# County considers future of FP&L site

SANFORD — City residents tired of looking at the abandoned Florida Light & Power building at 301 Myrtle Ave. may not have to wait much longer until it is tren down.

County commissioners Tuesday discussed their options in removing the decrepit building and potentially dangerous liability. The county purchased the Appraised at \$330,000, 'environmental concerns' push offer down to \$69,000

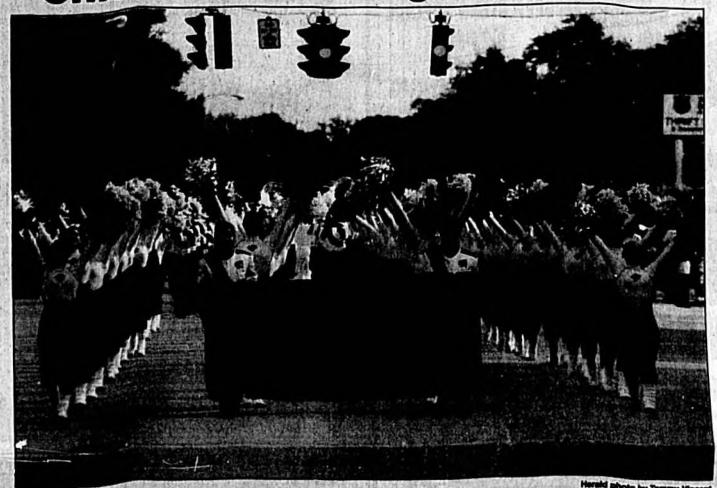

at \$330,000, but during a recent public bidding period only one bid was received. Spolski Construction, Inc.

building and .65-acre lot on Oct. 24, 1994 offered \$69,000 for the property. The reason for the low bid is the hefty price tag of demolishing the building that may also have "environmental concerns," said Chairman Daryl McLain.

Commissioner Randy Morris com- See County, Page 2A

mented that it was "unconscionable" to release the property for such a low price. Commissioner Grant Maloy maintained he would rather see the land be used to help a governmental entity such as the city or school board. The bid period was originally slated to close on Oct. 10, but was extended due to interest by the U.S. Postal Service. That interest is now considered dead.

# Council hosts Front Porch Awareness Day

Free food and entertainment highlight informational meeting

By Marva Hawkins Herald Correspondent

SANFORD - The Goldsboro Front Porch Council will host a ribbon cutting and Awareness Day on Saturday, Dec. 15 from 10 a.m. to 3 p.m. in the organization's office at 1305 West 13th Street near Olive Avenue.

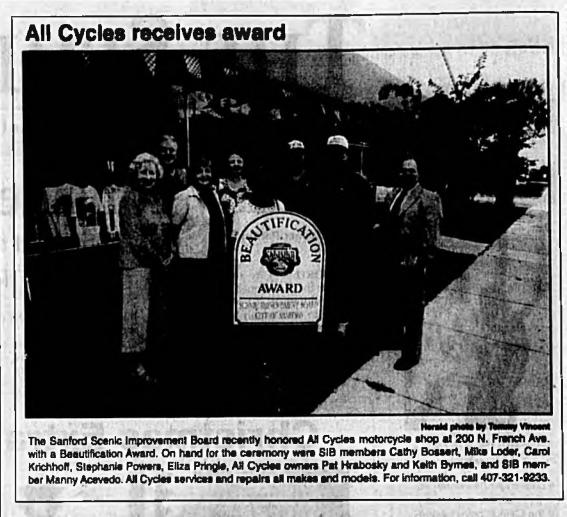

The purpose of the event is to familiarize residents with what Front Porch is and how it can help the Goldsboro Community.

Front Porch is an initiative started by Gov. Jeb Bush to revitalize communities throughout the state of Florida. Goldsboro was selected for the program in May and is one of 12 communities to earn a Front Porch designation.

After being named a Front Porch community, a council of citizen, business and religious leaders

agreed to delay a decision until January, in part to wait for further discussions with Sanford to materialize. The county is looking for a land swap with city.

The county desires propbly near the airport - for public works materials site, said County Manager Kevin Grace.

Coupled with city lake front property near city hall, City Manager Tony VanDerworp said city commissioners have recently talked about having a developer construct owner-occupied condominiums. A similar project has also been discussed for the city-owned parking lot on the east side of the Seminole County

Courthouse. "The developer was requesting some money [from the city] to put up a parking deck as part of the project," VanDerworp said. "I'll be working with county administration with potential land swaps. We need more resi-dential units in close proximity of Main Street."

