Commercials By Sen. Dirksen Top TV Special

WASHINGTON (AP) - Sen. Everett M. Dirksen is on his way toward becoming one of the most widely viewed commercials of the congressional election campaign.

Dirksen, the Senate Republican leader, already has taped 30 television and radio spots, ranging in length from 20 seconds to five minutes, and has a score more to do before he makes his painful way to Walter Reed Army rospital next week. Each of these is an individual

effort, rather than a general appeal, in which the candidate's name is dubbed in. In these commercials for Republican candidates for the House and Senate in the Nov. 8 elections, the tousled-haired Illi-

nois senator is putting forth his As a gracticing thespian who quotes from the Bible and Shakespeare at the drop of a hat, Dirksen is an eye-roller and a hand waver who never fails to claim attention. He also is a very practical politician who knows where the votes are. when to go along with President Johnson and went to fight him. While Johnson is off touring Asia and attending the Manila summit conference, Dirksen will be in the hospital having 15 steel pins removed that have

He predicted the Republican will pick up seats in Tennessee where his son-in-law, Howard H Baker Jr., is the party nominee, and in Illinois, Montana, Oregon and possibly New Hampshire. He said he was sticking to his previous prediction that his party would gain 75 House seats.

Traffic Dangers To Be Discussed In Tanglewood

By JANE CASSELBERRY The problem of speeders and careless drivers, as well as the dangerous Turkey Farm intersection of Lake Howell Road and Howell Branch Road, have prompted the inviting of Sheriff Luther Hobby as guest speaker Sunday when the Tanglewood Area Civic Association meets at 7:30 p. m. at St. Richard's Episcopal Church. A Lyman High School girl

struck several weeks ago by a car while walking to the bus stop along the shoulder of the road with her sister, is said to be still in a semi-coma. Main item on the agenda will be the election of association of ficers for the coming year. Officers nominated by the committee include Charles Deneen. president; Harlan Tuck, vice president; Mrs. Dorothy Porter, secretary, and Fred Staly, trea-
