SAFE START

**A ONE-OF-A-KIND DROWNING PREVENTION PROGRAM
THAT GIVES YOUR CHILD THE SKILLS TO SURVIVE.**

Protecting your child against drowning is a serious responsibility. Drowning is the number one cause of accidental death for children under four, and 11 children will die today from drowning in the United States alone. Thankfully, there is a program that teaches children water survival techniques. Safe Start teaches your child the skills of floating and swimming to safety, both in swimwear and everyday clothes. Throughout its history, Safe Start has taught survival swim skills to over 100,000 children. Of those, over 740 have saved themselves in a drowning situation.

**SAFE START is available through participating YMCA Family Centers in Orange, Seminole and Osceola Counties.

Motorcyclist in critical condition after Sunday wreck on 17-92

Seminole County's Air Rescue 3 medevac helicopter was called to Sanford Sunday evening when a Winter Springs motorcyclist rear ended a vehicle.

Travelling southbound on the inside lane of French Avenue, police reported Khamsamay Vongvilay, 41, was in the process of switching lanes aboard his motorcycle when he neglected to notice a vehicle making a right-hand turn.

Ronnie Daniel Debose, 23, of Sanford, was reportedly turning right on to 24th Street when the accident occurred shortly before 7 p.m.

Authorities said Vongvilay was not wearing a helmet. He is listed in critical condition at Orlando Regional Medical Center. Cleo Cohen, Sanford police spokesperson, said Debose did not suffer any injuries as a result of the wreck. French Avenue was partially blocked for almost an hour as officers conducted a traffic investigation.

I-4 overpass under repair

Repairs to the Interstate 4 overpass in Lake Mary started Monday morning, to replace a beam and part of the Lake Mary Boulevard bridge deck.

The construction project is expected to last about 45 days, and the entrance to westbound Interstate 4 from westbound Lake Mary Boulevard will be reduced from two lanes to one for the duration.

Late last year, a truck traveling westbound on Interstate 4 struck the beam causing the damage that necessitates the repairs.

81-year-old Sanford man accused of stockpiling \$40,000 in stolen goods

By Christopher Patton
Managing Editor

SANFORD — While a collection of four-dozen weed whackers may seem out of the ordinary, police say it is only the tip of the iceberg in an 81-year-old man's mountain of suspected stolen property.

A two-month investigation by the Sanford police netted Tuesday one of the single largest booty of suspected stolen goods in department history. At last count, authorities claim more than \$40,000 in yard equipment, electronics and about everything else imaginable was discovered at two dilapidated sheds at 709 Willow Avenue in Sanford.

Local authorities have busted more lucrative theft rings in the past, but none may compare to the quantity of suspected stolen goods found at the home of Roosevelt Martin. Sanford police criminal investigations and special tactical units executed a search warrant at Martin's home Tuesday and probably found more than they

Orleans is 'still the one' for RiverWalk

From Staff Reports

Although you might not know Sanford resident Larry Hopper, it is near certain that you know his voice.

Larry's band of 32 years, "Orleans" will be featured on the Budweiser Stage at the RiverWalk Grand opening on Saturday, May 8. Larry is lead singer and multi-instrumentalist on their mid-1970's megahits "Still The One," "Dance With Me," "Love Takes Time" and several other very familiar records. Still in regular play on national radio after more than a quarter century, it's hard to imagine anyone in the USA who hasn't heard these tunes.

Larry moved here from Woodstock, N.Y. with his immediate family in late 2000 to be near his parents who've since passed away. Along with his wife, Patty, twin girls, three cats and a dog, he bought a house in the Historic District then finally settled in the Mayfair neighborhood in 2002.

As a part of the community and one who lives very near Lake Monroe, he's very excited about the RiverWalk Opening Weekend, and the future of Sanford. As an entertainer he's thrilled to be performing hometown for new friends and neighbors. And although his most recent shows were in Tokyo

Two hair salon operators nabbed for bilking elderly

From Staff Reports

Two women who operated a hair salon at an affluent retirement community were arrested Monday on 25 charges each of exploitation of the elderly in connection with overcharging incapacitated clients.

The investigation began in January 2004, when the State Attorney's Office Elder Services Unit was contacted by someone suspicious of certain practices in the hair salon at the Village on the Green Retirement Community, 500 Village Place,

Longwood. The facility is an upscale retirement community that consists of individual independent living residences and a separate long-term care nursing facility.

"We have an obligation and responsibility to protect our seniors and hunt out those who would prey upon them whether in their own home or an assisted living facility. I am pleased with the initiative of our Elder Services Unit in uncovering these on-going crimes in Seminole County and putting a stop to them," said Norm Wolfinger,

Seminole County State Attorney.

The allegations centered on improper billing activities by the managers of the salon against some of the patrons who were billed for services and products not received. State Attorney's Office investigators served a search warrant on the business in late January with the Seminole County Sheriff's Office Economic and Computer Crimes Unit and seized records which documented the allegations.

The salon catered to both independent residents of the community and the residents of

the long-term nursing facility. The criminal activities were limited to the portion of the salon that catered predominately to those patrons of the nursing facility, many of whom suffer from the physical and mental infirmities of advanced age.

Numerous intentional billing inconsistencies were discovered from the seized material. Records indicated a pattern of charges being assessed against patrons from the Health Center within the community for salon services that were never received.

Management at the communi-

ty facility was cooperative during the course of this investigation. The lease of the salon was subsequently terminated shortly after the evidence was examined.

Tammy Threatt and Margaret "Ann" Barber were arrested and each charged with 25 counts of exploitation of the elderly. Threatt leased the salon for 11 years and her mother, Barber, co-managed it with her.

Investigators said the charges covered only a period of 90 days because all business records older than that are routinely destroyed.

