

Comment From The Sidelines

If (and that's a big word for only two letters) it had not been for that fatal fourth inning in yesterday's opening game of the Florida State League, Sanford might have won the game. If the breaks had been with Loper...

But you'll have to hand it to the Sanford Lockouts for their refusal to admit defeat. They worked harder than ever in succeeding innings, though DeLand scored a run in the fifth, another in the eighth, and a third run in the last frame...

And they're youngsters, too. As announced from the Hoffman sound truck, all of the men on the Sanford team are under the age of 22 years, with the exception of Stuffy McCrone, manager and first baseman. Stuffy isn't so old at that, but he has had several years' experience on the diamond...

Speaking of youngsters, there's a fine lot of them in the Junior League being sponsored by the Sanford Lions Club. One of the big ideas the Lions had in sponsoring the League was to teach the lads sportsmanship...

Looks like Billy Zachry is "going places" with that tennis racket of his. But there are other good players on the Sanford team—Herbert Smith, Charles Robinson, Jim Morgan, for instance. And, too, there's Miss Ellen Betts, Sanford girl who by her victories has become eligible for state tournament play...

Mighty few are the plate glass windows in down town Sanford and other towns in the County that don't display the big red stars, which signify that the owners of those business establishments are supporting the Sanford Baseball Club...

Dave Newell, who has written an article for the May Field & Bureau magazine on panther hunting in Florida "knows his stuff." He has written several books, one of them on panthers and cagars in Florida.

Maybe before another baseball season the players will be provided with a better dugout. Now they have to wade through water to get to their dressing rooms. They naturally wonder why a most, so easily filled with water was dug just inside the entrance, and why they have to climb over a high cement hurdle to get there.

It's seven officials of the Sanford Club had paid admission to Sunday's game the attendance would have been 1,000. But maybe it will be determined that Sanford had the largest opening day crowd anyway.

Sanford Loses To DeLand In State League Opener

Score Is 14 To 3 After Disastrous Debacle In 4th

Nearly 1,000 Pay To See First Game On Home Field Sunday

DeLand 14, Sanford 3 was the score of the first game of the 1934 baseball season of the Florida State League played on Sanford Field Sunday afternoon. A crowd of more than 1,000 witnessed the game, 903 paid admissions in addition to a number of persons, officials, newspaper men, etc., who had passes.

Sanford succeeded in getting only six hits at 33 times at bat, while DeLand got 18 hits at 40 times at bat. Neither the Sanford Lockouts nor the DeLand Reds scored in the first two innings, then in the third the Re's got three runs, to none for the Lockouts in that frame, but it was the debacle in the fourth inning when DeLand ran in eight scores that put the game on ice for the Reds.

It was a terrible slaughter, that fourth. Sanford changed pitchers twice in the inning, replacing Loper with Hardin in the middle of the frame, and then putting in McCown to relieve Har' in before the last Red came to bat. The side was finally retired with the score at the end of the fourth inning eight-to-nothing in favor of the Reds.

The batting order of the Lockouts was Sloane, center; Bonner, shortstop; McCrone first base; Swindell, right field; Cates, third base; Barnes, left field; Wagner, second base; Bistruff, catcher; Loper, Hardin and McCown, pitcher.

The score by innings was as follows: First Inning DeLand: Taylor gets a two-bagger on a long drive to center field, Norwood flies out, Majecky flies out, Bellong flies to center, Sanford: Sloane flies out, Bonner strikes out, McCrone flies out.

Second Inning DeLand: Duvernitt out at first, Kinard out, Jumboville strikes out. Sanford: Swindell flies out, Cates out on catch by pitcher, Barnes flies out to center.

Third Inning DeLand: Purcell singles on third strike, Fisher bunts and is out at first, Purcell going to second; Taylor strikes out, Norwood singles to short, safe at first, Purcell makes third; Bellong singles to first, scoring Purcell; Majecky gets a three-bagger, scoring Norwood and Bellong; Duvernitt out, shortstop to first.

Sanford: Wagner flies out to center, Bistruff flies out to center, Loper out on drive to third.

Fourth Inning DeLand: Kinard singles; Jumboville bunts, safe at first when McCrone drops the ball, Kinard goes to second; Purcell hits a long drive to center, scoring Kinard, Jumboville goes to third; (Hardin pitching for Sanford), Fisher singles scoring Jumboville; Taylor sacrifices; Pitcher Hardin makes an error in falling to watch first, and Taylor is safe at first; Norwood hits a two-bagger, scoring Purcell and Fisher; Bellong singles scoring Taylor and Norwood; Majecky walks; Duvernitt sacrifices; Kinard singles, Shortstop Bonner delays throwing the ball and Majecky goes to second and Bellong to third, filling the bases; Jumboville gets a two-bagger, scoring Majecky and Bellong, and Kinard is caught out trying to make third; Purcell walks; (McCown pitching for Sanford), Fisher flies out.

Sanford: Sloane flies out to center, Bonner out at first, McCrone walks, Swindell singles and is out with McCrone on double play.

Score: DeLand 8, Sanford 0. Fifth Inning DeLand: Taylor singles, Norwood out at first, Bellong hits a two-bagger to right field, scoring Taylor; Majecky out at first and Bellong slides to

third; Duvernitt given-base when hit by pitcher; Kinard comes to bat but Duvernitt in out trying to steal second before the first pitch.

Sanford: Cates out at first, Barnes flies out, Wagner singles, Bistruff hits a three-bagger, scoring Wagner; McCrone hits a two-bagger, Kinard in center field drops the ball, and Bistruff scores; Sloane flies out.

