### Sheriff's deputies once again searching for Cherenfant

Deputies from the Seminole County Sheriff's Office are again on the lookout for 17year-old Rony Cherenfant.

In the summer of 1999, Cherenfant tried to flee from authorities in a pick-up truck before getting caught in the Tampa area. He had also burglarized numerous homes in the Weathersfield area of Seminole County: For the past two years, he's been in a Department of Juvenile Justice, level eight, program. He was sent there for burglary and for not meeting the terms of his juvenile probation.

Last week, he was released from the level eight juvenile program and was granted con-ditional release, which means he is subject to supervision by the Seminole County Sheriff's

Last night, it was discovered that Cherenfant had left his home at 571 Lynchfield Avenue, Altamonte Spring violation of the terms of his release. It is feared that he may be returning to his life of crime. He is a known gang member. There is some concern Cherenfant could be armed. since a past burglary involved

If anybody knows of Rony Cherenjant's whereabouts, they are asked to call the Sentinole County Sheriff's Office at 665-6600 and ask for Sgt. Tracey Fortenberry, or Juvenile Probation Officer Anthony Bourne. They may also call Crime Line at 1-800-423-T1PS.

# Airport numbers continue ascent

Editor

SANFORD - For the third straight month, domestic passenger traffic at Orlando Sanford International Airport

Airport officials released official passenger counts for February and said preliminary numbers for March indicate domestic traffic will continue to surpass previous bench-

"Are overall numbers continue to grow, led by the domestic travelers," said Victor Sanford facility one of few in nation experiencing growth

White, vice president of OSIA. "We're one of the few airports in the nation that continue to grow. The numbers for Orlando International are off considerably."

For February, 32,473 domestic passengers traveled through OSIA, a 48 percent increase compared with the same month in 2001 (21,947). International travelers were down almost 17 percent, but overall passenger traf-

fic was up 8.86 percent, 60,223 to 55,323, compared with February 2001.

Larry Gouldthorpe, president of the Sanford division of TBI Airport Management, said early data for March shows a 24 percent increase in passenger traffic over March 2001. Gouldthorpe estimates about 95,000 passengers traveled through Sanford, 47,000 of those on domes-

tic flights.
"A lot of that growth is due to the Vacation Express business which began in December," Gouldthorpe said. "Vacation Express had about 30,000 passengers, about a 50-50 split between domestic and international passengers. Pan Am was responsible for another 28,251 domestic passengers."

Gouldthorpe said Vacation Express's flights average a 90 percent load factor. In recent weeks, the flights have sold out, in part because of a strong Spring Break season.

# Changing numbers should make traveling easier for motorists

By Dan Ping

SANFORD - It's no April

Fool's Joke. Exit numbers on Interstate 4 are changing.

Crews from the Florida Department of Transportation began changing the exit numbers in Daytona Monday, April 1. The numbers of all exits on the state's interstate system will be renumbered to correspond with the milepost numbers, making it easier, FDOT officials hope, for local residents and out-of-state travelers to navigate Florida's high-

"Even though we just started Monday, it's going well," said Amy Scales, spokeswoman for FDOT. "The goal is to try to do one interchange every day and a half. Not only do the crews have to change the green signs, we also have to change the blue signs indicating exits for gas, food and

lodging."
At the current pace, Scales said she expects crews to be in Seminole County in about two

weeks. The conversion for all 1-4 exits is estimated to take two months at a cost of \$447,000.

State transportation officials realize the renumbering may cause confusion for local cause confusion for motorists For example, under the old number system if you got off 1-4 at Exit 48, you were on State Road 436 in Altamonte Springs. With the new exit numbers, Exit 48 will put you on County Road 557 in Polk County.

The state hopes to prevent that confusion with a transition period. For two years, both the old number and the new number will be displayed on exit signs.

Scales said things have gone smoothly in North Florida, where renumbering along Interstate 10 has already been completed. Changes to many of the interstate signs mounted on overhead trusses will require lane closures, which FDOT officials say will occur overnight.

Work also will begin this month to change the numbers for

# Seminole's museum of history undergoing extensive renovation

SANFORD - Things may seem a bit out of place at the Seminole County Museum of History, but there's a good reason for the disarray.

Renovations for the museum's interior started a few weeks ago with the packing and relocating of the facility's artifacts. Work will soon begin on the lighting, ceiling and walls inside the building - updating the building for

the 21st century.

The museum's facelift is part of a \$250,000 state grant, Museum Specialists Karen Jacobs said. About two years ago, county officials visited Tallahassee to ask for state funds. Upon approval, the county agreed to match the grant with an additional \$250,000.

"It's amazing - the state said

'yes' to us on the first try," Jacobs

The interior changes follow renovations to the museum's exterior, including a new roof, windows and restoration of the pebble-dash side of the building. The floors, which are still the originals from when the structure was built, will also be refurbished.

The building that contains so much of Seminole's history has a past of its own. Built in 1924, the structure was the first building in the county's Five-Points complex, which also included a convict

According to Jacobs, the museum was originally Seminole's Old Folks Home. It became the residence for people who would otherwise not have had a place to

# Jones seeks answer to backyard mystery

By Michelle Jerla Managing Editor

For the past 23 years, Bob Jones has been looking for an answer to a backyard mystery.

The enigma is a pyramid shaped object made of red bricks and cement located just a few feet from the back of Jones' house on Orange Boulevard. Hoping that it is remnants of an old well, he now is searching for clues to what the

"A neighbor of mine said it may be an old well," Jones said. "I need more water for my nursery, so I

hope he is right. Another friend of mine, who is 96 years old, doesn't know what it 🛊 find out."

Jones discovered the pyramidshaped cement block when he moved into his house 23 years ago. He became curious and excavated the site, unearthing the red bricks that create the bottom of the object. The bricks, also arranged in the shape of a pyramid, are stacked in seven rows.

