

# SHS Faces "Acid Test" Against DeLand Here Tonight

**Fleischer Will Hurl For Sanford Nine**

By SAM JACOBSON  
Tonight the Seminole High School Celery Feds will be faced by their first major test of the season. The "acid test" will be the DeLand High diamond combination at 8:00 o'clock in Memorial Stadium.

Bill Sheffield Bubba Blaise

Headed by lanky hurler Curly Lindsey and Ray Henry, a peppery backstop, the Bulldogs have definitely proved themselves to be one of the more formidable prep nines in Central Florida. In addition to being undefeated in East Florida con-

ference play the Volusia County team has also blasted over several tough non-conference teams, one of which was Home High School of Orlando.

In that game Lindsey whitewashed the Indians on only three hits while his mates were backing him up with twelve runs in only seven innings. Lindsey, by the way, is the same chunker who eliminated the locals from last year's Group baseball tournament.

In all probability, the drawing curve-baller will oppose the DeLand ace, has matched him pitch for pitch. And although he took the loss in the aforementioned tournament encounter, the only two runs he surrendered were of the unearned variety. On the basis of this fact many observers see in the offing one of the tightest pitching duels ever witnessed here in prep baseball circles.

In view of the anemic SHS offensive record the only other forte the Feds will be able to offer will be that tight inner combo consisting of rifle-armed outfielders Virgil Metts Jr. and third, fluid-like Bill Sheffield playing short, diminutive Russell Mann guarding the keystone, and three vet batsmen Bobba Blaise anchored at first. Catching will be experienced and sagacious Terry Corbell.

**SEMINOLE LINEUP**

Sheffield	ss	14	11	126
Blaise	1b	9	1	133
Metts Jr.	3b	4	3	100
Corbell	c	4	3	100
Mann	2b	1	1	111
Blaise	r	1	1	111
Fleischer	p	1	1	111

**F-I-L To Consider Request By Havana**

MIAMI (AP)—Florida International League directors met in special session today to rule on Havana's request to open the season in a neutral city—Key West.

League President Phil O'Connell called the meeting at Miami Stadium and said "We've got to iron out this problem immediately."

The Cubans want to transfer their April 15 and 16 opening games with the Ft. Lauderdale Lions from Havana to Key West. They also want to play the April 20, 29 and 30 games with West Palm Beach in Key West.

**Stetson Nine Beats Presbyterian, 15-7**

DELAND (AP)—Stetson defeated a Presbyterian baseball team, 15-7 Thursday after Charlie Mainwood throttled a four-hit five-run eighth inning rally.

Eddie Gilliland, winning pitcher, gave up only two hits until he banged him three times straight and scored one run. The South Carolinians poured it on in the eighth until Mainwood restored control.

**Ernie Lombardi Is Expected To Survive**

LIVERMORE, Calif. (AP)—Frisco's Ernie Lombardi, former National League batting champ and most valuable player, now is expected to survive the operation after slashing his head.

The big, good-natured "Behnd," recently dependent, tried to take his life with a razor blade Wednesday night.

He was given two blood transfusions and doctors said he had been taken off the critical list.

**Florida AAU Boxing Meet Shifts Deadline**

JACKSONVILLE (AP)—The Florida AAU boxing tournament here has postponed the deadline for entries from Saturday to noon Monday.

# Crooms Academy Wins Its Season's Opener From DeLand, 11-7

**Willie Demps Slugs Three-Pun Double**

By T. V. DAVIS  
The Crooms baseball machine started rolling Wednesday night by out hitting, out fielding and out scoring the Euclid Tigers of DeLand, 11-7, in the beautiful Memorial Stadium. The Crooms band was on hand, decked out in their recently purchased uniforms and instruments.

Coch C. H. Franklin waited until a few minutes before the game to name Calvin Collins to start the contest. Collins reached the fourth frame allowing seven runs before Franklin and Captain, 3rd baseman, Grady Edge decided that he had had enough. Bill "The Fireman" William came on to relieve and pitched shutout ball the rest of the way.

The Franklinmen scored five runs in the first inning although the Tigers rattailed slowly taking a 7-0 lead by the fourth frame. In the Crooms half of the fifth inning their first two batsmen made quick outs but the following trio cranked safely to load the sacks.

Willie "The Flash" Demps was sent in to replace Robert Robinson at the plate. Demps gave up his place in the lineup to play this ball game. So, as he approached the dish, the band started to play and the fans gave pleading sounds. After taking a called strike and fouling four pitches he slapped a booming double into right-center field to un-aid the "sax," giving the Panthers a 11-7 lead.

Fireman William after coming on the fourth held the DeLanders scoreless the rest of the way. Willie Demps went two for two while Earnest Thorne also collected two for four and Percy Lee went two for three.

**MIAMI TENNIS STARS ADVANCE IN TOURNEY**

MIAMI (AP)—Two Miami players feature action in the Miami Invitational Tennis tournament today. Top-seeded Garlar Mulloy plays Reynaldo Garrido, University of Miami student, in a quarter final match, while Tony Vincent, seeded fourth, meets sixth-seeded Hal Burrows, Charlottesville, Va.

Mulloy won from Ed Rubinoff, University of Miami, Thursday, 6-1, 6-1, while Vincent trimmed Dick Macy, University of Miami, 6-1, 6-3, and Burrows, son from Frank Fruehling, Miami, 6-3, 6-1 in Wednesday play.

**20 SPRINTERS TO ENTER MIAMI**

MIAMI (AP)—Twenty sprinters, representing the best thoroughbreds still in Florida, have been named for Saturday's renewal of the \$10,000 Hollywood Handicap at Gulfstream Park.

Blue Stone Farm's War Pharo drew top weight of 122 pounds from racing Secretary Horace Wade, four more than he carried last Saturday when he set a new track record at five and a half furlongs.

W. W. Wickham's Winning Fleet is second in the weights at 118. Winning Fleet scored in both his Gulfstream starts this spring, coming from behind to win convincingly.

Page 12 Fri. Apr. 10, 1953 THE SANFORD HERALD

**Sanford's Players**

GERRY EDWARD BARR, third baseman-outfielder, was signed by Joe Conick to a 1953 Albany, Ga. pact. Barr was born Mar. 9, 1933 at Monroe, N. C., and now resides in New Britain, Conn. He is 6-foot-13 and tips the scales at 175. Graduated from Berlin High School in Kensington, Conn., and now attends Hillier College at Hartford, Conn. Starred two years in baseball and basketball in college, was a standout in the two sports four years in high school competition. Throws and bats from the left side of the plate.

PAUL CORBETT... is a left-handed hurler. He was born July 6, 1934 at Watertown, N. Y., and is 5-foot-9, 155 pounds and was signed to a 1953 contract with Hamilton by Barney Smith as a result of attending a 1952 tryout camp in Rochester. He is an all-around athlete.

PAUL MEMURRAY... left-handed pitcher, bats right-handed. He was born July 18, 1933 at Carthage, Mo., and lives at 1919 North Market Street, St. Louis, Mo. Signed to a 1953 contract with Hamilton, Ont., by Joe Monahan. He is 6-foot-1 and weighs 175.

VOLLIE TATE... pitcher, throws and bats right-handed. He was born at Horark, Ark., Feb. 5, 1924 and now makes his home at Lewisville, Ark. Signed by W. H. Lewis to a 1953 Albany contract. He is 6-foot-2, weighs 170.

THOMAS TWINE... pitcher, right-handed all the way. He was signed by Ollie Vanek to a 1953 Hamilton contract. He was born Sept. 25, 1933 and lives at 656 Fair Street, Allentown, Pa. He is 190 pounds and 6-foot-2. Played amateur baseball for the Allentown boys' club and was credited with striking out 16 bats in a seven inning game. Also played on the 1952 Allentown high school district baseball championship club.