Education community mourns the loss of Holt, a 'difference maker'

By Marva Hawkins
Herald Correspondent

SANFORD — Willie G. Holt, 69, of Deltona, died Thursday, April 29, 2004. He was born in Columbus, Ga. Known as the "Difference Maker," he would say school is about many things beaming with pride as he mingled among his students and faculty through the years.

Holt came to Florida on an athletic scholarship to Florida A&M University, where he graduated with a bachelor of science degree in sociology. The first two years of his educational career were spent as a social studies teacher and

coach in Franklin County (Apalachicola). In 1959, Holt came to Crooms High School, where he taught social studies and coached under the principalship of Roy A. Allen.

During the 36-year career of Holt, he taught at Lakeview Middle School as a dean and assistant principal from 1972 to 1982.

While at Lakeview, he earned a master's degree in administration and supervision at FTU (University of Central Florida).

Holt's great abilities as princi-

A GLANCE AROUND OUR COUNTY

IN BRIEF

City Fire Department provides smoke detectors

Casselberry's Fire Department will continue its city-wide smoke detector installation campaign this summer in an effort to provide all residents with the potentially life-saving devices.

The latest leg of the campaign is supported by a \$2,000 donation from Wayne Densch Charities. With the donated funds, the fire department was able to purchase 374 smoke detectors. Members of the fire department will once again be checking to see if residents have smoke detectors, now that the department's supply of detectors has been replenished.

Fire department personnel will be installing detectors for residents who don't have them and can't afford to purchase them, replacing batteries for those who do, and repositioning detectors which have been installed in ineffective smoke detection locations.

The smoke detector campaign began in January after a fire death in the Lake Kathryn Estates mobile home development. The fire victim did not have a working smoke detector in her home.

Fire crews, battalion chiefs, the fire marshal, deputy chiefs, as well as the Fire Chief Mitch Floyd launched a door-to-door campaign in Lake Kathryn in the week following the death.

Forty-six percent of the residences in Lake Kathryn Estates were found to have non-working or no smoke detectors. Residents without smoke detectors were given new units and crews installed batteries in detectors that failed to work due to dead batteries. All installations were completed at no cost to the residents.

The city of Casselberry's Fire Rescue Department maintains a high standard of Emergency Medical Services and Fire Protection. The city Fire/Rescue Service was among the first service in the county to provide complete Advanced Life Support service on each of its front run vehicles. Casselberry was the first government agency in the county to offer regular patient transportation in its Rescues. All firefighters are dual certified as Paramedics or Emergency Medical Technicians and in addition to fire protection, provide state of the art technology and pre-hospital treatment during cardiac, trauma, medical and other emergencies.

Two masked men rob State Road 434 inn

Shortly before 3 a.m. Thursday, April 29, two unknown masked men entered the Roadway Inn, 2025 W. State Road 434 in Longwood and robbed it at gunpoint.

According to a Seminole County Sheriff's Office report, one of the men brandishing a firearm, directed the clerk to give him all the money. He was described as a black male, wearing a black ski mask with dreadlocks below the mask. He was wearing a black leather jacket and dark pants.

The other man reportedly acted as a lookout. He was described as a male, wearing a gray hooded sweatshirt and gray sweatpants. His face was covered with a light colored mask. The two men fled on foot, possibly to a nearby vehicle. No one was injured in the robbery.

Anyone with information regarding this robbery is asked to contact Investigator Sara Klein at the Seminole County Sheriff's Office, 407-665-6600, or Crime Line at 1-800-423-TIPS.

BUSINESS

McKee Construction fuels growth in Seminole

McKee Construction Company has been in business and located at 790 Monroe Road in Sanford, since 1973. McKee is a design/build general contractor.

President Bobby Von Herbulis says the company, "is dedicated to the cause, proud of its roots in Sanford, and in support of the growth of his hometown."

In a major project, the company was awarded the \$1.3 million design/build contract for the Seminole County Sheriff's Office - Juvenile Enforcement Center. It recently was awarded the United Structures of America "Design Award of Excellence" for 2003-2004.

The company has 19 dedicated and experienced employees.

To look back, on Feb. 15, 1973, Bob McKee started the construction business, doing small residential type work. The company flourished. Thirty one years later, McKee is retired, but the company continues to grow building facilities for major businesses in the Central Florida area.

The company is now headed by Von Herbulis, who has a good idea of how McKee Construction became such a long-term success story. He's worked there his entire adult life, starting with McKee 19 years ago at age 17, and still in high school. He worked his way up through the ranks, buying the company in 1990 and taking over completely when McKee

retired in 1996.

Since then the company has completed a million and a half square feet of construction and quadrupled its business volume. They also created a roofing division in 1994. According to Von Herbulis, the company has a projected annual growth of between 10 and 15 percent over the next several years.

"The biggest factor in staying in business is not only that we are doing everything right, but before the project is done, we make sure everything is right," Von Herbulis said. "And if we mess up, we fess up and fix it."

Born and raised in Sanford, Von Herbulis stresses keeping the majority of his business within the local community and thus helping the local economy. Sanford's been good to us and therefore we try to give back to the community," he said. "We believe in loyalty, not only to our customers but also suppliers and subcontractors. As we continue to grow, our suppliers and subcontractors grow with us."

Von Herbulis also serves the community in other ways. He has served on Sanford's Planning and Zoning Board, Board of Adjustments and Appeals, and Seminole County's Contractor's licensing board. In addition, he is past president of the Sanford Chamber of Commerce and has been part of three different bank boards.

His employees think Von Herbulis is a great boss. For

McKee Construction is led by vice president Steve Estler, left, and president Bobby Von Herbulis.

example, when the company worked very diligently to move into new office space back in the year 2000, Von Herbulis awarded his employees by shutting down the business for a week, and taking all of the employees

and their spouses on a cruise to the Bahamas. What a boss!

The McKee Construction Office is open Monday through Friday. Phone 407-323-1150, or on a web site at www.mckeeconstructionco.com.