In other business, commissioners unanimously approved the first mosquito control program for unincorporated county residents.

Commissioners chose the lesser of three programs offered by county staff mainly because none of the commissioners supported starting a new tax for the program.

"I can't see us raising taxes especially when the economy is so bad," Maloy said.

The program will cost approximately \$500,000 and will include spraying every two weeks for five months during mosquito season, speciation and trap counts and aerial spraying for the eastern portion of the county three times a year.

# Raffle continues for playhouse

Habi"tot" Children's Playhouse Holiday Raffle kicked off on Dec. 2, when the playhouse went on display in the parking lot of the Altamonte Springs Wal-Mart, located at 200 S. State Road 434. The playhouse will move to the Oviedo Marketplace through Dec. 22.

Home Depot of Lake Mary donated all the materials to build the sturdy 6 foot-by-6 foot playhouse. The brightly painted playhouse is almost every child's backyard dream, complete with a front porch, windows, gingerbread trim and a working front door.

Tickets for the playhouse are \$2 each, three tickets for \$5, or seven tickets for \$10. They can be purchased on site at the playhouse display or by calling the Habitat office at 407-328-9717. Drawing for the playhouse will be on Dec. 22, and the winner will be notified by telephone.

All proceeds from the ticket sales will go toward building houses for needy families in Seminole County. Habitat for Humanity has built 47 such homes throughout the county since its creation in 1991, and its goal is to build eight new homes in 2002.

# Gift-giving spirit suffers from debt and disrespect

DEAR ABBY: My husband and I are in serious debt — college tuition payments, property tax, car repairs, etc. I would like to tell my husband's grown children and grandchildren we can't afford to give them

gifts this year. My husband says we HAVE to buy them gifts. (I am usually stuck doing all the gift shopping alone.)

Throughout the year, I am included in all family gatherings, but when the grandchildren's pictures are sent, the note is addressed only to my husband. I have never received a birthday or Mother's Day card from any of them. I don't think it's because they consider it disloyal to their own

Dear

Abby

Am I being selfish or is there a point where you can "just say no" to Christmas gift giving?
DEPRESSED THIS DECEMBER

**DEAR DEPRESSED: If your husband insists** on going deeper into debt, tell him that this year HE is in charge of gift buying — as well as managing the bills when they arrive in January.

You are "Depressed" because you are overwhelmed by your financial situation and feel unappreciated by your husband's children. You and your husband would benefit from some sessions with a marriage counselor. It would give each of you an opportunity in an emotionally supportive setting to express what you expect from each other and what you want for yourselves. Ask your physician for a referral. It will be the best Christmas gift you have given yourselves in years.

**DEAR ABBY:** This is in response to "Clothespin Connie on Long Island," whose husband won't shower before bed.

When my sons were old enough to date, I taught them that old men shave and shower in the morning, while young men shave and show-er at night. It's based on the old adage, "You can catch more files with honey than you can with vinegar."

I still shave and shower at night — and I'm 79

years young.

**CHET IN SAN DIEGO** 

DEAR CHET: With an emphasis on the young"! Perhaps that saying should be amend-d to, "You can catch more HONEYS with ioney than you can with vinegar."

**FEELING LIKE THE GRINCH** 

DEAR FEELING: Your family may remind her of her own — or the one she always wanted. However, your lonely neighbor won't stop coming for early morning festivities until you set limits.

A few days before Christmas, invite her to come to your home at a specific time - for example, 1 p.m. to 3 p.m. on Christmas Day, or on Christmas Eve, if that is more convenient.

# Magician performs at Hamilton

Herald phote by Tommy Vincent

Dennie Phillips, an illusionist with more than 30 years experience on stage and television, recently performed for students at Hamilton Elementary School. Here, students Cornellus, left, and Anthony, right, assist Phillips with a trick. In addition to performing tricks, Phillips showed the students a few tricks to perform for their friends, and he taught them the history of magic.

"She does a little more each year," Carrico said. "We loke that five years from now, when we turn the lights on in Lake Mary, there won't be any electricity left for the rest of the city."

Gehr and her crew of about 10 people started preparing for the annual event in October when they began putting the lights up outside City Hall. Three weeks before the festival, the decorating crew began testing the lights two or three nights a week to check for damage control and placement.