Score: DeLand 1, Sanford 2. Sixth Inning DeLand: Kinard hit by pitcher and given base; Jumboville singles, Kinard caught out trying to make third; Purcell walks; Fisher and Taylor fly out.

Sanford: Bonner and McCrone fly out, Swindell strikes out.

Score: DeLand 0, Sanford 0. Seventh Inning DeLand: Norwood singles, Bellong singles, Majecky strikes out, Duvernitt comes to bat but Bellong is out trying to make third.

Sanford: Cates singles, Barnes flies out, Wagner strikes out, Bistruff flies out.

Score: DeLand 0, Sanford 0. Eighth Inning DeLand: Duvernitt walks, Kinard hits a two-bagger to the right field fence, Jumboville flies out and Duvernitt scores; Purcell hit by pitcher and takes his base; Fisher strikes out; Taylor out at first.

Sanford: McCown out on long drive to center, Sloane walks, Bonner flies out, McCrone out on drive to left field.

Score: DeLand 1, Sanford 0. Ninth Inning DeLand: Norwood walks, Bellong singles, Majecky singles and Norwood is caught out trying to get to third, Duvernitt singles and Bellong is caught out trying to make home, Kinard singles, scoring Majecky; Duvernitt out between second and third.

Sanford: Swindell singles, Cates singles, Barnes flies out on Swindell scores, Wagner flies out.

Score: DeLand 14, Sanford 3. A table showing the final score and a breakdown of runs, hits, and errors for both teams.

Lookouts Play In DeLand Today And Daytona Tuesday

Sanford Club Plays On The Home Field Again Wednesday

Sanford Lookouts are playing the DeLand Reds in DeLand this afternoon, will play the Daytona Beach Islanders at Daytona Beach tomorrow, and return for their second game on Sanford Field on Wednesday. They will play here again on Thursday (half holiday) with St. Augustine, meet the Saints on their home field Friday, and play here again on Saturday, and go to Palatka next Sunday.

Stuffy McCrone, manager of the Lookouts, expected to put Vel in the pitcher's box in the DeLand game today, and intends to start Jones again tomorrow. Moses Sanford has now been seen in the pitcher's box in Thursday's game here with the Saints.

Comments on yesterday's game. Stuffy calls attention to the fact that the boys on the Sanford team are much younger and better than most of the DeLand and Daytona teams that had something to do with their losing the opening contest. But the main reason that DeLand won yesterday, he said, was because the Reds have had more practice. The Reds had five or six exhibition games during the training season, while the Lookouts had only one exhibition game in which to get some real practice before the season opened.

"We've got a good team, and we'll forget it," said Charlie Ward, president of the Sanford Baseball Association. "Just be sure we lost the first game, don't let anything else happen. Just win a little while and you'll see our boys out in front."

Northwestern Ready For Net, Links Meet

EVANSTON, Ill., Apr. 20.—(AP)—Northwestern university is getting ready to play host to the national intercollegiate golf and tennis championships the week of June 22.

It will be the first time that the school has conducted both tournaments simultaneously. Last year's tennis championships held at Northwestern were so successful that the United States Lawn Tennis Association voted to return them to Evanston.

The golf championships will be played over the North Shore course, scene of the 1933 National open tournament.

Daytona, Palatka Victors In First Game Of Season

G-Men Lose To Beach And St. Augustine Beaten By Palatka

Daytona, Palatka and DeLand were the three winners in the opening games of the Florida State League yesterday. Daytona Beach Islanders defeated the Gainesville G-Men 3 to 1, and the Palatka Azealeas defeated the Saints of St. Augustine in a close 8 to 7 game.

A large crowd including G. E. Gilliland of DeLand president of the league, attended the season's opener at Daytona Beach. A cold wind blew across City Island Park and made it uncomfortable for the spectators.

St. Augustine left fielder, was the batting star of the day, collecting a homer, a double and a single in four times at bat. In the sixth, the Islanders scored their other two runs. Hosinski was a base on balls, Morton doubled, sending him to third. Dillingham then knocked one along the third base line and Hosinski came home, McDougal, Gainesville pitcher, let a throw from the outfield go through him and Morton all home safely.

The Azealeas picked up a large early lead in the game at Palatka, but Lefty Larsen was reached by the Ancient City rivals in the two closing frames and the count was tied at 7-7.

Owens, St. Augustine catcher hit a home run. A large crowd turned out for the game.

Three Prizes Won In Game Sunday By Sanford Lookouts

Touction drug store prizes were won in Sunday's game by Bistruff, catcher, for making the first three-bagger, by McCown, pitcher, for the first double, and Wagner, 17-year-old second baseman, for the first single. Similar plays were made by DeLand Reds earlier in the game, but members of the visiting team were not eligible for the prizes.

New York Giants Finish Week With A Perfect Score

Mackmen, Browns Yet Have Only A Row Of Goose Eggs

The New York Giants of the National League finished the first week of play in the majors with a perfect score, the only big league starting the second week with 1000 percentage. The Giants defeated Boston yesterday 4 to 1.

In the American League, the Chicago Cubs went into yesterday's game with a 1000 percentage score, but they were shut out by Detroit, which scored five runs and so lost their perfect score.

Two clubs in the American—the Philadelphia Athletics and the St. Louis Browns—remain in the cellar with only a row of goose eggs in the percentage column.

Cincinnati defeated Chicago 5 to 4 and Philadelphia defeated Brooklyn 4 to 1 in the National League Saturday. The New York Boston and the St. Louis-Pittsburgh games were called off on account of the weather. Yesterday, New York defeated Boston 4 to 1, Brooklyn defeated Philadelphia 2 to 1, St. Louis defeated Pittsburgh 7 to 2, and Chicago defeated Cincinnati 16 to 5.