Extreme Auto is the 'busiest shop in town'

Extreme Auto Repair and Performance in Sanford is often known as the "busiest shop in town." It can easily be seen along U.S. Highway 17-92, with its 12 bays, handling the needs of families with mini-vans, businesses needing fleet maintenance, those who want big wheels for the trendy looks, and individuals who need service from an oil change to an engine change.

A complete auto repair facility offering maintenance, repairs and high performance services, they have the largest alignment rack built, capable of working on large trucks to lowered vehicles. They are capable of working on wheels up to 26-inches.

William Holloway, better known as "Weaver" is the owner/operator. He started working in the business in 1987 when it was Tire Express. He began by changing tires part-time while still in school, then becoming a mechanic, head mechanic, service manager and finally store manager. In July of 2002, he made the decision to leave and start his own business elsewhere. Nine months later, the original location became available and he moved his business back to where he began. With his experience, he has maintained an excellent reputation over the years. He has a very loyal clientele and a very knowledgeable staff capable of handling foreign as well as

domestic cars. Recently he determined he has handled over 5,000 services and repairs for over 2,000 customers.

As the business has grown, Weaver was able to hire more technicians. Being ASE Certified, he as well as his employees take continuing education classes which keeps them abreast of all the latest innovations in auto repair and service.

With the redevelopment going on in Sanford, such as the lakefront and airport, quick repair service is needed. He pledges to strive to be Sanford's (Seminole County and beyond) premier auto repair choice for residents as well as visitors.

"We like doing business in Seminole County because we grow up here. We service our friends, their families, their businesses, and many people who have become these. People know us and trust us," Weaver said.

Weaver and his wife, Casey, have been married for 14 years and have two daughters, Jessica, 12, and Cameron, 9 months.

Extreme Auto Repair and Performance is located at 2650 S. Orlando Drive in Sanford and is open Monday through Friday from 8 a.m. to 5 p.m., and Saturdays from 8 a.m. to 1 p.m., by appointment.

As for his continuing success, Weaver said his service is, "often imitated, but never duplicated."

Local firm lands Progress contract

Trammell Crow Company has awarded a contract to D & A Building Services to provide building maintenance for fifteen Progress Energy facilities throughout Central Florida.

D & A is providing Trammell Crow's property management team with janitorial, window cleaning, pressure washing, and carpet and upholstery cleaning on a daily basis.

"We have a long history of working with Trammell Crow and are so pleased to have the

opportunity to continue this relationship," Al Sarabasa, President, D & A Building Services, Inc.

Founded in 1985, D & A Building Services, Inc. and its subsidiary, D & A Window Cleaning Services, Inc., provide facility maintenance and construction clean-up services to public and private building owners, managers and general contractors in Central Florida, South Florida and Ohio.

Stirling to handle sales at new office park

Stirling International Realty, Inc. has been named exclusive sales and marketing representative for a Stirling Center, a 16-acre Class-A office park breaking ground on Rinehart Road near CR 46-A in Lake Mary.

Roger Soderstrom, Stirling founder and owner, said Delro Partners will be the developers of the new 125,000 square foot office park and Scott

Partnership Architecture is developing the design standards.

Altogether 17 Class-A office building sites are planned, Soderstrom said, and the park will accommodate office buildings ranging from 4,125 square feet of space to 14,600 square feet.

Del Wood, commercial property specialist at Stirling, will

head the marketing and leasing of the park, Soderstrom said. Construction of the first building will get under way in the fall.

Stirling will be one of the park's first customers, Soderstrom said. The real estate firm plans to develop its own 14,600-square foot two-story headquarters facility starting in October.

They'll golf in the dusk and then in the darkness!!!

It's time for another round of the Police Athletic League/Sheriff's Explorers' golf adventures.

The event will benefit Sheriff's Explorers' Post 517 and the Seminole County Sheriff's Office Police Athletic League and will be held May 7th at the Twin Rivers Golf Club, 2100 Ekana Drive in Oviedo.

Beginning at 5 p.m., the players will golf as usual. As nighttime falls, players will use glow-in-the-dark golf balls, glow sticks and flashlights (all provided) to navigate down the fairway. Strokes aside, fun is the order of the day.

The cost for an individual is \$65 and \$250 for a foursome. Also included in the entry fee is dinner and many golf skills contests.

For more information about PAL, the Police Explorers, or to register, contact Sgt. Dwayne Johnson at 407-328-3762.

GOLF TOURNAMENT BENEFITS SEMINOLE CITIES EVENT

On Friday, May 7, the Seminole Cities Recreation Council (SCRC) will be hosting a golf tournament at Winter Springs Golf Club.

Registration will begin at noon and there will be a shotgun start at 1 p.m. Dinner and awards will follow immediately afterwards.

A foursome and tee sponsorship package is available for \$350 and tee sponsorships are available for \$75. Winter Springs Golf Club is located at 900 West State Road 434, Winter Springs.

The tournament will benefit the Youth Intra-City Olympic Festival, an annual event involving over 500 Seminole County summer camp children. Children will range in ages from 5 to 12 years old. Field events include track and field, swimming, basketball, volleyball, brain games and more. This is a fantastic event that brings together the children of Seminole County cities and teaches them to work in a cooperative environment.

For more information about the golf tournament, please contact Chris Caldwell at 407.327.6589 or email him at ccaldwell@winterspringsfl.org.

Another milestone for Bergman

Special to the Herald

If not for a loss in the second game of Saturday's doubleheader, this would have been a dream weekend for the UCF baseball team.

Sophomore pitcher Kyle Bono tied a school record with his fifth career complete-game shutout to lead the Golden Knights past Troy State, 6-0, Saturday evening at Jay Bergman Field. In game one of the doubleheader, Troy State shutout UCF, 5-0.

