

POWDER PUFF FOOTBALL PRACTICE

SHS Party Line

By PAT TAYLOR

One organization at SHS that is not letting anything keep it behind in the Future Teachers of America.

Members began the year with a chapel program at Lyman High School to help that group get organized.

Then 18 new members were taken into the club through applications sent out and an initiation party was held at the home of Rheda Epstein. The members are Maryanne Humphrey, Regina Clark, Mary Anne Watson, Reville Finn, Linda Mills, Linda Sue Williams, Ethel Lee Riser, Sandra Wood, Carol Wheeler, Theresa Baker, Ginger Jackson, Louise Higginbotham, Bonnie Lee, Rosie Dodson, Susan Halback, Barbara Miller, Barbara Bradley and Linda Williams.

The committees and projects have been formed in hopes that the FTA can have one of its greatest years.

Projects include helping a needy family during Christmas, sending four members to the FTA convention in Clearwater, presenting a program during National Education Week, helping the Teacher's Aid Program in February and several others.

The demand for male teachers forever is increasing. The present SHS teachers organization is composed primarily of girls. It is their hope, however, to assist in forming a chapter for boys which will stimulate desire among them to enter the teaching field.

The senior class will sponsor a Senior Play this year. A committee has been appointed to select a play and a sponsor has been found.

Cliff Ables, Doug Gordon, Debbie Lake Mary Parents Told Of Need For Good Reading

Parents of children attending the Lake Mary Elementary School, meeting Tuesday at the school, heard Floyd Richards, principal, explain the rudiments of "The Three R's."

Emphasizing the need for children to acquire reading ability early in their school life, he conducted an actual first grade class in order that parents could see how present day teaching methods are applied.

Any parent wishing to discuss their child's report card for the first six weeks period, Richards said, can do so by appointment.

Following the meeting, parents adjourned to home rooms for a visitation period and to return the recently issued report cards.

Births
Mr. and Mrs. Earl McIntyre, Sanford, a son; Mr. and Mrs. Richard O'Neal, Sanford, a daughter.

Dismisals
Valton Williams, Sanford; Minnie Fryer, Sanford; Mrs. Robert McNab and baby, Sanford; Mary Horenstein, Sanford; Thelma Hodge, Merritt Island; Helen Fitzrandolph, DeBary; Mrs. Willie Bedwell and baby, Sanford.

Bruce, Joy Wester and Bonnie Steinruck make up the committee. About 35 seniors have shown interest in working on the project, Mrs. Boyd Coleman, Latin teacher and sponsor reported.

The play has been scheduled for the last of February. It is good to see the return of the program. Last year there was no play due to limited space, time and facilities, but this year, upon moving into the new school, many of the long gone activities the school once enjoyed may return.

The Junior-Sophomore Team for the Powder Puff Football games has been announced. Playing in the quarterback position is Debbie Scott and Bonnie Gielow. Halfbacks are Allyson Blake, Linda Williams-Vida Sue Smith, Merritt Phillips, Pat Bruce, Louise Higginbotham and Dianna Beasley. Fullbacks are Ann Schumacher, Loretta Fore and Jeanne Langford.

Ends are Grace Middleton and Vada Stoffer. Cookie Benham, Susan Tammy and Virginia Warfel make up the tackles. Guards are Betsy Schuenemann, Carole Sue Higginbotham, Babs Odham, Diana Toney and Dianna Young.

The Senior-Freshman Team has not been announced yet. The girls were around to sell tickets door-to-door Saturday. A parade will be held Friday in downtown Sanford during the afternoon.

At that time tickets also will be on sale.

The Latin Club has been selling candy this past week and are continuing sales this week.

Club officers are Jeanne Langford, president; Johnny Phillips, vice president; Jane Jarwarth, secretary and Rosemary Southward, treasurer.

This candy sale is to raise money for the annual banquet.

Queen Of Iran Gives Birth To Boy

TEHRAN, Iran (UPI) — The queen of Iran gave birth to a boy today, presenting the shah and a joyous nation with an heir to the Peacock Throne.

The birth occurred at 11:50 a.m. It touched off a wild celebration among the Iranian people.

The shah told reporters that Queen Farah and the baby both were doing fine.

"I am very happy," he beamed. Throughout the country big guns boomed 41-salvo salutes. Giant crowds which had been assembling since the queen entered the hospital in labor this morning cheered so loudly the doctors had to ask for quiet.

The birth ended years of disappointment and frustration for Shah Mohammed Reza Pahlavi and his subjects when two previous marriages had failed to produce a son.

His first marriage, to Princess Fawzia of Egypt, produced a daughter, now 21. He divorced her and married Soraya, a half-German half-Persian girl. The shah divorced her after seven years of marriage when there were no children.

After a whirlwind courtship, the Shah married Farah Diba, his present queen. She is 22, he is 41. A doctor told United Press International that the baby was a boy.

The baby will be named Reza after the shah's father.

Civilians Get Commendations

The Sanford Civitan Club held a business meeting Thursday which included two letters of commendation from the International Vice President Roy Simmons and Florida District Governor Wyatt Johnson.

The Club also voted to extend its support to the Mental Retarded Children's School in Sanford for another year. Ed Davis, chairman of the Fruit Cake Committee announced plans for distribution of the cakes.

At that time tickets also will be on sale.

Sanford Garden Club To Be Host To State Flower Show

The Sanford Garden Club, in cooperation with the Florida Federation of Garden Clubs, will present the eighth annual Florida State Flower Show in Sanford, Dec. 1 through Dec. 3 at the Civic Center.

Mrs. Fred R. Ganser, general chairman, has announced that the theme, "This Is Our Life," will prevail throughout all sections of the show in an effort to illustrate in flowers and plants the things which affect and inspire daily living.