DIPWEY HUNT... shortstop, was born Oct. 6, 1934 and lives at Route No. 1, Sayre, Okla. He is right-handed, 5-foot-11 and tips the scale at 155. He was signed to a 1953 contract by Freddy Hawn of Albany, Ga. He was voted All-Star shortstop in High School in 1952 and won his school's "Athlete of the Year" award.

ROBERT KAMMIEN... catcher, was born Dec. 28, 1932 at St. Louis, Mo., where he makes his home at 922 Lorraine Ave. He is 5-foot-6, weighs 155 and is a graduate of Roosevelt (St. Louis) High School where he starred in football and baseball. In 1951 his high school batting average was .545. Right-handed all the way, Kammiem was signed by Joe Monahan to a 1953 contract with John Star shortstop in High School in 1952 and camp in St. Louis.

ARMIN BARRELL HORNE, right-handed pitcher, born 1931 Albany, Ga. pact; signed by "Runt" Marx, Horne is 4-foot-11 and 170 pounds. He was born on Aug. 8, 1933 at Blairstown, Mo., and resides in Lees Summit, Mo. He attends Central Missouri State College at Warburg, Mo., and is a product of the Bonner Springs, Kans. tryout sessions. During 1952 he suffered a cracked wrist and a shoulder dislocation.

LOUIS ROTOLA, outfielder from Brooklyn, N. Y. He stands 6-foot-3 and weighs 192. He bats and throws right-handed.

MURRAY BYRD... lona Sanford holdover from last year's Seminole Blues. The slender right-hander won 14 and lost 10 pitching a 4.00 plus ERA mark. Byrd survived the big Cardinal cut and seems destined to play his trade in the Celery City again. Born 25 years ago in Darlington, S. C., Byrd married a Sanford girl and turned pro last year. He is a limited service player who stands 5-foot-11 and weighs just barely 160.

J. C. BURN... The 27-year-old manager will be making his first appearance as a pilot in Organized Ball this year. The popular 6-foot-2, 195 pounder has had an amazing record as a long ball, slugging speed merchant. He hit 38 his rookie year blasting out 48 doubles, 14 triples and 16 homers. He has been a consistent 300 hitter and has been as high as triple A ball. He is a right-hander all the way. Dunn will play first base for Sanford, but he is equally as good in the outfield or behind the plate.

The Cardinals wanted to make expensive improvements, but not while someone else owned the park; and the Browns could use the money to help pay operating costs this year.

Rudie Schaffer, general manager of the Browns, speaking in the absence of president Bill Veck last night, said the sale had no connection with the club's attempt to move to Baltimore last month. The Cardinals had been renting the park for \$35,000 a year under a lease running through 1960. They also loaded half the maintenance costs, which last year added an estimated \$105,000 to their bill. The Browns now will rent from the Redbirds at \$175,000 annually, but will have no maintenance expenses under the arrangement.

**Sportsman's Park Is Now Budweiser Stadium After Sale**

ST. LOUIS (AP)—Sportsman's Park has a new owner and a new name today.

St. Louis' two ball clubs—the Cardinals and Browns—reversed their tenant-landlord role in an \$800,000 deal. The northside park now is Budweiser Stadium.

Officials of Anheuser-Busch, Inc., owner of the Redbirds, and the Browns gave two reasons for the ownership change: The Cardinals wanted to make expensive improvements, but not while someone else owned the park; and the Browns could use the money to help pay operating costs this year.

Rudie Schaffer, general manager of the Browns, speaking in the absence of president Bill Veck last night, said the sale had no connection with the club's attempt to move to Baltimore last month. The Cardinals had been renting the park for \$35,000 a year under a lease running through 1960. They also loaded half the maintenance costs, which last year added an estimated \$105,000 to their bill. The Browns now will rent from the Redbirds at \$175,000 annually, but will have no maintenance expenses under the arrangement.

WOODS TO SWIM 36 MILES MIAMI BEACH (AP)—Long distance swimmer Jimmy Woods, Shelby, N. C., hopes to complete a 36-mile swim around this resort city today.

Woods entered the water off Miami Beach at 11:15 p. m. (EST) Thursday night. A 15 to 20 mile an hour wind kicked up the usually placid bay when Woods started his swim.

Woods tried the same swim three weeks ago but tides forced him to give up.

In 1952 Hank Sauer became the only player in the history of the

**Most FSL Flags Won By Orlando, G-Men**

SILVER SPRING (Special)—The Orlando Senators and the Gainesville G-Men have won more pennants since the league was re-organized as the Class D Florida State League in 1930, according to official data at league headquarters here.

They have both won three flags, with the Senators being good enough to appear in Shaughnessy playoffs eight of the 12 years they have been competing: the G-Men, seven times.

DeLand, St. Augustine have each won two pennants, with Daytona, Sanford, and Leesburg copping one each. Palatka, Cocoa, and Jacksonville Beach, the latter newcomers to the circuit, have not to finish on top.

**SANFORD CARDS SCHEDULE (First Half)**

**Levy's 3 Homers In Game Still Stands As State League Record**

As the Class D Florida State League starts its 14th season of play in games at Sanford, Leesburg, Palatka, and DeLand Monday night, its nearly 170 players might well aim at shattering some existing individual batting records, some of them of long standing.

According to official records released at league headquarters here today, the oldest individual offensive record is held by Clarence Bray who got seven hits in seven trips inside nine innings on April 29, 1932—most hits any player ever got in any FSL game.

Sanford Giant Manager Ed Levy, now at the Daytona Beach helm, set the FSL record for the most home runs in one game, three, at Daytona Beach on the night of May 23, 1950. It was during this same year Levy established the FSL all-time homer record of 33 in one season.

Here are other that face assault this season: Most triples: Three, held by three players. Most homers: Three, set by Ed Levy of Sanford at Daytona May 23, 1950.

Most stolen bases: Garlin of DeLand stole five, June 10, 1940. Most sacrifice hits: Rutledge of DeLand, got three June 25, 1938. Most times walked: Six, record held by four players. Most Times Fanned: Five, record held by five players. One of them, hurler Swinfield of Orlando not only fanned five consecutive times in one game but the first

**Card Game Tickets Will Sell For 70c**

The Sanford Cardinal management announced that all adult single game tickets would be sold for 70 cents this year. The 70-cent rate will apply to both colored and white fans.

**Oviedo Lodge To Celebrate Its Founding 37 Years Ago Tonight**

**OVIDEO** (Special)—Oviedo Lodge No. 243 celebrates one of the most important events scheduled since their new Temple was erected about two years ago Monday night April 13.

The importance of this event is summed up as follows, given in a letter by C. L. West, Jr., of Orlando, Past Master of the Oviedo Lodge:

"Almost 37 years ago our Lodge was presented its Charter by the Grand Lodge of Florida; today, we work under the provisions of that same Charter in a new Temple—one of which we are all justly proud. Thirty-seven years ago the membership was small—today, it embraces 17 names. Almost all of the present members, however, are of comparatively recent standing and very few of the original charter members are still alive. Along with the surviving charter members not in good standing are some who, though not charter members, have been members in good standing for some time—more than 26 years.

"This group of men, my brethren, should have official recognition taken of the fact that they have rendered loyal and faithful service in Memory. We have, therefore, made arrangements for a big chicken dinner supper on the night of April 13, 1933, a regular communication, to be held across the street from the new Temple in the City Hall building. This supper will start promptly at 6:30 p. m., and there will be no speeches. At 8:00 p. m. promptly, Lodge will open and after absolutely necessary business has been cleared away the following brethren will be presented with Grand Lodge Certificates by the District Deputy Grand Master:

"C. L. West, Sr., P. M.; W. B. Williams and Roy G. Williams, Law of Sanford; C. S. Lee, Theodore Adin (P. M.); T. W. Lawton (P. M.); W. J. Lawton, P. M.; H. S. Slay (P. M.); now of Orlando, H. B. Levy; J. T. McLain, Jr., of Geneva; P. M.; Carl E. Barber; J. A. Rogers; P. M.; Stanley; Mizelle W. Taylor (P. M.); all of Orlando; E. T. Summersell, of Geneva; John S. Thomas; Floyd L. Land (P. M.); and A. H. Green (P. M.), all of Orlando also and S. F. Long now of Weirsdale.

