

### 750,000 American Citizens Visiting Foreign Nations

By SAM DAWSON  
NEW YORK (AP)—Another bumper crop is in the making. By surface ship and airliner the United States is sending a record 750,000 of its citizens off to see other parts of the world.  
They will leave from 600 million to one billion Yankee dollars abroad. Steamship lines and transatlantic air carriers report they are booked solid eastbound into

August, with heavy bookings westbound into October.

### Warren Gives Back Job To Joe Spicola Cleared Of Graft

TAMPA (AP)—Gov. Warren today reinstated Justice of the Peace Joseph G. Spicola who was cleared in court of charges he took money from defendants to fix cases.  
The Tampa Times said Warren who is at Miami attending the Shrine convention had signed the reinstatement order.

This means W. Marion Hendry who was named by Warren to succeed Spicola during his suspension will leave the post he has held since Feb. 1. However, Hendry will go back into office the first of the year. He ran for the job and Spicola didn't.

Spicola and his clerk, A. S. (Shirley) Millan, were accused of 11 counts of extortion, conspiracy and embezzlement. Among the charges were that Spicola had conspired to set up a bond racket. Circuit Judge Truman G. Futch, assigned by Gov. Warren to hear the trial, ordered a directed verdict of acquittal on all the charges against Spicola and 10 of the 11 against Millan.

A Criminal Court jury deliberated only four minutes before freeing Spicola on the remaining charge.

A Criminal Court jury deliberated only four minutes before freeing Spicola on the remaining charge.

Spicola, one of the big political powers in Hillsborough County, has held the justice of the peace post for years. He has extensive business interests here.

### Horde Of Crickets Is Threatening Village

RENO (AP)—A horde of Mormon crickets—25 miles wide and 14 miles deep—is marching toward the water supply of Austin, a little mining and ranching town 150 miles east of Reno.

Residents of the community of 325, sheriff's deputies and state cricket control men from the state Department of Agriculture temporarily stopped the invasion about half a mile from the town's water reservoir Thursday.

But they ran out of poisoned mash. Later reports placed the crickets only a quarter-mile from the reservoir.

Townsmen fear the horde will contaminate their water supply. The Mormon cricket—a large, black, voracious insect—got its name by common usage after swarms invaded the grain fields of early Mormon settlers in Utah in 1850.

The fields were saved when seagulf appeared and gobbled up the crickets.

### Sales Tax Fraud Is Charged In Sarasota

BRADENTON (AP)—A Sarasota couple accused of failing to turn in sales tax receipts to the state has been charged with embezzlement.

Informations charging embezzlement against Henry L. Owens and his wife, Dorothy, are believed to be the first such instance since the sales tax law was passed in 1949.

State Attorney W. M. Smiley charged the couple who formerly operated a restaurant in Sarasota with converting \$380 in February sales tax collections to their own use.

Smiley said that under the sales tax law the Owenses are subject to prosecution for embezzlement just as any city, state or county official.

Owens was arrested in St. Petersburg Monday and held in jail at Sarasota until Wednesday when he was released on \$1,000 bond. Smiley said he believed Mrs. Owens is in California.

### Line Given Big Ship Despite Objections

WASHINGTON (AP)—Despite objections by Comptroller General Lindsay Warren, Secretary of Commerce Sawyer today let the United States Lines have the 10 million dollar luxury liner United States for the company's contract price of 28 million dollars.

Warren objected three weeks ago that the 42 million government contribution to the ship's cost was much too generous. He urged Sawyer to hold up delivery of the ship unless U. S. Lines would agree to pay a bigger share of the cost.

Sawyer, who replied the contract was binding and unchangeable, said today transfer of title had been completed at Hoboken, N. J. With it, he said, the ship was formally delivered and accepted by the company at Newport News, Va., where construction was recently completed.

### Perry Murray Is Elected Head Of Citrus Mutual

### Frostproof Legislator Is Veteran Law Maker From Polk

LAKELAND (AP)—Perry E. Murray, Frostproof legislator and former speaker of the Florida House, is the new president of Florida Citrus Mutual.

Murray, an attorney who has grove interests near Frostproof, is a veteran member of the Polk County House delegation. He is serving his second term as a Mutual director.

The directors picked him Thursday to succeed Lacy G. Thomas, Groveland, who was not eligible for the post again because he had served two consecutive terms.

The board named these vice presidents: Thomas; Dan McKinnon, Winter Garden; Dallas Simmons, Bradentown; and A. B. Michaels, Wabasso. Re-elected secretary was Vernon L. Conner, Mt. Dora, and County Judge Clyde Maddox, Wauclava, was renamed treasurer.

### Average Grower Of Citrus Made Profit During Last Year

LAKELAND (AP)—The average Florida citrus grower made a profit this season but he received less for his fruit than he did in 1950-51.

Using U. S. Department of Agriculture figures, Florida Citrus Mutual says the citrus grower averaged 72 cents per box for oranges on the tree; 56 cents for grapefruit and \$1.26 for a standard box of tangerines.

This means, says Mutual, that growers netted 22 cents per box on oranges; 16 cents per box on grapefruit and 18 cents per box on tangerines.

Last season orange growers received about 92 cents more per box on oranges, 38 cents more on grapefruit and 18 cents on tangerines.

Of course some growers received higher prices this season for their fruit than the average on-the-tree figures show and some got less.

This season's citrus crop was a record one. Prices were referred to many times as "give-away."

Mutual estimates Florida growers have received 72 million dollars so far from their crop. Oranges brought in 50 million of this on-the-tree return, grapefruit 17 million and tangerines five million.

### Reds Resume Their Assault On T-Bone Hill With Barrage

SEOUL (AP)—Chinese Communists, striking behind a heavy artillery barrage, resumed their assaults late tonight on strategic T-Bone Hill, 50 miles north of Seoul.

The Communists had been off the attacks Wednesday after suffering at least 2,000 casualties in six days of futile slugging. The Allied positions on part of the hill dominate one invasion road to Seoul.

A brief front-line dispatch said only that the Chinese had launched another attack just before midnight. It did not give the size of the attacking force. The Reds previously had used about 750 men in each attack.

The revival of ground action coincided with new clashes in the air. Six U. S. Sabre jet pilots said they destroyed two and damaged two of six Communist propeller-type planes just south of the Manchurian border.

On the ground, action neared a halt on the T-bone Hill sector west of Chorwon in the west, and on the east central front southeast of Kumson.

AP Correspondent Milo Farnett reported only a light artillery exchange between Reds dug in on T-Bone and Allied soldiers who defended the area during six days of bitter fighting which finally simmered Wednesday.

A Chinese battalion directed small arms fire and pitched hand grenades on an advance U. N. position southeast of Kumson on the east central front. The action was quieter than Thursday, when Allied soldiers hurried back sporadic Red attacks on the outpost.

### New Charters Are Granted As Shrine Chooses New York

MIAMI (AP)—The Imperial Council of the Shrine today approved charters for new temples in Long Beach, Calif., and Alexandria, Va., and chose New York for the 1953 convention.

The council also gave temporary permission for a temple in Wilmington, Del. A petition from St. Petersburg, Fla., for a charter was withdrawn.

An amendment to allow Shrine hospitals to invest in mortgage properties and purchase common and preferred stock of private corporations was adopted.

Previously hospital funds could be invested only in low interest rate government bonds. The new regulations specified, however, that only 30 per cent of the funds available could be invested in other than government bonds.

The Shrine wound up five days of noise-making, prank-playing and mass frolicking with a spectacular parade into the Orange Bowl Thursday night.

An estimated 150,000 persons lined the 16-block parade route for the 8-hour march and another 25,000 saw the glittering show in the Orange Bowl Stadium.

Harvey J. Beffa, Moola Temple, St. Louis, will be installed as imperial potentate, succeeding Robert Gardner Wilson Jr., Boston. Remmie L. Arnold, Acca Temple, Petersburg, Va., replaces Beffa as deputy imperial potentate.

Only contest in Thursday's election was for imperial outer guard, in line for eventual succession to the top post in the Shrine after 13 years.

### Nation's Weather Shows No Change

By The Associated Press  
The nation's weather showed little change today, continuing warm and humid over most of the Southern half of the country.

The spell of hot weather in the Eastern states ended Thursday with arrival of a cool front that covered most of the Northern tier of states from the Rockies eastward. Thunderstorms with wind gusts up to 70 miles an hour hit New York City and other Eastern cities.

It was near freezing early today in Cadillac, Mich., with a low of 36. At the same time it was 84 in Phoenix, 81 in Dallas, 79 in Kansas City, 76 in New Orleans and Atlanta, 75 in Miami, 69 in Washington, 61 in New York, 57 in Chicago and 43 in Montpelier, Vt.

