

### Open Session League Council Is Abandoned

(Continued From Page One)

degree of master of arts.

Italy Premier Laval of France and Anthony Eden of Great Britain held yesterday evening.

After the final meeting, Laval told French newspapermen he was still awaiting word from H. Duce, who had been adamant to his ear her telephoned plea to accept peace formula involving an Italian pledge not to go to war against Ethiopia during peace negotiation.

News that an accord had been reached was announced formally last night by J. A. C. Avenol, League secretary-general, at the end of the dinner he gave the council members.

The fact that Avenol had approved the draft was deemed significant by observers. It was felt that he would not give preliminary approval unless his chief, H. Duce, had indicated he would sanction the action.

Mussolini's approval or disapproval of developments last night was not expected to be made public before the meeting in the morning.

Mussolini seemingly won several points in negotiations last night. The Ethiopians, according to information from French circles, will not participate in the projected political negotiations which will be confined to England, France and Italy. Ethiopia will be dealt with through regular channels, if the revised plan is put in to effect.

Furthermore, it was understood the council resolution would not refer to these political negotiations. If this proves to be true Mussolini has succeeded in divorcing the projected negotiations from the League of Nations. It was pointed out.

It was understood also that the draft calls for a reorganization of administration, making a union of the Italian, Ethiopian, and other territories non-resident to force and to suggest that the League of Nations should exert its influence on the termination of the war.

It was understood also that the draft calls for a reorganization of administration, making a union of the Italian, Ethiopian, and other territories non-resident to force and to suggest that the League of Nations should exert its influence on the termination of the war.

### UTILITY BILL FUTURE HELD AS IN DOUBT

(Continued From Page One)

The House hasn't the right authority to tell the Senate what should be done as to the conference, nor has the Senate the right to tell the House," he said. "The presence or non-presence of an individual means nothing."

It was apparent that the senators intended to stick to their position. By yesterday's action, the House conferees were bound to do so—all five of them—although previously only three had taken that stand. Wheeler said the Senate group would meet today to discuss the situation.

The rejection yesterday of what many members term the "death sentence" for holding companies followed by exactly a month the previous House vote of 216 to 146 against this clause. The majority of 70 was not at that time had divided yesterday to 55. The ballot last month was by tellers, with no names recorded. Yesterday's was a regular roll call vote.

### CITY BRIEFS

(Continued From Page One)

The floods, it was reported here today.

A couple who identified themselves as Mr. and Mrs. Reginald Holly of Sanford were in Memorial Hospital at Fort Lauderdale Wednesday being treated for cuts and bruises received Tuesday night when their car collided with a Gulf Refining Co. warning light sign on the highway north of Fort Lauderdale. Police are reported as having said that the driver of the car in which the Hollys were riding left the scene of the accident shortly after it occurred without reporting to authorities.

Karl Lehmann and J. L. Marente, who were attending a joint meeting of Rotary and Kiwanis Clubs where the proposed St. Johns-Indian River canal plan was discussed by Mr. Lehmann, George W. Gibbs and Arthur Solles of Jacksonville. Among the objects displayed at the meeting were a series of maps showing the location of the two locks which are supposed to control the waters and off-set any possible objection by lower east coast authorities. A similar meeting will be held Tuesday at Cocoa and among those from Sanford planning to attend are H. M. Parrott, Stan Dall Chase, H. J. Coleman, Fred T. Williams and Wm DuBoise.

State Senator J. J. Parrish of Titusville has been elected as president of the Townsend Club at Titusville it was learned here today.

Annual meeting of the stockholders of the Sanford-Oviedo Truck Growers Inc. held in the Court House tonight at 8:00 o'clock. J. J. Holly will preside as head of the organization and election of officers is to be a feature of the meeting.

Hayward Walker of the Sanford Creamery Co. today was displaying proudly a brand new cream and dairy product delivery truck which is the last word in transportation of this type. The truck is only a part of a large quantity of new equipment recently purchased by Mr. Walker for his organization.

A meeting of the Sanford Chamber of Commerce Wednesday night at 8:00 o'clock in the Chamber of Commerce building. The meeting was presided over by J. J. Holly and was attended by a number of the city's business leaders.

Sanford amateur golfers today at the Sanford Golf Club. The course in Deland was the scene of a tournament sponsored by the Central Golf League. Golfers from New Smyrna, Daytona, Orlando, and Deland also are expected to participate.