"All of us here that you can be present tonight. The Committee in charge of this affair has worked hard to insure you a night of real pleasure at the Oviedo Lodge. Please make your plans to attend if possible."

L. V. Hart, worshipful Master, will preside over the business meeting.

**N.F.A. Convention At Crooms Will Be Held Next Friday**

Seven contests will feature the District Two convention of the New Farmers of America next Friday at Crooms Academy with the Crooms Academy Chapter acting as host, according to Professor J. N. Crooms, who, along with the student body, today extended greetings to District Two of the N.F.A. and promised that the local chapter "will make this a happy day for everyone attending."

Grady Edge, president of the Crooms Academy N.F.A. Chapter, welcomed all members and advisers to Sanford and asked that all advisers be at Crooms Academy promptly at 9:30 o'clock, preceding the general assembly in the auditorium and the beginning of the contests at 10:00 o'clock. Prof. J. V. Davis, vocational agriculture teacher of Lincoln High School, convenor, and also president of vocational agriculture District Two, will preside during the day.

According to Prof. J. A. Lawson, local teacher of vocational agriculture, everything is being done to make a success of the day which will see contests in the following categories: quartet singing, public speaking, talent, quiz, horse shoe pitching, football, and basketball.

The following schools are participating:

Lincoln High School, Gainesville; Prof. J. A. Lawson (conv.); Alachua Training School, Alachua; Prof. S. J. McCasling; William Vocational Training School, Williston; Prof. R. M. Miller; Richardson High School, Lake City; Prof. J. Burgess; Hastings Vocational School, Hastings; Prof. T. M. Neely; Howard Academy, Ocala; Prof. W. L. Lawrence; Reddick School, Reddick; Prof. F. Charleston; J. R. E. Lee High School, Williston; Prof. C. C. Williams; Webster School, Webster; Prof. Carl Williams; Lake County Training School, Leesburg; Prof. J. C. Mangum; Eastis Vocational Training School, Eastis; Prof. J. C. Russell; James High School, Ocala; Prof. G. W. Fort; Kissimmee; Prof. J. Wood; Hungerford, Maitland; Winter Park; Prof. J. Daniels; Crooms Academy, Sanford; Prof. J. A. Lawson; Live Oak; Prof. Williams, Flint.

**NEUTROTIC DOGS**  
WINTER PARK (Special)  
City life is not meant for dogs, according to the Florida Farm Bureau.

As proof of its contention the bureau points to a recent survey in Los Angeles, California. It revealed that 35 percent of the city's dog population is neurotic.

More people drive **FORD V-8's** than all other V-8's combined

AND IT'S STILL THE ONLY V-8 IN THE LOW-PRICE FIELD! No other engine in the world has enjoyed so much popularity as Ford's power-packed, high-compression V-8. Today, four out of every five V-8's are Ford V-8's. And while other makers are competing in the field, Ford and Ford alone offers a V-8 in the low-price field, and for hundreds of dollars less than most.

**FORD'S V-8 IS THE SAME TYPE OF ENGINE AMERICA'S COSTLIEST CARS ARE SWINGING TO!**

Six more makers in the last five years alone have switched to V-8 power in their most expensive models. Yet Ford's been offering this same type of V-8 power for over 20 years! What's more, Ford gives you your choice of Fordomatic, Overdrive or Conventional Drive—the widest choice of drives in the low-price field!

**FORD'S V-8 GIVES MORE "GO" PER GALLON!**

Whether you choose Ford's 110-h.p. V-8 or the 101-h.p. Mileage Maker Six, your engine lives on a lean diet. For both offer the gas savings of Ford's exclusive Automatic Power Pilot which squeezes the last drop of power out of every drop of gas... "regular" at that! See and Value Check all 11 of Ford's "Worth More's" and you'll agree Ford's worth more when you buy it, worth more when you sell it.

FORD'S BUILT OVER 13 MILLION V-8's

MONDAY, APRIL 13, 1953

**TODAY'S HIGHLIGHTS**

But we too may know him and  
love him. He is knocking now at  
the door of our hearts. Last of all  
he was seen of me alone, as of one  
born out of due time.—I Cor. 15:8.

As another move to reduce auto-  
mobile accidents, probably, we see  
where a bill has been introduced  
to increase speed on the highway.

President Eisenhower declares  
that Republican differences have  
been exaggerated. In fact, there is  
probably no greater difference of  
opinion in the Republican party  
than there is in the Democratic  
party.

The first of Florida's 1953  
watermelons are about to hit the  
markets. There are said to be about  
6,000 acres of them in the Im-  
nokalee area in South Florida of  
the Back Diamond and Congo  
varieties, of excellent quality and  
good quantity. What is better than  
a big slice of ice cold watermelon?

Seminole County's representative  
Vollie Williams is going after the  
gambling rackets. He has introduced  
a bill which would prohibit the  
return of confiscated gambling  
paraphernalia like slot machines,  
hotter tickets, and roulette wheels.  
One wonders why such equipment  
which has no other purpose in the  
world but to break the law should  
be returned.

For months we have worried  
about the name of the UN secre-  
tary general because we were  
afraid that some people would  
think that Trygve Lie (pronounced  
Lee) would be mistaken for Lee,  
and now that we have got a new  
secretary general, who does it turn  
out to be but Dag Hammarskjold?  
Well, Dag tells the American people  
if they call him Hammarskjold it  
will be all right.

Another homestead exemption  
amendment may be voted upon by  
the people in the next general elec-  
tion if a bill introduced in the  
House last week is approved. This  
one would raise the exemption  
feature from the first \$5,000 to  
the first \$10,000 of assessed valua-  
tion. If the first homestead amend-  
ment was right, then this second  
amendment must also be right be-  
cause a \$5,000 house of ten or 15  
years ago is a \$10,000 house to-  
day, even if it is older. But one  
wonders where the cities and coun-  
ties, already finding it hard to raise  
money, will get their tax revenues  
if homesteads are further exempted  
from taxation.

The highway toll continues to  
climb despite all efforts to show  
the public the hazards of careless  
and indifferent driving. A group of  
teen-agers, none of them over 17,  
the driver only 15, turns a car over  
on a sharp curve, all four seriously  
injured. Going too fast on a curve  
was given as the cause. Inexperi-  
enced driving was probably the  
reason. How is a young fellow to  
gain experience if he does not drive?  
We are reminded of grand-  
mother's advice, "Yes, son, you  
may learn to swim, but don't go  
near the water." Perhaps more  
time, patience and care are needed  
in teaching young drivers before  
they are allowed to drive alone.

Charles Lindbergh is back in the  
news again, not as a harassed,  
imprisoned escapee trying to avoid  
the glaring light of publicity and  
sweeping at newspaper reporters  
and photographers, but as one  
deliberately writing over a period  
of a dozen years and now publish-  
ing the story of his epic flight  
across the Atlantic in the "Spirit  
of St. Louis." It sounds rather  
commonplace now, this flying  
across the Atlantic, and younger  
readers will wonder what all the  
hoo was about. But when Lind-  
bergh landed in Paris in 1927 and  
was flashed in the four  
hours of the world, it produced  
such a tremendous effect as if  
the man had landed from Mars.

