 Evening Service — 7:30 p. m.
 Tuesday: Bible Training — 7:45 p. m.
 Young People Service — 7:45 p. m.

PENALTY

You've been speeding, and you get a ticket. You don't like it, but you know you've been wrong. With little or no argument, you pay your fine.

You've been staying home from church on Sundays for one of a dozen reasons. Maybe you like to sleep late. Maybe the minister in your church preaches dull sermons. Maybe you don't consider yourself the church-going type. Whatever your alibi—nobody's going to come after you.

This is a summons you'll have to serve on yourself. For an infraction of God's law is something that can't be ignored. Until you declare yourself guilty, you will be deliberately shutting yourself off from the greatest fellowship in the world. No judge in history has ever pronounced a sterner sentence.

THE CHURCH FOR ALL — ALL FOR THE CHURCH

Day	Book	Chapter	Verses
Sunday	Psalms	66	8-20
Monday	Luke	12	4-12
Tuesday	Luke	14	15-24
Wednesday	Acts	16	16-34
Thursday	Romans	1	18-25
Friday	Romans	3	9-20
Saturday	Romans	8	31-29

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

President Urges Beefed-Up Attack On Crime

'Malignant' Foe Of U.S.

WASHINGTON (UPI) — President Johnson called today for a beefed-up federal and local law enforcement to attack what he called the "malignant enemy" of growing crime in the United States.

In a special message to Congress, Johnson asked for a comprehensive program including a federal ban on all firearms shipments in interstate commerce.

Only exceptions would be among importers, manufacturers and dealers licensed by the Treasury.

In a lengthy message to the House and Senate, the Chief Executive said there was no suggestion of federal interference through a national police force in the primary police responsibilities of state and local governments.

But Johnson said "crime is no longer merely a local problem."

"The time has come, he said, for a multiple, co-operative federal-state-local effort to 'arrest and reverse the trend toward lawlessness' which is costing the country tens of billions of dollars annually, plus countless lives and many injuries."

The President called this the essence of his program: "Increased federal law enforcement efforts; assistance to local law enforcement efforts; a comprehensive, penetrating analysis of the origins and nature of crime in modern America (this analysis to be completed in a study by a new presidential commission on law enforcement and administration of justice)."

He added: "This message recognizes that crime is a national problem."

"That recognition does not carry with it any threat to the basic prerogatives of state and local governments."

"It means, rather, that the federal government will henceforth take a more meaningful role in meeting the whole spectrum of problems posed by crime."

"It means that the federal government will seek to exercise leadership and to assist local authorities in meeting their responsibilities."

The President had announced previously his intention of naming a commission to study the whole field of law enforcement and make recommendations to combat crime.

WASHINGTON (UPI) — Secretary of State Dean Rusk has ruled out once again any possibility of negotiations to end the Vietnamese war until the Communists decide "to leave their neighbors in Southeast Asia alone."

LONDON (UPI) — Two members of the International Control Commission—India and Poland—today supported Communist charges that American bombing raids on North Viet Nam were "violations of the utmost gravity."

WASHINGTON (UPI) — The U.S. Social Security Administration reported today it collected \$258.4 million in Florida during 1965.

The agency said the money came from a total of \$3.68 billion in wages and self-employed income in the state.

A total of \$17.53 million was paid to 702,229 social security recipients.

WASHINGTON (UPI) — Rep. Charles E. Bennett (D-Fla.) is in satisfactory condition today at Walter Reed Hospital after breaking his left leg in three places Saturday in a fall on ice.

Bennett, a polo victim, carries a cane and has a brace on his right leg. He contracted polo at Luxon in the Philippines during World War II.

Leathernecks In Viet Nam

Reds Protest U.S. Step To 'Aggression'

SAIGON (UPI) — Combat-ready U.S. Marines swarmed ashore today and took up defense positions around the Da Nang airbase only 80 miles from Communist North Viet Nam.

It was the first Marine landing in a combat zone since the Korean war.

Communist China and North Viet Nam immediately protested the amphibious operation as another American step to "widen the war of aggression."

Today's landing involved 1,400 Leathernecks, the first of two Marine battalions totalling 3,500 men who were ordered into South Viet Nam to provide security at the Da Nang base.

It is the jumping off point for American and South Vietnamese air strikes against the Communist north.

The Marines raise the number of American troops in South Viet Nam to a record high of 27,000.

In a major political development, South Viet Nam's powerful Buddhist leaders called on the United States to withdraw its troops from Vietnamese territory.

The Marine landing party encountered no opposition but Communist guerrillas were busy elsewhere in Viet Nam.

Viet Cong unleashed a barrage on mortar and recoilless cannon fire on a U.S. Army special forces camp in mountainous Binh Dinh Province 275 miles northeast of Saigon.

The ear-splitting sound of the Navy jets over the roof tops is probably what sticks with a newcomer most.

He beats a path to the doors and windows to make sure one isn't actually landing on the front lawn.

But in a few days adjustment takes place and he begins to ignore them.

Even in a scholarly full of children there isn't a single solitary upturned neck to gawk at the screaming Vigilante.

After a week you can even hear the telephone jingle with a jet overhead Amazing! Keep flying Navy!

When you get down to brass tacks, there are many changes in Sanford and Seminole County since 1954.

The growth in commercial establishments up and down the Sanford-Orlando highway. The new shopping centers and the many new residential areas.

The dog track and the jalapal and Interstate 4.

The hospital, the Civic Center and the Seminole County Sheriff's Department.

Sanford hasn't stood still neither has it boomed.

There's still a lot of elbow room.

Sanity Hearing Slated For Ruby

DALLAS (UPI) — Judge Joe B. Brown today ordered a sanity trial for condemned slayer, Jack Ruby on March 23.

DALLAS (UPI) — Jack Ruby, almost a year to the day he was convicted and sentenced to death, was to appear in court today for arguments on his sanity.

Judge Joe B. Brown, who presided at the Ruby trial last February and March, ordered the slayer of presidential assassin Lee Harvey Oswald to court for a hearing to decide if a jury should be given the task of determining Ruby's present sanity.

Titan-2 Rocket Springs Leak

CAPE KENNEDY (UPI) — The Titan-2 rocket set for American's first two-man project Gemini spacecraft later this month developed a propellant leak today during a mock launch test.

The leak was discovered in a nitrogen tetroxide line in the booster's second stage 85 minutes after the full-scale seven-hour countdown started.

VOL. 57 United Press Leased Wire Established 1908 MONDAY, MARCH 8, 1965 SANFORD, FLORIDA NO. 141

Burns Promises Rest Areas For I-4

ORLANDO (UPI) — Gov. Haydon Burns said today the first of a series of new rest areas for Interstate highways in Florida will be located on Route Four between Tampa and Daytona Beach.

Burns spoke at dedication of the \$42 million Orlando Expressway, a part of the 144-mile interstate highway crossing the mid-section of the state.

The Governor said it was his personal concern that the super-highways be provided with adequate and attractive rest facilities.

"We are a tourist state and have an obligation to meet the needs of the more than 10 million motorists who visit us annually," Burns said.

State Ponders Entering Hunt For Treasure

TALLAHASSEE (UPI) — Florida is thinking about creating a treasure hunting agency.

The Florida Cabinet has under consideration a proposal from the state museum at Gainesville for a two-year program to recover treasure from sunken ships.

If the two-year program is a success, it would be continued into future years.

The museum asked the Cabinet Trustees of the Internal Improvement Fund—an agency whose duties include governing offshore Florida waters—to sign a contract with the museum.

Freedom Marchers Routed By Police

SELMA, Ala. (UPI) — State troopers and deputies on horseback, under orders from Gov. George Wallace to stop a "freedom" march to the state capital, Sunday tear-gassed 600 Negroes and set them reeling and bleeding under the lashes of clubs, bull whips and ropes.

At least 67 Negroes were injured in the melee, including integration leader John Lewis, who suffered a possible skull fracture.

Two hospitals—Good Samaritan and Burwell Infirmary—reported early today 17 Negroes were hospitalized with broken arms and legs, head injuries, hysteria and other injuries. None was in critical condition.

A policeman was struck when Negroes, in the only riot, retaliation, hurled bricks and bottles.

Constable Hurt In 3-Way Wreck

Constable Robert Carroll was treated and released from Seminole Memorial Hospital Saturday with back injuries suffered when his patrol car was struck at the intersection of 13th Street and Park Avenue late Friday night, police reported today.

Also treated and released was Charles M. Craig, 62, driver of the car which struck Carroll's car and knocked it into the rear end of a taxi driven by Robert Smith.

Craig, whose address was listed as 2401 Willow Avenue, was charged with reckless driving and driving while intoxicated.

All three men were jailed.

Sweden Mourns

STOCKHOLM (UPI) — Sweden today began a six-week period of mourning for Queen Louise.

The beloved monarch became "our queen" to the Swedish people because she shopped in Stockholm's stores and markets just like any housewife.

The queen died Sunday at the age of 75. A great-granddaughter of Britain's Queen Victoria, she suffered a blood clot in her right leg last Thursday.

Washington (UPI) — Rep. Charles E. Bennett (D-Fla.) is in satisfactory condition today at Walter Reed Hospital after breaking his left leg in three places Saturday in a fall on ice.

