Celery Feds Intend To Use More Tricky And Deceptive Plays In Game With Bulldogs

Linebackers Also Show Great Improvement In Their Offensive Power During Season On Wet Practice Field

Head Coach Leonard McLucas and his Seminole High School Celery Feds, showing signs of steady improvement, underwent a week drill yesterday afternoon on the high school practice field and although on a wet gridiron, they showed much enthusiasm in their work and went through the session with satisfactory to their coaches and also to the on-lookers.

They are preparing to meet the Bulldogs under the leadership of Coach Ed Springs in a Southeast Florida Conference game to be played in Deland on the new remodeled Hulley Field. Yesterday afternoon Coaches Hester and McCracken took the linebackers and sent them through a scrimmage on their many line plays as well as their tackle and around end plays while Coach McLucas sent the backs through a drill on their plays and as well as their shifts, blocking, tackling and reverse plays.

They also ran many plays in dummy scrimmage and the season ended with a dummy scrimmage featuring the running of the single, double and triple reverse plays and an aerial attack that displayed the team in excellent condition and no one is being bothered with injuries of any kind as far as things are now showing, they will play as an improved and a tougher eleven when they meet the Bulldogs.

GEORGIA STRESSES DEFENSE

ATHENS, Ga., Oct. 20. —(AP)—Coach Harry Mehre pushed his drill through a long defensive drill yesterday and announced himself pleased with the line from first stringers to third substitutes. In a brief offensive scrimmage many weaknesses appeared despite the hard driving of Capt. Bill Hartman in his new left half-back position. The Bulldogs will concentrate on offense today and tomorrow in preparation for Mercer.

Sanford's First Professional Eleven To Workout Tomorrow

Wilkinson Will Coach Squad Of Past Grid Stars

Workout To Be Held At 5:00 O'Clock At 9th Street Park

By JULIAN STENSTROM
Herald Sports Editor

For the first time in the history of Sanford and its sporting activities, a professional football team is really to be organized for the purpose of giving former gridiron stars a chance to display some of their former feats on the football fields and also for those who were not able to go to college to have a chance to get some more of the old wear and tear of the gridiron.

Tomorrow afternoon at the Ninth Street Park a group of young men will hold their initial practice session of the season to loosen up their old and weary muscles. They will be under the leadership of a former Seminole High School coach and one-time star on two of the South's most famous gridiron teams of college rank, B. A. H. Wilkinson.

Behind the line the youthful Hatters look much stronger than the 1936 eleven which won the yearling championship of the Little Four Florida colleges. Alton Begue, of Shamrock and Cross City, will probably be at quarterback and Durrance believes he has the qualities of a real field general. Begue also is an alert runner.

Wilson Smith of Sanford is relief man for Begue at quarter.

At fullback, Robert DeWitt of Cooca, 175 pounder, and Walter McDonell, 190 pound husky from Duluth, Minn., have shown great promise.

At the halves the best bets for starting against Miami are James Bennett of Miami Beach, weighing 160 pounds, and Sidney Smith, a Texas boy who tips the scales at 165. Francis Rowell of Trenton and Howard Swank of Daytona are two halfbacks who may be called on for duty in the opening game.

WINTER PARK, Oct. 20. —(AP)—Coach Jack McDowell's Rollins College gridmen held their final practice here yesterday before leaving for Saturday's contest with Ohio Wesleyan at Delaware, Ohio. The freshmen team staged Wesleyan plays for the Tars in the final scrimmage. The varsity leaves for Ohio today, Dick Turk, Rollins center who comes from Toledo, Ohio, was named captain for Saturday's game.

sign of equipment, is going to try to prove its worth as a football eleven.

Coach Wilkinson also put in a word for all those youths who have ever played football, high school, college or professional, to be present so that work could get under way as soon as possible.

The group elected Julian Stenstrom, sports editor of The Sanford Herald as their publicity agent and business manager. Games with the Leesburg pro team, Rollins State, Tampa State, Miami State, Stetson State and the local high school are expected to compose their first year's schedule.

FEDS LOOK GOOD

The Seminole High Celery Feds looked like a million yesterday afternoon during the second practice session of the week with Coach Ed Springs' Deland High School Bulldogs on Hulley Field in that city Friday evening. They worked real hard and showed quite a bit of enthusiasm in the session and they are ready to go after those small but mighty little Dogs.

FOOTBALL FIELD READY?

The new Seminole High School football field is no where near completion as this columnist sees it and we think Coach McLucas is under the same impression. Monday afternoon Coach McLucas stated that workmen had promised to start the erection of the fence to go around the park early Tuesday morning. Yesterday afternoon we viewed the field with Coach McLucas and still no sign of a fence even at the park.

WHAT ABOUT PRO GRIDDERS

Some may ask what is the pro grid team all about and we shall try to answer briefly. The local boys who have seen action on the gridiron with high school teams and some college teams say that they would like to get in play more football, just for the love of the sport. They don't want any donations yet, for they are going to work out a good squad and show the fans in Sanford just what their team can do and then go to them for donations in order to equip themselves. It may not reach great heights and earn many laurels this season but they are going to try anyway and you lovers of the sport who would like to see these youths in action once more will have the opportunity, if you will just co-operate.

A NEW NAME?

According to some reports reaching us from various adult fans of the Seminole Grid eleven as well as many local high school students, many are urging the change of the nickname of the Seminole football eleven from the name Celery Feds to the name of Indians. That seems very logical to us for it would bring out the name of the high school more clearly. About 95 percent of the teams that Sanford has on schedule and those surrounding teams don't know it as the Sanford High. Why they do is of no material to us but to change the name in Indian would bring it out very clearly. For as you say the word "Seminole", it brings to your mind the word "Indian". The high school emblem and seal is pictured with an Indian so this column is in favor of the move 100 percent.

Aerial Offensive Program Is Keynote Of Florida Work For Clash With Mississippi State

Gators Also Get Opportunity To See Many Mississippi Plays And Formations In A Short Deceptive Scrimmage

UNIVERSITY OF FLORIDA, GAINESVILLE, Oct. 20. —Aerial offense was the keynote of yesterday's practice session in the Gator football camp as Coach Josh Cody continued to prep his boys for their Southeastern Conference clash with Mississippi State in Starkville, Miss., Saturday.

The Gator coach plans to show the Maroons plenty in the way of an air attack, for he spent the major portion of the drill running pass plays in dummy scrimmage. Ed Manning, Capt. Walter Mayberry, Bob Ivey and Red Evans were leaving the ball.

The session opened with the usual group work. The boys swung into a live offensive scrimmage against a six-man line, but Coach Cody was so dissatisfied with the way they were filling their assignments, he switched to the dummy pass work in short order.

Near the close of the session the first string combination got their first glimpse at Mississippi State formations in a short defensive scrimmage.