Bono continued his stellar season with his fifth complete-game shutout of the campaign, tops in UCF single-season history, and also moved into a tie with Brian Ahern with five career complete-game shutouts.

The Lake Mary native has been

almost untouchable against A-Sun competition, with all five shutouts coming in conference play. Bono totaled 10 strikeouts on the night to raise his record to a perfect 7-0.

UCF scored two runs in the second and four in the fourth for all of the run support Bono would need. Clay Timmer finished 2-for-4 with two runs scored and his fourth home run of the season to lead UCF offensively. Kyle's twin brother and personal catcher, Ryan, also drove in a pair of runs with a two-run single and Marshall Bernhard deliv-

ered two hits for the victors.

In game one, Troy State became the first team in 2004 to defeat UCF starter Matt Fox as the Trojans blanked the Golden Knights 5-0.

Fox (10-1) lost for the first time since the final game of 2003 after going 6.2 innings. The junior right-handed allowed five runs, three earned, with seven strikeouts and two walks.

Ryan Bono was 3-for-3 in the game. On Sunday, Ryan Bono, playing first base, went 2-for-4 with three RBI including a two-run triple to lead UCF past Troy State, 7-1.

With the victory, the Golden Knights earned the series win and raised their record to 34-10 overall and 19-5 in the A-Sun while Troy State dropped to 29- See College, Page 8A

Freshman Brian Brooks from Oviedo pitched 4.2 innings of shutout relief for his second win.

Regional softball begins

County sextet open quarters tomorrow

By Dean Smith

Only one team won a district title, but six county teams will be in action tomorrow when the 2004 FHSA Softball Championships open with the Regional Quarterfinals.

Seminole County was assured of a champion in Class-District 9 as Orangewood Christian met The Master's Academy in the final.

The Rams (12-4) took the title by edging the host Eagles (14-7), 6-4.

Garaffa went the distance for Orangewood, giving up just three hits while striking out 10. Murray was the big hitter for the winner's, going 3-for-4 with a double.

Rachel Laferrriere was the tough luck loser as she allowed only three earned runs, while Cierra Romaldo was 2-for-3 at the plate for Master's.

The Rams had got the finals by blasting Geneva School, 22-2, in five innings with Conte going 3-for-4 with a double and five RBI and Jakes going 2-for-3 with a double and six RBI. Meuthler drove in two runs for Geneva.

The Eagles moved on with a hard-fought, 7-6, win over Warner Christian (9-5). Nooft doubled in two runs and scored two runs for Master's, while Lee was 2-for-4 with an RBI.

No. 2 seeded and host Lake Mary (20-6) could not take advantage of the home field as the Rams were shutout by top-seeded Apopka (22-5), 5-0, in the Championship Game of the Class 6A-District 3 Tournament.

Lake Mary was held to only three hits by the Blue Darters' West, who also struck out 13 and went 3-for-3 herself at the plate.

The Rams had reached the finals by crushing University (21-6), 15-1, in five innings.

Andrea Wain hurled a three-hitter, striking out five, while Lake Mary's other pitcher, Olivia Toporowsky, turned offensive, going 3-for-3 with a double and an RBI.

Apopka had advanced by eliminating Lake Brantley (15-11), 4-2.

The Class 6A-District 2 Tournament at Oviedo High School went according to the seeding, but the games could not have been much closer or more exciting as only one of the five games was decided by more than one run.

The opening night saw Winter Springs edge Deltona (13-10), 2-1, with Crystal Bullock going 2-for-4 and Roser scattering five hits and striking out two in a complete game victory.

The late game was a marathon with DeLand finally upsetting No. 3 Seminole (15-9), 6-5, in 12 innings.

Ashley Tabor capped off a great month of hitting for the Fighting Seminoles, going 4-for-6, while Christine Barnett went 3-for-5 with a double and an RBI. The Bears (16-11) played another great game in the semifinals, but could not get the big hit off top-seeded Spruce Creek ace Felicia Thomas as they fell, 1-0.

Winter Springs had runners in scoring position three times in the game, but each time Thomas, who ran her record to 18-1 while striking out 13, walking four, throwing a wild pitch and hitting two batters, was able to avoid the trouble.

The Hawks, who only got two hits off three Bears hurlers, scored the game's only run in the second inning when Jojo Shields reached on a fielder's choice, advanced to second on a walk and scored on a throwing error.

No. 2 seeded Oviedo was the only team with any breathing room in the tournament as the Lions were 3-1 winners over DeLand (11-15) See Playoffs, Page 8A

Andrea Wain (above) hurled a three-hitter, striking out five, while Lake Mary's other pitcher, Olivia Toporowsky (right), turned offensive, going 3-for-3 with a double and an RBI, in a 15-1, five-inning thrashing of University in the district semifinals last Tuesday at home. But the Rams could not find the magic against top-seeded Apopka, falling 5-0 on only three hits, and forcing the team to travel to Orlando tomorrow to take on District 3 champion Boone at 7 p.m. in the Class 6A-Region 1 Quarterfinals.

Locals star in tennis, track; Boys volleyball districts set

By Dean Smith

This is a great time of year for the Spring sports that don't get a lot of print during the season.

In tennis, the Trinity Prep boys ended up tied for fourth and the girls tied for sixth at the Class A State Tournament in Tallahassee, while the Lake Howell girls' doubles team of Darnelle Degroop and Karla Mendoza fell in the semifinals in the Class 3A State Meet in Altamonte Springs.

In lacrosse, the Lake Brantley boys (16-6) were edged by Winter Park (17-3), 10-8, in the regional championship game at Olympia Monday evening advancing the Wildcats to the state final for the fourth time in the past five years.

Haber had two goals and two assists and Blatter had three goals for the Patriots, who reached the finals by outscoring Bishop Moore (12-6), 15-9, with Vallone scoring seven goals and handing out one assist and Blattner scoring four goals and dishing out two assists.