Showers and thunderstorms were reported in several areas, including the Upper Mississippi and Missouri Valleys southward into Kansas. Other wet spots were in Georgia, Montana and Wyoming. A tornado hit Lisco, a small com-

## Acheson Lands In London For Big Three Talk

### Wide Range Of Discussion To Be Carried On By Secretary And European Heads

LONDON (AP)—U. S. Secretary of State Dean Acheson arrived here today for Big Three talks he said would deal with the "great common tasks our three countries are carrying forward."

He held newsmen at London Airport in talks with British Foreign Secretary Anthony Eden and French Foreign Minister Robert Schuman would range over Europe, the Far East and Korea. Acheson, accompanied by his wife, arrived aboard the Presidential plane the Independence. Dr. Philip Jessup, U. S. ambassador at large, and Assistant Secretary of State George Perkins and Mrs. Perkins, came with him.

The secretary of state will hold his first talks with Eden Tuesday and lunch with Prime Minister Winston Churchill.

Schuman will join the talks Friday. They may continue Saturday morning. Acheson takes off Saturday afternoon to visit the people of Berlin and Vienna who, he said, "are maintaining their freedom during a period of great harassment."

He then plans to fly across the South Atlantic for a visit to Brazil before returning to the United States.

One of the main points of the talks here, Acheson said, would be on the Far East and Korea. Acheson's defense minister, Field Marshal Lord Alexander, is now in Washington after a personal visit to Tokyo, Korea and the Kojie Island prison camp.

Acheson took off in President Truman's plane, with the President at the airport to wish him success Sunday night, a few hours after Alexander flew in from Korea.

Acheson's mission abroad is expected to center around problems in Europe and the Middle East. Alexander is expected to talk about Korea with top level officials here.

Acheson plans to visit London, Berlin, Vienna, and — on his way home — Brazil.

His most important conferences are expected to be in London, with British Foreign Secretary Eden and French Foreign Minister Schuman, and later with George Kennan.

## Sanford Lions Install New Officers

Cecil Carlton, center, retiring president of the Sanford Lions Club, hands the gavel to the newly installed president, Edward S. McCall, following the installation program Thursday night in the Florida Power Corp. building at Bear Lake. New officers, left to right, are Jack Morrison, first vice-president; Carl Williams, second vice-president; Wallace Phillips, director; Mr. Carlton, Mr. McCall, Jack

## Ratigan Reveals Sanford Growth During Past Year

### Retiring President Of Rotary Club Is Luncheon Speaker

Jack Ratigan, president of the Rotary Club, in his last meeting of the year, outlined the achievements of the club during his administration, attributing them largely to the work of the members and the board of directors.

He pointed out significant changes which have occurred in Sanford during the past 12 months.

"One year ago," he said, "we had just started a major volume of work when one of our largest industries found it necessary to move away. Since then as a result of the Navy's moving in, the whole complexion of things in Sanford has changed. The men staying here are bringing in their

(Continued on Page Six)

## Judge Stenstrom Is Installed As Jaycee President

Judge Douglas Stenstrom was formally installed as the president of the Seminole County Junior Chamber of Commerce, succeeding Tim Crawford last Friday night during the Jaycee barbeque at the Seminole County Club.

Tim Crawford, past president of the club, presided over the installation ceremonies, conducted by Reggie Moffat, past president of the Orlando Junior Chamber, brought the following new men into office: Clarence Knight, second vice-president; Gordon Sweeney, secretary; James B. Gut, treasurer; and as directors, John Kader, Elton Moughtin, Jr., Gordon Fiedler, Cliff Ables and Mack Cleverly, Jr.

The formal occasion was somewhat marred for Judge Stenstrom when prior to his installation, he was arrested at the barbeque by Highway Patrolman R. D. Harrison and City Policeman Bill Hillman, handcuffed and convicted in mock trial for "obscenity and perjury." Local attorney William Hutchinson, Jr., acting as judge, sentenced Judge Stenstrom to a year of hard labor as president of the Jaycees. The defendant will begin his sentence on July 1.

Mr. Stenstrom became dumbfounded when he had to go through the installation with the handcuffs still locked snugly around his wrists, since the two policemen had exited immediately after the trial apparently with the keys to the cuffs.

It wasn't until several hours later that Mr. Crawford "discovered" that he had the key to the handcuffs.

## Sanford Herald Vacation-Pack

No matter how far away from home you may go on your vacation you can readily catch up on the home news by reading the Sanford Herald when you return. You can arrange with your carrier boy, or through Charlie Morrison, circulation manager, by telephoning 144, to have your regular issues of the Herald saved for you while you are away, to be delivered to your home in one package upon your return. There is no extra charge. The regular weekly subscription rate will include all regular subscriptions to this additional service. Before leaving on your vacation simply notify your carrier boy or telephonically the circulation department.

## Forest Fires

High up in this typical lookout tower of the Florida Forest Service, the lowerman watches day after day for the tell-tale smoke of woods fires. At the first sign of a fire, he notifies the ranger's headquarters of the location of the fire. The towers are located on high points throughout each of the counties where the woodlands are under organized forest fire protection. Able to see 8 to 10 miles in all directions, the towerman is the constant guardian of the forest.

## Last Call Made For Payment Of 1951 County Taxes

The last call was made today for payment of County taxes assessed on the 1951 Tax Roll and remaining unpaid, John L. Galloway stated today.

In some cases it has been found that since the Tax Roll was prepared, property has changed hands several times and no one has paid the taxes, Mr. Galloway said.

The sale of tax certificates for delinquent 1951 County taxes will be held at the Court House in Sanford on Friday, June 27, beginning at noon. Lists of lands advertised for unpaid taxes appeared in The Sanford Herald on May 28, June 4, 11 and 18.

These delinquent taxes may be paid to the County Tax Collector at any time before the tax sale and in such cases the paid items will be stricken from the sale list.

Mr. Galloway called attention to the Florida Law which provides that "All owners of property shall be held to know that taxes are due and payable thereon annually, and are charged with the duty of ascertaining the amount of such tax and paying the same before the first of April of each year."

Mr. Galloway also stated that personal and intangible taxes not paid have been advertised and on any and all such items not paid by June 27 Tax Warrants will be issued directing the levy and sale of sufficient personal property to satisfy the tax. It is decidedly to the taxpayers advantage to pay these taxes before warrants are issued.

## County Woodlands Come Under Fire Protection July 1

### \$12,000 Program To Prevent Fires Was Approved In 1950

Seminole County's 133,307 acres, according to the Florida Forest Service, will be under fire protection by the Florida Forest Service on or about July 1, District Forester Harold K. Mikell said today.

Pointing out that this action is a result of the decision in favor of the protection of the woodlands of the county in the general election of 1950, he said the program will cost the County approximately \$12,000 a year. Additional expenses of \$2,000 will come from State and Federal aid.

The funds will be spent in Seminole County alone except for items and equipment which cannot be purchased here, Mr. Mikell said.

The program will be under the general direction of County Engineer Joe Carroll of Orlando. A tower on an eight mile fire watching radius to be constructed in the Greenwood, Alamo, Springs area.

The towers will be the standard 100 foot tall and will supplement the only other tower presently in Seminole County, the Ocala tower, and towers at Pleasant Grove, Abbeville, and Orlando in providing complete fire protection to the county's woodland acreage.

The service wishes to put out under stress, Mr. Mikell said, upon the assistance which will be given to the landowner with the burning of their own land.

"The Service is not here to keep you from burning your land, if you want to," Mr. Mikell said, "but to keep it from burning when you don't want it to."

The County fire fighting and all light fires in houses and buildings in rural areas as well as forest fires. Although the service is not here to prevent you from burning your land, if you want to, Mr. Mikell said, "but to keep it from burning when you don't want it to."

The County fire fighting and all light fires in houses and buildings in rural areas as well as forest fires. Although the service is not here to prevent you from burning your land, if you want to, Mr. Mikell said, "but to keep it from burning when you don't want it to."

## Breckenridge Back From Institute Of Commercial Men

More than 300 executives representing "progressive" chambers of commerce organizations in the southeast attended the course of the southeastern Institute of Commercial Organization Executives last week at the University of North Carolina, Forest E. Breckenridge, manager of the Seminole County Chamber of Commerce, announced today following his return from Chapel Hill, N. C.

The course ended, he stated, with nine examinations which were taken Saturday morning. The purpose of the course, he added, is to bring chamber of commerce managers and executives up-to-date on new ideas and programs in commercial organization and management.

Among the outstanding speakers in seminars at the course, he said, were Frances P. Whitehair, undersecretary of the Navy; Clem B. Johnson, vice president of the United States Chamber of Commerce; Dr. George C. Smith Jr., economic research director of that body; and Dr. George Houston Myers, pastor of the Park Baptist Church, Charlotte, N. C.