Focal point of the show will be a full scale garden depicted on

the Civic Center stage and dedicated to Mrs. C. R. Mayas, Jr., president of the Florida Federation of Garden Clubs. This garden will stress the conservation of particular native Florida plants.

An innovation this year will be the creation of competitive gardens along the eastern arcade of the building. Entries for this class have been accepted from clubs in Titusville, Orlando, Daytona Beach, Mt. Dora and Apopka. The Sanford Garden Club will award a silver trophy to the winner in this section.

Outstanding advanced designers

from throughout the state will display arrangements in the invitational class, "We Believe in Education", saluting a number of Florida's colleges and universities. The remaining 26 classes in the division will be judged by a panel of more than 80 accredited judges.

In addition to competitive sections in artistic design and horticulture for adult, high school and junior gardeners, there will be educational, commercial and special plant society exhibits. Local garden club members will operate a hobby shop for the sale of gardening and flower arranging

materials, and a sidewalk cafe for snacks and coffee. A souvenir booklet, containing gardening articles and information about the show, has been published and will be given away free to each adult purchasing admission to the Civic Center.

The one '61 car built to back up a long-term warranty

Ford led the way with the one car beautifully built to take care of itself... and you.

On September 29, Ford Dealers set an industry trend - were the first to extend their 1964 car warranty from the conventional 4,000 miles or 3 months to 32,000 miles or one full year, whichever comes first.

Why? Because Ford built the car to support such confidence. Ford for 1964 is the car beautifully built to take care of itself!

The '64 Ford was designed and built to the more exacting standards necessary to offer an extended warranty. Ask us to see this warranty at your dealer's.

It is significant that Ford has so many take-care-of-itself features not found in other cars, regardless of price. These new Ford features are a triumph of exhaustive research, fine engineering, and quality construction that give you the most reliable Ford ever built. Drive a '61 Ford now.

THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself - You'll normally go 10,000 miles between chassis lubrications. Then a quick, inexpensive Ford Dealer lube job (which costs about \$4.00) will see you set for another 10,000 miles.

Cleans its own oil - You'll go 4,000 miles between oil changes with Ford's Full Flow oil filter.

Adjusts its own brakes - New York New brakes adjust themselves automatically for the life of the lining.

Guides its own muffler - Ford mufflers are double wrapped and aluminum - normally will last three times as long as ordinary mufflers.

Protects its own body - All vital underbody parts are specially protected in rust proof and corrosion, even in maintaining the body panels beneath the doors.

Takes care of its own finish - New Diamond Luster Finish never needs wax.

DeBary Home Club Enjoys Workshop

The DeBary Home Demonstration Club, held a workshop Thursday morning at the Community Center. Mrs. George Wright instructed the members in making French poodle dogs in black, white, and tan.

Taking part in the demonstration were Gladys Patterson, Ella Stone, Agnes Gerstlich, Mrs. M. Pfister, Alice Moore, Mary E. Kew, Mrs. M. Vos, Mrs. S. Tully, Ina Benedict, Nora Lawton, Lillian Williamson, Bessie Butin and Mrs. M. McManus.

Mrs. A. O'Connell gave instruction on liquid embroidery. Taking part in this project were Mrs. Ivan Walker, Mrs. John Lunny and Mrs. M. Kearns.

Members working on pine needle craft were Mrs. W. C. Webb,

Mrs. Grierson, Mrs. C. E. Pendergast, Mrs. M. Mosel, Mrs. L. Jackson, Mrs. Edmund Iovanna, Viola Howard and Mrs. C. Schless.

Mrs. Carl Barthman, chairman of the "foods can be glamorous" luncheon, prepared by Mrs. Barthman, Mrs. William Reich, Mrs. L. Ritter, Mrs. P. Pettit and Mrs. Russel Botsford, was served to more than 40 women.

It consisted of a creamed party salmon rice ring, beefs in sauce, salads, rolls, half peaches filled with mincemeat or berries and coffee.

Mrs. Barthman and her assistants showed the group step by step what they were preparing. She emphasized that considering color, eye appeal and taste when planning meals from can goods on the shelf would prove that "foods can be glamorous."

The afternoon session convened at 1:45 p.m., with Mrs. George Wright presiding. During the brief business session, committee chairmen displayed their finished arts and crafts and decided what craft they wanted to begin as new projects.

Mrs. Gifford displayed a wire mesh picture frame with dried flowers. Mrs. Butin a hand bag, made of pine needles, Mrs. C. E. Pendergast, a bread tray, Mrs. O'Connell and Mrs. Gerstlich, hand bags and Mrs. C. Haddock, a hand tool copper plaque.

The president appointed a nominating committee with Mrs. Adam Muller as chairman and Mrs. Barthman and Mrs. J. Haddock assisting.

The next meeting and workshop is scheduled for Nov. 30. The program will be given by Mrs. O'Connell and her committee, on holiday breads.

MRS. J. D. CALLAHAN, center, president of the Azalea Circle of the Sanford Garden Club, is admiring an unusual arrangement of gilded dried materials, including sage grasses, wheat and seed pods, made by Mrs. C. P. Harkey, hostess at the meeting. Mrs. R. W. Turner, left was guest speaker for the evening. Each member present purchased a ticket to the state flower show, scheduled for Dec. 1 to 3, at the Civic Center. (Herald Photo)

Anna Miller Circle Members Hold Covered Dish Supper

Thirty-four Anna Miller Circle members and their husbands met last week at the Elks Club for the regular monthly social meeting.

A covered dish supper was served with roast beef as the meat course. Salads, and desserts were provided by those attending.

Mrs. Leslie Thompson was initiated into the circle, during an impressive candle-light ceremony. Mrs. Ed Cox, vice president presided at the business meeting.

Mrs. Robert Zitrower was appointed to fill the vacant office of vice president.

Guest speaker of the evening was Steven Androsko, loyal knight and entertainment chairman of the Elks Lodge. He discussed activities of the new social calendar, which will be mailed to the home of every Elks, at the beginning of each month.