A reserve eleven, composed of second and third stringers, ran the Maroon plays. A longer look at the State attack in scrimmage is in order for today's workout.

The first two teams, which alternated in the offensive work, lined up as follows:

Tom Walker, left end; Clark Goff, left tackle; Gordon Gardner, left guard; Jim Oxford, center; Frank Kocsis, right guard; Charley Krejcir, right tackle; Ponia Pennington, right end; Jack Blacklock, quarterback; Manning, left half; Paul Delaney, right half; Red McGhee, fullback.

Jack Maynard, left end; John Crabtree, left tackle; Red Lightbrown, left guard; Bill Williams, center; Nelson Davis, right guard; Burrell Massett, right tackle; Paul Brock, quarterback; Captain Mayberry, left half; Al. Capt. Ken Willis, right half; Moon Mullins, fullback.

Goff, big 220-pound sophomore, who has played great ball in his first year on the varsity squad, may be just what Coach Cody is looking for in the way of an extra point converter. The big boy was bolting them through the uprights yesterday with regularity, and may be called on to use his talents if the Gators need him Saturday.

Watson Ramsey, the regular right end who has been out since the Stetson game with a badly wrenched knee, showed up at practice yesterday for the first time since he was injured. He was still kept out of any rough work.

Montague Is Identified As Holdup Man

Accomplice in Roadhouse Robbery, Who Served Time For Offense, Testifies

Montague Was Laverne Moore

Jury Is Composed Of Rugged Natives Of Backwoods Country

ELIZABETHTOWN, N. Y., Oct. 21.—(AP)—Hollywood's John Montague was identified today as a participant in the \$700 Adirondack roadhouse robbery in 1936 by a man who already has served a prison sentence for the crime.

Roger Norton, 35-year old Cleveland, Ohio, truck driver once convicted for the crime sat calmly in the witness chair and testified that Montague, then known as Laverne Moore, was an accomplice in the roadhouse robbery.

Asked by Prosecutor Thomas W. McDonald if he could identify Moore in the courtroom, the soft-spoken witness pointed a finger toward Montague at the counsel table and said "That is Laverne Moore."

Twelve rugged natives of the Adirondack Mountain country have reluctantly forsaken their deer rifles and taken their oath as jurors to try Montague on a seven-year-old robbery charge.

The jurors, all typical residents of the "North Country" where the best hunting season is in full swing, include four day laborers, three carpenters, two farmers, a youthful service station proprietor, a plumber and a painter.

Glenn Explains Pay Hike For Employees Of All Railroads

R. J. Glenn, who was recently named editor of a national Labor publication, returned to Sanford yesterday afternoon several weeks after his visit to Washington, D. C., where he attended to matters pertaining to his present position as editor of the Brotherhood of Locomotive Firemen and Engine Men of the Atlantic Coast Line Railroad.

Mr. Glenn reported that all the railroads of the nation have effected a wage increase for all employees in the transportation departments increasing the annual payroll for the railroads by \$25,000,000.

The employees in the passenger service received the largest increase but all engineers, firemen, trainmen and others in the transportation division received substantial increases ranging from \$16 monthly upward.

Baptist Meeting Names Officers For Coming Year

Association Has Membership Of \$4,500; Collects \$45,000.00

The Seminole Baptist Association of Central Florida adjourned its annual meeting held in Longwood, Tuesday and Wednesday of this week after the missionary meeting yesterday afternoon.

Plans were also discussed for promoting the work of the Sunday School Convention, which has been organized for the purpose of establishing Sunday Schools in various parts of this district.

At the election of officers for the association, the Rev. H. S. Richtmire of Daytona Beach was named moderator replacing J. M. Anderson of the Calvary Baptist Church in Daytona Beach.

Other members of the executive committee are the Rev. J. M. Anderson, of Daytona Beach; J. T. Brooks, of New Smyrna; E. L. Hon, of DeLand; and T. W. Lawton, of Orinda.

Progress Is Reported In Suit Against Roads

Satisfactory progress is being made in the suit of 41 counties against the railroads of the State to receive over \$1,000,000 in devaluation taxes, a large part of which has been collected for the County School Boards, T. V. Carr reported at the meeting of the South Florida School Officials in Arcadia yesterday, according to T. W. Lawton, president of the organization.

J. Yelms Keene has been employed by the 41 counties participating in this suit to show the counties how the suit is being handled, that every effort is being made to collect the taxes which have been delinquent since 1934.

Drennan Girl Says She Shot To Save Self

Carried Pistol With Her On Rendezvous At Paul Reeves' Iselin Bungalow

NEW BRUNSWICK, Oct. 21.—(AP)—Her voice breaking at times and her eyes filling with tears, Margaret Drennan told the jury trying her for murder today that she took a revolver with her on her rendezvous with Paul Reeves to prevent a repetition of an earlier attack.

As Reeves' witness watched her, she later from a spectator's seat directly in front of the witness stand, the 29-year-old secretarial school student declared that Reeves, father of two children, assaulted her first in his car on the night of Aug. 7. She learned that night for the first time, she said, that he was married and was a father.

A month later, she testified, she agreed to meet Reeves at his Iselin bungalow when his wife was away to tell him she believed she was pregnant. She said she shot Reeves when he attempted to assault her.

Staunch friends of Miss Drennan and her mother and father testified in Millburn, county court yesterday by the grand work of a defense contention that the 29-year-old secretarial student killed Paul Reeves, 25-year-old father of two children, because he tried to attack her.

Lanky and gray-haired John Drennan, a metal lathe worker, said he did not know the victim of his daughter's shooting until sometime after the night of Sept. 7.

Defense attorneys called witnesses in an effort to show that Paul Reeves introduced himself to Miss Drennan as a single man named Jack Lyons; that she became pregnant after he attacked her in August, and that she shot him in his bungalow, while his wife was at the movies, because he attempted a second attack.

Newsprint From Black Gum Seen As Another Industry In South

SAVANNAH, Oct. 21.—(AP)—Dr. Charles Herby announced yesterday that he is planning a newsprint industry in the South, based on black gum wood, characteristic trees of Atlantic and Gulf coast river swamps.

He described it as "the most important development from our laboratory since the day we made our commercial experimental run (with pine pulp) at Thorold, Canada, about four years ago."

To the south, he added, it means addition of "40 percent more to the already vast vast resources for the manufacture of paper particularly newsprint."

HECTIC MOMENTS IN THE STOCK MARKETS

Loss Of Strategic Center Is End Of Loyalists In Area

BARCELONA, Oct. 21.—(AP)—Rebel military headquarters announced today that Gijon, the Republican government's last important stronghold in the Spanish Northwest, had surrendered to Generalissimo Francisco Franco's forces.

The capture of Gijon, a strategic port and a major industrial center, was expected to cut off the Republican supply lines and force the evacuation of the remaining loyalist forces in the area.

