FORD BEGINS LAYING OFF HIS WORKERS

River Rouge Workers 1st To Feel Pinch Of Move To Bring Firm In Line On NRA Code

DETROIT, Nov. 6.—(A.P.)—Half of the men employed at the Ford Motor Company's River Rouge plant here were laid off today in accordance with a recent company announcement that it planned to bring its average working hours within the NRA code of 35 hours a week.

Officials, while declaring that "half the men are being laid off," did not give the exact figures as to the total employment in the plant. Last week they said probably 2000 would be laid off possibly for seven days. The last official figure given by the company for its total employment at the plant some weeks ago was 45,000.

It was stated that "when the working hours of the men laid off today have been brought within the regulations of the auto code the rest of the employees will be given a similar layoff."

The recovery administration yesterday held out to the Ford Motor Co. a way to avoid laying off its thousands of workers seven days each.

In the Ford Company assertion that "we don't want to do it but the law requires it," Hugh S. Johnson, the industrial administrator, yesterday replied that the probable reason for the layoff was a seasonal decline in production, but that:

"Old Mr. Ford wants to give work to many of those men he says he will not own a mandate, we will be glad to consider an exception to the code permitting him to continue them all in employment."

Despite the recovery administration's offer to "consider an exception" if Henry Ford wishes to abandon his announced plan of layoffs to conform with NRA auto code work-hours, the company, without replying to the offer last night went ahead with plans to put the layoffs into effect.

Tag Inspector Here To Assist Transfer Of Tags To Jinkins

William Griffis, of Okeechobee, state tag inspector for the East Central district, was in Sanford today "checking out" W. H. Schmidt as local license tag dealer, preparatory to transferring the records and unused tags to the office of County Tax Collector John D. Jinkins from whom all tags are to be purchased after Nov. 20.

Date of 1934 tags begins on Dec. 1. Mr. Griffis reminded the motoring public as he briefly reviewed the 1934 costs for tags.

Passenger car tag prices for the new year will be as follows: Cars weighing 2050 pounds or less, each on Austin and some Model A's \$1; cars weighing 2050 pounds down to 2061 pounds, such as Chevrolets, Fords, Plymouths and other light weight cars, \$1.50; cars weighing 4060 pounds down to 2061 pounds, such as Buicks, Oldsmobiles, and Reeds, \$1.50; cars weighing 4050 pounds and over, \$2.

The price of tags for trucks has been changed considerably, Mr. Griffis stated, beginning with a rate of 20 cents per hundred weight. No tag, either for passenger or freight, is to be sold at less than 20 cents, including a tag for an automobile trailer.

Mr. Griffis also reminded the public that in future, no one will be allowed to pay a notary public fee in connection with the issuance of tags, or other documents concerning an automobile or trailer.

A total of 196 tags have moved from the south and eastern shores of Lake Okeechobee, so far this season, with more than 100 of these going forward within the year.

Jap War Planes Seen Over Soviet States

MOSCOW, Nov. 6.—(A.P.)—A Soviet Telegraph agency dispatch from Vladivostok reports that a squadron of Japanese military airplanes flew over Soviet territory Nov. 3. The dispatch said the planes penetrated the Soviet to a depth of from 10 to 20 miles in the vicinity of the west bank of the Gulf of Amur and were sighted over four Soviet villages, namely Slovenska, Barabash, Maromnaya and Ovchinnikovka.

PRIEST PREDICTS SILVER SOON TO BE REMONETIZED

Coughlin Okeys NRA, Hits At Present Currency Set-Up

DETROIT, Nov. 6.—(A.P.)—The Rev. Father Charles E. Coughlin, pastor of the Shrine of the Little Flower, said in a speech yesterday that "the President is about to remonetize silver."

Asserting that "one of the greatest moral issues in our nation today is to cancel the money system which, since the year 1873, has been in vogue," Father Coughlin said, "there is nothing wrong with the national recovery act. The fault lies with its team mate—the currency."