"We have to check the lights to make sure everything is OK." Gehr said. "Squirrels play havoc with us since they like to chew on the wires."

A week before Holiday in the Park, a final lighting test is per-

formed. Not only is it done to make sure the lights are in the right place, but to reassure Gehr and other city officials the lights will stay on — outside and inside — City Hall.

"We've been known to take out City Hall's electricity," she said. "We eventually had to ask the city for more power in the

#### **Decorating Diva**

Gehr became Lake Mary's decorating diva" after the 1993 holiday season. Before she started working for the city, holiday decorating was contracted out by the city

"I made the comment that I could do better," she said. "So, I was told to do it."

The following year, Gehr and her crew used about 1,500 lights to decorate the eight lampposts in front of City Hall and the Christmas tree. Each year, more

lights were added; and today, most of the park is encompassed with lights.

"We've really graduated to bigger and better things since I started," Gehr said. "It's very overwhelming. One million is a lot of lights. Its hard to imagine that many lights, let alone putting them up and taking them down.

Although the number of lights has increased dramatically during the past few years, the cost hasn't. Since Gehr recycles, renovates and remodels many of the city's decorations year after year, the Parks and Recreation Department spent about \$2,000 on this season's decorations which includes all the holiday ornamentation at City Hall, the trailhead, the Community Center and the Frank Evans Museum.

Gehr, who has seven Christmas trees at her own house including a 14-footer in the living room and one for each bathroom, gives a lot of the decorating credit to her crew from the Parks Department. Besides continuing with their daily work, they spend several hours a day making sure the lights and decorations receive Gehr's

# Golf etiquette debate turns into fight

#### From staff reports

The Seminole County Sheriff's Office responded to a series of unrelated - but unusual - incidents last week.

Two local residents apparently wanted to illustrate that golf is a contact sport Dec. 4 when an argument about proper golt etiquette ended in fisticuffs.

Responding to the 10th hole of the Magnolia Plantation Golf Course in Lake Mary, deputies Jound George Rowe, 53, of Lake Mary and Jeffrey Jenovese, 31, of . Heathrow involved in an alterca-

Rowe told police that during an argument over golfer etiquette, Jenovese became "very upset." He then placed Rowe in a head lock and began to punch him in the neck. An apparent head butt also left a laceration over Rowe's left

Jenovese gave a somewhat different scenario. During the argument, Jenovese said Rowe became very upset and grabbed a golf club and swung it at him. Jenovese said he took Rowe to the ground in self defense and the laceration was from Rowe hitting the

"After speaking to all parties involved, Jeffrey and George shook hands, and they apologized to each other," reported Deputy Walter Perez. "This case was cleared by exception due to the fact that George did not wish to

had conflicting statements."

#### **Lottery Loser**

An elderly woman from the Fern Park area was victimized Dec. 5 by an apparent lottery

A female subject approached the victim at a bus top. The victim was asked to provide \$6,000 to help the female suspect claim lottery winnings. Another suspect, an older male, was also apparently in on the scheme too. After the victim withdrew the money from her credit union account, the two suspects left with her money and never returned.

Even though the victim suffered a \$6,000 loss, she refused to file an incident report. Upon hearing this, representatives from the woman's credit union went ahead and filed an incident report so the case could at least be documented.

#### Attempted Jall Break

Two Seminole County Jail inmates were found Dec. 7 to be trying to dig a hole through their cell wall.

Cell mates, Roy Jones, 36, of Altamonte Springs and Roger Cassidy, 35, of Sanford, allegedly had been digging mortar from around their cell window in hopes of one day removing the window to escape.

The plot was uncovered during a cell inspection when a deputy discovered paper stuffed into the

prosecute and all parties involved hole, said Steve Olson, SCSO spokesman. Another deputy discovered that the light within the cell was loose and inside the light was two pieces of angle iron. The iron appeared to be used recently for digging, stated police in the

Both inmates were charged with escape from jail.

#### Ultralight Aircraft Incident

Two men were on board an ultralight aircraft when it crashed Dec. 8 near Geneva leaving one man in the hospital with a broken

It happened at around 9 a.m. at 680 Old Geneva Road. Property owner Robert Sweat, 55, was reportedly taking lessons to learn how to fly the aircraft. The aircraft owner, and instructor, 39-year old Anthony Berman of Melbourne was also on board. Berman was in the back seat and Sweat was piloting the craft.