Bert Fish Arrives At DeLand Home

Bert Fish, United States minister to Spain, arrived at his home in DeLand yesterday for his annual vacation, according to information received here today.

Pat O'Brien Stars In Film Of Prison

Those who like their moviemakers rugged and strong—plenty good if they're good and plenty bad if they're so inclined—are due for a treat today, when the First National melodrama "San Quentin" opens at the Ritz Theater. Fans will see Pat O'Brien, which ought to be satisfactory enough. He's the Captain of the Yard in San Quentin. On the bad side they'll have Humphrey Bogart and Joseph Sawyer as a couple of tough prisoners, plus big Barton MacLane as a crooked jail official.

But the picture isn't altogether masculine. For sweetness and light there's that lovely red-headed leading woman, Ann Sheridan, as a San Francisco night-club singer with whom Pat falls in love.

It's far from being a gloomy picture, preview observers declare, in spite of the fact that a lot of the action is behind the walls of the ancient penitentiary on the shore of San Francisco Bay. There are no execution and no death-house scenes.

Lloyd Bacon, a specialist in fast action and thrills, directed "San Quentin."

A few hours' climb in the Great Smoky mountains, from river valley to the peaks 5,000 feet above, will disclose in succession the same plant life zones to be found in traveling northward from the latitude of southern Tennessee to that of central Canada.

Reception Is Given By Missionaries

The Missionary Society of the First Methodist Church entertained with a reception Monday evening at the home of Mr. and Mrs. W. C. Hill in honor of the Rev. and Mrs. Paul Redearn, new members of the church and newlyweds.

The rooms of the Hill home were opened en suite for the occasion. Beautiful asters, gladioli, and roses were arranged in vases and bowls about the rooms. The dining room table was overlaid with a hand made lace cloth centered with a bowl of asters. White candles were placed on either side of the bowl.

Mrs. W. C. Hill, Mrs. E. H. Laney, the Rev. and Mrs. Paul Redearn, Mrs. A. M. Remusat, Mr. and Mrs. Charles McClung, Mrs. Roy Tillis, Mr. and Mrs. Steve Shinholser, Mr. and Mrs. Steve Starke, Mr. and Mrs. Luther Laiter, Mr. and Mrs. Arthur Phillips and Mr. and Mrs. Grady Duncan were in the receiving line.

Mrs. O. J. Pope and Mrs. J. O. Laney greeted the guests at the door. Dr. and Mrs. B. D. Caswell and Mr. and Mrs. M. R. Strickland were circulating hostesses in the living room while Mrs. J. A. Moffett, Mrs. H. B. McCall, Jr., Mr. Carl Chorpensing and Mrs. C. F. Gormley were circulating hostesses in the other rooms.

Miss Lola Evans presided over the register in the sun parlor and Miss Bessie Zachary received into the dining room.

Mrs. H. B. Odham, Jr., Miss Jeanne Choate, Miss Kathleen Laney and Miss Gene Martin Laney served and Mrs. Lola Lettette, Mrs. W. S. Thornton, Miss Margaret Davis, Mrs. George Hardin, Mrs. S. O. Shinholser and Mrs. J. L. Clark poured tea and coffee.

Music for the evening was furnished by Randall Priest who rendered several numbers on his harmonica.

In cooperation with loyalty month—representatives from all other churches were invited. Approximately 100 guests called during the evening.

Also Walter Haynes, Volie Williams, Brantley Adams, Douglas Stenstrom, Walter Turner, James Colbert and Raymond Monsalvatge.

Stage Sets Designed By Dorothea Lynch

In the most modern stage technique, yet with pleasing simplicity, the stage settings for the six Federal Theater plays to come here starting with "Miles Gloriosus" Monday evening, Oct. 25 at the high school auditorium at 8:00 P. M. under the sponsorship of Principal G. E. McKay, have been designed personally by Mrs. Dorothea Lynch, State Director, who has also personally supervised the direction of this first play of the historic series.

In "Miles Gloriosus" all the action takes place before the adjoining houses of Goodheart, the beneficent friend of the hero, Tarr, and of Juggernaut, the comic villain that is the boastful soldier of the title. In all old Roman comedies, according to the stage structure of that day every stage setting had two doors at the back, one right, one left, and in this case they represent the two houses joined by a single stone wall.

By cutting a hole through the wall the captive heroine is able to see her lover in the home of Goodheart; but when she is spied by Juggernaut's servant in Goodheart's courtyard kissing her lover she has to pretend that she is twins, one of whom was in each house. On this farcical foundation, and playing on the tremendous ego of the braggart captain, the plot of the comedy hinges.

Market Surges Forward Then Strikes A Snag

(Continued From Page One) or tape frequently was behind on the upswing instead of on the down.

The Associated Press average of 60 stocks on the "big board" this morning was \$18.70, only 20 cents under the closing average of last Saturday, and \$3.49 above Tuesday—the largest gain since the \$4.10 advance in the averages on Feb. 15, 1933.

Yesterday's turnover was 4,336,000 shares, compared with 7,257,000 Tuesday.

The advance of stock prices on the exchange spread into the curb market and bonds were higher. Wheat closed on the Chicago Board of Trade up 1 3/4 to 2 1/4 cents and corn prices were stronger. Commodities closed irregularly.

After appraising the rapid recovery in the stock market yesterday and today, brokers, bankers and industrialists quickly advanced the belief the wave of fear, which spread over the exchanges Monday and early Tuesday, had disappeared. After such a selling wave experienced in recent days, the opinion was general that prices were attractive to many buyers.

F. D. R. Sounds Hope
WASHINGTON, Oct. 21. (AP)—Federal officials who wield potent powers over the stock market heard from President Roosevelt yesterday that the government must perfect and co-ordinate its mechanisms for building a firm prosperity, free from violent swings into booms and depressions.

The President delivered a brief address at dedicatory ceremonies for the new Federal Reserve Building. Top-ranking financial officials, legislators and private bankers were among the audience.

The stock market, which yesterday regained some of the ground lost in recent steep plunges, drew no direct mention from Mr. Roosevelt. Neither did he refer to assertions by some business leaders that government policies were responsible for the market downturns.

The Nation's monetary and credit machinery, the President said, "must be steadily perfected and co-ordinated with all other instruments of government to promote the most productive utilization of our human and material resources."

"Only in that way," he continued, "can we hope to achieve and maintain an enduring prosperity, free from the disastrous extremes of booms and depressions."

"Only in that way can our economic system and our democratic institution endure hand in hand."

At another point, the Executive said banking powers have been concentrated in the Federal Reserve Board "so that they can be used promptly and effectively in accordance with the changing needs of the country."

Then, speaking slowly and emphasizing each word, he added: "Nineteen thirty-seven is not nineteen thirteen; nor do we want to turn the hands of the clock back."