He also explained the importance of the committee planning the calendar of events. The committee

is composed of two members each from the Elks Dues and the Anna Miller Circle.

Mrs. Zitrower and Mrs. Russell Spencer were appointed to represent the circle on the November committee, to plan the events for December.

Mrs. Ralph Wright II reported that the fruit cake sale was progressing very well. Proceeds from the project will benefit the Harry Anna Crippled Children's Home in Umatilla.

Mrs. Martin Dyer and Mrs. Ed Cox will represent the circle at the March of Dimes convention in New Orleans, La. They will leave today and return Nov. 5.

Mrs. Cox has called a meeting of the polo committee of the Anna Miller circle and all interested persons, for Nov. 15, at the Elks Club.

At this meeting, Mrs. Cox and Mrs. Dyer will give a full report on the convention. Committees will begin to make plans for the march of dimes for 1961.

Other circle members attending the meeting, following the supper were Mrs. Roy Chorpening, W.J. Clarke, Ed Miller, Ed Stout, Charles Gross, William Klinefelter, Clayton Smith, J. R. Hoolahan Sr., Morris Moses, Buford Brown, E. J. Moughton Jr., J. A. Don't Let Fatigue Set Up An Accident

Things go wrong when you're "dog tired." Reflexes slow down. Your mind isn't fully alert. Hands fumble. Feet trip over things. Eyes don't see possible dangers.

Homemakers—more than any other one group—are guilty of working when over tired. A perfect set up for an accident.

More than five million Americans are injured in their homes each year. Almost 20 percent of these happen in the kitchens.

Some of them are caused by carelessness, disorder, and misuse of equipment. But fatigue plays a major role in most of them.

The solution. Take time out to rest. Just five minutes away from the job will lessen tension. Take a coffee break, phone your neighbor, knit on John's sweater, or just relax in a comfortable chair or on the couch. You'll return to the job alert and better prepared to work safely.

Advance Fashions For Children

By GAY PAULEY
UPI Women's Editor

NEW YORK (UPI)—The calico and rickrack fad in small fashions is on the wane. But what's to succeed it?

One of the few men designers of children's dresses said, "Frankly I don't know. But I hope children's wear is headed for a period of casual, simple

lines. Not a return to frills and fluff... but relying on design, not on fabric and trim, to sell dresses."

The designer speaking was Clyde Grant, a Navy veteran of World War II, who succeeded in the adult fashion world before he joined Jack Borgenicht, Inc., a 70-year-old firm and the first to mass produce children's dresses.

Uses Unusual Colors

Grant has been with the firm for nearly two years, doing four collections a year for three size groups. They are the three to six X, the seven to 14, and the six to 14 for sub-teens.

He includes the wide sashes and full skirts little girls always have worn — and called them "bread and butter" items. But the stamp of the artist shows in the rich "portrait" colors of plum and rich burgundy he used in the 1960 holiday line and in his one-man war on a couple of "don'ts" in the industry—don't put little girls in green or beige.

"Beige is wonderful on little blondes," said Grant. "And put green on a pink-skinned little brunette. It's terribly pretty."

The designer's love for the "elegant casual" look showed in his "hardback" group of dresses now in the works for back-to-school 1961. These are in cotton the color of denim, but much lighter weight—more like chambray.

Not a frill on any of the dresses, but they're brightened with brass button closings and with white stitching typical of that on overalls worn by farmers, carpenters or railroad men.

Dear Abby:

By Abigail Van Buren

DEAR ABBY: I am a college student. Last year I met a student who attends another college. We were strongly attracted to each other. I sent him my picture, signed "Love, forever." He came to see me many times. We got very serious and then I heard that he had been married all along. He denied it. When I got proof he admitted he was married and the father of a little boy. I told him it was hopeless for us but he insisted he loved me and things could be worked out. Now his wife knows about us because he confessed everything. If she names me in her divorce suit my reputation will be ruined because we went beyond kissing. What should I do?

who wants to marry me. I think I love him but he does something which I neither love nor understand. He likes to hunt deer and shoot wild birds. I know lots of men hunt and no one thinks its is cruel, but I cannot marry a man who will take a gun and kill defenseless birds and animals just for the sport of it. Maybe if I were starving to death I would kill in order to eat, but I can't see any excuse for it today. When I told him I would marry him if he gave up hunting, he laughed in my face. Was I foolish?

SOFT-HEARTED

DEAR SOFT-HEARTED: You were not foolish. If you feel that way, don't marry him.

DEAR ABBY: I know it is your job to give advice, not mine, but I hope you will print my story for all teenagers who are in a hurry to get married. I fell in love with Tom when I was 15. He was 18. I fought with my family because I wanted to quit school and get married. He wanted to go to trade school, but I begged him to take any kind of job so we could get married. We ran off and got married and broke our parents' hearts. Tom wasn't ready to settle down so we started to fuss at each other. I got pregnant. He couldn't stand my whining so he left me. Now he wants a divorce because he says he misled out on his youth and it was my fault. He is right. I still love him, but his love for me has turned to hate.

Please, girls, stay home and finish school and let the guys grow up before you start nagging for marriage. I am 16 years old, pregnant, and will be a divorcee in five months.

"A 16-YEAR-OLD HAS BEEN"

DEAR RUINED: All you can do is wait. If you are involved in the divorce, you will need a lawyer to represent you. In the meantime, talk to the chaplain at your college. He will give you the moral support you need.

DEAR ABBY: Some friends of ours invited us to their daughter's wedding in 1957. We sent the bride a very lovely wedding gift. In 1958 she had a baby, which they announced with those little printed "hints" (this also burns me up) and I had to send a gift. In 1959 they got a divorce. Now get this—last week this girl's parents sent out announcements of their daughter's marriage to another man. Do we have to send another wedding gift?

