ROAD TO TRUE RICHES
MIX NUNS IN THE SNOW

The President's Birthday

It has hitherto been the custom in this country to celebrate the birthdays of famous men after they have passed to the great beyond and at a time, it may be supposed, when they are little inclined to manifest any considerable appreciation for the show of respect and admiration being accorded them on this earth.

In President Roosevelt's case this old custom is being reversed. On his fifty-second birthday, while he is perhaps at the very height of his triumphs on this earth, while he is at least in the full glow of his capacity to appreciate the compliment being paid him, his fellow countrymen are joining in a magnificent nation-wide tribute in his honor.

Hundreds of thousands of persons throughout the whole United States are gathering tomorrow night at more than five thousand balls and entertainments to do honor to their President and to raise funds for the Warm Springs Foundation. It was at Warm Springs, Georgia, that President Roosevelt went when earlier afflicted with the infantile paralysis which threatened his life, and where he found his cure.

There is probably nothing which the American people could have done for the President which would have aroused in him a higher degree of appreciation than the financial assistance which they are preparing to give to this health resort. The entire fund raised from the admissions charged at these five thousand balls and entertainments tomorrow night will be devoted to the Warm Springs Foundation.

It is interesting to note in this connection that President Roosevelt, himself, had, previous to his emergence into the field of national politics, contributed practically his entire personal fortune to the development of Warm Springs so that others suffering as he had suffered might share in its benefits.

It is a fine story of the true Christian spirit which the American people, with the aid of their President, are helping to write at this time on Warm Springs and the cure for infantile paralysis.

Labor Laws

Miss Frances Perkins, present secretary of labor and first woman member of the cabinet, has an admirable conception of the New Deal. She sees it as the wage earner's Utopia. She sees it as the consummation of the humanitarian ideals and suggestions of a century.

In her recent report to Congress Secretary Perkins outlined many of the measures which must be enacted in order to bring about permanently beneficial legislation for labor. Among her recommendations are the regulation of production by employers themselves so as to improve the lot of workers, and the inauguration of widescale unemployment insurance.

She proposes that there shall be improvement in the safety provided for workers, low cost housing developments, and provision for old age pensions. The labor secretary also names the following six measures which she expects to become permanent laws:

- 1. Shorter hours throughout industry and trade.
2. Higher standards of wages, and particularly, a machinery for regulating the minimum levels of wages.
3. Permanent abolition of child labor.
4. Use of government purchasing power for supplies and equipment to maintain high industrial standards.
5. Boards for hearing locally and investigating and making findings on all complaints of industrial practices and in cases of industrial disputes.
6. General recognition of the desirability of competent wage earners' representation, elected through organization, in all matters affecting industry, labor conditions and civic development.

These changes, says Miss Perkins, while formerly considered as of interest only to labor, are now generally recognized as essential "economic factors for recovery and for the technique of industrial management in a mass-production age."

SANFORD, TWENTY YEARS AGO

Miss Lillie Farnsworth entertained at the primary school recently in honor of Miss Claire Walker and Benjamin Whitner of the Senior Class of the Sanford High School who were members of her first kindergarten class in Sanford. The Senior Class, together with other members of the high school who attended Miss Farnsworth's kindergarten at the same time were among the invited. Those present were: the Misses Claire Walker, Bonnie Murrell, Evelyn Benson, Nina Peckard, Winnie Brown, Marian Gatchel, Katherine Waldron, Mary Gatchel, Adelaide Higgins, Alice Coffey, Viola Padgett, Lucille Rines, Katherine Wilcox, Esther Wilson, Frances Bobb, Marion Phillips, and Raymond Phillips, and Benjamin Whitner.

Attorney George A. DeCoster has decided to build a new home on the lot now occupied by his present domicile and the contract has been let to George W. Venable. The house will be a modern structure of seven rooms and will be an added attraction to the beautiful residential street of Magnolia Avenue.

Miss Ann Whiting expects to leave on Sunday for Richmond, Va. where she will meet the children of Mrs. J. H. Strayer and bring them to Sanford where they will spend the remainder of the winter season with their grandparents, George and Mrs. J. C. Strayer.