Regarding the present monetary standard, Father Coughlin said, "we must replace it with one that is honest, sound and adequate for the needs of our one hundred and twenty million citizens."

"Sooner than you suspect," he continued, "silver shall be remonetized. Government certificates soundly and solidly backed by silver that has been restored to its normal and natural value in

Speer Asks All Stores To Close Next Saturday

Mayor V. A. Speer, today announced that he will issue a general令 tomorrow, urging all business houses in Sanford to close their doors all day next Saturday to permit owners and employees an opportunity to observe Armistice Day.

His announcement came during a meeting of the Commercial Activities Committee of the trade body. Members of this committee had unanimously gone on record urging that the Mayor issue such a proclamation.

JAP BOLEHNEVIST DIES

MOSCOW, Nov. 6.—(A.P.)—Sen Katalyana, veteran Japanese Bolshevik, died yesterday. He was the oldest member of the press corps of the Communist International and the organizer of the proletarian movement in Japan.

AUTO RACE STARTER DIES

LOS ANGELES, Nov. 6.—(A.P.)—Fred J. Wagner, 67, veteran auto race starter and known on almost every major motor speedway in the United States, died in the Cedars hospital yesterday. He was born in Covington, Ky., and is survived by his widow, Mrs. Nancy Wagner.

South Florida Farmers Bewail Small Return Being Received For Bean Crop

PAHOKEE, Nov. 6.—(A.P.)—Bean season in the Everglades, reported week before last with such bright prospects, is not showing anything like such propitious strides this week, with the market falling so low.

The slump in the price of beans, reckoned to be due to two causes, "too many beans" and "poor quality."

Shipments are increasing daily now with 43 cars said to have rolled last Wednesday night from stations of the Florida East Coast, but according to information gleaned from one buyer in the "know," only three of the 43 cars rolled were sold, the other being rolled on consignment, and the growers may realize a loss of freight charges instead of the "long green maturing."

No sales at a price above a dollar per hamper were reported for Friday.

A total of 196 tags have moved from the south and eastern shores of Lake Okeechobee, so far this season, with more than 100 of these going forward within the year.

LABOR REPORT U. S. BUSINESS IS ON UPGRADE

Retail Buying By Wage Earners Increased During Past Month; Credit Also Loosened

WASHINGTON, Nov. 6.—(A.P.)—The American Federation of Labor's October survey of business yesterday reported several fundamental improvements in the country's economic life, although it said the individual worker's buying power was still declining.

It credited employment of more than 1,000,000 persons to the \$3,000,000 public works fund, including federal staffs. Total reemployment of four million was claimed for NRA code control and the blue eagle agreement.

The business decline was given as only 1.4 percent in October compared with 8.6 percent in September.

Federal reserve bank credit, the federation said, "is at last beginning to trickle on to business."

Total buying power through reemployment was recorded as having increased 20.5 percent. Trade union unemployment declined from 22.5 in September to 21.9.

"Tex" Guinan, Club Queen, Dies At Vancouver, Far From Haunts She Knew Well, Loved

VANCOUVER, B. C., Nov. 6.—(A.P.)—Texas Guinan, the night club queen, who was known best for her unique contributions to Broadway's vocabulary, died in a hospital here yesterday of an intestinal illness.

The robust entertainer sent the phrases "Hello, sucker," and "give the little girl a great big hand" virtually around the world.

Born Mary Louis Cecilia Guinan in Waco, Texas, about 25 years ago, she experienced a kaleidoscopic career that ran from the plains to the picture making early Hollywood, and then to noisy New York clubs that were studded with courtroom battles with the prohibition laws.

POLITICAL DRIFT BORAH DEMANDS TO BE REVEALED THAT ANTI-TRUST IN U.S. TOMORROW LAW BE REVIVED

Party Chiefs Look With Interest On Result Of Day's Elections

WASHINGTON, Nov. 6.—(A.P.)—Balloting on national general in six states tops the off-the-elections Tuesday, but the outcome scattered state-wide and mayor elections is awaited with almost equal interest by party chieftains who seek to know the drift of any political sentiment.