In girls action, the defending state champions from Lake Brantley (14-2-1) remained alive with a 15-6 pounding of Spanish River (13-4). Lerch

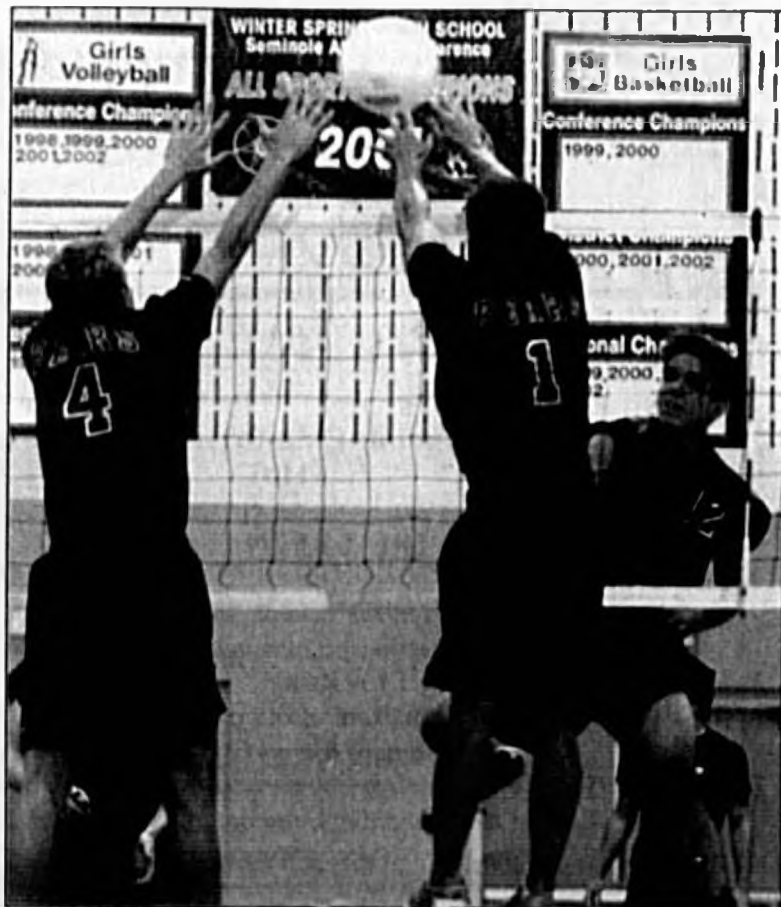

led the Patriots with six goals, while Keyes made nine saves in goal.

In track, the Trinity Prep girls finished 24th in the Class A Track and Field Finals at the University of Florida with Megan Mather finishing fourth in the pole vault at 9-foot-6 and then running a leg on the 4 x 100 team that came home seventh. Casey Hurst, Rebecca Perez-Espejo and Isi Irumundomon completed the foursome.

The Saints boys did even better, placing third, just a half-point (40.5-to-40) behind second place Dade Christian and 10.5 points behind champion McClay (50.5).

Scoring points for Trinity Prep were Ryan Truchelut (second in the 800), Steve Curley (second in the 1,600 and third in the 3,200), John Roberts (seventh in the 1,600), Brian Miller (second in the pole vault) and the team of Truchelut, Roberts, Curley and Mike Rodriguez which finished second in the 4 x 800 relay.

In regional track, Lake Mary's Angela Pressey was a one-girl wrecking crew, qualifying for the state meet in five events to help the Rams finish in third in the Class 4A-Region 1 Meet at Showalter Field in Winter Park last Thursday. See Preps, Page 8A

-13, 11-10 in the conference. UCF holds a commanding lead in the A-Sun being four games ahead of Stetson and Florida Atlantic in the loss column with two conference series (six games) left.

The win also moved UCF head coach Jay Bergman into sole possession of 22nd place on the all-time wins list in NCAA history. Bergman is 1078-597-3 over his career including a 862-484-3 mark in Orlando.

UCF scored three first inning runs to take a 3-0 lead. Bono's two-run triple highlighted the three-run inning as Chandler Rose also drove in Bono with a sacrifice fly.

Troy State loaded the bases with no outs in the second, but UCF starter Darren Newlin limited the Trojans to just one run to escape the jam.

The Golden Knights answered with one run in the third and two in the fourth to take a 6-1 lead. The five-run cushion was more than enough for UCF reliever Brian Brooks (2-1).

The freshman left-hander from Oviedo pitched the game's final 4.2 innings for his second win of the season. Brooks limited the Trojans to no runs on two hits with two strikeouts on just 44 pitches.

UCF recorded 10 hits on the day, including a 3-for-4 performance by Dee Brown. The junior left fielder scored two runs and drove in a run for the victors. Brown now has 136 career RBI, ninth in UCF history.

Drake Wade recorded just his second career two-hit game for UCF while Lake Mary resident Drew Butera was also 2-for-4 with a RBI double.

On Monday, Ryan Bono earned the Atlantic Sun Player-of-the-Week award as named by the league office.

Bono claimed his first A-Sun Player-of-the-Week honor this season after batting .667 (6-9) with five RBI and one run scored. Bono opened the series with a three-for-three day at the plate.

Oviedo, which only had four hits, got all of its runs on a Racheal Harrison single and three Bulldogs errors in the fourth inning. Sara Miller, who went 2-for-3 in the game, also scored one of the runs and got credit for an RBI when Harrison scored despite an error.

Sara Anderson was outstanding for the Lions, scattering five hits and striking out three.

The Championship Game took two days to complete with Spruce Creek (25-1) edging Oviedo (19-5), 1-0.

The only run of the game came in the bottom of the third inning when Kelly McCarver reached on an infield single, stole second, and barely beat the throw to the plate on a single up the middle by Wesley Leffler.

But then the rains finally washed the game out until Saturday afternoon.

