Keep your home beautiful-keep America beautiful

You and your family spend a lot of time in America's parks, forests and recreation areas. You live there - they're part of your home. Why litter your home? Why litter your America? Litter is ugly and unhealthy and dangerous. Cleaning it up costs millions in taxes you help pay. Every litter bit hurts you.

Litter doesn't throw itself away; litter doesn't just happen. People cause it - and only people can prevent it. "People" means you. Keep America Beautiful.