Mr. Whitehair warned of the threat of Communism, pointing out that "we let our armed power dwindle, only to realize that we faced a far more deadly enemy in Communist Russia." He asked the chamber of commerce executives to think seriously about the crisis ahead and to use their influence to combat apathy toward the struggle of the free world against the slave world.

Mr. Johnson told of the increase in taxes, pointing out that the

## Gladys Kinlaw Royal Services Held Today

Funeral services were held at 11:00 a.m. today at Edison Funeral Home for Mrs. Gladys Kinlaw Royal, wife of Floyd Royal of 1020 Elm Avenue who died Saturday at 11:31 a.m. after a brief illness.

The Rev. J. E. McKinley officiated at the services and burial was made in Evergreen Cemetery.

Mrs. Royal was born June 6, 1895 in Dublin, N. C. and came to Sanford with her parents at a very early age and had lived here since that time. She was a member of the First Methodist Church.

In addition to a 15 months old daughter, Barbara Joy her parents, Mr. and Mrs. Emmett Kinlaw; two brothers, Blinnon and Gregory Kinlaw; a sister, Mrs. J. H. Watson; all of Sanford; two other sisters, Mrs. Rupert Perry of Hialeah, N. C. and Mrs. Arthur Bradshaw of Orlando.

## Billy Odham Is Held Under Bond In Wreck

DAVTONA BEACH (AP)—Billy Odham, Sanford, was held under \$2,000 bond on an open charge Sunday pending a coroner's inquest into the death of Robert O'Quinn, 45, and his 10-year-old granddaughter, Dianne Mills, in an automobile accident here.

Odham is the brother of Bralley Odham, runner-up in the Democratic primary for governor. Billy Odham said he was going 40 to 45 miles an hour when he saw the "O'Quinn car" that "tried to apply the brake. That's when we were hit." He said he was driving on the right side of the road and that he was in a drunk or test two hours after the accident and that 15 was considered evidence of drunkenness.

# 500 U.S. Planes Hit Electric Plants In Biggest Air Strike

## Taft Puts Forth Idea On Seating Texas Delegates

## Disagrees With Ike That All Contested States Be Barred

WASHINGTON (AP)—Sen. Robert A. Taft said today he believes Texas delegates temporarily admitted to the Republican national convention should be barred from voting on the permanent seating of that state's delegates.

But Taft had a news conference he did not agree with Sen. Dwight D. Eisenhower that delegates from all contested states should be barred from voting on the seating of the states and the convention should be held in a neutral city.

Some of Eisenhower's backers have contended that Taft's proposal would be tantamount to a veto of the national convention by the Republican National Committee which will approve the temporary roll of the Chicago convention.

"I expect the national committee to temporarily debar delegates favoring Taft in most of the contested states. I have no doubt that such delegations might not be allowed to vote on the permanent seating of contested delegations."

Taft said he wants to answer later in a formal statement or in a speech, charges made by Eisenhower in a radio address Saturday night that there was a "steal" of Texas' 20 delegates by the Taft forces.

But Taft denied the charges and said "The law was on the side of Henry Zwick."

Zwick is Texas national committee man and a Taft supporter. He says a group named the "Texas delegation" after refusing to seat many Eisenhower delegates in a state convention, the Eisenhower group halted and named its own delegation.

In response to questions, Taft said he wanted to repudiate campaign material he said was circulated by Gerald Winrod as well as

(Continued on Page Six)

## U. S. Superliner Reaches Gotham Amid Wild Noise

## America's New Queen Of Sea Heralded By Harbor Whistles

NEW YORK (AP)—The supersonic United States' America's new queen of the passenger sea lanes, was welcomed to her home port of New York today with a throng of thousands of harbor whistles. Thousands of lovers thronged the shores of Lower Manhattan as the largest American passenger ship (about 1,000 tons) arrived at the harbor's pier in the morning.

The 1,000-ton U. S. Superliner moved into the harbor at the pier at 11:30 a.m. EST. The ship was met by a throng of thousands of harbor whistles. The ship was met by a throng of thousands of harbor whistles.

The ship was met by a throng of thousands of harbor whistles. The ship was met by a throng of thousands of harbor whistles.

## Top Priority Targets Thoroughly Demolished By Carrier, Air Force Aircraft

## By JOHN RANDELPH

TOKYO (AP)—Japanese news editors took a grave view of the massive Allied bombing today of Japan's industrial engineering triumph and one of the world's largest hydroelectric developments.

Chuo Nishimura, Asahi news editor of the big Tokyo newspaper Yomiuri, expressed belief "The U. S. has played a trump card and perhaps risked an all-out war with Communist China."

By STAN CARTER  
SEATTLE, June 23 (AP)—U. S. Navy Air Force and Marine planes today knocked out five big hydroelectric plants servicing all of North Korea and parts of the Korean peninsula in the biggest air raid of the Korean War.

All of the targets were on the Korean side of the Yalu River, which divides Korea and Manchuria. Navy headquarters in Tokyo said.

A Navy spokesman said the targets were "top priority" and preliminary reports indicated the primary and secondary targets were thoroughly smashed.

An Air Force fighter bomber from dozens of B-29 Superfortresses and Navy planes from the USS Intrepid, USS Ticonderoga and USS Princeton pounded the dams and generator plants. Other planes from the carrier USS Intrepid flew diversionary strikes in the same area to confuse the enemy's defenses.

The Air Force said the 30-minute raid demolished the Suifu hydroelectric plant which supplies power to Mukden and other industrial plants in Manchuria.

(Continued on Page Two)

## Five Sanford Boys Go To Tallahassee For Boys' State

## Guard Officers At Blending Exercise

Five Sanford boys left early today for Tallahassee to participate in the eighth annual Florida Boys' State. Judge Douglas Stenstrom and today. The purpose of the State is to teach boys the fundamentals of good government and an appreciation of the duties of citizenship and its responsibilities.

The event is staged by the Department of Florida, American Legion and each local unit is sponsored by a local service group. The boys from Sanford are a member of the local unit.

The boys will be housed in the Tallahassee Hotel. They will be supervised by approximately 120 officers from the entire state. The boys will be housed in the Tallahassee Hotel. They will be supervised by approximately 120 officers from the entire state.

Warren protests that the already too high and heavier than the government had to honor the contract.

### TODAY'S BIBLE VERSE

One of the great values of faith  
is its unshakable courage. It is in  
fact a form of justified courage.  
The host should encamp  
against me, my heart shall not  
fear.—Ps. 27:3

The Russians are said to be  
building a "Great Stalin Wall"  
along the Baltic Sea coast of East-  
ern Germany. A sort of "Maginot  
Line" as it were.

The State Department has denied  
passports to Owen Lattimore, ar-  
chitect of American Far Eastern  
policy, so that he will be unable to  
leave this country. On the other  
hand, it might be a good idea to  
get rid of him.

The picture of Sharon Hoover  
and the two baby deer at the San-  
ford zoo was published in the Or-  
lando Sentinel, the Tampa Tribune  
and the New York Times, and,  
since it was carried on AP wire  
photo, probably in hundreds of  
other newspapers throughout the  
United States.

Averell Harriman, President Tru-  
man's choice for President, says  
that the Republican presidential  
candidates and such southern Dem-  
ocrats as Senator Byrd don't know  
what socialism is. Maybe not, but  
we're learning fast. Just give us  
another four years of Trumanities,  
and we know all there is to be  
known.

The CIO, which notoriously dis-  
likes Senator Taft also has no use  
for General Eisenhower. His "no  
deal" campaign, says the CIO  
Weekly News, adds up to a "raw  
deal" for workers. The CIO can be  
depended upon, we believe, to  
support Senator Kefauver or Averell  
Harriman, the New York multi-  
millionaire, but not Senator Rus-  
sell.

Out of 12,400,000 men called up  
for duty by Selective Service since  
1948, some 1,400,000 have been  
classified as 4-F, unfit for military  
duty, or about 11 percent. South  
Dakota made the best showing of  
any state in the union, only 3,605  
unfit out of 55,277 called, or 6.5  
percent. South Carolina had the  
highest rate of rejections, 40,938  
out of 191,700 or 21.4 percent.

An important factor in the Ar-  
my's decision that the ban on mil-  
itary men in politics does not apply  
to MacArthur is the status of Gen-  
eral Eisenhower. The Army decision  
means he could have retained his  
\$19,541.84 a year salary and cam-  
paigned for president, just as  
MacArthur can keynote the Repub-  
lican convention and keep the  
same salary. Now, Ike has retired  
from the active list and forfeited  
his pay, which might be good for  
us taxpayers but not so good for  
the general.