While the results of the well-separated elections may not have any great effect on the present political picture, Democratic and Republican leaders conclude that overturns in various contests may have a direct bearing on the 1934 congressional election.

Next fall the House members 314 of whom are Democrats, in 32 senatorial 37 of whom are Republicans, are to be chosen in various contests.

Any shift that might obtain in the control of either house of Congress will affect candidates for president and members from these seats.

The state election in Idaho, Penn., Virginia, Utah, Iowa, Kentucky, North and South Carolina, only three of them, are reported to be won by the Democratic ticket. Idaho may already have adopted an injunction against the primary.

The sales volume shown by experts, it continued, is significantly unfavorable. There is perhaps more than one reason for that, the controlling reason is the way in which consumers are changing.

The committee's duties involve keeping the trade body in touch with Federal and state legislatures affecting this community and its citizens.

The United States Chamber of Commerce recently announced that it will have special information on National legislation for the benefit of the local committee within the next few weeks.

The new committee is as follows: E. H. Wilson, as chairman; R. E. Haines, as vice-chairman; L. E. Boyle Rolland Dean, G. A. McEntee, V. A. Douglas, H. C. De Rose, T. L. Dunn, C. W. Estes, W. H. Haines, E. F. Johns, John J. Jenkins, S. J. Johnson, John Meach, Sr., J. J. Phillips, J. G. Sharon, V. A. Speer, and Miss Nona Wally.

Ballotting of the electors will occur Dec. 1, one month must do the casting.

Some Republicans are anxious by their national chairman a pamphlet outlining a platform on a arrest. President Roosevelt and the N.R.A. are opposing the views of voters.

Tonight is a wedge for political parties.

The election also includes the regular communication of Sanford Lodge. Every lodge in district No. 18 has promised to send a delegation. Mr. Broden said he is advised that probably 200 or more visitors will be in Sanford for the meeting.

Heyward Walker, commander of Campbell-Lanigan Post of the American Legion, calls upon all members of the Lodge are requested to attend, while a special program is made to all past masters, urging that they be present.

After the regular meeting, several speakers will be invited on a short program that will conclude with the serving of refreshments.

Made Libyan Governor By King Who Places Mussolini At Head Of Navy, Air Bureaus

ROME, Nov. 6.—(A.P.)—King Victor Emanuel made Premier Mussolini Minister of both the Navy and the Air today after accepting the resignations of Air Marshal Italo Balbo and Admiral Giuseppe Serrani.

At the same time the King named General Vallo as under-secretary of Air and Admiral Cavagnari as undersecretary of Navy.

Balbo was named Governor of Libya, taking the place of Major General Giacomo Serrani.

Premier Mussolini sent both Balbo and Serrani a cordial autographed letter thanking them for their long and loyal co-operation.

Balbo was raised to the rank of Air Marshal from General upon his return to Rome following the nonstop transatlantic flight which he had made with the King.

An officers described Balbo as modest and said he would take a vacation of several months before assuming his post as Libya Governor.

BRITAIN MAKES OFFER TO PAY ON WAR DEBTS

Roosevelt In Accord.
Says Chamberlain;
French Stand Is Not Altered By Action

LONDON, Nov. 7.—(A.P.)—Neville Chamberlain, exchequer chancellor, told the Commons today that Great Britain has offered the United States a \$7,500,000 token payment on its Dec. 15 war debts installment.

The Minister said that Roosevelt had accepted and does not regard Britain in default. The token payment will be paid in American currency in lieu of the \$17,000,000 due.

In Paris, France's debt default policy, officials said, is unaltered by Great Britain's decision to resume the token payment.