BURNED UP

DEAR BURNED: No on HIAS to send a gift for any occasion. Rich gifts was cold when giver is burned up.

DEAR ABBY: I am going with a man

Old Pro Kaye Shows 'Em How To Put Over Top Video Show

By FRED DANZIG
United Press International
NEW YORK (UPI) — After breaking in his act for 20 years, Danny Kaye got reckless Sunday night and brought a portion of it to the television screen.

I think he was ready for TV long before this and he didn't have to wait so long. I haven't forgotten that TV is where George De Witt kept a show going for years.

"An hour with Danny Kaye" on CBS-TV was a grab-bag stuffed with assorted bonbons. Kaye's gig-gig-giggles were as fit as a fiddle.

The face that launched a thousand riffs gave us the works — the wonderful, wild smiles, leathery yells, dark frowns and pursued lip prissiness. There were generous helpings of his graceful footwork as well as his two-left-foot tumbles.

Kaye's versatility, showcased by routines that have been polished to a gleaming finish through the years, is so sturdy, so completely professional and inspired that he had little trouble swooping through the hour in quick time. There was a superb pace and spirit to the show.

Rifleman Gets Helping Hand From Girl Instead Of Son

HOLLYWOOD (UPI) — After more than two years of bringing up his son alone in the wild West, TV's "Rifleman" gets a helping hand from a pretty girl—and a little romance for himself on the side.

Chuck Connors, star of the series, finally gets a girl, in the Nov. 15 show.

Joan is a comely brunette who fights with Chuck at their first meeting. But it's nothing a few more episodes won't patch up nicely, thank you.

Producers of the ABC-TV horse opera have responded to heavy mail demanding that widower Lucas McCain (Connors) find a suitable sweetie. Some 50 actresses were interviewed before Joan was chosen.

"I don't know why I'm the lucky one, but I'm delighted," she said during a lunch break. "It's not often an actress has an opportunity to accept a worthwhile role in a Western series."

Before Joan could continue the show's press agent opened up.

Want Mature Woman
"We didn't want a young pretty girl for the part," he started out.

DOWN

From Here And There

I was a very small girl and I have been thankful all my life. It is important.

If you have sensitive body skin, "Sardettes" are the things for you. Simply rub the Sardettes over your skin while it is still damp from a bath or shower. Also take care to cover dry spots and elbows and knees. You will feel smooth and sleek just lovely.

The Hair Fashion Council shows a new and exciting color, "romantic lavender-beige" — a blonde shade to go with the purple, orchid and lavender-to-plus fashion colors. You must match your hair to your costume, and it's fun! You can find the new hair colors at your hairdressers—don't ask me.

Beautiful Madame Rochas came to New York to give a reception to introduce her latest perfume, as delightful as the lady herself. At her party Madame Rochas wore a slim, black wool sheath cut high at the neckline with a huge pearl and turquoise pin at the left shoulder and a necklace of three strands of large pearls. Her hair was done in a slightly bouffant style and was swirled and contoured beautifully.

Women have long wanted a "jeep" into the famous Men's Bar at the Waldorf-Astoria, New York's magnificent hotel, but until the other afternoon they could not. Now they have moved and the "BULL and BEAR" restaurant is available to the ladies for cocktails and dinner. The move was dramatic and the guests at the opening of the "BULL and BEAR" were invited to walk the whole way on a red velvet carpet. The women were so beautifully dressed and it was fun. The waiters carried the famous bronze of the "BULL and BEAR" at the head of the procession.

All in all, it was a real "New York" event.

In olden times, the crow was termed a bird of evil omen because of its plumage.

TV Tonight

ABC's "Expedition" deals with the discovery of a ship sunk 3,000 years ago in the Mediterranean.

NBC's "Laramie" has a previously announced and then postponed episode, "The Dark Trail" in which Gigi Perreau and Robert Vaughn play a romantic pair fleeing her father's wrath.

NBC's "Thriller" also has an announced and postponed drama in "The Watcher." Martin Gabel plays a psychopathic teacher who has killed once and threatens to do so again.

Dean Martin's first TV effort of the season on NBC employs Dorothy Provine, David Rose and his orchestra, Don Knotts and Frank Sinatra.

Seeing Red

SAN FRANCISCO (UPI) — University of Michigan public health engineers have found a way to make people see "red" if dishes aren't clean. They've developed a powder test to detect hidden grease film—a potential bacterial carrier — on apparently clean dishes. The powder, a mixture of dry talc and dye, is sprinkled lightly on a dry dish surface, rinsed under water for 15 seconds and drained dry. Any red color remaining indicates a soiled area, they reported.

Match Play Tourney Set Wednesday

The Sanford Women's Golf Assn. has completed arrangements for the tournament sponsored by the Florida State Bank which opens Wednesday.

This will be an annual match play tournament, with prizes for the winner and runner-up and a trophy, given by the bank, also going to the winner.

Due to the fact there are 34 players, it was necessary to go into the 64-player bracket. Therefore, all but two pair received byes on their first round matches. Everyone who received a bye on their first round may start playing their second round matches Wednesday.

Matches must be played from Wednesday through Friday and Saturday through Tuesday. This gives three days to play a match as the course is closed on Monday.

Pairings for the first round matches are: Upper bracket, Augie Russell vs. Sally Wight. Lower bracket: Jeanne Foulk vs. Vera Brown.

Drawing byes in the upper bracket are Ruth Herron, Jimmie Livingston, Marge O'Hearn, Dossie deGanahl, Myrtle Adams, Ann Marsh, Doris Spencer, Franchon McRoberts, Helen Carraway, Jackie Crawford, Hazel Porter, Reba Mahan, Harriet Williams, Jane McKibbin and Frances Rinehart.