Many of Jones' neighbors in the Paola community have suggested various things — remains of a foundation to an old saw mill or an old cane maker - however, no one has given him a definitive

"I've received a lot of suggestions, but I am still not sure what it is," he said. "I just really want to

of large fruit groves, is more than 100 years old. According to a land abstract, the property was first sold to Moses J. Taylor Jr., in 1874. However, it does not give an exact date of when the structure was

Karen Jacobs, Museum of Seminole County History specialist, believes the object is probably a cornerstone or foundation to an

old building.
"It could have been an extension to the house, which was eventually torn down," Jacobs said. "Back then, what started as a small house became a big house as extensions were added to it.

Bob Jones points out the mysterious object located in his backyard. The Paola resident is searching for answers to what the object is.

A GLANCE AROUND OUR COUNTY

### Good student's piercing plea falls on deaf ears

DEAR ABBY: I am a sophomore in high school and the middle child. I get good grades, do the laundry, and usually don't complain when my parents ask me to do

Dear Abby

something. Overall, I'm a pretty good kid.
I asked my parents if I could get my tongue pierced if I got all A's on my report card. They won't even consider it. My mom said she would never change her mind. Every time I talk about it, they change the subject

and it's really annoying. I just got my progress report back today and I got all A's. In English and math, I got 100. Most of my friends didn't get straight A's.

Don't you agree my parents are being unfair and unreasonable? My mom is scared of my being rebellious. My dad just thinks they look trashy. Abby, this is how I want to express myself. It is who I am, and I don't think my parents should prevent me. What should I do to convince them?

DEPRESSED IN DECATUR, GA.

**DEAR DEPRESSED: Tongue piercing may** seem like a terrific way to "express yourself," but it can lead to chipped teeth and a speech impediment, not to mention a nasty infection if you're unlucky. While your parents may seem excessively controlling, they have your best interests at heart. (They probably think you already have enough holes in your head.)

Your intelligence is far above average. When you are 18 and out on your own, you can pierce to your heart's content if you wish. I'm sure you can find a less radical way to express your inner self if you put your mind to it.

DEAR ABBY: How can you make friends understand that they should wait for an invitation before coming to visit? They also need to stay in a motel when they do come. We have friends who invite themselves once a year to spend about five nights in our home.

I have a serious medical condition and have undergone several operations, I make subtle hints about being in pain and not needing company, yet they never seem to understand that I am talking about them. Even though they often take us out to dinner and pick up the tab, I am not up to having them stay with us.

I hate to lose their friendship, but I cannot take another one of their visits. If I tell them they cannot stay, they are going to be very

**HURTING AND SOCIABLE IN FLORI-**

DEAR HURTING: The next time the visitors call to tell you they're coming, your husband should say: "Wonderful! We're looking forward to seeing you. Now give me your credit card number because I'm making motel reservations for you. My wife's doctor has said she's not up to entertaining houseguests this year, but you're such good friends I know you'll understand."

Their response will tell you both how strong that friendship is from their perspective. I hope they don't cancel their annual visit, but don't feel guilty if they do.

# JHJ Communications celebrates 10th anniversary

HJ Communications, Inc., a real estate public relations specialist that has been associated with some of Central Florida's largest developments and homebuilding firms, recently achieved a major milestone with the cele-bration of its 10th anniversary.

The niche company, started in 1992 by veteran public relations and communications professional John H. Jolinski, has emerged as one of the area's leading public relations firms specializing in the marketing of residential and commercial real estate.

The company's current roster of clients includes the Florida operations of Fidelity National Title Insurance of New York, part of the nation's largest family of title insurance companies which posted a record \$4 billion in revenues last year; the Orlando Division of national homebuild-

Ing giant Centex Homes; Lockheed Martin Corporation's Orlando Central Park; leading production builder Engineered Homes; the upscale residential community of Windsong in Winter Park; and the Central Florida operations of Renar Homes which is developing 4,500-acre LPGA International in Daytona Beach.

Jolinski Communications, fresh off its best year in history with nearly a 20 percent jump in revenues, faces its biggest challenge not from an unpredictable real estate industry but from the proliferation of PR firms now dotting the

"Central Florida continues to be one of the most dynamic and explosive real estate markets in the country," says Jolinski, a 25-year public relations veteran

who has been a part of the local business scene since 1978. "This growth has created a gold rush of PR professionals — large and small - who have set up shop and tapped in to on one of the area's strongest economic sta-

Jolinski, who has provided Public Relations services over the years for the likes of Senator Bob Graham (when he was running for Florida Governor in the late 1970s) and drug store czar Jack Eckerd, says when he first came to Orlando in 1978 there were less than a handful of Public Relations counselors. Today there are close to 50. Most of that growth has occurred since the early-90s, hastened not just by real estate but also by the area's thriving tourism and high tech industries.

Over the years he has repre-

sented artists looking to increase their exposure, restaurants, law the Adam Walsh firms, Foundation, those running for political office and various sporting events, including the Citrus Salling Regatta (mid 1980s) and the Greater Orlando Tennis Association (which he does as a volunteer). The lion's share of his business comes primarily from real estate arena: developers, builders, title insurance companies and mortgage companies.

"It would be like Barry Bonds all of a sudden deciding to take up golf as a living," Jolinski says.
"He excels with a baseball bat not a 5-iron. I know what my strengths and weaknesses are and I direct everything to my strengths."

Before starting his own firm, Jolinski cultivated his Public Relations expertise in the private sector working for several large Public Relations and Advertising firms, as well as heading up the Florida Public Relations operations for a major national homebuilder for nearly seven years. Before entering the public relations field, he was an awardwinning sports journalist for eight years with the Fort ning," Jolinski says. "There are Lauderdale Sun-Sentinel, the last still PR challenges to be met."

