city's Chamber of Commerce and then fought off police and fire brigades.

This account of trouble contrasted with dispatches from Warsaw which said the Polish Communist Party chief, Wladyslaw Gomulka, was in Moscow negotiating on future Polish-Soviet relations.

## Sanford Takes On Christmas Look As Decorations Put Up

Snow-kissed Christmas bells, bright colored Christmas balls, twinkling lights, along with a replica of the "Jolly Old Gentlemen" himself and his tiny reindeer, all set the pattern for a glowing Christmas spirit in downtown Sanford and in the shopping areas along Sanford Ave. Sanford Ave. and 25th St. and Park Ave. and 25th St.

The Christmas lights and decorations have been set in place for the 1956 Year in Review. City crews have tested, replaced, and put in tip-top shape all of the decorations that have already been lighted. So the first snowfall in Sanford should be met with more than 200,000 twinkling lights.

## Public Invited To Thanksgiving Service At Church

Spontaneous expressions of gratitude for God's goodness were heard at the Thanksgiving service announced by First Church of Christ, Scientist and the Disciples of Christ, 209 E. Second Street, Sanford, for 11:00 A. M. on Thanksgiving Day.

All are invited to the special service. The voluntary testimonies from the floor will include gratitude for spiritual growth, physical health and other blessings.

The service is open to the public and local church members have invited everyone to attend.

## Fire Dept. Answers Call Early Today

The Sanford Fire Department answered an alarm shortly after midnight this morning in the thickly populated West 11th St. area.

Fire Chief Mack N. Cleveland and his crew responded to a blast of flames from a two-story building. The fire was caused by a gas leak and was extinguished by 1:30 p. m.