We see where some 750,000  
Americans are traveling abroad this  
summer spending overseas up to a  
billion dollars of good hard earned  
American money. However, such  
expenditures are not an economic  
loss to this country as it is largely  
by means of the dollars we spend  
in Europe that Europeans are en-  
abled to buy food and clothing  
from us. As a matter of fact, the  
Europeans are spending much more  
with us than we spend with them.  
Since foreign loans, European aid  
and so forth, all help the people  
who travel in Europe are getting  
something for their money.

You've got to be smart to get  
rich these days, that is you have  
got to know the right people and  
understand how to get around pay-  
ing your fair share of income taxes.  
Now you take Frank Costello,  
founder of the Frank Costello  
International packager, for  
example, or Phil Kessel, the Louisi-  
ana oil millionaire. There was  
a time that knew how to work it.  
The fortune of Kessel was  
made in the oil business. He  
was a big success in the oil  
business. He was a big success in  
the oil business. He was a big  
success in the oil business.

### Younger Voters

General Eisenhower has gone on record as favoring giving 18-year-olds the right to vote. He said that he believed that any man old enough to fight should be considered old enough to vote. There are many who agree.

At eighteen and nineteen most young people have finished high school. The lessons in citizenship they learned in school are still fresh in their minds and many of them have a greater interest and knowledge of national problems than do their parents. Young people mature a great deal in the years between 18 and 21 but too frequently they lose their interest in politics and voting in the process.

It is true that some young people of 18 are still immature and concerned too much with frivolity. It is also true that many young men have given their lives in the last three wars before they reached their nineteenth birthdays. Selective service officials point out that many of the best soldiers are in the age group under 21.

Perhaps the only completely just way to set an age limit on the voting privilege would be to consider each case separately. Since this would be impossible some minimum age must be set and most states have fixed it at 21. There are many good arguments for changing the regulation to 18.

### Honor For Wilson

The complaint was long made that Princeton University contained no fitting memorial to one of its most distinguished sons and one of the two presidents which it gave the nation. James Madison was the first, and has long been commemorated. Only the other day, however, was the cornerstone laid for Woodrow Wilson Hall, honoring the man who was president of Princeton for eight years and president of the United States for another eight. The new hall will house appropriately named Woodrow Wilson School of Public and International Affairs, which will open in the fall.

One reason for the delay may have been that Wilson's Princeton rule, like that during his terms in the White House, was controversial. His antagonism to the club system, which he believed made for snobbishness, won him the lasting enmity of influential graduates, who may not have been soothed by the measures he advocated when elected president.

Grudges should not ordinarily be carried beyond the grave. Princeton has rightly honored Wilson at last.

### Ships And Debts

During World War II Russia received 11 billion dollars in Lend Lease Aid. Included in this aid were 670 ships which served Russia well during a time of desperate need. The war ended almost seven years ago but the Reds have still not returned the ships in accordance with the agreement. Now Russian diplomats offer to return some of the ships and have made a bid to purchase some of the others.

The Russian attitude is a bit like that of a man who owes a large debt acting as if he had a right to dictate to his creditors how he finds acceptable. The Reds have rejected an American suggestion that the matter be brought before an international court for settlement.

A nation that repudiates its debts is not to be trusted any more than a man who turns his back on his honest obligations. Contrasting the Russian attitude with that of the Finns, who have met their war debt payments cheerfully and promptly, the Reds appear at a disadvantage.

### Bombing Raid

(Continued From Page One)

four other power plants in North Korea. Col. John D. Nottingham, Houston, Tex., Fifth Air Force public information officer, said carrier planes and land-based Marine and Air Force craft swooped down on the power plant from all directions with rockets and high explosive armor-piercing bombs.

Nottingham said 208 Red MIG-15 jets were counted on the Communist airfield at Antung, Manchuria, within sight of the strikes on Suifu. None of the MIGs challenged the fighter bombers, which were escorted by F-86 Sabre jets and Navy Panther jets.

The Air Force spokesman said it was safe to assume there were "no electric lights burning to night" in the North Korean capital of Pyongyang and that parts of Manchuria were blacked out.

More than half of the more than 500 planes which took part in the raid were American Air Force planes, Nottingham said. All were fighters and fighter bombers. No B-29 or B-50 bombers were used.

The big air strike followed by one day raids by powerful Allied columns of 1,000 to possibly more than 3,000 men into Chinese lines in Western Korea. The attacks toppled any U. N. army into Red territory since last fall.

The biggest raiding force, probably a full regiment, knifed through Red positions northwest of Chorwon, killing or wounding more than 1,000 Communists, the Eighth Army said.

Total Red casualties for the day were 627 killed and 529 wounded, the Army said.

The tank-led column quickly overran advanced Communist positions and destroyed fortifications. But as the raiders drove deeper into enemy territory the Reds countered with heavy fire from automatic weapons, mortars and artillery.

Other raiding forces, some of battalion strength, harassed Chinese troops entrenched west of Chorwon in the strategic T-bone and Pork Chop Hills sector, the scene of violent fighting in recent days.

The Army did not say how many Allied columns hit Red lines, but U. N. headquarters in Tokyo said there were several raids in battalion and regimental strength.

The 1,156 Communist casualties boosted to nearly 5,000 the number of Reds reported killed or wounded since fighting flared in Western Korea less than two weeks ago.

FUSAN, Korea (AP)—Supporters of President Syngman Rhee in the Korean National Assembly today voted to retain him in office until a new president is elected.

### 77-year-old president could stay in office indefinitely

Normally Rhee would have gone out of office July 24. The Assembly selected Aug. 15 because he did not assume full powers until Aug. 15, 1948, when the republic accepted sovereignty from the American military government.

Outside the Assembly hall, 500 representatives of town, county and provincial councils met and demanded that two floor proposals be adopted.

This call for election of the president by popular vote instead of by the Assembly and creation of a two-house congress instead of the present one-house assembly.

Middle of the road legislators have proposed a compromise. It includes these two amendments and also would give the Assembly power to overthrow the cabinet.

Further it would give the prime minister instead of the president the power to name a cabinet.

### Pvt. Judah Awarded Combat Medic Badge

WITH THE 7TH INFANTRY DIV. IN KOREA—Pvt. Thomas H. Judah, 108 Pleasant St., Geneva, has been awarded the Combat Medic Badge while serving with the 7th Infantry Division in Korea.

The badge, a symbol of the frontline combat medical aidmen, is silver in color and consists of a miniature cross on a Medical Corps caduceus superimposed over a wreath.

Judah, a litter bearer in Medical Company, 51st Infantry Regiment, entered the Army in November 1950.

He was formerly engaged in farming.

### THE NEW DRIVER

### Acheson Lands

(Continued From Page One)

nan, new U. S. ambassador to Moscow.

The Big Three talks have no fixed schedule of subjects, but authorities say they will cover the range of common interests. These include Germany, relations with Russia, and conditions in Egypt and Iran and possibly Korea.

Acheson himself merely said he plans to discuss "a number of things."

Acheson's visit to Brazil, a (the invitation of Foreign Minister Neves de Fontaurana, will be his first to that country.

Alexander's visit to Washington follows a tour of the Korean war front, and discussions here are expected to center around the Korean situation.

At the outset of his Korean inspection, Alexander intimated that it might indicate British criticism of the U. N. truce team.

Diplomatic and military policy makers here decided to urge him not to press that point on grounds it might indicate British criticism of how the situation is being handled and thus endanger truce negotiations.

However, following his first-hand inspection Alexander said criticism of American handling of truce negotiations was "absolutely unjustified."

BY RICHARD KASISCHKE  
BONN, Germany—The three Western allies charged in a note today that the Russians violated four-power agreements by restricting Allied use of the international highway to Berlin.

The American, British and French high commissioners for Germany sent identical notes to Gen. Vasily Chulikov, Soviet commander in East German territory, demanding that the Russians lift a month-old ban on British and American military police patrols along the 110 mile highway leading from the Western Zone through Soviet Zone territory to Berlin.

The notes rejected as groundless a note from Gen. Chulikov of June 9 that such traffic patrols were "armed patrols" which could be banned for encroaching upon Russian authority.

"The sole purpose of these patrols... is to provide assistance where necessary to Allied officials and personnel traveling along the autobahn (superhighway) in case of motor trouble or other difficulty," the notes said.

Furthermore, the notes added, the recent Soviet restrictions "ap-

### Cpl. Charlie Bennett Is Serving In Japan

WITH THE 24TH INFANTRY DIV. IN JAPAN—Cpl. Charlie P. Bennett, son of Mr. and Mrs. J. Bennett, Geneva, is now serving in Japan with the 24th Infantry Division.

The division, which was the first American unit to see combat at the outbreak of the Korean war, is now a part of the security force helping to guard the Japanese Islands.

Cpl. Bennett entered the Army in January, 1951, and received basic training at Fort Jackson, S. C. He has been awarded the Combat Infantryman Badge, the Korean and United Nations Service Ribbons, the Distinguished Unit Emblem and the Army of Occupation Medal for service in Japan. He is a member of Company F of the 21st Infantry Regiment.

### "Saboteurs" Blocked In Dynamite Attempt

NAPLES, Fla. (AP)—Defenders of the Florida coastline succeeded Sunday in blocking attempts by "saboteurs" to blow up an electric power plant and a railroad bridge on the West Coast.

Three who tried to dynamite a mobile railway generating plant used by the Florida Power & Light Co. for emergencies were intercepted before they could reach their objective.

Three others attempted to blow up the Atlantic Coast Line Railroad bridge north of Naples but their dynamite failed to explode. Unstable possible methods of in- it became waterlogged when the men crossed a swampy area near the bridge.

The surprise attacks concluded a week-end of war games staged by the Florida Civil Air Patrol to

### vasion of the Florida coast.

The enemy won the first round Saturday when four "saboteurs" sneaked through a defense line that included CAP members equipped with 75 planes and captured the Naples airport.

## THE SANFORD HERALD Mon. June 23, 1932 Page 2

### Mrs. Smith Honors Miss Nancy Williams

Miss Nancy Williams, bride-elect, was honored on Friday night at 8:00 o'clock with a linen shower given by Mrs. M. B. Smith at her home at 150 Rosalia Drive. A pink and green color theme was attractively carried out with the focal point of interest in the living room being centered on the lay spray of pink crepe myrtle and rosebuds beautifully arranged on the mantel. Several other arrangements of the pink blossoms were used in the living room and of the buffet in the dining room. Forming a lovely decoration for the dining table was a tall, graceful centerpiece of pink zinnias in an Early American bowl.

Several romantic contests in keeping with the bridal theme were enjoyed by the guests with prizes being awarded to Mrs. Roy Britt and Mrs. A. C. Cleveland. A novelty of the party was the reading of Miss Williams' explanation as she opened her many lovely gifts from her friends. These remarks were later read back to the honor guest, providing much amusement during the evening.

Refreshments consisting of pink and green ice cream, petit four and salted nuts were served by the hostess assisted by Mrs. W. R. Fort. Those invited to be with Miss Williams, were Mrs. R. A. Williams, Mrs. Nancy Dobbins, Mrs. A. C. Williams, Mrs. Eugene Fridrige, Mrs. O. W. Douglas, Mrs. C. B. Flanders, Mrs. Richard Walker, Mrs. R. B. Lamb, Mrs. Roger B. Schmidt, Mrs. Donald Reagan, Mrs. Buddy Mosk, Mrs. Velle Williams, Mrs. A. J. Walker, Mrs. W. A. Ludwig, Mrs. W. W. Horne, Mrs. J. S. Cleveland, Mrs. B. R. Crumley, and Mrs. Paul Peard.

Also Mrs. Roy Britt, Mrs. F. L. Woodruff, Mrs. J. L. Miller, Mrs. J. C. Mitchell, Mrs. Charles Muirhead, Mrs. W. P. Brooks Jr., Mrs. Fort, Mrs. R. C. Wiley, Mrs. A. J. Peterson, Mrs. W. D. Gardner, Mrs. A. C. Cleveland, Mrs. J. M. Stinephor, Mrs. H. E. Morris and Mrs. Pearl Hanson. Also the Misses Jean Sawyer, Bobbie Merton, Mary Earle, Helen Jones, and Sadie Williams and the hostess.

White flowers were placed on the altar and palms were used in decorating.

Given in marriage by her two brothers, Dr. Charles Hughes, United States Army, the bride was an handsome gown of ivory satin fashioned with long sleeves and lacque bodice. A panel of cream-colored satin extended from the bodice and the very full skirt cascaded into a cathedral train. A pair of nylon lace fell from a Juliet cap of Chantilly lace. She wore a white satin bound Prayer Book decorated with white ribbons.

The Precilla Collinson of New York City was the maid of honor and was gowned in pale yellow tulle featuring fitted bodice and full boffant skirt. Her shoes and gloves were pale green, she wore a wreath of ivy in her hair and carried a graceful bouquet of "Boy's" roses.

Bridesmaids were Mrs. Don McVey, wife of Capt. New York City, and Mrs. Mary Blair Zimmerman of Way Mills, Md. Their gowns were of pale green tulle. They wore pale green veils and carried yellow roses.

Daniel Fulper Johnson of Baltimore, Md. served as best man and officiating minister at the University of Georgia and will receive ten weeks of training in combat intelligence before being assigned.

### June Hughes Wed To William Cooper III

Miss June Hughes became the bride of William Keller Cooper III on Saturday at 11:00 a.m. at Calvary Episcopal Church in New York City. The bride is the adopted daughter of Mrs. Mary E. Hughes, former head of the Women's Division, NRA, under the late President Franklin D. Roosevelt.

Mr. Cooper is the son of Mrs. Roseville Stiles and the late Alex Cooper. The ceremony was performed by the Rev. Samuel Mac Shomerick of Pittsburgh.

White flowers were placed on the altar and palms were used in decorating.

Given in marriage by her two brothers, Dr. Charles Hughes, United States Army, the bride was an handsome gown of ivory satin fashioned with long sleeves and lacque bodice. A panel of cream-colored satin extended from the bodice and the very full skirt cascaded into a cathedral train. A pair of nylon lace fell from a Juliet cap of Chantilly lace. She wore a white satin bound Prayer Book decorated with white ribbons.

### Brinsons Entertain With Bridal Party

Mr. and Mrs. W. B. Brinson entertained the Ford Keeling bridal party and out of town guests with a garden party following the wedding rehearsal Sunday afternoon.

A color scheme of green and white was carried out and the table was centered with a crystal bowl of white gladioli and green tapers. Large urns of white gladioli and potted plants were placed at intervals throughout the garden. The same color predominated in the refreshments. Assisting Mrs. Brinson in serving were Miss Olivia Bird and Miss Bettie Sims.

Invited to be with the honored guests were Mrs. Ford and Mr. Keeling were Mr. and Mrs. F. M. Ford, parents of the bride; Mrs. B. J. Goodie, mother of the groom; Miss Marijane Eubanks, Miss Betty Cagle, Miss Eloise Houston, Jim Gilliam, Stanley Brumley, John Krier Jr., David Hosi, Richard McNab and Don Flamm, Rev. and Mrs. A. G. McInnis, Mrs. and Mrs. George Foyby, Mrs. Claude Ford, Mrs. Cullver Sims, Miss Olivia Bird, Mr. and Mrs. Earl Sims, Martin Sims of Atlanta, Ga. Mr. and Mrs. Raymond Knapp and Miss Jackie Knapp of Jacksonville, Mr. and Mrs. C. H. Hester, Mrs. Daytons Beach, Mr. and Mrs. James Hinson, Deland, Mr. and Mrs. Wallace Tyre, Memphis, Tenn. and Miss Bettie Sims, Richmond, Va.

Birth Announcement  
Mr. and Mrs. Dudley Glover of 2512 Palm Drive, Tampa announce the birth of a daughter, Rosemary, on June 18, Mrs. Glover is the former Jane Gantt of Sanford.

Candles are appropriate used on a dinner or supper table; they are not appropriate for a luncheon table unless the shades are drawn or the day is dark.

of the Association and presidents of local societies are urged to attend and be accompanied by as many local officers as possible.

## Personals

Mr. and Mrs. George Thurston left yesterday to spend some time in Rochester, N. Y.

Jimmy DeBrine returned on Friday from Camp Wingmann in Avon Park.

Hill Tyre has returned from Miami where he attended the Shine convention.

Frank Shames of New York City is spending a few days in Sanford on business.

Major and Mrs. Glenn Govecek and son Joe of Washington, D. C. are visiting in Sanford with relatives.

Mr. and Mrs. E. B. Stowe returned this afternoon from Mexico where they have spent the past six weeks.

Dr. C. W. Baker spent the weekend in Tifton, Ga. with his mother, Mrs. J. J. Baker, who celebrated her 90th birthday.

Mr. and Mrs. V. A. Williams Sr. returned last night from Miami where they spent a week with relatives.

Mr. and Mrs. Harold Keeling have left for College Station, Texas to visit for two weeks with her parents, Mr. and Mrs. W. A. Waple.

# City Tennis Tournament Will Be Launched Next Week

**All Age Groups To Be Entered In One Flight For Six Weeks Net Tourney**

The annual City Championship Tennis Tournament will begin officially on Wednesday, July 2, at the Lakefront court, it was announced today by Thomas Stringer, City recreational director. The entry phase of the tourney began today and will run through next Monday midnight.

All persons seeking to enter the championship net meet must submit an entry blank, that can be found elsewhere on this page. This year's tourney will be a little different from those in past years, since every contestant will be grouped into the same flight. This all-age flight will be subdivided into five different brackets: men's singles, men's doubles, women's T. E. Tucker doubles, and mixed doubles.

Stringer predicted at least an equal number of entries for this year's tournament as the 70 that entered last year. "We hope for more than last year but expect about the same number," he said.

The recreational director urged all netters in the area to be sure and enter within the deadline period. Players will be given one week in which to enter the tourney. Applications must post marked before next Monday at midnight in order to be officially entered in the meet.

Stringer forecast an earlier finish for the six-week marathon. "We hope to get the tournament completed by Aug. 15 at the latest," he commented.

T. E. Tucker, winner of the men's singles last year will be defending his title once again this year since he has indicated he will play.

"This is a marvelous opportunity for everyone in the family to enter into an athletic event," Stringer pointed out.

So far, plans call for the play-offs to be staged at the Lakefront court during the day.

**Junior League Club To Be Formed Here**

A Junior League baseball team will be formed in Sanford, for boys between the ages of 12 to 16 at the Lakefront playground tomorrow afternoon at 2:30 p. m. It was announced today by Thomas Stringer, City recreational director.

Howie Gordie will coach the little leaguers. A tentative schedule of Enterprise, DeLand, Orlando and Oviedo has been worked up. All boys within the ages of 12-16 are urged to attend the meeting tomorrow at the Lakefront playground.

The Junior Leaguers will practice every Tuesday and Thursday afternoons.

Brown University will become the eighth member of the Eastern Intercollegiate Basketball League at the start of the 1953-54 season.

## Jax Beach Chases Red Roberts And Defeats Red Hats

By NEIL GILBRIDE  
Associated Press Staff Writer  
The Jacksonville Beach Sea-Birds, who lost the first half Florida State League flag to the DeLand Red Hats by a game and a half in the seventh inning, Sunday night by whipping DeLand 7-3.

In the fourth inning Jacksonville Beach chased DeLand's Red Roberts off the mound, then did the same to left-hander Bob Soukup. John Fetner finally retired Jacksonville Beach after five runs scored. Bill Robertson drove in two of them with a triple.

In other games Leesburg trimmed Sanford 7-6, and Daytona Beach trounced Cocoa, 10-1. Palatka at Orlando was postponed because of wet grounds.

Art Caballero drove in Leesburg's winning run with an out field fly in the seventh. It gave McCollough his sixth victory against eight losses.

Pee Wee Wenger pitched a two-hitter for Daytona Beach's win over Cocoa. Wenger lost his shutout in the ninth.

Official first half statistics gave DeLand the team batting crown with .291. Jacksonville Beach was second with .270. Jacksonville Beach's Ted Treadway, with .402, beat out DeLand's Red Roberts for individual hitting honors. Roberts had .390.

Sanford Manager Chuck Aleno had 14 home runs to Orlando Manager Ed Levy's 13.

In pitching, Jacksonville Beach's Tom Mills had 16 wins against only one loss, second highest in league history. Dopey Dean had 17 wins and three losses for the 1952 first half.

## Seminole Will Bank Winning Hopes On Jorge Rivero To Stop Club's Skid

Sanford's bid to win the second half pennant began on the wrong footing as the Blues lost the first three games despite the stellar performance of newly acquired catcher-outfielder, Frank Smith.

This evening the Blues will play at home and will be turning their hopes into the hands of righthander Jorge Rivero, who defeated the Orlando Senators the last time out, 7-6. Rivero will oppose the Daytona Beach Islanders.

Sanford opened the second half with a 9-4 whipping at the hands of Dick Dotson and DeLand last Friday night in the Memorial Stadium. Orlando the came to town and nipped Sanford 2-1 behind the six-tight hurling of Wayne "Rip" Sewell and the homers of Bill Shores and Danny Doy.

Last night the Leesburg line continued for the Blues as the Packers edged Sanford 7-6. It was the fourth straight win for Leesburg over Sanford. Manager Chuck Aleno was thrown out of his fourth game of the year and Chelo Fundera went to the showers for the Packers in the bitterly fought contest.

The 316 hitting Jim Daskalakis continued to plague Sanford as he drove in the crucial runs last night. Frank Smith fanned All-American halfback from the University of Miami, drove across one run with a single on four trips to six game-winning hits in the first nine trips to the plate as a Seminole Blue.

Smith made an auspicious beginning for Sanford by cracking out a homer in a pinch hitting role last Friday night against DeLand. His hustle and speed was Sanford's most encouraging note over the week-end, giving him the typical "college try" Smith's second appearance at the plate saw him beat out a bunt, steal second and come home on a fly ball for the lone Blue tally in the close 2-1 Orlando game here last Saturday night.

Puerto Rican newcomer Lewis Reneaux lost his second game of the season last night in lastings the distance, though he whiffed 10 batters with his blazing fast ball.

Press Box Pitcher: Oodly enoun, Frank Santora, veteran infielder, playing for the first time this season the same night Frank Smith made his debut, cracked out a homer too. The Blues have hit 44 homers this season or three more than last year's Giants hit all season. The FSL record is 69 set by the Sanford Giants in 1950 when Ed Levy established the loop mark at 33.

Bill Shores, Seminole pitcher in the National League, won't hit in an effort in the Pacific Coast League for 18 years.

## Chuck Aleno Wins FSL Home Run And RBI Races For First Half

At the conclusion of the first half Manager Chuck Aleno claims all individual honors for a Seminole Blue player in the Florida State League. The 32 - Major Leaguer captured the lead in the all-important home runs and run-batted-in department and ranked ninth in hitting.

Aleno edged Manager Ed Levy of Orlando in homers by a 14 to 13 margin and the Sanford pilot took the RBI title with 22 or five more than DeLand's Red Roberts.

Meanwhile, the Blues as a team were by far the best home run hitting club with 43 circuit clouts to Orlando's 37. The Blues may crack the all-time homer mark in the loop of 68 set by the 1951 Giants when the FSL mark of 33.

Chuck Aleno topped Manager Ed Levy of Orlando for the home run crown, posting out 14 to Levy's 13. Dave Drapp of Orlando led in sacrifice hits with 19 to nine by Pawlick of Leesburg. Pawlick was second to team-mate Buck Collins in times at bat by a pitcher, five to Collins' six.

Jax Beach's sensational Tom Mills wound up the first half with 10 victories and only one loss, one of the finest records of its kind in loop history, and topped only by Dopey Dean's record of 17 wins and 3 losses for the first half of the 1952 season.

As was the case during the opening of the season, teams will meet a different foe each night for the first seven days of the second half, as well as the last seven days of the second half.

A first annual North-South All-Star game is scheduled for Sanford on Friday night, July 25, with a highlight to be the presentation of the fifth annual Zeb Ratliff trophy to the league's most popular player. The opposing teams and popular player will be selected by ballots to be distributed in all parks Friday and Saturday nights July 11 and 12.

During the peak of the winter training season, Dalvin Miller had 64 horses in his barn at Orlando, Fla. Miller was the nation's leading money-winning harness driver in 1950 and ranked third last year.

**WHEN YOU TRY POWER STEERING... HERE'S WHERE TO COME FIRST!**

You've heard about it and read about it. Now, if you haven't felt what Power Steering does for you in city driving or out on the highway, we advise you to try it first in a Chrysler New Yorker... where you will find full-time (not part-time) Power Steering!

Even at a standstill you can turn the wheel easily. Now, parking is a breeze of its troubles (and fatigue!)... and you can negotiate traffic, awkward drives, and garage doors gracefully and with ease.

You can double the longest day's drive you've ever known... and end up free from arm and shoulder strain. Rough roads, soft shoulders, snow, mud?... the power that helps you steer now prevents the car's wheels from "steering back" at you. The course you set is held, at any speed, till you want it changed. Yet, with this 5-time greater control, "wheel feel" is always the same.

Why not come try it? Learn for yourself why growing thousands of motorists say they'll never be without Full-time Power Steering from now on!

**Funeral Conducted Sunday For Mr. Spivey**

Funeral services were conducted at 4:30 p.m. yesterday at Brinson Funeral Home for Benjamin Franklin Spivey, 41, who was killed in an automobile accident on Friday afternoon about 4:45 o'clock.

The Rev. George Marsh, pastor of Wesleyan Methodist Church of Paola officiated and burial took place in Sylvan Lake Cemetery.