The President drew a burst of applause when he traced enactment of the Federal Reserve act in 1913 to the "statesmanship of President Wilson" and the "courageous leadership" of Senator Carter Glass, Virginia Democrat who has been a caustic critic of many Roosevelt policies.

Glass was seated behind the President as he praised him. The Virginian was chairman of the house banking committee when Congress set up the reserve system.

Mr. Roosevelt was greeted with lively hand-clapping when he appeared on a high balcony above the central rotunda in the glistening new Reserve Building on Constitution Avenue.

BODIES OF PLANE VICTIMS SCATTERED IN SNOW

First searchers to reach the wreckage of the United Airlines transport plane, which crashed on Chalk mountain in the vicinity of the Wyoming-Utah border, found bodies of the 19 persons aboard scattered amid snow-covered debris. Hardy members of the searching party are shown inspecting their gruesome discovery.

Spotlighted between two marble columns by photographers' big electric lamps, he entered on the arm of his son, James, while the Army band played "Hail to the Chief." He was introduced by Chairman Marriner S. Eccles of the Reserve Board.

A big American flag was draped behind him, and clustered about were reserve board members, Secretary Morgenthau and Chairman William O. Douglas of the securities commission.

Throughout Mr. Roosevelt's talk a re-statement of a general objective, described yesterday in these words:

"To gain for all of our people the greatest attainable measure of economic well being, the largest degree of economic security and stability."

Bridge Party Given By Woman's Club
The first bridge party of the year given by the social department of the Woman's Club was held yesterday afternoon.

Proceeding the party a short business session was held at which time Mrs. L. E. Spencer was elected chairman to fill the vacancy left by Mrs. S. D. Highleyman, who resigned.

A Halloween motif predominated in the decorations. A profusion of Fall flowers were placed about the rooms.

High score prize was won by Mrs. A. M. Phillips and Mrs. Myrtle Adams won seventh prize.

Refreshments were served to the following: Mrs. Arthur Bran, Mrs. Walter Cooper, Mrs. W. M. Carter, Mrs. F. S. Lamson, Mrs. Alex Johnson, Mrs. Fred T. Williams, Mrs. J. A. Young, Mrs. F. H. Laney, Mrs. H. D. Freeman, Mrs. James Colvin of Atlanta, Ga., Mrs. Irene Leavitt, Mrs. L. E. Spencer, Mrs. A. H. Middleton, Mrs. I. E. Estridge, Mrs. Mary Hommel, Mrs. Cassandra Schultz, Mrs. O. P. Herndon, Mrs. Myrtle Adams, and Mrs. J. M. Costes.

Also Mrs. A. M. Phillips, Mrs. Irving Loucks, Mrs. J. E. Baker, Mrs. Henry McLaurin, Mrs. F. Compton, Mrs. P. M. King, Mrs. G. F. Proctor, Mrs. John Meisch, Mrs. Sanford Doudney, Mrs. H. M. Papworth, Mrs. W. M. Scott, Mrs. R. F. Monsalvatge and Miss Irene Hinton.

One of the first theaters in Natchez, Miss., built about 1828, was constructed over a graveyard.

Mrs. F. E. Bolz Is Hostess To Circle

Mrs. F. E. Bolz was hostess Monday to Circle Number Five of the First Baptist Church for an all-day sewing for the hospital and a covered dish luncheon.

During the afternoon Mrs. R. L. Glenn was honored with a handkerchief shower and a musical program was enjoyed.

Those attending were: Mrs. Fred Hall, Mrs. Dick Lundy, Mrs. M. N. Cleveland, Mrs. C. A. Anderson, Jr., Mrs. A. H. Ford, Mrs. G. E. Hollins, Mrs. H. W. Tucker, Mrs. W. P. Brooks, Jr., Mrs. Jane Beattie Smith, Mrs. F. E. Bolz, Mrs. R. L. Glenn, Mrs. I. E. Symonds, Mrs. R. R. Pippin, Mrs. C. C. Cox, Mrs. Lillian Vickery and Miss Martha Anderson.

will publish a special edition next week that will be mailed away to over 1,000 prospective winter visitors. This edition will be filled with interesting news stories and advertisements about Sanford and Seminole County. It will tell what Sanford has to offer the many people who visit Florida every year. It will tell them why they should visit Sanford and Seminole County.

The Herald's "Mail-Away" edition will be this county's super salesman, and should sell prospective winter visitors to Florida on the idea that Seminole County is the best place in Florida to spend the winter or to make their permanent home.

Be sure to order your extra copies of this edition early because the supply will be limited. Orders of ten or more copies will be on sale at The Herald office for 5c each and orders of less than ten for 10c each. Watch for this edition.

Seminole Tapers Off For Clash With Deland Tomorrow Evening

Deland To Celebrate Its Homecoming Activities At Conference Tilt With Locals

Fast Aerial Attack And Many Plays Of The Russell-Danzell Type Will Be Seen In Feds' Fourth Contest

The Seminole High School Celery Fed went through their last homecoming drill before meeting the Deland Bulldogs in a North-South Conference battle tomorrow evening in that city on the new expanded Kelly Field.

The local gridder are in the best of condition for the tilt and they have improved 100 percent since their first game of the season. With the Daytona Beach game raised out the local boys have been working hard and getting in some new knowledge of the gridiron. Many new running plays, passer plays and blocking plays have been studied and they will be seen in full force on the part of the Feds tomorrow evening.

Coaches Russell McCracken and Woody Hines, assistants to the Celery Fed coach, Coach Leonard McLaughlin, worked with the boys yesterday and today. It is expected that Coach McLaughlin will see the probable starting line-up for the Conference battle.

Over in Deland, the students are getting ready for the battle which is their homecoming game of the season and a large program is being planned. Harry Kiehl, starting halfback, has been elected captain of the Deland High School eleven for the important homecoming game with Sanford. "Hurricane" Weeks, defensive guard, was named alternate captain.

Another injury crept out yesterday to further handicap the Bulldogs as Fritz Roche came up with an infected eye. Roche also is nursing leg bruises and will be held out of rough work this week. Kiehl likewise has not donned a uniform for any rough play.

A new tackling dummy has been erected, and named "Celery Fed." It has received plenty of punishment in the last two days. Coach Spring was highly pleased with this department of play yesterday, but the blocking left much to be desired.

Absence of Roche and Kiehl from the backfield has ruined the timing, and the Bulldogs offense has been conspicuously by its absence.

Sponsors for the homecoming game are the Misses Betty Bailey, Barbara Sullivan, Barbara Winn and Yvonne Shepard.

A Bulldogs club was organized yesterday with Tom Hayes, president; Cecil Thompson, vice-president; Paul Fisher, secretary, and Joe Johnson, treasurer.