**Methods Of Terror**

A series of articles now running in Life magazine gives  
fresh insight into the terror that must fill the lives of top  
men in the Russian government today. They are written by  
Alexander Orlov, a former general in NKVD, dread Com-  
munist secret police organization. He tells in great detail  
how Stalin liquidated his early enemies and then purged the  
men who had been his friends.

Many Americans are familiar with the literary works of  
Arthur Koestler, whose novel "Darkness At Noon" was pre-  
sented as a play a few seasons ago. Koestler's story told of  
a man who had fallen into disfavor with the regime. He was  
spiritually and physically broken by his former comrades in  
the effort to get him to confess to crimes he had not com-  
mitted. Koestler, who was a Communist himself for a time,  
wrote the story in fiction form although it was obviously  
drawn from life. Orlov, lacking Koestler's skill as a writer,  
is nevertheless effective because his story mentions the names  
of real people who experienced the same bitter end as Koestler's  
hero.

Stalin realized that it was not enough to kill off his  
enemies who were popular for their part in the revolution.  
He had to discredit them in the eyes of the people. Hence  
it was necessary to make them confess to long lists of  
imaginary crimes. The articles are a terrifying portrayal of  
what it must be like to live in a land where freedom and  
truth have no meaning, where safety depends on the whim  
of a few powerful men.

**Strength Still Needed**

President Eisenhower has warned that even if the war  
in Korea should end soon it will be necessary to keep our  
troops there for some time. It was wise of the President to  
make this policy clear. It should be understood by the Com-  
munist as well as by our own people.

The Communists may be hoping that without the stimu-  
lus of actual battle, America may lose interest in Asia,  
gradually retreat from the points where we have built up  
strength. This we must not do for it would be an open in-  
vitation to the Reds to commit further aggression of the  
Korean type.

Our own citizens must be willing to accept the un-  
pleasant fact that our soldiers may not be brought home im-  
mediately. Every provision should be made to get combat  
veterans home as soon as the situation will permit. Soldier-  
ing is a lonely business and no man wants to remain away  
from the people he loves and the place he calls home. But to  
begin putting pressure on the government to bring all  
troops home as soon as there are signs of peace might prove  
disastrous.

The Communist threat will not end with the firing of  
the last shot in Korea. The war in Indo-China continues, the  
possibility of Communist aggression anywhere in Asia still  
exists. By courage and steadfastness we managed to halt the  
Reds in Korea. It took strength and sacrifice to accomplish  
this. It will take still more sacrifice and strength to main-  
tain what we have won.

**Pay Or Lose Out**

The transfer of the Boston National League team to Mil-  
waukee, which shocked the Hub, is a blessing in disguise, in  
the opinion of Archbishop Richard J. Cushing. The change  
never has been made if the local sports lovers had  
patronized the team, instead of staying home and watching  
it on television. Though repeatedly warned that the club was  
losing money, they did not regard that as affecting them in  
the least. Now they are horrified that the owners do not  
keep on indefinitely providing them free entertainment.

The railroads have much the same experience. When  
they abandon branch lines that do not pay, commuters pro-  
test. They come to the hearings not by train but in their  
automobiles, and give no assurance that they would patron-  
ize the railroad if it continued.

This is the "something-for-nothing" philosophy of  
which so much has been heard.

**Fifty Low Cost Clinics Scheduled  
Houses To Be Built  
In Casselberry**

CASSELBERRY (Special) — Construction began Thursday in  
Normandy Park here of 50 homes,  
at unusually low cost. This is the  
first project of homes under the  
National Housing Authority, ap-  
proved for Central Florida. It was  
announced yesterday by Morton  
Goodman, president, Orlando  
Homes, Inc.

Designed to sell for \$5,250 com-  
plete, with down payment of \$500  
and monthly payments of approxi-  
mately \$30.71, Goodman expects  
to have a large market among re-  
tired persons of moderate income,  
who will have a minimum invest-  
ment for their housing.

Five-hundred of these homes  
have been built in Miami and  
Dade county and \$100 million for  
Lauderdale. In addition to the  
units to be completed here, Good-  
man said he has commitments for  
additional homes in this me-  
tropolitan area.

He is former manager of the  
mortgage department of Reynolds  
& Co., New York investment bank-  
ers, and has been associated with  
FHA mortgage marketing during  
the 17 years it has been in exist-  
ence. He stated that he had placed  
FHA mortgages in 41 of the 49  
states.

Goodman emphasized that the

**Dandruff Control**

By  
W. V. Bitting  
Touchelet Drug Co.

Recently a product was made  
available to physicians that  
is being proven helpful in checking  
dandruff.

Dandruff is a mild form of  
seborrheic dermatitis of the  
scalp which causes itching  
and burning sensations. These  
annoying sensations have been  
eliminated in 85% of the cases  
treated with this new orange  
colored liquid whose base is  
selenium. It is used at the time  
the hair is washed, and later it  
is rinsed out.

Except in extreme cases, not  
much attention is given to the  
scalp and dandruff is consid-  
ered a necessary evil. Perhaps  
this is the start towards  
elimination of dandruff.

All matters of health should  
be referred to a physician first.  
Just as all drugs should be in-  
dividual prescriptions, advised  
by a physician.

Write to the editor of a series of  
articles on dandruff appearing  
in this paper each week.

**THE WORLD TODAY**

By JAMES MARLOW

WASHINGTON (AP) — Tall, bald,  
52, and with an unimpaired chin, Leo-  
nald W. Hall is the Republican  
version of Jim Farley: a big glad-  
handler.

When everybody was mad at  
almost everybody else in the Re-  
publican convention last July, Hall  
paraded contentedly behind an  
oversized button which said  
"like everybody."

This is an attitude whose dura-  
bility should be lavishly tested in  
the next two years if paid divi-  
denda last week when all factions  
of the GOP conducted an appar-  
ently peaceful election of Hall as  
chairman of their national commit-  
tee.

The party license he employed  
at the moment of his election—  
"We must man the dikes for like  
in '54"—was intended to show from  
the start that his eyes were on  
the ball, his feet on the ground,  
and his heart in the right place.

In this case the ball is the 1954  
congressional election which the  
Republicans hope to win. The mar-  
gin of their present majority could  
hardly be slimmer: a majority of  
one in the 90 man Senate and sev-  
en out of 435 likely in the House.

Hall will be chief architect of the  
party machinery. Besides raising  
funds and trying to get government  
jobs for Republicans who have  
been waiting 20 years for them,  
he must deal with, inspire, lead,  
advise and pacify, not only other  
members of the national commit-  
tee—349 in all—but Republican  
governors and various local big  
shots and Republican groups.

Since the national committee  
made up of men and women chosen  
by Republicans back home in  
all the states and territories—usu-  
ally meets no more than twice a  
year, Hall will have to depend  
day by day on the help of perhaps  
150 paid staff workers in the commit-  
tee's six-story headquarters here.

Staff workers range from research  
and sending speakers to Republi-  
can dinners and doings around the  
U. S. to publicity which blows the  
horn for republican accomplish-  
ment, tries to win friends and to  
give the Democrats miseries.

The research staff, for instance,  
is still busy analyzing the 1952  
election results showing why Re-  
publicans won or lost where they  
did. This information is for the  
help of Republican politicians in  
general and state committee chair-  
men in particular.

A special committee helps Hall  
raise party funds and in a sepa-  
rate building, Hall will have a  
staff filling out and trying to fill  
the job applications from Republicans  
everywhere who think it's only  
right they should get a government  
job.

Hall is a political pro. He served  
seven terms in the House and has  
just given up a \$25,000 a year job  
as a New York surrogate—judge  
of suits to take over the chair-  
manship for which his predecessor,  
C. Wesley Roberts, got \$2,500.  
Hall says he'll practice law on the  
side, he says, but not in govern-  
ment.