It didn't matter though as Thomas made the lead stand up for her 19th win of the season, allowing a high number of hits for her, five, with 10 strike outs.

The shut out was the 19th of the season for the Hawks, who have not allowed a run since edging Seminole, 6-5, on April 7th, a string of 43 innings.

Anderson only allowed three hits and struck out seven, but unfortunately two of the safeties came in the fateful third inning. Harrison was 2-for-3 for the Lions.

Lyman (10-16) also fell just short of the district crown as the Greyhounds were edged by homestanding and top-seeded Flagler Palm Coast, 3-2, in the Class 5A-District 3 final in Bunnell.

Two errors and an RBI single in the bottom of the first inning put Lyman behind the eight-ball right off the bat, but the Greyhounds answered in the top of third inning on a triple by Jessica Ammons and RBI ground out.

But the Bulldogs (17-5) took the lead for good in the bottom of the third on three singles and a walk.

In game two, Bono went one-for-two with a pair of RBI. He rounded out the week with a two-for-four outing in the series clincher, driving in three runs with a double and a triple on the game.

Ryan, the Golden Knights' clean-up batter, improved his batting average on the season to .346, third highest on the team.

Bono is the sixth different UCF athlete to be named either the A-Sun Pitcher-of-the-Week or Player-of-the-Week in 2004, including brother Kyle, who has received A-Sun Pitcher-of-the-Week honors twice this season.

The Golden Knights will play four critical non-conference games this week. After hosting USF on Tuesday the team will head to Columbia, South Carolina to take on Clemson in a three-game weekend series with the nationally-ranked Tigers.

STETSON DROPS SERIES WITH BELMONT
Former Lake Mary High player Chris Westervelt went 2-for-4, including his 42nd career double, a three-run shot that raised his career RBI total to 130, but Belmont defeated Stetson 9-7 Sunday afternoon in Nashville.

The Hatters (27-19, 15-9 A-Sun) rallied from 4-0 and 8-3 deficits to twice pull within one run, but the Bruins (27-18, 12-12 A-Sun) held on for the victory to claim the Atlantic Sun Conference series two game to one.

Ryan Heacox had tossed his second consecutive shutout, a six-hitter, as the visitors defeated Belmont 4-0 in game one of an Atlantic Sun Conference doubleheader Saturday afternoon at Greer Stadium, but Justin Jordan answered with a two-hit shutout in game two as the Bruins salvaged a split with a 2-0 victory.

Stetson, still in second place in the league standings but tied with Florida Atlantic (12-9 A-Sun) in the loss column, will return home to face Lipscomb in a three-game series beginning Friday night at 7 p.m.

Becky Robbins (triple) did the damage with the bat.

Favored Trinity Prep (19-7) advanced to the finals of the Class 2A-District 9 Tournament with a 4-0 victory over Holy Trinity (10-11) with Katie Burdeaux going 1-for-2 with a triple and two RBI and Gekas going 1-for-2 with an RBI. But the Saints were upset in the finals by Mount Dora Bible.

In Thursday's regionals, Lake Mary will be in Orlando to face Boone, which upset West Orange, at 7 p.m., Oviedo will travel to Orange Park (15-7), which upset once-beaten and No. 6 Mandarin (23-2) in the 6A-1 final, for a 4 p.m. contest. Lyman goes to Eau Gallie (22-5), which won a 1-0 no-hitter in the 5A-4 final, for a 7 p.m. battle. Trinity Prep heads to Lakeland to face McKeel (21-3) at 4 p.m., Orangewood Christian hosts Central Florida Christian Academy (11-5) at 4:30 p.m. and The Master's Academy goes to Orlando to take on West Oaks (15-4) at 4:30 p.m.

The winners will advance to the regional semifinals next Tuesday, with the regional finals set for next Friday, May 14.

The baseball teams are currently in their district tournaments with Lake Mary and Lake Brantley playing at Winter Park High School, Seminole, Oviedo and Winter Springs playing at Conrad Park in DeLand, Lyman and Lake Howell playing at Daytona Beach Community College, Trinity Prep playing at The First Academy in Orlando and Orangewood Christian and host The Master's Academy playing in Oviedo.

The Rams (21-4) closed out the regular season on a high note as they got another strong pitching performance from sophomore Josh Smith as they blanked Seminole (11-14), 5-0, in a rain-soaked game at Seminole's Alumni Field last Friday.

Ryan Richardson continues to swing a hot bat for Lake Mary as he doubled in a run. Thomas had a double for the Fighting Seminoles.

The senior who will play volleyball at the University of California at Berkeley this fall won the Long Jump, was second in the 100 and 200, was a member of the third place running 4x100 relay team and was fourth in the Triple Jump as Lake Mary accumulated 49 points to only trail champion Oak Ridge (176) and Boone (52).

Also qualifying for the Class 4A Meet that will held Saturday (May 8) at the University of Florida were Meghan Chamberlain, who won the Shot Put, and 4 x 100 relay team members Pressey, Telena Alexander, Sabria Brown and Ashan Nathan. Oviedo finished sixth with 32.5 points with the remarkable Jenny Barringer winning both the 1,600 and 3,200, including a personal best 4:50.13 in the 1,600.

Seminole finished eighth with 28 points and having Evelyn Moore (third in the 800), the 4 x 100 relay team of Brittany Martin, Jocelyn Williams, Tanjanika Wright and Michell Parodi (fourth) and the 4 x 400 relay team of Moore, Williams, Martin, and Malika Jones (fourth) qualify for state.

On the boys' side, Seminole was eighth behind Stevie Warren Jr., who qualified for state individually in the 200 (second) and triple jump (second) and was also a member of the second place 4 x 100 relay team with Freddie Howard, Daniel Johnson III, and Robert Preston Jr., and ran the anchor on the champion 4 x 400 relay team with Johnson, Howard and Jamal Tennon.

