

STILL PAINTING AT 98—Anna Mary Robertson Moses, better known as Grandma Moses, celebrated her 98th birthday by working on a new painting at her studio-home in Eagle Bridge, N. Y. She is famous especially for her American "primitive" works.

Tourist Tells Tale Of Crash In Jungle

RIO DE JANEIRO (UPI)—Brazilian authorities today were investigating an American tourist's tale of surviving a jungle air crash with two other men who still are missing.

Walter Youngblood, who said he has a wife and child living in Reno, Nev., told the story in Belem in the presence of U.S. consular official Robert Gehagan.

Youngblood said he, Keith Courtney and John McDonald crashed 12 days ago somewhere in the Amazon jungle near the town of Sao Paulo de Olivenca while en route from Lima, Peru,

to Rio de Janeiro aboard a Catalina flying boat.

According to his story, he split with the other two after an argument over the best way to reach civilization. They broke up, he said, even though all three were injured in the crash.

Courtney and McDonald, whose addresses are not known, have not turned up. The plane has not been sighted by searching authorities who flew over the crash area with Youngblood.

Youngblood said that while attempting to locate the Amazon River in hopes of following its course to the nearest town, he ran into some Indians who took him to a missionary station.

From the station, he said, he was transferred to Sao Paulo de Olivenca and later to Belem.

Youngblood said he met Courtney and McDonald in Lima and decided to join them when he found they were flying to Rio. He said that was his only connection with the other two. Courtney was flying the plane, he said.

Youngblood said he was flying to Rio to meet friends connected with the now-defunct Cornucopia Mining Co.

The only persons in Rio known to be connected with the former American firm were Fred Belle and Mitchell Ostwind, who were indicted recently by the U.S. government for sale of swindle. Belle claimed he did not know Youngblood.

Gehagan said the only accusation lodged against Youngblood so far was a charge of having entered Brazil without proper documents.

Self-Injection To Doctor Discloses Test Cancer Drug

CHICAGO (UPI)—Dr. Andrew C. Ivy, a leading exponent of the controversial "cancer drug" krebiozen, disclosed today he injected himself with the drug in an experiment to see if it might prevent cancer.

"I have a precancerous lesion on my tongue, the result of smoking a pack of pipe tobacco every week for about 30 years," Ivy said.

He said he would undergo an operation today to remove the lesion. However, during the surgery there is a possibility that cancer cells might be released into the blood stream and spread through the body.

The 65-year-old University of Illinois scientist will not learn until later if the lesion was malignant or if he has cancer.

"I'm taking the drug to prevent cancer cells from growing if there happens to be any there," Ivy said. "I always believe in taking my own medicine."

Ivy termed himself "Exhibit A" in an effort to determine if the drug has any cancer preventive properties.

The white-haired pathologist has been battling for nine years to gain recognition of krebiozen as a treatment for cancer. An American Medical Assn. committee has said the drug is worthless. Ivy said he discovered the sore spot on his tongue last Monday. At first, he said, "I thought I had bitten my tongue and didn't know it." On Friday, he said, "I looked at my tongue and saw there was a white spot on it."

"This is a precancerous sign," he said. "It came from smoking I gave up tobacco in 1946, when I found it was hurting my blood vessels, but these effects are cumulative. Sometimes they take a long time to show up."

Cabinet Releases Funds For Schools

TALLAHASSEE (UPI)—The Cabinet Tuesday made a tentative release of \$1,166,966 for construction of additional school facilities in nine counties.

For the money will not actually be released in the counties until payment is due to contractors working on the projects.

The counties and the amounts tentatively released today were: Charlotte \$28,800, Clay \$63,800, Indian River \$88,400, Jackson \$14,400, Volusia \$170,000, Ochslechee \$170,000, Orange \$130,000, Polk \$275,566 and Walton \$20,100.

State Vote Canvass Figures Released

TALLAHASSEE (UPI)—Sen. Speppard L. Holland defeated Claude D. Pepper by an overwhelming 66,707 vote in the Sept. 8 primary, an official state canvass reported Tuesday.

The canvass, which turned up no surprises, made official the results which were known in most cases the night of the election. Holland had exactly 408,064 votes, carrying all but 11 counties for the Democratic nomination. Pepper collected 321,377 votes of the 729,441 ballots cast, a total far below pre-primary predictions.

Holland still must face Republican Leland Hyzer in the November general election, but is considered a virtual clinch to win in this predominantly Democratic state.

The canvass confirmed that Wilbur C. King won reelection to the Railroad and Public Utilities Commission, but that incumbent Jerry Carter must face James Rianton of St. Augustine in a runoff.

The official canvass also showed these other run-offs left for Sept. 30:

For state senator: Incumbent W. T. Davis, Madison, and L. P. Gibbons, Perry, in the 10th District; incumbent W. E. Bishop, and G. T. Melton Jr., both Lake City, in the 14th; and Lucy Malone Jr. and Wayne E. Ripley, both Jacksonville, for the 18th District seat from which Sen. Fletcher Morgan was ousted at the polls.

House of Representatives: Brevard: James H. Pruitt, Eau Gallie, and William H. Roundtree, Cocoa.

Dade: Group 2: Incumbent John B. Orr Jr., and David C. Eldredge, both Miami.

Duval: Group 2: Incumbent Harry Westberry and Robert R. Roberts, both Jacksonville; Group 3: George L. Proctor and George B. Stallings Jr., both Jacksonville.

Escambia: Group 1: Reubin Asker and Dewey D. Norris, both Pensacola.

Franklin: Oliver Nash and Alfred O. Shuler, both Apalachicola.

Hillsborough: Group 3: William T. Fussell and Tom Whitaker Jr., both Tampa.

Holmes: Samuel Bowers, Westville, and A. P. Drummond, Bonifay.

Lake: Group 2: W. M. Reedy, Eastis, and Bob Skinner, Umatilla.

Lee: Incumbent Walter Sheppard and W. H. Carmine Jr., both Fort Myers.

Liberty: Incumbent J. S. Alexander, Bristol, and R. L. Hosford, of Hosford.

Monroe: Group 1: Incumbent J. Y. Porter, Key West, and R. E. Cunningham Jr., Marathon.

Twelve Twirlers To Be Presented At Halftime Show

Twelve twirlers from the "A" corps of Seminole majorettes will be featured Friday in the first halftime show of the season.

Under the direction of Head Majorette Evie Kratzert, assisted by Judy Herron, the corps will present a new routine to marching strains provided by the Seminole High School Band.

"The Band this year is a young band," said Bandmaster Ernest Cowley. "Thirty of the 50 players are new to our group, including 21 freshmen, four transfer students and five 8th graders from Seminole High. However, I am sure that they will live up to the fine standard of performance achieved by the band in the past.

Absent from the half time spectacular this year will be the Seminole Fan Club. This club has been dropped from extra-curricular activities due to lack of interest.

Mayo In Hospital
TALLAHASSEE (UPI)—Agriculture Commissioner Nathan Mayo was scheduled to undergo minor surgery today in an Ocala hospital, it was reported Tuesday.

Trinidad in the British West Indies is 1,864 square miles in area and lies about 12 miles off the coast of Venezuela.

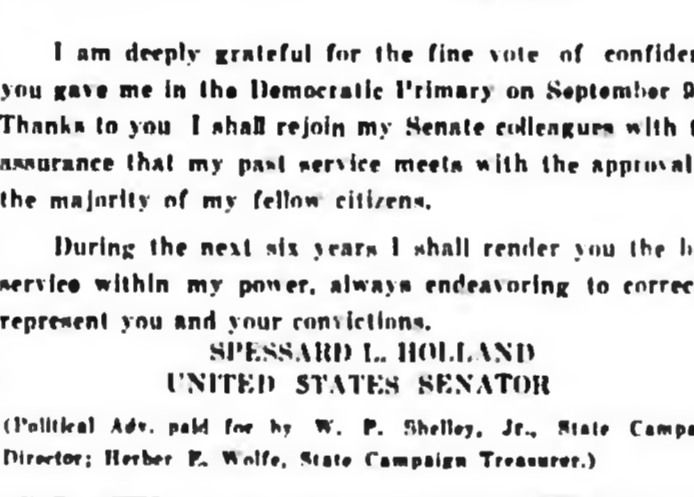

To All Florida Democrats... My Most Sincere Thanks!

I am deeply grateful for the fine vote of confidence you gave me in the Democratic Primary on September 8th. Thanks to you I shall rejoin my Senate colleagues with the assurance that my past service meets with the approval of the majority of my fellow citizens.

During the next six years I shall render you the best service within my power, always endeavoring to correctly represent you and your convictions.

SPEARD L. HOLLAND
UNITED STATES SENATOR

(Political Adv. paid for by W. P. Shelley, Jr., State Campaign Director; Herber P. Wolfe, State Campaign Treasurer.)

Vernon Dunn Charges Dodd Threatened Him

In a statement to The Sanford Herald this morning, County Commissioner-elect Vernon C. Dunn said that he had been "threatened" by present Commissioner of District 4, H. C. Dodd.

"This morning at 9 P. M. Dodd called my house," Dunn said. "He spoke to my wife and I. He said that he understood that I had been in his district yesterday and talked to his men. If he comes back in my district again I'm going to straighten something out with him. He doesn't take of vice until January, but he's trying to meddle in my business now. And then he runs to John Krider with information."

According to Dunn, he found county road superintendent Walter

Negroes To Test State Pupil Law

MIAMI (UPI)—A direct challenge of Florida's Pupil Assignment Law loomed today as the Dade County School Board mailed out letters denying 14 Negro children admission to an all-white elementary school here.

The board voted late Wednesday not to permit the children to attend Orchard Villa, an all-white elementary school located in an area where several Negro families live.

Superintendent Joe Hall said a public hearing will be held Sept. 25 on a motion picture to be shown to protest the board's decision.

Board members said they would explain at that time on what grounds they refused to admit the Negro children. Each case would be handled individually, they said.

This marks the second time Negroes have tried to break alleged racial barriers in Dade County. In an earlier case, 1949, before a federal court, school officials claimed the Negroes did not follow through all procedures outlined by the state's pupil assignment law to gain admission.

NAACP Attorney G. E. Graves, also an attorney in the first case, said this time his clients will go through all steps set forth by the law.

Then he said if they have to go to court, there will be no question that it would be a "direct attack" on the disputed law.

The board took less than five minutes to adopt a resolution rejecting 14 children's request to enter the Orchard Villa School. There was no mention of race, but newsmen learned afterwards that all 14 were Negroes.

Graves, who said he represented only those of the children, strongly protested the board's action. He demanded to know in specific terms what yardstick the board used in denying the children admission.

Florida's pupil assignment law, he said, was "just about as broad as a plan for salvation."

U. S. Judge Rules For Integration; Schools May Close

NORFOLK, Va. (UPI)—A federal judge today granted an injunction which has the effect of preventing state courts from interfering with federal integration orders for schools in this southern port city.