Since President Eisenhower, the  
nominal head of the party, will  
spend most of his time running  
the government, Hall will have to  
run the committee with the party  
organization. All his efforts will  
be for nothing, of course, if the E-  
isenhower administration has failed  
to impress the customers by next  
election day.

Jim Farley, who has become a  
kind of political legend as a wizard  
when he was chairman of the Dem-  
ocratic National Committee under  
President Roosevelt, might have  
had a quick and sad end if Roose-  
velt had been unable to convince  
the voters that he had what they  
wanted.

BARMAN, ROBERT DUREL  
CHICAGO (AP)—A two-gun saloon-  
keeper duelled a rubber early Sun-  
day in an unlighted Northwest  
Side tavern.

The saloonkeeper, Raymond G.  
Strobel, 35, was taken to a hos-  
pital with bullet wounds in the leg  
and hand.

The rubber, about 22, was taken  
to the morgue. He was shot in the  
heart. He is still unidentified.

Includes Longwood, Altamonte  
Springs, Casselberry, Fern Park,  
Forest City, Bear Lake and sur-  
rounding territory.

**Three Men Arrested  
Following Collision**

Three men were arrested follow-  
ing an accident involving two cars  
last night on Highway No. 17-92  
three miles north of Sanford.

According to State Trooper R.  
D. Harrison, a car driven by  
Robert L. Middleton, 25, of San-  
ford, plowed into a car driven by  
George McKenzie of Leesburg  
shortly before 10:00 p. m. The  
collision resulted in the car driven  
by Mr. McKenzie 200 feet down  
the highway while the Middleton-  
driven car turned over on its  
left side in the middle of the  
highway.

With Middleton was Bert  
Rivers, B. of Sanford, and J. B.  
Howell, 18, also of this city.  
Middleton was arrested for driv-  
ing while intoxicated and Rivers  
and Howell were arrested on pub-  
lic drinking charges.

Rivers suffered a bruised chest  
and Howell, severe lacerations of  
the scalp. They were given emer-  
gency treatment and then placed  
in jail.

Mr. Harrison listed \$500 dam-  
age to the Middleton car and \$250  
damage to the other vehicle.

**Civil Rights**

(Continued from Page One)  
He said the information charged  
no offense against any federal  
law.

Commissa' memorandum said  
the department now felt the ques-  
tion of construction of the infor-  
mation was so intertwined with the  
question as to whether the infor-  
mation was in fact the case should  
be considered by the Circuit Court  
in an assigned opinion the Su-  
preme Court said the "critical is-  
sue" raised by the government's  
appeal involved the correctness of  
the district court's construction of  
the scope of the civil right act.

In this status of the case, the  
Supreme Court said unanimously,  
the appeal had to be sent to the  
district court first for its consid-  
eration.

Papers filed with the Supreme  
Court did not identify the convicts  
other than to mention that one  
was named "Houston." The best  
guess occurred Jan. 29, 1951.

FORD IDLED BY STRIKE  
DETROIT (AP)—Assembly lines at  
13 of the Ford Motor Company's  
18 Ford, Mercury and Lincoln  
plants across the country were  
closed today because of a strike  
of 2,200 workers in a Monroe,  
Mich., parts plant.

The closing idled 47,000 of Ford's  
130,000 production workers, and a  
Ford spokesman said that "the to-

**Allen Maffett Wins  
Eagle Scout Badge**

Allen Maffett, son of Mr. and  
Mrs. George Maffett, 2441 Poin-  
settia Drive, will be officially  
presented with Scouting's highest  
award, the Eagle Scout badge, at  
tonight's Court of Honor in Oviedo  
which starts at 6:30 o'clock.

Allen, a member of Troop 345  
of the First Presbyterian Church,  
was awarded the badge during  
tonight's ceremony at the church  
yesterday.  
Scoutmaster Sidney Vihlen,  
County Chairman John Pearson,  
and the Rev. A. G. Melonis took  
part in yesterday's ceremonies at  
the church. Mrs. Maffett pinned  
the badge on her son's uniform  
and she in turn was given a mini-  
ature replica of the badge.

**VETERANS SERVICE**

Veterans of this area who need  
assistance in obtaining benefits  
under the GI Bill may receive  
aid from Tom H. Deen, As-  
sistant State Service Officer.  
Deen will visit this area next  
week for the purpose of helping  
veterans or solving their Insur-  
ance problems. This free service  
includes assistance to employers  
of veterans under the GI Bill,  
Vocational Training, Subsistence  
or other problems.  
Deen has been invited to this  
area by Senator Lloyd F. Boyle,  
County Service Officer, as a spe-  
cial consultant and may be con-  
tacted as follows: Apr. 10, 9:00  
a. m., Sanford County Service  
Office, Apr. 25, 9:00 a. m., Sanford  
at County Service Office, Apr. 30  
9:00 a. m., Sanford at County  
Service Office.

**Rotary Club**

(Continued from Page One)  
In coming here on July 10, a  
Merchants Association night, and  
distribution of pictures of the ball  
players among the various fans.  
Victims introduced by Charles  
Morrison included Howard Chad-  
wick of Ft. Pleasant, N. J., Fred  
Belhoff of Adams, N. Y., Fred  
Sawell of Hudson, O., J. C. Bradley  
of Deland, Earl Freeman of Ocala,  
and Ezra Toney of Ohio.

Cotton processing centers in  
South Carolina include Lancaster,  
Rock Hill, York, Spartanburg and  
Greenville.

It is estimated that 75,000  
as more of our plants run out of  
parts.  
CIO United Auto Workers walked  
out at Monroe April 1, charging a  
speedup. Company officials denied  
the accusation. Negotiations have  
failed to break the deadlock.

What's new about  
**"TT" DYNAFLOW?**

The TAKE-OFF'S TERRIFIC!

It's only fair to warn you.

When you try a new Buick with the sensational Twin-Turbine Dynaflow Drive,\* you'll tingle all over with thrill.

You'll sweep your speedometer needle from zero to 30 mph so quickly, you won't have time to breathe but twice. You'll move from a standing start to legal speed so quietly, you'll practically hear your heart beat. You'll experience such complete and utter smoothness every step of the way, you'll be wholly relaxed, refreshed, and ready for more.

This is not dream stuff. This is real.

This is what actually happens when you're at the wheel of a new 1953 Buick with TT Dynaflow.

Twin Turbines in the Dynaflow unit, instead of just a single one—in addition to other engineering advances—make the tremendous difference.

So you feel a firmer and more immediate "take hold"—get far faster getaway, new quiet and efficiency, plus infinite smoothness to and through every speed range.

There's a lot more to be had, of course, in these great new Buicks. Higher horsepowers and compression ratios. A still finer ride. Easier handling. Improved visibility. More comfort and richer interiors.

But start with take-off—the greatest in Buick's fifty great years—and learn the rest of the story from there. Can you drop in on us this week?

\*Standard on Roadmaster, optional at extra cost on other Series.

All set for Summer  
AIRCONDITIONER for 1953 SUPER and ROADMASTER Riviera and Sedan models, available now at extra cost.

# Lyman Wins Spelling Match

## Barnes, Hitchcock Take Top Honors

Two 13-year-old students from Lyman School carried off the top honors in the Miami Herald spelling bee held Friday evening at the Sanford Junior High School and will represent the County at the State finals in Miami on May 1.

Donna Lou Barnes and Janell Hitchcock, both eighth graders, finished first and second respectively in the nine school competition. The winner received a \$10 award and the runner-up \$5 from the Miami newspaper.

Harry St. John, 11, son of Mrs. Marion St. John, principal of Westside Primary School, finished in third place as a representative of the Junior High School. Fourth place was taken by Bevis Ward, 13, an eighth grade student at Lake Monroe, and behind that student came J. D. Storie, 13, a Geneva eighth grade student.