Byes in the lower bracket went to Lucille Heard, Crela Higginbotham, Gladys Brown, Barbara Rowell, Mildred Smith, Lucille Pearson, Essie Batson, Cecil Heard, Keen Ivey, Genevieve Woodruff, Suzy Dickey, Hazel Durzo-Blanche Nicely, Kathryn Park and Viola Kastner.

Second round matches include:

Upper bracket: Jimmie Livingston vs. Marge O'Hearn; Dossie deGanahl vs. Myrtle Adams; Ann Marsh vs. Doris Spencer; Franchon McRoberts vs. Helen Carraway; Jackie Crawford vs. Hazel Porter; Reba Mahan vs. Harriet Williams; Jane McKibbin vs. Frances Rinehart.

Lower bracket: Crela Higginbotham vs. Gladys Brown; Barbara Rowell vs. Mildred Smith; Lucille Pearson vs. Essie Batson; Cecil Heard vs. Keen Ivey; Genevieve Woodruff vs. Suzy Dickey; Hazel Durzo-Blanche Nicely; Kathryn Park vs. Viola Kastner.

Stengel Being Considered For Detroit Post?

DETROIT (UPI)—Will the familiar jaw of Casey Stengel jut out from beneath a Detroit Tiger cap next season?

Rick Ferrell, special assistant to the club's president, disclosed Monday he is "seriously considering" Stengel as a possible manager for the Motor City's American League baseball entry.

In discussions of who would be hired to replace Joe Gordon, the name of the former Yankee pilot came up several times, Ferrell said.

Stengel, contacted by United Press International in California, said he was on vacation at present and was not discussing or considering any job offers for the next few weeks.

Bait Box

If you catch any rattlesnakes or others of a poisonous variety, get rid of them.

And if you just happen to have one you intend to dispose of but haven't gotten rid of yet, don't haul it around.

Tommy Russell, who helps his parents, Mr. and Mrs. Henry Russell, operate Marina Isle, said a rattler got him in a whole lot of trouble last week.

Russell said he had caught a rattlesnake and had it in a burlap sack in his boat. He said a wildlife officer charged him with possession of a poisonous reptile without a permit.

"I've been catching rattlesnakes all my life and didn't know about any such law, but I found out when I posted a \$100 bond on the charge," Russell said.

Not too many people keep poisonous snakes anyway, but it appears from Russell's case that there is double jeopardy involved for those who might.

Nation's Top College Teams Clash Saturday

NEW YORK (UPI)—For the first time in history, the college football teams ranked 1-2 in the nation by the United Press International Board of Coaches will clash head-on next Saturday.

The first meeting of the No. 1 and 2 teams in the 10 years that the board has been rating the country's major college teams was set up today when Iowa retained the top ranking in the board's weekly ratings and Minnesota vaulted from fourth to second.

Iowa held on to the top rung by rolling up 343 out of a possible 350 points in the board's ratings. That's the highest point total in any week by any team since Nov. 16, 1953, when Notre Dame had a point score of 345.

A warning for Iowa — Notre Dame was tied, 14-14, by Iowa the next week and wound up second in the season's final ratings behind Maryland.

Minnesota's spectacular jump was caused by the failures of last week's No. 2 and 3 teams — Mississippi and Syracuse. Ole Miss was held to a 4-4 tie by Louisiana State and dropped to sixth place this week. Syracuse, last year's national champion which had won 16 straight games, took a 10-0 beating from Pittsburgh and slipped to ninth place.

Iowa received the first-place votes of 29 of the 35 coaches who make up the UPI board. Coach Forest Evashevski's Hawkeyes also received five second-place votes and one third-place vote. Of the six first-place votes missed by Iowa, two each went to Missouri and Ohio State and one each to Minnesota and Navy.

Navy, which had to battle to down Notre Dame, 14-7, moved up from fifth to third and will face 12th ranked Duke this week. Missouri followed Navy in moving two places, from sixth to fourth, and Ohio State jumped from eighth to fifth.

Washington moved up from ninth to seventh and Tennessee came from 11th to nail eighth. Rice crashed the elite circle by jumping from 12th to 10th.

Duffy's Still Leading Loop

In the Friday Nite Acey Deucey League at the Jet Lanes, Duffy's Lounge is still in first place with a 17 win and seven lost record. High bowler for Duffy's was Tilly Leeds with a 220, 316 series.

High bowler for the Pure Oil was Dot Holbrook with 349 series. Hardin Ins. Agency took two games from the Capri restaurant to give them an eight win, 16 lost record. High for Hardin Ins. was Pat Harrill with a 132,368 series.

Daphne Beauchamp was high bowler for the Capri.

Dark Planning 'Summit' Confab

SAN FRANCISCO (UPI)—Alvin Dark, a veteran ballplayer who all of a sudden found his self rookie manager of the San Francisco Giants, planned a "summit conference" today with two of his old bosses.

"I'm going to talk to Leo Durocher and Bill Rigney about running this club," Dark said Monday shortly after the Giants had tendered their former shortstop a two-year contract at an estimated \$30,000 per season. "But I'll be talking to them as manager to manager, not as a ballplayer to a manager."

Durocher managed the Giants to two National League pennants and one World Series victory when Dark was his shortstop. Alvin also played for about two months under Rigney in 1956 before the Giants traded him to St. Louis.

Durocher had been mentioned prominently as a successor to Rigney, whom the fifth-place Giants dropped last June 16 when the club was second in the standings. Chief scout Tom Sheehan, who is getting his old job back, managed them during the interim.

Dark Planning 'Summit' Confab

"Rig is a good friend of mine and I respect his judgment," Dark said, after getting the former Giant skipper's phone number from a reporter. "I sure hope he leads that job managing Detroit."

Dark, 38, a devout Baptist, returned to the Giant organization from the Milwaukee Braves after considering the offer for a week. He said he did not know if he would keep on playing.

"I talked things over with my wife, Adrienne," Dark said. "We make all our decisions together and we considered this religiously. Then we prayed that it would be a good move."