Lightning accompanying thunder showers falling in this section on Tuesday and Wednesday struck two homes but caused total damage set at less than \$50, it was reported at the Fire Station today.

A bolt of lightning struck the home of Mrs. Moore on Celery Avenue Tuesday afternoon, causing damages approximately about \$20. Yesterday afternoon a bolt of lightning hit the Winn home at 2629 Willow Avenue, occupied by Gus Carpenter. The damage was considered as slight although both the home and garage were set afire.

### STATE LEGISLATORS Drafting Rules For City Uniformity

JACKSONVILLE, Aug. 2. (AP)—A ten-member committee of state legislators yesterday agreed upon tentative classification of the state's cities and towns for the drafting of uniform charters.

Into the metropolitan class of the seven groups come Jacksonville, Miami and Tampa. Florida's three largest cities.

In the next, which covers population of 40,000 to 100,000 St. Petersburg stands alone.

Five cities are in the 20,000 to 40,000 class: Pensacola, Orlando, West Palm Beach, Lakeland and Daytona Beach.

A classification embracing cities of 10,000 to 20,000 population includes Maitland, Kissimmee, Sanford, St. Augustine, Fort Myers, Sebring, Leesville, and Titusville.

The fifth, with a population ranging from 5,000 to 10,000, includes Titusville, Fort Pierce, Deland, Bradenton, Bartow, Winter, Hialeah, West Winter Park, New Smyrna, Lake City, Lake Wales, Leesville, Arcadia, Quincy, Maitland, Kissimmee, Park, Apopka, Ocala, Homestead, Palm Bay, Kissimmee, Hialeah, Palm Bay, West Palm Beach, and Homestead. The sixth, which includes cities of 2,000 to 5,000 population, includes Deland, Deltona, and Titusville.

### Chicago Police Nab Mutilation Suspect

CHICAGO, Aug. 10. (AP)—State Attorney Thomas J. Ryan announced the arrest of Max Zeng, 26, on charges of mutilating the body of a young woman.

Zeng was arrested at his home in Chicago on August 10.

Zeng was arrested at his home in Chicago on August 10.

## Welfare Fund Found Without Cash

### Welfare Reports That Legislature Failed To Make Provision Needed

DAVENSVILLE, Aug. 3.—(AP)—Conrad Van Hyning, emergency relief administrator, said the recent legislature had not appropriated \$100,000 a year, as provided, to finance the work of the state's new welfare board.

Legislature intended to provide the money," he said, "but the fact was so well known that everybody thought it would be followed through."

There is no provision for the fund in the legislature's bill as it is understood it would be administered by the welfare commissioner. The bill was discovered only last week ago.

The bill and Chester B. Florida works progress administrator, would go to Wash-

ington, D. C., to be considered by the House Committee on Education and Labor.

The bill also reported that the welfare law was enacted by the legislature in Tallahassee, the Legislature would consider it a contribution to the recovery and it would continue to be paid from state funds.

CONTRACT AWARDED  
DAVENSVILLE, Aug. 3.—(AP)—The Port of Central Florida, Inc., awarded a contract to the Spaulding Construction Company of Jacksonville for the construction of a lock in the Caloosa river.

## GEORGIA JUBILANT AS TOBACCO GOES ON AUCTION BLOCK

Here's a pictorial story of Georgia's 1935 tobacco crop, the first to go to the auction block in this country. The tobacco is shown first in a field where Dolly Mitchell and Eleanor Kelley of Tifton inspect the ripened leaf that soon will be on its way to the warehouse to go under the auctioneer's hammer. Next, a load of the golden leaf comes from a field near Tifton, with Eleanor Kelley and Helen Smith riding the cart. The tobacco is then taken to a curing house, as demonstrated by Dolly Mitchell and Katherine Parker, Tifton girls. And, at last, the leaf is packed in hampers and ready for the auction, as shown by Helen Duncan, Caroline Williams and Kate Wisenbaker at Valdosta. Fifteen youth Georgia tobacco were exhibited at the 1935 crop, estimated at \$0,000,000 to \$5,000,000 pounds, was placed on sale. Opening sales brought an average of 20 to 25 cents per pound, as compared with last year's average of 18 1/2 cents. (Associated Press Photos)

Johnston confessed robber Reno, Nev., and Klamath Falls, Ore., was taken from his cell exactly 12 hours after the funeral of the police chief he is accused of killing Monday.