Florida Solon Hospitalized

WASHINGTON (UPI) — Rep. Charles E. Bennett (D-Fla.) is in satisfactory condition today at Walter Reed Hospital after breaking his left leg in three places Saturday in a fall on ice.

Bennett, a polo victim, carries a cane and has a brace on his right leg. He contracted polo at Luxon in the Philippines during World War II.

Bomb Raids

LONDON (UPI) — Two members of the International Control Commission—India and Poland—today supported Communist charges that American bombing raids on North Viet Nam were "violations of the utmost gravity."

WASHINGTON (UPI) — Secretary of State Dean Rusk has ruled out once again any possibility of negotiations to end the Vietnamese war until the Communists decide "to leave their neighbors in Southeast Asia alone."

No Parley

WASHINGTON (UPI) — Secretary of State Dean Rusk has ruled out once again any possibility of negotiations to end the Vietnamese war until the Communists decide "to leave their neighbors in Southeast Asia alone."

'Hungry'

TALLAHASSEE (UPI) — Bradenton Sen. Ed Price renewed his attack on the Florida Institute for Continuing University Studies (FICUS) this weekend, calling it "a hungry new creature whose appetite seems to be insatiable."

County To Outline Road Plan For State Tuesday

An extensive county-wide highway improvement program will be requested by the Seminole County Commission when it meets with State Road Department officials at 4 p.m. Tuesday at DeLand.

This is the annual meeting when counties present their road programs to the state.

In the proposed primary program (state projects to be accomplished with state funds), No. 1 priority has been given to the four-laning of State Road 46 (25th Street) from French to Mellonville Avenue.

The state already has announced it will open bids for this project on March 30, and will let the contract on April 30.

But, Commission Chairman John Alexander explained, the county has given this project No. 1 priority again "because we want to keep it up there in that position in case the state doesn't get around to it again this year."

Other primary proposals to be presented by the county, listed in priority in sequence: State Road 415 (13th Street-Celery Avenue), from French Avenue to the City limits; SR 426, Goldenrod through Oviedo to Geneva, realign, rebuild and straighten curves, widening strips, resurface; I-4 at Lake Mary Boulevard, construct interchange; SR 419, Gee Creek box culvert, widen abutments; SR 46, I-4 west to Lake County line, four-lane construction; SR 46, Mellonville Avenue east to proposed Osteen Bridge approach, four-lane construction.

SR-425, 419 and 520, from intersection of S-425-427 south across new causeway over Lake Jessup via Oviedo to S-520 at Orange County line, designate as primary road from Sanford to the proposed state university, four-lane construction, (The Lake Jessup causeway long has been proposed.)

SR-436, I-4 west to Orange County line, four-lane right-of-way; SR-436, near Lake How-

ell south to Orange County line, four-lane construction; I-4, at SR-46A (Paola Road), construct interchange, and SR-415, construct new Osteen Bridge across St. Johns River.

Sixteen secondary projects are proposed, to be constructed by the state with county funds held by the state. A number of these tie in with the primary proposals in that the projects will be accomplished with state funds by the state but the county must provide the rights-of-way with the county's secondary monies held by the state.

The secondary proposals are: SR 46, French to Mellonville, four-lane right-of-way;

S-427, from S-434 north to the ACL railroad at General J. C. Hutchison Parkway, two-lane right-of-way and construction; S-426, Goldenrod to Oviedo, two-lane right-of-way to eliminate dangerous curves; S-427, Ginderville to Five Points, two-lane right-of-way and construction; S-427, ACL railroad at General Hutchison Parkway north to Five Points, two-lane right-of-way and construction.

SR-415, realignment for new Osteen Bridge, two-lane right-of-way; SR-436, near Lake Howell south to Orange County line, four-lane right-of-way; S-15, ACL railroad at

Lake Mary north to terminus, widen to 24 feet and resurface.

SR-426, ACL railroad east of S-434 at Forest City, construct railroad signals; SR-436, intersection with S-431 and S-434 at Forest City, construct traffic signal; and engineering and surveying for the following projects: The right-of-way south on Sanford Avenue, over a new causeway on Lake Jessup to the new university site; four-laning of SR-46 from I-4 to Lake County; four-laning of SR 46 east to Volusia County; two-laning S-15 from SR-46 to Lake Monroe, and needs for a future railroad overpass at Rand's Crossing on SR 46 west of Sanford.

news... BRIEFS

Traffic Toll

TALLAHASSEE (UPI) — The State Patrol reported today at least 18 persons were killed in highway accidents in Florida during the weekend.

Dies In Fire

FORT LAUDERDALE (UPI) — Fire officials blamed careless smoking Sunday on a blaze which killed one man and injured two persons in an apartment.

Chopper Record

JACKSONVILLE (UPI) — The Navy flew a jet helicopter here from San Diego Saturday night in a non-stop flight which broke all helicopter distance records.

Azalea Queen

PALATKA (UPI) — Patricia Carroll, of Orange Park, a student at St. Johns River Junior College, is the new Azalea Queen. First runner-up was Sheila Clarke, of Winter Park.

Embassy Hit

WASHINGTON (UPI) — Four Cuban exiles, protesting the presence of Russian troops in their homeland, Sunday hurled soft drink bottles filled with a black liquid at the front of the Soviet Embassy.

Bomb Raids

LONDON (UPI) — Two members of the International Control Commission—India and Poland—today supported Communist charges that American bombing raids on North Viet Nam were "violations of the utmost gravity."

No Parley

WASHINGTON (UPI) — Secretary of State Dean Rusk has ruled out once again any possibility of negotiations to end the Vietnamese war until the Communists decide "to leave their neighbors in Southeast Asia alone."

'Hungry'

TALLAHASSEE (UPI) — Bradenton Sen. Ed Price renewed his attack on the Florida Institute for Continuing University Studies (FICUS) this weekend, calling it "a hungry new creature whose appetite seems to be insatiable."

Social Security Lists Collection

JACKSONVILLE (UPI) — The U.S. Social Security Administration reported today it collected \$258.4 million in Florida during 1965.

The agency said the money came from a total of \$3.68 billion in wages and self-employed income in the state.

A total of \$17.53 million was paid to 702,229 social security recipients.

WASHINGTON (UPI) — Rep. Charles E. Bennett (D-Fla.) is in satisfactory condition today at Walter Reed Hospital after breaking his left leg in three places Saturday in a fall on ice.

Bennett, a polo victim, carries a cane and has a brace on his right leg. He contracted polo at Luxon in the Philippines during World War II.

WASHINGTON (UPI) — Secretary of State Dean Rusk has ruled out once again any possibility of negotiations to end the Vietnamese war until the Communists decide "to leave their neighbors in Southeast Asia alone."

TALLAHASSEE (UPI) — Bradenton Sen. Ed Price renewed his attack on the Florida Institute for Continuing University Studies (FICUS) this weekend, calling it "a hungry new creature whose appetite seems to be insatiable."

Longwood City Council Opens Bids On Maine Avenue Paving

By Donna Estes
Bids were opened for eight area contractors for the paving and drainage of Maine Street, from East Lake Avenue to Grant Street, at the March meeting of the Longwood City Council. Engineer's estimate of costs for the street was \$21,229. Low bid of \$18,621.05 was submitted by J. Hage & Son Construction Company of Orlando.

Others submitting bids were Amick Construction Company, \$21,670.04; Leffer Paving Company, \$21,892; Lloyd Construction Company, \$23,559.94; Mid-State Contractors Inc., \$23,753; C. A. Meyer, \$23,226.45, all of Orlando; and Orange Paving of Altamonte Springs, \$21,122.50. All bids were turned over to city engineer, A. E. O'Neill and Associates, for tabulation and recommendation.

In other business, Kenneth Rodd appeared to ascertain the correct manner and procedure to follow in order to have his property on E. Sandalio Springs Drive, adjacent to commercial property, rezoned commercial from residential-2 to permit operation of a communication service.

Acting chairman, Carl Lomler, advised Rodd to submit a written request, along with a \$25 fee to cover costs of advertising and drawing an ordinance. In addition, he advised that a public hearing would have to be conducted.

L. T. Hunt Jr., owner of the Longwood Hotel, appeared to inform council that the hotel will be ready for opening in one week and that the state had been duly notified. Councilmen B. L. Helms and Percy White were named to inspect the premises and determine if the ordinance covering the hotel is being strictly followed.

The recommendation of Mayor David Wentworth was approved that a copy of the city charter and amendments be obtained from Secretary of State Tom Adams at a cost of \$17. Action was taken after a recent search of records by the mayor revealed that copies of five of the amendments were not included.

Council tabled a suggestion contained in a letter from U. V. McMillan that each councilman be paid \$10 per meeting and a salary of \$50 per month be set for the mayor. A letter was read from Mrs. Julia Adams of Adams Cafe requesting that three trees on Warren Avenue near her place of business be removed. The matter was referred to the street committee but Lomler pointed out that present city policy calls for property owners and city to share equally in expense of having such trees removed.

Resolution was approved endorsing a proposal from Tansami Bus Tours Inc., providing services to points north and south, to locate a stop in the city.

Meeting was adjourned subject to call.

