SAID VICTIM OF
DEPRAVED MAN****MUTILATED BODY FOUND
ON RAILROAD TRACKS
WITH MOUTH OF BOY
STUFFED WITH RAGS**

ST. PAUL, April 5.—(AP)—The mutilated body of Earl Tague, 16, was found near the St. Paul airport early today, the victim, police said, of a moron. The boy's mouth was stuffed with rags and death had resulted from strangulation.

Marks on the wrist and ankles indicated the boy had been bound with wire and ropes. The body was found on the Chicago, Rock Island and Pacific Railway right-away near the airport. The boy was nude but under it lay a pair of clean clothes.

Following tracks of a wheelchair, which led to and from the body, detectives came to a shack about a quarter mile away. There they found a shirt identified as belonging to Earl and several lengths of rope and wire.

Marks on a nail in the shack indicated the lad had been bound to its posts. After the boy had been suffocated by two large rags jammed into his throat, police believe the slayer trampled the body along the railroad track in a wheelchair to the spot where it was found.

CHEYENNE, Wyo., April 5.—(AP)—Broken in health, Abram Cornelius, 62, former Englewood, N.J., bank cashier, today was ready to return to face trial for a 17 year old \$11,000 alleged embezzlement, but professed no remorse for his criminal gains, his desertion and his subsequent wife, Loretta Adelgais, a stenographer in the bank.

The former bank cashier emphasized that he still loved his former stenographer, whom he married only last January, after making word of the death of his wife.

Says Commission Favored Inquiry Due To Fear It Was Losing Unification Control

WASHINGTON, April 5.—(AP)—Joseph B. Eastman, member of the Interstate Commerce Commission, testified today before a House committee investigating railroad holding and investment trust companies, that the commission favored the inquiry because it feared that through the action of certain railroad holding companies it was losing control of railway traffic.

At the outset of the hearing Eastman told members of the House Interstate Commerce Committee which is conducting the investigation that he would give no individual views and that he did not speak for the commission.

The inquiry, authorized by the House several weeks ago, is expected to continue for several months and subcommittee are to hold hearings next fall in a number of large cities, particularly Cleveland, where the Van Sweringens have their headquarters and in New York.

Eastman said that the Allegheny Corporation which is controlled by the Van Sweringen interests, and the railroads corporation which controls stock of the Pennsylvania railroad system were two principal holding companies to be scrutinized.

The witness continued that the First Time railroad holding company activities were brought to the attention of the committee.

Horton Smith Leads Field Of Winter Money Winners; Gene Sarazen Is Second

ATLANTA, Ga., Apr. 4—(AP)—For the second consecutive year young Horton Smith, Craigton, N.Y., sharpshooter, tops the field of money winners among the winter golfing troupe.

The wandering professional, who learned his golf in Missouri's Ozarks, not only has pocketed the most money but also has won more tournaments than any of his brethren of the contingent of cash performers.

Victorious in five tournaments,

finishing second in six and placing

high up in a number of others,

Smith accumulated prizes aggregat-

ing close to \$15,500, to say

nothing of his many remunerative exhibition matches.

Gene Sarazen, stocky New

Yorker, who won golf's largest

prizes—\$10,000 at Agua Caliente,

ranked second with about \$13,500

for his season's labors, but the

other pros are far behind.

Smith enjoyed a successful period on the Pacific coast, winning

at Pasadena, Berkeley and Port

land, Ore. He placed second in

Grace Wood in the Hawaiian open

and tied for second at Agua Ca-

lienta and Los Angeles.

Leaving the pros during their

journey through Texas, Smith

joined the nomad army at Bryan

mill, Ga., where he took first hon-

or, after nipping out Bobby Jones

national open champion. His Florida

tour brought him first place in

the central open at Orlando, sec-

ond in the rich Laporte open at

Miami and a tie with Frank Walsh

for second at St. Petersburg.

Smith, together with the major

ity of the nation's leading profes-

sionals, took a terrible beating

from Bobby Jones in the southern

open at Augusta early this

week, but Horton topped the pro-

fessionals and took the \$1,000 first

prize. He finished eighth in the

North and South open at Pinehurst

—an event he won last year.

Thanks to his victory at Agua

Caliente, Sarazen enjoyed a most

profitable winter. Previous to the

Mexican event he had won the

Miami open and had finished

fourth in the Hawaiian open. Dur-

ing the Florida season he took

\$1,000 first money in the West

Coast open at Bellair, added \$600

second prize at Pensacola and

picked up small bits of change in

Lake Wales and southward.

At Estes Park, the veteran Chi-

cago shot maker, played in prac-

tically all of the tournaments from

California to Carolina and nearly

always with success. He comes

third with prizes totaling more

than \$6,000. He won the Houston

open, tied with Smith for second

at Avila Caliente and placed well

in the others.