HARRIMAN CASTS FURTIVE EYE ON NATION'S FUTURE

Trade Body Head Has Fears Over Results Of Present Program

BALTIMORE, Jan. 29.—(AP)—Henry I. Harriman, president of the Chamber of Commerce of the United States, said Thursday "we may well look with apprehension to the future" if those now receiving aid from the government come to regard this assistance as permanent.

In an address at the annual meeting of the membership of the Baltimore Association of Commerce, he said:

"As I see it, the problem is not whether this country can stand a debt of 31 billions of dollars, or whether it can raise 10 billions of dollars in the next six months; the problem is whether the President's program is one which is designed and carried out to stimulate private business in the capital industries, so that the millions of men who are now out of work may receive employment and earn their living without the aid of the government."

"If the present emergency program, with its huge public expenditures, is to end, as the President hopes, with the fiscal year, '34-'35, and if we have a balanced budget in the succeeding year, and soon thereafter begin to reduce our national indebted-

ness, the steel industry has had to contend with a building up of inventories by its customers in advance of the Jan. 1 price increase, but according to "Steel," this has been less of an obstacle in sales to the automobile industry than the new model manufacturing difficulties. With last week's quickening by the motor industry, Crum estimates January production at 160,000 automobiles and trucks, about 20 percent over last year, and expects February will exceed 200,000, which will be about double the volume for that month of 1933.

Steel orders for railway materials and construction projects have not materialized as rapidly as expected. Railroads have been reluctant to purchase materials in advance of requirements, and there have been delays in working out proposed federal financing.

Trammell Has Bill To Aid Printing Industry

WASHINGTON, Jan. 29.—(AP)—Senator Trammell (D. Fla.), introduced a bill yesterday to permit local government agencies operating under the National Recovery program to purchase printing and printing supplies in the localities where the material is used.

Under present law all printing and materials for government offices throughout the country must come from the government printing plant here.

The proposed bill would be operated until June 30, 1935.

Money Bill Passes House Which Okeys All Senate Changes

(Continued From Page One) formalities, for the overwhelming Democratic support of the bill needs House concurrence in Senate amendments almost a certainty today or Tuesday.

Quite a few other bills were piled up, and principal attention centered on them but the accompanying bill has characterized other Congresses is not in slight and the President has indicated his willingness to let some proposals that he favors go over rather than prolong the session.

As tussle with the money bill over, the Senate was in recess until Tuesday when it again takes up the running through interrupted debate on the St. Lawrence seaway treaty.

Senator La Follette (R. Wis.), one of the leaders in the fight for ratification, plans to speak Tuesday in behalf of the Roosevelt-supported act.

The House schedule as the week opened called for consideration of the contest between Mrs. Bolivar E. Kemp and J. Y. Sanders Jr., for a Louisiana congressional seat. Indications last night pointed to acceptance of its committee report that "no election" be declared in the fight between Mrs. Kemp, supported by the organization of Senator Huey P. Long and Sanders.

Pending in the Senate was another source of wordy conflict, the bill of Senator Johnson (R. Calif.) to forbid loans by American firms to foreign nations, which have defaulted in war debt payments.

A motion to reconsider the action which passed the measure has been proposed by Democratic leaders.

Appropriation bills continue to occupy a good bit of time in both Houses. The Senate is waiting for the independent offices bill with its source of potential trouble, the economy provisions, to come out.

Armless Billiard Star To Appear At Monk's

GREENVILLE, S. C., Jan. 29.—(AP)—Death yesterday ended the career of Bony Hampton Peace, widely known Greenville billiard player, the man who can play a better game of billiards without hands than the average man can with two hands after years of practice, will be the attraction at Monk's Billiard Parlor on Magnolia Avenue on Wednesday.