Wilkinson To Lead Semi-Pro Team In Initial Practice

20 Local Youths Are Expected To Attend Workouts

Sanford's 1st Semi-Pro Team To Use Notre Dame Plays

By JULIAN STENSTROM
Herald Sports Editor

The Sanford semi-professional football team will undergo its initial practice this season this afternoon when it meets at 5:00 o'clock on the field at Ninth Street Park under the direction of the watchful eyes of Coach H. A. B. Wilkinson.

All of the boys are showing eagerness to get the practice sessions under way, and by next week at the same time Sanford fans will be able to see a great star eleven, one of the best in Central Florida, go into action in scrimmages. The team, according to Coach Wilkinson, will use the straight Notre Dame style of play due to the fact that nearly all of the players have been graduates of Seminole High School and know the Notre Dame plays very well.

This afternoon the practice will consist of mostly limbering up exercises and drills on kicking and passing. The public will be invited to see these workouts every afternoon except Saturday at the Ninth Street Park and any suggestions that would aid or help the squad the least bit will be gladly accepted.

The names of the youths that are expected to be present are as follows and their position:

Billy Odham, halfback; Russell Odham, guard; Buddy Wiggins, guard; Harold Doker, fullback; Mac McWhorter, halfback; Jack Purdon, end; Angus Hartel, end; Louis McDaniel, end; Denny Wote, end; D. B. Hodges, tackle; Monkey Hanger, tackle; Jim Stanger, tackle; Robert Knight, quarterback; Johnny J. Couffer, quarterback; Joe Thompson, halfback; Edwin Squires, center; Byron Fox, tackle; Skinsay Vincent, halfback; Mutt Coleman, guard; Bob Williams, guard or tackle, and a youth formerly with the Stetson University of Deland matters will also be present.

The brick used in building the Henry W. Longfellow house at Portland, Maine, was brought by boat from Philadelphia. A mansion of the former type. It was built in 1876 by Gen. Peleg Wadsworth.

Group insurance in the United States last year, was estimated to total \$1,500,000,000.

Rollins Leaves For Clash With Ohio Wesleyan

Coach Jack McDowell Expresses Hope In Strong Front Line

WINTER PARK, Fla., Oct. 21.—Displaying more spirit than at any time this season, the Rollins Tars bid adieu to their home port yesterday to set sail for the port of Delaware, Ohio, where they meet in their first intercollegiate naval engagement the Battling Bishops of Ohio Wesleyan on Saturday.

Although the Rollins Tars are picked underdogs against their much more experienced rivals, much was expressed in the Tars camp that their highly wanted line would lead the defense barrier in stopping the Bishops.

Already Ohio Wesleyan, annually one of the strongest of small college eleven in the North, has dropped four games. Pitt's mighty Panthers gave them a shelling in their opener to the tune of 59-0. Danton followed Pitt by the score of 19-7. Toledo waded out a 3-0 triumph and Marshal beat them 21-6.

The Tars on the other hand have split their only two contests to date. They beat South Georgia State 13-6 and lost to Southeastern Louisiana 7-0.

The Tars return home on Monday to prepare for their next home encounter with Wofford College, whom the Tars beat in Leesburg last year by 32-14 score.

The local eleven will have a big start in beginning their practice sessions as the squad will use the straight Notre Dame style of play due to the fact that most of the boys are graduates of Seminole High School and played high school football before.

It was learned today that Bob Williams, sturdy guard on the Celery Fed eleven for three years, will be present this afternoon at the initial practice. It was also learned that a former Stetson University player, now living in Deland, will play on the team but his name has not been announced yet.

OTHERS INVITED
Johanne Coulter, former quarterback for the Feds, has been invited to be present at the initial session and also Leslie Harango, former fullback for the Feds in 1935. Billy Odham, one of the finest halfbacks that has ever played on the local gridiron, will be of great value to the club. It was learned that Loftin Edinfield, one of the best ends that Seminole High School has ever had may attend the drill and that makes a decision to every mind in Sanford that there will be plenty of action.

DEATH'S BURDEN ON HORSEBACK

Astride a sure-footed pack horse, Dewey Danks, first person to reach the wrecked United Airlines plane on a mountain side near the Wyoming-Utah border, is shown bringing out one of the 19 bodies on his steed. Leading the horse is Height Proffitt, a trapper.

Heavy Taxes Prevent Home Construction, NAREB Head Asserts

PITTSBURGH, Oct. 21. —(AP)—Paul E. Stark, president of the National Association of Real Estate Boards, asserted yesterday that heavy taxes, high interest rates and limited loan periods were preventing a revival in home construction.

Opening the 20th convention of the association, the Madison, Wis., realtor told 1,500 delegates that economists believed 5,000,000 American families would build homes if interest rates were reduced and amortization periods extended.

Former Governor Myers J. Cooper of Ohio, urged a co-ordinated system of Federal, State and local taxation, asserting that "the greater the uniformity x x x the greater will be the guarantee against tax impositions on home owners and the farmers."

Stark declared that real estate received 20 percent of the national income but bore 60 percent of the national tax burden.

"It seems futile," he said, "for the Federal government to spend billions of dollars to encourage housing while municipalities the country over stifle new construction with an unfair and unjust tax burden."

Two institutes of the national association elected officers yesterday in conjunction with the thirtieth annual convention of the association.

LONGWOOD

The Seminole Baptist Association convened in Longwood during Tuesday and Wednesday with sessions morning, afternoon and evening including many prominent speakers.

Bountiful repasts were served the delegates by the efficient committee of women of the local Baptist church, at Civic League Hall. Nearly two hundred visitors were entertained.

At the October meeting of the Civic League the dates for the annual Bazaar were set for December ninth and tenth. The League meets twice monthly in preparation for this event.

Miss Alda La Vigne entertained the following guests on Friday evening at her home: Miss Adrienne Waits, Mr. and Mrs. Wallace Crosby, Mr. and Mrs. Herman Jean, Mr. and Mrs. Fred Madden, and John Spencer. Mrs. Alma Entsminger Tapers and Lucy Entsminger of Tallahassee spent the week-end with

Mr. and Mrs. W. E. Entsminger.

Longwood is having several new street lights installed. All lights will be kept burning each night from sunset to sunrise.

The Baptist Training Union recently elected the following: director of installation, Miss Caroline Lewis; director of B. T. U. Vivian Yomans; secretary, Ellen Overstreet; chorister, Mrs. J. H. Avant; pianist, Rebecca Walker; senior leader, Lois Elgin; intermediate leader, Joyce Gray; leader of juniors, Mrs. C. N. North. Bring 'Em Back Alive Is New Safety Plea

TAMPA, Oct. 21.—(AP)—"Bring them back alive," Barton H. Schoepf, chairman of the Florida Safety Council, urged automobile drivers yesterday. "Take time to be safe," he added. He was speaking particularly of drivers carrying parents and friends to athletic events. Pointing out that there have been four fatalities among students going to football games in Florida since the season opened recently, Schoepf said: "Don't let your exuberant spirits run away with your better judgment. Remember there is only one driver at the wheel. Bring them back alive."