CHAMPION HORTICULTURIST of the Sanford Garden Club is Mrs. Charles H. Cole of Geneva, who swept this division with 16 first place ribbons at the annual Flower Show held at the Civic Center, Friday and Saturday. She topped the Sweepstakes and Award of Merit ribbons along with eight second place and three third place awards.

ARTISTIC DESIGN Sweepstakes and Awards of Distinction went to Mrs. G. Andrew Spoor for her interpretation of "The Crash" in the Tribute to the Twenties theme of the Flower Show.

Otto Matix Obituary Sounded

GAINESVILLE (UPI) — It looks like the scrap heap for Otto Matix, the University of Florida's robot.

Otto will appear in the annual Engineers Fair this weekend and the Gator Gras March 27, but after that his future looks dim.

Prof. M. J. Wiggins built the robot in 1949 as a prime attraction for the Engineers Fair.

Nick Touchton, president of the university's chapter of the Institute of Electrical and Electronic Engineers, says the mechanical man is held together "mostly by hope."

Otto's main accomplishments are shaking hands, wiggling his ears, talking, making his nose light up with a red "WOW" and whistling at pretty girls.

Touchton predicts a "new and better" robot will replace Otto. "Who knows?" he adds. "Maybe a girl friend, too."

Some Baby!
BARI, Italy (UPI) — Mrs. Isabella Zotti, 39, gave birth by Caesarean section today to a boy weighing 10 pounds 6 ounces.

JUDY KACAR, 17-year-old Lyman High senior, has been awarded a four-year teaching scholarship to the university of her choice in Florida. She is the daughter of Mr. and Mrs. Francis Kacar, of Altamonte Springs.

Frank A. Stone Succumbs At 87

Frank A. Stone, 87, of 313 West 15th Street, died Saturday morning following a long illness.

A retired farmer, he had lived in Sanford for 53 years. He was a member of First Presbyterian Church of Sanford.

Survivors are a daughter, Mrs. Izzetta S. Cobb; a granddaughter, Miss Frances Mae Cobb; a grandson, Thomas A. Cobb Sr., and four great-

grandchildren, Thomas A. Jr., Larry Michael, Frank Allen and Janet Kay Cobb, all of Sanford.

Brisson Funeral Home is in charge of arrangements.

Rollins Gift

WINTER PARK (UPI) — Rollins College trustee A. G. Bush has given the college \$800,000 for use in construction of a science center at the school.

Altamonte To Request Sheriff To Deputize Local Police

By Donna Estes
Councilman Colin Crews recommended, and motion was adopted, at regular meeting of the Altamonte Springs Town Council last week, to request Sheriff J. L. Holly to deputize the Altamonte police force.

Crews pointed out that now members of the police department have no authority to make arrests outside the town limits although they may be called upon in times of emergency to assist area law enforcement agencies.

In other business, town attorney Joe Davis was instructed to draw up an ordinance adopting the Florida model traffic ordinance by record, to write letters to Congressman Syd Herlong and Sen. Dix Spessard, Holland and George Smathers requesting that adequate parking space be moved to a new location with adequate parking, and to determine if the town has

any ordinance controlling the operation of a day nursery or, if not, what state or county agency has jurisdiction in such matters.

The question of day nursery controls was discussed following reading of a letter from an adjoining property owner questioning operational procedures of a day nursery on Maitland Avenue.

Crews, chairman of the street and sanitation department, recommended and made a motion, which was adopted, to have bids submitted by 8 p.m., March 17, for three 10-minute parking signs to be placed at the post office; for 86 four-way street signs; and two, two-way street signs, and for an undetermined number of "children at play, 15 mile per hour" speed limit signs for the town's subdivision.

Recommendations were read from the planning and zoning board and approved to permit six-foot redwood fences in Oakland Estates and Glen Arden to block traffic noise from Maitland Avenue.

Action on awarding a contract for re-appraisal of all properties in town was deferred until the next regular meeting when a complete list of expenditures and revenues as compared to the current budget will be available to council.

The board voted to participate with the county in grading and stabilizing Sanford Avenue from SR 427 at First Street, north to Magnolia Avenue, with the town's share of the expense not to exceed \$205.

Attorney Davis was instructed to contact the county attorney requesting a written agreement on joint participation on constructing and maintaining the street.

Art Meeting

The meeting of the Sanford Semiole Art Association at 7:30 p.m. today in the Cultural Arts Building on 13th Street will be devoted entirely to a critique, with each member invited to bring two pictures for criticism.

PTA Meeting

Pinecrest PTA will meet Tuesday at 7:30 p.m. with Forrest Brockmire of DeLand presenting a program on the art of hypnosis.

Legal Notice

NOTICE OF LEGISLATION
THE BOARD OF COMMISSIONERS
COUNTY OF SEMINOLE, FLORIDA
DO HEREBY GIVE NOTICE that the Board of Commissioners of the County of Seminole, Florida, has adopted the following resolution: That the Board of Commissioners of the County of Seminole, Florida, do hereby authorize the County Engineer to advertise for proposals for the construction of a new 100-foot long, 10-foot wide concrete bridge over the Sanford River, located in the Sanford area, to be known as the Sanford River Bridge. The estimated cost of the bridge is \$100,000.00. The Board of Commissioners of the County of Seminole, Florida, do hereby authorize the County Engineer to accept proposals for the construction of the bridge, and to award the contract to the lowest responsible bidder. The Board of Commissioners of the County of Seminole, Florida, do hereby authorize the County Engineer to execute all necessary contracts and documents in connection with the construction of the bridge. The Board of Commissioners of the County of Seminole, Florida, do hereby authorize the County Engineer to execute all necessary contracts and documents in connection with the construction of the bridge. The Board of Commissioners of the County of Seminole, Florida, do hereby authorize the County Engineer to execute all necessary contracts and documents in connection with the construction of the bridge.

Legal Notice

NOTICE
I, the undersigned, do hereby certify that the annual meeting of the Sanford Semiole Art Association was held on March 8, 1961, at 7:30 p.m. in the Cultural Arts Building on 13th Street, Sanford, Florida. The meeting was devoted entirely to a critique, with each member invited to bring two pictures for criticism. The meeting was presided over by Forrest Brockmire of DeLand. The meeting was a most successful one and the art of hypnosis was presented by Forrest Brockmire. The meeting was a most successful one and the art of hypnosis was presented by Forrest Brockmire.

S/SGT. GUY J. Daniels, Florida's Marine Air Reserve recruiter, has received a certificate for the Air Medal with one Gold Star in lieu of a second Air Medal for "meritorious achievement in aerial flight in Viet Nam." Daniels, stationed at Jacksonville, will be here this week to interview men for enlistment in the Marine Air Reserves.

Oviedo To Get House Numbers

By Evelyn Lundy
Plans for the first house numbering system to go into effect in Oviedo were presented at City Council's March meeting by Edward Kasell who was authorized to proceed with the project. Numbers would start at the center-town street light. Reports on the lighting situation in the city and costs of mercury vapor type light installations, submitted by Councilman Kirby Bukey, resulted in agreement of council to have R. E. Christy of Florida Power Corporation draw a master engineering plan for use of mercury vapor lights to correct the municipal lighting system. Costs for the improvement project will be considered in the next fiscal budget. Following the meeting, refreshments of cake and coffee were served by Police Chief George Kelsey. The popovers had been baked by Kelsey's mother, Mrs. Dora Kelsey.

Troop 38 Sets Get-Acquainted Meeting

By Julia Bartow
Altamonte Springs Boy Scout Troop 38 has announced a "Get Acquainted" meeting for 7:30 p.m. today in the Altamonte Springs Community Chapel on SR 106. Purpose of the meeting and program will be to interest more boys in scouting. A film will be shown by District Neighborhood Commissioner Sgt. George Miller of Orlando Air Force. The new charter will go into effect in April and Troop 38 would like all interested boys to join now. Parents are invited to attend with their sons.

Friday Concert Set By Band

By Jane Casselberry
The combined beginning and intermediate bands at South Seminole Junior High School, Casselberry, will present a concert at 7:30 p.m. Friday, in the school cafeteria. The varied program will include marches, overtures, and waltzes under the direction of Bandmaster George Kirsten. The concert is being held to give the youngsters preparation in program procedure and stage deportment prior to the district meet to be held in Cocoa in the near future. Donations will be accepted.

CTP Study Course

The final session on the study course on testing and grouping children at the elementary school level, which is being sponsored by the South Seminole Elementary School CTP, will be held at 9:30 a.m. Thursday, at the school. There will be a summary of what has been learned during the other sessions.

Sub Fun-Boats

Each month, sleek, efficient new submarines take shape in the shipyards of Hamburg, West Germany. Wonderful to tell, these boats will never stalk an unsuspecting merchantman or fire a torpedo. In fact, they're little larger than torpedoes themselves. Designed for sport and scientific

use, the submarines range from a simple one-seater, priced at around \$3,000, to a six-man boat that can dive to 900 feet and sells for \$187,500. The boom in peaceful oceanographic exploration has put the "you" in U-boat.

Time Runs Out

Stability—of sorts—reigns in South Viet Nam... for the moment. But the political sickness known as "Asian coup" is still virulent in that country.

The next government shake-up, when and if it comes, will likely be no more beneficial to the people of South Viet Nam or to the cause of freedom than the many others that have succeeded or failed in the past 16 months.