## Crosser Railroad Pension Bill Gets House Body Okey

### Committee Seeks To Build Relief System For Employees

WASHINGTON, Aug. 3.—(AP)—The House Interstate Commerce Committee sought yesterday to build a temporary railroad pension system in place of the one that was wrecked by a Supreme Court decision recently.

It submitted a favorable report on the Crosser railroad pension bill, adding an amendment requested by President Roosevelt for a special investigating committee to study permanent legislation and make recommendations to Congress by Jan. 1, 1936.

The old Railroad Retirement Act which the Crosser bill seeks to supplant, required that railroads contribute four percent of their total payrolls and that employees pay two percent of their wages into a retirement fund.

The Crosser bill sets a plan for the same proportional contributions, but leaves to a companion bill, which must originate in the Senate, the details of the system.

1,138,000 Persons Are On New Deal's Monthly Pay-Roll

WASHINGTON, Aug. 3.—(AP)—The New Deal's payroll has reached an all-time high. It was revealed yesterday in government employment figures issued by the civil service commission listing the 1,138,000 civil employees, including 427,329 members of the Civilian Conservation Corps.

This is approximately double the number of government workers at the time President Roosevelt took office. It is more than 200,000 greater than the number of workers employed by the government at the time of the armistice—817,760.

The commission's report on Feb. 28, 1933—the last under President Hoover—showed the total number of civil workers to be 562,487. The CCC's only claim, running up the number of employees is the postal service, which hires 228,000 persons.

SAYS LEADERS NEEDED  
DELAND, Fla., Aug. 3.—(AP)—Dr. W. S. Allen told Boston University's graduating class yesterday that the supreme need of America "is a leadership of intelligent and uncompromising courage for the right in every phase of national life."

## Soviet Fliers Speeding To U. S. Via North Pole

### Daring Aviators Are Attempting Non-Stop Flight Across The Top Of The World

MOSCOW, Aug. 3.—(AP)—A Soviet polar plane, carrying three daring aviators on a non-stop flight across the top of the world toward San Francisco, headed across Barents Sea today.

The plane radioed it was heading out over 8,291 mile stretch of water and polar ice and into a zone of continuous polar daylight. At latest reports pilot signalled emergency was averaging about 1,000 m.p.h. "We will continue to hold necessary attitude of 500 meters in order to prevent ice forming on our wings," the fliers announced. "We have every possibility for the successful completion of the flight."

They completed the first major stage of the trip, flying 2,000 miles in 22 minutes for the approximately 200 miles.

If the aviators succeed in speeding the plane to a point just south of the North pole, it will be the first Soviet airplane to reach the North Pole.

Those who reported themselves members, he declared could not be promoted official membership was discontinued by Nazism.

The Masons joined Jews, Roman Catholics, "Steel Helmet" veterans, oppositionist groups in the state Evangelical church, "Socialist" university students, socialists and Communists as objects of a drive that was gaining momentum daily.

Included also were men who had committed "disloyal" offenses of all sorts in the past month or years.

The intensification of the drive was in direct proportion to the multiplication of signs that indicated the drive was spreading.

## Police Chief's Slayer Hung By Lynchers

### Confessed Robber Is Taken From Jail In California By Mob Of 50 Masked Men

YREKA, Calif., Aug. 3.—(AP)—A mob of 25 to 30 masked men dragged C. L. Johnson, 24, from the county jail here and lynched him for the slaying of Police Chief F. R. Daw of Dunsmuir, Calif.

A lone deputy sheriff on duty at the jail was kidnaped, and a bystander was held prisoner until after Johnson, a white man, was hanged from a pine tree near here.

Johnson was fully dressed except for his shoes when sheriff's officers cut him down two hours after the hanging.

Johnson confessed robber Reno, Nev., and Klamath Falls, Ore., was taken from his cell exactly 12 hours after the funeral of the police chief he is accused of killing Monday.

Johnson was brought here earlier in the week when Lynch talk was held in Dunsmuir.

The mob went to the jail, overpowered deputy Martin Lange, bound him, took him into the country and set him free, barefooted.

The mob then ransacked the jail until it found the keys to the cell and took Johnson away.

Johnson had denied killing the police chief who was shot to death when he stopped two robbery suspects.

Johnson said his companion who escaped fired the shot. He said this man was Robert Miller, 30. Johnson was captured ten hours after the shooting.