Upon takeoff, the wing of the aircraft apparently clipped a tree and the aircraft spun around hitting a fence. Sweat's injuries were extensive enough that he had to be airlifted to Orlando Regional Medical Center by Air Rescue 3. He was listed at ORMC Tuesday in serious, but stable condition. Berman's injuries were minor and he did not require hospital treat-

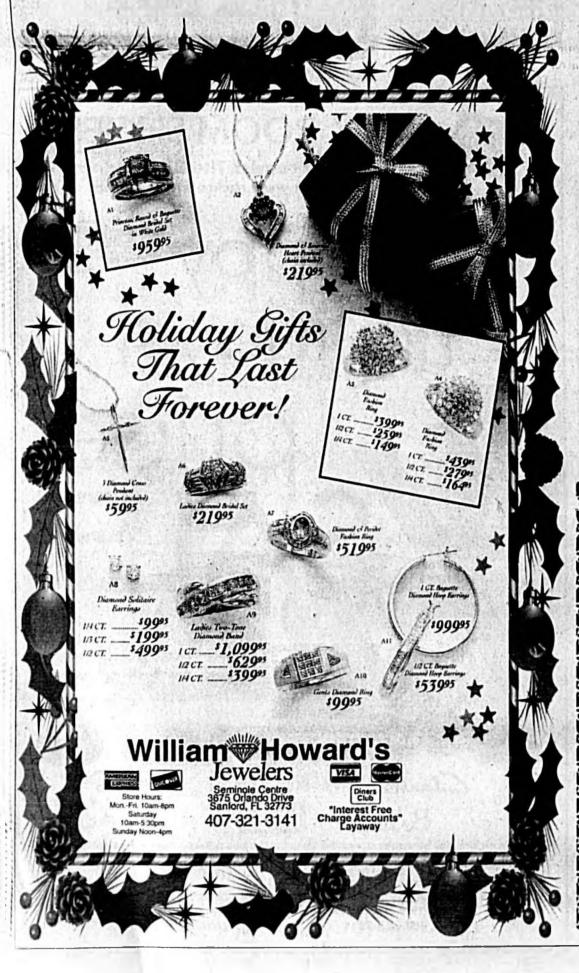

An investigation will be done by the Seminole County Sheriff's Office Aviation Unit.,

Maureen Quinn, a member of All Souls Catholic Church, moves poinsettias at the church's Christmas tree lot

Continued from Page 1A was having engine troubles as it

sputtered along.

Activating the siren did nothing as Williams continued through a stop sign at 2nd Street and Maple Avenue where the vehicle made a right turn. Again running a stop sign, Williams made a sharp left from Maple

Avenue to State Road 46. Traveling at speeds less than 50 mph, Williams continued his reckless driving as he ran traffic lights at Airport Boulevard and County Road 15. At C.R. 15, Williams made a right turn where several Sanford officers unsuccessfully tried to block in the vehicle.

"He's going to Bookertown, I bet you any money," Crapps said obviously dejected that the box-in procedure didn't work, but still heavily concentrating on the pursuit.

The moderate-speed chase continued with several officers following Crapps and the suspect. Williams increased his speed through the C.R. 15 and Orange Boulevard traffic signal finally making his way to Bookertown's Dunbar Avenue.

Up to this point, the chase was almost always within the speed limit, but as Williams entered his own neighborhood, his speeds reached an excess of 50 mph. Through residents' backyards and open fields, Williams led police on an off-road chase until he ditched the still moving car near the corner of Moton Avenue and Gilbert Street.

Sprinting in front of Crapps' moving vehicle, Williams entered a thicket between some

Gilbert Street homes. Assisting Crapps was Sgt. Randy Smith and K-9 officer Alan McCoy. Seminole County Sheriff's Office Deputy James Ingram Jr., met up with Williams at his living quarters only block away at 4631 McKay St.

A second suspect sat in the car and was detained by police until it was determined she was not a part of the criminal activity. A third back seat suspect was also believed to have jumped from the vehicle as it maneuvered

through some open fields.

Concerned residents took to the streets, in some cases questioning police to what had occurred. Others were less kind yelling derogatory phrases at officers such as "next time it's going to be Vietnam in Bookertown mother fooker." The dangerous job of apprehending a felon quickly became even more dangerous as several dozens angry residents verbally interfered with the investigation.