Prizes for these winners were given by Touchette's Drug Store, McReynolds' Drug Store, and Powell's Office Supplies.

Schools taking part in the program were the Christian Day School of Geneva, Lake Monroe, Wilson, Lake Mary, Oviedo Junior High, Geneva, Lyman, and the Sanford Grammar and Junior High Schools.

Marion Hartman gave out the words to the contestants while judges were Mrs. Lucy Smith, Mrs. Oscar M. Harrison, and A. P. Salatin, all members of the faculty at Geneva High School.

County Director H. C. Steele reported competition among the contestants was great with the word "incogitate" causing the second place winner to lose out. Miss Barnes took the title by spelling "capillary" correctly.

Mr. Steele also announced Lyman School would be given a trophy by the Miami Herald.

The winners from each of the nine schools participating in the competition will each be awarded a certificate from the sponsoring newspaper.

These include: Raymond Mikler, Slavia; Sylvia Price, Lake Monroe; Rosemary Linder, Wilson; Jackie Knefer, Lake Mary; Betty Basalev, Oviedo; William Kirchoff, Sanford Junior High; J. D. Storie, Geneva; Donna Lou Barnes, Lyman; Carolyn Michaela, Sanford Grammar.

(George Washington was born Feb. 11, 1732, but on the adoption of the Gregorian calendar in England and her colonies in 1753, the old-style Feb. 11 became Feb. 22 under the new-style calendar.)

## And The Rains Came

### Squall Line Sweeps Across State

MIAMI, (AP)—A fast moving squall line swept across Florida today with sustained winds of 20 to 30 miles an hour and velocities up to 50 miles in thunderstorms.

Small craft warnings flew from Cape Hatteras, N. C., to Key West on the Atlantic coast and from Key West to Tampa on the Gulf.

A 20-foot boat, the Alva, pounded itself to pieces in the surf just north of Miami Beach at Baker's Haulover. Caught by the wind and a strong tide (ebb-tide), the vessel with two couples on board battled vainly for an hour, then drifted on the sands with its engine dead.

Those on board stepped safely into shallow water and waded ashore.

A 63-foot boat, the Sammy Jr., was in trouble in heavy seas in the Gulf of Mexico about 180 miles west of Key West. A Coast Guard cutter was on its way to assist the three or four men crew.

Leonard Pardue, meteorologist in the Miami Weather Bureau, said a sea storm off Nantucket, Mass., was connected by an active low pressure through with a weaker center in the Caribbean. The bad weather crossing Florida was in this trough, said Pardue.

Pardue said the developing thunderstorms might possibly throw out a waterspout or minor twister here and there.

JACKSONVILLE, (AP)—Damage was confined mostly to a power and telephone lines, some signs and an occasional tree Sunday when a wind storm hit Jacksonville. No injuries were reported. The Naval Air Station recorded gusts up to 65 miles an hour.

Alaska is nearly one-fifth as large as continental United States.

## Mother Of J. C. Wolfe Dies In Umatilla

Friends of J. C. Wolfe of Sanford will be sorry to learn of the death of his mother, Mrs. Laura Wolfe of Umatilla. Her death occurred on Sunday morning following an illness of several months. Funeral services will be held tomorrow morning at 10:00 a.m. in Umatilla with Rev. E. F. Egan, pastor of the Methodist Church, officiating. Mrs. Wolfe was born in Umatilla, N. Y., and had made her home in Sanford for the past 10 years.

## Funeral Rites Held For Mrs. Hollenbeck

The remains of Mrs. Clara May Hollenbeck, 65, who died Friday night in an Orlando hospital following a lingering illness, were sent to Canastota, N. Y., yesterday for funeral and interment. Mrs. Hollenbeck was born in Canastota, N. Y., and had made her home in Sanford for the past 10 years.

## Mrs. Arlee Banks Buried Yesterday

Funeral services were held at 4:00 p.m. yesterday at Brison Funeral Home for Mrs. Arlee Banks, 75, who died Saturday morning at the home of her son-in-law and daughter, Mr. and Mrs. J. L. Horton, 705 Palmetto Avenue.

The Rev. Herbert J. Bass, minister of the First Christian Church, officiated at the services and burial followed in Evergreen Cemetery.

Mrs. Banks was born May 29, 1879 in Charlottesville, Va., and had lived in Sanford for 32 years where she was cafeteria manager of the Southside Primary School for 23 years. She was employed by the County School Board until ill health forced her retirement.

Survivors include, besides Mrs. Horton, another daughter, Mrs. Irving Feinberg, also of Sanford; two sons, Emmet of Bath, N. Y., and Elmer G. of Mountain Home, Tenn.; eight grandchildren; nine great grandchildren and one great granddaughter.

## Services Held Today For W. D. Thornton

Services were conducted at 4:00 p.m. today at Brison Funeral Home for W. D. Thornton, 63, who died in the local hospital yesterday morning following a long illness. He had been confined to the hospital for eight days.

The Rev. Herbert J. Bass, minister of the First Christian Church of which Mr. Thornton was a member conducted the services and the Masons conducted the graveside service in Evergreen Cemetery where interment was made.

Mr. Thornton was born July 1, 1890, in Umatilla, N. C., and came to Sanford in 1910. He entered the Atlantic Coast Line Railroad service in 1924 as a conductor. He was forced to retire in 1948 because of ill health.

A veteran of World War I, he was a member of the Masonic Lodge No. 62 and of Monroe Chapter No. 15, and a member of the Brotherhood of Railway Trainmen.

He is survived by the widow, Mrs. Beula W. Thornton; a sister, Mrs. Margaret Thornton; a nephew, Littleton, N. C.; a nephew, Dandridge A. House of New York City.

Hoos Evers of the Boston Red Sox doesn't have far to travel to spring training. He lives in Bradenton, Fla.

## Grunewald

(Continued from Page One) "The Silent Dutchman," said he was introduced to Mayberry by Sen. Styles Bridges (R-NH) now president pro tempore of the Senate at a meeting in the Washington Hotel.

The gravelly-voiced witness said Bridges told Mayberry, "If you have any investigative work to do, I recommend Henry to you. On the advice of his attorney, William H. Collins, Grunewald refused to divulge the exact nature of his services to Lewis and the UMW. This is 'not pertinent' to the inquiry he asserted.

## State Legislature

(Continued from Page One) Rep. Jersigan of Escambia proposed a constitutional amendment to require the Legislature to meet annually instead of every two years as it does at present. The measure would have to be approved by the voters before going into effect.

A bill by Rep. Johnson of Hillsborough County would require all grants under a first long term carry life preservers for each of their occupants.

The five Republicans proposed making state drivers' licenses expire on the birthdays of their holders instead of on Sept. 1 as at present; permit issuance of three year licenses and require driving tests at each renewal.

Reps. Sikes and Crowder of Polk County offered a bill to make it illegal to sell alcoholic beverages anywhere in Florida between midnight and 9 a.m. on week days. Sales would be prohibited from midnight Saturday to 9 a.m. the following Monday.

## Legal Notices

# 2,000 May See Card-Orlando Opener Tonite

## Dunn Picks Byrd To Face Joe Valmas

By KENT CHETLAIN  
That moment, which hundreds of Sanford baseball fans have been anticipating anxiously, has finally arrived. The new and different Sanford Cardinals, adorned with a crop of little-known rookies, will open the 14th annual Florida State League season in the Memorial Stadium tonight at 7:30 p. m. against a somewhat mysterious quality too—the Orlando Senators.

The inaugural classic will represent a resumption of the age-long rivalry between two of the oldest cities in Central Florida dating back to the pioneer era of the 1800's. It will also mark a social highlight among the hundreds of first nighters as it was during the turn of the century when baseball was the only recreation for this agrarian region.