Lawyers said it appeared that the temporary injunction issued by Judge Walter E. Hoffman could apply to any other Virginia cases where efforts are made to state courts to sidestep or nullify federal integration orders.

The action was expected to lead to the closing of six schools here by Gov. J. Lindsay Almond, even though Norfolk City School Board officials may attempt to obtain a stay of Hoffman's original order that 17 Negro students be admitted to the six schools in question.

Norfolk's 34 public schools have been closed for two weeks on a locally-referred delay while state and city attorneys battled in federal courts.

City attorneys here expected Almond to close the six schools where integration is not involved, to open Monday. The governor gave a hint to that effect earlier today.

The governor announced he has cancelled plans to attend a Southern Governors Conference in Louisville, Ky., because of Virginia's integration crisis.

Almond "challenged" President Eisenhower and "joins with us" in calling for an amendment to the Constitution to bring about desegregation.

Going To Series? Tickets All Gone

NEW YORK (UPI)—If you haven't already made application for tickets to the World Series games at Yankee Stadium, forget it.

The Yankees announced Wednesday night they were ready to accept mail applications for box and reserved seats, but warned there was only a small amount of tickets available.

During the past two World Series, mail order tickets were exhausted less than 24 hours after the sale opened.

Vice Consul Shot, Seriously Wounded

NISOCIA, Cyprus (UPI)—U. S. Vice Consul J. P. Wentworth was shot and seriously wounded today by two terrorist gunmen as he stood in the garden outside his house.

Wentworth was struck by three bullets. The gunmen were believed to have escaped in a car. He was taken to the British military hospital where his condition was reported serious.

Wentworth, who is married and has two children, came here two months ago as deputy to U. S. Consul General Taylor G. Belcher.

Lutherans To Get New Church Here

Sanford will see the establishment Sunday of a new Lutheran Church. The first service of the United Lutheran Church will be held at 10 a. m. in the Sanford Shrine Club.

The new church is sponsored by the United Lutheran Church in America. It is directed by the Board of American Missions and the Florida Synod. The mission congregation is associated with the National Lutheran Council and the World Council of Churches.

Board missionary is Ernest Balk Jr., who has been in Sanford since July. The new church was established after numerous requests from area residents and careful study of Lutheran needs here.

Sunday School will begin in several weeks. Chartering of the congregation will follow soon. The initial service will include the regular Sunday services, preaching and special music by a youth choir from St. Johns, Orlando. Nursery accommodations are available. An informal coffee hour will follow.

Pastor classes and catechism training will be announced.

Faubus Favors Fighting School Closing In Court

LITTLE ROCK, Ark. (UPI)—Gov. Orval F. Faubus said today that the only way to keep the Little Rock school crisis from turning into racial conflict is to fight it out in the courts.

Faubus refused to say whether the formation of a private corporation to reopen Little Rock's closed high schools as private, segregated institutions, is his idea.

The Little Rock private school Corp. met and decided to make no effort to reopen the closed high schools as private institutions until after an integration election Sept. 27. The six members of the corporation denied that Faubus had anything to do with it.

"The purpose of this corporation is to get the schools open and by that I mean all the schools, Negro and white," said C. Mitchell, a member of the corporation.

Faubus said in a television interview and in a talk with reporters that he will call out the National Guard to protect life and property, if racial conflict comes.

"But I am not going to send troops to the high school to help enforce integration," he said, "and that's that. That's up to the federal courts and the federal marshals."

He said he is not certain he would use the guard to enforce integration if a majority votes for it Sept. 27. He answered a direct question about that by saying, "No, not unless I choose to."

School Supt. Virgil T. Blossom announced that three television stations will broadcast four hours of lessons a day for Little Rock's 2,100 high school students.

News Briefs

Nominated Again
PROVIDENCE, R.I. (UPI)—Gov. Dennis J. Roberts won the Democratic nomination for a fifth consecutive term in a hard-fought primary contest, unofficial returns showed today.

Marriages Banned
PANAMA CITY (UPI)—Married students have been barred from attending regular classes in Bay County schools.

Identity Sought
FORT LAUDERDALE (UPI)—Police today sought the identification of a heavily tattooed man whose body was found Wednesday near a secluded lover's lane.

A medical examiner said the man, about 35, had been slashed in the jugular vein, choked, and shot in the temple. An autopsy disclosed that he put up a hard struggle before being killed, probably on Sunday.

Strike End Asked
CHARLESTON, W. Va. (UPI)—Atlantic Greyhound Lines went to court today in an effort to break a two-day-old strike of drivers and other employees which has halted bus service in 10 states, including Florida.

Rebels Marching
CAMAGUEY, Cuba (UPI)—Some 500 rebels were reported today to have marched from Fidel Castro's hideout in the eastern mountains to launch an anti-government campaign, said to sabotage the Nov. 3 election.

It's Legal Now
TALLAHASSEE (UPI)—A political officer may legally command a passing car to stop in the pursuit of a lawbreaker, Mr. Gen. Richard Irvin ruled Wednesday.

May Resume Tests
LONDON (UPI)—Moscow radio today said the Soviet Union might resume its nuclear tests.

Quit That Thieving
TALLAHASSEE (UPI)—Gov. LeRoy Collins again called on law enforcement agencies throughout the state to crack down on what he called "an inordinate wave of criminal thefts of our citizens."

Dimes Quota Set
NEW YORK (UPI)—The National Foundation will seek \$5 million dollars in its 1953 March of Dimes campaign, President Boyd O'Connor announced today.

Typhoon Kills 21
TOKYO (UPI)—Typhoon Helen crashed into the treetops Tokyo, Yokohama area today, claiming the lives of 21 persons as it passed out into the Pacific Ocean.

Adams To Go?
WASHINGTON (UPI)—Republican sources said today they expect Presidential Assistant Sherman Adams to resign shortly on the basis of word from President Eisenhower putting it squarely up to Adams whether he stays or goes.

McKibbin To Head Membership Drive
Clifford McKibbin, president of the Seminole County Chamber of Commerce, has been appointed membership chairman, president Mack Cleveland Jr., announced Monday.

Nose Cone Shown
DETRIT (UPI)—A Jupiter missile nose cone that was recovered from the Atlantic Ocean after being fired 1,500 miles was placed on public display for the first time Wednesday at the American Rocket Society meeting.

Rent Too High
BON, Germany (UPI)—The Russian complained today that West Germans want too much rent for quarters sought for a new Soviet embassy in nearby Cologne.

Dulles Asks Cease-Fire; Sabres Down Five Planes

Secretary Places Part Of Blame On Russia In Speech

UNITED NATIONS, N. Y. (UPI)—Secretary of State John Foster Dulles called for a prompt cease-fire and suitable conditions to end the fighting in Formosa Strait.

In a major policy speech to the United Nations General Assembly, Dulles said this should "eliminate provocations" and leave for later peaceful solution the Nationalist and Red Chinese claims and counterclaims.

He said Communist Chinese aggressive moves toward the Quemoy and Matsu Islands pose "a grave threat with ominous implications" which endanger world order.

Dulles said the Quemoy issue is "a simple one armed communist." "There are two indisputable and decisive facts," he said. "These are:

"1. The Chinese Communist regime has fostered during its nine years of existence exercised authority over Taiwan (Formosa), the Penghu (Pescadore) and the offshore islands.

"2. The Chinese Communist regime is now attempting to extend its authority to those areas by the use of naked force."

The United States, Dulles said, hopes that a peaceful solution can be found.

Dulles said the United States did not ignore the argument that the Chinese conflict is "civil war" or that the offshore islands are physically close to the Chinese mainland.

"But we can scarcely accept the view that nations are entitled to seize territory by force just because it is near at hand," he said.

"The fact is that when one regime attempts by force to take additional territory which has long been under the authority of another government, recognized as such by a respectable part of the world community, that is a use of force which endangers world order."

Dulles laid some of the responsibility directly on Russia by saying that Red Chinese artillery used to bombard the Quemoy Islands "was largely that supplied by the Soviet Union."

Charges Are Filed Against Driver Of Car In Accident

Three counts of manslaughter were filed against Woodson Riley Smith this morning when the young Navy man was turned over to local police.

Smith was the driver of a gas-impaled in a wreck which killed three Orlando residents Sept. 8 at French Ave. and First St.

Smith is in the county jail, in lieu of bond set at \$1,000 on each count. An inquest will be held Monday at 3 p. m. in the county court house.

Smith was released from the Orlando Air Force Base Hospital earlier this week. His wife is still a patient at Semmole Memorial Hospital, following injuries sustained in the accident.

Group To Convene Here Nov. 14-16

The Watchtower Bible and Tract Society Inc. will hold a convention in Sanford Nov. 14-16, according to City Manager Warren E. Knowles. The group, known nationally as Jehovah's Witnesses, will study Bible instruction and aid to members.

Maximum number expected is 1,350. Local representative is Ft. S. Stafford.

U. S. Pilots Told To 'Shoot To Kill'

TAIPEI, Formosa (UPI)—Nationalist Sabre Jets shot down five Soviet-built MIG-17 jets and probably damaged another in two separate air battles near the off-shore Quomoy Islands, the Nationalist Air Force announced officially tonight.

It was the first Formosa Sabre air battle since Sept. 8, when the Nationalists claimed they shot down a record number of seven MIG-17s.

The Defense Ministry said Communist artillery shelled two Nationalist patrol craft. But it added that a supply convoy under protection of U. S. Navy and Nationalist forces fought its way through the intense barrage and landed supplies on Quomoy Island.

A U. S. military spokesman disclosed that American jet fighters flying cover over the convoys and protecting Nationalist planes dropping supplies on Little Quomoy have been ordered to "shoot to kill" if Communist planes attack.

The United States backed up this warning by sending F104 Starfighters on patrol over the Formosa Strait for the first time today. The better than 1,000-mile per hour planes are the world's fastest.

Thus far, the Communists have refrained from sending their MIG-17 jets into attacks against convoys escorted by American warplanes.

Communist artillery also has refrained from attacking U. S. convoy vessels and no American war-

Fires Increasing, Ranger Asks Care

Itty weather and a rash of small fires today brought an appeal for more care around woodlands.

County Ranger Robert L. Gray said the Florida Forest Service reported 91 wild fires to date in 1953, compared to only 89 for all of 1952. Total acreage burned by these fires was 1,267, compared to 1,463 acres for all of last year.

Gray said the Forest Service "is worried because of the big increase." He pointed out that the "fire season" covers the next three months. In the first 15 days of this month, the Forest Service reported four fires which burned two acres, compared to three fires last month.

The latest fire reported was a long, railroad, one mile north of Sandalwood Springs, which burned one and one-half acres of woodland, Gray said. Due to the fast action of Ranger Bob Everett, who extinguished the blaze with the power wagon, the fire was under control before it could do too much damage.