In the American League Saturday, New York defeated Boston 3 to 2, Washington defeated Philadelphia 5 to 4, Cleveland defeated St. Louis 7 to 2, and the Chicago-Detroit game was called off because of the cold. Yesterday, Boston defeated Philadelphia 2 to 1, Detroit defeated Chicago 5 to 0, New York defeated Washington 10 to 1, and Cleveland defeated St. Louis 13 to 6.

Junior League To Start Third Week At 5 P. M. Today

Red Sox And Yankees Play Once; Others To Get Two Chances

Junior Leaguers start their third week at 5 o'clock this afternoon when the Red Sox meet the Cubs on the Grammar School diamond. The Red Sox are in the cellar with the Cubs one step above. Should the Sox win they will be on a par with the Cubs.

Tuesday will see the long-winning Seminoles in the fray again, this time with the Pirates, now in third place. If the Pirates win they'll tie with the Yankees in second position. Should the Seminoles win as they have done consistently since the season opened they'll be more "cocky" than ever.

Second position, Yankees, meet the losing Giants on Wednesday. The Giants have played three games and lost three games. Thursday the Seminoles return to the field for the second time this week, playing against the Cubs. The Giants get another chance to better their league standing Friday when they cross bats with the Pirates.

Colored Giants To Play Jax Red Caps Here Next Sunday

The Sanford Giants, colored team, will play the Jacksonville Red Caps on Sanford Field next Sunday afternoon at 3:30 o'clock. A section of the grandstand will be reserved for white fans. The admission charge is to be 35 cents for adults and 15 cents for children.

The Giants played the Jacksonville Winn-Lovett team a week ago last Sunday and won by a score of 19 to 8, but next Sunday's game will be the first with the Jacksonville Red Caps, champion of the Jacksonville colored league. The Giants played Apopka yesterday at Apopka, but lost 19 to 8.

Charles Gibson is manager of the Giants.

County Chamber Of Commerce Is 'Sold' To 824 Members In A 48-Hour Drive

All Enthusiastic To Do Big Things

Sales Army Thanked By Simpson, Evans And Other Leaders

Success was written in large letters at the Victory supper (vicinity spelled with a capital V) of the Seminole County Chamber of Commerce at the close last evening of its 48-hour membership campaign.

A goal of 800 members was sought. A total of 824 was reported at the supper. And there are more to come, possibly 200 more, in the opinion of T. K. Simpson, president of the organization.

It was an enthusiastic company of men and women who gathered in the Chamber of Commerce Building for the Victory supper. Enthusiastic success they had won on a night fight and accomplished what some had forecast was impossible—to reach the goal of 800 members for the trade body.

A breakdown on which had been drafted preliminary reports was set up behind the speakers and copies of the "copy" were called in for the final report. President Tom Simpson was being applauded and making the report by 10:30 or so.

Division H. "Colonel" H. H. Coleman, also reported more than 200. "Captain" W. A. Laffler's company obtained 234 members. "Captain" Otto Caldwell's company got 122, and a report of 10 by "Captain" W. B. Ruckey's company was made, even though the captain was H. T. Caldwell's wife.

Division C included only two members of 1111th St. "Captain" F. K. Whitman reported 25; Fred E. Wilson reported 10 for "Captain" C. M. Bell's company. "Captain" C. E. Brown closed the breakdown from five for his company to 10 and "Captain" W. H. Miller reported 10 for his company to 10. The total reported for the drive was 824.

Leadership Men Named As Odd Fellows Head

ARADAMA, Apr. 21.—J. E. Ferguson of Lakeland was elected president of the Odd Fellows lodge at Lakeland, Fla., at a meeting held last evening. The lodge was organized last evening. The lodge is the first of its kind in Lakeland.

"We Have Faith In Your Faith In Your County," Says Tom Simpson

"We have faith in your faith in your county."

This was the slogan adopted at the beginning of the annual Seminole County Chamber of Commerce membership drive on Thursday morning, Apr. 16. That faith was fully justified at the "Victory" supper last night when a total of 824 memberships were turned in, and several more not yet heard from. We think this clearly indicates that the citizens of Seminole County are vitally interested in their Chamber of Commerce and are willing to co-operate by becoming a partner with over 800 others in this organization, that they feel by a united and concerted action they can do much toward the betterment and development of our county.

On behalf of the Board of Directors, I wish to thank each and every one for their participation in our organization. The workers in the "Sales Army" deserve the highest praise and credit for their wonderful work in getting over a successful drive in the face of adverse conditions, and I would like to extend my personal thanks and appreciation to all in the county who have so willingly contributed toward the success of the drive.

Stockholders, Others Lake Mary Children Invited To Attend The Annual Session

Annual meeting of the Co-Operative Farm Loan Association for Seminole County will be held in the Court House in Sanford, tomorrow morning at 10 o'clock, and stockholders and others interested are invited to attend.

The present officers are: J. J. Kelly, president; John H. Kelly, secretary; J. A. Brown, treasurer; J. A. Brown, secretary; and J. K. Anderson, secretary.

It is expected that H. F. Smith, former president of Sanford, but now residing in Columbia, S. C., will address the meeting.

Approximately one-fourth of the total loans made in Florida are in the Sanford Unit. This county has the largest amount of outstanding loans, about three and one-half million, Orange county second, Hillsborough county third, and Seminole county fourth.