Mr. Sutton, who has placed in every important city in America and in many foreign countries, is in Florida on a tour that will bring him before the billiard and pool fans of this state. He will give two demonstrations of his skill at billiards while at Monk's Billiard Parlor. He will play at 3:15 o'clock and at 7:45 o'clock. Mr. Bennett invites his customers and friends to visit the Parlor to see this performance.

SAFE EMERGENCY LANDING

MIAMI, Jan. 29.—(AP)—Rejecting a city street because of heavy traffic and instead bringing his disabled plane down in a field, Lieutenant Samuel Gandal, former Cuban army officer, and his passenger, Mrs. J. Barientos, the wife of another officer, escaped serious injury.

FIGHT BRIDGE TOLLS

JACKSONVILLE, Jan. 29.—(AP)—Another effort is being made to free the St. Johns River bridge here of tolls. Attempts to do it in state courts having failed, a group of tax payers will ask a three-judge federal court at New York to set aside a federal court at New Orleans against the Duval county mission.

Social And Personal Activities

Social Calendar

MONDAY The Little Theater Club will meet at 7:30 P. M. at the Woman's Club.
TUESDAY Mrs. E. P. Henderson and Mrs. B. C. Smith will be hostesses at the "Ladies Day" at the Woman's Club.

Miss Margaret Davis Presents Piano Recital

Before a large audience of friends, the glass pupils of Miss Margaret L. Davis presented a piano recital on Friday evening at the Women's Club with Mrs. A. M. Phillips, soprano, and the Rev. March J. Bram, violinist, as assistant talent.

Personals

Mr. and Mrs. Carl E. Smith announce the birth of a daughter Saturday at the Fernald-Laughton Memorial Hospital.
Mrs. Alfred Kersey has returned from Jacksonville where she spent a short time with her aunt, Mrs. Arthur Armstrong.

CHRIST'S RETURN IS ASSURED FACT EVANGELIST SAYS

Dickson Explains Bible Prophecies On 2nd Coming of Saviour

The second coming of Christ will not take place in a corner, according to the declaration made by evangelist Louis K. Dickson, last night in his address on the topic "The Return of Jesus - How? Where?" delivered in the Women's Club of this city.

At The Milano Tuesday and Wednesday

MARY CARLISLE and LIONEL BARRYMORE in "SHOULD LADIES BEHAVE"

Birthday Party Is To Be Social Event Of Winter Season

That the President Roosevelt Birthday Party which is to be staged at the Mayfair Hotel tomorrow night in honor of the President will be the social event of the season, the one event which no one will want to miss, was an opinion expressed today by members of the committee on arrangements.

More than 125 tickets had been sold at noon today, indicating that fully 450 persons will be present, while reports from members of the ticket selling committee at the same hour indicated that at least 100 additional tickets will be sold within the next 24 hours.

The vaudeville program will start promptly at 8:30 o'clock in the dining room of the Hotel W. D. Hoffman will act as master of ceremonies, and from that hour until 11:15 o'clock, amateur and professional entertainers will offer their wares.

Dancing will begin in the main ballroom of the Hotel at 10:00 o'clock to take care of those persons unable to get into the dining room for the vaudeville performance. Music for dancing is by the Symphonie Serenaders, through the courtesy of the operators of the Fern Park Gardens Dance Club.

Attention was called to the fact that this affair is strictly informal. All army or navy officers, to be tried or in reserve, and officers of all National Guard units are urged to attend this affair in full military dress to lend a touch of color to what promises to be an outstanding event.

Unknown Leaves \$1700 In Gold On Front Porch

SEATTLE, Jan. 29 (AP)—A nocturnal visitor left \$1,700 in gold coins in a sack on the front porch of the home of Otto P. Snowball, postmaster, here today.

NALVAIDOR RECOGNIZED

CHRISTIAN SCIENCE CHURCH

"Truth" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, Jan. 28.
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And the disciples came, and said unto him, Why speakest thou unto them in parables? He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given."

GEORGIA'S AUTO TAG BUSINESS IS GROWING DAILY

Mail Order Sales Set New High Mark With \$3 Price As Magnet

ATLANTA, Jan. 29 (AP)—Officials in 47 states may storm in private and appeal to patriotism publicly but Georgia's state mail order business grows tag by tag.