"With the fire season approaching, it is important that more care be exercised," Gray said. "Any landowner desiring fire protection around his home or lot should contact us at the Florida Forest Service headquarters in Langwood."

Meeting Slated

Mrs. Lorraine Graham, executive secretary of the Seminole County Tuberculosis Association, will meet with Negro members of the county association Friday night at 8 in the Elks Annex, 500 East 7th St.

Mrs. Mary Jones, consultant in tuberculosis control, will show a movie, J. A. Foster to chairman of the group.

Farm Bureau Hears Forestry Official

The Seminole County Farm Bureau, at its first fall meeting, Tuesday night heard an official of the Farm Forestry Service, Charles Lawson, bureau president, introduced the speaker and presided over the business meeting. Members and their families took part in a covered dish supper in conjunction with the meeting.

Even while Reuther was getting his sleep, however, top union officials were seeking to get Ford workers back on the job as soon as possible.

Reuther said he expected most of the workers to return today but "some have local problems which must be solved before the workers return."

Reuther said he expected most of the workers to return today but "some have local problems which must be solved before the workers return."

ED ANDREWS

Seminole Will Get Full-Time Worker For Scout Program

Ed Andrews of Orlando has been appointed the first full-time Field Scout Executive to serve the St. Johns District of the Boy Scouts of America, according to C. D. Caldwell, Council executive.

The newly-created service area includes Seminole and the west half of Volusia Counties. It was formerly a part of the Lake and St. Johns service area, which has been served for the past 16 years by John Diller of Mount Dora.

Andrews attended Clemson College in South Carolina and Florida State University. He has worked in scouting for more than ten years, having served in summer camp and related positions in Spartanburg, Lallahassee, and New York City.

Andrews is outstanding in water safety training, having been an instructor for many years in the Region 6 water safety program. He has worked closely with the local Red Cross in the same field.

He is a member of the Orlando Jaycees and the East Orlando Optimist Club.

William Tye, Executive Board member of the Central Florida Council, announced the appointment at a campaign planning session at Camp La Noche Andrews was welcomed to the District by the district chairman, Dr. Maxson Hayslett, at the District Committee meeting held at the First Presbyterian Church in Sanford.

Andrews will take up residence in Sanford before Oct. 1.

Champion Thief Nabbed By Police

PANAMA CITY, Fla. (UPI)—Police said a high school senior being held here today boasts of being the world's champion auto hubcap thief.

When he was arrested, officers said, 17-year-old Chester Williams was driving a hubcap from a parked car.

He readily admitted being an expert at the practice and said he had timed himself at three seconds in removing a cap.

But the youth complained that there were so many newsmen in the business that the price for stolen hubcaps had "dropped to nothing," investigators said.

The boy was quoted as saying he collected about 1,000 hubcaps last year and that his record for one night was 187.

We're Unhappy, Too

We're sorry. We're as unhappy as you are. But, we just couldn't get your paper to you any earlier today.

A gear broke. It was impossible to get the press started until the gear was repaired. The repair job took about four hours. Mechanical gadgets are wonderful, but they do fail on occasion. We hope you understand and accept our apologies.

Elizabeth Ashby, Woman's Editor Phone FA 2-2611

MISS DELORIS WILHELMINA JONES

Local Engagement Announced Today

The engagement and approaching marriage of Miss Deloris Wilhelmina Jones, daughter of Mr. and Mrs. W. L. Jones, to Joseph Edward Pickens, son of Mrs. S. M. Pickens and the late Mr. Pickens, is announced today.

The bride-elect was born in Sanford and attended local schools graduating with the class of 1958. She is a member of the First Baptist Church and is presently employed by Mack N. Cleveland, Jr. Mr. Pickens was born in Sanford and also attended local schools, graduating with the class of 1953. He is currently employed with the Atlantic Coast Line Railroad. Mr. Pickens is a member of the First Methodist Church. Complete plans for the October wedding will be announced later.

Career Corner

United Press International
NEW YORK—(UPI)—Beauty, brains, and bunsen burners make a formula for career and husband hunting, says a scientist.

Dr. Clarence E. Larson, research vice-president of the National Carbon Co., a division of the Billion-dollar Union Carbide and Carbon Corp., says companies must recruit young scientists on two age levels. They must head grade-school children into science and attract young women.

Companies need scientists whether married or unmarried, with or without children. Salaries are good, and plenty of bachelors are available, he said.

Firms engaged in industrial research can use about 5,000 more women in important jobs. They include positions as chemists, physicists, and biologists. Although women make up a third of the nation's working force, only about one in 20 scientific workers is a woman.

There also is a call for laboratory assistants who want to work summers during college.

Fellowship Meets

The Christian Women's Fellowship of the First Christian Church held the September meeting Monday evening.

It was announced that Mrs. Perry Stone will attend the Presidents Conference at Silver Springs September 22 and 23.

Mrs. Eunice gave the program entitled "Where Does the Money Go?" The worship program was given by Mrs. Martha Young. The program concluded by the singing of several songs and prayer by Mrs. Young.

Mrs. V. L. Grantham and Mrs. Helen Pierson were hostesses during the social hour, serving sandwiches, cake and punch.

Hairdressers Meet

Unit 31 of State and National Hairdressers Association held their monthly meeting at Ella's Beauty Shop in DeBary.

Betty Class, president, gave highlights of the State Show in Miami, including new laws being introduced in state and national legislatures.

A fashion show will be held sometime in February in observance of National Beauty Salon Week.

New committee were appointed for various duties. Pictures of the group were taken.

Refreshments were served to the 13 members present.

Stud a ham with maraschino cherries as whole cloves. Use the cherry juice to baste the ham during cooking!

Give chicken pie a fancy plaid crust by pressing drained, dried pimientos into rolled, uncooked dough.

Theme Of Fashion Show Announced

The theme of the fashion show and tea sponsored by the Seminole County Council of Home Demonstration Clubs will be "October in Paris."

Street dresses, sport clothes and evening wear from the Hollywood Shop will be shown.

Mrs. Lulu Bailey will play throughout the program, and Mrs. Pina Harrison will sing. Mrs. Rita Bauer will do the modeling in her usual vivacious manner.

Adult models will be Mrs. William Kinnefelter, Mrs. Fred Gans-

as, Mrs. D. F. Talley, Mrs. William Stepper, Mrs. Brantley Henderson, and Mrs. David Rothschild.

Modeling clothes for the teens will be Cathy Griffiths and Carol Grenier. Cline Wheatland will model sub-teen outfits.

The small fry are represented by Ella Boutwell, Susie Southward, Frances Chapman, and Jeri Wheatland.

Mrs. John Hill, another popular Navy wife, will coordinate the models. She and Mrs. C. P. Frossard will also model.

The first meeting of the year of the Enterprise P. T. A. will be held at 7:30 p. m. in the school library.

The Halloween Carnival Committee of Wilson School in Paola will meet at 7:30 p. m. at the school. All members of the committee and those interested in helping are urged to attend.

The Sanford Story League will meet at the Episcopal Parish House at 8 p. m.

The Henry Shelton Sanford Memorial Library and Museum cordially welcomes visitors from 9 a. m. until noon. Mrs. J. B. Ray is present librarian.

Mrs. Darlene Tye and Mrs. Daphne Canell gave a coffee Tuesday morning at Mrs. Canell's home on Rosalia Drive for the outgoing and incoming officers and directors of the Jaycee Wives' Club.

Guests attending the party were: Mrs. Beattie Raborn, Mrs. Lou McDonald, Mrs. Jane Keating, Mrs. Betty McKee, Mrs. Lillian Trama, Mrs. Billie Burke, Mrs. Mary Ann Wilber, Mrs. Irene Harris, and Mrs. Audrey Speer.

During the meeting a surprise gift was presented to Mrs. Darlene Tye, outgoing president, by the outgoing board of directors.

The Joy Ruth Class of the First Baptist Church will meet at 8 p. m. at the home of Mrs. Doc Bennett, 2614 Sanford Avenue. Election of officers.

Youth fellowship meets at 6:30 p. m. in the Pinecrest Baptist Church.

Sunday School preparation in the Pinecrest Baptist Church auditorium at 7:30 p. m.

Registration for the Celestial Choir (4 and 5 years) of the First Baptist Church from 10:30 to 11:15 a. m.; Church Choir (4, 7, and 8 years) from 4:30 to 5:15 p. m.

Associational Sunday School meeting of the First Baptist Church in DeLand at the treston Church at 8 p. m.

The Unity Society meets at 8 p. m. in the Perkins Woodruff Building. The Rev. Josephine Stuckie is conducting a study course in Christian healing. Everyone is welcome.

PTA County Council Holds Meet; Judge Speaks, Plans Formulated

The Seminole County Council of the PTA held the first meeting of the year Wednesday morning at Southside School with Mrs. Ira Southward, president, presiding.

Mrs. William Higginbotham introduced the speaker, Judge Wilson Alexander, who spoke on Seminole County's juvenile problem.

He asked that every PTA in the county appoint a juvenile program chairman to work with him. Judge Wilson has recently visited the Marianna School for boys and he explained the program there, saying that conditions are good. He commended the Seminole County sheriff's department for the help they have given him. An informative question and answer period followed.

Mrs. L. L. Parker presented the proposed budget for the County Council for the year.

Mrs. Ira Southward was elected Seminole County delegate to the district state PTA meeting in Sarasota November 18-20. Alternate delegate is Mrs. J. C. Mitchell.

Mr. Milnes thanked the members of the PTA for their help on the school bond issue and gave a resume of the condition of schools throughout the county.

A PTA school of instruction will be held Wednesday, September 24, at the First Baptist Church. Mrs. M. J. Edwards, Thuisville, president of District VIII, FCPT, will preside. There will be several speakers. Registration begins at 9:15. Lunch will be served, and the meeting will adjourn at 2:30.

PTA county chairman for the year are as follows: juvenile protection, Mrs. William Higginbotham; exceptional child, Mrs. George Pittard; historian, Mrs.

David McCoy; membership, Mrs. John Hughey; budget and finance, Mrs. Edson Golt; room representatives and hospitality, Mrs. R. L. Parker; program and Founders Day, Mrs. Ralph Wight; publicity, Mrs. Velma Mitchell; civil defense and safety, Mrs. R. E. Mitchell; state and national publications and audio visual education and

library, Mrs. William Hardin; isolation and by-laws, Mrs. Helen Barbour; study groups, Mrs. S. A. Tindel; parent and family Mr. Mrs. Byron Smith.

There is a PTA bookshelf at the public library and parents are encouraged to read these books. Next meeting of the council will be held on November 12 at Lake

Editorials

Work Is Necessary; May Be Satisfying

It is often said by older people that the modern teenager does not like to work, or that, if given a task, he makes only a half-hearted effort.