At Williams' home, Ingram arrested Williams and found two small pouches of marijuana weighing less than 7 grams. Fellow occupants of 4631 McKay St. also started complaining as apparently the door was damaged during the arrest. Williams allegedly slammed the door on the deputy as he saw him approaching the home.

Law enforcement officers continued their investigation at the

tinued their investigation at the Citgo gas station at the corner of CR 15 and Orange Boulevard. While paramedics checked out a vomiting Williams, police learned their running felon also had a warrant for arrest out of

Monroe County, New York for criminal possession of stolen

The chase took approximately 20 minutes, ending with Williams riding in Crapps' squad car on the way to the county jail. Williams was charged with reckless driving, fleeing police, driving with a suspended license, possession of marijuana and resisting an officer, but as discovered at the jail, New York officials responded to Williams' apprehension by stating they would extradite.

"You're going to New York," Crapps exclaimed to Williams. Unfortunately Williams didn't appear to be as quite as enthusi-

astic about the news.

Crapps finished his report at the jail just about after 10 p.m. Four hours into the shift and he still had another six hours of work Friday night and Saturday

morning.

Nothing compared to the chase to Bookertown, but responding to three different crash scenes through the night proved to be just as dangerous. Slowing down speeding

motorists around crash scenes was a dif-

ficult and tedious task. Finally, around 3 a.m., Crapps the DUI arresting specialist encountered his first drunken driver of the shift along French Avenue. His morning wrapped up with about an hour of paper work at the jail.

Navy Hospitalman Apprentice Amy B. Reinalda, daughter of Terri L. and Ken R. Reinalda of Sanford, recently graduated from the Basic Hospital Corps School at Naval Hospital Corps School, Great Lakes, Ill.

During the 14-week course, Reinalda learned a wide range of medical procedures used to provide first aid and assist Navy doctors and nurses. Reinalda also received an introductory instruction for service in a variety of medical environments, from fleet hospitals and shipboard medical departments to fleet Marine forces and medical administration offices.

Graduates' newly acquired skills and knowledge will enable them to help provide quality health care to Navy and Marine Corps personnel and their families. Reinalda's first assignment after school will involve direct patient care, but with her training, Reinalda can work in several areas, including first aid and assisting with minor surgery, pharmacy and laboratory analysis, patient transportation, and food service inspections.

Reinalda is a 1999 graduate of Seminole High School, and she joined the Navy in May 2000.

# Fabio fabulous for Greyhounds

Sports Editor

LONGWOOD - Senior forward Fabio Pedraza has been on an amazing scoring binge for Lyman since the boys soccer season began. But his goal-making abili-ty really stood out this past weekend. Saturday against Spruce Creek, Pedraza scored all of the Greyhounds'

goals as they whipped the Hawks, 5-1. Fabio's brother Dario, a senior midfielder, assisted on one goal and Steve

Spangler had five saves to record the victory in goal for Lyman.

# Lake Howell boys handle Seminole, Lake Mary

By Dean Smith Sports Editor

CASSELBERRY - A challenger has emerged to threaten the supremacy of the Oviedo boys basketball team

in Seminole County.

Lake Howell completed an impressive back-to-back home sweep of Seminole and Lake Mary on Monday as Sean Barkman went 7-for-8 from the floor and scored 21 points as the Silver Hawks slammed

the Rams, 68-37.

It was the second game in a row that Barkman had come up big for the home team, as his layup with three seconds left on Friday had allowed Lake Howell (4-3) to slip past Arrow Force X, 57-56. Seminole appeared to have secured come-from-behind

victory of its own when senior center Marcus Robinson converted a threepoint play with 12 seconds remaining to erase a 55-53 deficit and give the visitors a 56-55 lead.

Isaac Codrey led the Silver Hawks with 14 points and 10 rebounds, while Barkman added 11 points and point guard Jared Laskey had 10 points and eight assists.

Senior forward Robby DuPre led all scorers with 21 points for Arrow Force X. Robinson was right behind with 17 points and Dan Taylor was also in double figures with 11 points.

Monday night Lake Howell turned the lights out on Lake Mary in a hurry, taking an 18-4 lead after the first period and increasing the advantage to 46-17 late in the third period before the Rams finally found their offense.