The presidential palace in Saigon will change hands again. Some general with an unfamiliar name will be able to count more troops on his side than some other general... until the next time.

Meanwhile, in the rice paddies and jungles—and it is the bleeding countryside, not glittering Saigon, which constitutes South Viet Nam—the slinking snake of communism entwines itself ever more completely around the people.

South Viet Nam has yet to find the inspired leader it needs. And the time for finding him is growing desperately short.

Meanwhile... If the war in South Viet Nam were to end tomorrow, at least three others would go on—the wars against poverty, disease and ignorance. Some statistics released by CARE-

MEDICO throw revealing light on the second of these:

Throughout a land of 14 million people, there are only 700 physicians—and 400 of these must serve up to 10 years in the army. The country could use at least 14,000 doctors to meet its immediate needs.

The two Saigon maternity hospitals handle 15,000 babies yearly—compared to the 2,500 handled by larger New York City hospitals. The infant mortality rate in South Viet Nam is 10 times that of the United States. Mortality among children one to four is 15 to 20 times greater.

After 20 years of almost constant warfare, an incredible population of plastic surgery cases has been created. The country has no plastic surgeon.

Thought For Today

And Agrippa said to Paul, in a short time you think to make me a Christian!—Acts 26:28.

The greatness of God is the true rebuke to the littleness of men. The greatness of Christ is the true rebuke of the littleness of Christians. —Dean Arthur Stanley, English clergyman.

Phil Newsom Says 'Paper Tiger'

UPI Foreign News Analyst Despite the fact that the United States remains Red China's No. 1 propaganda target, the Chinese are not neglecting Africa. There the Chinese press both their policies against the United States and their struggle with the Soviet Union for influence in Afro-Asian affairs. Recent events illustrate the varying degrees of their success. In January the Chinese suf-

fered a major setback when the African kingdom of Burundi suspended diplomatic relations and ordered Chinese diplomats out of the country. Burundi's capital of Bujumbura on the shores of Lake Tanganyika had been regarded as a major headquarters for Chinese subversion and propaganda against the West. From Bujumbura, Chinese agents advised and financed Congolese rebels and supplied them with arms transhipped across Tanzania, the former

independent countries of Tanganyika and Zanzibar. The Red Chinese embassy staff was the largest in the capital and Chinese funds were flowing into the pockets of Burundi politicians. On Jan. 15 came the assassination of Premier Pierre Ngendandumwe, who had been appointed to elect Chinese influence. Most of those arrested in the plot were identified with the pro-Chinese group. The break with China came two weeks later. In the latter half of February, the Chinese backed back with a treaty of friendship with Tanzania. Red Chinese influence had been particularly strong in Zanzibar where the Chinese promoted themselves not only as revolutionaries but the nation with recent experience and problems most similar to Zanzibar, particularly in agriculture. Although President Julius K. Nyerere of the newly formed state had been regarded as an African moderate and had been warmly received in Washington in 1963, his relations with the United States have sharply declined—especially since his nation became a waypoint for shipment of Chinese arms into Black Africa. Ambassadors from both nations have been summoned home. In announcing the new treaty, the Chinese praised Nyerere's courage in defying the U. S. "paper tiger". In Algeria, the Chinese moved strongly to offset large-scale Soviet military aid. On Feb. 13, the 13,000-ton cargo ship Shuangang The Light of Dawn docked in Algiers harbor. It was a Red Chinese gift to Algeria. Previously it had been announced that the two governments had signed an agreement for the supply of "some materials" for Algeria's popular militia. The Chinese also have been active in Algeria on the cultural level. There was speculation that the Chinese were seeking Algerian support for the campaign to ban the Russians from the forthcoming Afro-Asian conference scheduled to be held in Algiers on June 29.

Slightly Bugged Down

Bruce Blossat -- Ray Cromley

Political Notebook

WASHINGTON (NEA) — "I don't have the answers. Someplace these answers are to be found..."

The words are Harry Goldwater's, saying for the second time in a month his bafflement that he lost the presidency so overwhelmingly while the American people, as judged by the Gallup poll responses, seem to support many of the positions he takes on major issues.

Polls show, for instance, that big majorities think the federal government is getting too big, want people engaged in its more for themselves, want to see a President stand in various foreign matters. Running through this list, Goldwater says:

The Republicans had the best of the merchandise. Who can't we sell it?

Clearly, the puzzle many more Republicans than Goldwater. Yet there is reason to wonder at this. Considered in the minds of some party figures, the answers may lie close to the surface.

Fourteen hours after Goldwater expressed his puzzlement, Massachusetts' Republican Attorney General Edward W. Brooke, speaking from the same platform to a collection of Young Republicans, tried to uncover some of the answers.

"We have to talk to people in language they understand. If they don't understand us, they won't trust us. And if they don't trust us, they won't elect us."

It is the last part of this comment that appears crucial to the Republicans' dilemma. A good many of the party's toughest realists are saying, with considerable vehemence in private, that the GOP is simply not accepted generally as a trustworthy instrument for governing.

To them it is perfectly plausible that voters by the tens of millions may hold views coincident with Goldwater's and still have no faith either in him or his party.

Dr. Crane's Worry Clinic

Nancy is like millions of teenagers, for she abhors scoldings, but keeps right on causing them by her failure to rate herself on the "Behavior Test for Teen-Agers." If she'd grow up emotionally, then her grandmother would have little cause to nag her. Send for the Rating Scale below and grow up!

CASE V-431 Nancy N., aged 15, now lives with her grandmother.

"Dr. Crane," she protested, "I lost my parents in an auto wreck just two years ago. Even since then, I have lived with my grandmother. But she makes my life miserable for two reasons. First of all, she is always nagging me because I don't make my bed in the morning, or because I fail to hang up my bath towel.

"But the second reason is maybe worse, for she always looks on the dark side of life. How can I keep from becoming like her in always finding fault and expecting the worst to happen?"

Nancy can easily eliminate much of her grandmother's

scolding by correcting her own childish habits. If she will thus make her bed and hang up her towel, as all mature people should do, then her grandmother would have little cause to criticize her.

The trouble with our teenagers is partly the fact that in past years they have not had a yardstick or Rating Scale by which to check upon their own behavior.

So I recently compiled a "Behavior Test for Teen-Agers" which will let every young person (as well as older) determine his own level of emotional maturity.

On this Rating Scale you can check off the things which apply to you.

Then you tally your total score of faults or "Demerits" and subtract it from your "Merits" total.

That will leave you a "raw score" which can then be interpreted by consulting the "norms."

Even if you are an adult, if your net or "raw score" is under 20, you rate as a kindergartner, emotionally.

Scores between 30 and 40

give you a Junior High emotional level. To be a mature adult, you must have raw scores of 90 or above, so this "Teen-Ager Test" is appropriate for all members of the family, from grade schoolers to grandmas. Indeed, many a man, six-foot tall and with a college diploma, may still be very retarded emotionally and rate only a "Junior High" or "Senior High" emotional level.

Some of the Demerits on this Rating Scale include telling lies, stealing, cutting classes, temper tantrums, cheating in school, etc.

Merits comprise telling where you are going on a date, hanging up your clothes, cleaning wash basin after brushing your teeth, etc.

You can obtain this famous test at your college library by consulting pp 801-804 in my college textbook, "Psychology Applied."

Or send a long stamped, return envelope, plus 20 cents, and it will be mailed to you in booklet form.

It is now widely employed in colleges and Sunday Schools, but every family can profit by using it to rate parents, as well as children.

It now gives parents something specific to cite as a goal for their children to attain!

Letters To The Editor

Editor, Herald:
Thank you for your help in making the Seminole County Chamber of Commerce membership drive the most successful ever!

The total membership this year, I am confident, will be the largest ever in the history of the organization. And without the help of many people working together for the common goal of the Chamber the results would not have been so rewarding.

It has been a pleasure to me to have been associated with this effort.

Working together in all of our projects, and this is a prime example of unification, we can accomplish those things which are good for everyone in Seminole County.

Again, thank you and each member of your staff for working with us in this campaign.

Arthur H. Beckwith, Jr.
Chairman

Editor, Herald:
The DeBary Women's Club wishes to thank you for the publicity you gave in your newspaper in regard to its Americanism program. Feb. 23 at the DeBary Civic Center.

Slow Boat To Japan

TOKYO (UPI) — Memo to R. R. Brown, Box A, Bertram, Tex.:

That bottle with a message you tossed in the Pacific Ocean two years ago has been found.

It washed ashore on Iwo Jima and Sgt. Kenneth L. Ledbetter found it.

In case you've forgotten, you put a postcard in the bottle. You wrote your address on the front of the card and a message on the back asking the finder to put down the date it was picked up.

Your message said you tossed the bottle from the deck of the luxury liner President Cleveland during a cruise in April, 1963, 250 miles north-northwest of Wake Island.

Yesir, the message was still readable, although the exact date in April was faded and Sgt. Ledbetter couldn't make it out.

For your information, Iwo Jima is about 1,300 miles from Wake Island.

One other thing: Sgt. Ledbetter says you could have at least put an animal stamp on the card. Surface transportation is kind of slow in the Pacific—by ship or bottle.