"I'm pleased with what JHJ Communications has accomplished during its first decade but feel the journey is just begin-

### Construction begins at Alaqua Lakes development

Alaqua Lakes has started con-struction of a new entrance for The Enclave at Alaqua Lakes - an exclusive neighborhood within the luxury golf course community where new homes will be priced from \$850,000 to more than \$2 million.

Charles Ayers, project manager at Alaqua Lakes, said The Enclave at Alaqua Lakes offers 24 homesites that are one-half to three-quarters of an acre in size. Ayers said 21 of the homesites

"They had a mix of college students and family Spring Break travelers," Gouldthorpe said. "The trips to Cancun were almost all college students."

The success of the Vacation Express operation is expected to open up additional destinations in St. Martin and Key West. Those flights could begin in the summer, but Gouldthorpe said no plans have been finalized.

Pan Am also continues to add flights in Sanford, Gouldthorpe said. Starting April 24, the airline will provided intrastate flights to St. Petersburg and Naples.

"We anticipate they will follow very shortly with service to Marathon and Tallahassee," Gouldthorpe said.

Pan Am is dropping its Allentown, Pa., and Worcester, Mass., service to and from Sanford. In its place the airline is adding a third daily flight to San Juan, Puerto Rico, and service to Freeport, Bahamas three times a week beginning May 15.

"Their demand is unbelievable for the Puerto Rico service," Gouldthorpe said. "They'll be flying three times a day, six days a

Airport officials are also negotiating with Pan Am to link Sanford with Miami and Newark, N.J. The airline is considering originating flights in those cities to link to Pan Am's new Latin American subsidiary.

"We think the market is there. What we have to do is convince Pan Am that this is the best use of the aircraft," Gouldthorpe said. Overall, Gouldthorpe said he is

pleased with the growth occurring at the airport. Domestic travelers continue to post substantial gains each month and boost overall passenger counts despite a decline in international passengers. The British numbers are "very soft," he concedes, primarily because of economic swings between Great Britain and the U.S

LAKE MARY — The week started good and just got better and better for

the Lake Mary baseball team.

In what is easily one of the most exciting ways to finish a game, senior first baseman Robert Yero blasted a one out, walk off home run in the bottom of seventh inning to give the Rams a recordsetting 3-2 victory over No. 4 Class 6A State Ranked Venice High School at Allen Tuttle Field last Monday.

The victory was the 17th in a row for No. 3 state ranked Lake Mary, breaking the 1986 state runners-up Rams' school

Ryan Bono continued his hot hitting going 2-for-3 with a double and an RBI, while Mike Muzeka added a single and

Kyle Bono (7-0) picked up his fifth complete game win of the season, striking out a season-high 11 batters and allowing the Indians just one earned run

Lake Mary also learned prior to the game that it had jumped from No. 20 to No. 8 in Baseball America's March 25th national high school baseball poll.

On Wednesday, the Rams opened the second half of the Class 6A-District 3 schedule with a 6-1 victory over Oviedo at Mickler Field.

Junior righthander D.J. Ackley struck out nine to run his record to 6-0. Matt Horwath backed Ackley with a home

run, while Ryan Bono stayed red-hot, going 4-for-4.
Unlike the week before when Lake

Mary came out flat against non-district foe Winter Springs and had to rally to win, the Rams romped to their third victory of the week on Thursday, cruising past Lake Howell, 5-1, in a Seminole Athletic Conference game at Tuttle Field.

Ryan Bono again had the hot stick, going 3-for-3 with a double and an RBI, making him 9-for-10 with a pair of doubles for the week.

Paul Cinder, a 6-foot-7 sophomore, improved to 5-0 on the season, hurling a five-hitter and striking out five. See Rams, Page 2B

### SHS softball team adds to win streak

By Dean Smith Sports Editor

WINTER SPRINGS - If anyone was worried about the Seminole High School softball team when it got off to a slow start, forget it.

The Fighting Seminoles picked up one of their biggest wins ever on Friday as Andrea Poloche struck out three in eight innings and the Noles scored two runs in the top of the eighth inning to knock off Winter Springs, 6-4,

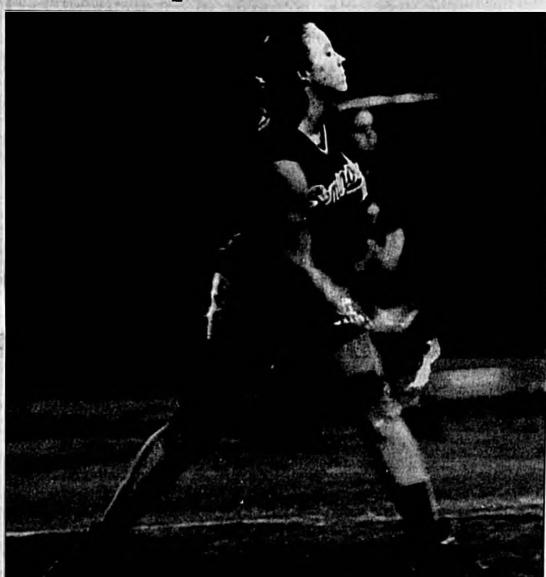

at Winter Springs.
Beth Gase carried the big bat for Seminole, going 4-for-5 and scoring three runs.

That victory came on the heals of another big road win over DeLand on Wednesday. Both the JV and varsity

came home with wins over the Bulldogs as the JV won 14-2 and the varsity won 5-4. The varsity game was back and forth all night.

DeLand took a 2-0 lead in the first inning, but the Tribe answered with two runs in the second inning.

Kim Beaudoin led off with a bunt single and Jenny Abendroth followed with a single. Hollie Cowan the came up with a big two out single See SHS, Page 3B

Jenny Abendroth ran her record to 6-1, scattering four hits and striding out seven as Seminole edged DeLand, 5-4, in a Class 6A-District 3 game at DeLand last Wednesday.