It marks his first time out as a manager.

The deal was consummated Monday when the Braves, the fifth National League club he had played with since breaking into the majors 14 years ago, traded him to the Giants in exchange for utility player Andre Rodgers.

Dark said that he always wanted to be a manager and had picked up as much information as he could listening to Ed Stanky, his roommate for four years, Durocher and Charlie Dressen. But he did not affect the role of a strong man who had arrived to straighten out a team often pronounced riddled with factionalism.

"In the first place, I don't want a free hand in running the ball club," he said. "I don't think any first year manager should have a free hand. As a matter of fact, no manager should have a free hand. After all, I've known the men in the Giants organization for a long time."

"Horace Stoneham, Chub Feeney and Tom Sheehan and the rest are all fine baseball men. I certainly expect to cooperate with them and use their advice."

Mr. & Mrs. Leaders Still Pacing Loop

Ruths, Simas, and Davies remain undaunted on top of the pack in the Mr. & Mrs. Bowling League.

Don Ruth carried his team to victory this week with a 211-557 effort to down Bolton's 3 to 1. The always steady Ralph and Shirley Simas rolled to a 4-0 win over Martins, to hold second place one half game behind Ruths.

Roy Davies carried his team to a 3-1 win over Slezakowski's with a 205-557. Slezakowski's only win came on Joe's fine 221 game; high game for the week. Davies' remain in third place 2 1/2 games behind the leaders. John Spolski had high series for the men with 561. Weekly honors for the girls go to Cathy Poulter for a 180-479.

Kegler All-Stars Open Competition

The best of Sanfords male bowlers began a 28 week schedule of scratch competition last Wednesday night at Jet Lanes. The eight three-man teams seem to be very evenly matched since four teams are tied for first place and the remaining four teams all tied for second place at the end of the first night of competition.

Stand-outs for the first night were George Kenis and Ed Callan of team No. 3; they had 247 and 238 games respectively. A 603 series by Garry Fox of Garlyn Kenels was high in that department. Other keglers pushing the 600 mark were John Spolski 598, George Kenis 591, and Bob Borsdorf 590.

Ravenna Park Open House Attracts 1,500 Viewers

The Ravenna Park Homes open house attracted families from all over Central Florida Sunday to see the seven models of three and four bedroom homes.

The door prizes, an electric blanket, donated by Sanford Electric Co., went to Mrs. P. L. Elmore of 1101 Lincoln St.

Parents showed interest in the family planned homes and kiddies were wide-eyed waiting for rides on the ponies in the play area of the park.

The home with the solid oak block floors drew the largest amount of attention along with the demonstration of the Partio

Cart, a deluxe all-outdoors cooking and serving unit. It was demonstrated by Lucy Nowlin, home economist for Florida Power and Light Co., and Dave Thrasher, sales representative, Shoemaker Construction Co., builder of the homes, reported that this was a most successful home showing with about 1,500 people in the area visiting Ravenna Park and viewing the homes.

New York Police Boss Threatens To Call Out Marines On Strike

NEW YORK (UPI)—New York City Police Commissioner Stephen P. Kennedy threatened today to call out the Marines if discontented policemen carry out a massive "sick" strike on election day.

Kennedy, buffeted by a feud with his own force, added that if the Marines were not available Nov. 8, he would call on the militia, the military police or the paratroopers to protect the "sacred" right to vote in peace. He also said he would fire any policemen involved in such a strike.

However, John J. Casese, president of the Patrolmen's Benevolent Association which has long

called for Kennedy's resignation, denied any "sick" strike was afoot for election day when the entire 24,000-man force is used because of the voting. Kennedy said Monday he had reports that large numbers of policemen planned to call in sick and say they were too ill to report to the police surgeon for a checkup, making it impossible for the police doctor to verify or object to all sick reports by making house calls.

The election day strike report followed a traffic ticket "slow-down" or strike exactly one week ago, allegedly called by leaders of policemen who objected to Ken-

neddy's sharp crackdown on the illegal but prevalent practice of "moonlighting," in which patrolmen hold outside jobs to supplement their salaries.

Benson To Lead UF Campaign In Casselberry

Mayor William M. Benson of Casselberry has accepted the job as chairman of the United Fund Drive in that area. It was announced today.

The mayor reported that 10 persons have already volunteered to help with the campaign in Casselberry.

W. E. Gray, Lake Mary, will hold a meeting Monday at his home for all workers to kick off a two-week crash drive for the UF. The Lake Mary area is the only area announced so far to have a house-to-house drive. Gray will work with 30 volunteers to cover the area.

The kick-off breakfast for the 400 Club will be held at 8 a. m. Thursday in the Civic Center. Businessmen in the Greater Sanford area have been contacted to attend and become members of the 400 Club for UF.

Engineers To Join Commissioners At Drainage Session

The County Commission will have extra help with them tonight when they meet with the Orange County Commission on the joint water management program.

A representative of Reynolds, Smith and Hill, Jacksonville engineering firm hired for a countywide water control study, will sit in on the meeting to advise the local governing body on the \$300,000 project.

Three representatives of the firm, met with commissioners Tuesday afternoon and agreed to have one of their officers, Earl Scott, attend the meeting.

One phase of the project involves eight and a half miles of channel improvement, bridges and structures on the Little Wee River at an estimated cost of \$100,000. A similar area would cost approximately \$200,000.

The meeting is scheduled for Orlando at the Orange County Courthouse.

Norman Bryant of the engineering firm also informed commissioners that he hopes to have most of the data on the survey completed in about one month, including a list of the top priority projects in the program.

Commissioners agreed that "critical" areas such as landlocked Lake Orieta and the Econlockhatchee, Wekiva and Howell areas would be studied first.

Bryant said he hopes to meet with federal authorities in about a month in Jacksonville on the cost of the program and urged a representative of the commission, County Engineer Carlton Bliss, and attorney Mack Cleveland Jr. to attend the meeting.