Weathersfield Club To Plan Clean-Up

By Maryann Miles
Weathersfield Teenage Club will continue plans on a clean-up program for grounds of the clubhouse at a meeting Tuesday evening. Adults working with the group at this time will be Robert Newton and Glenn Hartwell.

At a meeting of the area's Civic Association last week, it was announced that sufficient funds have been raised to pay the \$618 to supply lights in the community for another year.

Plans also were made at the time, after members agreed that there must be an adult patrol at the bus stop, to get necessary equipment and ask for volunteers to serve the needed hours.

Members have gone on record in support of legislation regarding adoption of a county-wide dog ordinance.

Lyman To Have Little Theatre

By Jane Casselberry
The curtain will go up at 7:30 p.m. Tuesday in the Lyman High School auditorium on "Lyman Little Theatre" presented by speech and drama classes of Mrs. Carolyn Durak.

The program will consist of a collection of plays, dramatic readings and monologues and will serve as a showcase for several original plays written and directed by the students themselves.

There will be a token admission charge, with the proceeds going to a fund for new stage curtains.

The public is welcome.

Judging To Take Place Today For SSJH Science-Math Fair

By Jane Casselberry
A team of 10 competent persons will judge student exhibits today from 5:30-9 p.m. at the South Seminole Junior High School Science and Math Fair in the school library.

They include Fred Hunter, Martin Company industrial engineer; Helen Westgate, Lavern Sweeney, H. J. Crane, and H. Steffy, all teachers at Sanford Junior High; Russell Ridd, Seminole County soil conservationist; Dr. Stuart Culpepper, local physician; John De Mopolous, Howard Junior High, Orlando, teacher; and Edwight Scholte, Greenville, Claude Stamer, Reynolds Company, Sanford, and Ben Waggoner, head of Boy and Girl Conservation Service.

Judging Tuesday night for special awards will be S. S. Sprague, head of the Physics Project and E. H. Beatty, Martin research scientist.

The Science and Math Fair will be open to parents and friends at the PTA meeting Tuesday, which starts at 7 p.m.

An impressive list of students whose projects are judged best in the different divisions and overall.

The National Aeronautics and Space Program will provide a speaker for the program.

Awards will be given to the winners of the eighth, eighth, and ninth grades.

Tag Renewals To Be Available In Geneva

By DeAnn Hays
Seminole County Tax Collector Toy Ray will be in Geneva with automobile license renewal tags from 9 a.m. until noon Tuesday.

Edward Yarbrough, county commissioner, advised that Ray will be located in the Community Hall. Only renewals will be issued at this time, however tags will be available the following day.

Minute Mail will give a certificate to the first place winner in botany and certificates of merit will be awarded to the first, second, and third place winners in Physical Science.

Tribe Wins Third Meet In A Row

By David Higginbotham
Herald Sports Writer

Seminole High track team won its third meet in a row Friday afternoon when it beat Titusville, Seabreeze and DeLand in a four-way meet.

The Seminoles scored 96 points to DeLand's 72, Titusville's 58 and Seabreeze scored 35. The Seminoles took 10 first out of 15 events and five second, two thirds, three fourths and six fifths.

In the first event, the high hurdles, Loveless of Titusville, took first with 15.1 and Ken Drury took second for DeLand with 16.2. Cox took third for DeLand with 17.2 and Tom Forman took fourth for the Seminoles with 17.3.

Eddie Griffith won the 100-yard dash for Sanford with 10.8 and Gouge took second for Titusville with 10.9 and LeRoy took third for the Seminoles with 11.

Flugel won the mile run for DeLand with 4:55.4 and Jack Hunt took second for the Seminoles with 4:59.5.

Sanford won the 800-relay with 1:37 and DeLand took second with 1:37.5. Titusville took third with 1:36.

David Noel won the shot put for Sanford with 48 feet eight inches and Mike Oliver took second with 44 feet six inches. Steve Clark took third with 43 feet one inch.

Paul LeRoy took first in the 440 run with 55 seconds and Oliver took second with 55.5. Richard Hittell took third for Sanford with 56.2.

Dennis Bates won the high jump for Sanford with five feet five inches and Dury took second with 5 feet one inch and Clark took third for Sanford with 4 feet 10 inches.

Walstrom won the broad jump for Sanford with 29 feet 2 inches and Dora took second with 27 feet 10 inches and Jim Winter took fifth for Sanford.

Rick Walstrom took the low hurdles for Sanford with 22.5 and Dees took second for DeLand with 24. Forman took third and John Norden took fourth for Sanford.

Walstrom won the broad jump for Sanford with 29 feet 2 inches and Dora took second with 27 feet 10 inches and Jim Winter took fifth for Sanford.

Rick Walstrom took the low hurdles for Sanford with 22.5 and Dees took second for DeLand with 24. Forman took third and John Norden took fourth for Sanford.

Walstrom won the broad jump for Sanford with 29 feet 2 inches and Dora took second with 27 feet 10 inches and Jim Winter took fifth for Sanford.

Rick Walstrom took the low hurdles for Sanford with 22.5 and Dees took second for DeLand with 24. Forman took third and John Norden took fourth for Sanford.

Sterl Weber took first in the 800 run for Sanford with 2:09 and Davis took second for DeLand with the height but missed one more time than Bates.

David Noel won the discus for the Seminoles with 142 feet and with 19 feet. LeRoy took third for the Seminoles.

Hendren took the pole vault for Seabreeze and Paul Polgar took second for Sanford. Drury took third for DeLand and Mike Smith took fourth for Sanford.

Friday was a tough night for the Lions, having to come from behind and outscore the Tigers 11 points in the last period to give Oviedo the edge they needed to win.

Oviedo got off to a very slow start and half-way through the first period it looked as though Lake Butler was well on the way to a big win. The Lions, holding their own, ended up with 12 points in the first to Lake Butler's 17.

The Lions made a slight move in the second and outscored the losers 16-13, leaving the home team with a 30-27 halftime advantage.

The Lions froze completely in the third, scoring only six points while the tall Tigers went on to rack up 13 to give them a 43-23 lead at the close of the third quarter.

It was an entirely different story in the fourth. Oviedo broke loose, scoring 23 points to their opponent's 12. The Lions last period rally was attributed to a fine-working press that finally began to pay off and a determination that only a team like Oviedo could have.

With three minutes left Oviedo tied it up 48-48. From then on the lead was going from one side to the other until the Lions got a one-point lead and tried to freeze the ball with less than a minute of playing time left.

Lake Butler made a steal and went on to score and ahead 66-51. With less than 10 seconds on the clock, Bobby Stewart was fouled on a drive and went to the charity line in a one-and-one situation. With the full game resting on his shoulders, he made both shots to put the Lions ahead to stay. With a few seconds left, the desperate Tigers tried the long one but it fell short and the ball game was over.

Jimmy Courier was high man for the Lions with 17 points. He was followed by Billy Miller with nine, Mike Partin with eight, Bobby Stewart and Rex Brooks dropped in seven each, and Ardie Armit added six to the Lions' score.

Earlier Friday night Madison upset favored Santa Fe and Oviedo met Madison Saturday in the region 2 finals.

Oviedo took an early lead over Madison and the Lions never fell behind. Oviedo took a 22-11 first quarter lead but in the second Madison outscored the Lions 23-22 to give Oviedo a 10-point (44-34) half-time advantage.

Oviedo went wild in the second half, scoring 59 points and holding Madison to a mere 14. Oviedo outscored them 26-4 in the third, and 24-8 in the fourth to give the Lions the lead to compete in the state meet this week-end at Gainesville.

Jimmy Courier led the Lions all the way scoring 26 points. Others doubling up for Oviedo were Rex Brooks with 10; Billy Miller with 17; and Tim Colbert with 12.

This will be the first time Oviedo has been to state since becoming a class B school. The Lions went to state two years ago.

Open With St. Cloud

By Marshall Lingo
Herald Sports Writer

The determined Oviedo Lions posted a 56-55 win over Lake Butler Friday and walloped Madison 93-62 Saturday to win the class B, region 2 basketball championship, and give the Lions a chance at the state title.

Friday was a tough night for the Lions, having to come from behind and outscore the Tigers 11 points in the last period to give Oviedo the edge they needed to win.

Oviedo got off to a very slow start and half-way through the first period it looked as though Lake Butler was well on the way to a big win. The Lions, holding their own, ended up with 12 points in the first to Lake Butler's 17.

The Lions made a slight move in the second and outscored the losers 16-13, leaving the home team with a 30-27 halftime advantage.

The Lions froze completely in the third, scoring only six points while the tall Tigers went on to rack up 13 to give them a 43-23 lead at the close of the third quarter.

It was an entirely different story in the fourth. Oviedo broke loose, scoring 23 points to their opponent's 12. The Lions last period rally was attributed to a fine-working press that finally began to pay off and a determination that only a team like Oviedo could have.

With three minutes left Oviedo tied it up 48-48. From then on the lead was going from one side to the other until the Lions got a one-point lead and tried to freeze the ball with less than a minute of playing time left.

Lake Butler made a steal and went on to score and ahead 66-51. With less than 10 seconds on the clock, Bobby Stewart was fouled on a drive and went to the charity line in a one-and-one situation. With the full game resting on his shoulders, he made both shots to put the Lions ahead to stay. With a few seconds left, the desperate Tigers tried the long one but it fell short and the ball game was over.