# Rally keeps SCC baseball team in M-FC hunt

By Dean Smith **Sports Editor** 

SANFORD — It was an odd week for the Seminole Community College baseball

The Raiders had one of their worst weeks overall in a while, going just 3-2, but two of

the wins were very important.

Coach Mike Nicholson's squad opened the week with a come-from-behind, 5-4,

Mid-Florida Conference victory over St. Johns River Community College from Palatka, rallying for three runs in the bottom of the ninth inning.

That victory was the 20th of the year for

SCC and also raised its M-FC record to 7-5, good for second place in the conference.

The Raiders then got a masterful two-hit shutout from freshman Zach McCamie as they blanked No. 3 nationally ranked Columbus State Community College, 1-0.

SCC put up a good fight in the nightcap also, before falling to the Ohio nine, 5-4.

The locals then closed out the week with another split with an out-of-state school, winning 9-5 and then dropping an 11-4 decision to Madison Area Technical College from Wisconsin.

The Raiders are now 22-18 overall and 7-5 in the conference and will have their work cut out for them as the remainder of the See SCC Baseball, Page 3B

### First full scrimmage pleases Kruczek

### Special to the Herald

ORLANDO - University of Central Florida quarterback Ryan Schneider completed 26 of 38 attempts for 280 yards, including a nine-yard touch-down to Doug Gabriel, in a two-hour scrimmage Saturday morning. It was UCF's first full scrimmage and marked the mid-point of spring drills for the Golden Knights.

The scrimmage didn't start the way he wanted when the defense took a bite out of his offense, but by the time the final whistle blew UCP coach Mike Kruczek was pleased with what he saw.

"It was our best practice of the spring," Kruczek said. "I was impressed with the defense. I thought they did some good things. I was very disappointed in the turnovers and lack of execution initially on offense, but overall, I was pleased."

Early in the scrimmage defensive end Rashad Jeanty stormed into the backfield and sacked Schneider, forcing a fumble. The next possession resulted in a 35-yard interception return for touchdown by cornerback Asante Samuel.

Later in the scrimmage the defense got on the board again when linebacker Lemec Bernard sacked Jon Rivera and returned the resulting fumble 25 yards for a touchdown. The defense registered seven sacks and two interceptions as well as four fumble recoveries during the session.

"We need to make sure we get back to talking about ball security because as we know from our past that's the fastest way to get beat," Kruczek said.

The first and second team offense combined to score two touchdowns and three field goals on the day, but was most See UCF, Page 3B

# Raiders ready for stretch run

By Dean Smith Sports Editor

WINTER HAVEN — With a tough stretch of road games and the Spring Break out of the way, the Seminole Community College softball team can now get down to the business of making it to the state tournament.

The Raiders started the 11-game stretch, seven of which were on the road, with a four-game sweep of a trip to South Florida that featured freshman Lacey Swarthout's fifth no-hitter of the season and a three-run rally for a victory.

SCC then came home to sweep a Mid-Florida Conference doubleheader from St. Johns River Community College and split a conference doubleheader with No. 1 state ranked Lake City Community College, winning 2-0 and losing 2-1. With that split the Raiders finish the season 2-2 with the perennial national championship con-

Coach Courtney Miller's squad then traveled to Polk Community College in Winter Haven and were very impressive in sweeping a doubleheader from NCAA Division II Fairmont State College from West Virginia before dropping a game to the host Vikings.

Heading into a crucial M-FC doubleheader at Daytona Beach Community College last night (Tuesday), SCC was 31-11 overall and ranked No. 8 in the state. In the conference, the Raiders are tied for third place with DBCC at 11-5. Lake City and Florida Community College at Jacksonville are tied for the M-FC lead with 13-3 records. Last Thursday, Daytona Beach also split a doubleheader with Santa Fe Community College of Gainesville, winning 3-2 before dropping a 3-0 decision to the Saints.

Central Florida Community College from Ocala also split a doubleheader, besting St. Johns River, 10-7, before losing 3-2 in nine innings.

FCC-J won four conference games last weekend, blanking Lake-Sumter Community College of Leesburg, 6-0 and 2-0, on Thursday and then also posting a doubleheader shutout, 5-0 and 11-0, over SJRCC on Friday.

Trailing the top four in the conference standings are Santa Fe (6-10), St. Johns River and Central Florida (both 5-11) and Lake-Sumter (0-16).

### SCC Softball

Continued from page 1B doubleheader starting at 2:30 p.m. before going to Port Orange to play in the Daytona Beach Tournament on Saturday and Sunday. SCC will then be at home for a huge M-FC doubleheader with PCC-J next Tuesday starting at 2:30 p.m. Swarthout got the trip to South Florida started in fine fashion, not allowing a runner to reach until Broward Community College's leadoff batter in the sixth inning reached on an error. The righthander from Colonial got out of a potential jam on a grounder to third that resulted in a Seahawk player being out in a rundown.

Swarthout then set down BCC in order in the bottom of the seventh Inning. She finished with 11 strike outs and no walks.

But the Raiders were not doing a lot themselves, as the score was 0-0 entering the seventh inning. Oviedo's Stephanie Mathieux led off with a single and Tiffany Keller bunted for a single and both runners advanced on an error. Megan O'Donnell then laid down a squeeze bunt to score

After an out, Oviedo's Katie Field walked and Lake Mary's Rachel Bradley reached on a fielder's choice with Keller beating the row to the plate. Yo Johnson then ripped a triple to rightcenter to plate Bradley and Field with the final two runs.

Mathieux and Keller were both 2-for-3 with a run scored, while Johnson was 2-for-4 with the triple and two RBI. Blake Hoorelbeke had a single, while Bradley scored a run and drove in one, Field scored a run and O'Donnell drove in one.

The second game was another barnburner with SCC coming out on top 3-2 after another outstanding pitching performance.

This time it was Hoorelbeke doing the job, allowing no earned runs on four hits, while striking out five and walking three.