Government reports show that the Sanford unit has the best repayment record of any unit in the United States. This includes the states of North Carolina, South Carolina, Georgia, and Florida. The department today has more than 5 percent.

Rescue Nears Germans Build Entombed Men Line Of Steel Along Borders

Supreme Effort Made To Reach Trapped Pair 141 Feet Below The Surface

MOOSE RIVER, N. S. W. Apr. 21.—(AP)—Although two men trapped in a gold mine had indicated they were prepared for death after nine days of suffering, hope that they might yet be rescued also before daylight was expressed today. Michael Papp, N. S. W. minister of mines, who is personally directing rescue efforts, stated that a "five hours at most should suffice to reach them."

Four 121 feet below the surface, Dr. D. E. Robertson, Toronto surgeon, had given what was believed to be a "five hours at most" estimate for himself and Charles Alfred Scadding, trapped with him in the depths when Ernest Scadding night. Their companion, Benjamin McGill, Toronto lawyer, lay dead in a narrow corridor toward which mining crews are trying to dig.

In the vanguard of the rescue party went druggists, N. S. W. Sec. 1, skilled mine rescue workers, trained extensively in the art of burrowing through solid rock and have dug to the men caught underground. Although some rescue workers are so exhausted they are operating in 15 minute shifts, some of the druggists remained below more than 10 hours, daily refusing to come to surface.

The entombed men talk with the surface by a telephone line let down through a hole bored by a diamond drill. They are also fed the same way. Beer and food is sent to them.

These men and two grain sips were, born in captivity last night, and four pigeons and four doves were hatched out.

Sharing the attention paid these are residents of the town in a somewhat better captured by a group of Lake Mary children and presented to the attention. The boys made 15 cents and a letter.

Over The Top

Surpassing fondest expectations of even the most enthusiastic supporters, the membership campaign of the Seminole County Chamber of Commerce came to a triumphant close last night with a total of 824 memberships sold. This is 24 more than the goal which had been set, and nearly a hundred less than is expected when all team captains have reported and all deferred memberships turned in.

The splendid support given the Chamber of Commerce by the business and professional men, the farmers, the railroad men and all others, of whom not a group in the country was omitted, is a fitting testimonial to the popular esteem with which President T. E. Simpson is held, a fine tribute to the Chamber of Commerce as a county-wide organization promoting the best interests of all, and adequate proof of the efficient and untiring work of General Evans and his "sales" army.

It remains only to be seen whether the same generous contribution of moral and physical support will be given as marked the financial side to the membership campaign. If every person who joined the Chamber of Commerce will attend meetings regularly, do his part on the various committees, and contribute his ideas toward formulating practical policies, a brilliant future for the newly re-organized Chamber of Commerce is readily assured.

The Chamber of Commerce belongs to each and every one of those who paid their membership fees. It is up to them to make it something of which they can be justly proud.

The Governor's Race

Russell Kay, the diminutive but dynamic secretary of the Florida Press Association, has been doing an interesting job of analyzing the Florida political situation, particularly as it relates to newspaper support of various gubernatorial candidates. He finds that the newspapers on the whole are contenting themselves with a policy of watchful waiting, providing readers with facts, political platforms, and campaign speeches, but reserving their editorial support to a later date.

In this respect apparently the newspapers are not so different from the general public. As Kenneth Ballinger, of the Miami Herald writes, "as far as the public is concerned, the gubernatorial campaign so far has been 'just one big yawn.' In failing to manifest any particular interest in the campaign to date, the newspapers are merely reflecting the attitudes of their communities. Whenever the candidates have spoken, small crowds have turned out. Those who have been here have addressed in most cases less than a hundred voters, and most of them have been local candidates.

There is undoubtedly some very good reason for their apparent lack of interest and it is likely to be found in the failure of the candidates to raise an issue which strikes a popular chord. Platforms for the most part are identical with those of the past dragged out, dulled off and presented in much the same old manner," writes Mr. Kay, "to be accepted by the people as so much hoop and blink blin. Lower taxes, provision for schools, abatement of boards and commissions, no new sources of revenues, no sales tax, anti-administration, reduction in cost of government, with a few new ideas such as Carter's plan to use a hammer for rattlesnakes and Napoles' state lottery."

Under the circumstances it looks as if the next governor of Florida might be selected primarily upon his face value. At the Press Association meeting in Daytona this week a contest has been arranged for candidates with prizes offered for the best in the following qualifications: Baby-Kissing, Hand-Shaking, Back-Slapping, Buck-Passing, Hair-Pulling (for women only), Cigar-Passing, Mud-Slinging, Fence-Straddling, Fronting, and Pass-Footing; and it begins to look as if the people are going to select their next governor in much the same kind of a contest.

At the present time, Mr. Kay finds that Hodges, Faty, and Chappell are generally considered to be among the first three, with some difference of opinion existing as to the right order. However, in some sections, Mr. Kay adds, there is a feeling that Cone, Pettaway, or Carter may be among those who are in the lead. It would seem to us that Carter started out strong but is losing ground, that Hodges is holding up well for so early a starter, that Faty is coming up strong and that Chappell, Cone, or Pettaway might be expected to pull some surprises and be in there at the finish.

SANFORD TWENTY YEARS AGO

With approximately 35 representatives of bond houses in attendance and some 25 miles of the road beds of Seminole County were sold yesterday afternoon to the highest bidder at the Court House. The sale yesterday was most satisfactory in every particular. The bonds sold higher than was anticipated by even the most optimistic, bringing the price of \$282,770 for the lots of \$50,000, or approximately \$1.3 share per acre.