Jimmy Courier was high man for the Lions with 17 points. He was followed by Billy Miller with nine, Mike Partin with eight, Bobby Stewart and Rex Brooks dropped in seven each, and Ardie Armit added six to the Lions' score.

Earlier Friday night Madison upset favored Santa Fe and Oviedo met Madison Saturday in the region 2 finals.

Oviedo took an early lead over Madison and the Lions never fell behind. Oviedo took a 22-11 first quarter lead but in the second Madison outscored the Lions 23-22 to give Oviedo a 10-point (44-34) half-time advantage.

Oviedo went wild in the second half, scoring 59 points and holding Madison to a mere 14. Oviedo outscored them 26-4 in the third, and 24-8 in the fourth to give the Lions the lead to compete in the state meet this week-end at Gainesville.

Jimmy Courier led the Lions all the way scoring 26 points. Others doubling up for Oviedo were Rex Brooks with 10; Billy Miller with 17; and Tim Colbert with 12.

This will be the first time Oviedo has been to state since becoming a class B school. The Lions went to state two years ago.

Greyhounds Drop Close One To Jax

By Jim Barchua
Herald Sports Writer

The Lyman Greyhounds lost their chance for the State Class A basketball championship on Friday when they fell prey to Jacksonville's Landon Lions, 69-64, at New Smyrna Beach.

The defeat eliminated Lyman from the regional tournament, eventually won by Apopka.

A 19-point third period and 22-point performance by Center Ron Ellison were the main factors in the victory for Landon.

Senior Joe Asher, playing in his last game for the Hounds, was the game's high scorer with 23 points.

Asher and Mike Sterling got Lyman off to an early 3-point lead but the Lions' Rich McCoy scored seven points in the final three minutes of the opening period to boot Landon to a 17-16 lead at the quarter break.

Couch Dick Copeland's charges got hot though, and with Asher and Dave Matis leading the way, spurred to a 20-point margin in the next four minutes of play.

Things were looking bright for Lyman but the 6-4 Ellison changed the complexion of the situation with 10 points in two minutes and the two teams went to the locker rooms with a 32-32 deadlock.

The third quarter told the tale for the evening with Ellison, Mike O'Neal and Frank Gaudin sparking the 19-point spurge which insured the Landon victory.

Eddie Long and Junior Richard Moore were standouts for the Hounds in the third quarter with five and four points respectively.

Landon held a 51-56 lead going into the last eight minutes.

The Lions increased their margin to as much as eight points during the course of the fourth quarter. But last minute heroics by Gene Windham and John Burkheimer brought the final tally to 69-64.

Besides Asher's 23 points for the Hounds, Long scored 15 and Sterling added 10. Windham had six points and Matis and Moore got five each.

Ellison scored 22 points for Landon. O'Neal had 14 and McCoy had 12.

Asher's performance gave him a season total of 446 points for an average of 17.8 per game. This was one of the highest averages among area performers.

Lyman completed the season with 14 wins and 11 losses, a share of Orange Belt Conference championship and the Group title.

Fitzgerald Opens For Seminole Nine

Seminole High School opens its baseball season Tuesday against one of its toughest opponents, New Smyrna Beach.

The Barracudas and the Seminoles tangle at 4 p.m. on the high school field here.

Twice in the last two years, New Smyrna Beach has waylaid the Seminoles in tournament games and Coach Jim McCoy is expecting another rugged contest Tuesday.

McCoy has named left-hander Eddie Fitzgerald, his No. 1 pitcher, to open the game against the Barracudas. Right-hander Ray Pivec will be held in reserve should Fitzgerald run into trouble.

Other starters will be Steve Harris, catcher; Jim Ervin, first base; Bill Kuykendall, second base; Ron Hinson, shortstop; Bernie Barbour, third base; Sonny Messer, left field; Chuck Scott, centerfield; and Danny Tillis, rightfield.

Today the Seminoles worked on pickoff and cutoff plays and base stealing as Coach McCoy attempted to "iron out the kinks" in preparation for the opener.

"We're expecting a lot of hustle," says McCoy. "The team has good spirit and morale is high."

The Seminoles have been working out for four weeks but Coach McCoy says the team has gotten in only about three weeks of drills due to weather and work on the field.

"All I said was: Show me just one filter that won't take away the taste and I'll eat my hat!"

Better Golf - Through Exercise

By Gary Player
Written for NEA

This exercise, to develop muscles in hips and upper thighs, should be done only as part of the advanced program.

Starting at position A, advance the right foot forward and the left foot back, moving to position B. Do not touch the knee to the floor. Repetitions should be increased gradually. It is suggested that you start with four repetitions, working gradually up to a maximum of eight.

After doing the suggested number of repetitions with the right foot forward, do the same number with the left foot advanced.

Inhale at position A, lunge to position B, then exhale while returning to starting position.

Inhale at position A, lunge to position B, then exhale while returning to starting position.

Weekend Sports Summary

United Press International Saturday

NEW YORK — Villanova won its fourth straight NCAA track and field championships with Maryland a close second.

TAMPERE, Finland — Czechoslovakia beat the United States 12-0 in a world ice hockey championship game.

ARCADIA, Calif. — Lucky Debonair, with Willie Shoemaker aboard, beat favored Jacinto by four lengths to win the \$174,300 Santa Anita Derby.

BOWIE, Md. — Lt. Stevens captured the \$118,000 John B. Campbell Handicap by a nose over Knightly Manner at Bowie.

MIAMI — Frank Lane was hired as a scout, field representative and traveling ambassador by the Baltimore Orioles.

COLORADO SPRINGS, Colo. — Alain Calmat won the men's singles title in the world figure skating championships.

MIAMI BEACH — Dennis

Boston won the Good Neighbor tennis tournament by downing Brazil's Tomas Koch.

TAMPERE, Finland — The Soviet Union beat East Germany 8-0 and Finland tied Sweden 2-2 in the world ice hockey championships.

County Agent Gives Program In Longwood On Insecticides

By Donna Estes

Cecil Tucker, county agricultural agent, spoke on the proper manner of using pesticides at the March meeting of the Longwood Home Demonstration Club held at the Civic League Building on Church Street.

Tucker showed slides of his work with pesticides in the county and particularly pointed out the importance of keeping such potentially dangerous chemicals out of the reach of children.

Thirty-one members and two guests attended the meeting conducted by Mrs. Felix Mege, president, which was opened with salute to the flag by Miss Ella Cummings.

SCOTLAND was represented in sixth grade program, "Around the World," for Bear Lake Elementary Parent-Teacher Association meeting by (left to right) Teri Williamson, Gary Moore and Marsha Buell. (Herald Photo)

New Tax Proposals To Be Aired

By Mrs. John Leone

New tax proposals in relation to retirees will be discussed at the 8 p.m. meeting Tuesday of the Deltary Civic Association in the Community Center.

Guest speaker for the program will be David W. Miller, faculty member of Stetson University's School of Business Administration since 1955. A question period will follow his talk and the public is invited to attend.

Miller is a graduate of the University of Florida and is a member of the American Institute of Accountants, of the Institute's Committee on Accounting Theory, of the Committee of 100, and of the Deland Chamber of Commerce. He also is a partner in a Deland accounting firm.

Earl Merrill, association president, reports that many requests have come in for an impartial and informed speaker on several proposals for new taxes and changes in taxation methods. Some have expressed their concern that the plans to augment tax income to meet growing county and state government costs may not be keeping faith with the promise made to induce retired people to make their homes in Florida.

Merrill advises that if enough interest results from Tuesday's preliminary discussion on taxes, the association can plan further exploration of state and local taxation at a special panel type meeting.

B.P.O. Does In Orlando Have State Meet

The Florida North District B.P.O. Does held their annual state meeting in Orlando Feb. 26 and 27.

Friday night at the public meeting, the Orlando and Winter Park Does exemplified the Elks Rest and Flag Day ceremony, which will be performed by any drive for any Elks lodge upon request.

After the meeting, the Does, Elks and friends attended a dance in the Elks Club, with entertainment by the Orlando Drive.

Saturday was an all day meeting followed by a banquet and a flapper dance.

The following state officers were elected to serve for the coming year: President, Garland Bowen, Vice President, Edna C. G. Orlando, Secretary, Maureen Poulos, Treasurer, June Foley, Sanford Drive 100.

The Does from Sanford who attended the meeting are: Virginia Bowser, M. E. L. E. Welle, Helen McCloskey, Mary Smith, Florence Wilton, Florence Maps, Catherine Collins, Ruth Hila, Betty Via, Evelyn Dabrow, Jackie Cautler and June Foley.

Salanda provides a no-scrub way of cleaning dirty oven racks. A rack can be submerged in a tub of hot water to which cup of salanda concentrate is added.

Both of the honorees, who were celebrating their 16th birthdays, received many attractive gifts.

Travel posters decorated the walls of the dining room and miniature Japanese doll craters were given as favors.

The dinner for the number one party was "Around the World."

Miss Carla Lommler Engaged

Mr. and Mrs. Carl A. R. Lommler of Longwood announced the engagement and approaching marriage of their daughter, Miss Carla Eloise Lommler, to Michael E. Wrightson of Longwood.

All friends and relatives of the young couple are cordially invited to attend the wedding and reception immediately following.