The big righthander from Coeur d' Alene, Idaho was also the leader on offense, ripping a two-out, two-run double in the fifth inning to break a scoreless tie. Sissy Daugharty doubled in what proved to be the winning run in the sixth inning.

Hoorelbeke finished the game 2-for-4 with the double and two RBI. Daugharty had the double and the RBI, while Winter Springs' Dixie Reynolds also had a double. Other contributors were Bradley and Kiley Sieffert (single and run each) and Johnson (run).

The Raiders then moved on down I-95 from Pembroke Pines to Miami to take on Miami-Dade Community College and had another outstanding day, winning 6-0 behind a three-hitter from Swarthout and rallying for a 5-3 triumph in the nightcap.

Swarthout struck out 12 and walked three in blanking the Sharks and she got plenty of support from a 12-hit attack.

Lori Schnepf had a big game, going 3-for-3 with a run scored and an RBI. Other top hitter were Field (2-for-3 with a run scored and two RBI), Johnson (2-for-4) and Hoorelbeke (solo home run). Sieffert (single, run, RBI), Stork, Mathieux and Daugharty (one single each) and Keller and Winter Springs' Melanie Pace (run each) also chipped in.

SCC's hopes for a sweep looked to be in jeopardy in the second game as M-DCC led 1-0 and had the bases loaded with two out in the bottom

But the momentum completely swung around when Field made an over-the-shoulder diving catch deep down the leftfield foul line to retire the side and the Raiders responded by scoring three runs in the top of the fourth inning and holding on for a 5-3 trlumph.

Hoorelbeke again was the winning pitcher despite scattering 10 hits, but only allowing one earned run.

She also paced the offense, going 2-for-4 with a double and two runs scored. Johnson was 2-for-2. Also contributing were O'Donnell (single, run, two RBI), Field (single, two RBI), Pace (1-for-1,

run), Kim Stork (single), Sieffert (RBI) and Schnepf (run).

SCC returned to conference play last Tuesday in Palatka against St. Johns River and the first game turned out to be the Blake Hoorelbeke show

She tossed a four-hitter and struck out while going 4-for-4 with a home run and a double, scored two runs and drove in five as the Raiders won 7-2.

Hoorelbeke got the game started right with a three-run home run over the leftfield fence in the top of the first inning and then doubled in a run in a two-run second inning as the visitors built a 5-0 lead.

Also contributing to the 11-hit attack were Stork (2-for-3, double, two RBI), Bradley (2-for-3, two runs), Field (single, two runs), Johnson (single, run), and Mathieux (single).

SCC appeared on the way to an easy sweep as Swarthout carried a 2-0 lead into the fifth inning. But the Vikings came up with two unearned runs and the fight was on.

With one out in the top of the eighth inning, Pace singled and went to third on Field's double to center. Bradley followed with a single to right to score Pace and Swarthout did the rest, retiring the Vikings in order in the bottom of the eighth inning on two strike outs and a pop up to the

Field finished the game 3-for-5 with the double and the RBI, while Pace was 2-for-4 with two runs scored. Bradley and Sieffert both singled in a run, while Mathieux singled and scored a run. Stork also had a single, while Hoorelbeke completed a perfect day, going 1-for-1 in the nightcap with four walks.

The Raiders then returned home to score their biggest victory of the season as Swarthout hurled a four-hit shutout as SCC won the second game from Lake City, 2-0.

The locals could have swept the doubleheader as Hoorelbeke also threw a four-hitter in the opening game, but two unearned runs in the fifth inning cost her a loss in a 2-1 defeat at the hands of the Timberwolves.

The leadoff batter walked and advanced to third on a fly out and a ground out. The next batter grounded back to Hoorelbeke, but her throw to first was dropped for an error allowing a run to score. The next two batters hit back-to-back singles to score the second run.

The Raiders got a run back in the bottom of the fifth inning when Kristin Hughes and Reynolds singled with one out, moved up on a sacrifice by Schnepf and Hughes scored on a passed ball. SCC had two runners on with two out in the sixth inning, but could not push the run across.

Hughes was 1-for-3 with the run scored, while Hoorelbeke was 1-for-2 and Reynolds was 1-for-3. Swarthout struck out five and did not allow a runner past second until the seventh inning wheh she got into terrible trouble.

The Raiders had taken a 2-0 lead in the bottom of the sixth inning. Bradley and Hoorelbeke walked with one out and Stork was hit by a pitch an out later to load the bases. Hughes then walked to force in Bradley with what would prove to be the winning run and Hoorelbeke scored an insurance run when Stacey Spell singled to left.

But Lake City showed why they have won numerous national championships and are ranked No. 1 in the state as they nearly rallied for

Fricke led off the top of the seventh inning by reaching on an error and Green and Quigley followed with singles to load the bases with no one out.

But Swarthout buckled down, getting a strike out, a pop up and a fly ball to end strand three runners and preserve the shutout and the victory. Offensively, Spell was 2-for-3 with an RBI, while

Hoorelbeke singled and scored a run, Stork sin-

gled, Bradley scored a run and Hughes drove in

Freshman Lacey Swarthout hurled her fifth no-hitter of the season, carrying a perfect game into the sixth inning and allowing only two runners in a victory over Broward Community College and later shut out No. 1 state ranked Lake City Community College.

Swarthout had another super outing in the first game against Fairmont State, allowing one run on two hits, while striking out nine and walking three in a 5-1 victory.

Doing the hitting for SCC were Stork (double, two RBI), Bradley and Daugharty (single, run each), Mathieux and Keller (single each), Sieffert (run, RBI), Reynolds (two runs) and Field (RBI). Hoorelbeke continued her mastery of late, hurling a four-hit shutout, while striking out 13 and walking only one in an 8-0, six-inning victory.

She also carried the offense, driving in the first three runs with a run-scoring double in the fourth inning and a two-run single in the fifth inning. For good measure she also got a bunt single for an RBI in a five-run sixth inning.