Last year Governor Eugene Talmadge told the legislature the cost in Georgia was too much. He argued with them and threw his influence behind a bill to reduce the price. It was no use.

Legislators had not returned to their homes before he issued an executive order making all tags—passenger cars and trucks, one price \$3.

Georgia, fearing the news was too good to last, almost mobbed the motor vehicle license department. Folia in neighboring states heard about it and did their share of buying. Mail order business outside of Georgia set a new high.

Tags went on sale Jan. 1. Residents of other states who did their buying too early last year rushed in their money orders. Home folks, however, lagged behind and with only a few days of the month's buying time without penalty left, thousands have not purchased.

Then came a rumor that somebody was going to enjoy the \$3 sales. The following day the offices of the motor tag division looked like a circus had just pitched tent.

Marcus P. McWhorter, chief of the tag department, chuckled to know that rumor did the work. McWhorter said to date more than 2,500 motorists living in other states have bought Georgia tags and the mails are heavier and heavier with orders.

"Most of our out of state sales come from Florida, Alabama, Tennessee and North and South Carolina," McWhorter said, "but there is not a state missing from our registration list."

"We'll help a Georgia tag to anybody for \$3. Our laws say nothing about a person being a resident of the state of Georgia and you don't have to pay any other taxes to buy one."

"Of course we get kicks from officials in those other states but we can't help it if they people know a bargain when they see it. There's a \$100 penalty after Feb. 1 so those who want the best bargain better hurry."

McWhorter said last year many Florida folks bought Georgia tags. The state officials there waited until their 30-day tourist law had expired and made them buy Florida plates in addition.

"You know," McWhorter said, "I'm Minchew, and Lucille Gattell of Lake Mary, Doris Dorner, Nancy Rosetter, Doris Jackson, Daphne Takach, and Mrs. Julius Takach of Sanford.

Also Glen Cochran, Roy Howell, Fennell, Joseph Hill, Clarence J. Jack Howell, John Marshall Donaldson, Jr., James Thompson, J. Roger Wandy, Thomas Wandy, Howard Boteler, Jr., Norman White, Neil Botie, George Botie, Bobby Brown, Raymond Ball, Jr., William Evans, and Jack Evans of Lake Mary, and John Dorner of Sanford.

Carlson, Spence Weekly Golf Tour

Elmer Carlson and Jim Spence local team entered in the fourth of a series of weekly pro-amateur best-ball golf tournaments staged under the auspices of the Central Florida Golf Association, turned in a card of 66 to win the event, played at the Sanford Country Club yesterday afternoon.

This team had tied for second place at SanLando Springs last week, and had tied for first place at DeLand the previous week.

Second place went to Bob Stupp and H. O. Motts, Orlando team with a best ball score of 87. Third place was won by three teams each turning in cards of 78. They were: Henry Bontempo and Larry Dow of SanLando Springs; Jim Thompson and Millard Moore of Daytona Beach, and Roy Horan and Claude Harmon of Orlando.

Fourteen teams were entered in this tourney.

Home Economic Group Here Saturday

Home Economics teachers at various schools in Central Florida met at the High School on Saturday morning for an all-day session devoted to a discussion of a new course of study.

Miss Beulah Frojen of Tallahassee, state supervisor of Home Economics, presided over the meeting, while Miss Beatrice Olson, Home Economics Supervisor for Duval county led in the discussions of the subject.

Those attending included Miss Mary Holt and Miss Loveland of Daytona Beach, Miss Russell of DeLand, Miss Marshall of Winter Park, Miss Chastain of Palmetto, Miss Antoinette Shinkholder of Henshaw Springs, Mrs. Mary Stone and Mrs. Gladys Adams Smith of Sanford.