Miss Carla Eloise Lommler. The marriage will be solemnized on April 3 at 7 p.m. at the First Baptist Church of Longwood.

The popular bride-elect was graduated from Lyman High School with the class of 1963 and she was actively engaged in 4-H Club work for six years in Seminole County. She is presently employed by the Florida Real Estate Commission in Winter Park.

Her fiancé also was a graduate of Lyman High School with the class of 1963 and he is presently serving a tour of duty with the United States Navy, stationed at Cecil Field, Jacksonville.

The marriage will be solemnized on April 3 at 7 p.m. at the First Baptist Church of Longwood.

Dear Abby:

DEAR ABBY: Regarding the four-year-old who embarrassed his mother when she asked him to kiss the woman who had sat with him and said, "I DON'T KISS OLD LADIES," I think the mother was lacking in wisdom.

When the mother was asked to kiss the woman, I don't believe in ordering a child to kiss anyone—especially outsiders.

Her fiancé also was a graduate of Lyman High School with the class of 1963 and he is presently serving a tour of duty with the United States Navy, stationed at Cecil Field, Jacksonville.

Jacoby On Bridge

Gordon Keel writes from Vancouver, Canada, "Every once in a while a little deep thought—really deep off I think—East's final bid was simply terrific."

"North dredged up everything to find an opening bid and he was most unhappy about the whole matter when I followed my two spade responses with a blackwood four trump but he was able to show no ace of East. I bid six spades and East—no West—doubled me."

"This was the lightest double to ask for an unusual lead and West obliged by opening a club. Nothing but a contract."

"How are you going to keep around home like a bump on a log? That wouldn't be so bad though it is bad enough if it would let me get out of the house for a while every day."

"That's the question wives of recently retired men are forever asking. 'Is there any solution to this problem?'"

"The best solution to the retirement problem is for a man to develop some outside interest which he can pursue during his leisure hours."

"If you are going to keep around home like a bump on a log, that wouldn't be so bad though it is bad enough if it would let me get out of the house for a while every day."

Beauty after Forty

"My skin is dry but badly pitted with acne scars from years ago. Now, at midlife, the scars show up worse. How can I help this condition?"

"Use cosmetic oil to counteract the dryness. Apply it lightly after cleansing. Then use cake makeup on the tone of your skin. Wet a small sponge and apply it rather 'wet' but lightly with a fine, then apply wash. This gives a very new 'cosmetic flare' and your skin looks better."

"I am giving a serious talk at my club, and most interestingly, on how you can prevent the aging process. It's all in your mind."

"I would like a language in a locker and sweat dress. I have a small but worthy one of flowers, long gloves and carry a small bag. If they present you with a corsage, put it on your bag. I like black, but you could select a color any color which fosters you. Wear high heels, simple pumps."

"I recently attended the funeral of a public figure and the maudlin scene held in my largest church. I want only to talk which is probably his. If there is any kind of part-time work that your husband can get, encourage him to try it, whether it brings in much money or not."

"A woman who has met the challenge once can do it again. The U.S. Patent Office does not check on infringement of patents after they are granted. This must be handled through private attorneys and the courts."

Dear Abby:

DEAR ABBY: Regarding the four-year-old who embarrassed his mother when she asked him to kiss the woman who had sat with him and said, "I DON'T KISS OLD LADIES," I think the mother was lacking in wisdom.

When the mother was asked to kiss the woman, I don't believe in ordering a child to kiss anyone—especially outsiders.

Her fiancé also was a graduate of Lyman High School with the class of 1963 and he is presently serving a tour of duty with the United States Navy, stationed at Cecil Field, Jacksonville.

The marriage will be solemnized on April 3 at 7 p.m. at the First Baptist Church of Longwood.

All friends and relatives of the young couple are cordially invited to attend the wedding and reception immediately following.

The popular bride-elect was graduated from Lyman High School with the class of 1963 and she was actively engaged in 4-H Club work for six years in Seminole County.

Horoscope Forecast

Tuesday, March 9, 1965
GENERAL TENDENCIES:

Be prepared for some untoward events today that could cause you considerable difficulty. It's up to you to carry through with any and all promises that you have made as well as turn away anger with a soft answer. Show you are careful to avoid all kinds of accidents by using more than ordinary care in motion.

ARIES (Mar. 21 to Apr. 19)
Avoid any arguments with him by keeping busily occupied at own labors, and this also holds true in any correspondence. Keep purse zipped. Look out for possible thefts.

TAURUS (Apr. 20 to May 20)
Extravagance of any sort, over-investing can certainly lead to trouble later, so be careful today. Also do not take advice from business person unless you have rechecked it. It may be erroneous.

GEMINI (May 21 to June 21)
Being somewhat restless and discontented can lead you to do and say things you would not otherwise deem smart. Think first. Take the time to get health and good looks improved.

MOON CHILDREN (June 22 to July 21)
Personal anxieties may seem unbearable but it is just a challenge to your intellect, so rise above them. Be cool and poised and all is well. Show that you are a steady, wise person.

LEO (July 22 to Aug. 21)
Anything connected with your work or good name should be most carefully considered today, otherwise you are apt to make errors. Think before you jeopardize credit. Try to better it instead.

VIRGO (Aug. 22 to Sept. 22)
If you criticize in any way, it is very likely that one upon whom you depend will stop support you now have. Be courteous and follow all regulations instead. Be scrupulous.

LIBRA (Sept. 23 to Oct. 22)
You feel upset and want to throw up your job or business and jump into other things, but if you hold fast all will be well soon. Take time to look into new systems tonight. Find lucrative hobby outlet.

SCORPIO (Oct. 23 to Nov. 21)
If you follow that intuitive hunch, you find that you can get into much trouble at home, with closest kin. Don't lose your temper. Get your bills paid more promptly.

SAGITTARIUS (Nov. 22 to Dec. 21)
Any talks with partners now would not turn out well, since they are thinking poles apart from you. Await a better day. Be sure to avoid arguing with others as well.

CAPRICORN (Dec. 22 to Jan. 20)
Getting as much work done as possible personally is far better than trying to turn over your obligations to others. Get health improved. See that you are very ethical in all that you do.

AQUARIUS (Jan. 21 to Feb. 19)
Concentrate on perfecting talents instead of getting out for a good time that could be disappointing as well as very expensive. Practice more economy in everything. Show you are very sensible.

PISCES (Feb. 20 to Mar. 20)
Center your interest on kin and be sure not to take any unnecessary risks with anyone or anything. Bite your tongue before you speak unkindly. Show that you have excellent control.

IF YOUR CHILD IS BORN TODAY, there will be a need for much more sleep and rest than most youngsters require, since the physique is apt to be very delicate. You would do well to make sure that there is plenty of privacy so that rest periods will not be interrupted, otherwise irreparable damage can be done to the nerves. Later your progeny will become more robust. A great artist, philosopher here.

Capacity Crowd
COLLEGE PARK, Md. — (UPI)—A capacity crowd of 12,500 was assured for the Eastern regional NCAA basketball playoffs March 12-13 at Maryland's Cole Field House. The last ticket was sold Tuesday.

The becho-de-mor, or sea cucumber, can expel its entrails and grow new ones without injury.

'Go Ahead' Given Lakefront Project

County Okays Extensive Road Program

By Paul Brookshire
The Seminole County Commission today adopted resolutions approving an extensive primary and secondary road improvement program for the county.

The board of commissioners met later in the day with State Road Department officials in DeLand to present the programs to the state.

No. 1 priority goes to the widening of State Road 46 (25th Street) from French to Mellonville Avenue to four lanes.

Eleven other primary projects were approved and 16 secondary projects.

In other action this morning the commissioners adopted new subdivision requirements on roads, clarifying and updating previous regulations.

County Engineer William Bush said they were necessary to get better road construction in subdivisions.

He described them as "not as tough" as state road regulations but in line with those in Orange County.

The new regulations will go into effect immediately and all contractors and developers will be notified of the new rules.

The commissioners also accepted a low bid from the Case Power and Equipment Company of Winter Park for two tractors one bid for a tractor, backhoe and loader, was for \$5,800, and another for a tractor and mower was for \$2,729.79. Five bids on the two items were opened.

The board denied a rezoning request for Hillside Estates in Altamonte Springs from R-1A to R-1. A petition was presented to the board objecting to the zoning request.

Commissioner Lawrence Swafford made the motion to deny the rezoning. It was indicated the zoning change was requested so horses could be stabled on property in the area.

Malcolm McClellan, representing the West Lake Brantley Civic Association, appeared before the commission to request the paving of the West Lake Brantley Road.

He brought a petition containing two pages of signatures to ask for the paving. McClellan said the road got in such bad condition at times that many automobiles using the road were badly damaged.

The commission turned the complaint over to Swafford to investigate.

Commissioner Chairman John Alexander said the request would be "given serious consideration."

County Agent Cecil Tucker also gave the commission a report on the county citrus groves. He said the fruit was sold for \$3,036.70 with about 200 trees of Valencia left.

Seminary Slated For Fern Park

FOUR-ACRE SITE on the Lake of the Woods at Fern Park for the Eastern Orthodox Seminary of "The Three Hierarchs" is shown in this aerial photo. St. John Chrysostom Chapel is shown at right center. Lake of the Woods at the bottom and Highway 17-92 at the top.