Hearing Likely On Road Board Member's Books

CLEARWATER (UPI)—A hearing is expected to be scheduled in the next few days to consider a permanent court order preventing Road Board member Al Rogero's bank records from being subpoenaed by the Kelly Committee.

Circuit Judge Jack White issued a temporary injunction in Rogero's favor Tuesday and said he would set a date for a hearing on a permanent injunction later.

The committee obtained a subpoena for all of Rogero's records in the Bank of Clearwater after Rogero's name came up repeatedly during a public hearing of the Interim Legislative Committee on Roads, headed by Sen. Scott Kelly of Lakeland, in Bradenton last week.

Rogero sought the injunction on grounds the subpoena called for records as far back as 1934, which predated his appointment to the road board. He argued that such records will involve individuals and firms that had nothing to do with any activity connected with his job as a board member.

He again proclaimed he had

LOOT TAKEN FROM SUSPECTS included three stockings containing almost \$400 in change and several tools that could be used in burglaries. Deputy Slim Galloway joined Deputy L. J. Kriz, center, and Highway Patrolman J. S. Foster in examining the cache of change after three suspects were booked.

Burglary Suspect Held

An alert Seminole deputy arrested three South Florida men believed involved in a large scale burglary ring.

Held for investigation after being caught with \$383.74 in assorted change were Oscar Paul Meyer, 23 of Miami; Glenn M. Shouley, 23, Hialeah and Barney M. Baskin, 27, also of Miami.

The three were arrested early this morning after Deputy L. J. Kriz found four large men's socks in the rear of their car filled with money.

The three have denied stealing any money, Kriz who handled the investigation said.

Kriz with Tuesday morning he spotted a suspicious car with a Michigan tag near the Deck Bar on Hwy. 17-92 near the Westlake Road.

After the car pulled away from the bar he noticed that a telephone booth outside had been "tampered with."

Kriz went out on all points alert for the vehicle, but the Florida Highway patrol and deputies were unsuccessful in locating the car.

Bliss said that about 400 feet in the south section of the flat is low "and, in my opinion, subject to periodic flooding."

The commission, during the morning session of the meeting postponed action on the plat until they could hear testimony from Bliss.

Bliss said that about 400 feet in the south section of the flat is low "and, in my opinion, subject to periodic flooding."

Leading the protests against the plat was Commissioner Lawrence Safford who said he felt that the land was just not suitable for any kind of development.

Cohn said it was the ninth time the plat had been before the commission.

Commission Rejects Plat For Home Development

The County Commission by a 3-1 majority Tuesday afternoon voted to reject a plat for Oakland Estates after hearing County Engineer Carlton Bliss testify that "portions of that area are subject to periodic flooding."

The commission, during the morning session of the meeting postponed action on the plat until they could hear testimony from Bliss.

Bliss said that about 400 feet in the south section of the flat is low "and, in my opinion, subject to periodic flooding."

Leading the protests against the plat was Commissioner Lawrence Safford who said he felt that the land was just not suitable for any kind of development.

Five Circuit Court Cases Docketed

Five Circuit Court cases have been set for trial this month by Circuit Judge Volie Williams Jr. after defendants pleaded innocent at arraignment Tuesday.

Truman Conkle of Bear Lake and Harold D. King Jacksonville, are scheduled for trial on separate manslaughter counts Nov. 7 and Nov. 11.

Conkle is charged with the knife slaying of Albert Sims last spring. King is accused of negligence in the traffic death last May 26 of an 11-year-old child.

The state outgrossed a man slayer charge against Noah Goodman, 76-year-old Sanford Negro, charged in the pistol slaying of Willie Dallas, also a Negro.

The other trials involve Oscar Veilleux, Altamonte Springs, accused of incest, Nov. 11; William Seauack, Fern Park, four counts of breaking and entering and larceny, Nov. 9 and James Pringle, Sanford Negro, aggravated assault, Nov. 9.

Judge May Poll Finch Trial Jury

LOS ANGELES (UPI)—A report on marathon deliberations in the second murder trial of Dr. B. Bernard Finch and Carole Tregoff may be ordered Thursday by the trial judge if the jurors do not reach a verdict today.

Superior Judge Leroy Dawson denied Tuesday a defense motion to poll the 11 women and one man to see how they stood numerically without reference to guilt or innocence.

Such a poll, the jurist said, might be taken Thursday if no verdict is reached.

At day's end, the jury had deliberated an even 46 hours, surpassing by 9 hours and 40 minutes the point at which the first trial jury found itself in hopeless discussion.

Science Club Sets Thursday Meeting

Dr. Harlan Rhodes, a nematologist from the University of Florida experimental station in Gainesville, will be the guest speaker at a meeting of the Science Club in the Seminole High School Glee Club room.

Rhodes will speak at 7 p. m. Thursday and will discuss the nematode problem in Florida.

Halloween Art Winners Listed

Winners for the Sanford Recreation Dept. Halloween Art Contest in the Junior High division were Don Thompson, first, and Bobby Stewart, second place.

The Senior High winners were Judi Taylor, first, and Frankie Ballard, second place.

Paintings for the Halloween Art Contest were done on windows of downtown stores with special paints furnished by the Recreation Dept.

Temporary Tax Relief Asked In Orieta Area

Properly owners from two subdivisions hard hit by high waters all year asked the County Board of Equalization for "temporary tax relief" at the first equalization session this morning.

Only about 36 persons attended the morning session as compared with 300 last year.

Residents of Orieta Gardens asked the board for temporary relief as most of their property has been covered by water since Jan. 1.

A. S. Merrill from Florida Haven on Lake Mary said he had no complaint about the assessment but said "we need some relief as my property isn't worth full cash value because of the critical high waters."

The board agreed to consider the matter.