55 CCC Companies Moved To Far West

WASHINGTON, Oct. 21.—(AP)—Fifty-five companies of Civilian Conservation Corps men have been moved from the Fourth Corps Area in the Far West, CCC officials announced. They said the enrollees are being transferred to the West to work on forest, park and gravel land projects. The CCC enrolled 54 percent more men from Southern States than their quotas allowed because industrial conditions in the North and East reduced enrollment there.

Czechoslovakia Envoy Protests German Press

BERLIN, Oct. 21.—(AP)—Czechoslovakia's envoy to Berlin, Dr. Vojtech Mastny, yesterday protested to Foreign Minister Von Neurath against an "aggressive, menacing German press and broadcast campaign" which has strained relations between the two countries. The protest was made after German newspapers supported editorially the position taken by Konrad Henlein, leader of the sudeten deutsche party, who wrote an open letter to the Czech president, Edvard Benes, insisting on autonomy for German districts of the republic. Baron von Neurath said the protest was unwarranted, since the article in Germany was thoroughly answered by Czechoslovakia's measures against the sudeten party. Czech police were said to have manhandled some members of the sudeten deutsche party Oct. 17 when they attempted to hold a forbidden rally near the German border.

Naval Stores Project Gets Wallace' Okey

WASHINGTON, Oct. 21.—(AP)—Farm administration officials estimated yesterday naval stores farmers in eight southern states could earn \$1,500,000 in benefit payments under the 1938 agricultural conservation program. They said Secretary Wallace had approved details for the program next year which aim at "conservation of timber land resources, prevention of their uneconomic use and wasteful exploitation, and the improvement of fire protection in the naval stores region."

Suit Filed To Get "Bank Night" Award

GAINESVILLE, Oct. 21.—(AP)—Mr. and Mrs. H. K. Dorman filed suit in circuit court here yesterday against the Sparks Theater, Inc., for \$1000 on the grounds Mrs. Dorman had been deprived of \$500 "bank night" award she claimed she should have received. Papers filed in the suit said Mrs. Dorman's husband was drawn for a \$500 "bank night" award

at a theater here Sept. 23 and that she applied in person for the money within a reasonable time after her name was announced as the winner, but that the theater manager refused to give her the money.

Trailer Camps Are Ready For Tourists

MIAMI, Oct. 21.—(AP)—Florida trailer camps, winter sanctuaries for the nation's nomads of the highway, are being enlarged and improved this fall in preparation for an anticipated early and record-breaking tourist movement this season. A survey of the state found camp owners predicting increases ranging from 20 to 30 percent, despite the failure of sales of the mobile homes to reach the anticipated peak this year and the annual given the gasoline booms by two large Florida cities. Although an accurate check was difficult, 26,000 trailers were reported in Florida last winter. Last years figure for the movement that had its beginning in something different in camping doubled that of 1935. Camp owners expect nearly 50,000 trailers to roll over Florida's highways this winter and while Jacksonville and Orlando have decided to discourage the movement, trailer tourists will be welcomed at Miami, Sarasota, Tampa, Ft. Lauderdale and a score of other cities. Jacksonville and Orlando joined with Palm Beach and Miami Beach, Florida's two swankiest centers of society, in a campaign against the land yachts.

Fascist Council Is Set Up By Franco To Govern Spain

Fall Of Gijon Brings Country Under Control Of Dictator To Two-Thirds Of All

Big Drive Ready For Southeast

Franco Hopes To Capture Madrid And Valencia By Winter

Insurgent Spain today became Europe's newest, albeit embryonic, Fascist state.

Diplomats met in London to debate how to get foreign fighters out of the Spanish armies and lessen the chances that other nations will become openly involved in the Spanish civil war. But even as they talked it appeared that Father Time himself might solve the problem—that the next few months might see a decisive end to the civil conflict.

Insurgent Generalissimo Francisco Franco today became the real dictator of the territory he holds—at least two-thirds of Spain. He immediately set up a Grand Council to govern it with himself as its powerful head.

The capture of Gijon, the Biscayan port city, made it possible for him to plan a massive thrust into the southeast, the chief remaining segment of government territory. He may try a decisive thrust against Valencia and Madrid before winter sets in and he wins, the war will be over.

The latest vestige of the government's control in northwest Spain vanished today as Franco's victorious armies swept Asturias (Oviedo province) from east to west.

Even more complete than the collapse of defenses of Santander on Aug. 25 was the crumbling of the morale of the savage dynamite-throwing Asturian miners who formed the Republican government's army in Asturias.

Once the fiercest of all governments.

Furious Battle Continues Along Shanghai Front

Japs Seek To Win Important Victory Before 9-Power Meet

SHANGHAI, Oct. 22.—(AP)—Chinese and Japanese troops were locked in a heavy battle along the 25-mile Shanghai front today with both sides claiming gains. In the confusion of attacks and counterattacks it was virtually impossible for foreign observers to determine the exact situation.

A Japanese army spokesman announced at midday that the Japanese had pushed back the Chinese a few hundred yards to occupy Kwangsi, an important Chinese defense position. A Chinese spokesman declared the Japanese were driven back at the same point.

Shells from Chinese batteries in Pootung across the Whangpoo River from Shanghai fell in the Japanese-occupied Hongkew section of the International Settlement.

The Japanese high command, informed by diplomatic leaders that it must win a major victory before the meeting of the Nine-Power Treaty Nations in Brussels next week, ordered every rifle shell.

Cone Advocates Tree Hanging For Revolutionists

But Promises Protection For All Who Obey Law And Order

NEW YORK, Oct. 22.—(AP)—Governor Cone of Florida today, representative of the committee for the defense of civil rights in Tampa yesterday that a man ought to be hung on a tree if he advocates overthrow of the government.

At the same time, he said Florida was prepared to extend its protection to those who obey the law and order.

As to the matter of the yet unpublished flag-burning law of Joseph A. Shoemaker, organizer of the modern Democrats, in 1925, the governor said he would welcome a Department of Justice investigation in the affair.

The delegation had gone to Cone's hotel to ask him, in the language of David C. Glendon, a member, what he proposed to do to "uphold justice" in the Shoemaker case.

Told by the Rev. James Myers, industrial secretary of the federation.

Charge Of Murder Against Jack Garr Dropped By State

Defense Closes With Testimony Roy Garr Insane At Killing

SHELBYVILLE, Ky., Oct. 22.—(AP)—The murder charge against Jack Garr, dismissed today but the fate of his brother, Roy, who admitted shooting Brigadier General Henry H. Denhardt, was left to the jury.

The defense had closed after two more physicians had told the jury they believed Roy was mentally insane when he shot Denhardt.