ALABAMA HOLDS COURT LOOP LEAD FOR 3RD WEEK

Crimson, Undeatable In 7 Tilts, Appears As Conference Best

Table with columns: Team, W, L, Pts. Fin. Alabama 7 0 202 1st, Kentucky 6 1 193 2nd, Vanderbilt 5 2 184 3rd, Louisiana State 5 2 175 4th, Georgia Tech 4 3 166 5th, Florida 3 4 157 6th, Mississippi State 3 4 148 7th, Tennessee 2 5 139 8th, Auburn 2 5 130 9th, Sewanee 1 6 121 10th, Arkansas 1 6 112 11th, Mississippi 1 6 103 12th.

The Alabama Crimson are packing the loop today, as they have done for the past two weeks, with seven victories and no defeats. They took a pair of games from the University of Mississippi 50 to 25 and 34 to 18, thereby gaining some retribution for the blot splashed on Alabama's football slate in October by the Oxford outfit.

Fast results, however, have shown that the team that leads the race during the regular season more often than not suffers an early defeat in the conference tournament, where the championship is decided. The 1934 tournament is a month off and Crisp is veteran enough to know that although these victories look nice now they quickly are forgotten when another team wins the tournament title.

Kentucky, last year's champion, ranks with Alabama as the only unbeaten team. Kentucky won its fifth triumph Saturday night from Tennessee 53 to 26. Based entirely on results of the six day period, honors go to Vanderbilt, which won all its three games. The Commodores pulled up close enough, with six victories and one defeat for the reason, to be ready to challenge for the leadership should either Alabama or Kentucky falter. The Commodores won from Tennessee 31 to 26, from Sewanee 60 to 23 and from Auburn 48 to 35.

Showing marked improvement in the past fortnight, Georgia's outpointed Georgia Tech, 37 to 33, in the second game of their annual series after the Engineers had won the first rather handily. Louisiana State, looked upon as a sure contender, and the other teams were idle from conference play. However, in cut-throat rivalry, L. S. U. beat Southeastern Louisiana 66 to 26; Sewanee lost to Mr. C. 53 to 18, and Auburn bowed to Birmingham-Southern 30 to 22.

LEGAL NOTICE

Always get the best, fastest and surest treatment for your child's cough or cold. Proven mother's milk and more are turning to Creamulsion for any cough or cold that starts. Creamulsion contains cream with six other important medicinal elements which soothe and heal the membranes. It is not a cheap, sticky, but contains no narcotics and is certain relief. Get a bottle from your druggist, right now and have it ready for instant use. (Adv.)

Bowling News Notes

Sunday afternoon on the Sanford Bowling Club alleys the Sanford Bowlers took 2 out of 3 games from the Leesburg Bowlers and won the match by 114 total pins. G. Weber of the Sanford team had high 3 game total with 566 while John Weaver of the same team had high single game with a 224 game.

Table with columns: Name, Pins, Name, Pins. Sanford: John Weaver 131 137 224 492, G. Haber 161 141 144 446, G. Weber 152 164 152 468, G. Weber 159 153 153 465. Leesburg: W. Medlin 141 142 152 435, E. Schaeffer 140 143 123 406, R. E. Wettstein 159 191 138 488, R. Dunstan 151 166 175 492.

TAMPA, Jan. 29.—Heralded for weeks as the greatest in a line of nineteen great winter exhibitions, the 1934 Florida Fair and Gasparilla Carnival is set for a gala opening Tuesday. As hundreds of workmen clear away debris left in the wake of the \$228,000 CWA reconstruction program, a new army of exhibitors, concessionaires, showmen and others has invaded the fairgrounds to prepare the stage for the eleven day event. Night and day for nearly a week laborers have rushed activities to insure completion of plans and preparations for opening day crowds.

Following a brief inaugural ceremony Tuesday, championship automobile races over the new half mile dirt speedway will blast open the regular programs of special events. For the motor competition such drivers as Gus Schradler of Cedar Rapids, Ia., two times world's dirt track champion, Buddy Calloway of Macon, Ga., Larry Beckett of Dayton, O., Shano Fitzgerald of Dallas Tex., and a host of others will be on hand to thrill first day speed fans.