Lyman's boys did not have one of their better meets, finishing ninth, but Bryan Christian (fourth in the 3,200), Kyle M. Harris (fourth in High Jump), Nathaniel Beard (second in Shot Put) and Robert Williams (fourth in Discus) each qualified for the state meet. The Rams boys finished 18th with nine points, but did not have anyone qualify for state.

Oviedo placed 15th with Nikhil Kumar finishing second in the pole vault and the 4 x 800 relay team of Matthew Clements, Jason McClung, Paul Nielson and Tom Miller placing fourth.

Lake Mary finished 18th, but did not have any qualifiers, while Winter Springs was 20th with Kyle Jones finishing fourth in the 1,600.

Of local interest was Willie Callaway Jr., the son of the former Seminole High star and Lake Mary coach of the same name, finishing second in the 800.

Lake Howell took part in the Class 3A-Region 2 Meet at Poinciana, but had only Sade Kusimano earn a spot in the state meet by winning the discus with a throw of 130-feet, 10-inches.

The Boys' Volleyball District 1 Tournament will be held this Saturday with county teams playing three different tournaments.

The District 1 Tournament will be at Lake Mary High School, with No. 3 seeded Winter Springs challenging No. 2 Lyman at 11 a.m. and the host and No. 1 seeded Rams taking on No. 4 Oviedo at 1 p.m. in the semifinals.

The winners will then return for the Championship Match at 3 p.m.

The District 2 Tournament will be at Edgewater with Lake Brantley playing the host and top-seeded Eagles at 9 a.m. West Orange and Bishop Moore are the other two teams in the field with the champi-

onship set for 2 p.m.
Lake Howell is the No. 3 seed at Timber Creek and will play No. 2 Boone at 10 a.m. The other two teams are University and No. 1 Timber Creek. That final is also set for 2 p.m.

The District 1 winner will host the winner of District 2 and the District 3 winner will host the District 4 (Dr. Phillips, Cypress Creek, Olympia and Oak Ridge) in State Play-In matches on Tuesday at 7 p.m.

The State Championships will be next Friday and Saturday (May 14th-15th) at Golden Panther on the campus of Florida International University in Miami.

The teams completed the regular season last week with Lake Howell (14-7) defeating Florida Air, 25-10 and 25-21, with Roberts recording 12 kills and Boyd four kills; Lyman (19-5) outscoring Lake Brantley, 25-22, 25-10 and 25-16, with Gamboa recording seven aces and Brickelmeier handing out 37 assists; and Lake Mary (19-2) held off Bishop Moore (12-10), 26-24, 25-23 and 25-21, with Tim Spencer pounding down 21 kills and Rob Green dishing out 33 assists.

PET PAGE

Louise was an 11 1/2 year old Rottweiler and was the biggest baby there ever was. Catching her ball and chasing yellow butter was her favorite things to do. Louise was always there and she loved you needed her the most, she gave great hugs. Louise had a rapid bone cancer and we did everything we could to help her a month later. We were devastated and wanted to know why this happened to Louise. Why did it seem that all animals eventually got cancer? What could we have done different? We began by researching pet nutrition and the foods we fed. We fed what we believed to be a premium food. The media is filled with companies we all know telling us not to worry because they have done the research for us, just feed their food and your pet will live a long healthy life. We envision whole chicken, choice cuts of beef, fresh grains and all the necessary nutrition our pets need. These visions could not be further from the truth. We will never forget how horrified and betrayed we felt when we learned the truth of what we were really feeding our pets and what the true meaning of the ingredients listed really was.

We learned that the pet food industry is an extension of the human food industry, which provides a place for slaughterhouse waste and grains "unfit for human consumption". Bone meal, meat meal, and by products include such things as road kill, euthanized companion animals, dead, dying, diseased and disabled cattle that could not be certified for human consumption. Animal and poultry fat is most often rendered animal fat, restaurant grease or other oils too rancid or deemed inedible for humans. Poor ingredients can cause skin and coat problems, eye and ear problems, intestinal upset, diabetes, cancer, kidney failure, and other major and minor illnesses. These are only a few of the frightening things we learned while trying to understand the truth of what we were feeding our pets.

We reconnected with a long time friend and nutrition expert and found out that there are some very reputable natural and organic pet foods on the

market. These foods are made by small, privately owned companies that understand your pet's nutritional needs and only use quality human grade ingredients for their products containing no added chemicals or preservatives.

We have always rescued and loved animals for over 25 years, so now we are dedicated to help create awareness of what we are really feeding our pets. We want to help as many animals as we can live a full, happy, and healthy life so they do not have to go through what Louise went through. While we encourage everyone to do their own research and understand the ingredients themselves, we want everyone that shops at Louise's Pet Connection to know that we will scrutinize everything we put on our shelves and we will not sell anything that we would not offer to our own pets.

Mothers to shine at Sunday's gathering event

From Staff Reports

Community residents are joining together with one voice to help celebrate the grand opening of the Sanford RiverWalk.

The RiverWalk Community Choir is the combined effort of singers from churches and musical groups throughout the city. They will perform at "Gather at The RiverWalk," a Sunday sunrise service capping the three-day celebration on the shores Lake Monroe in downtown Sanford.

The event will begin at 6:30 a.m. on Sunday, May 9, (Mother's Day) at Memorial Park. The choir will perform a mixture of patriotic songs, hymns and traditional/contemporary gospel music, and there will be a special tribute to mothers.

Choir members from 10 churches and other community groups have attended practices, and last week five choir directors were on hand to help the group tune up for the performance.

In addition, pastors of local churches are

encouraged to bring their church families to the event. Organizers of the event said the service will conclude by 7:45 a.m. so that everyone can attend their normal

worship services.

The sunrise service will be part of the RiverWalk grand opening weekend May 7 - 9.