This may be true in some cases, perhaps even in a very large number of cases; but is this trait peculiar to the modern young person? Is today's teenager any different in this respect than the teenager of other years?

Work is a habit that must be learned. Young people have not yet grown to the full maturity of responsibility. They hardly can be expected to work with the same degree of earnestness and dependability as an adult. But, with proper incentive, the teenager can learn both the necessity and satisfaction of honest effort.

Work is defined as the exertion of strength or faculties to accomplish something. It can be physical or mental, or both. Usually it is associated with doing something that has to be done, in contrast to doing what one would prefer to do. Labor, toil and drudgery are synonyms that come to mind when work is mentioned. Work can be drudgery, of course; but it need not be.

The most successful people have been those who have found joy and satisfaction in their work. It is the person who lacks the proper training or who attempts something beyond his capacity who finds drudgery in work.

A mistake can be made by parents seeking to teach a boy the value of work, if in their efforts they demand the impossible or make the load too heavy for young shoulders to carry. They can make even a more serious mistake if they assume all responsibility themselves in order to spare the child any effort on his part. The abused child and the pampered child, alike, are unhappy victims of unthinking parents.

The little child, intrigued by parental example, likes nothing better than to try to do what its parents do. When the child grows older and responsibility has been added, there is less enthusiasm.

The person who has learned the habit of work has a greater chance for success and happiness. The idea that you can get something for nothing is an illusion.

Keep 'Em Separated

The Mayfair Country Club will hold two golf tournaments Sunday. On the front nine will be members of the Mayfair Men's Golf Association. On the back nine, at the same time, will be members of the Sanford Women's Golf Association.

There is a strong possibility that much turf will be disturbed. There always are a few "duffers" in the crowd. And occasionally, a good player will miss the ball.

If men and women golfers must play at the same time on the same golf course, it is wise to separate them. Even so, there could be considerable danger along Fairways 1 and 18 and 2 and 17.

Be careful, men, sometimes a hook or slice can travel a couple of fairways. If hit, you can't blame the lady. You knew she was playing on the back nine.

Citrus Will Find Market In Europe

LAKELAND (UPI) — Marketing conditions in Europe for Florida citrus are expected to be favorable in the coming season, Frank D. Arn, advertising and merchandising director of the Florida Citrus Commission, said Tuesday that his tour of Western Europe revealed only France to be in poor position to buy Florida citrus. He blamed that on France's recent political crisis and North African troubles.

Carrier Departs

MAYPORT (UPI) — The aircraft carrier USS Franklin D. Roosevelt headed for a training cruise in Caribbean waters late Monday.

The huge carrier returned to her home port here last Thursday after three months in drydock for a general overhaul. The length of the cruise is indefinite.

Comms Protest

VIENNA (UPI) — Communist Czechoslovakia has protested to the United States against the Americans involved in illegally crossing Czech borders, a Radio Prague said today.

Letters To The Editor

Editor: With all the talk and letters regarding our Naval Air Station planes, this is an open letter to our base commander.

I believe I speak for many. We live real near the base and as these brave, wonderful crews pass through the air, perhaps if you are no longer young and not well, the noise does bother you. Yes, but when you think of the stout hearted, courageous, fearless boys that are running them, you hesitate to take their safety to our Creator in prayer. These boys must practice regardless of us who want our rest. Let's try to realize this and remember these pilots and their crews and pray for their safety.

As to those pilots, God Bless you, and ask God to be your Co-Pilot.
Mrs. G. Lee Anderson
2638 S. Sanford Ave.

Conning The News

By Virginia Conn, Herald Staff Writer

There's a reason for the rise in hospital bills, I've discovered. In fact there are a number of reasons, set forth by Ray F. Brown, superintendent of Chicago Clinics. Brown states his case in "Hospitals", Journal of the American Hospital Association.

The community's hospital bill is affected by rapid population growth and the changing characteristics of the population. The number of dependents covered under prepayment family certificates is increasing by 33 per cent, according to Brown, while the number of certificates is increasing by only 20 per cent. This is caused by larger families with small children, as compared to the more slowly growing population in age group 25-64 years.

To put the thing in simple language, so I can understand it myself, more babies are being born in hospitals (usually covered by prepayment plans), increased life expectancy causes more older people to use hospitals; there are many more accidents; and now the working woman can't stay home to take care of a sick husband or child. Another factor is small bedrooms in the modern home. There just isn't room for proper care in many cases.

Upshot of the reasons seems to be the inevitable conclusion — whenever a lot of people use something, the price goes up. It's not like buying groceries and having volume push the price down. More workers have to be employ-

ed at better wages, new equipment is needed, additional space must be provided. Hospitals are just like every other community service. If you want the convenience, care and professional aid, you must pay for it. I may be wrong in telling you this, but if you count your food, rent, utilities, laundry and maid service, it would be cheap for you to live in the hospital.

Chimicurl

is season's style with Day and Night versions

The Chimicurl, with Empire feelings, will carry fashion — ably culled women through the winter social season.

FOR DAYTIME... wear the Chimicurl is young and practical with this wispy bang, soft rounded fullness.

FOR EVENING... the Empire emerges from the basic silhouette with the chaste band ribboned or jeweled of Empress Josephine's day.

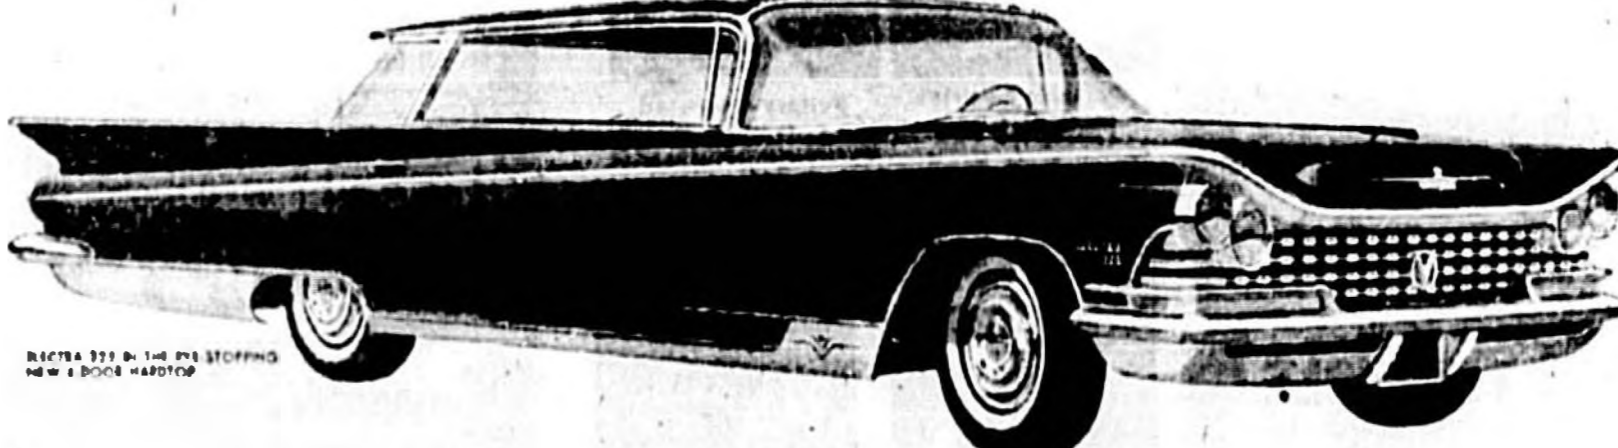

MRS. MINNIE BESS GARNER... has returned from the State Beauty Convention in Miami Beach. While there she received instructions from Nationally Known Artists in Hair Cutting Styling and newest Permanent Waving Techniques.

ON DISPLAY TOMORROW, BUICK '59

THE CAR

Here it is... and now you know! Know why we have called this *THE CAR*. Know that a new generation of great Buicks is truly now here. From just this one view you can see that here is not just new design... but splendidly right design for this day and age. A car that is lean and clean and stunningly low... and at the same time great in headroom and legroom, easy to get into or out of. And when you see your Buick dealer and walk the whole wonderful way around this Buick, you'll know still more how right all this is. From anywhere you look, here is a classic modern concept that is Buick speaking a new language of today. A language of fine cars priced within the reach of almost anyone. A language of quality and comfort and quiet pride of ownership. And when you see your quality Buick dealer and get behind the wheel, the car will speak to you in a language of performance and satisfaction without equal.

THE LOOK. A clean, lean, new kind of fine-car look. The look of the best-engineered, best-manufactured Buick ever built... and the most excitingly beautiful design in Buick's nearly 60-year history.

THE ACTION. Get the feel of thrifty new Wildcat engine. New Electra ride. New 60-horsepower rear brakes and aluminum front brakes. New Twin-turbine and Triple-turbine transmissions.

THE QUALITY. Buick quality to the core, new super-quiet bodies by Fisher. New Magic-Mirror finish retains its beauty longer. New interior door throughout. Safety-Plate Glass over-view. Magnificent new quietness, new comfort, the feel of fine-car quality everywhere. You're in luck, yours to enjoy — the magnificent new Buick for 1959.

Cards Top Braves For Stanley Hack

United Press International
Smilin' Stan Hack is only minding the store for the St. Louis Cardinals but he aims to show a profit just the same.

Announced as the team manager when Fred Hutchinson was fired Wednesday, Hack made a successful debut Wednesday night in a 5-3 victory over the Milwaukee Braves. Hack's objective is to make up a 2-game deficit and beat out the Cincinnati Redlegs for fourth place.

The loss cut the Braves' first place margin over idle Pittsburgh to 3 1/2 games, but their magic clinching number is still only three. The Braves can cut it to two when they play the Cardinals tonight and then could clinch on Friday night.

Ernie Banks hit his 47th homer to lead the Chicago Cubs to a seven-inning, 6-2 victory over the Philadelphia Phillies in the only other National League game. The Detroit Tigers beat the New York Yankees, 5-2, and the Boston Red Sox topped the Kansas City Athletics, 4-2, after a 6-3 defeat in the Only American League activity.

Gene Green knocked in two runs with a homer and a triple as the Cardinals kayaked 20 game winner Warren Spahn in six innings and handed the Milwaukee southpaw a 6-1 1/2 setback.

Banks hit a two-run homer over the left field roof at Sports Field stadium, Philadelphia, and rookie right-hander Bob Anderson limited the Phillies to five hits in the rain-shortened game.

Mickey Mantle hit his 47th homer, a blast that cleared the right field roof at Detroit and was estimated at 300 feet, but Jim Banning held the Yankees to only six other singles for his 13th triumph. Benito Bertoni knocked in three runs with two homers as the Tigers dealt 21 game winner Bob Foy his seventh loss and took the season series, 12-7.