All told, Hoorelbeke was 3-for-4 with a double and four RBI. Also contributing were Bradley (2for-4, run, RBI), Keller (single, run, two RBI), Field (single, run, RBI), Hughes (single, run), Spell (single), Schnepf (two runs) and Sieffert and Pace (run scored each).

For one of the few times this season, Swarthout did not have her usual good stuff as host Polk Community College got to her for five runs, four earned, on nine hits in three innings.

She could be forgiven, however, as it was the second game she had pitched that day and the third of the day for the Raiders as they dropped a 5-3 decision. Hoorelbeke continued her good work, allowing one hit an no runs, while striking out five in three inning of relief.

Providing the offense for SCC were Hoorelbeke (single, two RBI), Spell and Mathieux (single each), O'Donnell (run, RBI) and Sieffert and Pace (run scored each).

### **Rams**

Continued from page 1B Despite the big week, Lake Mary did not move up in this week's Class 6A State Poll, remaining third behind

Apopka (19-0) and Miami-Southridge (21-1).

But the Rams, who were to have hosted New Smyrna Beach at Tuttle Field on Tuesday, should move up

next week if they can stay unbeaten as Boone knocked off Apopka, 2-0, Monday night.

Following the game with the Barracudas Lake Mary

has three big district games on its slate, starting with a game against Seminole in the first high school game at the newly refurbished Historic Sanford Memorial Stadium

Friday starting at 7 p.m. Next week, the Rams have very difficult back-to-back games to close out the 6A-3 schedule, traveling to DeLand to take on the

Bulldogs at Conrad Park on Tuesday and then returning to Tuttle Field to host Lake Brantley on Wednesday. Both games are set to begin at 7

# Hooters Pro Cup Series to run at New Smyrna Speedway

Special to the Herald

BITHLO — New Smyrna Speedway will take a step away from the normal racing card to host a United Speed Alliance Racing (USAR) Hooters Pro Cup Series event this week.

This Friday night Orlando Speedworld will run a regular weekly racing card of heats and features in the FASCAR classes of Super Late Models, Modifieds, Mini-Stock, Sportsman, Super Stock, Young Guns & Bandoleros and Strictly Stock.

Pit gates open at 5 p.m. and front gates open a 7 p.m. and racing begins at 8 p.m. every Friday night at the track located 17 miles east of Orlando between Orlando and Titusville on Highway 50 at the 520 Cocoa Cutoff.

SAMSULA — Defending champion Bobby Gill, Mike Laughling Jr., Mario Gosselin, Nill Plemons Jr., Dave Pletcher, Shane Huffman, and Hall Goodson as well as the Hooter's Girls will be among those on hand this Saturday when the popular USAR Hooter's Pro Cup Series pays a visit this Saturday to New Smyrna Speedway.

The April 6th card will also have heats and features for the Modifieds and Super Stocks only. It was announced on Saturday, March 23rd that Sorrento Salvage is now the official sponsor of the FASCAR sanctioned strictly stock division at NSS.

James Dyal joined FASCAR Marketing Director Terry Roberts in victory lane during pre-race ceremonies to make the announcement.

"We are happy to be the official sponsor of the strictly stocks for this season," Dyal said. "This is certainly a good thing for the division and all of

he competitors."

Roberts welcomed Sorrento Salvage and told the fans, "This is a big step for this division. We are very happy to have Sorrento Salvage as part of our racing program." The strictly stocks will compete for a point fund

to be awarded at the end of the season. Drivers that wish to be eligible for the points championship will display a Sorrento Salvage decal across the front windshield. During the strictly stock feature event that fol-

lowed, Sparkey Markey made his move just two laps from the end of the event to record his second win of the season.

"I am having a lot of fun," Markey said. "We all race hard and it is great to have a division sponsor for the season."

In other racing action from March 23rd, David Rogers showed the power in his TM Ranch Dodge as he easily recorded his second victory of the young season.

"I really feel good about this year," Rogers said. "My team has worked hard to make this car better. I feel like I let some of my fans down last year because we didn't run as well as we should have. This year will be a lot different."

Justin Henderson took the measure of the modified field, Dale Clouser cruised home to victory in the sportsman feature, and Michael Wieczoreck took top honors in the super stock feature.

The wildest fan reaction for the evening came from the Super Mini Cup feature as 13-year-old Wendy Cash calmly guided her bright red 05 to a second place finish behind Mike Etty. Etty had jumped into the early lead while Cash had started

The mini cup cars are half scale, full-bodied cars, making the high-banked half-mile New Smyrna Speedway a super speedway to these racing machines.

Cash caught the draft and calmly worked her way through the field. With each pass the cheers from the crowd grew louder, and over the last few laps the fans were on their feet waving hats and hands to urge the young driver toward the front.

Etty held on for an eight-car length win, but admitted he had seen Cash making her run through the field.

"It feels great to win, but I knew Wendy was coming. I was watching for her. Thanks to all the fans," Etty said.

NSS is located 10 miles South of Daytona Beach, between I-4 (Exit 56, East) and I-95 (Exit 84, West) at the intersection of Highway 44 & State Road 415 in Samsula, between New Smyrna Beach, DeLand, Sanford and Daytona Beach.

Pit gates open at 4 p.m. and front gates open at 6 p.m. with racing beginning at 7:30 p.m. every Saturday night.

### SCC Baseball

Continued from page 1B schedule consists entirely of M-PC games.

The final stretch began on Tuesday with a game gainst Daytona Beach Community College in Daytona Beach. SCC will then return home on Priday for the first of three games against Florida Community College at Jacksonville beginning at 3 p.m. The Raiders and Stars will then meet in a doubleheader on Saturday beginning at noon at Raider Field.