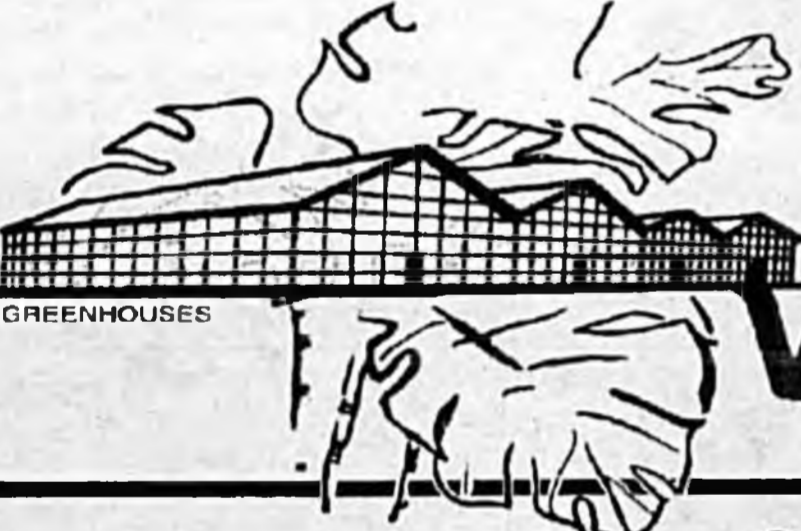

Celebration chalks up another event

By Kate Lucas
Herald Correspondent

Street painters have an opportunity to make their mark in Sanford as part of the First Annual Sanford RiverWalk Chalk-Art Competition. The event will be held Saturday, May 8, as part of the RiverWalk Grand Opening weekend.

Chalk artists from the Orlando and Sanford Rotary clubs are amongst those already signed up for the day. Many of the competitors will be from local middle or high schools or from area colleges and universities.

Artists can enter as individuals or as a team and will be given a box of chalk and a 5-by-6 foot area on Seminole Boulevard, which will be closed to traffic for the day. The theme for all artists participating in the day is, appropriately, 'Water,' and competitors are being asked to find a creative way to incorporate water into their artwork. The competition will be from 9.30 a.m. to 3.30 p.m.

Celebration to include tribute to soldiers and veterans

By Kate Lucas
Herald Correspondent

Local soldiers and veterans are to be honored at the dedication of the newly renovated Memorial Park on Friday, May 7, at 4:30 p.m. The ceremony is open to the public and will be one of several special events that weekend that celebrates the grand opening of the RiverWalk.

The tribute will be the patriotic affair appropriate for a memorial park. Skydivers will open the ceremony, smoke and streamers descending behind them, and land near the crowd as live band music plays. Mayor Brady Lessard, together with local military soldiers and veterans, will hoist a 30-foot American Flag up the new flagpole for the first time since construction began on the RiverWalk.

Lessard will give a speech. Soldiers home from Iraq and veterans of past conflicts will be honored. The dedication of the park will conclude with a rendition of the national anthem by a local singer.

"It should be an exciting time," Lessard said. "Not only is the city of Sanford dedicating this wonderful RiverWalk, Friday night's ceremony allows us a chance to honor the men and women who have served our country so valiantly."

The dedication of Memorial Park will be part of the RiverWalk grand opening weekend May 7-9. It will be a busy weekend in the city with live music, entertainers, fine food, carriage rides and artists at work on Saturday, May 8.

All local residents are invited to the dedication of Memorial Park. If you know of a soldier or veteran who should be honored in the ceremony, e-mail info@adeomedia-group.com, or call 407-688-8788.

CONSTRUCTION CREWS ERECTED THE MEMORIAL PARK FLAGPOLE IN EARLY FEBRUARY. ON FRIDAY, MAY 7, OLD GLORY WILL TAKE ITS PLACE ATOP THE NEW POLE.

Tale of the tape: RiverWalk facts

- The Sanford RiverWalk is a 12-foot-wide pedestrian pathway stretching 1.2 miles from Mellonville Avenue on the east to French Avenue (U.S. Highway 17-92) on the west. The heavily landscaped pathway features trellis swings, benches and other amenities for people to enjoy the views of Lake Monroe.

- During construction of the \$11 million project, crews rebuilt the aging seawall using more than 4 million cubic feet of concrete and 1,666 30-foot by 4-foot concrete panels, some weighing as much as 7.5 tons each.

- The completion of the 1.2-mile stretch represents Phase I of the RiverWalk. Phase II is expected to extend the pathway to Interstate 4. No timetable has been established for construction of Phase II.

- For more information about the RiverWalk celebration go to www.sanfordriverwalk.org or call 407-688-8788.

Sailboat regatta to be part of the RiverWalk opening party

By Kate Lucas
Herald Correspondent

A new sailing event has been established in honor of the Grand Opening of the new Sanford RiverWalk.

On May 8, the Sanford RiverWalk Sailing Scramble is scheduled to provide some exceptional entertainment for sailors and spectators alike.

"A slalom style course will be used to keep the racers in close proximity to each other upwind, and a long straight spinnaker run will allow plenty of downwind maneuvering opportunities as well as a colorful display for the onlookers," explained Denise Burchard of FUN Maritime Academy and who is organizing the regatta.

The race will be governed by the Racing Rules of Sailing 2001-2004. The regatta is open to all classes. Three races are scheduled. One race constitutes a regatta.

The start/finish line will be in an area due north of the new flagpole. Trophies will be awarded to the top three finishers in classes of five or more boats.

Yachts may register in advance by downloading a registration form at www.funma.com and sending it with a check for \$20 made payable to: FUN Maritime Academy, 531 N. Palmetto Ave., A-Dock, Sanford, FL 32771. You can also contact race organizers at sailing@funma.com or by calling 407-330-0633.

For a prime seat to view an exciting and beautiful sport, the public is encouraged to attend the May 8 grand opening of Sanford's RiverWalk.