## Selassie Willing To Accept League Proposal Of Peace

### Ethiopian Emperor Ready To Meet It Duce Face To Face To Settle Dispute

ADDIS ABABA, Aug. 3.—(AP)—Emperor Haile Selassie announced "I have instructed my delegate to Geneva to accept the League's proposals," designed to settle the quarrel with Italy.

As the Emperor signified his agreement to the formula for a renewed arbitration of his dispute with Italy, reports were circulated that Emperor Selassie is ready to meet Benito Mussolini face to face and his native fighters.

Earlier, the foreign office said, the Emperor is ready to meet Mussolini face to face on neutral soil to settle the dispute.

The three-part agreement by France, Italy and Great Britain calls for a resumption of the arbitration proceedings which began down with a deadlocked Italian-Ethiopian commission in the Netherlands recently.

A fifth and neutral member will be added to the commission to seek a peaceful settlement of the whole dispute.

France's Foreign Minister said to revive the Roman empire and put the sleeping League of Nations Council last night with Italian acceptance of a three-part program advanced by Great Britain and France which forestalls League intervention for at least another month.

Ethiopia has not yet accepted the plan but feels free to accept the League and making the small Italian fleet available for a three-part program advanced by Great Britain and France which forestalls League intervention for at least another month.

Mussolini accepted all but the most important point—a time limit for League intervention.

## CITY BRIEFS

Local weather yesterday: High 95, low 74. Barometer reading at noon today, 30.00 and steady.

Times at the beaches tomorrow: High at 10:43 A. M. and 10:46 P. M., low at 1:14 A. M. and 4:42 P. M.

The weather outlook: Generally fair tonight and Sunday.

The City Reflector offers congratulations to Mr. and Mrs. E. E. Shipp (nee Eleanor Staff) on their fourth, and Mr. and Mrs. W. E. Satcher (nee Maude Estimating) on their 17th wedding anniversary, to be celebrated tomorrow.

Congratulations also are offered Mr. and Mrs. E. H. Cullum on their 27th, Mr. and Mrs. Monte Harriett (nee Balle Wright) on their second, and Mr. and Mrs. J. C. Ashton (nee Susan Fay) of Glendale, Calif. on their sixth wedding anniversary, to be celebrated Monday.

Many happy returns are offered Miss Doris Garrett, Miss Roberta Murrell, E. O. Chase, Jr. and others who will celebrate birthday anniversaries tomorrow, and to George Thurston and others who will celebrate anniversaries Monday.

Because John Meier, Sr., is leaving on an early start on a vacation trip beginning Monday, the August meeting of the Board of County Commissioners will begin at 9:00 o'clock Monday morning at the Court House instead of 10:00 o'clock. O. P. Herndon, clerk of court, will be making his first appearance in his official capacity, but it was indicated that little more than routine matters will be presented.

Henry Wills, Jr., third vice-president of the Sanford Junior Chamber of Commerce, will preside at the regular meeting of the organization at the Valdez Hotel Monday night at 8:00 o'clock.

Henry Wills, Jr., third vice-president of the Sanford Junior Chamber of Commerce, will preside at the regular meeting of the organization at the Valdez Hotel Monday night at 8:00 o'clock.

# Buck Burkhardt Returns To Catch For Celeryfed Nine; Leesburg Wins Friday, 3-2

By PETER SCHAAL

Buck Burkhardt, scrappy young Pennsylvanian, who established himself as one of the best catchers in the Central Florida Baseball League before he left here last week for Alabama, is expected to return tonight to rejoin the Feds.

He is bringing with him a hard-hitting outfielder named Wright, and Victor Heigenfind, a curve-ball slugging right-hander who has had unusual success this season.

All three will be in action at Leesburg tomorrow where the Feds will play a double-header starting at 2:30 o'clock.

In addition, Mario Pina, husky Cuban first baseman, was scheduled to arrive from Key West today to take over Sam Mason's job at first base. Mason will leave next week for Alabama to resume his position at athletic director for an Alabama high school team.

Burkhardt's return, plus the acquisition of the three new men and the report that at least five other newcomers may be in Sanford before next Thursday, may be taken as a sign that officials of the club plan to lose no time in lining up a strong club before the Aug. 19 deadline. On that day, no team may sign any additional players for the rest of the season.

It was indicated today that there will be no further experimentation with young players. Good salaries will be offered to men who have been able to deliver, and only players of that type will be sought out from now until Aug. 19.