Jack and Roy Garr were brothers of Mrs. Vera Garr North, fiancée of Denhardt at the time of her death last year. The general was charged with her murder—the trial resulted in a mistrial and Denhardt was slain on the eve of the start of a second trial.

Brig. Gen. Elberton W. Carter of Louisville, who was associated with Denhardt when the latter was Kentucky adjutant general, yesterday termed him "one of the most violent, domineering and unscrupulous men I ever knew."

Law Ulrich, Louisville, a National Guard first lieutenant and former aide-de-camp to Denhardt, characterized him as "power drunk" and "officious."

Maj. Joseph Kelly, Frankfort, described him as "cruel and inhuman."

The insanity testimony was introduced in a long hypothetical question asked of three physicians, Dr. Milton Board, Louisville, in reply, declared Roy Garr had been emotionally insane and that he became normal again immediately after what he termed "the mental explosion occasioned by seeing the general."

Drs. Leon P. Robinson and John R. Peters, both of Louisville concurred with Dr. Board.

The hypothetical question asked the physicians was whether Roy had not become mentally upset by hearing reports that Denhardt's counsel planned to introduce testimony at his second trial "casting reflections on his sister."

Ship No. 7 Of Sea Scouts Holds First Meet At City Dock

The Sanford Sea Scouts of Ship No. 7 held its first regular meeting last evening at the new headquarters on an old city dock on the Lake Front Drive.

The scouts reported that since lights have been installed by the Sanford Lions Club, their sponsors, work can be completed soon in their new boats that they are now building and last night they completed the installation of a new work bench.

Clifford Bell, skipper of the group, announced his resignation from that office due to the fact that he has accepted a position in St. Petersburg. According to Dick Mason, scribe of the troop, the organization will carry on under the leadership of Mate Walter Ward until a new skipper can be selected by the Ship Committee.

The Scouts had no visitors last night, W. R. McCracken, member of the Seminole High School faculty and Football Coaching Staff, Buster Vihlen and J. L. Galloway, member of the Ship Committee of the Lions Club.

Rev. Beard To Speak On China Here Sunday

Dr. Willard L. Beard, for a number of years president of Poochick College in Foochow, China, will give an address on "The Makers of a New China" in the Congregational Church Sunday morning, according to the Rev. J. B. Root, pastor of the church, who cordially invited the public to attend.

A large part of Dr. Beard's outstanding career in educational and evangelistic work has been spent in China which at the present time is in the grip of a relentless war, and through his observation he has acquired first hand information as to conditions which exist in that far eastern land, it was stated.

In 1924, by special request, Dr. Beard was placed in charge of the Y. M. C. A. in Foochow for promotional work for six years. Returning to America on furlough he was detained two years to set up a District Secretary back to China to become president of Poochick College. This was in 1932 and he was there during the stormy days of administration of missionary educational work. Again in 1937 during a period with revolutionary soldiers, he was on one occasion relieved of everything except shirt and trousers.

Esau Theatre Is Displayed At C Of C

A complete unit of the EZEKIEL "Theater" was this morning placed on display in the Chamber of Commerce Building.

The "Theater" is being loaned the Chamber of Commerce through courtesy of Henry Holt and Company, New York publishers, and is a duplicate of the units now on display in the larger bookstores of northern metropolitan cities. It will be used particularly for the 6th Anniversary Meeting of the Central Florida Council of Chambers of Commerce to be held in Sanford on the morning of November 9. The program features of this important meeting will be Elvira Garr's personal introduction of the characters of her story.

The public is cordially invited to see this very attractive display which shows "Pappy, Mammy, Esau, Emancipation, Lil' Plural, Assafed, Uncle Adam Joshua and Augustus" in varied activities having to do with "Mammy's" washing.

The Seminole County Chamber of Commerce is assisting the publishers of Esau in the national advertising of this outstanding child's book over which all America is already chuckling. Mr. Bagwell said.

Text Book Manager Here On Inspection

T. George Walker, manager of the State Text Book Service for the State Department of Education, visited Seminole County yesterday on his inspection tour of the different counties of the State. T. W. Lawton, county superintendent of public instruction, reported today.

Mr. Walker is making an effort to ascertain the number of new books held in the counties of the State that may be redistributed and is also inspecting old books which are in need of repair.

It was indicated that the old books will be collected and sent to the book rebinding in Jacksonville where they are rebound for reuse at a cost of 42 percent of the original purchase price.

During his visit to Sanford Mr. Walker visited the Seminole High School and was introduced to the faculty there by G. E. McKay, principal of the school.

Mr. Walker is the son of W. S. Walker, former pastor of the First Methodist Church here and the brother of Mrs. J. Roby Laing also of this city.

Shrine Supper Termed Success By Officials

The meeting and supper of the Sanford Shrine Club held in the Vanden Hotel last night was pronounced a success today by officials of the Lodge.

Approximately 50 Shriners were in attendance at the meeting presided over by George Weinstein, recently elected president of the group.

At the meeting it was announced that a similar supper will be held in the Hotel on November 12. Past president Edward Lane gave what was termed an interesting report on Shrine activities throughout the nation and short speeches were made by many of the Noble presence.

Colored Slides Will Be Seen On Program

Colored slides depicting the "Story of the Other Wise Man" and "The Fables of Our Land" will be presented at the First Methodist Church Sunday in the concluding program of the Board of Christian Education honoring church youth over the nation, which have been conducted during the past week, it was learned today.

Prof. R. E. Kline will deliver the lecture with the slides. The U. S. Department of Agriculture will be the subject of the program.

Forty-Eight Die In New Soviet Purge

MOSCOW, Oct. 22.—(AP)—Forty-eight persons were reported yesterday to have died in the latest round of the Soviet purge.

Forty-five persons were shot at Irkutsk after conviction on charges of Trotskyist and rightist terrorism, sabotage and spying on railroads, in behalf of the Japanese intelligence service.

Three officials of a village in Western Siberia were convicted of killing livestock and neglecting the Soviet cattle breeding program.

Low Prices Seen

WASHINGTON, Oct. 22.—(AP)—The Bureau of Agricultural Economics predicted yesterday that prices throughout the winter marketing season will be low.

This forecast was based on indicated heavy production of oranges, grapefruit, and apples. Crops of all three are near record proportions.

The trend is a small wild guess. It could mean the eastern market of North America and in many sections in Europe.

U. S. Senator Talks At Father-Son Banquet On Needs Of Farmers Of Today

Crop Insurance Said To Be Main Aim Of Coming Legislation

Contrasting the farmers of yesterday with those of today—who are the recipients of many advantages under the present administration, Senator Claude Pepper pointed out that the farmers need one more thing, insurance against crop failures and the lower prices which result from over-production in bumper years.

Speaking at the Father-Son Banquet at the annex of the First Methodist Church last night, the young senator delivered an address most of which was directed to the boys who accompanied their dads to the banquet.