The major Florida bond of T. B. Anderson was sold to him here last week. He was looking over his home place, then known as Colony Acres and experts in came back here to the Fall with his family and article during for life. He has been living for the past year at his home in the State of Michigan.

The Orlando bank was advised this morning Wednesday afternoon that the night before last a \$10,000 bond was sold by the Florida State Bond Commission.

Membership In Rooster Group Well Past 500

(Continued from page 1)

With "Captains" Gus Schmalz, Lake Murray team winning with 27, "Captain" R. E. Tom's Lake Mary Company second with 23 members and "Captain" W. J. Wells Longwood company, with 11, "Captain" Gordon Barnett of Fern Park and "Captain" B. L. Sallie of Altamonte Springs each reported five, and "Captain" John E. Fox of Paola reported three. No report was made for "Captains" Fred Edwards' Forest City company.

Several short but enthusiastic speeches were made by some of the leaders in the membership campaign. "General" Evans, who headed the drive declared that "there is no doubt of the success of Seminole County from now on. Everything in the County is an asset—the farmers, because they have the most money, the railroad, Chase and Company, the Sanford-Orlando Truck Growers Association, the American Fruit Growers, everybody. Now, all we have to do is to get together and boost for everything. The success of the County depends on the Chamber of Commerce, and we won't stand still."

President Simpson told the assembly that it was the first time in the history of the Chamber of Commerce it had reached its goal on the closing day of the drive, but he announced that though the campaign is officially closed he was not going to muster out the "army" for a few days as he is hopeful that about 100 more members can be obtained. A number of persons have not been approached, he said.

"There are not enough words in the English language for me to properly express my appreciation for the work you have done," the president said.

Fred E. Wilson said that a chamber of commerce is essential to every community and should have the support of every citizen. F. W. Talbot of Orlando said that "we are with you and want to feel that you are with us." W. A. Laffler said that the drive was accomplished with less effort than he expected, and W. H. Schmidt said that "we have shown the world we are not dependent on anyone."

CHECKING TWO LISTS TAMPA TRIBUNE

In considering the Two-Job Men situation, we best refrain to check the list of those scold officials with the vote on the slot machine bill in the House of the late Legislature. It will be recalled that on May 20, the House voted 28 to 26 to strike the slot machine clause of the bill, thus defeating it. It was said that strong influence was exerted to change the attitude of the representatives toward this interesting piece of legislation. However it was done, the attitude was changed overnight. The next day, enough members had altered their position to bring a re-consideration of the vote-killing bill and on final passage, the bill was passed 44 to 26, thus licensing and legalizing the slot machines. A majority of 14 against the bill was converted into a majority of 12.

We find that 17 of the Two-Job Men voted against the motion to strike the slot machine clause; and that 14 of them voted most day to pass the bill. To the vote for the bill May 21 was added one of the four Two-Job Men who voted against it May 20, while two others who voted against May 20 were absent May 21, thus not maintaining their opposition of the day before. As a whole, though, the Two-Job Men stood in support of the bill on both votes, while one of these dual jobholders actually said two by reference changed their position overnight.

A check of the two lists—that of the Two-Job Men and that of the slot machine vote—indicates to what extent the two-job policy has operated and can operate in shaping legislative action to the executive will.

Barkeep Mixes Drinks 29 Years Won't Taste 'Em

SOUTH BEND, Ind., Apr. 21.—(AP)—For 29 years Vic Lavis has been mixing drinks all the way from floppy Joe's in Havana to South Bend, but he has yet to taste one of his own concoctions.

If it wasn't for a glass of beer every two or three years, Vic says he would qualify as a total abstainer. He has been two years since his last glass, but he figures he may quit altogether if the coming summer gets too warm.

Vic was born in Vienna about 60 years ago. He speaks English, German, Bohemian, Hungarian and Polish and says he can swear in Spanish. He picked up the latter at floppy Joe's in Havana, where, he says, it was hot enough "to make anyone do a little exclaim", even if he had to learn the language of the country.

Newadays Lavis is head bartender in a South Bend hotel. From his point of vantage, he says people on both sides of the bar are going to have to learn how to use liquor or prohibition will come back.

Vic leased his trade in Chicago while waiting for a job as court interpreter. Later he served a liquor establishment in LaPorte, Ind., converting it into a restaur-

Townsend Plan Members Show Faith In Plan

WASHINGTON, Apr. 21.—(AP)—A Townsendite member of the House Committee investigating the \$200-a-month pension organization said a secret poll of Townsend clubs was giving a unanimous refutation of charges that poor people have been deluded out of their nickels and dimes.

The statement came from Representative Tolson (D. Calif.). He said affidavits already had been received from 1938 clubs in 44 states and that they proved "full participation in this great movement has been purely voluntary."

"There isn't a single one to indicate," he added, "that they were forced to contribute a dime—just one!"

The affidavits have been coming in at the rate of "200 or more a day," Tolson said, since Dr. F. E. Townsend, originator of the plan, sent out a "special bulletin" on Apr. 3 asking the clubs to "substantiate" his claim "all contributions have been purely voluntary."

Tolson said the 1935 affidavits represented "the view of approximately 750,000 Townsendites when prohibition went into effect. He went to Havana in 1925 and returned to this country with hopes.

Sniffers' Probe
Beneath Buildings
For Leaking Gas

DALLAS, Tex., Apr. 21.—(AP)—Solomon has found no "substitutes" for the common use of a detector of leaking gas, says a Dallas utility.

Gas sniffers, known as members of the bar gang, constantly probe under Dallas streets and buildings for leaking gas. They drive a bar down to a gas main, withdraw it, put the sniffer in the outlet and take a lusty whiff. They can tell instantly if all is well.