Either Heigenfind or Doc Harlow will start on the mound in the first game at Leesburg tomorrow, with the team scheduled to work the second game.

To make room for the new players, club officials have released Hiram Smith, Fred Gleason, Lefty Brit and Eugene Warren.

The Feds will play at Deland Tuesday, and will at home Thursday with Cocoa. Sunday work with Leesburg in a double-header and home with Deland on Tuesday week.

While the Feds and Islanders

will be playing a double-header in Leesburg tomorrow, the Cocoa Indians and Deland Reds will be locked up in what should be a classic double-header in Deland.

Jake Baker, winner of seven straight games over Deland, will be on the mound against Earl Porter in the first game, while, if he wins the first game, Baker is expected to start the second game, with Bill Leitz at his opponent. Cocoa has won five straight games from Deland, and a hot battle is expected tomorrow.

The Feds dropped a 3 to 2 decision at Municipal Park yesterday afternoon in a well played game in which the Feds uncovered a mighty good looking pitcher in Jim Mahaffey, Apopka left-hander.

An inability to connect with Johnnie Johnson's offerings while the Islanders hits were the kind haffey for 10 solid and fluke hits led to the defeat. Several of the Islanders hit were the kind which dropped just out of reach of any fielder, and one or two were hits which might have been caught with just a little more effort.

Sanford scored in the first on a walk, Moorehead's error, Salph's sacrifice and Cates' infield out.

Leesburg scored in the second on Coppo's triple to right, and an error by Vill on Bareasi's fly to left field.

The Islanders bunched two more hits for a run in the third. Miller singled with one out and scored on Abbott's fluke double to center.

The last Leesburg run came in the third on two more hits. Hackney hit a line drive into left, stole second and scored on Williamson's single through short.

After that Mahaffey gave up only four scattered hits, and pitched in yesterday's game, and was trouble to get into.

Johnson, in the meantime, pitched through the fifth inning without letting a Fed reach base and after the first inning ran and batted well.

In the sixth and with the count Salph tripped to right, scoring when Bonner bobbled a line out.

Only three Feds got to first after that inning, one on a walk and two on singles.

Five fielding by Sam Mason, Bill Cates, Don Williamson, and Charlie Robinson featured the defensive side of the game, while Williamson's hitting and the general heads-up play of both teams made it a fast and interesting game played before a crowd which paid \$1.00 to witness the off-day game played in the 22.7 to of 10 days ago.

Sanford and Leesburg officials met after the game to discuss a bit, trading involving the Sunday game which had been under dispute. Sanford claimed that Leesburg used Sanford's Sunday game and Leesburg admitted the claim but said that too much publicity had already been given to the double-header in Leesburg in previous years.

However, it was agreed that Sanford should play at Leesburg tomorrow, and that Leesburg would play two games in Sanford on Thursday Aug. 22, day when Sanford is scheduled to play at Leesburg. In addition, Sanford will play at Leesburg Tuesday, Sept. 3, instead of at home.

Dick McLaulin, base umpire since the opening of the season, made his first start behind the plate in yesterday's game and was credited by players and fans alike as having done a capable job in his first assignment.

McLaulin will umpire behind the plate in the first game at Deland tomorrow, with Umpire Elmer Dean scheduled to work the second game.

The box score:

LEESBURG	AB	R	H	E	PO	A
Miller, cf	4	1	1	0	1	0
Abbott, 1b	4	1	1	0	1	0
Coppo, 1b	4	1	1	0	1	0
Larson, 2b	4	1	1	0	1	0
Hackney, 3b	4	1	1	0	1	0
Moorehead, c	4	1	1	0	1	0
Williamson, 2b	4	1	1	0	1	0

# Hawks, Azaleas Win Over Tars, Saints In Loop Play

GAINESVILLE, Aug. 8.—Hank Whiston pitched four-hit ball against the Jacksonville Tars here yesterday afternoon and the Hawks bunched blows against Harry Holcaw to blank the fall-end Tars, 6 to 0, in a North Florida League contest. It was Whiston's 13th win of the season.

Four of the Hawks nine hits were doubles, Zach Smith getting a pair, with Pittman and McMullen cracking out one each.

In the other league contest, the top place Palatka Azaleas won a free hitting contest from St. Augustine in the Azaleas bowl, rapping out 15 safeties off Jake Levy. Cozy Walker, Palatka right-hander, was nicked for 11 by the Saints. Score by innings:
