HELD IMPORTANT MEETING THIS MONTH

INTERESTING SESSION OF COUNTY BOARD HELD THIS MONTH

Sanford, Fla., Feb. 4, 1919.

Hon. Board of County Commissioners in and for Seminole county, Florida, met in regular session at 10 o'clock a. m. Present: L. A. Brumley, chairman, and Commissioners L. P. Hagan, C. W. Entzinger, O. P. Swope and F. L. Woodruff. V. E. Douglass, deputy clerk, and Roy Tillis, deputy sheriff, in attendance.

Minutes of the last regular meeting, also special meetings held Jan. 11th and Jan. 21, 1919, were read, approved, and ordered filed.

Mr. W. A. Whitecomb here appeared before the board and presented a petition for the establishment of a drainage district, to be known as the Lake Lehigh Drainage District, also for the appointment of tax assessor and drainage petition being signed by G. B. Read and the following names.

Whereas, G. B. Read, and others have presented their petition for the establishment of a public ditch, drain or canal and lateral ditches, drains or canals in the county of Seminole and state of Florida, to which petition is attached a certificate of the tax assessors of the county of Seminole and state of Florida, in favor of the signers of said petition, are the owners of the greater part of the lands through which said proposed ditch, drain or canal will run, and are the owners of the greater part of the lands contiguous to said ditch, drain or canal, and lateral ditches, drains or canals, and

Whereas, said petition appears to be in form as provided by law, and according to the board that said petition should be granted.

Resolved, that in accordance with law said petition be laid over until the next regular meeting of this board to be held on Tuesday, the 19th day of March, A. D. 1919, and that notice of publication be given for three weeks in the Sanford Herald a newspaper published in Seminole county, Florida, of the date of this board will consider said petition, citing all persons who may be interested to appear and show any reason why such petition should not be granted.

Done, ordered and adopted this 4th day of February, A. D. 1919.

L. A. Brumley, Chm.

Attest:
F. A. Douglass, Clerk seal
By V. E. Douglass, D. C.

Mr. Aldridge addressed the board with reference to opening road and getting Railroad Co. to build crossing over tracks near his farm, near Rand's Siding. No action taken at this time.

O. P. Swope reported that the clay which the county used on Johnson Hill near Oviedo was used from Mr. Lee Wheeler's and recommended that the county pay Mr. Wheeler the sum of \$25.00 for same. On motion of C. W. Entzinger, seconded by L. P. Hagan and carried, clerk is instructed to draw warrant in favor of Mr. Lee Wheeler, for the sum of \$25.00 in payment for clay used from his land.

F. L. Woodruff, addressed the board in reference to the road law of Seminole county prohibiting the use of four wheel trailers, also in reference to action the board of county commissioners wished him to take in the matter of passing of laws for Seminole county, prohibiting the running at large of cattle and hogs in Seminole county. Motion of O. P. Swope, seconded by C. W. Entzinger and carried, this matter was deferred until afternoon.

Clerk here opened the bids for remodeling the court house, the bid of Price & Collier being for the sum of \$2437.00 and the bid of S. O. Shihohler was for the sum of \$2294.00, and on motion of O. P. Swope, seconded by C. W. Entzinger and carried, the bid of S. O. Shihohler was accepted.

For the Y. W. C. A.

The campaign for the "Blue Triangle" of Y. W. C. A. is being handled by a committee of ladies in this county.

This is an effort to secure funds for this worthy cause for the carrying on of its Peace Work, which is a very important matter.

Seminole county is asked for only \$150. It is proposed that this amount should not be raised by the ordinary subscription method but several ladies of the county have volunteered to raise this amount by entertainments, sales, etc.

Elsewhere in this issue will be found an announcement of a food, flower and rummage sale which will be held tomorrow in the building across from the post office in Sanford. It is hoped that the amount desired will be raised at this event, which will include the necessity of further attempts of this nature.

Holly Sailed Saturday

Word has been received from Bob Holly that he sailed Saturday on the "Adriatic" for France. He is now in the transport service of the Y. M. C. A. and will act as secretary on the return trip looking after the interests of the army boys who will be aboard.

We had fun these days, and trust that you will enjoy the same.

Mrs. Houser Much Improved

Mrs. B. T. Houser, who was injured last week in an auto accident south of the city, is much improved and it is found that her injuries are not so serious as was at first supposed.

Metastar Returns

Dr. H. H. McClain, who has been with Uncle Sam's army for several months has been discharged from service and expects to reach Sanford in a few days.

Griffith Music Club

The Y. W. C. A. Music Club will meet in Mrs. Maness' studio Saturday, Feb. 15, 1919. The meeting will be called to order at 7 o'clock and the roll was called by Nellie Messenger and the minutes were read.

Committee Selected Old Spanish Name for Lake Monroe

Sanford's new hotel will be the "Valdez."

This was the decision of the judges appointed to make the selection and who met on Tuesday of this week. There were ninety-two names submitted in response to the notice in the Herald of last week, some coming from as far as Philadelphia and North Carolina, where friends of Sanford and of the new hotel project took time to make a suggestion as to the name for the new hostelry.

The name Valdez is the old Spanish name for the lake on whose shores the new hotel will stand. It is mentioned in the old real estate records of this section and is familiar to many of the old settlers here and throughout the state as the lake was known by that name for some time after the change to its present name of Monroe.

There were six contestants who asked that the hotel be named for the lake. They were: P. T. Wakefield of Geneva, J. C. Ellsworth, Jr., Mrs. H. B. Connelly, Mrs. G. W. Spencer, Jesse M. Neely, Jr., and Mrs. T. L. Dumas of this city. The prize will be equally divided among these successful contestants.

Complete plans and specifications are expected to be in the hands of the directors today at which time arrangements will be completed for the remodeling of the building.

The committee who are placing the stock are meeting with success at every turn and some very nice stock subscriptions were received this week.

Contracts have been let for the remodeling of the Elk's building which the county has purchased for a court house and as soon as this work is finished the building will be vacated by the county and work of remodeling can start. It is planned to have the new hotel ready for next season.

WILSON WILL START HOME TOMORROW

EXPECTS TO RETURN TO FRANCE MARCH 15TH TO COMPLETE PEACE CONFERENCE

Paris, Feb. 13.—In a written reply to a delegation of the French association of the Society of Nations which recently called upon him, President Wilson makes known formally for the first time his intention to return to France after going to Washington for the closing session of the American congress. In this reply the President says he accepts the suggestion that after his return a great international meeting be held in celebration of the work of the peace conference. The arrangements for this meeting have been completed for President Wilson's prospective departure from Paris Friday night and his embarkation from Brest Saturday. It is known he intends to return to France on March 15. The new peace conference will be able to complete its work by June 15.

The commission on the Society of Nations resumed sessions this morning and will continue until the 15th. The members of the commission are presenting proposals to its trained workers which they believe involve serious situations for the world.

It is expected that the peace conference will be able to complete its work by June 15.

Y. W. C. A. IS DOING A VERY NOBLE WORK

THIS ORGANIZATION IS ACTIVE IN A GREAT MANY LINES OF ENDEAVOR AND NEEDS SUPPORT

"Another drive?" Perhaps some who sigh at the words are not unwilling to give, but merely perplexed as to where the money is coming from, and as to why more is asked when the United War Work campaign is scarcely finished. This little article is an effort to answer such questions. Beginning with the Why of this drive: The money recently given so generously is to be devoted to war activities solely as was indicated at all times during the campaign. It is now in the hands of a committee appointed by the government, and will be distributed in the way of the obligations of the Y. W. C. A. abroad and at home. Now the war in a few months has educated our people to a much more thorough understanding of the usefulness and the usefulness of the Y. W. C. A. than would have come about in any other state of normal conditions. Distressed girls are turning to it for shelter and assistance more readily than ever before, and individuals and organizations are presenting themselves to its trained workers who are they involve serious situations for the world.

It is expected that the peace conference will be able to complete its work by June 15.

Death of F. H. Griggs

F. H. Griggs, aged 68 years, born in the state of Georgia died at his home in Eleventh street Wednesday evening, 9:30, and was buried yesterday afternoon at Longwood Cemetery.

Mr. Griggs was one of the earlier citizens of Seminole county, having come here while Seminole was yet Orange, and having located with his family at Longwood where he was actively engaged in farming and fruit growing for more than twenty-five years. Mr. Griggs had but recently moved with his family to Sanford and had purchased a nice home here and only two weeks ago the family moved to the new home. Mr. Griggs had been an invalid for about a year and immediately after the removal of two weeks past he was taken to bed and was unable to get out of this last attack of the strange illness from which he died.

The deceased left a widow, four sons, Howard, Ernest, Barney and Joe and three daughters, Ruth, Annie and Mary, and a large number of other relatives and friends to mourn his departure. All the children were present at the death and burial except Barney who is serving the colors in France. Mr. Griggs was a member of the Methodist church and the funeral rites were pronounced at the grave by Rev. Dr. White of the local church.

Floral offerings, which covered the newly made grave in abundant profusion gave testimony of the love and esteem the community had for the departed brother and his family.

Card of Thanks

We desire to thank our many friends for their kindness and beautiful floral offerings during the sickness and death of our darling son and may God's richest blessings rest upon each and every one.

Fair Draws Large Crowd in Orlando

ATTENDANCE AT OPENING DAY BEST IN THREE YEARS

Orlando, Feb. 13.—The record at the opening day of the fair Tuesday didn't break the record, but it beat the attendance for three years back, according to Mr. W. H. Reynolds, in charge of the receipts.

The gathering was described as a big crowd, a satisfactory crowd, and the best crowd as good people all dressed up with money in their jeans go, that ever filed through the gates.

The banner event at the fair yesterday was the pageant staged by the school children, and it was some thing show, with plenty of pep and ginger and color and life. The event began at 10:30 and lasted a full hour, with all the parents and friends of the youngsters in the grandstand, and enough visitors to pack the area until standing room was at a premium.

The pageant was an affair of the nations, with practically all of them represented, plus Red Cross nurses and soldiers in khaki, your Uncle Samuel heralds, Miss Liberty, sailors. In fact the costuming of the modern world was all represented, in addition to a severe little Puritan miss, and a Quaker and a continental soldier, in way of showing how our taste in soldier's dress has degenerated these last full years.

All the sporting blood in Orlando was at the race track Tuesday afternoon when the first races of the season was opened. The racing at the Sub Tropical Mid Winter Fair has always been one of the chief attractions, but Tuesday's races were above the average. The weather was ideal for the horses, as well as putting pep into the large and enthusiastic crowd.

"The Midway," with all its varied attractions, is running full blast. The weather man and Johnny J. Jones have struck up a partnership for the occasion and together they provide entertainment that is by all

INCOME RETURNS MUST BE IN MAR. 15

WILL BE NO EXTENSION OF TIME THIS YEAR AS THERE WAS LAST

Jacksonville, Feb. 13. (Special)—That there will be no general extension of time beyond March 15th for the filing of returns and for the payment of income and excess profits taxes due on that date is the decision of Daniel C. Roper, commissioner of internal revenue. The announcement was made today by Collector of Internal Revenue James M. Cathart immediately following the approval by the house and senate of the new revenue bill.

"It is necessary to get the initial tax payments in by March 15th," says Commissioner Roper. "No other course is possible. Some months ago, the Treasury issued certificates of indebtedness to an amount approximating \$300,000,000, maturing March 15th. The first payment of the income and excess profits taxes for 1918 was planned for that date, to meet this huge obligation.

"The American people have proven that there is no emergency too great to be met and solved by co-operation. This present situation is another emergency which can be overcome by co-operative effort. The Bureau extends its every effort toward this end, and I am relying upon the people to meet the situation wholeheartedly.

"The internal revenue bureau must carry out the program prescribed in the new law, which requires all returns for 1918 to be filed on or before March 15th, 1919, and requires the first quarterly payment or the entire payment to be made on or before that date.

"Every taxpayer who can possibly do so is urged to make full payment of his income tax on or before March 15th. The quarterly payment method is intended for taxpayers whose financing of the tax at one time would tend to upset local financial conditions.

"The approval of the report of the conferees by the senate and house of representatives brings the new revenue bill to the point where it may be assumed to be law. The internal revenue bureau has been making preparations to collect the taxes which it provides, and is now putting all of its efforts into aiding the taxpayers to fulfill the obligations imposed.

"The bureau has arranged to send an advisory force of several thousand of deputies and agents to assist taxpayers. These officers will be stationed at convenient points where they may be consulted without charge. Taxpayers should take the initiative and get in touch with these revenue men for any needed advice and assistance in preparing returns.

"The forms for the tax returns are being printed and all forms will be in the hands of collectors between February 15th and March 1st."

Rehearsal Party

Friday night after the rehearsal Mr. and Mrs. Frank Powell entertained the bridal party and a few guests. It was a lovely affair, thoroughly enjoyed by everyone. When the bride's cake was cut, Miss Mary Powell cut the ring, Miss Fannie Stokes cut the thimble, M. S. Brown the button, Wm. Morrow the wishbone and Mary Powell the money. Delicious punch, cream and cake, with salted nuts and mints were served.

Mrs. J. B. Lawson motored to Orlando Monday, going on business.

odds the best in its line that Orlando has ever seen.

That the success of the current fair is largely due to the efforts of women and the spirit with which they have taken hold of their proportion of the work betokens the new spirit of the feminine era with which the world is coming up abreast, was the opinions expressed yesterday by W. E. Castle, prominently identified on the fair grounds.

New Home of W. & T. Co.

There are many evidences of the growth and prosperity of Florida during the past quarter century, but one of the most concrete examples of this development is brought to mind by the announcement of the Wilson & Toomer Fertilizer Company that, as a celebration of its twenty-fifth anniversary it has moved into its handsome new home in Jacksonville to be known as the agricultural building.

This concern, with its various branch houses, many distributing warehouses and over three hundred agents is now known in every part of the state, but twenty-five years ago it was started in Jacksonville as a very small mixing plant with a derrick at the shovel. Under the guiding hand of the president and founder, Lorenzo A. Wilson, the growth has been steady and substantial, the immense plant of today being the largest of its kind in the entire south.

Mr. Wilson in his first and far-seeing foresight has been a great factor in the wonderful agricultural development of Florida during the past quarter century. At the beginning

of the business, Florida production was almost entirely confined to oranges and scrub cattle.

While ever advocating the great possibilities for general farming and live stock, prophesying years before the first move toward such development that it would be the future backbone of Florida's prosperity, circumstances have more intimately associated Mr. Wilson with the development of citrus and other fruits, pecans, cotton, potatoes and truck gardens. He has looked not only to the fertilization but to every detail in better production, going deeply into soil problems and crop pests. His untiring energy and boundless enthusiasm has lent inspiration to the many able workers gathered into his organization until the whole farm has represented a dynamic power felt nationally in agricultural interests.

Help Save These People

Were there no knowledge of the real Armenian-Syrian situation there is response to the need. The story of the treatment by the Turks of these subject peoples is too terrible to detail. The papers have told something of the facts. The mas-

sacre of Christians and others has occurred periodically for a number of years, but the culmination came during the recent months of the war when the Turks determined to exterminate these Christian races and Jews.

By the thousands, men, women and children were driven from their homes into the desert without food, and countless thousands dropped by the way or were shot until not one remained. Every young woman who could be captured was enslaved and tortured, while children were butchered. Not having arms, resistance was impossible. Some few thousand Armenians escaped to the Mesopotamian coast and were taken off by French war ships to Egypt where they were cared for by the English.

Less than four million remain of those driven into the mountains, woods, deserts, and of these 100,000 are little orphans. The condition is one to make any man's heart bleed. They are destitute, homeless, hopeless, if by English ships, are without means.

America is the only country available for help. The \$100,000,000 recently voted by congress goes mainly to Europe. Thirty millions are asked to meet the immediate need; this to go for food, seed, implements, equipment to start them again. In some cases thousands must be brought home from alien countries; quota is only \$1,500.

It has been hard to find solicitors, everybody is busy, but if not acted, will you not take your gift for this cause to the Peoples Bank. Every dollar given goes to the land and does its dollar's worth, for all expenses are privately met. President Wilson, ex-Ambassador Morganthau and others are back of this drive.

The need makes its own appeal. We still have enough to share, and the response shows the appreciation of the opportunity to help in the Good Samaritan spirit. A few days still remain.

Marie Rose Lauler

As long as the memory of the world endures people will honor the heroic women of France and Belgium. The outrages visited upon

them by the ravaging Hun, their unquenchable spirit in the midst of overwhelming woes will never be forgotten.

Marie Rose Lauler was a French school girl in a Belgian convent when the war broke out and she tells from a woman's standpoint, the story of the German advance through Belgium, tells of the barbaric atrocities committed upon women, old men and children and recounts also the story of her own imprisonment by the Germans, her escape and recapture, and finally how she came to the United States of which she was and is a citizen, although at the beginning of the war she had never been to America and could not speak English.

It would be difficult to imagine a more damning indictment of Germany and German "Kultur" than is found in the story of this young maid of France. Imply and in words made charming by the quaintest of accents, Marie Rose Lauler recounts a story which incontrovertibly convicts the Hun of the most revolting barbarism.

It is a wonderful story. This young French girl, scarcely twenty years old, tells of the greatest happenings almost in all history, tells of sorrow and grief and pain and then right in the midst of it all, with true Gallic spirit, she gives utterance to flashes of wit and humor that lighten up her recital and makes one glimpse something of the indomitable pluck and courage of her people.

The story of Marie Rose Lauler is one of the great narratives of the great war.

Sanford residents are fortunate indeed to have an opportunity to hear Miss Lauler's story. She will speak at the Lyric Theatre Wednesday evening, February 12th, at 8:30 o'clock. This hour has been set in order that the lecture may not interfere with prayer meetings at the various churches. Single admission, adults 50 cents; children, 35 cents.

OPEN SEASON FOR GAME.

Some Conflict between the Federal and State Laws

Attention is called to the fact that there is some difference between the federal and state game laws in this state. Hunters should familiarize themselves with the federal law as the state law does not hold where it is not in accordance with the federal law.

B. J. Pacetti, deputy game warden for this district has asked that publicity be given the federal law. The federal law for Florida is as follows:

Open Seasons -

Deer, squirrel, quail (bob-white partridge), wild turkey Nov. 20-Mar. 1.

Ruffed grouse; imported pheasants, Nov. 20-Dec. 15.

Dove, Nov. 20-Dec. 31.

Duck, goose, brant, black-bellied and golden plovers, Wilson snipe, yellowlegs, coots, gallinules, Nov. 20-Jan. 31.

Woodcock, Nov. 1-Dec. 31.
Rail, other than coot and gallinules, Nov. 20-Nov. 30.

No Open Season

COUNTY HAPPENINGS

A BUNCH OF INTERESTING ITEMS FROM CORRESPONDENTS—EVENTS OF SEMINOLE COUNTY—EFFICIENT REPORTERS FOR THE HERALD

UPSALA AND GRAPEVILLE

The Martins visited their old nests the first of the week and were in hopes that it was a sign that spring had really come, but the frost on Tuesday night don't look that way.

Mrs. Roy Lee and little William left last Sunday for the home of her mother in Winter Park.

Carl Pierson carried over Mr. and Mrs. E. F. Lundquist and their little daughter to DeLand on Sunday and when she was first injured. Roy Lee also took the father and child over once.

Rev. Brower came out on his wheel last Sunday, giving us an excellent sermon on "Let my people go."

Mrs. Ericson and two little ones and Mrs. Andrew Bertleson spent Tuesday afternoon at the home of Mrs. Elmer Lundquist.

Mrs. Hodgins spent Saturday afternoon in town, stopping with Mrs. Collier.

A number have been ill with had colds. E. W. Lundquist was off duty a few days last week and Mrs. Magnuson and the Tyler baby had to call on the doctor.

We understand Roy Lee has commenced work at the Paper Mill and is stopping at present with his

brother, Jesse having moved out his things from the A. J. Thompson place.

There will be preaching at the Lutheran church next Sunday morning and evening by their pastor, Rev. Swanbon.

Rev. Albertson of DeLand, our Sabbath school missionary is expecting to be with us for the Sunday school at 3:00 and for preaching at 4:00 p. m.

We believe all will be pleased to know that our little school has sent \$5.00 for the Armenians besides the \$9 given at Christmas time to the Children's Home at Jacksonville, according to the treasurer, Mrs. John Borell.

A serious accident occurred Thursday afternoon at the home of Mr. and Mrs. Elmer Lundquist when their little three year old daughter, Girda Marion cut herself badly in the eye with a rusty knife. She was playing in the yard with her little brother. The father who is employed by the Wight Wholesale Grocery in Sanford and Dr. Paleston were called at once. The latter advised taking her to an eye specialist, Dr. Ingraham of DeLand. So they have been taking her over for treatment a number of times and if inflammation does not set in, it is hoped the eye can be saved and perhaps the sight. She is a lovely little child and we all sympathize with the parents.

A number of the friends of Mr. and Mrs. Ashby Parvise left for Tampa last week to visit Mr. Parvise's parents, Dr. and Mrs. James Parvise, also visiting their relatives the Johnsons in Plant City. Dr. and Mrs. A. E. Knorr of Ripon, Wisconsin, on their way in their car to Lake Worth were guests of Mr. and Mrs. A. H. Stone on Monday. Other visitors at the Stone home recently were Mr. and Mrs. E. A. Belden and W. I. DeRoumer of Chicago, Ill. and Mr. and Mrs. F. E. Crosby of Lansing, Mich. G. E. Fisher and daughter, Mrs. Fisher were to arrive on Sunday from their home in St. Paul, North Carolina to be the guests of Mr. and Mrs. D. H. Stone, 115 Cedar avenue and Mr. and Mrs. C. B. McBratton of the West Side.

Mr. and Mrs. George W. Crinn were out from their guests at the home of Mr. and Mrs. J. H. Stone last Friday evening. The occasion being the birthday of their little daughter, Gretchen. There were games, music and a general good time.

Mr. and Mrs. H. G. Dieterich had as supper guests last Wednesday evening at their home on Boardwalk a fine Mrs. James Hunter, Judge and Mrs. Ernest Hunter, Mrs. Floyd Palmer and Carl Schuler.

Mr. and Mrs. L. C. Ellsworth visited Orlando on Wednesday night seeing.

Mrs. Christ Buearel has gone into the goat business in a small way, having imported a fine Angora billy and two pretty nannies from Robertsdale, Alabama.

Mr. and Mrs. Wiley Wilson and children of Cameron are enjoying their Ford touring car recently purchased.

A. H. Stone and G. F. Smith at-

tended the auction sale of U. S. army mules in Jacksonville recently and each have a fine team.

There was quite a frost Monday night. Thin ice was noticeable Tuesday morning. No great damage was done.

The woods and roadsides in the hammock lands are lovely with the wild violets, both the blue and the white.

LONGWOOD PICK-UPS

L. A. Dunbar has gone over to Coronado for a few days fishing.

Mr. McWorkman of Indianapolis arrived Tuesday and will spend a few weeks with his nephew, J. E. Phipps at their camp on Greenwood Lake.

"Uncle Joe" Clouser who has been quite ill was taken to Orlando to the hospital on Friday and is very much better at this writing.

Mr. and Mrs. Caldwell of Orlando were in town one day last week looking after their orange grove.

John Dunbar and daughter, Miss Elsie Dunbar were shopping in Sanford Saturday.

Mrs. Dinkel spent Tuesday and Wednesday in Orlando, the guests of the Misses Rand and Mrs. Maurey.

The ladies of the Civic League will serve ice cream Friday evening, Feb. 21, at the Library.

GENEVA

Aubrey Moran made Sanford a business visit Saturday.

Mrs. Rawlings of Chicago is the guest of Mr. and Mrs. Charles Phillips.

Mrs. LeRoy of Chicago is registered at the Geneva House for the season.

Mrs. W. H. Hand of Sanford is visiting Mr. and Mrs. Aubrey Moran.

The stock left a fine party girl at the home of Mr. and Mrs. C. F. Harrison last Tuesday.

Mrs. H. B. Levy left last Monday for a week's visit in Daytona before joining her husband in Alabama.

The "sting" at Mr. and Mrs. Wacker's last Friday evening was a very pleasant affair.

Everybody is attending the fair at Orlando this week.

Mr. White of Sanford delivered a very urgent appeal for help in behalf of the American Relief fund last Sunday afternoon at the Methodist church.

Optimistic Thought.

A humble lot in security is better than the dangers that encompass the high and haughty.

Well, the hunting season will soon be out and then the birds can be happy again. I think everyone has had their share of game from the amount of shooting around this season.

I see by the World that the French people hate to see President Wilson leave France. They are afraid things will not go right after he leaves there. They seem to fear the Germans about the armistice peace.

It looks like the German people can't be satisfied with anything. They want trouble all the time. I think their brains are but few.

Those that have their cucumbers up now have a poor chance to save them for they are so easy to be killed by cold. Some people are planting beans and sweet corn but I think they will have to plant again for there will be lots of cold yet.

Old bill kaiser is yet on the sea-saw horse in Holland and the crown prince is still in the fish camp. Do they ever see any happy days of their life?

EAST-SANFORD

Mr. and Mrs. Joe Cameron, Mr. and Mrs. D. R. Brisson and Ed. J. Cameron made a pleasant party last Wednesday driving to Zellwood as invited luncheon guests of Mrs. Hartorne at her beautiful winter home Holly Arms. Farm Help Situation Relieved

The farm labor situation in Florida has been greatly relieved since so many of the farm boys and farm help have been mustered out of the service. The release of these men was hastened due to the efforts of farm help specialist, J. O. Traxler, who immediately put the necessary information before the county agents and the farmers as a whole. In giving out the information, Mr. Traxler gave explicit directions how to go about getting these boys released from the service. He stressed upon the farmers that it was necessary for them to get their requisitions for the release of the men to the war department at once, in order that the agricultural interests secure the most desirable men for the farm. Where a man's service is needed on the farm, no trouble has been experienced in getting his release unless he is in some branch of the service where it is impossible to be mustered out any time soon.

Long Wars of the Past.

A review of history shows that all the most momentous clashes of arms have resulted in long wars. In the middle ages England waged an intermittent conflict with France known as the Hundred Years war; while the corresponding conflict between England and Scotland may be said to have been a five-century one.

INDIAN PRINCESS GOES OVERSEAS AS Y. M. C. A. WORKER

Princess Gallohi, Descended From Cherokee Chieftain, Joins Canteen Forces in France.

A real, sure-enough Indian princess, is going to France to help entertain the American soldiers and sailors until the last one of them has been returned to the United States.

She is Princess Gallohi, great granddaughter of the famous King Cooweeskewee, chief of the Cherokees, and her mission in France will be in connection with the canteen work of the Y. M. C. A. Her Americanized name is Miss Anne Ross and for two years or more she has appeared as a lecturer, singer, dancer and exponent of the tribal life of her chosen people. She was chosen to pose for the Zolmay statue of Sequoia, an ancestor of the Cherokee nation and inventor of the tribal alphabet. This statue stands in the Hall of Fame at Washington, D. C. The princess will have a rather diversified program. She will sing Indian songs and dance Indian dances for the American soldiers and sailors and between times will dispense the dozens of different articles that are part of the stock of every Y. M. C. A. canteen. She is highly educated and has several times acted as a mediator between her people and the white residents of Oklahoma, her native state.

The Economy of Buying Good Tires

It's mighty poor economy to put cheap tires on your car.

If you can't depend on your tires, you can't depend on your car,

—and you can't get the high grade of service it ought to give you.

It pays to buy good tires—United States Tires.

They represent the highest value it is possible to build into tires.

There are five different passenger car treads—the only complete line built by any tire manufacturer.

Each has the built-in strength that means your money back in extra miles.

Among them are exactly the tires you want for your car, and your driving conditions.

KIDNEYS' WEAKENING? LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily undermining health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with the only medicine that cures kidney troubles in one or two easy days until you are entirely free from pain.

This well-known preparation has been one of the national favorites of Holland for centuries. In 1663 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL-Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL-Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

If any other section had Florida palms and pines

AND even a small portion of the other beautiful trees, shrubs and plants, native to this State, can you imagine any of their people living in homes lacking the shade and comfort these may be made to afford?

No other part of the country can have attractive home grounds of distinctive character with native material at as small cost as may Florida. Every home in the State should bear testimony to this fact in its plantings.

Royal Palm Nurseries complete in extent and variety of stock

They offer the largest assortment of semi-tropical and tropical trees, shrubs and plants to be found in the eastern half of the United States—everything backed by years of successful experience. All this experience in production and planting is condensed and summarized in the new Royal Palm catalog, the "Beautiful Grounds Book." Everybody's conscience is clear
nowadays, except the conscience of
the war profiteer and that of the
American girl who has a lover with
the army in France and a lover in
this country.

We were told that food would win
the war and ships would win the war
and ammunition would win the war
and that it was all over. Well, we
know that the war was won by gen-
uine American "pep."

We understand that instead of
putting the house in order in the
President's absence, congress has
spent much of its time at the front
window with a spy glass watching
the proceedings of the relief confer-
ence over the sea. This means that
it will probably have to be sent at
some vacation.

It is up to all to help the returning

ing in Lakeland or Kissimmee. The
Lakeland papers tell of the deal in
Tampa and the Orlando papers are
full of the doings of crooks in San-
ford and Lakeland. Jacksonville re-
lates the experiences of men who lost
their money in every other place
except Lakeland.

It is not the fault of the town
that these crooks are operating there.
They come without invitation
and stay after being invited to
leave. We do not believe that the
ordinary tourist would be frightened
away from a town or city on ac-
count of these men if he is fully in-
formed as to the nature of their
game. They are not dangerous and
the strictly honest man will not be
caught, if the ordinary wire-tapping
method is followed, as it seems to be
in the cases brought to the atten-
tion of the public in Florida.

It is said that these men are in
Sanford or have been. The authori-
ties here state that there has been
but one case reported to them in the
past two years of any one losing
money in this county through "wire-
tapping." There may have been
more, but if so they were not re-
ported to the authorities here.

There is nothing which will rid the
country of this class of crooks any
quicker than the strong light of
publicity.

COUNTY COMMISSIONERS
HOLD MEETING

Continued from page 3
The meeting of the county commis-

W. H. Haddad, chairman, called the
meeting to order at 10 o'clock.

Mr. Haddad reported on the
county finances for the past year.

Betts-Speer

The Baptist Temple on Monday
of this week was the scene of a wed-
ding ceremony which is of interest
to the many friends of the contract-
ing parties, these contracting parties
being Miss Daisy Betts and Mr.
Vernon Speer, both popular young
people of this town.

The ceremony was performed by
Rev. Massey of the Baptist church
and in the presence of only the im-
mediate relatives of the young
couple. Mr. Speer immediately left for a
short honeymoon trip down the
East Coast. They will be at home
to their many friends in Sanford,
upon their return which will be in a
few weeks.

Both of these young people are
well and favorably known here as
they have spent the greater part of
their lives in Sanford.

The bride is the attractive daugh-
ter of Mr. and Mrs. C. A. Betts,
residents of Sanford for many years.
She was educated in the public
schools here and has just recently
completed a business course in Jack-
sonville. She has ever been popular
among the younger set of the city
and has taken an active part in the
social affairs in Sanford.

The groom was just recently dis-
charged from the aviation depart-
ment of the army, in which he en-
listed shortly after the entry of our
country into the war. He is the
older son of Mr. and Mrs. Geo.
Speer of the Yonkers, N. Y. and
young-business man of charming
personality and pleasing disposition.

The bride and groom were
accompanied by their parents and
other relatives to the church. The
ceremony was a most interesting
one and was well attended.

That when it came to nurse
You always woke to view
Some peach from Ziegfeld's follies
Who slipped the pills to you.

I've read the artful fiction
About the angels fair
Who sat beside your pillow
And stroked your fevered hair.
And made you kind of careless
How long you lingered there
In the radiant eulogence
Of a lovely baby stare.

That may be true in cases.
The way it is in plays.
But mine was no white lady

For while I was a blesse

Presbyterian Church
The subject at the Presbyterian church Sunday morning will be 1 Cor. 13. The preaching service begins at 11:30 in the morning and 7:30 at night.

Sunday school is growing each Sabbath, beginning at 10:15 a. m. The congregation Wednesday night was entertained with the stereopticon views and the talk of Dr. Reynolds, who has been a missionary in Korea for 26 years.

Choir Party

Monday evening the Presbyterian choir entertained with an appreciation party at the residence of Mr. and Mrs. F. L. Woodruff, complimentary to Dr. McCaslin their organist, who has just returned from France. Mr. Woodruff and Mrs. Woodruff have so kindly assisted them this winter. At the close of a most enjoyable evening a copious salad course was served. Those present were Mr. and Mrs. F. L. Woodruff, Mr. and Mrs. J. B. Ross, Mr. and Mrs. Whitcomb, Mr. and Mrs. Irwin, Mr. and Mrs. McLaughlin, Mr. Dooley, Miss Dooley, Miss Alice Whitner, Mrs. Ed. Higgins, Mrs. D. L. Thrasher, Dr. McCaslin, Mr. Brownlee.

Novel Advertising Feature

The Sanford Truck Growers, Inc., of this city are doing some first class advertising in Orlando this week in a new way. Yesterday they sent an auto load of celery to Orlando, nicely arranged in small bunches and each bunch carrying a neat complimentary card of the "Red Gator" brand, the trademark of this organization.

The celery was distributed not only at the booth in the fair grounds but was delivered to the tourist residents of the city at their homes. In this way they will all have a chance to test the Red Gator Brand of Celery that is being put up by this concern and it is believed that this form of advertising will greatly assist in introducing this brand in this section.

Powell-Caldwell

The Howard Memorial Presbyterian church presented a beautiful scene Saturday afternoon at one o'clock, when a multitude of friends and admirers assembled to witness the nuptials of Miss Laura Powell, the beautiful and lovely daughter of Mr. and Mrs. Frank Powell, and Mr. David D. Caldwell of Sanford, Fla. The bride carried the church on the arm of her father, who gave her away. The ceremony was impressively performed by Rev. R. A. Lapshaw, Jr., and Mr. Robert Rawls presided at the organ.

All the attendants carried red Russell roses and blue. The bride carried a snowy bouquet of bride's roses and lilies. Among the out of town guests were Miss Fannie Stokes of Rocky Mount, Mrs. Frank Powell of Baltimore, Mrs. Ralph West of Albany, Ga., and Miss Mary Powell of Greenville, sister of the bride.

Immediately after the marriage ceremony was concluded Mr. and Mrs. Caldwell left for New York and after spending some time in the great metropolis will make their home in Sanford, Fla.

The elegant and beautiful presents consisting of immense quantities of silver, cut glass and china, attested the unusual popularity and high esteem of the bride, who is beloved by a wide circle of friends, here. Many presents await the young couple at Sanford, Fla., the home of the groom.

The Southerner joins with the host of friends of the young couple in wishing for them all the happiness and prosperity that can be enjoyed in this life.

GOOD HOPE WATER COMPANY

Was Granted Permission by the Commanding Officer to Erect Depot at Camp Johnston

This was very gratifying to both the officers and soldiers who desire a soft light drinking water free from sulphur or any disturbing elements. Owing to the very fine analysis carried by Good Hope Water it is being used and endorsed very extensively by the professional classes, and by the masses, as a very pleasant pure drinking water, while at the same time carrying sufficient medicinal properties to be very efficacious in stomach troubles and will alleviate many kidney and bladder derangements.

ELDER SPRINGS WATER

THOMAS D. BAKER, Ph. D.
Analytical and Consulting Chemist - Professional of Natural Science
Emeritus, Rollins College, Florida

Private Laboratory of Rollins College
Winter Park, Fla., Nov. 5th, 1918

Mr. T. O. Charles
Sanford, Fla.

Dear Sir:

I have completed careful chemical analysis of the sample of water that you brought me early last week, and have obtained the following results:

Color	Clear	Chloride	1.75 parts per million
Reaction	Neutral	Total Solids	28.00 parts per million
Free Ammonia	0.00 parts per million	Hardness	22.03 parts per million
Albuminoid Ammonia	Trace	Nitrate	Trace

The absence practically of free and albuminoid ammonia in this water and its very small amount of chlorine indicates its excellent quality for household purposes. In addition to the good quality characteristics of superior household water, it possesses special features of much value, especially those of excellent natural aeration and low degree of hardness.

The bacteriological analysis, resulting in an average total count, in four samples of the water, of 3 bacteria per cent., and in finding no colon, or other harmful bacteria, fully confirm its good quality indicated by the CHEMICAL analysis.

If the many waters of this and other regions that I have analyzed, I have found none superior in all good qualities to that of the "Elder Water."

Yours very respectfully,
Signed: THOMAS D. BAKER

value of a water, nor will it explain its medicinal effect, as some waters showing low in soluble ingredients have acquired, and justly so, great reputations.

Dr. Walton, Bulletin No. 20, Geological Survey of Georgia, says:

"It is a well known fact that by the continued use of water carrying even a small amount of sodium carbonate, chronic constipation of the bowels, and other digestive troubles are alleviated."

All genuine Good Hope Water is bottled at the subterranean springs at Riverview under sanitary conditions and delivered to all parts of the city at 50c for 3 gallons, or 6 half-gallon bottles for 60c, deposit required on all bottles. At Camp Johnston prices run the same in original packages, while the water was dispensed cold, pure and sparkling over the counter, or was dispensed in ice cold quart wax paper sanitary containers with air tight covers, and may be carried anywhere in camp. Good Hope Water is natural. It is never distilled which kills all its medicinal value. nor is it treated in any way, shape, manner or form. Thousands of people drinking Good Hope Water tell us that they are enjoying better health than for years. The simple secret is that it flushes the system, purifies the kidneys, promotes action of the bile in the liver and nature does the rest.

PREVENT HOG CHOLERA

The B. A. Thomas Hog Powder has a record of 95 per cent cures of Hog Cholera. If you feed your hogs as directed you need never fear hog cholera or any other hog disease. And the directions are very simple, just about what you are doing, plus a few cents' worth of B. A. Thomas' Hog Powder in the feed twice a week.

Usually though Cholera gets in before we know it. Then it requires close attention to each hog each hog must be dosed, and if you will dose them as directed, you will save better than 90 per cent. If you don't the B. A. Thomas medicine costs you nothing. We not some distant manufacturer—pay your money back.

The Goodness That Is In The World

This is to be the theme at the Congregational church Sunday morning. Do not forget that the hour for service is eleven o'clock, Sunday school opening at 9:45. There is a Bible class following the International lessons, that for this Sunday being "The Ten Commandments." Friends will find some class to suit them, older or younger.

The Greatest Moment of Life will be the subject for the evening service opening at 7:30, preceded by Christ an Embassy at 7:15. Some thing new will be found at this latter meeting.

Four Hundred Thousand Orphaned Children

But those are only a few of the millions in Syria who are orphaned by the war.

and other war sufferers in Western Asia are practically without food, clothing or shelter, the vast majority helpless women and children. More than a million have been brutally murdered and massacred. Four hundred thousand children are orphaned. It can be said that there are practically no more children left under the age of five, all having perished from exposure and disease. For every hundred births there are from two to three hundred orphans. The newly born children die almost immediately, their mothers having nothing to give them but tears. Deaths from disease, starvation, exposure and from the ravages of war have been a constant feature of the war. The number of orphans is estimated to be at least 400,000 in Syria alone.

That government million is only available in part, and \$150,000,000 would not be more than is needed.

There has been considerable response made over our Semiole county, but we have not yet raised more than a part of our small quota. There must be more persons who wish to help. Five dollars will support a life for a month; seven-cent cents will support a life for a day.

The work of gathering our gifts will continue over Monday. Hand your offering in to the Peoples Bank and it will be forwarded. Every cent goes to its Armenian-Syrian destination, all expenses being met by generous men in New York.

In Jacksonville the mayor took the chairmanship of the drive, and at a great meeting business men assumed the collecting work.

A picture of the Judgment Day has been given us by Christ. Part of it read: "I was an hungered, and ye gave me meat; naked and ye clothed me, I was sick and ye visited me..." Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me... Come ye blessed, inherit the Kingdom."

REV. DR. MOORER
Dr. Moorer Spending Winter in Florida Preaches at Baptist Temple - Next Sunday

Dr. Massey has found it necessary to be out of his pulpit next Sunday and the supply will be made by Dr. W. D. Moorer of Oklahoma, an eminent Baptist divine, who is spending the winter enjoying the splendid beauties of the Land of Flowers.

Dr. Moorer came to Sanford at the suggestion of Rev. W. W. Williams, who has heard the gentleman preach and who, when asked by the local pulpit committee to name a supply, suggested Dr. Moorer as one of the most able and successful preachers in the Baptist denomination.