The independently owned Sanford Cardinals will be commencing operations for the first time as a member of the St. Louis Cardinal farm chain, having secured a working agreement with the Redbirds two months ago.

Orlando, owned and operated by the Washington Senators, will be utilizing a vast number of prospects from the National system in a battle that might more appropriately be called—the Cardinal farm hands vs. the Senator rookies.

Sanford's new pilot, J. C. Dunn, has scheduled for the first holder from last year's Seminole Blues, Murray Byrd, to start on the hill for the Cards this evening. Opposite Byrd will be Joe Valmas, Orlando returnee.

Byrd posted a 14-10 record for the sixth place Blues in 1952 while Valmas won 11 and dropped 11 for the fifth place Nats. On the basis of earned run average, the expected Valmas will have the edge too, registering a 2.93 mark to Byrd's rather lofty 4.38.

Byrd won five in a row before losing last season with the Blues. All his initial victories were achieved on the road. It was Byrd's first season, as it was Valmas's.

Sanford rolled into town last Saturday when only eight of the original 14 players listed, but there were nine others included and another on his way.

Dunn will field a team consisting of this hill batty short, a good glove man, Tommy Nix, second, fairly good hitter, Bob Folkert, right field, hard hitting left-handed hitter, Huns, first base, speedy slugger, is the Albatross "take-charge" pilot, Louis Calaviti, center, converted pitcher who hits hard from the left side, Louie Hoto's, left, glare long-batting hitter, hitting backstop from Orlando, Frank...

Dunn admitted that he enters the field to make an initial test in order to determine how much more help he must have to win. St. Louis has promised to give him more aid and Dunn fully expects many chances before the season is too far along.

"I'm not predicting a pennant this year," Dunn asserted. "But I'm not saying we won't win either. One thing you can bank on, and that is we are going to try."

Faithful Sanford fans will be almost all-rounder Orlando team backed by the return of many players who were with the team during the 1951 season.

Shores rounded out eight homers for Orlando last year and half were drilled out over the Memorial Stadium fence. Shores hit 278 driving across 60 yards in 120 games. Ford once hit three four-ply blow in the leveling column of the Memorial park. Ed Levy's successor at Orlando slugged eight 100 games, batting .284, driving in 63 tallies while hitting out 20 doubles. It was Ford incidentally who caught Buddy Jaka's immortal 10-inning marathon victory in Deland in July of 1948 while playing for Sanford.

Over 2,000 fans are expected to throng the Memorial Stadium this evening for the opener. The game will be broadcast by WFTD in Orlando with Dan Daniel at the mike. Leading the parade of other Orlando press and radio celebrities will be Bob Howahl, sports editor of the Orlando Sentinel.

# Redlegs Play Braves, Nats Host To Yanks In Major Openers

## Other 12 Clubs To Open Up Tomorrow

By JOE RECHLER  
NEW YORK (AP)—Washington and Cincinnati, noted for their early starts and lagging finishes, beat the gun again today as they inaugurated another major league season that promises to provide special interest for the nation's baseball fans.

The World Champion New York Yankees and defending National League Champion Brooklyn Dodgers, the choice of the experts and betting commissioners alike, ruled heavy favorites to repeat Cleveland and Chicago in the American and New York Philadelphia and St. Louis in the National, were given outside chances to pull away.

Although the Yankees and Dodgers will have little or no change in their lineups, teams in general have undergone tremendous re-vamping with only 41 per cent of last year's starting lineup back.

The batting order present 22 freshman faces, excluding the pitchers.

In today's only American League game, Washington was scheduled to engage the Yankees at the nation's capital, where Vice President Nixon subs for President Eisenhower in throwing out the first ball.

A crowd of 30,000 was expected to be on hand to see whether the Yankees can get off on the right foot in their bid for an unprecedented fifth straight pennant.

Manager Charles Grimm of the Redlegs (20-8), the Yankees' brilliant right-hander, was to oppose Bob Porterfield (13-14), who once led for the New Yorkers.

A capacity crowd of some 30,000 was scheduled for Cincinnati's Crosley Field to welcome the Milwaukee Braves back into the big leagues.

Manager Charles Grimm of the Braves planned to pitch right-hander Max Surkont (12-13) against Cincinnati while Louie Hoto's of the Redlegs dealt out Clarence (Bud) Poole (12-5). Each pitcher saved his star southpaw for tomorrow's game.

All teams swing into action tomorrow when eight games are expected to attract some 200,000 spectators, and begin the hotly anticipated 162-day season.

The record opening day attendance was set in the lush 1948 days when 331,783 watched 10 in all-night, last year, eight openers drew 172,322 fans.

Tomorrow's largest crowd is expected in Cleveland, where 55,000 hope to watch a right-handed duel between Saul Roggenb (14-9) of the Chicago White Sox and Bob Lemon (22-11) of the Indians.

The National League's biggest turnout probably will be at Milwaukee, where 30,000 are expected to see the improved Braves take on Eddie Stanky's Cards.

A change in the schedule resulting from the franchise shift will pit Pittsburgh against the Dodgers at Brooklyn. Some 20,000 are expected to watch the Dodgers open defense of the National League title with right-hander Carl Erskine (14-10) on the mound.

Veteran Murray Dickson (14-21) will be on the hill for the Pirates.

Robin Roberts, the majors' biggest 1952 winner with 28, makes his fourth opening day start in Philadelphia against the New York Giants. Some 20,000 figure to see Larry Janso (11-11) oppose their favorite.

The Cubs, winners of their last three openers, will face an old line in Baltimore, who has whipped their 27 times while losing only 14. Some 25,000 will see right-hander Bob Rush (12-11) try to snap the Redlegs' southpaw's hex.

The St. Louis Browns will have their first night opener in history, meeting the Detroit Tigers. Some 15,000 will have to get accustomed to the new lineups. No fewer than seven players were on the oppos-

OFFICIAL WELCOMING... The new Sanford Cardinals were greeted by a 30-car motorcade headed by Mayor Randall Chase, second from left in convertible at Monroe corner on route 16 last Saturday afternoon. The Mayor, Chief of Police Roy Williams, and State Trooper R. D. Harrison pulled out all the stops to lead the welcoming procession through red lights, circling downtown Sanford.

Jameson Photo  
Sanford, with blaring sirens. This picture was snapped at the Mayor's corner showing the official welcoming delegation with Manager Dunn and the new ball club. The Cadillac convertible and five air-conditioned Oldsmobiles were furnished by Claude Hittell of Hollar Motors.

## FSL Begins 14th Season Tonight With Four Games

By The Associated Press  
They open another baseball season in the Florida State League tonight with the accent on speed and youth, and with eyes on new records. It was the 14th year of play for the Class D loop.

The existing teams tonight will have home openers Tuesday. Daytona Beach at Orlando, Leesburg at Jacksonville Beach, Sanford at Deland, Palatka at Cocoa.

Cocoa at Leesburg  
The existing teams tonight will have home openers Tuesday. Daytona Beach at Orlando, Leesburg at Jacksonville Beach, Sanford at Deland, Palatka at Cocoa.

Manager Charles Grimm of the Braves planned to pitch right-hander Max Surkont (12-13) against Cincinnati while Louie Hoto's of the Redlegs dealt out Clarence (Bud) Poole (12-5). Each pitcher saved his star southpaw for tomorrow's game.

## Cardinal System Loses 52 Players Via Service Calls

ALBANY (Special) — A total of 52 ball players have left the St. Louis Cardinals' vast minor league training base in southwestern Georgia for induction into the military service since conditioning began here Mar. 10, George Silver, Red Bird training camp director has announced.

"Even though we have lost a great number of top flight talent to the military, several factors have compensated for this loss and we expect to have an even stronger organization at all levels this season," Silver said.