The professional sniffer has perfected his art to the point where he can distinguish between natural or artificial gas, they say.

Rotary Clubs of Florida To Meet In Tallahassee

(Continued from page 1)

New governor will take office July 1.

The governor is picked for his willingness to give a great deal of his time to Rotary affairs, visiting each of the clubs in Florida, to inspire them to greater activity along the lines mapped out in the objects of Rotary.

A number of entertainment features are being planned by the Tallahassee Rotarians with the assistance of their ladies who will act as hostesses to the hundreds of visiting ladies.

"We are expecting this year's conference at Tallahassee to be one of the best in the district's history," said Conference Secretary J. Edwin White of Tallahassee. Rotary the world over is making great progress in growth, having now the largest number of members in the history, forming more clubs and extending an increasing influence.

It is in the hope of President J. H. Johnson of Rotary International to emphasize this year the responsibility of the individual Rotarian in all of his daily activities, so that every member will be able to contribute to the advancement of a better world understanding through Rotary and to help to provide a most successful Rotary Conference at Tallahassee.

Michigan In Park Relays This Week

ANN ARBOR, Mich., Apr. 21.—(AP)—The first time in more than 20 years the Michigan Relay team will be competing in the state meet in Philadelphia, Pa., Saturday and Sunday.

The Wolverine promoters of the big meet, which will be held at the University City track in Philadelphia, are hoping to see the Michigan team in the best form.

The Michigan team, which is made up of 11 athletes, was selected by the state relay committee in a preliminary meet in Ann Arbor.

How would you like to knit on 420 needles?

Isn't 420 all at once? That's the way your stockings are knit ... on a whole row of tiny needles and no single is a needle like the teeth on a comb. If you're wearing a 42-needle stocking, there were 42 needles to every 1 1/2 inches of stocking width. That would make 66 needles to knit the regulation width of stocking.

But that it is easy to cut off a few needles at each end of the needleboard. That gives thread and safety for the needleboard. So it also makes the stocking narrower. You don't actually get the difference in the stockings after the finished but looking one is not much more than to look at the difference. But what you try it on ... the light and shade difference.

Review Is Planned To Benefit Orchestra

How much do you know about the Seminole High School orchestra? Let's make its acquaintance!

There are 13 members: Daphno Tackach, Nancy Rosetter, Lewis Wright, Ernest Southward, Doris Jackson, Elizabeth Wittington, Arline Richter, playing violin; Mark Palmer, saxophone, Robert Herndon and Harry Joe Minarik, cornets; Helen Chapman and Bobby Shaffer, drums; Edith Singletary, piano. They practice an hour before school every Thursday morning. T. M. Deillon, who lives in Fern Park, gives them this hour as well as another one for chapel on Thursday morning, when the orchestra plays a professional and recreational. They have purchased and completed payment on a splendid bass drum, which belongs to the school, and they are now making payments on a tuba (you know one of those big bass instruments in which the music goes round and round).

In hopes of making enough proceeds to finish paying for the tuba by the end of the year, the orchestra is sponsoring a musical review at the High School auditorium, Thursday, Apr. 23. It is a varied program consisting of vocal and instrumental solos, dances, and orchestra numbers, and it is the hope of every member of the faculty and student body that you town's people, who have never failed, yet, will co-operate in helping us make this worthwhile project a success. All student tickets are fifteen cents, adult tickets twenty-five cents. The program begins promptly at 8:00 P. M., Thursday, Apr. 23.

Winnie Mae Harrison Weds Lucien Telford

Announcement was made today of the marriage of Miss Winnie Mae Harrison, daughter of Mr. and Mrs. O. B. Harrison of this city, to Lucien M. Telford, also of the city. The ceremony was performed Sunday afternoon by Dr. Murphy of the Methodist Trinity Church at his home in DeLand.

HAMM KIDNAPING PINNED ON OLD KARPIS GANG

The mysterious kidnaping of William A. Hamm, wealthy St. Paul, Minn., brewer, in 1933, was pronounced solved by the Department of Justice with the arrest of three alleged conspirators and the announcement that Alvin Karpis, infamous gangster, was the leader. Edmund C. Bartholmey (upper left), postmaster at Bonaville, Ill., was seized on a charge that he permitted his house (center) in Des Moines to be used for holding Hamm captive. Jack Peffer (upper right) of St. Paul was arrested as the "finger man" and Charles J. Fitzgerald (lower right) was seized in Los Angeles as another conspirator. Others named as the kidnapers included Karpis (lower left), Arthur (Doc) Barker (second from left below) and Byron Bolton (second from right) who is now in jail in St. Paul. (Associated Press Photo)

Sanford Comeback Surprise To Reds On DeLand Field

Fans Blamed Umpire As Making Mistake In Calling Man Out

Making a remarkable comeback in their second game of the series, and the second with the heavier DeLand Reds, the Sanford Lookouts of the Florida State League lost yesterday's contest by only one run. The score was 4 to 3. The game went ten innings.

The score pad showed that the Lookouts made six errors, but according to the fans who saw the game it was one error by Umpire Graham on bases that lost the game to the Sanford Club. It was in the eighth inning with a double play on that Ump called Sloane, Sanford center fielder, out on a close play at the home plate. The umpire was given a chorus of boos by the fans, and players protest as the decision, but the decision was made and Graham could, or would, not change it.

Cates' double in the sixth ended Bonner, who reached first on an error, to tally Sanford's first run. Kinard, who singled, made DeLand's first run in the seventh when Cates threw wild to first trying to catch Bunch.