Born in Seminole County, Sept. 29, 1910, Mr. Spivey had lived here all of his life. His home was near Paola. He is survived by the widow and two sons, William and James Spivey; two brothers, J. M. and W. D. Spivey of Sanford; three sisters, Mrs. J. V. Jones, Sanford; Mrs. Hollis Phillips, Jacksonville; Mrs. C. M. Gannon of Euclid; one half brother, I. M. Dyess, Sanford; and a half sister, Mrs. J. V. James of New Smyrna Beach.

**ENJOY XMAS IN JUNE**  
OKLAHOMA CITY (AP)—Last Christmas the R. E. O'Connor family gathered up all the presents and stowed them away, unopened, in a closet.

They decided to wait and celebrate Christmas when their 10-year-old son, Donald, returned from Korea where he was serving with the 45th Division.

**Two Collisions Result In Injury To Four Negroes**

Two automobile collisions, one of which occurred in Volusia county and which resulted in injury to four Negroes, were investigated early Saturday morning by State Highway Patrolman R. D. Harrison.

One of the drivers in the Volusia County wreck, which occurred about 3:00 a.m. Saturday on Highway 17-92 two miles north of DeBary, was arrested by Harrison, taken to the local County Jail, and later in the morning was released to Volusia county authorities. He is Sam Milson, Sanford Negro, who faces a charge of driving while drunk.

Two Negroes, Amanda Williams and Georgia Dabney, both of Sanford and passengers in Milson's car were the most seriously injured. The former Negro suffered deep lacerations of the right arm and right shoulder blade, internal injuries in the right side and is still in Fernald-Laughton Memorial Hospital where she was taken in an ambulance.

Georgia Dabney was taken to Sanford by a passing motorist and later in the morning was treated by Dr. George Starke for serious cuts of the knees and face bruise, and was then sent to the hospital.

Henry Wycat and Fred Rock, Negro passengers with Milson, received emergency treatment at the hospital. Wycat had a broken arm and Rock had face and head lacerations. Henry Bradley, a passenger with Milson, escaped injury.

Both of the automobiles were totally wrecked, said Mr. Harrison.

He reported also another collision which occurred at 1:00 a.m. Saturday on Seminole Boulevard two miles north of Sanford in which cars were damaged considerably, but no injuries resulted.

**Pro Baseball Slams Gate On Femininity**

COLUMBUS, O. (AP)—Professional baseball today turned thumbs down on the signing of feminine players.

The action, a joint ukase by Commissioner Ford Frick and Minor League President George M. Trautman, came on the heels of an announcement that Harrisburg, Pa., of the Interstate League had signed pretty Eleanor Engle.

Miss Engle went through pregame practice with the Senators Sunday, but watched the game from the press box, and was back today on her job as stenographer.

Trautman, in a telephone conversation from San Francisco, said today that "such travesties" as the signing of women players will not be tolerated, and that clubs signing, or attempting to sign, women players will be subject to severe penalties.

**Rotary**

(Continued From Page One) families and many of them are becoming permanent residents." Pointing out that one of the chief obligations of a Rotarian is to think about the future and to plan projects of enduring value to the community, Mr. Ratigan said that the time has come for all citizens to think about the future of Sanford, not just five years from now, but ten and 15 years hence.

Mr. Ratigan welcomed into the club as a new member M. L. Rabin, president of the Sanford Merchants Association, whose classification is Laundry and Dry Cleaning. The President also announced the Ladies Night entertainment at Sanlando Springs at 8:30 o'clock Wednesday and urged all Rotarians and their wives to be present for supper.

Mr. Ratigan said that the club is financially stronger than it was one year ago, that its membership has been strengthened by the addition of new members, though some who were unable to make attendance have been dropped.

He called attention to the fine programs which have been arranged during the past year and particularly commended B. L. Perkins Jr., program chairman, for his interest and efforts in this behalf.

He said, with respect to community service, that it is not the Rotary Club's function to carry through community projects but merely to assist in the carrying out of the community and to foster and encourage those projects which are for the most good. He cited as an illustration of what the Rotary Club can and should do in this respect as the swimming pool, which was a Rotary Club project, the junior baseball league, sponsoring a boy for Boys State, and the donation of a sewing machine to the hospital.

Visitors introduced by Charles Morrison included Charles Wagner and Leroy Lawson.

**Candidates**

(Continued From Page One) some "antimilitaristic" sheets he said had been circulated.

A front running Democrat called it a "bar room slugfest."

A leading Republican warned that too much hickering can lose the election for the party. But the GOP battle for delegates roared on to day as noisily as ever.

It even left physical violence in its wake in one outlying sector.

Fighting broke out in Puerto Rico Sunday as Republicans chose two rival three member delegations to the national convention. The delegations are uncommitted but one reportedly favors Taft and the other Eisenhower for the Presidential nomination.

Police quelled the island disturbance, but the question of which delegation will be seated is just one more to be fought out in Chicago — like the question of Texas' highly disputed delegation, among others.

Election of Republican delegates ends today with the choosing of 10 in Illinois to complete the state's slate of 60. Taft was expected to win his lead there. Of the 50 already chosen, he has 49 to Eisenhower's one.

Democrats name 22 delegates to day in Indiana, 48 others in various states later in the week for their convention opening July 2.

The Republican convention starts two weeks from today, with a terrific row over contested delegates shaping up.

Taft forces struck back in newspaper ads today at Eisenhower's Dallas, Tex., charge that Eisenhower's backers stole Texas' 38 convention votes as brazenly as cattle rustlers.

"The Eisenhower managers are screaming 'We wuz robbed' because they know they have lost the fight," the Taft advertisement of Eisenhower's backers from delegate-picking sessions was justified because the general's people were Democrats.

Eisenhower, before flying from Texas back to Denver, made a new effort to puncture the Taft camp's claim that he is a Truman candidate. He flatly denied at a news conference that the President ever offered to back him for the 1952 Democratic Presidential nomination.

Sen. Styles Bridges of New Hampshire, his party's leading candidate in the Senate, sounded a note of warning; Republicans can lose this year, he said, "if we enter the campaign hickering or divided."

Bridges, who hasn't declared for either Taft or Eisenhower, expressed his views in a letter to convention delegates.

It was Sen. Estes Kefauver of Tennessee, leading in the delegate count for the Democratic Presidential nomination, who called the GOP strife a bar-room slugfest.

"Such accusations between two leading Republican candidates... besmirch American honor," Kefauver told a fund-raising dinner in Chicago Sunday night. "I have no doubt," he added, "that it will be exploited by Soviet propagandists."

Other Democratic aspirants spoke out, too. Averell Harriman blasted both leading GOP contenders for promising tax cuts. Sens. Richard B. Russell of Georgia and Robert S. Kerr of Oklahoma took the stump in their own behalf. But their utterances mostly were lower-pitched than those in the GOP arena.

Lt. Gen. Robert L. Eichelberger, formerly Gen. Douglas MacArthur's right hand man in Japan, parted political company with his old chief and came out for Eisenhower.

Taft himself, planning to dine in Baltimore tonight with Maryland's 24-member delegation, stood pat on his claim that already he has a few more than 600 votes lined up for the first ballot at Chicago. It takes 604 to win.

**WATERMAN DIES**

TAMPA (AP)—Joseph H. Waterman, 70, president of the Gulf Construction Co. of Miami and Ft. Lauderdale, died Sunday.

**Husband Of Sanford Woman Died Sunday**

Word was received this morning of the death of D. T. Philyaw which occurred at noon yesterday at his home in Gainesville. Death was attributed to a heart attack.

Mr. Philyaw was the husband of the former Mary Zachary, daughter of the late W. A. Zachary and niece of Miss Beale Zachary and Mrs. T. Bradford Byrd. Her step-mother is Mrs. W. A. Zachary.

Funeral arrangements are incomplete, according to Miss Beale Zachary.

**Forest Fires**

(Continued From Page One) is primarily concerned with saving woodland, many rural homes and schools have been partially saved by the quick action and modern equipment of the Service's crews in other counties.

Aerial surveys have shown forestry loss by fire of 45 percent in counties which lack protection by the Service, whereas the figure is 12 percent in protected counties. Seminole is the thirty-first county in the state to come under protection, Mr. Mikell said.

The Seminole County unit will be provided with a Dodge power wagon tank truck which is supplied with a light plow for fire breaks. A tractor and heavy plow will also be available for the use of the unit.

Each tower in the Service is manned throughout the day and night during the summer and during the day with periodic checks at night in the winter. Houses are to be constructed near the towers for the watchmen as soon as funds are available.

THE WEATHER Continued hot, sultry and generally fair through Wednesday, except for afternoon thundershowers in widely scattered places.

## Coast Line Plans New Passenger, Freight Building

### Building To Be Erected Opposite Present Car Shops To Eliminate Curve

The Atlantic Coast Line Railroad announced plans today for the construction in Sanford of a combination passenger and freight station, which will include offices for district personnel, to be located just north of the Sherman Concrete Pipe Co. on McCracken Road across from the present car shops and adjacent to the newly constructed freight lead.