SCC was on the verge of falling into a tie in the conference with St. Johns River Community College as the Vikings took advantage of very sloppy fielding on the part of the hosts (nine errors) to build a 4-0 lead in the fourth inning. Donnie Burkhalter single-handedly got the Raiders back into the game with an RBI single in the sixth inning and a solo home run leading off the eighth inning.

But the hosts were still two runs down entering the bottom of the ninth inning. Tommy Solitario got the rally started with a double and Brian Machek followed with a game-tying two-run home run. Lyman's J.T. Williamson kept things going with a single, then showed the speed that set the stolen-base percentage record for the Greyhounds when he raced home with the winning run on a double by Dan Quartararo.

Steven Reiss came on for hard-luck starter David Timm and threw three shutout innings to get the victory. Timm had given up no earned runs on six hits over the first six innings.

Burkhalter led a 13-hit attack going 3-for-4 with a double and a home run, scoring a run and driving in two.

Other hitters were Machek (2-for-4, home run, double, run, two RBI), Solitario (2-for-4, double, run), Williamson (2-for-4, run), Scott McCoy (2for-4), Quartararo (double, RBI), Ben Sprague (single) and Tyson Malik (run).

McCamie, a 6-foot-4 righthander from Boone, was marvelous, striking out eight and giving up just two singles, one in the second and one in the seventh. He also walked only one batter and only one runner got as far as second base, that coming on an error to lead off the game.

SCC only had three hits in the game, but two of them were back-to-back in the sixth inning.

With two out and no one on, Quartararo singled and stole second before Williamson singled to plate Quartararo with what would prove to be the game's only run. Solitario had the Raiders' other hit, a one out single in the second inning.

SCC fell behind 5-0 in the top of the third inning of the third inning before trying to mount another comeback.

The Raiders got three runs back in the bottom of the third inning with a two-run double by Machek being the big blow, then closed to within a run on a solo home run by Sprague in the sixth

The hosts had one final shot, putting runners on

the corners with two out in the bottom of the sev-

enth inning, but a ground out ended the rally. McCoy was 2-for-3, while Machek was 2-for-4 with his double and two RBI. Sprague had the home run and Winter Springs graduate John Michael Howell doubled in a run and scored a run to account for the SCC hitting. Quartararo and Malik scored one run each for the Raiders.

SCC got back on the winning track on Friday, scoring eight runs in the bottom of the first inning to erase a 1-0 deficit and cruising to a 9-5 victory.

John Madden had a super game on the hill for the Raiders, allowing no earned runs on three hits over the first six innings. He tired in the seventh, allowing a three-run home run to Eli Leonard and an unearned run on four hits.

Howell had the big day on offense for SCC going 3-for-4 with a double, a run scored and driving in four runs. Other contributors were Quartararo (double, run, RBI), Solitario (single, run, two RBI), McCoy (single), Matt Matheson (two runs, RBI), Sprague (run, RBI) and Williamson, Burkhalter and Machek (one run scored each).

The Wolf Pack turned the tables in the nightcap, scoring five runs in the top of the first inning and the Raiders could never recover.

SCC had only six hits with Burkhalter (home run, run, RBI), Machek (triple, run, RBI), Williamson (double, run), Quartararo (single, run), Howell and Ruben Hernandez (one single each) and Sprague (RBI).

the game. The Bulldogs regained the lead in the third inning, but Seminole again tied the game in the top of the fourth inning when Gase led off with a slap single and Megan Pickren bunted her to second. Megan Gantt then hit single to score Gase. DeLand answered right back to make the score 4-3.

Seminole's seventh inning started off with Gase reaching first on a slap single and Pickrem sacrificed her to second. However, Gase was caught off the bag at second. Kara Lively then singled to right and with runners on first and second and Gantt at the plate a passed ball scored both Pickren and Lively to give the 'Noles the win 5-4.

Abendroth struck out seven and held the Bulldogs to four hits while improving her record

to 6-1. . The 'Noles are now 12 and 6 with a five game winning

Continued from page 15 effective late in the scrimmage. The first four trips into the red zone for the offense the ended in field goal tries.

"I was happy with our intensity level early," defensive coordinator Bill D'Ottavio said. "We didn't sustain it throughout the whole scrimmage and that's the thing we have to build on. We still have a long way to go, but was a good first scrimmage."

"The thing I was happy about defensively is that they bent a little bit, but did not break," Kruczek said. "By giving up three instead of seven, you can win football games that way. When the defense had to bow its back in the red zone, I thought it did a good job."

The offense tallied 140 yards rushing and one touchdown between tailbacks Alex Haynes and Keith Williams. Williams carried the ball 15 times for 85 yard and capped the scrimmage with a four-yard touchdown run. Haynes rushed 14 times for 55 yards. Most of his work was done on a 35-yard run late in the scrimmage.

Rivera completed 12 of 22 attempts for 118 yards and was picked off once. Gabriel led all receivers with eight catches for 97 yards, but dropped a pass in the end zone early in the scrimmage that resulted in one of the missed red-zone chances. Jimmy Fryzel caught five passes for 93 yards, including a 54-yarder. Tavaris Capers caught seven passes for 53 yards, Britt McGriff caught three passes for 30 yards and tight end Brian Miller caught three passes for 37 yards.

The scrimmage was relatively free of injury except for the position could least afford to lose another player, offensive line. Tackle Johnovan Morgan suffered a dislocated left shoulder. Doctors will evaluate him further next week to determine the extent of the damage.

### **Daylight-saving** time begins Sunday

Herald readers are reminded to turn their clocks ahead one hour on Saturday before they go to bed to mark the beginning of daylight-savings time. Local fire departments also remind readers to adopt a potentially life saving habit: Change the bat-teries in smoke alarms when you change your clocks. Replacing batteries every six months is a simple way to ensure smoke alarms will work in case of an emergency.

# 41 children interviewed in foster care case

Managing Editor

LAKE MARY — Allegations of sexual assault in a local foster home appear to be limited to four children.