In the tenth, Sanford hit two on with only one out, but Bunch struck out Wagner and Bistruff hit a grounder to Bollong who beat him to the bag. Bollong, who made DeLand's winning run, reached first when he was hit by one of Vesel's offerings, advanced on Malesky's sacrifice, and came home on McParlane's single to center.

Though it was the first game of the season in DeLand, the attendance was small. Officials expressed the opinion that DeLand's 25 percent share of the receipts of Sunday's game in Sanford will

'Bettor's Folly' Make Pools Problem At Arlington Track

ARLINGTON DOWNS, Tex., Apr. 21.—(AP)—What happens to money that racing fans fail to collect after losing or accidentally destroying winning mutual tickets?

This became an important question here when Imperial High, a long shot, was incorrectly posted as the winner of a race when Thistle Genie actually was ahead in a tight finish.

Judges depended on the jockeys' silks to determine the winner in a quick decision, checkup showed Imperial High finished seventh in a field of twelve. A few minutes' delay in posting the real winner followed.

Many good win tickets on Thistle Genie had been torn to bits or scattered on the ground. Fans have very little recourse after destroying tickets.

The Texas Jockey Club has approximately \$10,000 in a reserve fund—money unclaimed during the five meetings at Arlington Downs. Much of that sum was gained during the earlier meetings when fans, unfamiliar with racing, de-

Giants Lose And Dizzy Wins First Victory Of Year

New Yorkers Make 5 Errors And Drop Game To Phillies

NEW YORK, Apr. 21.—(AP)—The Otis' second home run of the year with two on in the ninth failed to offset five errors yesterday and the New York Giants lost their first game in six starts falling before the Phillies by the score of 7 to 4.

Four of the Giant's errors gave the Phils an easy, unearned run, two while Clyde Clanton was on the mound and the other two after he had been relieved by Dick Coffman. Johnny Vergez, former Giant, accounted for another of the runs with a homer in the seventh.

Dizzy Wins Game

ST. LOUIS, Apr. 21.—(AP)—A booming double in the ninth inning by Manager Frankie Frisch that sent three runs across the plate, followed by an error and a single by "Ducky" Medwick for two more scores gave the St. Louis Cardinals an 8 to 7 victory over the Cincinnati Reds here yesterday.

No Trouble To Get 6 Teams In Legion's Junior League, Morris Tells The Veterans

Herman Morris, principal of Sanford Junior High School, told the American Legion last night that there will be no trouble at all in organizing a six-team Legion Junior Baseball League among the older boys in the two high schools. The boys are ready and anxious to play, he told the veterans, and are looking to the Legion to take the lead and help them organize and "get going." It was whispered around a few days ago that the Legion might back such a league and since then, Mr. Morris said, his office has been besieged by kids in both schools, pleading to sign up.

These older boys are now playing in sand knee deep without umpires or sufficient equipment and no help. They have the nucleus of five teams, but these can be filled out and a sixth added with no delay, in the opinion of the Junior High principal, if the

Vets Will Back Organization Of Teen Age Teams

Declared To Be Most Worth-While Work Ex-Soldiers Can Do

The Sanford Post of the American Legion will sponsor another Junior Baseball League in Sanford, one composed of boys between the ages of 13 and 17 years. Decision to back such a league was made by unanimous vote of the post membership last night, and Commander Lloyd F. Boyle was instructed to form a committee of veterans and others who will "see it through"—provide team managers and umpires and arrange the schedule. The Legion will furnish equipment for the six clubs in the new league.

Arthur Bhaman, member of the Legion and leader in Boy Scout activities, took Herman Morris of the Junior High School to the meeting of the veterans, and the two explained the whole proposition. Mr. Bhaman and Commander Boyle told of the interest taken nationally in American Legion Junior Baseball Clubs, and the former declared that in his opinion the backing of such a league would be the "most worthwhile work the Legion could undertake." He told of what the Sanford Lions Club has done for 13 years in sponsoring a baseball league of little boys. "But after a boy reaches the age of 13 there is nothing for him to do," "It is up to us," he said, "to provide them with good, clean sport."

Turnout Of Half-Million Players For Legion Junior Baseball Is Prophesied

INDIANAPOLIS, Apr. 21.—(AP)—The rumormongers, to "play ball" will be answered by half a million youngsters or more this season on the diamonds maintained all over the nation by the American Legion for its junior baseball teams.

More than 500,000 participated last season, and Homer L. Chalmers, director of the legion's Americanism commission, sponsoring the program, declares there is to be a bigger turnout this year.

Most illustrious of the graduates of legion competition, which was inaugurated 10 years ago, is Phil Cavarretta, 19-year-old first baseman with the Chicago Cubs. Phil pitched National Post 497 to the legion championship at New Orleans in 1933.

Major league baseball contributed \$20,000 for expenses of the junior tournaments this year, making a total of \$250,000 the American and National have appropriated for legion competition since 1928.

Several changes in playing rules and the method of tournament play are being launched. Boys eligible for the teams must be amateurs who have not attained their 17th birthday before Mar. 31, 1936. They will have to prove it, too.

There will be 24 regional tournaments, with two-state winners taking part in each. There will be three sectional tournaments, with eight regional winners participating in each. Tournaments will be played in the home city of one of the contestants.

Tourney drawings in the southern region follow:

Texas, vs. Louisiana; Missouri vs. Arkansas; Mississippi vs. Tennessee; Florida vs. Alabama; Georgia vs. South Carolina; West Virginia vs. Kentucky; Virginia vs. North Carolina; Delaware vs. Maryland; District of Columbia vs. the winner of the Delaware-Maryland game.