The Government might have raised questions on debt negotiations if England had settled, but inasmuch as Britain failed to solve its problem, neither the government nor parliament, officials added, is likely to change its attitude.

60 Gallons Of Beer, Liquor Poured Into Sewer By Police

NEW YORK, Nov. 7.—(A.P.) An extra dividend of 25 cents was declared on the common stock by General Motors Corporation yesterday—its first extra in three years.

Alfred P. Sloan, Jr., president of the corporation, and the directors felt it desirable to make a dividend this time and to stimulate the efforts that are being made toward national recovery.

The extra dividend will represent an additional disbursement approximately \$1,000,000 at a time, together with the regular quarterly 25 cents a share paid on the stock for the last year and a half, will constitute a payout of over \$2,200,000 in 25 months—\$1,400,000 less. The disbursement will be made on Dec. 12, so that it will constitute what Wall Street calls a "Christmas dividend."

Twenty-five thousand barrels of beer and hard liquor is now a part of Lake Monroe as the result of its having been poured into a sewer opening near the City Hall late yesterday afternoon by negro workmen under the direction of Chief of Police Roy G. Williams and Judge W. B. Wilkinson.

The liquid fish food had been taken in various raids by police during the past several weeks. It had been stored in the City Jail since that time, and decision was reached yesterday that it should be disposed of.

Poverty will rule of the affair in official city files and records for after police had directed the work, they, and several spectators signed a paper which bore the following words:

"In the presence of the following witnesses, the following liquors and home brews, collected by the Police Department as evidence in various cases of law violation, was destroyed by being dumped in a sewer."

The paper is signed by S. A. B. Wilkinson, C. H. Shaffer, W. A. McMullen, A. R. Marshall, G. W. Gray, Roy G. Williams, and F. E. Lamm.

1933 City Tax Payment Is Near \$1000 Mark

Payment of the first \$1000 in City of Sanford tax for 1933 had nearly been made at noon today, according to City Tax Collector Ellen Hay as she made out receipts for taxes totaling \$728.80 on Equitable Life Insurance Co. property in this city.

With this payment, and payments made this week by Mrs. C. W. Speer, J. E. Baker, and John Frame, plus those made last week by Mrs. W. W. Wright, Mrs. Harriet Bennett and L. B. Tyler of Kimball, the total collection today was \$900.57. The books opened on Nov. 1, and persons paying 1933 taxes during this month are given a two percent discount.

Herring Named Judge At National Field Trials

James G. Herring, local attorney and lawyer, today accepted nomination to act as judge at the bench and bar trials which will be a feature of the Bank Winton League Field Trials at Miami this week end. Dogs from every part of Florida will be present in this affair, it is reported.

James G. Herring and Senator John W. Langford, both have been nominated to be judges. James Herring will leave here Friday morning to return Monday afternoon. The field trials will be held Saturday and Sunday.

PRISON GUARDS ACCUSED

GREENVILLE, S. C., Nov. 7.—"Again Peppy Bill" of convict forces and three guards today were held responsible by a coroner's jury for the death of Roy Johnson, negro convict, who died as a result of an alleged beating.

James Herring and Senator John W. Langford, both have been nominated to be judges.

James Herring will leave here Friday morning to return Monday afternoon. The field trials will be held Saturday and Sunday.

HEARTBROKEN WALLACE ASKS FAIR TRIAL FOR NRA PROGRAM

Agriculture Head Says It Will Take 2 Years To Get Back To Pre-Depression Status

WASHINGTON, Nov. 7.—(A.P.) Asking for a fair trial of the new recovery machinery, Secretary Wallace last night told industry and agriculture that they must pull together without being "invidiously jealous of each other" to lift their load from the depression mire.

Wallace said in a speech that "frankly, the situation has been distressing," but added:

"I believe that the recent increases in payrolls will soon be reflected in the stronger purchasing power of the city consumers for our butter, beef, pork and eggs. There is encouragement for farmers in that."