Investigators with the Lake Mary Police Department have interviewed more than 40 chil-dren assigned to the foster home of Marie Jasmin. Additional sexual assault incidents were not uncovered, but the interviews could lead to other charges being filed against Jasmin and her son.

Jasmin, 55, was arrested last

being charged with neglect.

Investigation continues into allegations of sexual assault

month on charges of neglecting to report that her 18-year-old son, Jacques, was sexually assaulting children in her foster care. Jacques is still in the Seminole County jail without bond on charges of sexual assault, while Marie was released on a \$1,000 bond shortly after

The arrests followed allegations from two foster children, who were released back to their family

earlier this year, of sexual assault while under Jasmin's care. The children were interviewed by authorities, who believe Jacques molested at least four foster children within the Jasmin household.

In a public statement, Marie Jasmin has denied the allegations. Since Marie Jasmin became a certified foster parent in 1996, the

Police Chief Richard Beary describes how hie department transformed a conference room Into a children's play room. More than 40 children came to the department to be interviewed as part of the Jasmin foster care case.

# **Fire Drill**

Pictured above, firefighters practice the Denver Lift. The lift was created several years ago by the Denver Fire Department after a firefighter, who suffered a heart attack, died in a burning building because his co-workers could not lift him up and out of a window. Pictured below, Seminals County firefighter Terry Darnell tries his hand at the ladder bail out drill. Firefighters learned how to move out a window onto a ladder head-first and then swing down to land farther down the ladder.

rescue course

For three months, small plumes of smoke routinely lifted from the old Florida Power and Light building in downtown Sanford.

There was no fire, just more than 450 firefighters from around the county learning how to save their fellow co-workers in times of disaster. Seminole County Lieutenants Mike Hammonds and Jeff Blake led the instruction of the firefighter survival and rescue course. The course is the first county-wide training exercise to include all Seminole fire depart-

"Most of this stuff we will probably never have to use," Hammonds said. "If you do get in a situation like this, you know things have gone bad. Every couple of days the

# Home owners look for answers from sunrooms CEO

By Christopher Patton Staff Writer

LAKE MARY - A group of home owners who have spent thousands of dollars for construction work that has yet to be completed job are beginning to see a shimmer of hope.

At least a dozen complaints have been filed with Four Seasons Sunrooms Inc. of New York about nonperformance of a local franchise owner.

Customers say the owner, Josh Perrotta, and his company Sunrooms of Florida have been paid an estimated \$500,000 in deposits to build sunrooms. Some of the deposits were paid almost two years ago, yet little work has been completed. David Ewing, CEO of Four

Seasons Sunrooms, was in Central Florida Thursday to discuss the situation with unhappy customers. For about three hours, four homeowners - one from Longwood, Lake Mary, Apopka

and Orlando - explained their troubles with Perrotta and discussed a palatable resolution.

As many as four dozen customers could be effected, and a statewide investigation is under way into Perrotta's business practices. In addition, four civil suits in four separate counties have been filed against Perrotta.

Todd Doane of Pinellas County is one of those who has filed suit.

Doane agreed to have Perrotta build a sunroom in August 2001. He paid \$17,000 as a deposit roughly half of the contract's by ance. Perrotta had a number, delays, Doane said, and finan agreed to start in January. That the last he's heard from Perrotti That's a lot of money I've bed

## Team Pain receives OK to build city's skate park

By Michelle Jeria Managing Editor

LAKE MARY - With only a slight hesitation about the company's name, City Commission Thursday gave Team Pain the go ahead to build the city's skate

The approval authorizes City Attorney Clay Simmons to prepare contract documents with Team Pain Enterprises Inc., for the construction of the park. Based on research provided by members of city staff, Commission also waived the competitive sealed bid requirements.

"It's normal to go to bid with a project like this," City Manager John Litton said. "But, we have the right under city code to do what is in the best interest of the city. We believe Team Pain is the best for this job."

Team Pain, based in Winter Springs, is owned by Tim Payne. Other employees at the company include skaters with extensive design and building experience in skate structures. Previous design and construction projects include public skate parks in North Point, Fla., Ripon, Calif., Laramie, Wyo., Ashville, N.C. and most recently, Deltona.

Team Pain is the only concrete skate park designer on the East Coast recognized by the Skate Park Association of the United States, and Payne serves on the group's design and safety board.

'Mr. Payne was chosen as a sole source based on his extensive experience and interviews with municipal directors," Litton said. "We have found no other experienced builders in

### Authorities suspect professional thieves targeting Seminole County

By Christopher Patton Staff Writer

The Seminole County Sheriff's Office is investigating two separate reports of large thefts that indicate professional thieves are

A report from March 22 indicates one suspected location is the Interstate 4 business corridor. The sheriff's office and the Lake Mary Police Department are investigating the theft of numerous laptop computers from businesses located in Heathrow and the Primera office parks.

Suspects are two black males, early 20s, medium build and

wearing baseball caps. The suspects also may have operated a blue SUV as a get-a-way car. In one particular case at Missubishi Power Systems at 100 Colonial Center Parkway, approximately 18 laptop computers were stolen.

"It seems as if in these cases what we have is professional thieves with shopping lists," said sheriff's office spokesman Steve

What investigators found Wednesday is lending them to believe the stolen merchandise eventually makes it way to Miami and possibly a cargo ship.

### Agency moves forward with 1st Street lights improvements claimed they made

By Dan Ping Editor

SANFORD — A decision by the Downtown Community Redevelopment Agency appears to have flipped the switch for improved lighting on 1st Street.

Board members agreed to enter contract negotiations with the Downtown Business Association to conduct events beneficial to downtown. The contract would fund the DBA up to \$25,000, and negotiations would begin once DBA obtains and submits to the city building easements for an electrical system the organization helped improve along 1st Street.

The DBA's president, Tom Winterheimer, and founder, Sara

Jacobson, approached City Commission in January for funding and offered to give the city the electrical