Bill Henza, subbing for Ted Williams hit a two-run homer and Don Buddin and Frank Malone also honored for the Red Sox, who broke an eight game losing streak in the nightcap. The Athletics won the opener on a grand slam homer by catcher Harry Chitt.

Line Scores

Ole Miss, Sugar Champ, Strong Title Contender

OXFORD, Miss. (UPI)—Graduation took nine starters from the Sugar Bowl champion, Mississippi Rebels, but Coach Johnson Vaught is unusually optimistic for a coach in such a plight.

"Defensive play will be the key to a successful season," Vaught said. "It's the toughest part of the game, and with our loss of experienced men, it's apt to hurt us."

"I know we have a big rebuilding program, but the only thing to do is to go to work and get the job done."

Vaught, now in his 12th season at Mississippi, has no patience with critics who label the Rebel schedule a soft touch.

"Whenever we're playing an easy schedule just isn't thinking," Vaught said. "I look for Kentucky and Louisiana State to be the real dark horses of the conference, and we play both of them."

Quarterback Ray Brown led the team to second place in the Southeastern conference in 1935, but started in the New Orleans post season game with a 100-yard touchdown run as the Rebels defeated Texas 29-7.

Graduation got Brown and eight of his first team associates, but

Tech-Tucky Hassle Heads Saturday Gridiron Scraps

ATLANTA (UPI)—Two huge question marks loom over the Kentucky-Georgia Tech game at Lexington, Ky., Saturday night—the first Southeastern Conference headliner for 1936.

First, are Kentucky's sophomores really as good as they appeared in the 31-0 rout of Hawaii? Second, how well will Tech be able to exploit its return to two-platoon football?

Tech coaches insist both questions must be answered in the Yellow Jackets' favor. After watching films of the Kentucky team, which they considered of that Tech-B squad could have romped over Hawaii.

The general feeling around the Jacket camp, after three game-like scrimmages, is that platoon football will be Tech's greatest asset—that the Jackets will be tougher both ways than they would have been with players trying to play both offense and defense.

Led Fifth Team

However, Kentucky Coach Halton Collier realized Hawaii was no test. He dipped into his fifth team in an effort to keep the Tech score down—to no avail. Tech Coach Bobby Dodd has warned the Jackets that Kentucky has a rugged defense and a pair of fine halfbacks in Bobby Craves and Calvin Bird.

Tech has known all along that Craves would be dangerous—the way No. 2 rusher in the SEC last fall. Bird announced his presence last week by scoring four touchdowns against Hawaii.

The only other intra-conference game on tap this weekend matches the Florida Gators and the Tulane Green Wave at Gainesville, Fla. Florida is considered a dark horse for conference honors. Tulane is tabbed for near or in the basement.

Florida Favored

The Florida line, one of the best in the South last season, is regarded by Coach Hal Woodruff as even stronger this year. The Gators are counting on that line, a favorable schedule, speedy quarterback Jimmy Dunn and fullback Charles Little. Bertie for a run at the conference title. Tulane has only four seniors and no real standouts, although quarterback Reine Pettibone is highly regarded.

Four SEC teams go on the road for non-league dates. Vanderbilt will be at Missouri Saturday at tenon. Saturday night, Georgia against LSU will be in the Southwest to meet Texas and Rice respectively. Mississippi, one of the conference kippers, will play Memphis State in what appears to be merely a warm-up for the Rebels.

Among the independents, Chattanooga will be host to Jacksonville State Friday night and Florida State will entertain Furman Saturday night.

Schaal Selecting Judges To Pick Award Recipient

Nine judges will be named in Sanford this week to meet in late November and select the winner of the oldest consecutively presented individual sports trophy in the South—the Peter Schaal Award for the Most Valuable Player on the Seminole High School football squad.

The Herald and now owner of an Orlando advertising firm, enlisted the cooperation of six judges over the weekend. Four have been on his selections committee since 1928 when the first trophy was presented, he said.

Twenty-seven boys have been presented with the trophy since 1928, he pointed out. Three were two-time winners. They were Luf Edelfield, small but scrappy speedy halfback Billy Fleming and a member of the Seminole High teaching staff, who won in 1941 and 1944, strong and sturdy Willis Anderson, the backfield ace who won in 1935 and 1946.

Seminoles, Greyhounds Ready

The Sanford Seminoles and the Lyman Greyhounds clash head on tomorrow night in Sanford in the opening game of another football season.

Both squads are reported to be in top condition and it should prove to be a spectacular game. The Seminoles are rated as a three-touchdown favorite, but the Greyhounds are young and unpredictable and could supply plenty of surprises. There is every indication that it will be a wideopen, high-scoring contest.

The Seminole offense has been very impressive in preseason drills and shows signs of being the strongest spot on the team. The attack is most versatile this year, working basically from the split-T, occasionally from the wing-T. The first and second units have been outstanding in drills.

Senior Quarterback Cecil Dandridge and Left Guard David Stanley have been named by the coaching staff to captain the Seminole squad this season. Fullback Harold Stone has been named honorary captain for the Lyman out their three years at Scenicape shown leadership ability through Dandridge and Stanley have

LOST TO TEAM — Johnny Allred, quarterback for the Sanford Seminoles, will not play football this season. He suffered a knee injury in drills this week. Yesterday, doctors said he should not play this year. (Photo by Hergstrom)

Sanford squad leads Allan Swain and Gerald Jones at ends, Charles Bogan and Don Carter at tackles, Dave Stanley and Kelly Laha at guards, Tommy Butler at center, Cecil Dandridge at quarterback, Lin Risner at left half, Vern Kirk at right half and Harold Stone at fullback.

Lyman Coaches Ruck Metts and Bill Proctor said the Greyhounds will be in top form, physically, and should give the Seminoles a battle.

Kickoff time is 8 o'clock. A record crowd is expected.

Coach Jim Pigott will be starting his second season at Seminole High. In his first year, he led his team to a recordbreaking 9-1-1 record.

Bettering that first year record will be a difficult task, especially in view of the tough schedule the Seminoles face this year. Coach Pigott said "five or six" of the teams on this year's slate, called one of the roughest in the school's history, could upend the Seminoles.

Player Of The Day

—MICKY MANTLE—
Just about the time people start taking Mickey Mantle for granted, the New York Yankee slugger makes 'em sit up and take notice again.

It's been that kind of a year for Mantle. He's set an unwanted club strikeout record by whiffing 112 times and his average is still a shade below the .300 mark. All in all, a pretty punk year, but still one in which he'll lead the American League in homers.

Mantle connected Wednesday for one of his patented specialties—a 500-foot drive that cleared the right field roof at Detroit's Briggs Stadium. It was the first time the roof had been cleared in a regularly scheduled game since Ted Williams did it in 1929.

In recent years, Mickey always seemed on the downgrade as the World Series approached. But this time he appears to be coming along strong and that, of course, could be the difference between the Yankee winning and losing the World Series.

Strong Local Support Needed, USO Officials Say

By Elizabeth Ashby
Herald Staff Writer

Community support is the most vital need of the local USO, members of the operating committee said at their regular business meeting Tuesday afternoon.

The Rev. Nihilus Hubble told of the great need of the GI's for a place where they can feel at home and relax. He stated that Navy chow is not particularly appealing and that the boys are

"starved for attractive foods prepared especially with them in mind."

Home-baked goodies, such as cookies and cakes, are received with much appreciation and delight, he said, suggesting that perhaps something can be worked out with local churches so that each could sponsor an occasional supper for the boys. The USO operates on a very strict budget and cannot fill many of the important needs, he added.

Speaker at the meeting was James A. Dunn, regional executive of United Service Organization (USO) Inc. Dunn, of Atlanta, is touring USO clubs in Florida. He said that the club should be strongly organized, that help of local clubs and organizations "is invaluable."

The USO has a great responsibility to boys in the service, Dunn said. Away from home, friends, church, family and the love and respect of those who know them, they have a gap in their lives that cannot be filled by the military post, Dunn added. He said the importance of junior hostesses and volunteer workers is that they fill this gap by being interested in the boys.

He told of the work of the USO in foreign countries and explained that in many cases, the USO is the only place other than the military post that GI's can eat and seek entertainment.

Following Dunn's talk, Mrs. Malcolm Higgins, staff aide, made an appeal for more local support. She said the community "would realize the need and participate in USO activities if people were acquainted with the boys who spend their time there. They're the nicest bunch of boys I've ever been around."

Howard McNulty, chairman of the local United Fund Drive,

spoke to the committee about the Fund and its relation to the USO, one of the member organizations. McNulty told the group that volunteer help is appreciated and that they could help by endorsing the plan to their friends.

The amount that the USO will receive from the fund, if the quota is reached is \$4,000.

Present for the meeting was Miss Nancy Myers, director of Eastern Florida MCD. She directs three clubs in this area, including the Sanford unit.

Members attending the meeting were Lee Samuel, acting chairman in the absence of Mervin Crandall; L. (JG) A. Williams, in charge of special services in the Navy; his assistant, Mrs. Betty Winters; Mrs. Helen Constantine, acting secretary; Rev. Ernest Bolick, ministerial association representative; Mrs. Harold Kestner; the Rev. Richard Lyons; the Rev. Hubble and Mrs. Higgins.

Night Work Gets Clerk Practice, But No Revenue

TALLAHASSEE (UPI) — A circuit court clerk in Walton County ended up doing a lot of night work for nothing, a state audit showed Monday.

Auditor Bryan Willis said Clerk Leo Andrews agreed to make title searches for road rights of way for \$3 each, much less than commercial companies charge.

Andrews did the work at night, submitting a bill for a 21-month period from June, 1954 through March, 1955, which amounted to \$1,270.

However, the attorney general ruled that research done by the clerk on official records is official business and he cannot collect extra for it. Willis said Andrews gave all the money back.

In other audits, Willis reported that Walton County Tax Collector Alton Henfroe made a \$1,826 error in addition and was short that much in his accounts. But he made it up Aug. 18.

He said Walton Tax Assessor J. Will Kelly failed to keep the official records separate from personal accounts, but a check showed no substantial error.

In an audit of St. Lucie County, Willis said Circuit Clerk W. C. Baggett paid himself for services for which he was not entitled. He said Baggett collected some \$330 in naturalization fees which should have gone to the county. Baggett paid them into the county treasury.

The auditor found no irregularities in the Florida Children's Commission, or in the offices of St. Lucie Tax Collector Curtis M. James and Assessor Calvin P. Poppell.

RAY N. MURRAY

Ray Murray To Be Ordained Sunday

Ray N. Murray will be ordained a deacon of the Pinecrest Baptist Church at 2:30 p. m. Sunday. Murray is a charter member of the church. He and his family have played active parts in church life since its conception.

The sermon Sunday will be given by Donald Grammer, pastor. The Rev. Lewis C. Fitch, pastor of the First Baptist Church, Longwood, will give the charge to the church. Dr. J. Harrison Griffin will give the charge to the candidate. Dr. Griffin is a retired minister who served as interim pastor at Pinecrest.