A new type of outdoor stage entertainment will be introduced to fair visitors Tuesday evening when Behney's Winter Garden Revue, a 28-people musical extravaganza augmented by feature circus and hipodrome attractions, will make its debut on a specially constructed stage in front of the grandstand. Against a colorful background of brilliant lighting and scenic effects, the revue will be the principal entertainment headliner each night of the fair.

STALIN WARNS AGAINST WAR WITH RUSSIA

(Continued From Page One) tory is held only by Japanese military circles," he said. "We know very well it is shared by some political circles in Europe. But if this happens it will be the most dangerous war for mankind in history, not only because the population of the Soviet Union will fight to death to defend the country but because the war also will take place behind the lines of our enemies, where our numerous friends would deal a mortal blow to those daring to take up arms against the Soviet Union.

"These latter will be responsible if they bring about a revolution in a number of countries in Europe and Asia and complete the destruction of land owner governments." The Russian expression Stalin used for "snout" is literally "swine's nose." His speech—his first public utterance in more than a year—consisted of about 30,000 words, fully one-fourth of which was devoted to international relations.

Reviewing the successes of the Soviet campaign to negotiate non-aggression pacts with neighbors and a great improvement in relations with the erstwhile enemies, France and Poland, Stalin found two dark spots on the horizon of Russia's international relations—Japan and Germany. Relations between Japan and the U. S. S. R. need serious improvement," the communist leader

Fans Pick All-Star Georgia Tech Grid Squad Off 3 Teams

ATLANTA, Jan. 29.—(A.P.)—All-time Georgia Tech all-star football team, selected for the Atlanta Journal by its readers and announced yesterday, is limited to players on three of the Engineers' best teams—those of 1917, 1923 and 1928.

Five acres of the 1928 outfit were named, along with four from the 1917 team and two from the 1923 club. Bill Fincher, a tackle of 1917 and a former assistant coach at Tech, drew more votes than any other player—1979. Peter Pund, center on the 1928 team, was chosen behind with 1545, while Raleigh Drennon, a guard on the 1923 team, pulled 1538.

The team, as compiled by Ed Miles of the Journal sport staff, follows: Ends, Tom Jones (28) and Frank Wadley (28); tackles, Bill Fincher (17) and Vance Marree (28); guards, Raleigh Drennon (28) and Walt Godwin (25); center, Peter Pund, (28); quarterback, Albert Hill (17); halfbacks Joe Guyon (17) and Everett Strupper (17); fullback Doug Wycoff (25).

AWARDED CONTRACT

## WATER TREATY IS ARGUED IN BOTH HOUSES

### Roosevelt Holds Off On Devaluing Dollar Until Many Details Of Act Are Arranged

WASHINGTON, Jan. 30.—(A.P.)—Both Houses having disposed of the monetary bill they argued also about the St. Lawrence waterway pact today.

The President decided to hold off on devaluing the dollar and establishing the \$2,000,000,000 stabilization fund until the mechanical difficulty of the task of seizing more than \$3,000,000,000 in gold held by the Federal Reserve is completed.

The treasury's legal experts were busy drafting a series of executive orders covering all phases of the imminent change in the American monetary system last night to have them ready for promulgation as soon as President Roosevelt has signed the dollar devaluation bill, probably late today.

This was disclosed yesterday by Secretary Morgenthau, who also told newsmen the gold of the federal reserve banks, to which the measure gives the treasury title, is, for the present at least, to be left in the reserve.

## Parrish, Schmidt In Capitol On Matters Relating To Roads

Accompanied by Wm. H. Schmidt, local restaurant owner who was active in the Sholtz campaign, State Senator J. J. Parrish of Titusville left here late yesterday afternoon for Tallahassee where they were scheduled to appear before the State Road Department in the interests of several road projects in this county.

Senator Parrish was urged to complete the lakefront boulevard, and the completion of state road and on roads No. 202 and No. 44 in the eastern half of the county.

It was learned at their departure yesterday that through the activities of the Highway Committee of the Seminole County Chamber of Commerce, Harry Papworth as chairman, that Governor Sholtz had requested Chairman Treadway of the Road Department to include a sufficient sum of money in the new road budget to take care of the completion of the lake front boulevard.