Barkman, who scored 10 points in the first half, really stepped up his game in the second half, hitting all four shots he took, plus going 3-for 4 at the free throw line and pulling down four rebounds as he took over the leadership role after Codrey left the game early in the See Basketball, Page 2B

Whatever you can do, I can do too. Lake Howell's Isaac Codrey (No. 33, top) goes over Seminole's Robby DuPre for two of his team-high 14 points, but Dupre (bottom) returns the favor, going over Codrey for two of his gamehigh 21 points. The Silver Hawks scored on a last-second shot to edge Arrow Force X, 67-56.

# All-Star football game Saturday

Special to the Herald

**HEATHROW** — Central Florida's most outstanding high school football players and cheerleaders have been named to participate in the "3rd Central Florida High School All-Star Game."

The Central Florida High School All-Star Game, sponsored by Cingular Wireless, will showcase 200 top senior football players and cheerleaders from Seminole, Orange, Volusia, Brevard, Sumter, Lake and Flagler counties. The event will take place at 6 p.m. this Saturday (December 15th) at Showalter Field in Winter Park.

The admission is just \$5 with proceeds going to benefit Special Olympics Florida.

Honorary Chairman and Heathrow resident Lee Corso, ESPN's College Game Day host, and Honorary Coaches Darryl Talley and Thurman Thomas, both retired National Football League stars, will be joined by the prestigious selection panel that includes local prep football sports writers as well as Linda Gooch, Head Cheerleading Coach for the University of Central Florida.

The Central Florida All-Star Football

Game Committee has announced that veteran coaches Gerald Odom from New Smyrna Beach High School and Inman Sherman from South Sumter High School in Bushnell have accepted the honor of heading this year's teams.

Odom will direct the East squad (Volusia, Seminole, Brevard and Flagler counties), while Sherman will be at the helm of the West team (Orange, Osceola, Lake and

Sumter counties). Each year the coaching community is asked to nominate the All-Star coaches on

# **UCF** trio earn All-**America** honors

Special to the Herald

ORLANDO - Monday was quite a day for the University of Central Florida football team as three of its members were named to different All-America

Senior free safety Ricot Joseph was named second team Verizon Academic All-American, becoming the first player from UCF to earn Academic All-America honors at the Division I level.

To be eligible for the team, a player must have a cumulative grade point average of at least 3.2 in the classroom and be a starter or key reserve on the field. Joseph was named to the Verizon Academic All-District III team last month, which earned him a spot on the All-America ballot. District Ill is made up of all Division I-A and I-AA schools in Florida, Georgia, North Carolina, South Carolina and Virginia.

Also, defensive end Rashad Jeanty and tailback Alex Haynes were named to The Sporting News Freshman All-America Team.

Jeanty, a true freshman, was named third team and Haynes, a redshirt freshman, earned a spot on the fourth team.

Joseph, a physical education major pursuing a minor in criminal justice, has been named to the Dean's list seven times and has never had below a 3.0 in any semester. He is a two-year starter and worked his way into the lineup after coming to school as a walk-on.

He finished second on the team in total tackles with 104 and was named to the 2001 Collegefootballnews.com All-Independent team. Joseph also recorded double-digit tackle totals in seven games this year, including a team-high 18 against Syracuse, and 13 against Arkansas.

Jeanty finished the year with 58 tackles, including eight behind the line of scrimmage, despite missing nearly three full games due to an ankle sprain. He finished third on the team with four sacks and was second in quarterback hurries

A strong pass rusher, Jeanty was third in the nation in tackles among true freshmen until spraining his left ankle in the first quarter against Utah State. He missed the Akron game and then on the field for only three plays against Arkansas. He recorded double-digit totals in three games this year, including 11 against Syracuse and Virginia Tech.

Haynes is a rare player for UCF, which has a reputation of being a passing team. He led the Golden Knights with 690 yards rushing on 140 carries and had a team-high nine rushing touchdowns, despite missing nearly three games with a

# Florida Mini Stock Challenge 100 produces heartbreak and champ!

Special to the Herald

SAMSULA - Rick Sirmans drove the race of his life and Frank Welch did what he had to Saturday night (December 1), but both still needed a little luck to bring home a victory and a championship in the Florida Mini Stock Challenge 100 at New Smyrna Speedway.

Saturday's action ended the 2001 racing season at New Smyrna Speedway, which will be closed to racing during December, but the track will be available for testing.