The Rev. Jack T. Bryant, pastor of the First Baptist Church, Orlando, will present the ordination prayer. The invocation will be given by William Kader, Deacon Emeritus, Pinecrest Baptist Church.

Band Association Plans Fund Drive

The Seminole Band Association met Monday night to discuss plans for fund raising. Proceeds will benefit the Sanford Junior High and Seminole High School bands.

The birthday calendars, used last year to raise money for new uniforms, will again be sold. This year the funds will be used for instruments, badly needed by both groups.

Other activities planned by the Association include a chicken barbecue. The band parents are asked for donations of musical instruments from individuals who no longer use them. The students far outnumber the instruments available.

The meeting was conducted by E. D. Kirehboff. The group meets the second Tuesday of each month.

Budget Session Set
TALLAHASSEE (UPI) — The executive committee of the Florida Children's Commission will hold a budget session here Tuesday, Sept. 23. It was announced today.

Jordan Gets Aid
ANNAPOLIS, Md. (UPI) — The United States gave Jordan another five million dollars in aid this month, raising the total for the 1956 fiscal year to 21 million dollars, a U. S. Embassy source said today.

THE PHANTOM
BESIDES EVERYTHING ELSE YOU'RE MISSING SCHOOL. NO, IT'S VACATION—BUT I'M NOT GOING BACK. MOTHER WON'T HAVE TO WORK SO HARD TO BUY ME THINGS—AND I WON'T HAVE TO SEE MIKE. YOU SEE HOW IT IS. WASH YOUR FACE—IT'S 4-11. HOW DO YOU LIKE TO SPEND YOUR VACATION WITH ME? YOU CAN PRETEND I'M YOUR FATHER.

FLASH GORDON
IT'S A LONG WAY TO VENUS, FLASH—AND YOU'RE LUCKY TO HAVE THE COMPANY OF ANY FELLOW PERSON. WHAT ARE YOU DOING ABOARD? COME NOW, GORDON, YOU'VE HEARD OF THE "PLANET RACER"—HOLD ON TO YOUR SEAT OR THE TV WAVES! I'M GOING TO COVER THE VENUS DISASTER FOR BOB WILSON. WELCOME BACK HOME! YOU'RE GOING TO COVER YOUR OWN FUNERAL, FINE...

ARCHIE
A COOK-OUT? CAN WE GO? OH, HO, HO! I'D LOVE TO READ, THEY WANA' GO! THIS COOK-OUT MOUNT KIDDOY! YOU GIRLS WOULD NEVER MAKE IT! WE CAN TOO! YOU JUST LEAD THE WAY! I TOLD YOU THEY COULDN'T MAKE IT! IT'S YOUR TURN TO CARRY THE MARSHMALLOWS!

THE LONE RANGER
THE LONE RANGER CONTINUES A FURTHER STRUGGLE TO LOOSEN HIS BONDS... THERE'S TONTO! DOC IS TAKING ME TO THE SHACK WHERE YOUR FRIEND IS HELD CAPTIVE. YOU NOT GO THERE YET!

MICKEY MOUSE
COME ON, BEASLE! WHAT A MINUTE BEASLE—THERE'S A STRANGER ANNOYS US!

BLONDIE
DAGWOOD—I'VE CALLED YOU THREE TIMES—YOU'LL BE LATE. I'M SO SLEEPY THIS MORNING I CAN'T EVEN LIFT MY EYELIDS. LET'S SEE WHAT AN ICE CUBE APPLIED TO THE FOOTIES WILL DO. LOOK WHO COULDN'T EVEN LIFT HIS EYELIDS.

GRANDMA
NOPE, I'M NOT AFRAID TO BEAR SIGHTED DOG-CATCHER WILL GET MY PUPP! GOLLY, THERE'S TH' DOOGCATCHER NOW... YESSIR, GLEM, I KNEW YOUR FATHER AN' HE WAS JUST TALL AN' STRAIGHT AN' YOU ARE AN... SEE WHAT I MEAN, GRANDMA?

ETTA KETTY
I TOOK TO GET THAT MOVIE STARS AUTOGRAPH—WHAT A HOBBY SCENE! I THOUGHT YOU WERE GOING TO GET A LOCK OF HIS HAIR OR SOMETHING! AND GET TORN TO SHREDS IN THAT CROWD! NOT ME! I SENT WINKEY FOR A SOUVENIR! HERE HE COMES! HI! I GOT YOU A SLEEVE OF HIS COAT!

BEETLE BAILEY
IN CASE THE SMOKEY STARTS FIRING ROCKETS AT US, THIS DEVICE AUTOMATICALLY SHOTS OFF OUR ROCKETS. I SEE, SO EVEN IF WE ARE DESTROYED THEY WILL BE, TOO. RIGHT! HOW DO WE GET INTO THE MESS?

Oviedo News

By MARIAN B. JONES
Ladies' Night was held Monday at the Oviedo Masonic Lodge No. 845.

As the worshipful master pointed out, it was not the night for Masons, Eastern Stars, or any special organization of that kind. It was Ladies' Night, dedicated to those ladies who have helped their husbands—or men folk—with their Masonic work in any way during the year. Wives, widows, and orphans were all special guests Monday evening.

Members and visitors from Orlando, Sanford, Winter Park, Geneva, Chuluota, Oviedo, Goldenrod, Maitland and Mt. Dora enjoyed the fellowship and get-together before and following the delicious supper.

Roswell Noegel was chairman of the planning committee. Assistants were: Mr. and Mrs. Roy Alford, Mrs. E. M. Olliff, Mrs. Elsie Fleming, Mrs. Ben G. Wainwright, Miss Peggy Fleming, Emmett Kelsey, J. B. Jones, O. T. Kennaird, Ralph and Dick Ingerman.

Some of the young ladies of the community, attired in lovely evening dresses, served the many guests. These included Carol and Gladys Alford, Bessie and Julie Fleming, Carol Parker, Nancy Estes, Julie Gore, and Pat Jackson.

Following the supper, Bob Cameron introduced some of the officers of the local lodge, welcomed everyone and praised the ladies, stand and identify herself. Visitors and members present included Mr. and Mrs. Charlie West and family, Lester, Corinne and Betty West, Mr. and Mrs. Elmer Kost and family, Fred Allen, Dennis and Carl Kost, Theodore Vickery, Theodore L. Bennett, Sr., Mr. and Mrs. Christopher H. Scott, C. R. Tanner, Mrs. M. M. Tanner, H. L. Ingerman and fiance.

Bill and Dick Ingerman, K. R. Allen, Leslie Mason, Mrs. Lois Allen, Mr. and Mrs. A. G. Allen and family, Larry Allen and A. G. Allen, Jr., Sue Jane Harrell, Mr. and Mrs. William H. Clark, Mr. and Mrs. Roswell Noegel, Shirley Ramsay, Robert M. Stalennita, Mr.

and Mrs. Floyd Land; of Orlando, Mr. and Mrs. Joseph Warren, Goldenrod, B. H. Stoniger and Dale Stoniger, Maitland and Winter Park respectively, Bob Williams, Osteen, Mose Taylor, Mr. and Mrs. J. T. McLain, Mrs. Lois Brademeyer, Mr. and Mrs. O. T. Kennaird and J. L. Thomas, Geneva, Mr. and Mrs. Hilton Brown, Sanford, Ann Lastinger, Mt. Dora, Mr. and Mrs. Alvin W. Thurman, Winter Park, E. Westing, Mrs. Hazel Westing, Chuluota, Mr. and Mrs. R. B. Shuts and Mr. and Mrs. J. L. Hostetter, also Chuluota; Mr. and Mrs. Bob Cameron.

Mr. and Mrs. Roy Alford, Mr. and Mrs. D. H. Jackson, Mr. and Mrs. Ben G. Wainwright, Mr. and Mrs. J. B. Jones, Mr. and Mrs. Joseph Linnhart, Mr. and Mrs. L. V. Hart, Mr. and Mrs. J. I. Malcolm, Miss Shirley Malcolm, Mr. and Mrs. T. R. Pipkin, Miss Ginger Pipkin, Mr. and Mrs. Charles T. Niblack, Mr. and Mrs. F. W. Talbot.

Mr. and Mrs. T. L. Lingo, Jr., the Reverend and Mrs. Jack T. Bryant, the Reverend George H. Carlson, Mrs. Elsie Fleming, Misses Peggy, Junie and Bessie Fleming, Mrs. Pauline West, Mrs. Mary J. Young, William B. Shuts, Mrs. Dora Kelsey, Emmett Kelsey, and Misses Pat Jackson, Julie Gore, Carol and Gladys Alford, Bessie and Julie Fleming, Nancy Estes and Carol Parker.

He plans Wedding, It's News To Her

ZARAGOZA, Spain (UPI)—Film star George Sanders today reaffirmed his intention to marry Hellen Hume, widow of Ronald Colman, and said the wedding would take place in six months time.

"We plan to marry in six months," Sanders said. "We have discussed it and that is what we plan to do."

The marriage plans were announced here by officials of a company filming "Solomon and Sheba," on which Sanders is working.

But reports from Switzerland, where Miss Hume is presently staying, said she had denied that Sanders had proposed. Sanders evaded the issue of an actual proposal, but reiterated that "we have discussed it (marriage)."

The 52-year-old actor—formerly married to Zsa Zsa Gabor—added that he hoped to see Miss Hume soon.

NEW BUICK—Sleek and low describes Buick's new styling for 1959. This is the luxurious two-door Electra hardtop, which measures less than 55 inches in height, yet retains approximately the same headroom as last year's Buick. Delta-wing rear fender styling and "angled" twin headlights give Buick a light, jaunty look. New Buicks will be on display tomorrow at Willis Pontiac-Buick, First Street, Sanford.

Pre-Season Citrus Buying Is Heavy

By ROBERT S. McNEILL, United Press International
LAKELAND (UPI)—Florida Citrus Mutual said today 80 per cent of the 1958-59 Florida citrus crop may be committed by Nov. 1, mostly the result of heavy pre-season buying at prices about double the normal.

Robert W. Rutledge, Mutual general manager, told Mutual's board of directors that 75 to 80 per cent of the crop should be committed to markets by Oct. 1 or Nov. 1.

He said advanced buying started with "the bloom four months ago — the earliest pre-season buying we can recall."

Assistant General Manager Herman Steele said prices paid in advanced purchases this summer were from 30 to 60 per cent higher than last year.

He said pre-season purchases this year were boosted by unofficial crop estimates of only 75 and 80 million boxes of oranges.

The directors, holding their first meeting of the new season, also adopted a budget for 1958-59 totaling \$470,000. Last year's budget was \$480,000, but because of the winter's killing freezes, only \$461,000 was actually spent.

The exercise involved an Amphibious Squadron, a Naval Firing Unit composed of destroyers, and a Marine Brigade size landing force supported by Naval and Marine Aviation.