The Cardinals in 1952 trained 11 minor league teams from Class A to D in Albany and all were first division finishers. "We expect to prove this year that our last season's record was not just a coincidence," the Cardinal official stated.

"We are now just beginning to get players back into the organization who were inducted several years ago, many of these are the returnees fill spots in the upper echelon, the youngsters who are sent down will strengthen our lower division teams."

The talk at the training base has been that the average caliber of the players this year is even better than those who reported for training the previous season.

Silver has an explanation for this, too: "There is no doubt in my mind that the Cardinal organization has the home growth lot since the early thirties. Right now every player with the exception of approximately four, including Manager Eddie Stanky, was developed in our farm system."

"From the material we have on hand, the Cardinals are in position to be a top-flight home grown lot for many years to come."

A newcomer in Southern Conference track circles is Duke University's Durham Lawshe, a shot putter. In a recent invitational meet, the transfer student from Hartmouth hurled the 16-pound ball 48 feet, 10 inches.

In 1950, he managed Daytona Beach this year.

If all-time won and lost records are a gauge, the Daytona Beach, Deland and Sanford would be favored to set the pace this year. For 13 years of play Daytona Beach has a percentage of .377, Deland and Sanford have .323 each.

The season again is divided into halves. Deland, champion in 1951 and 1952, won both halves last year.

A new trophy, based on percentage of population of the league cities, is being offered the teams for opening night attendance.

## Leesburg Plans Big FSL Opener Tonight

LEESBURG (Special) — The Leesburg Lakers have planned official ceremonies for their Florida State League opener with Cocoa Beach tonight.

Tom Knowles, mayor of Leesburg, will throw out the first pitch. The Brownies from the girls school will take part in the program ceremonies at Venetian Gardens and a parade has been scheduled for 3:30 p. m. Buses from both the white and colored high schools will march in it and all of the Lakes will ride in cars with the Lake County Horsemen's Ass. to lead the parade.

Paul and Wendell Hasbun, owners of the club, also announced yesterday that a nursery will be maintained at the park this season. It will be supervised by Mrs. C. W. Chittenden and will afford an opportunity for parents to attend any of the Leesburg home games with an extra cost for the service.

## Sports Roundup by GAYLE TALBOT

NEW YORK (AP)—The time has come by popular demand to knock down the Yankees and assure their horde of ill-wishers that Casey Stengel's athletes will not win their fifth straight flag in the American League race starting today. The job gets harder with each passing spring.

You might be surprised to know how many persons there are within our borders who hate the Yankees. It is a phenomenon we have not seen satisfactorily explained, other than that a lot of fans are blamed for their own club get all the glory.

Perhaps 30 times recently, and over a wide stretch of country, we were asked, "What's the chances of getting those huns out of there? And they didn't mean Brooklyn."

In every case our reply has been that success is at hand, that the Cleveland Indians are going to wrap up Stengel's fat cats this time and deliver them. We have explained that the Yankees are getting very old, most of them being in their 30s, and that they are likely to begin falling apart at any time now.

To particularize, we have asked them to take little Phil Rizzuto, the slug-man in the champions' infield. Phil has been eating baby food all winter and spring to combat his ulcers, and he's going into the race underweight. That's extremely encouraging to the anti-Yanks.

The other infielders haven't been hitting in exhibition games. Stengel was quoted the other day as saying they had him pitted wretchedly. He said he simply didn't know where to turn after his boys were combed by the Pittsburgh Pirates, 10-9, the other day. That's another good sign.

Added to Phil is Vic Raschi, the veteran starting pitcher, hasn't looked good at all. He has pitched 29 innings in the exhibitions and has been bombarded for 30 hits and 20 runs.

As for Yogi Berra, we saw one hot made at even money that he leads the league in batting this time. This plainly shows that the

## Ex-Major Leaguer Rowell Signs To Lead Cocoa Tribe

COCOA (Special) — Carvel (Hama) Rowell, former star infielder - outfielder for the Boston Bees and Philadelphia during the 1940's, assumed the reins as manager of the pitiless Cocoa Indians Saturday just 48 hours before the Florida State League opens.

Rowell will be in a playing capacity for the tribe in its opener at Leesburg tonight. The ex-big league is a consistent .300 hitter who swings left and throws right. Rowell joins Pete Hughes, .331 hitting outfielder for Cocoa last year, as the second veteran. Both vets hit from the portside of the plate.

Rowell was in the National League nine years, six of which were with the Boston Braves. After four years in the service he returned and was with the Philadelphia Phillies.

His best year in the majors was 1940 when he batted .305 for the Braves.

Rowell also spent two years with Minneapolis and for the past two years has been with Mobile of the Southern Assn.

Year Team	W	L	Pct.
36 St. Augustine	85	60	.589
37 Gainesville	81	63	.561
38 Leesburg	87	52	.626
39 SANFORD	94	35	.737
40 Daytona	86	43	.669
41 St. Augustine	83	43	.659
42 Orlando	92	34	.731
43 Leesburg	92	31	.750
44 Orlando	70	20	.779
45 Gainesville	71	20	.780
46 Orlando	88	22	.800
47 Deland	90	10	.900
48 Deland	83	10	.892

## Mayor Chase, Civic Leaders And Roaring Sirens Welcome Cardinals

By KENT CHETLAIN  
Blaring sirens, blasting horns and an elaborate 30-car motorcade led by Mayor Randall Chase, City Manager Tom Lemon, Police Chief Roy Williams and other ranking civic leaders, greeted the arrival of the Sanford Cardinals here yesterday afternoon.

The Cardinal bus was met four miles west of Sanford by the motorcade of Oldsmobiles and Cadillacs sporting flashy "Cardinal" signs on the side of the cars, furnished by Claude Hittell, manager of Hollar Motor Sales.

Cars from the Florida highway patrol, sheriff's office and city police spearheaded the procession through red lights, with shrilling sirens announcing the long-awaited arrival of Sanford's 1953 diamond representatives, who have been training at the vast St. Louis farm base at Albany for the past three weeks.

Hundreds lined the streets to watch the roaring parade and new Red Bird pilot, J. C. Dunn with his band of 18 and 19-year-old St. Louis farm prospects.

The attentional welcoming was reflected in the sale of advance tickets. The season ticket drive topped the 115 mark with more coming this evening, while reserve box seat sales vaulted over the 100 mark and books of 10 ducents were pushing the 150 figure.

Last Saturday night the local club sponsored a banquet at the yacht club for the new players and civic leaders. Formal introductions and a pre-season forecast highlighted the main event.

Accompanying Dunn was pitcher Murray Byrd, lone Sanford holdover from last year who won 14 and lost 10.

Tommy Leonard, Coastal Plains League battling champion last season with a .376 average at Goldboro, N. C. is due in today. Hob Folkert, hard hitting left handed hitter who set the scouts in Albany scurrying about, is a strong contender for the right field post tonight.

The Orlando opener is expected to draw a record 2,000 fans. Some local baseball officials are conservatively putting the figure at 2,300 and upwards.

As of yesterday the Cards have four infielders, four outfielders, two catchers and eight pitchers. Changes in the roster are likely, Dunn predicted. "We were the first Class D club to break camp at Albany," he explained, "so it's a matter of time before we'll see replacements later on when the larger teams begin springing down."

He described the local club's prospects by saying, "We have a young and hustling crew, which have some potentials. We will start the season on a trial basis, finding our weaknesses and sifting out the rest of the league. If we find the competition too stiff, then the Cardinal organization will help us out with better players."

Dunn, 37-year-old slugger who batted .287 his first year in O.F., is a consistent .300 hitter who drills the long ones and has a reputation as a speed demon on the base paths.

As all Sanford anxiously awaits tonight's 14th annual Florida State League inaugural, Mr. Dunn is preparing the master plan for 1953—Sanford's first pennant since 1930.