"And there is also consolation in the fact that the rather rapid rise in industrial prices seems to have been checked, and prices paid by farmers have remained practically unchanged during the eight weeks of September and October."

"I will take, I fear, atleast a couple of years before we get back in where we were before the depression. Some people think we will never get back there, but I am convinced that if we really use our heads and our hearts, if we have intelligent patience with one

Central Florida Bunk Heads Met Here Today

Organization of a Zone Five Regional Clearing House Association of the Florida Bankers' Association was being affected this afternoon at the Sanford Atlantic National Bank where representatives of 10 Central Florida banks had gathered.

The meeting was called to order shortly after 100 o'clock by Elton E. Allen, president of the local bank which is host to the visiting bankers. G. G. Ware, president of the First National Bank of Leesburg assumed charge of the meeting shortly after its opening.

The Association is being organized in accordance with the provisions of the bankers' code approved by the NRA and signed by President Roosevelt some time ago. The code went into effect Oct. 16.

Zone Five of the State Association consists of the six Central Florida counties of Polk, Orange, Osceola, Orange, Lake, Volusia, and Seminole.

PROCLAMATION

Whereas, Number 111 has been designated as Armistice Day by the Congress of the United States, and by the Legislature of the State of Florida; and

Whereas, members of the Commercial Committee met at the Chamber of Commerce office Monday and unanimously voted to honor the observance of this day by closing their places of business all day November 11, and for the accommodation of their customers, to remain open Friday evening, and,

Whereas, it is fitting that the people of our city on this day should lay aside all business cares and celebrate this memorable occasion, and that at 11 o'clock Saturday morning there should be a one-minute period of silence honoring the men and women who made the supreme sacrifice,

Therefore, I, Vivian A. Speer, as mayor of the City of Sanford, proclaim Saturday, Nov. 11 as a holiday, and I urge all patriotic citizens to close their places of business during that day. I further request that the farmers of this region and all merchants of this city pay their respects on Friday, the 10th.

Piggly-Wiggly Stores Moved To New Location

Workmen under the direction of the Winn-Loyett Grocery Co. officials early this morning had completed the task of moving the grocery and meat market equipment of the Piggly-Wiggly store in the Meinh Building on First Street to the new Piggly-Wiggly store in the old Atlantic National Bank building on Magnolia Avenue and First Street.

The new store was open for business today, but the official opening is being delayed until Friday of this week.

Alabama Loses Arm In Auto Accident

MADISON, Nov. 7.—F. L. Fisher, of Birmingham, Ala., had his left arm jerked off at the elbow last Sunday night, seven miles west of here, when in passing an auto truck driven by Grover Smith of Collierville, Tenn., he got his car back towards the center of the highway too quickly and ran into the side of the truck.

He was driving with his left arm projecting from the car window and contact with the truck caused the arm to go off. He was brought to Madison for medical attention.

Therefore, I, Vivian A. Speer, as mayor of the City of Sanford, proclaim Saturday, Nov. 11 as a holiday, and I urge all patriotic citizens to close their places of business during that day. I further request that the farmers of this region and all merchants of this city pay their respects on Friday, the 10th.

JOHNSON HITS AT OBJECTORS OF NRA PLAN

Recovery Chief Terms Freedom Of Press Argument As Worst Of Many 'DeadCats'

CHICAGO, Nov. 7.—(A.P.) Gen. Hugh S. Johnson said yesterday that "the longest inundation dead cat" known so far by objectors to the NRA is the one about the freedom of the press.

The movement has no intention of attempting to censor or control the newspapers, he said, could not do so even if it wanted to.

He represented President Roosevelt himself, and all the administrators are being receptive to fair work, but declared that some newsmen have lent themselves to "match doctor dancing" and running the ills with heads.

Johnson spoke before an audience of business men, industrialists and financiers.

"I do not believe in any restriction whatever in the press," Johnson said. "I am now going to take an official step which will level this silly question forever."

He gave his official opinion that