The board also had requests for tax reductions because of low flying planes near the Sanford Naval Air Station and agreed to study that also.

The board also received 63 written complaints on appeals for homestead exemption and all of them were denied. Most of the complaints were denied because there was no title in the applicant's name by Jan. 1 or they were allowing the property to be used for rental purposes.

Indications are that the board should wind up the complaints by either this afternoon or Thursday morning.

At noon there were only a few more complaints to be heard. The commission will review all the complaints, check the property involved, and reach its final decision in about three weeks.

Board To Support County Library

The County Commission Tuesday agreed to work with the trustees of the county law library in establishing and installing the library in the courtroom at the courthouse.

The board appointed Commissioner J. H. Van Hoy to meet with the trustees on the cost and plans for the library which is expected not to exceed \$500.

Edwin Shindler, attorney, and a member of the trustees appeared before the board and cited the importance of the library.

He said that a partition in the rear end of the court room would be suitable and all the library would need is a 15 by 20 area.

Blood Bank Visit Is Postponed

The Mobile Unit of the Seminole County Blood Bank will not be in Lake Mary today. The mobile unit has been postponed until Nov. 22. The mobile unit will take individual donations which will be credited to the Lake Mary Bank supply.

Kennedy Says GOP Uses Bomber Fund For Votes; Ike Joins Nixon Rally

By United Press International
Sen. John F. Kennedy accused the Eisenhower administration today of releasing an additional \$155 million for development of the B70 bomber "to increase Republican votes."

The Democratic presidential candidate said the administration's decision to release funds made available a year and a half ago by the Democratic-controlled Congress was "a transparent political maneuver" rather than an effort to increase national defenses.

"Far from being credited for

moving now, the administration should be blamed for acting so slowly on such a vital weapon," Kennedy said.

His comment came as he began a second and final day of campaigning in Vice President Richard M. Nixon's home state to capture the 32 electoral votes which California gave in 1952 and 1956 to President Eisenhower.

Kennedy detailed an educational program he would put into effect if elected president and charged that "the current crisis in our educational system" was caused by "failure to meet our responsibilities over the past eight years."

Kennedy got tumultuous ovation in Los Angeles Tuesday from a downtown noon-hour crowd which police estimated at about 200,000. He made a series of speeches in the area, winding up before about 35,000 persons inside and outside the stadium at East Los Angeles College where he was introduced by Adlai E. Stevenson, Democratic standard bearer in 1952 and 1956.

Earlier, before perhaps 6,000 cheering supporters outside the Douglas Aircraft Co. plant at Long Beach, Calif., Kennedy for the second consecutive day lauded Nixon for his use of Eisenhower in the campaign.

Amid laughter from the crowd, Kennedy said he understood Nixon spent two and a half hours at the White House Monday "asking the president to go with him to Pittsburgh and Cleveland."

In New York Nixon, campaigning for the first time with President Eisenhower at his side, told cheering throngs today that Kennedy is too small a man for the big job in the White House.

Nixon and Eisenhower made their campaign debut together before a crowd of 10,000 to 15,000 at Long Island's Roosevelt Field shopping center, then set out on a day-long quest with Henry Cabot Lodge and Gov. Nelson A. Rockefeller for New York State's 45 electoral votes.

The GOP presidential nominee told Long Islanders that although Kennedy claimed "this is a time for greatness and I am great," the Democratic nominee actually lacked the stature of current Republican leadership.

The vice president said his opponent's charge that America has been standing still during the Eisenhower administration is "the silliest thing that has been said in this campaign." He also assailed Kennedy for picturing Eisenhower as "swung" on the Quemoy-Matsu and Cuban issues and in his dealings with Soviet Premier Nikita S. Khrushchev.

Nixon, who called Kennedy a "bare faced" liar over Social Security Tuesday night, told his Brooklyn audience that his opponent would "suck the poor" to pay for Democratic campaign promises.

No Emergency

The Naval Air Station will test its alarm siren at 9 a. m. Thursday and has asked area residents to ignore it as it will not indicate any emergency. The siren will be tested with a 10-minute blast for its periodic check.

McIntosh Heads Juvenile Council

Sanford Attorney Kenneth McIntosh was named president of the Seminole County Juvenile Council at a recent meeting of the organization.

John Mellemott, county mental health coordinator, was elected vice president and C. E. McCord, juvenile counselor, was named secretary-treasurer.

Juvenile Judge Vernon Mize told the group that during September and October there was a total of 76 juvenile offenses with traffic cases the biggest offenders.

Garden Club Joins Drive Against State Litterbugs

The Sanford Garden Club has joined its state organization in combating litterbugs.

The Florida Federation of Garden Clubs theme, "A More Beautiful Florida," led to today being designated Litterbug Day.

During 1951, the Roadside Development Committee of the Garden Clubs became aware of the indiscriminate littering of our streets and beautiful highways, to say nothing of the thoughtless picnickers in our state parks and roadside rests, and the federation board voted to adopt "Don't be a Litterbug" as the official slogan to be used in the Roadside Development Committee's campaign to eliminate this increasing menace. To accomplish a satisfying and permanent anti-litterbug consciousness, garden club members banded together in a unified effort to make their influence felt in "A More Beautiful Florida," Mrs. C. M. Flowers, publicity chairman of the Sanford club said.

In 1952 The National Federation of Garden Clubs followed in Florida's footsteps and started working for a more beautiful America.

Today signs are posted along Florida's highways offering a \$100 reward to anyone reporting someone dumping trash on or near the highways. Some states pay as much as \$1000 reward.

"If we are unable to inspire a voluntary cooperation and pride in the thoughtless individual, then we should support proper administration of laws and ordinances designed to discipline such people."

"The importance of cooperation and enthusiasm cannot be stressed too strongly so let us proceed determinedly toward the achievement of our goal — "A More Beautiful Florida," Mrs. Flowers said.