Canadian Mine Craft operated with U. S. Naval Mine Craft in support of the Marine assault. A battalion landing team, landing in conjunction with waterborne troops, was lifted by Marine helicopters from the aircraft carrier USS Keatinge.

A gunnery exercise was held at Pyramid Cove, San Clemente Island, followed by a rehearsal landing on the Silver Strand, Coronado, Calif. The main assault landing took place in the Camp Pendleton area, against Camp Pendleton Marine aggressor force.

Mutual also approved a "program for progress" for the new season, pledging to keep Mutual members "the best informed agricultural producers in the world." The program said Mutual "will constantly evaluate its supply and demand factors and report on them frequently."

The big cooperative also promised it will supply its 8,041 members with "price guide information." This would inform them of what prices they should expect for their products under existing supply and demand balances.

Other Mutual information channels to members such as northern market information and the daily market bulletin will be continued. Rutledge said in contracts made during the summer, Duncan grapefruit brought \$1.00 per box on the tree, Marsh grapefruit \$1.25 to \$1.50 and early mid-season oranges \$2.00 to \$2.50, valencias \$2.50 to \$3.25 and tangeries \$2.00.

Rutledge also reported that the industry is in a favorable position regarding its inventory of processed products. He said the inventory of single strength juice products is now 25 per cent less than at the same time last year and that the industry has on hand now seven million gallons less frozen orange concentrate than it had at the same time last year.

General Manager Homer Hooks of the Florida Citrus Commission suggested to the board of directors that Mutual's legislative committee meet with the commission's legislative committee Oct. 14 to seek concurrence on a 1959 legislative program approved by the commission Tuesday.

"Be alert. One of the suspects you are handling may want to kill you."

"You are members of the best police force in the world. In spite of manpower shortages we can do a good job by giving our best effort at all times."

"Inspect your equipment before each tour of duty."

News Of Men In Service

SAN DIEGO, Calif. (PHINC)—James W. Wallace, seaman, USN, son of Mr. and Mrs. P. H. McWilliams, 107 County Club circle, Sanford, Fla., aboard the tank landing ship USS Floyd County, participated in an amphibious training exercise (Phibex-2) in the San Diego-Camp Pendleton, Calif., area during Sept. 2-14.

The exercise involved an Amphibious Squadron, a Naval Firing Unit composed of destroyers, and a Marine Brigade size landing force supported by Naval and Marine Aviation.

Canadian Mine Craft operated with U. S. Naval Mine Craft in support of the Marine assault. A battalion landing team, landing in conjunction with waterborne troops, was lifted by Marine helicopters from the aircraft carrier USS Keatinge.

A gunnery exercise was held at Pyramid Cove, San Clemente Island, followed by a rehearsal landing on the Silver Strand, Coronado, Calif. The main assault landing took place in the Camp Pendleton area, against Camp Pendleton Marine aggressor force.

Officers Getting Commercial, Too

NEW ORLEANS (UPI)—New Orleans police officers are getting records of duty "commercial" with their regular radio messages these days.

Sandwiched between the normal police calls, these messages crackle through their radio receivers.

"Be alert. One of the suspects you are handling may want to kill you."

"You are members of the best police force in the world. In spite of manpower shortages we can do a good job by giving our best effort at all times."

"Inspect your equipment before each tour of duty."

DeBary News

By Mrs. Adam Muller
The DeBary Women's Club featured a "then and now" fashion show at the Civic Center, Wednesday at 1 P. M. Gibbs of DeLand prepared an exciting array of street, afternoon, cocktail and evening clothes besides fashions for children. These were shown during the fashion revue. Mrs. Myron Accardi was the chairman.

Mr. and Mrs. Ralph W. Porter of Sunset Dr. have returned from their summer home in Sanzaville, New Hampshire.

Mr. and Mrs. Ray Peck, and Mr. and Mrs. Herman Lederhaus celebrated, Ray and Herman birthdays at the Sky Line Restaurant, in Orlando, Saturday.

A breakfast beach party was held Sunday morning at Daytona Beach. Among the guests present were, Mr. and Mrs. Howard E. Rice and their house guest from Fort Thomas, Ky., Mr. and Mrs. O. Zimmerman, and Mr. and Mrs. Ray Peck.

Ground Observer Corps of DeBary to report at G. O. C. Post, Community Center, Shell Rd. for duty Thursday September 18th, from 8 a. m. to 4 p. m. Operation order 354 training exercise. All observation posts in Miami Air Defense filter center area of reporting will take part in so far

as possible and will try to man their posts as many hours as needed. Joseph Santillo, supervisor, DeBary.

The Community Methodist Church of DeBary opened its doors for the first service Sunday. The new building was dedicated by Bishop John W. Brantcomb, D. D.

Guest speakers were the Rev. Jessie D. Waller, Orlando and the Rev. Bascom Carlton, Enterprise. 300 members and guests attended dedication ceremonies.

Fisher Declines To Discuss Liz

LOS ANGELES (UPI)—Singer Eddie Fisher, peripatetic and suffering from a high temperature, kept a personal appearance date Wednesday night at the Los Angeles Press Club but refused to discuss his marital problems.

The boyish-faced crooner, whose dates in New York with actress Elizabeth Taylor were blighted by his separation from Debbie Reynolds, sang several songs before a capacity audience in his first public engagement since the break-up of his marriage.

Asked if he had anything to say about his personal problems, Fisher said:

"I was told I wouldn't have to answer any personal questions. I'm just here as Eddie Fisher."

Ambassador Hits Red China Debate

UNITED NATIONS, N.Y. (UPI) — Nationalist China said today a General Assembly debate on the Red Chinese would "upset the moral foundations" of the United Nations because the Communist regime "has not been accepted" by the Chinese people.

Tingfu F. Tsiang, ambassador for Chiang Kai-shek's Formosa government, told the assembly's General Committee that the Communist regime had liquidated at least 20 million Chinese and clapped another five million in prisons and concentration camps.

"Can anybody suppose the Chinese people would like to have the Communists represent them in the U.N.?" Tsiang asked.

"Domestically, this regime is accepted by the Chinese people. It cannot represent anyone in an international body. It has been branded by the U.N. as an aggressor. It is not peace-loving."

Would Upset U.N.

A debate on the possibility of allowing this regime to take the seat of China in the U.N. would upset the moral foundations of the U.N.

Tsiang supported a motion by U.S. Ambassador Henry Cabot Lodge that the committee decide "not to consider at its 12th regular session any proposals to exclude the representatives of the Republic of China."

Lodge pointed out that similar procedure had been followed in 1951, 1954 and 1957. U.S. spokesmen predicted the assembly would approve it handily again this year.

British Ambassador Sir Peterson Dixon said his delegation would vote for the American motion because the representation question "affects the very structure of our organization and since feelings on it are so strong."

Living Costs Take Slight Dip; First Time In 2 Years

WASHINGTON (UPI) — The cost of living dipped two-tenths of one per cent last month, the government reported today. The August drop was the first in two years.

The Labor Department's monthly report said seasonal declines in food prices and small declines in clothing costs outweighed price rises for other basic family goods and services.

The consumer price index, based on the 1947-49 price average, slipped from 123.9 in July to 123.7 in August. Though lower than July's August figure was 2.2 per cent higher than a year ago.

Ewan Clague, commissioner of labor statistics, said the August dip did not herald any continuing drop in living costs. He emphasized that it reflected heavy seasonally marketing of meats, fruits, and vegetables.

No Downward Trend

"This is no downward trend," Clague said. "The index is now tending to stabilize."

Clague said food prices probably would decline somewhat further this month and then level off.

Clothing costs slipped one-tenth of one per cent, reflecting widespread reductions for men's and boys' sports shirts, men's socks, slacks, shorts, and suits, and women's nylon hose.

Used Cars, Gas Rise

Transportation costs rose six-tenths of one per cent, mainly because of increased prices for used cars and gasoline. Tire prices and auto insurance rates made small advances. Prices of new cars and the cost of auto repairs slipped somewhat.

3 Candidates File In City Election; One Changes Mind

Three candidates yesterday filed qualifying papers with the Sanford City Clerk for the City Commission race, but one withdrew his name early this afternoon.

Elmer J. Still, a retired Navy officer, yesterday qualified for the election. After "considering the matter," however, Still today withdrew his name.

The first to qualify for the seat now held by David Gatchel, recently elected to the County Commission, was David Mathes, a music teacher and employee of the Coca-Cola Bottling Co.

Also qualifying was Troy Glenn Richardson, Sanford produce merchant.

The qualifying deadline for the Nov. 4 election is Oct. 18. The voter registration deadline is Oct. 21. To be eligible to register, a voter must have resided in the city for six months, the state for one year.

Male Chorus Sets Rehearsal Monday

The Sanford Male Chorus will hold its regular Monday night rehearsal in the Civic Center. Tenors will meet at 7:30 in the Annex.

The group is rapidly developing into a well-balanced organization and is scheduled for several appearances in the near future. Chorus Director Harry H. Weir said "We will continue to welcome all men who enjoy singing; the more the merrier. Our only stipulation is that he stay on pitch; his ability to read music doesn't matter," he concluded.

Local Golfer Gets Ace In Gainesville

Bob Willis, superintendent of the Mayfair Country Club, made a hole-in-one yesterday during the sixth annual Florida Turf Grass Tournament at the Gainesville Country Club.

Willis used a four iron for the 153-yard ace.

Members of his foursome were Lloyd Clifton, superintendent of Plo Pinar, Orlando; Andy Cusick, superintendent of the Winter Park Country Club; and Marvin Evans, Jacksonville Beach.

CAMERA JUST TOO MUCH — Despite her soldierly headgear, girl's picture taken was too much for this little Chinese girl's courage and tears were the result. The tot is decked out in her gear as a measure of protection against Communist Chinese shelling of the island of Quemoy. More supplies for the besieged island were unloaded after two Nationalist vessels successfully ran the Red blockade with a U. S. escort. (UPI Telephoto)

Quemoy Not Yalu River, Red Chinese 'Fair Game'

WASHINGTON (UPI) — The Defense department has told U. S. pilots any Red Chinese planes attacking the city of Quemoy are fair game to be chased back over the China mainland.

The new policy contrasts with orders given American fliers during the Korean War. Then a ban was put on "hot pursuit" of Communist planes into the "privileged sanctuary" beyond the Yalu River separating North Korea from Red China.

However, a Pentagon spokesman said U.S. forces in the Far East have not been authorized to bomb Chinese mainland bases.

The spokesman commented in response to repeated questions about dispatches from Taipei, Formosa, quoting an American information officer as saying "U.S. planes might just follow any attacking MiGs to mainland China and bomb those bases."