The new building will be 314 feet long and 34 feet wide, will comprise two stories and will be constructed of light colored brick and masonry materials. Of the most modern construction, it will be air-conditioned, and equipped with a warm air heating system. The windows will be of aluminum architectural projected type.

The ground floor will consist of waiting rooms, passenger and freight agency offices, baggage room, freight warehouse and loaded platforms. The second floor, which will be 160 feet long and 32 feet wide, will house the office personnel of the Jacksonville district of the Jacksonville office.

Pointing out that detailed plans and construction is expected to start in the near future, Coast Line officials stated that the new station has been made necessary because of the relocation of the present tracks through the city of Sanford, and in order that the freight and passenger station and office building be properly situated in relation to new tracks which are being realigned for the purpose of eliminating excessive and objectionable curves in the old tracks.

The present passenger depot on West Ninth Street was erected during the latter part of 1912 and was opened on Jan. 1, 1913. This building is in the office of the (Continued on Page Two)

## Arnall Is Invited To Work In Store By Retail Grocers

MIAMI — Ellis Arnall, director of the Office of Price Stabilization, is expected to work in a store in an independent grocery store in Miami.

He did that, said Marie Kiefer, Chicago, secretary-manager of the National Association of Retail Grocers, "maybe he would be less inclined to bear the burden of the independent grocer."

The association, Mrs. Kiefer said, would be glad to pay Arnall a salary for his week's work "to find out what his purpose is."

"He could return to his desk in Washington enlightened," she asserted, "with a great deal of knowledge and understanding and experience to help him in his job."

"I am eager to learn what recommendations he would make after gaining this valuable experience. I wonder if he would still expect the retailer to comply with O.P.S. rules and regulations, which equal two large volumes, including 43 regulations, 142 amendments and supplements totaling more than half a million words."

"Surely he would realize that it represents an absolutely impossible task for the average retailer grocer," regulations," Mrs. Kiefer said, "have no effect on him. They threaten to destroy thousands of businesses and along with them our profit and loss, free enterprise, members of the association, holding a convention here, sent telegrams to congressmen Monday urging elimination of price controls. Convention officials estimated more than 1,000 were sent."

**ROTARY CLUB**  
The annual Ladies Night supper of the Sanford Rotary Club will be held at 8:00 o'clock, Wednesday night at 8:00 o'clock. President Jack Nathan announced today. Those who would like to swim are welcome to come early and do so, President Nathan said.

This is no extra charge. The regular weekly subscription rate will entitle all regular subscribers to this additional service. Before leaving on your vacation simply notify your carrier or agent at the Sanford Herald, P. O. Box 1444.

## Leaving For Boys State In Tallahassee

Photo by Jameson Sunday morning was a great adventure for five local boys who had been chosen by local organizations to attend the American Legion sponsored Boys State in Tallahassee, a program duplicated in 47 other states. Waiting for the bus, left to right, are Wesley Hamill, sponsored by the Lions Club; Joe Hutchison, the Joyce choice; Tommy Spoor, backed by Rotary; Terry Corbell, Kiwanis selected; and Sammy Jacobson, picked by the Elks. Judge Douglas Stenstrom leads the Post 53, American Legion committee which promoted the project here.

## Ban Is Lifted On Making Color TV Sets For Homes

WASHINGTON — The government today lifted its ban on the manufacture of color television sets for home and theater use.

The National Production Authority (NPA) replaced the outright prohibition with an order permitting manufacture by firms which can prove that color TV will not obstruct their defense output.

However, Administrator Henry H. Fowler who signed the order said he expected that few makers of radio and TV sets for homes would be able to qualify because most are deeply in defense work.

"It will give an opportunity to those manufacturers whose defense contracts are being canceled and those having no defense contracts to demonstrate that their production of color TV equipment will not impair the defense effort," Fowler said.

Only the Columbia Broadcasting System was making sets commercially when the blackout on color TV was imposed last Nov. 20 by order of former Mobilization Director Charles E. Wilson.

CBS suspended production and also halted its color telecasts, the only one on the air.

Color development work has continued, however, and other companies have been pressing NPA for relaxation of the order.

Fowler said industry spokesmen have informed NPA that most producers are heavily engaged in defense work on radar, radio and electronics for the armed forces.

They also believed, he said, that broadcasters "are not disposed or prepared to offer color television programs."

Therefore, the NPA chief said he did not anticipate that many firms will file applications to undertake color TV production at this time. Any applications filed will be investigated carefully, he said, before production will be approved.

### O. E. White, Veteran, Is Found Dead

O. E. White, 70-year-old World War I veteran, was found dead yesterday afternoon in the bedroom of his home at 1105 Myrtle Avenue. He was discovered by his wife, Ethel, who had just returned home from a shopping trip. Mr. White had been in ill health for the past few months and was believed to have taken his own life.

### Recreation Support Extended Two Weeks

Public school support for the city recreational program was recently extended two weeks. City recreation director Tommy Stringer said today. This action was taken because of the interest of Seminole County School Superintendent T. W. Lawton with authorities in Tallahassee.

### LOS ANGELES CASE

LOS ANGELES — Ingrid Bergman led today in her effort to have her 15-year-old daughter, Pia, visit her this summer in Italy, where she lives with her present husband, Film Director Roberto Rossellini.

Superior Judge Mildred Lillie granted Miss Bergman's application for the return of her daughter. However, the judge urged both Miss Bergman and her former husband, Dr. Peter Lindstrom, to attempt to reach a reconciliation between Pia and her mother.

## British Labor Party Takes Dim View Of Korean Air Attacks

### Leaders Protest New Bombings In Yalu Area Threaten To Extend Hostilities

LONDON — Labor Party leaders protested in the House of Commons today that the attacks on the Yalu River power plants threaten to extend hostilities in Korea.

Prime Minister Churchill admitted he had no advance notice of the bombings but said such attacks have "the entirely legitimate object of decreasing the enemy war potential." He added: "We reserve all our rights as a friendly ally for making any representation which might be thought desirable."

Churchill made his statement under fire of members of the opposition Labor Party, who declared the bombings threaten an extension of hostilities because of the power from the plants is used in Manchuria.

Attacks such as these now reported do not appear to us in any way an extension of the operation. In fact, the Prime Minister said, "or to go beyond the discretionary authority vested in the United Nations supreme command."

So far as Her Majesty's government are concerned there has been no change of policy. Former Prime Minister Clement Attlee, leader of the Labor Party, noted that the mass bombing represented the destruction of very important establishments which affect the whole of Manchuria.

"That kind of policy," Attlee declared, "was surely one that should not be embarked upon without full consideration, especially in view of the fact that the Labor Party's armistice are now taking place."

Churchill conceded that "no such consultation with Her Majesty's government has taken place." He said: "I am in an extremely difficult and delicate position, the whole of this Korean War being carried forward during armistice negotiations. Armistice negotiations have offered serious difficulties."

It has been estimated by the United Nations to a supreme commander of the United States and that not going to be drawn into a conflict of this kind.

### Capt. deWolski Is Killed In Plane Crash In England

Captain deWolski, a member of the U. S. Air Force, was killed in a plane crash in England. The crash occurred on June 19, 1952, near the town of Bournemouth. The plane was carrying a cargo of supplies and was on a mission to deliver them to the front lines in Korea.

### Rev. M. W. Castle Services Tomorrow

Funeral services for the late Rev. M. W. Castle will be held tomorrow at 10:00 a.m. at the First Methodist Church in Sanford. The Rev. Castle was a member of the church for many years and was a well-known community leader.

### Annual Meeting Of Red Cross Thursday

The annual membership meeting of the Sanford chapter of the American Red Cross will be held Thursday evening at 8:00 p.m. at the Yacht Club. The meeting will be held in the ballroom of the club and will feature a report on the year's activities.

### 200 Tough Colored Prisoners Mutiny At Carolina Camp

SAVANNAH, Ga. — Two hundred tough, long-term Negro prisoners mutinied at a state road camp Monday night, bent on five trucks and set fire to their dormitory.

### Boys State Honors Two Sanford Boys

Two local boys, one of whom may some day be a Sanford City Commissioner, and the other a member of the City Sanitary Department, were chosen for high honors among other boys at Boys State, Tallahassee, this week.

### Two Youths Are Held On Robbery Charge

A hearing before Judge Douglas Stenstrom of two boys, one 13, the other, 11, who are charged with entering and robbing a filling station, was scheduled to be held this afternoon.

### Dr. Boyce Urges Support Of Hospital

Dr. J. C. Boyce, local physician, today urged fellow members of the Lions Club to give individual and moral support toward the construction of a new hospital in Sanford.
