The first snow of the season! What excitement—what delight is written in her shining eyes! To her, the world has suddenly become a wonderland of white enchantment—a miracle.

A child accepts the miracle, and finds in it pure, unblemished joy. An adult finds it increasingly difficult to accept anything as miraculous-and his joys are dimmed by life's myriad complexities.

Yet, within every adult's grasp is the greatest miracle of allthe story of Christ and the message he left the world. This is the inheritance of every man and woman who will reach out to accept it. It waits for you . . . in the Church.

Go to church this Sunday. Discover, again, what Christ did for you.

THE CHURCH FOR ALL . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship, It is a storehouse of spiritual values. Without a atrong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own take. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily,

Appreciation Day Set For Naval Air Station

Sanford again will honor the Naval Air Station personnel with "Appreciation Day." Ceremonies will be held Saturday. Dec. 18.

This will be the second such local celebration. The first was staged when it appeared that Sanford would lose the NAS. This time, the observance will be somewhat like a reaffirmation of that first "Appreciation Day."

Navy personnel and their families will gather in Fort Mellon Park for the event. Few speeches, much food will be the order of the day. According to Art Harris, co-chairman of the event, this will be more of a "get-acquainted" day for the Navy and Sanford.

The "Appreciation Day" in Sanford will come at a very appropriate time. On Friday, Dec. 12, the Naval Air Station will hold open house for Sanford residents. This will climax activities connected with the sixth annual bombing derby at the base.

Next week will be a big one for Sanford and NAS. Many distinguished visitors will be here for the bombing derby. High-ranking Navy officials will be among those attending the various events connected with the derby. The Chamber of Commerce plans a stag barbecue for the guests.

The Senior and Junior Chambers of Commerce are to be commended for their action which brought about "Navy Appreciation Day." The Naval Air Station is a big part of Sanford. It contributes much to the economy. More important, however, it has brought fine residents to Seminole Coun-