First American seminary for the Eastern Orthodox Faith will be established in the near future on Highway 17-92 at Fern Park. It was announced today by Rev. John R. C. Adair, pastor of St. John Chrysostom Chapel.

Located on a four-acre tract that fronts 500 feet on Lake of the Woods, the seminary of "The Three Hierarchs" will be housed in temporary facilities pending construction of a permanent edifice, Father Adair said.

When completed, the seminary will include the St. John Chapel, of which Father Adair has been priest for four years; administration building, advisor's residence, seminarians' chapel, living center, lounge, library, recreation center, day nursery, lecture hall and dining room, kitchen, caretaker's residence, memorial pool and boat house and pier.

Father Adair said the Orthodox Church of St. John Chrysostom is the only Orthodox Church in Central Florida that maintains complete English language services for all members of the faithful.

The Eastern Orthodox Faith, which includes many nationalities of Eastern European ancestry, has only recently become truly Americanized with the formation of the national organization known as the "Eastern Orthodox Catholic Church in America."

This Church eventually will be centered primarily in Florida. Its jurisdiction is headed by a governing synod and clergy council. It is not, in any way, to be confused with the various foreign language bodies of the Eastern Orthodox Faith that also have activities in the U.S. (e.g. Greek, Russian, Syrian, Serbian, Bulgarian, Albanian, etc.).

While there are three foreign-controlled Orthodox seminaries in the U.S. (an additional one in Canada), none of these stress the English language or American customs and traditions. In fact, all require knowledge of foreign language for administration of the various liturgical rites of the church.

Only the "Three Hierarchs" concentrates on training American clergy for America.

Knowles, Burton To Draft Criteria

"Go-ahead" signal for development of the Lake Monroe waterfront development was given by the City Commission Monday evening after presentation of a planning outline by Seminole County Chamber of Commerce committee members.

John A. Burton IV, local architect and committee member, outlined a proposal to request marine and dredging contractors to submit bids for a landfill area of 15 acres and bulkheading in what he termed "specialized criteria type bidding."

Commission members directed Burton and City Manager W. E. Knowles to draft specifications and submit them to contractors, designers and engineers for bids.

These specifications would include the 15-acre landfill, the bulkheads and a marina with approximately 240 boat slips. Further development—such as restaurant, motel, boatel, recreation area, natorium, etc.—would be left to the bidders' imagination.

Knowles presented to the Commission a detailed study which would place the cost of the lakefront development at \$795,231, as compared to the estimate of \$1.7 million presented by Maurice Connell Associates in an initial report.

It was pointed out that the \$795,231 cost would be covered in franchise fees, and would not require increased taxation.

"One of the first changes proposed," Knowles said, "is to relocate the site to a point opposite Palmetto Avenue so as to use this public right-of-way for direct access to the downtown business area. This eliminates the off-site expense of acquiring private property for the connection and reduces utility costs."

Knowles also proposed to reduce the initial number of wet berths to 176 and to substitute the growing practice of dry storage for other berths for a portion of the smaller size boats. . . . To reduce investment costs, this can be arranged on a ground lease to private capital.

He also proposed the marine supply and shopping center be moved into the landfill neck near the (Seminole) boulevard and to utilize parking lot No. 1 to supplement the reduced parking on the landfill area.

The city manager also stated city personnel can design, construct and operate "several items at less expense than any report proposes."

Commissioners instructed City Atty. William Hutchison to proceed with drafting proposed enabling legislation concerning ownership of the lake bottom and clarifying the city's title to off-shore land.

Knowles was instructed to have the city's fiscal agent draft financing plans for a \$970,471 bond validation plan, including \$795,000 for the waterfront development plan and \$175,000 for future fire and recreation improvements in the city.

GUERRILLAS have been operating uncomfortably close to the big U. S. airport at Da Nang, focal point of air activity. Marines have taken over the security duties on the base. (NEA Newsmag)

North Warmer Than Florida

The Pacific Northwest and New England states basked in more springlike temperatures today, separated by cold air from the Canadian prairies that chilled the Northern Plains with near-zero cold.

Snow flurries drifted through the upper Mississippi Valley but brought insignificant snowfall amounts.

Temperatures in New England started out warmer today than those in northern Florida where frost once again threatened citrus and truck farm crops.

Scattered light rain and snow fell in the eastern Dakotas to the Alleghenies in the face of the arctic front cold front that poured into the north central states.

'Army Of Indignant' 100 Guerrillas Faces Ala. Troopers

SELMA, Ala. (UPI) — Dr. Martin Luther King today rallied an army of indignant civil rights advocates—white and Negro—from across the nation for a planned "freedom march" that has already left scores battered and bleeding.

A buildup of forces in this semi-rural city in central Alabama continued through the night, aiming at one of the largest demonstrations in the South.

King's Southern Christian Leadership Conference headquarters said it was dispatching three chartered buses from Atlanta to Selma, bonded with delegations from as far away as San Francisco, Chicago and Washington who flew in by plane.

A spokesman said indications were that close to 1,000 persons from all over the United States would be in Selma by early afternoon to bolster hundreds of Negroes already engaged in a seven-day civil rights drive.

At Montgomery heavy Viet Cong battalions attacked the camp with mortar and recoilless rifle fire.

Vietnamese boxes were placed at 33 killed and 27 wounded.

3 Boys Die
HARLAN, Ky. (UPI) — Three boys were fatally crushed in a rockfall at an abandoned coal mine near here.

'Quite Alive'
HOUSTON, Tex. (UPI) — Russia's Zon-12 cosmic probe, once reported dying in space, is today quite alive and headed toward a spectacular pass within 300 miles of the planet Mars next Aug. 6.

3-Year-Old Captures Ribbons

Cutest, and undoubtedly the youngest, rider in horse shows around the area is little three-year-old Gerrie Randolph, daughter of Mr. and Mrs. P. W. Randolph of Wekiwa Hills.

THIS LITTLE DOLL is Gerrie Randolph, three-year-old daughter of Mr. and Mrs. P. W. Randolph, of Wekiwa Hills, who is making quite a name for herself in horse shows around the area. (Herald Photo)

Appalachia Bill Signed Into Law

WASHINGTON (UPI) — President Johnson signed into law today the first of his "Great Society" programs, a \$1.1 billion measure to aid the picturesque but poor mountain region known as Appalachia.

The major emphasis of the five-year program is a highway construction with \$840 million authorized to build development and access roads into the isolated valleys and across the high ridges of Appalachia.

Other funds would be spent on vocational education, health facilities, soil conservation and rehabilitation of strip mines.

Trip Postponed
WASHINGTON (UPI) — President Johnson has decided, because of the international situation, to put aside for the time being any consideration of a spring visit to Latin America.

Flyers Killed
FORT LAUDERDALE — Two occupants of a helicopter were killed when the craft crashed upside down in the backyard of a rural home.

Onlookers Fail Pleas For Help

PHILADELPHIA (UPI) — "I asked them to give a hand to help this girl, but no one would give me a hand."

Those were the words of Naval aviator James R. George, 23, of Atlanta, Ga., in testifying how six men ignored his pleas for help as he battled a howling gang of 15 to 20 youths trying to rape a 15-year-old girl they had pulled from a subway station platform.

George, his right eye swollen shut and his left eye puffed and discolored as evidence of the beating he took at the hands of the mob, testified at a hearing before County Judge Juanita Kidd Stout for eight boys, 15 to 17 years old, charged with the attack.

Normally we toss into file 13 any unsigned letters to the editor. But we have one signed "Just a Herald Reader" agreeing with the "Clock's" recent mention of the traffic hazard caused by those little yellow mushroom-type traffic buttons along Highway 17-92 between Sanford and Orlando.

"I wish your paper would create such a rumble," the letter reads, "that it would have the highway department put an end to end . . . I have seen our mailman almost get hit twice because of these darn stones . . . Won't you please take up the issue and make some noise about it?"

Can you teach an old dog new tricks? Frankly, we don't know (we've never tried) but dog trainers can teach a dog to sit up, speak, play dead and roll over —

They just say, "Roll over, Rover."

Dogs also can be taught to fetch pipe and slippers and to lie peacefully at the master's feet, looking dignified and somewhat sad.

While posing for a "Man of Distinction" ad.

We did learn, however, of a dog who learned to play the piano. Although he got an occasional engagement in night clubs or in someone's luncheonette, he was unhappy. He wanted to give a recital at the "Met."

He practiced night and day and finally his hour of triumph came . . . everyone applauded except one critic who remarked in a moment of spite

"His Bach is worse than his bite."

A husband is a man who knows that his wife's reasoning is largely sound.

If at first you don't succeed, try again. Then quit. No use being silly about it.

The modern woman spends 75 per cent of her time sitting down—the figures show.

Penneys
ALWAYS FIRST QUALITY

OPEN FRIDAY
NITE 'TIL 9

63rd ANNIVERSARY SPECIAL!

girls 2-piece
sport sets

2²² 2⁶⁶

3 to 6x 7 to 14

Cotton knit tops with tapered cotton duck pants! Three styles in pink, blue, red, maize, or navy. So easy-care, too — they wash and wear with almost no fuss at all! All at Penney's Anniversary savings!
