Beauty Secrets— FREE

The F. I. L. & Fl. .. III an number of all aget

Hair shining and exquisitely Coiffured... the gleaming, pink finger-tips of fashion.... a frock with all the charm and chic of Paris....today these are in the reach of every woman—through the magic of advertising.

In the newspapers, beauty secrets are given away every day—free! How to wear your new hat smartly. How to improve a fading complexion. How to have prettier clothes for less money. Beauty, loveliness, charm—no longer are they the heritage of a favored few. Advertising makes them a universal opportunity.

Follow today's beauty and fashion advertising. It teaches good dressing, good grooming. It tells you what clever women here, there and everywhere are finding out about beauty. It will help you make the most of yourself—your eyes, your hair, your own precious personality. It will keep you young!