The FASCAR Awards Banquet will be held this Saturday (December 15) from 6 p.m. until 1 a.m. in Titusville. Tickets are \$20 in advance and \$25. Please call the Speedway office at 386-427-4129 for

Sirmans had run in the top five all night, post-ing consistent lap times and working to save his tires for the final 25 laps. While Sirmans was plotting his strategy, series point leader Welch faced his own dilemma. Welch started the race with a 21-point lead and had to finish fifth or better to win the championship, but was mired in midpack to begin the race.

Sirmans chased the #2 Dodge of Corbin Gibbs, the #3 Chevrolet of Steve Griffin, and the #2X Dodge of Jimmy Wear for the first 95 laps. Both Dodges took turns at the front of the pack with

Griffin playing spoiler.

Drama unfolded over the final five laps as the top five took their shot at the win. Lap 98 saw Wear trailing smoke into turn one producing a caution that bunched the field. Wear showed great sportsmanship as he kept his car against the outside wall, preventing fluid from dropping in the racing groove.

The restart found Gibbs in the lead with Sirmans and Welch, who had slowly clawed his way into contention, in hot pursuit. Gibbs took the white flag with a 10-car length lead and an almost certain victory. The drama unfolded as the field exited turn two and the engine in Gibb's car started to lose power. Sirmans began cutting into the lead as clouds of smoke poured from the

Dodge. Gibbs' engine blew in turn four, and as he coasted to the line, Sirmans charged by to post a dramatic victory.

An excited Sirmans did a smoky burnout in victory lane and waved to the excited crowd.

'I can't believe this," Sirmans said. "I have to thank my crew for all of their hard work, and also the fans for coming out to watch us. I am sorry that Corbin had problems, but I am happy to

Welch also got past Gibbs to finish a championship-clinching second. Welch drove a smart race, taking advantage of several caution flags to move into the top five and once there had no

intention of losing any positions.
"This is great," Welch said, "I would like to have won, but winning the championship is even better. I knew what I had to do in this race to claim the championship. My crew has worked hard all season and I really want to thank them for everything they have done for me this year. I also want to thank the fans that have supported us all season."

Gibbs held on for third place, with Marty Neikens and Kenny Hankins rounding out the top five.

In other racing action, Jack Cook outran the Super Late Model field, bringing a season-ending victory for his Bob's Space Racers team. Cook loves to run at New Smyrna Speedway and is always one of the cars to beat.

Wayne Parker drove a smooth race to bring home the win in the Modified feature, outlasting Wayne Southard, Bobby Blake, and Shane Held.

The Super Stock feature found 'Ilm Ewing and his #35 in victory lane. Ewing had powered his way to the front and held on for the win. Ewing was followed across the line by the #57 of Joe Evans and the #36 of Tim Russell.

Rick Johns claimed top honors in the Sportsman feature. Johns also raced his way to the front, edging out Ron Lufcy and Ian Huffman.

The Strictly Stock feature saw the #11 of Nick Vogler collect the trophy, with the #38 of Bob Trombley and the #1 of Randy Holshoush right

Greg Garlich was the only Lake Mary player to score in double figures points, as the Rams committed 26 turnovers and hit just 14-of-42 shots (33.3.-percent) from the floor and 7-of-16 from the free throw line.

In other big news from the weekend:

Class 6A Player of the Year Shawn Witherspoon scored 74 points and was named the Most Valuable Player leading the host Lions to the Championship in the Oviedo Rotary Club Central Florida Classic.

The 6-foot-6 forward scored 26 points and hauled down nine rebounds as Oviedo just got past Brevard Christian, 73-70, in the semifinals on Friday, then came up with a 32 point, 15 rebound performance in the Championship Game as the Lions whipped Lake Highland Prep, 65-43.

Brad Rich chipped in with 19 points and Jacob Pickett had six assists for Oviedo against Brevard, while Winter Springs transfer Mark Rich had 10 points and Pickett four assists against Lake Highland.

In other boys' games: FRIDAY Ryan Exter hit the game-winning shot at the buzzer as Winter Springs rallied from a 13-point deficit with three minutes left to upset Lake Brantley (3-2), 48-64, despite a 16 point, eight rebound effort from Bo Gooch. Chad Fowler had five

assists for the Bears (2-2). Freshman Darryl Merthie Jr. scored 21 points as Lake Mary edged a tough Colonial quintet, 65-64.