The Taipei source was U.S. Marine Maj. R. G. Martin, described as a spokesman for the U.S. Taiwan Defense Command. Martin also said U.S. planes flying cover for Nationalist supply convoys were under orders to "shoot to kill" if attacked by Red planes.

The Defense Department here said American forces have "no authorization to bomb mainland bases" and Martin had not been authorized by Washington to say otherwise.

Defense Secretary Neil H. McElroy has described similar statements by U.S. officers as unfortunate "savage talk." But there was no sign here that he had officially told Pacific commanders to tone down their public utterances.

Ronald Perry Gets Board Assignment

Ronald Perry, Sanford recreation director, has been appointed to the Board of Managers of the Florida Association of the Amateur Athletic Union.

Perry attended a two-day convention of the State AAU in Leesburg as a delegate for the Seminole Swim Association, city recreation department swimming group.

As a board member, Perry will assist in handling sports and public relations for better amateur athletics. Although swimming and diving constitute a major section of the state group, the association also guides sports such as boxing, field and track, weight lifting and skin diving.

There are 120 active organizations and recreation departments in the Florida Association.

Perry will attend a convention of the National Recreation Association last night in Atlantic City, N. J. Theme of the conference will be "Recreation in the Space Age." Perry will be gone two weeks. During his absence business for the Youth Wing of the Civic Center will be handled by the City Manager's office.

United Fund Sets Meeting Monday

An organizational meeting of the United Fund Campaign has been set for 7:30 p.m. Monday at the Florida State Bank.

Representatives from participating agencies will be present to discuss their needs. Division chairman, appointed by Howard McNulty, campaign chairman, will also attend the meeting.

A goal of \$36,000 has been set for the campaign, which begins Oct. 1. "Endorse by Giving" has been chosen as a campaign slogan.

Harold Kastner, president of the Seminole County United Fund.

First American Casualty Reported

TAIPEI, Formosa (UPI) — The first American casualty of the Red Chinese bombardment of Quemoy was flown to Formosa today aboard a Nationalist transport plane through a hail of Communist artillery shells.

He was Army Sgt. 4 George W. Johnston of 1117 Highstone St., Springdale, Pa., who arrived from the shell-battered island aboard a World War II two-engine C-47. Eight seriously wounded Chinese soldiers also were aboard.

Johnston, who was hit by a shell fragment during a Communist bombardment, walked off the plane with his left arm in a bloody sling.

Reds Would Stop Firing If Given Quemoy, Matsu

Lunch Supervisors Get Instructions On Civil Defense

Members of the Seminole County School Food Service Association held their September meeting at Geneva School Wednesday night.

Mrs. Mary Nichols, principal, and Mrs. Vivienne Anders, school lunch manager, were hostesses to the group.

Mrs. Onne Rockett, president over the business session which included a discussion of the Civil Defense program.

Mrs. Charlotte Whitmore, County school lunch director, reported that the Red Cross Civil Defense course in emergency mass feeding, which had been requested by the group, would begin on Oct. 8 at South Side School. The class is jointly sponsored by the local Red Cross and Civil Defense units.

Purpose of this course is to give school lunch personnel a full appreciation of the importance of feeding in emergencies and the fundamental principles and problems of emergency feeding. The course will include practical exercises for developing techniques and skills needed in various disaster feeding operations.

The guest speaker was Roger Harris, Seminole County school auditor, who discussed last year's school lunch reports. Harris commended the group for satisfactory records maintained for the past school year.

Seven members of an association will participate in an extension course for school lunch personnel, which will begin in Orlando on Oct. 18.

The following members attended Mrs. Rockett, Mrs. Ruby Calder, Mrs. Florence Olliger, Mrs. Alma Robinson, Mrs. Margaret Egan, Mrs. Ruby Lane, Mrs. Clara Debel, Mrs. Lucia Feder, Mrs. Elizabeth Alfred, Mrs. V. G. Hasty, Mrs. Dorothy Griffith, Mrs. Flora Middleton, Mrs. Marjorie Bryant, Mrs. Ruby Davis, Mrs. Elba Lee and Mrs. Will Moore.

EDDIE AND EIGHTBALL — Singer Eddie Fisher smiles broadly as he holds an eight-ball symbol of the Greater Los Angeles Press Club, after the "trophy" was presented to him following his appearance at the club. It was Eddie's first appearance since his recent separation from actress-wife Debbie Reynolds.

500 Elks Expected For Meeting Here

About 500 reservations have been received in Sanford for the annual fall conference of the Florida State Elks Association Saturday and Sunday. More than 500 are expected to attend the meeting.

Registration will begin Saturday afternoon at the Elks Club. Mr. and Mrs. Harold Koster will host a dance Saturday night. Entertainment will be Bob Billheimer and his "Hula Hoop."

Local Elks will serve a free breakfast Sunday at 7:30 a. m. Registration starts in the Civic Center for the business meeting at 8 a. m.

On display in the Elks Club is a "Starburst," an animated exhibit showing some of the treatment given children at the Harry Anna Crippled Children's Home in Umatilla. The exhibit will be shown to the public next week in state windows of Sanford merchants.

Don Bates in charge of arrangements for the conference.

Local Group Gets Tarpon, Sea Bass

Using a surf outfit and cut mullet for bait, Homer Steffer of Sanford last night caught a 63 pound tarpon in the waters below the coast guard station at New Smyrna Beach.

The huge fish was brought home and fed to the alligators at the Sanford Zoo. Tarpon is an inedible game fish.

Steven Ferguson, a member of the fishing party, kept the pan full when he reeled in a 36-pound sea bass. N. A. Harkey and John Merrick completed the group which reported excellent fishing and good pondage in recent catches of sea bass.

The alligators were happy, too.

3 Schools Closed

Three Virginia schools were officially closed today under the anti-integration edict of Gov. J. Lindsay Almond, and one group of parents agreed on a policy of firm patience in the education crisis.

The governor Thursday assumed "all power and control" over a high school and an elementary school in Charlottesville, laying the integration order of a federal court. This automatically invoked the state's school closing law.

The two schools, with a total enrollment of about 1,700, were to have opened on Monday.

Diplomats Report Talks Deadlocked

LONDON (UPI) — Communist China has offered a cease fire in the Formosa Strait in return for immediate evacuation of the offshore islands of Quemoy and Matsu, informed diplomatic sources reported today.

The sources said the United States has told Communist China a cease fire must come first. In return, the diplomats said, the offshore islands might be neutralized.

This was held to imply the United States would try to persuade Generalissimo Chiang Kai-shek to cease using the island as a base for raids on the Communist Chinese mainland.

The diplomatic sources said these opposing stands were taken by the United States and Communist China respectively at the ambassadorial talks in Warsaw which opened earlier this week.

The source said neither side has budged so far from its stand but that further negotiations may show whether the Peiping regime is prepared to make some concessions to end the Formosa crisis.

In Washington American officials said today Secretary of State John Foster Dulles is laying the groundwork for what he considers an almost inevitable United Nations showdown on the continued warfare in the Formosa Strait.

The secretary, in effect, intends to demand members of the 11-nation world organization stand up and be counted on whether they oppose or condone the Chinese Communists' avowed intention to use force to take Quemoy and eventually Formosa.

Dulles was represented here as being "fed up" with some nations which are quick to invoke U.N. help when they are in danger but critical of the United States when it tries to invoke the same anti-aggression principles in behalf of areas in which they are less interested.

Gov. Faubus Tells Plans For Change In School System

LITTLE ROCK, Ark. (UPI) — Gov. Orval E. Faubus stands in a Sept. 27 special integration election in Little Rock was plain today. He wants the people to vote to reopen four high schools segregated.

Faubus disclosed his attitude Thursday night in a television-radio speech.

He also urged the Little Rock School Board to lease the schools after the election to a private group that will open them with whites and Negroes separated.

"If there has been any change, it has been unconscious," he said. "Certainly I have become more aware of more issues and racial questions involved. I have learned from this controversy, at about any man who has been involved in a controversy of this nature."

He denied he was hoping secretly the voters will demand integration, to "get him off the hook."

"I have never shunned my responsibility as tried to get off the hook by subterfuge," he said. "A bona fide private school system appears to be the only answer to the government's order to integrate at any price."

This is how the plan is supposed to work:

After the special election, which he expects will integrate Little Rock, the schools can then be considered officially unsegregated.

Under an 1875 law, the school board can lease the buildings to a private group which can open them segregated.

A law which a special session of the Legislature passed three weeks ago makes it possible for the state to pay the tuition of the students.

Four From County To Attend Meeting

The 55th annual convention of the Florida Savings and Loan League will be held Sept. 25-27 in Palm Beach. National leaders will speak to the group at convention headquarters, the Palm Beach Towers.

Representing the First Federal Savings and Loan Association of Seminole County will be Mr. and Mrs. George Tuohy and Mr. and Mrs. A. E. Shindler.

County, State Licenses Due; Records Predicted

State and County beverage and occupational licenses for the year 1958-1959 are on sale at the County Tax Collector's office.

Notices have been mailed to all those who had licenses for the year 1957-1958. Approximately 1600 occupational licenses and 160 beverage licenses will be sold. John Galloway, tax collector, said, Galloway pointed out that under present law, holders of beverage licenses must present the license for the current year to obtain a new one. Also if they operate within city limits of any city they must obtain their city license and present same at his office before the State and County license can be issued.

New licenses must be obtained by Oct. 1. If for any reason a license is not renewed by that date, a new application has to be made to the Beverage Department, in addition a payment of a penalty.

Occupational licenses are due Oct. 1 and are required by all who practice a profession such as law, vets, doctors, certified public accountants, real estate brokers, architects, surveyors, engineers, etc.

Also occupational licenses are required of all operators or businesses such as garages, beauty shops, repair shops, barber shops, shoe shine stands, wood yards, liquor stores, wholesale dealers, hotels, motels, motor courts, trailer parks, manufacturing, processing, printing, packing houses, restaurants and cafes, contracting in any of its branches, etc. In addition a license is required for each and every coin operated machine of any description.

Galloway further stated that any one operating a place of business for a profit and permits dancing must obtain a license regardless of whether any charge is made for dancing.

Galloway said it is a misdemeanor to practice a profession of any kind, or to operate any business or coin-operated machines without proper license.

Snark Roars Off From Canaveral; Mission Unknown

CAPE CANAVERAL, Fla. (UPI) — An air-breathing, intercontinental Snark missile roared off in the pre-dawn darkness today on a 6,000-mile flight to the South Atlantic.

The Air Force declined to disclose the mission of the swept-wing weapon, which flies much lower and slower than a ballistic missile. But it presumably was to drop its nose cone, designed to carry a hydrogen warhead, on a target area in the ocean between Brazil and Africa.

The Snark blasted off at a steep angle at 3:35 a.m. and continued on rampet power down the Atlantic tracking range after dropping its two booster engines. More than 80 Snarks have been fired and military crews have been in charge of recent launchings.