In his comparison of the farmer of today, the Senator pointed out that there were no County Agents or Home Demonstration Agents to offer guidance in the farmer and his wife, Rural Electrification was unheard of, and there were no agencies through which the farmer might borrow money to plant his crops on his land or improve his home.

The participation of Florida farmers in the State's \$2,000,000 soil conservation program during the past year is also an advantage for soil improvement and monetary gain which was not provided for farmers of a decade ago.

With all these advantages, however, the Senator pointed out the farmer is the biggest gambler in the world. He plants in the fertile soil and hopes to gather a good crop and make money. Sometimes the crop is destroyed, and sometimes he harvests a good crop but then his fellow farmers have also

Former Sweetheart Grooms Young Snite

ELIZABETHTOWN, New York, Oct. 22.—(AP)—White-haired, partially deaf Matt Cobb walked feebly into this mountain courtroom today and told of a beating he received during a \$700 holdup which the State contends was administered by the mysterious John Montague.

Cobb, 74, is the father-in-law of Kin Hanna, owner of the Jay, New York, roadhouse looted seven years ago by a gang of four robbers.

Montague stared at the elderly witness as impassive as the yesterday when Roger Norton, a confessed participant in the crime, testified Montague, Hollywood golfer extraordinary, was an accomplice.

Norton said the golfer—known then as Laverne Moore—struck Cobb in the head "several times."

Asked by the prosecutor, "Do you see in this courtroom the man who attacked you?" Cobb hesitated a moment, looked toward Montague and said, "I think that's the man there."

Later under a cross examination, he said, "He (Montague) seems too fat for the man who was in the room."

Mrs. Kin Hanna, who with her three pretty, fashionably dressed daughters, Doris, 17; Harriet, 20; and Naomi, 24, testified yesterday in quick succession, said one of the robbers called out "Verne, we better get out of here."

"I heard one of the men referred to as Carleton," she declared.

All four witnesses said they heard "screaming" outside the house.

"My father (Matthew Cobb) present with Hanna during the holdup) was yelling 'they're killing me,'" Mrs. Hanna asserted.

Mrs. Hanna said she was forced to open the roadhouse safe at gunpoint.

Doris testified she heard one of the gang tell her mother "to hurry up or we'll blow it up."

Paul Poland, an employee of the roadhouse at the time of the robbery, pointed out Montague as the man he saw with Norton in a Jay, N. Y., garage, near the Hanna resort, a few nights before the holdup.

185 Chimney Swifts Banded In Week By Audubon Society

Chimney swifts in the number of 185 were banded during the past week, according to a statement made this morning by C. R. Mason, head of the Florida Audubon Society, who led the group of bird banders in the work on the swifts that were secured from the chimney of the Sanford Machine Shop by a specially designed trap.

The birds were trapped, banded and immediately released and records of their capture in other sections of the state will await with interest in order to determine their line of flight in migration.

A number of the members of the Audubon Society throughout the state are co-operating with the Bureau of Biological Survey in the banding of these interesting birds with hope that their migration routes may finally uncover their winter home, thus far unknown.

More than 400 of the birds have now been banded in Sanford and it is hoped that a few more catches may be made in the limited days remaining before the birds' departure for more southern areas.

Those co-operating with Mr. Mason in the recent banding activity include Mr. and Mrs. Henry A. Russell, Mrs. Mason, Miss Mary Forrester, Russell Olham and H. A. Haynes.

Exhibit For Fair To Be Discussed Tonight

Preliminary plans for Seminole County's exhibit at the Central Florida Exposition in Orlando will be discussed tonight with the organization of the Chamber of Commerce Exhibit Committee, according to Ralph Hagwell, secretary.

County Agent C. H. Dawson has been named chairman of the committee by Chamber President T. E. Simpson, and those who have been invited to the meeting in the Chamber of Commerce building at 7:30 o'clock are: Mrs. Gladys Kendall, Mrs. Alex Packard, Otto Schmidt, Emil Kaefermann, Lake Monroe; Fred Forward, Forest City; H. G. Lingie, Alex H. Johnson, W. J. Wells, Jr., Longwood; Roy F. Symes, Sr., E. J. Miller, W. G. Kilbos, Geneva; R. F. Kline, Oviedo; S. H. Hall, Gardens; R. P. Cooper, Oviedo; H. A. Tag Day To Be Held By Salvation Army

Approximately twenty Junior High School girls will aid in the Salvation Army Tag Day campaign to be held in Sanford tomorrow, Capt. Fred Feren, commander of the local unit announced today.

The girls aiding in the tag sales will be awarded valuable prizes for their work, it was indicated.

The Tag Day campaign is being conducted in an effort to raise funds for the continuance of the Army's aid to indigent families in Seminole County and also to provide funds for other work of the organization.

Capt. Feren indicated that the drive will begin about 9:00 o'clock tomorrow morning and will continue through the day and concluded by requesting the co-operation of the people of Sanford and Seminole County in making the drive a success.

Dr. DuBose To Speak At Tabernacle Sunday

Dr. P. W. DuBose, of the DuBose Academy in Orlando will preach at the Full Gospel Tabernacle, located on the Orlando Highway near Geneva Avenue, Sunday evening at 7:45 o'clock, it was learned today.

Some of the students from the Academy will accompany Dr. DuBose and will be in charge of the Young Peoples Meeting at 6:45 o'clock.

Dr. DuBose may be heard over Radio Station WDBO in Orlando every Wednesday morning and the pastor of the Tabernacle cordially invites the public to attend the Sunday night meeting and meet the quon.

Canal Gets Okey From Claude Papper

"I heartily approve of the proposed construction of the St. Johns-Indian River Canal," Senator Claude Pepper told a Herald reporter in an interview last night, adding that he planned to do everything possible in insure Congressional approval for the project.

He intimated that features other than the value of the canal to commerce would be brought out at the next introduction of the project, which he said would be in the next session of Congress.

The value of the project as a flood control measure and other additional features will be emphasized, the Senator indicated.

Senator also hinted that a W. P. A. allocation might be obtained for the project through the co-operation of the adjoining counties.

Stocks Work Down By \$2 Per Share

NEW YORK, Oct. 22.—(AP)—Stock prices worked lower in early dealings today reversing the trend of the past three market sessions. Many shares were down by a few cents to as much as \$2.00 with trading heavy on the decline.

Brokers expressed a belief the trading indicated a period of "consolidation" of the gains recorded in yesterday's final hour ramp. Bonds were a little higher and quiet.

LOCAL WEATHER

Fair to cloudy scattered showers this afternoon and possibly in south portion tonight, somewhat cooler tonight. Saturday generally fair and cooler. Extreme northwest Florida—fair and considerably cooler tonight and Saturday. Fair and cooler in east portion.