Lookouts Play Daytona Today, Here Tomorrow

The Sanford Lookouts play the Daytona Beach Islanders in the beach city this afternoon, not return to Sanford tonight for games on the home field tomorrow and Thursday. They play Daytona Beach here tomorrow and St. Augustine here on Thursday.

From the result of yesterday's game between Daytona and the Gainesville G-Men, the Lookouts would have a battle on their hands today. Daytona defeated the G-Men yesterday 12 to 7, scoring 12 of their runs in the last two innings.

Flier Hurt As Plane Crashes And Explodes

Hits Power Line At Lake Mary While Aviator Was Diving Orange Grove

Stathman Falls Clear Of Wreck

Injured Man Rushed To Hospital Here, Condition Is Critical

Hitting a low-lying power line, Dick Stathman, flying an old plane, crashed near Lake Mary today. The plane exploded and was destroyed by fire and the aviator was severely injured. He was rushed to the Fernald-Laughton Memorial Hospital in Sanford where surgeons worked over him for hours. X-ray pictures taken this afternoon disclosed two fractures of bones in the face. It is believed that he was injured internally. It was reported at the hospital that he suffered severe lacerations and was weak from loss of blood. His condition was described as critical. When the plane crashed it is evident that Stathman was thrown clear, as the plane rolled over several times and exploded and burned about 60 feet from the spot where it crashed. Stathman was able to walk nearly a block before he collapsed. The aviator is a man about 30 years of age and was flying a plane for the Dr. P. Phillips Company of Orlando, engaged in testing various types of aircraft. It was necessary to fly low, and it is believed he failed to see the power line, or did not see it in time to prevent the crash. Stathman's home is in Daytona Beach.

Price Of \$5,000 Placed On Head Of Alvin Karpis

Attorney General Of U.S. Offers Reward For Information

WASHINGTON, Apr. 22.—(AP)—Attorney General Cummings today placed a price on the head of Alvin Karpis, public enemy number one, and his limping pal, Harry Campbell. Cummings offered a reward of \$5,000 for information furnished to any representative of the Federal Bureau of Investigation which results in the apprehension of Alvin Karpis and \$2,500 for similar information leading to the arrest of Campbell. Karpis was named Saturday as one of the plotters in the kidnaping of William A. Hamm, Jr., St. Paul, Minn., brewer, in June, 1933. He previously had been sought for questioning in connection with the \$200,000 kidnaping of Edward G. Bremer, St. Paul banker, on January 17, 1934. Campbell is wanted for kidnaping Bremer, under an indictment returned by the grand jury at St. Paul. They are the last remnants of the notorious Barker-Karpis gang.

Shinholser Is New President Sanford Bank

Chosen As Successor To Feitner; Ingley Re-Elected Institution's Executive

B. O. Shinholser, mayor of Sanford, was yesterday elected president of the Sanford Atlantic National Bank, succeeding the late Peter J. Feitner. He has been a director of the bank since it was organized in 1923 and his election was by unanimous vote. J. L. Ingley, executive vice-president of the bank, remains in that position. The remainder of the official staff includes George W. Frazer, vice president; Arthur Branam, cashier; and A. L. Betts, assistant cashier. The election of Mayor Shinholser to the presidency of the local financial institution as looked upon as a deserving compliment paid him by the directors of the bank, as he is considered one of the outstanding citizens of the County. He is a prominent crane manufacturer. Mayor Shinholser was largely responsible for the delegation sent by the Chamber of Commerce to Jacksonville several years ago to urge Edward W. Lane, chairman of the board and president of the Atlantic National Bank, to establish a bank in Sanford. Mr. Lane attended the meeting of the board of directors and stated he was highly pleased with the success of the bank and the splendid development of the territory surrounding the city. He predicted continued growth of Sanford and Seminole County. The Atlantic National of Jacksonville, with which the Sanford Atlantic National Bank is affiliated, is Florida's largest financial institution. Suitable resolutions on the death of the late Peter J. Feitner, president of the local bank, were passed at the meeting.

Local Units Given Highest Rating At The Last Inspection

Major Hugh T. Mayberry, of the regular United States Army, is in Sanford today and tomorrow to take charge of the annual inspection of the three local units of the National Guard, Company D, the Medical Detachment and Headquarters Company. Inspections of headquarters and medical companies will take place this afternoon and tonight. Company D and the machine gun outfit will be inspected tomorrow. All inspections will be at the armory. Major Mayberry is stationed at Brunswick, Ga., and is the Army's inspector of all Georgia National Guard posts. He is now engaged in the inspection of the entire 124th Infantry of Florida. The three local units are a part of that infantry. At the inspection last year the local guardsmen were given a satisfactory rating. According to Guard officials there is only one other rating, and that is "unsatisfactory," and if a company is found unsatisfactory it is given 60 days to improve itself or disbanded. Guardsmen in Sanford have always passed the inspections with high ratings.

Praise, Denunciation For Tax Program

WASHINGTON, Apr. 22.—(AP)—Dispute over a new tax program dominated the capital scene today. Estimating revenue from the bill at \$203,000,000 a year, Democrats of the House ways and means committee said it would correct the "greatest defect in our present system of taxation." Committee Republicans denounced the plan as a "vicious" threat to the "stability of business and employment."

President At Rites For Col. Louis Howe

WASHINGTON, Apr. 22.—(AP)—President and Mrs. Roosevelt accompanied the body of the presidential secretary and aide, Col. Louis M. Howe, to his burial at Fall River, Mass.