Attention was called by the trade body's committee that the road should be completed as an emergency safety measure if for no other reason, because of the fact that there are more or less unguarded railroad crossings between Sanford and the Monroe bridge on the present highway.

## TO WEIGH TRUCKS

Jack Flynt, weighmaster for Seminole County announced this afternoon that he will be at the Court House from 8:00 o'clock tomorrow morning until 8:00 o'clock tomorrow night to permit all truck owners plenty of time to have their trucks weighed before purchasing 1934 licenses which must be secured before midnight tomorrow.

## SINCE JAN. 1 IN FLORIDA

34 KILLED  
168 INJURED  
Because of unnecessary auto accidents.  
"It isn't how good a driver you are—it's how careless the other fellow is."

## RAPS DEMOCRATS

Ogden L. Mills, former secretary of the treasury, who asserted yesterday that the Democratic party had voted President Roosevelt powers that are in opposition to the principles laid down in the Constitution.

## AKERMAN HOLDS AAA AS OPPOSED TO CONSTITUTION

### Wallace Rapped At Hearing As Dodging Test Of Its Legality

TAMPA, Jan. 30.—(AP)—Federal Judge Alexander Akerman today declared the Agricultural Adjustment Act unconstitutional and issued an injunction to a group of Florida citrus growers restraining the State Control Committee from enforcing provisions under the act.

Under an order from the bench at the conclusion of a two day hearing on injunction proceedings brought by the Hillsborough Packing Company and Lake Fern Groves, Inc., Judge Akerman said the act when considered in the light of the Constitution "is so full of holes you could drive eight oxen through it." He said "I would be more than happy if I could avoid the questions presented in this case but if I did I would be a coward." He added that public clamor and threats could not deter him from ruling as he saw the matter.

TAMPA, Jan. 30.—(AP)—Committee for citrus growers and shippers, attacking the farm recovery program and the actions of the state control committee agreed with the government today that Secretary Wallace could not be subject to federal court jurisdiction here but they pressed the request that an injunction be issued.

## Infant Harriett Dies At Home Of Parents

Mary Jean Harriett, two and one-half year old daughter of Mr. and Mrs. W. E. Harriett, died at the home of her parents on Chapman Avenue last night at about 9:00 o'clock.

## WOMAN, TO BE RETRIED

MARIANNA, Jan. 30.—(AP)—A special venire of prospective jurors was drawn yesterday as the second trial of Mrs. Ella Mae Musford on a charge of murdering Miss Inez Lindsay was set for today in circuit court. The previous trial resulted in a jury disagreement.

## TO REDUCE CROP LOAN

WASHINGTON, Jan. 30.—(AP)—Supporters of a 1934 crop reduction loan plan agreed yesterday that an appropriation of \$45,000,000, instead of the \$100,000,000 contained in a bill now before the Senate, would be sufficient to meet the needs of farmers.

## OGDEN MILLS FIRES BLAST AT DEMOCRATS

### Leader Of Repudiated Party Says Attempt Has Been Made To Evade Constitution

TOPEKA, Kan., Jan. 30.—(AP)—Picturing the perils of a dictatorship and assailing the Democratic Administration has attempted to extend the powers of the federal government beyond its constitutional limits, Ogden L. Mills, former secretary of the treasury, last night urged his fellow Republicans to be on guard against unwise public policies.

"I am opposed to revolutionary change without popular initiative and to government by men without any practical limitations of power," Mills asserted in the course of his political faith at their annual Kansas day celebration here, marking the seventy-fourth anniversary of statehood.

Assailing the Roosevelt Administration he indicated the ultimate objective of the recovery program is a "planned and managed economy." He said the "ultimate objective of the recovery program is a 'planned and managed economy' which is a direct violation of the Constitution." He said the "ultimate objective of the recovery program is a 'planned and managed economy' which is a direct violation of the Constitution."

## State Employees Paid From General Funds
